

Physician 5001

Chapter 5001

However, Wu Xinshan stopped in front of Ye Chen and said to Chu Jinhong, "elder martial brother Jin, younger martial brother Ye has just started. He doesn't understand the rules. The master hasn't gone far yet. You should be careful..."

When Chu Jinhong heard the words, his pupils shrank. No matter how arrogant he was, he didn't dare to fight in front of Li Wuwang. He snorted coldly and sneered at Ye Chen. "For your sake, elder martial brother Wu, I'll spare you once. Boy, you'd better be careful in the future."

After that, he left.

Wu Xinshan sighed: "let's go, younger martial brother. I'll take you to get the supplies. I'm sorry to doubt you."

"No harm."

On the way, ye Chen asked Wu Xinshan curiously, "elder martial brother Wu, it seems that taijue hall is a little lonely."

Wu Xinshan sighed: "younger martial brother ye, our taijue hall is the weakest of the seven halls. The main reason is that because of an accident in that year, a lot of skills were lost in the hall. The rest are those extremely advanced body training skills, most of which are extremely difficult to practice. Even those who have some talent and foundation for body training, such as elder martial brother Jin and I, are very weak There's no way to get started, let alone other people

Therefore, not many people are willing to join the taijue hall, so we have very few disciples in the taijue hall, and most of them are not wanted by other halls... "

"No?"

Ye Chen smell speech, some don't understand.

Wu Xinshan said with a bitter smile: "younger martial brother ye, you should know that when you take part in the examination, some people will pass because of luck, right?"

Ye Chen's vision twinkled for a while, nodded.

For example, in the last examination of the East emperor's temple, one of the examinees got a strange bead of fire. It seemed that the bead of fire was also condensed by the real fire. However, I don't know what happened. He was very close to the warrior's body, so he easily absorbed the pillar of fire.

Therefore, the firepower value soars!

Although his performance in the fire pit of the earth vein is average, he is in the top ten by the pillar of fire

This is luck.

Wu Xinshan said: "those who come in by luck will not choose the powerful temples. Therefore, these people are not favored by the temple master. If they want to join the Beiling temple, they can only choose the taijue temple. Master, he almost never chooses his disciples, but he never refuses those who come..."

Ye Chen nodded, so it is. This can also explain why the overall strength of taijue hall disciples is much weaker than other halls.

However, Wu Xinshan added: "but, it's still good. The students who come in are more or less powerful.

As a matter of fact, there are those people who go through the back door in taijue hall. Most of them are not qualified to join the Beiling temple, just because they have something to do with the Beiling royal family, or have something to do with the temple. Therefore, under the instructions of the royal

family, some elders and the temple owner, some envoys turn a blind eye and bring these people to the Beiling temple.

Of course, even if these people were brought in by the divine envoys, the elders didn't see them, and the temple owners would not choose them. In the end, they could only be reduced to taijue Temple.... "

Ye Chen is a little speechless. No wonder people like Chu Jinhong are able to dominate in such a place

It seems that he will have a lot of trouble in Beiling temple in the future.

For example, taijue temple is similar to some affiliated colleges and universities. It's normal for students who really rely on their strength to enter colleges and universities to look down on those affiliated colleges and universities.

Soon, ye Chen and Wu Xinshan received the martial arts resources and went to Lingxing Pavilion.

On the way, Wu Xinshan took out a scroll of animal skin and gave it to Ye Chen. He said, "Ye Chen, this is a map. Take it. With this, you won't get lost."

Ye Chen nodded, took the scroll and said, "thank you, elder martial brother Wu."

On the way, Wu Xinshan hesitated for a moment and said, "younger martial brother ye, let me remind you that Beiling temple is very big and there are many interesting places, including the free canteen, hot springs and so on. The food in this canteen is very delicious, which is by no means worse than that of any top restaurant in heaven and man.

The hot spring is also the best spiritual spring. It's good for the health of those who are still in the true realm of martial arts. However, I suggest that you don't go to these places and stay in the area of taijue temple

"Oh?" Ye Chen's vision a Shan way, "why?"

Wu Xinshan said with a wry smile: "you know, our taijue Temple disciples are at the bottom of the Beiling temple. Everyone can bully us. Therefore, we will encounter a lot of troubles when we go to these places. The gain is not worth the loss. Do you know?"

He also knows that it's too hard to live like this, but there's no way, at least it's safer.

Ye Chen casually eh, but didn't put too much on the heart.

Soon before they came here, there was a beautiful attic.

Wu Xinshan said to Ye Chen in front of the door: "there is another thing, younger martial brother Ye. The woman you offended was Murong Yanyu. You are lucky this time. She didn't care about you. Later, remember not to make such mistakes again. Murong Yanyu is a strong woman in Beiling tianbang, which we can't afford. Not to mention Murong Yanyu, as long as the disciples whose names are listed on the Beiling tianbang, they are all monsters in the main halls. For us, they can't be provoked! "

Ye Chen to a trace of interest, said: "North Ling tianbang?"

Wu Xinshan said: "there are 100 names on the list of Beiling temple. These 100 people are the top 100 disciples in Beiling temple. They have certain privileges in the temple."

Ye Chen nodded and was about to enter the Lingxing Pavilion. At this time, Wu Xinshan said again: "by the way, younger martial brother ye, under the master's seat, there are a total of six disciples. Before you, there are five. If you are free tomorrow, you should visit younger martial brother Zhang in Tianxu Pavilion."

"Oh? Why? "

Ye Chen is puzzled. Wu Xinshan mentions this elder martial brother alone, which is not as simple as an ordinary visit.

Wu Xinshan's eyes were a little dim and said, "because you have to sell seven of the Dao crystals you get to younger martial brother Zhang!

Younger martial brother Zhang, named Zhang Qingtan, is the most powerful disciple in taijue hall. Even elder martial brother Jin can only bow his head in front of him!

The reason is very simple, because the elder sister of this younger martial brother is the main disciple of Taizhen temple. At the same time, she is also a super evil named Zhang Zimei, who ranks 19th in the list of Beiling heaven!

Our disciples of taijue Temple want to live a better life, so they have to hide under the shadow of Zhang Zimei and seek shelter. Of course, it's not without cost, so we have to give Daojing to younger martial brother Zhang... "

Ye Chen smell speech, facial expressionless, speak well, seek asylum, is actually pay protection fee.

For Zhang Qingtan, who bullies his own people for profit, he looks down on him most.

Chapter 5002

Looking at Ye Chen's look, Wu Xinshan frowned slightly, with some warning words: "younger martial brother ye, I know you don't agree, but younger martial brother Zhang is not easy to provoke. If you offend him, the end is not as simple as losing Daojing, especially Zhang Zimei behind him..."

With that, Wu Xinshan had a look of fear in his eyes and said, "if you say something bad, Zhang Zimei can make us never turn over..."

The reason why he said so much to Ye Chen didn't mean anything else. He just didn't want to see his younger martial brother make mistakes because he didn't know how to do it. It's hard for them to survive in Beiling temple. They can help.

But, ye Chen hears speech, is light way: "well, elder martial brother Wu, please go back, I also should go to heal."

He knew that Wu Xinshan meant well, but let him visit Zhang Qingtan?

It's just a waste of time.

It seems that ye Xinshan, who is proud of the bottom, should frown at the bottom sooner or later!

He opened mouth, still want to say again what, but the leaf Chen has already closed the door directly.

Wu Xinshan shook his head and had to leave.

After ye Chen returned to his room, he began to heal his wounds. After a few hours, he finally recovered to his peak state, and it was evening. It was time to meet Li Wuwang in the main hall.

Immediately, ye Chen took out the animal skin map, slightly identified the location, and then went towards the main hall.

The main hall of taijue hall is built on the top of a mountain. It is made of some kind of blue jade. It is very beautiful and magnificent.

