"Wait!"

"What?"

His cold pair of eyes is measuring this little girl who is standing in front of him, she is wearing plain dresses, nothing is more than ordinary she ties her hair in ponytail style, on the other hand she looks

more innocent, so cute, no wonder there are lot boys at university who write love letter to her! "Pony tail is too ugly. Untie it."

"It is okay, convenient."

Convenient? This is nothing with convenient! Yu Ao Tian face is darker, he straightforwardly untied her pony tail.

"Hey, what are you doing? It pained me!"

An instant the black hair fall scatter, finally on this way she won't have that so innocent look anymore, but...still this damn look really able to make one's self to be impulsive to bully her? "En, this is much better."

"Wo Kao, not mistaken, Ao Tian, I just have been dreaming to hit BOSS."

"Hit what BOSS ah, every day you are only knew playing games!"

"Ugh, what is happened?"

"Hehe, it is." After he gained himself, immediately Yu Ao Tian speaks so gentle: "You know that I always see you as my younger brother too, older brother me yesterday dreamt, I dreamt about many things in the past which we experienced together, after I have thought carefully...me as you're your older brother really feel guilty toward you."

Long Qi who is at the other sides of phone call, after he heard the speaking tone of Yu Ao Tian, he could feel his head almost to explode, an instant he not even feel sleepy anymore: "Hahahaha, Ao..

. Brother Ao Tian, did I... did I so mistake? Can you stop act like this... can't you? I... I do feel little bit afraid."

"What are you afraid of? I just speak honestly from deep inside my heart. You see, since the day you followed us, you are never going to school anymore, am I right?"

Yu Ao Tian has few of confides, others than Han Li Shang who gets high education, the rest of them are self-learning.

Once Long Qi heard, more he listen more he feels odd, rolled his eyes: "Brother Ao Tian, Don't.

..don't you have something to ask me to do? You rest assured, I won't avoid it even die for it!"

"En, I have your words I feel much assured, but, brother won't let you to suffer for hardship." He smiles, slowly said: "You see, now you are at same age with Yao Yao? Just in time, you are also at the age to go to university, I will... definitely send! YOU! TO! UNIVERSITY!"

"Ah? University, you killed me better, Ao Tian!" 2 years ago Yu Ao Tian was asking him to take security manager position, he has insisted himself to take the position, now asking him to go for study, simply to say it is suffering than death.

"I have made decision, you don't have any option!" at sudden, Yu Ao Tian face is dimmer, straightly he hung up the phone call...

Episode 164

"Ring.."

The bell is ringing, time to get into the class, start a new lesson, every times at this time, Yao Yao will be so excitedly, perhaps this is the scariest side of her as a top student (book worm)?

"My beloved, yesterday you..."

Seeing Gong Xiao Man who is slowly sitting at her sides, this time she gained herself: "Sorry, I am sorry Xiao Man, actually yesterday I was fine. But... but I didn't back to dorm, I forgot to tell you that I was fine."

"It is okay, as long as you are safe, it is okay." Gong Xiao Man takes long breathe, only heaven knows that she really not able to sleep yesterday.

"Fellow classmates, now, I would like to introduce the temporary student." The homeroom teacher has already stood in front of the teaching stage, looking at all the students and then clapping his hands: "Come, come in."

All of the students are looking at the entrance door, as seen... a man with leisure clothes who looks unhappily lower his head coming inside the classroom.

"HeHe, this student is named Long Qi."

"Long Qi!" the person who sits on the in front row is Yao Yao, her eyes is opened wide glaring. By the time that man raises his head, her little face instantly dim, really is Long Qi...

"Come, Long Qi, introduced yourself to everyone."

Long Qi eyes swept the smiling face of the homeroom teacher, his eyesight is clearly showed... damn F your M introduce self!

If not because Yu Ao Tian has warned him not to fight with teachers, he really hates this kind of sissy-type teacher and wants to give him two punches.

