Chapter 4321

Ye Chen's eyes flashed for a moment and said, "you can rest assured that as long as you give me this quota, I will naturally help you at the ceremony."

To tell the truth, he is not happy, if not because Zhang Heng has been pulling him, he would have left directly.

"You? Help me? " This time, Zhang Fengxi laughed and sneered, "what strength do you have to help me? Confidence is a good thing, but don't look down on yourself

Ye Chen smell speech, look completely gloomy down, what strength?

Hehe, it's no exaggeration to say that with his current strength, crushing Zhang Fengxi is enough.

As soon as he turns around, he will leave regardless of Zhang Heng's obstruction.

Ye Chen has no interest in being ridiculed.

But at this time, Zhang Fengxi's beautiful eyes suddenly flickered for a moment, and said, "well, since you are so sure, I will give you this opportunity."

Ye Chen smell speech, swept Zhang Fengxi one eye, how suddenly agreed?

At this time, Zhang Heng's face was full of joy and said: "brother ye, Miss agreed. Thank you very much."

Ye Chen arched his hand and said, "thank you very much, Miss Zhang."

Then, he followed Zhang Heng out of the hall and went to the temporary residence.

Zhang Fengxi looked at Ye Chen with a trace of aloof background. In her beautiful eyes, she flashed a funny smile and said, "I don't know tomorrow, can you be so arrogant?"

The reason why she took Ye Chen to attend the ceremony of the Yin Temple was very simple.

There are two big families in Yincheng, one is their Zhangjia family, the other is Xu family.

But Xu Fengyun, the eldest young master of the Xu family, has always been entangled with Zhang Fengxi. However, Zhang Fengxi has a high vision and has no meaning to Xu Fengyun. Therefore, Xu Fengyun's behavior not only does not get Zhang Fengxi's favor, but also makes Zhang Fengxi rather bored.

Even tomorrow, Xu Fengyun will go to the Yin Temple to attend the ceremony with them, which makes Zhang Fengxi extremely dissatisfied.

However, the Xu family and the Zhang family are close friends. The elders of the two families are extremely close. Zhang Fengxi is not good at directly sweeping Xu Fengyun's face and has no contact with him at all

So she came up with a good idea.

That is, pull a person to become an obstacle, block between Xu Fengyun and himself!

This person can't be from Zhangjia. After all, Xu Fengyun won't believe it.

Secondly, the children of Zhangjia dare not offend Xu Fengyun.

So, this guy named Ye Chen, isn't it just right?

Zhang Fengxi's mouth with a smile, to Ye Chen this kind of character which nobody put in the eye, estimated that tomorrow has a good play to see.

Of course, ye Chen's fate will not be very good.

Xu Fengyun is the origin of the two layers of heaven, any breath can take ye Chen's life, ye Chen is so proud, to Xu Fengyun is just looking for death.

As for ye Chen, can he fight beyond the level?

Hehe, can we go to Yueyuan?

Xu Fengyun taught her a lesson.

However, Zhang Fengxi is not so cruel, will not really let Ye Chen die in Xu Fengyun's hands.

On the contrary, ye Chen after this polishing, if his mind has changed, he can be recruited to Zhangjia and cultivated well.

After all, Zhang Fengxi recognized Ye Chen's qualification.

The next day, in the main hall of Zhangjia.

An old man with white hair and thin face, but full of bright eyes, is sitting on the main seat with a smile on his face.

And below, there are five people.

Four men and one woman.

The old man's eyes fell on the beautiful woman, and his eyes were full of love and pride.

This old man is Zhang Fengxi's great grandfather. The Zhangjia family advocates the open channel, which is the origin of the construction!

It's no wonder that Zhang Mingqu looks so good. Zhang Fengxi is indeed the pride of Zhangjiakou!

Congenital ghost cultivation is rare in the semi underworld, which can be said to be superior. Zhang Fengxi, in the congenital ghost cultivation, is also the ultimate genius!

With Zhang Fengxi, Zhangjia will rise!

And the ceremony of entering the temple of Yin may be the starting point of the rise of Zhangjia!

The four men in the hall, the other three, were all dressed in uniform clothes. Only one young man was wearing a black robe, which was very rare in the middle of the underworld.

This person, of course, is Ye Chen.

The other three children of Zhangjia, looking at Ye Chen, are not very good-looking.

These three people are heaven and earth nine layers of existence, they do not know, why Miss would choose an outsider, or mend the sky three layers of outsiders!

There are many places in zhangjiake, and even the children of banbu Shiyuan are looking forward to this opportunity!

After all, although their main task is to assist Zhang Fengxi, they also have a chance to join the Yin Temple, which may change their lives!

In order to get this quota, they have been preparing for it a long time ago. But now, a punk who comes out of nowhere, has got a chance so easily? This really upset the children of Zhangjia.

Or jealous.

Zhang Mingqu smiles at Zhang Fengxi and asks, "Fengxi, what's your goal in this ceremony of Yin Temple?"

Zhang Fengxi's pretty face was full of solemnity and said, "before 139!"

Zhang Mingqu hears the speech and his eyes are bright!

The Yin Temple is divided into three halls!

They are the hall of Yin, the hall of death, and the hall of the dead!

The Yin hall is equivalent to the outer courtyard of a common sect. Its disciples are the most common in the Yin Temple. They are not only far inferior to the other two courts in terms of martial arts training resources, but also undertake many chores in the hall.

The hall of death is equivalent to the inner courtyard. These disciples can be regarded as the mainstay of the Yin Temple. Their martial arts training resources have been greatly improved. Moreover, they can concentrate on cultivation without paying attention to any chores.

As for the disciples of the underworld hall, they are all real elites!

Most of the martial arts resources of the Yin Temple are devoted to them, and all kinds of unique skills are unconditionally open. The most important thing is that the disciples of the hell hall can get the chance to enter the holy land of praying for the underworld and understand the stele connecting heaven and hell!

Although there is little chance to get a unique inheritance from tongtianming stele, most ghost practitioners can gain something as long as their qualification reaches a certain level!

According to legend, there is a temple above the temple of the underworld. There are only a few people in this temple. They are placed in the whole half of the underworld and can be listed as the ultimate ghosts and demons!

There has always been a rule in the ceremony of Yin Temple. There are 30000 disciples participating in the ceremony, but only the top 1000 can be admitted!

These 1000 people are naturally gifted!

However, the 1000 new disciples did not join the same hall!

Most of the disciples can only enter the hall of yin and become laborers. If they want to be promoted, they have to deal with the chores and practice hard and wait for the promotion ceremony. This promotion ceremony is also very difficult, and very few people can pass each time.

Chapter 4322

In the ceremony, the ghost monk ranked the top one hundred and thirty-nine can join the death hall directly!

This is basically the best treatment that new disciples can get!

However, there are exceptions!

According to the legend, the first disciple in the ceremony, if his talent is good enough, he may directly enter the temple of the underworld!

This is really flying!

However, the probability of such a good thing is extremely low. It is said that it will only occur once a million years.

It can be seen that if you want to directly enter the temple of the underworld, how strict is the qualification requirement!

Almost just a luxury!

Although Zhang Fengxi is proud, she still has self-knowledge. Therefore, her goal is only the top 139!

Hearing this, Zhang Mingqu stroked his beard and said with a smile: "good, good, worthy of being the son and grandson of my family."

Just then, outside the hall, there was a shout and a drink: "all the Xu family are here!"

All of a sudden, a group of people appeared at the gate of the hall and walked in slowly.

The first one is a red faced old man, who is the head of the Xu family, named Xu Dan! His cultivation is also the origin of six layers of heaven.

Behind Xu Dan, there are several nameless young people, among them, a young man with a heroic face, a green robe and a bright sword hanging around his waist, which is the most eye-catching!

This young man, more than 300 years old, has been the origin of a layer of heaven!

Although talent is worse than Zhang Fengxi, it is also extremely frightening!

This man, Xu Fengyun, is also a congenital ghost cultivation.

Xu Xi's eyes are full of heat!

Xu Shan smiles at Zhang Mingqu and says, "brother Mingqu, you are all right."