Soon, ye Chen entered the main hall. There was only one Futon in the hall. On the upper side of the futon sat a thin middle-aged man. It was Li Wuwang!

Li Wuwang slowly opened his eyes, looked at Ye Chen coming from outside the hall, and said with a smile, "is it coming?"

Ye Chen saluted and said, "I've met the master."

Li Wuwang raises his hand to Ye Chen, and an aura falls into Ye Chen's hand.

Ye Chen's vision sweeps the thing in the hand, Li has no hope to give him impressively is a jade card.

On the jade plate, there is the word taijue.

Li Wuwang said: "there is no dress requirement for Beiling tiandian, but you must wear this jade plate when walking outside taijue temple. You need permission to go in and out of many places in tiandian, and the jade plate represents your identity of taijue temple and the permission of Jiupin disciples."

Ye Chen hung the jade card on his waist and asked Li Wuwang, "master, it's just for this jade card that I came here?"

Li Wuwang smiles and shakes his head: "Ye Chen, you must have joined the taijue hall for the sake of the cultivation of this hall? Do you know what is the most powerful skill of taijue temple

Ye Chen hears speech, double eyes a bright way: "ask teacher to instruct."

Li Wuwang's face suddenly became serious and said: "the Zhendian skill of our hall is called Xingtian Lianti magic power! Its origin is extremely mysterious. It is said that it was inherited from the flood and famine era. In ancient times, it was also the biggest reliance of Beiling temple!

Unfortunately... "

With that, Li Wuwang's face darkened and said: "this skill requires a high level of qualification. After ancient times, the martial arts declined, and the aura of heaven and earth changed greatly. The qualification of martial arts practitioners has also been affected. Nowadays, it's like looking for a needle in a haystack to practice this skill, not to mention to practice it to a great extent!

It's because of this that my taijue temple has been reduced to the present situation. "

"Star heaven refining body magic power?" Ye Chen smell speech, can't help eyes a bright!

Why did most of the Gongfa in the flood and famine period be lost?

One of the reasons is that the higher the skill, the higher the threshold!

And because of the influence of the decline of aura and other factors, the overall qualification of the warrior is declining. Therefore, these skills are gradually ignored, and finally can only decline!

Even the disciples of taijue hall can be regarded as geniuses outside, but they can't even get to the beginning of Xingtian training?

We can see how powerful this skill is!

Li Wuwang gazed at Ye Chen and said, "Ye Chen, I'm going to teach you this skill. However, I'll tell you the first thing. It's divided into nine turns. Even though I've been practicing for 100000 years, I can barely reach the second turn

It's hard to imagine how hard it is to practice. You may even spend a lot of effort on this skill but get nothing. To be honest, there are many advanced skills in Beiling temple

So, I'll give you the chance to choose. Do you decide to practice this celestial refining power? "

Ye Chen smell speech, don't hesitate ground way: "disciple is willing to practice!"

Besides, Li Wuwang could have such a terrifying physical strength just by practicing two turns in the sky. Ye Chen couldn't give up!

If you reach the realm of nine turns in the sky?

Isn't it really possible to be sanctified?

There was a strong expectation in his eyes! Although taishangtian's demon body is strong, it is a demon attribute after all! And the star sky refining body magic power is representative of everything!

Between the two can be integrated!

Star heaven refining body magic power is powerful, the supreme heaven devil body will be strong!

Too God magic body breakthrough, star heaven refining body magic power will also have harvest!

When Li Wuwang heard the speech, his eyes also flashed a touch of joy. Over the years, except for him, no one has been able to practice the Xingtian refining magic power. Even many disciples of Beiling Temple sneered at the so-called first skill of Beiling temple. They thought it was just blown out. In fact, it was rubbish. The so-called skill could not be practiced. It was probably just found by taijue temple It's just an excuse!

Even some of the other temple owners had the same idea!

This is the most unwilling thing for Li Wuwang!

Over the years, he has been hoping to have a disciple to rectify the name of Xingtian Lianti magical power and taijue hall!

Now, finally let him wait until a leaf Chen!

One, in less than a hundred years old can enter the threshold of physical sanctification of the evil!

In Li Wuwang's opinion, if anyone can practice this anti heaven skill to a great degree, it's only Ye Chen, right?

At the next moment, Li Wuwang raised his hand, and a piece of green slate with incomparably wild and simple atmosphere fell in front of Ye Chen.

Li Wuwang said: "this is the original Scripture of Xingtian's body refining power. Ye Chen, take it back and practice well."

Ye Chen is tiny a Leng, immediately, some gratefully looking at Li Wuwang way: "thank you master!"

Li Wuwang also practised the Xingtian refining power, but he handed over the original code to himself

This kind of master is very rare.

This also makes Ye Chen feel a trace of warmth.

Li Wuwang gave a smile, waved his hand and said, "well, boy, practice hard. Don't let me down."

Chapter 5003

Li has no hope to do so for a reason. It's hard for him to break through any more. It's also outrageous to put the original code in his hands.

After returning to Lingxing Pavilion, ye Chen plunges into the cultivation of Xingtian's body refining power.

Ye Chen's look was joyful, calm, and depressed. In a flash, three days passed

Finally, ye Chen put down the blue slate in his hand, and the color of great joy appeared on his face!

Even in his eyes, this magical power of Xingtian refining body is very obscure. However, to his surprise, there are many places for this magical power to communicate with the holy body Xuangong and taishangtian magic body!

The realization of this skill not only makes him gain in the supreme heaven demon body, but also makes him make great progress in the practice of Xingtian refining body magical power!

Now, ye Chen has the assurance of stepping into the star sky!

However, soon, ye Chen frowned and murmured: "this celestial refining power is to absorb the power of the stars in the void and refine the body. To absorb the power of the stars, you have to get through some closed and hidden veins in the human body to do it

It's not too difficult for me, but the key is that after I have a communication with the emperor of taixuan formation these days, if I want to activate these veins, I have to use a hundred kinds of Xingling stones with different star attributes to set up the next Xingtian Kaiguang formation. It's a little troublesome. "

Xingling stone is a kind of rare natural material and local treasure. What's more, there are hundreds of them?

That is to say, in the temple of heaven, other forces would not even have the possibility to take out these Xingling stones.

Ye Chen shook his head, put the things of the light array aside, and began to get through those special veins.

Opening pulse is a very painful thing, but ye Chen does not have the slightest decarboxylation, crazy to develop his own channels!

Four days later, in the golden loft of taijue hall, a pale young man was sitting.

At the moment, the man is drinking tea, while several beautiful women are making tea for him, pinching shoulders, beating legs, feeding fruit and so on.

Take care of it like an emperor.

Don't think that these women are servants. They are important places in the temple. How can they bring people in at will?

Most of these women are disciples of taijue hall!

Even if taijue hall is the bottom of tiandian, the warrior who may join taijue hall is a genius and proud!

However, these women are willing to be here, kneading their shoulders and beating their legs for the young man, doing what the servants do?

We can imagine how terrible the young man's position in taijue hall was!

This person is Zhang Qingtan!

At this time, Zhang Qingtan in front of a blonde man, but it is the Chu Jinhong.

Zhang Qingtan put down his tea cup, flashed a wisp of cold light in his eyes, and said: "elder martial brother Chu, our new younger martial brother Ye is so gorgeous? I haven't seen you for so many days?

Ha ha, don't you think that if you are accepted as a disciple by the master, you will be invincible and arrogant? "

In front of Ye Chen, Chu Jinhong, who is arrogant and domineering, shows a flattering smile and says: "this boy is very proud. Younger martial brother Zhang, I don't think you can get Dao Jing this time."

Zhang Qingtan's accomplishments and strength are much worse than Chu Jinhong's, but there's no way. Zhang Zimei can't afford to be provoked in taijue hall!