"Hi everyone!" He is angry but no energy to speak.

The female students inside the class suddenly look alike blooming flowers: "Very handsome boy."

"Really have character."

"Yes ah."

"Long Qi, you look for the empty seat and sit down." Said the homeroom teacher, most of the female students are initiatives to let him sit at their side empty seat.

Yao Yao is nervously, lowers her head, pretending not know him! Pretending not know him!

But who knows, Long Qi footstep is stopped at her sides: "Hey, flat chest, give me place to sit."

Hu.....

More she afraid of something more that something will happen, why Long Qi must call her in such way? The next four years beautiful university life seems be vanished.

Hopeless close her eyes, she not even dares to see other fellow students eyesight, stiffly she moves closer to Gong Xiao Man's side.

Long Qi, "peng" it is sound of his bag that he tossed at table, and directly sits down.

"Long Qi, you have good position as manager, why must you come to university?"

Geez, he also wanted to know why!.

Episode 165

After Yu Ao Tian hung up the phone call, Long Qi hurriedly changed his clothes and went to beg on Yu Ao Tian so that he would change his mind, but who knew...

Yu Ao Tian even said, "Today the boys at the university are really willful. Last time during class, there was a person who even dared to send a letter. That was a love letter." So that's why, he was thinking Long Qi could go there to chase away all those bad boys besides Yao Yao.

The problem is Long Qi really curses at MF Yu Ao Tian for asking him. At least, the university students are already 19 years old-something and that was only a love letter. Just so you know when Yu Ao Tian was 14 years old, he already slept with a girl, so who is wilder?

"Ao Tian is afraid of you becoming a red apricot tree that leans over the garden wall* so he asked me to keep monitoring you!" (*This means Yu Ao Tian is afraid Yao Yao might have an affair at school.)

Yao Yao glances left and right and with a very low voice asks, "Can't you speak with a lower tone?"

"Cut it off... If not because of you being so restless, why must I suffer this hardship?"

This is none of her business, how could she be restless? Yao Yao just wants to debate with Long Qi, who knew he already fell asleep on the table.

The bell rings, one study session has ended but Long Qi is still sleeping.

Yao Yao helplessly shakes her head, as expected he is too naughty and mischievous!

"Hey, hey, hey, little brat!" At this time, few of the male students are surrounding Long Qi. They look so rude hitting the table.

"MF!" Suddenly Long Qi wakes up. "What?" he roared as he was pissed off at them.

"Who asks you to sit beside Luo Yao Yao?"

Isn't this none of her business? Yao Yao with an unbelievable expression, exchanges look with Gong Xiao Man, and then looks back at those men with a dumbfounded face.

"I sit beside whomever I like. Do I need to ask you guys' for permission? Cih, don't mention that I sit beside her. Even if I do ** with her, that is none of your business!"

Suddenly, all the focus and stares went to Yao Yao.

Her small face is red.

MF, did Yu Ao Tian asked Long Qi to come and torment her? "Hahahaha, fellow classmates, Long Qi... actually he is my best friend."

"En? Best friend?" These few men are clearly feeling sour after hearing it, but it's Yao Yao who said it, so they don't know what to do. Unhappily, they glare at Long Qi. "Looking at Yao Yao's face, we will let you off this time. Next time, you better be well-mannered or you will suffer!"

"What? You guys, say it to me once again." Long Qi's face is darker and he stood up.

Seeing the situation is not good, Yao Yao pulls his sleeves. "Long Qi, forget it, I beg you."

Very unhappy, his fists were clenched tightly but he sits back to his seat expressionlessly, while those few men are leaving.

"Say, flat chest, just expected you are really restless. No wonder Ao Tian would call me to come here!"

Long Qi is smiling deviously, but his eyes are showing sarcasm towards her.

Heaven, who can give her a knife ah!

For the next study sessions, Long Qi spends the time lying down on the table. For Yao Yao, this is perhaps the best result she could have.

