The question is how could he know the reason she phoned him and would ask him to meet? After she thinks for while she really admired him, why every times he could guess whatever she thought? Frustrated!

After she got into the parking area, Yu Ao Tian is already inside the car: "Bao Bei, where are we going?"

She opened the car's door, sitting beside the driver seat, sweetly smiling: "Go to Department Store."

"Hah?" Yu Ao Tian frowned, just to let know he is not someone who will go and accompany woman to shopping especially department store, most of time he straightly gave his women card and asked them to go shopping by themselves.

But, since both of them have lover relationship, this is also the first time she takes an initiative to ask him to go to department store. At the moment he thinks deeply, finally he smiles: "Do you look happy today?"

"Yes. I am so happy today." Yao Yao nodded happily, she ties on the safety belt, excitedly fist her hand: "Let's go!"

Along her voice, the engine is started, the car is moving as fast as flying arrow...

Yu Ao Tian curiously turned and asked her: "Bao Bei, what things that you interested on?" he is getting ready himself to take out his wallet.

Who knows, she mysteriously smiles, at this moment she makes such exaggerating expression, boldly said: "Come, I have 1000 dollar budget for you, you can pick anything you want!"

"???" Looks at Yao Yao who is acting out of line, Yu Ao Tian dumbfounded for moment and then smile deviously: "Get rich?"

Her big eyes are looking right and left, when she certain there are not many people around, she purposely showed off an envelope from her pocket, she takes out money papers from that thick envelope: "Hehehehe, I got my salary... today!"

He forgets that today is the paid salary day, Yu Ao Tian bends his body so that his height at same level with Yao Yao's height, looking at the money in her hand: "That much."

"Of course, I have 8000 dollar salary per month, as additional I got promoted and have become the trainee manager for three days which got 2000 dollar additional payment. So that, I have 10,000 dollar!" this is her first salary that paid "cash" more than thousand dollars so she is so excited and happy. "Oh yeah, how much salary you got?"

"Me? I don't have salary."

"You don't have? Uh, it is right ah, all money in the company is belongs to you." She got few thousand dollars this month, while she really does not know how much Yu Ao Tian got. Huh, this is the best part to be boss.

"Well, you hurry chooses your present.

"

When he sees Yao Yao urging him, Yu Ao Tian rolled his eyes: "Bao Bei, you got so much money from your salary, you only budget me 1000 dollars present?"

"Huh, so how much money you want for your present?" Yao Yao does not understand so she furrowed her brows, but again when she thought about Yu Ao Tian status, perhaps 1000 dollars doesn't mean much compare to his money, as if 1000 dollars can't buy anything.

She feels little bit complex and pouted her mouth, endure her heart pain and takes out 15 papers of 100 dollars from her envelope: "This 1500 dollar, is it enough?"

"It is only 1500?"

Looking at Yu Ao Tian who showed belittles expression toward her money, Yao Yao bitter her heart, stomped her feet: "2000! You cannot have more than this anymore."

"Humph, Bao Bei, I thought you will give me at least half from your salary."

"How it is possible? I still need to give my mother 5000 for living expenses, I will back to school soon, at least I need 2000 as my own living expenses."

"How about the rest 1000?"

"The rest 1000 dollars is for buying present for Nan Lu, Long Qi, Bai Ling, Director Wang! After all they have been taking care of me for long this time."

After Yu Ao Tian listened to her, he slowly raised up, smiling satisfied: "It seems you this Little Thing still have heart. Well, if 2000 dollar then 2000 it be!"

Cih, what is 2000 dollars then 2000 dollars it be, he talked as if Yao Yao really burdensome him! Just to let him know, the additional 1000 dollars actually is coming from her saving og last month living expenses.

"What should I buy?" Yu Ao Tian eyes is flashing and looking around, finally his eyes spotted at one watch shop: "Bao Bei, come here." His steps are so fast heading to the watch shop.

Yao Yao also following him tightly at his back.

Inside the watch shop the salesgirls are welcoming Yu Ao Tian warmly when he gets inside, their eyes flashing brightly, deathly locked on his watch in his wrist. Whispering each others: "Hey, have you seen, have you seen, that good looking man's wrist... he wears Patek Philippe & Co* watch"

He elegantly smiles, glances at Yao Yao who stands behind of him: "Bao Bei, help me to choose the watch."

"Ah? Me? Help you..

. choose the watch?" watch is something alike symbol that represent of man status, she only can send him watch that cost at least 2000 dollars, can he wear it when he going out?

"Didn't you say that you just get your salary and wanted to give me a present? Do you want me to choose by myself?"

Uh, does he serious? "But, but don't you already have your own watch?" moreover, inside his accessories shelf in house, there are lots of expensive watches that cost hundred thousand dollars?

Yu Ao Tian lifts his arm, very fast he hit and broke his watch, and then...

"Hurry chooses one watch for me!" after said, he impatiently looking for chair to have seat.

"I... I... I go to choose." Her body moves alike robot to the displayed glass of the watches.

Those salesgirls finally regained their sense, immediately followed at Yao Yao's back: "Little Sister, is he your big brother?"

Ah? Big brother?..

Episode 132

Indeed, every times she is going out with Yu Ao Tian, both of them are never holding hand, most of time they are always walking one in front and one following at back, as additional both of them don't have couple aura, so most of people who see them always mistook he as big brother while she is his younger sister?

"Yes, he is my cousin brother. Hahaha."

"Woah, your cousin brother is cherishing you so much ah."

"Cherish?" Yao Yao glances coldly to Yu Ao Tian who sits not far from there, really not understand what the salesgirls intended to say.

"Yes ah. Your cousin brother has smashed his watch into pieces only to receive your good intention, buying him a new watch, if that is not because he cherishing on you, what you called it?"

This is called...cherish?

"Chen Yi, happy birthday. This is present for you."

"Mobile phone?"

She recalled Feng Chen Yi 18th birthday that year, Yao Yao had saved up her scholarship money and bought him three stars mobile phone cost about 2000 dollars.

"En, everyone is using Iphone now days, but I don't have that much money so I only can buy you three stars grade of mobile phone. But at least this mobile phone is better off compare to your current mobile phone which you used. Hehehe."

"It seems. Ha!"

He smiled happily. But who knows that after he got the new mobile phone, immediately he threw his current mobile phone to river.

"Hey, why do you throw your mobile phone?"

"If I don't throw the old ones, how can I focus to used the new mobile phone that you gave me?"

That time Yao Yao saw Feng Chen Yi throwing his old mobile phone really so wasting, but she also touched with what did he said. And then... when she was birthday, he gave her a present, but during that time she still didn't know he is second generation young master of wealthy family.

Then, not long after that she found out the real status of Feng Chen Yi, and also finally she knew that the mobile phone which threw to river last time was Vertu brand, it priced... 45 thousand dollars!

She gained back herself, she glances at Yu Ao Tian for moment, he, does he really expecting her present?

No!

It must absolutely because he has too many watches at his house so he won't feel anything although he broke one watch, or two.

It isn't like what the salesgirls told her such as he cherished her, absolutely no!

"Hahhaahahaha." She awkwardly laughed at the salesgirls.

"Miss, we don't have Patek Philippe & Co watch brand, how about if you take look this Vacheron Constantin watches, this brand also good."

"No, thank you for your recommendation, I just want... to buy watch that cost about 2000 dollars."

Stunned for moment, that passionately salesgirls suddenly feels as if she is entered to the ice house.

"I have done. Let's we go." Yao Yao takes one watch, excitedly walking toward Yu Ao Tian.

His devious eyesight is sweeping at thing in Yao Yao's hand, slowly stretched out his hand, showing his wrist...

Huh, what Yu Ao Tian doing? Does he mean asking her to help him to put on the watch? This bossy man, can't he put it by himself?

Although she not really happy, but still she obediently puts that watch on his wrist. Because she not sure what will happen if she refused him.

"I really like it." Yu Ao Tian looking at the watch which already in his wrist, it only an ordinary man's watch but he smiles such brilliant.

That scenery in front of her eyes, as if is oozing in the deep rippling ocean and her heart as if radiance by cast a spell by him.

"Thump" " Thump"

Her heart strangely beating faster, is he really like that ordinary watch? Maybe...

This is just part of flirting and courtesy!

"Stretch out your hand."

"Ah?" regained the sense, Yao Yao who dumbfounded, what does he want to do? She is curious about stretching out the hand.

Who knows another moment...

Yu Ao Tian put lady's watch onto her wrist.

"This is?"

"Let's go." He does not give Yao Yao an opportunity to speak, he stands up and get ready to walk out from the store.

"Cih, I thought I meet one big customer, who knows that little girl only bought 2000 dollars watch." The salesgirls who greeted Yao Yao before, she lowers her head with grief, talking and complains to her colleague.

"Why are you sighing? When that little girl is busy choosing watches, that man secretly bought her one...Breguet watch which priced 84thousand dollars!"

"Ah? Are you sure?" that salesgirl gained her sense back, immediately she showed her starry-eyed infatuation sight: "Too cute, I also want to have that kind of cute cousin brother, she seems not caring but actually in reality his is so impressive and touching in doing many things. I really want to sob!"

"Hey, Yu Ao Tian! Wrong. Ao Tian, what do you mean?" Yao Yao chasing him after, her face showed doubting expression in front of him who put the watch to her wrist.

One of his hand is in his pocket, smiled deviously, said: "You help me to keep this watch, if you dare to take it off, I will... strangle you to death!" as information, this is his first time to take an initiative to purchase present for woman, despite this "woman" in front of his eyes is not more than a little girl.

"This reason, this really..." asked someone does not have way to refuse. Yao Yao is helplessly pouting her mouth, her eyesight sweeping at the watch in her wrist which priced hundred and thousand dollars, aiya, at the moment she feels her wrist is feel so heavy.

"Hahahaha, rewarded." After she done shopping, Yao Yao comes back to the parking area, she sits down beside the driver seat, happily to see all the things that she bought.

At her besides is Yu Ao Tian who helplessly shaking his head: "Rewarded? Is this the things that you give others as reward?" those big and small bags are things that she bought for others. The most important, just now she is obviously passing lots of luxurious shops but she not even glanced at those shop, is it because her age too young or she just does not craving for material things?..

