Chapter 4921

"Is it?"

Ye Chen flashed a chill on his face, and his eyes fell on Li qianjue's legs. He raised his feet slowly and was about to step on Li qianjue's legs.

Don't you like kneeling?

Well, I have to help you. Can I still stand up when my leg is broken?

Li Qian saw this, and his eyes finally filled with fear. This damned guy is a madman, and he doesn't think about the consequences!

Is it that I, Li qianjue, will be planted here today?

When everyone thought that Li qianjue's legs were going to be broken by Ye Chen, ye Chen suddenly looked moved, stopped his movement and looked into the sky.

Examiners, see a Leng, ye Chen what?

In a flash, three extremely powerful, and even, beyond the true terror came to the real world, and countless examiners were staring at the sky.

I saw that three figures appeared in the field of vision, and their spirits were trembling for them!

Xuanhanyu's voice rang out in Ye Chen's mind: "Ye Chen, be careful. The strength of these three people is very strong. They have surpassed the reality. They should be the high-level of the emperor's heaven hall!"

These three people are the emperor forgetting the opportunity, wanwuguang, and Xu Yanling!

The three soon fell in front of Ye Chen.

The Eastern Emperor forgot the opportunity and said with a smile: "I am the Lord of the emperor's heaven hall. Congratulations on completing the assessment. Now, I will announce the top ten in the assessment. Those who have been read to the name will come forward."

At this time, Li qianjue seemed to see the Savior in general, in a high voice: "three elders, help me!"

The Eastern Emperor forgets the opportunity and looks at Ye Chen and Li qianjue, and their eyes flash slightly

In fact, the timing of their arrival was advanced in order to prevent Ye Chen from fighting with Li Qian. They didn't want to see these two promising talents die forever!

At this time, Xu Yanling looked at Ye Chen coldly and said, "boy, what are you doing? Do you want to leave Li qianjue

Li qianjue is glad to hear the speech!

Although don't know what reason, but, this young woman with white hair and childish face, obviously, is standing on her side!

Ye Chen smell speech, slightly frown, look to Xu Yanling way: "master, I and Li qianjue, there is a bit of personal resentment."

For a moment, everyone was stunned when they heard the speech. They looked at Ye Chen strangely

What does Ye Chen think?

Even the high-level of Donghuang tiandian dare to contradict?

Soon, many people's faces were full of fun. They knew that ye Chen was going to have bad luck

Even if you are an eternal monster, the dignity of those who are really strong can not be offended by you!

If you want to do what the strong say, you dare to answer back?

Personal grudges?

Ha ha, now even if it's a big hatred of life and death, we have to hold back!

Among them, the most happy is Li qianjue!

He is incomparably ironic to look at Ye Chen, this boy again strong again how?

If you don't have a brain, you can't get on with it. You'll die sooner or later!

Sure enough, when Xu Yanling heard the words, her face suddenly became cold. Step by step, she went to Ye Chen and said, "you want to disobey me?"

For a moment, a tremendous pressure broke out in an instant and roared towards Ye Chen. Everyone felt that their chest was stuffy and could not breathe!

And this, just feel a trace of breath just, can imagine, ye Chen at the moment the pressure is how terrible!

Ye Chen and Xu Yanling look at each other, and their looks are cold.

There was a trace of blood on the corner of his mouth.

He didn't do anything wrong, Li qianjue lost the bet, he would kneel down, it's natural that, no matter who is in front of him, he will not yield!

Ye Chen looked at the white haired young woman in front of her. Even though the corners of her mouth were bleeding, she still raised a smile. At this time, she lifted her legs and stepped toward Li qianjue. There were two smashing sounds, accompanied by a scream!

Li qianjue, seriously injured by Ye Chen, has no resistance ability at this moment, and his legs are trampled by Ye Chensheng from the knee position!

For a while, the whole area of Yan Zhen seemed to become the north pole, cold and cold!

Xu Yanling looked at Ye Chen in disbelief, and a killing idea flashed in his eyes!

Ye Chen is tiny smile way: "I disobey you, how?"

At this moment, even the Eastern Emperor forgetting the opportunity and wanwuguang both frowned slightly. Originally, they were standing on the side of Ye Chen. No matter what means Ye Chen absorbed the fire pit of the earth and fought with Li qianjue, he has proved his strength and potential!

Although, in the long run, ye Chen's qualification may not be better than Taigu's blood, but the fact that he is a demon is beyond doubt!

But now, they are not satisfied with Ye Chen!

This kid is too proud!

Even the high-level of Donghuang tiandian dare to defy and sweep Xu Yanling's face?The Eastern Emperor forgets the opportunity and wanwuguang shake their heads. They know that ye Chen is going to have a bad time. Xu Yanling's mind is notoriously narrow-minded. It can be said that he will report his revenge!

She was called Luocha ghost mother for no reason. I don't know how many people because she offended Xu Yanling and was tortured forever.

Even if ye Chen is a junior, so provocative Xu Yanling, Xu Yanling will ignore the identity, directly to him!

However, the emperor forgets the opportunity and others will not stop

Although Ye Chen is very good, but there is no growing up evil spirit, the value can not be compared with a temple elder!

Therefore, they will not offend Xu Yanling for ye Chen.

Of course, they won't really let Xu Yanling kill Ye Chen like this, so the loss will be too great!

In their opinion, it is also a good thing that ye Chen was taught a lesson. Such a disposition needs to be polished. As long as ye Chen is crushed and takes a soft suit, they will stop Xu Yanling!

Just after ye Chen's words, Xu Yanling started!

How to do it? It's very simple. Slap me

A flat slap, but it is such a slap, toward Ye Chen, it is a change in his face, stiff, there is no room to dodge!

The next moment, PA, this slap in the face of Ye Chen

However, it seems that the slap that he slapped with his hands is an unimaginable force. Ye Chen's whole person is like a shell, which is instantly blasted off, with a loud bang, smashing a mountain in the distance into pieces!

The Eastern Emperor forgets the opportunity and wanwuguang are the complexion one change!

Xu Yanling's hand is too heavy!

This is to kill Ye Chen directly?

At the moment, ye Chen is covered with blood. Not only that, the bones all over the body have been smashed, meridians, blood and flesh and so on. I don't know how many broken!

Ye Chen felt a sense of life and death in the moment of being hit by that hand!

If his vitality was not too strong, and his body had crossed the threshold of sanctification, he would have been killed by Xu Yanling's slap!

Chapter 4922

"Damn it!"

Ye Chen's eyes are covered with blood and rage. He can't move now. He can only stare at Xu Yanling and roar in his heart: "I'm going to kill this bitch! Shuo Lao, Xuan fairy, borrow my strength

He did nothing wrong from the beginning to the end. Because he disobeyed Xu Yanling, he would be beaten?

Why did Xu Yanling order him?

He is not even a disciple of the emperor's temple!

Ju canal Dan apricot and Zhu Yuan see appearance, all can't help but exclaim: "Ye Chen!"

"Childe

Shuo Lao and Xuan Hanyu were silent for a moment and said, "boy, even if we borrow your strength, you are not the opponent of this woman. The gap is too big..."

Xuanhanyu also said: "Ye Chen, even if you play all your cards, don't even have the qualification to meet her..."

Ye Chen clenched his fist. He had not felt this powerlessness and humiliation for a long time!

Xu Yanling sneered and went to Ye Chen, looking down at Ye Chen and saying, "continue to be crazy? Keep loading? Ha ha, this is the end of disobedience to me

Her eyes narrowed slightly, and a greedy color flashed over her eyes and said, "boy, you cheated when swallowing the fire of fire? Now, hand over the treasures you used when cheating and kowtow to this seat to apologize. Then, this seat can spare your life. "

Emperor Tai Yi and WAN Wuguang both frowned slightly, and felt a little anxious.

Ye Chen quickly soft ah, otherwise, they can't stop Xu Yanling!

