### Chapter 4591

Ye Chen's eyes flash slightly. Is this person Xuanyuan?

Strength, is good, age, less than 170 years old, cultivation has reached half step is true!

In this bloody battlefield, it is like killing gods!

However, it seems that other participants in the war were inspired by Xuanyuan. For a time, they united to encircle Xuanyuan!

Dozens of participants joined hands to fight with Xuanyuan reluctantly!

Ye Chen frowned slightly and asked xuanjue, "how can I see him?"

Xuanjue said, "wait for him to come out! We'll have a chance to get in touch with him when we're at the door. "

"How long will he fight?"

At present, it seems that all the candidates will be defeated for a few days according to the situation

"What? No, it's too long. " Ye Chen shook his head. He didn't have time to wait.

Xuanjue scratched his head and said, "but there is no other way..."

"Who said that?"

Ye Chen suddenly had a funny smile. Seeing this smile, xuanjue suddenly had a bad premonition in his heart!

He asked nervously, "Ye Chen, you What are you going to do? "

Ye Chen said: "since he doesn't come out to see me, I'll go in to see him."

"Ah?"

Xuanjue was puzzled, but at the next moment, his eyes were staring out of his eyes!

I see, ye Chen is actually flying a vertical, direct, toward the bloody heart battlefield rushed down!

Xuanjue was about to cry. He never dreamed that ye Chen was so arrogant?

Jump straight into the battlefield?

This can not help but disturb the battle of a large number of participants, but also violate the rules of blood heart battlefield!

One is not good, but it will cause big trouble!

Even if ye Chen is brought here, he will be overwhelmed!

He now, incomparably regret, how could he be because of such a guy on a meal stand?

Xuanjue has begun to think about how to kneel down and apologize in order to survive.

Soon, there was a big bang, and ye Chen's body was like a meteorite, which hit the blood heart battlefield.

At the moment, Xuanyuan is confronting dozens of participants. The two sides are preparing to kill each other. But suddenly, a figure hits them. All of a sudden, all of them are slightly stunned. The bloody battlefield, which originally called for killing the heaven, instantly calms down!

A indifferent young man stood quietly in front of them.

After that, they will react!

They were fighting happily. Suddenly, a little rubbish came out to mend the sky and interrupted their fight. Besides, this guy, who was not a fighter, actually jumped down from the sky directly?

For a moment, those who took part in the war yelled and scolded: "damn boy, get out of here!"

"This guy, who is so thin and small, should not be a pure blood race? Can this kind of rubbish come to holy city

"I'm fighting well. It's disgusting to see such a guy all of a sudden."

At the same time, in an attic above the bloody heart battle field, a woman wearing a gauze skirt with shining stars shining on her face was so exquisite that it was suffocating. Moreover, a woman with a strange smell in her eyebrows and eyes was also slightly frowned when she saw this scene through a single transparent crystal!

Beside the woman, there was a woman in black robe and a mask. The woman's eyes flashed with blood and asked, "Miss, this boy has broken the rules of the battlefield. Do you want to kill him?"

Her voice was so cold that it was as easy to kill as to breathe.

The woman picked up the wine on the table, tasted it, and was about to open her mouth. But just then, a cool man's voice sounded in the field.

Ye Chen gazed at Xuanyuan. After numerous yelling, he opened his mouth and said, "Xuanyuan? I come from Red Star holy land. I want to talk to you about something. Can I have a drink with you

That beautiful woman smell speech, slightly a Leng, then beauty eyes, revealed a trace of curiosity color, light way: "first look at it."

What does the boy of mendianjing want to talk to Xuanyuan about?

And ye Chen behind the participants smell speech, a stay, but immediately laugh up!

What's wrong with this kid?

You know, Xuanyuan is the one who hates fighting and being disturbed. If you don't apologize to Xuanyuan, you still want to drink with Xuanyuan?

For a moment, the voice of ridicule was overwhelming!

"Isn't it, red star holy land? Isn't that the weakest of the nine holy places? This kind of hillbilly also wants to drink with master Xuanyuan? "

"This boy is trying to hold his thighs. Is he crazy?"

"Ha ha, sensationalism!"

However, after hearing the words, Xuanyuan, who was a little impatient, was curious and pondered. He also wants to know what a boy who mends heaven wants to talk to himself.

Xuanyuan waved his hand and motioned for silence. Then he looked at Ye Chen and said, "you don't need to drink wine. Not everyone can drink with me. If you have anything, just say it here."

Hearing this, ye Chen nodded and said, "yes, I'm here for only one purpose. I heard that you and xuanqu don't deal with it? I want to form an alliance with you to defeat the xuanqu. What do you think? "

As soon as this speech was said, the whole blood heart battlefield fell into a dead silence in an instant!

People couldn't believe what they heard

A vain attempt to mend the heaven and alliance with Xuanyuan is enough. Unexpectedly, he still wants to fight against the evil spirit of SHENGRI city in xuanqu?

It's something that no normal person can say, right?

Moreover, they are very clear, ye Chen is not joking!

Because just this sentence, if let xuanqu know, enough let Ye Chen die several times!

No wonder this boy can jump directly from the entrance. He is a complete madman!

At this time, the loft in the beautiful woman, a smile appeared on her pretty face: "well, although very weak, but it is funny enough, not let me down."

She tasted the wine, like watching a comedy, looking forward to Ye Chen's performance.

At the moment, Xuanyuan also laughed!

To tell you the truth, if ye Chen comes to him because he wants to hold his thighs or something boring, he will kill him directly with his personality. However, this time, ye Chen's answer is satisfactory. After all, few people can tell such a funny joke, right?

The most important thing is that ye Chen is still teasing him with his life!

Well, at this point, he decided to spare Ye Chen.

Therefore, Xuanyuan looked at Ye Chen with great interest and said, "do you want to form an alliance with me? Do you know that people who want to form an alliance with me are everywhere, but not everyone has the qualification to form an alliance with me. I am very curious. Do you have any self-confidence to think that you are qualified to be an ally with Xuanyuan?"

Let alone the xuanqu? Even if the alliance with the red star is not enough, why do you need one more powerful alliance with me

Chapter 4592

He was a little curious about what the madman had to rely on to make him laugh with his own life.

Ye Chen gazed at Xuanyuan's eyes and said, "because I am stronger than xuanqu."

This time, not only Xuanyuan, but all the participants in the bloody heart battlefield laughed!

Tears will come out with laughter!

This is a real treasure!

Butianjing, less than 30 years old, thinks that it is stronger than xuanqu, the younger generation of Xuanyao clan?

It's so funny!

Ye Chen ignored Xuanyuan's laughter and continued: "but, you know, the Red Star holy land and the holy day city are far from each other. Therefore, I want to borrow the strength behind you, I will deal with xuanqu, and you will help me contain the holy day city!"

After laughing for a long time, Xuanyuan stopped. Looking at Ye Chen saying so seriously, he was also interested in it for a while. He said in a rather cooperative way: "your plan is quite good. I do have this ability in Shengyue city. I just want to know that you are so confident?"

"I have!" Ye Chen is determined to tunnel.

People can see that ye Chen's indifference, self-confidence, proud look, is from the heart, rather than pretend, and this is the most funny point!

A crowd of participants in the war also sneered: "what a terrible young man, butianjing has more terrifying power than master xuanqu? Well, how many steps is this? Nearly twenty? Hehe, this is the first evil spirit in ancient and modern times

"Yes, look at his cold, arrogant and calm appearance. Isn't it a peerless demon who can have this kind of demeanor? Master xuanqu is going to have a bad time! "

"Ha ha ha ha, fortunately, master xuanqu is not here. Otherwise, will he be scared to cry directly?"

