Chapter 5021

But who knows, when he said that, Li Wuwang cheered softly: "nonsense! Just say it in front of me. When it comes to the wedding banquet, don't talk nonsense any more. Besides, take this one. "

Say, throw a storage bag to Ye Chen casually.

Ye Chen's face shows a trace of helpless color, it seems that no one will believe him.

He took the bag and said, "what's this?"

Li Wuwang coughed softly: "I don't have much savings for my teacher, but I think I can buy some gifts. You can't really go empty handed for the wedding banquet in the evening."

Ye Chen is about to refuse. At this time, Wu Xinshan and others breathlessly enter the hall, take out the storage bag, pass it to Ye Chen and say, "younger martial brother ye, this is some of our savings, you can also take it."

They know that ye Chen is the protagonist of the taijue hall, and the only disciple of the taijue Hall who can hold hands. Naturally, the gifts should be chosen by Ye Chen.

As for the reward Daojing that ye Chen got after destroying the demon spirit, Li Wuwang and others are very clear that the reward will not be given so soon. Even, because the amount is too large, it is a question whether Beiling temple will give it to Ye Chen.

Under normal circumstances, ye Chen can't touch this supreme existence.

Ye Chen was silent for a moment, looking at the expressions of several elder martial brothers and the master. Finally, he accepted these storage bags and said: "I know."

A few people smell speech, it is to show a smile on the face.

Naturally, he won't really spend a few people's savings to buy gifts, but doing so can make them feel at ease.

Later, ye Chen said goodbye to several people and returned to the Lingxing Pavilion.

Looking at Ye Chen's back, Li Wuwang tells Wu Xinshan and Xin Lei: "at night, watch your younger martial brother, don't let him make trouble."

Wu Xinshan and his wife nodded heavily. There was no such thing as taijue temple in this banquet!

Soon, as night falls, ye Chen wakes up from his practice. There is a call outside the door: "younger martial brother ye, you can start."

Ye Chen smell speech, immediately, came to the door.

As soon as he opened the door, it was Wu Xinshan who appeared in front of him.

Just, looking at two people, the eye of leaf Chen is flashed a wipe strange look.

At the moment, Wu Xinshan and his wife were all dressed in strange clothes. They were all dark and looked like a kind of close fitting robe. Outside, they were wearing a coat. What's more, they were wearing a headscarf on their forehead.

Ye Chen puzzled to ask a way: "two elder martial brothers, you this is?"

Wu Xinshan and his wife, looking at Ye Chen, were even more surprised and said, "younger martial brother ye, are you going to the wedding banquet like this? What about your dress? "

"Is this a formal dress?"

Ye Chen is a little speechless. The design looks very formal, but it's also very ugly.

Wu Xinshan immediately took out a set of the same clothes and said, "younger martial brother ye, don't you have formal clothes? Put on my suit. Generally, in order to show respect for the host, we all wear formal clothes for large-scale banquets. If we don't wear formal clothes, we will even be ridiculed and discriminated against. "

Ye Chen associate himself to wear this so-called "formal dress" appearance, immediately shook his head and said: "no, let's go."

Said, the first out of the door.

Wu Xinshan two people repeatedly persuade, of course, ye Chen always refused to agree.

It's just a celebration. Why be so formal?

As for what other people think of him, he doesn't care. The clothes he wears are clean and tidy. This is respect. Why do you have to be so artificial? And deliberately put on clothes you don't like?

Wu Xinshan and Xin Lei have no choice but to give up.

In a short time, people came to a small Emerald Lake. In the center of the lake, there was a magnificent palace carved like ice jade.

Wu Xinshan looked at the palace with a look of excitement in his eyes and said: "this palace, named Yuyun palace, is one of the highest palaces in the heaven palace. The ice jade that builds the palace is a very high spiritual material, named ice cloud God jade. It is said that even the attacks of the top foreign powers can temporarily withstand!

Yuyun palace is open only when we meet the guests with extremely noble status. Now, it is used to hold a wedding banquet for Caixia tiannv, and we can enter the Yuyun palace with light! "

Three people came to the jade cloud palace before, showed the certificate, then entered the jade cloud palace.

Yuyun palace is divided into three areas: front, middle, back and back.

At the front, there is a throne carved with ice jade, which is naturally a place for Ning Caixia.

The position closest to the throne is the core area. The disciples sitting here can contact Ning Caixia with the nearest distance, and even have the opportunity to talk and communicate with Ning Caixia!

Later, the location is the central area. Although it is difficult to talk with Ning Caixia, Ning Caixia can be seen clearly and can also be seen clearly by Ning Caixia.

Finally, it's the peripheral area. Here, you can only vaguely see Ning Caixia. It's not easy to be noticed. The whole Yuyun palace is shrouded by a big array. In Yuyun palace, you can't use the divine idea to explore. Therefore, if you can't see it, you can't really see it

Generally, this kind of array is used in large-scale banquets. After all, it is impolite to use divine exploration at will. In high-level banquets, it is not allowed.

And ye Chen three people, at the moment, is assigned to the peripheral area.

Wu Xinshan and Xin Lei are obviously a little depressed. The ones who can sit in the core area are at least the demons who are ranked in the top ten of tianbang, as well as the disciples who are above the top ten.

The central area is the demons behind the top ten in the tianbang, and finally, the peripheral area is all the invitees besides

After a hard time meeting Caixia tiannv, Wu Xinshan and her husband both hope to see clearly

Ye Chen doesn't think so. He sits at the table and eats and drinks.

At the moment, most of the disciples in Yuyun palace cast their eyes towards Ye Chen's direction!

Ye Chen's recent performance on miemo peak has made the whole heaven hall almost have no one who doesn't know him. Many people are full of curiosity about ye Chen.

Another reason is that ye Chen didn't wear formal clothes!

In this jade cloud palace, everyone is wearing formal clothes, only Ye Chen!

Dress very casually

This is disrespect to Caixia tiannv

Sitting in the core area, Murong Yanyu, Xu shaotian and Qu Mingshi naturally saw this scene.

Xu shaotian said with a cold smile: "this boy is really desperate. It seems that there is a good play today."

"Ha ha."

Qu Mingshi also said: "maybe I don't even have the chance to tell Caixia tiannv about this boy's rudeness, do you know? This wedding banquet, the man is coming back. "

Chapter 5022

"What Murong misty rain, beautiful Mou a tremble way: "he also wants to attend the wedding banquet?"

Qu Mingshi nodded with a smile and said: "you know that person's character and his feelings for Caixia tiannv very well. Therefore, this wedding banquet, that person's eyes are absolutely unable to rub sand. This boy is dead!"

Murong misty rain smell speech, beautiful eyes appeared a touch of anger and anxious color!

Is Ye Chen really out of his mind?

Will wearing a suit kill him? Wouldn't wear them?

If you offend that person, ye Chen's martial arts talent, even if it's against heaven, it's completely over!

She hesitated for a moment, suddenly, stood up and walked towards Ye Chen.

Xu shaotian and Qu Mingshi both frowned slightly, but they didn't stop them.

And the eyes of the people also fell on Murong Yanyu.

Murong Yanyu, what is this?

Looking at the direction of Murong Yanyu's advance, everyone is in a state of mind, thinking of the rumors about her and ye Chen!

Soon, Murong Yanyu came to Ye Chen's desk.

However, to everyone's surprise, ye Chen still drinks and eats food on his own. He has no intention of taking care of the beautiful woman

It seems that Murong Yanyu is not as good as this table of food and wine and his appetite!

Murong Yanyu bit his teeth, this bastard is too damn!

She was kind enough to remind him, but he was!

For a moment, Murong Yanyu had an impulse to turn back

But, after all, she still stifles anger, opening a way: "leaf Chen, I have a word to say with you, come out with me!"