But Li qianjue is full of ferocious color, he hopes Ye Chen continues to be stupid and die directly in Xu Yanling's hand!

Ye Chen looked at Xu Yanling, but he laughed. His mouth was full of blood. The smile looked terrible!

In his mind, the emperor was filled with a bad premonition and said, "Ye Chen! Don't apologize to Mr. Xu! What are you laughing at

Ye Chen didn't pay attention to the emperor's forgetfulness, and said with a wild laugh at Xu Yanling: "kowtow and apologize? What do I apologize for, old woman? I swear to heaven, as long as I don't die today, sooner or later, I'll get back what you've done to me! "

When the emperor forgets the opportunity and has no light, and even Xu Yanling himself is crazy about Shangye Chen, but has a cold look to the extreme, he can't help but feel a chill in his heart

This kind of sight, they are very familiar with!

The emperor forgets the opportunity and others understand that ye Chen and Xu Yanling are not dead now!

The Eastern Emperor forgets the opportunity, two people looked at each other and sighed, they knew that ye Chen was dead.

Since he has been fighting against the high-level of the Eastern Emperor's heaven hall, that is, he is against the whole emperor's heaven hall. Therefore, they will not allow Ye Chen to live

Xu Yanling looks as usual. She is threatened too much when she comes to this stage. Even if ye Chen's eyes make her feel some palpitations, she will not really put them on her heart.

Ye Chen may be a demon of all ages, but he who has not grown up is nothing.

Xu Yanling said faintly: "you don't have this chance, because now, you will die."

With that, he raised his hand slowly, and the power of countless laws in his hand was turbulent. This law has exceeded the limit of heaven, and the terror has reached the extreme. Even with Ye Chen's vitality, I'm afraid it will be instantly destroyed into slag, and the source of life will be dissipated under this power!

Ye Chen is biting his teeth. He wants to blow himself up. However, the attack of a warrior who surpasses the real state is so powerful that it has hurt its origin. Now he can't even do it

Ye Chen's eyes darkened, and he sighed at the bottom of his heart: "is it that my road of martial arts is the end here?"

At this time, a slightly trembling voice suddenly rang out: "master, I I apologize for him. Please forgive Ye Chen once... "

Everyone was stunned when they heard the speech. Looking in the direction of the voice, they saw a beautiful woman coming out of the crowd.

Xu Yanling slowly looked at it, this woman is Juqu Danxing!

In the face of Xu Yanling's eyes, Juqu Danxing Jiao's body trembled for a moment. This one glance alone contained enormous pressure, as if there were 100000 mountains on her body at the same time

However, Juqu Danxing still plucked up his courage and knelt down slowly to look at Xu Yanling and said, "please, master, let Ye Chen go..."

Say, kowtow

In this life, Juqu Danxing has not been knocked too much, but now, it has

Xu Yanling was expressionless. At the next moment, Juqu Danxing gave out a scream, spitting blood and flying upside down. His breath fluctuated. Obviously, he was seriously injured!

It's almost a tear in the eye!

Xu Yanling said faintly: "apologize for him? Hehe, the girl of Juqu family, do you deserve it? For the sake of your family, I'll let you go once. "

When she finished, she turned her head and was about to start. But just then, a frightening sword light suddenly broke out and flashed towards Xu Yanling. Xu Yanling frowned again. Looking behind him, he saw that he was a teenager with extremely clear eyes. It was Zhu Yuan!

That group of examiners, chin will fall to the ground

Are these people crazy?

One kneels down for ye Chen, and the other even starts to Xu Yanling directly?

It's not long enough for your life?

The sword light almost disappeared in an instant, and Zhu Yuan also spat blood and fell heavily on the ground.

In Xu Yanling's eyes, a touch of anger appeared: "born martial arts? Even you want to challenge us? Hehe, it seems that you are quite suitable to be a dog..."

With that, she looked at the Eastern Emperor forgetting the opportunity, but did not continue.

She knew that Zhu Yuan and a certain woman who had forgotten the story of the Eastern Emperor had some origins. Although it was not too deep, if she killed Zhu Yuan at all costs, he might be upset.

At the same time, above the sky, two figures were suspended.

A man of great stature, full of mystery, was carrying a magic sword with his hands behind him, and his pupils had nine rounds of blood circulation.

And beside him is an old man.

At the moment, the old man blushed, looking at the picture below, extremely angry!

If it wasn't for the man's prevention, he might have rushed down and destroyed Xu Yanling!

No one can insult Ye Chen so much!

The old man looked at the man and said, "are we really not going to fight? The distance between Ye Chen and Xu Yanling is too big and too big. We have to fight now! "

"Or Ye Chen will die!"

However, Ren extraordinary eyes are full of insipid, he shook his head, way: "today, no matter what we do not want to move."

"Those guys behind Ye Chen can't be saved."

Chapter 4924

However, it is of no help. It is impossible to get rid of Xu Yanling's oppression!

At the moment, xuanhanyu and Shuo Lao are extremely worried

It's not because ye Chen is suppressed, but because ye Chen's breath of reincarnation is exhausted

The reason why he was able to support his body to fight while burning Xuanyao essence blood was that the samsara breath and reincarnation blood vessels protected the origin of life. However, in this short half column of incense time, the breath of reincarnation accumulated for a long time would be used up

Without the breath of reincarnation, ye Chen would die under the power of Xuanyao blood essence even without Xu Yanling's hand!

.....

Ye Chen slowly opened his eyes, but he was slightly stunned. He looked around with some incomprehension, and said to himself, "I am not in Yan Zhen domain, fighting with that damned woman, burning Xuan demon blood essence? How did you get here? "

At the moment, he seemed to come to a completely strange land.

It's beautiful here. Even the aura in the air is so rich that it is far beyond Ye Chen's cognition. However, ye Chen can be sure that this is not a foreign place

All of a sudden, his face moved and his body flashed. He appeared on the top of a mountain and looked into the distance.

Soon, ye Chen is the face of shock color, see, in the extreme distance, there is a flood in the surge!

Bloody flood!

The flood, crazy galloping, seems to be, this beautiful world, completely submerged!

However, above the earth, it is a hoary wind wall, blocking the flood outside

But, the wind wall, more and more thin, as if, is about to dissipate in general

Ye Chen inexplicably some flustered, if the wind wall dissipated, this bloody flood, into the heaven and earth, what will happen?

At this time, the wind wall finally dissipated, the bloody waves fell all over the sky, and the whole world was frantically shocked and broke up!

Ye Chen looked at the bloody waves, his eyes trembled, and inexplicably felt a breath of death

The earth is frantically broken, and even the sky is stained with blood. Countless mountains and rivers turn into nothingness in an instant

The world seems to collapse under the flood

Seeing that, when the flood is about to completely submerge Ye Chen, suddenly, time and space seem to be static!

It seems to have been stimulated and provoked. A terrible energy burst out in the heaven and earth. A black light filled the eyes of heaven and earth, and dyed everything in the world with a layer of black. When the black light fell on Ye Chen, his face suddenly changed!

A very old memory came into his mind

Ye Chen opens his mouth subconsciously and spits out two extremely obscure syllables

The moment these two syllables appear, there is a huge six round return between heaven and earth!

The six way samsara formula plate is spinning, and the black light is flashing, and it is flying towards the flood. Under the suppression of this rune, the originally vigorous and violent flood retreats quickly!

.....

At the same time, yanzhenyu.

Xu Yanling has a sneer on her mouth and keeps suppressing Ye Chen. If she goes on like this, she is confident that she can completely kill Ye Chen after half a column of incense!

But at this time, ye Chen is issued a very painful roar, an endless fury, restless breath, its body gush out!

Feeling this breath, Xu Yanling's face changed and flew back to the rear. Did ye Chen want to explode?

