Chapter 4721

In the past two years, Yang Zixin's biggest wish was to meet her again.

In contrast, for the so-called Yang Zhen domain first evil is not too much interest.

At this time, a small girl came to Yang Zixin and said excitedly, "Zixin, Mr. Ye is coming. Maybe we will have a chance to meet him tomorrow! Ha ha ha, tell you quietly, recently, I often dream of Mr. Ye! "

This girl, named Chen keying, is Yang Zixin's good friend in the family.

Yang Zixin smell speech, can't help but smile, Chen keying what is good, is too crazy.

She couldn't help saying, "keying, I advise you not to have too much hope. To meet Mr. Ye is in the holy palace. We have 20000 female disciples. How can everyone go to the holy palace?"

Hearing the speech, Chen keying seemed to have been greatly hit and stood in the same place.

Just then, a bell rang.

At the moment of hearing the bell, all the female disciples of the female palace moved and walked towards the square of the female palace.

The bell rings, indicating that the young palace master has something to announce.

The most excellent disciples of shengxuandao palace, female palace and Xuangong palace will become the master of Shaogong.

The young master of the female palace was named Li Xingqi.

In the middle of the square, standing a girl with cold temperament, wearing a green gauze skirt, plain faced but extremely beautiful, tall girl.

She is Li Xingqi.

Originally, the female disciple who had a lot of discussion was quiet in front of Li Xingqi. Obviously, she has great prestige in the hearts of people!

If we say that Yang Zixin's appearance is a first-class existence in the female palace, Li Xingqi is comparable to it!

They are the most beautiful women in the female palace!

The full score is 10, all above 9.5, and there is hardly any place to be picky. The only thing that can be flawed is that Li Xingqi's chest seems to be flattened.

However, even in the whole Yangzhen area, both of them are top beauties!

However, in terms of strength, Li Xingqi is enough to explode Yang Zixin!

Li Xingqi's age, less than 1000 years old, is already a source of the peak existence!

Compared with the evil spirits of the thirty-six mansion, it may be a little worse, but it is also extremely outstanding!

Li Xingqi said faintly: "you should have heard that Mr. Ye Chen of Yangzhen district will come to our holy xuandao Palace tomorrow. The Taoist master has ordered that the Xuangong and the female palace, 50 disciples from each school, meet Ye Gongzi..."

"Although the realm of this young master Ye is not high, his potential is terrible. The Taoist master has the skill of deduction, and can not deduce the future of this man. The Taoist master suspects that his future achievements will step into the realm of heaven and man and become the most powerful one."

At this time, a female disciple asked excitedly, "young palace master, what is the selection criteria?"

For a moment, people's hearts are raised, staring at Li Xingqi.

Li Xingqi smelled the words, and the expression on her pretty face was somewhat unnatural: "well The Taoist master said, this young master ye It seems that I quite like Therefore, Xuangong selects women according to the standard of strength, while female palace selects According to the standards of beauty Taoist master, I have already given me the list. In addition to me, there are 49 places left. Next, those who read their names will come out and line up in front of me. "

"Achoo!" At the moment, ye Chen, who was on his way, suddenly sneezed. He touched his nose helplessly and said strangely, "is someone saying bad things about me?"

No longer thinking about it, ye Chen continues to rush to shengxuandao palace. He believes that with his achievements in the Yangzhen realm, he can open the gate of shengxuandao palace to welcome him.

At this moment, the female palace.

To tell you the truth, Li Xingqi is disgusted with this selection method

She has her own pride and doesn't like the feeling of being treated differently!

However, she is very clear that ye Chen's potential directly points to the existence of heaven and human realm, which is not something she can disobey. Since ye Chen likes female sex, although she doesn't have this idea, if she is taken in by Ye Chen, she can only obey

But, she feels disgusted, the others don't think so!

Ye Chen likes female sex, which is great news for most female disciples in female palace!

Because, this is a good chance for them to change their fate!

If you can be seen by Ye Chen, even if ye Chen is just playing, as long as there is a little relationship between Ye Chen and ye Chen, it will bring them great benefits?

At least, the treatment in shengxuandao palace will be quite different!

However, some people in the square are happy and others are worried. It is not because ye Chen likes women, but because they are not beautiful enough!

Chen keying pursed her lips and bowed her head in some grievances. Her appearance was also very outstanding. She was more than nine points, but she was a little petite and not a top beauty. At least, she could not be ranked in the top 50 in the female palace full of beautiful women

However, soon, her eyes brightened and she looked at Yang Zixin and said, "Zixin, with your appearance, you can definitely see Mr. Ye. You should have a good look. When you come back, tell me what Mr. Ye looks like!" Yang Zixin smell speech, helpless smile way: "well, I know."

Although she is not interested in the young demons in the Yangzhen region, she is still more or less curious

Curious, this ye Chen and at the beginning of their own understanding of the youth, in the end there is no relationship?

Therefore, to get this opportunity, her heart is also happy!

"Yang Zixin, Wu Lingya, Lin Ziqi, Yu Fei, Tan Yueyue..."

Soon, forty nine female disciples came out of the crowd and formed a line.

And standing in the front of the team is Yang Zixin!

All the female disciples in the female palace looked at Yang Zixin with great admiration. Although there were 50 female disciples selected, the only women who could really be noticed by Ye Chen were the three women in the top three of the queue, including Li Xingqi?

After all, ye Chen must be sitting on the main seat in the holy palace, while the disciples of Xuan palace and female palace are arranged on both sides, and the people in the rear are likely to be blocked by pillars, peers, etc!

As the little palace master, Li Xingqi may not stand in the team. So, the first person in the team, what ye Chen can see at first sight, is probably Yang Zixin!

At this time, a woman came out of the line, and people's eyes flashed at the woman.

This woman is also very beautiful and hot, but compared with Yang Zixin and Li Xingqi, she is still a grade inferior to Yang Zixin. However, her strength is quite good. Shiyuan has eight layers of heaven!

Li Xingqi looked at the woman and frowned slightly: "Tan Yueyue, what are you doing?"

She is the fifth ranked Tan Yueyue!

Tan Yueyue heard the news that ye Chen was coming, so she was ready!

She must strive for all the women who may become Ye Chen!

Chapter 4722

At least, also want to accompany Ye Chen one night!

For a long time, many people have been pursuing Tan Yueyue. However, she refused all of them. The reason why she kept her body like a jade was not because she was so pure and pure, but because she knew very well that a woman's virginity was one of the biggest capitals!

Now is the best time to invest!

Just think about it, what if Ye Chen takes a fancy to himself and chooses to become a Taoist partner?

In that case, is there anything else she can't get in the whole Yangzhen region?

In the future, you can even go to the outer world with Ye Chen!

This kind of life is what Tan Yueyue wants!!!

Looking at Li Xingqi, Tan Yueyue said casually: "Little Palace master, I want to apply for a change of position with Yang Zixin."

When this was said, everyone was surprised!

You know, this is a great opportunity for any woman to fly to the branch. Even more important than any martial arts chance, Tan Yueyue wants to change?

This kind of behavior is no different from robbing people's chance!

Li Xingqi's expression sank, her beautiful eyes staring at Tan Yueyue coldly and said, "Tan Yueyue, what are you talking about? The ranking is set by the Taoist master. Do you want to disobey the Taoist master?"

When Tan Yueyue heard the speech, she looked as if she didn't have much fear of Li Xingqi. She said faintly: "Little Palace master, the Taoist master just decided on the candidate, but didn't say the

position. Must you come according to the ranking on this list? I think Yang Zixin's strength is too weak, which will damage the face of my shengxuandao palace, so I want to replace her. "

When people heard the speech, they all had a flash of vision. Tan Yueyue's strength was excellent. It can be said that the female palace was second only to Li Xingqi's existence, and her cultivation started from eight layers of heaven!

Moreover, the reason why she is so fearless is not only because of her strength, but also because of her background!

Tan Yueyue's brother is the young master of Xuangong, named Tan Tian!

Although she is also the master of Shao palace, Tan Tian's strength is better than Li Xingqi's, and the Xuangong palace is more powerful than the female palace's. Therefore, Tan Yueyue does not have the awe of Li Xingqi's disciples in the female palace!

When Li Xingqi heard the speech, a faint anger appeared in her beautiful eyes. Just as she was ready to continue to speak, Yang Zixin stood up and said, "Little Palace master, I am willing to exchange places with Tan Yueyue."