People smell speech, eyes, instant bright ah!

Murong Yanyu, the goddess of taixuan hall, and even the whole Beiling temple, took the initiative to talk to the man?

What's more, you have to go out alone with each other as soon as you open your mouth?

It's just like Murong Yanyu wants to be alone with Ye Chen and go on a date!

Originally, people didn't believe the so-called inverted rumors, but now, they believe it!

However, what is more shocking is Ye Chen's attitude!

See only, leaf Chen side clip dish, side head also don't lift ground light way: "have words, say here."

The warrior in Yuyun palace is mad with anger and jealousy when he hears the words. He can't help cutting Ye Chen with a knife!

Murong Yanyu is the goddess in many people's minds. If you can say a word with Murong Yanyu and spend a little time alone, they will be very happy to lose 100 years of life!

But what about Ye Chen?

Is this the attitude to the goddess's request?

Many tiandian disciples who adore Murong Yanyu already want to cry!

And Murong Yanyu has been so angry that her body is shaking slightly!

She bowed her head slightly, her breath was restless, and the wine cups in the palace were shaking!

The disciples of the temple of heaven are eager to see Murong Yanyu get angry and trample Ye Chen under his feet. But they know that Murong Yanyu won't do it

Because today, Yuyun palace is the place for wedding banquet, no one dares to do it here.

Murong Yanyu takes a deep breath. She even wants to go back to her seat, no matter Ye Chen!

But she can't just go back!

In this way, it really seems that he is like a woman who has been turned down by Ye Chen

She said coldly, "I advise you to change into formal clothes, otherwise, later, you will be in great trouble."

Ye Chen hears speech, but have no reaction at all, eat food by oneself.

Murong Yanyu was a little anxious. She murmured, "did you hear me?"

Ye Chen a pick eyebrow tip, saw to Murong misty rain, in the eye take light of tired of color, this woman is too noisy.

He looked at Murong Yanyu and said, "you said I would be in trouble?"

Murong Yanyu nodded and said, "yes, someone will come later. He won't like your clothes. Moreover, he, you can't make trouble of him."

Murong Yanyu only warned Ye Chen out of kindness. That day, she wronged Ye Chen and felt guilty. This time, she reminded him to save his life, which was to make up for ye Chen.

Murong Yanyu never likes to owe others anything.

But, who knows Ye Chen is some to ponder ground to open a way: "I am in trouble, have what relation with you?"? Why do you care so much about me? I like it? "

For a moment, Murong Yanyu looks at Ye Chen in disbelief. Her pretty face turns red instantly. She stammers and says, "you You What are you talking about? "

This is the first time that someone has said this to her!

Murong Yanyu's consciousness is in a mess, and she starts to think wildly. Even, she can't help asking herself why, she always thinks of Ye Chen's face?

Why, ye Chen always this kind of attitude, oneself even want to help him on the contrary?Is it really just to make up for your mistakes?

Murong Yanyu didn't dare to think about it any more. She calmed herself down, turned around in a hurry, and walked towards her position, saying, "if you want to die, you can die!"

She doesn't want to talk to Ye Chen any more!

But, after returning to the seat, Murong Yanyu can't help but want to look back to see if ye Chen has changed his formal dress?

If you don't change it, it's too late!

Ye Chen smiles and finally drives the woman away. She can drink and eat at ease.

And those disciples, with red eyes staring at Ye Chen, would tear Ye Chen to pieces if they were not in the jade cloud palace!

How dare the boy openly molest their goddess!

Wu Xinshan and Xin Lei are trembling. Most of the disciples who can enter the Yunyu Palace are demons and geniuses. The killing intention released by so many geniuses, even if it's not aimed at them, makes the weak two unable to bear it!

They both look sad. The master tells them to take good care of Ye Chen, but ye Chen can't see it at all!

Ye Chen is not only a gifted martial artist, but also a troublemaker!

As soon as they came up, they directly provoked most of the demons!

On the contrary, it is Ye Chen himself, an appearance that doesn't care at all.

Xu shaotian, looking at Murong Yanyu, comforted: "Yanyu, don't worry about this boy, he wants to die, just let him die."

However, Murong Yanyu completely ignores Xu shaotian. At the moment, her pretty face is full of resentment and anger. Even if she doesn't want to think about it, her mind is full of Ye Chen, ye Chen, ye Chen!

Xu shaotian see this, eyes gloomy a minute, toward the distance of Ye Chen looked, kill heart big move!

And that group of martial arts, is also a cold voice to discuss the way: "after a while, the wedding banquet is over, we must give this boy a lesson."

"You think you can do whatever you want to do to kill the devil?"

"Ha ha, don't let him have a long memory, he doesn't put our disciples in the eyes of Beiling temple?"

But all of a sudden, the original noisy hall suddenly quieted down.

Chapter 5023

At the entrance of Yunyu palace, there was a faint echo of footwork.

All of us are looking at the door in an instant!

See, a figure slowly emerged in the door, a man's figure.

At the moment, even the leaf Chen is the facial expression move, toward that man, cast the vision.

Entering the Yunyu palace was a man with a yellowish complexion, a medium figure and a pretty face.

However, in the Qingjun, it is with a kind of cutting, a kind of fierce, let people see, can't help but chill!

This man, dressed in formal clothes, tidied himself up meticulously, even the position of the headscarf was right to the extreme, it was like having obsessive-compulsive disorder!

At the same time, he had a sword on his back, a long sword. The handle was made of animal bones, and the scabbard was some kind of leather.

At this time, Qu Mingshi met the man, saluted respectfully and said, "Mingshi, I've seen elder martial brother Xue."

The man, facing Qu Mingshi, the eighth in the list of heaven, just nodded faintly.

This attitude, for ordinary people, Qu Mingshi certainly can't stand it, but in the face of this man, he doesn't even dare to show his displeasure.

At this time, Wu Xinshan's eyes trembled wildly and said, "Xue He's Xue Mobei, the God of cold Valley

Ye Chen looks at Wu Xinshan and asks, "Xue Mobei, what's the origin?"

This is the title of the temple of taiyangmo, the first master of taiyangmo!

Xue Mobei is the first evil in the list of Beiling heaven!

Moreover, this person's temperament is very strange, as if everything should be in order, otherwise, it is easy to get out of control and run wild!

It is said that he once went to the cold Valley to enter a secret place, but just before entering the secret place, he suddenly asked everyone to line up

How could the soldiers on the scene listen to him? Many people directly resisted and ridiculed him!

Then... "

With that, Wu Xinshan felt a touch of fear in his eyes and said, "all the people in the cold Valley died. None of them survived. Except Xue Mobei, they were all killed. At that time, the number of warriors in the cold valley was more than 30000!

After that, Xue Mobei was given the title of cold Valley killing God

Some time ago, Xue Mobei seemed to be looking for a chance somewhere. Unexpectedly, he came back to attend the wedding banquet today! "

Ye Chen nodded and looked at Xue Mobei. His eyes narrowed slightly. Xue Mobei is really not simple!

Cultivation alone has already threatened him!

You know, Xue Mobei's age is only about 500 years old!

It can be said that it is extremely adverse!

However, what's more terrifying is his intention of sword!

It's a powerful sword. It's estimated that it has reached the realm of wuchongtian!

This realm is terrible!

However, Xue Mobei's strength is far more than that. This time, without Xiao Hei's warning, xuanhanyu said ahead of time: "Ye Chen, Xue Mobei has a shaman body, which is very strong and has gone beyond the level of foreign countries. However, he has not fully awakened!"

At this time, Xue Mobei suddenly twisted and looked in the direction of Ye Chen. When he noticed Ye Chen's clothes, a blue rib suddenly protruded on his forehead, but his face remained expressionless.

