

Pure Girl 121

Episode 121

"Little Thing, do you know what time now?"

"What time?"

"12 o'clock in the afternoon."

"O."

But she does not have intention to wake up from her bed, Yu Ao Tian curiously asked: "Today, don't you go for working or do you ask work leave from office?"

"No need to ask permission." Yao Yao face turned to be gloomy, she backed him, softly said: "I, I have resigned."

"En?" this is really something refreshing, before she has done many things in order to be able working but why now suddenly she took initiative to resign?

"Why? Are you really wanted to focus to be my lover?"

"No, going for working is meaningless, I don't want to go anymore." Actually this is best opportunity to tell Yu Ao Tian about yesterday matter but she is someone who dislikes complain or make small report.

"Oh... so that..."

"My, I feel little bit hungry, I go to cook, do you want to eat?"

"En, you cook." When he sees Yao Yao leaving the room, Yu Ao Tian pair of eyes flashed, slowly he takes his phone from bedside: "Long Ye, you go to check why Yao Yao resign."

"Ok, I will give you the answer later."

One hour later, Yu Ao Tian who has stayed quite long inside bedroom are wondering why Yao Yao haven't call him to eat, he wears shirt and going downstairs: "Bao Bei, how many dishes you make? It has been one hour but... Bao Bei, what happen?" his feet just entered the kitchen and saw Yao Yao bend down in floor, hurried he rushed to help her stand up. "Get burn?"

"No... I'm fine." Her eyes corner has tears and she really looks so cute for Yu Ao Tian

She feels little bit guilty: "I have burned... the congee."

"Hah." Yu Ao Tian does not restrain himself, he straightforwardly laughing hard, because her condition is really too cute. "The congee has burned just leave it, what are you crying for?"

"I really useless, even cooking the congee can get burn..."

"You say, a person like you, it is only me, Feng Chen Yi who wants you!"

"What do you mean Feng Chen Yi?"

"You even cook the congee over-cooked and burn, what else you can do? Aiya, it seems that in the future when I married you, I really need to pay more maids to help you."

That year, because her lacking in cooking she was teased by Feng Chen Yi, so she promised herself she ought to rouse to vigorous action. But who knows... she still same as she used to be, she cooked ten times congee, seven times failed and three times succeed. Yesterday when she cooked the congee for Yu Ao Tian, it was considered as the succeed one, three from ten.

"It is okay, you can't cook, let me cook for you."

"Ah?" Yao Yao blinking her big with moisten eyes because of tears, she seems not to ensure Yu Ao Tian's words, but when she sees Yu Ao Tian smiling eyes, her heart is strangely beating faster, "Thump Thump Thump".

"It will be done in moment, just wait for me."

"I, I want to learn from you, can I?"

"Of course you can."

Yao Yao is standing beside Yu Ao Tian, she sees how skillful he used the knife, simply to say she is stunned to see his skill. Actually this isn't her first time for her to taste food that make by Yu Ao Tian, but this is her first time she takes closer look at Yu Ao Tian who is cooking.

When she was at school, most of male classmate would come closer to those classmates who able to cook, furthermore for the male classmate who can cook were more welcoming by female classmate but she never have faith about man actually really can cook, but now she really witness the real and live example, she really believed it now.

Yu Ao Tian looks so good looking when he is cooking, really handsome, of course he also looks handsome although he is not cooking. Actually if she thinks carefully this man really have many strong points, really many. But...half-hearted, his moody character is really his lacking!

Whatever! Now looking at him again, he is not really that handsome.

"Ding Dong" (Door bell sound)

"Bao Bei, it seems there is guest coming, you go to open the door."

"Oh." Who will be? She has been long time not staying in here, today is her first time stay and someone has coming. Yao Yao is so curious when she walking to open the door, at the moment she open the door...

She is dumbstruck. How can... how can Director Wang, CEO Mu, and also Team Leader Sun coming here?

Outside the door those three people also dumfounded.

Sun Li frowned: "Aiyo, Xiao Luo, you really have your way ah, you even dare come to CEO's house to make small report."

"Huh, I have faith that CEO Yu won't favor anyone." Mu Yue coldly said, she stride over and walking inside the house, followed by Sun Li.

Yao Yao feels so awkward seeing both of them who has been walking inside the house, and then her eyes looked at Director Wang, she awkwardly smiles at him: "Hello Director Wang."

"Hello."

"Oh yeah, why are... are you coming to CEO Yu's place?" actually it must be Director Wang who is asking her why she is in CEO's house.

"Hehe, General Manager Long is asking me to come here, I also not really sure why I called to here, but I have faith... something good will happen." Director Wang elegantly smiled, one of his hand stroking Yao Yao's head and then he walking inside the room heading to the living room.

"Where is CEO Yu?" When Mu Yue is inside the living room, there is no trace of Yu Ao tian's shadow and her eyes is looking for Yu Ao Tian to all corners.

Yao Yao awkwardly pointed at kitchen direction: "Yu, CEO Yu... he is in kitchen."

Mu Yue is coldly glancing at Yao Yao, she brings Sun Li with her to kitchen...

"Hello CEO Yu."

"Yu, CEO Yu, how are you!" when Sun Li sees Yu Ao Tian's back, she can't stop herself to gulping her saliva, the main point Yu Ao Tian is someone belongs to cold and cool types of man. Moreover when seeing him wearing this kind of faintly discernible dress that exposed his muscle, he looks so charming.

"I am cooking, both of you wait for me in living room." Yu Ao Tian coldly said while busying with his some stuffs in his hand, he not even looked at them.

"Alright, CEO Yu."

"Yes, CEO Yu." Sun Li feels chill and her eyes meet Mu Yue's eyes and then both of them walking back to living room: "Sis, I always have feeling that CEO Yu is someone scary."

"Nonsense, he is only twenty seven but he has to manage one big company, he absolutely has dragon inside him (someone awesome), if he does not have domineering and intimidating aura, how can he be?"

"Ah? So CEO Yu is twenty years old? I thought he is someone in his thirties." Sun Li does not mean Yu Ao Tian old but more to his aura that he showed, he has mature aura inside him, somewhat he really not look someone in his twenties. Even Mu Yue who is in her thirties could not compare to Yu Ao Tian.

"This is very normal.

I have ever met Feng's Group General Manager, Feng Chen Yi. That brat this year is twenty two but he looked so senior, Li Li you must know, either CEO Yu or General Manager Feng, if both of them are not give domineering aura vibes, they won't stand in today society."

"En, I understood." Both of this sister cousins are talking while walking to the living room.

At the same time, Yao Yao also having conversation with Director Wang.

Mu Yue coughed one time: "Ehm." She is coldly standing up in front of Yao Yao.

And at this time, Yao Yao is hurried standing up: "Mu... CEO Mu, please have sit."

"Huh." Director Wang sighed, helplessly gazed at Mu Yue. "Come here, Little girl, you sit beside me."

"No, no need, Director Wang, all of you have chat, I will go to help Yu... CEO Yu."

"Xiao Luo, you really good at butter up, you are? I advice you better to give up this thought. No one knows who will be able to climb at CEO Yu's bed but for sure the person won't be you, you really not see yourself clearly, you have baby face, how can it attract CEO Yu?" Sun Li really said something so harsh.

Both of them at least have been colleagues for half month, during that time she hasn't sensed Sun Li is someone like this, or perhaps because she has joined to society for quite long time so she has so many sides.

"Sun Li, you don't need to talk much shit with this kind of person." in front of other people, this cousin sister always showed their boss-subordinate relationship.

"Oh, I understand, CEO Mu."

Both of them are really spoken poorly about her, they have made her to resign from her job but why they haven't satisfied? Yao Yao biting her lips, make fist from her hand.

At this time, Yu Ao Tian is walking out from kitchen, gentle and softly said: "Bao Bei, the food is done, come to have your meal."

"Ah?" both of Sun Li and Mu Yue looking each other, both of them really want to know who is Bao Bei, addressed by Yu Ao Tian? Is there any other person inside this house?

"Oh, under... understand." Yao Yao awkwardly walking toward the dining room, she can feel the surprised of Sun Li and Mu Yue expression from her back.

Mu Yue and Sun Li can see Yu Ao Tian and Yao Yao, face to face from the living room to dining room. They got shock.

It is only Director Wang who smiles brightly without thinking anything.

"Is it taste good?" Yu Ao Tian puts the Chicken drumstick to her bowl.

"En, taste so good!" she nodded, her mouth is filled with food, but she isn't flattering Yu Ao Tian but because it really taste good.

"Bao Bei, you eat slowly." Yu Ao Tian helplessly wipes her mouth, he gently touched her nose tip: "You be careful don't get choke!"

"Oh, it is okay."

From the living room to dining room, both of their "loving affection" have pierced into Mu Yue and Sun Li eyes.

But can't avoid Yu Ao Tian domineering aura that dominating the atmosphere...

The business world has business world etiquette, the company internal department has their own etiquette, as CEO in one company someone must have CEO aura, so that seeing Yu Ao Tian who is eating in dining room while his subordinate who is waiting inside the living room, this really something unimaginable prestige!

After half hour, all the food which served to the table has been wiping clean by Yao Yao, she almost licking the plate until clean.

For once again Yu Ao Tian really admires Yao Yao eating ability, if he really poor little bit, perhaps he really cannot support this little thing!

After he cleans everything, finally he walks to inside the living room: "All of you are waiting for long time." He coldly said.

Mu Yue awkwardly smiled: "No, No, No, CEO Yu, this we ought to do." Her eyes not dare to look at Yao Yao who is standing beside Yu Ao Tian.

"Oh, yeah, I would like to introduce, this is my girlfriend Luo Yao Yao." Yu Ao Tian puts his hand on Yao Yao's shoulder, he smiles warmly to Yao Yao.

Does Yu Ao Tian... do it purposely?

Although she looked little bit awkward, but inside her heart actually she is... feel the opposite, she feels so sweet! After all just now Sun Li was jeered her, as the result Yu Ao Tian paid her back hardy in instant 7-at "one hard slaps".

Secretly feel happy, Yao Yao took glance toward Mu Yue and Sun Li expression, both of them are lowering their head, while their body are trembling.

"CEO Mu, yesterday when you arrived, but it turned that my body felt little bit uncomfortable so I not joined to your welcoming party." Yu Ao Tian embraces Yao Yao and sat down in sofa.

Mu Yue awkwardly smiled: "CEO Yu, you really too courteous, there is no sense for you to welcome me."

"Hah, how is France?"

"Hm, it is quite good."

"En, just so in right time. This time do you get interested to France for our vacation, Bao Bei?" Yu Ao Tian smiling sweetly to Yao Yao.

Her head looking down shyly, "Do as you please..

." somewhat the room atmosphere is filling with so strange and weird air.

This kind of feeling not only she felt it but also Mu Yue and Sun Li.

At the moment they knew Yao Yao is Yu Ao Tian's girlfriend, their first reaction is ㄟ- deadmeat, no one's understand why Yu Ao Tian is talking all-around but not to the point.

Actually Mu Yue can't bear it anymore, her straightforward nature, directly opened her mouth: "Yu, CEO Yu, have you heard about yesterday matter?"

"Yesterday matter?" Yu Ao Tian furrowed his brows, coldly asked: "What did happen yesterday?"

"It was something that regarding to... to your girlfriend."

"Yao Yao? What was it?" Yu Ao Tian acted as if he does not know what is going on and stare at Yao Yao.

To be honest, Yao Yao really not believed if Yu Ao Tian does not know anything, otherwise how could he gather these three persons who were involved in yesterday matter?

"Well, it is, CEO Yu."

"It is better I say it." Seeing how Mu Yue dillydallies, Wang Han directly spoke up: "Yesterday when we were in meeting room, Team Leader Sun has ordered Xiao Luo to prepare the blueprints and matrices copies. But the result, Xiao Luo only prepared four sets, actually it must be prepared 30 copies. Hence, Xiao Mu was insisting to fire Xiao Luo."

"CEO Yu, no... it was not, actually..."

"CEO Mu, you don't need to explain." Yu Ao Tian is completely not give Mu Yue opportunity to speak up, he coldly said: "I think you solve the problem very good, it was Yao Yao fault, so she must be fired."

After listened to Yu Ao Tian, Sun Li took long breathe, but somewhat Mu Yue felt even nervous.

"No, CEO Yu, actually... actually after I have thought about this matter carefully, I do think it wasn't fully Yao Yao fault. It was Sun Li who gave command to Yao Yao to do it, so she must take the responsible too."

"Oh? Regarding to CEO Mu... how should this problem to be solved?"

"That, how about not fire Yao Yao but instead we give both of them demerit. Can they, CEO Yu?"

"Of course cannot!" Yu Ao Tian looked dark: "CEO Mu, you must know me that I always differentiating very clear between reward and punishment, I hate the careless employee, this time if giving both of them demerit what is use of warning? I think, it better come to the first idea to fire Yao Yao, and about Xiao Sun..."

Sun Li feels her heart tighten, she panic keep on looking at her cousin sister, non-stop signaling SOS from her eyesight.

Mu Yue also cannot do much and frowned, hurried said: "CEO Yu, how about to demote one level for both of them. What do you think?"

"Demoted by one level..." Yu Ao Tian is acting pretending he is in difficult position and looked at Wang Han: "Director Wang, what do you think?"

"To demote by one level is acceptable. Sun Li will be ordinary staff after she demoted but Xiao Luo is already ordinary staff before, if she gets demoted she will be super ordinary employee, but what will we do about it?"

"Well, how about to promote Yao Yao at one level and then after one month we demote her, can this do?"

HaH!

If not because Yao Yao forcing herself not to laugh, maybe she has already laughing until her vein comes out, simply to say Yu Ao Tian really so cunning, she never meet someone like him who able to use his power to support his bad and evil nature!

First he is trying to force CEO Mu to show her diffident, and then force her to suggest the punishment for Sun Li, and also suggest Yao Yao to get promote by one level, after one month demote her?

