

Physician 3021

Chapter 3021

Threat!

It's an open threat, and it's still a threat to Yue Qingshan's life!

How can the people of Taiyuan sword sect tolerate this?

Yue Rou's innocent face was full of anger at this time. She pulled out her long sword, and the sword's edge pointed at Zhang Youyuan and cried angrily:

"Zhang Youyuan! Don't dream. I yuerou will not go back to Zhangjia with you even if I die! To tell you the truth, I haven't forgotten my mother's hatred. Now, you'd better give me the antidote, otherwise, I swear that one day, I will destroy the whole family of zhangjias. "

Although she is simple and kind-hearted, even the kind-hearted people will be crazy and revenge!

The whole hall is dead in an instant!

When Zhang Zhuzhi heard the speech, his face sank and he said with a cold smile, "ha ha, have you destroyed all the zhangjias? What a big tone, Yue rou. Do you think you have understood the meaning of Zhenwu and become invincible if you make great progress in kendo?

It's your honor to let you into my family. Don't be ungrateful

Zhang Youyuan is not angry. Instead, he looks at Yue Rou with his eyes narrowed slightly. Yue Rou's Kendo charm makes him feel a trace of threat, which can be called terror!

He gave a faint smile. In that case, it was impossible for Zhang Jia to let Yue Rou go!

As for hatred? Hehe, there are countless ways to train Yue Rou when he comes back to Zhangjia. He will make Yue Rou a good boy.

In Yue Rou's beautiful eyes, there is a flash of cold light and a swing of sword spirit. She actually wants to direct her hand, but at this time, a figure blocks yuerou's body.

This man is Bai Lang, the second elder of Taiyuan sword sect!

Bai Lang's face was stern and he murmured, "Yue Rou must not be rude!"

Yue Rou is slightly stunned and looks at the white wave with great disappointment.

What is elder Bai saying?

Facing the family that killed her mother and the enemy who seriously injured her father, Bai Lang, as the second elder of Taiyuan sword sect, let herself not be rude?

Why is Xu zhaorou's face towards Bai zhaorou?

But at this time, Bai Lang whispered to Xu Zhao: "elder Xu, listen to me, we must not offend this Zhangjiakou. If there are only a hundred broken doors behind the zhangjias, it will be OK. The key is that I get the news that Zhang's legitimate daughter has married Zhong Qixuan, the first day of the hundred broken gate, as a concubine!

What's more, during this period of time, it's quite popular! "

"What!"

When Xu Zhao heard the speech, his face changed greatly!

Zhong Qixuan is the first genius among the hidden forces of the first God kingdom. He is more outstanding than Ouyang Xi of Xueyuan Zong. I don't know how many times!

There is even a rumor that Zhong Qixuan's strength has already surpassed the hundred broken ancestors. No one can go beyond the youth of the first God kingdom!

And Zhong Qixuan this person, the biggest characteristic is lecherous!

He hasn't got a wife, but there are thousands of concubines!

If the legitimate daughter of Zhangjia can be favored among thousands of people, the energy of Zhangjia is simply too big to imagine!

A strange smile flashed in Zhang Youyuan's eyes. He took a full view of Xu Zhao's look and continued to say, "Yue Rou, there were many misunderstandings about what happened in those years. We are here to let you return to Zhangjia, not to let you quit Taiyuan sword school directly."

"In those days, the father of my mother and I were impulsive and made mistakes. Over the years, the old man has always regretted it. Now, the old man's birthday will be exhausted. His greatest wish is to see you and apologize to you! Whether you want to join Zhangjia or not depends on what you mean

With that, Zhang Youyuan looked at Xu Zhao and said, "elder Xu, how about this? Of course, as long as Yue Rou is willing to go back with me and see the old man for the last time, we will still stay for the antidote. "

He picked up the tea cup on the table again and drank it slowly.

And Xu Zhao, at this time, has been shaken. If he only went back to see the previous master of the family, it seems that there is no loss, isn't it?

The most important thing is that we can save Yueqing mountain. Seeing the state of Yueqing mountain, we can't support it for long!

Bai Lang's eyes flashed and he said in a deep voice to Yue Rou: "Yue Rou, even if you don't think about Taiyuan sword school, you should consider it for your father!"

This person actually moved out of Yueqing mountain directly to force Yue Rou?

Yue Rou's pretty face darkened instantly.

Sorry?

See you?

What happened to her mother before she died?

Now, remember to apologize?

Don't say forgive, she would like to die!

Just then, in the void, there was a ripple. A man's voice echoed in the hall: "consider? Why don't you think about kneeling down and licking Zhang's shoes? "

There are only two shadows falling from the void. They are ye Chen and Ouyang Xi.

And it is Ye Chen who speaks!

He stares at the white wave coldly. Under the sight of Ye Chen, Bai Lang's body trembles, and his limbs begin to stiffen, just like being watched by a monstrous beast! Just now, when ye Chen was about to arrive at the Taiyuan sword sect, he had already heard the conversation among the people in the hall.

He is very clear, this white wave is singing with Zhang Youyuan double reed, estimated to have been bought!

A smile appeared on Bai Lang's face, and he lowered his head slightly. He did not dare to look at Ye Chen's eyes. He said, "Mr. Ye, what are you talking about? I This is for the sake of Taiyuan sword sect, and for the consideration of leader Yue, I just

Ye Chen violently drinks a way: "you give me stop!"

Zhang Youyuan and Zhang Zhuzhi, both with a sneer on their faces, looked at Ye Chen contemptuously. Is the boy who has not yet completely stepped into chaos mad?

Bai Lang is a master at least. He told him to shut up?

I guess I'll be slapped to death by the white wave, right?

But the next moment, let them unexpected scene appeared, white wave actually really shut up?

Ye Chen turned his eyes and looked at Xu Zhao standing on the side. He shook his head and said in disappointment: "elder Xu, are you practicing Kendo or practicing both body and sword? A warrior like you should understand what kind of state of mind a warrior should have. But now, facing a Zhang family, a hundred broken door and a Zhong Qixuan, are you afraid? Is it shaken? Just want to let rouer go back to Zhangjia? "

"With your present state of mind, there will never be a breakthrough in kendo."

When Xu Zhao heard the speech, his pupils shrank and his face was blue and white. Ye Chen said it too directly!

After all, Xu Zhao is a proud swordsman. Even in the face of Ye Chen, he still can't help but explain: "I don't! What's more, when Yue Rou goes back to Zhangjia, she only meets with the master of the previous generation and can come back at any time. The most important thing is the current situation of the leader... "

"Enough!" Ye Chen interrupts directly, "Xu Zhao, you won't be stupid to this extent, right? Do you really think that Zhang Jia will let rouer come back? It's just an excuse for you to escape! "

When Xu Zhao heard the speech, his eyes were dim

Ye Chen's words hit the nail on the head!

Zhang Youyuan frowned slightly, and a trace of ferocity flashed in his eyes. He opened his mouth and said, "younger generation, do you have a part to talk about here? I'm Zhang Youyuan. If you don't believe it, we can bet! "

Chapter 3022

He didn't want this kid from nowhere to ruin his plan!

"Bet?" Ye Chen's icy eyes swept Zhang Youyuan and said with a sneer, "what are you, qualified to gamble with me?"

The whole Taiyuan sword sect seems to be silent!

It's like a desert where no one lives forever!

Zhang Youyuan, Zhang Zhuzhi are incredible looking at Ye Chen!

Zhang Youyuan is the master of Zhangjia family. He is a strong man in the two layers of heaven and God realm. There are not many people in the first Kingdom who dare to speak to him like this!

Crazy people, they see more, but, have not seen Ye Chen so crazy ah!

Ye Chen glanced at Xu Zhao and said, "as for the antidote..."

"Ha ha..."

His mouth, raised a trace of evil smile and said: "we are martial arts, others do not give, do you still ask him?"

"He didn't give it. Of course, he called until he did!"

This sentence, like thunder in general, instantly shocked Xu Zhao's mind!

Domineering, arrogant, seems to be very reckless!

Xu Zhao knows that this is the demeanor of a warrior!

In an instant, Xu Zhao's dim eyes brightened up and was illuminated by Ye Chen's back!

At this time, standing beside Zhang Youyuan, Zhang Zhuzhi can't bear to go on!

In his eyes, there was a rage!

Zhang Zhuzhi, from childhood in Zhangjia's training, will family, status, class, very important!

