#### Chapter 371: This Is Incurrigibl

“This is just too incorrigible. You haven’t even officially gotten married yet you’re already causing trouble by using Chi Yang’s name. Not only did you get your own sister arrested by maligning her, but you’ve also embarrassed our entire family. You’ve also offended the deputy commander-in-chief and verbally abused him. Tell me, you haven’t even gotten married yet, so what is there for you to be delighted about? Is there any future military wife that acts as you do?”

Zhong Kuijun was berating Zhong Nuannuan with gusto when he suddenly noticed Leng Qirui standing behind Zhong Nuannuan. He started to formulate a plan in his mind.

Zhong Nuannuan might not be able to marry Chi Yang, but if she could marry Leng Qirui, it would be even better than marrying Chi Yang! From the looks of it, Leng Qirui quite liked Zhong Nuannuan too.

With that in mind, his tone suddenly changed. “Of course, you are my daughter, which means that I would never wash my hands off your relationship issues. For one, there are many outstanding, young men in your school. You can pick whoever you like. Secondly, I will help you take note of any talented young men in the military base. However, when it comes to Chi Yang, I hope you can help unburden him. Since you’ve already broken up, there’s no point in getting entangled in each other’s matters and continue to cause misunderstandings. Do you hear me?”

Zhong Nuannuan stayed silent until Zhong Kuijun finished whatever he had to say. He finally finished all his roaring when Zhong Nuannuan asked, “Have you really submitted the application to annul the marriage?”

“Of course.”

“Who did you pass it to?”

“This is something you don’t need to know. The military base has its own rules and processes. As your legal guardian, I have the right to request an annulment. All you need to know is that your marriage with Chi Yang will be regarded as completely over. Do you understand?”

“Okay.”

The burden in Zhong Kuijun’s heart was finally released when he saw Zhong Nuannuan nodding.

When the school board members were done listening to this from the corner, they prepared to leave, but Zhong Nuannuan suddenly added something at the end. “Dad, don’t you know that Deputy Commander-in-Chief Wang has been arrested?”

Zhong Kuijun’s jaw dropped.

Zhong Kuijun was in shock for quite a while before he managed to respond. His pitch became higher when he shouted, “What did you say?”

Zhong Nuannuan raised her voice as well. "I said... Deputy Commander-in-Chief Want has been arrested!"

'F\*ck!'

This was the only thought in Zhong Kuijun's mind.

"When... When did this happen?"

"Yesterday afternoon."

Zhong Kuijun paced back and forth a couple of times. He pulled Zhong Nuannuan into a corner and said quietly, "Nuannuan, this is not something you should joke about."

"What's the point of me joking about this?"

"!!!" Zhong Kuijun stared at Zhong Nuannuan for quite a while. He knew that this wretched girl did not tell him this on purpose. However, he was now left with no choice. Chi Yang, who liked this wretched girl, was no ordinary person. Even those deputy commander-in-chiefs at the military base were not people he could afford to offend. Now, did he really dare create trouble with that crowd?

Only

"What did he do to end up getting arrested?"

"The commander-in-chief found out he had threatened you with Chi Yang's marriage and obtained evidence of him using his position to oppress others. In addition to that, I was at the headquarters yesterday when he bullied me, so the commander-in-chief arrested him out of anger."

Zhong Kuijun was horrified.

"How did the commander-in-chief find out he had threatened me?"

"I knew he had a big mouth, so I recorded my conversation with him and gave it to the commander-in-chief to hear for himself how I was being threatened."

Everything was going wrong for Zhong Kuijun.

"Who told you to give the recording to the commander-in-chief? You!!! Do you know this will cause a huge problem for our family?!"

**Chapter 372: Slap In The Face For Zhong Kuijun**

Zhong Kuijun had wondered how serious the charges were for him to get arrested, but it ended up being a small matter.

"Do you know he will still not be sentenced with this? If he is let out, he will annihilate the Zhong family! You!!! You have destroyed the Zhong family! You have caused nothing but trouble for your father!"

Zhong Kuijun burned with rage and went berserk as sent a slap flying toward Zhong Nuannuan.

Zhong Nuannuan stopped the incoming slap from Zhong Kuijun with a single hand. She smiled as she asked, "Dad, do you think the commander-in-chief will let him out that easily? Even if he were willing, Chi Yang would not allow it. Even if Chi Yang allowed it, hoho, I'm afraid the other deputies in the military base would not agree to it, would they?"

