"No, don't..."

"Pa"

"Stop slapping, I... I say."

The person who is slapping Yao Yao stopped.

But the man who is slapping Li Mei Yun does not stop: "How about you? Big star Li."

"I also say, I say. Stop hitting me."

"Very good." Those two men are dragging back both of the women to warehouse.

Seeing Big Boss Lei, who can't help himself for not shaking his head: "Ckckckck, see two beauties are getting hit, both of you are too harsh. Beauties, have both of you think of it?"

Yao Yao nervously glancing at Li Mei Yun, hurried nodding her head: "Big Boss Lei, I said, I will tell you, I am Yu Ao Tian's girlfriend, I beg you to let me off, let me off."

"En? Little girl, do you mean that, before you was telling lie to me?"

"I am sorry, Big Boss Lei, I just want to protect myself. Please you consider of my sincere to admit to you, please let me off!"

"Ha." Big Boss Lei laughed, his eyes looking at Li Mei Yun: "Miss Li, do you still have thing to say?"

"Big Boss Lei, I have told you that she is Yu Ao Tian's real girlfriend, I only his fake girlfriend, what do you want me to say again?"

Li? Mei Yun! She...

Yao Yao's eyes bigger, she looking at Li Mei Yun who is beside her with unbelievable look.

"Miss Li, later I will say that I am Yu Ao Tian's girlfriend, you also must say you are Yu Ao Tian's girlfriend."

"Will it works?"

"There is! Since Big Boss Lei dares to kidnap both of us, he must already check what kind of person Yu Ao Tian is, Miss Li you have followed Yu Ao Tian for such long time, you must know how heartless he is. Since this is the case, let's us tell Big Boss Lei that we know that Yu Ao Tian would not come to rescue us so there is no point for him to kidnap us as chip bargain.

"

"Heh, no matter how to say Big Boss Lei is mafia, although there is no point to kidnap us, will he let us off easily?"

"I think he won't, but we can help Big Boss Lei, his main purpose is to get Yu Ao Tian, well, we just go as he flows, wait until Yu Ao Tian shows up to rescue us!"

"You? You dare to scheme Ao Tian?"

"Miss Li, this can't be called as scheming Yu Ao Tian, moreover...I have faith on Yu Ao Tian capability."

That is right, she believes as long as they can drag the time until Yu Ao Tian coming, he must have way to rescue them go out from here. She believes, she always believes on that man capability and his strength!

And then...

This still needs Li Mei Yun to be cooperative, or else only based on her words, Big Boss Lei won't wait until Yu Ao Tian to gather his men and coming to save them.

But now Li Mei Yun betrayed her, it was obvious that both of them are agreed to go out together, it clear they can...

Tear is flowing from her eyes, this is the first time she feels whatever Yu Ao Tian tells her finally to be proven!

Just expected the society is complex, being soft-hearted towards others people means being cruel to own-self!

"Well, I understand.

Guys, bring this little girl, take "good care" of her, regarding Miss Li, you... can leave!"

"Thank you so much Big Boss Lei." Li Mei Yu smiles brightly, her eyes are staring at Yao Yao who she left, she clearly knows what is waiting in front of Yao Yao, although she can't get Yu Ao Tian, but at same time someone called Luo Yao Yao won't have Yu Ao Tian too!

After half hour...

"Big Boss Lei, Yu Ao Tian is coming." One of his Xiao Di hurried make a report.

"Does he do as what I asked?"

"In reply to Big Boss, I have checked outside the warehouse, indeed there is no Yu Ao Tian's men, moreover there are only five men with one woman he brings five subordinates with him, he is also do as what you asked, all of them are tied in rope."..

Episode 152

"Very good!" Big Boss Lei is smiling satisfied, he knows very well Yu Ao Tian strength, if he isn't being tied still does not know what the last result.

"Bring them here."

"Yes."

Not long after that, seeing Yu Ao Tian, Mo Xue Tong and others men tied up and brought to warehouse.

As Big Boss Lei seen, he can't help himself to smile, this time Yu Ao Tian is tied what could he do? "Aiya, The legendary underworld emperor from Japan as rumor, the leader of Yu Long group, Yu Ao Tian, the cruelest, killing without blinking, today finally I have chanced to meet, very resemble to the television which I watched, gentle, very handsome, I do really doubt about the rumor spread whether it is true or false? Or else the person who called as Yu Ao Tian might be someone else?"