In other words, he is extremely proud of his status as a member of Zhangjia!

Ye Chen, who is such a rubbish who cuts the difficult situation, dare to say in front of him what he wants to fight until the people of Zhangjia give it to him?

His family is a small waste of chopping the enemy. If you want to fight, you can fight it!

This is simply to Zhangjia, is to Zhang Zhuzhi, the biggest insult!

The next moment, Zhang Zhuzhi's whole body breath burst, the light of the sword in his hand flashed, a cold sword light, startled the sky!

He shouts to Ye Chen violently: "it is necessary to pay the price for bluster, boy. When you die, you will regret it slowly."

In Zhang Zhuzhi's eyes, the murderous opportunity is revealed, and his expression is extremely ferocious. He cuts out a sword to Ye Chen!

A sword out, the world surging!

The strong sword spirit, like a storm, swept the whole Taiyuan sword sect in an instant, and there were cracks in the void!

Zhang Zhuzhi is worthy of being the son of a first-class family. He has received the best education since childhood. He can hardly find out anything wrong with this sword from the aspects of hand, breath, sword spirit, angle and so on. It is a common sword move in Textbooks

However, it is for ordinary people, for ye Chen, this sword is simply ugly!

From ye Chen's point of view, Zhang Zhuzhi's sword is just a sword of learning to walk in Handan!

This sword has no soul and soul. The martial arts reach Ye Chen's level. Zhang Zhuzhi's sword technique, which is based on the book and has its own shape, is not even qualified to become a sword technique!

He hit one of Zhang Zhu's fists very casually. He didn't even use his spiritual power because he didn't need it.

Even the strength, ye Chen has only used a part, to defeat Zhang Zhuzhi, he is a bit too much!

However, this is just Ye Chen's idea. In Zhang Zhuzhi's opinion, this rubbish was extremely arrogant just now. Now, in front of his sword, he is so scared that even his spiritual power can't work well. Can he just lift his hand to resist it?

There was a look of cruelty on his face.

Even if it's physical training, he is confident that he can chop his sword to pieces without using his spiritual power!

What's more, is it a waste that has not yet entered chaos?

The next moment's collision with Zhang Ye!

In the eyes of the public, a scene of incomparable shock appeared!

Ye Chen, this seemingly mediocre blow, at the moment of hitting Zhang Zhuzhi's sword edge, that originally in the Taiyuan sword school, the crazy roaring sword spirit was instantly calmed down!

As if, the sword like a hurricane was completely resisted and suppressed by a huge mountain!

What's more frightening is that not only the sword spirit, but also the sword light of Zhang Zhuzhi collapsed under Ye Chen's fist, and Zhang Zhuzhi could not even hold the sword!

Looking at Ye Chen's eyes, he lost all colors in an instant, just like a soul, which has been swallowed up

How could this happen?

He didn't understand

Why does Ye Chen have such terrible power in this fist!!!

It's not only the strength, but also the martial arts!

The power of this fist is totally superior to his understanding of martial arts!

Zhang Zhuzhi's Tao, mind, thinking, everything They were drowned by the horror of this blow

At the next moment, with a roar, his body turned into a blood mist and exploded

Everyone was stunned!

Completely shocked!

People of Taiyuan sword sect all know that ye Chen is very strong and terribleBut they don't know that ye Chen's strength has reached this level

It is much more difficult to break a warrior's heart than to kill the opponent, especially those who have cultivated to this level!

Which one of these martial arts is not well tempered in heart and nature?

But they had a very clear feeling just now. The moment before Zhang Zhuzhi died, Daoxin collapsed

Ye Chen smashed a genius's heart like a mosquito!

Among them, the most panic, the most shocking is Zhang Youyuan!

He didn't know ye Chen. Before Zhang Zhuzhi's sword, he didn't have any psychological preparation.

Just waiting to see ye Chen killed by Zhang Zhuzhi with a smile on his face

But the fact is totally beyond his imagination

Zhang Youyuan swallowed his saliva and looked at Ye Chen's eyes. There was only dignified left in his eyes. Although he could kill Zhang Zhuzhi in seconds, he did not have the confidence to hit Zhang Zhuzhi casually, which made Zhang Zhuzhi's heart collapse

Is it true that the strength of this arrogant and matchless chopper is still above himself?

Are you kidding?

However, Zhang Youyuan still held up a smile and said: "is this childe a little too impulsive? If you want an antidote, we can discuss it... "

He actually killed Zhang Zhu, a genius of Zhangjia, to Ye Chen. He completely forgot the general!

Zhang Youyuan knows that it's not worth fighting with Ye Chen for the sake of Zhang Zhuzhi

Ye Chen looked at Zhang Youyuan coldly and said playfully, "discuss?"

"As I said just now, you are not qualified to gamble with me. You don't think you are qualified to discuss with me?"

Zhang Youyuan's face was stiff. Did ye Chen not give him face to the head of the family?

However, without waiting for Zhang Youyuan to think more about it, ye Chen turned his wrist and held a dark sword. He said in a cold voice, "I said that if you want an antidote, I'll call you directly. Where else do you need to discuss?"

The next moment, a sword!

The powerful power poured into the evil sword. In an instant, a strong wind was set off between heaven and earth. Although Ye Chen did not use his cards, the momentum of this sword was as powerful as that of Zhang Zhuzhi!

Chapter 3023

Today's Ye Chen, absorbed two Zixiao stones, the power has been explored to the extreme!

Driven by Ye Chen, this power can break out even if it is the top martial arts of the first Kingdom, but it may not be able to match the destructive power!

Zhang Youyuan's face changed greatly. This sword is much stronger than the one that ye Chen made when he dealt with Zhang Zhu just now!

With a roar, he poured out without reservation. In an instant, eight black spears spread out behind Zhang Youyuan!

These eight spears are forged with eight poisonous spider legs of xuangui poisonous spider!

On top of the eight spears, the black light explodes and flashes. One of them blocks the sword in Ye Chen's hand, while the remaining seven spears stab at Ye Chen's eyebrows, heart, neck and other key points!

However, ye Chen, in the face of the seven spider spears coming from the thorn, is actually ignoring the appearance and still cuts off with one sword!

Seeing this, Yue Rou cried out anxiously, "brother ye, be careful that the spear is poisonous!"

Now you want to be careful? It's too late!

Zhang Youyuan has a grim smile on his face. Boy, your potential is terrible, but you are still too young and careless after all. As long as the mysterious ghost spider venom is infected with a trace, even if it is the existence of the heaven and God realm, you can't easily bear it. It's your biggest mistake to ignore Laozi's attack!

The next moment, the sword collided with the spider spear, and there was a loud noise. On the hard and incomparable xuangui spider spear, a clear crack appeared in an instant!

At the same time, violent giant force also poured into Zhang Youyuan's body, he instantly vomited a mouthful of blood, the whole body bone began to fracture!

Zhang Youyuan looks shocked. The power of this sword almost shakes his brain!

Don't say that he was the one who killed the enemy. He even doubted that the sword could be cut by human beings?

It's horrible!

What's more, the sword is not over, but it is pressing the spider spear and falling towards his head!

But at this time, one of Zhang Youyuan's spears also cut the skin on Ye Chen's neck!

A ray of ecstasy flashed in Zhang Youyuan's eyes. He took back the other seven spider spears and concentrated them on his head!

There was another big bang. The ground of the hall was suddenly broken under the power of this sword. There were clear cracks on the eight spider spears!

However, Zhang Youyuan still has some strength. Ye Chen, a sword with great power of terror, succeeded and was blocked by him!

At the next moment, Zhang Youyuan clenched his teeth and used his secret arts to stimulate his potential. He took advantage of Ye Chen's sword and was ready to take another shot. He retreated crazily and sneered at Ye Chen: "boy, you have been poisoned by xuangui spider poison. I advise you not to move around, otherwise, the toxin will only spread faster!"

Zhang Youyuan's face looks pale after performing his secret arts. However, he seems to have a winning face at this time!

Xuangui spider poison, without his antidote, those who are strong in heaven and spirit can not persist for long. Yue Qingshan is a lesson in the past!

What's more, this is the result of Yue Qingshan's all-out resistance to the toxin. If ye Chen continues to fight, he will die faster!

But if you don't do it, you're just sitting around waiting to die!

That is to say, ye Chen has been forced into a desperate situation by him now!

The boy's strength is really terrible and weird, but what's the use of being strong?

Can you really carry the mysterious ghost spider poison and fight with yourself?