Hah, this Yu Ao Tian really good in calculating, he surely does know that one month later she must back to study at school, doesn't he?

"Yu, CEO Yu, I accept my punishment from you, but Xiao Luo just joining the Finance department less than one month, how can you promote her to be Team Leader?" Sun Li is questioning Yu Ao Tian decision. She really not afraid to demote but she just afraid if Yao Yao become her supervisor because she had done something to Yao Yao before, anyone must take revenge.

"Well promote to two levels."

"CEO Yu!"

"Three level!" at the moment, Yu Ao Tian eyes is gleaming dangerously, his domineering aura is intimidating both Sun Li and Mu Yue so they cannot say anything.

They are afraid if they keep on speaking, Yao Yao position may promote more than General Manager levels.

"I, I understand, CEO Yu, if there is nothing to be said, I will take..."

"Hm, CEO Mu, don't rush to leave. I heard you have done very well in France subsidiary company, I have decided to keep you working at there for 4 years.

"Ah? Yu..."

"Well, both of you can go now." Yu Ao Tian really does not give Mu Yue opportunity to speak.

Her face is dark when taking Sun Li out together with her from Yu Ao Tian's villa.

"Cousin sister, actually at the beginning CEO Yu not mentioned about my matter, why did you tell him?"

"You are foolish. Do you think based on your position CEO Yu would personally ask you to come? If I really pretended to be fool, the result must be more severe!" no matter what to say Mu Yue is also one of the top level management, she has ever accessed Yu Ao Tian work environment before, so she really understood how Yu Ao Tian solved things.

"You ah, when CEO Yu wanted to promote Xiao Luo one level I didn't dare to speak up but see what did you do? Now, Xiao Luo is promoted to be Manager, I really want to know how your days in Finance Department later!"

"I really not believe, CEO Yu will promote Xiao Luo as Manager."

"Hah, CEO Yu is someone keep his words, you will see whether CEO Yu dare or not! Moreover, I can guarantee, no one dares to complain."

"Impossible. Does CEO Yu that scary?" from just now when she met Yu Ao Tian, Sun Li only could feel the domineering vibes from Yu Ao Tian that intimidating, but after she heard what her sister cousin said, she really can feel Yu Ao Tian is scarier person. "Forget it, I don't burden you sister cousin is good enough.

"

"Do you think you aren't burdening me? CEO Yu always killing people without trace, he keeps me 4 years just waiting to demote me by three levels, I am more severe than you!"

"Ah? Sister cousin, this time I really sorry to you." Sun Li not even can cry, she thought she have quite big backup, but now when she knew...her backup is nothing compare to Yao Yao... not even comparable to Yao Yao's fart!

After Mu Yue and Sun Li left, Yu Ao Tian free Yao Yao: "Director Wang, how is the capability of the current Finance Manager?"

"So so, he is only substitute manager, if you ask Xiao Luo to replace him, I think it will be thorny problem. But you can promote him to be new manager and then let Yao Yao to be vice manager, I think this is much better."

"En, just do it."

"Ah?" Yao Yao who is silent suddenly open wide her eyes, looked at Yu Ao Tian and showed unbelievable toward him: "what do you mean? I thought you are kidding just now."

"Did you think I am kidding?"

Nonsense, who would think he is kidding, it only because two words, she has got promoted from ordinary staff to vice manager, wouldn't the employees protest?

"Don't like this, this will attract other dissatisfaction."

"HaHa, little girl, CEO Yu has enormous words weight, if whatever he said not counted, it would be the real problem." Director Wang Han stood up: "CEO Yu, this matter, let me to settle it. I take my leave."

"En."

"Director Wang... Director Wang..." Yao Yao is trying to stop Wang Han, but he has already left.

"Yu Ao Tian, do you think this is best solution?"

Yu Ao Tian coldly looked at her, one of his hand support his head and leaning backward on sofa.

"Why don't you say something ah?" Yao Yao is so curious and squat in front of him.

"Little Thing, if later you dare to call my name, I will strangle you to death!"

"Oh... Ao Tian, well do you think I have capability to take vice manager position?"

"Hehe, just give it a try." Whatever he not really care about Yao Yao capability, he didn't fire Sun Li because he wanted to see how Yao Yao will act when she become Sun Li's boss!

"Give it a try?" Yu Ao Tian said it so easily, just forget it, whatever she will back to school soon, just take it as practice.

"Oh yeah, just now... thank you."

He smiled deviously, one of his hand raised her chin: "Little Thing, later if you meet this kind of problem, you can tell me directly."

"I can't do it." Yao Yao expressionless.

"Can't do it?"

"If you ask me to make small report or complains, sorry I can't do it. Both of it is no good, neither for me nor for you."

"Ao Tian, that person is bullied me."

"Ao Tian you must help me to take and make the decision."

Long time ago, those women who were stayed beside him like to make small report or complain. So, it already comes to be habit. For long time, finally he feels so annoying and irritating with those women.

But now...

He meets girl who won't do that small report or complain, inside his heart it has something that he can't describe. Perhaps because of this, he never feel boring when he with this little thing.

"Bao Bei, stand up." Yu Ao Tian is already stood up, he pulled her to sit beside him.

Yao Yao spotted him to take the TV remote.

"Uh Oh it really feels good." Suddenly there is an erotic sound from the television when he turned the TV on.

Yao Yao is shocked when her eyes looked at television, her face turned red at sudden. She hurried to go since the remote is with Yu Ao Tian.

She is going to be crazy if she hears it because Yu Ao Tian purposely makes the volume louder.

Actually Yu Ao Tian just likes to play frank with her, teasing her when he is in his good mood. But sometimes, Yu Ao Tian also can lost his control when he playing with Yao Yao. But somewhat there are something strange between them, no matter how Yu Ao Tian wants Yao Yao to be his, he won't really force her to do and patiently waiting for her to do it willingly with him. He never behaves in this way before toward any woman in his life.

And even when he almost at his limit, he still prefer to endure rather than break his promise to Yao Yao, he won't do it if she not ask for. So, that Yao Yao has faith in him although he sometimes goes overboard with his teasing..

Episode 122

"I like you." Yao Yao said softly to Yu Ao Tian, sweetly and smile at him.

At the moment Yu Ao Tian stunned but another second his expression changed, he smiled helplessly to her: "A Like that similar to liking big brother, is it you mean?"

"En."

He has already known that she would give him this answer. But there is a time he really thought she meant real, as predicted she... is only a little girl!

"Didn't you tell Nan Lu that you dislike me? But now why you like me?"

It seems that time he heard her conversation with Nan Lu.

"It was last time matter. You had cooked for me, you also helped me to wash the pant which wet with pee. So I like you. But still if you do something bad, I will hate you too."

"Little thing, after I listen to your words..." suddenly Yu Ao Tian pinched her chin: "I realized, you really takes me as your servant!"

"No, it is not like that." For the naïve Yao Yao, she really appreciates everyone who treated her well, although Yu Ao Tian had hurt her for many times.

And then...

Actually there is something that Yao Yao does not know, actually Yu Ao Tian is clean-freak, not to mention washing pant, even washing clothes he won't do it, furthermore cooking, most of time he only cooks for himself.

But now without he realised, he really does all those things.

Is it because the scar?

His deep black eyes are staring at her shoulder, he removed his hand from her chin and his lips gently kissed on her scar...

"Uh?" Yao Yao dumbfounded, on this moment she can see Yu Ao Tian's pair of eyes is shiny brightly, every times he looked at her shoulder's scar, he would shown that kind of eyes expression, why his eyesight looks so different? Ao Tian, you...

"Let forget everything that happened yesterday, now you are in my..."

(Phone Ringtone)

When she is thinking the answer for her own question, suddenly her mobile phone is ringing. She hurried to pick it up: "Hello?"

"Yao Yao..."

It is Yao Yao's mom phone call. She could feel something wrong in her mom's voice: "Mom, what happen?"

"I, I am fine, you, do you have time now? Come to hospital."

"I have! I will go there immediately!" is her mom crying? What is going on? She hung up the phone call, nervously she took one of her clothes from her wardrobe.

"Bao Bei, what happen?"

"Hospital, something is happened in hospital, I ... I need to go there."

"I will drive you to there."

At the beginning Yao Yao is refused because she remembered that Yu Ao Tian ever came to visit her family in hospital with Mo Xue Tong. She afraid her mother and grandfather will know her relationship with Yu Ao Tian. But, Yu Ao Tian promised her he would only drive her to the hospital and not meet her family.

"Where are my clothes?" Yu Ao Tian asked Yao Yao when he could not find his clothes.

"Yesterday all your body was sweating so I put your clothes to laundry. It seems only the shirts that already dry."

"It is okay, don't I have any clothes in your place?" Yu Ao Tian opened the wardrobe.

"That suit does not belong to you." Yao Yao said when she looked Yu Ao Tian is already opened the wardrobe.

"Humph! Whose suit is it?"

"You listen to me, do you still remember two years ago incident when I met you in Host Bar, the day I running from you?"

"En!"

"I was running from you. My body only covered by quilt. I had jumped from second floor. During that time, by my good luck there was good person who helped me and gave that suit to me. So I didn't run naked."

If not Yao Yao said about this matter, he almost forgot that two years ago he had torn-off her clothes before she was running. He never thought this little thing has guts to be naked and run away from him rather than stayed beside him.

When Yu Ao Tian's eyes spotted at the suit's brand, his eyes gleaming... this suit was belonging to him!

"Bao Bei, do you know the suit owner?"

"Ah?" Yao Yao didn't see the person because that time she was panic and only thinking to escape. So she really didn't know the person. She really hopes that one day she could meet the person and thank him personally. "I don't know because I didn't see his face.

"

"Hah! Perhaps you will meet him soon!" Said Yu Ao Tian who is already known the suit owner.

"Let's go to the hospital."

Yao Yao is going to hospital with Yu Ao Tian but he just drove her to the hospital in front. She is worried something and along the way to hospital she looked so anxious. She is afraid her grandpa sickness gets worse.

Her mother is strong woman, so what kind of matter that makes her mother crying? Does her grandpa sickness worsen?

Pei Pei! Her grandpa is good person so the heaven will protect him.

When she arrived at hospital, she is rushing to her grandpa's room. She tried to control herself before she enters the room: "Mom... You..."

At the moment she entered the room, her eyes spotted Li Mei Yun who sits in the sofa while Xiao Zhen is standing beside her.

They... why they in hospital?

Strangely her body quivering, Yao Yao nervously gulping her saliva, trying to be composed: "Miss Li, why are you coming here?"

Li Mei Yun smiles sweetly, her eyes looked at Mother Luo: "Aunty, this matter should you or me who say it?"

"What... what's matter?" Yao Yao has bad premonition and she is having cold sweat now.

"I will say it. Miss Li, my father in law condition not really well, can we have talk at outside?" Mother Luo spoke with begging intonation.

But Li Mei Yun does not have that intention: "I don't think it necessary. Will going to outside better than speaking in here? Just afraid, there will be more people know about it, is it?"

"Daughter in law, it is okay. I trust Yao Yao, just say it in here." Said grandpa Luo who is lying down in his bed.

"Father..." Mother Luo almost got choked when she saw her father in law firm attitude. She also not dragged it anymore. She is slowly walking to Yao Yao in front.

Yao Yao is trembling when her mother walking closer to her.

"Yao Yao, this Miss Li... she said..." Mother Luo looked at Li Mei Yun: "She said that you are "support" by her boyfriend to be... lover, is it true?"

"Doomed" she could feel her heart tighten.

Actually on the moment she had spotted Li Mei Yun inside this room she has already known something bad would be happened, but when she heard this matter directly from her mother, she still helplessly to face it, it is not only she lost her face but she really worries about Luo's Family.

Li Mei Yun ah... Li Mei Yun ah... this time your movement is really merciless!

Li Mei Yun is sitting in sofa laughed: "Little girl, you say, usually how good am I to you? First time when I saw you in Ao Tian's house, I have been thought you as my little sister but you? You even dare to seduce my man in front of my own eyes!"

"That's right, Xiao Luo, in conscience, that day I have caught you red handed with Mr. Yu in bed, I thought you might reflect on yourself, so I didn't tell my Miss. But who knows that you are really such shameless?"

Stop it! Don't say anymore!

She has made self-preparation when she had decided to be Yu Ao Tian's lover.

But, hadn't Li Mei Yun revenged on her before? Didn't it enough? Must she tell everything in front of her mother and also her Grandpa ruined her family and then she will be satisfied?

"Miss Li!" Grandpa Luo is changing his position to sitting position.

"Father?"

"Daughter in law, I am okay." He waved his hand, coldly glared at Li Mei Yun: "You watch out your mouth, I am Luo Chang is soldier for two generations, I have strict teaching toward Yao Yao, I trust my Yao Yao won't do something like that!"

"Hah, old man, I don't care how you teach your granddaughter. But in fact your granddaughter is really my boyfriend's lover otherwise where those money come from, for doing the operation and medication fees?"

"This is all paid by my granddaughter's boyfriend. He is not the person you mentioned, that Yu Ao Tian!"

"Boyfriend?" Xiao Zhen and Li Mei Yun stunned to hear it.

Yao Yao knows something will get worsen!

"Aiya, little girl you are really awesome, you even dares to betray Mr. Yu and even have other boyfriend at outside! Hahahaha!" Xiao Zhen word is piercing.

Li Mei Yun also laughed: "Xiao Zhen, that is matter between Yu Ao Tian and Xiao Luo, I don't want to mingle with their business. But... old man." Her eyes flashed: "You can ask clearly to your granddaughter, actually her boyfriend who paid the medical fee or my boyfriend!"

"Yao Yao, tell this woman, who is paying the medication fees!" Grandpa Luo roared.

At this moment, she really wanted to say the person was Feng Chen Yi but the reality was not. If she really mentioned about Feng Chen Yi, the matter will get bigger. But if she really speaks honestly how pain her grandpa heart will be?