Listened to Big Boss Lei provocation words, elegantly Yu Ao Tian smiles: "Haha, Big Boss Lei I don't know who is that someone you said as cruel person, but in front of you the person named Yu Ao Tian is only a decent businessman."

When he said this, he is radiating a noble and also elegant aura, there is no such aura of someone who has underworld background, the harsh and rude, totally different. No wonder Big Boss Lei can has suspicious feeling toward Yu Ao Tian in front of him.

"Oh? Did Qing Rui kill by you?" one of Big Boss Lei's hand is leaning at chair back, he grinned at him.

Yu Ao Tian is rolled his eyes, smiles deviously: "Does today Big Boss Lei aiming to take revenge?"

"To let you know, Qing Rui is my sworn brother, you killed him, me as his big brother can't let it off easily. Due to the rules, paid with money, or paid with...lives! Big Boss Yu, you choose!"

"Of course paid with money, Big Boss Lei, how much money do you want?"

After listened to Yu Ao Tian answered, Big Boss Lei really doubt about the rumor that spread about Yu Ao Tian, are they boasting too much? He thought Yu Ao Tian might fight back toward him but never thought Yu Ao Tian would give such satisfaction answer? He is really someone afraid of death! "Very simple, I want 20 percent shares of your Berson Group!"

"Hahahaha!"

"Yu Ao Tian, what are you laughing for?"

He stopped laughing, but tilted his head: "Did Cong Qing Rui worth that much? Xue Tong, you count how much money worth for Cong Qing Rui."

"Chi Long group is ranked fourth in China, their Big Boss's live is worth 1.45 million."

"Oh? 1.45 million." Yu Ao Tian hesitated, coldly looked at Big Boss Lei: "I am Yu Ao Tian is not someone stingy, Big Boss Lei, I give you 200 million! How is it?"

"Humph! Yu Ao Tian, you think I am beggar? Who does not know that your Berson Group can earn few million in one day, you too underestimated me?" Big Boss Lei pissed off standing up from his chair: "You take look at this place is filled with whose men. You MF only take few men with you and also one woman, moreover all of them are tied, if I were you, I will be obedient."

"En?" Yu Ao Tian is curiously looking at the surrounding, at least inside the ware house there are hundred men. "Aiya, the situation is really not good for me, but what to do? Tong Xue?" He smiles deviously looking at his besides.

As seen, Mo Xue Tong is narrowed her eyes, faster she used the little knife that inserted in her ring, untied all the ropes and also cut off the rope that tied on Yu Ao Tian's body.

Without waiting for those men to react...

"Do not move!" Yu Ao Tian speaks calmly, somewhat there is gun in his hand, moreover that gun is precisely pointed at Big Boss Lei.

Big Boss lei?

Big Boss Lei does not know how awesome the woman besides Yu Ao Tian, he thought she is only an ordinary woman. "Ha, Big Boss Yu, they said you are going for legislative election? You even bring gun with you?"

"En?" Yu Ao Tian is smiling and his eyes sweeping at gun in his hand: "What you want to say, Big Boss Lei."

"Perhaps there are not many people know about you during in Japan, but we are those who live in this world, could I not clear? If I spill everything about you, you think...you still have right to join the legislative election?"

"Oh, I have guessed you will say that, Big Boss Lei, you know, Cong Qing Rui that old thing, before he death he tried to threaten me in that way. So that...I had discard his Chi Long group. Now the Qing Hu group also known about my past, so that I only..." after said, he smiled devilishly.

"Yu Ao Tian, are you real stupid or pretend to be stupid? The disappearing of Chi Long group, you think the government didn't do the investigation about it? Now you are trying to discard my Qing Hu group, although the government sides are stupid, won't they don't know it is you who do it?".

Episode 153

"Aiya, that is right. What should do?" Yu Ao Tian pretending to be scared and shrugged his shoulders, but his deep eyes rolled, he smile eloquent and walking slowly toward Big Boss Lei: "As for me, you Big Boss Lei is so good to me, you even help me to think about the escape route."

"What do you mean?" Big Boss Lei face is darker, coldly staring at him.