As he spoke, he glanced at Zhang Fengxi, and a touch of shock flashed in his eyes. He said, "I haven't seen you for three months. It seems that Fengxi has made great progress in ghost road?"

Step into the original state, progress can be so rapid?

Zhang Mingqu was pleased with his words, but he said modestly: "it's just a little progress. Fengxi is too young, and his strength is not as good as the wind and cloud. On the ceremony of the Yin Temple, I hope that Fengyun will take care of Fengxi more. Young people can take advantage of this opportunity to enhance their feelings with each other."

Xu Shan hears the speech and nods with a smile.

Xu Fengyun was more excited: "old master Zhang, Fengyun should do his best to protect Fengxi!"

Zhang Mingqu's words are obviously a kind of support for himself!

It seems that Zhang Jia is satisfied with himself!

But Zhang Fengxi hears speech, facial complexion is cold one minute.

She doesn't like the elders to decide for themselves who they should be with in the future!

Xu Fengyun looks at all the people in Zhang Jia, and looks at Ye Chen more than twice, and a trace of doubt flashes in his eyes.

How come there are three layers of sky mending guys here?

However, he did not say much, but said: "this ceremony of Yin Temple, I hope you all work together. As long as you follow my command, I can assure you that not only Fengxi, but even you, will have the opportunity to join the Yin Temple."

Hearing the speech, the children of Zhangjia were all overjoyed and said in a loud voice, "yes! We are willing to follow Mr. Xu's command! "

Ye Chen and Zhang Fengxi don't think so. Xu Fengyun looks like a leader when he comes up, which makes people uncomfortable.

See ye Chen did not answer, Xu Fengyun's eyes more cold a minute.

Soon, they left Zhang's house and headed for the Yin Temple.

Yin Temple is not too far away from Tianyin city. It takes about one day to get there.

Before going out, a man appeared in front of everyone. It was Zhang Heng.

Ye Chen's eyes flashed: "brother Zhang?"

Zhang Heng said with a smile to Ye Chen: "brother ye, on the ceremony, our young lady will please."

Ye Chen looked at Zhang Heng unexpectedly, nodded his head and said, "brother Zhang, don't worry. What I promised will be done naturally."

He didn't expect that Zhang Heng really thought he could help Zhang Fengxi?

After all, on the surface, he only had to mend the sky for three times.

Zhang Heng's eyes twinkle, his qualifications are very general, and, just a ghost cultivation after tomorrow, but Zhang Heng is confident in his own vision.

Ye Chen's performance along the way gave him an extremely mysterious feeling. Moreover, his indifferent attitude towards Zhang Fengxi and even the open channel made Zhang Heng unable to ignore.

And the most important point is that although Ye Chen's soul body is extremely pure, it does not have the unique congenital Yin Qi breath of congenital ghost cultivation!

That is to say, ye Chen is a ghost cultivation the day after tomorrow!

What's more, in his twenties, he was able to fill the sky with three layers of heaven, and he also had the ability to jump over the level and start fighting?

This is more incredible than Zhang Fengxi's qualifications! Others ignored all this because of Ye Chen's cultivation, but Zhang Heng didn't!

Experience tells him, ye Chen is not an ordinary ghost repair!

In fact, the force may exceed everyone's imagination!

At this time, Xu Fengyun's face changed. He stared at Zhang Heng with a cold face and said, "please him? A ghost cultivation after the day of mending the sky? Are you kidding? "

Zhang Fengxi is the woman whom Xu Fengyun looks after. Moreover, when he is present, he does not ask himself, but asks for a mending the sky?

It's too much for him!

Zhang Heng's face changed and he was about to explain something.

Xu Fengyun has already looked at Ye Chen: "boy, what did you promise?"

Ye Chen looked at Xu Fengyun faintly. Before waiting for him to open his mouth, Zhang Fengxi suddenly blocked in front of Ye Chen and said with a smile to Xu Fengyun: "what did you promise? Brother Ye Chen, but he promised to take care of me at the ceremony. Xu Fengyun, don't annoy brother Ye Chen like this. I'm afraid that your fate will not be very good. "

She specially in take care of two words, accentuated the tone!

When people heard the speech, they were all in a daze!

Who did not expect, always proud Zhang Fengxi will say such a thing!

Ye Chen, brother?

Take care of it?

Moreover, listen to the meaning of Zhang Fengxi's words, as if ye Chen is stronger than Xu Fengyun!

"Well?" Ye Chen looked at Zhang Fengxi with some dullness. When he looked at Zhang Fengxi's slightly playful eyes, his face was heavy!

He knew that Zhang Fengxi was attracting hatred for him!

What's wrong with this woman?

Although Ye Chen is not afraid of Xu Fengyun, he has no interest in being a gunner. Zhang Fengxi doesn't like Xu Fengyun. What does Ye Chen have to do with him?

Pull yourself out to block the bullet?

All of a sudden, ye Chen's attitude towards Zhang Fengxi changed from indifference to disgust.

If it wasn't for Zhang Heng's relationship, he would have slapped Zhang Fengxi in the face now!

Don't look at Zhangjia, there is Zhang Mingqu in charge. If ye Chen is really annoyed, he wants to kill everything!

Chapter 4323

What's more, although he has only the strength at the early stage of Shiyuan and may not be Zhang Mingqu's opponent, he has no problem in escaping.

For Zhang Jia, ye Chen really has nothing to fear!

Sure enough, Xu Fengyun looks at Ye Chen's eyes, and suddenly bursts out a obliteration!

Anger all over the face!

Even a congenital ghost repair is not a waste, also dare to rob a woman with himself?

The key is that Zhang Fengxi even thinks that he is not as good as this trash?

What kind of infatuation did this boy give Zhang Fengxi!

Just when he was ready to attack, a pretty woman beside him pulled his sleeve.

This woman is also the posture of Qing Guo, although not comparable to Zhang Fengxi, but also extremely beautiful.

She is Xu Fengyun's sister, Xu Baohui.

Xu Baohui said in a low voice: "brother, don't worry. If you do something to this boy now, it will only make sister Fengxi dissatisfied. When it comes to the ceremony, are you afraid you won't have a chance? What's more, although the boy cheated sister Fengxi, he has no comparability with you at all and has no threat to you. "

When Xu Fengyun heard the speech, his face gradually eased down. He looked at Ye Chen with disdain and said with a smile, "I'm looking forward to how Mr. Ye takes care of Fengxi."

After that, he snorted coldly, walked forward and boarded the boat.

Although Xu Fengyun likes Zhang Fengxi, he also wants face saving. Zhang Fengxi called out other men's brothers just now. If he pastes them up, he will be a little humble.

Therefore, he kept a certain distance with Zhang Fengxi for the time being.

Zhang Fengxi saw that the goal had been achieved, and a touch of joy appeared on his pretty face.

They boarded a huge white flying boat. The boat trembled and turned into a white light, shooting towards the direction of the Yin Temple!

One day later, a huge mountain forest appeared in front of everyone. The mountain forest, named Wanyin mountain, belongs to one of the properties of the Yin Temple. However, the Yin Temple is not here.

The most important function of Wanyin mountain is to serve as the ceremony site of Yin Temple!

At this time, Xu Fengyun suddenly came towards Ye Chen.

Xu Fengyun looked at Ye Chen and said, "Ye Chen, right? I heard that you are going to take care of Fengxi in the ceremony of Yin Temple?"

Ye Chen glanced at him and said, "not bad."

Xu Fengyun looks heavy, the boy really admitted in front of himself?

He said coldly: "ha ha, you are quite confident. Take care of Fengxi? Do you have that strength? "

Ye Chen indifferent way: "have."

Xu Fengyun said with a smile: "OK, you are confident enough. Do you know that the ranking of the ceremony of the Yin Temple can also be wagered?"

"Well?"

Bet? This makes Ye Chen a little curious.

Xu Fengyun threw a jade card to Ye Chen and said, "have a look."

Ye Chen sinks his mind into it, and his face moves. The jade card records the information of the contestants.

Of course, the record is not everyone, but some people with superior qualifications who are expected to enter the top 139. Among them, there are also the names of Xu Fengyun and Zhang Fengxi!

