

Physician Wife 1241

Chapter 1241: King Zhou And Daji

Only Nangong Nuannuan noticed that apart from his flushed face, Big Brother Chi Yang also had a slight rash under his red skin. It was obvious that he had a bout of hives.

Hence, Nuannuan hurried over to Chi Yang and asked with concern, "Big Brother Chi Yang, what's wrong?"

Chi Yang expected his wife to be angry, only to receive a concerned look from his wife in the next second. Chi Yang, who was scared out of his wits, was like a huge dog that had been bullied. He looked at her with an aggrieved expression.

Nuannuan could not stand seeing Big Brother Chi Yang looking so pitiful. Just as she was about to assist her husband get back at them, Mrs. Hong continued speaking.

"Chi Yang, I must've hit the nail on the head, right? Truth be told, you and Xu'er are very compatible in terms of career and family background. Why did you find a woman like this to be your fiancée?"

"If you were to find a military belle who is even more outstanding than Xu'er, I wouldn't say anything. However, do you know? This woman acts like a good girl in front of you! You have no idea how she's like behind your back."

Chi Yang had enough of getting trolled by this old woman, and his voice became piercingly cold. "Looks like you know my fiancée very well. Tell me, what is my fiancée like behind my back?"

After obtaining Chi Yang's green light, Mrs. Hong instantly felt like she had been handed a powerful sword. She looked at Nangong Nuannuan with angry disdain and said, "Just before you came out, right at the entrance to Eagle Special Forces, this woman had been acting suspiciously intimate with a man driving a limited edition Lamborghini sports car, you know?"

Limited edition Lamborghini sports car?

Did that car not belong to one of his brothers-in-law?

Seeing that Chi Yang did not say anything, Mrs. Hong continued, "She's very close to the man who drives the Lamborghini. That man even touched her. As for your girlfriend, not only did she not stop him, she even smiled at him.

"Chi Yang, you know what kind of person I am. I'll never make things up. If you don't believe me, you can ask the guards over there. Even if they didn't see the man touch her, at least they saw her get into that man's car."

If he was not sure who was the person driving the limited edition Lamborghini was, now he knew it was his brother-in-law who had not had the chance to settle some scores with Chi Yang.

He was about to explain to them, but Nuannuan stopped him.

To the arrogant ones who always thought others were inferior to them, they would merely curl their lips and walk away if you clarified your identity to them.

To really infuriate this kind of person, Nuannuan would rather use her lowliest status to show her possession over the person they wanted the most.

That was a real slap in the face.

Therefore, Nuannuan raised her head and looked at Chi Yang. "Big Brother Chi Yang, I trust you. What about you? Do you trust me?"

The warm and angry expression on Chi Yang's face immediately softened when he looked into Nuannuan's eyes. He knew that his little girl was essentially a little devil with angel wings. As her husband, how could he not be on her side?

Therefore, he broke out into an instant smile and said to Mrs. Hong and Hong Feixu as they listened in disbelief, "Of course I believe you."

Nuannuan flashed Mrs. Hong a provoking look that said, 'Before you can end me, I have all the ways to make you die of anger first.' Then, Nuannuan wrapped her hands around Chi Yang's arms. "Then, let's not talk to irrelevant people anymore."

"Okay."

Like King Zhou in the new series, League of Gods, that Mrs. Hong had been binging recently, Chi Yang...

Chapter 1242: Unworthy

Whatever Nangong Nuannuan said, Chi Yang immediately believed her like a foolish ruler overwhelmed by lust. He even went so far as to give Mrs. Hong a displeased look.

Right before this happened, Mrs. Hong kept complaining about the show. Why must the men in ancient times put all the blame on women after their country was destroyed? It must be patriarchy at fault! As the president of the Emperor District Women's Federation, Mrs. Hong was quite disgusted by this.

However, after witnessing Chi Yang and Nuannuan's interaction, she realized that a woman could really trigger such complete changes in a man.

Chi Yang used to be such an outstanding and intelligent man. Why would he allow such a vixen to train him into becoming such an idiot?

"Chi Yang, do you really trust her that much? Aren't you going to check how she cheated on you?"

Nuannuan managed to drag Chi Yang halfway, but Mrs. Hong did not get the hint. Chi Yang stopped and turned around to look at Hong Feixu. It was not until she was blushing that he said to Mrs. Hong, "I call you Auntie because I feel like I should have some basic respect for my comrade's parents, but please don't be so shameless even after I've given you some leeway."

Mrs. Hong and Hong Feixu's faces turned pale.

