Chapter 9461

The sharpness of this saber light is enough to easily kill an immortal emperor, even a demigod, and hurt a true god.

Ye Chen urged the sword light, but instead of cutting towards the goddess, he slashed towards himself with his backhand, towards the deepest part of the soul, which was the place where the corpse insects of Ancient Zun Qingniu ravaged.

"You... you want to kill your own soul?"

The heavenly girl was moved, she didn't expect Ye Chen to be so courageous, in order to kill the corpse insects, she actually sacrificed the emperor's holy knife and killed herself.

Scoff!

The sacrificial light of the Human Emperor's Sacred Sword pierced through the depths of Ye Chen's soul.

His soul was severely injured on the spot, his face was pale, and his facial features were even more distorted.

The corpse worm was killed by Ye Chen, and his Dao heart was not eroded any more.

However, the huge trauma caused by self-decapitation caused Ye Chen to lose his combat power in an instant, and fell to the ground slumped.

Seeing that Ye Chen had fallen, all the spectators looked at each other in blank dismay. No one expected that the result of the battle would develop to this point.

"Ye Chen, stand up!"

Tiannv looked at him coldly and shouted.

"I can't stand up anymore."

Ye Chen smiled wryly and shook his head, saying, "Beheading his own soul, his trauma is very serious, and he has already lost his combat effectiveness."

The celestial girl was both happy and pitiful, and she was very grateful, but also a little confused, and said: "So, I won this decisive battle?"

"Well, even though the victory was a bit unfair, I still won after all."

"I'll give you a happy ending. This sword should be used to bury our past."

"From now on, you are no longer the Lord of Reincarnation."

"The new master of reincarnation is me!"

The celestial girl swung the Ice Phoenix Sword and stabbed at Ye Chen's head.

With this sword of hers, the laws of the Divine Dao surround and converge, as if trying to break through the sky, it is extremely fierce.

Even though Ye Chen had lost his combat effectiveness and was seriously injured, she didn't show any mercy, nor did she intend to take it lightly. Instead, she went all out to kill them all.

Ye Chen suddenly smiled and said, "I'm sorry, Goddess, the final winner is actually me."

Hearing Ye Chen's words, Tiannv froze for a moment, and suddenly a figure appeared from the diagonal stabbing.

This figure, whose appearance and temperament are exactly the same as Ye Chen, turned out to be Ye Chen's Qinglian avatar!

Moreover, this Qinglian avatar holds a sword in his hand, and the sword's momentum carries a supreme and wonderful energy that reverses the world.

Zheng!

The sword of the goddess was blocked by this sword.

All the breath of the Divine Dao Realm disappeared in an instant.

"This is... the way of the Zhishui sword."

"You...you have mastered the Sword Art?"

The celestial girl was stunned. Her sword had the power of a godly realm on the surface. In the world, the only one in the world who could crush her sword power so easily was the legendary Zhishui sword.

Zhishui's sword is the highest in the way of swordsmanship. It can cut everything against and shatter all supernatural powers. It is the most invincible sword.

Ye Chen's main body has lost his fighting power, but he still has a clone!

He manipulated the avatar and cast the sword of Zhishui, which is an invincible sword, and a sword that can cut against the heavens.

Even though Qinglian's avatar is not as powerful as her main body, how powerful is Zhishui Kendo!

Under the impact of Zhishui's sword, Tiannv's divine sword power collapsed in an instant.

It is impossible for ordinary Zhishui swordsmanship to be so powerful.

There is only one explanation for Ye Chen's Zhishui swordsmanship that can crush the arrogance of a god, that is, he has comprehended the magic of swords and swords!

The pinnacle of Ye Chen's kendo is not the Heavenly Dou Sword, but the water-stopping kendo in the sword art!

"I said, the final winner is me."

Ye Chen smiled brightly, and urged the avatar, the sword in the avatar shook, the violent and powerful sword power exploded instantly, shaking the goddess back again and again on the spot, vomiting blood on the spot and falling to the ground, seriously injured on the spot.

Even gods, in the real world, cannot resist the power of Zhishui Kendo.

If it is in Wuwu time and space, the situation is a bit unspeakable.

"The goddess lost?"

"Oh my god, how many hole cards does the Lord of Reincarnation have!"

"Sword God Art, the Sword God Art that is still in fantasy in the legend, has he already comprehended it?"

"This is impossible!"

All the spectators were shocked and couldn't believe their eyes.

Originally, they thought that Ye Chen had reached his limit and was going to be defeated by Tiannv.

However, no one expected that Ye Chen's hole cards were simply endless.

This Zhishui kendo reversed the situation in one fell swoop and defeated the goddess.

Ye Chen urged Qinglian's avatar to help himself up, looked at the goddess and said:

"God, you lost."

"You just gave me ten breaths of time. You gave me a chance, and I will give you a chance too."

"You abolish your cultivation. From now on, just be an ordinary person. I won't kill you."

Hearing Ye Chen's words, Tiannv stood up staggeringly, her hair was disheveled, and her once beautiful face was distorted and hideous at this time, she laughed and said:

"Hahaha, tell me to abolish my cultivation, then you might as well kill me!"

Seeing Tiannv's almost crazy appearance, Ye Chen's face darkened, and he looked at the members of the reincarnation camp under the ring.

Ye Xieshen, Feng Yuying, Xuan Hanyu, Wu Yao and others were all silent, and the meanings in their eyes were all the same.

That is, they all want the goddess to die.

Seeing this, Ye Chen glanced inexplicably at a trace of sadness, then took a deep breath, did not speak, but silently urged Qinglian's avatar, raised his sword, and stabbed at the heart of the goddess.

He has given Tiannv a chance, if Tiannv is willing to be an ordinary person, he can keep her hand.

Chapter 9462

However, with the temper of a celestial girl, she may die, and she is unwilling to accept mediocrity.

Then, Ye Chen had no choice but to send her on the road.

"Wait!"

"Lord of Reincarnation, stop!"

Seeing that the goddess was about to die in Ye Chen's hands, Feng Yuanlan shouted loudly in the auditorium, and shouted with a distorted face:

"The goddess is a member of my death cult, you can't kill her!"

"Law of Karma, stop!"

He knew that he couldn't break through the restriction of Yanshen Tianzun and get on the stage to save people, so he actually issued a law of cause and effect on the spot.

This law of cause and effect is to ask Ye Chen to stop.

Ye Chen's Qinglian avatar had already brought up the sword and came to the goddess, and stabbed the goddess' heart with a sword.

However, this sword seems to be blocked by an invisible wall of air, and it cannot be pierced no matter what.

This is the limitation of the law of causality!

Seeing that the sword couldn't go down, Ye Chen turned his mind and urged Qinglian's avatar, abandoning the sword to change punches, and punched Tiannu with one punch.

Cunjin, open the sky!

This punch is extremely powerful, demonstrating the ultimate martial ancestor's Taoism, even the air wall of the law of cause and effect is enough to blast through.

As long as this punch hits Tiannv, Ye Chen has the confidence to directly blow Tiannv up!

Seeing Ye Chen being so fierce and vowing to kill the goddess, everyone in the audience was shocked.

Everyone knows that Ye Chen and Tiannv were in love back then.

No one expected that the two of them would come to this point, what a twist of fate.

laugh!

Seeing that Ye Chen's avatar was about to punch the heavenly girl, but at this moment, a bone spur shot from the distant sky, and shot at Ye Chen's body with the speed of thunder and lightning.

Around the arena, there is a restriction set by Yanshen Tianzun, and no external force can break through the restriction.

However, this bone spur, with a brutal and domineering force, forcibly tore through the prohibition and protection of the rock god Tianzun, and shot directly at Ye Chen.

