

Physician 3691

Chapter 3691

The terrible power seems to grind out the sky and crush the whole world. The endless starlight and the air of the yellow spring are like a grinding plate to grind Zhou ban crazily.

At this moment, the huge hammer in Zhou Jin's hands could not be swung, but disappeared in an instant. At the same time, the huge pressure also fell on Zhou Jin.

"Damn it!"

Zhou ban realized the terrible pressure and suddenly changed his face. He even felt that he could not resist it. We can imagine how terrible the refining and chemical array was, which shocked him.

"Buzz!"

In the big array, no matter the space or the light, as long as it is all existing things, all are destroyed by the starlight and the Qi of the netherworld, turning into endless nothingness.

However, Zhou Jin gathered all his strength, protected his left and right sides with endless aura, and struggled to resist the training of the array. However, his body became heavier, his face more ugly, and his breath became disordered.

"This boy really wants to kill me!"

Zhou Jin was shocked when he realized this. He didn't expect Ye Chen to be so bold that he wanted to kill the patriarch. It was simply cheating his teacher and destroying his ancestors.

But at this moment, Zhou ban had no time to feel how fierce Ye Chen was. He did not dare to have any further hesitation. He just wanted to escape from this week's yellow spring array immediately, otherwise he might fall here.

"Good boy, you remember me, I am at odds with you!"

Zhou Jin's face was not willing to roar, and suddenly took out a golden hammer. The hammer exuded a powerful breath and contained endless power. It was the most important magic weapon of Zhou ban.

But at this moment, Zhou's face is ferocious, suddenly throwing the golden hammer into the air.

"Tianhua Baolian hammer, sacrifice!"

In order to escape from the Zhoutian huangquan array, Zhou Jin sacrificed the Tianhua Baolian hammer!

This scene made all the disciples and elders in the audience turn pale. This is the most powerful magic weapon of Zhou ban. At the moment, he even sacrificed him. It is conceivable that he encountered a crisis in the battle.

At the moment, the crowd took a cool breath and realized how cruel Ye Chen was. It was obvious that ye Chen was not a good person, which made Lei Rong and others slightly change their faces. If they had just provoked Ye Chen and ye Chen was really angry, I'm afraid they would all be destroyed by the battle!

Yang Qianyu and Liu yunmiao are also shocked at Ye Chen at the moment. They didn't expect Ye Chen to be so decisive and directly run the big array to kill Zhou ban. It's so cruel and lawless!

At the same time, Tianhua Baolian hammer flew into the air, blooming with endless brilliance. The golden light reflected on the sky, and the terrible power swept through.

The sacrifice of Tianhua Baolian hammer made Zhou ban burst out the power of destroying heaven and earth. His body was filled with the edge of piercing the sky.

"Blow it up for me!"

At this moment, Zhou Ban's momentum climbed to the peak. He made a full blow to the Zhoutian huangquan array, and then ran out of the array without hesitation, and then flew away without looking back.

Zhou Jin is also frightened by Ye Chen's decisive attack. The huangquan array is so powerful that even if he sacrificed the Tianhua Baolian hammer, it can only break a gap for a short time. Therefore, he does not dare to have any hesitation and run away directly, otherwise he will be included in the big array and will die.

At the moment, Zhou Ban's escape also made a group of disciples and elders completely dumbfounded, shocked to see the mighty array covering huangquan peak.

"Are you going? Would you like to come and have a great experience? "

Ye Chen's voice spreads out at the moment, and the big array suddenly vibrates, as if to imprison and refine everyone in front of him.

Hearing Ye Chen's words, the faces of all the elders were livid, while the disciples' eyes were frightened.

Just now ye Chen used Zhou Tian Huang Quan array to nearly kill Zhou Ban's refining and chemical town. This scene has made them feel frightened. They know that ye Chen is a cruel man. If he stays here, he may really be refined, so he turns around and leaves.

When the elder turns around, he will not leave them with a chance.

Looking at a group of people leave, ye Chen's eyes are indifferent, the power of the Zhou Tian huangquan array converges and hides, and the hall returns to its usual calm.

"Big brother."

At the moment, Yang Qianyu and Liu yunmiao look at Ye Chen with flashing eyes and bow their hands respectfully.

Seeing what happened just now, Yang Qianyu and Liu yunmiao have great admiration for ye Chen. Ye Chen is resolute in his work, and even the elder doesn't give face, which makes them admire him very much.

"Thank you for your help today. Come and have tea."

Ye Chen is indifferent to smile, with two people sitting in the hall in front of the jade table, not far away is the yellow spring spirit water.

Seeing the miraculous water of huangquan, Yang Qianyu and Liu yunmiao's faces changed slightly. The aura of huangquan Lingshui reached the extreme. It is obvious that this is the reason why huangquanfeng changed.

"Elder martial brother, you've got a treasure land."

Yang Qianyu couldn't help but exclaimed. Just sitting on the edge of the miraculous water of the yellow spring, he could feel the strong and extreme aura flowing into his body along his mouth and nose, which made him feel refreshed."Just luck."

Ye Chen said calmly, let two people drink tea.

After taking a sip of tea, Yang Qianyu and Liu yunmiao couldn't help but stare at each other. The tea was brewed with the spirit water of huangquan, and the aura of huangquan Lingshui was extremely pure. At the moment, a sip of tea made them feel that the aura in their bodies was constantly shaken and their accomplishments were improved.

"This spring is extraordinary."

Yang Qianyu stares at the miraculous water of huangquan, and he can't help admiring it.

Both Yang Qianyu and Liu yunmiao are just men. Although they admire the spirit water of huangquan, they will not be envious and want to take it. This is also the reason why Ye Chen is willing to let them enter the hall to enjoy tea.

The three chatted for a moment. After drinking a lot of tea, Yang Qianyu felt that the realm was loose again, so he left in a hurry.

Seeing this scene, ye Chen's eyebrows are slightly raised. Yang Qianyu's blood and talent are really good, and huangquan Lingshui is also extraordinary. After drinking some tea, Yang Qianyu has made a breakthrough. Now, even if he can't break through the realm, he can improve his strength again.

Yang Qianyu is still like this. Liu yunmiao, who has a lower realm, is even more shocked by his breath. He had already reached the critical point of breakthrough, but now he is about to trigger the natural calamity.

"Farewell, Lord."

Liu yunmiao looks at Ye Chen and says with embarrassment.

They are alone, Liu yunmiao still remembers his servant's identity and opens his mouth.

Hearing this, ye Chen waved his hand and said calmly: "you can call me elder martial brother. You don't have to leave. Stay here and break through. You will stay in huangquan peak in the future."

Huang Quanfeng did not know that Liu yunmiao's training place was several times better than that of Liu yunmiao. When he said this, Liu yunmiao looked stunned, but he was somewhat moved.

Stay in huangquan peak to practice, practice more quickly, Liu yunmiao's heart, is also agreed to come down.

This is also what ye Chen sees in Liu yunmiao's commitment to gambling and helping himself even in the face of danger.

At this moment, Liu yunmiao came to the top of the huangquan peak and began to break through. The mighty thunder swept through. Liu yunmiao's strength was good, and there was no risk of thunder robbery.

It is obvious that Liu Yunfeng won't get all the benefits from LiuZong's resentment, but they won't get all the benefits from liuzhiye.

"Damn ants! Don't be caught by me, or I will take huangquanfeng and let you suffer from it. Life is better than death

At the moment, Zhou Jin is in his own practice place, looking at the direction of the huangquan peak, the murderous Qi flows in his eyes, and the cold voice says.

Liu yunmiao broke through, and then stayed in huangquanfeng, following Ye Chen as a servant.

Ye Chen did not go out these days. Instead, he sat down beside the miraculous water of the yellow spring and practiced hard for a period of time, which made his breakthrough once again stable and even reached the critical point of breakthrough.

"If we go further, it is estimated that in a short time, it will be the seven layers of heaven."

"In this way, we will have a chance to make a march appointment with the Star Moon Palace."

"When all the opportunities here are absorbed, we can set out for the dark."

Ye Chen's eyes flashed, but at present, he has just broken through the six layers of heaven, and the breakthrough is too fast. The foundation will inevitably be unstable. What's more, breaking through the seven layers of heaven also needs a certain chance. At present, it is not yet time, so ye Chen is not in a hurry.

The next time, ye Chen and Liu yunmiao are also familiar. At the moment, they are in the hall. Ye Chen looks at Liu yunmiao and his eyes flash.

"Younger martial brother Liu, do you know the heart of Shengyuan?"

As soon as ye Chen said this, Liu yunmiao's face changed slightly. He looked at Ye Chen with a deep look in his eyes. Then he nodded his head and said, "of course, I know that the heart of the holy source is originally the sacred thing of my six Taoism schools."

"I have heard of this, but it is said that the heart of Shengyuan and Yin Zunxiao, the seventh patriarch, disappeared mysteriously together. I don't know whether it is true or not."

Ye Chen seems to open his mouth at will.

"Elder martial brother, I don't know."

Liu yunmiao's face changes, seems to be hesitating what, hesitated to say.

Seeing this, ye Chen's heart is moving. Liu yunmiao seems to know something, but the heart of Shengyuan seems to be of great importance. Liu yunmiao has not fully trusted himself, and he dare not tell himself at this moment.

Aware of Liu yunmiao's mind, ye Chen also did not force, slowly nodded his head and did not ask again.

These days, ye Chen has been on the top of the huangquan peak, but his name has spread throughout the whole six schools.

Many disciples in the sect thought that ye Chen was gifted, and that he was able to defeat Bu Tian Jing in the heaven God realm has already demonstrated Ye Chen's extraordinary talent.

Ye Chen used a large array to force back all the disciples. Many elders' affairs were also spread. Ye Chen's decisive character in killing was also admired. Therefore, many people highly praised Ye Chen.