However, what was even more shocking was yet to come.

"I love my fiancée more than I love my own life. You insulting my fiancée is more unacceptable than insulting me. Are you thinking that your daughter will have some hope if you can make my fiancée sound as worthless as a penny? Then, I can tell you very clearly now that it's impossible! Even if my

fiancee has never appeared in my life, I'll never like Hong Feixu. She's nothing but the most ordinary soldier under my command. For her, I only have the feelings of a senior officer toward his subordinates."

Hong Feixu was already on the verge of losing her balance from Chi Yang's attack.

She had always thought that she still had a chance. After all, she was the prettiest among the female soldiers, and she also came from the best family. If Chi Yang wanted to find a girlfriend, she was the most suitable candidate.

However, this man whom she had admired for more than ten years said such heartless words to her in front of her mother.

Mrs. Hong could not accept it either.

After all, the Hong family had already treated Chi Yang as their son-in-law. Many of their family friends were aware that the Hong family's daughter was close to the military world's crown prince.

If they were to give up just like that, not only would her daughter be unwilling, even as her mother, she would not be able to accept this!

"Why? Why don't you like our Xu'er? Which part of her is worse? Our Xu'er has a good figure, good looks, and wonderful family background. Which part of her is worse than this two-timing vixen?"

Mrs. Hong's words had completely crossed Chi Yang's bottom line.

In an instant, Chi Yang unleashed his powerful aura fully. Even though he was still wearing his military uniform, the powerful murderous aura that he exuded made him seem like a god of death that was slowly approaching from a depthless black hole.

He only took two steps toward Mrs. Hong, but her legs started to give way because she could not withstand Chi Yang's powerful presence. Thus, she collapsed onto the ground.

Chi Yang had only taken two steps. He was afraid that if he walked any closer, the woman would have a heart attack.

Chi Yang looked at Hong Feixu. When he saw that Hong Feixu had lowered her head instead of looking at him—her face turned so red that blood nearly dripped from underneath her skin—he said...

Chapter 1243: Blocked

"If I only wanted a woman with good looks, body figure, and family background to be my fiancée, there's all the more reason I would never have chosen Hong Feixu."

This was an ultimate slap in the face.

Mrs. Hong was convinced that Nuannuan's social status could never compare to Hong Feixu's. Hence, she decided to emphasize Hong Feixu's status.

Chi Yang, on the other hand, used the exact same aspect to facesmack her.

As the crown prince of the military world, if he really wanted to find someone of equal social status, Hong Feixu would never be at the top of his list.

After all, the Hong and Chi families were worlds apart in terms of social status.

“Also, I hope this is the last time I hear you insult my fiancée. Like I said, insulting my fiancée is worse than insulting me. So if I hear you insult her again, I’ll make sure you regret it.”

With that, Chi Yang held Nuannuan’s hand and opened the door for her to get into the car before getting in himself.

The car sped away without any hesitation, leaving behind Hong Feixu, who sobbed in the cold wind amidst her anguish. Meanwhile, Mrs. Hong, who looked like she had survived a disaster, had redness brimming at her eyes.

“Mom, why did you speak to Big Brother Chi like that? Are you nuts? I’m the one who likes him in the first place; I’m the one who’s been sticking around him. How can you be so harsh with your words? Clearly, there’s nothing wrong with me liking him, but after what you said, I can’t even stand by his side and be his friend anymore, do you know that?”

Only then did Mrs. Hong realize how wrong she had been. She was angry at herself too.

Hearing her daughter’s complaints, she insisted on the thought that everything that happened today was all Nangong Nuannuan’s fault, despite not retorting her daughter.

Nangong Nuannuan was the one who destroyed their dream of marrying into a wealthy family. Not only that, but she also made sure that her daughter could not remain friends with Chi Yang again.

When Nuannuan arrived at the Peninsula Villa, she happened to meet Feng Shengxuan at the lower parts of the villa area.

She was not sure if he had been waiting there the whole time or it was truly a coincidence.

“It’s sad to leave Da Bai alone at home, so I brought him here.”

Feng Shengxuan rolled down the car window to talk to Nuannuan. Making full use of his good looks and charm, he was dressed in classic British-style attire today, further complemented by a pair of fashionable sunglasses. When the car window rolled down, he gently lowered the sunglasses a little, just enough to reveal his depthless and seductive eyes.

This scene was supposed to be very cool—any of his fans would probably scream at the sight.