As soon as this statement was made, the female disciples below were all unbelievable!

Such a big opportunity, Yang Zixin should give up?

But Li Xingqi, although does not like this kind of way, but, also undeniably, with Yang Zixin's condition is really likely to be ye Chen's fancy, she can't help frowning: "Yang Zixin, think carefully, such an opportunity can't be met, missed will not be."

On one side, Chen keying is worried and ready to offer advice.

Yang Zixin did not hesitate to say: "Little Palace master, I have considered clearly."

Tan Yueyue was overjoyed when she heard the speech. She said with a smile: "ha ha, the younger martial sister Zixin knows a lot about it. If she is taken in by Mr. Ye, she will take good care of you."

Although she said so, she said sarcastically in her heart: "a fool, who has the opportunity to fight for it, is beautiful? I don't know how to use it. I deserve to wait for someone right now. "

People also can't help but feel sorry. Compared with Tan Yueyue, they like Yang Zixin more.

Yang Zixin is not satisfied, she did so for two reasons.

1、 What she likes is Ye Chen, but it's not ye Chen. The reason why she wants to attend this reception is just to confirm her idea. Therefore, it doesn't matter to her whether ye Chen can see her or not, even she doesn't want Ye Chen to see herself.

2、 Li Xingqi has taken good care of her since she came into the school. She is upright. The young masters of the female palace and the Xuan Palace are the successors of the Taoist master. She doesn't want Li Xingqi to have a conflict with Tan Tian because of such a trivial matter, which is not conducive to Li Xingqi's competition for the position of Taoist master in the future.

Li Xingqi was silent for a moment. Finally, she nodded slightly and said, "OK, tomorrow, you will exchange positions with Tan Yueyue Now that the matter has been settled, let's go back to practice. "

She naturally knew that Yang Zixin did this for her own consideration, so she said to Yang Zixin: "you come with me."

With that, he took Yang Zixin to his cave.

Tan Yueyue looked at Yang Zixin with pride and gave a cold smile. Several female disciples who followed Tan Yueyue on weekdays immediately welcomed her and flattered them: "elder martial sister Tan will surely win the favor of Mr. Ye tomorrow."

"Yes, besides elder martial sister Tan, who else can ye take a fancy to?"

"Only elder martial sister Tan is worthy of the son of Ye!"

Tan Yueang gets more angry.

.....

Yang Zixin followed Li Xingqi into her cave.

Li Xingqi some helpless way: "do you know what you gave up?"

Yang Zixin smelled the speech and said faintly, "Shao Gongzhu, in fact, I didn't have any interest in ranking first. I don't like to be superior in this way." Li Xingqi's eyes flashed slightly. Yang Zixin's personality is pure and pedantic. In order to improve his strength and further, he needs to seize any opportunity as much as possible!

However, Li Xingqi and Yang Zixin have the same view. Sometimes, people can't live just for benefit!

In fact, if Yang Zixin said that it was for her not to conflict with Tan Tian, she would insist that Yang Zixin be ranked first. However, since Yang Zixin did not want to, she would not force Yang Zixin.

Li Xingqi sighed: "silly girl, what can I do for you in the future? From today on, don't call me Shao palace master. Call me sister Xingqi. OK, go back."

Yang Zixin hears the speech, smiles and nods, then leaves Li Xingqi's cave.

As soon as he went out, he saw several figures blocking in front of him.

Her eyes flash slightly, in front of her is Tan Yueyue and others!

Tan Yueyue looked at Yang Zixin with some interest and said, "younger martial sister Zixin, what did you say to the little palace master? My sister is a little curious?"

Yang Zixin light way: "nothing, get out of the way."

Tan Yueyue beside several women smell speech, cold drink: "Yang Zixin, Tan elder martial sister and you talk, it's your honor, what's your attitude?"

"Give up the position to elder martial sister Tan, it should be, you don't kick your nose on the face!"

"Ha ha, do you dare to talk to elder martial sister like this after elder martial sister Tan becomes the woman of Childe ye?"

Tan Yueyue narrowed her eyes and said, "younger martial sister Zixin, tomorrow, you'd better not have any idea that you shouldn't have. If it's bad for me, elder martial sister, you won't be let go. Do you hear me clearly?"

Although Tan Yueyue ranked fifth, in fact, there was not much difference between her second and fourth female disciples. The only one who really threatened her was Yang Zixin!

Chapter 4723

Yang Zixin looks at Tan Yueyue coldly, the corner of her mouth raises a smile. In her opinion, such a woman as Tan Yueyue is pathetic.

She said faintly: "I have no interest in the evil spirits of Yang Zhen domain. You don't have to worry."

Tan Yueyue said with a smile: "that's good."

Then he took them away.

In the early morning of the next day, the Taoist masters, elders and others of shengxuandao palace had already stood at the gate of the palace, looking up at the sky one by one, and their faces were full of respectful and expectant colors, waiting for the arrival of the legendary youth!

At the same time, under the leadership of Li Xingqi, the female disciples of the female palace also came to the holy palace.

Walking in the front are Li Xingqi and Tan Yueyue.

Tan Yue is wearing delicate makeup and wearing a light white dress which is very thin, gorgeous and almost transparent. This elaborate dressing makes her look beautiful. Although there is still some gap between Li Xingqi and Yang Zixin, it is close to 9.5!

At this time, dozens of people were walking towards the holy palace, all of them men!

The leader, dressed in black and with a cold face, is the young master of Xuangong, Tan Tian!

Tan Yueyue saw Tan Tian and asked excitedly, "brother, how am I dressed today?"

Tan Tian's eyes lit up and said with a smile: "it's very good! It must attract the eyes of Mr. Ye! "

Tan Yueyue smiles confidently and her eyes become more and more bright. Even her brother says so. It seems that she has a great chance to be taken in by Mr. Ye today!

All of a sudden, a ray of thunder appeared in the sky. In a flash, it came to the palace of shengxuandao. It turned into a blue dragon. It was a flying Thunder Dragon!

A dignified middle-aged man with three long beards under his jaw was shining with light in his eyes. He immediately led the people to salute and said, "welcome Mr. Ye!"

This man is Li zushang, the Taoist master of Shengxuan Taoist palace.

Ye Chen looks light, not unexpected, along the way, he did not hide his tracks, shengxuandao palace got the news in his expectation.

Li zushang sideways a way: "please come with me, Mr. Ye."

Ye Chen nodded, then followed a group of high-rise shengxuandao palace, into the holy palace, sitting on the main seat.

At this time, the disciples of the Xuangong and the female palace entered the holy palace one after another, saluted Ye Chen on the main seat and said, "I have seen Mr. Ye."

Li Xingqi's expression is light, there is no too much expression.

However, Tan Yueyue shows her figure vividly and vividly with every step. She looks at Ye Chen affectionately. She exudes a hot breath all over her body. Coupled with this carefully decorated appearance, she is also quite attractive!

Li zushang some accident, standing in front of is Tan Yueyue, but, see Tan Yueyue show the charm, but also with a smile nodded!

What he hopes most is to have a relationship with Ye Chen!

If ye Chen fell in love with the female disciples of shengxuandao palace, wouldn't shengxuandao palace soar from then on?

It doesn't matter who this disciple is!

Compared with Yang Zixin and Li Xingqi, who don't use Fendai, he thinks that Tan Yueyue may be more suitable for attracting Ye Chen!

At the moment, most of the female disciples are excited!

Although Ye Chen's deeds spread all over the Yangzhen area, there are not many people who have really seen Ye Chen!

Now, seeing me, these female disciples found that ye Chen's appearance was extremely handsome!

For a time, these female disciples, beautiful eyes in the flow of honey, a step is a little unstable, feel the body soft!

Tan Yueyue is extremely excited, the desire for ye Chen is more intense!

In fact, although Ye Chen can be regarded as handsome, he is definitely not so rebellious.

However, women are very emotional creatures. Ye Chen's various achievements have made them extremely obsessed. Naturally, they will subconsciously beautify Ye Chen's appearance!

There is only one person, a dull color appears on her pretty face. Naturally, this person is Yang Zixin!

She couldn't believe her eyes!

Is this an illusion?

as like as two peas in the border area, the evil spirit in the legend is just like the young man he met in the border city.

This appearance, Yang Zixin has seen countless times in her dream, absolutely impossible to admit mistakes!

For a moment, her breath was a little bit short, her pretty face was slightly flushed, and her beautiful eyes were full of excitement. Even, she couldn't help but want to get out of the queue and meet Ye Chen!