Then, Xue Mo north is a step by step, toward Ye Chen came over!

All the people in Yuyun Palace are happy when they see this scene. They know that ye Chen is going to have bad luck!

Most of the disciples of Beiling Temple know a taboo about Xue Mobei, that is, Xue Mobei likes unity and regularity, especially in some specific occasions.

At the same time, Xue Mobei also likes Caixia tiannv!

If anyone is worthy of Caixia tiannv, it is estimated that Xue Mobei will be able to get rid of the demons who have already cast the way!

But ye Chen is on the wedding banquet of Caixia tiannv, dressed like this?

Not only out of place, but also disrespectful to Caixia tiannv!

You can imagine the consequences!

It's the end of Shaochen's smile. It's like Xu Mingshi.

Soon, Xue Mobei comes to Ye Chen's desk, but Wu Xinshan and Xin Lei can't speak any more. They are shaking as if they are about to die of cold. They even lose consciousness!

Xue Mobei puts too much pressure on people!

At this time, Xue Mobei's eyes narrowed slightly and said, "are you ye Chen?"

Even if he is not in the temple of heaven, he can easily get information about the temple of heaven. Naturally, he will not be unaware of the new record on the miemo peak.

Ye Chen lightly glanced at him: "yes."

Xue Mobei nodded. Suddenly, he pointed to the outside of Yuyun palace and said, "you, get out of here."

He doesn't care what evil Ye Chen is and how many demons he has devoured. Today is the day for Caixia tiannv to hold a wedding banquet. He doesn't allow Ye Chen to destroy all this. Shua of a, the vision of all people all concentrated on the body of leaf Chen.

I don't know. Facing Xue Mobei, can ye Chen be as calm, indifferent and playful as when he just faced Murong misty rain?

Ye Chen even if again crazy, face Xue Mo north also won't be like this again?

This time, these people got it right.

Ye Chen really didn't ignore Xue Mobei as he did when facing Murong's misty rain.

At the moment, ye Chen raised a cold smile at the corner of his mouth and said, "if you are sick, you are going to treat it. Do you know that crazy dogs are all in cages?

Unexpectedly, I can still hear the mad dog barking? "

Dead silence

It's like the death of an endless hell

Countless people are looking at Ye Chen with horror and begin to doubt their hearing

And Wu Xinshan and Xin Lei have a big mouth and look like ghosts!

Ye Chen even provoked Xue Mobei?

No.1 in the sky, No.1 in the sun, No.1 in the cold Valley, No.1 in xuemobei?

What's more, it's not an ordinary provocation, but a direct way to call Xue Mobei a mad dog!

Is Ye Chen taking part in any death tournament?

Is it possible to win the championship?

Xue Mobei, who originally thought Ye Chen didn't dare to resist and was ready to walk directly towards the core area after the order was issued, suddenly stopped. His eyes were covered with blood, and his forehead was covered with veins. However, strangely, his face was still calm!

This calm, on the contrary, seems even more frightening!

He stares at Ye Chen and says: "don't you go away?"

Ye Chen said with a smile: "you are very ill. If you are not happy, will you dig your eyes? What are you, no matter where I am? "

Xue Mobei has obsessive-compulsive disorder. Even if he forces himself, will he force him?

Ye Chen is not used to this kind of person's interest.

Chapter 5024

At the moment, Xue Mobei's eyes are going to crack!

When has he been insulted like this?

He wants Ye Chen to die!

Can, the key is, he is in cloud jade palace now, still can't hand to Ye Chen!

Xue Mo North matchless Sen Leng way: "you know, this wedding banquet, can last only a few hours at most? Have you ever thought about the consequences of offending me? "

Ye Chen light way: "have never thought of, you don't deserve to let me think."

Xue Mobei's look is more gloomy. He doesn't speak any more and turns to walk towards the core area.

In his eyes is almost into the essence of the murder, the temperature of the whole Yuyun palace fell in an instant.

Xue Mobei swore secretly: "he will make ye Chen regret every word he says now!"

Everyone is almost silly, this ye Chen unexpectedly let Xue Mo North eat shriveled?

However, everyone laughed

Well, now, ye Chen looks very beautiful. Xue Mobei is not a man who is good at bickering. But if ye Chen wins, what?

His life can only last until the wedding banquet is over

This wedding banquet is a wedding banquet for others, but it's a countdown to death for ye Chen!

Xu shaotian and Qu Mingshi are so happy that they want to laugh. Although Murong Yanyu is very angry at Ye Chen, she doesn't know why. At the moment, she knows that ye Chen is going to die, but she is not happy at all

Wu Xinshan and Xin Lei, their clothes are all wet with cold sweat. They want to contact Li Wuwang, but they are in the Yuyun palace, and the message of Yufu is blocked

As for running out of the palace?

It's impossible. Now Caixia tiannv will appear at any time. If you leave now, it's disrespectful to Caixia tiannv!

Can't you really just watch ye Chen die?

Wu Xinshan, with red eyes, bit his teeth and said, "I'm sorry, younger martial brother. I should have stopped you..."

With that, a decisive color flashed in his eyes and said, "don't worry, no matter what cold Valley God Xue Mobei is, the first sword of the sun, if you want to fight against you, you have to step on the elder martial brother's body first!"

Lessing nodded heavily!

They know ye Chen's strength is more powerful than them, but they are ye Chen's elder martial brother!!!

Protecting younger martial brother is elder martial brother's duty. No matter how strong Ye Chen is, they will stand in front of him!

Ye Chen smell speech, the vision twinkled for a while, faintly softened down, this moment, he completely Wu Xinshan and Xin Lei as his elder martial brother.

However, soon he said with a bitter smile, "elder martial brother Wu, elder martial brother Xin, why do you look like you're going to die? Don't worry. I'll be fine. "

The other side just makes him feel threatened, but not afraid.

Wu Xinshan and Xin Lei sighed.

In their opinion, younger martial brother Ye is very good in all aspects, but he is too confident

Self confidence to the point of unreasonable

Xue Mobei's strength and fighting power are terrible to the extreme. Younger martial brother ye can't defeat the demons in this realm even if he goes against heaven, right?

What's more, Xue Mobei is still Jianxiu!

Strength is far beyond the same level!

At this time, there was a cry outside the jade cloud Palace: "the heavenly daughter is coming!"

Hearing the words, they all looked at the door of the hall with excitement on their faces.

I saw a woman coming in outside the door. She was a little petite, but her face was very delicate. Today, obviously, after careful dressing, she was not only very moving, but also noble and elegant.

This woman is naturally Ning Caixia!

After ye Chen sees Ning Caixia, she smiles a little. The girl looks really beautiful. Even he is almost lost.

And the rest of them have been completely stunned!

However, at the moment of Ning Caixia, the expression is some indifference, as if the mood is not very good in general!

Ye Chen stares at Ning Caixia, suddenly light Yi, seem to discover something.

Soon, Ning Caixia sat on the main seat.

A maid stood beside Ning Caixia and said to the crowd, "now, you can present your present."

A disciple of tiandian stood up and said, "I'm in the lower Taizhen temple, Su Jue. I'd like to present my congratulations. Please have a look!"

Said, hands touched a jade box.

These tiandian disciples are not qualified to go before the throne. They can only stand in their positions and wait for the maid to come to collect them.

Soon, the maid came to Su Jue and opened the jade box. Inside the box was a hairpin, which was made of some kind of gem containing stars. It was very beautiful. Even the maid could not help but brighten her eyes!

It's really a beautiful ornament!

And the maid looked at the hairpin in her hand for a while and asked Su Jue, "space magic weapon?"

Everyone was surprised when they heard the words. The space magic tools were all taken out, but they were valuable! Su Jue is proud of nodding: "good!"