When ye Chen hears the speech, a smile appears on his face. His body flashes, and he rushes towards Zhang Youyuan!

Poison?

With Ye Chen's constitution, even if there is any toxin that can threaten him in this world, it can not appear in the kingdom of God.

Originally, Zhang Youyuan, who was still proud and sneering, changed his face completely at this time!

He looked at Ye Chen with incomparable fright and exclaimed: "how can this happen? Are you poisoned?"

Ye Chen at this time, which has a little bit of toxic appearance?

The spider venom of xuanguai, which is known as one of the ten great poisons, has no influence on Ye Chen even

Terrifying power, invincible constitution, what kind of monster is this?

Zhang Youyuan is completely scared to be silly!

However, he did not even have time to think about it, and ye Chen's sword was cut in front of him!

Zhang Youyuan's pupils trembled wildly. Eight spider spears crossed in front of his eyes and blocked Ye Chen's sword!

There was a loud noise. The crack on the spider spear deepened one minute in an instant. Zhang Youyuan, under the concussion of Juli, spits out a mouthful of blood!

But this is just the beginning

In Ye Chen's eyes, a trace of evil light flashed. The sword in his hand danced wildly, just like a hurricane, constantly bombarding the defense of the eight spider spears!

The sound of the click, like rain hitting banana, kept ringing. After a few breaths, ye Chen had cut out hundreds of swords!

But Zhang Youyuan, the whole body breath has already decayed to be unable to describe, the bone, the viscera, has tended to smash, finally! With a sound of breaking, the spear made from eight spider legs of xuanguai poisonous spider was thoroughly smashed!

Unexpectedly, ye Chen was chopped to pieces by his power

At the same time, Zhang Youyuan is also like a pool of mud in general, paralyzed down.

There was no breath at all.

The head of this family, the strong one of the two layers of heaven and God realm, was easily crushed by Ye Chen with his body power

People, even though they had expected that ye Chen could defeat Zhang Youyuan, they were still shocked

With a wave of his hand, ye Chen takes Zhang Youyuan's storage bag, and takes out the antidote of xuangui spider poison, and turns it into yueqingshan's body.

Soon, the black air on Yue Qingshan's face dissipated and slowly came to himself.

After knowing what had just happened, he said to Ye Chen with great gratitude: "Mr. Ye, thank you so much this time."

Ye Chen smile: "don't be polite. Rouer has saved me. Moreover, I owe you the kindness of Taiyuan sword sect, don't you?"

Yue Qingshan laughed. He regretted that ye Chen had taken the sword soul from the abyss. Now it seems that it is worth it! It's worth it!

But all of a sudden, Yue Qingshan is restrained smile, all over the body intelligence is irascible, suddenly hand a sword to cut out!

This sword is facing the white wave!

Bai Lang's face looked frightened and rushed out his sword to resist it. But how could he be Yue Qingshan's opponent?

The next moment, blood flash, white wave screamed, an arm, then from the shoulder off, fell to the ground!

It is the white wave that makes the sword's hand!

If Jianxiu can't hold the sword, it's almost useless!

"Get out of my Taiyuan sword sect, don't let me see you again!" said Yue Qingshan with anger

He treats Bai Lang well, but Bai Lang wants to sell Yue Rou for profit?

He didn't kill him. It's done.

At this time, Xu Zhao said with a heavy voice: "Mr. Ye killed Zhang Youyuan and Zhang Zhuzhi. I'm afraid that Bai Pengmen and Zhangjia will not give up. Besides, there is Zhong Qixuan..."

Chapter 3024

Yue Qingshan, Ou Yangxi and others are also frowning. Although Zhang Youyuan is strong, he is nothing to Taiyuan sword school. The key is the influence behind him

Ye Chen is not satisfied, he faint smile, body shape instant disappear from the hall.

People slightly a Leng, the next moment, they follow Ye Chen and go.

Ye Chen came to the stone of God!

People look at him, are a little puzzled, ye Chen to do here?

At the next moment, ye Chen dances the sword in his hand. The meaning of Zhenwu is roaring out, accompanied by the breath of destruction!

That martial arts charm is extremely palpable!

But this time, ye Chen did not leave his own knife mark on the stone, but wrote a word on it!

A big kill!

As soon as the word "kill" becomes complete, a terrible meaning of killing comes out from the stone of God's will and covers the whole Taiyuan sword sect!

Not only the Taiyuan sword sect, but also the martial arts people in a hundred Li radius were all excited by the killing intention! One by one, they looked at the direction of Taiyuan sword school!

All of a sudden, Yue Qingshan and others changed their faces wildly, because they felt several strong breath and came to the Taiyuan sword school!

Ye Chen's killing intention attracted the attention of the first God Kingdom, those who were at the top of the world. At this time, they dropped their gods to spy out!

Ye Chen felt the spirits of those strong men, and his face did not change at all. On the contrary, he raised a little smile and said: "those who make a mistake in the abyss, I Ye Chen, will kill them!"

In a moment, the whole country rang like a tsunami!

Even in this fierce drinking, even the just arrived of those a few gods, all instantly dissipated!

Yue Qingshan and others are looking at Ye Chen in an incredible way

Ye Chen with a killing intention, a fierce drink, will be the first God of many strong, all frighten live!

Ye Chen said faintly: "this is a killing intention left by me in the Taiyuan sword school. Anyone who wants to invade the Taiyuan sword school must break this killing intention, and I must have some feeling."

In his eyes, the cold light suddenly rose and said: "no matter who does this, he will die!"

Yue Qingshan and others trembled. At this moment, ye Chen is like a demon who decides the life and death of human beings. It makes people feel cold and dare not disobey him!

.....

On a high mountain, a young man in a brocade robe, with golden light shining in his eyes, is full of horror at this time!

He is the first day to break the door, Zhong Qixuan!

Zhong Qixuan, since he was a child in martial arts, has unimaginable talent, no matter how strong the opponent, he has never been afraid!

But just now, Zhong Qixuan felt a strong sense of killing. The moment he brought his mind to the Taiyuan sword school, he felt the taste of fear for the first time in his life

Why are these strong people forced to retreat by Ye Chen?

Because!

They all feel the power of Ye Chen!

Ye Chen, they feel like an abyss

The abyss of death!

At this time, a woman's cry sounded from behind Zhong Qixuan.

Zhong Qixuan turned his head and saw a graceful and charming woman walking towards him.

This woman is Zhang Xin, the legitimate daughter of Zhang Jia.

Zhang Xin threw herself into Zhong Qixuan's arms and sobbed: "brother Zhong, my father was killed by the scum of the Taiyuan sword sect. You must be the master of my family!"

Zhong Qixuan was silent for a moment. Then, he suddenly pushed Zhang Xin aside and slapped him to fly!

Zhang Xin screamed and covered her swollen cheek. Several teeth fell from her mouth. She looked at Zhong Qixuan and said, "what's wrong with you, brother Zhong..."

Zhong Qixuan said coldly, "do you want me to die? From today on, you and Zhang Jia have nothing to do with Zhong Qixuan! "

After that, Zhong Qixuan left Zhang Xin with a dull face and turned to leave. In his eyes, the fighting spirit was burning!

Ye Chen?

Let me feel the fear, but, to pay the price

Now, I may not be your opponent, but!

What if I broke through?

On Zhong Qixuan's face, there is a cold smile.

From this day on, a news spread in the first Kingdom of God!

Zhong Qixuan, a genius of hundred broken doors, enters the forbidden area of death valley. Close the gate of life and death!

The whole first God kingdom is boiling in an instant. Death Valley is a place where the strong gods may fall down in it

And Zhong Qixuan, into the valley of death to close the pass of life and death?

That is to say, Zhong Qixuan does not break through the limit and will not go out!

However, ye Chen does not know all this.

.....

At the same time, the first Kingdom is a very quiet and remote mountain. A phoenix crow suddenly sounded, shaking the sky!

That Phoenix eyebrow heart contains a blood essence!

The essence of blood actually sends out the extremely powerful divine idea!

This is the shadow of Phoenix condensed by xuanjiyue's essence and blood.

At the moment, her face was pale and her eyes were helpless.

If someone had not enforced the rules of the kingdom of God and the upper world, how could it have been so troublesome?

If you let her know the identity of those two people, she must kill them with her own hands!

The blood Phoenix flies to the end of the sky!

This time, the rules didn't break the blood Phoenix!