Therefore, we can only bow to Zhang Qingtan.

Zhang Qingtan said with a sneer: "I'm very curious, younger martial brother Ye. Can you be so proud after seeing me?"

Chu Jinhong's eyes lit up and said, "what does younger martial brother Zhang mean?"

Zhang Qingtan, slowly stood up, raised a sarcastic smile at the corner of his mouth and said: "let's go to the boy's attic to have a look."

.....

Bell star Pavilion, covered with sweat, brow locked Ye Chen suddenly opened his eyes, a roar, a strong pressure of spirit, gush out of the body!

He gasped a little, a touch of joy appeared on his face, and said: "finally, it's successful. Now, as long as you get the hundred kinds of Xingling stones, you can officially break through the Xingtian refining magic power to the Xingtian turning state!"

Ye Chen's eyes are a little excited. Maybe after the breakthrough of Xingtian refining body power, his holy body Xuangong and taishangtian magic body also have a chance to step into the next level!

In that way, the actual strength will make great progress!

"Well?"

At this time, there was a sudden knock on the door. Ye Chen frowned slightly, then walked towards the door and opened the door.

In front of him was a tall, rather strong young man with a bronze complexion and a somewhat wooden face.

Seeing ye Chen, the young man looked happy and said, "younger martial brother ye, you've finally come out. I'm the fourth disciple of the master. My name is Xinlei."

Ye Chen's eyes flashed and said, "brother Xin, what can I do for you?"

Xinlei said anxiously, "younger martial brother ye, now come with me and apologize to elder martial brother Zhang! He heard that you didn't want to see him. He seems to come to you! Younger martial brother ye, if you want to stay in taijue hall, younger martial brother Zhang is the one you can't offend the most! "

Ye Chen smell speech, complexion cold a minute, light way: "elder martial brother Xin, I am not interested in what Zhang Buzhang, also won't go to see him..."

Then, a cold smile appeared on his face and said, "if he has to see me, come to me by himself. I'll be with you at any time."

Someone wants to die. He doesn't mind giving him a ride.

Ye Chen has no antipathy to Xinlei. It can be seen that Xinlei and Wu Xinshan are all concerned about it.

Xinlei's face changes slightly when he hears Ye Chen's words. Younger martial brother Ye seems to be even more proud than what elder martial brother Wu said!

It's exactly the same as what I used to be!

However, this kind of pride can only bring the opposite effect. The reason why he comes to persuade Ye Chen is that he feels that ye Chen has something in common with his former self and can't bear to watch ye Chen go his old way

What else did Xinlei want to say, but at this moment, a sharp voice came out behind him and said, "good one, I'll be with you at any time. Younger martial brother ye, I've just started, but I'm in a good mood. It's not easy for me to see you."

As soon as Xinlei's face changed, he suddenly turned around and saw that there were three people coming not far away. The first one was a young man with pale face and soft face. It was Zhang Qingtan!

And Chu Jinhong and Wu Xinshan followed him.

Wu Xinshan's face was full of worry, while Chu Jinhong was gloating.

Soon, the three men arrived in front of Ye Chen's attic.

Wu Xinshan grabs Zhang Qingtan's words and says to Ye Chen, "younger martial brother Ye! Younger martial brother Zhang is your elder martial brother. You are a bit presumptuous. Come here and apologize to younger martial brother Zhang! "

He is to help Ye Chen, resolve the dissatisfaction in Zhang Qingtan's heart.

But as if Zhang Chen didn't hear the pale face of tan.

Chapter 5004

Wu Xinshan is a little annoyed. Ye Chen really doesn't know how to advance or retreat. He and Xin Lei have already said this. But ye Chen still doesn't appreciate it. Should he continue to be proud?

But Zhang Qingtan's face, at the moment already thoroughly gloomy come down!

Ye Chen is to ignore it completely unexpectedly?

Don't you hear yourself talking to him?

In taijue temple, which disciple dares to treat him like this?

As an ordinary disciple, I would have kowtowed to him for a long time, right?

To tell the truth, as long as Li Wuwang does not appear, he is the emperor of taijue hall!

Disrespect to the emperor?

That's the death penalty!

Ye Qiankun is just a waste!

Is Zhang Qingtan ignored by a boy in heaven and earth?

How can he accept it?

In Zhang Qingtan's eyes, a ferocious color flashed, and his whole body's spiritual power ran at a high speed. A powerful pressure burst out in an instant. He said to Ye Chen in an extremely cold place: "younger martial brother ye, elder martial brother, I'm very curious. How do you accompany me at any time?"

As soon as his voice fell, the whole person turned into a shadow and rushed towards Ye Chen. Wu Xinshan and Xin Lei's eyes shrank and their faces were worried and worried!

Ye Chen is just the cultivation of heaven and earth. Zhang Qingtan just doesn't do anything. If he just bumps Ye Chen, he can smash his whole body, right?

And Chu Jinhong is to smile, happily smile, this damned boy, is not crazy? Isn't it arrogant?

Ha ha, is retribution coming?

Zhang Qingtan has always been extremely ruthless, even if he won't really kill Ye Chen, it's inevitable to let him lie for a year and a half!

But at the moment, ye Chen stands in the same place, motionless, a pair of can't react to Zhang Qingtan's speed at all!

Wu Xinshan sighed, finished, the strength gap between the two sides is too big, ye Chen can't even hide!

Ye Chen's eyes narrowed slightly, looking at Zhang Qingtan who rushed towards him. A touch of indifference appeared in his eyes. In the process of knowing the sea, he turned with the power of his spirit and moved towards Zhang Qingtan!

Just when everyone thought that ye Chen was going to be seriously injured in Zhang Qingtan's hands, Zhang Qingtan's face suddenly turned white, and his eyes shook violently. At the moment of looking at Ye Chen, I don't know why, there was a feeling of extreme fear in his heart, as if he had been targeted by a prehistoric beast, and the warrior's intuition roared wildly!

At the moment, his body was out of control and instinctively wanted to escape from ye Chen!

For a moment, Zhang Qingtan's steps were disordered. His left foot and right foot seemed to be knotted and tripped in one place!

The next moment, there was a loud bang in front of Lingxing Pavilion. Everyone was stunned to see the scene

Only see, Zhang Qingtan unexpectedly is in the distance leaf Chen three step position heavily fell on the ground, the face and the ground had intimate contact!

Ye Chen looks at Zhang Qingtan who falls to the ground and disdains to smile. He doesn't even use his soul skill. He just releases a little fluctuation of his soul power, which has scared Zhang Qingtan into such a state.

For a time, ye Chen also lost interest in Zhang Qingtan, directly closed the door and returned to the attic.

He just got through the meridians and needs to consolidate. Why waste time for such a mole ant?

At the moment, in front of Lingxing Pavilion, there is a dead silence.

Wu Xinshan, Xin Lei, and Chu Jinhong all look at Zhang Qingtan on the ground strangely. You should know that the physical coordination of the warrior is far beyond ordinary people. It's impossible to fall down!

But Zhang Qingtan just fell down at this time?

And he fell so hard!

This scene, appears extremely funny, if not Zhang Qingtan's background, they can't help laughing!

At the moment, Zhang Qingtan's face was red, and he was so ashamed and angry that he wanted to die!

He's going crazy biting his teeth!

This is the first time he has lost such a big face!

In the heart already will ye Chen hate to the pole, the only idea in the brain is to rush into the bell star Pavilion and tear Ye Chen to pieces!

However, at the thought of the terrible feeling, Zhang Qingtan calmed down in an instant

He slowly got up, wiped his nose, and looked at the Lingxing Pavilion. There was a look of extreme fear in his eyes. The next moment, he left the Lingxing pavilion with a gloomy face and without saying a word.

Chu Jinhong and others are stunned, looking at Zhang Qingtan with surprise.