The gun has pointed at Big Boss Lei's head, his expression is dimmer, his face is get closer to Big Boss Lei's ear, whispered, not in rush: "Two groups are fighting for kidnapping me, the result both of group is killing each others. If I said like that, the government sides might pity on me, don't you think so?"

"You MF!" after listened, Big Boss Lei is staring Yu Ao Tian with killing eyesight, no wonder he is so willing to be tied and also only brought five men with him, he takes few men, just as expected he had thought about the escaping: "Yu Ao Tian, you are too death-defying!"

"Ha, it is you who is not too death-defying!" after said...

"Peng peng peng" suddenly there is shooting sound. Big Boss Lei heart is tighten.

Yu Ao Tian is pretending to be scared: "Aiya, the other group is coming to kidnap me. Later we will watch killing scenes?"

"Big Boss Lei! What to do?" The Xiao Di who is standing in warehouse is waiting for Big Boss Lei command.

"Peng"

This time, Yu Ao Tian has let one shoot: "I have said everyone does not make any move, you guys even dare to speak! See, Big Boss Lei gets a shoot?"

"Yu Ao Tian, you..." Big Boss Lei expression show in pain while looking at his left shoulder, he has lived until this long, this is for his first time to meet someone alike Yu Ao Tian who is so unpredictable, moreover his swaying mood character, simply to say really can't be read, really not knowing what he can do for the next.

Yu Ao Tian eyes turned to be cold, suddenly he pulled Big Boss Lei's long hair: "Where's my woman?"

"En?" Big Boss Lei rolled his eyes, seeing his fluster expression, suddenly he grinned and laughing:  
"HaHaHa, Yu Ao Tian you still think of your woman? I thought you can be so heartless not even care about your woman!"

"Cut off your nonsense!"

"Peng" another shoot, this time the shoot directly to Big Boss Lei's leg.

He growl in pain, but his face still showing sinister expression: "All of us are living in underworld, you must know, if the one's close to you being caught by your enemy, what kind of end it would be?"

In underworld, there are thousand years rules that never changed, once your beloved and someone precious to you being caught by the enemy, the male will be killed and the female will be \*\*. Although you wanted to rescue them, you only can get their corpse.

Today's Big Boss and whomever that mingle in underworld, most of their lover or their wife perhaps had been\*\* before, even Big Boss Lei's wife had experienced it before.

Yu Ao Tian because he too understand with this kind of world rules, so that he always walking alone in this path, even one day if he really can meet woman that able to move his heart, he must hide her deep so that no ones can find her.

And then, in order to change that destiny and fate, he has to hold the legal authority, to control everyone under his feet, taking a control of the world. Political power... it is the only way and also the most enormous he wants to achieve for now!

There is only shooting sound hear, his forehead vein has showed. At next minutes, his pairs of deep eyes are gloomy. There is only shooting sound heard from the back of warehouse room. When the bullet has been used up all, Big Boss Lei has been bathing in his own blood, but Yu Ao Tian is still pulled the trigger..

Episode 154

"Big Boss Lei!" from inside the warehouse the Xiao Di is staring with big eyes, all of them are pointing their gun toward Yu Ao Tian.

"Ao Tian, be careful!" Mo Xue Tong can sense something not right with Yu Ao Tian attitude today, hurried she throwing another gun that filled with bullet and give it to him, and then she rushed in front of those Xiao Di, and facing them.

When all eyes are looking at Yu Ao Tian, he stills standing there without any movement.

Mo Xue Tong and others four men are clearly not match for this group of enemies: "Ao Tian!"

"Damn!" finally Yu Ao Tian gains himself back, faster he rushed into Mo Xue Tong sides, "pengpengpeng" three times shooting sound, he has solved those few men who fight Mo Xue Tong.

"Are you okay?" his deep eyes are looking at Mo Xue Tong's wrist that still bleeding.

She ripped her clothes and used it to stop the bleeding of her wound, quickly she shakes her head: "I am okay!"

Just in this time, Han Li Shang has brought men from Yu Long group into the warehouse, all the Qing Hu group men are obediently giving up.

An instant, the chaos changed to be deathly silent, Long Ye looked at Mo Xue Tong and rushed to her side: "You hurt?" he rushed alike an arrow, he nervously hold her hand.

"I, I am okay." It so obvious, when Long Ye touched Mo Xue Tong, she feels fear, she over reacted by swaying his hand.