Episode 133

"Damn!" suddenly Yao Yao face expression changed.

"What happen?"

"I, I, my money... where is my money?" she nervously checking on her body and also her bag, she is so certain that she put her money in her pocket, why her pocket is empty now? Did it...

"My money... it seems being stolen."

Just now Yu Ao Tian was walking at her back, based on his high sensitiveness, impossible for him that he didn't know about the thief, and then... in the midway Yao Yao went to toilet one times, only that time Yu Ao Tian didn't follow her. "Stolen just let it be stolen."

"What does you mean by stolen and let it be stolen? That is my salary! That also my next month living expenses, and also money that I wanted to give to my mother! How can you say that easy?"

At the moment, Yu Ao Tian face changed gloomy: "You dare to shout at me?"

"Huh." She realized that she shouldn't vent her anger to Yu Ao Tian, she feels so guilty, lower her head: "I am sorry, I don't have intention to shout at you." Her tears flowing down, wet her face. But still this is her first salary with huge amount that she ever got, but at sudden it feels vanish alike bubble.

Suddenly, Yu Ao Tian takes out bucks of money and handed in front of Yao Yao's eyes.

"En?" hurried she wiped her tears, she curiously looked at him: "What are you doing?"

"Your living expense and also the money for your money.

Is it enough?"

She is staring at bucks of money, she guess it must be more than ten thousand, but she knows that is Yu Ao Tian's money and that isn't her money that she lost: "It is not same." She pushed away the money, her head still lowers.

"What is not same, you just need to think this as your lost money."

"If this is thing, you are the one who less the money?"

He realized this Little Thing is so hard to communicate, "I don't care about this little money!"

"But I care!" suddenly she opened the car door.

Yu Ao Tian is almost wanted to get angry, but when he sees her face that wet by tears, he suppressed his anger.

"I know you have money, I also know that you are not care about this sum of money, but not same is not same, your money is also cents by cents you earn it, it isn't comes around like big wind. So that I really cannot take it. Forget it... stolen and let it be stolen. At least I have already bought all the present for everyone." Yao Yao only can use this kind of excuse in order to comfort herself and make herself in peace.

"Since you are not care about it anymore, why are you still crying?"

"My tears flowing down by itself, can't stop even wipe it, what can I do?"

After heard to her voice that has raised few octaves, Yu Ao Tian feels his nerve and his forehead veins is throbbing, she is so obviously care about her money but why doesn't she want to take his money? This is really... stubborn little girl!

"M*F!" Yu Ao Tian is angry beating his car steering wheel, he left Yao Yao alone inside that black car, with scary expression he left.

After about half hour...

Where is Yu Ao Tian? Does he get angry and go away? Should she also go to follow him or not, but how about this car? Yao Yao has gained herself back from pain after losing her money, she is in her dilemma whether to stay or not, should she left or should she go home by herself.

Less than one hour, Yu Ao Tian finally comes back to inside car.

"You..." not waiting Yao Yao to speak and ask, he only showed his cold eyesight and throw an envelope to her body.

"This, this, this..." this is the money that she lost, not mistaken, it is!

Quickly she opened the envelope, she counts the money inside, 6980 dollars, not less even a cent, he... he... just now he suddenly left her, did he help her to find the losing money?

Her eyesight is not only flashing an excitement but also surprised, she hurried look at Yu Ao Tian:
"Thank, thank you. Thank you." Words are not even can represent her excitement and also her moods, she hugs him and unstoppable to say thank you to him.

He has busy for half hour, he even asked hundred Yu Long's members only to find out the thief. That time Yu Ao Tian really pissed off, since when the Japanese Underworld Emperor, the first mafia group, Yu Long group was doing all out only to catch little thief? If this being told to outside, perhaps will be the biggest laughing stock, won't it?

But when Yu Ao Tian sees her smiling face, he has already back to himself, all his anger and also his dissatisfaction finally vanished without any trace, moreover he even thought everything he did more than worth. Hah, since when He, Yu Ao Tian has mood and quite big patience to coax little girl?..

Episode 134

After thinking about it, his lips curved upwards smile alike sinister...

"Do you only thank me this simple?"

"Well, how about I treat you meal, is it okay?"

"Meal? Little Thing, I have helped you to find your 7000 dollars, do you think only by treating meal then everything is settled?"

"So... so what do you want? How about, I share half of the money, is it okay?" she loosens her hands from Yu Ao Tian, takes out her money.

Her hands are stopped by Yu Ao Tian: "Little Thing, you don't play fool with me?"

"Uh?" without waiting for Yao Yao reaction, suddenly he has already pulled her body closer and pair of lips landed in her little mouth...

"Vice CEO Feng, Vice CEO Feng, quickly see! Quickly see!" In the dim parking area, Feng Chen Rui's assistant, Aaron hurried to point at sport car that not far from their car.

Feng Chen Rui takes a glance: "That is..." inside the car, the scenery of man and woman are kissing caught by his eyes, his eyes is become more focus after he saw the male and female lead!

"No wonder that little girl didn't move by my money, not even because she reconciles with Feng Chen Yi but because she has already had the gold owner. Yu Ao Tian!" his eyes rolled: "Does not know whether that little brat Feng Chen Yi knows that his Ex-girlfriend is Yu Ao Tian's woman now?"

"Vice CEO Feng, I guessed your little brother does not know about this matter. Moreover... there is also a possibility CEO Yu does not know that little girl is your little brother ex-girlfriend!"

"En?"

Aaron smiled mysteriously: "As the rumor spread, all the women who have relationship with Yu Ao Tian are virgin. While I was checking about this little girl before, her classmate said this little girl never slept with your little brother. This is matching with the base requirement as Yu Ao Tian's woman. As additional you know best about your little brother character, aren't you?"

Of course more or less Feng Chen Rui understands about Feng Chen Yi, due to his playboy character he is impossible to keep vague relationship with his Ex-girlfriend except he stills unable to forget her feeling

and love. Moreover his domineering character, the girl that he likes even she has already had boyfriend, he will fight for it. But now, he is having collaboration with Yu Ao Tian, maybe he does not know this matters yet!

When thinking about this, Feng Chen Rui smirks: "That little girl is Yu Ao Tian's woman and also having affair with Feng Chen Yi. Furthermore both of the men do not know their existence of each others. Interesting, this is so interesting. Hahahahaha. At one glances she looked alike underage but she can play with two most influential business men, high player!"

"Vice CEO Feng, do we need to do something?"

Feng Chen Rui narrowed his eyes: "No, no need to do anything. I want to witness both of them slowly by slowly become best friends but at last both of them are fall for same girl. Once I thought about their expression when knowing each other, I want to see their expression, very expected. Hahahaha..."

The small space is filled with ambiguous atmosphere and also feeling suffocating, the man big hand is sliding inside the woman's lower part of dresses.

"Uh!" little mouth is let out moaning sound, she wanted to reject. What does Yu Ao Tian want? This is still in parking area, there will be people passing by.

But who is Yu Ao Tian, no one can command him. He only stops if he wanted to. So, little teasing in parking area is more than enough for Yao Yao to get embarrassed. After sometime finally he stopped when...

"I, I feel hungry." Suddenly she burst out these words, this is one of the lame excuses, as if this bossy and domineering man will care whether she hungry or not?

"Let's go to eat." After said, he is starting the engine.

Really strange, why Yu Ao Tian looks little bit difference than before?

She is glancing and peeking at the man who sits beside her, so obviously he has black heart, still same domineering and bossy, but... somewhat the feeling is so difference and seem to be changed, at least in old days he won't care and ignore her whether she hungry or not, as long as he accomplished his goals.

Moreover the olden him would not help her to find her money that stolen, after all, a busy person like him, only by half hour he could earn more than million dollars, not to mention why he must look for the 7000 dollars?

Huh, does it because she thought too much or Yu Ao Tian really changing little by little? No matter what it is...

Yao Yao clearly understands her feeling toward Yu Ao Tian for these days when they are living together, she is no longer that fearful anymore...

"So full. Today I paid the bill." Inside the restaurant, Yao Yao has wiped eat clean all the dishes.

For once again Yu Ao Tian really admires the eating ability of Yao Yao. "I have settled the bill."

"Huh... okay then. So we... wait, I, I want to go to toilet."

Oh my God, is this little thing talented to have high metabolism? Why every times after they finish eating... he helplessly waving his hands, even he does not want to say more.

Yao Yao hurries running to the toilet, after she done. Walking out from the toilet suddenly one big hand is hugged her from back.

"Ah!" Yao Yao is shocked so she screaming, suddenly when she turned her back... one stranger's face is caught by her eyes: "You, who are you?"

"Wife, what happen to you?" the man nervously caressing her little face.

Wife? "Mr. you, you are mistaken."

"Mistaken?" that man is angry, he is holding on her: "Luo Yao Yao, what does you mean?"

He... after all he knows her name? Actually who is this man? "You let me go! I don't know you, you hurry let me go, or else I will scream."

"You are so cruel! Luo Yao Yao, you are so cruel. If you have guts just scream, you scream! Oh yeah, I know that I have no money, so that you are looked down at me. I also know that your grandpa is sick and need money, I can't help you. But how can you be this heartless?"

This man not only knows her name but he also know that her grandpa sickness... this matter? Actually what is going on in here? Who is he?

"You go closer to Yu Ao Tian, I am okay, you want to con his money I am fine. I know that I am so useless, I can't help you. But why must you act as if you do not know me?"

"Let me go! Let me go. I really do not know who you are, actually who are you?" she never con on Yu Ao Tian's money, never!

"Oh, I know, Luo Yao Yao, you are falling in love to Yu Ao Tian, aren't you? So that, you want to discard me, you want to forget your past, all everything and stay together with him? Isn't it?"

The man words more she hears more she feels muddle headed, moreover the man is talking with anger tone while his eyes gleaming dangerously, at this moment, she really doubted herself did she have lost her memory, or perhaps this man really someone she knows?

"Yao Yao, Yu Ao Tian won't fall in love with you. If he knows you have done the virginity restoration, he will kill you. Yao Yao, hurry leave him, didn't you say that after he paid all your grandpa medication fee you will break up with him?"