Xuanjiyue's eyes were full of surprise, and she exhaled a puff of turbid air: "finally, those guys have been cheated."

However, when the blood Phoenix wants to penetrate the void!

Whoa!

Suddenly, the void concussion, a beautiful shadow, such as the sky flying fairy, elegant appearance, floating down.

Daodao divine light, lingering in her delicate body, countless flying glass, like a dream, floating in the air.

It is Ji Siqing!

Although the eye of the Phoenix is not clear, it's hard to see!

The blood Phoenix, which was about to leave the kingdom of God, was shattered on the spot under the eyes of Xuanji moon!

The next moment, xuanjiyue's eyes are burned by fire!

Pale face is even more red!

She wakes up in the kingdom of God, although she is not the real body of the queen of the upper world, but no one can insult!

"Who is it?"

A brief silence!

Ji Siqing's surprised voice slowly falls down!

"Xuanjiyue, it turns out that you are such a bitch!"

Ji Siqing's eyes are cold and fall in front of xuanjiyue.

Qu Xueyong followed her with his head down and stood with his hands down.

"Lao Zu, it seems that this man is not easy to deal with."

Qu Xueyong whispered.

He followed Ji Siqing and investigated the source of the crisis. Finally, he came here, only to find that zhuhanzong was destroyed and there was no room left.

And the breath of Xuanji moon also makes Qu Xueyong extremely afraid.

Full of four layers of heaven!

Ji Siqing, however, has just broken through to the realm of God.

There is a big gap between the two women.

Even though xuanjiyue is not stable now, he is still worried about Ji Siqing's accident.

Chapter 3025

However, Ji Siqing is indifferent and looks at xuanjiyue coldly.

She recognized at a glance that the veiled woman in front of her was the queen of the upper world!

To be exact, it's a part of that bitch in the kingdom of God!

Once the anger, in this moment completely ignited!

If not xuanjiyue, how could the reincarnation master fall!

If it's not xuanjiyue, how can I need to rebuild it!

"Qu Chenyan, it's you!"

Xuanjiyue looks at Ji Siqing's face and is shocked.

She instantly recognized that Ji Siqing in front of her was Qu Chenyan, who had been guarding the reincarnation Lord in the previous life.

In the previous life, she wanted to kill Ye Chen, but because of the protection of Qu Chenyan, she could not succeed.

If it wasn't for that reason, I'm afraid the current situation would not be certain!

At this moment, all kinds of gratitude and resentment of previous lives are intertwined.

Xuanjiyue and Ji Siqing are shocked.

"The female martial god of the previous life, in this life, there is only one layer of heaven and God realm, and the little accomplishments of heaven?"

Xuanjiyue looks at Ji Siqing and instantly sees through her accomplishments.

The goddess of martial arts in her previous life was so powerful that even she had to be afraid.

But now Ji Siqing has not recovered all his fighting power in his previous life.

"Ha ha, it's enough to deal with you as a dirty person."

Ji Siqing sneers and glances at the details of xuanjiyue.

The Xuanji moon in front of her eyes is just a piece of dirty soil, not a real one.

"Xuanjiyue, you killed the reincarnation master in the previous life. In this life, I want you to be broken to pieces!"

Ji Siqing's eyes are cold, calling xuanjiyue's name directly.

Although the name of the empress of the upper world can not be stated clearly, and there is a natural opportunity, Ji Siqing, the ancient goddess of martial arts, is not afraid at all.

Brush!

With a wave of Ji Siqing's slender hand, a long sword appears in the palm of his hand. Under the infusion of magic power, the whole sword blows up a fierce light and fiercely kills xuanjiyue.

"Even if it's a dirty part of me, it's not something you can fight against."

Xuanjiyue's face did not change. She also pulled out her long sword and stabbed her out with one sword.

The swords in the hands of the two women were filled with the majesty of the gods, and strands of unique law runes of the gods were constantly intertwined and twinkled, and the void around them was shaken.

Ding!

When the two swords collide, they suddenly explode into the sky.

Push! Push!

Ji Siqing was shaken back three steps, the sword in his hand was scattered, and the Rune of the law was broken.

This confrontation, suddenly exposed a huge gap in strength.

She is just a layer of heaven, and xuanjiyue has the strength of four layers of heaven.

Two people a fight, Ji Siqing suddenly fell into the wind.

"Ha ha, the female martial god has been reduced to such a level."

Xuanjiyue gave a cold smile: "today I killed you, won't fight, but in order to solve the hidden danger, you also don't blame me for being merciless."

As the words fell, xuanjiyue didn't leave her hand. The mighty power poured into the sword, and the whole sword exploded a phoenix shadow, spreading its wings to the sky, and the brilliant light shone on the sun and moon.

Hiss!

With a sword piercing out, the Phoenix sword spirit, with a startling long cry, points directly at Ji Siqing's eyebrows.

Buzz!

Ji Siqing's eyebrows are blooming, and the mark is more and more bright. The ancient war spirit is revived in her body, and the mighty God of war is rising in the sky.

"Martial god is coming, suppress the world, break it for me!"

Ji Siqing drinks a little, and behind her comes a figure which is astonishing to the world. It is the shadow of the smoke of the ancient female martial arts divine comedy.

In the face of xuanjiyue, she did not keep her hand, and directly released the strongest card, reviving the fighting spirit of the female warrior God.

"What!"

Xuanjiyue was suddenly shocked. He did not expect Ji Siqing to be able to summon the fighting spirit of ancient times.

Ji Siqing, who was just a fairyland, has now become a martial goddess with a strong sense of war and women are not inferior to men.

The tyrannical sword, with the terror of suppressing heaven and earth, killed xuanjiyue.

Even though xuanjiyue had the strength of four layers of heaven and God realm, she was in great danger in the face of the crushing of the ancient war intention.

"Iron wall of space, Yu!"

Xuanjiyue holds the formula with delicate hands, and the law energy between heaven and earth is constantly gathering.

The law of rolling space finally condensed into a silver and white iron wall in front of her.

On the iron wall of this space, there are Ancient Runes flowing on it, which vaguely reveals the breath of the upper world.

Xuanjiyue did not hesitate to break through the limit, releasing the breath of the upper world and guarding herself.

Bang!

Ji Siqing's sword, which broke with his intention of war, was cut hard on the iron wall of space.

Puff!

The iron wall of the space is broken, and Xuanji moon spouts blood from her mouth. In fact, Ji Siqing's sword power has been completely disintegrated by the iron wall of space.

Xuanjiyue was injured and vomited blood, but because of the use of the upper bound law, she was bitten by the rules.

And Ji Siqing, the corners of his mouth also exuded blood.

She summoned the female warrior God's strength, and the burden on the body was also very huge.

"Ha ha, I thought that you really awakened the martial god hegemony, so it was just so."

Xuanjiyue sneers. She almost thinks Ji Siqing is fully awakened. It turns out that Ji Siqing is only borrowing for a short time, and the side effects are huge.

Hiss!

In this case, xuanjiyue has nothing to fear. She immediately calms her mind and stabs her out with a sword. She wants to take advantage of Ji Siqing's weakness and kill her with one blow.

"Well, do you really think that you are the only one who can compete with my heavenly power in that era?"

"Red bird sword in blazing sky, chop!"

Ji Siqing's eyes and eyes were burning with fighting spirit. He drank it and waved his sword in his hand, which instantly blew up the breath of Hongmeng.

It is even older than ancient times, and more mysterious than ancient times. The breath of Hongmeng constantly erupts from her sword.

Hoo Hoo Hoo Hoo!

Ji Siqing's sword suddenly exploded into a blazing fire.

The fire turned into a towering figure of rosefinch, with its head raised and its voice shocked the whole world.

"Ah, thirty three Tianhong Mongolian Dharma, fiery sky rosefinch sword! How can it be! "

Xuan Jiyue's eyes shrunk and was deeply shocked.

This flaming sky rosefinch sword is one of the thirty-three Tianhong Mongolian methods, and its lethality is terrible.

In ancient times, Shen Yan, a female martial god, killed many powerful enemies with her red sky rosefinch sword. Even at that time, she was afraid of three points.

She did not expect that Ji Siqing, at the moment, could burst out such a powerful sword.

We should know that the flaming sky rosefinch sword is an ancient method of Hongmeng. If he wants to use it, he will bear a huge burden on the body. However, Ji Siqing only has the strength of the heaven and God realm. If he is forced to use it, he will inevitably suffer huge repercussions.