"Ao Tian, how is to solve Qing Hu's men?" Han Li Shang walking to his in front, coldly asked.

"Killed all!" when Yu Ao Tian spilled out this two words, his eyes is filled with anger.

This attitude is simply different with Yu Ao Tian calm and compose attitude in the past, Han Li Shang wanted to know what actually happened before.

"That little girl, she seems...

she seems to be\*\*." Mo Xue Tong softly said.

As seen, Yu Ao Tian's face seems to sink deeper. He makes fist of his hand and "creak" sound heard.

Listened to this, Long Qi expression changed to be so anxious.

"Yu, Big Boss Yu, Sister... sister in law is inside the warehouse secret room." One of the Xiao Di is trembling when reporting.

Yu Ao Tian is biting hard his lips, faster he rushing inside the secret room.

On the time when the door being opened, inside a naked woman is lying down, her body is filled with nasty hickeys, there are also blood stain left. When those people, whoever see the scene can't help to take deep breathe..

Episode 155

But...

Once Yu Ao Tian takes a glance he knows that person isn't Yao Yao!

"Mei Yun, Mei Yun!"

"Ao Tian? hu... Ao Tian!" She cries so miserable, her face is wet with her tears, her trembling body is grabbing Yu Ao Tian's hand: "Ao Tian, they...they are raping me!"

"I know. Where is Yao Yao? Where is she?"

Her tears are still flowing down, Li Mei Yun with unbelievable expression looking at his face: "Ao Tian, that cheap slut is intending to sell you out, after all you are still asking about her?"

"Now I am asking you! Where is Luo Yao Yao? Do you understand?!" Yu Ao Tian is extremely pissed off, one of his hand suddenly grabbing Li Mei Yun's neck, if not because her scheming, Luo Yao Yao won't be caught; now he even have heart to kill Li Mei Yun immediately!

"Ao Tian, you calm down!" beside him is Long Ye who is hurried to stop him, after all only Li Mei Yun who knows whereabouts Luo Yao Yao.

He is patting Yu Ao Tian shoulders, Yu Ao Tian is impatiently swaying away his hand that grabbing Li Mei Yun's neck, standing aside.

"Miss Li, if you know whereabouts Luo Yao Yao, please let us knows about her." Long Ye gently said, he even takes off his outer suit and put it on to Li Mei Yun's body.

At that moment she is gulped, Li Mei Yun pair of eyes is filled with murky gleam, her face is showing mocking to herself expression: "She, gone...safe and soundly... she had gone out!"

"Thanks to Big Boss Lei." Li Mei Yun smiling sweetly, her sharp eyes is looking at Yao Yao as if it able to tear her apart, she is very clear what is heading toward Yao Yao, and then, although she won't get Yu Ao Tian, Luo Yao Yao is also won't ever be with Yu Ao Tian!

But at the time she almost leaving, Yao Yao expression turned to be cold: "Li Mei Yun, I never thought that you are someone who not value loyalty!"

"What are you talking about? I don't understand."

"Heh, don't understand? We are agreed each other, I would help you to take the blame admitting me as Yu Ao Tian's woman, you will help me to beg to Big Boss Lei, but you, just going away as if not knowing

me? Li Mei Yun, you have already won over Qi Ao, moreover he loves you but not me, but why are you so bother to harm me?"

"Big Boss Lei, Big Boss Lei, I don't know what this little girl said. Please you believe on me, the person that Yu Ao Tian loves is her!" Li Mei Yun indeed does not know that Yao Yao would do something like this, after all what they have talked before it wasn't this.

"Qi Ao loves me? Ha, he loves me, why doesn't he tell me his real name? He loves me, but he is lovely-dovey with you, do you think big Boss Lei is stupid?"

"I have said before, that is because Yu Ao Tian used me as shield to protect you.

"

"Oh? Is it? At last is you who being the shield to protect me or me who is being used to protect you?" Luo Yao Yao frowned, quickly she looking at Big Boss Lei: "Big Boss Lei, you guys say what type of women that person who name Yu Ao Tian likes, all of you must be more understand compare to me."

"Enough! Enough! I really lazy to hear both of you women playing this kind of game, guys! Take away these two persons!"

"Yes."

"Wait! Big Boss Lei, are you really sure wanted to hold me in here?" Yao Yao looked so serious when talking with Big Boss Lei.

