

Physician 6031

Chapter 6031

However, if the number of flail choppers does not exceed 81, it will take a lot of hard work, accumulation of great merit and good fortune, and endless opportunities for adventure.

Just like the henggu emperor at the beginning, the number of flail chopping did not exceed 81. It is said that he only cut 36. He paid a great price for his promotion. I don't know how much effort he spent. It was too hard. Even if he was allowed to go the same way again, he might fail.

Xuanjiyue's original plan was to win Longyuan Tianjian and then break through the promotion.

In this way, by virtue of the strength and inside information of Longyuan Tianjian, she can definitely cut more than 81 flail. She really owns the capital of Tianjun, and can fly up when she lies down. Once and for all, she won't have any chance to run about.

But now, in the face of Ye Chen's startling hand, the divine power of reincarnation is suppressed, but xuanjiyue is suffocating.

This last card, she has been unable to hide.

"Ah, the Lord of reincarnation forced me to this step!"

Xuanjiyue hissed and roared, with great reluctance, anger, and even a trace of crying in her voice, as if the plan of thousands of years had been smashed by Ye Chen in an instant.

"The shackles will be cut, the karma will be broken, and the hundred shackles will be broken!"

Xuanjiyue's hands were sealed, and all the meridians in her body made a click sound, as if she had been cut off.

Shackles were cut off, xuanjiyue's aura, crazy explosion, climbing, blood potential, talent, all the inside information, were released.

In the blink of an eye, xuanjiyue's body is blooming with thousands of feet of Ruixia. The golden light is rolling, and the breath is soaring wildly. Unexpectedly, in an instant, she stepped into a hundred flail realm!

Boom

The birth of the strong man in baijiejing triggered a terrible thunderstorm in the sky.

That thunder robbery, crazy fall down, all kinds of strong people on the ground, was bombarded by thunder robbery, body burst on the spot, one by one died.

Xuanjiyue bathed in the thunder robbery, her eyes turned purple, stepped out one step, and went through the robbery on the spot. She was completely successful, and was promoted to the top of the world.

"Baijiejing..."

Ye Chen sees the breakthrough of xuanjiyue and is shocked.

Even, he felt that the number of xuanjiyue's flail had reached 81!

Ordinary can cut 18 shackles, has been qualified, can have 36 words, is first-class.

The number of xuanjiyue's flail has reached 81, which is a super first-class existence, and the potential released is simply incalculable.

Ye Chen only felt xuanjiyue's strength soared more than ten times in an instant, which was earth shaking terror.

Xuanjiyue's purple eyes twinkle. She takes Ye Chen's reincarnation palm with a light wave. Her strength spits out gently. With a click, ye Chen's skeleton is broken. She blows it away and falls to the ground.

Ye Chen burns all the reincarnation blood and launches the attack of reincarnation heaven. She can't hurt xuanjiyue, and is even killed by her!

We can imagine how terrible the hundred yoke realm is.

Xuanjiyue stepped into the hundred flail realm, and opened the absolute distance with yechen.

In the huge gap between realms, any magic power is useless. Even if it's the nine heaven magic, the six samsara and so on, there is always a limit for leaping over the level to kill the enemy.

But ye Chen's limit, actually cannot kill hundred flail boundary strong person.

The gap is too big!

Ji Siqing and others saw that ye Chen was knocked down, and they immediately cried in horror.

At this time, ye Chen was already bloody, and his body even showed signs of atrophy. His flesh and blood would pass away completely and turn into dead bones.

Xuanjiyue sees Ye Chen's embarrassment, but she doesn't have the slightest joy.

Because, she had no choice but to break through ahead of time, the number of chopping flail was fixed at 81.

Chopping flail 81 is not the talent of the emperor.

In other words, once and for all, the dream of lying and soaring is completely broken.

In the future, xuanjiyue will have to pay a lot of hard work and a great price if she wants to rise. It is still unknown whether she can become the king of heaven.

And all this is because of Ye Chen.

"Lord of reincarnation, I will tear you to pieces!"

Xuanjiyue is very angry. She kills Ye Chen with one hand, but suddenly stops. She looks at Longyuan Tianjian, and immediately flies to Longyuan Tianjian.

"I just broke through, but my foundation is not stable. As long as I get the Longyuan sky sword, I may be able to cut off the shackles again and fight for the capital of the emperor!"

Xuanjiyue's heart is burning. At this juncture, she doesn't care about ye Chen's life and death, but wants to seize the sword.

The dragon Yuan Sky Sword is ten thousand feet high and huge.

Xuanjiyue flies up and floats on the top of the sword.

Her whole body is bright and brilliant, and the momentum of hundred flail realm vibrates all over the sky, but the breath of Longyuan Tianjian is no weaker than her, which shows that the weapon is powerful.

"Sword spirit, I am the master of fate. Listen to my call and submit to me!"

Xuanjiyue raised her hands to the sky and sang a prayer in her mouth.

Boom!

The huge Longyuan Sky Sword sprang up in an instant. The dragon shaped reliefs and ancient totems all survived. Thousands of dragons roared and danced all over the sky, roaring at xuanjiyue with great hostility and murderous spirit.

Xuanji moon god color a change, obviously, Longyuan Sky Sword didn't recognize her, in resistance to her.

Even, this sword, after being pulled out, faintly resonates with Ye Chen.

Chapter 6032

Ye Chen is seriously injured, but he gets the resonance of Longyuan Tianjian, and his aura pours down. He is recovering quickly.

"Oh, brother Ye Chen has been approved by Tianjian!"

Ji Lin saw this scene, and he was surprised and happy.

Obviously, between reincarnation and fate, Longyuan Tianjian chose the former!

Even if xuanjiyue is powerful, Longyuan Tianjian is more optimistic about yechen.

After all, the potential of reincarnation is too great. It's better to follow Ye Chen than Xuanji moon.

"What, that reincarnation Lord is dying, you even want to submit to him?"

Xuanji month big is angry, did not expect Longyuan Tianjian actually recognized Ye Chen, also refused to recognize her.

Bang!

In anger, xuanjiyue shoots out in the air to kill Ye Chen.

Roar!

But at this time, the dragon Yuan Sky Sword is the divine light explosion, a dragon landing, will ye Chen protection, resist xuanjiyue's attack.

"Damn it! I think highly of you, you tattered iron. It's a blessing in your life. You have to protect that boy!"

Xuanjiyue is very angry. She suddenly spurts out a mouthful of blood essence and sprinkles it on Longyuan Tianjian.

The whole Longyuan sky sword, shrinking constantly, finally turns into a four finger wide epee. The dragon on the sword is entrenched and carved with a seven star totem, which is extremely brilliant.

"Take it!"

Xuanjiyue forcibly holds the handle of the sword, and the breath of baiqijing breaks out to the extreme. She wants to suppress Longyuan Tianjian and capture it directly.

"Roar!"

The dragon Yuan Sky Sword sends out fierce dragon chants. It is fighting against xuanjiyue's suppression madly, and its auspicious atmosphere is surging. In the mist, many dragons roar and fight against xuanjiyue to kill her and get rid of her bondage.

"Still want to fight? Put it down! "

Xuanjiyue clenched her teeth, her palms were purple, and her powerful aura filled the air, crushing and suppressing all the struggling dragons.

The whole Longyuan Sky Sword is whining and moaning, and its breath is constantly sinking. It's obviously about to be controlled by xuanjiyue, just like the original Shenluo sky sword.

"I can suppress Shenluo Tianjian, can't I suppress you?"

Xuanjiyue snorted. Seeing that the resistance of Longyuan Tianjian was weakening, she was very happy.

At the beginning, she was in charge of Shenluo Tianjian, and Shenluo Tianjian was also unwilling to surrender. At last, she suppressed it with great boldness and finally succeeded in controlling it.