"Yao Yao, actually Long Qi isn't bad."

"Ah?"

Gong Xiao Man smiles sweetly, she moves closer to Yao Yao. "Yesterday after you got kidnapped, I could not reach Yu Ao Tian's phone, so I called him. Once he heard you were kidnapped, he sounded quite in panic. Although today I have seen him, realizing he is a bit unruly, but I need to say that yesterday he was really worried about you. That wasn't fake."

"Long Qi indeed is very good, this point, I understood."

"He, the most important thing is, he and you quite match yo.

.."

Xiao Man this... why is she acting up again? Simply to say, she is going crazy!

"Ring..." (bell sound)

The bell of the last study session is ringing. But this time... Suddenly the Long Qi who was lying down like a corpse suddenly wakes up and straightens his posture. His eyes are even opened wide. Yao Yao who is beside him is quite surprised. "Long Qi, are you okay?"

"Sst, don't speak. On this study session, be quiet and wait for the teacher."

Does he still know this time is the last study session? But why for the last three study sessions, he was lying down on the table? The most strange thing is, why is he acting so contrary on this fourth study session?

While Yao Yao is still wondering about Long Qi, suddenly...

Episode 166

Teacher Qi' is slowly walking inside the the classroom. This time, finally she understands why Long Qi is... acting so strangely!

"Hello, everyone." (Speaking English)

"Hey, Yao Yao, he... he is...Yu Ao Tian, right?" Gong Xiao Man looks so nervous, holding her wrist.

Heh, he is indeed Yu Ao Tian, but the problem is, why must he come here again as the handsome English teacher? Doesn't he need to go to his office?

Half of this study session, Yao Yao couldn't concentrate. She lowers her head, because whenever she lifts her head, she will meet eye to eye with Yu Ao Tian. She completely can't avoid him.

"Who can translate the next page, the 6th page?" (Speaking in English)

After hearing Yu Ao Tian's question, Long Qi who is sitting in the front row rolls his eyes and quickly moves his book in front of Yao Yao.

Ugh? What is Long Qi doing? She stares blankly at him.

Long Qi is pretending to have an urgent facial expression and also furrows his eyes brows. "Teacher is asking you to do the translation, hurry translate it."

What?

She wasn't focused during the study session, so she doesn't know what Yu Ao Tian said. She also doesn't know whether he really asked her to answer the question or not.

Without glancing at Yu Ao Tian, she straightforwardly stands up.

Yu Ao Tian, who is standing in front of the teaching stage, frowns without a word.

As what she was told, Yao Yao does the translation according to what Long Qi gave her, "These two years, I could not stop myself longing for you. These two years, I could not help myself to forget everything about you.

Your figure is deeply engraved inside my heart. I love you, Ao..." She was translating until this point; suddenly she feels something is fishy. She turns and with an angry face, she looks at Long Qi. "What have you given me?"

"Hahahahaha." Long Qi couldn't stop himself his devious laugh. Even all the other students in the class also laugh.

Yao Yao really wants to find a big hole and jump in. Simply said, this is too embarrassing. How could Long Qi trick her?

"Everyone, stop laughing!" All of the sudden, Yu Ao Tian's shouting voice is heard inside the classroom. Everyone stops.

In front of the students, teacher Qi is a gentle substitute teacher, but never thought he would look so scary when he's angry?

Long Qi understands, this time he got into trouble.

As seen, Yu Ao Tian walks as fast as an arrow in front of Yao Yao. He takes the book from her hand and at one glance, he sees a piece of paper inserted. On that piece of paper are the words translated by Yao Yao just now. "Long Qi, get out and stay outside!"

"You deserved it!" Yao Yao vents her anger.

"Geez. I know, always siding with flat chest!" Long Qi murmurs. He unhappily walks out from the classroom.

Just at this time....

Yu Ao Tian points his finger at Yao Yao and says, "You! Go to the very last row and stand up as punishment!"