"Heh, Little girl, are you threatening me?"

"No, I just have words to tell you Big Boss Lei... can I?"

"Speak!"

Yao Yao eyes rolled and quickly she walked toward Big Boss Lei side, whispering something in his ear.

After that, Big Boss Lei face expression changed, at another moment, he rolled his eyes: "Little girl, you are useless to say this to me, as long as you can give me an evidence that you are not Yu Ao Tian's woman, I will let you go, how about it?"

"Of course I can!" Luo Yao Yao smiled confidently both of her hands enveloped her in front chest, with low voice she said: "I am still virgin." Things have already at this point so she does not care of anything more, it can be seen that in order to save her life, she could do anything. "Not believe, you can check it. But...I do not hope all of you still make other difficulty thing to me!"

After Big Boss Lei heard, hurried he asked his people to do checking to Yao Yao, moreover he ordered his subordinates not to touch Yao Yao. Not long after that the result is out, as expectedly it same as what she said.

"Hahahahaha, alright, little girl, you can go."

"Thank you Big Boss Lei."

"You should not let her go, Big Boss Lei, she really is Yu Ao Tian's woman!" until this moment, Li Mei Yun still not reluctant to spare Yao Yao.

Big Boss Lei quickly walking in front of her, he strangles her neck: "You MF bitch, how could Yu Ao Tian's woman still a virgin? After all you are still dared to tell me that little girl is Yu Ao Tian's woman? Do you think I am three years kid? For my life time I do hate those who are not value loyalty. Xiong Di Men (It means My brothers, usually using by the mafia, close friends or humble term used by men in public speech), aren't all of you always admire Li Mei Yun, today Me, Big Brother give her to all of you, "used as you pleasant"!"

"No..." at the last, Li Mei Yun really not understanding, how could until now Luo Yao Yao still virgin?.

## Episode 156

"To be honest, when I heard what Li Mei Yun said about Xiao Meng Li, my first reaction is... as if all of us are being toyed by Xiao Meng Li?" inside the sport car, Long Ye speaking with helplessly tone. He believes everyone also feel same as him.

If not because to save Luo Yao Yao, Yu Ao Tian would not put himself in danger, if not because of he thought Luo Yao Yao perhaps being\*\* he would not put Mo Xue Tong in danger and even let her to get hurt, as the result everyone is busy for nothing, at last Luo Yao Yao even freely and get out by herself, whenever think about it they really have superfluous feeling about it.

"Ha, I mustn't come to save her." Yu Ao Tian who keeps on silent finally able to show his smiling face. Actually he still angry to Yao Yao, he really does not want to think that little thing live or death, but somewhat he cannot to do so, as last... this is the result.

"But, you guys make a guess what did Xiao Meng Li told Big Boss Lei, that even made Big Boss Lei not dare to touch her even for little bit?" Long Ye looked at that iceberg Han Li Shang, waiting him to give he an answer.

One by one of them are shaking head. It seems only Yao Yao herself could give the answer.

Gentle eyesight from pair of eyes beside Yu Ao Tian, his hand is hooked at his shoulder: "Ao Tian, this time it seems you...

finally found out a reliable woman."

"Ao Tian, that cheap slut is wanting to sell you out, she wanted to sell you, she wanted me to dragging the time until you come, in this way both of us could be saved, but if we do it, it means putting you in danger, I don't agree her way, so that I get into this circumstances!"

Li Mei Yun keeps on blaming Yao Yao, but she does not know Yu Ao Tian cares for. He wants his woman can fight, stand for herself and find her way to live.

He is a man, he really understands that as man he has responsible, but mafia world is too dark, too muddy and too dirty, if his woman is not able to take care herself only can be blackmail object for him, by that time although he is Da Luo Shen Xian (High God Level) he unable to put his woman first and rescue her, at any rate only could expect this woman to keep herself save for short time. At least Yao Yao had made it! Of course, the most scary thing is that she even able to escape safe and soundly by herself.

"Yao Yao!" suddenly, Long Qi is so excited pointing outside the car window.

All of them are quickly to look at there, as seen there is petite figure who is sitting at the paddy field beside.

"Stop the car! Faster stop the car." Long Qi hurried said, the car is stopped at sudden. He is faster to open the car door, get down and almost rushing toward her.

"What do you want to do?" Long Ye is stopped his younger brother by grabbing his wrist.