But soon, her eyes darkened

Yang Zixin sighed. Now, she and ye Chen are two people in the world

Once, Yang tianwu said that ye Chen and Yang Zixin were people from two worlds. Yang Zixin didn't think so. But now, she found that this sentence is really right!

However, she is not worthy of Ye Chen at all!

Now ye Chen is the real dragon and Phoenix, and what about her? He is just an ordinary warrior who can't be more ordinary! If she meets Ye Chen now, will ye Chen be willing to recognize her?

Maybe you can only get Ye Chen's ignorance

For a moment, Yang Zixin was scared

Ye Chen has a light look. He doesn't care much about these disciples. These female palace disciples are really good-looking and can be regarded as beauties. However, ye Chen is not a character who can't move when he sees a beautiful woman.

But at this time, Xuan Hanyu, who had never made a sound, said softly: "how is this girl here?"

Ye Chen smell speech, slightly a Leng way: "what?"

Xuanhanyu said with a funny smile: "boy, it seems that you have too many women. You can't remember them."

Ye Chen smell speech, eyes flash, faintly feel a very familiar breath.

A look of surprise flashed over his face. He turned his head in an instant and looked at the ranks of the disciples of the female palace!

At this glance, his pupil is suddenly contracted!

That pair of eyes instantly locked Yang Zixin standing in the team!

Li zushang and Tan Yueyue see this, eyes are flashing a touch of joy!

Li zushang secretly said with a smile: "his arrangement is really right. This young master Ye really likes female sex. Otherwise, how could his eyes fall on that side as soon as the disciple of the female palace comes in?"

And Tan Yueyue is the heart straight jump, she thinks, ye Chen is on their own!

Li Xingqi is a tiny frown, and in the beautiful eyes, a look of disdain has been flashed. To tell the truth, she love the achievement of Ye Chen very much. Simultaneous interpreting Ye Chen as her own example, ye Chen really likes women's color as she said, but it makes her disappointed.

Ye Chen moved, stood up from the main seat and walked in the direction of the female palace disciples.

All people's eyes fell on Ye Chen!

Many of her disciples cast envious eyes on Tan Yueyue, who is in the first place.

From their point of view, most of Ye Chen's disciples could not see their faces clearly when they were sitting at Ye Chen's position. However, ye Chen moved so quickly that he probably first noticed Tan Yueyue!

Although Ye Chen is a little disappointed in his heart, he still has to have some proprieties. Seeing ye Chen walking on his own team, Li Xingqi salutes him and says, "Li Xingqi, the young master of shengxuandao palace, has met Mr. Ye."

Tan Yueyue frowns slightly and looks at Li Xingqi with some displeasure. In her opinion, Li Xingqi wants to attract Ye Chen's attention!

She secretly and coldly hum a way: "damned woman, usually installed high, now, than anyone else Sao!"

She took a deep breath and tried to calm down her mood. She did not want to give ye Chen a chance to take care of Li Xingqi. She took a step forward and politely saluted Ye Chen with incomparable Elegance: "I have met Mr. Ye, my female palace disciple Tan Yueyue. I have heard of Mr. Ye for a long time. When I saw him on my own day, I really saw a jade tree facing the wind, and she was a valiant person!"

Tan Yueyue, no matter in action or in conversation, is extremely soft, as if a weak lady in the family, so that men can not help but have a desire to protect!

People see, in the heart almost all have been determined, ye Chen will tan Yueyue accept!

From then on, Tan Yueyue's life will be completely changed!

However, at this time, a scene that people did not think of appeared!

I saw that ye Chen was not even taking care of Tan Yueyue, but she was going to walk away from Tan Yueyue?

What's going on?

Is it not tan Yueyue that ye Chen is after?

Originally with a smile on her face, Tan Yueyue's heart suddenly contracted and her expression was completely stiff!

She didn't even think it would be like this!

Can, have to say, Tan Yueyue is not a simple woman!

When ye Chen is about to pass by her side, Tan Yueyue is suddenly delicate body a soft, flutter in Ye Chen's arms!

However, out of everyone's expectation, ye Chen was still indifferent and frowned slightly and said, "what's the matter with you?"

On Tan Yueyue's pretty face, a very real flustered way appeared: "yes I'm sorry, Mr. Ye, I made some mistakes in my practice last night, and just now I feel dizzy... "

It seems that she has no strength to leave from her side,!

Ye Chen's brow is wrinkling more tightly, in the eye, even appeared a touch of displeasure.

He is a man, good, but, absolutely not see a woman can not control the type!

He is more appreciation, not any strange woman can get Ye Chen's favor.

Ye Chen light way: "since uncomfortable, why to meet me?"

Said, will tan Yueyue pushed Li Xingqi way: "help her down."

Chapter 4724

As soon as this is said, everyone is a bit silly

Don't you say that ye Chen is a good woman?

How do you still look like a stone now?

It's not a good woman. She's just a gentleman among the gentlemen

However, if ye Chen is not lustful, why should he come to the people in the female palace?

This time, Tan Yueyue completely stunned, she secretly bite teeth, such seduction are not?

She thinks that she can also be called a beauty. Ye Chen's indifference is a great blow to her self-esteem!

Sometimes, you say that a woman's martial arts strength is not good, and she won't be angry, but what kind of behavior you have made her feel that you are not interested in her appearance will make the woman lose her mind!

Especially beautiful women!

In the shock of all, ye Chen has come to Yang Zixin's side.

Yang Zixin lowered her head and didn't seem to want to see ye Chen.

And ye Chen's look, also a little embarrassed, he coughed softly: "well Zixin, how are you recently

It's like a hundred thousand thunderbolts, which burst in people's minds at the same time!

It's like they're going to be scared out of their bodies!

What's going on?

Hearing what ye Chen said, he even knew Yang Zixin?

What's more, it seems that the relationship between the two is not so common yet!!!

Ye Chen is in the realm of Yang Zhen. It can be said that ye Chen is extremely evil!

And this evil spirit unexpectedly and Yang Zixin relation is not general!?

Yang Zixin, who was a little nervous, was calm at the moment, and even said coldly, "yes, thank you for your concern."

The hearts of the people trembled again

If you dare to speak with Ye Chen in this tone, I'm afraid there is no second one in the whole Yangzhen area

Hearing Yang Zixin's tone, ye Chen can't help but smile. He knows that Yang Zixin is a little angry with him

But he can understand.

Because at first, Yang tianwu gave Ye Chen a token of the Yang family, which contained information about the Yang family. He knew that the Yang family was a family of yangzhenyu. Originally, after entering Yangzhen domain, he should go to the Yang family and meet Yang Zixin

However, he did not go to Yang's house all the time. What about Yang Zixin?

Ye Chen can be said to be thinking day and night. In a sense, ye Chen is a little disappointed with Yang Zixin.

He scratched his head and apologized to Yang Zixin: "Zixin Sorry, don't get angry. "

When people heard this, their chin would fall to the ground

Did ye Chen apologize?

What's more, the conversation between Ye Chen and Yang Zixin is so ambiguous to the extreme!

It's like a man who makes a mistake and coax his own woman!

Everyone began to fantasize!

In fact, the relationship between Ye Chen and Yang Zixin is vague, and ye Chen doesn't mean that

But he felt that, even as a friend, he was sorry for Yang Zixin, so he said this sentence.

He doesn't think so!

They are almost sure that Yang Zixin is Ye Chen's woman!

Yang Zixin smelled the words, her beautiful eyes flashed for a moment, and on her pretty face, she appeared a girl like innocent smile and said, "then I will believe you once."

Just when ye Chen, ready to say something more, after death, but came a woman's Jiao drink!

Tan Yueyue's heart is almost torn!

She looked at the scene in disbelief, her fists clenched, her nails embedded in her palms!

As a child, Tan Yueyue, who was held in the palm of the tan family like a big lady, has already thought that ye Chen is her. No one can take her man away. She has waited until now, a man who makes her willing to give up her body finally appears

But now, ye Chen is in front of her, flirting with other women!?

She can't accept it at all!!!

Not to mention, just now, she deliberately close to Ye Chen, seduce, now, in the eyes of the public, I am afraid it has become a joke!

Tan Yueyue's blood is burning!