Ji Siqing clenched her silver teeth. After breaking through to the heaven God realm, she awakened to the method of using the flaming sky rosefinch sword, which she had never used before.

The consumption of this blazing sky rosefinch sword is absolutely terrible. With her strength at this time, she is forced to kill her. Before the sword Qi is killed, her meridians and bones will crack, and it seems that it will explode at any time, which is very dangerous.

In order to kill Ji, she didn't hesitate.

Chapter 3026

"Grandfather

Qu Xueyong behind him was completely shocked.

Red bird sword in blazing sky is so powerful.

A trace of Hongmeng breath, sprinkle between heaven and earth.

Heaven and earth, as if all changed color.

Ancient yellow gas clouds, covering the sky, countless flames burning in the clouds.

Over the nine days, there was a faint cry of the rosefinch.

Qu Xueyong kept retreating and did not dare to approach Ji Siqing.

At the moment, Ji Siqing is as brilliant as a rosefinch and as vast as an ancient god. His breath is really too strong. If he gets close to her, Qu Xueyong will be crushed alive.

It's a burning sword.

"Bury the heaven and destroy the soul, corrode the law, break it!"

Xuanjiyue knows how powerful she is, but she doesn't dare to neglect her. She waves her sword with a slender hand. The dark light blows up on the sword.

In an instant, they turned into black runes of law, such as demons and prisons, which inspired a strong corrosive atmosphere.

At the critical moment of life and death, xuanjiyue also fought hard, directly using the corrosion law of the upper bound to fight with Ji Siqing.

In fact, ye Chen has mastered the law of corrosion.

Ye Chen can use it at will, not restricted by the rules, but only expending his own strength, because he is a man of the kingdom of God and will not be limited.

But xuanjiyue is different. She is from the upper world. She is restricted by the rules of the kingdom of God, so she can't use the breath of the upper world.

This burst out of the law of corrosion, xuanjiyue only felt a sharp pain in the meridians, and the power of regurgitation came crazy.

And Ji Siqing, the same is not good.

Hongmenggufa's powerful pressure almost crushed her bones and muscles.

Two women fight, are desperate, regardless of life and death, just want to kill each other.

Boom!

A roseth sword, a bone etching sword, hard collision.

All of a sudden, the blazing flame and the terrible corrosive air wave are madly intertwined.

In the endless sea of fire, Ji Siqing rushes into the sea of fire, and the show palm suddenly shoots out!

She's going to kill this part at all costs!

But Xuan Ji moon is slightly stunned, does not care about everything, the palm of her hand unexpectedly rushes out a flame with bursts of stars!

This is reincarnation star flame!

Xuanjiyue used her cards!

"Damn it!"

Ji Siqing hesitated for a moment, originally wanted to dodge, but finally it was to meet the difficulties!

She's going to trade the wound for the wound! This is the only chance!

"Bang!"

The star awn explodes, the Mars crisscross!

Ji Siqing and xuanjiyue were shaken out at the same time and fell on the ground in a mess.

"Grandfather

Qu Xueyong shouts, trying to help Ji Siqing up.

"Don't mind me. Kill her!"

Ji Siqing spits out a mouthful of blood and stares at xuanjiyue.

The two women were both hurt by the collision, and both suffered great damage.

But after careful calculation, Ji Siqing won.

Because, she only has the strength of heaven and God realm, but in the end she and xuanjiyue are both defeated, which can be regarded as the upper hand.

If she also has four levels of cultivation, she can definitely win.

Unfortunately, there is no if.

Now, both women are seriously injured.

Qu Xueyong was stunned and looked at the figure of Xuanji moon.

"What are you doing? Go

Ji Siqing bit her teeth, and xuanjiyue, a dirty soil, contains a wisp of spiritual power of her real body. If she can be killed, she will be cut off an arm of her real body.

"Yes, ancestor..."

Qu Xue bravely and timidly picks up Ji Siqing's long sword which has fallen to the ground and walks towards xuanjiyue.

At the moment, xuanjiyue is seriously injured and can't move her fingers. Even Qu Xueyong can kill her.

"Dare you

Xuanjiyue drinks fiercely and looks at Qu Xueyong coldly.

It's very important for her to separate herself from the dirty soil. If she falls down, her real body will be eaten back and hurt.

So, she must not die!

Qu Xueyong killed together, a sword suddenly cut off!

This sword is Qu Xueyong's full strength!

Just when the sword was about to touch the moon, a flame burst into her body!

The fire is enveloped by countless stars!

It's reincarnation star flame again!

As a separate body, although xuanjiyue can not use reincarnation star flame's real body!

, but a touch of essence is enough to protect everything!

"Bang!"

Qu Xueyong was shaken back in an instant, and his sword was broken!

"Bold ant, do you know my identity?"

Qu Xueyong shivers all over. Even though xuanjiyue is seriously injured, she is also the queen of the upper kingdom. She has great majesty on her body.

Xuan Ji Yue's a sharp drink, but it scared him. He didn't dare to act rashly.

"Do it

Seeing this, Ji Siqing bit his teeth and ordered again.

Gudong.

Qu Xueyong swallowed his saliva, and his sword hand trembled violently: "ancestor, I..."

He really did not have the courage to start, xuanjiyue's pressure was too strong, deeply shocked him.

"Hehe, Qu Chenyan, you're a waste, and your people are also rubbish."

With a cold smile, xuanjiyue took the opportunity to regulate her breath and heal her wounds. She soon recovered a trace of her breath.

"This time, good luck."

Xuanjiyue stood up unsteadily. With a wave of her slender hand, she tore up the void and ran away quickly.

She can only control Qu Xueyong for a while. If Qu Xueyong is really sober, she will surely die!

"Damn it!"

Ji Siqing gnaws his teeth. Unexpectedly, Xuan Jiyue runs away.

Bang Dang.

Qu Xueyong landed with his sword and sat on the ground with a cold sweat.

"You

Ji Siqing hates that iron is not steel.

"Grandfather, I'm..."

Qu Xueyong was speechless.

One is the goddess of martial arts, the other is the queen of the upper world.

On one side, there is Hongmeng ancient law, on the other side is the upper bound law.

Can he intervene in the battle of this realm?

"No, I'll find a way to inform Ye Chen that if this bitch comes in person, the kingdom of God will have a great change."

Ji Siqing's eyes flow, secretly planning.

Although xuanjiyue is just a dirty land, she wakes up, but she is born separately, equal to the Queen's presence.

The kingdom of God is bound to break out into catastrophes.

She doesn't want to see ye Chen in trouble.

And Xuanji moon, tearing the void, constantly far away.

"Well, the breath of samsara star stone!"

Suddenly, xuanjiyue felt the breath of reincarnation star stone and could not help moving.

Reincarnation star stone, which can be related to the ancient secret.

She stopped and broke out of the void to find the source of her breath.

Soon, she came to a magnificent and magnificent palace.

Endless blood, endless disaster breath, constantly emanating from the palace.

In this palace, it seems that there are thousands of demons, countless ghosts, which make people shudder.

This is the temple of the dead!

"Is there a reincarnation star stone in this place?"

Xuanjiyue was slightly surprised, and felt that the reincarnation star flame in her body was filled with a trace of abnormal movement, echoing with the breath of reincarnation star stone.

Even, her injury is gradually recovering.

This reincarnation star stone, to her gain is very big!

Xuanjiyue stepped into the temple of the underworld.

She knows very well that if she gets this reincarnation star stone, her injury will recover!

Chapter 3027

In the depths of the temple of the underworld, a man in red was sitting cross legged, with black and red mist lingering around his body.

This man is mo Xueming!

Mo Xueming's face, with a trace of pale, the state is not good.

There was still a trace of anger in his eyes.

Endless anger.

That's the anger from Chongguang burial ground!

For a long time!

"For such a long time, the injury has not recovered, this time is really a mistake, the key did not expect Ye Chen this boy, the strength has become so strong, can actually kill a part of me."

Mo Xueming bit his teeth, and the body was refined by him with ancient ferocity and black evil scorpion, mixed with his own blood essence.

This time, the body fell.

His real body, also suffered a huge backlash.

Fortunately, he also has a reincarnation star stone on his hand, which greatly improves his cultivation.

The reincarnation star stone, suspended on his head, emits a little star awn.

Mo Xueming breathes and breathes, recuperates his own Qi and blood with the help of the breath of reincarnation star stone.

Boom!

At this time, outside the main hall, came a shock.