"Go to Yao Yao."

What circumstances are we in? Long Ye frowned, at the moment he looked at Yu Ao Tian who is beside him: "This matter is not your turned to look for her, you better sit down inside the car obediently!"

"Qie!" Long Qi unhappily rolled his eyes....

Episode 157

Beside the golden of paddy field, the wind is blowing Yao Yao's long hair, at the same time her hand is swaying one of the grain grass while her tears had already dried.

Since she is leaving from that warehouse she is crying, crying, and just now she finally able to control herself and let go that grief feeling.

And then the most ridiculous is, she does not even know the reason for crying, did she cry because of Li Mei Yun? Or because of herself? Anyway no matter because of what, she is very certain that she has already changed because of Yu Ao Tian.

But why, when she was trying to be heartless to Li Mei Yun why her heart could feel so in pain.

Why! Why things could be turned like this, couldn't everyone just get along well?

She raises her hand, she uses her strength to mash the grass, make fist from her hand.

At this moment, Yu Ao Tian is quietly already sitting beside her...

When she turned her head, her eyes caught one good looking face, Yao Yao turns to look faraway, faintly said: "Li Mei Yun... how is she?"

"She is okay, I came in time and had already saved her. I have called men to calm her down."

After heard this, Yu Ao Tian is clearly heard Yao Yao takes long breathe. It seems that his decision to telling lie indeed right.

But the most ridicule thing is, he always wanted to show this darkness of the society sides, but now, in this moment he even against his own will, creating one fake world for her!

"Actually, this time, it was me who entrapping Li Mei Yun."

"I know."

"You know?" Yao Yao, her expression is looked perplex, staring at him: "So, why you."

.. why are you saying nothing? Not scold me? Don't you understand what I am saying, it is me who entrapped her. I have entrapped your woman, moreover... I am only your lover!"

"So What?"

So what? Yu Ao Tian how could you so relax? "If you are not love Li Mei Yun, why are you still together with her? Why?" Yao Yao makes fist and hit to Yu Ao Tian's chest.

At sudden, he stopped her by hold her wrist: "The reason I still with her, don't you know it?"

Because she knew it, so... so that she does not want to face it, this is too cruel for Li Mei Yun. "Yu Ao Tian, I can protect myself well. So that..."

"So that?" his pair of deep black eyes is gleaming darkness.

She is used all the strength to bit her lip: "So that, you are no need to find any scapegoat in order to protect me!"

"So you mean that I am doing more than it require (being superfluous)?".

Episode 158

Lift her head up, her eyes looking at his cold pair eyes, Yu Ao Tian must be angry, right?

Actually must she say her apology and also thank you toward him?

During at the bowling arena, also during in the teacher's office room, all were because she too headstrong, so that she accused him wrongly. But...

She would rather not know the truth, would rather keep on hating Yu Ao Tian! Because she is already accepting her lowly status as lover, moreover she even has accepted and get used to heartless Yu Ao Tian. So that she does not want to break all these things. But...

This kind of manner seems to be vaguely changed, so... it is?

I can't! I mustn't! Yu Ao Tian is the man that she most not wanted to use her feeling to deal with!

"Yu Ao Tian, if later... you really meet the girl that you love, you just dump me, okay? I really do not want to be.

.. like this." her tears flowing down, she has sickened enough with her status as lover, besides she never thought to be the real, and also never dreamt to be the real.

At sudden, she obviously can feel that Yu Ao Tian is loosen up his grabbing to her wrist, she bites her lips, no sound, but at same time she does not dare to look at Yu Ao Tian's face expression.

Because she afraid, she afraid herself will see something that she does not expect to see.

"Little thing, within the three years contract ended, I will never let you go, although I have woman that I like, I will make you stay beside me!"

As she heard, that voice sounded alike demon voice, she unhappily frowning, does not understand why Yu Ao Tian wanting to torment her in this way? Is this giving him benefit?

"But, at least within this short time I won't meet any woman I like."

Faster she lifts her head up, looking at Yu Ao Tian smiling eyes, her face is filled with many emotions, within this short time? Three months? Half year? Or one year? No matter what it is, at least this, "So called" within short time she really does not need to live in sorrow. "Thank...uh."

Without waiting Yao Yao to react, his lips has already touched her lips, she gulped all her words.