"You, actually who are you?" suddenly she feels her body tense: "No! No! You are spouting nonsense, I never done such thing before, you talked nonsense!"

"I spouted nonsense? You keep on pretending, you just go to pretending. You MF I mustn't trust you. Did Yu Ao Tian fool by your innocent look? Hahaha, so that the dummy not only me, but also Yu Ao Tian! I asked you one more time, will you break up with him?"

What is actually happened?

How can there is man that know herself very well and suddenly show up in here, although he said such unrealistic words, but his expression is too convincing, actually what is going on?

"Enough! Mr. if you keep on speaking I will make report to police!" Yao Yao used all her strength to push away that man.

"Well, you go to make report to police. Go! I will go to find Yu Ao Tian, telling him, he is the bastard who wear green hat, humph, it obviously your first time was with me, he even thought you as his treasure, he just dummy!" after said the man is turning and wanted to leave Yao Yao.

"Wait!" she tried to grab the man's wrist...

Cannot! This man should not meet Yu Ao Tian, he is telling lie, but somewhat she felt as if she has amnesia, forgetting on something, furthermore how about Yu Ao Tian?

Based on Yu Ao Tian character, if he really trusts this man's words, really thought that she had done virginity restore, he would be heartlessly to settle this matter.

Moreover something alike virginity restoring is something can't be proven, no matter she explains or say whatever it would be only an excuse.

Actually who, who want to harm her? Since the master mind able to make this detail about herself, plotting this lies.

"Yao Yao, will you decide to break up with Yu Ao Tian? It is okay, although for this life time I can't give you life alike Yu Ao Tian, the rich man like him, and also can't give you life as Madam. As additional I

would never to mention whatever happened between you and him, is it okay? Yao Yao, is it okay?" after said, the man is crying and trying to pull Yao Yao into his embrace.

An empty eye from corner is glancing to corridor. As seen, Yu Ao Tian is coldly standing there, moreover his eyes is gleaming with killing intention.

Deadmeat!

Why... everything turned be like this? Since when, Yu Ao Tian has been there? Did he hear everything?

Without she realized her body is shivering, Yao Yao seems shocked and forget pushed away the man who is still hugging her. At another seconds, finally she gained herself, she hurried to push away that man.

"Ao..

." she is chasing him and trying to explain, but Yu Ao Tian has been already disappeared.

Her heart is quivering, she has bad premonition about this.

"Yao Yao! Yao Yao where are you going?" the man is chasing her, grabbed her hand.

She turned, crazily hit that man: "Actually what do you want? Do you have grudge toward me, so you are trying to force me to death and then you feel happy? Do you know what you do is not only harm me but also harm yourself! You will regret later on, you will!" she really does not want to waste her time to speak with this man and she hurried left him and faster chasing Yu Ao Tian.

The darkness in night, a pair of empty eyes is looking for Yu Ao Tian's figure, blocking in front of his car. Yao Yao hurried to go close, pair of her hands are knocking the car window: "Ao Tian, listen to my explanation"

"Sst." Yu Ao Tian smiling deviously, his finger is touched her small mouth: "No need to explain. Come, let's we go home!"

No, cannot go home!

The current Yu Ao Tian is so scary... really scary... as if she sinks into the deep dark pool, so scary.

Although his face is smiling, his mouth said that he didn't care, moreover she so certain this Yu Ao Tian is extremely pissed off!

She has living with this man for sometimes, she even knows Yu Ao Tian is intending to kill from his expression.

At this moment, she really wish to hear Yu Ao Tian shouting or roaring toward her, or even just slapped her at least she knows the matters not really serious.

"I beg you, Ao Tian, you give me a chance to explain?"

"Get in!" he coldly said two words, but his aura is showing his anger and slowly turned be so chilling.

"I beg you..." no matter how Yao Yao is crying and begging, her lips, her body all are shivering. She is really afraid of him.

Suddenly she hears Yu Ao Tian laughing sound from beside her, she hasn't reacted...

The car has moved, she not even have time to open the door, the car has already moving and leaving her. She falls to the ground...

"Aiya, what is happen?"

"I don't know, that little girl seems hit by car?" some of people who are passing by talking. When some of them seeing her bleeding: "hurry, call 120."

She tried to use all the strength to stand up from the ground, the fresh blood is dripping from her forehead, blurring her vision.

Soulless with wounds are everywhere in her body, the blood still dripping from her forehead. Suddenly she feels weird. Why she does not feel pain? Moreover she does not cry? Stills...

Does she forget that she must cry because pain?

Forcing herself to stand up, her body is wobbling and moving forward.

Those people who see her, shocked: "Little sister, we have already made phone call to 120, you wait here for the ambulance."

Useless, useless, now everything is useless.

She waving her hands to those good people, her mouth curved upward in rigid. The blood is streaming down from her forehead, wet her face, her tears and blood is mixed.

That petite figure slowly disappeared from people visions. Suddenly she feels it will be better if she directly die, unfortunately... her back is carrying too much responsible and others lives, no matter how she not dares to go home, unwilling to facing Yu Ao Tian, but she knows, she must facing all those storm and blood rain herself...

She standing in quite dim place, Yao Yao stopped taxi.

But her face has blood trace, all over her body is wounded, no taxi dares to stop.

Must go home?

This place at least few tens Li (distance measurement) from Yu Ao Tian's villa, at this time suddenly a Bugatti car is stopped not far from herself.

She narrowed her eyes to look at that car, she sees the car plate, this car must be... Yu Ao Tain! Yu Ao Tian is come back to pick her up!

Her white pale face slowly smiles, she hurried go to the car. But when she gets inside the car, the man who driving...

That man has skin alike white jade, he has very good looking appearance with black hair and also a fair of shining eyes.

This man has very complicated aura, as if he is melancholy young master that standing under the cherry trees, but also as if a prince who looked standing inside his castle with sad expression.

It is so obviously he gives different vibes with Yu Ao Tian, but why she still mistaken him as Yu Ao Tian? Moreover that man eyes his pair black eyes somehow really similar with Yu Ao Tian's, does this because she mistaken of him?

"Sorry, I am sorry, I am mistaken. Wrong person." stunned for while, Yao Yao hurried apologizing, hurried she wanted to get down from the car. She really is afraid shocked this man because she thought for while, in the silent of darkness, suddenly there is a girl who gets in car moreover her body is stained with blood, what kind of scenery it is.

"Should I send you to hospital?" that man suddenly opened his mouth, his voice is so soft and warm, very match with his appearance.

"Thank you, no need." She refused.

"You must hard to stop the car with your condition." The man took out his tissue from his pocket, gave her.

Yao Yao received it and wiped the blood in her forehead...

"Ouw." It touched her wounded forehead.

"Hehe." Let me help you, the man come closer to her: "let me help you." He takes the tissue and slowly also carefully wiped Yao Yao's forehead.

Really strange, this is her first time meet this man but somehow she does not feel him as stranger.

"Thank you."

"Where are you going? I drive you."

"No, I am so presumptuous to get into your car, I am feel embarrassing for this."

"It is okay, but it can say that perhaps I might take you away." The man is suddenly joking with her.

She smiled faintly, she can feel he is friendly: "I want to go...to Ao Lan street."

Yu Ao Tian's villa is located in mountain which is near to Ao Lan street, all the entire mountain is belong to him so not any car can get into there so the best for her is going to Ao Lan street, the nearest street.

On the way...

"Miss..."

"Yes."

"We, did we ever meet before?" the man suddenly asked.

To be honest, she also wanted to ask him before, but due to her forgetful nature such as not easy to remember people's face, although they ever met perhaps she might forget it already.

"Maybe no, I just come back to China."

"Oh? Where did you come from before?"

"Japan."

"HaHa." The man laughed, his eyes gleaming: "Well, perhaps we ever met before in Japan."

"Hm?" what did he mean?

"I was staying in Japan; two years ago I came back."

"How's coincidence?" Yao Yao felt little bit excited, her leg even hit to the car's door.

"Be careful."

She has good conversation along the way to Yu Ao Tian's villa with that stranger man who not feels stranger for Yao Yao.

When she arrived...

The main door is opened. "Yao Yao? You, what happened?" the door is opened by Nan Lu, she is worried when looking at Yao Yao.

"I am fine, Nan Lu, did Yu Ao Tian already come back?"

"En, come back. But..." Nan Lu eyes are looking right and left, softly said: "Big Boss Yu mood is not good today, when he came back his face looked so cold."

She has predicted, slowly she is walking inside the living room.

Yu Ao Tian is sitting in sofa while reading the magazine.

"Ao..."

She not yet done with her words, as seen Yu Ao Tian eyes are gleaming and hinting, Angel with fast steps, heading her and pulled her wrist, twisted it and pushed her into kneeling position on the floor.

"Sister Angel, what are you doing?" Nan Lu obviously shocked with scenery in front of her.

"Nan Lu..." Yao Yao is kneeling down in the floor, she shaking her head looking to Nan Lu, hinting her not to say anything. "Ao Tian, you really not trust me?" despite she does not have reason for Yu Ao Tian to trust her...

He stopped to flip the magazine, he lifts his head up, coldly looked at her.

Yao Yao thought there is still a hope, so that she continued to say, but his deep dark eyes looked at Angel. And then...

Angel heartlessly slapped her face.

"Sister Angel!"

"Nan Lu!" one of Yao Yao's hand is touching her face that got slapped while another one to stop Nan Lu, she looked at Yu Ao Tian, he acting as if nothing happen and keeps on flipping the pages of magazine.

Should he act this way?

No! she must ask herself why must she lives in this such petty and low?

Oh yeah, he is the person who gave her grandpa medication fee, it is right that he ever treated her very good. But... he is so heartless too and again and again toward her.

Although that man really good in acting even she doubted herself, whether she really that girl who that man said, moreover what with Yu Ao Tian?

But no just no, must she need to explain to Yu Ao Tian? Does he willing to believe on her who own scheming heart and schemed his other women, will he? Why? Why must she really want Yu Ao Tian to trust her?

Is it because she afraid he will hurt her grandpa, her mother? Or...other than that, why must she in rush to explain everything to him?

She too petty and low, this kind of self-proving is too low! "Yu Ao Tian, don't you think that you..."