Even Chi Yang, who was sitting in the driver’s seat, felt a strong sense of dissatisfaction when he saw Feng Shengxuan’s demonic attractiveness. In his head, Feng Shengxuan’s appearance broke way too many laws of nature.

Chi Yang lamented the fact that he had never had any love rivals, but when his only love rival showed up, it felt like Chi Yang was up against the final Boss. Before Feng Shengxuan, Chi Yang was not given the privilege of a practice partner.

Just as Chi Yang was busy wondering how to cut off this good-looking love interest from Nuannuan’s life without affecting Chi Yang’s relationship with Nuannuan and also her brotherly relationship with Feng Shengxuan, Da Bai started to fret. It had been long displeased that Feng Shengxuan did not give Da Bai

any screentime after so long. This demon king was too mean! Therefore, it simply extended its huge lion head out the window.

Da Bai suddenly squeezed its way to the front from the backseat. It appeared too suddenly and took Feng Shengxuan unawares while he was busy using his charm to seduce Nuannuan. All of a sudden, his head was stuck against the car window by Da Bai's stupid lion head.

The sunglasses that had lingered so perfectly on his handsome face slid to the tip of his nose when Da Bai forcefully squeezed its way to the front. His sunglasses were now one side higher than the other.

Chapter 1244: Blocked To Death

The stupid lion also messed up Feng Shengxuan's styled hair. It was as if his entire body had been ravaged, and he could neither advance nor retreat due to Da Bai's overwhelming strength.

Feng Shengxuan, "..."

Nuannuan, "..."

Chi Yang, 'Good job!' He decided to give Da Bai a big piece of top-grade fillet mignon tonight.

Awoooo—

Da Bai ignored the great Demon King completely. It was only happy to meet its little princess here. When it saw Nuannuan, it felt as if spring had arrived for Da Bai, and little blossoms started to pop up around the beast's head.

Squashed by Da Bai's huge head, Feng Shengxuan was stuck against the car window without any way to move. He also had to endure this stupid lion roaring like a dog next to his ears. Most importantly, this stupid lion was really strong. Its tail was like a whip as it slapped against Feng Shengxuan's buttocks. In just a short while, Feng Shengxuan could feel his buttocks swelling up.

Awooo—

The stupid lion howled again. This time, it attracted a few passersby.

As the Peninsula Villa was located on a mountain range with beautiful scenery and good fengshui—along with the fact that it was the location chosen by the emperor in the past as the mountain resort as part of the Imperial Garden—there were many tourists here. Many tourists who came out from the Imperial Garden would come to the Peninsula Villa to snap photos of the land where the elites of Emperor District lived.

Meanwhile, Feng Shengxuan did not wait for Nuannuan inside the villa because if he were, it would look too fake.

Therefore, what was meant to be a beautiful encounter turned into an exciting fan meeting.

Da Bai's wolf-like howl attracted the attention of the tourists who were using their phones to capture the view of the most luxurious villas in Emperor District.

"Wow, that's a lion!"

One of the tourists screamed as he used his phone to snap the picture of the pet of a rich young master.

However, when he looked closely—

Oh, my Lord!!!

Before he could scream, someone else next to him screamed—

“Ahh—Best Actor Feng!”

With a howl from the lion and a scream that said, “Best Actor Feng!”, they were more than enough to attract everyone’s attention.

“Ah—”

The tourist crowd instantly turned into groups of fans and rushed over.

When Feng Shengxuan saw this, his eyeballs almost fell out of their sockets.

Seeing the crowd gathering around, those people screamed and shouted—

“I love you, Phoenix!”

“Best Actor Feng actually has a lion for a pet! So cool!”

“I’ve never seen the Best Actor personally before! Even if his glasses are falling off, he’s still so handsome—”

Feng Shengxuan hurriedly tried to shrink his head into the car window.

However, when Da Bai heard the cheers, it thought that these humans were all cheering for its little princess. Thus, it also howled with joy. Not only were its eyes narrowed into a line from joy, but his body leaned forward even more.

Feng Shengxuan, who had been completely stuck and nearing his death, “...”

Feng Shengxuan looked at Nuannuan pitifully, like a dog with its claws clamped by a crab.

Nuannuan, “...”

She facepalmed herself. Feeling the fanatical hype his fans had for him, she had no choice but to get out of the car to help him.

After not seeing each other for half a year, this man and lion became even more stupid than she remembered.

Just as she was about to unbuckle her seatbelt, Chi Yang stopped her.

“I’ll do it.”

“But you...”