"Um?"

Ye Chen's face changed wildly, and the bone spur shot suddenly made him feel extremely dangerous.

If he insisted on killing the goddess and didn't defend himself, then his own body would be pierced and killed.

In a crisis, Ye Chen had no choice but to mobilize his avatar, punch backhand, and hit the bone spur from the air.

boom!

The bone spurs burst and turned into bone scum, flying all over the sky.

Then, another bone spear shot from the air, but instead of attacking Ye Chen, it flew down to the side of the goddess, and inserted into the floor of the ring, forming a bone spear guard formation, protecting the goddess in it.

Click!

In the sky, an amazing mutation was born.

I saw that the originally blue sky turned into the white of bones, the sky was solidifying, and countless bones were born, making crackling noises.

In the blink of an eye, the sky completely turned into bones, as if it had become a cover made of bones, covering the ruined land of the sword god, the wind howled, and there was a strange and gloomy singing sound in the wind, as if some ancient demon god was about to revive .

Immediately afterwards, from the bone dome, a bone ladder extended to the earth.

A man in commoner clothes, with a muscular body and perfect muscle lines like a sculpture, walked down the skeleton ladder step by step.

It turned out to be the bone emperor.

Behind Gu Tiandi followed another beautiful woman, her eyes were lowered, her face was always haunted by a trace of melancholy, her identity was unknown.

"Emperor Gu, you are finally here!"

"If you don't come again, the goddess will die."

Feng Yuanlan was overjoyed when he saw the Emperor Gu came.

With his strength, it is absolutely impossible to confront the Rock God Tianzun.

But Gu Tiandi is one of the five Great Heavenly Emperors of the Ancient Star Sect, a powerhouse at the level of the Heavenly Emperor Lord God, and he is qualified to fight against the Rock God Tianzun.

The audience in the audience were terrified when they saw the Heavenly Emperor Bone descending. They could only feel the boundless and vast aura.

Many strong men in the reincarnation camp are already on full alert.

"Don't worry, with me here, Tiannv girl can't die."

Emperor Gutian smiled lightly, with a calm and confident tone in his tone.

"Mother!"

At this moment, a sudden and sharp call sounded.

I saw Linghua, the ice god dancer, looking at the beautiful woman behind Emperor Gutian in horror, screaming, unable to keep calm.

That beautiful woman, with fair skin, looks somewhat similar to her.

To be precise, it was Linghua, the ice god dancer, who was similar in appearance to that beautiful woman.

Because that beautiful woman is her mother!

Hearing the call of Ice God Wu Linghua, the eyes of all the people in the audience also focused on the beautiful woman, and everyone showed a look of surprise and astonishment.

Ice God Wu Linghua was born in the Heavenly Emperor family. Her mother was the ruler of the Heavenly Emperor family and the head of the five Heavenly Emperors of the Ancient Star Sect. It can be said that she is the head of the Ancient Star Sect. Her name is Wuyue and her title is Wu Tiandi.

Could it be that that beautiful woman is the legendary master of the ancient star gate, Wu Tiandi Wu Yue?

When Emperor Wutian ruled the heavens, even the Nine Gods hadn't been born yet.

The legendary Wutian Emperor is also one of the founders of the Heavenly Emperor's Ancestral Court.

After passing through the end of the Dharma Era, Emperor Wutian's vitality was seriously injured, and he retired to the background with peace of mind, raised children, and handed over the daily affairs of the ancient star gate to the other four heavenly emperors.

But no matter what, she is the sect master of the ancient star gate, and her status is naturally extremely respected.

However, at this time, she stood behind Gu Tiandi, her aura was very weak, she couldn't compare with the domineering Gu Tiandi at all, she looked like a servant, how could she have the majesty of the sect master?

Wu Tiandi heard Wu Linghua's call, his body trembled, and he glanced at her with beautiful eyes, but then he looked away, as if he had a thousand grievances and helplessness, and he couldn't express it.

Wu Linghua felt pain in his heart, knowing that his mother must have suffered countless grievances and tribulations after retreating behind the scenes, behind the scenes, and she no longer had the majesty and glory of the past.

"My lady, it's a pleasure to meet you."

Gu Tiandi came down with Wu Tiandi, and saluted the goddess with a smile, his attitude was very polite.

"Are you here to save me?"

asked the goddess.

Emperor Gutian said: "Exactly."

The celestial girl said disheartenedly: "No need, I've already lost the battle, and the only thing I can do today is die."

Emperor Gu Tian smiled and said: "Victory or defeat is a common matter in military affairs. You don't have to worry about it too much. You are a person of great luck. There are many futures in the future. Wouldn't it be a pity if you die here?"

Listening to Emperor Gu's words, Tiannv's heart trembled slightly, but then she shook her head and said:

"Forget it, I don't want to be inferior to others and go to Wuwu time and space. If I throw myself into the darkness and let others manipulate me, then I might as well kill me."

Gu Tiandi said: "Miss Tiannv, you are a great master, a big man, so naturally we dare not order you."

Chapter 9463

"My ancient star gate has already reached a cooperation with the Reaper's Cult and is an ally of each other. Now I want to invite you to join. In the future, everyone will be friends and sit on an equal footing. There is no relationship between who orders whom."

"In Wu Wu time and space, the reincarnation camp is too powerful, we need your help."

The celestial girl laughed at herself and said, "Thank you for your favor, but I'm just a lower god, and I deserve your attention?"

Gu Tiandi shook his head and said: "Miss Tiannv, don't underestimate yourself, you are a lower god today, but it is not impossible for you to ascend to the sky tomorrow and become the main god of the Emperor of Heaven."

"Ren Feifei can do it, but you are also from the Ren family, why can't you?"

When Tiannv heard about Ren Feifei mentioned by Emperor Bone, her heart was burning. She thought that after going to Wuwu Time and Space, no matter what the situation was, it would be a good thing to at least see Ren Feifei again, so she wanted to agree immediately.

"Emperor Gu, do you think I don't exist?"

At this moment, Yanshen Tianzun spoke coldly, with a thought, the earth shook violently, and a golden light broke through the ground and rushed straight into Xiaoyu, completely crushing the bony sky and

restoring the sky to its original appearance , the shattered white bones fell down like a grand rain of bones, and the picture was extremely spectacular.

He is the referee and notary, so naturally he can't let anyone disturb this decisive battle.

"Yan Shen Tianzun, why are you so violent?"

Gu Tiandi smiled slightly, although his expression was peaceful, but the bones in his hands exploded, turning into a bone spear, with a fighting posture.

Yanshen Tianzun folded his arms and said: "Get out of here immediately, it's best not to force me to do it."

Emperor Gutian smiled and said: "Tianzun Yanshen, you'd better see clearly, besides me, Lord Wuyue is the one who descended this time." His voice was threatening.

Yanshen Tianzun's face darkened, and he looked at Wu Tiandi with a trace of fear in his eyes.

If it's just a Bone Heaven Emperor, he can deal with it.

However, with the addition of Wutiandi, the situation became more difficult.

In order to take away the celestial girl, two celestial emperors descended from the ancient star gate, which was unexpected by the rock god celestial being.

You must know that due to the restrictions of the laws of reality, even if the Lord God of Heaven descends, his cultivation will be limited to the level of the Divine Dao. The decline is so severe that ordinary Heavenly Emperors cannot accept it.

But now, the ancient star gate is willing to bear it, just to save the heavenly girl.

"I promised the Lord of Reincarnation to guard this battle. If you dare to make trouble, I will kill you!"