With Zhang Qingtan's character, he just left? It's incredible

Chu Jinhong gave a cold hum and glared at Lingxing Pavilion.

This boy's luck is also a little too good!

Soon, ye Chen closed his door and practiced in Lingxing Pavilion for two days. On this day, he slowly opened his eyes, vomited a mouthful of turbid Qi, and finally consolidated his channels. As soon as he moved, he left the Lingxing Pavilion and went out of the hall.

If you want to get a hundred kinds of Xingling stones, you have to go to the Wanbao Pavilion in the temple of heaven.

On the way, a strange color appeared in Ye Chen's eyes. At this time, there was a lively atmosphere in taijue hall. All the disciples in taijue hall were talking and laughing, and they looked very happy.

The reason for this is that today is the day of cooperation and training between Taihao hall and taijue hall.

What is cooperative experience?

Cooperative training is a tradition of the Beiling temple. Two well-known disciples of the main hall are sent out to perform the mission together and learn from each other in the process of the mission.

It can not only exchange martial arts, but also increase the feelings of the two halls.

However, after the decline of the taijue hall, this kind of cooperative training has already existed in name. Originally, the cooperative training would send almost all the disciples in the hall, but now, the Taihao hall only sends one disciple to the taijue hall and randomly selects one partner.

However, this is a good thing for the disciples of taijue hall!

It's extremely difficult for the taijue hall disciples to complete the sect mission. If they form a team with the Taihao hall disciples, they can get half of the mission reward for nothing!

What's more, I heard that this time Taihao hall sent a demon named Yu Si, who was a disciple of the temple master and ranked in the list of Beiling heaven!

The task selected by Yu Si will not be too low in rank. It can be said that the selected disciples will have a pie in the sky!

Just as he was about to reach the exit of taijue hall, ye Chen saw four figures coming. It was Chu Jinhong and others!

There are six disciples under Li Wuwang's seat. The fifth one is a woman. However, this woman's situation is somewhat special. For the time being, she is not in the temple of heaven.

Wu Xinshan's eyes flashed and asked Ye Chen, "younger martial brother ye? Where are you going? "

Ye Chen nodded to Wu Xinshan and Xin Lei and said, "elder martial brother Wu, elder martial brother Xin, I'm going to Wanbao Pavilion."

Chapter 5005

Four people smell speech, Chu Jinhong and Zhang Qingtan's complexion, instantly sink!

Looking at Ye Chen's eyes, they are all with anger!

This kid, why don't you say hello to them?

What's more, they only say hello to Wu Xinshan and Xin Lei. They just look down on them!

Wu Xinshan, also some want to curse

Ye Chen's character is really crazy. He reminds him again and again that he doesn't seem to care about it

Not only offend and provoke Chu Jinhong and Zhang Qingtan, but also go to wanbaoge now?

It's hard to leave taijue hall at will!

At this time, Xinlei said: "younger martial brother ye, you were just practicing in seclusion before. Now that you have come out, please come with us to welcome you. Maybe you will have a chance to be selected by you."

"Well?" Ye Chen asks a way, "what meaning?"

Wu Xinshan nodded and said, "yes, younger martial brother ye, let's meet you. You don't know that today is the day for taijue hall and Taihao hall to cooperate in training. You will choose a disciple of taijue hall to complete the task together. This is a good thing.

Besides, Yu Gongzi is a demon in the top 62 of the list. As a disciple of the temple leader, if you don't show up, Yu Gongzi may think that I'm too extreme and the temple doesn't respect him enough. If you violate Yu Gongzi, the consequences will be very serious. "

Ye Chen smell speech, shook to shake head a way: "I am in a hurry, don't go."

I'm just going to leave.

People are a little dull, in a hurry?

Ye Chen this is to connect in the division all don't put in the eye?

Just at this time, a man's voice with some playfulness sounded in everyone's ears and said, "it seems that someone in taijue hall is not very welcome to someone."

Chu Jinhong and others were shocked and looked in the direction of the sound.

A young man in a blue brocade shirt, calm, sharp chin and narrow eyes appeared in front of everyone.

This young man, who seems to be 500 years old, is full of emotion!

Even give people a sense of danger!

This person is Yu Si!

There was a smile on the corner of his mouth, but there was no temperature in his eyes.

In his opinion, it's a gift for the people of taijue hall to come to taijue hall for cooperation and training. These wastes should be grateful and welcome is the most basic.

But now, a mole ant with the lowest strength offended his dignity?

Hehe, that's a price to pay.

But Chu Jinhong saw in the division's instantaneous, the complexion then flustered!

For the sake of this cooperation experience, he has flattered Yu Si for a long time!

In order to get the opportunity to carry out the task together with Yu Si!

But now, this has no brain Ye Chen, a word then annoyed in the Department?

In case the gas in the Department to go, his hard time is not all in vain!

For a moment, Chu Jinhong's face was distorted, and his forehead was full of blue veins. He stared at Ye Chen and yelled: "boy, you want to die? You don't want to meet Mr. Yu, don't you? How are you? Are you still in a hurry? For a mole ant like you, what is more important than welcoming you?"

Now, kneel down in front of the young master and apologize. Do you hear me? Otherwise, as the first disciple of the temple master, I will teach you a good lesson for you! "

At the moment, ye Chen's eyes seem to have no Chu Jinhong and Yu Si at all.

When he moved, he walked directly towards the outside of the hall, without any intention of staying.

Wu Xinshan and Xin Lei are suffocating

They underestimated Ye Chen's audacity!

Chu Jinhong's face has turned red, and is ignored again?

At this moment, he finally can't bear it any more. He drinks violently. His breath is manic, his muscles are stirring, and his huge spiritual power is running at full speed. With a flash of body shape, he comes to Ye Chen. His eyes are full of cold. He claps his hand on Ye Chen's shoulder and roars: "I'm talking to you!"

This palm, if clap solid, ye Chen's whole body bone all want to be clapped broken?

But at the moment, ye Chen is just standing quietly in the same place, it seems that there is no time to react!

Chu Jinhong looks more and more ferocious, with a fierce smile on her face, as if she had seen the scene of Ye Chen's whole body broken, blood flowing, begging for her own mercy!

There was a touch of sarcasm on Yu Si's face. The boy was so weak that he couldn't even avoid the slap?

How dare you pack this waste?

Chu Jinhong's hand is very fast. In a twinkling of an eye, this palm will almost hit Ye Chen's shoulder!

But at this time, ye Chen calmly opened his mouth.

He said only one word.

"Go away."

However, this is the word, but it set off an uproar! Time seems to freeze in this moment!

Chu Jinhong's hand solidified, and the smile on his face solidified at the same time!

At the next moment, Chu Jinhong's smile broke rapidly and turned into a look of great pain. Blood gushed from his seven orifices, his hands covered his head, screaming wildly and rolling on the ground!

Wu Xinshan and others see this scene, eyes are about to fall to the ground!

Although Chu Jinhong is only a disciple of taijue temple, as the first disciple of the temple master, his strength should not be underestimated!

At least, in taijue palace, Chu Jinhong is the absolute first!

Can, now, but by Ye Chen one hit second kill!?

And

Just now, what ye Chen did seems to be a soul skill?

They did not expect that ye Chen was a soul practitioner?

He is also a terrible soul cultivator!

Ye Chen didn't even look at Chu Jinhong, so he continued to go out of the hall.

But at this time, Yu Si said again: "why, I just beat another mole ant, so I'm in a hurry to go?

I want to ask you, "what are you going to do in a hurry?"

Ye Chen looks at Yu Si and frowns slightly. He is bored.

If there are a group of flies flying around you, just killed a head, and then another head, will you be annoyed?

He gazed at Yu Si and said coldly, "it's none of your business?"

With this remark, the whole taijue hall seems to be frozen!