Another slap is sent from Angel.

She does not care from every pain because gets slap from Angel, she keeps on speaking: "Don't you too overreact? What is your right to ask Angel to slap me? Why must you slap me? Or because..."

Get slapped!

"Did it because that man's words?"

Get another slapped!

"Enough! Yu Ao Tian, you speak..."

Another slapped!

"Yao Yao! Don't speak anything!" Nan Lu understood as long as Yu Ao Tian has given the command, other than he no ones can stop Angel, she tried to stopped Yao Yao, asked her to stop.

But Yao Yao just not pleasant! She is not happy being mistaken!

Yu Ao Tian phone is ringing.

"I understand.

"

He has very short conversation and then he left the villa without looking at Yao Yao.

"Sister Angel, can you let Yao Yao go?" when she sees Yu Ao Tian has left, Nan Lu dared to open her mouth, begging Angel.

She does not say anything but coldly shaking her head, she still pressed down Yao Yao but do nothing.

"Sister Angel..."

"Forget it Nan Lu, sister Angel only listen to the command." Yao Yao forced herself to laugh, appeased toward Nan Lu expression.

"Yao Yao, actually what did happen? Aren't you just reconciling with Master? Why now..."

"Fiuh..." she takes deep breath, her eyes not focus shaking her head: "I don't even know what actually is going on."

Suddenly there was a man who came and called her as his wife, his mouth kept on saying everything regarding to her, he even said that her first time was gave to him. He has forced her to no way to go.

All of these are too sudden; simply to say... she caught off guard!

In the dark of underground big hall, the air is filled with blood and also strange atmosphere. Until when Yu Ao Tian appeared, over a hundred men are bowing respectively to him: "Big Boss Yu."

In front of the Master's seat, a man is kneeling down, this man is the same person who was calling Yao as his wife, his smirks: "Ha, so you are the person who called as Yu Ao Tian!"

"Is this the way you speak with our Big Boss Yu?" after said, one of the man in black suit punched him.

The man is vomiting blood: "Big Boss Yu? So other than Berson Group's CEO you have another identity as Underworld Boss? Interesting, hahahaha."

"Who is asking you?" Yu Ao Tian who is sitting in front of that man, coldly said.

That man stunned for moment: "What?"

"Our big boss Yu is asking you, who asked you to come!" after said, a man in black suit punched him again in his stomach.

"Who asked me to come? I don't understand what you are talking about."

"Not understand?" Yu Ao Tian is smiling while his hand is pouring tea from the teapot, takes one sip and the rest of tea is pouring to that man's body...

"Argh!"

The man in black suit takes out a small knife and heartlessly stabs it to that man's abdomen.

"Yao Yao is my girlfriend. She is my woman! So what if you have money, have status and also money? Didn't you just take a woman that I have used before? Yu Ao Tian, you just green turtle!"

After that man done with his words, all the Yu Long's Xiao Di looked so cold, just to let know, this man dares to speak like this actually only to seek for death.

All of them are quivering; their eyes are peeking secretly to Yu Ao Tian.

His good looking face is showing bright smile but all his men (subordinate / Xiao Di) know very well that Yu Ao Tian is spreading cold aura, all the people in the underground hall could feel scary atmosphere.

"Give you another chance, confess who is asking you to do so and then I will free you."

"I said, I said, the person who asked me is you, Yu Ao Tian! The person was you, Yu Ao Tian!"

"Little brat, don't want to live anymore? This word you even dare to say?" the man in black suit is stabbed one more time the knife.

"Uh." The man is hurt: "Haahahahaha, since I have fallen into your hand, there is no way for me to live anymore. I love Yao Yao so much, I really do love her. Because of your money, that slutty girl does not want to recognise me anymore, so what is my purpose to live?"

"What is the evidence if she is your woman?" Yu Ao Tian tilted his head, his body is slowly leaning to the chair.

"Her left shoulder has scar, his breast has one mole, the most mesmerizing places from her is her barren body, when ** it so**, Big boss Yu, you must give try before?" the man smile so sarcastically, his eyes is containing provocation.

Yu Ao Tian standing up...

"Big Boss Yu, how to settle this man?" the man in black suit walking to his side and curiously asked him.

His eyes is filled with anger, smirk: "cure his wounds."

After heard what Yu Ao Tian said, that man despair eyes suddenly lit up with hopes. But Yu Ao Tian's men still silently to wait the last command from Yu Ao Tian.

"After that, catch all his family members, I want him to witness his family members to die in front of him, one by one!" that smiles vanished, it is only left that cold and unlimited darkness from the underworld emperor aura. Even people could feel that fear from deep inside of their heart, his domineering and scary aura.

"Yu...Yu Ao Tian, you dare... you dare to hurt my family. Don't you afraid catch by police?"

"Ha, little brat, it seems that you really not understand about our Yu Long group." The man in black suit is laughing. Only by seeing this man expression, they know that this man really not understand how scary Yu Ao Tian can be.

Yu Ao Tian perhaps can give perception as someone elegant, mesmerizing, the demonic charming, proud and aloof. But in Yu Ao Tian bone is engraved with darkness and also has dark blood in his veins, but inside himself there is something more terrible, scarier than the devil soul. Just according to him when talking to this man with demeanor tone, it seems that no matter this man is coming because recruited by someone but the end result this man will be ended worsen that death...

"Ask the Japan side to check on someone called Luo Yao Yao, that girl. Check how many boyfriend she ever dated before." Yu Ao Tian does not bother with the man in front of him, but he just directly commanding his men.

"I understood, Big Boss Yu."

After he done, he is slowly walking out, he is leaving the dark place where the man is still kneeling down with despair...

Yao Yao clearly can feel, at this moment he is extremely angry. "Hahahaha, you mean that I should admit that man as my boyfriend, I must say that in order to have medication fee for my grandpa treatment and then I get closer to you, should I do that damn virgin restoration, is it all what you want to hear? Do you really think I am..."

"sstt." His slender long finger touched her mouth: "Don't rushing to make the explanation. Perhaps the answer will come out soon, when the time comes, when the time comes...you still don't know whether your family will live or death!"

"No! Yu Ao Tian, you must not harm my family, no!" she is in hysteria state, standing up and then deathly grabbed Yu Ao Tian's wrist.

Nan Lu wanted to say, don't in rush to make denial, but she still helplessly to smile, she gently wipes her tears: "The world that Big Boss Yu live in, we will never understand it for our entire of life. No matter you love or not love him, but still you are his woman, virtually (on common sense)..

.his responsibilities are so many, so many invincible pressure that he must bear. It is...difficult..."

Now she does not have heart to fight for man? "Oh yeah, Xiao Man, I have thing to tell you... be careful!" her eyes caught a car is approaching rapidly toward their direction, unconsciously she pulled Xiao Man's arm.

Black Rolls-Royce moving and passing their sides...

"Since there is someone dares to drive the car inside to the university, that person inside the car must be the university board of directors? Oh yeah, Yao Yao what did you want to say? Yao Yao? Why your face turned pale?"

Not mistaken! Not mistaken! The person who sits inside the car is Yu Ao Tian, this time she is not mistaken. Why Yu Ao Tian coming today? What is his purpose?

"Yao Yao? Yao Yao?"

"Woah, so his name is Qi Lian Ao Yun, moreover he is head of student council. Yao Yao, what to do, I really like him more and more." Gong Xiao Man soulless, she pulled Yao Yao's hand nervously and little bit shivering.

"Xiao Man, are you serious?" Yao Yao smiled. Of course, that man who she accidentally met actually is her sunbae, moreover he is the head of student council.

"Now after this, Qi Lian will give the time for the new student representative." Not long after Qi Lian Ao Yun done with his speech, the new student representative name is called out.

"Who is the new student representative? Really lucky, can get closer distance to Qi Lian sunbae."

"Really envy and jealous!"

Listen to all the whispering, Gong Xiao Man is smiling: "Humph, who will be, of course my Yao Yao!"

"En? This is good idea. We meet after the school ceremony ended." After said Qi Lian Ao Yun gets down from the stage.

Yao Yao is so composed on stage, every time when school has new representative student "moment" she is always the person that chosen to do it, she could use the old speech with little bit modification.

When Yao Yao is doing her speech everyone is crazily discussing about her. Since everyone is quite surprised about Yao Yao's achievement.

Moreover when they know her examination entrance scored which is perfect. The shocking thing is her IQ which is 205, very high ones. No wonder she got scholarship again.

"Now, after the representative of new student done with her speech, let's we welcome one of the board director Mr. Yu Ao Tian to hand over the scholarship to Luo Yao Yao."

After that, Yao Yao really does not know how she goes through all the ceremonial process until it ended.

"Xiao Man, I have thing to tell you." Yao Yao suddenly stopped her footsteps.

"What's matter, why your expression turned to be so serious?"

Must I tell Xiao Man? But Xiao Man is the best friend I have I can't hide it from Xiao Man. She bites her lips, slowly said: "Xiao Man, actually that board director Yu is..."

"Hey, Junior." Four men from upper class surrounded Yao Yao and Xiao Man unexpected.

Yao Yao nervously grabbing Xiao Man's hand: "Sunbae, what is matter?"

"Oh, not really matters, but sunbae only want to ask you whether you have boyfriend or not?"

Gong Xiao Man is glaring at those sunbaes who looked alike little scoundrel: "Our Yao Yao is already had boyfriend, sunbae you better give up!"

"This is not your business, I am not talking with you." One of the sunbae with yellow hair is hooked at Yao Yao's shoulders.

"Let me go! You let me go!"

"Hey, sunbae, I suggest you hurry let Yao Yao go, or else I will go to student council to make complain!"

"What a good chick, I like you." Another fat sunbae is targeted Gong Xiao Man.

Seeing Yao Yao in difficulty, Gong Xiao Man really wants to help but that fatty sunbae is blocking her way.

This sunbae who named Lu Chuan actually is the little scoundrel boss in this school, no students want to deal with him. So most of the student who is passing by only acted as if seen nothing. Yao Yao and Xiao

Man almost fall in despair but when they see someone from the board director passing by, Yao Yao screaming and asking for help. But what on earth, that person is Yu Ao Tian who accompany by Mo Xue Tong.