So, she couldn't help crying out: "Mr. Ye, what's good about this woman? Yue'er thinks she's better than her! Although Yang Zixin is beautiful, yue'er is no worse than her. The most important thing is that her martial arts talent is not as good as yue'er, and yue'er is the woman who is suitable to accompany him! "

Li zushang, Tan Tian and other people smell the speech. They are all ugly and look at Tan Yueyue strangely

Li zushang was even more directly scolded: "Tan Yueyue! shut up! Who allowed you to talk to Mr. Ye at will? "

If we say that the first time Tan Yueyue talks with Ye Chen actively and pours into Ye Chen's arms, it can be said that she is bold. Now, she has no brain!Ye Chen is not a good temper. He thinks everyone can talk to Ye Chen like this?

What woman does Ye Chen choose that you tan Yueyue can comment on?

It doesn't matter if the woman dies, but what if she is implicated in shengxuandao palace?

Now, he would like to cut Tan Yueyue into meat sauce directly!

Tan Tian was also pale and said, "moon, don't say it. Apologize to Mr. Ye!"

In the rumor, ye Chen is not a good tempered man. If he moves, he will kill people!

Ye Chen frowned slightly and said coldly: "finished? Don't you feel sick, don't you go? "

Can, ye Chen said on this, Tan Yueyue is still not willing to shut up, on the contrary, even the only trace of reason has disappeared!

In her eyes, full of malice, she looked at Yang Zixin and said, "you bitch! Originally, you had known Mr. Ye for a long time. I said, how could you agree to change places with me? Just want to see me make a fool of myself, don't you? Ha ha, at ordinary times, not pretend to be very pure, what do not understand the appearance? In fact, you are the one with the most heart!

Mr. Ye, such a vicious bitch, is not worthy of you

Can, Tan Yueyue this sentence has not finished, ye Chen is a heavy complexion, body shape a flash, then appeared in front of her, and then, a crackling sound reverberated in the holy palace!

The whole palace is quiet for a moment!

Ye Chen is a direct slap, will tan Yueyue fan fly out!

He usually doesn't beat women, but that's when this woman doesn't do it.

Tan Yueyue sat on the ground, half of her cheek was swollen. She looked at Ye Chen and said, "you Hit me? "

From childhood to adulthood, no one ever beat her like this

It was ten thousand times more exciting than being wounded in battle!

To be beaten at such a time, for a woman like her, it can be said that it is more painful than death, and the disgrace among disgraces!

Ye Chen can ignore these, cold way: "shut up, I don't want to kill a woman, but, again to purple Xin disrespect, you, will die."

"Moon, how are you?"

Tan Tian sees this, the heart is mercilessly trembling!

He loves his sister very much!

Immediately, he rushed to tan Yueyue and apologized to Ye Chen: "I'm sorry, Mr. Ye, Yueyue, she There is something wrong with practice. I'm confused. Please forgive me... "

On one side, she helped Tan Yueyue up.

But Tan Yueyue burst into tears and said, "Tan Tian! You just watch him hit me! What kind of brother are you? This guy is only in his twenties. He has three levels of heaven and earth. How can he be so rebellious in the legend? Moreover, since he had known such a woman as Yang Zixin before, where can he go? I think he's a liar!

Those so-called legends are just misinformation! Tan Tian, if you want to treat me as your sister, slap me back! "

Li zushang's face, completely black

It's not that there is no brain to describe it!

If not for the fact that Tan Yueyue is Tan Tian's sister, he would have killed Tan Yueyue directly

However, what he didn't expect was that after a moment's silence, Tan Tian really gnawed his teeth. He said to Ye Chen reluctantly: "Ye Mr. Ye, I'd like to ask you to give me some advice on Martial Arts..."

Li zushang is almost out of breath!

This boy was infected by Tan Yueyue, also no brain? Do you want to fight with Ye Chen!?

Advice, that is, in the case of mutual friendship, a stranger suddenly asked others to instruct you?

Sick?

What's more, in this case, obviously, is really want to revenge Tan Yueyue ah!

He yelled, "Tan Tian! What's wrong with you! Kneel down and make amends to Mr. Ye!"

Tan Yueyue is excited and resentful. She hopes that Tan Tian will defeat Ye Chen severely and expose Ye Chen's mask, so that everyone can see clearly that this so-called evil spirit is just something that is touted by waste!

For Tan Tian's strength, Tan Yueyue is still confident!

Tan Tian, also less than a thousand years old, is really a half step cultivation, martial arts talent to the extreme, real strength, stronger than the realm!

But originally, ready to turn around and ignore Tan Yueyue, this crazy woman's Ye Chen, suddenly stopped.

Ye Chen looks at Tan Tian indifferently and says, "are you sure?"

Tan Tian stares at Ye Chen, a gnash teeth way: "confirm!"

In fact, there are some doubts in his heart

Ye Chen's story is too fantastic!

But now see ye Chen, simply can't make people believe!

In my twenties, how can you have the strength to surpass the reality?

What's more, ye Chen's breath is introverted, which doesn't make him feel any special

And if he can beat Ye Chen, it is really famous! In an instant, the whole yangzhenyu will know his name!

This is a great opportunity to be famous!

Not only for Tan Yueyue, but also for herself, Tan Tian also wants to try Ye Chen!

Ye Chen light way: "if, I do not agree?"

When people heard the speech, they were all stunned. They couldn't help but see a different color in their eyes. Didn't they agree?

With Ye Chen's strength, kill Tan Tian in seconds, can't you use a finger?

Why not?

Is it true that Tan Yueyue is right?

For a while, the disciples of shengxuandao Palace also looked strange.

Tan Tian smelled the speech, his whole body breath was strong, and his face gradually became confident. He said, "in that case, I will think that Mr. Ye is afraid!"

Ye Chen pondered: "scared? I'm just scared, so what? "

At this moment, even Li zushang frowned

Chapter 4725

What's going on?

This is Ye Chen?

No, they are really cheated by Ye Chen?

At this moment, Tan Tian completely laughed. He pulled out a long red sword from his waist. His spirit power was surging wildly. The sword was neighing. He yelled at Ye Chen: "no matter you are afraid or not, today, I want your advice! Red thunder sword

As soon as the voice fell, his muscles were wriggling like a giant dragon, and a huge force rushed out. At the same time, the sword in his hand was blooming with blood red sword light. A sword light was extremely strong, fast, like red lightning, and chopped towards Ye Chen!

Ye Chen's eyes flashed. There were some things in shengxuandao palace. Tan Tian's physical skills were good. His physical training was far beyond the same level. His great strength was also superior to the general physical training. The most important thing was that he could perfectly integrate his strength into the sword he had cut out!

It seems that the shengxuandao palace and his party will not let themselves down.

All the disciples of shengxuandao Palace are looking at Ye Chen with great concentration. It will be known whether the legend is true or not!

However, to their surprise, ye Chen did not move in the face of this sword!

Seeing, that sword light is about to hit Ye Chen, but he still has no reaction at all!

Tan Tian and Tan Yueyue see this, look very happy!

In their view, ye Chen is a parallel product, can't react at all!

However, at this time, a female disciple of the female palace said, "I know, Mr. Ye wants to show his soul skills. I heard that master Ye is also very powerful above the spirit path."

When people heard the words, their faces suddenly appeared!

Tan Tianyi's face changed slightly, and a rune appeared in the center of his eyebrow. He did a good defense against the spirit!

However, at this time, an elder of shengxuandao Palace said: "no, it's not soul skill. The spirit of Childe Ye is silent..."

This elder is a soul cultivator. Moreover, when he reaches the level of true state, he is also outstanding in soul cultivation!

Therefore, he is extremely sensitive to the fluctuation of spirits!

Soul skill is almost instantaneous, but if you want to use soul skill, it doesn't mean that you don't need any preparation. First of all, you must let your spirit enter active state!

What is an active state?

It is the state that can completely explode the soul power at any time!

But ye Chen's spirit is silent!

I'm not ready to work hard at all!

For a time, all people are open their eyes, if so, ye Chen is likely to be a liar!?

Even Yang Zixin, eyes have emerged a touch of worry color!

However, at this time, a faint smile appeared in the corner of Ye Chen's mouth. When the sword was about to be cut into his chest, ye Chen suddenly took a deep breath, and then, exhaled!

Hoo Hoo Hoo Hoo!

All of a sudden, there was a storm in the palace!

The ultimate storm beyond description!

If it is not the holy palace, but the top building of shengxuandao palace, I am afraid it will be uprooted!

Those disciples of shengxuandao palace, their faces changed wildly, and they tried their best to run their spiritual power, but they were still blown to pieces!