Now, xuanjiyue wants to do the same thing again, using a strong means to suppress Longyuan Tianjian and forcibly seize it.

As long as she can win Longyuan Tianjian, there will be opportunities for her to merge. Just like she and Shenluo Tianjian, they have completely merged at this time, and the body and sword are in one. The old enmity has long gone away.

"You bad woman, it's Ye Chen's brother's sword, you want to forcibly occupy it?"

Ji Lin saw xuanjiyue seizing the sword, and immediately clenched his teeth. He was very angry.

Just dragon Yuan sky sword, clearly recognized Ye Chen as the master, but at this time Xuanji month but hard to seize.

"Feiyu xunfengsuo, go!"

Ji Lin releases his magic weapon, the sharp flying shuttle rolls up a strong wind and shoots xuanjiyue.

Xuanjiyue snorted coldly. When she was busy with her sword, she flicked her fingers and shot down the flying feather Xun Fengsuo.

She has stepped into the realm of hundred flail cultivation, and her strength is too strong. Even if she is busy to win the sword, she can easily fight Fu Jilin.

Ji Lin's face turned white, and he retreated somewhat embarrassed.

Ji Siqing, looking at xuanjiyue's brilliant appearance in the sky, also felt extremely intractable and invincible.

Xuanjiyue has been promoted to one level in Baiji realm. Unless she wakes up Tianzhu, the martial god, she will never be able to compete.

"Xuanjiyue, how dare you rob my sword!"

Just then, a roar came out.

But see ye Chen carrying disaster sky sword, stagger stand up.

At the moment, ye Chen is covered with blood, his eyes are red, the flames of hatred and anger are burning, the air flow is whistling all over his body, his hair is stirring, and countless dragon shadows are hovering, which is extremely spectacular.

Even, there is a vast reincarnation of Tianwei, which is gradually beginning to recover.

With the resonance of Longyuan Tianjian, ye Chen's injury quickly recovered.

Even the power of Longyuan Tianjian inspired his reincarnation blood, and let the deepest potential of reincarnation blood be released.

Originally, this deepest potential could only be released after ye Chen broke through the Taizhen realm and cut off the shackles. But at this time, under the stimulation of Longyuan Tianjian, he released a little bit in advance.

Xuanjiyue is terrified. She only feels that it's not good. If yechen's injury recovers and her reincarnation blood changes again, she's not sure.

Because, now she in order to suppress the dragon Yuan sky sword, has paid a great effort, if at this juncture, was Ye Chen counterattack, that trouble.

"Shenluo help me, suppress Longyuan!"

Xuanjiyue scolded and sacrificed Shenluo Tianjian, releasing the spirit of Shenluo Tianjian to suppress Longyuan Tianjian.

Shenluo Tianjian hummed and uttered a sad sound. It seemed very reluctant, but it could not disobey xuanjiyue's will.

The aura of Shenluo Tianjian was released and impacted on the Longyuan Tianjian, which made the whole Longyuan Tianjian completely cut off the sound of the Dragon chanting, and suddenly lost the idea of fighting.

Sword for sword!

At the moment, xuanjiyue is almost crazy. In order to take charge of Longyuan Tianjian quickly, she sacrificed the aura of Shenluo Tianjian.

Although this method can quickly suppress Longyuan Tianjian, it will do too much damage to Shenluo Tianjian, which will directly lead to Shenluo Tianjian's deep sleep. It will cost a lot of resources to recover.

Xuanjiyue took a deep breath, and her purple eyes were firm and fierce, showing great boldness without hesitation.

Shenluo Tianjian sleeps deeply and can wake up again. But if Longyuan Tianjian is lost, she has no chance to fight for it, and even her life may stay here.

Under the suppression of Shenluo Tianjian, Longyuan Tianjian stops completely and is ready to submit to xuanjiyue.

On xuanjiyue's body, a thousand li Ruixia burst out in an instant. The dragon's Qi was steaming, and there were tens of millions of dragons roaring. They wanted to surrender to her.

"No! This bitch is going to take charge of Longyuan Tianjian! "

When Mie Wuji saw this scene, he took a step forward, grasped it with his palm, and the joints of his bones cracked.

Magic dust smoke and he looked at each other, the eyes of the two couples emerged a decisive look, seems to have long had the final consciousness.

"Wuji, when I met you, it was the happiest thing for me." Magic dust smoke suddenly way.

She knew it was the last goodbye.

Mie Wuji showed a relieved smile and said: "madam, life is very short for ordinary people, but it is still very short for us warriors. But in such a short life, holding hands with you is my most unforgettable memory. "

"Before you come here, you and I have seen the end of ourselves."

"I was afraid, I was afraid of losing you. I'm not afraid of death, but I'm afraid of losing you. "

Magic dust smoke eyes red: "live together, die together, build a monument together, live together forever, we are still together, aren't we?"

"This time, let's shine for the last time."

"This game of chess, after all, someone has to pay more."

Ye Chen, Ji Siqing and Ji Lin are all shocked to see that xuanjiyue is about to take charge of Longyuan.

At this time, they saw two figures rising from the sky. They were Mie Wuji and his wife.

Compared with the brilliant weather of Xuanji moon, miewuji couple is just like two mole ants.

"Ye Chen, take care of Ji Lin for us."

Fantasy dust smoke tenderly looked at Ji Lin one eye, as if looking at his daughter, and then looked at Ye Chen, the corner of the mouth showed a smile.

"Master!"

Ye Chen step forward, suddenly feel bad.

But see the magic dust smoke and Mie Wuji, hand in hand, kiss each other, and then, the two bodies rapidly expand, there is a storm of destruction road seal swept out, and then roar, unexpectedly in the air explosion!

"Shifu, Shiniang!"

Ji Lin was shocked and yelled. There was a shower of blood in the sky. The self exploding blood of Mie Wuji and his wife splashed into Ji Lin's eyes.

The world she saw in her eyes turned into a pale color.

Ye Chen and Ji Siqing were shocked when they saw the explosion of Mie Wuji and his wife.

But see the terrible destruction explosion storm, crazy toward xuanjiyue blast away.

"These two bitches!"

Xuanjiyue's pupils contracted, and under the pressure of the huge explosion, she only felt suffocated.

If she had Shenluo Tianjian in her hand, she would not be afraid of any explosion. But at this time, her spirit of Shenluo Tianjian was exhausted and she fell asleep for the time being.

Moreover, in order to suppress Longyuan Tianjian, she has expended a lot of strength. At this time, in the face of the self explosion of Mie Wuji couple, she can't resist it.

Bang!

The huge explosion waves hit, xuanjiyue was blown off on the spot, fell to the ground like a shell, and smashed a big hole in the ground.

That dragon Yuan sky sword, take off to fly out from her hand.

Shenluo Tianjian was also blasted to the ground.

Seeing this scene, ye Chen, Ji Siqing and Ji Lin look at each other, and they have a tacit understanding. Ye Chen takes the sword to kill xuanjiyue, Ji Lin takes Shenluo Tianjian, and Ji Siqing takes Longyuan Tianjian.

Xuanjiyue was seriously injured by the explosion, and her vision gradually blurred. It is known that today's success and failure are imminent, and everything will be over. No matter what, she can't get the Longyuan sky sword.

"Sooner or later, I will kill you all!"

Xuanjiyue stood up, her eyes were furious, her hair was scattered, and her face was bloodshot. At the last moment, she tried her best to recall Shenluo Tianjian and quickly fled away.

Ye Chen wants to chase and kill, but it's too late. Xuanjiyue is the strong one in baijiejing. Even if she is seriously injured, if she wants to run away, ye Chen can't catch up with her.

The gap of realm is too big after all!

"Let's go, too!"

Ye Chen looked around, but saw that there were many sword Snatchers rushing towards here.