When the fatty senior looked at the group of people he said to the yellow hair sunbae, they might get in trouble with the board of director know what is happening. Lu Chuan (yellow hair sunbae) said to the fatty sunbae to act as if they are dating with their own girlfriends so no one will come to disturb them. He also threatens Yao Yao to shut up.

Yao Yao is trying to free herself from that Lu Chuan and rushing to Yu Ao Tian asking for help, Lu Chuan has cold sweating when sees Yao Yao free from him but his hope lit up when Yu Ao Tian ignored Yao Yao and keeps on walking forward. At sudden Yao Yao heart feels as if there is thousand of needle stabbing inside her heart. How can Yu Ao Tian act this cold?

Although her heart in pain but she still calling Yu Ao Tian's name, "Ao Tian! Ao Tian!"

"Ao Tian, are you serious not to help her?" Mo Xue Tong asking him when they have walked quite far.

He makes tight fist in his hand, his eyes gleaming dangerously: "Give this task to Yu Long, ask them to solve it."

"Yes!"

"Junior, it is useless, you see even the board director thought you and me are couple, you think who will come to help you?"

Listened to Lu Chuan, Yao Yao is pissed off and biting her lips, Yu Ao Tian I hate you! I hate you!

"Junior, let's we date, you rest assured, I will treat you good." Lu Chuan smirks. One of his hands holds up Yao Yao's chin and trying to kiss her.

Expressionless, no struggling, at this moment Yao Yao brain has flown to another world.

"Yao Yao?" under this circumstance, Gong Xiao Man, nervously shout at her.

But Yao Yao does not have reaction, as if she has shut herself from this world.

When Lu Chuan lips almost touched Yao Yao's lips..

Lu Chun turned his back looking at...

"Qi Lian Ao Yun!" Damn, how can he be here.

"Aiyo, Lu Chuan, are you dally with girl? You have already gotten two punishment and warning, do you really want to quit from school so that you satisfied? Said a girl who is standing beside Qi Lian Ao Yun.

"Thank you to remind me. But, which of your eyes see that I am dallying junior." After said, Lu Chuan smiling and loosen up his hands, while that fatty sunbae also free Gong Xiao Man.

"Lu Chuan, you think that I am blind..."

"Forget it Xiao Ming." Qi Lian Ao Yun stopped Gu Xiao Ming, slowly he is walking in front of Lu Chuan: "I don't expect to see this next time, get lost!"

It is so obvious that Lu Chuan is scare with Qi Lian Ao Yun, when heard what he said the unhappy Lu Chuan angrily leaving.

"Thank you Qi Lian Ao Yun sunbae." Gong Xiao Man is completely forget about the nightmare just now, she looked Qi Lian Ao Yun with admiring look, heaven knows, how cool he was when he is talking to Lu Chuan.

"Don't mention it." Qi Lian Ao Yun gently smiles, his eyes locked at Yao Yao, helplessly he shook his head: "Why every times I meet you, you are always in mess state?"

"HaHa." She is forcing herself to laugh, actually today she really does not have any mood to treat Qi Lian Ao Yun meal: "Thank you, Qi Lian sunbae. I, want to go back to my dorm." After said, she dragged Xiao Man's hand leaving that place.

"Hey, Yao Yao, this is one good opportunity, Qi Lian sunbae helped us, we can take this opportunity to have chat with him?"

"Xiao Man, I have thing to tell you!" her eyes is moisten with tears.

Gong Xiao Man senses something weird, immediately her expression changed: "I know, let's we get back to dorm."

Arrived at the ladies dorm, two of their roommates haven't come. Once they get inside, she has cried: "Xiao Man..."

"Yao Yao, did you get shock by that Lu Chuan?"

"No, there is nothing to do with him. Xiao Man... you listen to me. But... listen until I have done, don't anger me!"

"Actually what is going on?" Gong Xiao Man is sitting at the bed edge beside Yao Yao's bed.

She tried to control her emotion, said: "Just now the board director who was passing by actually Yu Ao Tian."

"Just now I had heard you called his complete name, and now you are especially bringing up the topic, does this... Yu Ao Tian, is he that underworld emperor in Japan, that Yu Ao Tian?" just now Gong Xiao Man was little bit hesitated, she feels as if she ever saw that board director's face in somewhere, moreover she is too familiar with Yu Ao Tian, this name, she thought it must be coincidence but never thought... actually he is the same person.

"Right, he is that underworld emperor in Japan. Two years ago he came to China for expansion moreover he is the CEO of Berson Group one of the most successful company in China."

"Woah, he really is great."

He is not only handsome, but now he even walking in two paths black and white. Oh yeah, Yao Yao, how can you know he very well?"

"Because..." she tried to hold on her tears, she smiles weakly, "I am his current lover now."

After heard, Gong Xiao Man face expression is changed: "Yao Yao, how can you turn to be like this? Who he is? He is Yu Long's big boss, he even a man that you are not effort to offend, you still dares to be his lover? Even you are now his lover, do you know what is heading in your future?"

"I know."

"So why are you still becoming his lover?"

"Xiao Man... I don't have any option..." Yao Yao told everything about her to Gong Xiao Man, how she becomes Yu Ao Tian's lover, everything.

"Why, Yao Yao, why suddenly everything turns to be like this, we are only not meeting for two months? All because of me... it is my fault, I must keep in touch with you from two months ago."

"It is not your fault Xiao Man, really nothing to do with you."

"I am sorry, I do really sorry, I wasn't there when you in your hardest time, I wasn't beside you, I am sorry." Gong Xiao Man feeling guilty and hugging Yao Yao, her eyes already wet with tears. "I am sorry, you even becoming Yu Ao Tian's lover, but why he just now..."

"This is the second matters I want to tell you..." Yao Yao told her everything that happened five days ago to Gong Xiao Man.

After Gong Xiao Man listened to it, she is extremely pissed off: "MF, who is actually lacking moral as human, after all this person even harm you? Yao Yao, tell me what was going on within this two months when I wasn't with you, actually who did you offend?"

"I also didn't know..." still that words, everything just happened too fast.

"You better think carefully, actually who is scheming you. The person who dares to scheme your relationship with Yu Ao Tian must be someone who does not want to see you with Yu Ao Tian?"

That is right, Gong Xiao Man gets the point, there must be reason for everything that happened, moreover that man dared to say such things, but when seeing him, he seems to understand Yu Ao Tian so much and also knew what Yu Ao Tian cares but not about her who is together with Yu Ao Tian.

It was not that man main purpose but...Li Mei Yun!

"Yao Yao, have you thought about it?"

"No, I haven't." she knows Gong Xiao Man very well, due to Gong Xiao Man temperamental, if she knows that person is Li Mei Yun, she must go and troublesome her.

"I never thought, in this short period within two months there are lots thing happened. Rest assured... Yao Yao, I will definitely...help you." After said, Gong Xiao Man eyes are flares up, watery but have deep thought..

Berson Group

"Miss, you don't have any appointment so you are not allowing getting in." Outside the main entrance, the receptionist and the security guard are blocking in front of Gong Xiao Man.

On the afternoon she has made an excuse to Yao Yao that she must go out to do something, so she directly come to Berson group, who knows... she not even can get into it.

"I have said just now, my boyfriend is working at your company, I come to find him."

"Miss, now is lunch time, you can find your boyfriend but, please tell us your boyfriend's name, so that we can verify it and you also can get in."

Kao, how can she know her boyfriend's name? Whatever that she is certain, if she directly say that she is coming to find Yu Ao Tian, there is no chance for her to get inside Berson in the future.

Helplessly her eyes are looking right and left.

Suddenly... in front of the main entrance there is tall body posture of man who is walking in from the company's building.

Gong Xiao Man eyes rolled: "Beloved! She moved faster and rushed to the man in front of her, she is extending both of her hands and grabbed at his hand, softly said: "Help me."

Few of the receptionists and also the security guards, their face turned green...

"Han, Han, Vice CEO Han."

Vice CEO Han? Wo Kao, so this handsome man is Berson group vice CEO?

Xiao Man eyes widen, she lifts her head up and see Han Li Shang, he has pair of cold eyes that not friendly, it almost makes Gong Xiao Man quivering because his icy eyesight, this man really iceberg, really scary...

Han Li Shang swept Gong Xiao Man with a glance, his cold eyes are looking at her who grabbing his hand, frowned and he pushes away her hand.

"Vice CEO Han, is she your girl friend?" the receptionist lady walking in front of Han Li Shang trying to find out by asking, just to let know there is no one in this company who is not afraid with Han Li Shang, the most important since all of them know Han Li Shang, this man never smiled even once.

"Don't know." After said, Han Li Shang not even take another glance to Gong Xiao Man, he is walking out from the company main entrance.

Kao!

Xiao Man furrowed her brows, how can this man such heartless? She just asking for help, can't he help her?

"Hey, my stomach has your baby, you want to deny it, I will keep on shouting and screaming in front of your company until you admitted!"

Suddenly, Han Li Shang stopped his footstep.

Hehe, she really not believes if this iceberg man not moved.

Just expected, the iceberg Han Li Shang is rushing in front of her, he pulled her aside, coldly said: "Little girl, what do you want?"

Little girl? Huh, he at least must be in his thirties, since he is calling me Little Girl, well...

"Da Shu (Big Uncle), you rest assured, I won't troublesome you, I just want you to help me get inside to the company. Is it okay?" Gong Xiao Man grinning.

She looking at Han Li Shang iceberg face, simply to say his face even blacker than charcoal, perhaps in his life time he never met little girl that looked alike rascal, moreover she even called him Big Uncle!

Grinding his teeth, Han Li Shang turned his back and walking toward the elevator. Xiao Man looked at few of receptionist ladies and smile to them, pretending herself as pregnant woman and then following at Han Li Shang back, entering the elevator.

"Woah...never thought that Vice CEO Han... her is also Casanova."

"Yeah, the most important is, he even youth killer, specialist in little girl. No wonder he never had any rumor with the beauties in our company, so the matter is...

" this time few of the receptionist ladies are secretly laughing and gossiping.

"HeHe, Big Uncle, thank you." Inside the elevator, Gong Xiao Man extending her hand and patting at Han Li Shang's shoulder.