If ye Chen beat Chu Jinhong and let Wu Xinshan's eyes fall out, this time, even the spirit will be scattered!

Ye Chen really provoked Yu Si!?

It's not about death. What is it?

Yu Si smelled the speech and said angrily: "you are very good. Don't you really think that you will be invincible if you defeat a trash? I'll let you know what a frog in the well is today

This time, he was really infuriated!

With a roar, the prestige of the middle stage of the true realm was diffused. In Yu Si's eyes, the divine light flashed. Suddenly, there was an array mark in the center of his eyebrow. Wu Xinshan looked at the array mark, and his pupils shrank: "this is it a defensive soul skill!? Yu Si has mastered the defensive soul skill

Chapter 5006

Zhang Qingtan, who has never opened his mouth, finally smiles now, happily.

He said sarcastically: "Mr. Yu is from Taihao hall, which is famous for all kinds of martial arts skills. He even mastered the defensive soul skills. Now, his arrogant capital and the biggest card have become rubbish!"

In his opinion, the reason why Ye Chen is so crazy is that he is just a soul cultivator.

Wu Xinshan and Xin Lei are nervous and ready to inform Li Wuwang at any time!

In a flash, Yu Si moved!

In his hands, there was a dagger, one with a blood trough, and the whole body was light blue, emitting bursts of green fog!

Then, the whole person turned into a shadow and flashed towards Ye Chen. The dagger in his hand turned into a thousand. In the blink of an eye, he stabbed dozens of blows at Ye Chen!

And each blow is a different kind of martial arts, some fierce, some soft with kill, some hard, some hidden!

Wu Xinshan and others were silly. They never thought that they could use so many martial arts skills in a moment!

The most important thing is that many of these martial arts are now in a certain situation. There is no conflict between them. On the contrary, they complement each other and multiply their power!

Yu Si, worthy of being the demon of tianbang, is really terrifying!

Yu Si's mouth raised a sneer. Although Ye Chen was just an insect in his eyes, it was a bit strange. So, this time, he didn't reserve it. Instead, he did his best!

See, that many martial arts toward Ye Chen whistling away, almost in an instant, will completely submerge Ye Chen, Wu Xinshan and Xin Lei are face big change, in their view, ye Chen will be seriously injured!

These martial arts seem to block all the Dodge routes of Ye Chen, and now Yu Si has used defensive soul skills. No matter how powerful Ye Chen's soul power is, it can't cause actual damage to the company, can it?

In other words, ye Chen did not have any chance to turn over!

And Zhang Qingtan is full of sarcasm, already some can't wait to see the scene that ye Chen is crushed by Yu Si!

Although Yu Si didn't attack Ye Chen's key point, he was overwhelmed by so many martial arts skills in an instant. Even if Yu Si regained his strength at the last moment, ye Chen might at least have a comminuted fracture of his whole body, right?

Maybe the foundation of martial arts cultivation will be destroyed!

This is the price of provoking tianbang demons!

In the division is full of happy color, ear seems to have sounded Ye Chen's scream!

At this time, ye Chen moved!

In the face of that just like a giant beast general, surging from the many martial arts, ye Chen is just a simple punch!

Zhang Qingtan and Yu Si see this, and their eyes are even more sarcastic!

Is it impossible for this waste to resist such a powerful attack?

Even most of the demons in tianbang can't break Yusi's blow with a simple punch, can they?

This boy is afraid to get paranoia, escapism?

This shows that ye Chen's heart of martial arts has collapsed, there is no help, even if the division now stop, ye Chen can only do a lifetime of waste.

Wu Xinshan and Xin Lei shake their heads, and their eyes darken quickly. They are helpless, disappointed and angry that they hate iron but not steel

In their opinion, ye Chen had a bright future, but he died because of his pride and recklessness

They repeatedly warned Ye Chen, but what about ye Chen?

I don't listen to dissuasion at all!

Now, it's too late

Just when everyone thinks that ye Chen is doomed, the light fist collides with Yu Si's sword!

Space seems to freeze at this moment!

Then, burst out!

Big bang!

An indescribable and powerful force surged out. The overwhelming wind pressure was whistling in the taijue hall, and the whole world was pale!

For a moment, Wu Xinshan and others' breathing stopped, and the brain seemed to be penetrated by a 100 billion volt current, which was about to burn!

Shock to heart burst!

I can see that dozens of martial arts lights are all gone at this moment!

As if the faint Mars, encountered a 100 tornado in general!

Even the piece did not adhere to the moment, it completely dissipated ah!

Those present could not understand what had happened!

Chen Chen ruthlessly prepared to step on the pupil, the eye of the fierce division is going to be crushed at the foot!

Although he didn't know how all this happened, he instinctively stopped!

He has been scared silly by Ye Chen!

With one punch, you can break your own full blow?

Does a world exist?

If not for personal experience, he would not believe it! All of a sudden, Yu Si's blood was frozen. A very dangerous feeling enveloped him. A strange flash of human shadow appeared in front of him!

This figure is Ye Chen!

At this moment, Yu Si's face finally showed a look of great fear, just like an ignorant fool who inadvertently released a monster

Ye Chen stares at Yu Si, who is shivering, and says with a smile: "you say frog in the well? Is it like you? "

Yu Si's mind was about to collapse. The young man put more pressure on him than his master!

His lips trembled and his eyes were full of begging, as if he wanted to beg for mercy

But, don't wait for its opening, leaf Chen already with a palm press on its shoulder.

It looks like a greeting between friends. There seems to be no threat at all.

But

At that moment, the thunder fell on the shoulder!

With a roar, countless cracks appeared in the earth under the foot of Yu Si. The whole taijue hall seemed to shake like an earthquake!

Wu Xinshan and others open their mouths, and their chin will fall to the ground. The power of Ye Chen's palm is too huge!

And Yu Si screamed, his whole body crackled, and a huge amount of blood gushed out, instantly turned into a bloody man, paralyzed on the ground, dying!

Ye Chen glanced at Yu Si lightly, and a dull color appeared on his face.

Is this the so-called tianbang monster?

At the moment, Yu Si is already a comminuted fracture all over his body, crushed to pieces. Although it is not impossible to recover, I'm afraid it will take a long time for him to recover completely.

What's more, that kind of recovery process to remodel the bones is equivalent to regenerating and assembling the body. The pain can be imagined.

However, in the Division has been regarded as lucky, if he just moved to kill Ye Chen, at this time, has been directly shot into a blood fog dissipated.

Ye Chen no longer cares about Yu Si, who is like a pool of meat mud. With a movement, he disappears outside the gate of taijue hall.

Chapter 5007

Wu Xinshan and others didn't come back until this moment!

If Yu Si hadn't collapsed, they would have thought it was an illusion!

For a moment, both Wu Xinshan and Xin Lei were full of shame. They wanted to get into the crack of the ground!

Their previous admonitions and disappointments to Ye Chen now seem like a joke

They still think it's ye chenao? Is Ye Chen reckless? Ye Chen didn't listen to the advice?

Ye Chen didn't care to talk to them

Although Ye Chen doesn't care about them, Wu Xinshan and Xin Lei still feel that their faces are going to be swollen

And the hardest hit is Zhang Qingtan!

At the moment, he has been scared to sit on the ground. Just thinking that he wanted to fight ye Chen, he shivers all over

Can't he just swallow this tone and allow Ye Chen to climb to his head to be wild?

"Damn it Zhang Qingtan gritted his teeth and said: "it seems that I really want to inform my sister. I'm afraid only my sister can cure this monster..."

Although, ye Chen showed the strength of extremely adverse days, but, think of his elder sister, he soon calmed down.

Yusi's strength is not bad, but there is a huge gap compared with the top 30 of tianbang!

Ye Chen again strange, face elder sister also only kneel share?

In the main hall of taijue hall, Li Wuwang's eyes also showed a touch of surprise.