After thinking for a short while, Tianzun Yanshen's gaze became sharp and decisive. With a wave of his hand, the golden rock and soil breath gathered, turning into a golden rock knife, and slashed towards Emperor Gu Tiandi through the air.

Seeing Yanshen Tianzun make a move, everyone in the audience was shocked and commotion, and they all stood up to watch.

You must know that Yanshen Tianzun is the strongest of the Nine Gods, and his martial arts skills are naturally all-powerful. It is rare luck to have the opportunity to observe him in a lifetime.

When everyone saw the Yanshen Tianzun make a move, his movements were indeed crisp and neat, and the audacity was as simple as it was, even with a single swiped knife, it had the courage to destroy the starry sky and cut across the heavens, which was shocking.

Gu Tiandi's smile froze immediately, he didn't expect Yanshen Tianzun to be so decisive, he would do it as soon as he said it.

Fortunately, he was also well prepared, so he straightened out his bone spear, and with a bang, he blocked the sword of the Rock God Tianzun.

Yanshen Tianzun is powerful, and has lived in the real world for a long time. He is blessed by the luck of heaven and earth, and his power is overbearing.

Gu Tiandi only felt his tiger's mouth go numb, and his bones ached from the shock of the rock god Tianzun's power.

"Master Wuyue, quickly take away the Tiannv girl!"

"It's time to hand over the authority of the ice god of your Heavenly Emperor family to her!"

Bone Heaven Emperor shouted, while waving the Bone Spear, stabbing at the Rock God Tianzun, which meant restraint.

Wu Tiandi heard the words, immediately flew to the ring, hugged Tiannv, concluded an ice ladder, and was about to take Tiannv to the sky and leave.

"You want me to be an ice god?"

The goddess was a little surprised and asked Wutiandi.

Emperor Wutian hesitated for a moment, then looked at Wu Linghua in the distance again, a trace of helplessness and sorrow flashed under his eyes, and finally said a word softly: "Yes."

The goddess nodded and said, "That's very good, thank you very much."

She knew that the source of the Ice God's authority was not in the Ice God Wu Linghua, but in the Heavenly Emperor's family.

Wu Linghua was born in the Heavenly Emperor's family. Her family was initially illuminated by the reincarnation of the Heavenly Emperor's star, and received great blessings. The bloodline transformed. At least one Heavenly Emperor can be born in each era, so she dares to call it the Heavenly Emperor's family. family.

Wu Linghua was able to become the God of Ice in the first place, mainly because her family recommended her to ascend to heaven and proclaim herself emperor, otherwise, she would not be qualified to become the main god.

Now Emperor Wutian himself said that if he wanted Tiannv to be the God of Ice, he would be abandoning his own daughter.

The goddess knew that there must be a very tragic cause and effect behind this.

But no matter what, it is a great thing for her to become an ice god.

The life and death sufferings of others have nothing to do with her, she only wants to become stronger.

Wu Linghua heard everything, as if struck by lightning, his body trembled violently, and he murmured, "Mother, are you going to abandon me?"

Wu Tiandi didn't dare to look directly into his daughter's eyes. He just hugged Tiannv, climbed up the ladder, and walked towards the end of the sky.

Yanshen Tianzun was pinned down by the Gutian Emperor and couldn't get away, saying:

"Emperor Gu, you are under my nose, disrupting this battle, insisting on taking away the goddess, you are my enemy, are you sure?"

Chapter 9464

Emperor Gutian sighed, and said: "Yan Shen Tianzun, I, the Ancient Star Sect and the Death God Cult, do not want to be enemies with you, but we can't watch the goddess die, I'm sorry."

Yanshen Tianzun nodded and said: "Very well, the Lord of Reincarnation wanted to invite me to join, but I didn't agree."

"But if you insist on doing this today, then I have no choice but to join the reincarnation camp. From now on, everyone is an enemy rather than a friend."

After all, Yanshen Tianzun took two steps back and did not fight again.

Because he knew that it would be useless to continue fighting.

If he tried his best, he could kill Emperor Gu, but he couldn't stop Emperor Wu and take away the goddess.

But if Emperor Gu Tiandi was killed, he could be resurrected, so killing him was of little significance.

"excuse me."

Seeing that the rock god Tianzun had stopped fighting, Emperor Gutian had a complicated expression on his face.

He knew that in order to save the goddess today, he had completely offended the rock god Tianzun.

However, he must not see the goddess die. In the future, there will be many layouts in the ancient star gate, and the goddess will be needed.

The Gutian Emperor bowed deeply to the Rock God Tianzun, then turned around and stepped on the sky to leave.

Seeing this, Feng Yuanlan followed suit.

He is the lighthouse, and the purpose of coming here today is mainly to fear that Emperor Gu Tiandi will be killed and find no way to go back to Wuwu Time and Space. He can provide the illumination and direction of the lighthouse.

But Yanshen Tianzun stopped fighting, which saved him a lot of trouble.

Soon, Emperor Gu, Emperor Wu, Tiannv, and Feng Yuanlan all disappeared at the end of the sky and went to Wuwu time and space.

All the audience in the audience looked at each other in blank dismay when they saw that the goddess was taken away and entered Wuwu Time and Space.

No one expected that the decisive battle between Ye Chen and Tiannv would end like this.

There is no doubt that Ye Chen won. With a body in the Profound Sky Realm, he showed the strength enough to fight against the gods, which is shocking.

However, Tiannv is also very lucky, she was able to save her life, and even got the favor of the ancient star gate and the death religion.

The people in the Tiannv camp were also agitated when they saw the Tiannv being taken away.

With the goddess absent and without a backbone, they didn't know what to do, so they turned their attention to Kazama Meng.

Kazama Meng is a person who has recently turned to Tiannv. The people in the Tiannv camp do not know her identity, only know that she is a strong man from no time and space.

Now that the goddess is gone, everyone has no idea and is waiting for Meng Kazama to make a decision.

Kazama Meng witnessed the Tiannv being taken away the whole time, and she never said a word, her expression was a little cold, and she didn't know what she was planning.

"let's go."

In the end, Kazama Meng lightly waved her hand, and took everyone from the Tiannv camp to leave this place.

The people in the reincarnation camp didn't stop him, because their attention was all on Ye Chen.

Ye Chen had just cut his own soul in order to kill the corpse insects, and was seriously injured. Everyone hurriedly rushed to the ring to check on Ye Chen's situation.

"I'm fine, don't worry."

Ye Chen smiled and waved his hands, signaling to everyone not to worry.

Although his soul was seriously injured, at least he was still alive.

As long as he doesn't die, relying on the strength of his reincarnation bloodline, he can recover slowly in the future.

"This Qingniu Ancient Venerable is really abominable, tomb owner, when you go to Wuwu Time and Space in the future, you must kill him!"

Emperor Beiming said angrily.

"It's natural."

Ye Chen nodded, he was almost killed by Qingniu Guzun today, this hatred will still be avenged in the future.

Yanshen Tianzun walked to Ye Chen's side and sighed: "Sorry, Lord of Reincarnation, I still let outsiders disturb you."

Ye Chen smiled and said: "It's okay, Yanshen Tianzun, thank you this time, otherwise the bone emperor's arrival would not only be as simple as taking away the goddess, but I'm afraid he would also want to attack me."

Yanshen Tianzun said: "No matter what, it is my responsibility that the heavenly girl was taken away this time. From now on, I will submit to your reincarnation camp and obey your orders. I will make amends for you."

When Ye Chen heard that Yanshen Tianzun was willing to join, he was overjoyed, and said: "Yanshen Tianzun, I dare not send you. We will become allies in the future, and we will discuss things together."