He was still in shock at Zhong Nuannuan's strength, which shook him to the core. She was actually able to block his slap. When he heard his daughter's words, Zhong Kuijun put down his hands.

"What do you mean?"

"Dad, you've been a military officer for so long. Do you really not know what I mean?"

Zhong Kuijun narrowed his eyes.

She was right.

Putting everything else aside, Deputy Commander-in-Chief Peng hated Wang Gangyi the most.

It was not easy to wait for the day Wang Gangyi to mess up, so not that that day had come, how could he not take advantage of it?

"So... He won't be able to get released?"

Zhong Nuannuan laughed. "So... Dad, where exactly did you submit the application to annul my marriage?"

Zhong Kuijun was taken aback. He rushed off madly without even bothering to say goodbye to Zhong Nuannuan.

He had to quickly get that application back!

When Zhong Kuijun left, the first class of the day had only just started. All the students were already back in their seats while Gu Mingzhe was also on his way out after successfully proposing.

Just like that, Zhong Nuannuan and Gu Mingzhe bumped into each other unceremoniously.

"Brother-in-law!"

To be honest, Zhong Nuannuan really did like Gu Mingzhe as her brother-in-law.

It was because he was absolute trash, which was why Zhong Nuannuan respected him so much right now.

She especially liked seeing Gu Mingzhe express himself so passionately to Zhong Qianqian, and she was curious about what would happen in the future when he realizes Zhong Qianqian is nothing but a fake. It would be interesting to meet each other face to face then.

In her past life, Zhong Qianqian was the one who dumped him after finding out she was the young mistress of the Nangong family. This time, she wanted to see him dump Zhong Qianqian.

Zhong Nuannuan's bright smile dazzled Gu Mingzhe so much that his vision went blurry.

He had searched through the circle of nobilities, moving up and down the social circles, and it was the first time Gu Mingzhe had fallen in love at first sight with a girl.

Even if this girl was the biological sister of Zhong Qianqian, even if this girl had a fiancé, none of that mattered to him. He had never been able to shake off his yearning for this girl since the first time he had set his eyes on her.

Even if he had only met Zhong Nuannuan once, he had dreamt about her several times since.

There was even once when he had a wet dream about her.

Only

Now that he was face-to-face with the girl's bright smile, how could he hold back any longer?

She had well-developed breasts, a slender waist, and a perky butt. Not to mention, those long, slender legs. Match this all with that seductive face of hers and Gu Mingzhe could obviously feel a certain part of his body experiencing tumultuous waves when facing this little seductress.

Gu Mingzhe faced her with tremendous sincerity when he heard her calling him 'brother-in-law' so sweetly.

"Nuannuan, did your dad ask you to come out here to get you to annul your marriage with Chi Yang?"

"Yup," Zhong Nuannuan nodded.

"Are you really gonna annul it?"

Gu Mingzhe looked concerned. It was a sincere concern that came from the bottom of his heart and was not off-putting at all. This was Gu Mingzhe's style when handling things.

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 373: Watching A Joke**

"Of course I'm not really annulling it. I didn't agree to it."

All Gu Mingzhe did was smile at Zhong Nuannuan's words.

"Regardless of if you marry him, I still wish you happiness."

As he said this, Gu Mingzhe took out a name card and a pen from his coat pocket, which one could tell was quite expensive with just one look. He wrote a phone number on the card and passed it to Zhong Nuannuan. "This is my number. Feel free to call me if you are facing any issues. I will definitely help you in any way I can."

Zhong Nuannuan was about to reject him when she saw Zhong Qianqian come out from the classroom. It was payback time for Zhong Nuannuan and she was about to collect interest for the debt. Thus, she smiled and took Gu Mingzhe's card from his hands.

"Bro Mingzhe!"

Zhong Qianqian's heart fell and as she quickly rushed to his side and held onto Gu Mingzhe's arm. She put on a smiling face but her eyes were filled with a vicious darkness as she declared her right to Zhong Nuannuan.

"What are you doing?"

"Brother-in-law was just giving me his number. He said to call him if I need anything as he wiykd be sure to help me out. Brother-in-law is such a nice person."

This hateful little seductress!

Gu Mingzhe knew Zhong Nuannuan and Zhong Qianqian were not on good terms and could clearly tell Zhong Nuannuan's words were trying to sow discord. However, he did not find it detestable when facing the girl he liked. On the contrary, he quite liked it.