Xuanyuan is a burst of wild laughter, suddenly he raised his hand, motioned for everyone to be quiet, his eyes slightly narrowed: "OK, I will appreciate the confident person, what's your name?"

"Ye Chen."

This is not the realm of Yang Zhen and the realm of moon soul. It is relatively isolated from the outside world. It is nothing to say one's name. It is impossible for Xuanji moon and Emperor Shitian to know.

Even if you say the reincarnation Lord, I'm afraid there won't be too many people to know.

Xuanyuan pondered: "Ye Chen, you know that the word" strong "is not spoken out by mouth. In this case, would you like to plant a blood heart worm and fight with me in this bloody heart battlefield?"

Well, that's enough fun. It's time to end. He's willing to spare Ye Chen's life. However, ye Chen interferes with his battle. He still has to teach him a lesson. Just break his limbs and torture him until ye Chen dies?

For him, it can be regarded as kindness. Moreover, most importantly, he is also curious about whether the unreasonable self-confidence can be maintained when ye Chen is crushed and destroyed by himself?

Maybe there will be some wonderful performances?

Xuanyuan can't wait!

People are also looking forward to it, this good play will usher in a climax!

Can, at this time, to everyone's surprise, ye Chen is shaking his head, he refused: "can not."

Yeah?

For a moment, all the people present frowned slightly and were disappointed with Ye Chen

Is this guy not really crazy, but pretending?

Now, if you want to face Xuanyuan, you start to be afraid?

In their eyes, ye Chen changed from an actor to a third rate clown.

Xuanyuan's eyes were also cold and said, "tell me the reason."

As long as ye Chen makes him feel bored, he will send Ye Chen to die without hesitation.

At this time, ye Chen was sincerely staring at Xuanyuan and said, "because I don't have money. It's too expensive for me to breed blood heart insects."

The crowd hears speech, is a Leng again, immediately burst into laughter again!

They are wrong, really wrong. This guy is not only a third rate clown, but a real master!

Even xuanqu, who claims to be more powerful than a demon in a battle?

Xuanyuan grinned and was about to help Ye Chen out of the two thousand demon crystals.

Can, ye Chen is again open a way: "nevertheless, I pour can not plant blood heart insect to fight with you!"

For a moment, the laughter stopped suddenly!

Even Xuanyuan was a little silly. He blinked his eyes and asked in disbelief, "what do you say, you don't plant blood heart worms against me who planted blood heart worms? What do you mean

"Yes Ye Chen nodded.

The reason why Ye Chen did this is to show his strength to Xuanyuan.

He knows that in the world of martial arts, no negotiation skill is more important than displaying strength!

The best way to show strength is to defeat Xuanyuan who has blood heart insect blessing!

What's more, ye Chen also wants to test how his own strength is after the destruction of Daoyin has broken through the four levels of heaven, and his cultivation has broken through the nine layers of heaven. If Xuanyuan has no blood heart insect nearby, he is afraid that he will kill Xuanyuan by accident.

In that case, the alliance must be in vain. As soon as this statement was made, even those who participated in the war were excited!

Whether ye Chen is a madman or not, this pride, this self-confidence, this publicity, all make these Xuanyao people's blood boil!

Xuanyao clan's favorite is the arrogant boundless character like Ye Chen!

Even Xuanyuan flashed a touch of appreciation in his eyes. He actually fully cooperated with Ye Chen's performance, nodded his head and said, "good!"

"Kill

"Well done boy, we'll remember your name!"

"Hey, just now, we underestimated you. Your courage is worthy of admiration."

"Ye Chen, don't let us down!"

Those who participated in the war took the initiative to step back and make room for ye Chen and Xuanyuan, and they were extremely supportive of Ye Chen!

And Xuan Jue at the entrance sighed. He knew that ye Chen was dead. He quietly retreated to the exit, and he had made plans to leave.

Xuanyuan gazed at Ye Chen and asked, "are you ready?"

Ye Chen nodded, his wrist turned, and a dark sword fell into his hand.

Xuanyuan saw this, and a smile rose from his mouth. Suddenly, a strong, almost breathless evil spirit broke out in an instant. Even those who were present also had the blood of a demon, they could not help but look shocked!

Although Xuanyuan was temporarily suppressed by xuanqu, it was obviously a terrible evil spirit! It is also true to step into half a step with xuanqu.

It's just that there's a huge gap between them!

This blood concentration makes them feel like they want to surrender!

Even in the attic, that beautiful woman is also beautiful eyes, some bright way: "the guy in the holy moon city is quite good, the strength of blood is actually progressive."

The masked woman standing beside her said in a somewhat disdainful way: "this is only compared with ordinary people. If you compare with Miss, the real evil of Xuan demon family, it will be totally day by day. I'm afraid it will be enough to make this person kneel down just by exerting her authority!

Hum, the so-called seven stars of the sun and the moon, the nine sacred places, are not at the same level compared with our holy city. The saint heavenly demon family is the descendant who has inherited the blood of the heavenly demon! "

Chapter 4593

This beautiful woman was born in the Holy Spirit family!

In fact, Liyuan is on Xuanyuan and xuanqu, but in Xuanyao clan, there is no mountain and no dew. Even, few people know her name!

Because, the saint day demon clan never appears in front of the human easily, most Xuan demon clansman even does not have the qualification to see them!

But in the Xuanyuan, release pressure at the same time, ye Chen is once again open a way: "slow down."

Xuanyuan frowned and said, "what's the matter?"

There was a look of impatience in his eyes. He always hated it. He was interrupted in battle!

Ye Chen is full of serious looking at him way: "out of all strength."

A moment later, he gazed at Ye Xuan Yuan

In his opinion, no matter what, ye Chen is bound to die, and he can't let Ye Chen live. If ye Chen can't kill Ye Chen even if he doesn't grow blood heart worms, he will be the laughing stock!

However, to tell the truth, he still appreciates Ye Chen's character. Therefore, he will realize Ye Chen's last wish before his death, and do his best to let him die with glory!

The next moment, a long handled Tomahawk appeared in Xuanyuan's hands!

On this long handled Tomahawk, there is a strange blood light shining on it. The evil spirit is very strong. It is a demon tool!

The level of this demon weapon is extremely high, and it is not inferior to the general chaotic spirit weapon!

The next moment, a very frightening aura from Xuanyuan body, surging out, everyone is a change in face!

In the aura, people only feel that a force of opening the sky is passing through their bodies, and their bodies and spirits must be cut apart for it!

It's a kind of extreme domineering, extremely fierce power!

That is an epoch-making Taoist rhyme!

It is said that in the early days of the Tang Dynasty, heaven and earth were in chaos, and one of the most powerful gods born in chaos was to create the world with the power of an axe!

And this kind of power also becomes a kind of extremely powerful Dao rhyme!

What Xuanyuan is exerting at this moment is the idea of opening the sky and axe!

He didn't lie, he really put all his strength into it. He even used the unique skill that he would use only at the time of life and death!

Shengyue City, the city Lord, is also the father of Xuanyuan. His most famous is his axe!

Xuanyuan said in a low voice: "open the sky, cut all living beings, and destroy it!"

On the monster axe, the red light flashed, and a terrible axe shadow suddenly fell on the bloody heart battlefield!

On this bloody battlefield, there are arrays covering the battlefield. The strength of the array is so strong that it can withstand the battle fluctuation caused by the fierce battle of dozens of young strong men!