Nuannuan wanted to say something, but she suddenly remembered that Chi Yang and Feng Shengxuan had been acknowledged as a couple ever since the incident at the airport. Therefore, she stayed in the car with a clear conscience and without a shred of hesitation.

After all, if she got off the car to rescue Feng Shengxuan, his fans might even call her the homewrecker between Big Brother Chi Yang and Feng Shengxuan!

She did not want Feng Shengxuan's fans to tear her apart.

Hence, Nuannuan mercilessly decided to be obedient and stay put in the car.

Chapter 1245: My Fujoshi Heart Is About To Explode

Feng Shengxuan watched in a daze as Chi Yang took his windbreaker from the car and covered himself with it, hiding his camouflage-print military uniform and epaulets. Then, he took off his peaked cap and changed into a casual cap. He opened the storage compartment in the car and casually took out a black mask and a pair of wide sunglasses.

One moment, he looked like a rigid soldier; in the next moment, he was a domineering CEO.

Then, Chi Yang got out of the car when Feng Shengxuan's fans surrounded him.

After changing his outfit, Chi Yang looked completely different from his usual righteous self.

At that moment, Chi Yang was like an emperor who walked in the aura of darkness. His entire body was enshrouded in a fiercely murderous aura. The moment he stepped out of the car, his powerful aura parted Feng Shengxuan's fans automatically.

The fans looked at Chi Yang. Although they were afraid of this man's strong aura, they did not want to retreat too far. With a face full of gossipy interest, they watched as Chi Yang strolled towards Feng Shengxuan.

Everyone took out their phones and aimed their cameras at the two men and the electrifying field that buzzed around them.

Awooo— Awooo—

When Da Bai saw Chi Yang, it knew that Chi Yang was closer to his little princess than the great Demon King. It thought that Chi Yang was going to take it to the little princess's car, and it was so happy that it began to wail.

"Look, look, Best Actor Feng's pet lion likes this guy."

"Is he Best Actor Feng's man?"

"Gosh, definitely! Pet expressions don't lie!"

"Oh, my God! As expected of the man who Best Actor Feng will bend his hip for. He's so handsome, aaaaarghhhhh!"

"He's so handsome! He doesn't look any worse than Best Actor Feng!"

Feng Shengxuan, "... F*ck! What the hell was 'bend his hip for'?"

Amidst his dismay, Chi Yang had already walked to Feng Shengxuan.

Under the torment of that stupid lion, Feng Shengxuan could not even extend his hand. He could only watch as that vixen Chi Yang walked up to him and extended his hand. With a flick of his two fingers and middle finger, he flicked Feng Shengxuan's forehead.

"Naughty!" Chi Yang looked super cool, but his voice was tinged with a hint of indulgence and helplessness.

With a dull thwack, a wave of pain swept through Feng Shengxuan although it felt like a light flick. The pain traveled all the way to the deepest parts of his nerves. It was so painful that Feng Shengxuan almost cried.

However, a clueless fan who stood at the side watched Chi Yang's very casual and loving interaction. He even called Feng Shengxuan 'naughty' so dotingly. After that, Best Actor Feng immediately looked like he was about to cry. With a loud "Argh!", the fan let out a piercing scream.

"So much love aahhhhhh..."

"My fujoshi heart is about to explode!!!!"

"How can he be so handsome!"

The fans exploded into an uproar in an instant. Then, nearly simultaneously, while the top was still heading over to assist Best Actor Feng who was still stuck at the car window, the video of Chi Yang flicking Best Actor Feng's forehead in a domineering and loving manner was uploaded onto the internet. After all, they were two men who were handsome in 360-degrees without blind spots. Therefore, they were quickly made into all sorts of merchandise and emoji stickers that could make a girl's heart explode.

After Chi Yang flicked Feng Shengxuan's head, he helped Feng Shengxuan stuff Da Bai back into the car. Feng Shengxuan wanted to say something but was shoved back into the car by Chi Yang's large hand.

Then, Chi Yang turned around and got into the car.

Chapter 1246: Ultimate Bottom VS Supreme Top

At this moment, Peninsula's property manager coincidentally rushed over and dispersed the crowd.

With the management's help, Chi Yang and Feng Shengxuan successfully drove their cars into the villa area amidst the fan's frantic screams.

Feng Shengxuan was about to die from anger, but there was nothing he could do. He glared fiercely at the stupid lion in the back seat, who was still in a state of excitement. However, when he saw that the lion's tail was wagging even more happily, he then drove away speechlessly.

Without a shred of doubt, he knew that he would make the entertainment headlines again today!