Although Tiannv was taken away, Ye Chen was a blessing in disguise when he got the Rock God Tianzun to join him.

The battle is over, this matter is over.

The goddess was taken away, and Ye Chen may face threats when he goes to Nowhere in the future.

But at least, in the real world, the threat of the goddess has been completely removed, and Ye Chen has no strong enemy, so it is naturally much easier.

However, in this battle, Ye Chen's vitality was seriously injured, and the consumption was too serious. Moreover, he cut his own soul, and the soul trauma was also very serious, and it took time to repair.

Yanshen Tianzun, Yin Suzhen, Luo Qingli, Wu Linghua, Qingyan, Ye Xieshen, Wu Yao and others brought Ye Chen back to the Star-Moon Realm to recuperate.

Tianzun Daode, Daoist Chongyang, Ancient Emperor Yuhuang and others also left separately.

Daode Tianzun's face was very ugly, he did not expect that Ye Chen really won this decisive battle.

Even though the celestial maiden slashed her emotions to prove the Tao, and used the power of Emperor Yan's seal and the tailed beast, she still lost to Ye Chen.

It can only be said that Ye Chen is too powerful, too powerful, too invincible, enough to rebel against the true god.

Daode Tianzun is deeply worried, he is afraid that the fire will be taken away by Ye Chen, and he will die himself.

As for the Ancient Emperor Yuhuang, his heart was filled with fear and anxiety.

In the past, he was high above and could look down on Ye Chen.

But now, the situation is completely reversed.

Ye Chen has been promoted to the peak of the ninth level of the Profound Sky Realm, and he already has the qualifications to crush the Ancient Emperor Yuhuang.

"I must become a god, I must become a god, or I will die!"

Under the threat of life and death, Emperor Yuhuang had a voice roaring in his heart.

He had to become a god, otherwise he would definitely be killed by Ye Chen.

Moreover, he had to ascend to the sky and become a god before Ye Chen was promoted to the Boundless Realm.

Otherwise, when Ye Chen crosses the catastrophe and is promoted, even if he becomes a god, he may not be able to resist.

...

The Star-Moon Realm, the World-Proud Heavenly Palace.

A day has passed, and Ye Chen spent a very pleasant night in the bedroom.

In the early morning, he opened his eyes, and there were several women sleeping beside him, namely Yin Suzhen, the God of Thunder, Wu Linghua, the God of Ice God, and Luo Qingli, the God of Water, and they were all naked.

Just last night, Ye Chen already had a deep-seated relationship with them.

Now Ye Chen's cultivation has reached the peak of the ninth level of the Profound Sky Realm, and with the great opportunities before, his reincarnation bloodline is already very strong, he is not afraid of karmic contamination, and can provide shelter for others.

Therefore, he is happy with Yin Suzhen, Wu Linghua, Luo Qingli and others, and the two sides are in harmony with each other, there are only advantages and no disadvantages.

Even for the reincarnation camp.

Last night's wonderful fusion of soul and body made Ye Chen recover a lot of the vitality that was consumed in the decisive battle. The severely injured soul is no longer in so much pain and is recovering steadily.

Chapter 9465

Ye Chen estimated that in ten days at most, he would be able to fully recover.

"When my body recovers, I will launch an impact on the limitless realm!"

Ye Chen thought to himself, if he could advance to the Infinite Realm, he would be an invincible existence in the real world, and even gods could be killed.

The morning sun shone in through the window, and the three girls Yin Suzhen, Wu Linghua, and Luo Qingli all woke up.

They got up lazily, and the sun shone on their faces, revealing a thrilling beauty.

Yin Suzhen's expression was indifferent, she had already guessed in her heart.

Luo Qingli looked shy, and her cultivation seemed to have improved again this time.

But Wu Linghua's eye circles were red, and he was about to cry, his brows were filled with worry.

Ye Chen knew that she was afraid of being deprived of the ice god's authority and being abandoned by the family, so she was heartbroken.

Faintly, Ye Chen glimpsed the future, knowing that in the future, Tiannv will become the new ice god, and Wu Linghua will be abandoned.

"Miss Ling Hua, no matter what your future holds, I will never give up on you." "You are part of my reincarnation camp for a day, and you will always be part of the reincarnation camp."

Ye Chen stroked Wu Linghua's hair lightly, and said softly.

"Um."

Wu Linghua nodded slightly, his eyes still full of sadness.

Ye Chen knew what it was like to be abandoned, and it never felt good, so he hugged her gently.

Yin Suzhen and Luo Qingli also approached and hugged each other.

Then Ye Chen stopped practicing and walked out of the room. He knew that the little grass god Qingyan was waiting outside the room, and seemed to have something to say.

Ye Chen walked outside the room, and sure enough, he saw Qingyan, the little grass god, standing awkwardly under a big tree.

Seeing Ye Chen coming out, the little grass god Qingyan stepped forward and called out, "Brother Ye Chen."

"Sister Qingyan, what do you want to tell me?"

Ye Chen rubbed her head with a smile and asked.

Qingyan, the God of Grass, stirred her belly with her fingers, looking a little uneasy, and said, "Brother Ye Chen, although I know it's bad to disturb your healing, there is one thing I must tell you."

"This matter is very important, and I even foresee some bad things."

Ye Chen didn't expect her to have such a serious tone, his eyes narrowed, and he said seriously: "Say it."

The little grass god Qingyan said: "Brother Yechen, do you still remember Miss Qingling?"

A shadow instantly appeared in Ye Chen's mind, he smiled slightly, and said, "I remember."

Qingyan, the God of Grass, said: "Well...Actually, in fact, when I brought Miss Qingling back to Wuwu Time and Space, it didn't go well when I met her brother."

Ye Chen said: "Oh? Is someone stopping you?"

Qingyan, the God of Grass, hurriedly said: "That's not true, it's just... It's just that her brother, Antiandi, seems unwilling to forgive you. You took away the magic eye of death, which made Antiandi very annoyed. It can't be calmed down either."

Ye Chen frowned, and said: "Sure enough... I knew that the Antian Emperor couldn't let me go easily, does he want to get angry?"

Qingyan, God of Grass, said: "He said to save me face, he won't kill you, as long as you can return the Demon Eye of Death within ten days."

"Calculate the time, today is the last day, do you want to return the Demon Eye of Death to him?"

"If you are willing to return it, he will let the past go. If you are not willing, he said he will not let you go."

Ye Chen said: "Ask me to return the Devil's Eye of Death? This is impossible. This eye has already merged with me. If I return it, I will go blind."

"What's more, this Devil's Eye of Death is spiritual. Since it has merged with me, then this eye has recognized me."

Back then, after the Kazama family got the Demon Eye of Death, they were still unable to control it.

But as soon as Ye Chen came into contact with it, he could refine and control it immediately.

It can be seen that he is the owner recognized by the Devil's Eye, although this kind of recognition makes Ye Chen feel a little strange.

After all, getting the approval of Emperor Huntian doesn't seem like a good thing no matter how you look at it.

But no matter what, what is certain is that the owner of the Devil's Eye is Ye Chen, not Fujian Chuuxue.

Therefore, it is naturally impossible for Ye Chen to give away this eye.

The little grass god Qingyan worried: "Brother Yechen, if you refuse to return it, then the Antian Emperor will definitely not let you go."

Ye Chen smiled freely and said: "It's okay, this is the real world after all, there are rules and restrictions, even if the Antian Emperor is angry, I have no fear."

Qingyan, the God of Grass, said: "Okay then, be careful, I will stay here with you during this time, in case of accidents."

Ye Chen said: "Okay."

After the discussion, Qingyan, the God of Grass, stayed in the room next to Ye Chen.