"Who is it?"

Mo Xueming frowned. He only felt that there were waves of killing intention and the law of the gods. It was obvious that there was a strong enemy.

Whew! Whew!

What's more strange is that he found the reincarnation star stone, actually stripped out a wisp of star awn, flying toward the outside of the hall.

Outside the hall, xuanjiyue rushes forward.

Several disciples of the temple of the underworld, who carried iron chains and wore black robes, were blocking her.

"Get out of here!"

Xuanjiyue's eyes were cold. Although she was deeply injured, she had the strength of the four layers of heaven in the heaven and God realm, which was not what ordinary disciples of the nether temple could compete with.

When the slender hand is waved, it is transformed into a competitive flying sword.

"It's a master of the heaven God realm!"

All the disciples of the temple of the underworld all shrunk their eyes and did not dare to touch them. They hurriedly fled to escape.

"Who dares to play wild in my temple of hell?"

Several shouts were heard.

Several powerful men of the underworld Hall of Dharma protection level broke through the void and formed a five pointed star magic array. They waved the iron chain in their hands and killed Xuanji moon to capture them in one fell swoop.

They all have the strength of the early days of the heaven God realm. Compared with the two disciples of Mo Xueming, Mo Lang and Mo Han Dong are much more powerful.

However, they are the Dharma protectors of the underworld hall and are responsible for guarding the mountain gate. They will never go out to perform tasks easily. Only when the gate of the temple of the underworld encounters a crisis, they will take action.

"There are so many gods."

"What is this place?"

Xuanjiyue was surprised. She didn't expect that the inside story of the hell hall was so deep.

Several Dharma protectors around her are all gods. If she was in her prime, she would not be afraid of it. But now she is seriously injured and it is difficult to deal with it.

"Reincarnation star flame, rise!"

Xuanji moon beauty eyes a congealed, Dan Tian reincarnation star flame, immediately burned up, is about to release, bloody battle around many masters.

"Stop it!"

Just then, a loud voice came.

A touch of red robe figure, the moment across the air howling, it is mo Xueming.

The reincarnation star stone, like a magic weapon, swirls around Mo Xueming drips, and diffuses a magnificent atmosphere of stars.

However, a lot of star awns were merged into the body of Xuanji moon.

Suddenly, xuanjiyue is fresh all over her body, and she only feels endlessly comfortable.

"Eh?"

When Mo Xueming saw this scene, he was suddenly in a state of disbelief. He did not expect Xuanji moon to absorb the breath of reincarnation star stone so easily.

Reincarnation star stone is a wonder in the world!

If he had not stayed in the Ye family and got the skill of the Ye family, he would not have been so relaxed!

"You are the master of the temple of the underworld, Mo Xueming?"

Xuanjiyue looks at Mo Xueming, and her eyes fall on the reincarnation star stone.

The breath of this reincarnation star stone, very vast, and her samsara star flame, there are many resonance.

If you can capture the reincarnation star stone, relying on the energy of the star stone, her injury will definitely recover quickly.

"Yes, who are you? Why did you break into the gate of the Ming Temple?"

Mo Xueming stares at xuanjiyue, looks at her graceful posture and strong cultivation, and surmises her origin.

"Little girl xuanqingyue, I met the master of Mo hall."

Xuanjiyue closed her lapel and gave a gift, but her eyes were fixed on the reincarnation star stone and said, "this reincarnation star stone, I wonder if the master of Mo hall can borrow me for a few days?"

"Well? Do you want to borrow the samsara stone

Smell speech, Mo blood Ming immediately burst out laughing.

"Yes, please give me a condition."

Xuanjiyue adjusted her clothes and said.

Mo Xueming is silent. She looks at Xuanji moon's face and looks at her. She seems to be thinking about something. "Well, I'll lend it to you!"

Finally, Mo Xueming opened his mouth, licked his lips, and said, "you call me an adoptive father, when my good daughter, I will lend you."

"There is no successor to my martial arts tradition. I just need someone to inherit it. I think you have good qualifications. Please come to my door. When I break through the upper boundary, the foundation of the temple of the underworld can also be passed on to you."

"Are you going to take me as your adopted daughter?"

Xuanjiyue disdains a smile and looks at Mo Xueming coldly, vaguely seeing that his mind is impure.

"Why, you don't want to?"

Mo Xueming's face sank.

"If you take me as an adoptive daughter, I'm afraid you don't want to take me as a container to hold the energy of reincarnation star stone, and then use tough means to pick up Yin and replenish Yang and fill up all of me to satisfy your animal desire."

Xuanjiyue's tone is cold.

“.....”

Mo Xueming was shocked and took a step back.

Yes, he did.

He can't see through the woman in front of him, but one thing can be sure that the woman in front of him can absorb the energy of reincarnation star stone, which is extremely useful to him!

But I didn't expect that xuanjiyue could see through his own abacus.

"Mo Xueming! How dare you, do you know my identity? "

Xuanji Yue snorted coldly, and suddenly sent out the incomparable imperial power.

Rolling Diwei, with the unique dignity of the upper world, filled with madness.

"This is..."

In the temple of the underworld, many disciples, as well as a group of Dharma protectors, felt the emperor's power and were deeply shocked.

Compared with the Legendary God Emperor, this majesty is much more powerful, with the breath of the upper world and moving.

Plop!

Plop!

Plop!

The whole hell hall, except Mo Xueming, everyone knelt down.

In the shadow of this imperial power, all people were shocked and could not help but kneel down and submit.

"Are you a woman of the upper world?"

Mo Xueming's eyes are wide, I can't believe it.

Such a terrible Diwei, let him think of a person.

Queen of the upper world, Xuanji moon!

It is absolutely impossible for Xuanji moon to come to the kingdom of God.

But in front of him, he had such a powerful imperial power.

"This woman must be a great person around the queen of the upper world."

Mo Xueming secretly guessed, but how could not have imagined that the woman in front of her, who was not named xuanqingyue, was actually a dirty part of xuanjiyue.

"If you offend me, you are blasphemous."

Xuanjiyue's voice is cold and dignified.

Chapter 3028

"It's a joke that you want to accept me as an adoptive daughter. With your words, when you go to the upper world, the queen will be the first to kill you."

Xuanjiyue didn't reveal his identity. In his heart, there was a killing opportunity.

Her majesty, how vast.

Mo Xueming's delusion of accepting her as an adoptive daughter is a great insult.

If Mo Xueming has a chance to go to the upper world, she will definitely kill her.

Even if Mo Xueming has been staying in the kingdom of God, she has to find a way to break him into pieces.

In xuanjiyue's eyes, Mo Xueming is already a corpse.

But now, she did not reveal anything, but said quietly:

"cooperate with me and lend me the reincarnation star stone to cure my wound. When my wound is healed, I can teach you some magic skills of the upper world."

While speaking, xuanjiyue's divine light bloomed, and the golden words formed a section of martial arts formula, constantly flashing.

In the eyes of Mo Xueming, there are mysterious martial arts magic powers, such as the great famine breaking moon sword, the instant killing emperor sword, and the law of corrosion.

Mo Xueming's heart beats. If it's an ordinary martial art, he doesn't care.

But the martial arts of the upper world, he was very moved.

In particular, the law of corrosion, even the body of the God Emperor can be erased. He also saw that ye Chen had exerted his power. His power was simply terrible, and he was deeply coveted.

"How?"

Xuanji, the light of the moon, converged and asked.

Mo Xueming bit his teeth and said, "OK, I promise you!"

If you can practice the law of the upper bound, Mo Xueming's strength will certainly advance by leaps and bounds, and maybe be qualified to fight against Xuanyuan moxie.

At the moment, he did not hesitate to offer the reincarnation star stone and directly lent it to xuanjiyue.

Whoa!

The whole samsara star stone is suspended on the head of Xuanji moon, like the sun, moon and stars. It emits bright starlight and a trace of samsara breath, which is constantly sprinkled down.

Xuanji took a deep breath and felt refreshed. The reincarnation star flame in her body also had a strong appearance.

"Good, quick enough."

Xuanji month received the reincarnation star stone directly: "next, I need time to heal, don't disturb me."

After that, xuanjiyue flew into the depths of the temple of the underworld. She found a quiet valley and sat alone to breathe.

"Poof!"

Star Stone energy into the body, Xuanji moon injury accumulated blood, immediately vomited out.

"Qu Chenyan, you hurt me so hard!"