This group of people, of course, is headed by Yang Qianyu, and several disciples who are close to Yang Qianyu have also expressed a friendly attitude towards Ye Chen and respect Ye Chen as his senior brother.

During this period of time, many people have visited Ye Chen on Huangquan peak, and their relationship is also well cultivated. At the moment, it's rare to see Liu Miao-jeng's disciples in Huangyunfeng when they are good at practicing Huangquan.

Ye Chen found many people and had a good time talking to each other. However, once he talked about the heart of the holy source, he said nothing about the convenience. The heart of the holy source seems to be a taboo in the six schools, and no one dares to mention it.

Chapter 3692

Finally, Ye Chen finds Yang Qianyu. At this moment, Ye Chen's secret inquiry about the heart of the holy source in the ancestral gate has been spread out, and Yang Qianyu has also received the news.

"Elder martial brother, are you here to inquire about the heart of Shengyuan?"

Yang Qianyu didn't beat around the bush, looking at Ye Chen, he said straightforwardly.

"Yes."

Ye Chen is not surprised by this. He knows that his inquiry will surely attract attention in the six Taoist schools, and he does not deliberately cover it up. It is not surprising that Yang Qianyu knows this.

"Elder martial brother, I'm sorry that younger martial brother can't tell you anything about the heart of the holy source."

Yang Qianyu shook his head, looked at Ye Chen and said.

"I see."

Yang Qianyu and Liu Yunmiao are just men of justice and have faith in their hearts. They will not do some things no matter what.

At this time, Yang Qianyu's eyes flashed, looking at Ye Chen, he said, "but the younger martial brother believes that the elder martial brother is not a schemer, and the people in the secret sect of the heart of the holy source are not clear. If you really want to understand, you can only find two people to get the answer."

"Oh? Who are they? "

Ye Chen eyebrows a pick, surprised to look to Yang Qianyu to ask.

"The elder martial brother, who has never been a master, is a senior master."

Hearing this, Ye Chen nodded slightly. The heart of the holy source is taboo in the six schools, just like taboo. In this case, only the patriarch can know the truth.

And the patriarch is Wu Duan Cang. He becomes the chief disciple of the six schools. Wu Duan Cang is indeed Ye Chen's master.

According to the clan rules, the chief disciple's martial arts and cultivation are taught and responsible by the patriarch.

As for another person in Yang Qianyu's mouth, the supreme elder who has been in seclusion for thousands of years, Ye Chen doesn't know much about it.

It seems clear that Ye Chen doesn't know the identity of the Supreme Master. Yang Qianyu then said: "this elder, named Zhou Jiutong, is very powerful. Those hostile forces dare not attack the Liudaozong. They are also afraid of Zhou Jiutong and other members of the clan, as well as several friends of the grandmaster."

Hearing Yang Qianyu's words, ye Chen nodded with profound significance. It seems that Zhou Jiutong is not an ordinary person. It is not easy for him to ask the news of the heart of the holy source from the other party's mouth.

After that, ye Chen finished the dialogue with Yang Qianyu, asked where the arbitrary Cang was, and went immediately.

The six temples are just the places where the six Taoism sects deal with their affairs. On the contrary, Cang Ping RI did not live in the six temples, but on the six peaks behind the six temples.

Before ye Chen lifted the seal of huangquanfeng, liudaofeng was the most abundant treasure land of liudaozong, but after the emergence of huangquan Lingshui, huangquanfeng became the first peak.

Ye Chen came to the foot of liudaofeng and felt a strong aura. These six peaks are really not vulgar. I'm afraid they also have strange spiritual things like the spirit water of the yellow spring.

Ye Chen stood at the foot of the mountain, respectfully clasping his fist and shouting in a low voice: "disciple Ye Chen, come to see the master."

Ye Chen's voice into six peaks, the next moment, arbitrary Cang's voice will ring.

"I know what you're going to do. Don't inquire about it any more. If you're not sincere, I won't see you."

As soon as he said this, ye Chen's face changed slightly, and he was arbitrary and Cang was unwilling to tell him the news of the heart of the holy source, or even to see himself. It can be seen that the importance of the heart of the holy source to the six schools has become a taboo like existence.

"In that case, the disciple quit."

Arbitrary Cang does not want to meet, ye Chen can not force, can only temporarily suppress this idea, ready to quit.

But at the moment, the voice of arbitrary Cang rang out again, only to hear him say: "I know you are a stubborn boy, but I warn you, don't go to wangyunfeng. Elder Zhou Jiutong has a strange temper. If you annoy him, don't blame me for severely punishing you!"

"I know."

When ye Chen hears the words, he feels helpless. Originally, Wu Duan Cang doesn't want to see him. He really wants to find Zhou Jiutong, but he is seen through by Wu duancang.

However, although Ye Chen promised, he did not intend to give up. The heart of the holy source is very important to him. It can not only help ye lu'er find his memory, but also an opportunity for him to get Chongguang Shenxia palace and save the part of the reincarnation cemetery.

Whether for ye lu'er or Chongguang Shenxia palace, ye Chen can not give up the heart of the holy source, so he ignores the arbitrary Cang warning, or comes to look out for Yunfeng.

Wangyunfeng is in the depth of liudaozong, and the sea of clouds circulates. Wangyunfeng is incomparably high, which can be called the first mountain of liudaozong.

Around Wangyun peak, there is a strong aura, even a mighty breath of Hongmeng, which is not inferior to liudaofeng.

Ye Chen came here just to take a chance, because he was worried that Zhou Jiutong would be provoked. He did not dare to visit the mountain gate, but quietly went up the mountain.

However, when ye Chen reached the middle of the mountain, he found a spirit lake with rich spirit. In this lake, there was even a spirit turning into living beings, giving birth to spirituality and playing in the Spirit Lake. On the edge of Linghu lake, there was an old man fishing. His hair was gray and his eyebrows were very long. He was going to hang down to the corner of his mouth. His skin was gloomy and his vitality was weak. It seemed that he would die at the next moment.

Seeing this scene, ye Chen can't help but wonder that wangyunfeng is Zhou Jiutong's territory. How could such an old man dare to come to wangyunfeng to fish.

Ye Chen doesn't think that the old man in front of him is Zhou Jiutong. After all, Zhou Jiutong is in the mouth of Yang Qianyu, but his strength is incomparable. He can protect the existence of liudaozong for endless years, which is obviously different from the dying old man in front of him.

But when ye Chen is surprised, the old man also finds Ye Chen's arrival. His turbid eyes look at Ye Chen, and his eyes are full of indifference. The next moment his sight converges, he turns his head and continues to fish.

The old man doesn't seem to care about everything. He is not interested in anything. Ye Chen comes to the old man.

"Sir, I don't know why you are here."

Ye Chen raises doubts in his heart.

The old man glanced at Ye Chen and then said, "why can't I be here? The mountain is so big. I can go wherever I want. There are lakes and fish in the lake. I just have a fishing rod. Why not fish here?"

Smell speech, ye Chen eyebrows slightly pick, the old man's words seem to have no deep meaning, but it seems to be just a simple literal meaning, let him a little confused.

Later, ye Chen chatted with the old man for a moment. He found that the old man didn't seem to have any aura. He was just an ordinary person.

An ordinary person would appear in liudaozong. Ye Chen became more and more strange. He also guessed that the old man was not interested in anything, probably because the time was running out.

Ye Chen can't help but say: "old Sir, I see your vitality is weak, let me treat you for some time, at least can let you live more than a few decades."

Ye Chen has such self-confidence that his medical skills are perfect, and treating an ordinary person is just a breeze.

"Treatment?"

The old man looked at Ye Chen with a strange smile, then shook his head and said, "no need."

Hearing this, ye Chen can't help but wonder that the old man is indifferent to all things, but he is also indifferent to life and death, which is extraordinary.

"Why don't you come fishing with me?"

At this time, the old man picked up a fishing rod beside him, which turned out to be aura. Seeing the fishing rod, ye Chen's face changed slightly.

This spirit lake can not only give birth to spiritual life, but also condense fishing rod for people to fish. Does the Spirit Lake also have its own consciousness?

Seeing the old man's invitation, ye Chen did not refuse. He immediately sat beside the old man, fishing with a fishing rod.

The aura fishing rod contains infinite pure aura. All the creatures in the Linghu lake are formed by the condensation of aura. They are all attracted by the aura. Ye Chen catches up one after another of the colorful, aura overflowing fish.

However, when ye Chen puts the small fish in the fish basket transformed by the aura beside him, the small fish dissipate one by one, and turns into pure aura and returns to the lake. No matter how fast he catches and how many fish he gets, he will eventually lose and become nothing.

Seeing this scene in front of him, ye Chen can't help frowning. What's the meaning of fishing like this.

At the same time, those who are not in a hurry to fish in the lake are still sitting in the water.

And see ye Chen will fish one by one, fish return to the lake, the old man is shaking his head.

"You catch it today. This is because it comes back to the lake. It is the result. The cycle of causality has ended. Why do you keep fishing and cycling?"

When Ye Chen heard this, he was stunned and immediately looked at the old man. However, he found that his turbid eyes became deep and vast, as if containing infinite wisdom.

"This..."

Ye Chen opened his mouth, but he didn't know what the old man meant. The cycle of cause and effect was nothing more than fishing, but the old man discussed such things with himself.

"I fish just because I want to fish, and it goes back because it wants to go back."

Ye Chen shook his head and then said.

"Well?"

When the old man heard this, his eyes were full of light.

"Are you not afraid of the numerous consequences you have brought about by your reckless planting

The old man continued.

Ye Chen looked at each other, but found that the other gradually emerged on the body of the mysterious magnanimous charm, strange waves spread along the body of the old man, but gradually swept the world.