Yao Yao who head is bow-down finally lift her head up slowly, with red eyes: "Grand pa... I am sorry... all the medication fee... is paid by her boyfriend."

"Yao Yao, what are you talking?" Grandpa Luo felt as if got thunder in sunny day.

Xiao Zhen and Li Mei Yun are scoffing: "Hah, old man, what do you want to say?"

"Oh yeah, just keep your gibberish about your second or third generation which serving the nation, as for me, your family teaching is like this. You teach your granddaughter very well to be third wheel in other people relationship, simply to say... too good!"

"Shut up!" Yao Yao pissed off, she rushed in front of Li Mei Yun: "What do you want? Haven't you reached your goal already? You have succeed to insult and ashamed my family, make me cannot lift up my head in front of many people. What do you want still to do? Are you want to ruin my family and then satisfied?"

"Luo Yao Yao, you dare to be Yu Ao Tian's lover, why must you afraid? You have already done all the shameless things, why must be afraid I mess with you? When I treat you good, didn't you feel guilty toward me? If I was you, I really afraid I will bump myself to car and go die!"

"Is it? Li Mei Yun..

." cannot say! If mother knows she almost got rape, she will be so sad, cannot!

"Li Mei Yun, you dare to say that you were never become Yu Ao Tian's lover?"

"Hey, it was Mr. Yu who chasing my Miss, okay? She is not like you, because of money you climbed to Mr. Yu's bed, you can go and check, all the list of Mr. Yu's ex-girlfriend, did all of them like you? If not because you slutty bitch who keep bothering Mr. Yu, do you think he wants you?"

"Enough! Enough!" Mother Luo finally spoke up.

"Grandpa, are you okay?"

Her grandpa is touching his chest and waving his hand: "Yao Yao, Grandpa understood, it really grandpa fault, I am sorry. Yao Yao tell grandpa, is it because of grandpa?"

"It is not grandpa. Really not. I... I... I have been together with Yu Ao Tian from the beginning, grandpa, it is me who sorry to you. It is me who embarrassed our family, there is nothing to do with you." She really does not want her grandpa found out the real reason why she still together with Yu Ao Tian or else her grandpa will...be depressed!

"See, the truth is revealed, Luo Yao Yao is as predicted as someone who is shameless." This time, Li Mei Yun keeps adding oil to fire.

Grandpa Luo tears are streaming down: "Yao Yao, you are growing up, what kind of girl you are, I know it. Go, tell them you are not that kind of person! Go and say it!"

"Grandpa..."

"Aiya, things have been at to this point, if I were you I would prefer to face if, still trying to find excuse to protect your granddaughter, Ah~ the Luo's, the senior is really something while the young become lover, really shameless."

The maid of Li's really spoke too bad and hurt the Luo's old man heart and dignity. He is gritting his teeth: "Miss Li, I am terrible old man and lives at this age, never do something harmless to something against consciences. I have faith to my granddaughter she would never do something bad. If you want to blame just blame me who is burdensome my granddaughter, I can swear that whatever my granddaughter did all because of me, she becomes your boyfriend's lover because my sickness. But all is not matter anymore!" after Grandpa Luo said, he suddenly pulled the IV from his hand: "If I die, I won't be her burden anymore!" he hurried rushing to the window.

"Grand pa!"

"Father!" luckily that mother Luo and Yao Yao grabbed him.

"Keep on acting, continuing your acting, really get my nerve, crying and making commotion, I thought it only women could do that but never thought old man also can, really let me to watch big show."

Maybe Li Mei Yun thought that her grandpa is acting but Yao Yao knows very well her grandpa character, so she not dares to tell him. "Grandpa , don't, this is nothing to do with you."

"Miss Li! Miss Li!" Mother Luo emotion is stirring up and kneeling in front of Li Mei Yun. She hugged her pair of legs: "I beg you, we have cornered to this point, just let us off. My father in law cannot be upset more than this. If Yao Yao really did wrong, it must be my fault as mother. I beg you, don't make things more complicated, I beg you!"

"Let me off! I told you to let off!" Li Mei Yun shouted, raised her hand and slapped Mother Luo.

"Mom!" Yao Yao is trying to control her grandpa and seeing her mom got slapped by Li Mei Yun, she felt her heart as if being pierced by something, it hurt.

Her grandpa wanted to suicide, her mother is slapped by Li Mei Yun, all of this must be her responsibility but why her family must go through with all of this?

Guilty, pain, as if there is one big rock pressed on her, her tears flowing down, plead: "Miss Li, do you really want to force my family to death and then you will be happy?"

"This is what you seek, Luo Yao Yao!".

Episode 123

"Right, this is my fault. But what advantage will you get with all the mess? Li Mei Yun, everyone doing things has their own reasoning; don't you just want me to leave Yu Ao Tian? Well, you leave first, this matter I will go to settle it for you. But if something happen to my grandpa, I will bring you down with me!" at the moment Luo Yao Yao eyes is gleaming dangerously.

"Luo Yao Yao, are you trying to scare, you just third wheels, you are the real vixen, when the time comes just see who will bring down who, we still don't know yet!" Xiao Zhen puts her hand into her hips, scolding and swearing Yao Yao.

"Me? I am Luo Yao Yao, first I don't have money, second I am not famous, someone who with bare feet won't be afraid not wearing shoes, if you continuous all this ruckus, we will see who will be brought down, your Miss or me!"

"Luo..."

"Xiao Zhen, we leave!"

"Miss..."

"Move!" coldly she said, Li Mei Yun walked faster. Xiao Zhen followed at her back...

The room that have ruckus before suddenly turned be deathly silent, "Grandpa..." Yao Yao slowly let go her hand from her grandpa, she move closer to window: "If you still so stubborn to blame yourself, you are forcing me to die in here, I will die to let you see!"

"Yao Yao!"

"Yao Yao!" Grandpa Luo and Mother Luo are looking at her.

"Grandpa, everything isn't as what you think, your granddaughter also not as awesome as you think. My relationship with Feng Chen Yi wasn't fake but it was two years ago. We have already broken up. I afraid you would sad so faking him as my boyfriend and then the truth is... after I broke up with Feng Chen Yi, I have dated Yu Ao Tian!"

I am sorry, grandpa, you always taught me not to tell lie, but you also ever told me that we can lies to save others.

I know, you always love me no matter how big mistake I did, you would never blame me, so I really can't tell you the truth.

"Yao Yao! You don't need to make yourself difficult."

"I am not. Grandpa, I like Yu Ao Tian, I love him!"

"Are you sure? Yao Yao!"

"I am sure."

"Yao Yao! Even though you like him but why must become lover? Does he also love you? If he really loves you how would he ask you to be his lover?"

"I know, grandpa... I will resolve this problem. I will."

"Father, you calm down, this time is because Yao Yao not mature enough." Mother Luo is calming grandpa Luo so that he will forget to suicide. But he still wanted to stop the medication process so they won't spend Yu Ao Tian's money.

"Mom, you help me to convince grandpa for continuing his medication, okay?"

"Yao Yao, we pay back all Yu Ao Tian's money."

"Mom, it is useless, Yu Ao Tian and I bind with contract. Although you pay back his money, I am still his lover." Yao Yao is telling truth in front of her mother.

"Yao Yao, I am sorry. It is our Luo family... burden you." Mother Luo really felt guilty.

"Mom, what are you talking? I am part of Luo family, everything regarding about Luo's it is my responsible. But I ..." she stretched out her hand and touched her mother's face: "I am sorry, mom, it because me you got hurt."

"It is okay... I am okay Yao Yao. Mom is not afraid. But you... you must understand to protect yourself, you know?" After say, Mother Luo face is already wet by tears, both of mother and daughter are crying together, both of them feel helpless...

"Miss, I really not understand, why are you leaving? That slutty girl if she really wanted to make commendations, don't you able publicized your relationship with Mr. Yu? This is one of big step to make you being known publicly by all people as Mr. Yu's girlfriend. This also won't make Mr. Yu angry."

Actually Li Mei Yun also has huge hope for publicized her relationship with Yu Ao Tian, but he had refused it before. These days she doubted: "Do you really think that I don't want to use that slut little girl makes commendation? But, using this kind of method for publicized my relationship with Yu Ao Tian, all those media and also the internet, all of them will dig out my past who was once ever became lover. When that day comes... I have ruined my image and career. This will be big loss."

"Oh, That's right too..." Xiao Zhen agreed and nodded, she is trying to gossip with Li Mei Yun: "Oh yeah, Miss, you see that slutty little girl really grows not same with her Mother and Grandpa, perhaps she also "wild child" too?"

If Xiao Zhen not brought up the topic, Li Mei Yun also not paid attention: "Xiao Zhen, you really gossip, that is her family matters, none of my business, okay?"

"HeHe, I just am curious." Both of the madam and the maid are gossiping while walking out from hospital. When they are in front of second floor stairs, they see Yu Ao Tian is sitting down at the hospital's hall.

"Miss, that is Mr. Yu."

"Sst, I have seen him."

"Oh, it seems that both of Mr. Yu and that slutty little girl were together last night."

That's why because Yu Ao Tian and Yao Yao were not went home yesterday, Li Mei Yun came to here and made scene, actually she has tried to strike Yao Yao and Yu Ao Tian relationship with Ming Hui's case but only at one blink of her eyes, both of them are get closer again!

"Miss, what to do?"

"Haha, what to do? Just do the plan ahead!" Li Mei Yun narrowed her eyes, she walking together with Xiao Zhen.

**

"Mom, I take my leave first, about Grandpa..."

"You reassure; don't you understand your grandpa? He won't angry for long time. I will try to talk with your grandpa to continue this medication."

"En."

"Yao Yao, about you..

."

Her mother hasn't opened her mouth, Yao Yao has forced herself to smile: "You reassured, I promised you, I will be okay!" this matter happened one time is more than enough, but... if comes to second times, she has warned Li Mei Yun not to do this kind of thing but if she really not reflect, makes her family not peace, this revenge must be collected!

Still a same word, for Yao Yao her family is the most important.

Leaving the room, she heading to second floor and meet Li Mei Yun with Xiao Zhen who are still standing there. She made fist with her hand and her eyesight locked on them, who knows...

"Slutty girl, is your grandpa already death?"

Her footsteps stopped, she back and gave Xiao Zhen one slap: "If your mouth only can speak these kinds of words, better shut up!"

"You dare to slap me?" Xiao Zhen didn't show her weakness.

Li Mei Yun pulled her: "Xiao Zhen, wait." Her eyes coldly looked at Yao Yao: "Didn't you say that you are settling the matter? How to do?"

As for your wish, I will ask to break up with Yu Ao Tian, but whether he wants or not to break up with me, it is his matter."

"Hah. Do you mean that you are not giving up of Yu Ao Tian?"

It is not that I am not giving up on Yu Ao Tian but how if Yu Ao Tian who does not want to giving up on me? Yu Ao Tian such bossy and domineering man, he won't stop if he hasn't reached his goal?

"Miss Li, in my past I ever met third wheels, so that I really hate them just like you do. But, during that time, when I hate her, I did self-introspection, she made me understood actually what kind of man that stayed beside me!"

Why must she choose to break up with Feng Chen Yi at the moment she found out he slept with other woman and why didn't she just give him another chance?

Simply because when it happened one times than it would happen to hundred times too, so she heart-steel to give up on this love because after the first Ruo Ting there might be the second Ruo Ting, the third Ruo Ting, when the times really happen, what should she do? Should she continue to break up with Feng Chen Yi? And then should she reconcile with him again after that? Repeating the same story again and again?

She cannot deny, until this moment, she still loves Feng Chen Yi, there few times she really wants to be little bit impulsive and reconcile with him, but, whenever she thought about Ruo Ting, she really can't help herself to walkout from that nightmare.

"Luo Yao Yao, what do you want to say? Do you mean that is my fault or Yu Ao Tian fault?"

"No, I don't mean it. I admitted I have wronged but didn't you have revenged on me? Did it not enough?"

"So you have known about the truth, ha, Luo Yao Yao, you are really a schemer, since you have found out about it why didn't you come and ask me? You are really unexpected as naïve as I thought. Well, since you is not willing to leave Yu Ao Tian, I will continue come to find your family and talk about this matter."

What Li Mei Yun wants? Didn't I have told her that I will ask break up with Yu Ao Tian? What does she still want?

Seeing Li Mei Yun is going to leave, she hurried pulled her wrist: "Miss Li, actually what do you want from me?"

"Hey, Luo Yao Yao, what are you doing, hurry let go my Miss." Xiao Zhen suddenly raised her voice, her expression looked panic and worried.

In the chaos situation, Yao Yao really does not pay attention to her surrounding, she still pulled Li Mei Yun unwilling to let her go.

But on this moment...

Li Mei Yun's body is falling backward, falling downstairs.

"Miss!"

"Argh..." Suddenly Yao Yao felt herself is covered with cold air, her pair of big eyes is stared at Li Mei Yun who is rolling down, no, she is not pushing Li Mei Yun, but why...

Her eyes is nervously looking at Li Mei Yun who has already been downstairs, people are looking for the crowd.

Yu...Ao Tian, how can he still be here...

Not long after the chaos, finally she regained herself, no wonder Li Mei Yun and her maid were waiting for her, no wonder Xiao Zhen raised her voice and gave that worry and panic expression, so that they were planning!

Re-think, if suddenly she run to Yu Ao Tian and ask for break up, based on Yu Ao Tian's nature he must have been predicting the reason, at that moment the one who doomed must be Li Mei Yun, and at other side... if she acted alike unreasonable girl, Yu Ao Tian must give up on her, right?

Actually this is not bad to think this way, but... this time if Yao Yao really wants to leave Yu Ao Tian directly, she really not happy, first time Li Mei Yun had scheme her, the second time Li Mei Yun had come to make her family not in peace, now this is her third time, she really not happy about this!"

"Miss! Miss!"