At the same time, there is no time and space, and the hidden snow world is filled with a dark atmosphere, which is quite depressing.

This snow-hidden world is exactly the space-time world where the Kazama family lives in seclusion.

On the top of the mountains, Emperor Antian was blowing snow in the wind, sitting on a small pavilion on the top of the mountain, making tea and enjoying the snow.

At this time, two servants came from the foot of the mountain, with reverence and fear on their faces, they stood beside Feng Jian Chuuxue with their hands down.

"Miss still refuses to eat?"

Kazama Chuuxue frowned slightly and asked.

No time and space is full of darkness and chaos. Therefore, most people who have no time and space need to maintain regular diet and sleep in order to relieve the wear and tear of darkness and chaos.

Only by reaching the realm of the Lord God, can one fight against the darkness without relying on any external things.

However, his younger sister Kazama Qingling hasn't eaten since she came back.

Chapter 9466

Kazama Qingling's move made Kazama Fubuxue, an elder brother, very worried.

A servant said: "Miss seems to be confused by the Lord of Reincarnation, Master, if you refuse to forgive the Lord of Reincarnation, Miss will probably be sullen all the time."

When Kazama Fubuki heard the words Lord of Reincarnation, a cold murderous intent flashed in his eyes, he snorted, and said, "The Lord of Reincarnation took away the treasure of my Kazama family, and he refused to return it, so what should I do?" Can you forgive him?"

The servant hesitated for a moment, and said, "Master Patriarch, do you want to send someone to the real world to kill the Lord of Reincarnation and snatch back the Demon Eye of Death?"

"Once the lord of reincarnation dies, I think Miss will be able to get rid of the confusion and know who is the person she should really be close to."

Feng Jian Chuuxue waved his hands and said: "Don't act rashly, the Lord of Reincarnation is a person with great luck, not so easy to kill, and he just defeated the goddess, and his momentum is full, sending someone to assassinate him is just to die. "

Then he said: "Then what should I do?"

Kazama Chuuxue murmured as she tapped her fingers on the table, suddenly, there was nothing she could do.

He did have a few cards in his hole, and if he used them, he might be able to suppress Ye Chen.

However, the Kazama family also has many enemies in Wuwu time and space. These hole cards should be kept for backup. Once they are used on Ye Chen and the enemies take advantage of them, the gain will not be worth the loss.

"Report!"

While Fengjian Chuuxue was thinking hard, suddenly another disciple came up the mountain to report:

"Master Patriarch, Meng Tiancan is asking to see you, Guardian of the Death God Sect."

Hearing this, Fengjian Fuxue was a little surprised, and said, "The black sun is here?"

There are twelve guardians in the Death God Order, the last six are ordinary characters, not worth mentioning, but the first six are famous and each has its own strength.

The code names of the first six guardians are: Witch, Lighthouse, Hourglass, Black Sun, Red Moon, and Twilight Giant.

The Meng Tiancan mentioned by this disciple is the fourth protector of the Death God Sect, code-named Black Sun. According to legend, he is a powerful demon born from the shadow of the scorching sun and star, and he is also a capable general under the command of the Supreme Apocalypse.

"Let him in."

Blowing snow in the wind.

"yes."

The disciple bowed respectfully and retreated, and after a while, he brought a burly middle-aged man over.

The middle-aged man had a majestic appearance, his facial features were as clear as a knife and an axe, and there was a black halo behind his head, which looked like a black sun, and his appearance was quite strange.

Kazama Chuuxue knew that this middle-aged man was none other than "Black Sun" Meng Tiancan, who did not belong to the human race, but belonged to the Scorching Sun Demon Clan, and was the supreme powerhouse of the Scorching Sun Demon Clan.

The so-called scorching sun demon clan was originally a race of demon gods born under the shadow of the scorching sun star. They feared the sun and were full of hatred for the scorching sun. They always wanted to kill reincarnation and let the scorching sun star be completely extinguished.

There is a special skill in the Lieyang Demon Clan, which is created by referring to the Lieyang Fate Star. It is called the Lieyang Demon Star, and its appearance is a round of black sun.

In today's world, it is this Meng Tiancan who has the strongest cultivation of the scorching sun magic star.

"Emperor Dark Sky, long time no see."

With a smile on his face, Meng Tiancan strode forward and sat in front of Feng Jian Chuuxue.

"Guardian Meng, please stay safe. Congratulations to your Death Sect, you have finally taken the goddess under your command. She is Ren Feifan's clan sister, and has the potential to become a super-grade emperor. Once your Death Sect trains her to become a super-grade Heavenly Emperor, that is really a heaven-defying merit, unimaginable."

Fubuki Kazama cupped her fists and congratulated her.

In fact, Ren Tiannv, a person from the lower realm, was favored by the Death Cult mainly because of Ren Feifei.

Ren Feifei is too invincible. Countless gods peek into the future and discover that the future Ren Feifei may even break through the limit of the ninth-rank emperor and become a super-rank emperor.

You must know that in the history of history, there are only two super-grade emperors born in the world, that is, Yuan Tiandi and Hun Tiandi.

But Ren Feifei may become the third person!

Tiannv and Ren Feihua are from the same family, and are even qualified to compete for the fate of the Ren family, so she has long been favored by many forces.

However, the only ones who dare to spend a lot of money to invite the celestial maiden to ascend to heaven are the Death God Cult and the Ancient Star Sect.

Hearing Feng Jian Chuuxue's congratulations, Meng Tiancan shook his head with a wry smile, and said, "The goddess is not submitting to my Death Cult, she just joins in, both sides are on equal footing, she is a lower god, and her status is even higher than mine. , it's really unreasonable."

There was something flickering in Feng Jian Fuxue's eyes, and said: "Although she is only a low-ranking god now, she may become a super-grade emperor in the future. This is the picture that countless gods deduced the secrets and peeped into the future. I think there is nothing wrong with it."

Meng Tiancan sighed: "From the lower god to the super-grade emperor, how far is the distance, the dark emperor, I think you also know, and this decisive battle, the goddess lost, the future will change, she can't have such a big achievement again ."

After a pause, he shook his head again and said, "Forget it, don't talk about this, Emperor Antian, I'll just cut to the chase. I know you want to kill the Lord of Reincarnation and get back the Demon Eye of Death. I'm here to help you."

Fengjian Chuuxue's heart moved, and said: "Oh, do you have a way to destroy reincarnation?"

Meng Tiancan said: "The boy who is the Lord of Reincarnation has great luck. Any conspiracy against him will fail. If you attack him directly, it will not have any effect."

Chapter 9467

A gleam of coldness flashed across Fengjian Chuixue's eyes, and he said, "What about the people around him?"

Meng Tiancan shook his head and said: "No way, Emperor Yuantian has promised to protect the reincarnation camp for half a year. During this half year, no one can harm people in the reincarnation camp. Otherwise, offending Emperor Yuantian will only lead to death."

Feng Jian Fuxue frowned, and said: "Then what do you think?"

Meng Tiancan said: "Actually, our Reaper's Cult has deployed in the real world a long time ago. We want the dark source quality without time and space to pour into the real world, submerge the fire, and let the fire go out."

Kazama Chuixue said: "Speaking of which, why did you extinguish the fire?"

A light flashed in Meng Tiancan's eyes, and he said calmly: "I don't know, this is the will of Lord Haiwang Mozun, and we, the Reaper Cult, just follow orders."

"In short, extinguishing the fire has always been one of the big plans of our Reaper's Cult."

"It's a pity that the real world is guarded by the Zihuang Immortal Palace, and the Daode Tianzun guards the fire. Our Death Sect has tried to corrupt it many times, but it has failed."