The Spirit Lake, even the whole Wangyun peak and the six Taoism sects were shrouded in this strange fluctuation. Everyone felt a sense of incomprehension. It seemed that they had understood something in the dark, and it seemed that the world had become so strange and did not understand anything.

At this moment, ye Chen heard the old man's words, but also did not know how to answer.

"The world knows cause and effect, but it doesn't know what it is. Do you know?"

"I'm fishing here. Fish don't bite and I don't lift a pole. It seems that there's nothing, but in fact, I get everything. Do you understand?" The old man's eyes are burning at the moment, looking at Ye Chen's questions.

Hearing the old man's words, ye Chen is a little silly. The old man's questions become more and more profound, and his speech speed is also faster and faster. It seems that he is not asking himself, but asking questions in his heart.

But at this time, the reincarnation of the cemetery, but came to shake, cold inquiry appeared, looking at the old man's eyes deep.

"Master."

Ye Chen heart read a move, into the reincarnation cemetery, to the cold heart arched.

"This old man is not simple. Listen to me and reply to him like this."

At this moment, cold inquiry heart seems to come to interest, looking at Ye Chen excited said.

After all, it is the pursuit of cause and effect to ask for stability!

Han Wenxin has been pursuing the theory of cause and effect all his life!

In the whole world, who dares to fight!

Chapter 3693

Hearing the words of cold inquiry, ye Chen moved in his heart, and looked at the old man at the same time. He opened his mouth and said, "because there is no fate, then there is no fruit. Opportunity does not cast. Because there is no result, there is a cause and a result."

"Oh?" Hearing Ye Chen's words, the old man's eyes lit up, and even looked at Ye Chen excitedly.

At the moment, Han Wenxin opens his mouth in the tomb of samsara, and ye Chen goes on to say: "today you are fishing here. The fish don't bite, and you don't lift the pole. It seems that there is no cause and no fruit, but in fact, you reap the fruit by planting."

"What do you say?"

The old man heard here more excited, looking at Ye Chen excited asked.

"Mr. old man, you have done nothing for nothing, so you have nothing to do with it."

Ye Chen will be cold questioning words one by one, and the old man's look is more and more excited, even can not help standing up, dancing.

"In that case, I would like to ask you, is there any reason or effect for me to make friends with you today?"

"Forget your old friends?"

[illegible]

When ye Chen was ready to refuse, the voice of cold inquiry sounded again, "promise him, this old man's identity is special."

"Special identity..."

Ye Chen's heart moved, and the words of cold inquiry came again. Ye Chen's face was strange, and he said: "the old gentleman and I forget the friendship of the year, of course, there is cause and effect, but I also do nothing, you do nothing, the cause and effect is very small."

"Yes, it is."

When the old man heard this, he immediately showed a smile, touched his long eyebrows, looked at Ye Chen and said with a smile: "in this case, then you and I are friends, and I will call you little brother in the future."

"Old brother."

Ye Chen is not polite, looking at the old man clasping his fist and saying.

"Ha ha, good!"

Seeing this, the old man got excited and immediately stood up. Looking at Ye Chen, he stretched out his hand and said, "I'm happy today. It's better for you to follow me to drink."

"Good."

Ye Chen did not hesitate, immediately agreed to come down.

But at this time, the old man's face is suddenly a coagulation, eyes deep look at the foot of the mountain, "someone is coming."

"People?"

Ye Chen can't help but follow the old man's eyes to look at the past, but did not find anyone in, thought that the old man's eyes were dim.

"Brother, you are wrong Where are the people? "

Ye Chen turns around and finds that the figure of the old man has disappeared. He can't help frowning. The old man's strange appearance and disappearance are also strange.

What the old man said was cause and effect, and he heard it indistinctly. Obviously, he was very mysterious. If I saw the old man here today, I don't know if I can see him again.

Shaking his head, ye Chen will this idea down, no longer hesitant, and then look to the top of the cloud peak.

On the top of the mountain, the hall of wangyunfeng emits Hongmeng fog, covering the top of the mountain. It looks ethereal and extraordinary.

Ye Chen did not forget the purpose of his trip. He wanted to see Zhou Jiutong. Although it took him some time to talk with the mysterious old man, he still wanted to go.

Then, ye Chen set out to the top of the mountain.

At this moment, ye Chen did not notice, in the direction of the old man just saw, a figure slowly emerged, it was thunder melting.

"Ye Chen, this guy, I saw that he was strange in the early morning. Now he goes to wangyunfeng, I don't know where he lives. I'd like to have a good look!"

Lei Rong's face is sinister. He knows Ye Chen is asking about the heart of Shengyuan and believes that ye Chen's mind is not pure when he joins the six Taoism sect.

Therefore, after learning that ye Chen went to see Wu Duan Cang and had a closed door, Lei Rong guessed that ye Chen would definitely come to visit Yunfeng. After all, the whole clan knew that the true secret of the heart of the holy source was Zhou Jiutong, the patriarch and the supreme elder.

Therefore, leirong stealthily comes to wangyunfeng and realizes that ye Chen's information exists. At this time, he goes up the mountain quietly.

When ye Chen comes to the top of Wangyun peak, he can see the outline of the hall from the hazy and vast fog. He wants to go to the hall, but he finds that there are extremely strong restrictions around the mountain top, blocking the access road.

Obviously, this place was banned by Zhou Jiutong. I'm afraid that only those with the same strength and who are the elders of the Supreme Court can enter and meet Zhou Jiutong.

At the moment, looking at the pale blue prohibition, and the endless, floating, blooming, deep breath and mysterious rune, ye Chen frowned slightly.

Although there are prohibitions, ye Chen is very insistent on the heart of the holy source. In any case, he wants to get information about the heart of the holy source.

Ye Chen is aware of the rules similar to the Zhou Tian Huang Quan array from the prohibition, and even many of the runes above the prohibition are interlinked with the Zhoutian huangquan array.

Ye Chen, as the master of huangquan peak, has mastered the Zhoutian huangquan array, and has a profound understanding of the big array. Looking at the similar array at the moment, ye Chen intends to try to break the ban. Ye Chen did it without any hesitation. He immediately reached out his hand, and a line of runes lit up in the palm of his hand, echoing the runes above the prohibition. The light of the runes reflected the light of the forbidden script, and the prohibition was slightly loose.

See this scene, ye Chen not from the face show happy color, "have drama."

At the next moment, ye Chen's hands are flying, and a number of runes emerge from ye Chen's palm and fly up to the prohibition, and the prohibitions are also quietly spreading out. In front of Ye Chen, the barriers are becoming thinner and thinner, and they will soon disappear to reveal the entrance.

At this moment, ye Chen also exudes a vast and mysterious atmosphere. These runes are related to the Zhoutian huangquan, and ye Chen is constantly comprehending when he displays them. He gradually emerges the starlight and the aura of the netherworld.

In front of the barrier more and more thin, the eye will form the entrance, ye Chen heart excited, faster and faster.

However, at this moment, ye Chen did not notice that a figure appeared behind him. He was looking at himself with sinister eyes.

"Ye Chen, what are you doing?"

Lei Rong suddenly burst into a rage. Ye Chen was so absorbed that he didn't realize that someone was coming. He was stunned, his hands trembled, and a rune error fell on the forbidden system. All of a sudden, the whole forbidden system gave out a mighty power, and the endless light reflected on the sky.

"Hum!"

The forbidden power erupted, and ye Chen and thunder melting were swept by the terrible shock wave at the same time. They could not do anything to resist it. They were directly blasted down to look at the cloud peak.

Looking at the foot of Yunfeng mountain, ye Chen looks at Lei Rong deeply. He didn't expect that Lei Rong would suddenly appear, which broke his good deed.

At the moment, Wang Yunfeng's suppression of the divine power shocked the whole liudaozong. Many disciples and elders came in one after another, and a dark figure suddenly appeared between heaven and earth.

Obviously, the appearance of thunder melting not only makes Ye Chen lose the opportunity to break the prohibition, but also brings great trouble to Ye Chen.

Chapter 3694

At the moment, Lei Rong saw the dense figure around him, and a hint of evil intention appeared in his eyes. Then he looked at Ye Chenyi's righteous words and said, "Ye Chen, you are sneaking and trying to break the prohibition of the Supreme Master. What is your intention in the end?"

"I knew that you were in the liudaozong, and you had something wrong with you. Tell me what you are aiming for

At the moment, under the question of Lei Rong, everyone understood the process of the matter. All of them looked at Ye Chen coldly, and even the people who made friends with Ye Chen were angry.

In the liudaozong, taishangchang is the most important existence, which is also the foundation of liudaozong's existence. Ye Chen's action is simply treacherous. Therefore, no matter whether he is good with Ye Chen or not, he feels extremely angry at the moment.

"Ye Chen, tell me quickly. What do you want to do when you sneak up to wangyunfeng?"

"Say it! Or I'll kill you right away. You're the bane

"Well, it's better for me to put a ban on the fire. It's better for me to seal this thing in the fire as soon as I can!"

At the moment, Zhou ban has arrived, his face is ferocious, his eyes are shining with cold light. He looks at Ye Chen and says, "at the same time, there is a small stove in his hand. There are clouds of holy spirit rising in the stove, which is very powerful.

At this moment, Zhou Jin was very excited. If not for many people present at the moment, he would like to look up at the sky and smile.

Zhou ban was slapped in the face by Ye Chen in huangquan peak before, and he was almost killed by refining. He hated Ye Chen for a long time. Today, ye Chen is looking at Yunfeng, but let Zhou ban seize the opportunity.

If it was not for fear of arbitrariness and Cang's anger, Zhou ban even wanted to ban Ye Chen directly in the holy cloud furnace and torture him forever, then huangquan peak would fall into his Zhou Ban's hands.

At the moment, watching the crowd roar, some people even have a heart in their hearts. Their eyes are sinister. Ye Chen looks calm and does not intend to explain anything. He really wants to break the ban on wangyunfeng. This is a fact.