However, at this moment, when the axe shadow came, the array on the bloody heart battlefield actually flashed wildly and shook slightly!

He was shaken by the power of Xuanyuan's axe!

See this scene, all people are cold hearted!

For them, the blood heart battlefield may be an excellent place to experience the battle of life and death, but for Xuanyuan, it is just a place for hunting and killing!

He didn't do his best all the time!

Even ye Chen, seeing this amazing axe is a flash in his eyes!

What an amazing axe!

Only with such an axe, can he be qualified to exert his full strength!

This time, ye Chen did not rely on xuanhanyu and Shuo Lao's power, but simply rely on their own strength!

Xuanyuan aroused his fighting spirit!

All the participants turned their eyes to Ye Chen. All of them stayed for a second time

Originally, they thought that ye Chen would be crushed by the terrible force in this axe no matter how crazy he was. He was scared to death

Who knows, ye Chen is not crushed, on the contrary, his face is calm, and even, his eyes are still burning with fighting spirit!

This time, they are really convinced by Ye Chen!

Even if ye Chen is destined to be directly evaporated by this axe, they will not despise ye Chen any more.

Because they know that ye Chen is better than himself!

I'm afraid they would have given up their resistance for a long time!

At the moment, ye Chen stares at the startling sky axe shadow that comes to the top of his head with the momentum of opening up the sky. A breath of near destruction suddenly sweeps over the edge of the Sha sword and sweeps around!

In his eyes, there is the meaning of endless destruction. It seems that there are many mountains and rivers appearing on the top of the Sha sword. At the same time, the transformation of soul and body, the body of heavenly demon, the formula of burning blood, the body of hundred evils, the keel, the ancient method of Hongmeng, etc., are advanced!

"Star soul chop!"

In the twinkling of an eye, a sword light as bright as a star river rises to the sky, facing the shadow of the earthly axe, and goes upstream against the current!

This sword is the most powerful star soul sword that ye Chen has cut out so far!

In a flash, the sky shaking axe shadow collided with a bright star river. Everyone shook their heads, as if they had already seen that the star river was crushed by the axe shadow, and ye Chen was also transformed into nothingness under the axe shadow! If Xuanyuan had left his hand in the face of Ye Chen and could not exert all his strength, he might still have a ray of life.

However, ye Chen asked Xuanyuan to do his best!

What's more, Xuanyuan did it!

In this case, you must die!

But at this time, a sudden change!

I saw that the axe shadow suddenly sent out a sad cry, the powerful afterwave swept around! On the defensive array of blood heart battlefield, there are countless cracks in an instant!

Then, under the gaze of the people, the most powerful axe cut by Xuanyuan was completely broken under the impact of starlight!

Even, even a breath of time, there is no resistance, then into nothingness!

Xuanyuan's face was stiff, his brain was in complete confusion, and he could not think at all. However, the star river cut by Ye Chen was still moving forward!

He looked at the Star River sweeping in front of him, and the bright starlight flashed his eyes. Xuanyuan, after all, was the top genius of the holy moon city, and soon came back to his mind. His eyes flashed with horror, and he laid the axe in front of him, trying to defend himself!

In the twinkling of an eye, the sword light of the star soul fell under the axe!

An unimaginable force surged out of the starlight in an instant. Xuanyuan uttered a scream, and the axe flew out. At the same time, his whole body was also flying upside down. In the process of upside down, his body was constantly broken by the fierce sword light!

This scene, even the brave Xuan demon clan all see the bottom of their heart cold!

With a loud bang, Xuanyuan's body smashed on a big mountain, smashing the mountain into pieces, and falling to the ground like a rag bag.

People look at Xuanyuan, the next moment, pupil is crazy contraction!

At the moment, Xuanyuan's body is full of holes and scars. What's more terrifying is that small red worms like earthworms are crawling out of those wounds

Xuanyuan's body is covered with countless creeping insects!

And these insects, after struggling for a few times, are no longer moving, dead can no longer die!

Chapter 4594

"This What is this? " A Xuanyao youth, can not help but ask, was in front of the scene, scared silly

"Blood heart worm!" A man beside him, with a tremulous voice, replied, "it's a blood heart worm."

"Blood heart worm? I've never seen a blood heart worm like this... "

Blood heart insect, why call blood heart insect?

Because, this blood heart worm is planted in other people's heart, and then, through the blood moving in the host body, in order to achieve the effect of recovering the wound for the host, how can it crawl out of the wound itself?

What's more, you look dead?

Another, almost screaming, "I I know what's going on

In this case, only once in history

It is said that when the attack on the host is too strong, the blood heart worm needs to work frantically in order to recover the host's injury These blood heart worms are dead and alive

All people smell speech, all is facial expression crazy change!

At the moment, Xuanyuan fell to the ground on the verge of being drowned by the blood heart insect. In order to cure Ye Chen's sword, the destruction of Xuanyuan's body was exhausted!

In the past, no matter how many people besieged one person, and how rebellious means were used, no one really saw the picture of the blood heart worm being exhausted

But now, it appears in front of their eyes!

What's more, the most important thing is that this scene happened in Xuanyuan!

This can almost be called the existence of the second evil spirit among the nine holy places

With all his strength, he was defeated by Ye Chen with one sword!

Moreover, it was under the blessing of the blood heart worm that he managed to save his life!

This scene almost makes people's brains boil and completely subverts their concept of martial arts!

Xuanyao clan, itself is a race famous for its power, and its vision is extremely high. However, ye Chen's existence has completely subverted their understanding of power!

A boy in his twenties, mending the sky, and his blood seems to be quite complicated. Unexpectedly, he has the real strength to crush half a step?

Any adjective, can not describe their shock, can only be summed up in two words crazy!

At the moment, in the attic, the beautiful woman who was originally extremely lazy and pondered suddenly sat up. Her eyes were full of shock

Even she did not expect such a result!

She had never cared much about anything. For the first time in her life, she was curious about a strange man!

The reason, very simple, because, she is the first to create the existence of the history of blood heart worm tired to death!

What's more, she did it when she was half a step away!

Originally, this beautiful woman always thought that no one in the world could do this again

But now, there is a Ye Chen!

The most important thing is that ye Chen's cultivation is much lower than that of her time. She is just a mending the sky and nine layers of heaven exist!

Does this not mean that ye Chen's qualification, even, is still above her?

Think of here, her that pair of stars like beautiful eyes, in addition to curiosity, but also more than a wipe not to accept!

"Well?"

Ye Chen, in the battle field of blood heart, suddenly has a look. He looks back at the attic in the sky.

The beautiful woman saw this, and the shock color on her pretty face became more intense and said: "not only is the strength excellent, but also the power of spirit and soul is so strong? Found me? "

And that originally wanted to wipe out Ye Chen's black robed maid, now is also incomparably shocked!

She suddenly found that she may not be ye Chen's opponent!

The woman in black asked solemnly, "Miss, do you need to report this to the master?"

With a smile on her face, the beautiful woman shook her head and said, "jade face, such an interesting thing, you can't let it out, otherwise, I can't spare you."

That is called Jade face black robe woman heart one Lin way: "is!"

Ye Chen took back his eyes, he just felt a strong man's attention, but the other side does not seem to have too much hostility.

However, ye Chen's eyes are also dignified, this holy city is indeed crouching tiger, hidden dragon!

At this time, Xuanyuan finally managed to get up from the ground with great difficulty. He pulled all the blood heart worms off his body. In his eyes, he was afraid, lucky and unbelievable

And, intense excitement!