Soon, the news about Best Actor Feng was trending again.

In his fans' eyes, Best Actor Feng had always been a strong, domineering, and cool man. He was the only man in history who used his status as a charming newbie to dominate over all the best actors and actresses.

However, right now, this man who had always been known to be cool and domineering kept revealing such an adorable and dumb side in front of this man.

In an instant, the man who only existed on the screen and in the legends—as though he had no flesh and blood—suddenly came alive.

Moreover, the moment he came alive in everyone’s minds, he turned out to be such an irresistible bottom.

If it were not for the fact that Best Actor Feng loved his supreme top of a boyfriend, would he have looked as happy as the lion?

Most importantly, Best Actor Feng’s top had never disappointed his fans before.

Even though the top did not speak much and never revealed his real face, the love that he had for his bottom was as easy as Sunday morning—so natural.

The ultimate bottom!

The supreme top!

This would become the title that fans would call Feng Shengxuan and Chi Yang for a long time to come.

The two cars drove into the Nangong residence one after the other. Lil Sun and Lil Ling’er knew that their aunt was about to arrive because Nangong Shu had returned first.

The two little buns waited eagerly at the door. When they saw the two cars drive over, they both shouted happily, “Auntie, Auntie!”

Nangong Nuannuan alighted from the car, and the two little buns rushed over.

Nuannuan squatted down and picked each of them up with each hand. Then, under everyone’s envious gazes, she gave each of them a kiss.

Roar!

Da Bai could not suppress his jealousy and roared upon seeing this.

“Wow—”

“So cool!!!”

Da Bai’s appearance caused the two little buns’ eyes to widen, and they both jumped down from their aunt’s arms.

Seeing the two kids come down, Da Bai hurriedly nuzzled its big head in front of Nuannuan and took over the two children’s position.

Lil Sun and Lil Ling’er widened their grape-like eyes in admiration as they looked at the mighty lion nuzzling their aunt.

When the Nangong family heard that Nuannuan had come, they all came out. They were all surprised to see a lion putting its paws over Nuannuan's body. After all, they were not allowed to rear ferocious beasts privately in Camino.

"Auntie, is this your tiger?" Lil Ling'er asked in her crisp voice.

Lil Sun, "..."

The Nangong family, "..."

Nuannuan, "..."

It was at this moment that Nuannuan finally understood why her mother was kidnapped.

Lil Ling'er and Lil Sun were fraternal twins. They were born together, but Lil Sun knew everything. He was like a little adult, but Lil Ling'er grew up like a flower in a greenhouse. She was protected too well. She was the true embodiment of the saying—although she knew nothing, she knew how to act cute!

"Lil Ling'er, this is a lion, not a tiger!"

Lil Ling'er blinked and immediately asked with a smile, "Auntie, can I touch your lion?"

Chapter 1247: Poor Lil Sun

"Auntie, I want to touch it too!" Lil Sun was beaming with anticipation.

Nuannuan replied with a smile, "It's called Da Bai. You all know that it's a lion, a ferocious beast, so it's not really up to me if you can touch it or not. Da Bai has to decide itself. But don't worry, I've already told Da Bai. It won't bite."

Upon hearing that Da Bai would not bite anyone, Lil Ling'er was instantly ready to touch Da Bai.

As long as she touched him, even if Da Bai disagreed, it would not bite her because her aunt had said that Da Bai would not bite.

Thus, Lil Ling'er extended her hand toward Da Bai, catching him off guard as her hand petted its body.

Da Bai's soft fur and muscular body were extremely comfortable to touch.

Lil Ling'er, who had always taken a liking to soft and fluffy things since she was young, rubbed her hands together in excitement.

Da Bai glanced at Lil Ling'er, and when its eyes met her large, watery eyes, he rubbed his head affectionately against her.

Lil Ling'er was overjoyed. When Da Bai stretched its head over to nuzzle her, she felt an ambitious urge overwhelm her and she rapidly wrap her arms around Da Bai.

Even Nuannuan was taken aback by Lil Ling'er's ferocity.

Due to the unprofessional way that Lil Ling'er was hugging Da Bai, her grip on Da Bai was extremely tight. Nuannuan readied herself to berate Da Bai if Da Bai started to get angry. Unexpectedly, even

though Da Bai was not feeling comfortable, he was very fond of Lil Ling'er's hug (strangle). It stuck out its tongue as it puffed at her to express its goodwill.

When Lil Sun saw how cute Da Bai was, even his mature self could not hold him back anymore. He stretched out his little hand and was about to touch Da Bai's lion head.