"Why me too? Obviously, he's the one who tricked me."

Forget it, she better accept her standing punishment. Yao Yao helplessly goes to the very last row. Raising her head, she sees Long Qi standing at the back door outside the classroom and provoking her with his laughing through the window.

Rotten bastard! "Pei!" She glares at Long Qi angrily and she stands at the last row expressionless.

"Well, next, all will do self-study. Luo Yao Yao, you can sit at the back row for the moment."

Very good*... This is the first time for her to be punished with standing up by a teacher since she was born. (*with sarcasm meaning)

"Bao Bei, from today onwards, you will move back to stay at the house." All the students are seriously sitting to do self-study while Yu Ao Tian was roaming around and stopped besides her, whispering to her.

"I don't want to." It wasn't easy for her to escape from that big bird cage so why must she go back?

"Are you sure?" Yu Ao Tian fixes his glasses, looking around the classroom, and then he looks at Yao Yao again.

"I am sure!"

"Oh?" His lips curves up, slowly lifting his hand, and gently...

Inside the classroom, she.....

Episode 167

She could feel her heart tighten, Yao Yao is completely dumbstruck, and what is Yu Ao Tian doing? What is he thinking of doing in a classroom?

"Oh? Is there any question that Luo Yao Yao does not understand?"

Suddenly, Yu Ao Tian is saying these words. She is sweating. When did she ask a question that she doesn't understand?

At this moment, Yu Ao Tian is already beside Yao Yao, bending down his body. His pair of hands is wrapping around that petite body. However, he made it seem as if his eyes are seriously looking at the book on the table.

"You, what do you want to do?" She's afraid her fellow classmates would find something fishy so she hurriedly moves her body and asked with a low voice.

Yu Ao Tian's pair of eyes is gleaming. His head moves closer and almost sticking to her ear, he lightly said, "Make a guess."

His warm breath spreads to her ear, while one of his big hands slides down inside through the shirt collar...

He, what is he doing?

Although there's no other student sitting in the last row, but if a student turns around, that student might be able to see what they are doing. Simply to put, Yu Ao Tian is crazy!

She panics and stops his big hand. "Don't be like this!"

"Sst. Bao Bei, do you want to let your fellow classmates found out what we are doing?"

Rotten bastard, Yu Ao Tian really dares to do anything. She restlessly looks at her fellow classmates. If she keeps being stubborn with him, she's afraid his big hand will keep moving but if she lets him go, he will be more brazen and there is also a possibility that he doesn't have any intention at all to give up on this interest.

Yao Yao only has this chance so she moves her small hands away.

But Yu Ao Tian is someone who won't give up if he hasn't reached his goal, how would he let her off this easy?

That hot big hand is caressing her neck and collar bone. His fingers are moving and teasing her.

Being teased by Yu Ao Tian, she feels so embarrassed but because she is so anxious, she even becomes more sensitive.

"Bao Bei, do you feel the thrill?"

"I..." When she lets out one word, immediately Yao Yao covers her mouth with her hands. No matter how low her voice is, she's afraid her classmate might turn around. Nervously, Yao Yao shakes her head, while her face is already beet red. Her breathing becomes heavier.

Yu Ao Tian is a weirdo, lustful demon! Inside the classroom, he dares to provoke her openly! Rotten bastard! Rotten bastard!

But she also blames herself for not being brave enough and not being able to control her response. Feeling so embarrassed, she covers her face with hands.

"Bao Bei, you are becoming more excited."

She knows that she could not keep pace with his teasing.

Cannot. This time she must endure. This time Yu Ao Tian is intending to make her compromise by teasing her, but she really does not want to go back to that bird cage!

All of the sudden, Yu Ao Tian is smiling deviously. Slowly, his lips move closer to her sensitive ear and suck it.

"Humph." She hurriedly covers her mouth. Her tears are flowing down.