He immediately grabbed the Longyuan sky sword, held it tightly in his hand, and then left quickly with Ji Siqing and Ji Lin.

At this time, ye Chen's injury has recovered. He has the spirit tablet to protect his body and has the ability to recover his body. He is very strong. He is blessed by Longyuan Tianjian and is safe.

Even if the deepest energy of reincarnation blood is stimulated, ye Chen's cultivation has made great progress. At this time, he has reached the limit of the first level of heaven in the real world, and is about to break through to the second level of heaven.

Ye Chen estimates that when he takes charge of Longyuan Tianjian, he can break through smoothly.

But at this time, it is extremely difficult to take charge of Longyuan Tianjian.

Because, in the dragon Yuan sky sword, there is a very terrible blood mark, that is xuanjiyue's blood mark!

Xuanjiyue almost subdues Longyuan Tianjian. Her blood essence imprint is deeply engraved in Longyuan Tianjian. If you want to refine Longyuan Tianjian, you must break her blood imprint first.

For a moment, ye Chen didn't know how to break the blood mark. The situation was urgent, so he left here with Ji Siqing and Ji Lin and quickly returned to the blood death prison.

.....

But xuanjiyue fled seriously and returned to the imperial palace.

In the Imperial Palace, many strong men are waiting for xuanjiyue to return.

This time, xuanjiyue went alone to capture Longyuan Tianjian in order to avoid people's attention.

Many disciples and elders, seeing that xuanjiyue was covered with blood and fled back, even the Shenluo Tianjian in his hand had lost its light, immediately knew that something was wrong and exclaimed.

"Your majesty!"

Tianxin jiandie goes to meet xuanjiyue and takes her back to the deep palace.

Xuanjiyue was seriously injured, but since she came back to the Taoist temple smoothly and was protected by the earth and Qi, she naturally had no worries about her life.

In a medicine pool in the deep palace, she took off her clothes and soaked a little, then her breath recovered. She only felt the pain of tearing her head, and many memories poured up.

These memories, related to the earth's heart, have been sealed. After she stepped into the hundred shackles, her dusty memory revived.

"Xuanjia, the ruling hall, Qinglong tea tree, crape myrtle Star River... Am I the saint of Xuanjia?"

Xuanjiyue murmured, recalling all kinds of stories in the earth's heart.

It turns out that in the past, the Xuanjia family was destroyed by the ruling temple, and she escaped. In order not to let the past blood evil cause and effect affect her later cultivation, she sealed off the memory of the earth's heart by herself. When she stepped into the hundred shackles, everything was unlocked.

The emperor Shitian didn't cheat her. They knew each other when they were young, and they often went to the river to take a bath. However, things have changed, and their former playmates have become enemies.

Chapter 6034

In the dark, xuanjiyue only felt that life was like a dream, and she couldn't help sighing.

"Your Majesty, what's the matter with you? Does it hurt? "

Tianxin jiandie sees xuanjiyue's look and asks in a low voice.

Xuanjiyue came back and said, "I'm ok. It's a pity that the capture of Longyuan Tianjian failed. I lost too much."

Tianxin jiandie was shocked and said: "lost... Failed? Alas, it's a pity, but your majesty, as long as you come back alive, you will have a chance in the future. "

Xuanjiyue sighed: "the main climate of reincarnation has become. It's not so easy to suppress him. I have a knot that can't be solved this time. Listen to it."

Heaven heart sword butterfly way: "what knot?"

Xuanjiyue said: "I fight with the reincarnation master..."

At the moment, she tells the details of her fight with Ye Chen. When she says that she almost killed Ye Chen in the end, she suddenly turns to grab the sword. When the result is a big mistake, her voice is full of euphemistic sighs.

This is her heart knot, if you can kill Ye Chen on the spot, then her ending will not be so embarrassed.

After hearing this, Tianxin jiandie was silent for a while and said with relief: "Your Majesty, the situation was urgent at that time. You also wanted to cut off the shackles again, so you can't blame you for grabbing the sword. After all, once the time is delayed, your foundation is stable, and you will never have the chance to cut off the shackles again."

Xuanjiyue nodded and said, "that's it."

Tianxin sword butterfly said: "what's more, the reincarnation Lord is lucky and not so easy to kill. In the end, he still has two cards. The wild devil Tianjian and the wish Tianxing have not been used yet. It's not easy for you to kill him. I'm afraid that he will lose both sides and be picked up by outsiders."

Xuanjiyue breathed a sigh of relief. She untied her heart knot slightly and said, "yes, I can't kill him this time. After all, he's still alive, but he's dying."

Tianxin sword butterfly was so surprised that she said, "Your Majesty, do you still have a way to deal with the reincarnation Lord?"

In this battle, xuanjiyue suffered a heavy loss. Reincarnation Xingyan was sacrificed, and even Shenluo Tianjian lost its edge. How can she fight against Ye Chen?

Xuanjiyue said faintly: "I'm going to try my best to recover Shenluo Tianjian now. I can't get rid of him for the moment, but he will die by himself. I almost refined Longyuan Tianjian. There is my blood essence mark in that sword. If the reincarnation Lord wants to capture it, he must break through my blood mark first. With his strength, if he dares to fight hard, he will surely die!"

The brand of xuanjiyue's essence and blood represents the destiny and the heavenly power of Baiji realm. Even in the Longyuan Heavenly Sword, there is a lot of killing breath of Shenluo Heavenly Sword. Once Ye Chen dares to control it, he will be killed endlessly.

Tianxin sword butterfly said, "if the reincarnation Lord seeks his own way to death, it would be better."

Xuanjiyue said: "he doesn't fall so easily, but if he dares to occupy the Longyuan sky sword, he will be killed. The foundation of martial arts will be destroyed. We'll wait to see a good play. Once the foundation of martial arts is destroyed, it's his death time!"

.....

But ye Chen and his party came back to the blood death prison.

"Brother Ye Chen, my Shifu's mother is dead. You must avenge them."

Ji Lin's eyes are red and he always holds Ye Chen's hand.

This time, the annihilation of Wuji couple blew themselves up in front of her, which had a great impact on her. She almost collapsed.

"Well, I will. Don't worry."

"Now let's set up a monument for them first."

Ji Lin nodded and held his fist tightly. He didn't know whether it was sadness or something.

Ji Siqing grabs Ji Lin's hand and says nothing. She knows that at this time, Ji Lin needs to digest and bear.

Soon, the three came to a quiet place in the blood death prison.

Ye Chen takes out a huge stone from the picture of the yellow spring, and his sword moves, and his sword marks pass through the air!

The boulder is in two!

Ye Chen rose up from the sky and thrust two stone tablets on the ground.

Then, shajian danced again, leaving two lines on the two stone tablets.

"The tomb of annihilating the limitless!"

"The tomb of illusory dust and smoke!"

Ji Lin saw this scene, tears in his eyes kept falling, and knelt down in front of the tombstone.

Ye Chen looks at the tombstone, don't know what to think!

After a long time, with a wave of his hand, the vegetation around the tombstone revived, and it was full of colorful flowers.

These flowers may represent their love.

will never change until death.

"Two elders, when my reincarnation blood is fully revived, I will revive you!"

Ye Chen is very clear that he is the Lord of reincarnation, and the ultimate of reincarnation is to dominate life and death!

It's just that this day is too far away.

"Let's go."

Ye Chen touched Ji Lin's hair, looked at Ji Siqing, and gave Ji Lin to her care.

The disciples in the blood death prison were all very happy to see ye Chen coming back with the dragon Yuan sword. They wanted to congratulate him, but they didn't dare to speak casually when they saw that something was wrong with the atmosphere.

"To report to the blood god, I came back with Longyuan Tianjian, but if I want to cure the blood dragon, I still need to participate in the research."

Ye Chen orders a way toward an elder.

"Yes, Lord Ye!"