Gu Mingzhe did not realize that his eyes carried a hint of indulgence when he said, "I heard Uncle telling Nuannuan to annul her marriage to Chi Yang when I came out just now, so I came over to show my concern to my sister-in-law. Fortunately, Nuannuan said she won't be annulling the marriage. So, I told Nuannuan she could come directly to me if she faced any trouble in the future."

Zhong Qianqian was not happy with Gu Mingzhe giving Zhong Nuannuan his contact number, but she was cheered up by Gu Mingzhe's explanation.

Only a man who cared about her would explain the situation so thoroughly.

No matter how much of a vixen Zhong Nuannuan was, Gu Ming had said those words, right? Sister. In. Law!

As for herself, she would become Gu Mingzhe's wife, the future young madam of the Gu Family Enterprise!

With Gu Mingzhe supporting her, Zhong Qianqian immediately played the older sister card.

"Nuannuan, I heard Dad mention yesterday that you've offended Deputy Commander-in-Chief Wang. How could you do something like that? Don't you know if you anger Deputy Commander-in-Chief Wang, the first people he will come for is the Zhong family? I've also heard about your situation. Quickly go ahead and annul your marriage with Chi Yang. Don't worry about anything else. Even though you treated me so poorly yesterday, I won't hold it against you because I'm your sister. Once you've annulled your marriage, I'll get Bro Mingzhe to pick a suitable young and talented man from his company for you. We won't let you suffer, am I right?"

There was a subtle shine in Gu Mingzhe's eyes.

This was a good suggestion.

Only

If Zhong Nuannuan married an employee from their company, she could have a husband in name. When the time came for him to be with Zhong Nuannuan, her husband would not say anything about their relationship even if he found out about it. If he had done something so sneaky like this and got

discovered by Chi Yang, he could end up being charged with destroying a military marriage, especially with Chi Yang's high ranking in the military base.

Zhong Nuannuan thought Zhong Qianqian was doing a comedic routine when she saw the victorious look on Zhong Qianqian's face.

"Do you know why Dad left so quickly?"

Zhong Qianqian had a bad feeling about this. "Why?"

"Because that Deputy Commander-in-Chief Wang has been arrested."

Gu Mingzhe, "..."

Zhong Qianqian, "..."

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 374: Dismal**

"Sister, Brother-in-law, you two can continue courting each other, I'm going back to class."

After saying that, she walked away on her two long legs.

Gu Mingzhe stared at Zhong Nuannuan's back with a scorching gaze, and a ray of ambition shone through his eyes.

Zhong Qianqian felt angry watching Zhong Nuannuan. She wanted to act coquettish towards Gu Mingzhe, but when she looked up, she saw that Gu Mingzhe was completely entranced while staring at Zhong Nuannuan's figure.

Her previous few psychological traumas caused alarm bells to go off in Zhong Qianqian's head.

This wretched Zhong Nuannuan, she had seduced Big Brother Chi Yang and chased Aiden away, and was she coming to snatch her Big Brother Mingzhe away from her now?

How shameless could she be?

Zhong Qianqian felt resentful, and she wanted to kill Zhong Nuannuan even more. However...

Zhong Qianqian still felt a lingering fear when she recalled the scene of her being taken away yesterday.

Forget it, she could wait until she became the Gu Family's missus first.

Her resources now were too limited, and it would not be too late to kill Zhong Nuannuan after she had access to more abundant resources within the Gu Family.

Otherwise, if the person was not killed, and she was thrown into jail again, then it would spell the end for her.

Gu Mingzhe drove away from Jia Yong after bidding farewell to Zhong Qianqian, and only dialed his phone when he was far away. Very quickly, a woman on the other end answered the phone.

“Hello, Mingzhe, why haven’t you called your mother these past few days? Have you settled the matter with Qianqian over there? Does she have a crush on you yet?”

As soon as Gu’s mother picked up the phone, she immediately fired a series of questions.

The corners of Gu Mingzhe’s lips raised into a triumphant smile. “Mom, your son is handling this issue in person, how can such trivial matters not be resolved?”

When Gu’s mother heard this, she immediately praised, “My son is really the best! Does she already regard you as her boyfriend then? Will Aiden step in again?”

Only

“Mom, she’s just a loser right now, not only is she sorry to look at, she’s also a brainless and foolish white lotus. She’s a gold digger, and her goal in life is to marry into a rich family. If she wasn’t the eldest daughter of the Nangong Family, even talking to her would make me throw up. That Aiden unexpectedly fancied her for a while, but how could he stay with such a woman in the long term? Hence, when your son saw Aiden next to her, I didn’t try to hook up with her at all. I waited until Aiden abandoned her, and only helped her once she had reached the lowest point in her life. I only met her for the second time yesterday, and when I accompanied her to school today, I made a successful marriage proposal to her in front of her classmates.”