But there is no hint that Yu Ao Tian will let her off easily.

Damn!

If he keeps on going, he will...

"I'll go back to stay at home."

"Very good." He takes out his hand and suddenly kisses her forehead.

"Ring..."

At this time the bell is ringing, the study session has ended.

Looking at Yu Ao Tian's devil face, she starts to hate herself. If she could have only endured until the study session ended! Yu Ao Tian is a rotten bastard, a devil, a demon, and the domineering king of evil!

"Yao Yao, where is Yu Ao Tian?" During the afternoon rest time, Gong Xiao Man is curiously asking her.

"He has already gone back to his company."

"Oh, he seems quite free. Still coming everyday to see you even for just a moment?"

Heh, later on, he won't be coming because...

Today she is going back to the "Bird Cage" to stay there again. Huhuhu.....

Episode 168

"Yao Yao, let's go to aula. In the moment we will have open study. You don't know what teacher would want us to do, right?"

"Yes."

Open study. It is the event that must be participated by the new first year students in order to make the new students improve themselves, and also to give chances for the students to have interaction with each other on specific subjects. It also allows teachers and students gathering and also the family to come for visit.

Inside the aula, there are many new students who are queuing to see their own study program for their open study session.

"Yao Yao, Yao Yao, look, I got the princess role in the Snow White story." Gong Xiao Man excitedly sways a piece of paper in her hand. "How about you? What did you get for your program?"

"Ha...hahahaha...Xiao Man, your fortune is quite good, but mine is... so awful." Her facial expression is of deep grievance as she hands over a piece of paper to Gong Xiao Man.

When Gong Xiao Man opens to see... "Ugh...female scoundrel in Amaenaideyo? Wo Kao! Hahahaha."

"Flat chest, what is this?" Long Qi takes out his hand inserted from his pocket and sloppily walks to her side.

"Aiya, is it because of the open study program? Yao Yao got the female scoundrel role that is why she is not happy about it."

"What's not to be happy about it?" He really wanted to get the scoundrel role, but too bad he only got the passerby role.

"You see, Yao Yao doesn't have the look of a female scoundrel. So she's afraid perhaps she would not know how to look like a female scoundrel. If her acting is bad, then she would become a laughing stock."

After listening to Gong Xiao Man's words, Long Qi looks at Yao Yao from head to toe. "Ugh, indeed she doesn't even have any female scoundrel aura. Hey, flat chest, call me Ge Ge (brother), and I will teach you how to act as a female scoundrel. How about it?"

That's right. This is Long Qi who is an expert in this field. How could she forget about Long Qi who is a real mafia? Yao Yao does not care about face anymore and she happily calls, "Ge Ge, please teach me."

"Humph? Follow me..

." Thereafter, Long Qi pulls Yao Yao's wrist and left...

Under Long Qi's private guidance, she is finally confident she can act a great female scoundrel role.

After school ended, Yao Yao goes straight back to the villa as promised earlier. This is under her agreement with Yu Ao Tian. This is a small condition that she begged for. She must stay in this small villa because she doesn't want to go back and stay at the house filled with many women, even if she misses Nan Lu.

Taking out the key, she unlocks the door. When she was pushing the door open, she suddenly stops.

It is still 2 o'clock in the afternoon. Yu Ao Tian should still be in the office. There shouldn't be anyone at home, and taking this chance... Should she practice the things she learned from Long Qi before?

Episode 169

Grammatical checker: Flay

With misty eyes, her small face changes. "Bamn!" She kicked the door open. "Lao Niang is home!" She, carrying her bag, is walking sloppily to the living room. "MF, why is no one welcoming Lao Niang? Is every one MF already dead..."

There are footsteps rushing to the living room. The bag that she carries at her back is thrown "pa" to the floor. What... what is happening? Why... why are Yu Ao Tian, Vice CEO Han and also General Manager Long, all of...them here?