The elder immediately set out to report the news of Ye Chen's return.

The blood god, Ji Siqing and Xia Ruoxue are hanging their lives for the blood dragon. When they hear the news, they are naturally very happy. However, when they see that ye Chen has not come, it seems that there is something else happened. They are worried again.

Ye Chen came to a secluded mountain forest alone, offered his wishes to the stars, stepped on the stars, sat down on his knees on the top of the cliff, under the Fengyu spirit tree, took out the Longyuan sky sword, and studied it carefully.

This Longyuan Sky Sword is like a black cast iron sword. It has four fingers and a wide body. It is carved with many golden dragon patterns. It also has a mysterious Seven Star totem. Its shape is very different from other sky swords. It is a dark iron Epee with extra weight.

Ye Chen's spirit power is released, and he carefully explores the mystery of Longyuan Tianjian. However, he finds that there seems to be a sea of blood in Longyuan Tianjian. The stars floating on the sea of blood are crisscrossed and magnificent.

This sea of blood is actually the hallucination of xuanjiyue's blood essence.

The star in the sea of blood is naturally the sword spirit of Shenluo Tianjian.

In order to suppress Longyuan Tianjian, xuanjiyue sacrificed the aura of Shenluo Tianjian. As a result, Longyuan Tianjian is full of powerful sword spirit. Outsiders can't control it. Only xuanjiyue can take charge of it.

"It's a little tricky..."

Ye Chen frowned. Although he got the Longyuan sky sword, the sword was willing to recognize him, but the problem was that xuanjiyue wanted to forcibly occupy it. The sword was engraved with blood essence, and even retained the endless sword spirit.

If ye Chen wants to take charge of Longyuan Tianjian, he needs to break xuanjiyue's blood seal first, and then suppress Shenluo Tianjian's power.

Looking at the endless sea of blood in front of him, ye Chen was dazed and lost in thought. For a moment, he didn't know what to do.

Chapter 6035

If you can't hold the Longyuan sky sword, you can't cure the blood dragon.

Whoa, whoa, whoa.

The sea of blood is churning. There is an island in the distance, which has not been engulfed by the sea of blood.

"There seems to be some secret hidden in that isolated island..."

Ye Chen heart move, immediately across the sea of blood, toward the island.

Whoa, whoa, whoa!

On the sea of blood, all kinds of xingmang's sword Qi burst up and killed Ye Chen fiercely.

Ye Chen had been on guard for a long time, and was preparing to pull out the disaster sky sword to fight against him. However, he heard the sound of "hum" and the sword in the picture of the yellow spring. He shot out a fierce magic light and killed all the stars. Even this sea of blood was set off by the waves, showing the majestic atmosphere.

The magic light condensed down, it turned out to be a long black sword with blood red, sharp and towering, it is the wild devil sky sword!

"Is the wild devil Tianjian revived?"

Ye Chen was pleasantly surprised. At the beginning, he used Danxian wine to feed the wild devil Tianjian. The Tianjian fell into a deep sleep. At this time, he recovered ahead of time.

Gulu, Gulu, Gulu.

An amazing scene appeared, only to see the ghost sword, constantly devouring the energy of the sea of blood.

In a flash, a small half of the energy of the sea of blood was absorbed by the wild devil sky sword.

It turns out that this sword, aware of Ye Chen's danger and the aura of fate's blood sea, broke through ahead of time and absorbed the essence and blood left by xuanjiyue!

The wild devil Sky Sword absorbed a small half of the blood sea, and the blood light of the sword body bloomed violently. Compared with before, the edge of the sword was more powerful.

Under the double nourishment of Danxian wine and fate blood sea, this wild devil sky sword has been cultivated successfully!

It's a pity that there are too many Shenluo heavenly swords in this sea of fate. The wild devil heavenly swords can only absorb a small part of it, and then they reach the limit.

If you can absorb all of them, the wild devil Tianjian may be able to transform perfectly on the spot. Xuanjiyue's blood is the best nutrient!

Although it only absorbs a small part, it's also a great chance for the wild devil Tianjian. The edge of the sword is much more powerful than before.

Ye Chen holds the wild devil Sky Sword and waves it at will for a while. He only feels the light and magic of the sword, and the power is far more powerful than before. He is very satisfied.

He is holding the wild devil sword and stepping on the island.

Sobbing, sobbing, sobbing

On the island, the wind blows, a large area of the keel, full of the whole island.

There are a lot of dragon soul resentment, covetous, but see ye Chen hands of the wild devil sword, dare not act rashly.

"Originally, this island was the burial ground of many dragon people in Taishang."

Ye Chen suddenly realized that a lot of dragon's flesh and bones were used in the original casting of Longyuan Tianjian. The ancestor of the sword God didn't know how many dragon's were slaughtered before finally casting this sword.

This sword, also known as the Seven Star Longyuan sword, has a special killing effect on the dragon people.

On this island, ye Chen saw a lot of dragon bones of different races, and even the bones of the strong dragon exterminator!

The Dragon exterminator is the race of the dragon field.

The blood dragon absorbed the bones of the dragon's battle field, inherited Wanxiang's heavenly script, and had countless ties with the Dragon exterminator.

"If the bones of the Dragon destroying Protoss are given to the blood dragon for refining, it is estimated that his injury can be recovered."

Ye Chen's eyes brighten, and he has found a way to cure the blood dragon.

"Eight trigrams Dan stove, up!"

Ye Chen waved his hand to offer sacrifices to the eight trigrams Dan furnace, and directly threw the bones of the Dragon destroying gods into the Dan furnace for refining.

His cultivation has reached a level of truth, and the means of refining pills and utensils are far better than before.

If at this time, ye Chen meets the skeleton of long zhanye again, and can directly refine it into pills, he won't be as embarrassed as he was at the beginning.

Many bones of the Dragon destroying Protoss melt in the Dan furnace and gradually turn into clusters of energy and begin to fuse and condense.

The sea of blood waves outside the isolated island slapped the island, as if they wanted to devour the island, but the Dragon Spirit on the island was strong, but it would not fall easily.

This dragon bone island is also the core of Longyuan Tianjian. Because this core has not been polluted by xuanjiyue's blood essence, xuanjiyue has not been able to control the sword in the end.

So after a night, all the keels in the eight trigrams Dan furnace were thoroughly refined and condensed into a crystal white pill.

"Very good, this dragon bone pill should be able to cure the blood dragon."

Ye Chen is overjoyed and takes out the dragon's bone pill and pinches it between his fingers. He only feels bursts of aura energy, which continuously diffuses out.

This dragon dragon elixir is made from the bones of the strong one of the Dragon destroying gods. It is connected with the spirit of the blood dragon. After taking it, the blood dragon can not only recover from the injury, but also stabilize its foundation and completely control the book of heaven!

Ye Chen is very excited. Although he can't control the dragon Yuan sky sword, he is very satisfied with refining a dragon bone pill to cure the blood dragon.

At the moment, ye Chen goes out with the elixir, but sees a figure standing under the Fengyu spirit tree waiting for him. It's Ji Siqing.

"Siqing, how is Jilin?"

Ye Chen see Ji Siqing face haggard color, heart a burst of love, asked.

Ji Siqing said: "Ji Lin is too sad. She has returned to Huanchen peak and said that she wants to practice in seclusion. When she leaves, she will go to xuanjiyue for revenge."

"I'm afraid of her... Doing something stupid..."

She was obviously worried about Ji Lin, and her face was haggard and desolate.

Ye Chen stroked Ji Siqing's cheek and said, "look at her, don't let that girl fool around."

Chapter 6036

Ji Siqing nodded and held Ye Chen's hand. His eyes were staring at him like water. He said: "Xuanji moon has been promoted to a hundred flail state. It's really hard to deal with. I need to revive the martial god Tianzhu as soon as possible."