The maid nodded and presented the hairpin to Ning Caixia.

Ning Caixia took a look at the hairpin. Her beautiful eyes also flashed. She looked at Su Jue and said gently, "thank you."

This thank you shocked all the people in Yuyun palace!

Caixia tiannv actually talked to the boy named Su Jue

For a moment, these people all looked at Su Jue jealously.

And Su Jue is a happy to crazy look!

At this time, a stout young man also stood up and said: "maid, please have a look at my gift..."

His heart is also hot up, eager to let the heavenly daughter talk to himself!

After looking at the gift, the maid presented it to Ning Caixia.

This time, Ning Caixia's eyes didn't change, but she said "thank you" to the man

This time, the jade cloud palace almost boiling, all people are scrambling to offer the treasure.

In order to hear a thank you!

At this time, Wu Xinshan was also a little excited and said, "Ye Chen, do you also present a gift? Maybe she can satisfy the heavenly daughter, and she can stop Xue Mobei from attacking you! "

Ye Chen smelled the speech and said with a smile: "elder martial brother Wu, elder martial brother Xin, I didn't buy any gifts."

At this moment, Wu Xinshan and Xin Lei are going to be petrified!

Wu Xinshan said hurriedly: "younger martial brother ye, don't make fun of me!"

This is Ye Chen's only turning point!

However, ye Chen is casual way: "I'm not joking, really did not buy."

Then he gave them their storage bags.

Wu Xinshan and Xin Lei are almost paralyzed to the ground

There is no last chance

At this time, suddenly a man stood up, the original some noisy people instantly quiet down.

At the moment, it was Xue Mobei who stood up.

Xue Mobei has a pair of eyes, staring at Ning Caixia all the time!

At this time, he turned his wrist, and a red jade box appeared in his hand.

At the moment when the jade box appeared, people felt slightly hot, but they didn't have the feeling of burning. Instead, they felt very comfortable, warm and comforting!

Chapter 5025

When people looked at the jade box, they were shocked

It's true that it can influence so many people at the same time. It's a treasure in the jade box!

Even Ning Caixia, who used to look a little cold, now looks at the jade box, and her beautiful eyes are all in a flash.

When Xue Mo faced Ning Caixia in the north, he seemed to be a different person. With a gentle smile on his face, he slowly opened the red jade box.

When people looked at the jade box, they saw a piece of crystal lying in the jade box. The crystal was light gold, and in the crystal, there seemed to be a seven color flame beating slowly!

Seeing this, a disciple of the temple of heaven saw an extremely shocking color in his eyes and exclaimed: "seven colors of flint! This is the seven colors flint

The visitors in the jade cloud palace smell speech, one by one are looking at this seven color flint in disbelief, even in Ye Chen's eyes flashed a color of surprise.

Seven color flint is an extremely rare treasure. Its main feature is that it has moderate firepower and is very suitable for human physique.

After absorbing the firepower, the warrior can not only wash the marrow and cut down the body, improve the strength of the body, but also cultivate seven colors of spirit fire in the body. Having this spirit fire is enough to resist most of the cold!

Seven color flint, even for those who are at the peak of martial arts in the real world, can be regarded as a useful thing. Xue Mobei, at the moment, takes it as a gift!

It's not that big!

It can be said that everyone knows Ning Caixia's thoughts!

At this time, Xue Mobei spoke to Ning Caixia in a soft voice: "I know that Caixia tiannv has successfully eradicated her stubborn disease recently, but she still has some discomfort and often feels cold. Therefore, she specially found this seven color flint, hoping to be useful to her."

Hearing this, everyone was surprised. How could Caixia tiannv feel ill?

Many people have a look of regret in their eyes. If they had known, they would have gone to look for some fire treasures

Of course, there are few fire treasures that can match the seven color flint.

Ning Caixia took over the seven color flint. Under the nourishment of firepower, the chill in her body really slowed down. She was very happy and said to Xue Mobei with a smile: "thank you."

Seeing that Ning Caixia was smiling at Xue Mobei, a kind of tiandian disciples were all stunned. Then, they looked at Xue Mobei in disbelief, and there was deep envy in their eyes!

They have never seen Caixia tiannv smile before. Now they smile at Xue Mobei?

This smile is a great honor in their eyes!

It's likely that this is the only time tiannu smiles at a man!

Does Xue Mobei really have a chance to win Caixia tiannv's heart?

For a moment, many martial arts people's eyes were dim. No matter how hard they tried, they couldn't compare with this proud man, could they?

The former Su Jue's face changed, and he seemed to be frozen. He was still proud

Compared with Xue Mobei, his gift is nothing!

Even giving gifts is not as good as others, let alone others

Xue Mobei also laughed, and his face was full of pride. He paid a great price to get the seven color flint, but now it seems that it is worth it.

Next, the visitors from the Yuyun palace presented gifts. Although Ning Caixia said thanks one by one, she never laughed again.

Soon, the warriors in the jade cloud palace almost finished giving gifts.

Of course, there are some exceptions

At the moment, Wu Xinshan and Xin Lei, who are sitting in the corner, are pale, sweating and dehydrated. Originally, they still had a glimmer of hope. Ye Chen is joking with them, but now it seems that

Ye Chen is really unprepared

It's over, it's over!

It's not just Ye Chen. Is taijue hall finished?

At the moment, it is impossible to say that ye Chen has no complaint in his heart!

But, after all, they are ye Chen's elder martial brother. What they think about most now is how to protect this younger martial brother

Unfortunately, now it seems that there is no chance to turn the table

I just hope that the heavenly daughter didn't notice them. Then, as soon as she left Yuyun palace, she would inform the master!

Just then, the maid asked, "is there anyone else who needs a present?"

The whole Yuyun palace was silent. It was obvious that everyone had basically finished.

When the maid nodded to announce the beginning of the wedding banquet, a man sitting in the core area suddenly said with a smile, "this girl, please wait a moment."

Everyone looked at the speaker, who was Xu shaotian!

The maid frowned slightly and said, "what's the matter?"

Xu shaotian said with a smile: "it seems that there are still people who have not given gifts."

The whole Yuyun palace was a little noisy.

No gifts yet? Then why didn't you make a sound just now?

It's impossible, isn't it? Is Xu shaotian deliberately looking for a reason to talk and brush his sense of existence?

The maid smelled the words and looked at the presents piled on one side. Soon, her brow became tighter. Well, it seems that there is indeed a gift missing

Seeing the look of the maid, people immediately reacted. It's true that someone didn't give a gift!

The maid said again, "who hasn't sent the present yet? Don't waste your time. "

But this time, no one stood up.

For a moment, the disciples of the temple could not help talking and said, "what's the matter with this guy?"

"Why didn't you send a present? No, not prepared? "

"Who is so bold that he didn't even prepare for the wedding banquet? It's disrespectful to heaven

The visitors can't believe that there is such a bold guy?

And Xue Mobei's eyes, also cold down, just give gifts, he didn't see ye Chen that group of people stand up.

Don't wear formal clothes, don't even prepare a gift?

This boy, is it true that he doesn't pay attention to the heavenly daughter?

Ning Caixia is Xue Mobei's admirer. In his heart, Ning Caixia is an invincible goddess!

Ye Chen is looking for death!

At this time, Qu Mingshi, who was sitting beside Xu shaotian, also said with a smile: "ha ha, I think it's justifiable that this man didn't give a gift, right? After all, I heard him say that he and Caixia tiannv are friends. Maybe they don't need to be so polite. "

As soon as this remark came out, Yuyun palace was really quiet

The next moment, a burst of loud laughter broke out in Yuyun palace, and the whole Beiling Temple seemed to be able to hear it!

This laughter, with a very strong irony, ridicule, disdain taste!