He knew that his own blood strength was far higher than that of ordinary Xuanyao people, so his vitality was incomparable with that of ordinary Xuanyao people. Otherwise, even with the blood heart insect in his body, he would die!

Ye Chen's strength is against the sky, beyond imagination!

Compared with him, all the nine holy places of Xuanyao family are dog excrement, even the xuanqu, which is known as the first demon!After all, it's good to see some of the xuanjue on the stone, but some of them have met with xuanjue

Xuanjue, who was preparing to escape a second ago, suddenly slapped his thigh and said, "Ye Chen, this big brother, I have confirmed it!"

Xuanjue is a jerk in the holy city. He has the same strength, talent and background. However, he has only one advantage, that is, he knows how to grasp the opportunity!

He knew that his chance to turn over in his life was coming!

But at the moment, ye Chen is facing Xuanyuan smile way: "I said, I am very strong, now, do you believe it?"

"Mr. Ye, I apologize to you!"

Xuanyuan first took a pill to help him recover. Then he bowed deeply to Ye Chen, and his face was full of awe.

Xuanyao clan, more than the human worship of the strong!

In the Terran, if you have a bad background, you can despise all demons, and you don't have to give any young genius the slightest face. However, the Xuanyao clan is not the same.

Xuanyao clan, even if you have a terrible background, if you are defeated by your peers, you should give due respect to those who beat you!

This is the custom of Xuanyao clan, and also the reason why Xuanyuan is so excited!

He knew that his own opportunity to revenge!

Ye Chen said, "now, can you sit down and have a drink with me?"

Xuanyuan said with a smile, "if you don't dislike it, please follow me."

At this time, xuanjue and xuanxi also came to Ye Chen's side. Xuanjue winked at Ye Chen and said, "take me with you, Mr. Ye. I will certainly be useful to you."

Ye Chen pondered for a moment and nodded.

Xuanjue's information is very accurate. It can be seen that he still has some knowledge of holy city. Maybe he can help xuanjue in targeting xuanqu. Moreover, he is not afraid of xuanjue's leaking secrets and so on.

First of all, after he showed his strength, xuanjue would not do so as long as he was not a fool. Secondly, he was also confident that he would be solved before xuanjue disclosed the secret.

Xuanjue's face was full of joy.

Soon, under the leadership of Xuanyuan, they entered an independent attic after the battle of blood heart.

Chapter 4595

This is the VIP room of blood heart battlefield. Each VIP can have an attic. All the facilities in it are top-notch and provide delicious food and wine.

Xuanyuan arranged a table of food and wine. He asked everyone to sit down and eat. He looked at Ye Chen curiously and said, "Mr. Ye, your last name is ye? Are you not a born Xuanyao people? "

Although the surname of Xuanyao is different from that of Xuanyao, it is different from Xuanyao.

Ye Chen nodded: "not really, but I have joined the Red Star holy land."

On hearing this, Xuanyuan suddenly looked moved and exclaimed, "I remember Recently, a news came out from Red Star holy land. Someone broke the record of Red Star demon pillar. Is that man ye

Ye Chen said, "not bad."

Xuanyuan looked more respectful and even worshipped. He had a wry smile on his face. If he had known the news, he would not have been beaten for nothing!

As the son of the Lord's mansion of the holy moon city, he knew that although there were some differences in the difficulty of each holy land, he could break the record of demon God column, which was absolutely gold content achievement!

At the moment, Xuanyuan completely put down the doubts in his heart!

He poured a glass of wine for ye Chen and said, "Mr. Ye, may I ask if you have any festival with xuanqu?"

Ye Chen's eyes flashed slightly: "do you know that xuanqu is going to get married recently?"

Xuanyuan nodded his head and said, "this matter is quite a sensation in Shengtian city. It is said that xuanqu will even hold a grand ceremony to worship ancestors in the city!"

"Ancestor worship ceremony?"

Xuanyuan said: "this is the tradition of our Xuanyao clan. Before the ceremony, men and women are not allowed to contact each other. Only after the ceremony can they get married! Xuanqu is using this way to prove his intention

Ye Chen smell speech, eyes slightly a sink, open a way: "I just come for this matter."

A flash of light flashed in Xuanyuan's eyes and said, "I heard that the woman who married xuanqu came from the Red Star holy land. Is it possible that..."

Ye Chen drank a cup of wine and said in a coagulant voice, "the woman who was taken away by xuanqu is regarded as having made an engagement with me."

Although the engagement between Ye Chen and Xuanyuan is not his original intention, since he has decided to stop it, then he needs a position!

But between two people that some inexplicable engagement, is the best position!

The hatred of robbing his wife, no matter in any race, is a great hatred!

Xuanyuan heard the speech and flashed a happy look in his eyes!

Such hatred, even more than their own ah!

Ye Chen is really the most suitable ally against Xuanqu!

He clenched his fists fiercely. Over the years, Xuanqu asked for the inner part of the Holy Moon City and humiliated his Xuanyuan. This time, he wanted to recover it!

At this time, Ye Chen said again, "Brother Yuan, I want to know how the overall strength of the Master's house of Shengyue City is compared with that of the Lord's house of Shengri City?"

In Xuanyuan's eyes, Shen Mang said: "No match! Although the Holy Day City is the first of the nine Holy Places, it has been in decline before Xuanqu appeared. However, Shengyue City has been rising strongly in thousands of years. If Xuanqu did not suppress me now, the strength of Shengyue City might even have surpassed that of Shengri City!"

Hearing this, Ye Chen nodded with satisfaction and said with a smile: "I heard that over the years, the evil spirits of Shengyue City and Brother Yuan have suffered a lot in Xuanqu's hands?"

"Yes

Thinking of Xuanqu's various behaviors, Xuanyuan hated his breath and began to be irritable!

Ye Chen said: "I can help you deal with xuanqu, and what I need is the support of the Lord's office of Shengyue city. As long as the forces behind you can restrain the strength behind xuanqu, I promise you, this time, the first genius of the Xuanyao clan will surely experience what it means to fall from heaven to hell."

What ye Chen is most afraid of now is not xuanqu itself, but the Lord's mansion of holy day city!

With the support of Shengyue City, xuanqu is just a mole ant to him!

"Good! This matter is settled! "

Xuanyuan did not hesitate, immediately should come down, he and ye Chen's idea coincided!

To tell you the truth, shengyuecheng has always been fighting this idea, but Xuanyuan has always been unable to surpass xuanqu! Even if there is no big difference between them! But the strength shown by the same realm is just like a natural moat!

CHEN Ye, it's totally different now!

However, soon, Xuanyuan frowned and said, "however, the xuanqu has been closed and preparing for ancestor worship ceremony recently. I'm afraid it's not easy for Mr. Ye to see him!"

"Is it?"

When ye Chen heard the speech, he also frowned slightly. But soon, his brow was relaxed and he said, "brother yuan, what is the xuanqu in the holy city very concerned about?"

Xuanyuan heard the speech and pondered. At this time, xuanjue said in advance: "Mr. Ye, I think it's the black market."

Hearing this, Xuanyuan's eyes moved, but there was also a flash of worry "Black market?"

Ye Chen eyebrow tip a pick way: "say to listen to."

Xuanyuan said: "Mr. Ye, you have to pay a high rent for the shops in the holy city. Therefore, a large part of the income will be contributed to the Holy Spirit clan. However, in fact, most of the real income of Shengyue City, SHENGRI city and the top holy places are above the black market!

It can be said that the black market is the real lifeline of the holy city! For example, Saint moon city, 70% of its annual income, comes from the black market of holy city!

And I heard that xuanqu was in charge of some street stalls in holy day city!