His eyes darken, suddenly he grabbed her wrist.

"Ouw." At the moment her wrist feels hurt and she unhappily frowning: "Big Uncle, are you trying to harass me?"

"!" he loosens up, Han Li Shang face is turned darker and gloomy.

"Hihihihi" Gong Xiao Man little mouth smiles, she secretly staring at Han Li Shang, slowly she moves closer to him: "Hm, Big Uncle. Since you have helped me to get inside the company, can you help me for another thing?"

"Don't be too over!"

"Aiya, you just help me ah." Gong Xiao Man is acting coquettishly, grabbing and swaying his wrist.

Facing with this circumstance, Han Li Shang only can frown: "Do you know that you are little girl? How can you act this impetuous?"

"Well you just think me as the careless little girl. Hihihhi."

"!" he swears, in his life time he does not want to meet this shameless little girl anymore! "Let off!"

"You don't help me, I won't let you off." After said, Gong Xiao Man in spite of not loosens up she even brazen by hugging onto his waist.

"Damn!" Han Li Shang non-stop to sway her away, but she just alike Koala bear that does not let off and loosen up.

And then, just right in this time... the elevator door suddenly opened, the person who is getting inside the elevator almost freeze to see Han Li Shang situation.

"Woah, Li Shang, you this brat really good ah, I don't even hear the news that you are dating little girlfriend." The person who getting inside the elevator is Long Ye, he narrowed his eyes and smiling, he bends his body little bit lower and looking at Gong Xiao Man: "Little sister, how are you, I am Long Ye."

Wo Kao, is Berson group the place where all the handsome men gather? Another handsome man but seeing carefully this person who named Long Ye is not more handsome than the iceberg Big Uncle who standing beside her, really interesting. "Hello."

"Long Ye, are you blind? I don't even know her!" Han Li Shang glaring at Long Ye, and then he turned to look toward Gong Xiao Man.

The problem is, Long Ye really cannot see there is any relationship between Han Li Shang with the little girl, actually he just wanted to tease Han Li Shang, the most important that he really admires this little girl guts.

"Big Uncle, just now we are so intimate, but how can you suddenly react in another way?"

"Woah." Long Ye who standing near them really is laughing hard.

"Little Girl, if you dare to continue your gibberish, do you believe that I will throw you out from here?" It is so clearly that Han Li Shang will do so.

Gong Xiao Man unhappily pouting her mouth, humph, really a kind of Big Uncle who immune with teasing. Slowly she loosens up her hand that hugging on Han Li Shang's waist, turned and looked at Long Ye: "Long Ye Ge Ge (Brother Long Ye), can you help me?"

"What can I do for you?"

"I want to meet your..."

CEO Yu Ao Tian."

After Gong Xiao Man said, Long Ye and Han Li Shang are looking each others, Long Ye is showed his charming smiled: "Can, I do also want to meet our CEO, you go with me."

"Thank you." Gong Xiao Man really thankfully to Long Ye and she throwing dagger eyesight toward Han Li Shang, glaring at him for while: "See, see, both of you are man, but the difference is extremely far."

"You!"

Needless to doubt, from today onwards the iceberg lofty Han Li Shang is completely stumbling to Gong Xiao Man this little girl's hand...

"CEO Yu." When they are arrived at CEO's office room.

Yu Ao Tian lifts his head up toward the expressionless Han Li Shang, he also looked at the smiling Long Ye and then the petite figure whom is standing between them which create a center of attention to his focus.

"Hello, CEO Yu. I am Luo Yao Yao's classmate, my name is Gong Xiao Man, I have things to tell you in privately."

After listened to three words, Luo Yao Yao, Yu Ao Tian expression turned dim: "Long Ye, Li Shang, both of you wait me at outside."

"Yes..."

Looking at Han Li Shang that going out from the office room, Gong Xiao Man is spitting her tongue as provocation to him.

This scenery is caught by Han Li Shang's eyes, if to be honest he really wanted to kill that little girl immediately!

"Speak up what do you want to say."

"CEO Yu." Gong Xiao Man expression turned cold: "I also just listened regarding you and Yao Yao matters. I have been classmate with Yao Yao for three years, what kind of girl she is, I understand her very well. Don't even mention that she ever slept with anyone, I dare to guarantee with my name, swearing, she even not randomly kissing mouth with..."

Suddenly Yu Ao Tian raised his hand, stopped Gong Xiao Man: "Directly to the point, the intention you are coming here."

Damn! That is not kidding Yu Ao Tian really underworld emperor, simply to say handling him is more difficult compare to that iceberg Big Uncle!

"You must treat Yao Yao well, or just free her. Regarding about her debt to you, I will try to pay it back to you."

"You can go now."

"Uh? What do you mean? Hey! Actually what do you want? money or do you want to treat Yao Yao well?" Gong Xiao Man does not have intention to leave, she facing Yu Ao Tian face to face.

When their eyes are meeting each other, suddenly she can feel strange fear and scary atmosphere suppress on her: "Yu, Big Boss Yu, please give me chance to say words, today my coming is not for interfering the matter between both of you, I just purely hope to see my best friend can live happily.

But now what I see in Yao Yao's face... all are sadness, sorrow. Pardon me to disturb." After said, she is walking out with sad expression from the CEO room.

Doomed, how can Yao Yao offending that scary man?

Although she only have short meeting with Yu Ao Tian, but if not Gong Xiao Man has little bit understanding regarding Yao Yao matters, perhaps she might pee in her pant in earlier.

He is Yu Ao Tian who name is so taboo (forbidden to call, an underworld Emperor) in Japan, it not like she does not know. Two years ago when she was in host bar the deep impression that she got from the first time saw Yu Ao Tian, he was handsome man, but this time after she met him again she really can feel that underworld emperor aura on him. The innocent Yao Yao is not suitable to have something with this man!

God really blind to put them together as couple, one is the person who live in heaven and the other one is the person who live in hell, how can both of them living together?

"Have you done?" Long Ye who sitting down in front of the office room, smiling to Gong Xiao Man.

She frowned, expressionless nodding her head: "Done."

"Humph, just move one inch your nose with touch the wall." Beside is Han Li Shang who coldly opened the door.

Really not understand, every times Gong Xiao Man sees Han Li Shang, she got nerved for him: "Not your business!"

"You!"

"You what you? Big Uncle, every day you showing that kind of dark expression will make you easy turn to be old and wrinkle. If you are doing nothing better smiling, perhaps you may live little bit longer for couples of years. Good bye!" after said, Gong Xiao Man acted as if she is extremely happy, she happily jumping disappeared from Han Li Shang's vision.

"Li Shang, see, you seem not better than Ao Tian, you also meet a little girl that drives you crazy."

"You are still better to taking care your own matter, Long Ye!" he coldly said, with his darken face he walking to Yu Ao Tian's office room.

"Long Ye, was you who bringing Luo Yao Yao's classmate to here?"

"Ao Tian, this time wasn't me." After said, he narrowed his eyes and swept to Han Li Shang who standing beside him.

Yu Ao Tian is taking a glance suddenly his face is flashing a hint of astonishment...

Another second, he coldly said: "Bring that man to me."

"Yes." Stop smiling, Long Ye faster his step to go outside from the office room....

Episode 138

"The Number that you are calling cannot be reached"

"How can't, why Xiao Man number can't be reached, just please nothing won't happen to her. Mr. driver, can you drive faster?" inside the Taxi, Yao Yao looks so worries, she is non-stopping to make phone call for Gong Xiao Man which so far can't be reached.

She didn't see Gong Xiao Man for the entire afternoon, therefore when she asking the others roommates no one knows where about she is, but she heard from the roommates, they said that she has collected the information about Berson Group and asking the address and then she just leaving school.

Once Yao Yao thought, Gong Xiao Man must definitely went to meet Yu Ao Tian, regarding to Gong Xiao Man's temperament, other than how scary Yu Ao Tian is, she does not know anything more about him, just afraid she speaks few words that it would anger Yu Ao Tian, she even does not know how she death. So that she hurries hailing Taxi and go to Berson Group.

About 10 minutes, she arrives at Berson Group, fortunately she has met the receptionist ladies for few times before, so that she does not need to waste much time and then get inside Berson Group.

Using elevator directly to the CEO's office: "Miss Mo, Miss Mo, is CEO Yu in his office?"

"Miss Luo, I am sorry, CEO Yu is busying to settle his business, please wait for a moment."

Xiao Man, nothing should happen to you. "Miss Mo, can you tell me, is there a girl who looks at same age with me that coming today..."

"Pa!"

There is sound of things being smashed from inside the office room. Another voice is also come along with that crushing sound. Won't it be... Xiao Man?

She does not wait for Mo Xue Tong to response, Yao Yao is rushing to go inside the office room as if flying arrow, but when she enters the office room what her eyes see...

The floor is covered with fresh blood from the man's body that lying down there, the air is filled with blood smell. "Ah!..."

After one screaming sound, someone with pair of cold eyes and big hand is covering her mouth. "You woman, if you scream I will kill you!" Han Li Shang cold eyes with his big hand is giving sense of frightening sound which piercing into Yao Yao's ears.

"Ao Tian, I am sorry." Mo Xue Tong is standing in front of the office room, lower her head because feeling guilty.

As seen, Yu Ao Tian hand is holding a gun that covered with blood, expressionlessly he waved to Mo Xue Tong. After that she closed the door and hurried leaving the CEO's office room.

"Li Shang, you don't bully Xiao Meng Li, you see how pity she is, she almost breathless." Long Ye who is sitting in sofa talking with smile.

Han Li Shang slowly loosens up his hand which covers Yao Yao's mouth.

"Huh..." Long sighed, she nervously gulping her saliva, glancing to the iceberg Han Li Shang who at her back and then glancing to Long Ye who is sitting in sofa with smiling face.

Last is the expressionless Yu Ao Tian...

This... what is happened?

Her pair of legs strangely trembling, she has not regained from herself.

But, a man who almost breathless and no strength pulling Yu Ao Tian lower part of pants: "Yu, Big, Boss, forgive..."