Who knew that the happy Da Bai would suddenly break free from Lil Ling'er's grasp just as Lil Sun's hand was about to land on its head? It abruptly turned around and howled loudly at Lil Sun.

Da Bai instantly transformed from a huge, huggable dog to a ferocious beast. Lil Sun was caught off guard and fell to the ground in fright.

Even though Da Bai did not open its jaws to bite anyone, but its ferocious expression still scared the Nangong family, and they hurried over.

Lil Ling'er, on the other hand, was stunned, and then she laughed out loud mercilessly.

"Hahahaha, Da Bai won't let you touch it! We'll see if you'll keep saying I'm useless!"

Lil Sun, "..."

"Da Bai, come, let's cuddle and show him!"

As soon as Lil Ling'er finished speaking, Da Bai, who had been baring its teeth and roaring at Lil Sun a moment ago, transformed into a super adorable pet and began to nuzzle its body against Lil Ling'er. Not only did it nuzzle Lil Ling'er, but it also kept yelping in an adorable manner.

The furry lion's head gently rubbed against the little girl, and it tickled her so much that she kept trying to avoid it. However, Da Bai kept rubbing against her, and Lil Ling'er's peals of giggles rang from time to time.

Nuannuan was about to help Lil Sun, who had fallen to the ground, but Nangong Jin tugged at her sleeve to stop her.

Then, Lil Sun got up from the ground and patted his hands. Nuannuan realized that he scraped his hands when he fell.

"..."

Nuannuan wanted to say that Lil Sun was still so young. Although everyone doted on Lil Ling'er and the girls of the Nangong family, the difference in treatment between children should not have been so drastic.

However, Lil Sun was not her son after all. With that, there were many things that she was not in the position to say.

After getting up from the ground, Lil Sun kept his distance from Da Bai. He stared at Da Bai and Lil Ling'er with wide eyes as they nuzzled up against each other.

His gaze made Nuannuan's heart ache.

"Xu'er, extend your hand. Let Second Granduncle apply some medicine on your hand."

Chapter 1248: Sweet Second Uncle

Chi Zeyao could not bear to watch at the sidelines without doing anything any longer. He asked someone to bring some medicine to Lil Sun and then, he spoke to Lil Sun gently.

Lil Sun glanced at Chi Zeyao and extended his hand. He gave Chi Zeyao a polite bow and replied, "Thank you, Second Granduncle!"

After Chi Ziyao applied medicine to Lil Sun's wound, Lil Sun was ready to leave.

He really liked Da Bai, but Da Bai did not like to play with him.

Just as he was about to leave dejectedly, Lil Ling'er, who built enough rapport with Da Bai, suddenly said, "Da Bai, his name is Lil Sun. He's my younger brother. He likes you very much and wants to play with you too. If you can't play with him, I can't play with you either."

Lil Sun stopped in his tracks and looked at Da Bai with wide begging eyes. He did not even care that Lil Ling'er had called him her younger brother.

Da Bai hesitated for a long while before finally trotting to Lil Sun's side. He then nudged Lil Sun's hand with his head.

A brilliant smile immediately blossomed on Lil Sun's previously dejected face. He even revealed the two holes where his front teeth were supposed to be even though he had been trying so hard to hide them all this while.

Under Nuannuan and Feng Shengxuan's surprised gazes, Lil Sun caressed Da Bai's head. Then, the extremely courageous Lil Ling'er actually wrapped her arms around Da Bai's neck, wagging her short and chubby legs up and down. After leaving a few footprints on Da Bai's body, she finally climbed onto Da Bai.

"Lil Sun, come up!"

Lil Ling'er smiled brightly, so did Lil Sun.

After pulling Lil Sun onto Da Bai's back, Lil Ling'er let loose a joyful cry...

"Giddy up!"

The adults, "..."

Lil Sun, "..."

Da Bai, "... What the hell was 'giddy up'?"

Even though Da Bai thought this was ridiculous, it absolutely adored Lil Ling'er. From the moment it lay eyes on Lil Ling'er, it thought that it was looking at another little princess.

There were too many ignorant humans around its Little Princess Nuannuan, so it could only stand at the side. Now that it finally met another cute little princess, it was still very happy even if the little princess treated it like a horse.

Da Bai carried the two children on its back and ran toward the mountains outside the villa district. The two little buns were laughing and making so much noise on Da Bai's back. It was rare that even Lil Sun, who was usually as calm as an adult, looked so excited.