If you want to be the successor of the city Lord's mansion, you should not only have strength and talent, but also have certain ability to manage this aspect!

And these black market streets are his best touchstone to prove himself. How important they are to xuanqu, you can imagine! "

The more Ye Chen listened, his eyes brightened, and he said with a faint smile: "very good, brother yuan, send a message to xuanqu for me, let him release xuanya today, and kneel down in public to apologize in Red Star Holy Land! Otherwise, his business in the black market, I will let him, not to do! "

Xuankun and many of the clansmen of Red Star holy land were badly injured in this battle!

Just let xuanqu kneel down to apologize, it's cheap for him!

"But..." But at this time, Xuanyuan hesitated to say: "if you really want to move to the black market, then, things will be big..."

How to look at Ye Xuan Yuan? Dare not? Then, I'm afraid that the city of holy day will ride on the head of holy moon all my life. "

When Xuanyuan heard the speech, his eyes flickered. Finally, he showed a resolute look and said, "dry! However, this matter is of great importance. If it is not handled properly, it will lead to a war between the two holy places. Therefore, I want to discuss with the elders of my family and ask Mr. Ye to wait here later! "

Chapter 4596

Said, he will be a message jade Fu, throw to Ye Chen way: "something, can contact me, I will be back soon."

Ye Chen nodded his head: "know, you go."

After giving a gift, Xuanyuan's figure flashed and disappeared from the room.

Half an hour later, Xuanyuan went back to the attic and said with great excitement: "Mr. Ye, I have decided to support your plan! The message you want to send to xuanqu has also been sent out! "

Soon, ye Chen defeated Xuanyuan with a sword in the battle field of blood heart, and even the blood heart worm was killed by exhaustion. It was widely spread in the holy city!

Just as everyone was talking about it, a news spread!

That is, ye Chen is a direct provocation of xuanqu!

Ye Chen's news, in the eyes of the public, is completely provocative!

Strong to the extreme!

"What is it, boy? Let xuanqu kneel down to apologize, tired of living? "

"Ha ha, I see, there will be another dead man in the holy city, and it will be a tragic death."

"Ye Chen is not as simple as you think, but I saw with my own eyes that he completely defeated Xuanyuan with one sword!"

"Really? Is it not Xuanyuan's carelessness? "

.....

At the moment, in a very imposing mansion in the holy city, a young man with a very proud and handsome face was sitting on his knees in the middle of a secret room, as if he was practicing something. Suddenly, his face moved, his eyes opened, and his figure flashed, and he disappeared from the chamber.

In the twinkling of an eye, the young man appeared in the living room. A middle-aged man with a moustache was waiting there. When he saw the young man appear, he saluted him and said, "master."

This man is the evil spirit of holy day city, xuanqu!

Xuanqu frowned: "xuantu, what's the matter? I didn't say, don't disturb me in general? "

Xuantu said solemnly: "childe, no good, ye Chen of the Red Star holy land has come to the holy city, and he has become an alliance with Xuanyuan. This is the message they sent to the young master..."

He took out a jade slip and handed it to xuanqu.

Xuanqu took over the jade slips, and the next moment, his eyes were filled with anger and crushed the jade slips in his hands!

He was very angry and said with a smile: "ha ha, that's a big tone. If you want me to kneel down, you have to do my black market business?"

Xuantu some worried way: "childe, how to do? There have been several big deals on the black market recently. Should we postpone them for the time being? "

"Postpone?"

Hearing this, xuanqu said with a cold face: "what can be postponed? Am I really afraid of Xuanyuan and a boy who mends heaven? Send me a message to let Xuanyuan and the guy named Ye Chen come and have a try if they are not afraid to die. I want to see how he can make my business impossible! "

Xuantu frowned and said, "this..."

Regardless of the rumor, ye Chen's one move to defeat Xuanyuan is true or false, but Xuanyuan himself is not a small battle force, ah, it is really possible to destroy their business!

It doesn't matter if you have xuanqu as a master in your daily life. But recently, xuanqu is practicing a skill. At a critical moment, he can't be distracted from taking care of his business!

Xuanqu said in a cold voice: "I know what you are worried about. Hum, it's just a Xuanyuan. There's nothing to worry about. Recently, there are three big businesses. I ordered xuanzhu, xuanming and xuanlu to be recalled and let them take charge of the transaction."

These three people are not from the Lord's office of holy day city. Facing Xuanyuan, xuanqu will not use family power, because in that case, it may lead to a war between SHENGRI and Shengyue!

Xuanzhu and xuanzhu are the local Xuanyao people in Shengtian city. Xuanqu spent a lot of money to make friends with the three people and cultivated them into their own confidants!

These three people's strength is extremely strong!

Xuantu nodded, but his face was still dignified: "yes, although xuanzhu is strong, there is still a small gap compared with Xuanyuan..."

Xuanqu said in a deep voice: "let the three of them take my three Yanghuo Tianjiao with them! And, everyone, bring three more dark Yang guards

Xuantu smell words, eyes appear shock color!

The Lord of the holy moon city is famous for his axe, so the master of the city is famous for his skill of controlling animals!

Xuanqu's father is very good at training and controlling monsters, and even achieves the realm of human and animal integration. He fights with them, and his strength is doubled!

Xuanqu also began to cultivate monsters from the beginning of urination. These three yanghuotianjiao are the most outstanding existence that xuanqu has cultivated. Driven by xuanqu's animal control skills, they all have the strength of nearly half a step!

Dark Yangwei is a kind of existence of half human and half corpse. Originally, these dark Yang guards, originally, were strong martial arts men of foreign nationalities. They entered SHENGRI city by accident. After being captured, xuanqu refined them into living dead who could only obey orders and were extremely strong in flesh!

This is very similar to the puppet created by the emperor's Tianxin magic Dafa! There are nine names in xuanyang sect!

This time, in order to defeat Ye Chen and Xuanyuan, xuanqu can be said to be the bottom card, showing the strength of its operation for many years!

Xuanqu sneered: "Xuanyuan that fool, think he and I only have a gap in martial arts? Hehe, I have been preparing for my own power, and what about him?"

Just playing in the bloody battlefield every day! Tell them to kill the boy named Ye Chen directly. Xuanyuan is also seriously injured. I want him to remember that his Xuanyuan can only live at the foot of my xuanqu! "

"Yes

After xuantu left, xuanqu's eyes flashed and murmured to himself, "now that these cards are exposed, it doesn't matter. When I practice this skill, no one can shake my status as the first demon of Xuanyao clan!"

Xuanqu released the news, soon, also spread in the holy city!

All the people in the holy city are extremely excited. The two evil spirits, together with the mysterious Ye Chen, are about to collide again!

Under the ground, there is a square city, which is the black market of holy city.

Originally quite cold black market, this day, but it seems very lively, people come and go, many Xuanyao people have poured into the black market.

The reason is very simple. They are not here to buy things, but to witness how ye Chen and Xuanyuan made xuanqu's business impossible!

People are looking forward to this conflict!

In the market, men and women in a shop are very nervous. This shop is one of the stores managed by xuanqu. Today, they have a big deal to do!

A young man like a shopkeeper yelled: "what are you doing in this way! Believe in Mr. xuanqu, is it that these clowns can offend you

At this time, a figure suddenly appeared outside the shop, from the thick darkness, towards the shop!

Chapter 4597

All the people in the shop were shocked!

Is it Xuanyuan and ye Chen coming?

However, soon, the young man dressed up by the shopkeeper, with a look of ecstasy, welcomed him and said, "master xuanzhu, you are here!"