“What? You’ve managed to get the Nangong Family’s eldest daughter? She accepted your proposal? When are you two going to get married? Give Mom some time to make preparations!” Gu’s mother was ecstatic—she felt like she had picked up a huge bargain.

Gu Mingzhe was speechless. “Mom, am I really your biological son? Can you care for your son’s mental health? Do you know how much your son suffers from interacting with such a woman all day long?”

“Oh, haven’t I told you everything already? As long as you can handle the Nangong Family’s eldest daughter and marry her, you can find as many women outside as you like. Just don’t get caught.”

Thinking of Zhong Nuannuan, Gu Mingzhe’s revolted expression finally improved, and a smile appeared on his lips. “You said this yourself. I’ve already found someone else, so you have to treat your actual daughter-in-law better in the future.”

“You have a woman you like already? Is she from Jiang District? What good stuff can Jiang District have?” Gu’s mother looked disgusted.

“Mom, she’s Zhong Qianqian’s younger sister. Her name is Zhong Nuannuan.”

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 375: Beloved**

“Although they’re sisters, if I give Zhong Qianqian a rating of 50 points, then Zhong Nuannuan can get 50,000 points. Moreover, Zhong Qianqian’s 50 points are only due to the fact that she’s Zhong Nuannuan’s biological sister.”

“Is she that good?”

“Of course. Do you think your son has bad taste?”

“Son... Are you sure that the Nangong Family’s eldest daughter is Zhong Qianqian? All the young masters of the Nangong Family look so handsome, and all of them are like giants among men. Could it be that their younger sister is Zhong Nuannuan, the girl that you like? After all, as the Nangong Family’s little princess, her looks can’t be that bad!

“Son, you can’t do this just by looking at Zhong Qianqian’s jade pendant. After all, if I were Jiang Shuwan, and I found out that my husband’s original partner is a very wealthy woman, after the original partner dies, I might exchange my own daughter for the original partner’s and declare the original partner’s daughter as my own.”

“Mom, don’t think about it anymore. I’m certain that it’s Zhong Qianqian. Firstly, she has that crescent jade pendant on her, and secondly, I managed to get hold of her hair at the banquet earlier.

“When the third young master was previously injured and hospitalized, it just so happened that my friend was his attending doctor, so I asked him to leave some of the third young master’s blood for me. After running the tests, the similarity between Zhong Qianqian and the third young master’s DNA was found to be as high as 76%, which is enough to prove their identities as cousins.

“I also share your concerns. In order to avoid getting the wrong hair, when I picked her up from prison yesterday, I specially arranged for someone to rob her, hit her nose, and cause her to have a nosebleed. After that, I heroically saved the damsel in distress, grabbed the person, brought him to jail, and took her blood to undergo an expedited DNA test again with that of the third young master’s. The test result was still 76%.”

“That’s good! As long as you’ve confirmed it, it’s good! Son, think optimistically, although she looks disgusting, but she has the Nangong Family’s support; Even if she’s a fly, you’ll still want to eat her up, right? Not to mention, the situation isn’t even that bad. In short, you handled this matter beautifully! As for your beloved Zhong Nuannuan, Mom will buy her a villa by that time, and you can bring her over in the future.”

Gu Mingzhe raised his lips. “You’re the best, Mom.”

“Stop joking!”

\*\*\*\*\*

Time always passed by very slowly whenever Chi Yang was not around. Even if she usually could not see him in school, Zhong Nuannuan felt that the day was packed with energy when she knew that someone was waiting for her when she got home for dinner.

However, today, no one was waiting for her to return home for dinner, and she did not have to go to the military base anymore, so even as Zhong Nuannuan felt that a long time had passed, she looked up to see that the second class had only just ended.

“Hey, Zhong Nuannuan, I heard that Big Brother Chi and the others have gone out on a mission.”

Zhong Nuannuan glanced at Leng Qirui. “What about it?”

“I’ll treat you to dinner after school tonight.”

Looking at the eagerness that shone within Leng Qirui's eyes, Zhong Nuannuan thought to herself that he really had an undying will! Chi Yang had already beaten him up so badly, yet as soon as Chi Yang left, he started hopping around again.

Seeing that Zhong Nuannuan did not answer him, and even looked at him with a jaundiced eye, Leng Qirui felt quite depressed.

Only

"What's that look in your eye? I'm just treating you to dinner because you're... you're my benefactor."