Xuanhanyu and Shuo Lao both sighed. They knew that ye Chen had reached the limit, and the breath of reincarnation had been exhausted

The purple light penetrates Ye Chen's body, which seems to tear up Ye Chen's body completely. But at this moment, suddenly, ye Chen's expression is strangely stagnant, and the light in his eyes flashes, and two runes appear. The moment these two runes appear, an extremely deep black light appears on Ye Chen's body surface!

The purple light, which had almost penetrated the body, was quickly suppressed by the black light!

At the same time, the whole heaven and earth were darkened, and a large amount of darkness appeared on the red sun hanging over Yanzhen region. The darkness quickly devoured the sun, and the whole heaven and earth fell into darkness!

Ye Chen, the whole person is also covered by the rolling black flame, can not see the shape and shadow!

The emperor looked at the black sun in the sky. His brain was confused and said, "this is..."

It's not difficult to change the sky when the strength reaches a certain level. However, the atmosphere emitted at this moment can change the sky

It's a little weird

What happened to Ye Chen?

No one knows what's going on at the moment, but one thing they can be sure of is that ye Chen is terrible now!

Even more terrifying, for example, when demons broke out!

Xuanhanyu said in amazement: "Shuo Lao, is this..." Old Shuo is also excited, he is very sure: "can't be wrong! This is the real reincarnation Complete reincarnation blood!! It seems that this boy burned the mysterious spirit blood, which seems to stimulate the reincarnation blood in the body by the wrong way, so that the blood vessel is temporarily and completely awakened! At that time, the reincarnation master did not fully awaken! Although it is fleeting, there may be a chance

Samsara, a very ancient, mysterious, powerful, even, does not belong to the universe, but from a more terrifying place

Those extremely ancient Honghuang existence had the opportunity to contact the samsara clan. Even in the Honghuang era, when the martial arts were extremely prosperous, the samsara clan was also the supreme existence. Even the masters at that time could only bow their heads in front of the most common samsara clan!

Reincarnation blood is the power in Ye Chen's own blood, which is extremely consistent with the origin of his life. No matter how powerful the energy is, it will not cause any damage to Ye Chen!

In the black flame, Ye Chen's eyes actually bloomed out the incomparably bright red light, which instantly locked Xu Yanling.

Originally, Xu Yanling, who had the upper hand and was about to defeat Ye Chen, felt a sudden palpitation at the moment!

Ye Chen's body shape flashed in the black flame, and disappeared from the spot in the blink of an eye. She appeared in front of Xu Yanling and punched her.

Xu Yanling's eyes sank, and he said in a stern voice, "play the devil!"

At the next moment, her spiritual power surged wildly in her body. Although she disdained Ye Chen, Xu Yanling raised 100000 points of caution in the face of Ye Chen's blow, and whispered: "luochaminghuang sword!"

The Eastern Emperor forgets the opportunity and has no light, is the pupil one shrinks!

Luochaminghuang sword is the unique skill of Xu Yanling. It is called luochaguimu because of this sword!

Chapter 4925

Since she reached her level, Xu Yanling has not used this killing move for a long time. It can be seen that she has used her full strength at the moment!

With all one's strength to a younger generation, it may cause jokes, but at the moment, Xu Yanling has not taken so much into account.

We can imagine how much threat Ye Chen gives her now!

In the twinkling of an eye, a dark Phoenix with the aura of Yin death was flying from Xu Yanling's bone sword. At the moment of the appearance of Minghuang, people felt that their souls would be swallowed up by the Phoenix. Many people fell down on the ground in an instant

In a flash, the dark Huang and ye Chen's fist hit a place!

With a bang, ye Chen's fist suddenly burst out with a ray of black light, a breath of extreme dignity, surging around its body, the six round round return is looming!

And the way that Xu Yanling cuts out is actually under Ye Chen's fist, instantly vanishes!

Silence

It's like a forbidden area without any one in the ages

Everyone is stupid

Including the Eastern Emperor forgetting the opportunity and wanwuguang!

Xu Yanling's all-out sword was broken

You know, Xu Yanling can kill Ye Chen's existence at one thought!

This scene can only be described as fantastic!

Even Xu Yanling himself is dull

I didn't expect this result at all!

For a moment, in the black flame, the vague figure appeared extremely strange in its eyes!

At the moment, ye Chen has not yet regained his senses, as if his body was temporarily controlled by the reincarnation blood. However, every movement seems to be impeccable, natural, but above the way of heaven!

What does it feel like?

It's like that a person is born to transcend the way of heaven. At this moment, it seems that ye Chen is not breaking through the way of heaven, but more like the way of heaven catering to Ye Chen and actively submitting to Ye Chen's feet!

At this time, ye Chen disappeared again. This time, Xu Yanling's heart was completely flustered!

Soon, the black flame appeared behind him, and a blow came!

Xu Yanling clenched her teeth and reluctantly put out her hand. However, this time, she slowed down and the power of the sword dropped by one point

With a roar, there was a loud noise again. Minghuang fell down, and Xu Yanling's body also flew backward

Two fists, only two punches, lost Ye Chen will suppress Xu Yanling!

For a moment, Xu Yanling's face turned pale

What's going on with this kid?

Why did such terrible power suddenly erupt?

She tried her best to resist Ye Chen, while shouting: "emperor, brother Wan, help me!"

At this time, the Eastern Emperor forgets the opportunity and looks at Wan Wuguang. Their looks are also dignified. They appear beside Ye Chen and attack Ye Chen at the same time!

That group of examiners are a bit silly, three tiandian lords besiege a young man in his twenties?

They think this kind of thing will only appear in the legend

The Eastern Emperor forgets the opportunity and wanwuguang also has no reservation. At the moment, they all have a firm idea of killing Ye Chen!

No matter what kind of evil Ye Chen is, at the moment, he has not joined the emperor's temple, its value is far less than a real elder!

Moreover, it is obvious that ye Chen now uses some kind of secret skill to break through the limit. After that, let alone maintain this strength, whether his martial arts qualification can still be evil is a problem!

Generally speaking, the more adverse the secret arts are, the greater the side effects will be!

However, it is undeniable that they feel the threat from ye Chen. Since Xu Yanling has made a life and death feud with Ye Chen, they will not allow such evil spirits to live!

Otherwise, one day in the future, the whole hall may be destroyed in Ye Chen's hands!

The Eastern Emperor forgets the opportunity and has a chain in his hand. When his wrist turns, the chain will be like a dragon. He pulls it away from ye Chen. His power is even higher than that of Xu Yanling!

And wanwuguang is also a crutch in his hand. A red dragon appears out of thin air and flies towards Ye Chen!

Xu Yanling's eyes are full of joy. Luo Sha Ming Huang sword will be used again!

In the face of the joint attack of these three super strong men, ye Chen's Rune in his eyes twinkles for a moment. Then, he enlarges the six circle of samsara, his whole body is full of black gas, and he gives three punches to the three people in a row!

Boom, boom, boom!

With three loud noises, the whole world fell into silence. Ye Chen's three fists blocked the three people's attacks. However, his body swayed for a while, and obviously, he was hurt

Even if it's reincarnation, it's not limitless. In the face of the three foreign superpowers, ye Chen finally fell in the wind!

The three people of the Eastern Emperor forget the opportunity. They all have a lot of experience in fighting. They know that this is the key to the war. So they spare no effort to give ye Chen any chance to fight back! Although Ye Chen insisted on hundreds of moves in the hands of the three by relying on the

power of horror, after half a column of incense, the emperor's eyes flashed and he saw the right moment. The chain in his hand exploded in an instant and hit Ye Chen's back severely!

Ye Chen's body was shocked, and he was blasted to the ground. After a loud noise, ye Chen smashed a hole in the earth. Even in the ground and sky of the whole Yanzhen area, countless cracks appeared along with the battle of the four men, and they looked like they were about to collapse!