The visitor is a young man dressed in red armor. His breath is very deep, just like a mountain. This person is xuanzhu!

Xuanzhu light way: "childe sent me to look after the business."

And behind xuanzhu, there was also a huge figure. The pupils of the people shrank. Looking at the figure, the air around the shop became hot and dry!

What appeared in front of them was a dragon of red gold and ten Zhang long!

Yanghuo Tianjiao!

It's Yang Huo Tian Jiao!

People are gaping at the giant beast. Unexpectedly, xuanqu even used Yanghuo Tianjiao!

For a while, their faces were all smiling at ease. There were Yanghuo Tianjiao and xuanzhu sitting in the town. Even if Xuanyuan came, they could only be crushed!

The sun fire sky Jiao, suddenly turned into a red light, body size constantly shrinking, fell on xuanzhu's shoulder.

With the passage of time, there are more and more Xuanyao people outside the shop. They gather outside the door to wait for the arrival of Xuanyuan and ye Chen!

However, waiting to wait, but they can't help wrinkling their face, ye Chen two people have not yet appeared!

They can't help but question: "hum, Xuanyuan and ye Chen have put out big words. Now, can't they dare not come?"

"In front of master xuanqu, these two people are not worth mentioning."

"All go back. It seems that Xuanyuan and ye Chen are counselled!"

All the people in the shop looked at each other and laughed. The trading time was coming. If Xuanyuan and Xuanyuan did not show up, they would not appear.

At the time when everyone thought Ye Chen would not come, suddenly, a sound of foot steps was introduced into everyone's ears!

I saw a figure walking slowly towards the shop. Soon, a young man with a cool look appeared in their vision.

All people, see this young moment, are eyes a bright!

Butianjing, in her twenties, is a little bit worse than the ordinary Xuanyao people. It is exactly the same as ye Chen in the legend!

Ye Chen is here, and alone!

All the onlookers were excited and had a good show to watch!

Among the crowd, a woman in a black robe and a mask, holding a pearl, looms over the area.

In the attic above the bloody heart battlefield, the beautiful woman's mouth with a touch of smile, looking at the projection screen on the crystal screen in front of her, she has a little expectation in her beautiful eyes.

When ye Chen is still tens of meters away from the door of the store, a man in red armor suddenly appears at the door, stares at Ye Chen, and says in a cold voice, "stop."

At the moment, xuanzhu's whole body breath, into the air, guard outside the shop, as if not a person, but a mountain, an iceberg overflowing with cold air!

That kind of onlookers can't help but quit a few steps and step back instinctively!

They don't feel like they're frozen!

However, ye Chen stopped and looked at Xuan Zhu quietly.

Xuanzhu said coldly, "are you ye Chen?"

Ye Chen said, "I am."

Xuanzhu smelled the speech, and his breath became more and more cold. He said in a deep voice: "I'll give you a chance to turn back. If you go one step further, you will die!"

All the people are a spirit one Lin, they know, Xuan Zhu's words are not a threat!

At the moment, the shop has been strong to almost into the essence of the killing shrouded!

Ye Chen smell speech, but smile, do not care to smile, he light way: "I said, to let your business do not go on, so, I can't go."

The next moment, step move, then continue to move forward!

"Hum! I don't know what to do

Xuan Zhu Leng hum a way: "dark Yang Wei, hands on!"

After that, xuanzhu turned around and walked towards the shop. In his opinion, ye Chen was already a dead man!

What he really fears is not ye Chen, but Xuanyuan!

Moreover, he thinks that ye Chen's ability to defeat Xuanyuan is just a play played by two people!

Every dark Yang guard has at least the highest accomplishments of Shiyuan, and his strength is even higher than his realm. He is good at combining skills. I'm afraid that those who are really strong in half step may not be able to defeat them!

Ye Chen, this kind of sky mending waste, has only one result in front of dark Yang Wei, that is, death!

At the moment, the crowd of onlookers is a change in color, pupil crazy contraction, only a shadow, suddenly appeared behind Ye Chen, no sign, no fluctuation, like ghosts, silent!

This is dark Yang Wei?

The shadow turned into substance. It turned out to be a middle-aged man with a shrunken figure, a thin, purple skin, and many runes engraved on it! One hand, five fingers together, it is like thunder general, toward Ye Chen's heart stab!

Everyone saw this, and their eyes trembled!

This dark Yang guard is so weird!

The art of concealment can be called the best. Moreover, because the dark Yang guard is a living dead person, if there is no breath, it is more suitable for hiding!

It's really surprising that ye Chen, the mysterious demon who defeated Xuanyuan, will fall in this blow?

At the time when people think so, it is suddenly a flower!

Ye Chen turned around at a very fast speed and looked at the stabbing hand calmly

In fact, even he was quite surprised by the concealment skill of the dark Yang guard. The concealment method was really powerful, and even he almost ignored it.

However, the power of Ye Chen's mind is more rebellious than this hidden art!

That dark Yang Wei, still can not escape his exploration, the next moment, ye Chen casually raised his hand, then tightly grasped the wrist of dark Yang Wei!

"Well?"

Xuanzhu, who had already walked towards the store, suddenly turned back. After seeing this scene, his eyes were full of disbelief!

Ye Chen didn't die?

Not only did not die, on the contrary, extremely easy to grasp the hand of dark Yang Wei?

You know, dark Yang Wei's body, after a special secret medicine soup soaking, single theory of strength, than the general half step still exists, but also a lot bigger!

However, in front of Ye Chen, the dark Yang Wei is just like a baby!

Ye Chen is about to raise his fist and blow to the head of the dark Yang guard. Suddenly, his face moves. He takes the body of the dark Yang guard as a stick and throws it behind him!

Bang bang!

Two muffled sound, only to see, two purple figures, suddenly appeared in the air, severely hit on the ground, the whole square city, seems to shake a bit!

Chapter 4598

Ye Chen's body, there are two more pits, two purple figures, lying in the pit, obviously, are the other two dark Yang guards!

And these two people, holding a very high grade, black air around the whole body, obviously contains a highly toxic dagger!

The sneak attack of three dark Yang guards has no effect in front of Ye Chen!

The dark Yang guard, who was caught by Ye Chen, suddenly waves his hand and cuts off his palm from his wrist. His body shape disappears again. The two dark Yang guards on the ground disappear.

If not ye Chen's hand, still holding that broken hand, everything seems to be an illusion!

Ye Chen threw down the broken hand and went on walking towards the front. Suddenly, three figures appeared again. This time, a black jade sword appeared in the hands of the three dark Yang guards, forming a kind of formation and trapping Ye Chen in the center!

Xuanzhu saw this, and a light of joy flashed in his eyes. The power of the three Yang Sword array is very great. Even if a real warrior wants to survive this attack, there is a certain degree of difficulty!

He believed that this time, ye Chen would surely die!

At the next moment, the three black jade swords erupted, and three black suns were suspended above the heads of the three dark Yang guards. The three suns reflected each other, and the sword spirit suddenly became fierce!

They danced the long sword in their hands and held the rolling sword spirit. At the same time, they stabbed at the three vital points on Ye Chen's body at the same time!

Even though they were quite far away, they still felt the terrible sword meaning that the gods and spirits would crack in the three Yang Sword array!

This Sanyang sword array is very frightening!

The joy on xuanzhu's face became more and more intense. The three Yang Sword array was very fast. Once trapped, there was almost no chance to escape. Ye Chen was already a dead man!

Ye Chen's eyes flash slightly. These three black sword lights are really very fast. They are almost a hundred million times of breathing time. They are going to hit him. They can be called the speed of light!