Fubuki Kazama frowned and said: "What does this have to do with the extermination of reincarnation? Even if the fire is extinguished and the real world collapses, with the strength of the Lord of Reincarnation, he can enter Wuwu Time and Space at any time without being implicated in any way."

Ye Chen's strength is extremely powerful, as long as he wants, he can sneak into Wuwu time and space at any time.

Even without smuggling, Ren Feifan, Buddha, Ye Xieshen and others can also bring him up. Although Ye Chen may not be able to gain a firm foothold in the infinite time and space without experiencing catastrophe, at least he will not be destroyed by reality. Influence.

Meng Tiancan said: "Hey, Emperor Antian, think about it, the real world is the home of the Lord of Reincarnation, he is a person who values love and righteousness, how could he bear to see his home destroyed?"

"As long as the fire is in danger of being extinguished, he will fight to the death to save it, but how easy is it to fight against the darkness of nothingness?"

"If he insists on resisting, there is only one dead end!"

Kazama Fubuki's eyes lit up, thinking that it was indeed so.

Darkness is the background color of time and space. Once this dark energy pours into the real world, it will cause a terrible catastrophe, which may lead to the destruction of the entire real world.

In fact, in the past era, the real world has been destroyed many times, but the fire has never been extinguished, and the new world has been reborn from the ashes of the old world until today.

But today, the barriers of the real world and the limitless time and space have been greatly weakened. It won't be long, at most a hundred years, the darkness without time and space will pour into the real world like a tide, causing a terrible catastrophe of destruction , just like the last days of the past.

What Meng Tiancan wants now is to let this dark cataclysm come ahead of time.

Moreover, it is for tinder!

Once the fire is extinguished, the real world will no longer have the possibility of rebirth, and will be shrouded in darkness forever, becoming a part of the infinite time and space.

Kazama Chuuxue said: "You Death Religion, do you want the darkness to come before the cataclysm?"

Meng Tiancan said: "Yes, our Reaper's Cult has a formation that can mobilize part of the energy of the dark cataclysm. Although it is not much, it is enough to threaten the fire."

"It's just that the spiritual energy required to activate this large formation is really huge."

"Emperor Antian, if you want to activate the formation, I'm afraid you will need to donate a few drops of the Emperor's blood."

When Fengjian Chuixue heard that Meng Tiancan had finally revealed his purpose, which was to want his Heavenly Emperor's blood essence, his face darkened.

He tapped his fingers on the table, secretly calculating good and bad luck, spying on the secrets, and found that Meng Tiancan's words were sincere and did not intend to harm him. He really wanted to join forces to deal with Ye Chen. He nodded slightly at the moment, and felt much more at ease.

Meng Tiancan noticed Fengjian Chuuxue's peeping, and hurriedly said: "Emperor Antian, don't worry, our Death Sect will never lie to you. It is sincere cooperation with you."

Fengjian Chuixue said: "The number one person in the way of the sword is the former Emperor Jiantian, not me. My sword heart is not pure enough, and I have many obsessions and foolishness..."

"

"Oh, forget it, let's not talk about this."

"My sword, even I can't penetrate it."

"The blood essence of the Emperor of Heaven you want, tomorrow I will send people to the Death God Cult, I only hope that you can really start the dark cataclysm and extinguish the fire."

"I would like to see whether the Lord of Reincarnation wants to save the fire, or abandon reality and step into nothingness."

When Meng Tiancan heard that Feng Jian Chuuxue agreed, he was overjoyed immediately, cupped his hands and said, "Thank you, Emperor Antian, just wait and watch the show, hehe..."

...

The Supreme World, a place shrouded in darkness.

There is a condensed flame of fantasy here.

A few men with murderous eyes filled with powerful auras were sitting cross-legged.

Their eyes flashed with ancient runes, as if they were searching for something.

Suddenly, a man opened his eyes!

If Ye Chen is here, he will definitely recognize him, he is Nan Zheng who is absolutely godless!

Nan Zheng glanced at the crowd, exhaled, and said lightly: "Mu Lingxi's general whereabouts have been determined, but it seems to be covered by some kind of power. I can be sure that Mu Lingxi's current situation is extremely bad."

"Also, I roughly know who the guy who rescued Mu Lingxi last time is. This person has a very special identity and is difficult to deal with."

"Fortunately, he seems to have experienced a big battle, and now he is injured, which is when he is the weakest."

"The suppression of us in the real world is a little weaker, maybe we should also thank the Antian Emperor and the others..."

"Let the cataclysm come quickly, so that the suppression of reality on us will be weaker, and then that kid and Mu Lingxi will die!"

...

In the Supreme World, in the Star-Moon Realm.

Ye Chen's injury hadn't healed yet, he was intoxicated in the gentleness, and slowly healed his injury.

But the injury of self-defeating soul, how can it be so easy to repair?

It is very difficult to restore the peak state in a short time.

However, behind the repair of the injury, he faintly caught a hint of crisis, as if some catastrophe was about to strike.

"What kind of crisis is it? Could it be Sanwei? Or Emperor Antian?"

Ye Chen frowned slightly, trying to deduce the secret behind it, but for a while, he couldn't see the result.

At this moment, Ye Chen accidentally caught a trace of cause and effect.

This cause and effect has little to do with the catastrophe, but a girl named Mu Lingxi.

Not long ago, in the real world, Ye Chen accidentally saved a girl named Mu Lingxi from Jue Shen Ji, a force without time and space.

Although he doesn't know why Mu Lingxi escaped to the real world from no time and space, he always feels that there is a game of chess hidden here.

This game of chess may not be dangerous to me now.

But if you don't deal with it, it will definitely be a trouble.

Chapter 9468

Later, Ye Chen quickly forgot about Mu Lingxi because he had to prepare for the Tiannv battle and many things, but now he has caught a trace of cause and effect in the Star-Moon Realm.

I'm afraid that if she doesn't move again, the already injured Mu Lingxi will become a dead bone.

But now his injury has not been repaired, if someone lays a dark hand to wait for him, it will be troublesome.

It is only safe to return to the peak.

At present, as long as he is at his peak state, looking at the entire real world, the only person who can threaten him is Sanwei.

Whether it is Daode Tianzun or Yuhuang Gudi, they can no longer pose a threat to Ye Chen before they become gods or before their special hole cards are exposed.

Only the mysterious three tails can make Ye Chen feel in danger.

Apart from Sanwei, the only force that can threaten Ye Chen's life and death is Wuwu Time and Space.

Ye Chen guessed that the cause and effect of the catastrophe was the Antian Emperor. After all, he took the magic eye of death, and the Antian Emperor would definitely not let it go.

As for Sanwei, Ye Chen had sent Ye Mu Feng Yuying to investigate.

With the identity of Sanwei, Ye Chen wanted to know why she took refuge in Tiannv.

There is also the power of the Tiannv camp, Ye Chen also sent people to suppress it, it is necessary to cut the weeds and root them out.

After a day like this, the sense of crisis in Ye Chen's heart became more and more intense, and a mysterious scene appeared in the outside world.

Ye Chen glimpsed a layer of thick dark clouds covering the distant sky. It seemed that countless natural disasters were brewing in the dark clouds, which made people feel suffocated just by looking at them.

But under the dark clouds in the sky, it is the territory of Zihuang Immortal Palace.

The entire Zihuang Immortal Palace was shrouded in dark clouds, as if some natural disaster was about to descend.

That layer of dark clouds only enveloped the boundary of Zihuang Immortal Palace, and did not spread to other places.

However, when Ye Chen saw the dark cloud, he still felt inexplicably horrified, as if his throat was being strangled.