"Can I bring a few more people with me then?"

"Who?" Leng Qirui was unhappy. He wanted to eat alone with Zhong Nuannuan.

"My roommates."

"Why is it them again?"

"I'm usually busy, and I don't have the time to maintain relationships with my roommates. Since I'm being offered a free meal, of course I have to bring them along."

"Alright, invite them over then."

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 376: Commotion**

As Zhong Nuannuan and Leng Qirui were still talking, there was a commotion in the corridor outside the classroom.

After a while, Yan Fangfang, who had only just come back to class, ran toward her excitedly.

Zhong Qianqian's group, who walked in after Yan Fangfang, threw an ill-intentioned smile at Zhong Nuannuan.

"What's the matter?" Zhong Nuannuan could not help but ask after seeing Yan Fangfang look as if she had seen a formidable enemy.

"Nuannuan, a new senior just transferred to the university department today, and it's said that she's a very beautiful girl of mixed race. I also heard from some classmates that she's a very important character in 'Vampire 3'. I just searched for her online, this girl's name is Selina, and that's really her!"

After saying that, Yan Fangfang showed Selina's photos to Zhong Nuannuan.

Selina enrolled for school today, and even sent her a message when she was going through the enrollment procedures. She just did not expect her to cause such a big sensation right after entering the school.

"She's quite pretty, the type that I like, but why is everyone staring at me with that look?"

“That’s because after Selina entered the school, many girls and boys in the school said that they wanted to re-elect the campus belle.”

After that, Yan Fangfang glanced toward Zhong Qianqian and said, “There are also many people who are speaking ill of you because of this.”

“What are they bad-mouthing me about?”

“They said that you were very cocky when you grabbed the position of campus belle off Ye Mengxi, and now you will be paid back two-fold.”

Leng Qirui on the side could not help but feel disgruntled after hearing this. “Are they lunatics? Who said that?”

When Leng Qirui’s words fell, Zhong Qianqian’s group of four, no, the trio’s expressions instantly froze, and they no longer dared to say another word.

Zhong Nuannuan felt that these people had nothing better to do. She did not even know when the campus belle was elected, and it was only later when Ye Mengxi kept targeting her that she discovered that she had stripped Ye Mengxi of her campus belle position.

Therefore, Zhong Nuannuan said sincerely, “When was I cocky? Do I have to be cocky over such a trivial matter? Comparing that weak-kneed Ye Mengxi to me is insulting for me, okay? It’s already an accepted fact that I’m beautiful, so can being cocky make me even prettier?”

Yan Fangfang was instantly amused by Zhong Nuannuan’s arrogant words.

Leng Qirui on the side even said in a particularly righteous manner, “There’s no need for you to be more beautiful anymore, I can’t even imagine how you’d look if you became prettier. Even if Selina had acted in a movie before, she’s not as beautiful as you. If all actors are called pretty, then even the dwarfs in fantasy movies can be called handsome.”

“Oh my, I seem to hear someone calling me a dwarf!”

Suddenly, a melodious voice came from the door. The noisy classroom instantly became breezy and quiet.

Only

Selina was tall, and at first glance, she seemed to be slightly taller than Zhong Nuannuan. No flaws could be found in her delicate features.

Her beauty was completely different from Zhong Nuannuan’s.

Zhong Nuannuan possessed the unique charm of oriental beauties, and her innocence was mixed with a touch of eager seductiveness, like that of witches in paintings.

On the other hand, Selina’s beauty had modern, international, and trendy elements to it. She was magnanimous and sweet, just like a pin-up model.

Both of them had very aggressive forms of beauty.

However, no matter how much Leng Qirui looked, he still felt that Zhong Nuannuan was prettier than Selina.

Selina walked in step by step, and with every step, everyone could feel the extremely powerful aura that she exuded.

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 377: Big Boss**

Zhong Qianqian's trio looked playfully at Zhong Nuannuan, waiting for her to be slapped in the face.

Selina walked up to Leng Qirui and used her knuckles to hammer Leng Qirui's table. "Did you just call me a dwarf?"

It was not that Leng Qirui had never seen beautiful women, but amongst the countless beautiful women, he only liked those like Zhong Nuannuan, who looked like a cat on the surface, but was in fact the T-Rex type. No matter how beautiful Selina was, could she really be a T-Rex?