Without wait for the man finished his words, an instantly pair of Yu Ao Tian's eyes are covered with killing intention, he raised his hand that holding gun, "peng peng peng" three times at once, fiercely hit that man's head.

As seen the man body is not moving and also no breathe anymore...

Just afraid she will scream again, one of Yao Yao hand is covering her own mouth.

What have she seen? She has known that Yu Ao Tian is someone who has underworld background and she also knows that his pair of hands won't be clean but this is her first time to see Yu Ao Tian killed people.

She never thought that he not even blinking when killing, even to the extend it seems as if it looks perfectly normal as doing the normal things, how can he be that easy to take others life?

The scare expression is suddenly meet Yu Ao Tian's face, the blood that covering his body, even his good looking face is also stain with red blood. The vague scenery when his mouth curved up little bit is looked so strange.

At sudden (in very instant)...

She could see the soul of devil in his body, things that able to give chills in everyone...

Yu Ao Tian loosens up his hand, shoot one time to the floor, the sound is echoing, he takes out his handkerchief and elegantly he wipes clean his face, slowly looks at Yao Yao direction: "Who ask you to come?" his eerie voice weirdly can make people heart to tremble.

"I... I come for find..."

"Ao Tian, it is bad!" without waiting she finished, Mo Xue Tong suddenly is pushing open the door and entered: "Officer Li is bringing few of his men to come here, it seems we are falling into trap."

Officer? Coming by himself? Falling to the trap?

Oh yeah, Yu Ao Tian just killed person, if now the officer is on the way coming and see this scenery, perhaps Yu Ao Tian... "Thump Thump" Yao Yao is nervously looked with her big eyes.

But why there is no expression in Yu Ao Tian's face: "Long Ye, settle this corpse."

"Yes!"

"Ao Tian, the blood stain in the floor and also the blood in your clothes, what to do, If now you want to clean it must be late." Han Li Shang face is totally gloomy asking him.

He narrowed his eyes, when he is trying to speak...

He has seen Yao Yao rushing to his working desk, she has already pick up the cutter knife and cut her left wrist with deep cut for few times.

"Woman, you..." Han Li Shang is extremely surprised until his eye glaring bulleye.

In seconds, there are few peoples who suddenly rushing and get in into the office room, few men with leisure clothes are coming in: "CEO Yu, we have received the information..."

"Yu Ao Tian! If you are not speaking clearly to me, I will death in your office room!" Yao Yao right hand is holding the cutter knife, she stands right above the floor surface that already stained with blood, her face is showed anger expression.

"What is going on?" suddenly those few officers that barging into the room showed tense expression, they wanted to move in front.

Yao Yao is pointing the cutter knife to her own main artery (blood vessel): "Don't come near!"

"Miss, we are police officer, please you calm down."

"Today whoever coming is useless! Yu Ao Tian, you say, you say!" Yao Yao is crazily screaming, her tears are flowing down.

"What do you want me to say?" he is expressionless spoke.

"Say that you love me! Say you love me! Faster say it!"

"Yu, CEO Yu, this girl seems to have unstable emotions, you hurry say." Officer Li secretly walking toward Yu Ao Tian besides and softly said it to him.

But Yu Ao Tian is still with that expressionless face: "I count at three, give me that cutter knife. 3, 2, ..."

Officer Li never thought this is the heartless Yu Ao Tian, he is just as rumor spread, never thought today he has chance to witness it, matter is already come to this point but he still does not want to say that kind of words?

And then, when Yu Ao Tian counted until one, "pa pa" sound, Yao Yao who face is already wet with tears has thrown the cutter to the floor and then rushing to Yu Ao Tian embrace: "Hu..." she is crying so sadly.

"Office Li, suddenly you are coming to here, what is the matter?" Long Ye who suddenly appeared inside the room without no one knows, he smiles asking to Officer Li.

"Uh... I..." Officer Li's eyes is screening the office room, the blood trace in the floor, the stain in Yu Ao Tian's clothes, is that blood trace come from that little girl... did he receive wrong information? "Ah, don't mention it, I have received a report from informers, said that CEO Yu... I think there must be someone playing mischievous prank."

"It seems really a mischievous prank, everyone knows that our CEO Yu is someone who always abide the law and good citizens, moreover officer Li you must know that our CEO is going to join the legislative selection, perhaps this one of the way that did by the competitor to our CEO Yu."

"There is the possibility, oh yeah, General Manager Long Ye, what is about this circumstances?" Officer Li eyes are looking at Yu Ao Tian and Yao Yao who are not far from his vision sight, secretly asking.

"Aiya, still those women who dumped by CEO Yu, going crazy, we are not weird with this situation. Let's we leave, Officer Li, I escort you to our cafeteria, sitting for while."

"No need, no need, General Manager Long. I must hurry go back to office."

So just leave it like this." officer Li smiles at Long Ye, politely nodding his head toward Yu Ao Tian and take his men leaving.

After officer Li leaving, Long Ye expression turned to be cold, hurry he close the office room.

"Xiao Meng Li, are you okay?"

She slowly loosens up Yu Ao Tian pair of arms, forcing to smile at Long Ye: "I am okay." Her eyes can see there still no expression from Yu Ao Tian. "My best friend, Xiao Man, did she come here to find you?"

"She has left before."

Left? "When did she left, but why now..." kring, suddenly the mobile phone notify message tone is ringing, she hurried to take a look, it is from Gong Xiao Man. "Huh..." she sighed one long deep breathe, she faintly smile: "I am sorry to disturb, Xiao Man has already at school, I take my leave." She turned her body and walking to the door way.

"Xiao Meng Li, your wounds..." Long Ye wants to stop Yao Yao but she is already leaving, he just can helplessly looking toward Yu Ao Tian: "Ao Tian, really not care about her? She is because of you, so that..."

To be honest, when Yao Yao decided to do that thing, Long Ye really worried about her but he more admired to that little girl guts. It was so obviously she feared when entering the room, it was so clear she has chicken-gut, but she able to make faster decision in the very chaos circumstance in order to solve the matter, furthermore there was no trace of she being feared and using the trick of injuring herself to gain Officer Li's trust, actually how big courage that keep inside that little girl so that she able to do such thing?

"Ao Tian." for once again the office room door is opened, Mo Xue Tong is coldly said: "Luo Yao Yao is fainted."

After heard it, finally Yu Ao Tian mood is exploding, he just a like an arrow that flies out from his office room.

He carrying Yao Yao, does not care with others people eyesight, does not care with others people thoughts, he just carrying her and rushing to the hospital.

Needless to say, in this moment...

Facing with many critical things, the composed and calm Yu Ao Tian finally... he is revealed the most panic expression of his sides..

Episode 139

"Yao Yao, what is your ambition?"

"Of course I want to be well-known lawyer."

"Oh, lawyer is so awesome, lawyer can make the black turn to be white, changes the white to black, it just exactly alike Mysterious ruler that able to dictate everyone."

"It not, lawyer must be someone who uphold justice!"

Lawyer is one of the job that worthy for greatest admiration, it indeed can change something rotten to something magical, makes the black to white, make the bad into good, turn the good to be bad. But as for Yao Yao, the words lawyer meaning is the embodiment of justice.

But today...

She had betrayed her principle, seeing Yu Ao Tian killing other person, she even using herself and her little brain to successfully make him escaped from law.

I am sorry, Themis*

*æ³°Tai ç¼Œ Mei ä_Si : Themis is is an ancient Greek Titaness. She is described as "of good counsel", and is the personification of divine order, law, natural law and custom. Themis means "divine law" rather than human ordinance, literally "that which is put in place", from the Greek verb tÄ-thÄmi (îŒîŒîŒîŒ), meaning "to put" (source:Wikipedia)

In the western world, the goddess of the law is holding sword in her right hand and her left hand is holding scale, she is called as Themis. The goddess expression is describing dignified, respectful and serene, should not take unfair advantage.

Sometimes, the goddess sculpture is image by using blindfolded which means the law without distinction. Peaceful world, as if the world filled with righteousness, the law is govern with fairness, while the sharp sword means the law is providing to reveal the bright side and cut off the darkness, to support the justice.

"I am sorry!" suddenly a pair of Yao Yao eyes are opened, her eyes is seeing wide white color.

Where is this?

Slowly she raises her wounded right hand, it has already covered by gauze. Is here hospital?

She dumbfounded in the bed, she trying to recall just now dream...

Huh, so she is dreaming about Themis.

But when she was hearing the news that officer Li rushed to upstairs, her sudden reaction was she did not want something bad happened to Yu Ao Tian, when the officer Li left the room she didn't even felt little bit guilty of betraying law, moreover when she knew that Yu Ao Tian has been completely safe, she even took long breathe for him.

How could she have this kind of thought in her heart? It was so clearly when first time she enrolled in law faculty, she wanted to be impartial and fair but now she...

"Awake?"

Following the sound that comes from the patient bed near the window, she can see the piercing sun light that illuminating Yu Ao Tian's body, his tall and slender figure are so dazzling in eyes.

"What happened to me?" she weakly trying to change into sit position, she is trying to recall her memory that just now she still inside Yu Ao Tian's company.

"You have anemia, fainted at my company."

Was he sent her to hospital by himself? "Thank You."

"Don't say thank to me!"

When Yao Yao heard this shouting sound with guilty feeling, Yao Yao dumbfounded.

Did she get into trouble again?

Suddenly, Yu Ao Tian takes faster step, rushing in front of her and he pulled her petite body into his embrace: "Next time, don't do any foolish things anymore!"

It seems that she really gets into trouble again? "I am sorry."

Listen to Yao Yao apologizing voice, Yu Ao Tian even hugging her more tighter, he realized that she is such skinny and so weak, very vulnerable just if he hugs her little bit tighter perhaps it might broken her bones, this is really makes other feeling heartbroken.

"You are not sorry me! You are sorry yourself and your body. If you are like this, I will... feel heartbroken (because he dear her so much)! Do you understand?"

Thump Thump

Heart is thumping faster, "heartbroken" this word she never heard it before from Yu Ao Tian's mouth but why today she... has the feeling that her heart is rushing faster? It is so obviously he speaks very simple words, it not different to the courtesy words such as how are you.

Perhaps he is too less to speak this kind of words? Still thought, this time she gets into trouble again because of she is acting smart. If not it is really better.