"What's going on here? That dark cloud, what a strong dark breath."

Ye Chen was in doubt.

He was in the room, and the secrets of the heavens gathered to manifest the image of the dark cloud.

I saw the mountain gate of Zihuang Immortal Palace, under the cover of dark clouds, the wind and rain were about to come, and it was gloomy. All the atmosphere of fairy light was suppressed.

The three girls Yin Suzhen, Wu Linghua, and Luo Qingli all changed expression after seeing the dark clouds.

Yin Suzhen said: "This is the dark breath that has no time and space. How could it appear in the real world? Once the darkness falls and causes a catastrophe, the consequences will be unimaginable!"

Wu Linghua stared at the dark cloud, frowned lightly, and said, "The energy of these dark breaths seems to be limited, and it's not enough to drown the reality."

Yin Suzhen flicked her fingers and said, "But it is enough to submerge Zihuang Immortal Palace and extinguish the fire."

Her eyes are clear, and there are thunder flashes in the depths of her eyes, showing purple. She has seen all the secrets of heaven clearly, and said:

"It's the Antian Emperor's conspiracy. He and the Death God Cult want to join forces to extinguish the fire and force you to take action."

At that moment, Yin Suzhen told Ye Chen the plan of Antian Emperor and Meng Tiancan in detail.

Emperor Antian and Meng Tiancan want to pour down the dark aura that has no time and space, and extinguish the fire. The plot is huge, and it is impossible to hide it.

With Yin Suzhen's method, she only needs to deduce a little bit, and she can get a glimpse of everything.

An Tiandi is very smart, knowing that Ye Chen has great luck, if he directly targets him, he will probably fail.

Therefore, he was targeting the fire, trying to extinguish the fire and force Ye Chen to take action.

If Ye Chen makes a move, what he wants to fight against is not the Emperor of Darkness, nor the Cult of Death God, but the most fundamental source of darkness in Wuwu Time and Space.

How can it be so easy to hold hands in the sky?

If Ye Chen doesn't care about it, just sit back and watch the real world be destroyed, and step into the infinite time and space by himself, his Taoist heart will definitely be contaminated with demonic barriers, and life is better than death.

It can be said that the move of Emperor Antian and the Reaper Cult directly put Ye Chen in a dilemma.

After hearing Yin Suzhen's words, Ye Chen also felt the sinister intentions of Emperor Antian and the Reaper Sect.

"It's really a good plan, this is going to drive me to a dead end!"

Ye Chen smiled. In fact, there is no time and space, and there may be a dark catastrophe that will flood the entire reality. Ren Feifei told him a long time ago, and told him to look for the Nine Gods Record to prevent accidents.

But now, the Antian Emperor and the Reaper's Cult joined forces to let the dark catastrophe come in advance, which Ye Chen did not expect.

Although this dark cataclysm is only aimed at Zihuang Immortal Palace, it is not intended to drown reality.

However, if the fire of Zihuang Immortal Palace is extinguished in the dark, the reality is still in danger of being completely destroyed.

No matter what, Ye Chen couldn't watch the fire go out!

Yin Suzhen thought for a moment, then said solemnly: "Ye Chen, you'd better recover your energy first, you've exhausted too much fighting against the goddess, and now your strength is not at its peak, it's only half of it."

Ye Chen nodded. He has not fully recovered from the damage to his soul and the exhausted vitality. There will be many crises in the future, so he must recover first.

At the moment, Ye Chen asked Yin Suzhen, Luo Qingli and others to pay attention to the changes in the outside world, while he calmed down and slowly recovered his vitality.

In the battle with the goddess, Ye Chen's martial arts has been greatly tempered, and the biggest gain is the star of the night!

The space of Hei Ye Ming Xing, which had always been quiet, fluctuated at this time, probably stimulated by the dark energy of Sanwei, Ye Chen's Hei Ye Ming Xing showed faint signs of awakening.

Chapter 9469

"Sure enough, Sanwei is the key to my awakening of Dark Life Star!"

Ye Chen was a little excited, if Heiye Mingxing awakened, he would have the qualification to rebel against the gods!

...

But when Ye Chen regained his breath adjustment and felt the wonderful cloud of fate, the atmosphere in Zihuang Immortal Palace was depressing.

The lingering dark clouds in the sky made everyone in Zihuang Immortal Palace deeply feel the danger.

In the main hall of Zihuang Immortal Palace, Daode Tianzun had a gloomy face, pacing back and forth, and many elders and guardians below looked at each other, not daring to say a word.

"Emperor Antian and the Death God Sect want to kill the Lord of Reincarnation, but they want to harm my Zihuang Immortal Palace!"

"Ye Chen, this kid, is really a disaster star!"

Daode Tianzun was furious, he had already seen the plan of Emperor Antian and Meng Tiancan, and he wanted to use his Zihuang Immortal Palace as a guide to extinguish the fire and force Ye Chen to take action.

The fire seed is the lifeblood of Daode Tianzun, he did not offend Antian Emperor, but at this moment he has to suffer a catastrophe, and his heart is filled with fire and anger.

An elder came out and said solemnly: "Now that the dark catastrophe is approaching, with my Zihuang Immortal Palace's own strength, I am afraid it will be difficult to fight against it. We must unite with other camps. I am afraid that we must first put aside our grievances with the Lord of Reincarnation and get through this together." Let's talk about difficulties."

Currently in the real world, there are only three camps standing at the top.

One is the Zihuang Immortal Palace camp, one is the Samsara camp, and the other is the Wanxu camp.

There is also Chongyang Daoist, who is half of it.

If the catastrophe of darkness comes, it will be difficult to fight against Zihuang Immortal Palace alone.

Even uniting with the Wanxu camp is difficult to fight against, and it is necessary to join forces with Ye Chen.

Daode Tianzun's face was gloomy, and he gritted his teeth and said, "I wish I could kill that kid! But you are right, if you want to fight against the dark catastrophe, you really need the help of that kid."

"After all, the other half of the Nine Gods Record is still in his hands."

To fight against the catastrophe of darkness, the Nine Gods Record is the key. It was a great artifact that announced the birth of the Nine Gods in the past. If there is a complete Nine Gods Record, it may be able to fight against the coming darkness.

The elder said: "The Nine Gods Record has been worn out over time, and it is a Tianzhao artifact after all. It is not easy to exert its power."

"Master Headmaster, I suggest you hold a joint meeting and invite the Wanxu Camp, the Samsara Camp, as well as Chongyang Daoist and Sanwei to come to my Zihuang Immortal Palace to discuss important matters."

"After all, if the fire is extinguished, the entire real world is in danger of collapse in the future, and they will not sit idly by."

Daode Tianzun thought for a while, and wanted to fight against the dark catastrophe. It really needs many forces to unite, so he said immediately: "Okay, you send me a letter of flying swords, and invite people from the reincarnation camp, Wanxu camp, etc. to come to my Zihuang Immortal Palace Call a joint meeting."

The elder hesitated for a moment, and then said: "If the Lord of Reincarnation comes to Zihuang Immortal Palace, I'm afraid he won't, so it's better to set the meeting place outside to dispel the concerns of other camps."

Daode Tianzun felt annoyed and helpless, but that was the only way to go, so he nodded and said, "Then have a meeting outside."

The elder said: "Yes!"

The discussion has been decided, and a letter of seal Feijian will be sent from Zihuang Immortal Palace and distributed to all major camps.

On the side of the Star-Moon Realm, after receiving the letter from Feijian, they presented it to Ye Chen.

At this time, Ye Chen was adjusting his breath to heal his wounds, so he was a little surprised to receive the letter from Zihuang Immortal Palace so soon.