Faced with the girl's provocation, Leng Qirui did not even stand up, and merely leaned back in his seat. "This student, I heard that you speak the Camino language fluently, but why can't you hear clearly? I only said earlier that you're not as beautiful as our classmate Zhong Nuannuan. Although you did act in a movie, it doesn't mean that all actors are pretty, right? As for the dwarf, I was just making an analogy. Of course, if our classmate Zhong Nuannuan were not around, I'd admit that you do look quite pretty."

Everyone thought that this girl was going to cause trouble with her arrogant temperament, and could not help but wait in anticipation for Young Master Leng to make a move.

Unexpectedly, the girl suddenly laughed.

"Right? I think so too! Although I just came to this school today, I went to see that soybean sprout called Ye Mengxi. Can such a person really be called a former campus belle? I feel that she doesn't even deserve the title of a woman! I seriously suspect that when her man sleeps with her, turns off the lights, and hugs her in the future, he might think that he's hugging a man."

The students were lost for words.

D\*mn!

This mixed-race beauty had a very sharp tongue!

On her first day in school, she had already personally provoked the campus belle and attacked the former campus belle. Amazing!

However, Selina's next words turned out to be a complete 180.

"A person like this is nothing compared to our Nuannuan! It's said that Nuannuan took the position of campus belle away from her... Tsk tsk, is a fight even necessary for this campus belle position? If everyone is not blind, you'd all vote for our Nuannuan, right?"

Our Nuannuan!!!

The students understood the meaning of this sentence very accurately.

“Do you know Zhong Nuannuan?” Leng Qirui was shocked.

Selina walked to Zhong Nuannuan with a grin, put her arms around her shoulders familiarly, and said boastfully, “Not only do we know each other, we’re sisters!”

Hearing the word “sisters”, everyone cast inquiring looks at Zhong Qianqian. Before everyone asked Zhong Qianqian whether she was also Selina’s sister, Selina added, “We’re sworn sisters who are even closer than biological sisters.”

Leng Qirui nodded, then proceeded to anger the others recklessly, “Yeah. Although you’re of mixed race, but you actually look more like Zhong Nuannuan’s sister. After all, both of your appearances are at least of the same level.”

Zhong Qianqian was at a loss for words.

Only

Selina giggled when she heard this. “Young Brother Leng, you’re really good at talking.”

After saying that, she winked at Leng Qirui.

Leng Qirui’s cynical attitude froze for an instant, and he subsequently became speechless.

Why did he have the feeling that he was being toyed with?

Leng Qirui coughed, and suppressed the weird feeling of being flirted with. “By the way, how did you get Zhong Nuannuan to accept you as her older sister?”

This woman was a cruel T-Rex, so Leng Qirui was actually very curious about this.

Selina was taken aback, and then without a shred of shame, she said proudly, “I don’t consider her a sister. How can I be her sister? She’s my big boss!”

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 378: Face Slap**

Not only was Leng Qirui not surprised when he heard this, he even nodded as if this went without saying.

At this time, the class bell rang, and Leng Qirui said, “I’m inviting her and her roommates to dinner tonight, since you’re her sister, come along with us.”

Selina looked at Zhong Nuannuan. “Can I?”

“Of course.”

Selina was overjoyed. “Okay, okay, then I’ll come over and look for you when you’re finished with classes.”

“Sure.”

Selina walked past Zhong Qianqian and suddenly stopped.

"Tsk tsk, you're my Nuannuan's elder sister? No wonder people say that your looks are not on the same level as my Nuannuan. How embarrassing! How can you dare to come to school with such looks?"

Immediately, Wu Wenqian stood up. After all, Zhong Qianqian was now the Gu Family's future young mistress, as long as she had a good relationship with Zhong Qianqian, she could ask Gu Mingzhe to introduce her to a young talent or something in the future.

Therefore, Wu Wenqian did not hesitate to step forward at this moment.

Li Shanshan, who was on the side, saw this and hurriedly pulled back Wu Wenqian, but unfortunately, it was too late.

"What are you then? Anyhow, our Qianqian is the young wife to be of a wealthy family, and the future daughter-in-law of the Emperor District's Gu Family. What else do you have besides being slightly more beautiful? Hmph, there are so many beautiful women in this world, but what good is beauty alone? You're just a plaything on a man's bed. No matter how good you are, you can only ever be a mistress, so don't even think of being anything else."

"Smack!"

A crisp slap rang through the entire classroom.

"You..."

Wu Wenqian covered her face and looked at Selina, who had viciously attacked her. Before she could say a word, she was tightly seized by the throat.

Selina had felt disdain for this pack of dogs that surrounded Zhong Qianqian for the longest time.