At the moment, the black flame on Ye Chen's body is becoming more and more weak. It seems that the power of reincarnation is also beginning to fade

Both xuanhanyu and Shuo are in despair

Even so, ye Chen still can't escape this robbery?

Is he destined to fall here today?

People are staring at this scene, many people's eyes have been filled with a touch of respect

They have enough admiration to fight with the emperor!

Ye Chen has a proud capital indeed!

It's a pity that such a monster failed in the end

Xu Yanling's face is already a color of ecstasy!

Her body spirit is surging wildly, already can't wait to kill Ye Chen!

Zhu Yuan and Juqu Danxing are struggling, want to get up, can not do

Looking at the fallen Ye Chen, their eyes are red!

.....

At the same time, a mysterious place not belonging to foreign countries.

An indescribable figure, sitting in the depths of the nebula, looks at the countless stars that are constantly disappearing. In his eyes, it seems that there is a touch of thoughtful color

Suddenly, in front of him, a purple light flashed, and a young man in a purple robe appeared before the figure.

The purple robed youth looked at the figure shrouded in chaos, and uttered a cold hum. It looked young and his voice was incomparably old.

The figure in the chaos looked at the purple robed youth and said with a smile, "third brother, how did you come?"

If ye Chen was here, he would recognize the figure in the chaos, which was the day when he almost swallowed up the demon!

And can be called the third younger brother by the heavenly demon, among all the heaven and myriad realms, there is only Xuanyao, one of the four great demon ancestors!

Chapter 4923

"More importantly, this time, it may be extremely important for ye Chen's reincarnation."

"I have always had a premonition that the completeness of the reincarnation blood vessels of Ye Chen in this life will far exceed that of the reincarnation master of the previous one."

"He is the only variable in the chess set up by those who are in charge of it!"

"What's more, ye Chen needs this robbery along the way. Xu Yanling's hatred will make him stronger!"

After hearing this, ye Lao stopped, but he still didn't make a move.

His eyes were staring at the young man whose whole body was covered with blood, but his eyes were full of determination. He knew that after today, the universe of heaven and man will begin to change!

.....

At the moment, ye Chen's eyes have turned into a strange blood red. Ju Qu Dan Xing and Zhu Yuan have won this little time for them, which is not meaningless

In Ye Chen's body, Yan xuan'er is driving Xuan Yan, wrapped in a drop of blood, which seems to gradually burn up!

This drop of blood is a drop of blood essence given by the ancestor of Xuanyao!

Ye Chen absorbed only one thousandth!

It contains energy, unimaginable terror, and now, ye Chen is burning this drop of Xuan demon blood!

If you do this, the consequences will be very serious. Although it may temporarily bring ye Chen explosive strength, but soon, ye Chen's body will be unable to bear the power and collapse completely!

That kind of power from within itself, even more terrifying than Xu Yanling's attack!

In fact, if ye Chen resists Xu Yanling's attack, there is still a slight chance that ye Chen will survive. Because there is a breath of reincarnation in his body, which supports the origin of life with the breath of reincarnation, he may not be completely destroyed under the attack of Xu Yanling. However, as long as the origin of life does not die out, ye Chen will have a chance to revive!

But if you burn Xuanyao blood essence, it will be completely dead!

The damage to the body caused by xuandemon blood is persistent. It will kill Ye Chen's life source crazily. Even the breath of reincarnation can't last long!

Xuanhanyu and Shuo Lao were both surprised and said, "Ye Chen, you are!"

Ye Chen is totally reckless, ah, to fight all!

He knew that it was crazy to do so, but he couldn't bear it!

How can he tolerate his friend's serious injury for him?

If you don't do it again, you will go crazy. The heart of martial arts will collapse!

There was a roar and a storm of evil spirit. For a while, even Xu Yanling's pupils contracted. The evil spirit made her feel a little pressure!

She looked at Ye Chen in disbelief, unable to understand for a moment!

What is the origin of this boy?

Xu Yanling no longer hesitated, the light of the law in his hands became more and more powerful, a kind of extreme cold energy, burst out, toward Ye Chen, mercilessly blasted down!

A wild animal's roar broke out between heaven and earth. At this moment, the infinite energy surged in Ye Chen's body, making his breath soar wildly. This power is too huge, and his consciousness is scattered!

On Ye Chen's body surface, the runes show purple and black lines, and his hair turns purple black. A rune is born at the center of his eyebrows. In his eyes, purple light flashes. At the same time, Yan xuan'er also runs the formula of burning blood to the extreme. Behind Ye Chen, there are a pair of flame wings. It looks very strange!

And the injury, which was so serious that ye Chen's vitality could not be recovered immediately, disappeared like an illusion!

Now ye Chen is totally out of his mind. He looks like a wild animal. He stares at Xu Yanling's slap. The next moment, he blows out his fist!

The extremely condensed evil spirit entangled in his fist, which did not seem to exert any martial arts skills. However, at the moment of explosion, the whole Yanzhen area seemed to start to collapse!

This is the ultimate power of Xuanyao blood essence!

How terrible is Xuan demon? Completely above the Yan Ling!

Xu yanneng even killed his eyes!

Not to mention a drop of blood essence!

In an instant, the fist and the palm meet!

There was an earth shaking roar and endless aftershocks. The emperor forgot his plane, frowned, waved his hand, and a silver light gushed out of his hand to offset the residual wave. Otherwise, all the examiners on the scene would die!

Everyone's eyes trembling toward Ye Chen and Xu Yanling, thinking has become a fragment

I saw that Xu Yanling stepped back half a step with his fist and palm!

But in terms of strength, ye Chen's punch has surpassed Xu Yanling!

What does that mean?

Ye Chen of heaven and earth has the power to surpass the real world?

Isn't this a dream?

Even in the dream, will not appear such absurd things?

Ye Chen roars and pours at Xu Yanling with his sharp claws, breaking the void in an instant. The Taoist claw shadow completely covers Xu Yanling's body!

Xu Yanling's face was gloomy at the moment, but she didn't feel flustered at all. She snorted coldly: "boy, do you think you can really fight with us by what strength? Well, I'll show you what's really terrible. "As soon as the words fell, Xu Yanling had a sword in his hand. It looked like shiye's martial arts, but it was countless times higher!

This sword exudes a sense of desolation. It seems to have been refined from the bones of some powerful creature in the famine. Its grade has reached the extreme of chaos spirit treasure!

Xu Yanling's eyes flashed, and he waved the sword of bereavement in his hand. In a flash, everyone only felt that his consciousness was impacted!

What impact?

The impact of kendo, endless Kendo rules, surging in this casual sword!

It's just like a sword!

The claw awn in the sky dissipated in an instant, and ye Chen's body was covered with countless sword marks and blood gushed wildly. He gave out a roar, and the whole person was blown away by this sword!

Even if ye Chen burned Xuan demon blood, he also beat back Xu Yanling. However, it doesn't mean that his strength can keep up with

It's like, bodybuilders may have the strength not weaker than top wrestlers, but if they really fight, they will only be killed by the other side!

Because, he has no skills, empty power, can't use, can't play all the combat effectiveness!

Ye Chen's fighting instinct can be called the acme. It's frightening to be able to play this level of combat power unconsciously. However, there is still a big gap between Ye Chen and those who really surpass the real world!

When ye Chen flies upside down, Xu Yanling has a movement of body shape, and follows him directly. With a shaking of the bereaved sword in his hand, he once again cuts out a sword that destroys heaven and earth. At all, he does not give ye Chen any chance to breathe!

Bursts of blood rain fell from the sky, ye Chen's body was covered with countless sword marks, but still kept sending out a roar, crazy hand!

Chapter 4926

Xuanyao ancestor coldly said: "the day demon, that reincarnation blood of the boy, now, very dangerous."

When the demon heard the speech, his eyes flashed slightly: "Oh? What boy

Xuan demon cold hum a way: "day demon, you left a mark on that boy, now why pretend to be confused?"