But is the speed of light the fastest speed in the world?

The corner of Ye Chen's mouth raised a sarcastic smile. At the next moment, an extremely surging spirit wave came from its eyebrows!

Originally should be invisible and immaterial soul power, at the moment, but seems to turn into a gray storm, instantly will the three dark Yang guards, completely submerged!

Only mind is the fastest speed in the world, and soul skill is mind attack. Therefore, even if these three swords can reach the speed of light, they still can't surpass Ye Chen's soul skill!

The three swords, in the gray storm, instantly fixed in front of Ye Chen's position!

All of us were shocked to see this scene. All of a sudden, the three dark Yang guards fell to the ground.

Originally, Prajna, the living dead, has no vitality. It disappears completely. Dark Yang Wei, death!

Although the dark Yang guard has been refined into a living corpse, there is still a remnant soul in the sea of knowledge, which is completely destroyed by Ye Chen's soul skill!

This seemingly incomparably difficult dark Yang guard was killed by Ye Chen so lightly

Ye Chen steps again and walks towards the door of the store, and Xuan Zhu has completely turned around and looks at Ye Chen pale!

His eyes, crazy trembling, now, he has understood those rumors about ye Chen are true!

The people in front of us really have the strength to suppress Xuanyuan!

For a moment, his body was almost rigid. It seemed that he was not a youth who mended the sky, but an ancient beast that ran across the vast land!

Ye Chen every step, he has a feeling of being trampled by the Dragon elephant!

Ye Chen gazed at Xuan Zhu and said with a playful smile: "how, are you not going to kill me? No more? "

Xuanzhu was sweating all over his body and felt unprecedented pressure. However, at the moment, the Yanghuo Tianjiao hidden under his shoulder clothes suddenly moved. That day Jiao was actually under xuanzhu's skin, and a red line was emerging behind xuanzhu's back!

Xuanzhu was biting his teeth, supporting and restraining his impulse to retreat and escape.

He is very clear that ordinary animal control skills, even with the cooperation of Yang Huo Tianjiao, it is impossible to defeat Ye Chen!

Therefore, he wants to use a move xuanqu pass to his taboo means!

Using this method will greatly consume the essence and blood of Yanghuo Tianjiao, and even damage and its blood origin. However, its power is also extremely powerful!

At present, only this move can defeat the extremely strange young man in front of him!

Looking at Ye Chen who is still slowly approaching himself, xuanzhu's corner of the mouth appears a faint smile. It seems that his luck is still good!

If there is any flaw in this move, that is, to use this move, you need to prepare in advance!

And in preparation, if the enemy has found out, to its hand, then, he can not play any of the power of Tianjiao!

If Xuanyao people, the Xuanyao people living in Shengtian City, will not be unfamiliar with this move, because xuanqu once played it, and it can be said that he became famous in the first World War. However, his good luck is that ye Chen is obviously not the Xuanyao family of Shengtian City, or even the real pure Xuanyao clan!So, he probably didn't know he had such a move!

His eyes are more and more bright, can feel a force of horror, surging in the body, is about to succeed, then, ye Chen's death is coming!

But at this time, there was a sudden roar from the top of everyone's head: "Ye Chen, kill him at once. I got the news that xuanqu sent xuanzhu and others to guard their own black market shops, and at the same time, they brought the Yanghuo Tianjiao that he had cultivated for many years!

Now, this guy's breath is very strange. If I'm not wrong, he is now performing a secret skill of the Lord's house of holy day city, which is called the magic power of animal transformation!

this method will be powerful monster, into their own body, in the forced extraction of the essence of the beast, the power of attack, power, no less than this monster! It's terrible. Don't let him use it. Now, kill him! "

In the sky, is a cold young man, it is Xuanyuan!

He and ye Chen together, but according to Ye Chen's instructions, did not appear, but to observe the surrounding movement, to prevent accidents!

This accident refers to the Lord's house of holy day city!

Now ye Chen's only worry is that xuanqu desperation to send the strongmen of the city Lord's house of the holy day city to encircle and kill them!

Xuanzhu's face changed wildly when he heard the speech. He looked at the Xuanyuan in the sky with great resentment. He was one step short, one step short. He was going to use the magic power of animal transformation successfully!

Now, because of Xuanyuan's words, let him fail!

Chapter 4599

Immediately, his whole body began to tremble, his eyes showed a look of incomparable fear, because he knew that as long as ye Chen was not a fool, he would immediately use his soul skills to attack him

And the surging soul power, xuanzhu did not have the slightest resistance of confidence ah!

You could be killed in a second!

But, to everyone's surprise

At the moment, ye Chen seems to have not heard the general, continue to move forward slowly, completely have no intention to start!!!

All people are stupid, ye Chen, what is this to do?

Knowing that others are going to show their unique skills, are you still so slow?

There must be a limit to it, right?

Xuanyuan's pupils shrank, and the whole person was in a panic. He roared anxiously: "Ye Chen! What are you doing!? This magic power of transforming animals must not be underestimated! Come on, now, use your soul skill

Now, Xuanyuan can't do it for ye Chen!

Because it's too late, only Ye Chen can hit the enemy's soul skill almost instantly and stop xuanzhu!

Can, ye Chen is still wandering in idle court?

If it is not because ye Chen's strength is too strong, and he also has great respect for ye Chen, at this moment, we can't help but curse!

How could Xuanyuan not be angry and his lungs would explode!

At the moment, the most happy is xuanzhu!

There was a crazy smile on his face, his mouth was grinning to the root of his ears, his face was red, and his eyes were full of joy and the color of desperate survival!

He thought that ye Chen would attack

Unexpectedly, ye Chen is really a fool!

He was saved by Ye Chen's fool!

In his eyes, there is a very fierce look, and there are obvious changes in his body!

On the top of xuanzhu's head, a pair of dragon horns were born. On the whole person, there were pieces of dragon scales, and there were red and golden flames all over the body, which turned into the form of half man and half dragon!

At the moment, his breath was frantically expanding. For a moment, even Xuanyuan, who was really strong in half a step, felt a thrill!

The magic power of animal transformation is successfully displayed!

Xuan Zhu stares at Ye Chen with a cold smile.

Still up to now?

Then, pretend until you die!

At the next moment, he suddenly yelled: "boy, I admit that you are really strong, especially your aptitude. I underestimate you. However, the world is not strong enough to live long, but the fastest to die are those who have strength but no brain!

You are one of them! Now, die, transform the beast, destroy the beast

A startling, oppressive, dazzling red and golden light suddenly burst out from xuanzhu's body, which turned into a dragon's shape, sending out a terrible pressure!

All the onlookers around were pale and retreated wildly. Even if the attack had not really broken out, it was not aimed at them. However, these people still felt a terrible power that the spirits of gods and spirits would vanish from the golden dragon!

The magic power of transforming animals and destroying animals in heaven is really powerful!

No wonder, xuanqu's family can become the most powerful force in holy day city!

Its deep and unfathomable, even if some of the secret arts randomly spread out are amazing to such a point!

Xuanyuan is also crazy back, he is desperate, completely desperate, he knows, ye Chen is dead, his investment, failed!

What's more, it's blood loss. Not only did it not cause any substantial harm to xuanqu, but also completely formed a Liangzi. What was waiting for him was xuanqu's endless revenge!

The most important thing is that he failed not because of insufficient strength, but because ye Chen was too big!

This kind of oppression, this kind of anger, can not be described!

He never thought that ye Chen was such a person!

If you give him another chance, he will never make an alliance with Ye Chen!