Big Boss had already abandoned her life as a criminal and vowed to leave the circle, but she had not.

Thus, even if these clowns could not be killed, they should at least be taught a lesson so that their mouths would not misbehave in the future.

However, Selina could not control her strength at all, and this one grasp almost robbed Wu Wenqian of her life.

If it was not for Zhong Nuannuan, who saw that her strength had not been controlled properly and stopped her in time, Wu Wenqian's life would have been over.

This period was the head teacher, Teacher Liu's, class, and as soon as she entered the classroom, she was stunned by the scene before her.

It was not until Wu Wenqian was rescued that she wept and complained with a sorrowful expression, "Teacher Liu, Zhong Nuannuan and Selina are just too much! They almost strangled me to death just now!"

Teacher Liu was a bit speechless. "Wu Wenqian, speak honestly. When I came in just now, I did see this girl strangling you, but Zhong Nuannuan came to save you. How could you simply accuse her?"

“Smack——”

Only

Another loud slap rang out.

This time, it was Zhong Nuannuan who slapped Wu Wenqian. She even slapped her right off her feet.

Wu Wenqian’s face was crooked when she fell to the ground.

She got up from the ground with great difficulty, then stared at Zhong Nuannuan with a shocked expression.

She knew that Zhong Nuannuan came from the countryside and had great strength, but she also came from the countryside herself, so why was she not as powerful? She was blown right off her feet! Now, her whole head felt dizzy, and she started to have tinnitus. She could not even say a word at all.

“Nuannuan, how could you...”

Zhong Qianqian stood up and wanted to teach her a lesson as an elder sister. However, after meeting Zhong Nuannuan’s extremely cold gaze, she could not say anything.

### [My Sweet Physician Wife Calls The Shots](#)

#### **Chapter 379: Eating Poop Live**

Zhong Nuannuan walked to Wu Wenqian’s side. “That slap just now was to tell you that food can simply be eaten, but words cannot simply be said. If I hear you say something bad about her again, even if it’s just one sentence, you can kiss goodbye to your face.”

Wu Wenqian’s feet were swollen after being stepped on by Zhong Nuannuan, and her face had also been slapped by Zhong Nuannuan. She was in so much pain that she almost collapsed, and now, when faced with Zhong Nuannuan’s warning, she shrank in fright and no longer dared to say anything.

Selina sneered. “Climbing onto beds, that’s something that only a woman that cannot be brought to the table like Zhong Qianqian would do. So what if she is engaged? She’s just a vassal for the young master of a small rich family. Is something like this even worth showing off?”

Zhong Qianqian got up angrily. She still looked like a willow branch trembling in the wind, which was the signature action that she learned from Ye Mengxi. However, Ye Mengxi was very skinny, while she was slightly more robust, so this felt a little hurtful.

“I’ve never shown this off. My classmates only know about this because my fiancé proposed to me in public. However, now that you’ve said it, I want to tell you that yes, I am the future young wife of the Gu Family, and I do have the capital to show off, unlike a vulgar person like you. Wu Wenqian is right, even if a woman like you kneels and licks my fiancé’s toes, he won’t take a single glance at you! Also, I advise you not to use your fists anymore, if you dare to do it again, I’ll have my fiancé send someone to arrest you immediately!”

Although Zhong Qianqian was tense, there was still a hint of fear in her gaze, seemingly afraid that Selina would beat her like she did Wu Wenqian.

Unexpectedly, Selina flashed her an evil smile. “Emperor District’s Gu Family, right? Tell me... If you find out that the Gu Family has been destroyed by me when you marry into the Gu Family, will your fiancé and in-laws still spoil you?”

Zhong Qianqian’s eyes widened, and a look of shock flashed through her eyes, but she immediately recovered her nerve and sneered. “You know what? You’re a good sister to Zhong Nuannuan, since you’re both country bumpkins. If a person like you can lay your hands on the Emperor District’s Gu Family, I’ll live-stream myself eating poop!”

Selina, ‘I want to watch!’

Zhong Nuannuan, ‘I want to watch too!’

This battle of words ended with Zhong Qianqian’s narrow victory.

However, this was simply what Zhong Qianqian thought.

On the other hand, Selina and Zhong Nuannuan were already prepared to watch her live broadcast.

Zhong Nuannuan’s cell phone vibrated when class started, and when she turned it on to have a look at it, she saw that it was from Selina.

[Big boss, I want to watch that wretched Qian eating poop on livestream!]

Zhong Nuannuan replied. [Approved.]