The disciples of the temple of heaven could not help laughing and said, "Mr. Qu, who are you talking about? Don't brag? "

Chapter 5026

"I'm still friends with Caixia tiannv. Is it a match? Even Mr. Xue did not dare to say such a thing? "

"Ha ha, it's not good to pretend to be a friend of tiannv."

Qu Mingshi and Xu shaotian look at each other with a smug smile on their faces.

The leaf Chen suffered disaster, that kid wants to achieve the purpose.

However, Murong Yanyu frowned slightly, and Qu Mingshi and Xu shaotian behaved somewhat indecently

However, in the final analysis, also blame Ye Chen himself, why should say big words?

Or this kind of boast that can be seen through at a glance

At this time, Ning Caixia asked Qu Mingshi, "who is this man?"

She was also curious. Who would claim to be her friend? She's in the temple of heaven. She's always on her own.

Hearing the speech, the crowd quieted down. Everyone looked at Qu Mingshi and waited for his answer. They were also curious. Who had come to this point?

Can you even tell such shameless lies in order to get involved?

But Wu Xinshan and Xin Lei, in front of their eyes, have already begun to blacken, and their hearts will be crushed!

In their eyes, it's almost like death penalty now!

But, two people toward Ye Chen to see, but see, ye Chen unexpectedly still very leisurely eat vegetables, drink!

The smile on Qu Mingshi's face became more and more intense. He said slowly: "this man is from taijue temple..."

When they heard the words, they all subconsciously turned their eyes to the position where taijue hall was sitting

But, don't wait for him to finish saying, a light man's voice then rings out a way in jade cloud Palace: "it's me."

See, a figure slowly from the seat, stood up, look flat.

The disciples of the temple of heaven frowned slightly when they saw the young man.

Just now, they didn't notice Ye Chen. Now they find that ye Chen didn't wear formal clothes!

Now, you don't prepare gifts, and you call yourself your girlfriend?

Hehe, is this guy here to impress others?

Do you think that if you are independent, you will be able to enter the eyes of the heavenly daughter?

Stupid!

Soon, someone said, "are you the one who set the record of the demon killer?"

"Is he Ye Chen?"

"Ha ha, ignorance to the extreme, think to play some means to create a record, you can speak freely?"

"I really think everyone treats him as a monster?"

"In my eyes, it's just a waste of heaven and earth."

These people look at Ye Chen with a sarcastic look. The so-called records of demons are not worth mentioning to them. At most, they have talent. How many demons with talent can't live to grow up?

Without strength, everything is empty talk!

And ye Chen?

It's just the creation of a record of demons. It's expanded to such an extent that even tiannv dares to get involved?

This kind of people will die sooner or later if they don't die today!

Therefore, they did not take ye Chen to heart!

At the moment, Ning Caixia is silent, dull, even, Jiao body faintly trembled, looking at Ye Chen, silent!

In the eyes of the visitors, this time, tiannv was really angry!

Ye Chen's cruel smile, ready to die!

Especially Xu shaotian, Qu Mingshi, Zhang Zimei and others

In their heart, ye Chen must regret to die now?

Ha ha, this is the end of ignorance!

Want to fight them?

Even if they don't do it, they have a million ways to make ye Chen die without a place to die!

At this time, Chen's lips moved.

That visitors are sneer, think ye Chen request Rao, make an excuse.

Who knows, the next moment, ye Chen is slowly opening a way: "Caixia, your body seems to be some not very good, come here, I'll take a look for you."

Those tiandian disciples were stunned at first, and then they all laughed. At the same time, they looked at Ye Chen coldly!

Is this guy really mad dog?

Think of yourself as a God?

Also casually want to give the heavenly daughter treatment to see the body?

What kind of thing is he? He asked the heavenly daughter to go there?

You still call her by her name?

Who do you think knows him?

This is not any boasting, joking and so on can explain, this is the naked offense ah!!!

There is a murderous spirit on the surface of those warriors!

And Xue Mobei is more murderous. Ning Caixia is his goddess. Is Ye Chen teasing his goddess?

If it wasn't for the wedding banquet, he would have been able to resist it!

Wu Xinshan and Wu Xinshan are crying
At this time, younger martial brother Ye doesn't even apologize.
Do you have to pretend?

Suddenly, the whole Yuyun palace was silent again.

Only tap, tap

The sound of footsteps reverberated in the palace.

Ning Caixia lowers her head and walks towards Ye Chen step by step

People see this, first a Leng, then, face is ferocious.

They know that the heavenly daughter is too angry to bear, so they have to torture the boy to death by themselves, right?

As far as they know, the heavenly daughter highly respects the miracle doctor who cured her. It's no doubt against her to use treatment as an excuse in front of her!

Ye Chen says she has a problem?

Isn't this questioning the miracle doctor?

Even if there is a real problem, can you cure a disease that can't be cured by a miracle doctor?

Ye Chen this time is really over, no help!

Soon, Ning Caixia stood in front of Ye Chen.

Ye Chen looks at her, the facial expression is calm, indifferent to extreme, completely have no the slightest fear, nervous appearance.

Xu shaotian said with a sneer: "this boy can really hold on. I have to say that his psychological quality is very good."

Qu Mingshi sneered: "the psychological quality is good, so what? The ants who are not afraid of death can only die faster. "

Two people, are very proud, full of spring, can't wait to see ye Chen was killed by the daughter of heaven.

At this time, Ning Caixia slowly raised her hand, and the eyes of the visitors were gradually blazing up!

But the next moment, the whole Yuyun palace seems to fall into the ice!

Everyone, the expression on the face has solidified, the blood has frozen, the heart has become an ice sculpture, and the soul has to turn into nothingness!

What happened in front of them?

See, that high above, on weekdays, give a person ice general feeling of Caixia tiannv, at the moment, unexpectedly is a hug Ye Chen, two people's bodies close to each other, between each other, almost no gap!

Is that the devil?

All the people in the Yuyun Palace are eager to crack their eyes!

Why does tiannv hold this boy?

Is it true that tiannv really has this hobby and likes that kind of independent man?

Especially Xue Mobei!

At the moment, his whole body turned into a demon. His eyes were full of blood, his face was covered with tendons, and his whole body was full of bones. It was because he was so angry that he had to crush his own bones!

Caixia tiannv is the one he adores. When she smiles at him, he is extremely excited and satisfied

Why?

Because Caixia tiannv never smiles

But now, his admirer is holding with other men!

Funny, he was proud of Caixia tiannv smiling at him

Compared with Ye Chen, the smile he gets doesn't even count as shit, does it?

What's more, seeing the physical contact between the two, Caixia tiannv's attitude is totally indifferent

So it seems that both of them are likely to have reached that stage!!!

His brain is melting!

In the heart, only has kills the idea, simply must be possessed at this moment, slaughtered all!

Chapter 5027

At this time, Ning Caixia opened her mouth. In her voice, she seemed to sob: "Mr. Ye, I thought I would never see you again..."

All of a sudden, everyone's mind was completely smashed, as if there were ten million thunderbolts that hit their sea of knowledge at the same time, a thunderbolt from the blue!

Ye Chen actually knows Caixia tiannv?

Moreover, the relationship can hardly be described as a friend!

Even the heavenly daughter called him childe

It seems that there is only one possibility to call someone child as the daughter of heaven

That's my sweetheart

For a moment, the person who had just ridiculed Ye Chen was already pale

If Ye Chen wants to investigate, Caixia Tiannv can let them get rid of the name of tiandian as soon as she opens her mouth, right?

But Xu Shaotian and Qu Mingshi are already shaking slightly, their legs are going to be soft!

How could that be?

They couldn't accept what they were seeing

But that's the truth!