Dumbfounded, she stares at those three persons sitting down at the sofa. Her forehead is wet with sweat.

"Bao Bei, so whenever I am not at home, you act this way?" Yu Ao Tian frowned and then his lips curve upward with a sarcastic smile.

"No, I'm not. Listen to my explanation!" Too embarrassing! This is really too embarrassing. She rushes to Yu Ao Tian and the others in front. "Next week, our school will have an open study."

"En?"

"I... I got the female scoundrel role, so... so that..

."

"Oh, so that's it. Xiao Meng Li, your acting is so good. Simply put, you have the talent to be a female scoundrel." Long Ye warmly smiles.

Feeling awkward, she lowers her head, glancing at Yu Ao Tian to see his expression.

"Is this taught by Long Qi?" He coldly asked.

Woah, Yu Ao Tian is too awesome! "How did you know?"

How long has he known Long Qi? How could he not know about Long Qi's attitude in normal days? "The way you are speaking, simply to say, exactly resembles him. If not him, who would it be? Little Thing, I tell you, his teaching are all wrong. No need to learn!"

"But... but I had showed it to everyone, they all said my acting good."

"Bam." Yu Ao Tian used his strength to smash the table with the document held by his hand. "If I tell you 'don't learn', then don't learn!"

Seeing Yu Ao Tian's angry face, Yao Yao really doesn't know what he is angry for. It is clearly just acting.

"Xiao Meng Li, Ao Tian hates a little girl who speaks dirty words so you better do as you're told." Long Ye sees the atmosphere is not quite right, quickly he spoke up, his slitted eyes sweeping at Yu Ao Tian as he playfully said, "Whatever, during the time you have your performances, Ao Tian won't know, is it right?"

Hm...

this is true, still General Manager Long is the cunning one. "Oh, I understand, I won't learn anymore. Oh yeah, today my classmates will come here to practice."

"What time?"

"This..."

"Ding dong." The doorbell is ringing.

Yu Ao Tian looks at Han Li Shang and also at Long Ye. "Let's go upstairs."

"Long Ye, both of you brothers are really not teaching good things to Yao Yao." When they are entering the study room, Yu Ao Tian sighs and then sits on his chair.

"Do we?" Long Ye pretends to play dumb. "Why do I feel that you are currently raising Xiao Meng Li as your daughter? Or am I mistaken on something?"

To be honest, no need for Long Ye to remind him. Earlier, he also has this kind of feeling. Being together with that little thing, he could feel he ages more years. Still same words, after witnessing the childish Yao Yao, he realizes in this life time he really doesn't want to have children.

"Say, Ao Tian, have you asked Xiao Meng Li what she said to Big Boss Lei? I am so curious," said Long Qi. He also glances at the iceberg Han Li Shang who is also curious with it.

"I had.

She said she is Luo Tian Ming's daughter to Big Boss Lei."

"It seems Xiao Meng Li has understood a little bit about this society. She has future, has prospects."

Suddenly, Han Li Shang is using his elbow to hit Long Ye, hinting him to look at Yu Ao Tian's cold eyes.

He curiously looks at Ao Tian, he sees Yu Ao Tian's face is so dark. He remembers Luo Tian Ming and Yu Ao Tian has a 'strange relationship'

"Ao Tian, that... Xiao Meng Li's uncle is brought back to China. He is investigated by Yu Long's men."

His pair of eyes gleams coldly, "The result?"

"Her uncle does not know anything regarding to Luo Tian Ming's matter, but her uncle has promised the Yu Long's men, he will ask Xiao Meng Li's mother."

"Asking that woman?" Yu Ao Tian scoffs, now he is unwilling at this time to talk about this matter.

"Continue working upstairs."

"En."

"The bid that was dropped by Feng Group, also about the land in Long Ma..."

"Ah!"

"Hahahahaha"

Downstairs, there are girls' laughing voices. It affected Han Li Shang who was discussing his report..