And Tan Tian hit the sword, in the distance from ye Chen, there is less than an inch of distance, suddenly broken!

The breath that ye Chen exhales, blow to break directly!

But it's not over!

Ye Chen's breath, almost into the essence of the general, toward the tan Tian, crazy rush away!

At this moment, Tan Tian's face is distorted. Is this breathing?

It's an air cannon!

His eyes were filled with panic. In the cannon, there was a terrible force that broke his nerves!

Tan Tian roared wildly, and his whole body was covered with sword light. It seemed that he wanted to resist

At the next moment, the breath bombarded the sword light, and countless sharp swords were like children's play, which broke in an instant!

Tan Tian's defense, not even a trace of the effect, his body is bombarded by this breath fly backward, severely fell out of the holy palace, will be a wall outside the palace smashed!

Tan Tian groaned in pain. His bones were almost all broken and his blood flowed across his body. He looked extremely miserable!

A moment later, the storm finally stopped!

And everyone, it's like eating three tons of ice, their blood is going to be frozen

They look at Ye Chen one by one, and their eyes are shaking. It's like facing a demon. Their scalp is in trouble to split

If ye Chen defeated Tan Tian normally, even if he killed Tan Tianmin directly, they would not feel that there was anything

But what does Ye Chen use?

A special breath

No one, can imagine, a breath can be instantaneous failure, a half step really exist!!!

This is not the power of ghosts and gods. What is it? This scene makes people's awe of Ye Chen increase infinitely. Now, even if ye Chen asks them to die, they dare not complain at all

Ye Chen glanced at Tan Tian faintly and said, "people should have self-knowledge and guidance? I'm really afraid. I'm afraid of pointing you to death. What should I do? You want my advice? You don't deserve it

Ye Chen doesn't object to defending his sister, but does he maintain it regardless of right and wrong?

That's a lesson to be learned!

As soon as the words fell, Li zushang came back to his senses. He laughed and said, "Mr. Ye, it's really an eye opener for all of us in shengxuandao palace! Miracle, this is the real miracle! Mr. Ye's martial arts are admirable! "

And Tan Yueyue is completely silly, also afraid, dare not say a word, low head ran out of the palace, to help Tan Tian heal.

Ye Chen light way: "flatter, Li dao Zhu, in the next time, in fact, there is a thing to ask for."

Hearing the speech, Li zushang quickly said with a smile: "please tell me, Mr. Ye. My holy xuandao palace will fully cooperate with you."

Ye Chen said: "it's said that there is a heritage left by the founder in shengxuandao palace? I want to understand it. "

Hearing this, Li zushang said with a smile: "this Mr. Ye, I'm a little embarrassed. One of the commandments of the shengxuandao palace is that only the Taoist master of the Taoist palace has a chance to understand it. I heard that if you violate the commandments, you will be punished However, if Mr. Ye is willing to become the leader of the Tao, I will leave immediately... "

Ye Chen, as soon as he came up, the lion opened his mouth

Ye Chen slightly frowned and said, "can you accommodate me? I don't want to spread it out What's more, I will give some compensation to Daogong. What do you think of these? "

He threw a storage bag to Li zushang.

To tell the truth, he forcibly comprehended, and no one in the Holy xuandao palace could stop him, but ye Chen's character was not so arrogant.

As for becoming a Taoist master, he doesn't like to be involved in these forces.

Although Li zushang wanted to refuse, he still couldn't help taking the storage bag. His mind swept away, and he became sluggish in an instant!

Chapter 4726

During this period of time, ye Chen has defeated not a few strong people in the real world. There are already several legendary spiritual objects in his hands. There are countless terrible martial arts resources, such as materials and skills. Moreover, there are many things that are extremely difficult to find in foreign countries!

However, few of these things are really useful to Ye Chen, so ye Chen takes out a part of it to exchange with Li zushang.

In Li zushang's eyes, a touch of ecstasy appeared!

In fact, shengxuandao palace was originally a very powerful force. It had existed in Archaean times, and even once dominated the Yangzhen realm of that era!

And that's why it's called Daogong!

At that time, only the dominating power of the four realms could be named the Taoist palace!

At that time, the gap between the various realms was not so obvious. The dominant power of Yangzhen domain was not much different from that of Tianren domain!

And why did it decline?

There are many reasons, one of which is that Terrans want to exercise and eat too much resources!

With the changes of the times, the aura of foreign countries gradually weakened, not as good as the archaic era. Various kinds of natural materials and earth treasures were less and less, and the shengxuandao palace was involved in several disasters, so it gradually declined.

But now, there are several kinds of materials in the storage bag that ye Chen gave him. They are necessary materials for some extremely advanced body refining skills in the palace!

If you get these martial arts resources, the whole shengxuandao palace may have a chance to rise!

And he himself may have the opportunity to break through!

Although the precepts can not be violated, but the temptation is too great!

Li zushang hesitated again and again, and finally, he said with a heavy head: "good! Since Mr. Ye has opened his mouth, I will make an exception! Mr. Ye, come with me. "

Say, then take ye Chen, walk toward the back of the palace of holy Xuan road.

And a group of elders, Taoist temple disciples and so on followed.

Soon, people came to a seemingly empty and secret corner. Li zushang took out a token and waved it to the corner. Suddenly, a light flashed in the corner. A door appeared on the ground. The door opened, and behind the door was a secret passage leading to the underground.

They stepped into the secret passage and walked out towards the bottom of the earth, which was as exquisite as a palace.

After a while, they came to a hall.

Ye Chen looked at the center of the hall and saw that there was an altar, on which a stone the size of a head was worshipped.

The stone is so round that it looks like a perfect sphere!

Li zushang pointed to the stone and said, "childe ye, that's the inheritance left by our ancestors."

Ye Chen some doubt way: "is this?"

He thought that the inheritance of shengxuandao palace would be jade slips, stone slabs and other things, but only a stone?

What's more, there is no record on the stone

Li zushang nodded his head and said, "Mr. Ye, have you ever heard of rock beating?"

"Rock beating?" Ye Chen's eyes flashed a puzzled color.

At this time, old Shuo said: "rock drilling is a kind of practice method of physical training in that era. There was a special kind of stone in that era, which could only use pure physical strength, otherwise, it would be hard to destroy!

In order to destroy this kind of stone to a certain extent with the body, the physical practitioners must increase their physical strength wildly! "

When ye Chen heard the speech, he thought that Shuo Lao should be in the same era with that one, and that Shuo Lao had recently woken up from his deep sleep, and his eyes flashed with a flash: "Shuo Lao, how big is this kind of stone used for rock drilling?"

After a moment's silence, Shuo Lao opened his mouth and said, "the stones are of different sizes, but the smallest ones are all about 100000 Zhang in diameter Moreover, the more the core part, the harder!

The strong man who became a saint in flesh was really terrible. He could beat this rock to the size of a head

The most important thing is that it can be played so roundly, which is not only powerful, it is enough! His control of power, or of the flesh, is to an incredible degree

Ye Chen hears speech, in the eye flashed a touch of excited color!

This rock was made by the founder of shengxuandao palace with one fist and one foot, purely by physical strength!

Among them, it must contain the breath, meaning and so on when it bombards rocks!

The extremely strong, even if they don't want to, will leave an imprint on the world when they make a serious move. Even the power of the law can't erase the mark!

It's like, in those days, the founder of Dharma left a shadow on the wall of the cave!

It can be said that this rock contains almost all the understanding, experience, practice and so on of the sage xuanzu in the body training!

Its value, immeasurable!

Ye Chen some excited way: "this rock is the founder of rock left?"

Li zushang nodded: "yes, Mr. Ye, please come in."

Then, with a wave of his hand, he made a light. On the ground leading to the rock altar, several runes flashed. It seemed that some kind of prohibition was lifted. Ye Chen, smiling and moving, walked towards the altar.

But when ye Chen's foot just touched the ground, it was a sudden change!

A strange, weak voice, suddenly in the underground palace, sounded: "this boy, is not the person of shengxuandao palace?"

When people heard the speech, they all changed their faces. Even Li zushang was shocked!

Even he didn't know where the voice came from!

Ye Chen's pupil shrinks, only to see a bloody figure, floating slowly from the ground, emerging in front of his eyes!

This figure, it seems to be a bloody, extremely thin, red haired young man!

And on his skinny body, there are several chains around him!

At this moment, the chain was slowly broken!