Seeing that everyone was present, Nuannuan started the introduction with a smile, "Let me introduce everyone, this is my Big Bro, Feng Shengxuan."

She then introduced Old Master Nangong to Feng Shengxuan, "This is my grandpa."

Old Master Nangong chuckled and said, "Kid, we meet again. Are you still planning to extort something from me this time?"

Nuannuan's mouth twitched and she looked at Feng Shengxuan. "What did you extort from my grandpa? Why didn't I know about this?"

"I met this boy while stone-gambling in Camino once. Originally, I had my eyes on a piece of raw stone. He used all sorts of tricks to make me buy another one, but he bought the one that I had my eyes on. Eventually, the raw stone that he bought turned out to be a piece of purple orchid, but mine was nothing but a piece of useless stone." When he thought about that, Old Master Nangong would still seethe over it. If he had brought Ling'er with him, this would not have happened.

Feng Shengxuan did not feel embarrassed at all. He revealed a charming smile and said, "Hello, Grandpa. I didn't know you were Nuannuan's grandfather in the past. Now that I do, I'll give even the highest-grade emerald jade to you if you like them. Knowing that I'm coming to see you today, I specially prepared a gift for you."

Chapter 1249: Offended Everyone

After saying that, Feng Shengxuan asked Old Master Nangong to wait for a while. Then, he went to the trunk of the car and took out a box before handing it over to Old Master Nangong. "It's our first time meeting. Please accept this little token from me."

Old Master Nangong laughed and put their dark history behind them. Having a cunning fox become one of their own was simply a bonus.

"Since you're Nuannuan's brother, I won't stand on ceremony then."

Feng Shengxuan's smile stiffened for a moment, but he did not argue with the old master on the whole thing about calling him Nuannuan's brother.

After all, actions speak louder than words.

"These are my Eldest Uncle and Eldest Aunt-in-law."

"Hello, Eldest Uncle. Hello, Eldest Aunt." Feng Shengxuan was acquiescent.

Nangong Shu laughed and asked, "We'll be family from now on. You won't snatch weapons from me anymore, right?"

Nuannuan, "..."

"What feud do you have with Eldest Uncle again?"

“His Imperial Phoenix Group snatched quite some goods from me several times! This brother of yours is truly willful because he’s rich. After noticing that Imperial Phoenix Group bought the goods at a high price, I no longer dared to touch those goods that were already sold at a massively inflated price.”

Nuannuan was completely stunned and asked, “What goods?”

“What else could it be? They’re specialized military equipment important from Sab, of course.”

The corners of Nuannuan’s mouth twitched again. Before she could say anything, Feng Shengxuan explained, “Eldest Uncle, you’ve misunderstood me. The real chairman of Imperial Phoenix Group is Nuannuan. It’s just that she’s lazy, so I’ve been helping her manage it. If I had known that you were her uncle, I wouldn’t have gone bidding for those goods.”

Nangong Shu, “...”

Nangong Nuannuan, “...”

Feng Shengxuan smiled and said, “Eldest Uncle, this is my gift to you and Eldest Aunt. I hope you’ll accept them.”

With that, Feng Shengxuan presented the gifts that he had prepared for Nuannuan’s Eldest Uncle and Aunt.

Nuannuan noticed that the box was stamped with Phoenix Pavilion’s logo—another listed company under the Imperial Phoenix Group. The jade in Phoenix Pavilion were all raw stones sourced from the riverbeds of Mustapha and Naboo. Meanwhile, those raw stones that contained jade, especially top-grade raw stones, had all been carefully selected by Nuannuan. They were all first-class goods.

This should be ample enough as an apology to Eldest Uncle.

“These are my Second Uncle and Second Aunt-in-law. You should know my Second Uncle, right? Don’t tell me there’s another conflict between you two?” Nuannuan asked concernedly.

Feng Shengxuan said, “Hello, Second Uncle. Hello, Second Aunt. I didn’t expect Nuannuan to be the little princess of the Nangong family, so I’ve been a bit more tyrannical in the past. I hope Grandpa and all the uncles won’t hold it against me.”

Then, Feng Shengxuan presented Second Uncle and Second Aunt jade from Phoenix Pavilion.

Only then did Nuannuan realize that Imperial Phoenix Group and Imperial Palace Group often fought over some international resources. Since the Nangong family was a military and political family, they would rather not be too ruthless. Therefore, under normal circumstances, it was always Emperor Phoenix Group who won in their fights. Due to that, Imperial Phoenix Group and Imperial Palace Group were not on good terms internationally.