"Mei Yun." Yu Ao Tian rushed and carried Li Mei Yun who has already fallen.

"Mr. Yu."

"Ao Tian... How... can.. you... be... here?" She spoke weakly.

Yu Ao Tian silent, he slowly helped her up and coldly stared at Yao Yao.

"I didn't push her!" Yao Yao coldly said while walking downstairs: "It was her who falling by herself!" she looked firm with her word, saying it to Yu Ao Tian.

"Xiao Luo, how could you speak in this way? I have been there, it was clearly you who pushed my Miss!"

"I didn't push her! It was herself falling down!"

"Why my Miss wanted to fall by herself?"

"Because she wanted to scheme me, put blame on me!"

"Put blame on you? Ha..." Xiao Zhen laughing sarcastically and with tearing eyes said: "My Miss is pregnant for 2 months, so in order to lay blame on you she must fall down from stairs?"

What! Pregnant! Impossible, Xiao Zhen must be telling lie! It must be absolutely impossible, how can Li Mei Yun gamble with her own child!

"Doom! Miss!" Xiao Zhen panic looking at Li Mei Yun.

"Xiao Zhen... what happen?" Li Mei Yun expressionless looked at Xiao Zhen.

She biting her lips, quivering pointed at Li Mei Yun's body: "Bleed...bleeding."

After Yu Ao Tian heard it, he hurried to take a look, he says nothing but hurried to carry Li Mei Yun to the emergency room.

"Impossible, this must be scheme, absolutely is!" outside the emergency room, Yao Yao expressionless standing there, she really wanted to see what other show and acting Li Mei Yun played.

"Xiao Luo, at this point you even said this kind of words!" Xiao Zhen despised Yao Yao.

"Me!"

"Shut up!" Yu Ao Tian who standing not far from there coldly said, his eyesight looked at Yao Yao: "I have seen it!"

"So what if you saw it, things that you see with eyes won't mean the real!"

Yu Ao Tian hurried showed his hands: "So how about her bleeding?"

"Fake! It must be planned by her before! Everything has been planned before!"

"Luo Yao Yao!" moved ahead one step, Yu Ao Tian raised his hand, mid in the air almost slapped her: "How can you be this stupid?"

"It's me stupid or you?"

"You!" Yu Ao Tian is still raising his hand...

"Mr. Yu." Suddenly the expressionless doctor walked out from the emergency room, he gave the report to Yu Ao Tian: "Sorry, Miss Li's child... can't be saved."

"See, is it fake?" Yu Ao Tian threw that report paper to Yao Yao's face.

Fake, it must be fake! Yao Yao is losing herself control; she hurried grabbing the doctor's shirt collar:
"Said, how much money did you received from Li Mei Yun, so that you telling lies!"

"Miss, what are you means?" The doctor said while hinting to Yu Ao Tian: "Mr. Yu, this..."

He sneered, his eyes gleaming, he grabbed Yao Yao: "I really feel so disappointed toward you!"

"Yu Ao Tian, why don't you believe on me?"

"Give me reason why must me?"

Reason....

That's right... what kind of reason? When it talking about feeling, Yu Ao Tian does not have any feeling toward her so why he must believe on her, he feels unhappy because he hasn't got her, if see from that incident, it was real that Yu Ao Tian had witness by himself, wasn't him?

Why must she want Yu Ao Tian believed on her? Why?

Yao Yao finally gained herself and back to her logic, she showed confused expression looking at Yu Ao Tian, she really not understood herself why must she want Yu Ao Tian to believe on her.

"You wait for me in here, don't go anywhere!" Yu Ao Tian frees her and go inside the emergency room.

"Ha." Xiao Zhen who standing not far from there is scoffing, rolled her eyes: "You get what you ask for!"

"Mei Yun."

"Ao Tian... I... huhuhu..." Li Mei Yun is crying helplessly.

Yu Ao Tian is walking to the bedside, coldly said: "Why are you coming to hospital!"

"I... I came for doing pregnancy test!"

"Speak honestly!" Yu Ao Tian eyes flashing, his big hand pinched her chin.

"Uh, hurt." Strangely Li Mei Yun quivering, she never thought that Yu Ao Tian could be this heartless to the point he is not caring to the child, once he opened his mouth, he is asking her why she came to hospital?

"I really came here to do pregnancy test."

"That's right, Mr. Yu, my Miss..."

"

Yu Ao Tian raised his hand and slapped Xiao Zhen: "You don't have right to speak in here! Get lost!"

"I am sorry Mr. Yu."

After Xiao Zhen leaving, the air inside emergency room is really suffocating, Li Mei Yun's heart is shivering, she could feel that Yu Ao Tian mood would explode, does he angry because of that slutty bitch who pushed her down? Or because... others thing? If she thought this way, Li Mei Yun purposely spoke with guilty tone: "Ao Tian..."

"Mei Yun, since you are not having intention to speak honestly, I will leave." Coldly he said and get ready to leave.

"Ao Tian, I... I really coming here to have pregnancy test, but after I done with it, I came to visit...Luo Yao Yao's grandpa."

"Humph? Went to visit, or went to provoke?" Yu Ao Tian narrowed his eyes, his lips curved up.

"I... I am sorry, Ao Tian, I am wronged."

He has predicted that Yao Yao would not be such lost control if she didn't get any provocation, but this time he really feels so disappointed toward Yao Yao.

"Mei Yun... you take care, I will come to see you again in few days." He left the room, hugged Li Mei Yun for while and his attitude looked so warm.

"Hu...Ao Tian, but our baby..." Li Mei Yun suffered, she crying in Yu Ao Tian's embrace,

"You rest assured, I will settle it."

After Li Mei Yun listened to Yu Ao Tian, her lips curved upward, make a faint smile. But she is not paying attention to Yu Ao Tian's eyes that hiding something...

"How could it happen? How? Li Mei Yun was taking her own baby to gamble, if she knew she pregnant from the beginning, she must taking good her child properly, mustn't her? On this way she must be able to make her position stronger." Standing in front of the room, Yao Yao murmured to herself, she really not understood why Li Mei Yun took huge gamble only to set her up.

At moment, she really suspicious whether she really pushed her down or not, but to rethink it, she dares and certain she wasn't!

"Huh, shameless thing, being third wheels is already shameless and now being the third wheel who harmed my Miss until she miscarriage, you will strike by thunder soon or later!" Xiao Zhen is cursing her.

Furrowed her brow, Yao Yao pissed off, biting her lips, but say nothing.

Not long after that, Yu Ao Tian gets out from the room.

"Mr. Yu."

As if not seeing Xiao Zhen, he directly looked at Yao Yao: "Starting tomorrow, you are not allowed to go for working, 24 hours to take care Mei Yun until she discharged."

What? Yu Ao Tian still dares to ask her taking care Li Mei Yun? So who will be responsibility if something happen to Li Mei Yun? Based on her poisonous nature, will she let her off easily?

"I refused."

"You don't have right to refuse, don't forget about your status!"

"You don't need to remind me, Yu Ao Tian, I know very well my status. If you are really hate me because I killed your child, you can give up on me!"

"Give up on you? Hah... doesn't it too generous for you?" he scoffed, his cold face get close to her:
"What kind of thing is more interesting as punishment except tormenting you slowly by slowly?"

Demon! Yu Ao Tian is simply a demon, that time he wasn't fire Sun Li and even promoted Yao Yao only to see how she will go and tortured Sun Li?

This man is so dangerous and scary, he will do thing to the limit so he will achieve the ultimate satisfaction!

"You don't need to look me with your innocent eyesight, actually I have ordered you to take care Li Mei Yun before? Now I just make it for you to take care of her completely, you must grateful because my merciful toward you!" after said, he smiled deviously and leaving the hospital.

Yao Yao is extremely pissed off: "Yu Ao Tian... I hate you! I hate you!" her shouting sound is echoed along the corridor, her eyes are filled with grief tears. She feels as if her heart is pierced with something, so hurt!

Hah, why must her heart feel hurt? Is it because Yu Ao Tian not believes on her? She never care with other people opinions before, so why she must care now?

Again, last time it was so obviously, both of them were interacting and having conversation like friend, but only in blink of eyes, he turned be her foe again. This feeling really...mess!.

Episode 124

The coming days, Yao Yao is treated as personal maid who is kept by them to serve Li Mei Yun. Li Mei Yun is created all kinds of difficulties for her. In order to stand for herself, she really does not know how to fight back.

"Slutty girl, didn't you hear what doctor say? My Miss cannot eat and drink cold, you even buy the cold things do you want to kill my Miss and then feel satisfied with it?" Xiao Zhen is angrily cursing.

Yao Yao coldly answered: "I will go to buy the new ones." She turned and left the room, she standing stupidly in front of the room's door.

Huh, really not understand, why she must taking care that woman who almost make her grandpa suicide, but she more not understand, where the loopholes and she even got this punishment? "Argh!" she threw the food, so angry and almost exploded.

"Miss, I really not understand, why not chase out that slutty girl."

Inside the room, suddenly take notice of Xiao Zhen's voice, Yao Yao who is crouching in front of the door, crying but her ears caught...

"Yu Ao Tian's thought, I will never could understand it. I thought with this, that little girl may go away, but..." Li Mei Yun sighed.

"Huh, it is pity the baby in your stomach."

"It is not pity, hah, I will never can give birth to this child."

"Why?"

"Ao Tian... he will never allow all the women beside him to bear his child, if there is child, must be abort it. So that he must force me to do it too and perhaps I might brawl with him. It better ended like this." Li Mei Yun touching her stomach, her eyes gleam sadness.

"HeHe, no matter what, Miss. Everything goes as planned, that slutty girl has created trouble for herself, makes Mr.Yu unhappy."

"Aha, she is stupid, she really does not understand to grab Yu Ao Tian's heart, but this is good, at least I know that girl is unimportant for Yu Ao Tian, he just wanted to play with her!"

At this moment, when Yao Yao listens to the conversation coming from inside the room, finally all her questions are solved...

It really wasn't her who pushed Li Mei Yun, as predicted it was her who did by herself.

The stone that pressed in her heart break down, she feels relieved...

Not to mention, although Yao Yao is understand thoroughly about Li Mei Yun but she really feel sorry toward the baby.

"HaHaHaHa, no matter how heartless Yu Ao Tian, at least he told two right things..."

First thing... Yu Ao Tian had ever told her very early about Li Mei Yun who is her idol in her heart, everything about her only an image that created by the management.

The others... she is indeed stupid!

"Hello." Taking out her phone with expressionless face, she slowly said: "Nan Lu, have time, I need... you help me to do..."

"Buying things take so long, really useless!" Yao Yao carried thing when she came back to the room, Xiao Zhen scolded her again.

She keeps silent, her eyesight sweeping at Li Mei Yun: "Miss Li, you have stayed here for 4 days, the doctor said that you can discharge, why not leave?"

"Oh yeah? Why did I not remember what the doctor said? Moreover, this is none of your business, okay?"

"Oh, I just simply want to ask." She shrugged and smiled sweetly: "if you don't have any order, I want to go out for moment."

"Get lost!"

Turned her back, Yao Yao is faster leaving the hospital. She took this opportunity to hail cab and go to Feng's group.

"Miss Lisa..."

Outside the General Manager Office room, Lisa lifts up her head to take glance: "Aiya, It is you Miss Luo, do you come to send document or meet the General Manager Feng?"

Yao Yao awkwardly smiled: "This time, private matter. I come to meet General Manager Feng for something."

"Oh, our General Manager Feng..." Lisa glancing to the office room, these two days General Manager Feng mood is obviously easy to be affected with Miss Luo coming so will it be any changes then? Does she the future Boss's wife? Perhaps nothing will be happened if taking her to his office room, right?

"Lisa, does General Manager Feng busy? If he really busy..."

"No, he is not busy. Come and follow me." Lisa escort Yao Yao to the office room.

When she entered the room, inside there are seven or eight managers who dressed in suit and directly looked to the door.

Feng Chen Yi who sat down in his seat spotted Yao Yao, his pair of eyes gleaming, when he wanted to speak...

He heard one of his employees shouted: "Who is this little girl? Unexpectedly come to interrupt the meeting in General Manager's office! Quickly get lost!"

Meeting? Is Feng Chen Yi in the middle of meeting? Yao Yao thought she must be get in trouble now, lower her head, with soft voice asked: "Miss Lisa, General Manager Feng is having meeting, why are you bringing me here?"

"It is okay, your coming to find General Manager Feng must be urgent, if I asked you to leave, I will be doomed!"

But now why she feels the person who doomed must be her? "I am sorry, I am sorry, sorry to disturb."

"Simply to say you don't have etiquette!"

"I am sorry. I am sorry." Yao Yao non-stop for apologizing, she turned and wanted to leave.

"Lisa!" Feng Chen Yi sees Lisa with cold eyesight.

She got the hint and nodded her head, she stopped Yao Yao, smiled sweetly to all the people inside the room: "Everyone, sorry to disturb, today meeting is dismissed."

"General Manager Feng, please don't be angry, this little girl just doesn't know about the etiquette, won't you just stop the meeting because of her, will you?" that person who roared at Yao Yao just now is one of the managers, he looked at Feng Chen Yi with smiling face.

Then he frowned and looked at Lisa.

"Manager Yu, you are fired." Lisa is smiling sweetly and gesture "please get out" to him.

That manager is confused: "What this means?"

"Manager Yu, don't you understand? You are fired, please leave! If you are not leaving, I will call the security guard!" Lisa spoke with firm attitude.

The others people are leaving quickly from Feng Chen Yi's office room after they witness the situation, so that Manager Yu also left.

"General Manager Feng, I take my leave." Lisa bowed, smiling to Yao Yao and then she left the office room.

She helplessly sighed, walking slowly in front to his desk: "Feng Chen Yi, you are fired that manager, will this...."

"He is my employee, I like to fire him and then I just did it, there is none your business!"

Fist!

Didn't she know the reason Feng Chen Yi fire that manager? But why must he act this bossy?