However, what attracts Ye Chen's attention is several other names.

Yao Jiuxing is one of the most popular winners. He is 196 years old. He was born in Cang Ming sea. He was born in Cang Ming sea. He had nine star soul body. His cultivation started from three levels. He didn't make many moves. He was extremely arrogant. It is said that his strength is far beyond the realm!

Sihuai, one of the top three hot spots, is 175 years old. He was born in the burial Soul Valley. He was born in the ghost valley. He mastered the killing prohibition method of the ancient evil ghost cultivation. He was extremely bloodthirsty. He cultivated for the three levels of heaven in the origin realm, and his strength was far beyond the realm. He once killed the four layers of heaven in the Shiyuan state.

Yin Su Ling is one of the top three hot spots. She is 19 years old and has an unknown origin. She is born with ghost cultivation. She is extremely talented. At the age of 19, she already has three levels of heaven cultivation. She often wears a veil and is said to be beautiful.

.....

Ye Chen's goal is to directly enter the temple of the underworld. Then, at least he should get the first place in the ceremony. To be honest, Xu Fengyun, Zhang Fengxi and others did not pay attention to him. Those who really threatened him were the top few.

And after the names of these people, there are some odds information.

Xu Fengyun sneered: "Mr. Ye, you should not have your name on it? But since you are so confident, do you dare to bet with me? "

When people heard this, they all looked at Ye Chen with some schadenfreude. What did a mending heaven existence take with Shiyuan existence?

In any case, there is no chance to win. This boy was targeted by Mr. Xu!

Hehe, but who can blame?

Didn't he just say that he could take care of Zhang Fengxi?

Now, watch him step down!

Originally, people thought Ye Chen would be hesitant and silent

But who knows, ye Chen unexpectedly is direct answer way: "can, gamble what?"

This time, even Xu Fengyun is slightly stunned. However, soon he is a cold smile: "bet you my ranking, who is high who is low, how?"

Ye Chen said: "OK, what should I do if I lose?"

Xu Fengyun flashed a cruel color in his eyes and said: "ha ha, it's very simple. If you lose, you will admit that you are a waste. If you give it to the other party, you will kneel down and apologize, and you will break your hand. How about it?"

Zhang Fengxi heard the speech and frowned. Xu Fengyun was a little too cruel!

The rest of them are more and more interested.

Ye Chen deeply looked at Xu Fengyun and said, "good."

Xu Fengyun hears the speech and laughs. His eyes are full of contentment. It seems that he has seen Ye Chen kneeling for mercy.

Zhang Fengxi, on the other hand, looks at Ye Chen with a little disappointment.

This guy, too arrogant, too inconsiderate, can promise anything?

If he refuses, he can still speak out to defend him, but ye Chen directly agrees to come down, Zhang Fengxi also has no way.

At this time, the boat finally stopped, Wanyin mountain, arrived!

Ye Chen and others get off the boat and follow the steps at the foot of the mountain and go up to the mountain. If they want to climb the Wanyin mountain, they can only walk along the steps, and are forbidden to fly in the air. Otherwise, they will be regarded as unable to help the Yin Temple.

When they come to the place where people gather, they will open up a lot of people!

All of a sudden, there was a commotion among the ghosts, and many of them stepped out of the way. A man in a black robe, with a pale face, a pair of lips but extremely bright red, with disordered white hair, closed eyes and a strong evil spirit all over his body, came slowly.

Many people look at the man with a look of great fear. This man is the Sihuai from the funerary Valley!

The so-called killing prohibition method is a kind of extremely evil method. It can improve one's strength by killing life. Although the strength is greatly improved, eventually, the practitioner will become a devil who only knows how to kill!

Chapter 4324

Xiao shuihan's way of killing in the heaven prison is similar to his way of killing.

There was once a ghost cultivation who practiced this method, which even posed a very serious threat to the whole half of the underworld. Although the ghost cultivation was eventually killed, the powerful people at that time also realized the horror of the killing prohibition law and jointly waved away the inheritance of the forbidden law.

Unexpectedly, this should be lost killing ban law, but appeared in Sihuai's body!

Xu Fengyun said in a low voice to Zhang Fengxi: "Fengxi, this is Sihuai. If you meet him in the ceremony, run away immediately! If you can't escape, you can meet any of his requirements. There must be no resistance. Otherwise, you will die in agony

Zhang Fengxi smell speech, did not speak, look at Xu Fengyun's eyes but increasingly cold up.

With her pride, she would rather die than bow down and give in.

Xu Fengyun's approach may be rational and the best choice, but from the perspective of martial arts, Zhang Fengxi felt disdained!

Compared with, she prefers the kind of pride of Ye Chen!

At this time, there was a cry of surprise among the crowd. All the people who had paid attention to Xu Fengyun all looked in another direction. There, a young man in white robe, sword eyebrows, bright eyes and elegant temperament came.

Xu Fengyun's face moved, and his eyes were bright and said, "it's Yao childe!"

He looked at Zhang Fengxi, with a hint of ostentation on his face. He said, "Fengxi, that's Yao Jiuxing. Let's meet him and have a few greetings."

When the three children of Zhangjia heard the speech, they all looked shocked and exchanged greetings?

Yao Jiuxing is a kind of evil spirit. You can't talk to me at will!

Unless

They looked at Xu Fengyun in disbelief and said, "Mr. Xu, do you know Master Yao?"

That's nine stars!

Splendid nine stars!

Xu Fengyun knows him?

To be able to recognize the nine stars is a kind of glory in itself!

Xu Fengyun said with a light smile: "yes, by chance, I had a few cups of wine with Yao Gongzi, which can be regarded as friends."

For a while, Zhang's children's eyes toward Xu Fengyun changed a little, and became reverence from bone marrow!

Even Yao nine stars all know, follow Xu Fengyun, that's right!

Xu Fengyun naturally noticed the changes and became more proud. However, ye Chen and Zhang Fengxi looked as usual.

They are not the kind of personality that likes to please others.

Seeing this, Xu Fengyun frowned slightly and said, "why, Fengxi, this is a good opportunity to get to know Mr. Yao. We may be able to make an impression on him. We may have a lot of success in the ceremony."

The content of their ceremony is to hunt and kill ghosts and demons in Wanyin mountain. However, as everyone knows, what is more dangerous than the ghosts who have no sense but only know to kill is the ghost monks who refer to them together!

And this ceremony, Yao nine stars is almost the first in people's eyes!

Is the existence that nobody dares to provoke!

Now, as long as they can talk to Yao Jiuxing, many of the participants in the ceremony will be afraid of Yao Jiuxing, and they should think about it before they do anything to them!

If they only have something to do with Yao Jiuxing, their ceremony will be much more smooth!

This evil spirit, is against the heaven to such a degree!

Although Zhang Fengxi didn't like it, he thought about the result of the ceremony and couldn't help thinking about it.

At this time, the children of Zhangjia also began to persuade him: "Miss, let's go to meet Mr. Yao?"

"Yes, it might save us a lot of trouble."

"If you get Yao's permission, and you can follow him, no one dares to attack us!"

To tell you the truth, the most important thing for the children of Zhangjia is safety. Even if they join the Yin Temple, they will only join the hall of Yin at most. There is no need to work so hard.

And Yao Jiuxing is a talisman!

Xu Baohui is looking at the yaojiuxing at the moment, and her beautiful eyes are going to flow honey. Many women present are in the same state as her. Yaojiuxing is the perfect embodiment in the minds of many half dead women!

At the moment, she can't wait to talk to Yao Jiuxing. She says anxiously, "Fengxi, just say hello. It won't take much time. Hurry up. I heard that master Yao is very diligent. If you start to practice, I won't be able to disturb him any more..."

The Xu family and Zhangjia are together. If the Xu family goes alone, it is not very good.

Zhang Fengxi smell speech, finally nodded: "OK, go to say hello."

Xu Fengyun a joy, then with the crowd toward Yao nine star.

However, ye Chen stayed in place, without any action.

Seeing this, Xu Fengyun sneered and said, "you know yourself a little bit!"