At the moment, in the hall on the top of liudaofeng mountain, wuduancang is sitting opposite to the Taoist robe elder. At the moment, they both smile when they hear the outside world.

"Hehe, I knew that the boy would not listen to me. He must want to see the elder, and I guessed it."

At the moment, arbitrariness Cang picked up the tea cup, smiling with satisfaction, sipping the tea very comfortably, as if something good had happened.

"But elder Taishang, will he change his mind because of this little guy?"

At this time, the Taoist robe elder is also relaxed and happy, but still some hesitant to say.

"I don't know."

The arbitrary Cang hears the speech to shake his head and looks at the direction of the cloud peak.

"You know, since that incident, the supreme elder has been indifferent to everything, even life and death, these days are more and more gloomy, we can do nothing but put hope on this little guy."

"I hope, this boy is very strange, and his talent and blood are extremely high. If the supreme elder sees him, he may change. He can only see if he can create miracles."

The Taoist robe elder hears the speech to identify with nodding, so says.

And at this moment, arbitrary Cang also stood up and looked at the direction of the cloud peak with a smile in his eyes.

"This boy is now the target of public criticism. The situation is critical, but the supreme elder still refuses to take action. It seems that I need to add fire to this boy and guarantee that he will not be killed by the people of the clan."

After that, he burst into a majestic and powerful atmosphere, and his magnificent and angry voice spread throughout the whole clan.

"Ye Chen didn't listen to the advice. He dared to go to Wangyunfeng to disturb the elder. He had ulterior motives. He came to the six temples to confess his guilt."

As soon as this was said, the whole clan was shaken again. Under Wangyun peak, all the disciples and elders of the six schools all looked at Ye Chen with joy.

Wuduancang is very authoritative in Liudaozong, which is not only because of its strong strength, but also because it is not soft hearted when punishing people.

Now Ye Chen goes to the six way temple to plead guilty. He is afraid that he will not die and will even be expelled from the six Taoism sect.

"Well, damn boy, you're dead!"

At the moment, Zhou Jin looks at Ye Chen with a ferocious smile. Ye Chen has made a big accident. Even if he is not expelled from the six Taoism sect, the position of the chief disciple must not be able to sit down. At that time, he will be able to seize the hand of Huang Quan Feng, and he will humiliate Ye Chen in the future.

Lei Rong and his disciples are even more sarcastic, expecting Ye Chen to be punished. Not long ago, ye Chen was on the huangquan peak and enjoyed a good view with the power of the array. They also hated the abnormality and wished Ye Chen would die now.

Looking at the appearance of people's bad intentions, ye Chen looks indifferent, and his mind echoes with arbitrary Cang's words.

Ye Chen did not listen to arbitrary Cang's advice and insisted on going to wangyunfeng to see the elder Zhou Jiutong. Although he had no bad thoughts, he was wrong.

Immediately, ye Chen is ready to set out in front of the six shrines, and the onlookers are gloating at Ye Chen's way. At the moment, they are not in a hurry to attack Ye Chen. They are so angry that they have to go to the temple to confess his guilt. It must be a terrible punishment, enough to make them feel extremely happy.

However, ye Chen just stepped forward, but Wang Yunfeng behind him suddenly vibrated and changed. The vast power swept across the sky, making the sun and the moon pale, and the terrible and magnificent ferocity swept down, which made everyone tremble and looked at wangyunfeng carefully.

Ye Chen is also aware of this wave, the same face slightly changed, this power is too vast, far from today's he can resist, the heart is slightly heavy.

It seems that this should be the supreme elder Zhou Jiutong. Is the other party angry because of his behavior?

Ye Chen thinks in his mind that if Zhou Jiutong gets angry, he will be more troublesome. It is even more dangerous than going to the six temples to plead guilty.

At the same time, all the disciples and elders also showed a strange smile and looked at Ye Chen one after another.

"Ha ha! Ye Chen, you broke into wangyunfeng without permission, which angered the elder. Now he is angry. He will punish you and kill you. You are dead! "

Lei Rong laughs at the moment and feels extremely comfortable. He is full of hatred for ye Chen. The happiest thing for him is that ye Chen's accident happened.

"Ye Chen, you have a heart in your heart. The Supreme Master has seen it for a long time. Now he is going to tear up all your disguises and let everyone see your ambition!"

At the moment, Zhou ban also opened his mouth and said, "every sentence is killing the heart, which is totally bloody."

Hearing what they said, ye Chen's eyes flashed a sense of obliteration. Lei Rong was ok, but Zhou ban slandered himself everywhere. As an elder, he didn't look like an elder. He even robbed the treasure land with his disciples. He was damned.

Chapter 3695

All the people gathered under wangyunfeng are criticizing Ye Chen. At the same time, they also look at the terrible vision of wangyunfeng and guess what the supreme Presbyterian will do.

"Shut up

At this time, Wang Yunfeng suddenly heard a powerful and solemn voice, like the supreme of the heavens, which shocked the whole world and made people dare not to offend.

All of them closed their mouths and their eyes flashed. Obviously, the master of the voice was Zhou Jutong, the elder of the Supreme Master. No one else had such terrible dignity and momentum.

Now the supreme elder's speech must be to punish Ye Chen. A group of people are looking forward to it.

"You guys are all broken up for me. You are not honest. What are you talking about here?"

Just let the people did not expect, the elder Taishang opened his mouth, but not to sin Ye Chen, but to them.

Hearing this, a group of people look dull, the next moment to react, dare not have the slightest dissatisfaction, quickly bow down, turn back.

At the same time, the voice of the supreme elder is followed by a ring, the same dignity, but no meaning of punishment, "Ye Chen, come to see me in the cloud hall."

The people who had just turned around to say goodbye now almost fell to the ground.

Ye Chen was so rebellious that he went to wangyunfeng to break the ban. He was totally lawless. They originally believed that the supreme Presbyterian council would punish Ye Chen.

But in front of this scene, the supreme elder not only drove them away, but also seemed not to be angry because of Ye Chen's actions. This made them incredible, but also felt extremely oppressed.

"Ye Chen, this boy, is really a dog's excrement luck. Why is everything OK like this?"

Lei Rong is gnashing his teeth at the moment, hoping to rush up and strangle Ye Chen.

Zhou Jin didn't speak. He looked at Ye Chen with a black face. He suppressed his anger and murder, and turned to leave directly.

At the foot of the mountain, he became very lonely, leaving only Ye Chen alone.

At the moment, ye Chen looks at Wang Yunfeng. He is also surprised. He doesn't know why elder Zhou Jiutong is not angry. Instead, he wants to see himself.

If you don't think about it clearly, ye Chen doesn't want to think about it any more. I'm afraid he knows all about Zhou Jiutong.

At the same time, in the hall of liudaofeng, wuduancang and Daopao elder heard Zhou Jiutong's words, but they looked at each other and laughed.

"Since you want to see ye Chen, it's up to you to punish Ye Chen."

The voice of arbitrariness Cang rings, just vaguely, ye Chen feels that the tone of arbitrariness Cang seems to take a little bit of pride.

"What is the Lord proud of?" Ye Chen narrowed his eyes strangely, and then shook his head. He thought that he had heard wrong. For no reason, how could arbitrary Cang be proud.

After that, ye Chen ascended the huangquan peak again and came to the top of the peak. Looking at the hall covered by Hongmeng fog, ye Chen was able to enter at will after the ban on the peak was removed.

Without any hesitation, ye Chen directly stepped into the prohibition and came to the hall door in the hazy fog.

"Disciple Ye Chen, come to see you in the name of the supreme elder."

"Come in."

The majestic and majestic voice came from the interior of the hall, and the door of the hall opened slowly at the moment. Ye Chen saw an old man with great momentum in the magnificent palace and suppressed the back of the sky.

"The back..."

Ye Chen looks at each other, always feel that this figure has been seen in where, familiar but strange, can not remember.

"Elder Taishang."

Ye Chen respectfully looked at each other's back salute, and at this moment, the old man turned around.

Ye Chen looks up, but he is stunned. This is the old man fishing by the lake. Ye Chen can't help being stunned.

"Is it you?"

Ye Chen could not have imagined that the old man, who was fishing by the river, was old. The old man who looked like he was dying was Zhou Jiutong, the great elder of the supreme emperor.

"Hehe, why can't it be me?"

Zhou Jiutong looked at Ye Chen and said with a smile. At the moment, the vitality in his body began to revive. The power beyond the sky mending environment made him get rid of the dead air in an instant, showing full of vitality.

"Why do you want to see me

Zhou Jiutong looks at Ye Chen and his eyes flash.

Zhou Jiutong is very curious. Ye Chen and he ask why he is so obsessed with seeing himself when he looks like a man without desire or desire.

Before that, Zhou Jiutong realized that Lei Rong was going up the mountain and left directly. However, he had already noticed that ye Chen wanted to break the ban he had set.

Zhou Jiutong also found that ye Chen was quite familiar with the big array he had set up. He also immediately found that ye Chen had become the master of huangquan peak and had lifted the seal of huangquanfeng.

Therefore, Zhou Jiutong is more and more curious about ye Chen. He also deliberately weakens the ban, so that ye Chen can break the ban more easily. However, he didn't expect the thunder melting to appear, which led to the outbreak of a big battle and expelled Ye Chen and ye Chen.

Later, Zhou Jiutong saw that ye Chen was accused by thousands of people. Because he had a good time talking with Ye Chen, he even untied his heart knot. Therefore, he helped Ye Chen out of trouble and let him come to see him. "I want to see the elder, because I want to ask about the heart of the holy source."

Ye Chen heard Zhou Jiutong's words, also did not conceal, said decisively.

"The heart of the holy source?"

Zhou Jiutong's body was shocked, his eyes narrowed and he looked at Ye Chen and shook his head slowly.