Ah! Forget it! Endure it, endure it, today is coming to beg him, please don't fight with him. "Oh."

"Suddenly coming here, what do you want?" Feng Chen Yi coldly asked.

"I, I come to ask help from you." Yao Yao is forcing herself to smile and she really hopes he gives face to her.

Feng Chen Yi cold face looked helpless: "What kind of help?"

"I, I want... I come to find you..

. want to borrow your credit card." Feng Chen Yi will let her borrow, right? He is so generous, he must let her to borrow it, right?

"Card? What kind of card?"

Uh? Is it because she not clearly mentioned it? "That unlimited Gold VIP Card."

"En?" Feng Chen Yi eyes rolled, stood up, he walked to in front of Yao Yao: "If I not mistaken didn't that man have given you that card? Why are you borrowing it from me?"

What should be said? Her eyes rolled, she keeps on smiling: "Borrow me ah, only 1 day, after one day, I will give it back to you, can I?"

"Ha, actually I don't mind, you know very well I don't mind. But... that kind of valuable thing, why must I let you to borrow it? You are not my girl friend, you are only my ex-girlfriend!"

Listened to his heartless question, Yao Yao strangely feel unhappy...

"Chen Yi, if one day we are break up, then I need help from you, will you help me?"

"Stupid, we won't break up!"

"Aiya, I just said if."

"There is no if. Because whether we are or not together, I will always prioritize your matter first!"

Because of his words, she weirdly felt so touched, but never thought she really remember what he said, this brat speaks and do are completely two matters!

"I come to find you only to borrow your card, nothing else."

"So what." Feng Chen Yi's body is leaning to his chair, both of his hand are hugged on her waist: "You pay little "Deposit", I will give you the card."

"Deposit? Forget it!" she break free Feng Chen Yi hand: "just think I never came." Her face is dark and running out from the office room.

Really regret, she must not come to borrow the card from the start, she must be crazy to think that he will surely let her to borrow his card!

Yao Yao is pissed off rushed out, she going out while cursing, but when she turned to the corridor corner, her footstep stopped...

Feng Chen Yi's side really no hope, should she go to Yu Ao Tian? Cannot! Cannot! Surely Yu Ao Tian will find out her motives. "Aiya, frustrated!"

The most hatred is Feng Chen Yi, it only a card! Why must he care so much? Why must he make thing so difficult for her? As the result both of them always have fight every times meet, really bored!

Her small hand inserted to her pocket, she wanted to take pace but her body suddenly froze.

Uh!

What is it inside the pocket?

"Feng Chen Yi you are bastard!" she laughed bitterly, because she touched something weird from inside her pocket, it is.... A real card!

That damn man since when he put it?

Her mind recalled the memory when she was inside the office room, she remembered the sudden when Feng Chen Yi hugged her, so he had put it during that time.

"Bastard! Bastard! Bastard! Feng Chen Yi you are simply bastard! Ah..." smiled with tears, Yao Yao looked at that card with bright eyesight.

"Hu..." calm down, calm down, she can feel her heart thumping hard and fast.

He body is leaning to the wall, she keeps quiet for moment, and takes out her phone...

"What's matter?"

After listened to the familiar voice from the other phone side, she coldly asked: "The pin?"

"Your birthday!"

A short word coldly said but strangely it gives... unlimited warmness for Yao Yao. "Feng..."

"Tutututtut." The phone call is hung up.

"Hah." She helplessly shook her head, one big tear flowing down from her eyes corner...

"uh, I am sorry." Perhaps because she is too happy, When Yao Yao is intending to leave Feng's group she bumped to someone.

"Hey, use your eyes while you are walking, you dare to bump into our Vice CEO Feng!"

When Yao Yao lifts up her head, she spotted Feng Chen Rui: "Oh it's you! Are you coming to find my little brother?"

Oh, Feng Chen Yi's older brother. "I have something to do in here, not really looking for General Manager Feng."

"Oh? I knew it."

Knew it? What are you knew it? Yao Yao showed her curious expression.

"I have got the information that you ever dated my little brother when both of you in Japan, right?" Feng Chen Rui had asked his subordinate to check on Yao Yao, the result little bit surprising. But, by the coincidence his confidant was Feng Chen Yi and Yao Yao school mates, so that he knew this secret.

"Oh, we were dated before."

"HaHa, little girl, you don't need to tell lie to me, I also knew that it was my little brother who cheated on you, so that both of you break up, right? Aiya, my little brother is little bit useless, he even not cherish when he had one good girlfriend like you, if you have time, let's we have chat, okay?"

"Vice CEO Feng, it is my first time to meet type of older brother like you, someone who talked bad about his own little brother? As what I know, General Manager Feng strength and capability are acknowledged by everyone, if talking about being useless, I don't think General Manager Feng is included as one of those people."

Yao Yao smiled sweetly, pouted her mouth showed her guilty: "Pardon me, I never like to talk much with the useless person. Vice CEO Feng, I don't connote on you, I take my leave."

Humph, dare to speak badly about Feng Chen Yi! Seek death! Yao Yao rolled her eyes, fasten her steps and disappeared from Feng Chen Rui's in front.

"Vice CEO Feng, that little girl..."

"Good talker, really cunning! No wonder she able to conquer that brat, Feng Chen Yi!" Feng Chen Rui fisted her hand until his vein appeared; he really not expected that little girl could be so protective to Feng Chen Yi!

In front of the hospital entrance..

.

"Nan Lu, I am sorry to make you wait too long." After leaving Feng's group, Yao Yao hurried to go to shopping mall, faster to choose few clothes, and rushed to the hospital.

She reunited with Nan Lu in front of the hospital and nodded her head: "It's okay, let we hurry!"

"Okay!" both of they are calming down, they are heading to Li Mei Yun's room with sweet smile.

In front of the room entrance, Xiao Zhen looked gloomy after she saw Yao Yao appeared. She came to shout at her again: "You slutty bitch, where are you going?"

"Zhen... sister Zhen, I ..."

"Hey, Xiao Zhen, you better to see clearly, although Master is asking Yao Yao to take care your Miss, but just now, Master was looking for Yao Yao..."

"Nan Lu!" Yao Yao nervously stopped Nan Lu, appeared to be guilty: "Sister Zhen, sorry, I will immediately go to look Miss Li. Nan Lu, I troubled you, you wait me for moment ah." After said, she gave all the clothes to Nan Lu.

Xiao Zhen took a glance, big and small bags, all are branded things, all the things are priced more than hundred thousand dollar, did this little slut go for shopping? What is going on?

"Miss Li, do you feel comfortable with it?" Yao Yao has already come back not pouring tea but now she is massaging Li Mei Yun.

"Use more strength; you want to kill me?"

"Oh, I am sorry, Miss Li."

"Get lost, I don't need you to take care of me, really not understand how you massage me!"

"I am sorry." Yao Yao showed her guilty expression, lower her head, but at the moment she turned... a card falls down.

This time, her face expression changed, nervously she took the card and put it inside her pocket and leaving Li Mei Yun's room.

"Xiao Zhen... you, just now, did you see it?"

"I have seen it Miss, that card is..."

"Unlimited VIP gold card! It is Yu Ao Tian's card!" when Yao Yao took the card, Li Mei Yun thought she was mistaken with what she saw. Since Xiao Zhen also saw it, this means she is not mistaken.

"How could Yu Ao Tian gave that card to that slutty girl?"

"Ah, so that..."

"Xiao Zhen, what?"

"Miss, just now... just now that little girl brought so many things when came here, Nan Lu was also with her, that time it seems Nan Lu said, it was Mr. Yu who asked her to going out."

"Yu Ao Tian called her? Went out? And then buying things for her? And... and also gave the card to her?"
Li Mei Yun really cannot cope with this reality, she is throwing everything to the floor. "Yu Ao Tian said that he was busy for these few days, so that he could not come to see me, but... hah, but... he took that little girl going out!"

"Miss, you calm down, calm down."

"How can you ask me to calm down? I have planned this and that, even I don't care about my body, all because I want to get rid that little girl, but the result? The result I am staying at hospital alone, and both of them are having sweet dating? Hu...." When she said it, Li Mei Yun is already breaking in tears until no voice.

"Xiao Zhen, perhaps there is misunderstanding in here?"

"Miss, how about if I go to check, trying to find out what that little girl say, see what is going on."

Li Mei Yun has already had no energy to speak, she waved her hands. Xiao Zhen hurried rushing out from the room...

"Yao Yao, Master really loves you, he bought you many things." Walking in the corridor, Nan Lu is looking so envious with the small and big bags.

"HaHa, Nan Lu you know I don't really care about these things."

"I know, of course I know it, or else Master won't give you that card, but why you are still wear this poor clothes? I know you are trying to help Master to save up money, but...

when Li Mei Yun got that card she was showing off, every times I thought about it, I do really angry!"

"Forget it, actually I am the third wheel in Li Mei Yun and Yu Ao Tian relationship, knowing this I feel sorry to her, I just hope she won't come to trouble my family."

"Hm, that's right. But, Master is believed on you, Li Mei Yun does not have her baby, Master have forgiven you."

"HaHa." She faintly smiled.

This moment...

Let all yesterday...

Yao Yao mobile phone is ringing. "Hello?" suddenly her face showed sweet smiling expression, she spoke gently: "Ao Tian, it's you."

"En, I have back to hospital."

"Cannot, now I can't leave! I ought to take care Miss Li."

"I know you are not blaming me, but... I really pity Miss Li. How about tomorrow I come to accompany you?"

"En, bye bye, muah muah."

Seeing Yao Yao ended her phone call, Nan Lu who is standing beside her showed sour expression: "Aiyo, sour me to death, my teeth almost falling."

"Hate you, Nan Lu."

"Yao Yao, I see, your relationship and Master are progressing very well, just thank to Li Mei Yun."

"What are you talking?"

"I think, if Li Mei Yun is not persistent staying in hospital, you won't have this opportunity to be lovely-dovely with Master? Hahahaha, if she keeps on staying...perhaps you may marry with Master, already?"

"Sst, Nan Lu be careful, what if Li Mei Yun heard it?"

"Uh, I know." Nan Lu smiled, but her eyes are looking at other side. "Yao Yao, Xiao Zhen has left."

As precaution, Yao Yao run to check at the corner to ensure, after she ensured that Xiao Zhen already left, she gave all the things to Nan Lu: "Help me to return all these things."

"En, I understand."

"Other!" Her expression cold, "Do you find that woman?"

"Found, she is on the way, but... you sure that she will help you."

"Ha..." She narrowed her eyes and smiled confidently: "I am so sure she will come to help me. Because it is nothing more interesting to witness own enemy in hardship!"

Inside the room.

Xiao Zhen's face is black. "Miss..."

"What you got?"

"I have been eavesdropping the conversation between Nan Lu and that b*. Miss..." Xiao Zhen is crying, she reported all what she heard to Li Mei Yun.

No doubt, after Li Mei Yun heard it, she goes crazy as if get thunder during the sunny day. "Phone! Give my phone!"

"Miss, what are you doing?"

"Give me my phone!" she pissed off until her body shivering.

Xiao Zhen gave the phone to her.

Li Mei Yun dialed Yu Ao Tian's number.

"Hello..."

It is Yu Ao Tian cold voice when received the phone call, she feebly to press her anger, forcing to smile: "Ao... Ao Tian, do you have time? Last time you have promised me to come to see me, but you haven't come even one time."

"I am busy!"

"Busy? What you busy are?"

"Do you think that I should make report to you about my company's matters?"

"No... Ao Tian, I, I don't mean it. He, hehe." Li Mei Yun bites her lips, still keep her smiling face: "Don't you really not have time even a minute to see me?"

"Let's talk later!"

"When will you come? Do you really busy? Since you are so busy, do you have time to eat?" hah, but you have time to accompany that B*, and even keeps on dating with her! Li Mei Yun really wanted to ask but she knows well Yu Ao Tian's character, he hates woman that easy to get jealous. If still want to ask, it only embarrassed herself..

Episode 125

"Mei Yun! If you are keep on provoking me, better we ended everything!"

"Ao Tian, Ao Tian, this, I have heal from my sickness, can I go to find you?"

Tututututtt

The phone called directly being hung up!

Li Mei Yun discontentedly she called back: "Ao Tian, I beg you, can you give me little bit of time? You know that I love you, can you give me a little bit of your love?"

"Li Mei Yun! This time you felt down, did your brain also get hurt and turn be stupid? You must know that what kind of woman I hate the most?"

"I know, I know you hate woman who likes to stick to you, but I really miss you. Can't I miss you? Or..." she tried her best not to expose her jealousy, pretend to be so pity: "That little girl, these two days really not understand her, because you are dote her, she is causing problem for me, Ao Tian, can you come here?"

"I dote her? Well, I dote her." Yu Ao Tian frowned from the other side phone call: "Mei Yun, you have talked this much, didn't all because you want to meet me? I granted your wish now!" the phone hung up.

Finally Li Mei Yun got the satisfied answer: "Quickly, Xiao Zhen, give me my makeup tools."

"Miss, will it work to lie and make Mr. Yu comes here?"

"Useless. Yu Ao Tian will angry." Li Mei Yun knows very well what she has done but she really angry to Yao Yao, so...

"But, Ao Tian is more dislike girl who likes to show off, if not that B* showing off, we also won't know what Yu Ao Tian doing for these few days."

Seeing Li Mei Yun happy face, Xiao Zhen immediately asked: "Ha, I understand Miss, when Mr. Yu comes, he will vent his anger toward that B*"

"Heh." Li Mei Yun humphed, she does her makeup...

At same time, outside the room.

"Yao Yao, it seems that Li Mei Yun has got to the trap."

"Uh." She took deep breathe, helplessly smiles.

"Kring Kring Kring.

"Nan Lu phone is ringing, she hurried pick it up: "Hello? Miss Xu, I am at 16th floor VIP room. You come here." She hung her phone called, hurried looked at Yao Yao: "Miss Xu is here."