With that, he scratched his head, and there seemed to be a trace of anger in his eyes. He said, "this damned boy is so crazy that he even dares to burn my blood essence? However, if I burn my blood essence, I can still suppress it. I'm afraid there are few people in the world. Maybe, relying on him, I can really create a demon blood beyond you. I don't want him to die in the hands of these ants..."

"Does the third brother mean to rescue him? You know how hard it is for us, the will of the road will not allow it."

Xuan demon was silent for a moment and said, "so, I came to find you. You and I should be able to do it together."

"Why should I save this boy?" the demon said with a smile? To me, he's just a pastime

The Xuan demon gazed at the sky demon's eyes, as if he could see through the chaos. Suddenly, his mouth raised a smile and said: "is it really just fun? Sky demon, you should have saved this boy many times? If it's just fun, why do you have to do it?"

For a moment, the demon was silent and asked, "Why are you so sure?"

Xuan demon said with a smile: "because this boy and that guy are too similar, although, he is not a demon clan, but you should see the shadow of that guy from him? In this world, I'm afraid no one knows your character better than I do. Once you recognize someone, its weight in your heart will never be described with joy!"

The sky demon's eyes seemed to have a trace of fluctuation. After a moment, he said: "even if you and I want to save him, I can't do it. With the strength of you and me now, it's still a little reluctant to fight against the will of the road..."

Hearing this, Xuanyao couldn't help frowning

Can they only watch ye Chen die?

At this time, a voice suddenly rang out: "you two can't, but if you add me, even if it is the will of the Tao, you can resist!"

The sky demon and the Xuan demon all look at each other in a certain direction.

I saw, between the flash of gold, there, there, a figure of infinite prestige.

"Well?" The day demon some unexpected tunnel, "you, also want to disobey the will of the road?"

Xuanyao also laughed and said: "it seems that in front of the same clan, even if you are a Taoist protector and a selfless fellow, you should be selfish?"

The figure's eyes twinkled and said: "he is not an ordinary samsara blood, no matter how, I will save him."

The day demon and the Xuan demon heard the speech and looked at each other. They were both surprised

Ye Chen's identity, they are very clear, is the last foreign reincarnation Lord, but even this guy said Ye Chen is not an ordinary reincarnation blood?

For a while, even these two great men of ancestral level could not see the origin of Ye Chen

The figure looked at two humanitarians: "well, stop talking nonsense, let's go, otherwise, this boy will fall."

Three people exchanged a look, in an instant, three extremely terrible breath, erupted in the original universe!

At the moment when the breath broke out, a five color light appeared in the universe and turned into a virtual shadow of a woman who could not see her face clearly. Behind the shadow, a five color whirlpool appeared, absorbing the strength of the three people into the whirlpool!

The sky demon and others looked at the woman's virtual shadow, their eyes sank, and a touch of dignified color appeared in their eyes. This virtual shadow is the embodiment of the will of the great way!

The mysterious visitor said to the empty shadow: "sorry, I have to do it..."

Suddenly, the whirlpool of all things, as if the whirlpool, the power of a sudden rise, can swallow up!

All of a sudden, with a roar, the five color whirlpool broke, and the woman's virtual shadow also dissipated in the surging energy!

A woman's sigh sounded in the original universe: "no more..."

Three people's eyes flash, the residual energy in the body, instantly fused to a place, not into the void!

.....

Yanzhenyu.

In the eyes of the three people, the emperor forgets the opportunity at the same time. They attack Ye Chen with their own hands. They want to ensure that this attack will completely eliminate Ye Chen!

At the moment, the black flame on Ye Chen's body has dissipated and revealed his body shape. His face is pale, and the runes in his eyes are gradually fading down. It seems that he has reached the extreme. It is impossible to block the joint attack of the three!

But at this time, the emperor forgets the opportunity, three people face a change at the same time, retreat one after another!

On Ye Chen's body, the sky demon mark and Xuan demon mark, as well as the rune in his eyes, suddenly burst out a burst of light!

An indescribable breath that distorts heaven and earth, gushes out from its body! In the eyes of the emperor, there was a look of great fear. He yelled: "come to me later, pour the power into me!"

When Xu Yanling and WAN Wuguang heard the words, they flashed without hesitation, and appeared behind the emperor's forgetting the opportunity. They pressed their hands on their shoulders, and their spiritual power gushed out in an instant!

The Eastern Emperor's face was extremely dignified. When he raised his hand, a light flew out and fell in front of him. It turned into a small clock with extremely primitive simplicity and some incomplete surface.

When Xu Yanling and WAN Wuguang saw that little clock, they were all surprised and said, "Donghuang bell!"

This Donghuang bell, handed down to the ancient times, is the treasure of the heavenly palace of the Eastern Emperor!

At the same time, the Donghuang bell is also a rare thing!

In the whole history of Donghuang tiandian, the Donghuang bell has not been used several times, because it is extremely reluctant to use the Donghuang bell even if it is beyond the reality!

But now, the emperor forgets the opportunity and actually takes out the bell!

The Eastern Emperor forgets the opportunity, his whole body breath changes, and exudes a kind of Imperial Majesty. He takes a deep breath and rushes at the Donghuang bell. In an instant, the bronze light shines on the Donghuang bell!

At the next moment, with the sound of "hum", the bell of the Eastern Emperor sent out a very melodious bell full of ancient charm, a kind of power close to the origin of the heavenly way, surging in the sound of the bell!

A bell shaped shadow envelops the three in an instant!

At the same time, the three attacks to Ye Chen disappear at the same time. Suddenly, three vague virtual shadows appear between the heaven and the earth!

At the moment of seeing these three illusory shadows, the emperor forgets the opportunity, and the three people only feel that their spirits are severely shocked, and almost all of them are going to die out!

The three virtual shadows didn't do anything. They just took a look at the three of them. Their eyes were full of warning

And it is the look of these three people that makes the Donghuang bell vibrate wildly. With a roar, the bell shaped shadow is broken in an instant, and a crack appears on the Donghuang bell. At the same time, the Donghuang forgets the opportunity, and the three people spit blood and fly upside down!

Chapter 4927

On the face of the three, at the moment, there is no blood color!

At the same time, I feel a little lucky

Fortunately, the Donghuang bell was used. Otherwise, just a warning in the eyes would kill them!

They looked at the three shadows in disbelief, and their souls would tremble. What kind of existence could they have such power?

And what is Ye Chen's origin?

At this time, the three virtual shadows dissipated at the same time, then disappeared, and ye Chen

No matter how the emperor forgets the opportunity, how to search with the gods, there is no trace of Ye Chen!

However, those examiners who were present showed a dull look. They didn't see the three shadows. In their eyes, the emperor forgot the opportunity and took out a small bell. Then, they vomited blood and flew backward

The most bizarre is, ye Chen also suddenly disappeared?

What happened?

For a moment, the three of the emperor forgot the opportunity, and their faces were ugly

Wan Wuguang asked the emperor, "emperor Zun, what was that just now..."

The Eastern Emperor forgot the opportunity and shook his head and said: "I don't know. However, the background of Ye Chen is beyond our imagination. What stands behind him is the existence above the foreign countries. No wonder he has such a rebellious martial arts qualification and far beyond the realm of strength..."

Xu Yanling said in a flustered way: "well, what should I do? Emperor Zun, can you contact the one..."

The emperor forgot the opportunity, shook his head and said: "for the time being, don't worry too much. The existence of this kind of super dislocation surface will not be easy to handle, but..."

He looked a little gloomy and said, "we older generation, I'm afraid we can't fight ye Chen any more..."

"What?" Xu Yanling exclaimed, "why?"

The Eastern Emperor forgot the opportunity and said: "the three figures just now have a warning in their eyes. They are aimed at us, the older generation..."