In his opinion, ye Chen is because his strength is too rubbish, dare not appear in front of Yao Jiuxing.

Xu Fengyun said with a smile to Yao Jiuxing: "Yao childe, long time no see, you also come to attend the ceremony of Yin Temple." Yao Jiuxing glanced at Xu Fengyun and said, "you are Xu Fengyun of the Xu family? Last time, it was good. "

When Xu Fengyun hears the speech, he looks excited. Yaogong really remembers himself!

The ghost Xiu who attended the ceremony nearby was surprised and cast envious eyes at Xu Fengyun and others.

Xu Fengyun said respectfully: "Yao childe, we come to say hello to you."

Xu Baohui said with a bashful face: "Yao childe, I am Xu Baohui of the Xu family. I have admired you for a long time."

Her voice trembled a little. How excited she was!

Zhang Fengxi is insipid: "Zhangjia, Zhang Fengxi met Yao childe."

When Yao Jiuxing heard the speech, he looked at Xu Baohui and Zhang Fengxi. His eyes swept away from Xu Baohui and fell on Zhang Fengxi. A touch of interest appeared in his eyes.

Although Xu Baohui is beautiful, it's just so for him, but Zhang Fengxi is better than Xu Baohui in appearance, and his cool temperament also attracts men's attention.

Moreover, Zhang Fengxi's qualification also makes Yao Jiuxing appreciate quite.

Seeing this, Xu Baohui's beautiful eyes darkened. She looked at Zhang Fengxi and saw the color of jealousy on her face.

Xu Fengyun is a little flustered!

He is very clear about Yao Jiuxing's eyes. What does it mean? He is clearly interested in Zhang Fengxi!

For a while, Xu Fengyun's face became pale. He liked Zhang Fengxi very much. However, if Yao Jiuxing wanted her, Xu Fengyun did not dare to say a word more!

Disobeying the nine stars?

That's more terrible than suicide!

Not only did he not dare to say anything more, he even had to push Zhang Fengxi into Yao Jiuxing's arms

Yao Jiuxing looked at Zhang Fengxi and said with a smile: "Miss Zhang, I need a person to accompany me at the ceremony. Are you interested?"

The whole square seems to be quiet as soon as this is said!

Ninety nine percent of the ceremony participants looked at Zhang Fengxi with great admiration and followed Yao Jiuxing. This is an opportunity to ascend the sky one step at a time! At least, there is an absolute guarantee of safety!

Chapter 4325

Especially those women, their eyes have emerged anxious color, want to answer for Zhang Fengxi!

If you are taken in by Yao Jiuxing

Think about it, they are all going to die happily!

Even if Yao Jiuxing doesn't really like them, just want to play, is also a kind of honor!

Speaking out, I don't know how many women will die in the underworld?

However, people can't believe that Zhang Fengxi was silent!

Didn't you promise to honor nine stars immediately?

Many people look at Zhang Fengxi's eyes with a touch of gloom. Is this woman stupid?

Not yet?

Don't be afraid to change your mind?

Especially Xu Baohui!

She looked at Zhang Fengxi coldly. If it was not Zhang Fengxi, she would be the one invited by Yao!

Can this Zhang Fengxi, took away his own opportunity, but also a pair of pinched appearance?

What is this woman pretending to be?

Yao Jiuxing was also a little surprised, but he was not angry and said with a smile, "are you worried about the ranking? Don't worry. Follow me. I can make sure you're in the top 139. "

A group of ritual people, once again a sensation!!!

Yao Jiuxing, this is equivalent to directly send that woman into the palace of death!

If this still does not agree, that Zhang Fengxi really damn ah!

Even ye Chen felt that Zhang Fengxi would agree. He was very clear about how eager Zhang Fengxi was for the top 139.

The conditions are really good. The safety and ranking are guaranteed.

However, at this time, Zhang Fengxi was smiling at Yao Jiuxing and said, "thank you for your kindness. However, I want to try this ceremony myself."

Zhang Fengxi, unexpectedly refused Yao Jiuxing's invitation!

Xu Fengyun's face showed a look of panic. Yao Jiuxing is a genius that can't be refused. Zhang Fengxi will kill them if he does this!

Sure enough, Yao nine stars smell words, look is slightly heavy!

Xu Fengyun's eyes trembled. Although he knew very well what it would mean to let Zhang Fengxi accompany Yao Jiuxing, and he, who liked Zhang Fengxi, was extremely unwilling to accept such a thing, but

No matter how good a woman is, life is not important!

"Fengxi," he said in a frightened voice, "Fengxi, how can you refuse such a kind offer from young master Yao You Promise him

Xu's eyes were filled with sadness!

On her pretty face, there is an undiscovered sense of disgust. This Xu Fengyun bone is really soft to the extreme. Before, she still liked herself. Now, in front of Yao Jiuxing, she has sent out the person she likes?

This kind of person makes her feel sick!

Zhang Fengxi did not hesitate to turn around and leave.

Ye Chen is quite surprised to see Zhang Fengxi, but he did not expect that this woman should be so proud.

At this time, Yao Jiuxing said again: "thirty."

People smell speech, a little puzzled to look at Yao nine stars, what do these 30 names mean?

Yao nine stars light way: "I let you into the top 30, stay, accompany me."

He wants to get things, never can not get, women are no exception!

Originally, he was only interested in Zhang Fengxi, but from the moment Zhang Fengxi refused him, Yao Jiuxing must get Zhang Fengxi!

Take a breath, people breathe!

The top 30 have a chance to be chosen as their disciples by the elders of Yin Temple!

Yao Jiuxing is indeed the most popular evil spirit to win the championship. He promised others casually for the place they were fighting for!

Those women whose faces were originally ironic had a smile!

They looked at Zhang Fengxi coldly and scolded: "it's so deep in my mind. Why did she refuse to be a master Yao? It turns out that she is waiting here?"

"Ha ha, a pure jade girl's appearance, the original method is so clever?"

"It's hard to get. It's so beautiful to play. I don't know how many men have fallen into her hands..."

Zhang Fengxi heard the speech, but did not show any joy, beautiful eyes on the contrary more indifferent, light way: "Yao childe, don't tease me, Fengxi can handle the ceremony itself."

She turned down Yao Jiuxing again!

If you're already out of it, raise the price?

Zhang Fengxi didn't like the feeling of being treated as an article and trading.

This, to the proud woman, is an insult.

This time, Yao Jiuxing's look was finally completely gloomy. His figure flashed, and instantly blocked Zhang Fengxi's body. He looked at her coldly and said, "tease? I'm an obstinate person. I want to do it. I don't want to. I never have to tease others. Do you really want to refuse me

At the next moment, the nine o'clock star lights up from the back of Yaojiu star, and suddenly comes out of Yao Jiuxing's body, and covers the whole square. The people on the square have changed their faces! In the shadow of the nine stars, they only felt that there were nine huge stars pressing on their

bodies, not to mention revolt. Under the oppression of the nine stars, their blood would coagulate and their breathing had stopped!

And that rolling star light, but in an instant toward Zhang Fengxi, whistling away!

On Zhang Fengxi's pretty face, the cold sweat suddenly slipped down, and in her beautiful eyes, there was a look of fear, which was an instinctive fear!

Nine star soul body, too powerful!

She was biting her teeth, and her body was full of Yin, but it didn't help!

Zhang Fengxi trembled more and more, almost fell to his knees!

Yao Jiuxing gazed at Zhang Fengxi like a God and said, "I ask you again, you never follow me? What rank do you want? Say it! Even if the first, I can take it for you, but I advise you not to refuse me again

In the face of Ye Chen, Xu Fengyun is very arrogant. At the moment, he looks like a turtle shrinking his head and looks away from Zhang Fengxi.

Those Zhangjia children, the same way, who dare not disobey Yao Jiuxing!

Other people have no intention to stand up.

Cold sweat, has soaked Zhang Fengxi's gauze skirt, she raised her head difficultly, looked to Yao Jiuxing.

In the beautiful eyes, she has already had the intention of death. Even if she died, she would not yield!

At this time, a man's voice of indifference sounded in the field.

"You mean, who do you want her to be in, just number one?"