"I can tell you, but the heart of the holy source is very important to the six schools, even related to the life and death of the sect. Therefore, you should stop pursuing the heart of the source."

Hearing this, ye Chen's eyes flashed. No matter he was arbitrary, Cang or Zhou Jiutong, he attached great importance to the heart of Shengyuan, and obviously would not tell himself anything about the heart of Shengyuan.

But the heart of the holy source is too important for ye Chen. At this moment, ye Chen's eyes gradually become firm.

"Elder Tai Shang, do you recognize this?"

Ye Chen takes out six orders from his arms and looks at Zhou Jiutong.

The six Taoist orders are full of mysterious and mighty divine power. The great source of terror circulates around the six orders. At this moment, the sky of the six Daoists all appear strange phenomena, as if the six supreme masters came to the world.

Seeing this scene, Zhou Jiutong's face changed greatly. At the next moment, he suddenly waved his hand. The fierce and incomparable power swept out and directly covered the whole hall.

The vast aura turned into a grand barrier, directly isolating the breath of the six orders, and the vision on the sky disappeared. Zhou Jiutong looked at the six orders in Ye Chen's hands with horror.

"How can these six orders appear in your hands?"

Zhou Jiutong's eyes flashed. He was very clear that liudaoling would not appear for no reason. At the moment, it fell to Ye Chen. I'm afraid it is the source of cause and effect. Ye Chen may be the hope that he can lead liudaozong to rise again.

For a moment, Zhou Jiutong's eyes became more and more bright.

At the moment, ye Chen collected the six orders. He knew that the appearance of the six orders in liudaozong was likely to cause a stir and even bring trouble. Otherwise, Zhou Jiutong would not react so much when he saw the six orders. He banned the hall at the first time.

At the same time, in the face of Zhou Jiutong's question, ye Chen can't tell the truth. The identity of the reincarnation master is too shocking. What's more, Liu daocong 3 was founded by Xiao shuihan, and his relationship with the reincarnation master is also considered to be close.

The enemy of the past may have set up ears and eyes in liudaozong. Ye Chen reveals his true identity at will, for fear that it will bring disaster to himself and liudaozong.

Chapter 3696

"I came to the gate of liudaozong, and I don't know why the stone statue of the founder turned into this token."

Ye Chen immediately said.

Hearing the speech, Zhou Jiutong takes a deep breath, and then looks at Ye Chen. With a wave of his hand, the aura converges into a chair and appears behind Ye Chen.

"Sit down, please."

Zhou Jiutong said respectfully that he could not be disrespectful if he saw six orders.

Ye Chen didn't talk nonsense. He sat down directly. Zhou Jiutong condensed a round table in front of them, and then sat opposite Ye Chen.

"Since you have six orders, I can tell you everything you want to know."

Zhou Jiutong took a deep look at Ye Chen. Ye Chen was the source of cause and effect. What ye Chen did had a profound impact on the six Daoists, so he was not prepared to hide it.

"The heart of the holy source, once disappeared with the seventh patriarch Yin Zunxiao, is in fact false."

Hearing this, ye Chen raised his eyebrows slightly, but he didn't feel much surprised. Yin Zunxiao's mysterious disappearance may be false. What's more, the heart of the holy source is the most precious treasure of the six schools.

"In fact, the heart of Shengyuan has always remained in liudaozong. At the beginning, the seventh patriarch disappeared mysteriously. We were worried that Shengyuan's heart would be coveted and cause disaster, so we deliberately declared that the heart of Shengyuan disappeared with Yin Zunxiao."

Zhou Jiutong's eyes were deep. He seemed to be thinking about something. A chill flashed in his eyes. Then he said, "but so many years have passed, we have never taken out the heart of the holy source. The outside world thinks that the heart of the holy source is missing."

"Still in liudaozong?" When ye Chen heard this, he was shocked. He felt that he saw hope. As long as he could get the heart of the holy source, not only could ye Luo'er recover his memory, but he could also get Chongguang Shenxia palace. Then it would be more convenient to rescue the powerful energy.

"Only half."

At this time, Zhou Jiutong is Chong Ye Chen poured a basin of cold water.

"What do you mean?"

Ye Chen's excited heart converges and looks at Zhou Jiutong in surprise. Why does the heart of Shengyuan remain in general? This is the most precious treasure of the six Taoism schools. If half of them were spread out, I'm afraid the news would have been spread out.

"In fact, the news of the disappearance of the heart of Shengyuan is the decision we made after discussing with Zhenyuan hall. The other half of the heart of Shengyuan is in Zhenyuan hall."

Hearing this, ye Chen is more and more strange. How can half of the heart of Shengyuan be in Zhenyuan palace? Moreover, it seems that the other half of the heart of the holy source was willingly handed over to the Zhenyuan hall by the liudaozong, otherwise the two sides would not discuss it.

Ye Chen is wondering why Zhenyuan hall has the heart of the other half of the holy source.

Without waiting for ye Chen to ask questions, Zhou Jiutong knew Ye Chen's doubts, and immediately opened his mouth to explain: "all this is because when the six daocong got the heart of the holy source, the vision of the heart of the holy source was too powerful and terrible, and it might even usher in the covetous desire of the supreme existence, which is very likely to usher in the disaster of destroying the door."

"Therefore, we can only bear the pain to divide the heart of the holy source into two. Half of the heart is left in the liudaocong, and the other half is kept by Nansheng, a good friend of the original patriarch. Just then, when the seventh patriarch mysteriously disappeared, we publicized that the heart of the holy source was also lost."

"A good friend of the grandmaster?"

Ye Chen's eyes flashed. Zhou Jiutong's words show that this Nansheng is Xiao shuihan's good friend. In this case, he holds six orders representing Xiao shuihan's identity. He should be able to get the heart of Shengyuan from the other party's hands.

"It's a good friend, but it's just a good friend of the past."

At this time, Zhou Jiutong sighed, and his momentum suddenly burst out. For a moment, ye Chen seemed to be in an endless battlefield. His fighting spirit and murderous spirit swept through the hall.

After that, Zhou Jiutong restrained his momentum and hid his anger in his eyes. Then he opened his mouth and said, "after Nansheng took the heart of the other half of Shengyuan, he founded Zhenyuan hall, and the heart of Shengyuan was placed in Zhenyuan hall."

"At the beginning, Zhenyuan hall was just a small sect. It was like a mole ant in front of liudaozong. It was only with the support of liudaozong that Zhenyuan hall was barely able to survive. The two schools had been making friends with each other all the time. However, after liudaozong was lonely, Zhenyuan Hall produced several talented disciples."

Speaking of this, Zhou Jiutong narrowed his eyes, and then said: "Zhenyuan hall, under the influence of these talented disciples, has risen and become stronger. After tens of thousands of years, the six schools have completely declined, and the relationship between the two schools has not been the same as before."

Hearing this, ye Chen's eyes are indifferent. Such things happen frequently in this world. They are no longer strange. They can only blame liudaozong for helping the wrong people and the Zhenyuan hall, which does not understand gratitude.

"So you understand that even if the other half of the heart of the holy source is in the hands of Zhenyuan hall, even if you hold the six orders, you may not be able to claim back the other half of the heart of the holy source."

"The heart of the holy source is such an amazing treasure that can even trigger a great battle among the heavens. It is very good for Zhenyuan hall to rob the six Taoism sects without tearing their face. If you want them to give them to you, it will be very difficult for them to hand them over truthfully."

"I see."

Ye Chen nods slowly. From Zhou Jiutong's words, it can be seen that the friendship between Zhenyuan hall and liudaozong has long been gone. There is no vengeance in Zhenyuan hall. I'm afraid it is all about face saving. Otherwise, it is likely to rob the other half of Shengyuan's heart from liudaozong. At the moment, Zhou Jiutong also looked at Ye Chen with deep eyes, and then said, "if the six orders of the patriarch are in your hands, you are the real controller of the six Taoism sects. The rise and fall of the six Taoism sects are closely related to you. This is cause and effect, which can not be avoided."

"Yes."

Knowing what Zhou Jiutong was worried about, ye Chen immediately said, "before I joined the liudaozong, I had already made a great wish to make the liudaozong a foreign sect. I will not break my promise."

As soon as he said this, Zhou Jiutong's eyes burst into brilliance, and even the main hall was full of brilliance.

"Well, it's worthy of being chosen by the patriarch."

Zhou Jiutong nodded and then said, "in this case, you should be on guard against Zhenyuan hall. The two feelings no longer exist, and they are even more insidious."

"Over the years, Zhenyuan hall has even invited the disciples of the six schools every year to experience the glory of the hall. It seems that they are friendly to the six schools, but in fact, they have ulterior motives and deep malice, making difficulties for the disciples who go there."

"Zhenyuan hall is really shameless."

Ye Chen heard this and couldn't help shaking his head.

"Liudaozong also saw the sinister intention of Zhenyuan hall, so after sending people to visit for several times, they refused all the time. Now it has been 100 years, and liudaozong has become a laughing stock for everyone."

At this point, Zhou Jiutong's eyes flashed a chill, and he was obviously ashamed of the practice of Zhenyuan hall. If not for his scruples, he even wanted to kill Zhenyuan hall directly and vent his evil spirit.

"Now, Zhenyuan temple has a talented Saint Feng Yusi, which makes Zhenyuan palace more and more rampant and incomparable."

"You have to be careful of this Phoenix rain thought. This daughter is very important. She is indeed a rare and unique talent."

"I see."

When ye Chen hears the words, Feng Yusi can make Zhou Jiutong, the powerful supreme elder, attach so much importance to it. Obviously, he holds six orders, which has been implicated in the fate of liudaozong.

Chapter 3697

Zhenyuan hall is evil to liudaozong. He, the holder of liudaoling, must be careful.