Wan Wuguang frowned and said, "can we only let Ye Chen grow up? Now, we have killed him. In the future, if he grows up..."

The pupils of the three were all trembling for a moment. In that case, the consequences would be unimaginable!

With Ye Chen's character, he will never die with emperor tiandian!

The Eastern Emperor forgot the opportunity to look at those examiners present, his eyes twinkled and said, "although we can't do it, the younger generation can!"

Wan Wuguang and Xu Yanling are all moving!

They are very clear that the power of this kind of extraterritorial existence will be limited. For example, some younger and weaker ones will not be affected by this force!

This is actually a kind of protection of the will of the great way for all living beings. Otherwise, those who have the strongest eyes can kill tens of millions of living creatures in seconds. If they are not careful, they will ruin their lives

But Xu Yanling frowned and said, "but this boy is so evil. Who is his opponent for the younger generation?"

The Eastern Emperor said in a deep voice: "the strength he broke out was only temporary, and it could not have been able to break out all the time. His own strength was not much different from that of Li Qian..."

With that, he looked at Li qianjue, and his eyes flashed: "next, I will order the Eastern Emperor's temple to open the Eastern Emperor's mausoleum. I will try my best to train young people with potential to fight against Ye Chen. And Li qianjue, I will take him as a disciple myself!"

Another surprise!

The God Mausoleum of the Eastern Emperor is the treasure house of the emperor's heavenly palace. It has countless precious martial arts resources, which has not been opened for many years!

However, the Eastern Emperor has not accepted any disciples until now. One is that he has a high vision. Second, the inheritance of the emperor's heaven hall is a secret. How can it be easily taught out?

But now, the emperor forgets the opportunity to accept apprentices!

Ye Chen's existence is a shadow for the whole emperor's temple!

The three men searched again in the area of Yan Zhen, but they still found nothing and had to leave at last.

After that, Zhu Jue yuan became the first disciple of the imperial palace of xingjue. However, he was the first one to join the imperial palace of xingjue. However, he did not choose to be one of the ten disciples.

Their faces are gray, obviously, worried about ye Chen

Just when they were ready to leave Yanzhen area, Zhu Yuan and Ju Qu Dan Xing were moved. They looked at each other and saw the joy in each other's eyes!

Just now, two people's ears, sounded a very slight voice: "I, nothing, don't worry."

It is Ye Chen's voice!

.....

Soon, people left yanzhenyu one after another. After that, the emperor's tiandian often sent people to Yan Zhenyu to look for ye Chen's trace, but all the time, nothing was found. In the end, they had to let it go!

Yan Zhenyu soon became a deserted place, and the hustle and bustle faded away. Only the heat of the day and the cold wind at night remained unchanged. This day, in a red stone forest, suddenly, a figure flashed past, and it turned out to be a cool looking youth.

This man is Ye Chen!

Time, a week has passed since the end of the tiandian assessment. This week, ye Chen has been lurking in the Yanzhen area to heal his wounds. There are TIANYAO, Xuanyao and mysterious people to protect him. No one can find him in Yanzhen domain.

In this world war, although Ye Chen was short-lived and completely activated the blood of reincarnation and suppressed the blood of Xuanyao, he was seriously injured. Relying on the reincarnation blood and the xuanbei tablet of reincarnation, ye Chen did not die.

After a full week of recovery, ye Chen returned to the peak state, which is still in his incomparable vitality against the weather.

It is impossible for ordinary people to recover.

However, the samsara blood also became silent again, as if asleep

At the moment, ye Chen still asked xuanhanyu reluctantly: "xuanxianzi, in addition to collecting ten reincarnation steles, can I really not awaken the complete reincarnation blood? Even for a short time! "

Now we have collected seven reincarnation steles, which have awakened the seven channels of God: the red dust God pulse, the Lingfeng God pulse, the dark god pulse, the ancient poison God pulse, the Dragon flame God pulse, the all souls God pulse, and the holy devil God pulse.

If you wake up to complete blood, only find the remaining three samsara xuanbei.

One of them is certain, and that is the xuanbei of Chinese reincarnation.

Where are the remaining two pieces?

He knows too little information.

His eyes flashed slightly. At that time, an ancient memory came into his mind, which made him know more about reincarnation

In fact, on that day, he did not really awaken the blood, because, with his current strength, he could not control the real power in the blood, which is the reason why his blood awakening would lose consciousness

Chapter 4928

Not even one percent of the strength of the blood.

However, the power is still incomparably powerful, if used properly, even if can only persist for a short time, can definitely become Ye Chen's biggest backhand!

And ye Chen is sure, once the reincarnation of the Lord, reincarnation blood also did not reach that level!

According to the ancient memory, one of the messages that ye Chen knows is the place where the samsara blood begins. On that day, the heaven and earth he saw was the place where the reincarnation blood was born.

However, that world is not outside today's territory.

What is Daojie?

Ye Chen's eyes twinkled and lost for a moment. To find out the secret of his blood, it seems that he has a long way to go

At this time, xuanhanyu opened his mouth and said, "it's not that there's no way. Aren't you able to burn Xuanyao's blood? If the reincarnation is stimulated again, it may react..."

When ye Chen heard the words, he couldn't help laughing bitterly. He didn't want to burn the mysterious demon's blood. He knew that it was only luck that the reincarnation blood could wake up temporarily. Next time, it might not be so lucky

Moreover, even if he can really be so lucky, he is also a little reluctant

This time, burning Xuan demon blood, consumed one thousandth of the amount of blood essence, but for ye Chen, it is a huge loss!

He would never fight in this way unless he was really forced to die completely

At this time, old Shuo said with a smile: "boy, don't be a pity. Your physique is so adverse to the sky that you can even burn the mysterious spirit blood to make the body absorb part of it. It's not a complete waste!"

Now, ye Chen's body, vitality, Demon power and other aspects have been improved. The burned one thousandth of the blood essence is actually part of Ye Chen's body. Of course, it is not directly refined.

However, this time, ye Chen is not without harvest!

As part of the old memory wakes up, ye Chen once pronounced two syllables

That syllable seems to have the power to change the world and even distort the way of heaven!

The syllables and runes are the language and characters of samsara!

Ye Chen called it divine language and magic text.

On that day, the two syllables read out by Ye Chen are the meaning of reincarnation in the divine language and magic text.

This time, ye Chen's mind inexplicably more about the God language and magic text knowledge!

This divine language and magic text contains the supreme road. If you can understand it, you will improve your strength again!

At this time, xuanhanyu suddenly opened his mouth and said, "Ye Chen, I have really come up with a way about how to make you wake up to reincarnation."

Ye Chen hears speech, vision a bright way: "what method?"

"Cold pulse of blood and blood!" he said

"Blood stimulation?" Ye Chen slightly frowned, a little puzzled.

Xuanhanyu said: "this time, you burned Xuan demon blood, stimulated the reincarnation blood, gave me an inspiration

That is, maybe burning blood in the body can help you wake up!

For example, your present samsara blood is like a vegetative being in a deep sleep, and burning blood vessels is constantly stimulating it. When the stimulation accumulates to a certain extent, the vegetative person can wake up from the deep sleep! "

When ye Chen heard the speech, a smile appeared on his face and said: "in other words, I want to awaken the reincarnation blood. Besides collecting the samsara stele, I can also collect other blood vessels for burning?"

Xuanhanyu said: "yes, but the blood used to burn is conditional. One can't be too strong. Otherwise, your body can't bear the power generated by burning, which will bring great risks, just like the blood of Xuan demon!

Then, we should not be too weak, otherwise, the power is not enough to stimulate the reincarnation blood... "

Ye Chen frowned and said, "what kind of blood do you want?"