Yao Jiuxing heard the speech and frowned. He didn't expect that someone would dare to speak at this time?

A young man with a cold face was walking slowly towards him.

"Mending the sky?"

Yao nine stars in the eyes of a flash of disdain, this kind of waste, also dare to speak to themselves?

Can, when he on the leaf Chen that double eye Mou, but can't help but open a way: "good, you have an opinion?"

Chapter 4326

In that pair of eyes, with his similar breath, he knew that it was a kind of extreme pride.

Therefore, he does not want to be silent in front of Ye Chen!

Are you proud?

I am more proud than you!

For a moment, everyone looked at Ye Chen, a boy who mended the sky. What did he do?

Juggling?

Xu Fengyun is even more green veins exposed, angrily said: "damn things, give me back, here where you open up the share!"

Zhang Fengxi is also surprised to see ye Chen. On her pretty face, there is a touch of complexity

Ye Chen ignored Xu Fengyun, gazed at Yao Jiuxing and said with a smile: "arrogant enough..."

The next moment, a roar, the whole Wanyin mountain range, seems to have a shock!

A footprints, imprinted on the earth, countless cracks spread quickly!

Ye Chen stepped out, three soul seals, faintly around the body, he drank in a low voice: "soul body transformation!"

Surging soul power, instantly turned into a powerful force, poured into the body, the whole person like a laser burst out, almost like a blink, appeared in front of Yao Jiuxing!

Yao Jiuxing's pupil shrinks rapidly, and the nine starlight becomes faint and strong. He didn't expect that ye Chen would direct his hand

What he didn't expect was that ye Chen was so powerful!

However, Yao Jiuxing is also worthy of being a generation of Tianjiao. It was a lightning like reaction!

Unfortunately

Still too slow!

Ye Chen's feet are faster than him!

Sweeping with one foot, it is like a sharp blade that cuts the world into two sections. The black awn rippling at the toe, and the soul swallowing seal, condenses out!

This leg is not a simple leg, but a combination of the terror power after soul body transformation and soul swallowing rhyme to create the soul martial art!

With a roar, ye Chen's leg smashed hard on Yao Jiuxing's chest. The light of the nine stars just started to burst apart. Yao Jiuxing's whole body was like a broken kite, which was blown upside down by this leg!

Another loud noise, his body, directly smashed a mountain, the whole person was buried under the rocks.

Everyone is almost suffocating!

Ye Chen said with a playful smile: "I thought I was so strong, but the guy who can be kicked by me is not qualified to be arrogant?"

A group of ghost Xiu's eyes, with an extremely crazy look, looked at the young figure who slowly took back his legs

Can't understand!

Can't understand!!

Can't understand!!!

A sky mending realm exists, will Yao nine stars fly with one leg?

What strength is this!?

They have never heard of such an evil spirit in the half nether world!

Ye Chen looks indifferent, the result of this leg, in his expectation.

Under the transformation of soul and body, he can fight easily in the face of the three layers of heaven of Shiyuan. What's more, he is obviously neglecting the enemy's carelessness just now.

There are two simple reasons why he did it.

First, he promised Zhang Heng to take care of Zhang Fengxi.

Second, he was upset by his obstinate behavior.

At the moment, Xu Fengyun, Xu's children, are all looking at Ye Chen with their mouths wide open

They didn't expect that the trash they despised had such a terrifying strength!

Thinking of Ye Chen's leg, a chill surges up Xu Fengyun's back. He doesn't know. If it's his words, can he be kicked by Ye Chen?

More likely, is killed by Ye Chen one leg second!

Zhang Fengxi also covered her mouth, and her beautiful eyes trembled at the man in front of her. She didn't expect Ye Chen to stand up, because her previous attitude towards Ye Chen and the use of Ye Chen should be very clear in Ye Chen's mind, but she stood up under the pressure of Yao Jiuxing!

When she faces the second star, she can't do it

But now!

The ending, however, was far beyond her expectation!

Originally in her view, ye Chen is arrogant, no basis for self-confidence!

Now she knows that, the original, ignorance is their own, ye Chen's pride, has been derived from his strength!

At this time, the collapse of the rock, suddenly suspended in the air, instant evaporation, a terrible figure, appeared in front of everyone!

It's nine stars!

At the moment, Yao Jiuxing mouth with a trace of blood, pale face, full of black hair rolled up, eyes red, just like a devil!

Almost into the essence of the Yin Qi, diffuse in the whole body within ten Zhang range, in the Yin Qi, ghosts cry constantly, killing intention rolling!

The nine o'clock star rises in that Yin Qi and blooms with a cold light like death. For a moment, all people are like falling ice Valley, and the breath of the three layers of heaven from the beginning breaks out completely. Yao Jiuxing is really angry! At the moment, he is like death!

As soon as the nine stars flash, they are integrated into the body of the nine stars. The spirit of the nine stars moves to the extreme. The breath that has already been extremely surging is still climbing!

Kneel down

At the same time, an idea came out of most ghost Xiu's heart, which was kneeling!

Dare not have the slightest violation, extremely respectfully kneels in front of Yao Jiuxing!

Is this the real strength of Yao Jiuxing?

His breath, actually is compared to the original source four layers of heaven existence, also is not weak, that kind of feeling, like ghosts, gods and demons in general!

What's more, it can climb again!

This is the genius that has stirred up the whole sea of Cang Ming. It is really worthy of its name!

Yao Jiuxing stares at Ye Chen, and is crazy. He roars like a beast: "boy! Sneak on me? I'll make you pay for it

Originally, Yao Jiuxing didn't want to show real strength in front of so many people, but now, it can't control so much!

Ye Chen kicked him in public, he has lost face!

This has always been respected for the Yao nine stars, is the stain of life, is the ultimate shame!

Only Ye Chen's death can wash away all this!

But Xu Fengyun, Xu Baohui and the children of the family of Zhang and Xu are laughing and relieved.

Along the way, they did not less ridicule Ye Chen, now ye Chen shows strength, their heart, is afraid.

He was afraid that ye Chen would retaliate during the ceremony.

Ritual dead people are very normal, even if ye Chen killed them, they are also unknown, no one can find out.

But now, Yao Jiuxing stood up and burst out such terrible strength. They were relieved. Although Ye Chen was against the sky a little, he could not really be Yao Jiuxing's opponent!

Zhang Fengxi in that fierce pressure, Jiao body trembled, but she still did not hesitate to stand with Ye Chen.

She is a clear-cut person of gratitude and resentment, ye Chen for her hand, she can not at this time, abandon Ye Chen!

No matter how powerful the enemy is, it is the same!

Zhang Fengxi was arrogant, indifferent and even willful, but not without principles.

Chapter 4327

But at this time, ye Chen is light to Zhang Fengxi said: "step back a little, you stand by my side, in the way."

He is telling the truth. If he really starts with Yao Jiuxing, with Zhang Fengxi's strength, he will not be able to help, but may also drag him down.

Zhang Fengxi smell speech, face a change, beautiful eyes with anger, as well as a trace of injustice.

Does this guy know that if he chooses to stand with him, he will even risk his life!

Can, can he, unexpectedly dislike oneself!

From childhood to adulthood, no man ever treated her with this attitude

What makes Zhang Fengxi angry is not this sentence, but ye Chen's tone

The indifference, she is very clear, ye Chen is not because of the things before her revenge, but from the heart that she is in the way

Yao Jiuxing looked ferocious and roared again: "little waste, continue to attack? Why doesn't it move? Didn't you just be decisive? Well? "

Say, then walk toward Ye Chen, every step lets the earth tremble.

He is confident, with his own strength now, enough to crush Ye Chen, the reason why he has not made a move, just want to save his face.

Let everyone know that he was only kicked by this damned boy because of his sneak attack and carelessness, not because of his strength!

Ye Chen is still indifferent. If he can, he doesn't want to kill people at will in the half dark place. After all, his main purpose is to connect heaven and hell stele, and his time is not much.

It's very troublesome to kill Yao Jiuxing and deal with the forces behind him.

However, if Yao Jiuxing wants to die by himself, it will be different.

Ye Chen has no habit of tolerance.