He knows that ye Chen's strength is far beyond the realm, but he didn't expect that he could really be in the Department in an instant!

Li Wuwang raised a smile and said: "it seems that the future of taijue hall will fall on Ye Chen..."

As for Chu Jinhong, Li Wuwang was extremely disappointed in all aspects. This time, he was injured by Ye Chen. He hoped that it would be a lesson for him. Naturally, he would not pursue anything.

.....

After leaving taijue hall, ye Chen followed the guidance of the map, swept his body, and showed his speed to the extreme. Even most of the disciples along the way could not see ye Chen's figure clearly.

Soon, ye Chen came to a towering and beautiful tower.

This is the Wanbao Pavilion of Beiling temple!

The pavilion is divided into 13 floors. Different floors require different permissions.

For example, the first level disciple can only enter the first level, the second level disciple can enter the second level disciple, and so on.

The higher the number of floors, the more precious the treasures will be. There are 12 ranks corresponding to 12 floors. As for the 13th floor, only elders and emperors are eligible to enter.

Ye Chen is going to the ninth floor.

As soon as he moved, he stepped directly into the pavilion.

The design of Marlborough is somewhat special. The first floor hall is actually above the ground, not the real one. The whole hall has 13 walls, which are made of some kind of crystal and transparent.

On each wall there is a gate marked with different numbers.

Ye Chen's eyes twinkle slightly. He knows that these gates are similar to the elevators of the earth, which can transfer the people who enter them to the upper floor. However, each gate leads to a specified number of floors.

As soon as ye Chen enters the hall of wanbaoge, he becomes the focus of the public. Many people look at Ye Chen with unbelievable color!

There are two reasons.

1、 It's his cultivation, the realm of heaven and earth. This cultivation, in the temple of heaven, is a real rare animal. In ten thousand years, there may not be a disciple of heaven and earth in the temple of heaven

2、 Ye Chen is the waist of the identity of the jade plate, write too unique two words!

The disciples of taijue Temple almost never dare to appear in the public view, but what about ye Chen?

Come in with a swagger

These two reasons make ye Chen the most rare disciple of Beiling temple.

The rarity of rubbish!

Soon, the shock of those disciples turned into disdain!

Many people, are laughing: "too Jue Temple people, also dare to come out?"

"Ha ha, is taijue temple a garbage dump now? The existence of heaven and earth can also be earned under the door? "

"The existence of such people is a disgrace to the temple of heaven!"

Ye Chen's face was expressionless, and he walked directly toward the gate marked as nine, behind the line waiting for the gate to open.

But at this time, ye Chen's eyes flashed and looked at the wall next to the ninth floor gate.

There was the gate on the 10th floor, and a few people stood in front of it.

Among them, there is a man and a woman.

The man looked cold and proud, with a dark complexion and a handsome face. He was dressed in a black robe and had a wooden sword without a shell hanging from his waist. His eyes were sharp. Only when he looked at the woman in front of him could he see a soft color in his eyes.

And the woman standing in front of him, ye Chen has seen! This woman's face is exquisite and her temperament is cool and gorgeous. She is the Murong Yanyu Ye Chen has seen on the mountain road of taijue palace!

Ye Chen frowns slightly when he sees the woman. He has a bad feeling in his heart that he seems to be in trouble

Because, this Murong misty rain, at the moment obviously noticed his existence!

Murong Yanyu stares at Ye Chen with a kind of inexplicable meaning.

The man standing behind him also glanced at Ye Chen. His eyes flashed slightly. He asked strangely, "misty rain, what's the matter with you?"

It is rare to see Mu Yu's emotional interest.

Murong Yanyu didn't answer, but said to Ye Chen with a light look: "you've made enough preparations."

Ye Chen hears speech, tiny a Leng, some inexplicable, what is this woman saying again?

What's more shocking is the disciples of Beiling temple!

One by one, They gaped at Murong Yanyu, and thought they were listening!

Murong Yanyu has just spoken to this rubbish?

You know, Murong Yanyu is famous for her coldness and beauty. Did you not see that Xu shaotian, the evil man in taixuan hall, who was standing behind her, was indifferent to her?

It is said that someone once counted that Murong Yanyu had been in the Beiling temple for hundreds of years, excluding saluting his elders, and had no more than three conversations with men!

Now, even in front of the public, he took the initiative to speak to a boy in taijue hall?

Moreover, listen to tone, Murong Yanyu seems to know this person?

Xu shaotian's eyes sank and he looked at Ye Chen's face. It was freezing.

Seeing that ye Chen didn't speak, Murong Yanyu shook his head and said, "you don't have to pretend any more. I know why you are here. I can tell you that I really like smart people, and you, in my opinion, are a little smart. You are qualified to know my name. My name is Murong Yanyu. What about you?"

This time, it caused a great disturbance in the hall!

Murong Yanyu, what do you mean?

Self reported home, but also take the initiative to ask the man's name?

The most important thing is, from her words, it seems to have a good feeling for ye Chen?

This news, if spread, will stir up the whole Beiling temple?

Chapter 5008

But at the moment, Xu shaotian's pupil already flashed to kill intention!

Murong Yanyu is the woman he likes. Now he is interested in a waste?

Ye Chen, some have no language, this Murong misty rain added drama to oneself again?

However, he was silent for a moment, still open mouth way: "leaf Chen."

It's not that he wants Murong Yanyu to know himself, it's just that he's worried that if he doesn't speak any more, he won't know how Murong Yanyu will perform

But after he finished, Murong Yanyu said again: "Ye Chen, do you know what is the most important thing in the communication between men and women?"

Everyone was surprised when they heard that Murong Yanyu had talked about the topic of communication?

Without waiting for ye Chen to answer, Murong Yanyu's beautiful eyes flashed: "I tell you, it's power! In the martial arts world, everything is about power!

Do you understand? For the sake of your intelligence, I'd like to give you a piece of advice. Don't waste your time. You should put your energy on practice. You are far from me in terms of realm and strength. No matter how clever you are, we can't do it! "

Once the words came out, there was another uproar in the hall!

This time, they understand. Murong Yanyu is rejecting the boy!

Xu shaotian hears speech, the facial expression is also restored calm, looking at Ye Chen, the eye is sarcastic.

And the disciples of tiandian also sneered: "I didn't expect that this boy's vision is really high."

"Ha ha, even if toad wants to eat swan meat, this is toad wants to eat Phoenix meat."

"It's just self humiliation."

At the moment, ye Chen can't bear it any more. He looks at Murong Yanyu and frowns: "what are you talking about?"

How narcissistic is this woman?

He did not say a word, how to become a pair of want to chase her appearance?

Murong Yanyu shook his head in disappointment and said, "Ye Chen, you're acting very similar, but I hope you have a bit of responsibility. You have to admit what you've done. Do you want me to expose you?"

"Expose?" Ye Chen said, "what do you want to expose?"

Murong Yanyu snorted coldly: "don't you come to wanbaoge at risk just to create a chance to meet me and let me pay attention to you? I admit, you made it.

On that day, you pretended to be the enlightenment fist seal on the mountain road of taijue hall and blocked my way. Although I was very angry, I did remember you. Today, you are a disciple of taijue hall. You appeared in public and chose to stand in front of the ninth floor gate. I don't want to notice you. "

Ye Chen said: "do you think too much? I don't know you, and how do I know you will come when I come to Marlborough for the first time? "

This woman seems to like playing detective games very much

Murong Yanyu raised a smile and said, "that's why I said you are a little smart. This design is really a coincidence in the eyes of ordinary people, but it can't hide it from me!"

In her eyes, the essence flashed and said: "first of all, you said you didn't know me. On that day, we had a conflict on taijue temple road. Even if you don't want to know, your elder martial brother will tell you my name, right?