Xuanji Yue and her silver teeth clenched. Under Ji Siqing's attack, she was seriously injured. Especially the blazing sky rosefinch sword, which is a solemn and upright ancient method of Hongmeng, has great lethality and almost broke her meridians.

Fortunately, now she has the reincarnation star stone. As long as she slowly absorbs the energy of the star stone, her injury will naturally recover.

"Qu Chenyan, I'm afraid it's hard for you to suffer from my reincarnation star flame?"

In that war, xuanjiyue and Ji Siqing were both defeated.

Although xuanjiyue was seriously injured, Ji Siqing was also burned by her reincarnation star flame, and the injury was equally serious.

And reincarnation star flame burning body, will certainly die, Ji Siqing is afraid that will not live for long.

At this time, Ji Siqing was in a secret cave somewhere in the first Kingdom.

On her body, wisps of burning stars.

Bursts of hot star flame energy, constantly in her meridians, her snow like skin, also emerged a touch of red, all over the fragrant sweat, clothes are wet, outlines a graceful curve.

Qu Xueyong, on the other hand, was anxious at the entrance of the cave.

Listening to the pain from time to time in the cave, Qu Xueyong is also very impatient.

There is no doubt that Ji Siqing's injury is very serious, reincarnation star flame body, at any time there is a danger of death.

If Ji Siqing was not powerful, this reincarnation star flame would have burned her to dust.

"Ah, it's all due to my poor strength, otherwise my ancestor would not be seriously damaged by that woman."

"I hope that this time, I can make it through."

Qu Xueyong murmured.

Suddenly, something came to his mind, and a figure crossed his mind.

"Her injury is so serious that maybe only that person can save her."

Qu Xueyong paced back and forth, thinking.

Ye Chen's medical skills shocked the whole kingdom of God.

Only he had the opportunity to treat Ji Siqing's injury and save his life.

At this time, ye Chen is in shenjizong.

Without hesitation, Qu Xueyong is preparing to rush to shenjizong.

Suddenly, a cold voice came from the cave!

"Qu Xueyong, don't look for ye Chen!"

"If you leave, from now on, Ji Siqing has no contact with the Qu family."

Qu Xueyong stopped, a little puzzled.

After a few seconds, he said, "grandfather, but your injury is very serious." "If you look at the seven divine kingdoms, ye Chen has the inheritance of the ancient medical God, and may be able to cure you!"

However, from the cave, there was still a girl voice with strong determination and a little weak:

"I need you to guard the pass, you are not allowed to leave!"

"He can't intervene too early in the affairs of xuanjiyue."

"I can recover and I'll take care of it."

Qu Xueyong heard Ji Siqing's order and sighed: "that ancestor, if your injury is more serious, no matter what, I must go to Ye Chen."

Jisi in the cave counted and nodded: "in a week, this reincarnation star flame, I should be able to overcome."

With that, Ji Siqing forced out a drop of blood essence. The blood essence was suspended, and a white lotus flower was blooming!

Lotus slowly fell, fell in Ji Siqing's eyebrows!

A trace of Holy Light wrapped Ji Siqing!

Even suppress the reincarnation star flame.

But it's just repression!

Even Ji Siqing can not guarantee that his own strength can expel the reincarnation star flame in his body now!

This is her stubbornness!

She doesn't want to lose to xuanjiyue!

Last life, so!

This is also the case in this life!

The stubbornness of the female warrior God!

.....

At the same time, the seventh God Kingdom, shenjizong.

Shenjizong has been repaired.

A little prosperity has been restored to the original ruins.

Because of the amazing war, ye Chen completely stabilized the faith of the people of God Jizong!

More stable the confidence of the whole seventh kingdom!

And ye Chen also began to calm down to refine the chaotic star tree.

He knows that he has not yet completely stepped into chaos!

His chaotic state is very different from that of ordinary people! Only with the help of chaos star tree!

Can, chaos star tree which so good refining!

Even if ye Chen's continuous refining these days, chaos star tree has not been thoroughly refined!

The more difficult it is to get to the back!

But ye Chen is confident, give him another ten days, should be able to refine thoroughly.

I don't know what kind of chemical reaction will happen between the chaotic star tree and itself.

At this time, ye Chen, who was originally in refining, suddenly opened his eyes.

"What is it like?"

Ye Chen murmured to himself, his body moved, and he appeared in the high altitude. His eyes penetrated the barrier of space and looked directly at some place in Lingwu land!

Chapter 3029

There, it is the place of xuanyuezong!

Ye Chen frowned deeply. He faintly felt that there was something in the bottom of xuanyuezong to wake up

Something that makes him feel extremely uncomfortable!

In a sense, Lingwu and Shenguo belong to the same plate.

And xuanyuezong has been guarding the xuanbei of reincarnation for generations, and the "spirit" stele of zining is of great significance.

In ancient times and even in ancient times, what was hidden in the earth of xuanyuezong?

Is it related to the stone tablet of reincarnation?

No longer think about it, he moved and disappeared in the same place

Since this thing appears at the bottom of xuanyue clan, ye Chen will never stand idly by!

.....

Lingwu land, feifengshan.

Here, originally the place where xuanyuezong was located, but at this time, it has already built an incomparably huge city!

It's called xuanyue city!

Xuanyuezong has already become the most powerful force in Lingwu mainland. Even the royal family has to bow down in front of xuanyue Zong.

Therefore, in the whole land of Lingwu, countless talented martial artists have come here and gathered here. Today's xuanyue sect is no longer the sect gate on feifeng mountain, which can be compared with it!

If you can build a city by yourself, the whole Lingwu continent is just one family!

In the center of xuanyue City, there is an incomparably huge statue that goes straight into the blue clouds.

This statue is made of precious mineral materials.

Is a man, holding a sword, seems, in the challenge of the statue of heaven!

Every detail of the whole body of the statue is carved with incomparable delicacy and exquisite craftsmanship. From the five features of the statue, it is not ye Chen, who else is there!

Xuanyue City, although it is also lively and extraordinary on weekdays, but the people who enter xuanyue city today are abnormally many!

This is mainly because, three days ago, under a cliff near feifeng mountain, a strange smell suddenly came out, and even the nearby astronomical phenomena were changed!

Isn't this the vision produced by the birth of a strange treasure?

Soon, there was a rumor that a strange treasure was about to be born near xuanyue City, which was completely spread in Lingwu mainland. The strong forces of various forces poured into xuanyue city one after another in order to compete for the treasure that was about to appear!

At this time, on the street of xuanyue City, a man with a cool look was walking with a smile in front of him.

From time to time, some warriors pointed at him.

Why?

Because the appearance of this man and the statue in xuanyue city is quite similar!

Many people can't help thinking, is he the legendary evil Ye Chen who shocked the whole Lingwu continent?

But soon, they shook their heads, ye Chen has gone to the kingdom of God, how can appear here?

Ye Chen doesn't care about other people's eyes. The development of xuanyue city makes him feel quite gratified. In addition, he is influenced by Yuexian Yuhuan. Not only is the aura of heaven and earth in the whole land of Lingwu, but also the spirit of countless times!

Although it has not reached the level of terror as the kingdom of God, it is also a big difference compared with the past. The progress of many martial artists during this period can be described as rapid!

Along the way, ye Chen has seen many powerful martial artists. However, the existence of chaos is still extremely rare. It seems that today's Lingwu continent, the early chaos warriors, can be called the top-level strong men.

Although, it is impossible to compare with the divine Kingdom, the strength of the Lingwu land warriors has been raised several levels because of the moon ring!

This is a good phenomenon. After all, if extraterritorial demons invade, Lingwu mainland will not be immune.

If you want to survive this disaster, you need to unite all the people!

And at this time, on the street, suddenly came a burst of noise!

Ye Chen frowns slightly. Xuanyue City, in Lingwu land, has a very high status. How dare someone make trouble here?

In a hotel, several young people and a middle-aged man were standing there without expression.

One of them looked the youngest and looked very indifferent. He was about 20 years old. He was dressed in white. He looked at a man behind the counter indifferently and said, "ha ha, xuanyue City, what a great style? If I want to stay here, I won't let you stay? Is that contemptuous of me waiting? "

The young man behind the counter shook his head in a hurry. He looked rather nervous and said, "this is not the case. The shop is full of customers. He has no intention of refusing you to stay here."

Ye Chen's eyes flashed. It's no wonder that the young man entertaining the guests is so nervous. The man in white is not weak!