Ye Chen sees the water like affection in her eyes, and her mind suddenly swings. Before, in the remains of Longyuan, they didn't really combine. At this time, Ji Siqing obviously wants to continue the front edge.

She needs to revive Tianzhu as soon as possible to prepare for the fight against Xuanji moon.

"Have you... Have you decided?"

The leaf Chen swallowed to swallow saliva, the throat knot moved.

Ji Siqing gritted his teeth, blushed to the root of his ears, bowed his head with a trace of shyness, and said, "I have told you so clearly, and you still ask, do you really want to shame me to death?"

Ye Chen was dumb and said, "I'm sorry..."

After a meal, ye Chen embraces Ji Siqing in his arms.

As the long wind blows, the feather like leaves of Fengyu spirit tree fall down one by one, spreading on the ground of the top of the mountain, as if weaving into a dreamlike scene.

Ye Chen embraces Ji Siqing's soft body and kisses Ji Siqing's lips as if in a dream.

Ji Siqing closed his eyes, but he didn't resist. He just held his breath and looked very nervous.

Two people kiss for a while, ye Chen suddenly, but feel a strong breath, is about to break the air.

It's Shentu Tianyin!

"Shentu Tianyin, what is she doing here?"

Ye Chen is surprised, loosen Ji Siqing, quite a little vigilant looking at the sky.

In the past, Shen Tu's heavenly voice came, but he didn't know it before, but now his cultivation has greatly broken through, and he has already felt it.

"Ye Chen, what's the matter?"

Ji Siqing see ye Chen look different, asked.

Ye Chen said: "someone is coming, you hide first."

Ji Siqing was so surprised that he left Ye Chen's arms and hid behind the Fengyu spirit tree.

After a while, he heard the sky roar, and the golden light came from all directions. Shentu's magnificent figure fell from the sky, fell on the wish star, and appeared in front of Ye Chen's eyes.

Ye Chen looks at Shen Tu's shadow, which turns out to be a virtual shadow.

"Master Shentu's Dharma drive has come, and I hope you will forgive me if you miss it."

Ye Chen arched his hand and made a salute to Shentu Tianyin, guessing the purpose of his trip.

Shentu Tianyin glances at Ye Chen and sees a black iron Epee on the open space beside him. It's carved dragon and engraved star. It's the legendary Longyuan sky sword.

"You really got the Longyuan sky sword!"

Shentu Tianyin gave a sigh of admiration, which could not be concealed in his tone.

With Longyuan sky sword, ye Chen has three sky swords. It's such a great fortune. No wonder even the ancient emperor of Yuhuang was so scared.

If she can, she is really willing to marry Shen Tu Wan'er to Ye Chen, as long as ye Chen is single-minded.

Unfortunately, ye Chen is so lucky that Shen Tu Tianyin will never allow her baby daughter to share a husband with other women. This is a great shame and will never be tolerated.

Ye Chen's heart one Lin, step back, only think that Shentu Tianyin also want to capture Longyuan Tianjian.

Shen Tu Tianyin smiles and says, "I won't snatch your chance, not to mention the rules. Even if I want to, I can't snatch it."

Ye Chen is a little relieved, way: "that don't know elder this time to come here, have what matter?"

Shen Tu's voice corrected and said, "I need you to promise me one thing. When you go to the supreme world, you are not allowed to see Wan'er again."

Ye Chen a Leng, way: "elder, I already promised you, I won't pester Wan'er again."

Shen Tu Tian Yin shook his head and said, "no, I want you to promise that you will never see Wan'er again. Even if she asks for you, you can't see her."

Ye Chen is stunned. Suddenly, he agrees not to pester Shen Tu Wan'er, but Shen Tu Wan'er doesn't say that he won't pester Ye Chen any more.

In other words, Shen Tu Wan'er can't let go of Ye Chen and will come to him at any time. It's not that he broke his promise. If Shen Tu Wan'er insists on sticking it upside down, he is also very difficult.

"Master, I beg your pardon."

Ye Chen shakes his head, but politely refuses. In his heart, he is not heartless. If he has the chance to see Shen Tu Wan'er again, he is willing to see her.

Of course, ye Chen will keep his promise and will no longer pester Shen Tu Wan'er.

If the other party insists on sticking it upside down, he will try his best to keep the bottom line. In short, he will not let the other party lose his innocence.

Shen Tu Tian Yin's eyes were cold and said, "do you want to break your promise?"

Ye Chen said: "of course, I will not break my promise, but the meeting between friends, simple gathering, human nature, I can not really be so unfeeling, and miss Wan'er cut off."

Shentu Tianyin was very angry and said: "you want to continue the front edge after all. You will never forget my good daughter. You are greedy for her body!"

Ye Chen wry smile for a while, who greedy whose body, that still probably.

Seeing ye Chen's appearance, Shen Tu Tianyin knew that his character would only backfire if he used tough means. He slightly suppressed his anger and said in a slow voice, "reincarnation Lord, as long as you promise me that you will never see Wan'er again, I will give you great benefits."

With that, Shentu Tianyin pointed a little, and a wisp of golden light shot on the Fengyu spirit tree.

Hiding behind the tree, Ji Siqing was immediately photographed.

Ji Siqing was slightly surprised and stood up.

Shen Tu Tianyin glanced at Ji Siqing and said, "this girl is an ancient female martial god. Compared with my family Wan'er, her figure and appearance are no worse. Reincarnation Lord, are you not satisfied with her company? Today I will revive her martial god Tianzhu for you. You will never see my daughter again! "

With that, Shen Tu Tianyin pinches a formula, and the mighty golden light hits Ji Siqing.

Ji Siqing felt comfortable all over, and her blood power revived rapidly. A dazzling bead gradually emerged from her body.

That day inside the bead, engraved with a "Wu" word, it is the legendary god of Wu Tianzhu.

Ji Siqing's accomplishments are also rising rapidly.

Shentu Tianyin used his own strength to revive Tianzhu, the God of martial arts, for Ji Siqing.

"Ouch!"

Ye Chen and Ji Siqing exclaimed at the same time that they planned to sleep together and mingle with each other in order to revive Tianzhu, the God of martial arts. Unexpectedly, Shentu Tianyin solved this problem.

Shentu Tianyin frowned and said, "why, I'll revive Tianzhu for you. Aren't you happy?"

But she didn't know that she had done something wrong with her kindness, which broke the romantic dream of Ye Chen and Ji Siqing.

Ye Chen couldn't laugh or cry, and said, "thank you for your help. I'm very grateful."

Shen Tu Tian Yin felt strange, but he didn't think about it. He nodded and said, "well, that's good. In that case, you don't want to see Wan'er again. Even if she comes to you in person, you should avoid her."

Chapter 6037

Ye Chen shook his head and said, "master, I said, I can't promise this."

Shentu Tianyin said angrily, "what do you say? You want to deny my benefits?"

Ye Chen said with a bitter smile: "no, master, we haven't talked about it yet. You suddenly make a move. It's too hasty. You've helped me a lot. I'll compensate you with other things. I won't see Wan'er again. I can't agree to this request."

Ji Siqing hears Ye Chen's words and already knows that he has incurred peach blossom debt outside. The elder of the other party comes to settle the debt.

There was a certain jealousy in her heart, but this kind of thing was not surprising.

Shentu Tianyin was very angry and said, "if you want to get more benefits, I'll give you what you need. Just tell me. I can even help you solve some thorny threats."

Smell speech, ye Chen and Ji Siqing heart is a move, if Shentu Tianyin hand, it may be able to solve xuanjiyue.

Ji Siqing goes to Ye Chen and pulls his clothes. Obviously, he also wants to answer.

Ye Chen is just way: "elder, Wan'er is my friend, I can't take her to do business, please go back!"