Looking at the young man, Li zushang asked in a trembling voice: "Your Excellency Who was it and why did he appear in the forbidden area of our Taoist palace... "

Although the young man is controlled by the chain, and seems to be extremely weak, but his body still exudes a breath that makes Li zushang's heart and gall cold!

Hearing the speech, the bloody youth said with a smile: "me? My name is Chikuang. I was once a disciple of shengxuandao palace. Because of my mistakes, I was imprisoned here by the Taoist master at that time. His punishment for me is that if one day, the inheritance of the founder of shengxuandao palace wants to fall into the hands of others, he will let me be free. What I want to do is to destroy the whole holy xuandao palace! "

When people heard this, they all changed their faces! There was a thrill in my eyes!

It's even the color of the leaves

He knew that the Taoist master was to prevent the Holy xuandao palace from being swallowed up by other forces and the inheritance would fall into the hands of others

In this way, it is better to bury this inheritance forever!

Chapter 4727

Many forces have left such backers!

However, it is a little extreme to destroy Daogong directly!

At this time, the chain on the red maniac broke completely!

Red crazy eyes appear a color of great joy, so many years, he finally want to be free!

The remaining spiritual power in his body moves slightly and with a roar, a powerful spiritual pressure is released!

Only this spirit pressure let everyone except ye Chen Snort and retreat towards the rear crazily!

All people, eyes are the emergence of despair!

This madness is terrible!

Even though I have been imprisoned for so many years, I am so weak that I still have such strength?

Li zushang shivered and said, "this Master Chi, please stop. All these are misunderstandings. My shengxuandao palace has not been annexed. I made my own decision to let Mr. Ye understand the inheritance Therefore, you don't need to destroy the palace of shengxuandao..."

Red crazy smell speech, but extremely sarcastic ground a smile way: "is it? Do you know what was my fault in those days? "

Li zushang was stunned and shook his head.

Red crazy eyes a cold, full of evil intention way: "very simple, kill! In fact, now that the seal is untied, I don't care if there is any problem with the agreement made with the Taoist Lord, but since someone asked me to kill him, why didn't I kill him? "

When people heard this, their souls would be scared out of their bodies

This is a complete killer!

And at the moment, the breath of red mania is a horror they have never experienced!

Ye Chen stares at the youth in front of him, and his look is dignified!

Although the red maniac should be much weaker than it was in its heyday, its strength is also extremely frightening!

Now, the feeling of red mania to Ye Chen is not under the strong in the medium-term of the true state!

What's more, he has only discovered that the underground palace of shengxuandao palace has another mystery!

Here, it is more like a small world separated from the ground than underground!

If you fight here, you won't be bound by the rules of Yangzhen area!

That is to say, red crazy can break out their own strength perfectly!

Ye Chen took a deep breath, turned his wrist, and held the evil sword. He said in a deep voice, "all of you, all back off!"

On hearing this, the crowd retreated one after another, and even many people ran directly to the exit!

But, soon, they found that they couldn't get out!

The gate is closed!

Even if Li zushang used the token, it was invalid!

For a moment, everyone's face became more and more pale!

Except for two!

Tan Tian and Tan Yueyue!

Just now, although Tan Tian was injured, he was barely able to walk after taking the pills. After all, ye Chen did not die, and his physical fitness was extremely strong, so he followed the team and entered the forbidden area.

At the moment, although the two people are also extremely afraid, fear, but at the same time, also emerged in the eyes of a happy color!

They know that ye Chen is going to be miserable and die miserably!

This red crazy body sends out in the breath, obviously has a kind of ancient flavor!

This shows that even the red maniac is a very old existence!

Ye Chen may be regarded as a monster in this era, but is it stronger than this ancient one?

Ha ha, he Ye Chen even if again against the sky, can only be crushed ah!!!

In ancient times and now, the gap between foreign martial arts and Taoism is not a little bit!

Today's demons to that era, even ordinary people may not be as good!

The boy who brought them endless humiliation will be punished!

At the moment, red crazy also looked to Ye Chen, the corner of the mouth floated a bloodthirsty smile: "from you, start it."

As soon as the voice falls, the red crazy step moves, the body shape disappears from the original place instantly!

At the next moment, they just feel a flower in front of them, and a bloody figure appears in front of Ye Chen. It seems that they raise their hands at will and fight against Ye Chen!

This fist is light, and the whole arm is extremely thin. It seems that it has no strength at all!

But, strangely, after this flat punch, everyone's breath stopped instantly!

I do not know why, the whole underground palace seems to be under the power of this fist, began to twist, twist, and then twist!

Ye Chen pupil shrinks, see, that fist above, faintly seem to wind around what!

In his eyes, there was a flash of red light. The power of reincarnation xuanbei, liudaoyuanfu and tongtianming stele surged in the sea of knowledge. The original fist frowned, the fuzzy light gradually became clear!

When you see clearly what is around the red crazy fist, even ye Chen can't help but feel shocked!

In front of him, there are five runes

Each one seems to contain an infinite power that makes the soul tremble! That is the seal of Tao, the seal of the way of power

Chikuang is actually the existence of a Taoist seal five Heaven!

So far, Chikuang's seal is the most powerful one ye Chen has ever seen!

At this time, the fist has been in front of Ye Chen!

Time seems to have a moment of stillness, people did not even see what happened, they heard, a loud noise broke out in their ears!

The whole underground palace, all crazy concussion, the wind in the underground palace rampant, all people are in that gale, uncontrollable from the ground, forced to fly out of the wind!

However, this is not the most terrible!

They looked at Ye Chen's place and saw that it became a storm gathering area in an instant!

The red wind is surging wildly. The whole space is almost cut into pieces by the wind blade!

As for, why is it red?

That's because blood is in the wind!

Blood!

No one could have thought that the red maniac's random fist, even terror to this level!

Even if it's true, you can only kill it for a second!

The power of that fist is above the law!

People's eyes, momentarily dim down, the blood color on the face has completely disappeared

They know that ye Chen is extremely rebellious against the heaven, even if compared with some of the talents in the heaven and human realm, I'm afraid it's not much worse

Can, in the face of such a strong ancient red maniac, I am afraid, there is no chance of winning?

Tan Yueyue and Tan Tian smile, excited smile!

That blood, no doubt is Ye Chen's!

Shed so much blood, even if he is like the rumor, the vitality is against the sky, he must be hurt a lot, right?

All of a sudden, they turned their heads and looked at Yang Zixin happily!

At the moment, Yang Zixin's beautiful eyes are red. She is biting her teeth to the storm, but she is pulled by Li Xingqi!

Li Xingqi's face was gloomy, and he said, "Zixin, calm down! Believe Ye

Yang Zixin heard the speech, her beautiful eyes trembled for a moment, and gradually calmed down

Tan Yueyue was extremely contemptuous and coldly hummed: "believe it? Ha ha, don't deceive yourself. How strong is the red mania's fist? Even if we haven't entered the real situation, we can clearly feel it!

Chapter 4728

Under this blow, I'm afraid most of the strong people can only fall, let alone Ye Chen? Unfortunately, younger martial sister Zixin, just thought she was flying on the branch and turned into a Phoenix. In a flash, she fell on the ground?

It seems that even God won't let a woman like you have a chance to turn over? "

"Tan Yueyue, shut up!" Li Xingqi said

Tan Yueyue sneers and doesn't go on. Now Tan Tian is injured. She is not Li Xingqi's opponent.

Soon, the storm, gradually subsided.

Most of the disciples of shengxuandao palace bowed their heads. They didn't want to see the scene when ye Chen fell

But, at this time, the crowd is issued a exclamation!

When they heard this, they could not help but look in the direction of exclamation. At the moment, Tan Yueyue was full of disbelief!

Follow her eyes, everyone's eyes are bright!

The next moment, the mountain roars like a tsunami, erupts in this underground palace!

I saw a young man standing with a sword. There was blood dripping on the sword!

The blood in the storm, unexpectedly, is crazy!

Ye Chen actually hand in hand for the first time, have the upper hand!?

It's unbelievable, but the fact happened right in front of us!

At the moment, Chikung has withdrawn more than ten meters away. He has a strange look at his chest and heart. He is actually blown out of a huge blood hole!

Ye Chen's eyes flash slightly. In fact, he is not satisfied with the result of this blow

Just that sword, Ye Chen in addition to Xuanling power, basically used all cards!

However, only in exchange for this degree of injury?

His eyes, more and more cold, whole body fierce, again wild surge, a bright starlight in an instant on the edge of the sword surging out!