Wu Xinshan and Xin Lei have become wooden people, from hell to heaven. The impact is so huge that they haven't responded yet

In the core area, Murong Yanyu is slightly relieved to see this scene. In the final analysis, she doesn't want Ye Chen to die like this. However, seeing the scene of Ye Chen and Ning Caixia embracing each other tightly, her mood is a bit complicated, and there is a very depressing feeling in her heart.

Ning Caixia raised her small face and looked at Ye Chen. Her beautiful eyes flashed with infinite joy and said, "young master Ye, shouldn't you go to Nanxiao tiandian? Why are you here? Is it the wedding banquet

She is so happy, so happy!

After awakening Baicai qingsui Gu, she closed the gate under the arrangement of tiandian. After leaving the gate, her strength improved greatly. However, the improvement of her strength did not bring much happiness to Ning Caixia, because these days, she found that she missed Ye Chen more and more

If you don't see ye Chen, it's estimated that she won't be very happy even if she becomes a strong one like her elder sister

Ye Chen looked at Ning Caixia with some teasing and said, "I'll tell you later that you are so close. I don't have the heart to chat with you."

With that, his eyes suddenly became ambiguous.

Ning Caixia is a little stunned. At this time, she reacts. She is just too excited and hugs Ye Chen. Moreover, she can even feel Ye Chen's whole body and every muscle is getting hot, stimulating her skin!

"Ah

Ning Caixia let out a low cry, and her pretty face turned red instantly. She quickly let go of Ye Chen, which was extremely attractive. All the disciples of the temple of heaven were heartbroken

My own goddess is so shy in front of other men that I can imagine the impact

Ye Chen sat back on the seat and said to Ning Caixia, "sit first, we'll eat and talk."

"Good." Ning Caixia nodded and sat down.

The noble and incomparable Caixia heavenly daughter is like a obedient kitten in front of Ye Chen.

Many people already want to cry

Think about their efforts to win Caixia tiannv a smile, just like a clown.

Wu Xinshan and Xin Lei are suffocating all of a sudden. They never dreamed that one day, Caixia tiannv would sit on the same table with herself!

I was so excited that my heart would jump out of my chest.

At this time, ye Chen smiles at Ning Caixia and says, "Caixia, these are my two elder martial brothers, Wu Xinshan and Xin Lei. They take good care of me."

Ye Chen will never forget the kindness of others to himself.

Ning Caixia is stunned when she hears the words. She looks at Wu Xinshan and Xin Lei. They seem to be disciples of Beiling tiandian. Does Ye Chen join Beiling tiandian?

At this time, she just noticed that ye Chen's identity jade plate of taijue hall was hanging on her body!

All of a sudden, Ning Caixia's beautiful eyes were filled with thick joy!

Ye Chen joins Beiling temple, so they can meet all the time in the future!

With a bright smile, she picked up the wine pot, poured a glass of wine for Wu Xinshan and Xin Lei, and said, "Hello, elder martial brother Wu, elder martial brother Xin."

Although the strength of these two people is very weak, since they are ye Chen's elder martial brother, ye Chen respects them, Ning Caixia will respect them equally, no matter what their status and strength are.

Wu Xinshan and Xin Lei quickly took the wine cup, both hands were shaking, even said: "dare not, dare not, tiannv Zhesha I wait..."

Words, although say so, two people's facial expressions are actually a pair of happy to be about to cry out of appearance!

They were humiliated to be disciples of taijue temple

But now!

It seems that taijue hall is finally turning over!

Even Caixia tiannv poured wine for them!

I'm afraid I can't imagine that the other disciples of several halls will be able to drink Caixia one day? Taijue Temple disciple, I finally have a long face!

At the same time, they look at Ye Chen, the eyes have been thoroughly turned into reverence!

Two people very clear, oneself can have this treatment, completely because oneself this younger martial brother Ye!

And all the visitors now look completely gloomy

Why can two taijue palace waste drink the wine poured by the heavenly daughter? Also called elder martial brother by the heavenly daughter?

Even they dare not expect such a thing these days!

Ye Chen said with a smile to Wu Xinshan and Xin Lei, "elder martial brother Wu, elder martial brother Xin, you don't have to be so formal."

Ning Caixia asked curiously, "young master ye, are you a disciple of Beiling temple now?"

"Not bad."

Ye Chen nodded and said that he had gone through the purple wind Death Valley to take the shark's six wings and killed the devil.

Hearing the words, Ning Caixia's pretty face sank slightly and said, "hum, the wind in the south is clear. It's really eye-catching..."

However, immediately, she said with a smile: "however, he has helped me. Otherwise, I don't know when I will see you."

Ye Chen said with a smile: "well, don't call me childe. Since I joined Beiling temple, you can call me elder martial brother."

Ning Caixia smell speech, beautiful Mou turned for a while, but said with a smile: "this can't, I'll get started before you, want to call you younger martial brother, younger martial brother ye, from today on, I'm your elder martial sister."

Well, younger martial brother wants to listen to elder martial sister. Since ye Chen has come to Beiling temple, she won't let Ye Chen leave herself any more.

Ye Chen smell speech, the corner of the mouth appeared to put on a bitter smile way: "whatever you do, well, sit to my side, your body, seem to have some sequelae?"

Seeing their flirting, the demons in tiandian, especially those who admire Ning Caixia, are about to break their teeth

Ning Caixia cleverly sits beside Ye Chen, and her pretty face turns red again. Every time ye Chen treats her, well, there are some

However, she is not disgusted, on the contrary, she is looking forward to

Ye Chen's eyes flashed and immediately checked Ning Caixia's condition.

Eight trigrams heaven elixir, up!

Chapter 5028

The next moment, his fingers point to the acupoints on Ning Caixia's body, and he makes a series of moves. Xiaohei's power penetrates into the acupoints through his fingertips

Ning Caixia can't help but utter a cry. The power from ye Chen's fingertips gives her a feeling of crispness, some pain, but some comfort.

Soon, his eyes focused on Ning Caixia's belly, which is the position of Dantian.

The next moment, as soon as he was full of chaos and arrogance, he pressed his palm on Ning Caixia's abdomen and slowly kneaded and pressed it. Every time, he added a part of his strength. Gradually, Ning Caixia's abdomen would be completely collapsed!

Everyone in Yuyun palace will bleed when they see this scene!

One by one, their faces are distorted, jealous, angry and crazy!

Is this a treatment, a test?

It's, it's like

See, their goddess was so played with, any man will collapse!

But what can they do?

Caixia tiannv is voluntary!

At this moment, Ning Caixia's pretty face turns red, and a force constantly penetrates into her delicate body and collides with her abdomen, as if to tear her whole body from her abdomen

The numbness of the feeling, an instant surge, if you say, was originally a small stream, now, is the sea, rough waves, in the Jiao body crazy surge, crazy impact on her nerves, her consciousness began to some lax!

However, this kind of stimulation is not painful at all. On the contrary, her body is getting warmer and warmer. Every collision of that power brings a warm heat into her body, and the originally depressed cold is gradually dissipating

She seemed to fall into the hot spring with numbness!

Ning Caixia's breathing became more and more intense. If it wasn't for her biting her lips, I'm afraid she would have screamed!

Younger martial brother ye Sure enough, it's still so powerful

A moment later, ye Chen light vomited a breath, slowly took back the hand, the treatment ended.

And Ning Caixia also sat up again, her red face, it seems that there are still some lingering appearance.

However, to her delight, the chill in her body really disappeared!

Ye Chen said: "the reason why I feel cold is that there are still some Baicai qingsui Gu's breath left in your body, mainly concentrated in the elixir field. If I treat you several times, it will be OK."

Ning Caixia smell speech, beautiful eyes flashed a touch of joy, can also be treated several times, she even some hope, this cold never dissipated.