"Go, let's we wait her in front of the elevator."

In front of the elevator, not long after the phone call, a woman who looked so beautiful walked out front the elevator.

She has height about 170cm something, very propositional body posture, Yao Yao does not need to ask, at one glanced she could make a guess, woman in front her is Xu Qing. As expectedly, she is types of Yu Ao Tian's woman.

"Miss Xu, how are you. My name is Luo Yao Yao."

"You are Luo Yao Yao?" Xu Qing sees Yao Yao with curious eyesight, measuring her from head to toe, has Yu Ao Tian taste changed? "Say, why ask me to help?"

"I believe Nan Lu has told you everything, now I need your help." Yao Yao gives her faint smile.

"Need my help? Why must I help you?"

"Hehe, Miss Xu, if you are not intended to help me, I believe... you won't come here today, am I right?"

Yao Yao said straightforwardly, very composed, suddenly Xu Qing realized she shouldn't look her as little girl but as woman!

"Tell me the reason why must you ask me to help?"

"Because the enemy's enemy is friend, moreover the woman who is inside the patience room was the person who took your boyfriend before, don't you want to revenge?"

"Hah, little girl, you are right, if not because Li Mei Yun, I still have faith that Yu Ao Tian stills together with me. This matter, I decided to help you." After said, Xu Qing faster her steps heading to Li Mei Yun's room, once she pushed the door open...

"Ao Tian! you..." when Li Mei Yun spotted Xu Qing instead of Yu Ao Tian, she frowned: "Why are you here?"

"Aiya, I have heard that you are sick, so I come to pay a visit la. Li Mei Yun ah, I never thought the retribution came this fast?"

"Retribution? What retribution?"

"Heh, I have heard recently Yu Ao Tian has new lover.

"

"So what?" Li Mei Yun laughed: "that time, I could make you left, and now I still have that capability to chase away all the women from Yu Ao Tian's side!"

"Li Mei Yun, as what I heard, that person is Yu Ao Tian's lover, her status is higher than yours!"

"What does Xu Qing means?" Yao Yao who is eavesdrop from outside, curiously frowned.

"I also knew it when I found Xu Qing, that time, Li Mei Yun wasn't Master's lover. She just luckily knew Master. In order to break Master and Xu Qing relationship, she was telling lie as Master's lover, so she able to chase away Xu Qing. Moreover... Xu Qing said, Master never looked for Lover before."

"Hah? So...what I am?" Yao Yao blinking her eyes, she thought that Yu Ao Tian likes to have many lovers, never expected!"

"So that, when I told her your relationship with Master to Xu Qing, she didn't trust me. But, when I was in Japan, following Master, I never saw Master had lover, Yao Yao, you are the first lover of Master."

First? Should she open a bottle of Champagne to celebrate it?

To be honest, there are so many times she curious about Yu Ao Tian reason to keep herself beside him, first time she thought because her meeting in Host Bar, where she mistaken Yu Ao Tian as Host, later she thought about her father case, but the result there's nothing between her father with Yu Ao Tian. after she thought for few times, maybe because she is unwillingly to give herself to him so that nothing happen between them, his strong desires and domineering self most of time cause mischief, so that he keeps me to his side? Maybe this is the reason...

Suddenly another footstep is coming nearer.

Yao Yao and Nan Lu who are eavesdropped turned to see.

When they see, Yu Ao Tian and Mo Xue Tong are already standing at their back, suddenly the atmosphere simply changed to freezing...

Episode 126

Nan Lu quickly lowers her head, Yao Yao also. Both of them naturally give the way for them to get inside.

Yu Ao Tian acted as if not seeing them, when he wanted to enter the room, suddenly there are women roaring voice from inside...

"Li Mei Yun, you dare to say that today you become Yu Ao Tian's girlfriend is not because you are scheming?"

"So what? It was obviously you gone crazy by ypurself and made Yu Ao Tian angry, that was what you seek for!"

"Hah, if that time wasn't you who made the phone call, saying that you were Yu Ao Tian's lover, do you think that would I doubt him?"

"So that's why I say you stupid lo."

"Li Mei Yun, soon or later you will get the retribution!"

Hearing the chaos from inside the room, Yu Ao Tian who is standing at outside his face expression is black, once he pushed open the door...

By coincidence Yu Ao Tian witness Li Mei Yun slaps Xu Qing!

"Ao Tian?" Li Mei Yun dumbfounded, completely understand she makes wrong moves.

"Mei Yun, you are looked so mess, really ugly!" Yu Ao Tian disappointed shaking his head.

"Ao Tian, you listen to me, thing isn't like you think. It is her! she is coming to provoke me." Li Mei Yun forcing herself to smile, faster she walking in front of Yu Ao Tian: "Ao Tian, you must trust me." When she wanted to hug Yu Ao Tian, he heartless pushed her away.

"Ao...Tian?" Li Mei Yun upset staring at him, her eyes locked on Yao Yao and Nan Lu who are standing at door way.

Both of them are immediately exposing their laugh, only to make Li Mei Yun angrier.

"I know! I know! It must be you, it is you who do it, isn't it?" just as expected, Li Mei Yun goes crazy and rushed to Yao Yao in front.

"Miss.. Miss Li, I don't know this woman." Yao Yao showed her innocent face.

"Stop to deny! You such S* B*, you really schemer!" after said, Li Mei Yun raised her hand high.

On the moment her hand is almost landed to Yao Yao, hurried Yu Ao Tian stopped her: "Are you crazy enough?"

"Ao Tian! You listen to me, this little thing is keeping show off in front of me these few days, saying that you bought her many things. moreover today you are calling her, right? I was not purposely opened my room door to hear your conversation with her."

This time Yao Yao is smarter, she not denied also not admitted, she just obedience hiding at beside.

"What? Is it really happened?" Yu Ao Tian pretended to be surprised, he lips curved upward, smile.

"That's true, Mr. Yu. I can be the witness!"

When heard Xiao Zhen opened her mouth, pair of Yu Ao Tian eyes are gleaming coldly, beside him is Mo Tong Xue who already grabbed Xiao Zhen's neck: "Here is no place for you to take part, shut up!"

"Uh, I, I am sorry." Xiao Zhen keeps quiet.

"Mei Yun, so what was my conversation with Yao Yao?"

"I don't really remember, but I remembered tomorrow you have scheduled with her, right?"

"En, so that." Yu Ao Tian narrowed his eyes, turned and looked at Yao Yao: "Bao Bei, don't forget tomorrow we have appointment."

Uh, Yu Ao Tian is really good in control his emotion. "Oh, okay." Since he not revealed her lies, so she just keeps the flow, Li Mei Yun is going to explode! Hurried explode, no need to restrain!

"Ao Tian? What are you talking? She is the person who makes me lost my baby, why are you so doting her? Why?" as expected, Li Mei Yun can't restrain herself, she exploded.

"All go out!" at the moment, Yu Ao Tian expression froze, all the people are out from the room.

After the fuss finally the room death silent, Li Mei Yun is trembling: "Ao, Ao Tian, do you still love me?"

"Love, of course I love you."

But when listened to his words, she seems to get the most satisfaction answer and she moves one step and hug Yu Ao Tian.

But in another moment...

"You are looking for people to** Yao Yao, you even dare to scheme her as your miscarriage reason for the child that you should not bear, you lay all the blame to her so that she pissed off and provoke me. I don't even blame you, so that... I really love you, Mei Yun."

Li Mei Yun's body is trembling, slowly she loosen up her hands from Yu Ao Tian.

When she sees his cold expression, her head as if gonna exploded: "Ao, Ao Tian, you... you have known? Why are you still..."

hu hu."

At sudden, Yu Ao Tian expressionless pinched her chin, moved so close so that her face meets his face: "Because she is too naïve. If she not sees everything clearly, how will she grow up?"

As the result she feels pain, Li Mei Yun tears is streaming down: "Thus, you are used me to train her?"

"This is what you seek for!"

At this moment, Li Mei Yun finally realized herself not more than tool, a tool to help someone to grow up. "Is it me who seek for? Hah, since when started? Since I begged you to let me stay with you in your house, since that time?"

"Or else you think why I let you in?" Yu Ao Tian smiling face looked so weird.

Finally she understood why he agreed to her so easily to let her stayed at the villa, also understood why she was asked to act and pretend didn't know his relationship with that little girl, so that the reason why he never exposed herself.

Li Mei Yun has scheme to her utmost, she scheme here and there, as the result she is not more than laughing stock: "Ao Tian, do you... do you loves that little girl?" tears, wet her face, she really does not want to admit it, but she really never thought Yao Yao as her rival, now she must to accept the reality, like or dislike.

And then...

Yu Ao Tian laughed at himself because he does not know how he feels toward that little thing!

"Ao Tian, you are too cruel, really too cruel, why must you tell me all of these, since you want to teach that little girl to be smarter, you can tell her to keep learning, do you think she is learning to be smarter?"

"Ah." Yu Ao Tian helplessly shaking his head, silent for moment, scoffed: "I and her, these days, we never contacted. You say... does she learn to be smarter?"

After he said, at the sudden Li Mei Yun face changed: "I, I was scheme by her! Ha, hahahaha, Ao Tian, Ao Tian, I just found out that you like woman who loves to scheme!"

"No, I only love her to be able scheming!" free his hand from Li Mei Yun, Yu Ao Tian sneered.

Her white skin is imprinted five fingers, however her face is more covered with unwillingness expression. Because she can accept the reality she lost to that little girl based on her condition which is better than Yao Yao.

"Ao Tian, what do you like from her, what makes you like her?"

"None of your business." After said, he is coldly leaving the room.

Li Mei Yun can't accept it, her red eyes looked at him: "Ao Tian, soon or later, one day you will regret about that little girl, she isn't not as good as you thought!"

"Thank You, Miss Xu." In hospital corridor, Yao Yao smiles.

Xu Qing accepts her shaking hand: "It is me who should say thank you to witness this big show. But..." her eyes rolled: "Why are you so brazen to bid good bye to me, don't you afraid Yu Ao Tian would find out, everything actually is planned by you?"

She planned? Huh, stills no one knows who is the real schemer, but Yao Yao can certain one thing, everything that happened today have been predicted by Yu Ao Tian before? When she thinks, up to here, suddenly her eyes catch Yu Ao Tian who is walking closer...

Looking the surrounded, Yu Ao Tian acted as if he sees nothing and directly bring Mo Xue Tong with him, he even acted as if Yao Yao does not exit there, passed her. Entered to the elevator, he pressed the button to 28th floor.

"Ao Tian, not go back?" Mo Xue Tong curiously asked him.

"Since we are in hospital, of course we should pay visit to Luo Chang." Yu Ao Tian smiled while tidying his suit.

"Oh ya, Ao Tian, Z has sent news. It is regarding few data and information about Luo Yao Yao, year when she born and also the year when she went to Japan, all are kept secretly by the government!"

"Oh? Interesting, it seems the government have something about Luo Yao Yao so her information is locked." Yu Ao Tian can feel the reason why the government locked the information about Luo Yao Yao is no relation to her parent but more because of Luo Yao Yao herself so that her parent identity also being kept secretly.

"There is also one thing, Ao Tian. Z also checked on others who is possible to have relationship with Luo family, Luo Yao Yao still has uncle (from mother side). Currently he stays in Canada. I have asked people to bring him back."

"You did very well, Xue Tong." Yu Ao Tian smiled satisfied, when just out from the elevator...

"Kring Kring Kring" suddenly the phone is ringing. "Hello?"

"CEO Yu, I am Feng Chen Yi, I have business to talk with you, do you have time?"

Deep black eyes are sweeping in front of the Luo Chang's patience room, he smiles deviously, he moved back, entering the elevator, pushed the button to 1: "I have, half hour meet."

"Okay."

**

Inside the luxurious private room, Feng Chen Yi who sat in front of Yu Ao Tian hand over document: "CEO Yu, a few days later my brother will throw out new property project, I hope Berson can take this project. As for the profit, it will satisfy you."

"Hah, since Feng Chen Rui is the one who responsible for the project he must already get good the internal bidder?"

"For this, CEO Yu can rest assured. I can come to find you, absolutely..."

Let the yesterday as memory, now you and I...

Feng Chen Yi phone is ringing while he is in the middle of conversation with Yu Ao Tian.

Yu Ao Tian confound, he feels the ringtone is so familiarized.

"General Manager Feng, your phone." Lisa handed over the phone to Feng Chen Yi.

"Pardon me." He smiled little bit guilty toward Yu Ao Tian, he received the phone call: "Hello?"

"Feng Chen Yi, do you have time?" it is Luo Yao Yao's voice from the phone.

That cold face suddenly changed little bit gentle: "What's matter?"

"I have done with your card, now I want to give it back to you, have time?"

"En?" he casted a glance at Yu Ao Tian who is beside of him, little bit hesitate, slowly said: "I am in Xi Ya restaurant, you come here." He hung up the phone call."

"Chen Yi, since you are busy, I take..."

Yu Ao Tian preparing to stand up, Feng Chen Yi hurried hinting him it is okay, shook his head: "It is okay CEO Yu, she still needs time to arrive here. Let's we keep on discussing."

"Vice CEO Feng, I got the news that Yu Ao Tian and your little brother are having conversation in this restaurant." One of luxurious black car is slowly stopping in front of the main entrance of the Xi Ya Restaurant.

Through the car window, Feng Chen Rui narrowed his cold eyes: "Hah, Feng Chen Yi that little brat really support the outsider, now he even dares to collaborate openly with Yu Ao Tian to fight with me!" After said, he tidied up his necktie and faster gets down from his car.

This time..

..

A light piercing to the pair eyes of Feng Chen Rui, frowned, he unhappily looked at the taxi which slowly stopped in front of the restaurant main entrance.

He sees it is Luo Yao Yao who is getting down from the taxi.

"Humph? So coincide?" Feng Chen Rui eyes rolled, he faster his footsteps to in front: "Little girl, we meet again!"