Ye Chen, will not give the red maniac any breathing opportunity!

But just now, also a pair of casual color of red crazy, face Ye Chen, the corner of the mouth is raised a smile, in the eyes, in addition to bloodthirsty, at the same time burning up a fierce fighting spirit!

He said with a wild smile: "ha ha ha ha, boy, you are beyond my expectation. Just now, seeing those rubbish behind you, I thought that martial arts had already declined. I didn't expect that there would be such evil spirits as you in the world?"

Even if I haven't had three levels of ability in heaven and earth, I've seen it in three days

His voice a meal, suddenly roared: "like you this kind of prey, only then has the hunting value!"

In the blood flame, the blood hole in the chest is healing rapidly. At the same time, the breath is faint and there is a rising trend!

The shadow of a bloody giant bear emerges behind the red maniac, and sends out a roar. In the bear's roar, Chifeng rushes to Ye Chen again. The fist meaning of the fist is diffuse. In a flash, another blow comes out, accompanied by the giant bear!

The power of this blow has soared again!

"Great stars, open!"

"Master the sword technique!"

In a flash, ye Chen's sword collides with the red crazy fist again!

A dazzling brilliance broke out in the underground palace in an instant!

At the same time, there is a vanishing breath, escaping!

This underground palace is dozens of times more stable than the space of Yang Zhen domain. Otherwise, the law of Yang Zhen domain will not suppress the strength of the warrior!

But, at this moment, even this underground palace space, is in the duel between the two people was annihilated!

A black hole seems to come to everyone's eyes. The afterwave of Ye Chen's fight with Chikuang breaks everything around him and forms a silent space!

Ye Chen's eyes flashed wildly, and the whole body was destroyed. The rhyme of Tao was surging, hidden in the silence space!

This space of extinction is exactly his favorite battlefield. After being quenched with body killing pill, ye Chen is extremely compatible with the power of destruction, and can hide in the silent space almost perfectly!

In his eyes, the opportunity to kill gradually became strong. Even a trace of mysterious spirit in his body was ready to be poured into the sword!

But at this time, Shuo Lao is low drink way: "boy, careful!"

Originally, standing in the dark, motionless red maniac, suddenly turned around, toward Ye Chen a blow!

Ye Chen looks like a change, the long sword in his hand dances, and receives the fist. However, his body is also blown upside down and hits the ground heavily!

Seeing ye Chen, who has been knocked out of the space of silence, everyone can't help but sink again!

Red crazy slowly out of the space, sneered: "boy, do you think you can hide the breath perfectly by hiding in the quiet space? When your body is strong enough, sometimes intuition is enough to crack everything! "

Ye Chen smell speech, eyes twinkle, he can now be sure, red crazy is also a physical body into the existence of the threshold of sainthood!

Only when the body has crossed the threshold of sanctification, can they have this incredible intuition!

Ye Chen slowly stood up and came to his feet. The fist hit him on the shoulder. Although his martial arts offset most of the strength, ye Chen's shoulder was still smashed by this fist! But, at the moment when he stood up, the wound on his shoulder was completely healed!

See this scene, red crazy finally slightly changed his face and said: "how strong vitality, boy, can your body cross the threshold of sanctification?"

Even at that time, the warrior who could cross the threshold of becoming a saint in flesh was enough to be called an eternal demon!

At that time, the Taoist master didn't kill Chikuang. On the one hand, because of his strong talent, he cherished his talent and hoped that he would repent as soon as possible

Unfortunately, until the Taoist master fell, Chikuang was still a ferocious murderer!

Almost immediately, they fought again. The sword light flashed, the fist power rolled, and the fierce energy filled the whole underground palace. Even though the people had been hiding far away, they still shivered in the aftershock!

In a twinkling of an eye, ye Chen and red maniac have already fought for more than a thousand times!

Both of them gasped heavily, their whole bodies were covered with bloodstains and extremely ferocious scars!

Gradually, he was more powerful than the dark leaves!

The key is Ye Chen's vitality!

This boy is more terrible than his own vitality!

You know, Chikuang was called an immortal beast by the martial arts of Yangzhen region in those years!

Is Ye Chen suppressing her vitality?

It can be seen that ye Chen's vitality goes against the sky to what level!

Although Ye Chen suppressed the red mania, he was not very good-looking, and the power of Shuo Lao and Xuanhan jade could not last too long!

If this goes on, his strength will be exhausted before he defeats the red maniac!

What to do?

Although he still has the power of Xuanling, ye Chen's intuition tells him that even if he exerts the power of Xuanling, it is impossible to kill the red maniac in his present state!

Chapter 4729

For a moment, ye Chen's brain ran wild!

And red crazy, see ye Chen did not attack, is also calmly standing in place, he needs to recover from the injury!

Ye Chen does not hand, it is what he wants to see!

Ye Chen's look became more and more gloomy. In the face of red mania, he had a feeling that he had nothing to do

And his time, is passing quickly!

At this time, xuanhanyu's voice suddenly rang out in Ye Chen's mind: "Ye Chen, there is a big array in the underground palace. Li zushang, as the Taoist master, should master the manipulation method of this great array. If we gather the strength of the upper and lower levels of the Holy xuandao Palace, we may be able to trap Chi Kuang for a while!"

Ye Chen smell speech, eyes a bright, but soon is frown way: "red crazy trapped for a while? But what's the use of just trapping him? "

Xuanhanyu said in a deep voice: "originally, I didn't want to tell you so early, but now there is only this way to break the game!"

"How to break the game?"

Ye Chen said with joy: "what is it? Is it evil old man

He subconsciously thought of the evil old in the reincarnation cemetery, and the evil power of the evil old. He had not yet swallowed up, or even absorbed a small part of it, because Xuan Hanyu told him that if he absorbed too many evil forces at one time, he would be possessed by evil spirits, and his temperament would change greatly, and he would be in danger of killing demons!

There is a flicker of hesitation in Ye Chen's eyes

If the evil force of the evil old man is completely consumed, it is enough to make the hundred evil bodies reach the perfect state. But if the evil spirit enters the soul, is he still himself?

When the time comes, if the heaven's devil body exists in the Dantian, the evil Qi will also be swallowed back.

Double lost, ye Chen will really become a heinous nightmare!

In that case, even if his strength soared, he was just a walking corpse to be controlled

This is not what ye Chen wants. Besides, when he cultivates martial arts to a certain level, his mood is very important. If ye Chen is controlled by evil thoughts and evil Qi, his strength may not be affected. However, in the future, he will never be able to take the last step to reach the peak of martial arts!

For ordinary people, the peak of martial arts is illusory, no one wants to step into that realm!

However, ye Chen's goal is the peak of martial arts!

He does things, either not to do, or to the extreme!

The peak of martial arts is unrealistic in others' eyes, but it is the biggest pursuit of Ye Chen in this life!

He would rather die here at the moment than lose the chance to step on the top of Wudao!

To be honest, ye Chen, extreme

Can, want to complete other people's eyes impossible great cause, need, is this kind of extreme!

Just when he was ready to open his mouth and refuse xuanhanyu, xuanhanyu said: "no! Ye Chen, do you remember the light of extinction you used a long time ago? "

When ye Chen hears the speech, his look is moving. The light of extinction is a magic power he has learned from the inheritance of the Lord of destruction. It was once one of his assassin's Maces!

However, after entering into the dark region and the battle with the strong in the original environment, ye Chen found that it was very difficult for the extermination divine light to kill the warrior who used himself!

So, gradually, he did not use this magic power again!

Now, when ye Chen fights with the enemy, it seems that both sides have not exerted their self-reliance. In fact, they have integrated the power of self-reliance into the laws and attacks!

Similar to Ye Chen at the beginning, he condensed himself on the evil sword, but higher!

Therefore, even if now displays the extinction divine light, still will not have the very good effect!

Xuanhanyu said: "in fact, you don't really master the power of the God of extinction, because only after the body is fully compatible with the destruction Shinto, can the extinction light be really used!"

Ye Chen's eyes, emerged a touch of shock color, now he is not completely compatible with the destruction of Shinto?

However, soon, xuanhanyu said again: "however, it is extremely dangerous to master the real God of extinction. Its power is far beyond the original extinction light. However, if it is out of control, the same will happen to you!

Even if, with your body strength, it is difficult to survive, even if you survive, you will be seriously injured. In the face of red mania, there is no difference between death and death!