Knowing the news of the heart of the holy source, ye Chen no longer bothers Zhou Jiutong and thanks to leave.

Back to Huang Quanfeng, ye Chen sees Liu yunmiao still practicing meditation.

Liu yunmiao's talent is good, but compared with Yang Qianyu and Lei Rong, he is a little inferior. However, he is strong in character and diligent in practice. He should also have some achievements in the future.

"Big brother."

Liu yunmiao realizes Ye Chen's return, opens his eyes and looks at Ye Chen respectfully.

"Well, keep practicing. Don't worry about me."

Ye Chen waved his hand indifferently, and then came to sit down on the edge of Huangquan Lingshui. But at the moment, he couldn't practice meditation. His head was full of the heart of the holy source.

Liudaozong holds half of the heart of the holy source, but the other half is in the hand of Zhenyuan hall. If he wants to ask for the heart of Shengyuan with the help of the six orders, I'm afraid it will be difficult for him to do so. If he comes to the door to fight for it, his current strength will not be able to shake Zhenyuan hall.

For a moment, Ye Chen felt at a loss and frowned deeply.

After a period of time, Ye Chen finally calmed down the inner entanglement. Since the heart of the holy source is difficult to get hold of now, it is futile to think again. It is better to improve his own strength as soon as possible.

After that, Ye Chen devoted himself to practice and sat with Liu yunmiao on the edge of the miraculous water of the yellow spring and became two motionless sculptures.

In a twinkling of an eye, a day passed, but Liu yunmiao, who was still practicing, suddenly opened his eyes. He noticed that there were changes coming from one side.

Looking up, Liu yunmiao finds that Ye Chen's body has inexplicable fluctuations that continue to spread out, and Ye Chen's momentum is climbing to the peak.

"Another breakthrough?"

Liu yunmiao is shocked to see this scene. Ye Chen and he just broke through the six layers of heaven in the first World War, and now he is about to break through again.

The speed of this state of ascension is just against the sky, which makes people feel strange.

"What a monster

Looking at Ye Chen, Liu yunmiao is stunned.

And at this moment, ye Chen also suddenly opened his eyes, his breath burst the sky, the stars died, the magnificent aura swept out.

"Boom!"

On the sky of huangquan peak, dark clouds gather at this moment, and the thunder turns into thunder dragons, which come here like the disaster of extermination.

"Who's going to break through this?"

At the moment, liudaozong was also attracted by the scene, and raised their heads one after another. However, when people saw the location of thunder robbery in huangquanfeng, many people's faces suddenly turned black.

"This guy again."

Lei Rong looks at the direction of the huangquan peak, gnashing his teeth, hoping to rush to the huangquan peak and chop Ye Chen to death.

At the same time, Lei Rong is also shocked. Ye Chen has just broken through, but now he has broken through the realm. It is simply against the sky. Such a talent is too terrible. If ye Chen rises, he may not have a good life.

At this moment, seeing ye Chen is about to break through in the six Taoist schools, many people are complicated in their hearts.

At the moment, at the top of huangquan peak, ye Chen has already risen from the sky. He takes the initiative to walk out of the hall and directly faces the thunder.

The next moment, ye Chen again into the thunder robbery, and people see this scene, also did not before the shock.

Ye Chen is a complete madman, these people have experienced a lot after also become strange.

I saw thunder plunder surging, black clouds seem to break out of a startling war, the shock of the whole six schools are panic.

At the same time, ye Chen is in the thunder robbery, but his face is a little surprised. This time, the golden thunder is no longer hidden, or even does not avoid himself.

The golden thunder seems to be completely infuriated by Ye Chen. As soon as ye Chen enters into the thunder robbery, the golden thunder sweeps out with the thunder all over the sky, and takes the initiative to kill Ye Chen.

is just the strength of Ye Chen, and why the golden thunder is so bad that ye Chen has been entangled for a long time before being blown up by Ye Chen again. After absorbing all the golden emulsion, the thunder robbed slowly dissipated, and leaf Chen also fell from the air.

"Hum..."

Ye Chen fell on the ground, momentum swept, dust concussion around, the trees and flowers were almost blown away.

However, when perceiving his own realm, ye Chen's face changed slightly.

He's still six layers of heaven! It's a breakthrough! Why didn't you step into the seven layers!

I've been through thunder robbery!

It's incredible!

However, ye Chen can clearly feel his own strength has extremely terrible promotion!

When ye Chen doubts, Xuan Hanyu's voice appears in his ear.

"Boy, do you know why?"

"It's your reincarnation."

"Short term successive breakthroughs are not a good thing for most people."

"The foundation is not stable, successive breakthroughs, the gap between the physical body and the realm is too big This is the bad result. "Ye Chen looked stunned: "the Xuanxian means that the reincarnation blood does not let me break through? Deliberately suppressed? "

Xuanhanyu nodded: "in fact, if it wasn't for the suppression of your reincarnation, your chance might have made you break through to mending the sky."

"But you can't beat you now!"

"Your blood is like the strictest teacher in the world. If you don't reach the extreme, he won't allow you to break through."

"Now you don't have the qualification to break through."

"However, I have improved your accomplishments."

Ye Chen is thinking.

Although it has not stepped into the seventh tier, its strength has increased a lot, which is a good thing.

Liu yunmiao came out of the hall and saw Ye Chen's appearance. He couldn't help looking at him. Ye Chen, who had just been robbed of

, absorbed countless golden lotions. At the moment, there was thunder and lightning from time to time. He seemed to be invincible, like the supreme god of war.

However, why does Ye Chen seem to be in the original state?

It's so weird.

Strange as it was, he said respectfully, "Congratulations, elder martial brother."

Liu yunmiao said respectfully.

"No breakthrough, what's to be congratulated."

Ye Chen shakes his head at the smell of speech, and his momentum converges. At the moment, he feels the power surging in his body, and his strength has increased several times. Now, even in the face of the past strong, he can easily deal with it.

When ye Chen is ready to return to the main hall with Liu yunmiao to consolidate the strength and foundation, Liu daocong suddenly shakes.

At this moment, the immortal voice is faint and the spirit of immortality rises. The door of six sects is opened, and a team like the nine heaven descending into the six sects.

The chariots of this team are all brilliant and brilliant. Especially in the middle of the procession, there is a magnificent palace suspended in the air. The palace is as transparent as glass and is full of endless brilliance.

"Come to visit liudaozong in front of Zhenyuan hall!"

A proud voice sounded, a freckled teenager in the front of the team raised his head and called, and the voice spread all over the six schools.

The faces of the six elders are extremely ugly.

Another year later, when they came to Zhenyuan hall, it was obvious that they invited the disciples of the six schools to Zhenyuan hall as before.

The six schools know what the mind of Zhenyuan hall is. When they go to Zhenyuan hall, their disciples will be humiliated. If they refuse, they will be ridiculed.

Everything is due to poor strength. This world is the world of fists. Whoever has a big fist will have the right to speak and be looked up to.

At this moment, the faces of the people in liudaozong are strange. Ye Chen and Liu yunmiao look at each other and smile indifferently.

"Since the people from Zhenyuan hall have come, I should go and have a look."

Chapter 3698

Hearing Ye Chen's words, Liu yunmiao can't help but look at Ye Chen. Everyone knows what Zhenyuan Temple thinks. Ye Chen's initiative to welcome him is totally self humiliating. Why?

And how does Liu yunmiao know what ye Chen thinks in his heart? Ye Chen has been struggling to find the opportunity to enter Zhenyuan hall, unable to take the other half of the heart of the holy source in his hands.

Now Zhenyuan temple door, but let Ye Chen see the opportunity, perhaps this time can let him have the opportunity to take back the heart of the holy source.

Even if you can't get back the heart of the holy source, you can also check the Zhenyuan hall in advance. The provincial government has no idea about the Zhenyuan hall after the provincial government starts.

What's more, it's time for Zhenyuan palace to humiliate liudaozong these years.

"Elder martial brother, this Zhenyuan hall is dangerous. As the chief disciple, you must not go to Zhenyuan hall."

At the moment, Liu yunmiao looked at Ye Chen anxiously and said that he believed that the Zhenyuan palace was sinister.

"As the chief disciple, Zhenyuan hall has come. I always want to see it."

Ye Chen waved his hand, said without doubt, and then walked to the yellow spring peak.

But Liu yunmiao sees the situation, also knows Ye Chen's mind has already decided, will not change, but can only follow behind Ye Chen.

At the same time, among the six temples, Zhenyuan hall and his party have already entered the six temples.

The leader was an elder of Zhenyuan hall, named Shi Baomiao. He was the strength of the eight layers of heaven. He stood in the temple and looked at the people with pride.

After Shi Baomiao's death, a group of zhenyuandian disciples were even more arrogant. All along the way, they constantly commented on everything in the six schools, and their words were filled with disdain.

Obviously, in the eyes of the disciples of Zhenyuan hall, liudaozong is just like a village in the countryside. There is no comparison between the six schools and their magnificent Zhenyuan hall. They are extremely poor.

On the main hall, arbitrary Cang sat at the first place, and the rest of the elders were also present. All of them were pale, but their eyes were full of gloom.

"I don't know why Mr. Shi came this time?"

Arbitrary Cang took the lead in breaking the silence and said knowingly.

"Ha ha."

Shi Baomiao can't help but smile when he hears Wu Duan Cang's words. He looks at Wu Duan Cang and says: "I'm coming to Guizong this time, just like before. I want to invite the disciples of liudaozong to Zhenyuan hall."

Shi Bao Miao pauses for a moment and looks up at Wu Duan Cang. His eyes are shining. "Zhenyuan palace and liudaozong are friends of the world. It's better to walk around for a long time. I hope the master of Wuzong must not refuse this time."

Shi Baomiao's words seem friendly, but his tone is strange. His eyes and eyebrows are full of bad intentions, and his scheming appearance can be seen at a glance.