At this time, the Golden Dragon moved, to the eye can not respond to the speed, hard hit Ye Chen!

Almost just an instant, the Golden Dragon fell on Ye Chen's body!

The body is full of energy, which can not be destroyed by the golden leaf!

Xuanzhu was panting heavily at the moment, looking rather weak. Even with his strength, it was not easy to use this move, but it was worth it!

Because, he can be sure, ye Chen is dead this time!

All of us were thrilled to see this scene. On this day, the beast extermination was powerful. Moreover, the light, as if conscious, locked all the power in the area where ye Chen was, instead of spreading it around!

If ye Chen is lucky, he may still be able to survive, but the key is that this move still continues to hurt!Ye Chen is hopeless.

However, the people did not pity Ye Chen, because he asked for it.

Death can be, you have strength, have the capital to pretend, but, can't what situation, all pretend?

Now, play dead!

But no one knows, at this moment, ye Chen in the golden light is actually laughing!

His body is constantly breaking and reorganizing. On this day, the beast extermination is really powerful. I'm afraid that the general existence of the sky should be killed for it. However, compared with Ye Chen's vitality, it is still one notch worse!

You know, ye Chen has suffered a blow from Chen Xi, a strong man in heaven and man, as well as emperor Shitian and the empress of the upper world!

Although in the face of Chen Xi at the beginning, ye Chen used the breath of reincarnation to survive, but that is also in the case that ye Chen was not instantly annihilated by Chen Xi!

That is, ye Chen's physical strength, even in the hands of the real strong, can also support the moment!

It's terrible!

And the most strange thing is, under this attack, ye Chen, there is a trace of enjoyment on his face!

He said with a smile: "Shuo Lao, I can't think of such a good thing. If I didn't have your warning, I might have missed it."

Originally, the reason why Ye Chen doesn't kill Xuan Zhu is not because he wants to pretend that he doesn't have any interest in being beaten. Isn't he a pure fool?

Take the risk to test the strength of the body?

Ye Chen can't do it.

The reason why he wanted to wait for xuanzhu to make a move was because Shuo Lao reminded him!

Shuo Lao told him that this beast is magical, and the beast is extinguished. It is the essence of the essence of Yang fire Jiao Jiao, which is similar to self destruction.

What is Jiaolong?

Jiaolong, in fact, is a race born of the mixed blood of dragon and demon. The reason why the dragon clan and the demon clan are often called the same race is because the dragon clan is not pure blood, but Jiaolong.

Among them, the one with high blood purity is called dragon, while the one with low blood purity is called Jiao.

Many people think that Jiao must be weaker than Dragon.

Actually, it's not!

For example, the Yang Huo Tianjiao is the descendant of the demon beast and the dragon clan. The blood power of both sides is extremely extraordinary. Therefore, when the heavenly beast is put to use, this kind of power can break out!

in the face of this move, ordinary people may only use hard body resistance, but Shuo Lao can absorb some of the essence of dragon blood vessels. The essence of

is useless for what is now lost, but he can give it back to Ye Chen!

In this way, it can make ye Chen's dragon blood more powerful.

Therefore, ye Chen will be hard to eat xuanzhu this blow!

Chapter 4600

Finally, the golden light began to disappear. However, the area where ye Chen was located became a dark one!

Vanishing darkness, all things are turned into nothingness, the whole space is like a black hole, even light is annihilated for it!

They all felt a chill. In their eyes, no life could survive in the dark

Xuanzhu gave a cold smile and took out the Yufu. He wanted to contact xuanqu. Well, killing Ye Chen is a great achievement. I think he can get a great reward.

But just then, suddenly, a voice sounded in the silent black market.

All of us, the pupil is a tremor, the face appears incredible color.

They slowly turned their eyes and looked at the place where the voice came from

This voice, unexpectedly It's from that dark space!

"PATA, PATA, PATA."

The voice, very light, can fall in the ears of all, but it seems to be a bell ringing beside the ears!

Especially xuanzhu!

At the moment, his smile has completely frozen!

He doesn't understand why?

Why, clearly should be empty in the dark, there will be sound?

The sound, it seems, is

Footsteps?

This burst of footstep sound, simply, will xuanzhu's brain, shock rotten!

Just then, a young man came out of the darkness with a pale face. It seemed that he shook his head in disappointment and said, "xuanqu, let you use this to deal with me? Yeah? Don't you think you look down on ye? "

All of us are like ice sculptures. Looking at this scene, we can see the dark abyss of despair. At the moment, we seem to be reborn again!

Ye Chen didn't die!

Not only didn't die, but also, it seems, not even hurt!

On the contrary, after receiving xuanzhu's blow, the spirit of spirit is better!

in fact, ye Chen has absorbed a part of the dragon's blood essence, body constitution, vitality and so on.

"No way!"

Xuanzhu saw this, crazy, roared, scared to the soul!

Under the extermination of the beast, ye Chen is still alive?

This Is this a man or a ghost?

He really can't understand!

But all of a sudden, Xuan Zhu's face suddenly emerged a cruel intention, staring at Ye Chen, his eyes a piece of blood red, killing rage!

Ye Chen saw this, his eyes brightened, and said, "it seems that you still have a second hand? Yes, I'll give you another chance. This time, I hope you don't let me down

What?

Everybody's jaw is going to fall to the ground!

Ye Chen ate a move, not enough?

Haven't learned a lesson yet?

Do you want to keep the waves going?

In the face of life and death, give the other side another shot?

This is a master of death!

Even the brave and arrogant Xuanyao people have never seen such a dead guy

However, this time, people's mood is completely different!

They began to look forward to it!

They want to know how far Ye Chen, who is able to survive without any damage, can go against the sky?

Xuanzhu's face was full of green veins, extremely ferocious way: "Ye Chen, I will certainly let you regret it!"

At the next moment, his eyes suddenly burst out, his whole body muscles were twisting and shaking, and his breath was soaring at an incredible speed!

This Yanghuo Tianjiao was cultivated by xuanqu with painstaking efforts. Naturally, it can't be wasted at will. Therefore, for the first time, he used tianwumie. At present, he can't resist Ye Chen, so he uses the 10000 beast meteor!

This time, there is still a red dragon, emerging behind xuanzhu. However, different from the previous one, the former one seems to be composed of light, but this time the dragon is lifelike, just like a living creature!

The dragon, issued a very desolate wail, and then, in a flash, appeared in front of Ye Chen, roared down!

With a loud bang, the whole underground black market was in a frenzy of turbulence, and a red gold light area reappeared. This time, even though the power of this time was still completely concise and restrained, the breath that was released was enough to make those Xuanyao people who were watching spit blood!

How terrible!

If you look at it, you will be blind!

The power of this move is at least seven times more powerful than that of the beast!

Even, it's ten times!

This time, can ye Chen create miracles?

After performing this move, xuanzhu was completely powerless. He was half kneeling on the ground, and his whole person looked dozens of times old. His eyes were fixed on the shining area, and his eyes were eager.

Longing for ye Chen to die!

Death!

Die of arrogance!

The breath of endless extinction, from the light, at the same time, there is a smell

Bloody smell!

Extremely strong smell of blood!

When xuanzhu heard the smell of blood, his face was filled with ecstasy. He knew that this time, ye Chen could not be undamaged. Moreover, the strong smell of blood would grind the whole person into flesh and blood mud. Is that all?

Ye Chen is probably dead!

Finally, the area of light disappears again, and a dark void disappears again

All of them, with a hundred thousand concentration, were watching the dark space to see if there was any news coming out

Can, a stick of incense in the past, still quietly!