"Tao Dao Tianzun is decisive. He is willing to let go of his grievances so quickly and invites me to hold a joint meeting."

Ye Chen smiled and looked at the contents of the letter.

Ye Chen has no objection to holding a joint meeting to fight against the darkness, after all, he doesn't want the fire to go out.

Moreover, Zihuang Immortal Palace was quite sincere, and set the location of the joint meeting outside, in the ruins of the Sword God, where Ye Chen and Tiannv had a decisive battle before.

The date of the meeting is tomorrow, and the time is quite urgent.

Ye Chen's condition has not yet returned to its peak. If he goes to the meeting tomorrow, if he encounters any accident, he may be in danger.

However, this meeting is so important, Ye Chen naturally couldn't be absent.

He must not watch the fire go out.

Ye Chen already had an idea in mind, and asked Yanshen Tianzun to protect the law, but ensured safety.

After all, in the real world, there are not many people who can rival the Rock God Tianzun.

Thinking in this way, Ye Chen spread his will and told the people in the reincarnation camp that he was going to go to the ruins of the sword god tomorrow to participate in the joint meeting.

After feeling Ye Chen's will, Yanshen Tianzun frowned slightly, and responded:

"Master of Reincarnation, you have not recovered from your injuries. You are too late to attend the joint meeting tomorrow. You need to rest now. Don't act rashly. I can go there on your behalf."

Ye Chen said: "Dark cataclysm is coming, and the fire is in danger of being extinguished. I have to go to discuss such a big matter in person. Rock God Tianzun, just protect me for me."

Yanshen Tianzun saw Ye Chen's resolute attitude and didn't try to persuade him, so he nodded and agreed.

The Wanxu Camp, Chongyang Daoist, Kazama Meng and other forces also agreed to hold a joint meeting.

Waited

Chapter 9470

It's just that today's joint meeting is to discuss the matter of countering the dark catastrophe. No matter how big the hatred is between each other, it can't break out.

At least, let's get through the immediate crisis first.

"Everyone is here."

Daode Tianzun saw that all the people from the major camps had arrived, so he said:

"I called you here today, and I think you all know the reason. The dark catastrophe is coming, and the fire is in danger of being extinguished. We must put aside our prejudices and unite with each other, so that we can fight against the dark catastrophe."

Hearing Daode Tianzun's words, Kazama Meng said calmly:

"That little dark cataclysm is just a trick of the Death God Cult. It is not difficult to break through, as long as you borrow the power of the Nine Gods Record."

"Dao De Tianzun, don't you have the Nine Gods Record in your hand?"

Daode Tianzun chuckled and said: "The Nine Gods Record in my hand is only half of it, and the other half is in the hands of the Lord of Reincarnation."

He looked at Ye Chen and said, "Lord of Reincarnation, take out the Nine Gods Record and give it to me, maybe you can solve the dark catastrophe."

Ye Chen smiled and said, "I'll leave it to you? Why didn't you leave it to me?"

Daode Tianzun said: "The catastrophe of darkness will come to my Zihuang Immortal Palace. Of course, I will do it myself to solve it."

Ye Chen said with a smile: "The Nine Gods Record is an artifact of Tianzhao, with its own spirituality. Why don't we take out our Nine Gods Record and see who will be the master of this artifact."

Daode Tianzun listened to Ye Chen's words, his face changed slightly.

Ye Chen has a great luck, a profound background, and the Nine Gods Record has a spirit. If you really want to choose a master, it must be Ye Chen.

It is naturally impossible for Daode Tianzun to give the Nine Gods Record in his hand to Ye Chen for nothing, then shook his head and said with an excuse: "Forget it, the Nine Gods Record is too worn over the years, and I am afraid that it will no longer be able to fight against the dark catastrophe. You should think about it." way."

Emperor Yuhuang smiled and said: "In fact, it is very simple to solve the dark catastrophe. I can do it, but I need your help. First help me prove the Tao and become a god. When I become a true god, I will not deal with any dark natural disasters." can be destroyed."

He thought that if he became a god, it would not be a problem to solve the dark catastrophe in a small area.

Daoist Chongyang chuckled and said, "You want us to help you become a god, it's not so early in your dream."

Emperor Yuhuang said: "Didn't I say today that we should let go of our prejudices and solve the dark natural disasters? You help me become a god, I promise you, after the catastrophe is resolved, I will directly ascend to Wuwu Time and Space, and no longer care about the real world. how?"

"As long as each of you consumes a little vitality, you can help me become a god, and it doesn't need to cost much."

Currently, Wanxu's only enemy in the real world is Ye Chen.

With Ye Chen's strength, sooner or later he will be able to go to No Time and Space.

Therefore, Emperor Yuhuang thought to himself, it would be much easier for him to ascend to the sky first, make arrangements in advance, and deal with Ye Chen in the future.

Daode Tianzun said in a deep voice: "Gudi Yuhuang, it is absolutely impossible for us to help you become a god."

Chongyang real person said: "Dao De Tianzun, you give me the fire, and I will use the power of the future body to form an array with fire, and the dark natural disaster will definitely be resolved."

Daode Tianzun's face was even more ugly, and said: "The fire seed is the foundation of my Zihuang Immortal Palace, and it cannot be lent to outsiders. I have a way to solve the dark catastrophe."

"That is, blood sacrifice to the sky."

"My Zihuang Immortal Palace has an ancient method of holy sacrifice. As long as you sacrifice to the sky, you can get the blessing of the Dao. The richer the sacrifice, the stronger the blessing power you get."

"If you have any treasure on hand, you can take it out as a sacrifice."

"Lord of Reincarnation, you seem to have so many Reincarnation Steles on your body, just take out a few pieces, and you can solve the immediate crisis."

"And you, Emperor Yuhuang, if you sacrifice your ancient emperor's bell, you can also receive the blessing of the Great Dao."

"Reverend Chongyang, it should be enough for you to sacrifice part of the power of the Heavenly Emperor's Golden Wheel."

"As for Miss Kazama Meng, you have inherited the legacy of the heavenly girl, so you must have many treasures, right?"

Hearing Daode Tianzun's words, Ye Chen, Yuhuang Gudi, Chongyang Daoist, Feng Jianmeng and others couldn't help laughing.

It is absolutely impossible for Ye Chen to sacrifice the Xuanbei of Reincarnation.

Emperor Yuhuang also smiled and said: "Tao Dao Tianzun, if you want me to sacrifice the ancient clock of the emperor, you really think of me as a fool."

The ancient clock of the emperor is the first of the three emperors' treasures, and the ancient emperor Yuhuang could not bear to sacrifice it.

Daoist Chongyang also laughed loudly, and said: "It is absolutely impossible for me to sacrifice the Golden Wheel of the Heavenly Emperor. This method is not feasible, so let's think of other methods."

Daode Tianzun said: "I only have this way, if you have other ways, just ask."

The dark natural disaster without time and space is extremely terrifying, and it cannot be resisted by human power alone. That is to say, even if you combine the cultivation power of Ye Chen, Feng Jianmeng, Daode Tianzun, Chongyang Zhenren, Yuhuang Gudi, etc., It is impossible to fight.

Because it was a cataclysmic catastrophe, like the end of the world.

If you want to fight, it is equivalent to fighting against the general trend of the world.

It is unimaginably difficult to hold the sky by hand, and it cannot be done by manpower, unless it is becoming a god.

Therefore, if you want to solve the dark catastrophe, you must think of another way.

However, in this joint meeting, although everyone seemed to let go of their prejudices, they actually had their own thoughts and no one was willing to sacrifice.

The situation quickly became stalemate, and no one had a proper countermeasure.