And all the people in Yuyun Palace are relieved at the moment. What kind of treatment just now is almost torture to them

Ning Caixia said to Ye Chen with a smile: "then, please younger martial brother Ye. Younger martial brother ye and so on. I have something to do."

After that, Ning Caixia stood up slowly and her face was cold again. She walked back to the front of the hall and sat on the throne.

She didn't forget. There's still a bill.

Ning Caixia's eyes, suddenly sharp up, looked at Qu Mingshi and Xu shaotian, the corner of the mouth, a sneer, said: "you just, it seems that some against Ye Chen, right?"

Her pretty face looms a sense of obliteration. If these people are aimed at herself, she won't even be so angry, but for ye Chen, it's unforgivable to her!

Xu and Shaoshi are scared to death!

They hastened to say, "heavenly daughter, you have misunderstood me. We definitely don't mean that!"

"Heavenly daughter, we don't want to introduce Ye Chen to you. We really have no contradiction with Ye Chen!"

Wu Xinshan and Xin Lei are angry when they hear the words!

These two are shameless!

Clearly want to die Ye Chen, now also say what want to introduce Ye Chen?

Insult their intelligence?

However, these two people are lucky. What they say is that they really don't sneer at Ye Chen, but they can't grasp the handle

Ye Chen looks calm and doesn't care about anything with these mole ants.

With a cold smile and a wave of her hand, Ning Caixia picked out Xu shaotian's and Qu Mingshi's gifts from the pile of gifts.

All of them, just at a time when they didn't know why, Ning Caixia's whole body was full of aura and crushed the two gift boxes in an instant!

Xu shaotian and Qu Mingshi's face changed in an instant. You know, Ning Caixia crushed their gift box, but it's not just beating them in the face in public. It's so simple

At the same time, it also means her attitude towards them!

The next moment, Ning Caixia threw the fragments of the gift box and two broken gifts directly in front of them, and said faintly: "if you dare to do harm to younger martial brother ye in the future, it won't be this box."

The faces of Xu shaotian and Qu Mingshi suddenly step down. Their future is over

Disgusted by Caixia tiannv, I'm afraid even their master won't value them any moreBecause the attitude of Caixia tiannv often represents the attitude of the high level of Beiling tiandian

They tightly clenched their fists, the bottom of their heart is the incomparable resentment to Ye Chen!

They dare not hate Ning Caixia, but they hate Ye Chen!

It's all because of this rubbish. If it wasn't for this guy, how could they be?

But, this is not over, Ning Caixia looked at all the people on the scene without expression: "just laughed at Ye Chen, give you three breathing time, stand up."

For a moment, many visitors in Yuyun palace looked at each other, their pupils trembled slightly, and they were full of fear. However, soon, all the visitors stood up. They didn't have the courage to deceive Caixia

Moreover, this Yuyun palace array has the function of crystal video recording. If you check the video, you can easily judge who is sarcastic and who is not.

More than a third of the visitors were standing in their positions, pale as if they were about to be executed.

And those who didn't ridicule Ye Chen were all looking lucky!

Ning Caixia looked at these people coldly and said, "now, go to apologize to younger martial brother Ye."

After hearing this, people felt relieved. They just apologized, which was not unacceptable.

Immediately, a group of warriors came to Ye Chen one after another, bowed his head and said: "Mr. Ye, I'm sorry, we're wrong."

However, their eyes are resentful, but unwilling, not from the heart!

After these people finished, ready to return to the seat, a very cold voice, sounded again: "is that how you apologize?"

The speaker is Ning Caixia!

The pupils of the warriors all trembled, and a bad premonition welled up in their hearts!

Chapter 5029

At this time, Ning Caixia hands out of an array plate, its body surging spirit power, instant perfusion to the array plate!

All of a sudden, the array was full of light. At the same time, a big array appeared on the top of the heads of the people. In the big array, there was an atmosphere of incomparable killing, which filled the whole Yuyun palace in an instant!

Even if ye Chen saw the moment of the big array, he couldn't help but move. Looking at the array, a dignified color appeared in his eyes!

It's a powerful array. I'm afraid that even if you don't pay attention to it, you will be crushed by it, right?

Even he is like this, not to mention other warriors!

Especially those who just apologized!

They looked at the array one by one, and their legs began to tremble!

What is Caixia tiannv doing?

Now, these people are really scared

If Caixia tiannv is angry and drives this big group to suppress, they will really be destroyed!

What's more, the most important thing is that all the dependents behind them, such as the temple master, the elder and so on, were in vain in front of Ning Caixia!

Even if Ning Caixia really killed them, tiandian couldn't do anything to her!?

For a moment, the man who had just satirized Ye Chen was sweating all over. He begged for mercy to Ning Caixia with great fear and said, "please stop, I know you're wrong!"

"Please let me go. I don't dare to offend Mr. Ye any more..."

"Tiannu, my mouth is cheap. As long as tiannu spars me this time, I promise to be ye's dog from now on..."

Some smart people have knelt down in front of Ye Chen and kowtowed their heads crazily: "I'm wrong, young master Ye. I have eyes and don't know Mount Tai..."

Soon, all of them kneel down in front of Ye Chen and apologize madly

The warriors in Yuyun palace, looking at this scene, are shocked and scared

You know, most of these people were demons in tianbang. Now they are more humble than dogs in front of Ye Chen!

From now on, ye Chen is really upset!

Ning Caixia's eyes are colder and colder. The falling array doesn't slow down at all. The demons kneeling in front of Ye Chen's body are going to be stunned!

Ning Caixia is really going to kill Liwei!

For ye chenliwei!

At this time, ye Chen light way: "Caixia, forget it."

Ning Caixia smell speech a Leng, but also didn't refute, immediately put away the array plate, that big array instantly scattered.

At this moment, the people on their knees were relieved. For the rest of their lives, many of them were paralyzed on the ground and looked dull. Their hearts were badly hurt. Even if they survived, their future would not be very good

The reason why Ye Chen asks Ning Caixia to stop is that he doesn't pity these people. He just doesn't want Ning Caixia to take too many lives for him. After all, these people are still demons in tianbang, killing dozens of them at one time. Even if Ning Caixia is the daughter of tiandian and protected by many big men, nothing will really happen, but it's inevitable to be punished.

Although these people sneered a few words, he didn't want to quarrel with these ants. He really wanted to kill them. With his own strength, he could crush these people into meat mud in an instant. Why use Ning Caixia's hand?

And Xue Mo north, at the moment, already want to crush the fist, he knows, oneself is to have no chance to start to Ye Chen.

Ning Caixia hummed coldly, ignored those people, and came to Ye Chen again. She said with a smile: "younger martial brother ye, go out with me. The wedding banquet is meaningless."

She is not interested in staying in the same place with those who despise ye Chen. Moreover, now that she meets Ye Chen, she hopes to be alone.

"This..."

There is a color of hesitation on Ye Chen's face. In fact, he and Ning Caixia don't want to develop any feelings. They treat Ning Caixia more like their sister.

Seeing ye Chen's hesitation, Ning Caixia's beautiful eyes darkened. However, a touch of stubbornness appeared on her pretty face and said: "I'm elder martial sister, you You have to listen to me... "

Her voice is very light, and there is a faint mist in her beautiful eyes. Ye Chen's simple hesitation is more painful for her than the past torture of the hundred color green marrow insects.

Yuyun palace people dare not show what look, but the bottom of my heart to Ye Chen is indescribable jealousy!

Ningchen invited the goddess of colorful leaves on the spot, and they all wanted to do so

But ye Chen is still hesitating?

Like, not willing to, want to refuse?

An extreme imbalance in their hearts surged in the depths of their hearts

At the same time, I think of Murong Yanyu before

It seems that this kind of top beauty revolves around Ye Chen?

They can not help but think of a word, called the death of drought, waterlogging death!