Shi Baomiao did not hide anything. Liudaozong had refused to go to Zhenyuan hall for hundreds of years. This time, it was no exception. In fact, Shi Baomiao came here to humiliate liudaozong.

Although Wu Duan Cang's real strength is far above Shi Baomiao, Shi Baomiao's back is Zhenyuan hall, and he thinks that Wu Duan Cang dare not take him, so he is so presumptuous at the moment.

However, when Wu Duan Cang heard Shi Baomiao's words, he was indifferent. He took a deep look at him, then shook his head and said, "I know the meaning of Zhenyuan hall. Thank you for thinking about two friendship."

The word "friendship" is arbitrary, but Shi Baomiao's face is stiff when he hears this.

"But now there are many affairs in the six schools, and the disciples still need to practice meditation, so they can only feel sorry for their kindness to Zhenyuan hall."

Arbitrary Cang tone calm said.

On hearing this, Shi Baomiao had not yet come and talked. In the team of Zhenyuan hall, a disciple who seemed to be in a good position suddenly began to cry out: "our sect has invited liudaozong for hundreds of years, but liudaozong has repeatedly refused. It's hard to succeed. The liudaozong knows that its strength is low, so he has no face to go to Zhenyuan hall!"

As soon as the words were said, the six temples were in a sudden uproar.

In the past, the Zhenyuan Temple sent people to come, and the elders humiliated a few words, and the liudaozong tolerated it. But today, even the disciples of Zhenyuan hall dare to be so presumptuous. It's lawless and rampant to the extreme!

"Presumptuous! Is there anything you can say here? "

"It's really disrespectful and rampant. The disciples of Zhenyuan hall don't know etiquette so much!"

One of the six patriarchal elders was angry and yelled.

And the arbitrary Cang at the moment face is also a heavy, in the eye a obliteration idea flashed.

"Evil barrier, I have a close relationship with liudaozong. What do you mean by that? Please kneel down and admit your mistake!"

Shi Baomiao was also furious at the moment, and turned to look at the disciple, but there was a flash of appreciation in his eyes.

But at the moment, the disciple's eyes are also sinister, flashing light, but the surface is panic, quickly kneel down to admit his mistake.

"I don't know how to speak. It's just unintentional. I hope the leader of the six schools and the elders will forgive me."

Seeing this, a group of elders were gloomy and speechless. They were all aware of the unintentional loss of bullshit. This disciple was to put up a shame on the six schools.

However, liudaozong didn't dare to give this disciple any more, which made them feel extremely subdued. But at the moment, arbitrary Cang is also a cold light in his eyes, but finally he raised his hand and said, "it's OK, since it's unintentional loss..."

Not waiting for the arbitrary Cang words to finish, a voice at this moment but suddenly into the temple.

"No matter whether it is unintentional or not, since you have made a mistake, you will be punished. If you are disrespectful to the six Taoist schools, you should be open-minded!"

As the voice fell, a figure suddenly rushed out, and the fierce momentum swept over. For a time, the people in Zhenyuan hall were stunned. They came to liudaozong many times, and they had already determined that liudaozong did not dare to be angry no matter how humiliated. At this moment, someone suddenly said this, which surprised them.

Just when they were surprised, the figure had already rushed into the crowd of Zhenyuan hall, and a slap slapped the outspoken disciple of Zhenyuan hall to the ground.

"Remember, liudaozong is not something you can say disrespectfully. Pay attention to your words later!"

At this moment, the people in the temple can see clearly the appearance of the coming man. It is Ye Chen!

"This kid..."

At the moment, many elder's eyes flicker and stare at Ye Chen, but they feel extremely happy. Ye Chen makes them vent a bad breath. For so many years, they have been humiliated by Zhenyuan hall. Even clay figurines should be angry, not to mention the six schools with infinite glory in the past.

At the same time, there are also a lot of elderly people who are worried. Ye Chen's hand is straightforward. I'm afraid that Zhenyuan hall will not give up. If it causes trouble to liudaozong, I'm afraid it will be a big problem.

Arbitrary Cang is in the first place, looking at Ye Chen, but his eyes are deep, I don't know what I think in my heart.

"Presumptuous!"

At the moment, the people of Zhenyuan hall also came back to God, and saw that ye Chen was only the six layers of heaven in the heaven God state, and suddenly became angry.

Shi Baomiao Qi's body trembled, and he would like to kill Ye Chen with one punch. He came to liudaozong many times. Which time was not high spirited? Where was he humiliated? The disciples of Zhenyuan hall were beaten by the extremely humble disciples of liudao sect!

"A waste of six layers of heaven, dare to deal with me!"

At the moment, the disciple of Zhenyuan Hall who was knocked down by a slap also stood up. The triangle eye burst out with endless cold. The momentum of the early days of mendianjing swept out, and he wanted to kill ye chenzhen directly.

Chapter 3699

"What? Is it not right to give you a slap in the face of my six schools? No more nonsense, I'll kill you

Ye Chen's eyes are cold, disdain to the momentum of the triangle eye outbreak, and says without emotion.

"Hum!"

At the moment, Shi Baomiao snorted angrily. As an elder, the disciple of Zhenyuan hall did have some mistakes. He was not good at attacking Ye Chen, but he looked at arbitrary Cang.

"Lord Wu, are the six schools so lonely? Even a servant of the six layers of heaven can enter and leave the six temples at will? How dare you be so presumptuous in the temple and hit people

"Lord Wu, if you don't give me an account of Zhenyuan hall today, I will never give up!"

As soon as Shi Baomiao said this, the faces of the elders of the six Taoism sects changed, and Shi Baomiao was aggressive. However, the strength of Zhenyuan hall was there, which left them helpless.

Even, people are beginning to worry, because ye Chen's reckless move, causing Zhenyuan palace to be angry with liudaozong, which will be a big trouble at that time.

"Ye Chen, you are too presumptuous. Is this where you can come? He dares to fight against the disciples of Zhenyuan hall and kneel down immediately to confess his guilt! "

"Yes, ye Chen, don't ruin our friendship for many years because of your nonsense. Confess your guilt quickly!"

Many elders can't help but yell at him at the moment. They don't want to be like this, but after all, it's for the sake of the clan. They are worried that ye Chen's move will lead to disaster, so that ye Chen can only be wronged.

But at the moment, ye Chen heard the elder's words, but he looked at Shi Baomiao.

"Elder Shi, the disciple is not a factotum, but the chief disciple of the six schools. Should there be no problem in entering the temple?"

As soon as this was said, Shi Baomiao and the disciples of Zhenyuan hall all looked strangely at Ye Chen.

"Chief disciple? The chief disciple of the six layers of heaven

Shi Baomiao and his disciples burst into laughter.

"When did liudaozong come to such an end that he let a mole ant from the heaven's realm be the chief disciple, Master Wu? This boy is not joking

Shi Baomiao laughs and laughs at arbitrary Cang and asks.

"What he said is true. Ye Chen is indeed the chief disciple of liudaozong."

Arbitrary Cang this facet color is indifferent, open a mouth to say.

However, a group of elders of the six Taoism sects felt that their faces were flushed and they were extremely humiliated. Ye Chen's realm was really low. The chief disciple of the six levels of heaven in the heaven God realm was going to be ridiculed by the whole region. At this moment, they also felt extremely ashamed.

At this time, ye Chen did not wait for them to open their mouth, then said: "and I teach this younger martial brother, is also out of the elder martial brother's responsibility, he exports not inferior, should be punished."

"That is to say, Zhenyuan hall and liudaozong are close friends. If I change places, I'm afraid this younger martial brother will be killed directly by Zhen. I punish him. In fact, I want to save him and let him know that he can't talk nonsense. Does elder Shi think I did something wrong?"

Ye Chen is the chief disciple of liudaozong, and the liudaozong and zhenyuandian are indeed close friends. Judging from the relationship between the two families, ye Chen and the chief disciple of Zhenyuan hall have the same seniority, and all the disciples in front of him can be called younger martial brothers.

Ye Chen's name is OK, but a group of disciples in Zhenyuan hall are very angry. Ye Chen is just a six layer heaven in the heaven God realm. His strength is extremely low. He is just a mole ant. He is called a younger martial brother by such waste firewood, which makes them feel ashamed.

At the moment, Shi Baomiao heard Ye Chen's words, but he showed a strange smile.

"Hehe, the chief disciple of Guizong is a man who knows the truth. I am confused about this matter."

"I don't know your name."

Shi Baomiao looks at Ye Chen and asks.

"My name is Ye Chen."

Ye Chen also replied politely.

Hearing this, Shi Baomiao smiles, "Ye Chen? It's true that liudaozong's vision is really good. I really admire Ye Chen's ability to pick out the chief disciple like Ye Chen! "

As soon as this was said, all the elders of the six Taoism sect were eager to get into the cracks in the ground. Some people looked at Ye Chen fiercely and wanted to expel Ye Chen to leave. Don't leave here again.

However, without waiting for the elders to speak, Shi Baomiao opened his mouth again.

Shi Baomiao looked at Ye Chen with a smile on his face. He was sincere and enthusiastic and said, "I came to liudaozong to invite your disciples to Zhenyuan hall. Since ye Chen is the chief disciple of liudaozong, why don't you come to Zhenyuan palace with us

"Ye Chen, you have also said that liudaozong and zhenyuandian are close friends. They have not been with each other for many years. You must lead a team to go there this time."

Hearing this, all the people of the six Taoism sects look strange. They all know what the purpose of Zhenyuan hall is. Ye Chen is not a fool. He has just beaten the disciples of Zhenyuan hall. How could he agree to go to Zhenyuan hall.

If it does go, it will be a sheep into the mouth of the tiger, find their own guilt.