She paid the Taxi fee, looked at the voice direction: "Uh, hello." How can meet Feng Chen Yi big brother in here, do Feng Chen Yi and his older brother have appointment?

"Looking for Chen Yi? Let we go to meet him, he has made appointment to eat in here."

"Oh... alright." Although Yao Yao is trying to avoid, but this time she really can't avoid him so she just go with flow, following Feng Chen Rui entering the restaurant.

"Go, book one empty private room." Feng Chen Rui whispered to his personal assistant.

Get instruct, that personal assistant secretly leaving.

Not long after that, Feng Chen Rui brings Yao Yao to one empty private room.

"Feng, Vice CEO Feng, where is Feng Chen Yi?" Yao Yao is curiously asking Feng Chen Rui.

He elegantly smiling, he pulled one of the chair: "Just have seat first. Perhaps Chen Yi hasn't arrived."

Uh... just now when she in phone with Feng Chen Yi, he said I am in Xi Ya restaurant" but not saying that they meet in Xi Ya restaurant, what is going on?

Seeing Feng Chen Rui is smiling toward her, she suspects him but still sit down.

"Little girl, have you reconciled with my little brother?"

She glanced at Feng Chen Rui, hurried avoiding to meet his eyes, coldly said: "Both of us are only ordinary friend, that kind of relationship."

"Oh? So that is. Haha, you are so beautiful, my little brother not chasing you to start again, he is really stupid." Feng Chen Rui showed pity expression toward Yao Yao.

"Vice CEO Feng, I still better to look for Feng Chen Yi at outside." Yao Yao is standing up wanted to leave, she really feels not comfortable to be with Feng Chen Rui, and despite he is his older brother.

"Aiya, little girl, why are you so in rush, does you dislike to have conversation with me?"

That's right, because dislike to speak with you! "No, not that, Vice CEO Feng you are think too much, I feel little bit hot inside the room."

"Oh ya? Go and set the temperature lower." Feng Chen Rui spoke to his personal assistant.

Yao Yao helplessly sits back.

"Little girl, what do you like from my little brother so that you dated him before?"

What I like from Feng Chen Yi?

That brat is so bossy and also has quite stiff face and actually I also don't know what I like from him?

Six years ago, after two months since the first time she met him school during in Japan....

Episode 127

Meow Meow! Outside the student council area, a group of boys were chasing a cat.

It saw by Yao Yao who was passing by. With righteous expression she rushed to there: "Hey, you guys stopped!"

"Aiya, Junior High little sister, looks so kawai." Few of the boys got interested with Yao Yao.

There was nothing she afraid for the group of Japanese Seniors since she rushed from the student council room. "I warn you guys don't bully it!"

"How about we bully you, is it okay?"

"You guys... you dare! This is student council area, who dare to touch me give a try?"

"Oh? Let's we give a try." After said, two of the senior grabbed her arms.

"Help me! Help..."

One of the Senior was covered her mouth, seeing the two boys were taller one by one compare to her, made her helplessly couldn't kick them.

And then in the most crisis situation, black shadows appeared, foot kicks one of the senior's butts who grabbed Yao Yao, those few boys looked at their back...

The bright shiny diamond earring caught to their eyes, few of the seniors panic: "Feng, Feng Chen Yi?" all of them were scared and running away.

Yao Yao looked at him with admiring eyesight, awesome, his appearance able to make those seniors running away, who was this senior and why all of them afraid of him?

This moment, she was too curious about this handsome and cold senior but in same time she also had changed some views about him.

"Thank you, thank you for helping me. Senior."

Another second...

"No need to thank me, I am not coming to help you."

"Uh..

." Yao Yao felt as if her chin dropping down.

Meow, meow, meow, at this moment, that white little cat which was saved by Feng Chen Yi was dawdling in Feng Chen Yi's calf.

He slowly lifting the cat up, his cold face smiled: "Hungry?"

Meow, meow, meow.

Yao Yao finally knew actually she was thinking too much, he was coming simply only to saved the cat, huhuhuhuhu so embarrassing. "Senior, is this cat yours?"

His dark eyes were looking at Yao Yao big moist eyes, Feng Chen Yi coldly said: "This is the stray cat that I pet, for moment it stays in school."

"Woah, Senior you are so compassionate." For this moment, the 13 years Yao Yao was finally had totally changed her view toward Feng Chen Yi: "Can you let me to hug it?"

Seeing her expecting expression, Feng Chen Yi frowned; he moved the cat from his hand to hers.

No one knows, the cute cat suddenly turned become super saiya when it handed to Yao Yao. It lifted it left uppercut directly scratched Yao Yao's face.

Feng Chen Yi who was besides her looked dumbstruck, Yao Yao also, one seconds, two seconds, three seconds... "woah!" she crying out loud.

"Hey, don't cry, don't cry." Feng Chen Yi seems to change be another person, didn't know how to coax her and really didn't not know what to do, he was trying to coax her until he laughing hard by himself.

"Hu... what are you laughing for? Hu..." Yao Yao wiped her tears and curiously asking him.

At that time she didn't get the answer from Feng Chen Yi, later when both of them were dating, Feng Chen Yi told her the reason why was he laughing last time. The way she was crying too dumb, but also cute, very similar alike the new born baby, it was called as the compassion moved the thousand years of iceberg.

And then..

.

He could come and chase away those seniors not only because the cat but also Yao Yao.

Feng Chen Yi isn't type of hero who will come and rescue other people, if that day changed to be other people, he would not bother himself. It could be seen, Feng Chen Yi during that time already has something special toward Yao Yao.

Later on, he brought Yao Yao went to his private apartment near the school, applied some medication for the wounds.

"Thank you." She thanked him while looked her reflection in mirror, her tears was flowing down wet her face.

"Doesn't know would it leave scar or not..."

"The wound quite deep, of course it will leave scar." Feng Chen Yi was teasing her.

Yao Yao who scared: "Woah!" she was crying louder.

Feng Chen Yi could not do anything: "Why are you crying again?"

"My face has turned be ugly, later who will dare to marry me? Hu..."

"You are only 13 years old how can you thinks to get married?" Feng Chen Yi could not resist to showing his smiling face, but also show little bit difficulty: "How about, if you really can't marry in the future, I will force myself to marry you, is it okay?"

"Are you sure?"

"I am sure. Alright, stop to crying." Feng Chen Yi gently rubbing her forehead, that cold face showed mesmerizing smile.

Yao Yao knew what he said only to coaxing her, but the 13 years old her, it was the first time her heart beating that fast and also in that time, she found out that the cold face senior actually has his gentle and warm side too.

Only to find out the warm man who gentle is not always can catch an attention but the cold man who suddenly turned to be gentle and warm, that kind of man really can touch others heart.....

Episode 128

Back to the present time.

Although that incident not the main reason why both of them finally dating, but because that incident, it made their relationship got closer to each other. At least, Feng Chen Yi image in her heart was totally changed.

"Vice CEO Feng, the thing about Feng Chen Yi and I dating have been our passed. I don't remember it anymore." Yao Yao is beating around the bush, not really care.

"Haha, so that it is." Feng Chen Rui pair of eyes flashed, he lifts the tea pot and pours the tea to his own cup, sip it: "Little girl, since you are not reconciling with my little brother, well I will not beating around the bush. To be honest, I really like you. Do you want to be my lover?"

Yao Yao looked so dumbfounded to Feng Chen Rui who sitting in front her, she really wanted to ask something...

Big uncle, how old are you so that you want me to be your lover? The most important is, she ever became his younger brother girl friend before. With moisten eyes: "Vice CEO Feng, what do you mean?"

"I don't have any particular mean, I have said it. I like you. Moreover I don't mind you as my little brother ex-girlfriend."

He not minds? But she mind! What! Does Feng Chen Rui want to embarrass his younger brother?

"Little girl, you mention the price."

"Uh... Vice CEO Feng what you mean is as long as I become your lover, you will give me money?" the way of Yao Yao speaking now sound more gentle, a pair of moisten eyes gleaming with innocent looked.

"Of course. Just to let you know, our Vice CEO Feng never treated any girl unfairly." This is Feng Chen Rui's personal assistant who is speaking.

Yao Yao silent for moment and then speaking with little bit difficulty tone: "So if I looked for you, ask any amount of money you will give it to me?"

"As long as you mention still in grasp, all I can give."

"I, I am not greedy, I just want... want your VIP gold card, can I?" Since Feng Chen Rui is the eldest in Feng family, even Feng Chen Yi has VIP gold card, so that must be impossible if Feng Chen Rui does not have, right?

"Little girl, you still dare to say you are not greedy?" that assistant roared unsatisfied to Yao Yao.

Yao Yao pouted her mouth: "If cannot just forget it. You are stingier than Feng Chen Yi..."

"Aiya, I don't say that I won't give you." Feng Chen Rui glared at his assistant: "Aaron, not speak if you are not ask to, better you shut up your mouth!"

"I am sorry, Vice CEO Feng."

Feng Chen Rui takes out his wallet, he smiles toward Yao Yao and put the VIP gold card to the table: "Little Girl, since now you are my lover."

"Oh, alright." Yao Yao is happily to take that card.

"You wait for me in here, I will come back soon." Feng Chen Rui stands up and he brings his assistant out with him.

"Vice CEO Feng, aren't you serious to give your card to that little girl, are you?"

"So what, she does not know the pin? But that girl who ever been "pet" by that brat Feng Chen Yi really is having good stomach (greedy), once open her mouth is already asking gold card." Feng Chen Rui is despised and shaking his head. He also ever have some women with him, but every time the spending always has it limit, especially about the VIP gold card, not many women know about that card, this kind of greedy girl alike Yao Yao, she is the first one he ever met.

"Vice CEO Feng, this is the room." Aaron pointed at one of private room.

Feng Chen Rui smiling, he directly opens the door. "Aiyo, Chen Yi you are also eating in here? Oh with CEO Yu too.

You are know for sure that your big brother always want to know CEO Yu. Both of you are eating together but not call me?"

"Now eating is also not late." Feng Chen Yi is standing up and coldly introduced: "CEO Yu, this is my older brother, Feng Chen Rui."

"CEO Yu, it's an honor to meet you." Feng Chen Rui is walking in front of Yu Ao Tian, politely stretch out his hand.

"Same same." Yu Ao Tian smirks, he is shaking his hand.

"Oh yeah, Chen Yi, regarding about the project which I want to launch, father has interested to give it to Ao Bo. As you know, the CEO of Ao Bo is our father's best friend." Feng Chen Rui is mentioning about the project which discussed by Feng Chen Yi and Yu Ao Tian just now.

"But Father also said in business there is no father and son, moreover friendship, of course whoever can bring us more profit, we will give it to those."

"Is it? But this project is responsible by me, whatever, other than Ao Bo, if other company dares to get involved... I will be surely fought all out to that company!" after said, Feng Chen Rui, eyes is hinting to Yu Ao Tian.

Yu Ao Tian is someone eat soft not hard, since Feng Chen Rui dares to declare the war, it means he is in his death waiting list now!

"Vice CEO Feng, if I were you, at least I will wait until I can sit steady in CEO position and then dare to make this kind of announcement." His eyes looking at Feng Chen Yi: "Chen Yi, your suggestion, I will try my best to do it!"

"En? CEO Yu, are you agree?" Feng Chen Yi acting curiously asked.

"Of course! But, I can agree to it this fast just thank to your big brother."

"This is absolutely! Big brother just expected you are so awesome."

After Feng Chen Rui heard the short conversation between Feng Chen Yi and Yu Ao Tian, he feels sour, anger he made fist with his hand. He never thought that Yu Ao Tian has fearless style to this point, no wonder he is underworld emperor! "CEO Yu, you really are clapping hand with my little brother (team up), I afraid not long after this, my younger brother will address you as his big brother."

"Anyway I don't mind to have younger brother alike Feng Chen Yi." Yu Ao Tian smile deviously.

That really pissed off Feng Chen Rui. Take another topic, he looked at Feng Chen Yi: "Oh, big brother is dating new girlfriend, I want to introduce her to you. She is in other room."

Feng Chen Yi cold face can feel something, and then he thought of Yao Yao...

"CEO Yu, do you want to join us?"

"I don't have any interest with Vice CEO Feng's girlfriend. If there is nothing to discuss, I take my leave first."

"Take care, CEO Yu.

"

After Yu Ao Tian leaving, Feng Chen Rui and Feng Chen Yi go to the other room.

When he sees Yao Yao inside the room, he really not surprised: "Big brother, is she the new girlfriend that you want to introduce to me?"

"Yes. But after I think for while, both of you are not stranger, right?"

Feng Chen Yi narrowed his eyes, his looked at Yao Yao.

While Yao Yao is curiously frowned: "What new girlfriend? Chen Yi, what are you talking about?"

"Oh, my big brother, he said that he is dating new girlfriend and asked me to see."

"En? This place other than me no other ah?" Yao Yao is smiling to those two brothers: "Vice CEO Feng, don't you mean that your new girlfriend is me, right? Ahahaha."

"Little girl, what do you means? Just now you have agreed to be my girlfriend?"

"Did I? When it happened?"

"Hey, little girl, just now you were accepting Vice CEO's VIP gold card." Aaron said.

Yao Yao showed her curious expression and takes out the gold card: "Do you mean this one?"

"Yes!"

"Oh yeah, Chen Yi, your big brother was so weird, he strangely gave me this card. But he did not give me the pin, you say, what he intended to?"

"En, did he?" Feng Chen Yi plays along with Yao Yao, he takes the VIP gold card, put his hand on Yao Yao's shoulder: "My beloved, since it is given by big brother to you, you must thank big brother, mustn't you?"

"Oh, Thank You, Vice CEO Feng."

This moment, Feng Chen Rui face is as black as charcoal, just now he had already being stricken by Feng Chen Yi and Yu Ao Tian, he almost exploded because of furious, and now when he is trying to use Yao Yao to anger Feng Chen Yi, no one knows this little girl not saying anything but betray on him, she even joins Feng Chen Yi to anger him!