Three layers of sky in Shiyuan? strengthen?

So what? Ye Chen is confident that under the blessing of the three soul seals and the power of the transformation of soul body, he can still suppress Yao Jiu Xing!

Before that, he was in the Ninth Heaven of the holy ancestor, and he could fight against the origin of half step.

However, after the source, the gap is really large.

Now his full strength, plus soul seal, should be able to fight against any source of three layers of heaven!

When Yao Jiuxing was about to come to Ye Chen, his whole body was full of fierce Yin Qi. When he was about to make a move, a cold blood light suddenly fell from the sky and fell in front of Ye Chen!

Yao Jiuxing's expression moved and stopped. The blood light fell down and cut a deep gap between Ye Chen and Yao Jiuxing!

I saw a white haired man slowly opened his eyes, his eyes actually seemed to have endless blood evil spirits rolling, blood red!

It was Sihuai!

"Sihuai, what do you mean?"

Si Huai swept Ye Chen one eye, the face appears as if thoughtful color, light way: "you are too noisy, want to fight, after the ceremony begins, you fight again."

All of a sudden, there are blue veins on Yao Jiuxing's face. Now, who dares to provoke him?

However, in the face of Sihuai, he did not break out, because he knew that Sihuai was a madman.

When speaking, the tone is light, seems to be very calm, but a word does not agree, will be like a mad dog, regardless of everything to bite up!

Although Yao Jiuxing is confident that he can defeat Sihuai, he can not guarantee that he will not be injured.

Before the ceremony, he didn't want to increase the risk.

He looked at Ye Chen grimly and said with a sneer: "boy, you'd better stay in the ritual place and hide better. If I find you, I swear that I will make you worse than death!"

When ye Chen hears the speech, his face is indifferent.

Yao nine stars see the situation, cold hum, also no longer say anything.

The square was quiet again, and everyone was waiting for the ceremony to begin.

However, after this farce, many people have a new look at Ye Chen. In the place of ceremony, there is one more person who should be careful!

.....

The Yin Temple is built on a very high isolated peak, but it is not the top of the isolated peak.

The top of the solitary peak is covered by a cold black snow. At the same time, there is a kind of Taoist rhyme which can't be kept for a long time.

This peak is called black snow summit.

Most of the disciples of the Yin Temple do not know that there is a very simple stone house in the top of the black snow. In the stone house, there is a woman with a wooden look.

The woman, dressed in plain white, sat in the room and looked at a huge crystal stone in front of her. What appeared on the crystal was the picture on wanyinshan square!

All of a sudden, the picture on the crystal focused on a young man who looked indifferent.

That young man is Ye Chen!

The wooden woman, suddenly, laughed.

Smile very stiff, as if tens of millions of years have not laughed in general.

She whispered, "perfect soul? I haven't seen it for a long time... "

The wooden woman suddenly shook a black bell in her hand. At the same time, in the Yin Temple, several ghost monks with strong breath changed their faces. For a moment, they were extremely respected. For a while, they were in a panic. Several escape lights rose and flew away at a very fast speed. The target was the black snow peak! In the blink of an eye, several people came to the stone house, bowed their heads respectfully and said, "ancestor, we are here..."

There were three men, all of whom appeared to be about 40 years old. They were Qin Xiao, the head of the Yin Temple, Ke Xu, the elder, and Zhou Mingchun, the second elder.

These three people's breath, vast as the sea, faintly has been above the original boundary!

Can, even if it is such a strong person, treat the woman in that room, unexpectedly still so respectful?

No one can believe it!

What's more, they call this woman the ancestor!

In fact, they don't know the origin of this woman. They only know that this woman has lived here all the time. It seems that since the existence of the Yin Temple, it has been in general

And between the master of the Yin Temple and the high-level officials, there has been an order from generation to generation

That is, never offend the woman on the top of the black snow! Moreover, if the black snow bell rings, no matter how, the high-level in the Zong, they must rush to the top of the black snow!

However, the terror is not this order, but Qin Xiao three people, each time facing this woman, the heart will be filled with that kind of fear and powerlessness!

It's like a lamb facing a dragon.

The strength of this woman is far above them!

The stone gate, quietly opened, Qin Xiao three people into the room, saw the apathetic youth on the crystal stone, all felt a burst of surprise.

"What's his name?" said the woman

Qin Xiao's expression moved, did not expect, these tens of thousands of years will not summon them once the woman, unexpectedly, will ask a small examinee's name?

However, ye Chen's face is familiar to them. In fact, everything that happened on wanyinshan square is under the control of Qin Xiao and others. Naturally, ye Chen kicks the nine stars.

Even these old monsters have to admit that ye Chen's talent is against the sky

However, although against the weather, it did not reach the level that they need to pay special attention to. The Yin Temple has seen too many talents!

Qin Xiao said, "his name is Ye Chen. He came with Zhangjia. His ancestors were interested in him?"

If the ancestor wanted to, they would not hesitate to tie Ye Chen over.

The wooden ran woman nodded her head and said: "qualification, good, you, pay more attention to him."

For a time, Qin Xiao and others are shocked!

The old ancestor, who didn't have to speak once for tens of thousands of years, actually said that the boy who mended the heaven had good qualifications?

Although Qin Xiao and others also think that ye Chen's quality is good, but it is also good. From different people's mouth, the meaning is also very different!

For a time, Qin Xiao and others, will all focus on Ye Chen.

Chapter 4328

.....

On the other side, in wanyinshan square, a tall man in a red robe suddenly falls from the sky. His mouth is full of sharp teeth and his eyes are pure black. It seems that he is somewhat similar to the devil!

The red robed man, who originated from the six layers of heaven, came from the Yin Temple. He was in charge of the ceremony!

The red robed man looked around the square one by one, and the whole square was suddenly quiet.

The man in red suddenly took out several bracelets which were full of brilliance.

He said faintly: "what I have in my hand is a magic weapon that can absorb the Yin Qi of ghosts and demons. You should wear it.

In the ritual land, there are three kinds of ghosts and demons in total, which are the first layer of the first layer, the second layer and the third layer

"If you hunt a ghost demon, you will get one point.

It's ten minutes to kill the first two layers of sky.

Kill the origin of three days, 100 points!

However, in order to get this ghost demon Yin Qi, in addition to hunting ghost demons, you can also directly rob other ritual people's bracelets! Take other people's ghosts and demons as their own! "

As soon as this saying was said, the faces of those who were engaged in ceremonies became colder and colder one after another, drawing a distance from the people around them.

This ceremony will be cruel!

Only under such conditions, the strong who can still stand out can be qualified to join the Yin Temple!

With a wave of his hand, the red robed man threw out tens of thousands of bracelets. The bracelet was immediately put on everyone's wrists and merged with his skin.

The red robed man said faintly, "the ceremony lasts for three days. This bracelet has been embedded with your soul. Before the ceremony is over, you can't take it off. Do you understand?"

"Yes," they said

In a flash, the air on the square, some of the chill up.

Seeing this, the red robed man took out a token, waved it, and made a loud noise. The whole mountain seemed to move. Countless auras gathered at the feet of the people, forming an array!

At that moment, several beams of light rose in the array!

The red robed man said: "you step into the array in turn, and then you can transmit to the ritual place."

For a while, some ghost monks entered the light column alone, while others were in groups.

Zhang Fengxi looked at Ye Chen and said, "Ye Chen, let's go together."

Xu Fengyun as well as a large number of Zhang's children have changed their faces, especially Xu Fengyun!

After hesitating for a moment, he came forward and said in a low voice, "Fengxi, go with me, follow me. Be safe. You know, this boy has been targeted by Yaogong. It's going to hurt you. "

Zhang Fengxi looked at Xu Fengyun with disgust. He had never seen such a shameless one!

Just now, you have to give yourself to Yao Jiuxing, and now let yourself go with him?

Zhang Fengxi suddenly showed a trace of sarcasm and said, "implicate me? Just now, I refused Yao Jiuxing. Are you sure you want to go with me? Hehe, I'm afraid it will be you who will be implicated at that time? "

Hearing this, Xu Fengyun's face suddenly changed. He lowered his head. Some did not dare to see Zhang Fengxi. He stepped back and said, "that Fengxi, be careful yourself... "

Zhang Fengxi laughed. Is Xu Fengyun a man?