I have to go out a few days ago, and it's not hard for me to know.

However, the most important thing is how do you know that I will come to Marlborough at this time! "

People smell speech is also curious, if can't explain this, can't prove Ye Chen's appearance is premeditated.

Murong Yanyu said: "the reason is that you have heard that Caixia girl has been cured for many years. Moreover, she seems to have awakened her powerful blood. In order to celebrate this, tiandian decided to hold a wedding banquet, which is always on the invitation list!

Since I'm going to attend the wedding banquet, I'm sure I'll prepare a gift. Therefore, as soon as I return to tiandian, I'll go straight to wanbaoge!

It's all in your expectation, isn't it

Ye Chen smell speech, on the face flashed a color of surprise, see ye Chen's look, Murong Yanyu more sure that his reasoning is right!

Ye Chen is really surprised, but it's because Ning Caixia is going to hold a wedding banquet. To tell you the truth, he hasn't seen her for a while, but he wants to see this simple girl. Ye Chen is still a little curious about how powerful Baicai qingsui Gu's blood is.

And all the people on the scene are looking at Ye Chen with a look of shock. If ye Chen starts to block Murong's misty rain on the taijue Temple Road, and then appears in front of Murong's misty rain again, it's all in Ye Chen's arrangement. It's really brilliant. It's so many steps ahead of time

However, they still have some doubts, because of the lack of decisive evidence!

As if, seeing people's thoughts, Murong Yanyu looks at Ye Chen's mouth and raises a smile of complacency. Like a winner of chess, he says again: "unfortunately, a wise man has a thousand worries. There must be a mistake. Your layout is impeccable, but it leaves a flaw in the end!In order to make it easier for me to notice you, you chose to stand in front of the gate next to me. Unfortunately, you ignored... "

She confidently said: "to enter the corresponding gate, you need the corresponding authority. If you want to enter the Ninth level, at least you need the authority of Jiupin disciple. Obviously, you can't be Jiupin disciple!

You calculated so much, but you ignored some of the most obvious problems!

You must want to say you're in the wrong place, right?

However, judging from Chu Jinhong's reaction on that day, it is obvious that you just joined taijue hall recently, and how many Daojing can you have just joined taijue hall? Since there is no Dao Jing, how can you come to wanbaoge for no reason?

Do you want to put so many coincidences together? "

The public hears speech is a face now suddenly of color, before they just notice Ye Chen how weak, all forget he is standing in front of the gate of the ninth floor now!

Moreover, the most important point is that ye Chen has no money!

In the temple of heaven, Dao Jing is money. Why does he come to Wanbao pavilion?

Everything can only be explained by Murong Yanyu's reasoning!

Ye Chen must have designed everything. He came here to meet Murong Yanyu and left an impression in his heart!

For a moment, people look at Ye Chen, and their eyes show a touch of admiration. To tell you the truth, ye Chen's strength is not so good, but the means of chasing women really make them eye opening!

If it's not Murong Yanyu, I'm afraid Ye Chen will succeed as an ordinary woman?

The most important thing is, just to leave an impression on each other, this first step Ye Chen even calculated a lot, who knows how many calculations there are behind?

Even those proud goddesses, it is estimated that they will be trapped by Ye Chen step by step, can't extricate themselves?

Ye Chen stood still and could not speak. He was completely defeated by Murong Yanyu's imagination. Even he almost believed it

Chapter 5009

"Speechless?" Murong Yanyu became more and more proud.

At this time, Xu shaotian said with a sneer: "this boy, I think he put his brain on these heretical ways, but is it useful? No strength, no matter how to calculate, no one will look up to him! "

Murong Yanyu doesn't ridicule Ye Chen. Just as she said, she likes smart people. Although Ye Chen's calculation has been seen through by her, it can be seen that ye Chen is absolutely not bad in terms of intelligence!

If ye Chen's strength, enough to board the North Ling tianbang, Murong Yanyu doesn't even mind, give ye Chen some opportunities.

On the contrary, people like Xu shaotian are powerful enough to be in the top of the Beiling tianbang, ranking ninth. However, Murong Yanyu is not interested in him at all. At most, he is not too exclusive.

Unfortunately, ye Chen's current strength is too poor

At this time, a light suddenly lights up on the crystal wall in front of Ye Chen's body, and the door to the ninth floor is opened.

All the disciples in front of Ye Chen have gone to the ninth floor. Now, only Ye Chen is left in front of the door.

However, the public didn't care at all, anyway, ye Chen is impossible to enter the gate.

He came to wanbaoge just to impress Murong Yanyu, didn't he?

However, at this moment, the pupils of all the people were shrinking, and they were watching the scene in front of them. The original noisy Hall of Marlborough was suddenly quiet

See, leaf Chen unexpectedly is a step by step toward that gate walked past!

Xu shaotian witnessed and sneered: "it seems that this boy still wants to struggle? In order to deny your reasoning, you want to enter the gate and prove yourself? "

Murong Yanyu frowned and said, "if you don't have permission to enter the gate, you will be treated by the defensive array as trespassing into the Wanbao Pavilion. You will be seriously injured or even killed!"

She is about to stop Ye Chen, but Xu shaotian disdains to say: "ha ha, just put on airs. He doesn't have the courage to go in."

Murong Yanyu also nodded her head. She knew that such a smart person as ye Chen was calm and would not be impulsive.

All the disciples in the hall had the same idea.

But soon the faces of the people suddenly changed!

Seeing, ye Chen is about to enter the door, but there is no pause!

The next moment, his figure flashed directly into the door!

Beyond everyone's expectation, ye Chen actually stepped into the door!

Murong Yanyu's heart trembled and exclaimed anxiously: "Ye Chen, you are crazy! Come out quickly. If the gate is closed, you will be attacked by the array! "

Is it that he tore down Ye Chen in public and hurt his self-esteem?

He just too don't give ye Chen merciful face, cause him for a moment don't want to open, even want to use this way to commit suicide to prove himself?

Ye Chen, is this to overthrow her reasoning with life?

She didn't really care more about ye Chen, but, after all, this matter because of her!

Moreover, with Ye Chen's intelligence, it's a pity to die like this!

But ye Chen didn't seem to hear it at the moment. He didn't mean to leave the door at all

Seeing, the gate will close slowly, and if it doesn't come out, there will be no chance to come out!

Even Xu shaotian was a little surprised. However, immediately, he gave a cold smile. It's good that the waste is so dead. He can see that Murong Yanyu is quite concerned about ye Chen.

That's not what he wants to see.

Looking at his indifferent appearance, Murong Yanyu's heart suddenly sinks. Does Ye Chen really want to win her with his own life?

She couldn't help shouting: "Ye Chen, you You come out! It's just been torn down by me once. Why? How can a man look for life and death without moving? "

But ye Chen is still indifferent.

Murong Yanyu's beautiful eyes kept flashing. Looking at the door that was constantly closed, he suddenly said: "Ye Chen! If you want to come out, I I can think about the matter of being a Taoist partner with you! "

Hearing this, they all looked at Murong Yanyu strangely. She was so cold and gorgeous, just like an iceberg. Unexpectedly, she was so kind. In order to save Ye Chen's life, she even agreed to this condition!

But Xu shaotian, in the eye already surfaced an obliteration idea!

He secretly decides, even if ye Chen doesn't die under the array, he also wants to find a way to destroy this boy!

However, what people can't believe is that even so, ye Chen still doesn't mean to leave from the gate!

Is this guy really dying?

In a flash, the crystal gate made a dull sound and closed completely!

Murong Yanyu can't bear to close her eyes and doesn't want to see the scene when ye Chen is attacked by the array. She knows that the picture will be very sad

However, the expected scream did not come to mind. Instead, a burst of exclamation broke out!The whole hall seems to be boiling!

"Well?"