"We leave first!"

"Wait, Big brother. This card pin... is it stills same?" Feng Chen Yi is swaying the Gold card in his hand.

"Yes."

"My beloved, hurry uses this card to buy a house, just afraid if tomorrow Big brother would be changed the pin, you won't be able to buy it anymore."

"Oh, but... I want to buy two houses."

"You even can buy ten houses, anyway it is unlimited."

"Bamn!" the sound of door slammed to open, Feng Chen Rui can't listen anymore to Feng Chen Yi and Yao Yao conversation, he brings his personal assistant along with him.

"Kekekekeke" Yao Yao laughing deviously with her small mouth.

Feng Chen Yi really understands this little demoness character, when she wants to be naïve she can be such naïve and pure but when she in her evil mode she can be most evil than anyone can be. "Humph, still laughing."

"Why?" Yao Yao curiously looked at Feng Chen Yi whose face filled with criticize expression.

"Don't you know what kind of man is my big brother!"

How can she know? When they were still dating, he never told her about his family. "I only know, he is the nasty person who talking bad about you."

They have broken up but she still same like before.

During the time when they still dating, no matters how big they fought, having cold war, but as long as there was person who dared to talk bad about Feng Chen Yi she would be the one who immediately fought with that person, life and death.

It also same with him.

..

"Anyway, if you see Feng Chen Rui in the future, just avoid him, understand?"

"I always do that every time I met him."

"So, how could today you go together with him?"

"It was him, he said that he coming here to have meal with you, I just..." can this blame on her, both of the two brothers are appearing in same restaurant, it must be naturally she thought both of them are scheduled to meet.

"You say, do you stupid or not? I have called you to come here, of course I must be already in here."

Yucks? He said her stupid? Yao Yao is not satisfied, she glared at him: "You are the dummy ones." Her eyes spotted Feng Chen Yi's arms still around her shoulders, subconsciously she swaying away his hand...

But he is even braver to pull her into his embraces.

"Hey, let go!"

"Have you eaten?" he lowers his head, his eyes is shining with warmness, if someone not be careful perhaps will fall into it.

"Thump! Thump!" it feels alike the first time when her heart beating because of him, hurried her eyes looked into his: "haven't"

"Let's eat together."

"No...I must go home immediately. You, let me go."

"That man really watching you so tight or perhaps, he can't live without you?" Feng Chen Yi eyesight is back to his normal cold eyesight. Finally he lets her go.

"Feng Chen Yi, this card I give it back to you, together with your older brother's card too."

Feng Chen Yi only takes his older brother's card and left his: "Mine card for you."

"I don't want! Give back to you!"

"Don't you like to spend man's money?"

What did Feng Chen Yi means? "I have my own job, others than my grandpa medication fees, I never spent any cent!" Damn...why I told all the things.

She is speaking as flowing water, Yao Yao is trying to deny but it really hard to do it.

Feng Chen Yi makes fist with his hand, he has guessed it that Yao Yao might because of her family, his vein is clearly showing in his skin surface, coldly said: "So that your grandpa medication fee does not need paid by him anymore, and then, break up with him immediately!"

Break up? Can it be that easy?.

Episode 129

This is no difference with burning the bridge after used it? When she needs Yu Ao Tian's help she will come to find him, when she does not need he anymore and then break up with him? She lowered her head: "I like him and I won't break up with him."

"Luo Yao Yao, do you dare to swear that you really love him?" Feng Chen Yi lifted her hands.

She is shivering, endured the pain, lifted up her head and looked at him, nodding confidently: "I swear, I...uh."

The bossy Feng Chen Yi kissed her, all her words are swallowed back, he does not want to hear, he does not want to hear from her mouth how she loves that man!

"Feng Chen Yi, I love you."

"Feng Chen Yi, let's us break up."

That time when she said that she loves him, heaven knew how happy he was, despite he not showing any expression, and then when she said that she wanted to break up with him, he thought he would not sad, thought his heart wouldn't in pain, but the fact wasn't that, again he showed an expressionless face as if nothing happened.

When he didn't lose then he didn't know how much he loves her, if he didn't lose her he didn't know how to cherish her.

After two years he met her again, to start over not only because of Yao Yao to Feng Chen Yi but there stills... because his loves toward her. Unfortunately, he seems to miss the opportunity.

"Uh!" her soft lips are greedy tasted by the man she uses all her strength to struggle. But the man is stronger, she is weakling, she not match for him. She used her strength to bite him who is trying to pry open her mouth and intertwined with her tongue.

"Uh." Frustrated, finally Feng Chen Yi let her go.

"Feng Chen Yi, why every times we meet you always makes things to be difficult?" Unable to ending and then it becomes resentment, moreover... why she must feel so guilty toward Yu Ao Tian?

"I have said before, I will try my best to be bastard in front of you. So what, did you feel guilty toward that man?" When Feng Chen Yi said it his pair of eyes is showed cold smiles in his face.

"You are too much! Feng Chen Yi, you are too much, I hate you!" She pissed off and leaving him, running away from the restaurant...

Her heart thumps, her heart hurt, happiness, grievance, love, hate, like, dislike. These all are the feeling she feels after she knows Feng Chen Yi.

It maybe because of this, she can't forget about that man, likes him with tears, feeling grief with smiles, a kind of feeling that engraved in heart how can it be so easy to forget about it?

His kindness, his bad, all are imprinted in her heart, Feng Chen Yi is a man that she loves but also she hates, that man...

"This...."

Outside the restaurant main entrance, the car is suddenly stopped because it almost bumps into Yao Yao.

"I am sorry, sorry, sorry." She is distracted because that matter and keeps on apologizing, but when her eyes glances at the car plate number...

Impossible, how... can be so coincide?

"Miss Luo, CEO Yu asked you to get in car." Mo Xue Tong who sat at the passenger seat gets down from the car.

Her heart is thumping, beat so fast. She slowly gets inside the car.

"Why are you here?" besides her, Yu Ao Tian is looking at her, asking.

She nervous: "I come to meet my friend, why are you in here?"

"Business talk.

"

The car moves, inside the car is deathly silent perhaps the only thing can be heard is the breathing sound inside it because of the quietness.

At this time, a pair of warm hands is holding her small cold hands.

Heart sink, she thought to move her hands but after she recalled the moment when she was with Feng Chen Yi in restaurant... suddenly she feels she is knowing her place.

Because of Li Mei Yun, she hates Yu Ao Tian but after she calmed down, thinking carefully she knew it wasn't his fault.

She could not calm herself last time, she is too impulsive and made Yu Ao Tian pissed off, moreover...her lover status, everything is opened up.

Because the matters regarding to Li Mei Yun wasn't Yu Ao Tian fault, compare to what happened just now between she and Feng Chen Yi is just pale into insignificance by comparison.

Does not understand why, she has too many vague and ambiguous contact with Feng Chen Yi, but now suddenly today she feels guilty toward Yu Ao Tian.

I am sorry... Yu Ao Tian.

She murmured, it showed her inner words of deep inside her heart, Yao Yao turned her head and looked outside the window...

Not long after that, the car stopped at the destination place, Mo Xue Tong waiting and then gets down with them.

Their footsteps are fast going inside the villa, at this by coincide they see Li Mei Yun is packing her stuffs...

Episode 130

In the silent night, three of them are looking for all corners, Yu Ao Tian as if not seen Li Mei Yun, he faster his footsteps and goes inside the villa.

At this time, Yao Yao hurried to give way for Li Mei Yun and when they are passing each other, their eyesight exchanged, and when Li Mei Yun is passing right beside her...

"This thing will not stop in here! I will make your life sufferer than mine!"

The woman threatens is echoing in Yao Yao's ears, she really wanted to ask something...

Did Li Mei Yun know how she loss?

She is always trying to show that she never expecting or care about Yu Ao Tian, but her heart is petty minded about that. She thought she understood her own man, and thought that man loves her, but when she is crazily trying to dominate Yu Ao Tian's love for only to herself, she has already not understood him anymore and even lost him forever.

Li Mei Yun is not lost to Yao Yao, she really lost to her own heart that loves Yu Ao Tian. Although in the future she is trying to revenge to her, but that man won't look at her anymore.

This because...

When together with Yu Ao Tian and not makes one's heart involved with love, it still can get other things, but once fall in love with him, it means lose everything. Ha, this man is destined not to have any woman in his life because they are something alike material thing for him!

Against Li Mei Yun provocation, Yao Yao keeps silent, slowly she walking inside the villa...

Because Li Mei Yu has left, Angel helps Yao Yao to move back to Master's room due to Yu Ao Tian order. After the dinner, she knocks the Master's room door.

The cold silent room, Yu Ao Tian is leaning to the bed head while reading the magazine, on other side she is moving her feet to get into the bed, covered herself with quilt and lie down.

There is no eye contact between them, no conversation, both of them just silent inside the room.

Yu Ao Tian turned off the light, the room is falling into darkness.

She just wanted to close her eyes and sleep, suddenly one big hand is touching her hand closer, lips is kissed hotly...

Inside the darkness of the night, this sudden kiss surprised Yao Yao, she does not know to react, she is stunned doing nothing and let the man kissed her, let him to taste the sweetness of her lips.

His light cologne fragrance from his body is spread and breath by her, the smell of it is gradually gives a sense of loss to her mind inside the silent night.

Strange, really strange, although she is already get used to be kissed by Yu Ao Tian, but why this kiss seems to be different to the others kissed that she ever had, as if Yu Ao Tian wanted to tell her something.

Is it apologizing?

Absolutely not, someone alike Yu Ao Tian won't understand others people feeling, he is so bossy and domineering how can he lower his head? This must be she who is misunderstanding her feeling, must be!

"Bao Bei..." his deep voice, his lips moves but still pressed on her lips.

As the kissing becomes hotter, he is become infatuated with the kissing her lips, between the breathing, it spit warm airs to her face that makes her numbs. Her steady breathing gradually turns to ups and downs.

Under his guidance of his proficient skills in kissing, his tongue pries to her mouth. Yu Ao Tian mouth curved upwards showing his faint smiles. The atmosphere inside the room turned to be so ambiguous.

Suddenly, his big hand is holding her small hand with ten fingers intertwined together. While the other hand is supporting her waist, turned over the body and pressed her down.

She awkwardly like dragonfly touches the water lightly (having contact), her lips touched into his mouth, but for Yu Ao Tian this is not more than kind of invisible teasing. His steady breathing is gradually unsteady, as if one of vague scenery.

Cannot endure it anymore! Difficult to endure, she can't keep the pace, her brain is fell into chaos, she can't help herself but to circle around her hands to his neck.

He kissed her and she gives response to his kissing. After while, the kissing is ended and Yao Yao can feel her face burn red. She believes if Yu Ao Tian turned on the light, he might laugh at her burning red face.

She is lying down beside of Yu Ao Tian and he stills holding her hand tightly and pulled her to his embraces, cuddling her and won't let her go.

To be honest he never tried to kiss any woman that can give him butterflies sensation moreover kissing actually disgusting thing for him. He kissed not many women in his life, but now he really afraid that he only wants Yao Yao!

In the death of night...

Both of them do not have any other contact and the only thing is both of them still holding hands, tightly.

Unknowingly why, Yao Yao feels so weird tonight, moreover when she certain... Yu Ao Tian also weird as well this time.

He, tonight she can feel his aura is quite different and seems to be changed..

.

**

Three days later.

Last time because she needed to taking care of Li Mei Yun in hospital, Yao Yao had taken four days work leave, at the fifth day when she came back to work Wang Han has praised about her talent and capability, promoting and give her three days time as trainee manager. Despite to the lower management staffs gossip, they can't speak much toward Wang Han's views and also no one dares to speak words.

Regarding Sun Li, she also didn't bring up Yao Yao relationship with Yu Ao Tian. Because all of the employees know, gossiping about their CEO is strictly prohibited and something not honorable in workplace. And also only those who seek death will do it.

"Little Girl, you will back to school soon, right?" inside the Regional Director's office room, Wang Han is gently asking her.

"En."

"It is really regretful. Just waiting for your winter holiday to come back working at Berson, I promised you, the manager position is always keeping for you."

"Director Wang, thank you. But this manager position..." indeed is too subtle and ineffable. Yao Yao awkwardly lowering her head.

"HaHa, this manager position of course come up to its name. You must think that I promoted you completely because of CEO Yu, aren't you?"

"Isn't it?"

"As for me, I have told this matter to CEO Yu long time ago, that time General Manager Long had consideration, saying you are still trainee staff so that he refused. The most important...

your relationship and CEO Yu, I have known it for long time ago."

Yao Yao felt little bit unexpected when she listened to Wang Han: "You had...known it?"

He elegantly smiled, helplessly and shook his head: "Didn't you the person who responsible in high level management elevator before, Miss Elevator?"

"Yes."

"There was one time, you and CEO Yu inside the elevator... suddenly when the elevator's door opened, all the people who were waiting for the elevator looked at CEO Yu, and then all of them were pretending not see anything and then left. Well, among those people, I was there."

Uh...

It was the day when she wanted to shoot and took evidence of Yu Ao Tian's crime, at the last she was the person got forced kiss from Yu Ao Tian. Maybe that time?

Faint*, Director Wang has very sharp memory! Not to mention Director Wang indeed someone who is a person that able to maintained the talent, no wonder he is famous as one from four greats upper management in Berson Group.

*have an equal meaning like hit the head to wall

Yao Yao is shyly smiling, she politely standing up and bowing to Director Wang: "Regardless of everything, it is my honor to meet and know you in here. Director Wang, I take my leave."

"En, Little Girl, if we have chance then we will meet again."

"Good bye." Leaving the Director office room, Yao Yao hurries to take out her phone: "What time you get off work?"

"5:10, meet in parking area." It is Yu Ao Tian clear voice from the phone..