The people of Zhangjia who wanted to move forward also stopped their pace and struggled for a moment, but still did not walk towards Zhang Fengxi.

Zhang Fengxi saw this, his face was cold, but he didn't feel anything in his heart. He was the first one to shrink back when he was in danger. Let's not forget it.

She walked toward Ye Chen, who knew that at this time, ye Chen suddenly opened his mouth and said, "I intend to go by myself."

Zhang Fengxi was stunned at the speech

She

Ye Chen refused!

Even Yao Jiuxing invited her, but she did not agree. Now she invited Ye Chen, but was No!

For a moment, Zhang Fengxi's pretty face was completely red!

She looked at Ye Chen defiantly and said, "why! Do you know, entering the ceremony place, you have to face the Yao nine stars! Moreover, he is not the only one. There are already several GUI Xiu who are expected to win the top ten on the list and have already formed an alliance with Yao Jiuxing! More people, more help to you, isn't it? "

Ye Chen does not matter tunnel: "do not need."

He really does not need to say whether the alliance formed by Yao Jiuxing and other demons can threaten him. Even if he can, it is useless to take Zhang Fengxi.

To tell you the truth, although the impression of Zhang Fengxi has changed, but Zhang Fengxi's personality, always let Ye Chen not too cold.

Zhang Fengxi bit her silver teeth. With her pride, she was not willing to say such words, but she knew that if she didn't say so, ye Chen would not promise herself

Zhang Xi elder brother, Zhang Feng Chen, did you forget to open his mouth

Ye Chen smelled the speech and his eyes flashedA moment later, he nodded his head and said, "well..."

Ye Chen's character is the grace of dripping water, which is reported by the spring.

Zhang Heng treats him sincerely, so since Zhang Heng wants him to take care of Zhang Fengxi, he will take care of him in the end.

When Zhang Fengxi heard the speech, she was unconsciously happy. Originally, she had some icy face, which was bright and beautiful. But soon, she realized something, forced the joy down and restored the cold appearance.

Ye Chen said, "let's go."

With that, he would go to a beam of light.

At this time, Zhang Fengxi looked at Ye Chen's back and hesitated. On her pretty face, there was a trace of red glow and said in a low voice, "wait a minute!"

"What's the matter?"

Zhang Fengxi took a deep breath and held out a delicate jade hand to Ye Chen and said, "we should enter it hand in hand, otherwise, it may be scattered by the turbulent flow of space..."

Although she tried to be calm, her shoulders still trembled a little

From childhood to adulthood, Zhang Fengxi has never had skin contact with any male without blood relationship

Ye Chen was the first.

"Well All right Ye Chen should a, the reaction is very insipid.

"How can you do this?" This time, Zhang Fengxi couldn't help it any more!

Her self-esteem as a woman makes her unable to accept Ye Chen's attitude

His first contact will be obtained by him, but this man, how is still a pair of words like gold, is it Does she, Zhang Fengxi, not even have the qualification to let him see more

Ye Chen is still expressionless way: "you do not like, you can not follow me."

Zhang Fengxi is really angry with Ye Chen's attitude!

However, she did not dare to lose her temper, do not know why, she did not want to really leave Ye Chen.

Ye Chen sees Zhang Fengxi standing still, shakes his head, and his figure flashes. He appears beside her and directly takes Zhang Fengxi's soft and boneless arm. There is a group of soft friction on Ye Chen's skin.

Zhang Fengxi was startled, and her pretty face turned red instantly. She was not ready yet

Chapter 4329

However, ye Chen can not care so much, he is too lazy to wait any longer, suddenly pull Zhang Fengxi, and then step into a beam of light.

In a flash, they came to a gray jungle everywhere. Ye Chen looked around and his eyes flashed slightly.

It's full of gray trees and rocks, but that's not the point.

Ye Chen's first reaction to this ritual place is Yin Qi!

The Yin Qi here is even more intense than that outside, but in the Yin Qi, it is filled with another extremely vicious breath!

The amount of evil spirits must come from the evil spirits!

In Ye Chen's eyes, the God awn is full, and three soul seals are faintly flashed from the depths of his pupil. He secretly says, "the transformation of soul and body!"

At the next moment, the terrible power in his body rushed into the sea of knowledge and turned into a huge power of divinity. Ye Chen's eyes became more and more bright, and there was a faint color of excitement on his face. Now, his soul power is no worse than that of the origin of the four layers of heaven, which is absolutely not bad. He should be the strongest one in this ceremony!

The transformation of soul and body is against the heaven! Unfortunately, there is still a difference between outside and here.

The majestic mind suddenly roared out, like a hurricane swept out, covering most of the ceremony place!

Ye Chen's goal is very simple, that is, the source of the three layers of days of ghosts and demons, that's all, so he must first find out these ghosts and demons!

However, soon, ye Chen's expression is moving, it seems that he has found some anomalies

What was the barrier to his immense soul power?

Just when he was hesitant about how to do it, Shuo said suddenly: "boy, concentrate all your soul power and impact the power that blocks you. The soul power that you almost surpasses the previous stage of the origin should be enough to do it. There seems to be something good in the place where you can stop the exploration of your spirit!"

Ye Chen hears the speech, flash in the eye a touch of joy!

Shuo is a super old monster that has existed in the world since the ancient times. Although he gave the skeleton dragon body to himself and his strength dropped sharply, his insight was still there!

The next moment, ye Chen's eyes coagulate, huge soul power, rapid operation, toward a point of concentration and go!

In a forest full of white giant trees, the wind is blowing, and the space is slightly distorted. There is a creaking sound, as if something is broken!

It's a success!

Stop the power of success!

Soon, a very special force appeared in his mind!

His eyes trembled for a moment, and gradually became excited. Somehow, he had a strong desire for this power!

Shuo Lao and Xuan Han Yu, at the same time with a hint of joy, opened their mouth and said, "xuanming has no rest!"

Ye Chen asked suspiciously, "is xuanming not resting? What is this? "

Old Shuo said: "good things are of great benefit to the cultivation of ghosts. It is said that only in the place of the half underworld, where the Yin Qi is extremely pure, can it appear. Moreover, it is extremely rare. Even if it is put in the place of the half underworld, it is also a treasure that can let the top forces like Yin SHENDIAN compete with each other!

Now, do you understand the value of xuanming juexi? As for the effect is very simple, you know, the real underworld is equivalent to the area of ghost cultivation. It is precisely because its Yin Qi is so pure that it has undergone qualitative change and forms the dark Qi.

And this xuanming absolute rest, on the quality, even, in the dark earth, above the general dark Qi! However, for ordinary martial arts practitioners and even ghost practitioners with poor aptitude, this xuanming Jue rest is equivalent to a kind of poison. Even if the source exists, as long as it absorbs a little bit, the spirit will die away! Therefore, it is called xuanming juexi!

Fortunately, with the blessing of those three Heaven level soul seals, your soul and body are perfectly matched and can also be absorbed. If you swallow up all the xuanming absolute breath, your strength will be upgraded to a higher level! "

Ye Chen smelled the words and flashed a touch of ecstasy on his face!

Unexpectedly, there are such unexpected benefits in attending a ceremony of the temple of yin?

However, ye Chen also frowned and said, "if I want to absorb this xuanming Jue breath, will it delay the ceremony?"

Old Shuo laughed and said, "boy, you can't forget, how did the host explain the ritual rules? How many points do you think he will get in three days

Ye Chen hears the speech, the twinkling of an eye is bright!

"I know what to do," he said with a smile

Three days later, as long as Yao Jiuxing's bracelet is snatched, his score is not all his own?

Why waste time on hunting, so as to delay their absorption of such treasures as xuanming Jue Xi?

And standing beside Ye Chen, Zhang Fengxi, who was originally pretty and red, and whose heart was beating straight, recovered his calm after arriving here, and her beautiful eyes looked solemnly around her.