Although he is only 20 years old, his cultivation has reached a half step chaotic state!

In today's Lingwu mainland, also can be regarded as a strong!

The young man's room is cold and cold? Do you know who I am waiting for?"This, this..."

The young man behind the counter has a stiff expression and some anger. The man in white is too overbearing. He has tolerated many times. He explains that the other side is still so strong?

At last, the young man couldn't help himself and said, "young master, please don't force others into difficulties! This is xuanyue city. Have you ever thought about the consequences of making trouble here?"

As soon as the young man said this, everyone around him could not help nodding. Xuanyuecheng is not a place where he can act wildly. If there is any trouble and the disciples of xuanyuezhong law enforcement team are involved, there will be no good end!

"Consequences?" The young man in white sneered and said, "I haven't thought about it yet!"

The next moment, the man in white with half a step of chaotic breath, whistling out, fiercely towards the youth behind the counter!

With a big bang, how can you resist each other's breath with the cultivation of the counter youth's Taixu state?

At that moment, he spat out blood, and his body flew out, smashing hard on the wall behind him. His body was soft and fell to the ground. It was direct. Under the impact of the man in white, he was seriously injured and dying!

The people in the hotel looked at the man in white, and his face was full of disbelief!

Is this man too arrogant?

Even in xuanyue City, you hurt people?

This, completely does not take the xuanyuezhong in the eye!

The next moment, a burst of footstep sound, from upstairs, walk down a middle-aged man, it is the hotel owner!

He looked at the wounded man on the ground. On his round face, a burst of anger rose and he cried out: "dare you do it? The disciple of xuanyuezhong law enforcement team will not let you go! "

After that, the hotel owner directly took out a small clock and shook it fiercely. A strange sound wave suddenly sounded in the xuanyue city.

This is a magic weapon to summon the law enforcement team!

But when the young man in white heard the speech, he looked pale and said: "ha ha, what about the law enforcement team? Lingwu mainland is based on strength, the law enforcement team of xuanyuezhong? Who is this trash qualified to take charge of the spirit king sect of the kamikaze Empire? "

Chapter 3030

The next moment, a big drink, ring out at the door: "who is in this wanton?"

Immediately, three men in black robes stepped into the hotel. They were the disciples of xuanyuezong law enforcement team!

The first tall young man named Li Zhen glanced at the injured young people in the hotel on the ground and the man in white with a sneer on his face. His face sank and he said, "did you fight people?"

The young man in White said faintly, "what if it's me?"

Li zhenleng snorted: "so what? According to the regulations of xuanyue City, if you hurt people in the city without authorization, you can break your hands and be imprisoned for 300 years. What do you say? "

After that, he said to his two companions: "take the man away!"

Two people should say: "listen to words!"

He went to the young man in white.

However, the young man in white laughed, as if he had heard a joke. He looked at Li Zhen and other people with indifference: "break your hand? Three hundred years in prison? With your xuanyuezong, you deserve it

As soon as this was said, the whole hotel was freezing down in an instant. All the people were looking at the young man in white with disbelief. Was this man crazy? Even if you challenge the law enforcement team, do you still challenge xuanyuezong in public?

Li Zhenwen's words made him angry in an instant!

The disciples of xuanyuezong are extremely proud of their existence. How can they tolerate others and insult the sect?

Immediately, Li Zhen three people, the whole body breath burst out, is astonished is three strong person who cuts the six layers of heaven!

At the same time, the three men pulled out their long swords at their waists and cut them hard at the young man in white!

The disciple of the law enforcement team of xuanyuezong is naturally not a weak one. His hand is crisp and sharp, and his sword light is extremely fierce. Moreover, his cooperation is quite exquisite!

These three people join hands, even in the face of the late existence of Zaire, also have the power to fight!

Seeing this, the young man in white was not in a hurry. He laughed and took his hand at the same time. The light of the sword was strong, and the sword was surging out. A huge snake was wandering in the void. All the people in the hotel were cold at the same time. They looked frightened, just like a poisonous snake was staring at him!

And ye Chen, at this time is a little frown!

At the next moment, the shadow of the giant snake collided with the sword light of the disciples of the law enforcement team!

Everyone, can't help but take a breath!

Under this collision, the three sword lights that looked extremely fierce disappeared in an instant, and the bodies of Li Zhen three people flew backward, blood gushed in their mouths, and they fell to the ground severely, and their breath withered in an instant!

It's so easy to suppress the young man!

The young man in white sneered: "is this the strength of xuanyuezong's law enforcement team? Hehe, vulnerable to a blow, you want to take Xuhua from Lingwang with this kind of waste? too big for her skin!

In my opinion, what xuanyuezong is not qualified to have the name of the first force of Lingwu? "

As soon as he raised his mouth, he was extremely boastful and arrogant and said, "only the Lingwang sect of Shenfeng empire can be called the first force of Lingwu!"

When they heard this, they all looked at Xu Hua with great dullness, and now they can see it!

The Lingwang sect is deliberately picking up trouble!

They take advantage of the opportunity that the powerful forces in Lingwu land gather in xuanyue city because of the exotic treasure. They want to trample xuanyuezong under their feet and win the name of the first force in Lingwu continent!

At this time, the sky, thunder together, a sword with rolling thunder light, toward Xu Hua in the sky!

The thunderous sword spirit swept the whole hotel in an instant. At this time, Xu Hua's face suddenly changed. The surging sword spirit obviously surpassed the level of the top of the disaster situation, which he could not resist!

Xu Hua flew back, shouting: "elder martial brother, help me!"

The thunder sword light was about to kill Xu Hua. At the moment, a man who was sitting in a hotel drinking tea suddenly raised a smile. He put down his tea cup, and his body flashed. He appeared in front of Xu Hua. He did not retreat in the face of the thunder sword light. His hand flashed with a sword.

At the next moment, it seems extremely terrible, the burst sword light, is actually directly eliminate invisible!

At this time, a tall, cool looking woman, holding a long sword, fell from the sky. She looked at the people of the Lingwang sect coldly and said in a cold voice, "who are you that hurt my disciples of xuanyue's law enforcement team? Don't you understand the rules of xuanyue city? "

When the people looked at the woman, their hearts wavered.

How beautiful this woman is!

What's more, what she is wearing is obviously the dress of the true disciple of xuanyue sect!

At this time, standing in front of Xu Hua, is a rather handsome, natural temperament, mouth with a mole of beauty young man.

He looked at the Lengyan woman rather frivolously and said, "I am Hongjing of Lingwang sect. As for the rules you said?"

Hong Jing said with a smile, "I really don't understand."

The atmosphere in the hotel is more heavy!

And ye Chen, looking at Lengyan woman, is a flash of vision, some surprise, this woman, he unexpectedly knew! This girl, from xuanyue's secret place, is burning cherry's cousin, burning snow!

Ye Chen looks at the burning snow and smiles happily. She hasn't seen it for a period of time. However, she is becoming more and more beautiful and moving. Not only is her appearance, but also her accomplishments have made great progress!

He is already a warrior who can cut off the peak!

"What do you mean?" she said? Xuanyuezong is the first force in Lingwu mainland. Are you sure that Lingwang sect wants to challenge xuanyuezong

Hong Jing said with a smile: "provocation? I can't say, but the reason why you xuanyuezong is called the first force of Lingwu is because ye Chen? "

The public in the hotel, smell speech a Leng, Hongjing now mention Ye Chen, what meaning?

Hong Jing continued: "now? Is Ye Chen, known as the land of Lingwu and the first genius in history to create countless legends, here? What qualifications do you xuanyuezong have to become the first force of Lingwu again? What qualifications do you have? What does the Lingwang sect do

When Hong Jing said this, everyone in the hotel changed a little.

Indeed, after ye Chen went to the kingdom of God, he hardly appeared in the land of Lingwu. Without this peerless demon, could xuanyuezong still be the first force of Lingwu?

However, Hong Jing's words have not been finished.

He continued with a playful look on his face: "what's more, is Ye Chen a genius when he goes to the kingdom of God? Hehe, perhaps, they have died in the cruel environment of the kingdom of God? "

"Again..."

His tone suddenly became cold, and he said: "now, the spirit of the land of Lingwu is soaring, and countless talents are springing up like mushrooms. Even if ye Chen returns to the present Lingwu land, can he still be a monster like before? It's hard to say, isn't it

"Perhaps, ye Chen, now, is only worthy of bowing to the throne in front of my Hongjing!"