After pondering for a moment, Xuan Hanyu said, "I'm afraid it's very difficult for foreign countries to get the right blood I'm afraid we have to wait for you to go to a higher plane before we can do it. "

When ye Chen heard the speech, there was a disappointment in his eyes. He shook his head. He did not want to think about the reincarnation. Instead, he stretched out his hand. A flash of fire flashed in front of him, a girl with flaming wings on his back, silver hair and golden eyes, like a porcelain doll, was born extremely delicate and lovely.

It's Yan xuan'er!

Yan xuan'er gave a salute to Ye Chen and said, "xuan'er has met the young master."

Ye Chen said with a smile, "xuan'er, is it here?"

Yan xuan'er looked around and nodded: "yes, the lower part is where the fire core of the earth's veins lies."

Ye Chen smell speech, in the eye flashed a touch of fiery color!

In this area, there are not only the fire pits of the earth's veins, but also the core of the fire that produces the fire!

And Yan xuan'er can swallow the fire core!

Originally, ye Chen was still considering how to temporarily stay in the Yanzhen area and devour the fire core of the earth's veins. Unexpectedly, he had a big fight with the high-level of the emperor's tiandian. Now, he is staying in the Yanzhen area without knowing it. Thinking of this, ye Chen's eyes suddenly froze down. At the corner of his mouth, he raised a sneer and said, "the Eastern Emperor's heavenly palace? I promise Ye Chen that I will destroy you with my own hands

"And that slap, Xu Yanling, I want you to pay back a hundred times!"

The emperor forgets the opportunity. Xu Yanling and others almost force him to death this time. Ye Chen will never forget this hatred!

Now his enemies in heaven and man are not only the hell Dragon Temple, but also the emperor's temple!

To destroy the emperor's temple, we need strength!

Ye Chen took a deep breath, and suddenly stepped on the ground with a loud bang. The earth under his feet collapsed instantly, and his figure also disappeared in a big hole directly under the ground.

He was like a drill bit, and rushed to the center of the earth. After a long time, there was a big bang. Ye Chen flew out of the soil. His eyes narrowed and sweat appeared on his forehead. The whole person seemed to be in a world of fire!

Ye Chen is now in a huge underground space, which is shrouded in a red light with extremely high temperature. Even with Ye Chen's constitution, he feels a trace of heat!

The stone walls around this space have been tempered into glass like crystals by the terrible high temperature. In front of Ye Chen, there is a crystal that is extremely huge, just like the sun, blooming with red light!

And this is the source of the high temperature!

Ye Chen asked Yan xuan'er, "xuan'er, is this the core of the earth's veins?"

Yan xuan'er nodded and said, "yes, sir."

Ye Chen's eyes narrowed slightly. There are various kinds of flames burning in the core of the fire, mainly red. It's just like a sea of flames. The number of burning real fires is not the same as that of the fire pits!

The most important thing is, these fire is extremely pure!

Chapter 4929

Even Yan xuan'er, who is now the embodiment of the top fire spirit, wants to absorb it all, which is a huge project!

However, on the other hand, if she could completely swallow up the fire core, the benefits Yan Xuaner would get would also be unimaginable!

You should know that even the divine fire can't grow up easily when it swallows up the ordinary flame at the level of fire spirit transformation. For Yan xuan'er, this earth vein fire core can be said to be the most precious treasure among the treasures!

Immediately, ye Chen said to Yan xuan'er, "xuan'er, start swallowing!"

In Yan xuan'er's bright eyes, the fire flashed. At the next moment, her wings vibrated and turned into a flame of gold and silver, and rushed towards the core of the earth's fire!

In an instant, the fire core of the whole earth vein will be turned into the color of gold and silver!

The fire core of the earth pulse seems to feel the threat. The rolling fire in the core of fire is surging out, and the red light on the surface is also more and more dazzling!

In the fire of gold and silver, a phoenix sounds. Yan xuan'er turns into a flaming Phoenix with gold and silver feathers, and rushes towards the fire. The fire from the core seems to have a certain spirit. The rolling flame actually melts into a red dragon and fights with Yan Xuaner's Fire Phoenix!

The two burned each other. For a while, the fire dragon suppressed the fire phoenix!

In the eyes of Yan xuan'er's Fire Phoenix, a touch of reluctantly appears. The firepower of the fire core of the earth's veins is still ahead of her expectation!

But at this time, a light suddenly fell on the gold and silver Fire Phoenix. Yan xuan'er, who had been suppressed by the fire dragon, suddenly lit up her eyes. The gold and silver flame on her body suddenly rose, and a clear sound of Phoenix sounded. The fire phoenix was all over the body, and the fire was so blazing that it turned the situation around and suppressed the red dragon!

The Phoenix beak a peck, then the silk thread red flame, pulled from the dragon's body, swallow into the abdomen!

At this moment, ye Chen receives his hands, and the spiritual power in his body constantly rushes towards Yan xuan'er. Yan xuan'er is the real fire of his life. Not only is Yan xuan'er able to run the blood burning formula for ye Chen, but ye Chen is also able to integrate the spiritual power into Yan Xuaner's body and enhance its flame power!

With Ye Chen's help, Yan Xuaner's strength has greatly increased, and she has completely suppressed the Yan Zhen fire in the fire core of the earth's veins. However, it will not be a deacon overnight to devour all the fire

Another week later, the earth, suddenly issued a huge sound, a figure from under the sky!

Ye Chen took a deep breath, and a touch of satisfaction appeared on his face. He stayed under the ground for a long time without breathing fresh air.

Now, the temperature in the whole area has been reduced to normal level, and the fire element in the air has dissipated!

Why?

It's very simple, because Yan xuan'er has swallowed up the fire in the fire core of the earth's veins!

Ye Chen's mouth, raised a smile, although it took a week, but in the eyes of Ye Chen, it is worth it!

At this moment, in the sea of knowledge, there is a girl figure, which is Yan xuan'er.

Yan xuan'er seems to have grown up for a year!

Fire spirit, only when the strength has a breakthrough, the appearance will change!

After Yan xuan'er breaks through, ye Chen also cuts off a chain on Xuan Hanyu again!

Now, if you use xuanhanyu's power to face the strong, even if you are not the enemy, at least, you can protect your life!

Ye Chen looked at the sky, and his eyes flashed slightly: "it's time to leave the real area of inflammation."

For a while, he was in a bit of a dilemma. He had intended to join the emperor's heaven hall and enter the heaven and man realm, but now he has been with the emperor's heaven hall and never died

He murmured: "can only, walk a step to see a step."

At the next moment, a red gold flame wings spread behind it. When the wings spread, the whole person turned into a streamer and shot out towards the end of the sky. In a blink of an eye, he left the real world.

But at this time, a person's shadow appeared in front of Ye Chen!

Ye Chen looks a Lin, toward that figure to see, but can't help but slightly a Leng, immediately, in the eye appeared a touch of surprise color way: "Miss Qin?"

In front of him, is a temperament elegant, gentle and beautiful woman, it is Qin Ziwei!

Qin Ziwei said with a smile, "Mr. Ye, long time no see."

Ye Chen has some unexpected way: "how are you here?"

There is a heaven demon and other powerful cover, even the east palace can not find his existence, but Qin Ziwei seems to be waiting for him to come out here

Qin Ziwei's mouth, appeared a wry smile and said: "childe ye, I know that you and the emperor tiandian after a big feud, I guess you are still hiding in the Yanzhen domain, this period of time, I have been waiting for you to come out."

Ye Chen smelled the speech and his eyes twinkled. He knew that the gratitude and resentment between the emperor's tiandian and him would not be spread out. Those examiners did not dare to spread it out under the command of the emperor's tiandian. But even so, could Tianxing Pavilion still get the news?

It seems that the sky star Pavilion is more powerful than it imagined! He was silent for a moment, suddenly staring at Qin Ziwei and saying, "Miss Qin, why are you so nice to me?"

Qin Ziwei was stunned when she heard her words

Soon, she responded, but there was no answer.