Zhang Fengxi's strength is not very strong for this ceremony. The reason why she can have the confidence of the former 139 as the target is very simple because of her age! Although Zhang Fengxi has just stepped into Shiyuan not many years ago, he is still young enough! Only 20 years old!

In this way, even if her ritual scores are somewhat different from those of other rituals, she will get a huge bonus due to her age!

Zhang Fengxi's mind swept out, and her face moved. She found that there was a ghost demon from the second layer of heaven in front of her!

Although, with Zhang Fengxi's strength, hunting the first two layers of sky Ghost demon, reluctantly some, but there are ye Chen!

With Ye Chen's strength, it won't take much effort to clean up the first two layers of sky Ghost demons.

If they cooperate to kill the ghost demon, she can also get some points.

In this way, it is more cost-effective than her own killing the ghost demon of Shiyuan.

She said to Ye Chen, "over there, there is a first source of two layers of sky Ghost demon, do we go now?"

Ye Chen smell speech, swept that direction one eye, but shake head light way: "do not go, you want to follow me, can, but, how to act is decided by me."

Zhang Fengxi smell speech, slightly a Leng, waiting for her to make a response.

Ye Chen has gone alone in a direction.

On Zhang Fengxi's pretty face, there is a look of shame and anger. However, she still follows the past in a huff and puff. She is somewhat curious about what ye Chen is going to do.

After a while, ye Chen came to a forest with countless huge trees.

He took a look at those trees. The shortest one was hundreds of feet, and the height was more than ten thousand feet. It was almost straight to the sky!

Ye Chen looks at these giant trees, and faces a trace of smile and walks towards the forest.

Zhang Fengxi looked at the woods, and a startled look flashed in her beautiful eyes. She was blocked by these giant trees?

But what is Ye Chen doing here?

Even if there are ghosts and demons in the woods, it's hard to find them. It's not conducive to hunting!

Chapter 4330

.....

At the top of the black snow, the high-rise buildings of the Yin Temple were also shocked.

They also wanted to see ye Chen's hand to see what was special about the boy who was favored by the supreme being, but

This boy, how did he come to Kui Mulin?

The woman with a wooden face in the black dress saw this, but her beautiful eyes flashed a little, showing a touch of approval. Obviously, she had thought of what ye Chen wanted to do.

Ye Chen in this Kui wood forest forward, seems to be looking for something, suddenly, his eyes locked on a giant tree!

With a flash in his eyes, he slammed his fist at the huge wood!

There was a big bang, sawdust flying, and the huge wood was blown open a big hole in an instant!

When Zhang Fengxi doesn't understand what ye Chen wants to do, the pupil shrinks abruptly!

Is this huge wood hollow?

Among the huge trees, there is a big hole, a deep hole that goes straight to the ground!

What's going on?

How does Ye Chen know that the tree is hollow?

Ye Chen took a look at the big hole, and suddenly asked Shuo Lao, "Shuo Lao, can Zhang Fengxi absorb this mysterious and absolute rest?"

If Zhang Fengxi is not qualified enough to absorb the xuanming absolute rest, he will die.

Old Shuo said: "the girl's qualification is quite good, but it's not enough to absorb xuanming juexi. Even in the place where the power of the spirit is suppressed, she can't feel the xuanming juexi!

However, with its qualification, xuanming will not cause harm to it, harmless and unprofitable. "

Ye Chen nodded and his figure flashed, then he went into the cave.

Zhang Fengxi saw the situation, hesitated for a moment, followed Ye Chen to jump in.

After they entered the cave, the big hole was blown out by Ye Chen and began to heal slowly.

After a while, it recovered as before, as if no one had been here.

Ye Chen and Zhang Fengxi fell down at full speed, and finally fell to the ground after tens of thousands of feet!

Here is a rather wide crypt, with a kind of natural fluorite, flashing blue light, it is quite beautiful.

As soon as ye Chen entered the cave, a trace of excitement flashed in his eyes!

He could feel that there was something so pure and unspeakable in the cave!

Zhang Fengxi was puzzled to look around and feel nothing.

She frowned. Originally, she thought there was some big ghost demon hidden here, which was discovered by Ye Chen. Therefore, she went into the underground cave to hunt, but now, there is no ghost demon at all!

Zhang Fengxi couldn't help asking Ye Chen, "Ye Chen, what are you doing here?"

Ye Chen glanced at her casually and said, "practice."

After that, regardless of Zhang Fengxi, he found a place full of xuanming absolute breath and began to devour it.

The next moment, the invisible xuanming Jue rest, then around the whole body of Ye Chen, turned into a whirlpool!

Ye Chen feels a very pure air of xuanming, which washes away all his limbs and bones. The already perfect soul body has become more and more pure under the training of the xuanming Qi!

What pleases Ye Chen is that maybe it is because of the perfect blending of his body and spirit. The benefits brought by the separation of xuanming and xuanming are the same as that of the soul seal, which is both the spirit and the body!

A cold feeling permeates his body, which makes Ye Chen's soul power, vitality, strength and so on gradually grow up

This feeling, too wonderful!

But Zhang Fengxi on one side did not know what happened to Ye Chen at all. She looked at Ye Chen dully. She couldn't understand why Ye Chen practiced at this time?

Now, the most important thing is to join the shrine!

All of a sudden, a glimmer of enlightenment flashed in her eyes and looked at Ye Chen. On her pretty face, she could not help but see a look of disappointment

Is Ye Chen hiding in the woods that can block the mind, to avoid Yao Jiuxing?

Indeed, if you go out hunting ghosts and demons, you may be hit by Yao Jiuxing. However, in Zhang Fengxi's mind, ye Chen is not such a timid person

She lowered her head and stood quietly. Suddenly she looked at Ye Chen and said, "Ye Chen, do you really want to practice here?"

Ye Chen looked at Zhang Fengxi and said, "staying here is good for you."

Although Zhang Fengxi can't absorb the xuanming juexi, if she stays here within three days of the ceremony, her soul will be moistened by xuanming juexi and imperceptibly influence her, which can improve her qualification.

Zhang Fengxi's qualifications are very good originally. If she is further promoted, even if it is only a trace, it is unimaginable that her future benefits will be unimaginable.

But Zhang Fengxi sighed, and her disappointment became more and more intense. In her opinion, the so-called benefits in Ye Chen's mouth were just not discovered by Yao Jiuxing. This is not the way she pursues!

She turned around and said, "if you want to stay here to practice, just stay here and practice. I will be one of the top 139."

After that, Zhang Fengxi's body moved and flew towards the top of the cave!

Ye Chen looked at Zhang Fengxi's departure direction, with a bitter smile on his mouth. He was silent for a moment, and said to Shuo Lao in his heart: "Shuo Lao, can you help me pay attention to this woman when I absorb xuanming's absolute rest? If she is in danger, let me know. "

He promised Zhang Heng that he would do his best.

Old Shuo said: "yes, I have left a mark on that girl's body."

Ye Chen nodded, closed his eyes, and entered the state of forgetting things and me, concentrating on swallowing the mysterious and absolute rest!

.....

At the top of the black snow, Qin Xiao and others are also looking at the wooden woman in embarrassment.

Qin Xiao hesitated for a moment, or opened his mouth: "Laozu, do we still want to see..."

Ten hours

In this way, they have been staring at Ye Chen sitting in the cave for ten hours!

During this period, ye Chen did nothing but meditate and practice

As the high-level of the Yin Temple, Qin Xiao and others are still concerned about famous talents such as Yao Jiuxing, Sihuai and yinsuling. They want to understand their performance in the ceremony

But now, but all the time wasted on Ye Chen?

Even if ye Chen is really a demon, just watching him meditate, can't you see anything?

That wooden woman hears speech, did not explain what, just facial expression ground ground opens a way: "next look."

Qin Xiao and others sigh, can only continue to look at the scene like a still picture.

.....

In a gorge full of gray and white rocks, a beautiful woman, holding a white bone sword that causes overflowing, cuts down the purple and black blood eyed ghost demon in front of her, fiercely cuts down the cold and cold sword spirit, and divides her body into two in the scream of the ghost demon!

This woman is Zhang Fengxi!

At the moment, her body with large and small scars, long skirt also stained with blood.