This kind of words is resolute and forceful, obviously Ye Chen's mind is firm, and will not take Shen Tu Wan'er as a bargaining chip.

Shentu Tianyin and Ji Siqing stay for a while, but they don't expect that ye Chen is so affectionate and righteous.

Shentu Tianyin said, "do you really want nothing? There is xuanjiyue's blood essence brand in your Longyuan sky sword. It's very difficult for you to break the blood mark. Now you just promise me that you won't see Wan'er again, and I'll tell you how to break the blood mark, OK

Ye Chen didn't want to, and said: "master, I said that I would not trade with Wan'er. If you really don't want us to meet again, you can control Wan'er!"

Shen Tu Tian Yin nodded and looked at Ye Chen with some appreciation. He said, "well, it seems that my daughter really did not see the wrong person. That's all. Then you should keep the relationship of ordinary friends. You are not allowed to cross the thunder pool any more!"

Ye Chen said, "this is natural."

Shentu Tianyin said, "good. In the future, our Shentu family may have the opportunity to cooperate with you. If you want to break the Longyuan sky sword, you have to do two things."

Ye Chen one Zheng: "which two matters?"

Shentu Tianyin said, "first of all, do you know the ten robbers tower? This pagoda originally came from the supreme world and is extremely mysterious. Later, it seems to appear outside the territory for some reason. You have to find him and experience at least five robberies. "

Ye Chen's expression is extremely strange! He once again heard the ten robber magic tower, and still heard it from Shentu Tianyin!

Zhu Yuan and Bai Lian are still trapped in it. No matter what, he has to go. Now he has stepped into the real world, and his strength is not what it used to be. Maybe he really has the qualification to enter it!

Shentu Tianyin found Ye Chen's strange expression and said curiously: "you are infected with cause and effect ahead of time?"

Ye Chen Mou son one coagulates: "why is to experience five calamities at least?"

Shentu Tianyin sneered: "because I think that even if you are gifted and invincible, the limit is five robberies. When you break the five robberies, you will understand what I mean."

"As for whether you can get out of the tower after the five robberies, it depends on your own fortune."

Ye Chen thought for a moment and said, "what's the second thing?"

Shentu Tianyin continued: "when you finish the first thing, if you are still alive, you can go to fight the mysterious world and find the God of fight Tianzhu. The God of fight Tianzhu can help you break the last step of xuanjiyue's blood seal and let you really take charge of Longyuan Tianjian."

With that, Shen Tu Tianyin shot out a map.

"Fight God Tianzhu, fight mysterious world?"

Ye Chen is startled, unfolds the map to have a look, but sees on the map is marking fights the mysterious world the position, is in the heaven human domain a secret place.

Shentu Tianyin nodded and said: "the God of war Tianzhu is one of the top ten Tianzhu, which is famous for fighting bravely. This Tianzhu is enough to break the blood mark of Xuanji moon. You'd better finish the five robberies as soon as possible and go to fight the mysterious world. It seems that the sky is changing. If the God of war Tianzhu is taken away by others, no wonder I am."

Ye Chen heard that there was a way to break the bloodstain, immediately overjoyed, said: "thank you for your guidance."

Shentu Tianyin said, "well, you can do it yourself. Don't die young. I hope I can see you in the supreme world."

With that, Shen Tu's figure disappeared into a bubble.

On the top of the mountain, only Ye Chen and Ji Siqing were left.

Ye Chen is very excited. When he sees Ji Siqing standing beside him, he thinks of the passion of the kiss. He takes Ji Siqing's hand and says: "Siqing, then we..." he wants to continue the front edge.

Ji Siqing snorted, shook off Ye Chen's hand and said: "don't touch me, you go to find your Wan'er!"

Ye Chen wry smile unceasingly, catch up to embrace Ji Siqing's waist, way: "think clear, don't be angry."

Ji Siqing bit his red lip, pushed Ye Chen away and said, "not today. Let's talk about it next time."

The meaning of these words is that she is willing to accept Ye Chen, but she is not in the mood today. She will make plans later.

Ye Chen in the heart a joy, way: "that is good, wait for me to solve this matter in front of me to come back, we continue front edge again."

Whether it's the magic pagoda or the Pearl of God, it's not a simple thing.

This trip is definitely not easy.

But ye Chen faintly feels that the chance behind this is so huge that it has something to do with his breakthrough and reincarnation!

Chapter 6038

"Siqing, take this dragon bone pill to Xuelong, and you can help him treat it."

Ye Chen takes out the dragon bone pill and gives it to Ji Siqing.

Ji Siqing took the dragon bone pill and said, "OK, I'll wait for you to come back."

Now Tianzhu, the God of martial arts, is reviving. During this time, she also needs to practice steadily to control the mystery of Tianzhu, the God of martial arts.

Ye Chen said: "thank you very much. I will come back as soon as possible."

He gave Ji Siqing a kiss on his forehead, then turned to tear the void and went to bury the sky!

Ye Chen's heart is full of expectations. If it goes well, he can break xuanjiyue's blood seal and successfully take charge of Longyuan Tianjian.

What's more, when he comes back, he will see the blood dragon who has recovered to the peak, and Ji Siqing who is in charge of Tianzhu, the God of martial arts!

At that time, ye Chen's arrogance must be strong enough to suppress Xuanji moon.

.....

Buried in the sky and the sea.

Now ye Chen's strength, it's much easier to go to the sky and sea.

Soon came to Shenyuan.

Shenyuan Taixu has sensed the arrival of Ye Chen and appears at the door ahead of time.

Although in the heart already had the preparation, but the God yuan too empty sees Ye Chen to break through still really after the realm, or facial expression vibrates!

Ye Chen of the original state is so terrible, I'm afraid it's unimaginable!

He thinks of himself as an extraterritorial Tianjiao, but since he met Ye Chen, the word Tianjiao is more like ridicule.

Shenyuan arched his hand: "Ye Chen, long time no see. Congratulations on taking charge of Longyuan Tianjian."

Obviously, Shenyuan's information channel is too powerful.

What's more, it's no secret that Longyuan Tianjian came out.

Ye Chen nodded, but did not intend to continue to exchange greetings. He opened the door to the mountain and said, "take me to the ten robbers' magic tower. This time, I want to try."

Shenyuan Taixu wanted to say something, but he didn't say it in the end.

He knew his warning was useless.

Besides, ye Chen's existence can't be measured by common sense!

Soon, ye Chen came to the ten robber magic tower again. Looking at the evil spirit seeping out of the huge tower, ye Chen was a little complicated.

After so many days, I don't know what happened to Zhu Yuan.

Shen Yuan hesitated for a few seconds and said: "Ye Chen, are you sure this time? Although you have broken through the true realm, this tower is very evil. "

"You may have made the right choice last time."

"But this time, you're at greater risk."

"Even the Lord of the abyss has divined for you

Shenyuan Taixu thought that ye Chen would hesitate when he heard this.

But he completely thought wrong, ye Chen just showed a smile, light way: "I have died many times, no one is willing to accept me, it is estimated that this time they dare not accept me."

"Don't worry, I'll come out."

The next second, without waiting for the reaction of Shenyuan Taixu, ye Chen goes directly to the ten robber magic tower.

This time, it's extremely easy.

It seems that the magic tower is waiting for itself. It opens the door directly, and the deep darkness and candle light are looming again.

Ye Chen takes a deep breath, and then steps into it without hesitation.

A candle light lit, ye Chen saw a white girl, hands behind, waiting for himself.

It is Ye Chen's first time to step into the magic tower of ten robbers and guide her arrogant girl, Bai Lian.

Bai Lian's back to Ye Chen, there is no sound of temperature

"It broke through."

"Of course, you shouldn't have come. Your strength hasn't met the requirements. If you come, you will die."