At this time, ye Chen heard Shi Baomiao's words, but his eyes lit up, showing a look of joy. "Since Shi Changlao's kind invitation, how can ye Chen refuse? I will go to Zhenyuan hall on behalf of liudaozong." As soon as he said this, all the people in the six temples were stunned. Even Shi Baomiao, who had a sinister heart, looked stunned at the moment, and then reacted. Looking at Ye Chen's smile, his eyes were filled with cold.

"If you dare to beat the disciples of Zhenyuan hall, you dare to visit our Zhenyuan hall. The six Taoism sect is really lonely to the extreme. Even such a stupid chief disciple can be selected. When you come to Zhenyuan hall, I will make your life worse than death!"

Shi Baomiao roared with excitement in his heart.

At the same time, a group of six sect elders reacted, but all of them changed their faces. Some even couldn't sit still and stood up directly.

"Ye Chen, what are you talking about? This is a matter of two schools. Even if you are the chief disciple, it is not up to you to decide. The patriarch has already rejected it. Where do you come to make a fool of yourself?"

"Go out and discuss two important matters. What are you doing in the hall? Leave quickly!"

At the moment, a group of elders yelled, ye Chen went to Zhenyuan hall, not only to suffer humiliation, crisis, but also to lose the face of the liudaozong.

A chief disciple of the heaven and God realm is not enough to stay in the liudaozong. If he leaves the sect and makes a public appearance, it will make the liudaozong a laughing stock. This is something that the people of liudaozong can't accept.

"Patriarch, ye Chen is such a despicable boy that he acts recklessly. I suggest that he should be deprived of his position as the chief disciple and be expelled from the hall and suppressed in the dark cloud cave!"

At the moment, Zhou ban also suddenly got up and said that he had a sinister heart and wanted to take the opportunity to erase Ye Chen.

Hearing Zhou Ban's words, the elders were shocked.

It doesn't matter to deprive the chief disciple of his position. They don't want Ye Chen to be the chief disciple, but the black cloud cave is different.

Heiyun cave is a forbidden place left by the patriarch in those years. It is specially used to imprison the traitors of the clan. It is an extremely terrible place.

Anyone who is suppressed in the dark cloud cave will be tortured and will never be able to escape. It is a hell without an end. Zhou Ban's punishment is too heavy.

Chapter 3700

At the moment, Shi Baomiao looks strange and looks at the scene on the temple. It's good for ye Chen to go to Zhenyuan hall. They can humiliate liudaozong again.

However, Shi Baomiao was very happy to see the six way Temple because of the quarrel. When he came back to Zhenyuan hall, he told his colleagues that he was very happy.

But at this time, the hall is noisy, arbitrary Cang heard Ye Chen promised to go to the Zhenyuan hall, but also slightly changed his face, his eyes flashed a faint worry.

"Enough! Shut up

Wu Duan Cang suddenly opened his mouth and cheered. His momentum broke out and swept the whole hall. Even Shi Baomiao was stiff. He felt the mighty and powerful pressure of Wu Duan Cang.

"It's not proper to quarrel in the temple like this!"

Arbitrary Cang said coldly, and then looked at Ye Chen, "Ye Chen, Zhen Yuan Temple and the matter of the six masters, but you can't intervene, and now leave immediately."

Hearing this, ye Chen shook his head, and then said, "Lord, Zhenyuan hall and my six clans have been friends for many years, so let me go there once."

"Presumptuous, you dare to question my words!"

With a cold face, the arbitrary Cang raised his hand abruptly, and the violent force of silencing the sky swept over him. He wanted to force Ye Chen away from the hall.

But at this time, a magnificent momentum suddenly burst out, and then a figure suddenly appeared in the hall, let arbitrary Cang put down his hand.

"Elder Taishang."

Arbitrary Cang looked at the old man, and his eyes were surprised.

"See elder Taishang."

At the moment, a group of six sect elders also salute respectfully. Even if Shi Baomiao, who is full of arrogance, is honest and respectful at the moment. Zhou Jiutong is one of the real foundation of the six Taoism sects, and also an extremely powerful existence. Even he dare not disrespect him.

At this moment, Zhou Jiutong stands on the hall and gives Shi Baomiao a cold look, which makes him stiff. He feels cold all over, just like falling into an ice cave.

Then, Zhou Jiutong looked at Wu duancang and said, "Since ye Chen wants to go, let him go."

"Elder Taishang, this

Wu duancang heard this, but his eyes flashed and he didn't understand the meaning of Zhou Jiutong.

The arbitrary Cang does not want to let Ye Chen go. In fact, he is not afraid that ye Chen will lose the face of liudaozong, but is worried about ye Chen's safety.

Ye Chen is gifted. If he is found out after going out, he may cause numerous crises.

However, he regarded Ye Chen as the hope of the rise of liudaozong. Of course, he did not want Ye Chen exposed to such a crisis, so he did not want to let Ye Chen go.

And arbitrariness Cang also knows that Zhou Jiutong should also know ye Chen's talent, otherwise he won't regain his vitality because of Ye Chen. How dare Ye Chen go to Zhenyuan hall at this moment.

Looking at each other, Zhou Jiutong saw the worry of arbitrariness Cang, but gave him a reassuring look in his eyes, "he wants to go, so go."

Zhou Jiutong said again.

"Well, now that you have said so, let it be."

Arbitrariness Cang nodded and then looked at Ye Chen, "in this case, you are ready to go to the town Yuan palace with elder Shi."

After saying that, the arbitrariness Cang's eyes flashed and he couldn't help shouting: "Ye Chen."

"The disciple is here." Ye Chen looks at the eyes of arbitrariness Cang and frets in his heart.

"Remember, we are friends of the world. When we get to Zhenyuan hall, we must talk and do things carefully. Don't spoil the friendship between liudaozong and Zhenyuan hall."

Hearing the speech, ye Chen heard the deep meaning between the arbitrary Cang words, and nodded solemnly, "I understand."

At the moment, a group of elders looked at the sudden appearance of Zhou Jiutong. They were all surprised. They didn't understand why the elder Taishang wanted to do this. Let Ye Chen go to Zhenyuan hall, but did he lose the face of liudaozong?

The people of Zhenyuan hall, seeing the elder of the supreme emperor, showed up and allowed Ye Chen to go. It was a firm decision, and Shi Baomiao was smiling.

"In this case, we left first and returned to the sect ahead of time, so that the patriarch could prepare a ceremony to welcome Ye Chen in advance."

Shi Baomiao shows a sinister smile and looks at Ye Chen with profound meaning.

"That's very good. Thank you very much."

Ye Chen imitates if do not feel, return very polite salute to say.

"Ha ha, easy to say!"

Shi Baomiao laughs on the surface, but he whispers in his heart. Does Ye Chen really think we want to welcome him? Wait until the town Yuan hall, I want to let you know what is cruel!

Under the guidance of Shi Baomiao, the people of Zhenyuan hall, who are full of intrigue, leave. However, Wu Duan Cang looks at Ye Chen and asks Ye Chen to go back to Huangquan peak for preparation. He goes to Zhenyuan Hall three days later.

When Ye Chen returned to Huang Quanfeng, the news that he would go to Zhenyuan Hall three days later had already spread through the whole clan. At the moment, Liu Yunmiao was standing in front of the gate of the main hall, while Yang Qianyu was standing beside him.

"Elder martial brother, how can you agree to Zhenyuan hall? If you go to Zhenyuan hall, they will humiliate you crazily and even make you fall in Zhenyuan hall." Liu Yunmiao saw Ye Chen and said eagerly, his face full of worry.

"Yes, elder martial brother, you are too reckless. I know that you are dissatisfied with the practice of Zhenyuan hall in recent years. But now the decline of Liudaozong is not the opponent of Zhenyuan hall. We can only bear it."

Yang Qianyu is also shaking his head at the moment, some helpless said, he felt that Ye Chen's move was too impulsive.

"Endure?"

Ye Chen heard this, the corner of his mouth curled up a radian, "humiliated by a small town Yuan palace, is this the style of my six dao宗? Maybe it used to be, but since I'm here, I won't allow them to be presumptuous

As soon as ye Chen said this, Liu yunmiao and Yang Qianyu were slightly stunned, and their eyes lit up with light. Then they became dim and shook their heads.

Although Ye Chen's impassioned words also made them feel excited, but today's liudaozong is not the opponent of Zhenyuan hall. Now there is a talented Saint named fengyusi in Zhenyuan hall, which has infinite scenery in the whole moon soul area.

"Don't worry, Zhenyuan hall and I will be OK, let alone fall."

At the moment, ye Chen patted two people on the shoulder, and then the main hall door opened, "there are three days left, I also want to prepare."

When ye Chen and Liu yunmiao enter the huangquan hall, there are only two people left in the six way temple.

Wu Duan Cang and Zhou Jiutong sat face to face, but their faces were dignified and their brows were locked.

"Elder Taishang, you should be aware of the importance of Ye Chen. He is extremely gifted. If there is any accident when you go to Zhenyuan hall now, it is definitely the loss of my liudaozong."

Arbitrariness Cang looked at Zhou Jiutong reluctantly. He really couldn't understand why Zhou Jiutong would let Ye Chen go to Zhenyuan hall.

But at the moment, hearing the arbitrary Cang words, Zhou Jiutong's mouth is a touch of arc, and his eyes are deep in the direction of Huang Quanfeng.

Of course, Zhou Jiutong knows the importance of Ye Chen. Ye Chen is the most important person in the whole six Taoism sect.

But it is precisely for this reason that Zhou Jiutong respects Ye Chen's decision. Since ye Chen wants to go to Zhenyuan hall, he agrees.

"Don't worry."

Zhou Jiutong looked at arbitrariness Cang with a smile. His two long eyebrows fluttered in the air. "Ye Chen, this boy, is an air carrier. He will be OK. It is impossible for Zhenyuan hall to see that ye Chen's talent is extremely high."