This is because Yu Ao Tian really does not want to hear she thanked him this kind of words! He also does not wanted her to be happy because of this matter, showing her smiling face.

Perhaps, she does not say that words, "If later you meet the woman that you love, just dump me, okay?" perhaps he would answer her that he won't want to find any woman again!

Simply to say this word is too mocking for him!.

Episode 159

There are countless women beside him that hardly to be dumped, but in front of his eyes this little girl is countless time wanted to flee and escape from his side. More he is trying to hold her tight more she uses all her strength to escape from him, thereby, slowly by slowly, slowly, it turned become he is struggling to chase after her while she is struggling to escape from him. This kind of feeling...

This is really called as damn frustrating!

"Huh, let's we leave the car for Yu Ao Tian, and moving other car, perhaps... he still has something to settle?" Long Ye is staring at the paddle field scenery, smiling mischief.

"I don't believe Ao Tian will have "wild battle" in this outdoor place, besides the flat chest is still virgin, as seen there is no any movement of Ao Tian that showed he might do?"

"There is not of your business! Get down!" Long Ye is shouting at his younger brother.

Long Qi unhappily gets down from the car, Han Li Shang and Mo Tong Xue also followed to get down from car.

Long Ye who is walking at the in front, purposely to get slower his footstep, walking to Mo Xue Tong besides: "Your wound..."

"I can deal it by myself." Mo Xue Tong not even gives Long Ye any chances to considerate herself, she even faster her footstep to in front.

"Why can you share little bit of your warmness toward Ao Tian for me? Or give me a chance to taking care of you." Seeing at Mo Xue Tong back which is slowly going further, Long Ye melancholic eyes filled with bereavement...

\*\*

"Uh... it hurt.

.."

"Bao Bei, you endure it little bit."

Anyone who listened to this kind of conversation, whoever that does not know might thought both of them...

But on surface it is!

Yu Ao Tian is applying medicine on Yao Yao.

She was slapped by Big Boss Lei subordinates few times, so her little face is swollen.

"Bao Bei, what is your secret that you told Big Boss Lei?"

"Secret?" Yao Yao is enduring the hurt of her face, carefully to recall all the things happened inside the warehouse.

"Oh, do you mean words that I said to Big Boss Lei before I left that place?"

Suddenly the hand which is applying medicine stopped, Yu Ao Tian is furrowed his eyebrows: "How many secret words that you tell him before?"

"Hehe, only one. I told him that my father is Luo Tian Ming."

Very obvious, after he heard Luo Tian Ming this name, Yu Ao Tian eyes filled with sorrow, but only a slight. "Oh? How could you think of it?"

"Didn't you tell me before, no matter how great the mafias they are still need money, no matter how great the businessman they are still need to consider the government's people, so that only those people who joined in governmental are the best. My father... although he had passed away. But seeing at Big Boss Lei age at least he might ever heard my father's name. Besides, my father was the current Prime Minister's secretary...".

Episode 160

"Bao Bei, I have done applying the medicine." Yu Ao Tian cut her words off, and turned to keep the medicine box.

Yao Yao is unhappily glaring at him, obviously Yu Ao Tian knew what Yao Yao said to Big Boss Lei, as the result he showed impatience expression, really impolite! "Thank you. I will be back to school."

"Now is almost evening, there is no class anymore, isn't it? Go back at tomorrow."

"Cannot, at night there will be dorm-checking." But before these words finished, she feels as if she is talking nonsense, Yu Ao Tian is university board director, only by his random calling she might never go to school anymore, someone bossy like him how could he let her off so easily? "Forget it, I decided to stay here."

"Ha, your brain is moving quite fast. Go, change your dirty dresses."

"Oh." Yao Yao takes big stride, going inside the bedroom.

Her eyes swept this comfortable bedroom; she never thought that Yu Ao Tian would bring her to here.

Now they are staying at Yu Ao Tian's most ordinary yet simplest and smallest apartment.

After she is taking off her dresses, she just reacted: "After I taking off my dresses, what must I wear? "Yu Ao Tian! Yu Ao Tian!"

"What..."

When the bedroom door is opened, Yao Yao as if an arrow rushing to shut the door at let him stays outside: "I, what should I wear?"

"You open the door, I will take it for you."

"You tell me where you put it, I will take it by myself."