Ye Chen hears this sentence, but showed a smile, think of at the beginning Ren extraordinary let oneself see of past life and all sorts of white lotus, suddenly shout: "white lotus."

This sound, extremely gentle, at the beginning of Ye Chen saw his last life and Bai Lian's gratitude and resentment, know that he negative Bai Lian, since this life has the opportunity, try to make up for it.

Bai Lian wanted to continue to persuade Ye Chen to leave in a cold voice, but when she heard those two words, her body trembled, knowing that her eyes were red, and two tears appeared on her cheek.

Over the years, she wanted to hear it again.

Now it's somehow realized?

The key is that the tone even carries a trace of emotion from a previous life?

The white lotus suddenly turns around, that eyes like water tightly stare at Ye Chen, unbelievable way: "you... You restore the memory of the last life?"

Ye Chen shakes his head. He doesn't know when a white lotus appears in his hand. With the help of his spiritual power, the white lotus flies steadily to the other side.

"Coincidentally, I saw that part of the memory, about your memory."

"I know you hate me, but I have no choice in my last life."

"I thought that if I cut off the cause and effect with you, I could avoid your death, but now it seems that you are still hurt by that cause and effect."

"Now may I ask, why are you here?"

Bai Lian looks at the lotus in her hand, and the past comes like a tide. She now understands that the reason why the former reincarnation lord left her was because she wanted to protect herself.

That once hate, as if in this moment completely dissipated.

Bai Lian came to Ye Chen's side and said, "in fact, I wanted to invite you to meet a man. This man is my father. My real name is Jiang Jiuli, and my father has a very special identity. It's better not to tell you now. At first, if I got his consent, you couldn't fall into xuanjiyue's hands that year."

"As for why I am trapped here, it is because I heard that there is a strong man at the top of the ten robbers' magic tower who can reverse time and change everything. Of course, it's just a legend. I also want to try."

"Unfortunately, I failed. Like Zhu Yuan, I was suppressed here forever."

"But I'm better than that boy. That boy has been fighting against the rules, and I've obeyed the rules. Over the years, Shijie magic tower has accepted me, and I've become the guide of Shijie magic tower to outsiders."

"I thought I would never see you, but I never thought you would step into this tower."

"At that time, my heart was completely out of order, but somehow, I still wanted to dissuade you. This is the scene after that."

"Although the enmity between you and me has been solved, I still want to persuade you to give up."

"If you fail, you may be like me!"

Ye Chen a Zheng, looking at ten rob God magic tower around, hesitated a few seconds, or way: "so many years, no one left here?"

"Are you and Zhu Yuan really sure that they will be suppressed forever?"

Bai Lian thought of something and shook her head: "in fact, someone has left, but that guy can't use common sense."

"The key is that his strength is far beyond baijiajing, which is not at the same level as ours."

"Even so, he left injured."

Hearing these words, ye Chen's face is like a cloud, hundred Jiajing? This level should be the existence of the supreme world. How can you enter the ten robber magic tower?

Chapter 6039

Is there anything hidden behind the magic tower?

Ye Chen is more and more curious about the magic tower. It's impossible for him to leave. Even if the cost is heavy, he will try it!

At this time, the old man who had not made a sound said: "there is no way to leave the ten robber magic tower!"

Ye Chen expression a stagnant, surprise way: "desolate old, you have a way?"

Huang Lao shook his head: "I haven't tried, but I can try."

"But boy, I also advise you to give up. There are some evil ways in this ten robber magic tower, which makes me very uncomfortable."

"Even if you can get out, you may be half dead."

"I don't know how many robberies you can break."

"Are you sure you want to go now?"

Ye Chen did not hesitate, nodded: "go!"

The old man no longer talks.

Ye Chen looks at Bai Lian and says, "get ready. I'll try it now."

White lotus hair Zheng of saw leaf Chen several seconds, finally can only nod a way: "good."

At the same time, she secretly vowed in her heart that no matter how, she would also protect Ye Chen!

Bai Lian reaches out her hand and forces out a drop of blood essence, which floats in the air and blooms out a blood lotus!

The blood lotus is bright, and finally it projects a door.

There are two words written on the door - one robbery!

White lotus dignified mouth way: "this is the first rob, also is the first layer."

Ye Chen nods and doesn't talk nonsense. He goes straight to the door.

He always thought that the place where he stood at his feet was the first layer. Now it seems that the first layer has been hidden, and only Bailian can open it.

When ye Chen's body did not enter the door, the door disappeared, white lotus eyes some red, murmured: "I believe, you can create a miracle, once was, now is."

.....

At the same time, when ye Chen opened his eyes, he found himself in a broken temple.

There are many Buddha statues in the broken temple, either elegant or ferocious.

"What kind of robbery is this?"

Ye Chen some helpless, looked around, wanted to step out of this broken temple, but found that there is an extremely powerful prohibition in the broken temple!

Let him not be qualified to enter!

Is the first floor in this broken temple?

It's ridiculous!

"Bai Lian, are you near here?" Ye Chen thought of what, voice way.

The answer, however, was a long period of calm.

"Don't you have any hints at this level, so you have to realize it by yourself? Or do you want to break it yourself

"Sun Xianhuang chop, break it for me!"

A bright sword like the sun swept away in an instant!

But it's such a powerful sword, but it doesn't cause any damage here.

Not even a sword mark.

Ye Chen tossed for a while. No matter it was the transformation of soul body, the fire of Tao spirit, Yan xuan'er, or the sword of disaster heaven, it had no effect and could not be broken.

Obviously, the key point is in the temple.

Ye Chen came to the center of a futon, cross legged and sitting, eyes closed.

Even directly into the cultivation state!

The wild aura is surging in the elixir field!

Lingxiao martial arts will continue to converge!

Hongmeng starry sky is full of the whole temple!

It can't be broken. The big deal is to practice here all the time.

At first, ye Chen may have a sense of fear in his heart. When he is trapped in such a small space, everyone wants to break free.

But ye Chen's mind was so strong that his fear soon dissipated.

He can't even feel the passage of time here. It seems that only one day has passed and another hundred years have passed!

At the moment, ye Chen's eyebrow is flashing the six runes of reincarnation.

Ye Chen's calm heart is terrible. He doesn't even want to go out!

Because of such a quiet environment, he had a wonderful effect on his understanding of martial arts and the firmness of his mind.

The battle scenes of the past were revived in his mind.

The final battle between Longyuan's secret place and xuanjiyue, the battle against Confucianists, the battle against Xuanyuan moxie, the battle against linjuelong, and the battle against many people.

In every battle, he is not perfect, even there is a tiny flaw in his heart.

If it had not been for the reincarnation cemetery and many cards, he would have failed.

Ye Chen looks back on his life in this way, but not long ago, he found something and opened his eyes!

The Buddha statues around are broken one by one, and the space is also broken!

At the same time, a gate appeared.

Ye Chen corner of the mouth outlines a radian, it seems that this disaster, oneself calculate to break.

As for why it broke, it should have something to do with Daoxin.

When ye Chen steps into the door, he sees Bai Lian's surprised face.

Ye Chen smiles: "the past few years?"

He doesn't know the time outside, but at least a few years have passed.

However, Bai Lian shook her head fiercely: "only three hours have passed... This is the fastest person I have ever seen who broke the first robbery. It took a day for that person to exist in those days..."

This time, it's Ye Chen's turn to be surprised. It's only three hours past!

The first robbery was not a mirage, but a real passage of time!

Who can change the rules of time so freely?

What's the origin of the existence behind the magic tower!

He even felt that he might come from the same person as reincarnation cemetery!

"Bai Lian, am I on the second floor now?" Ye Chen asked.

Bai Lian bit her red lips and nodded: "the first robbery is not too complicated, but it has also stopped many talented people. But the second robbery is very dangerous. If you are careless, you will die."

"Also, don't trust anyone in it, or even me. I'm not sure if I can see you in it..."