After offending Nuannuan’s Eldest Uncle and Second Uncle’s family, Nuannuan thought that her Third Uncle, Director of the Foreign Affairs Office, would have nothing to do with Feng Shengxuan. After asking around, she found out that her Third Uncle had once gone on a business trip to Sab as the Director of Foreign Affairs Office. He had originally wanted to meet a parliament member of Sab, but because of the terrible relationship between Imperial Phoenix and Imperial Palace Group, Feng

Shengxuan double-booked the parliament member and sent him out to play golf instead. Thus, it wasted Nuannuan's Third Uncle's efforts after going through the trouble of setting up the meet.

Other than that, Feng Shengxuan managed to get into some sort of conflict with all of Nuannuan's elder brothers. Feng Shengxuan had even iced out Nuannuan's sister-in-law, the A-list actress in Camino who retired from showbiz, when he attempted to win the Oscars.

Chapter 1250: A Flood That Crashed The Dragon King's Temple

Nuannuan felt overwhelmed by a wave of helplessness.

However, the men from the Nangong family were exceptionally magnanimous towards Feng Shengxuan. After all, Feng Shengxuan was Nuannuan's big brother. He brought her up and even taught her to be such an outstanding person.

Therefore, no matter how thoroughly Feng Shengxuan had offended the Nangong family previously, the Nangong family laughed it off after simply labeling all of the incidents as 'a flood that crashed into the Dragon King's Temple[1]'.

However...

Feng Shengxuan gave everyone in the Nangong family a greeting gift. When everyone opened the gift boxes, they were still shocked by Feng Shengxuan's generosity even though the Nangong family was not lacking in money.

They were all top-quality old deposit transparent type jade that was shaped into different styles based on the receiver's age and gender.

Selling any one of these would reap tens of millions.

He had only met the Nangong family once and he was already so 'enthusiastic'. However, Grandpa Chi, Second Uncle, and Big Brother Chi Yang never received any gifts.

This hostility was too obvious!

Nuannuan looked apologetically at Grandpa Chi and Second Uncle Chi, only to see that they were all smiling. They were not unhappy at all that Feng Shengxuan did not give them any gifts.

Truth be told, Nuannuan knew that Grandpa Chi and Second Uncle Chi were aware that Feng Shengxuan had feelings for her. However, not only were they displeased, they accepted Feng Shengxuan's existence and cared for him so much.

At this moment, Nuannuan felt extremely guilty.

Simultaneously, a huge hand wrapped itself around Nuannuan's hand. As he held her hand, he squeezed her hand gently to comfort her.

Nuannuan looked up and met Big Brother Chi Yang's eyes that glimmered like all the stars in the universe.

Even though he did not say anything, Nuannuan felt somehow soothed from her rising guilt.

After the Nangong family and Feng Shengxuan “let bygones be bygones”, everyone started to treat this “Big Bro” amicably, even though he would contend with the Nangong family in all aspects. Thinking about how Nuannuan had been under Feng Shengxuan’s care for so many years, and now that Feng Shengxuan had stomach cancer, they simply treated him like an emperor.

Nuannuan noticed that her three aunts-in-law and sisters-in-law were helping Second Uncle Chi and Second Uncle Nangong in the kitchen. She was too embarrassed to just sit there. After informing Chi Yang, she went over to help.

Meanwhile, the two elders were playing chess with smiles plastered on their faces.

The six half-brothers sat around Feng Shengxuan and asked him for stories of Nuannuan in her childhood. They also asked him the ways to consolidate their positions as Nuannuan’s big brothers in her heart too. How could they make Nuannuan treat them warmly? How to make Nuannuan treat them as nicely and as naturally as how she treated Feng Shengxuan?

Chi Yang was left alone on the sofa.

Feng Shengxuan looked at Chi Yang provokingly from the corner of his eyes. It was as if he was saying, ‘See this? The brothers of the Nangong family like me more than they like you.’

Chi Yang glanced at Feng Shengxuan, but he was not unhappy.

The elder brothers of the Nangong family were jealous of Chi Yang, but they were not jealous of Feng Shengxuan. This meant that they did not put Feng Shengxuan in the ranks of Nuannuan’s suitors at all.

Chi Yang could not be envious of someone who did not even qualify for the competition.

However...

Not only did Feng Shengxuan ignore Chi Yang, but even the Nangong family’s brothers deliberately ignored Chi Yang.

After all, if not for the big-tailed Chi Yang, their little princess would remain in the house and showered with excessive love every day.