Originally, I wanted to tell you later when your destruction seal has broken through to the realm of five Heaven... "

The stronger the seal of destruction is, the stronger the control of the destruction Shinto is. In this way, the risk can be greatly reduced!

But now, ye Chen seems to have no choice!

After ye Chen was silent for a moment, a certain color flashed in his eyes and said, "xuanxianzi, tell me how to really master the light of extinction!"

At the same time, he moved and quickly retreated to the rear.

This retreat, not only the people of shengxuandao palace, but also the red maniac are slightly stunned

At the same time, they have a puzzled look in their eyes

At the moment, ye Chen clearly has the upper hand, why retreat?The disciples of shengxuandao palace were even more red in their eyes and could not help shouting!

Ye Chen is now retreating, and the advantage established in the previous fight will be gone!

Everyone can't see it anymore!

Does ye chenkong have strength and no fighting talent?

Although red crazy is also very strange, but it is a cold smile, no matter what ye Chen does, he thinks he will not suffer losses!

As soon as ye Chen retreated, he went back to Li zushang's side. Li zushang asked anxiously, "Mr. Ye, what's the matter? Why give the red maniac a chance to breathe? "

Ye Chen didn't explain, but said, "is there an array in this underground palace that can trap the enemy?"

Hearing this, Li zushang's eyes flashed and frowned: "yes, there are, but this array can't kill the red maniac, and it can't last too long!"

The reason why he didn't use this array at the beginning was that ye Chen and red maniac were fighting, and this array would attack people in the range without any difference. Therefore, even ye Chen would be involved in it. It would be too dangerous!

Ye Chen's eyes flashed: "if you use the array with the power of the whole clan, how long can you trap the red maniac?"

Li zushang pondered for a moment and said, "the time for a stick of incense..."

Ye Chen took a deep breath and calmed down the fluctuation of his mood. At the next moment, he showed a resolute look and said: "Lord Li, please join hands with the disciples of shengxuandao palace to trap this madman for a moment. Don't ask me why, this is the only chance we can survive!"

After that, he just closed his eyes and crossed his knees to the ground. According to xuanhanyu's teaching, he began to operate the destruction Shinto in his body, regardless of the startled eyes of the people around him!

Everyone looks at Ye Chen's behavior, simply, all want to go mad!

What is Ye Chen doing?

Is this the time to practice?

Chapter 4730

Half way, practice?

Don't you take red mania seriously?

It's not about dying. What is it!

Even red crazy are some silly, but, looking at Ye Chen, its eyes are gradually fierce up!

He knows that ye Chen is not a fool. At this time, cultivation is not as simple as it seems!

With a surge of spiritual power in his body, the bloody bear appeared behind him again. It seemed that he was going to fight ye Chen in the process of cultivation!

Li zushang saw that his brain was going to explode!

He doesn't know what ye Chen wants to do, but ye Chen has no choice for him at all. Now, he has no choice but to believe Ye Chen!!!

At the next moment, a token suddenly flew out and suspended in front of Li zushang. He made a decision with his hands and looked at the red maniac with an ugly face. He yelled: "disciple of

shengxuandao palace, listen to my command and quickly inject the spiritual power into this token. Don't hesitate!"

The disciple of shengxuandao palace was confused when he heard the speech, but he still subconsciously poured his spiritual power into the token!

Red crazy saw the pupil shrink, the body immediately disappeared from the original place, a group of shengxuandao palace disciples only feel the heart and gall are split, a very strong murderous spirit, rushed to the face!

Almost instantly, the bloody figure appeared in front of Li zushang. He roared wildly. It seemed that with a wave of his hand, Li zushang and the disciples of the Holy xuandao palace would disappear from the world!

But at this time, time seems to have a moment of static!

A brilliant golden light suddenly burst out from the ground!

At the same time, a golden thunderbolt shot out of the token, which actually bombarded the most terrifying strong man into flying backwards!

Red crazy fell in the golden light, his face was ferocious, and a series of thunder burst out from the ground, turned into a thunder chain, and wrapped around his body. Blood gushed from the surface of the red maniac, and the smoke was wrapped around it. His flesh and blood bones were instantly turned into a burnt black color by electricity!

People see this, the eyes are not help floating up a touch of joy!

For a moment, red crazy was trapped in the array!

At this time, Li zushang seemed to understand!

He yelled: "I know, Mr. Ye is going to use this array to trap the red maniac, and then, long-range attack!"

When people hear this, their eyes are bright. Outside the array, long-range attack will be weakened by the attack of the array, but it can still consume red maniac!

For a moment, the disciples of shengxuandao palace were relieved. They misunderstood Ye Chen!

Everyone is looking forward to Ye Chen, looking forward to Ye Chen's hand. Now red maniac is trapped in the array, which is a good time to weaken the other party!

However, the next moment, people's smile is instantaneous solidification

What is Ye Chen doing?

Why don't you do it?

Even Li zushang couldn't help but say, "Mr. Ye, you can do it!"

However, ye Chen is indifferent!

For a moment, all the people present could not help but look angry!

What is Ye Chen doing?

At the moment, their spiritual power is consumed like water. After all, the strength gap between the public and the red maniac is too big. Even if there are arrays to help, at most, they can only trap red maniac for a moment!

This opportunity is fleeting, but ye Chen is still practicing and wasting time!

Is this the hope that they will die?

Tan Tian's face was ferocious: "gentlemen, we'd better keep our spiritual power to protect ourselves! It's no use trusting this kid! He is a waste at all. It is estimated that he is only using us to delay time, and he is using some means to protect his life. "

As soon as this was said, the eyes of all the people were slightly shaken. For a moment, even the spiritual power injected into the token could not help weakening. As soon as the red crazy eyes lit up, the whole body was full of great power, and they were about to break away from the shackles of the golden thunder light!

Even, he said with a smile to a group of disciples of shengxuandao Palace: "gentlemen, in fact, my task is just to kill the outsiders who break into the forbidden area. Just now, I just played a joke with you. If you stop now, I promise to let you leave safely. What do you think?"

Red crazy this sentence, can be said to be a stone to stir up a thousand waves!

Tan Tian, Tan Yueyue, is the face of ecstasy, did not hesitate to take back their own spiritual power!

Other disciples see, is also crazy shaken, although, the red crazy promise has no guarantee, but better than follow Ye Chen to die?

But at this time, a violent drink, suddenly rang out: "who dares to stop, will be punished as treason! Give me all your power! You forget, why is this madman imprisoned here? If his words were to be believed, he would not be here now! "

As soon as the voice fell, Li zushang's whole body breath burst out. Under his deterrence, some people who had been shaken were in awe, and once again infused his body's spiritual power into the token!

Although Li zushang doesn't want to see ye Chen miss the good opportunity to consume Chikuang, he knows that if people want to survive from the red maniac, they must work together. At present, they can only trust ye Chen!Red crazy smell speech, ferocious smile way: "ha ha, good, when I break out of the battle, you all have to die!"

But Tan Tian, Tan Yueyue and a few disciples of shengxuandao palace looked at each other, walked out of the crowd and stood on the side of Chikuang!

At the moment, ye Chen frowns tightly, it seems that the whole body has no breath to send out, in fact, its body has produced earth shaking changes!

According to xuanhanyu's method, he turned the destruction Shinto. The infinite destruction god was running fast in Ye Chen's meridians, just like countless wild horses running out of control. Even if his body and the destruction Shinto almost perfectly fit, he could not resist such a violent impact!

Almost every breath, there are countless meridians, blood vessels, burst in Ye Chen's body!

That is to say, his vitality is extremely strong. Otherwise, the ordinary martial arts would have been killed by explosion!

Now, ye Chen is trying his best to tame the wild horse in his body!

If it fails, then the rolling destruction Shinto will be completely rampant, even ye Chen will be seriously injured!

Time, minute by second, and the sweat on Ye Chen's forehead is more and more!

When they look at Ye Chen's pale face, they can't help but shake their eyes

At the moment, red crazy roar, almost will the road thunder light completely vanish, broke the array and out, but ye Chen looks, don't say is to use what against the sky means, on the contrary, the state is more and more bad ah!

Are they really going to die here?

Many people began to regret, regret not to join Tan Tian and others!

Li zushang's cheeks are sunken at the moment, and the whole person looks a little shriveled. In order to persist for a long time, he even burns his essence!

However, his breath has been incomparably weak, and his whole body is shaking wildly. His spiritual power will be exhausted after all!