"In any case, this tower is very evil. Like the stars, there is a world. No one knows whether this world is true or false."

Ye Chen stretched out his hand and touched Bai Lian's head: "believe me."

As soon as the words fall, a familiar door appears.

Ye Chen doesn't think much any more, but directly steps into it, as if he doesn't worry about the crisis behind the door.

When ye Chen opens his eyes, he finds himself in another place.

And not far away appeared a faint figure, seems to be white lotus!

But at this time of white lotus figure some dim, eyes are empty.

"White Lotus!" Ye Chen Mou son one coagulates, cried a.

However, Bai Lian didn't reply, just like a machine towards the front.

Ye Chen has no choice but to go deep behind Bai Lian

"Well? It seems that the second disaster has some kind of counter heaven array blessing..."

Ye Chen suddenly raised his head and looked at the snowflakes flying above the sky.

"It's an unknown killing array under my feet, but I seem to be passing in an orderly and safe way!"

Ye Chen carefully observed the surrounding environment, vigilant eyes are still looking around.

"Is the woman just now really Bai Lian, or is it my fantasy, but for the moment, I can follow her route to walk safely in this array."

Chapter 6040

Ye Chen looks at the back of Bai Lian, who is constantly guided in front of him, and seems to be hesitant to follow him.

Ye Chen hesitated to look back, but was desperate to find that now there is no way out! The way to come is gone.

Behind you is an endless ocean, with deep black waves surging

"There is no end to the sea of bitterness, and there is no shore to turn back."

A line of big characters was engraved on a towering stone tablet in the center of the black huge wave.

"Here... The power of space has also lost its function... Only three hours have passed in such a long time before. I want to create the existence of the magic tower of ten robbers and have the ability to change time and space... Who is it?"

Ye Chen frowned.

There was a flash of light in his eyes, but it faded quickly. He murmured: "the pupil of the devil can't see through the other side..."

He offered a wish to heaven and stars and murmured, "I wish to break all darkness!"

However, wishes and stars have no effect at all!

Now the conclusion here is: boundless darkness.

What ye Chen looks back in his eyes is endless nihilistic darkness, turbulent dark sea of bitterness!

What the hell!

However, at this time, the white lotus is still concentrating on the front.

"No!"

Ye Chen secretly calls a bad, hastens to chase.

The next moment, ye Chen step across the void toward the white lotus, so that ye Chen is one of the shock, the distance between them is not shortened, but constantly widening!

Clearly white lotus is in slowly walk, oneself this side already firepower full open, light speed rush into.

How do you feel like you're standing still?

For a moment, ye Chen's uneasiness surged into his heart. No matter how he cried, Bai Lian in front of him turned a deaf ear and walked step by step into the abyss

Until the figure disappeared at the end of the sky.

never see again.

Ye Chen can't keep calm any longer. A terrible breath of destruction comes from ye Chen's body. Now he has stepped into the real world, and the destruction of Dao Yin is stronger. He wants to try to destroy this space!

The seal of destruction seems to be transformed into a giant with a height of 100 Zhang, crashing into the darkness of nothingness.

"Boom!"

The endless sound of bursting reverberates in the dark world.

Ye Chen's mouth corner a wipe blood overflow, he didn't give up.

"Destroy the seal of Tao, master of heaven, open it!"

With a roar, ye Chen directly opens the Supreme Master's way, and his aura bursts out. He wears a sky blue Taoist robe, and his whole body bursts out the immortal atmosphere of the Dragon Tiger master.

After his cultivation broke through to the realm of truth, he had already RE refined many Taoist methods. He no longer only practiced the devil's way. The former Supreme Master's way of heaven is now unfolded. The weather is far better than the past, and ye Chen's cultivation has been improved for a short time.

Although it is only a short-term level of ascension, it has a great gain to Ye Chen's Qi.

"Master of heaven, break everything!"

The hundred Zhang Heavenly Master, who was transformed from ye Chen, began to linger on his body with light brilliance, and his veins burst up. It was clear that the terrible Taoist idea turned into a raging thunder awn around the Heavenly Master's body, and the huge spiritual power poured out again, turned into armor and sharp sword, and added infinite power to the Heavenly Master's body.

"God"

With Ye Chen's sharp drink, the Supreme Master wields a blow, and the whole space changes color. The endless purple light lights up the sky and devours the endless darkness!

Such a scene, ye Chen's expression is a little strange, the power of this blow seems to exceed Baijia realm, but his current strength can't reach Baijia realm.

It's weird. It's weird.

Bai Lian said don't trust anyone, including yourself?

Suddenly, above the sky, "click!"

The sound of fragmentation rang out, only to see the sky above the unattainable, cracks appear.

"It's really the boundary of the array! Broken

The Supreme Master of heaven is another blow, and the majestic aura rolls up the lament of the whole space!

This blow, the sky will no longer exist!

See ye Chen at the foot of the deep black sea of bitterness began to surge, thousands of Zhang huge waves, want to block this attack!

"There is no limit to the sea of bitterness?"

Ye Chen's eyes flashed with cold light: "today, the Lord of my reincarnation has refined your bitter sea!"

Ye Chen, the incarnation of the Heavenly Master, dissipates the light and rain all over the sky. Comparatively speaking, his tiny body stands in the void and looks at the black waves.

He rushed to the huge waves without hesitation!

One hand shot, the surging waves of a meal, born in the vast void, this scene, really strange.

The corner of Ye Chen's mouth crossed a curve

"Just now the Supreme Master's all-out strike has split the boundless sky, and the power of space can be used!"

"The fire of Tao Ling! Yan xuan'er, come out! "

Next second, a little girl appears in front of Ye Chen!

"Young master!"

It's Yan xuan'er!

Ye Chen waved his big hand, and a trace of flame containing extremely terrifying energy swung from his palm to the ground.

"Wind stele, spread it!"

After the upgrade of reincarnation xuanbei, ye Chen found that there are still some magical functions of reincarnation xuanbei!

For the existence of the ten robber magic tower, we must use the reincarnation stele!

Ye Chen's eyes coagulated, his hands clasped, and a streamer like compression cyclone kept surging and raging between his palms. When he reached the critical point, he threw it to the fire of Taoist spirit, which was falling slowly.

The cyclone and the fire of Daoling fall into this boundless sea of bitterness at the same time!

A moment later, the surging deep black waves began to boil, and the dark sea of bitterness that could not be seen at a glance was surrounded by a ring of flame!

A circle of light rising up!

"A sea of bitterness?" Ye Chen cold hum a, "I am the Lord of reincarnation, today will purgatory sea of fire, cross this pain!"

With Ye Chen's sharp drink, the fire soars into the sky. For a moment, the whole ocean is full of bitterness. Sheng Sheng is ignited by the fire, and the heat wave surges, making a sound of "Yiyi".

However, for a moment, the original boundless sea of bitterness, together with the invisible other side, was completely evaporated. It was a desolate and dilapidated scene, and burnt black was the only color of the whole space at present.

"There is no end to the sea of bitterness, and there is no shore to turn back."

Ye Chen looks at the stone tablet that still stands between the heaven and the earth. From the beginning, he has understood the meaning of this line. There is no end to the sea of suffering and no shore to turn back.

The meaning is very clear, going forward is endless darkness, turning around has no way back.

At the beginning of the tip is to tell yourself, to break!

Ye Chen walked slowly to the towering stone tablet. He turned and looked around at the desolate scene after the raging fire. He snorted, "you still play this game with me!"

Ye Chen opened and closed his lips and breathed softly.

The towering stone tablet, which is with the sky, collapses like a piece of flocculent. It turns into thousands of different awns and lingers in the void, turning into a line of writing.

"Ten robberies, life and death, cause and effect in the pagoda!"

In the void slowly emerged the striking characters.