Ye Chen, who is completely in bliss, doesn't know it!What a shock!

Seeing Ning Caixia's look, ye Chen sighed and said: "OK, let's go. After all, we will treat you later."

Ningcaixia smell speech beautiful eyes a bright, immediately took Ye Chen's hand, as if for fear ye Chen repent general, two people quickly left the jade cloud palace, disappeared in the public's field of vision.

And the rest of the people, naturally, did not want to stay here any more. They all looked lonely, unwilling and envious and left Yuyun palace.

However, some people are exceptions!

For example, Wu Xinshan and Xin Lei!

Younger martial brother ye even captured Caixia tiannv. They are really going to rise!

They are very excited. In retrospect, they are too stupid to describe their worries about whether ye Chen should wear formal clothes or buy gifts. Do they need to be so particular about this kind of relationship?

Now they want to go back to taijue hall and tell the master and younger martial brothers the news!

Xue Mo walked out of Yuyun palace with no expression in the north. His eyes flashed fiercely. The woman he liked went on a date with another man. I can imagine how angry he felt!

His intention to kill Ye Chen is almost materialized!

But, he knows, he can't do it, at least now, can't do it!

Even though he has numerous honors, Xue Mobei knows that after Caixia tiannv wakes up to Baicai qingsui Gu's body, her martial arts talent is definitely not inferior to her!

In this case, it is impossible for the top leaders of tiandian to face him, so Ning Caixia can remove him from tiandian in one word!

If he wants to start with Ye Chen, he must have the potential that even Ning Caixia can't shake!

Xue Mobei's eyes flashed a touch of hesitation and a faint color of fear. He said to himself, "can't you kill this boy only to go to that place again..."

Chapter 5030

That dangerous place, which once made him feel worse than death, made him want to erase from his memory

There is one of the places where people in heaven and human world die!

An abyss in the highland of the demon burial

For a long time, even though he knew that entering there was a chance to make a qualitative change in his potential, Xue Mobei still didn't want to go back there

Why?

It is because, even if he is cold-blooded and cruel, he still feels that everything in the abyss is too terrible and terrifying. He would never see those strange and deformed creatures again

Perhaps, one of the reasons is that he has the same blood as those monsters

For a moment, even Xue Mobei wanted to give up

But, ye Chen and Ning Caixia hand in hand, leave the scene of jade cloud palace, but again emerged in his mind!

In a flash, Xue Mobei's eyes burst out with a decisive color. He said to himself with a murderous face: "Ye Chen, I will come back to the Beiling temple again with supreme blood and extreme talent. At that time, even if you continue to hide behind Ning Caixia, it won't help!

At that time, I will let you experience the real despair. Ning Caixia is also destined to be my woman in xuemobei! "

As soon as the voice fell, Xue Mobei's figure disappeared from the original place and flashed away towards the outside of Beiling temple.

.....

Ye Chen and Ning Caixia are walking in the temple of heaven. Ye Chen asks, "where are we going?"

Ning Caixia smell speech, pretty face some pan red way: "go to me there, how?"

Ye Chen nodded. Anyway, he still needs treatment. The treatment is more or less private. He can't do it in a public place. In case someone sees it, it's easy to misunderstand it. It's better to go to Ning Caixia's residence.

Ningcaixia heart a joy, soon two people came to ningcaixia live in Beiling Shenshan main peak.

On the main peak, there is a loft named Caixia Pavilion, which is a private residence named after Ning Caixia.

This residence has never had male guests, ye Chen is the first.

The shape of the attic is a little strange. It looks like a pink bud, which has not yet bloomed. It is beautiful, attractive and mysterious.

The eaves are inlaid with crystal clear gems. It looks like the morning dew hanging on the flower bud, which further sets off the freshness of the flower bud.

Ye Chen through a narrow corridor, came to the Caixia Pavilion, the pavilion is also a piece of pink.

After drinking a few glasses of wine and chatting for a while, ye Chen began to treat Ning Caixia.

Ning Caixia's pretty face turned red, and the warm collision poured into her body again. This time, she no longer repressed and gave out a cry, breaking the night above Beiling holy mountain.

For a moment, a voice came from the Caixia Pavilion, which seemed to be smiling rather than laughing, or crying rather than crying. It was hard to tell whether it was pain or pleasure, and said, "younger martial brother ye Your treatment is too painful Take it easy... "

"Still call me younger martial brother?"

"Ye Elder martial brother ye, let me go... "

"Oh? You don't want me to clear the cold in the Dantian for you? Well, forget it. "

"No, don't stop Elder martial brother ye, don't tease me... "

This night, Beiling holy mountain seems to be stained with a touch of beautiful color.

.....

The next day, ye Chen left Caixia Pavilion early, and Ning Caixia was still sleeping.

Although the treatment is not difficult, it still needs energy for ye Chen.

Just let Ye Chen doubt is, small black in the treatment of Ning Caixia, then fell into a deep sleep, extremely strange.

But ye Chen is used to Xiao Hei, and doesn't think much. When Xiao Hei wakes up, he knows everything.

The reason why Ye Chen left so early is that just now, Ning ChiYin gave his jade plate a reaction!

But the voice in the jade pendant is not Ning ChiYin, but an old man's voice with a little vicissitudes.

The old man tells Ye Chen that Ning ChiYin has something to do with leaving. Before, she promised Ye Chen that she would take ye Chen to leave Beiling temple for a short time and go to Huangtian fierce desert. But these days, Huangtian fierce desert is obviously unstable. If ye Chen doesn't leave again, there will be no chance!

Ye Chen heart is still worried about ye Luo son, no matter how, this time, he must go to taixuan array door!

He doesn't have much time left!

And the desert is the only choice now!

.....

Ye Chen arrived at the designated place according to the time of the jade pendant.

An old man in white has been waiting there for a long time.

Although Ye Chen doesn't know each other's origin, he is absolutely terrible from the perspective of breath!

He arched his hand and said respectfully, "I've seen you before."

The white robed old man turns around and takes a deep look at Ye Chen. After all, ye Chen's recent noise is too big! In the hall, he was also curious about the new disciple.

Obviously, I don't like to talk to Mr. Bai

The void tears, the leaf Chen only feels a burst of dizziness, then has already disappeared in the original place.

Soon, ye Chen found himself in a vast desert.

I don't know how vast this desert is, and I can't see the end at a glance.

In the desert above, but can not see the existence of the sky, only a piece of haggard too empty, a dead sun hanging.

Boom!

From time to time, a star, losing all its aura, fell down and smashed into the desert, stirring up great waves.

"Is this the desert

Ye Chen looked at the spectacle in front of him and was shocked.

It seems that the universe is abandoned, and there is no sky.

The white robed old man turned his back and said, "young master ye, take care of yourself. The threat here is not a joke."

Language falls, white robed old man disappeared.

Only Ye Chen was left.

Ye Chen is on guard and steps into the desert. The environment of the desert is very bad, and the aura is full of riots. As soon as ye Chen goes in, he feels that the circulation speed of aura in his body seems to slow down.

Moreover, the whole body of blood in the desolate death star shine, even some irritable feeling, it seems difficult to maintain calm.

"It's weird!"

Ye Chen is secretly frightened. It seems that the desert is not simple. It is full of danger everywhere. The breath is also very desolate and strange. Ye Chen's extremely evil pupil seems to be limited. It is covered by a layer of yellow desert fog. It can't see anything, and it can't predict good or bad luck.

At this time, a familiar voice suddenly sounded!

It's the emperor of taixuan!

"You have come to the desert?"

"I almost lost my calendar here, but this is the place where I was killed by the powerful beast. I had no chance to escape."

In the reincarnation cemetery, the emperor of taixuan array opened his mouth gently and came back to his hometown again, a little sad.