Selina: [Love you, love you, love you!]

“What’s Selina’s background?” Leng Qirui asked as he approached Zhong Nuannuan.

“She’s from overseas.”

Only

Leng Qirui asked, “What kind of overseas background?”

“I came from the mountainous areas. How would I know what her background is?”

“But she even calls you big boss. How did you get to know her?”

“She was bitten by a poisonous snake in our village, and I saved her life.” Zhong Nuannuan lied without batting an eyelid.

“No wonder she’s so nice to you.” After thinking about it, he recalled that he also had a good relationship with Zhong Nuannuan because he was rescued by Zhong Nuannuan. The relationship of life-saving grace was indeed different from ordinary relationships. In this regard, he and Selina did have a common language.

After school, under Leng Qirui’s invitation, Zhong Nuannuan invited the three students in her dormitory to have dinner together.

They found Selina already waiting at the door. Hence, the group of six went to eat happily.

#### **Chapter 380: Striking Up A Conversation**

Zhong Nuannuan liked to eat crayfish, so Leng Qirui chose a restaurant that specialized in crayfish.

“Junior Mu, what a coincidence that I actually met you here!”

As soon as everyone sat down, a person stood beside Mu Qingxuan.

Mu Qingxuan was slightly puzzled. “Who are you?”

The visitor laughed gently, with a sincere smile on his elegant and handsome face. It was the easiest to impress ignorant girls with a smile like this, but this kind of smile made Zhong Nuannuan frown, as Selina also raised her brow slightly.

This was because their elder brother, Feng Shengxuan, was an elegant, handsome, and exquisite man who had an evil charm.

Such a man appeared to be easy to talk to and approach, but was often the most dangerous breed of all. Even Selina often felt nervous when interacting with him.

If Big Boss and Feng Shengxuan did not share a good relationship, she, Aiden and Dan Qi would definitely not have teamed up with him when the organization was destroyed in the start.

“I’m a sophomore studying computer science in the university department, my name is Ling Xuyao. I saw your painting at the school exhibition that day, and I think that you painted very well, so I paid attention to you. I was thinking about when I should come over to the senior high department to discuss painting with Junior Mu, but I unexpectedly met you here, so I took the opportunity to come over and say hello.”

Taking a look at Zhong Nuannuan’s party, Ling Xuyao continued to smile and asked, “Can I sit down and have a meal with you?”

“I don’t know you.” Mu Qingxuan looked dazed. She did not even know him, so how could she allow him to sit down?

Ling Xuyao was a little embarrassed, after all, he was considered the most handsome man in the computer science department. Although he could not compare himself to the school hunk, Leng Qirui, in terms of appearance, he could definitely capture the heart of a young, artistic girl like Mu Qingxuan.

“I know that you’re not familiar with me, but every relationship starts with unfamiliarity. I really like painting, and I admire you for your skills, so I want to make friends with you, is that okay?”

Ling Xuyao spoke very lightly. Although he was annoying, with his temperament, people were unable to simply dismiss him as a fly.

Mu Qingxuan did not hate the man in front of her, so she looked toward Young Master Leng. After all, Young Master Leng was the one who had invited them to dinner today, and they were all his guests.

Leng Qirui did not care, so he looked toward Zhong Nuannuan.

Seeing that Mu Qingxuan and Leng Qirui had no objection, Leng Xuyao was already about to sit down, but Zhong Nuannuan refused him mercilessly. "If you admire her, you can look for her in school and ask her out for dinner. However, we're having a private gathering now, so don't you think that it'd be very inconvenient for us, as a group of people who are very familiar with each other, to entertain an outsider like you?"

Only

Zhong Nuannuan's words made Ling Xuyao feel very embarrassed.

He was a scholarship student from the university department and had no money. Where would he get the money to treat Mu Qingxuan to dinner?

He felt that Zhong Nuannuan was slapping him in the face.

In reality, Zhong Nuannuan was indeed hitting him in the face.

Mu Qingxuan had married Ling Xuyao in her previous life, but not only did he not cherish her, he even engaged in an extramarital affair behind Mu Qingxuan's back. In the end, when Mu Qingxuan went to catch them in the act, he colluded with his mistress to push her off the roof, causing her to fall to her death.

Coincidentally, she was helping Feng Shengxuan to kill someone at the time, and witnessed this scene.

However, because she wanted to kill someone there, she had hacked into all the security cameras. Thus, the Mu Family never found the murderer, and were also deceived by Ling Xuyao, the sanctimonious hypocrite.