Ye Chen looks at Qin Ziwei, and her eyes flash. You know, Qin Ziwei knows that he has a death feud with the emperor tiandian. How dare she wait for herself outside Yanzhen?

Of course, there is no way. After ye Chen is covered by TIANYAO and others, it is difficult to send a message to Ye Chen. Therefore, Qin Ziwei can only wait outside Yanzhen territory to see ye Chen!

However, after ye Chen came out of the real area of inflammation, the power of concealment began to dissipate gradually.

However, Qin Lagerstroemia and other Ye Chen come out to bear the risk!

If it is found by the emperor's tiandian, the consequences will be unimaginable, and even, may lead to the collapse of Tianxing Pavilion!

From the perspective of interests, Tianxing Pavilion should cut off the contact with Ye Chen!

However, Qin Ziwei still appears here

Recall Qin Lagerstroemia for him to do a variety of, its help to oneself, seems to have gone far beyond the general cooperative relationship!

Qin Ziwei didn't answer for a moment, and then she said, "Mr. Ye No, ye Chen, in fact, I approached you from the beginning, not only to let you cooperate with tianxingge. As for the reason, I can't tell you yet, but I want you to believe me, I will never do anything against you, will you? "

The leaf Chen hears speech, without hesitation place head way: "can."

Qin Ziwei even risked the risk of the emperor's temple, but also to stand on their own side, what can not believe?

However, ye Chen also has some curiosity, what is the reason in Qin Ziwei's mouth.

Qin Ziwei said with a smile, "OK, let's go to heaven and man first."

With that, one of them raised his hand and let out a flying boat full of golden light.

Ye Chen heard the speech and said happily, "Miss Qin, can you take me to heaven and man?"

Chapter 4930

Qin Ziwei nodded: "call me crape myrtle. In the future, I will also call you ye Chen to take you to the heaven and man region. Naturally, you can. The reason why you didn't do this before is just to let you join the tiandian directly..."

Ye Chen slightly frowned and said, "crape myrtle, I have a grudge with the emperor tiandian. Can I join other tiandian?"

Daojing is still very important for ye Chen. Only if he has enough Daojing to enhance Xiaohei's strength, the more chaotic flame he can use and the higher the quality.

What's more, it needs a lot of Daojing!

Qin Ziwei sighed: "very difficult."

Ye Chen's eyes flashed slightly and said, "I remember you said that other tiandian directly solicited demons in the heaven and man realm through messengers? If I get some fame in heaven and man, can I get their invitation? "

With his current strength, he can crush several demons ranking at the top of the list of gods and gods at random. It is estimated that no one knows about them in the universe of heaven and man. In this way, are you afraid that others will not pay attention to them?

Ye Chen is not boasting. With his potential, I am afraid there is no one in the whole region that can match him.

However, Qin Ziwei shook her head and said, "Ye Chen, with your qualifications, you can easily join the tiandian, but it takes time. There is a rule in every temple of heaven to attract evil spirits, that is to investigate for 100 years!

No matter how rebellious you are, you will not be invited until the emissary of the temple of heaven has inspected you secretly for a hundred years

A hundred years is nothing to ordinary martial arts. Moreover, most of the demons in heaven and man are included in the investigation list from the moment they are born

However, you do not need to waste this hundred years of time, which is why I recommend you to participate in the examination of the emperor's temple of heaven. The examiners can directly enter the temple of heaven without going through a hundred years' inspection.

The temple of heaven is very old and traditional. They have seen so many talents that they will not easily make an exception for you... "

Ye Chen smell speech, eyes slightly a sink, a hundred years of time?

A hundred years later, he is no longer abroad!

Others can afford to wait, but he can't!

Ye Chen can't help but ask: "is there no way at all?"

Qin Ziwei looks at Ye Chen. On her pretty face, she suddenly shows a playful look and says, "Ye Chen, in fact, there is another way..."

"What?"

Qin Ziwei said earnestly, "go through the back door!"

Ye Chen looks at Qin crape myrtle with some dullness?

What does that mean?

Qin Ziwei said with a smile: "the master of the five heavenly halls is honored as the five emperors, namely, the Eastern Emperor, the Xiji emperor, the Beiling emperor, the Nanxiao emperor, and the Zhongyuan emperor!

These five emperors are hereditary, that is to say, behind the five heavenly halls, they are actually the five emperors' royal families!

There is also a rule in the temple of heaven, that is, those who marry with the legitimate royal family can join the temple directly! "

Ye Chen frowned and said, "do you mean to let me go after the women of the five emperors?"

"Ye Chen, you are very handsome and attractive to women..."

Ye Chen can't help but smile bitterly when he hears the speech. He finds that Qin Ziwei's gentleness and politeness may have been disguised before. Now he has shown his original character.

Although he knew that Qin Ziwei was joking, he still shook his head and said, "although I Ye Chen is not a good man, I will not pursue women for the sake of interests."

Qin Ziwei laughs and casually says: "Ye Chen, I feel that I really want to be fascinated by you Well, we went to heaven and man before. As for how to join the temple of heaven and man, we will have a long-term plan after we arrive at the heaven and man domain

The next moment, the boat trembled, it turned into a streamer, into the void.

On the boat, ye Chen asked Qin Ziwei, "crape myrtle, have you found the news of Gu Xuan?"

Qin Ziwei shook her head and said, "there are some clues, but it still needs a little time."

Ye Chen nodded and said no more. He crossed his knees on the boat and began to practice.

.....

A few days later, two figures appeared in a very prosperous city.

One of them is a cool looking young man, the other is a beautiful woman with gentle temperament.

It is Ye Chen and Qin Ziwei.

Here, is one of the big cities in the heaven and man region, Qingxuan city.

One to this green Xuan city, ye Chen's eyes can not help but get a bright!

After entering the realm of heaven and man, the first thing he noticed was Aura!

The aura of heaven and man is too rich, which is several grades higher than that of Yan Zhen domain!

Although the gravity of the heaven man domain is not as strong as that of the Yan Zhen domain, it is also dozens of times of that of the Yang Zhen domain!

Qingxuan City, as one of the big cities of heaven and man, has more aura than other places. Almost all of them will be transformed into physical existence. When walking on the street, everyone has a feeling of swimming in the sea of Aura! In the middle of the city, the number of people who come and go to the city is really beautiful!

Any one of these warriors may be able to directly sweep some big forces in the Yangzhen region

Now, it is night, but Qingxuan city is still full of lights, street vendors, still selling all kinds of strange things.

At the same time, the whole Qingxuan city is wafting a kind of if there is no fragrance, let people smell after they feel the spirit of a vibration!

Ye Chen flashed a different color in his eyes and asked Qin Ziwei, "Lagerstroemia, do you smell any fragrance?"

Qin Ziwei said with a smile: "this is the tea fragrance of Qingxuan city."

"Tea fragrance?"

Qin Ziwei said: "among the Qingxuan City, the most famous one is Qingxuan tea house. Qingxuan tea house is one of the top teahouses in the whole heaven and human realm. Among them, Qingxuan spirit tea is only in Qingxuan tea room that you can have a chance to taste. This tea fragrance is the fragrance of Qingxuan tea!"

Ye Chen hears the speech, appeared on the surface a touch of surprise color!

Although the fragrance of tea is light, it permeates the whole Qingxuan city. Moreover, even if ye Chen is as powerful as ye Chen, he will be slightly affected by the smell of tea. What kind of Lingcha has such effect?

Seeing ye Chen's look, Qin Ziwei said with a smile, "why don't we have a cup of tea in this Qingxuan teahouse? It's also the right way to enter the temple of heaven. "

Ye Chen nodded his head and said, "it's OK."

Now, it's no use being anxious. It's better to sit down and have a cup of tea.

Under the leadership of Qin Ziwei, the two people soon came to a loft far away from the downtown area.

On the plaque in the attic, there are two characters engraved in the book: Qingxuan.

The fragrance of tea wafted from the attic.