"Yu Ao Tian, can you not that easy to take others life for the next time, can't you?"

"You are too young, you are not understand about the strong eat the weak. In this current world, if you are not "eat" people, you are waiting others to "eat" you!"

It seemed that Nan Lu ever told her, wasn't it? Yu Ao Tian point of view are different compare to an ordinary people, he has too many responsible and burden at his back which can't be carried by any ordinary people, place there is no one can enter. It seems that his world forever can't be understood by her.

Slowly he loosens up his hands that hugging Yao Yao, his deep black eyes suddenly looked at her lips.

When she realized his eyesight, her heart is thumping, faster and faster, and then she bow lower her head, so she afraid...

Yu Ao Tian will kiss her.

And then, he really kisses her lips. But this kiss feels so warm, gentle which won't make people to avoid it, she can't help and stuck in the middle of it....

"Am I coming at wrong time?"

Outside the doorway, suddenly heard Long Ye's voice, Yao Yao bowed lower and push away Yu Ao Tian, she feels so embarrassed.

"Since you know you are coming at wrong time, why are you still come in?" Yu Ao Tian word sounded as if he little bit displeased.

"I just coming to visit Xiao Meng Li, just can't to turn my head and walk away, right?" Long Ye speaking while bringing the bouquet of flower to Yao Yao in front: "Do you like it?"

"Like it. Thank you."

"Hehe." Long Ye smiles warmly, he puts the bouquet of fresh flower beside, softly he pinched her nose: "Xiao Meng Li, today you are so brave." After said, he kissed Yao Yao's forehead without waiting for her reaction.

Uh...?

She is panic to move her body keeps moving, she looked so nervously looking at Yu Ao Tian who is not far from her bed.

Long Ye can see her nervous, gently said: "Xiao Meng Li, don't be afraid.

Yu Ao Tian won't be jealous, if he really jealous, it means that...you are the winner!"

What does Long Ye means? Why Yu Ao Tian jealous and then she is the winner? Do these two matters have correlations?

She doubted and takes a glance toward Yu Ao Tian.

At this moment, his expression is showing helplessly and also smiling face, as if what was Long Ye said is right that Yu Ao Tian won't be jealous, but after she thinks for while about her relationship with Yu Ao Tian, there is no reason for Yu Ao Tian to get jealous.

That is right, relationship, what kind of relationship she has with Yu Ao Tian?

There is time, Yu Ao Tian kindness is more alike big brother that dearly his younger sister, that kind of feeling, but there is also a time, both of them are not more than strangers.

But at different times, both of them can do many things that exceed brother and sister relationship, but sometimes they can act worst than strangers. Whatever it is, this kind of strange relationship isn't involved the relationship between man and woman emotions (love feeling between man and woman), this point she knows it very well, she believes Yu Ao Tian also clear with this!

Finally night comes.

"Yao Yao."

"Xiao Man, how can you come?"

"Nonsense, my best friend is admitted to hospital, how can I not come? What do you think I am..." she is speaking while walking to the room, Gong Xiao Man just realized that Yu Ao Tian is sitting on the sofa, her expression suddenly turned to be rigid: "Yu, CEO Yu, you are also here..."

Yu Ao Tian looked at her with elegant smiles, raised his body and walking to the bed side, softly and gently he kisses Yao Yao's forehead: "I go out for while, if there is something just phone me."

"En."

Episode 140

After seeing Yu Ao tian leaving, Xiao Man excitedly sitting beside Yao Yao's bed: "Hey, Hey, my beloved, just now I thought my eyes got problems, as I seen that Yu Ao Tian isn't treat you bad ah."

"Hehehehe." Not bad? Huh, Xiao Man you just see one sided, not both of sides.

"But Yao Yao, I don't know whether this is something I must say or not." Gong Xiao Man little bit hesitated and also pouting her mouth helplessly.

"Just speak up your mind."

"Hm, I just feel that Yu Ao Tian really not suitable for you, although he has money, he also good looking, but you must be cleared about his background. Today when I looked for him, having little bit conversation with him, I could feel that he is really someone so complicated compare to others people that I never met in my life, moreover he is someone that not coming from same world with ours, he does really alike someone lives in his own world, to be honest tens of Feng Chen Yi can't be compared to one complicated Yu Ao Tian."

About this Yao Yao has known it from the very first time, Feng Chen Yi is born in rich wealth family, at least he will possesses that Big Young Master temperamental, but from inside and outside he is counted as "simple" and "clean", but Yu Ao Tian is someone different, his background is coming from underworld, it means that he will have more and more "Story" behind himself. Furthermore he has personality that not easy to be read by others people, very deep and certainly he is more complex.

"Xiao Man, thank you to remind me. But I have contract with Yu Ao Tian, I have already get involved and deeper, so that I just need to wait for three years to end up."

"I am understood, whatever you just don't fall in love with him. He is really not a man that you can depend yourself onto."

Hahaha, she really knows this point.

In this world she can love any man, but solely she really not afford to fall in love with Yu Ao Tian, and she also not dares to love him!

"That is right! That is right, my beloved, I have checked on Qi Lian sunbae background." After listened this, Gong Xiao Man is excitedly smiling: "This year he is 22 years old, he is in third semesters, He spent his junior and senior high in Japan. Two years ago he came back to China, currently he does not have girlfriend, and his private life is so discipline, he does not have any scandalous around him."

Very normal, since that day when Qi Lian Ao Yun drove her home, she could feel that man must be have very good private life.

"But the weird thing is his background."

"What does with his background?"

"How to say, from the higher class sunbaes, Qi Lian sunbae must be come from the wealthy family, must be very rich at least he might as rich as Feng Chen Yi, because we can see from the car that he drives. But no one knows about his family background or where does he come, logically he must be someone has much money, the second rich generation, but after I checked in detail the family with Qi Lian surname, there is no rich family with that surname, don't you think it is strange?"

"What is so strange about it, perhaps his father is hidden rich person, moreover whether he has money or not, this is not important, the most important is what kind of person he is."

"Of course there are huge difference between have money or not. Yao Yao, you guess, who is the wealthiest family in this country?"

No need to make a guess, it definitely "Feng's household right?"

"Bingo, Feng family's Feng Xiao, Feng Chen Yi, Feng Chen Rui, gather three of them father and sons, they are combined as the first rank, your Ex-boyfriend is the first rank, whatever you must looking for someone who has exceeded at least your Ex-boyfriend, don't you think so?"

Faint, Xiao Man is going to be crazy? She hurries to cover Xiao Man's mouth: "Sst, you speak in low voice, do think Yu Ao Tian is death?"

"Actually if we rank it based on the business, Berson Group and Feng Group are equally worthy to put in first rank, moreover if rank based on individual, Yu Ao Tian with those father and sons are different 9 trillion thus he rank second, logically if you really wanted to piss off Feng Chen Yi but you are Yu Ao Tian's lover..."

Uh..." Gong Xiao Man suddenly feels that she has talked things that mustn't be said, hurried she apologizing: "I am sorry, I am sorry Yao Yao, I mean, I just hope that if you can find man that is more than Feng Chen Yi to piss him off, I really don't mean others."

Ahaha, Yao Yao knows Gong Xiao Man very well, she is someone who speaks faster than using her brain, she has straightforward character, moreover she is so clear with her status which is too risky.

"Well based on your thought, the person that suit me must be Qi Lian sunbae?"

"That is right, that is right, that is my real intention!"

"Ha, so must I betray Yu Ao Tian and starting to chase Qi Lian sunbae, mustn't I?"

"That is also possible!"

"You go die, Xiao Man!" if Yu Ao Tian knows, he might peel her skin?

"To be honest, Xiao Man, didn't you call me not to fight you over Qi Lian sunbae? But why now you are changing your mind and even becoming matchmaker between me and Qi Lian sunbae?"

"Me ah? That time I was kidding. Qi Lian sunbae really does not suit with me!"

Actually this is Xiao Man real character, don't look see like to admire whoever but most of it, she really joking. She is not type of girl that careless, when still in Japan there were lots of men chasing Xiao Man, among them also there were handsome men but none of them that able to attract Xiao Man, so far until today she never dated anyone because she is so conservative girl.

"Oh yeah, Xiao Man, I remembered something." Yao Yao suddenly remembered on something, it is one of important thing, seriously she asked: "Did you make Vice CEO Han angry?"

"That iceberg Big Uncle? How can you know?"

"Today when he came to find Yu Ao Tian talking about something, and then he was looked so furious and sternly asking me to tell you... if next time you dare to provoke him, he won't be polite toward you."

"Qie...." Gong Xiao Man pair of hands is enveloping her in front body, she rolled her eyes: "I really want to see what did his meant by won't polite toward me."

"Xiao Man, you are so brave, to be honest, every times I see Vice CEO Han, I will be so careful and fear of him."

"Why must you fear him? He just paper tiger, if you thicken your face toward him, he really can't do anything toward you.

Whatever I am kind of person everything I want only face that I don't want."

"Still you are awesome, Xiao Man..." Yao Yao admired her and gave her thumbs up.

During this time... the door is knocked.

"Come in."

The door is opened, Qi Lian Ao Yun is holding bouquet of flower and coming in.

"Qi Lian sunbae?" how can he come? At the moment Yao Yao looked at Gong Xiao Man.

As seen she is smiling deviously, no need to ask, she must be the person who tell Qi Lian sunbae the matter about she being hospitalized.

"I take my leave, Yao Yao, Qi Lian sunbae."

Faint, does Xiao Man seriously to match her with Qi Lian sunbae? Doesn't she not clear about Yao Yao status, although she has status as Yu Ao Tian's lover, she does not have right to find another man as boyfriend? Cold sweat...

"Take care." Qi Lian Ao Yun smile brightly after Gong Xiao Man leaving, his face looked helplessly and turned to see Yao Yao who is lying down at bed: "Why every times I meet you, your circumstances always getting worse and worse?"

".

....." this... really true!

"Qi Lian sunbae, really troublesome you, you are especially coming to visit me, it seems that I owed you one meal again."

"Aiya, if this been said, my wallet will get thinner." Qi Lian Ao Yun pretended to act helplessly and pouted his mouth..