Murong Yanyu opened her beautiful eyes and looked at the door of the ninth floor. Through the crystal wall, she saw that the indifferent young man was on the wall, slowly rising towards the ninth floor

For a moment, Murong Yanyu was dull, looking at the scene in front of him

Is Ye Chen really going to the ninth floor?

That is to say, ye Chen is a disciple of Jiupin?

Is he really here to exchange treasure?

Ye Chen lightly looked at Murong misty rain one eye, he is silent, silent, just because there is no need.

To overthrow Murong Yanyu's reasoning is very simple. As long as you successfully enter the Ninth level, it's enough, isn't it?

Soon, Ye Chen's figure disappeared in the public's field of vision.

And at this time, Shua, everyone's eyes, all focused on Murong Yanyu's body.

Murong Yanyu's pretty face, suddenly rose red, disgraced to the point of no more, almost want to die!

My previous reasoning has now become the biggest joke!

From small to large, Murong Yanyu is the pride of heaven in the eyes of the public. He has strong self-esteem. When did he lose his manners?

She looked at the ninth floor of Wanbaoge very reluctantly. Suddenly, her heart trembled and she couldn't help thinking, is this the real purpose of Ye Chen?

She thought that she had seen through the layout of Ye Chen. In fact, from that moment on, she was already in deep trouble!

Shocked at Ye Chen in this game at the same time, inexplicable grievances in the bottom of my heart, this time, she admitted that she lost, lost very thoroughly!

Murong Yanyu said angrily: "Ye Chen! You wait for me, I will take revenge

After that, she couldn't stay in the Hall any longer. With a movement, she disappeared into the public's view.

Chapter 5010

After Murong Yanyu left, the crowd also joked with a playful look: "ha ha ha, do you still like smart people? In my opinion, Murong is really too smart! "

"Hey, maybe Murong is the one who wants to attract the other's attention?"

"It's reasonable. All those who like smart people are excuses, right?"

"It's a pity they don't appreciate it."

But Xu shaotian's face, already gloomy to the extreme!

.....

Marlborough, ninth floor.

Ye Chen looks at a wide range of exotic treasures with bright eyes. These treasures are placed on the shelves one by one and are guarded by an aperture.

Immediately, ye Chen then in these shelves, looked for the star spirit stone.

Soon, a touch of joy appeared on Ye Chen's face, and he found it.

Among the nine floors of wanbaoge, there are indeed xinglingshi for sale!

However, his joy did not last long, but it completely dissipated, because he saw the price marked on the shelf

One Xingling stone is equal to 100 top grade Daojing?

What's the concept?

You know, what ye Chen has in his hand is only top grade Taoist crystal. Ten top grade Taoist crystals are equivalent to one top grade Taoist crystal

That is to say, the Daojing in his hand is not enough to buy a xinglingshi!

And the layout of star sky open light array, at least also need a hundred star spirit stone!

Murong Yanyu, one thing is right

He really has no money.

Just when ye Chen was in a bit of a dilemma, an old man who looked like the manager of wanbaoge, dressed in a blue shirt, with white hair and slightly thick bones, walked towards Ye Chen and said plainly: "boy, what are you doing here? If you have any resources to exchange, exchange them as soon as possible. "

Ye Chen smell speech, face dew wry smile way: "this elder, I really have the thing that want to exchange, just, now on hand not too abundant, can owe first?"

"First?"

The old man seemed to have heard some joke and laughed and said, "do you think this is the pub next to your house? Still owe first, boy. If there is no Dao Jing, leave for me. Don't disturb me.

Let me remind you that you'd better accumulate some Daojing as soon as possible. In the temple of heaven, you need Daojing if you want to get more resources and even better opportunities. Without Daojing, you can't enjoy the treatment of disciples of the temple of heaven. "

Ye Chen frowned and said, "master, what's the way to get Daojing in the temple of heaven?"

The old man smelled the words, gazed at Ye Chen, and said with a smile: "naturally, in addition to the resources distributed by the clan, there are also such things as discussing the Tao, fighting, completing the task, and so on..."

Ye Chen pondered for a moment, and soon ruled out all these ways. There was only one reason, which was too slow!

You should know that the earlier you activate the veins in your body, the better the effect will be. Ye Chen's channels are called Ning Xing's veins. Generally speaking, the earlier you activate them, the better the quality of Ning Xing's veins will be.

Therefore, ye Chen naturally will not slowly accumulate Dao Jing.

Seeing ye Chen's look, the old man said with a smile: "it seems that you are not satisfied with my suggestions?"

Ye Chen shakes his head and says: "dare not, just, the elder has no other method?"?

The old man's eyes flashed slightly and said, "there's another way, that's to kill the devil."

"The devils?"

Ye Chen doesn't understand a way: "what meaning?"

The old man sighed: "in fact, it's a secret about Beiling temple. In those years, a Zhiqiang of Beiling Temple traveled through the void and went to all planes. Once, he came to a continent with extremely strong demons. There was only one creature on this continent, and that creature was the devil."

"It doesn't seem to do any harm, but it's extremely difficult to kill it completely!"

But in those days, that Zhiqiang brought some demon seeds back to Beiling Temple because of his carelessness. Ye Chen, do you know what the attribute of demon is? "

Ye Chen said: "devour?"

"Not bad!"

The old man nodded his head and said: "these demon seeds have gradually grown into adult demons, and they are rapidly reproducing!"

Today, the number of demons has exceeded one million, and the million demons are constantly devouring the spirit of Yuanling mountain in Beiling temple!

If it goes on like this, sooner or later, the spirit of Yuanling mountain in Beiling temple will be swallowed up by these demons. In that way, Beiling temple will no longer be able to produce Daojing, and will no longer be one of the five main halls.

However, although the spirit is almost immortal, it also has one characteristic, that is, it can be inhaled into the body of the warrior for refining!

It was only by many disciples who constantly refined the demons that they managed to control these demons within a certain number, so that the spirit of Yuanling mountain would not drop significantly.

Unfortunately, people can only devour demons once in their lives, and there are risks. Every year, several disciples die in the process of killing demons. In order to encourage the disciples of tiandian to devour these demons, tiandian even made a decision. If the number of demons devoured exceeds 20, every additional demon devoured will be rewarded with an excellent Taoist crystal! "

Ye Chen hears the speech, the God awn in the eye explodes to flash, if he once devoured the evil spirit, isn't he, can have enough Dao crystal to buy Star spirit stone?

What's more, he has a magic tablet in his body and a supernatural magic body! It was made for him!

Immediately, he asked the old man, "master, how can I carry out the demon killing?"

The old man said: "there is a lonely peak in the temple of heaven, which is called miemo peak. If you want to kill the demons, go to miemo peak and ring the battle drum at the foot of miemo peak!

In this way, there will be special statistics of the number of refining demons for you to record! Don't forget! Otherwise, you will not get a piece of Dao crystal even if you swallow up many demons. "

Ye Chen nodded and said: "thank you for your advice!"

Then he turned and walked towards the entrance.

At the moment when he turned around, the old man looked at Ye Chen's back, but there was a smile at the corner of his mouth.

At this time, xuanhanyu said: "yechen, have you found that the old man is a little strange?"

Ye Chen smelled speech, flashed a dignified color in his eyes, and said: "the old man's strength, even if he used the three methods of poyun, I still can't see through, but it's certain that the strength may be above Li Wuwang!"

In other words, this seemingly humble old man is a real strong man!

This level of existence is extremely noble even in the temple of heaven. How can it be an ordinary guard in the pavilion of ten thousand treasures?

However, ye Chen just said faintly: "no matter what the old man's intention is, I can't miss this opportunity to destroy the demon spirit."

Not only for Dao Jing, but also for another reason, that is, phagocytosis has always been Ye Chen's strength!

Maybe, these evil spirits can bring unexpected benefits to Ye Chen!