Episode 170

Yu Ao Tian looked distracted, frowned: "Damn!"

"You are looking for little girl as your lover, thus you must know this kind of things will happen." Han Li Shang coldly putting down document which he holding, his face looked so stern.

Just in this moment...

The door is opened, Long Qi is walking with big stride, come in: "Why the atmosphere feels weird? Don't we are preparing to kill people, right? Hehehe."

"Kill your dumbass, you just know killing ah!" Long Ye is taking up the document from the table and hit it to Long Qi's head.

"Long Qi, why are you coming too?" Yu Ao Tian is looking Long Qi with questionable expression.

"Now flat chest and I are classmate, okay? Of course I must come. The important is, these girls wanted to practice at Yao Yao's house, I have seen her difficult expression so that I told them to come to my house for practice."

So these groups of people are coming because of Long Qi? "This seems as not your house?"

"So what, I could not take them to our apartment, right?"

This is s true, the apartment where they are living in, so far the first person who ever come, only Yao Yao as outsider. Thought to this, Yu Ao Tian is helplessly patting him: "You go, tell them to be quiet."

"Oh." Long Qi is turned his back and left.

At the beginning Yu Ao Tian thought Long Qi went to downstairs, telling them to keep their voices lower, but who knows...

"Ah!" they heard Long Qi wildly shouting.

Inside the study room the atmosphere turned to be strange again, Long Ye is twitching his mouth, looked at iceberg Han Li Shang: "My younger brother is still little boys, I have made my guess things would turn to be like this. Li Shang, you don't need to say anything."

To be say, since Lon Qi following Yu Ao Tian and others, he has controlled his childish-self, actually everyone knows that 19 years old boy must go through this kind of life, they know so they feel upset in their heart. Until today, finally Long Qi could find same age fellow friends, this is similar like fish meeting water.

"Forget it, today we called off the work, we are almost crazy better we let those kids off." Yu Ao Tian is helplessly smiling, he standing up, bringing Long Ye and Han Li Shang go out from room.

When they are at stairs, seeing Long Qi and group of girls making noise, simply to say they are looked more alike having party rather than practicing for performances.

"Uh.

.." few of girls are looking at stairs: "Yu...Board Director Yu."

Yao Yao is nervously opened wide her mouth, Yu, Yu Ao Tian how can he go down?

"Long Qi, why is board director Yu could be at your house?"

Help, Long Qi! She is using begging eyesight to look at Long Qi.

"Oh, board director Yu is my older brother's friend, they are talking about business at upstairs."

"Hello everyone." Yu Ao Tian is smiling elegantly.

"Hello Board Director Yu." All the girls are bowing with respect toward him, Yao Yao and Gong Xiao Man also mixed with the group, pretending not knowing about them.

"Long Qi, Long Qi, your older brother is so handsome."

"Oh yeah, who is that man standing beside your older brother?"

"Who ah, introduce him to us ah.

" The girls are whispering asked him.

As seen Gong Xiao Man's brows are tightly twisted together make one straight lines, with big strides she rushing directly in front of Han Li Shang : "Yo, scoundrel uncle, you are also in here."

"Scoundrel uncle?" the girls are dumbfounded, they are looking at Gong Xiao Man.

"That is right, all of you don't look from his handsome appearance, he is actually a scoundrel, last time he touch mine chest." Gong Xiao Man lets out heavy sighed.

Little girls are still little girls, as they heard, no matter how god looking he is, still gives scary feeling. Those who are admiring Han Li Shang at sudden changes to be fear of him.

"Little girl, you shut your mouth up!"

"Cut your nonsense, you dare to do not dare to admit?"

"You!" every times when Han Li Shang meets Gong Xiao Man, he feels as if he is going to be crazy.

This time, Yu Ao Tian and Long Ye are standing at his right and left side, together both of them whispering at same time: "You are stumbled with little girl, you must know something like this will happen."

This time three of them are at same boat, no one could say anyone...
