

Pure Girl 171

Episode 171

"Well, Long Qi, you guys go playing, we..."

"Board Director Yu, I have heard regarding about your Berson group's rumor, how about you telling us about your Berson Group? Is it okay?" one of the girls is suddenly cut off Long Ye's words and hooked her arm to Yu Ao Tian's

"Yes, Board Director Yu, I do also want to listen."

"Me too." And then all the girls are surrounding Yu Ao Tian.

Seeing this scenery, Long Ye and Han Li Shang are looking each others, when both of them are intending to leave...

"Long Qi's older brother, you are also stay here, chatting together with us, okay?" stills he is being found out by these few girls and got "caught" by them.

Needless, they are not allowed to leave.

"Yao Yao, CEO Yu gets warm welcoming, don't you go there to look?" Gong Xiao Man with Yao Yao going to the quiet side.

She glances at sofa which crowded, faintly she smiles: "This is good, don't you think?" if Yu Ao Tian could fall for one of them, perhaps she could leave him easily.

"Hehe, if the male lead is changed to other person, would you still this calm?"

"En?" curiously she frowned: "Xiao Man, what do you mean?"

"Nothing, I just say if, if, the male lead change to be Qi Lian sunbae, or Long Qi or perhaps...Feng Chen Yi, will you bother with whom of the girl sitting together and chatting?"

Gong Xiao Man really has motives, asking about this question, the result is so obvious, of course...Feng Chen Yi.

Yao Yao is choosing to keep silent.

"You say nothing it is okay, but deep inside your heart you have got the answer already, the person is the one you love now."

Hahaha, love?

*Perhaps, two years ago when she met Feng Chen Yi, she was avoiding that kind of love, but slowly she able to face it. But, she was able to feel it clearly, toward Feng Chen Yi it was love...somewhat..

. slowly by slowly, that love turned to be weakening. Perhaps, the weaken love due to the lessen chances meeting him, it would be good if it vanish?*

"Yao Yao, you stay here for while." After said, Gong Xiao Man is rushing toward the villa's door: "Hey, Big Uncle, where are you going?"

Han Li Shang stopped his footstep, turned his head coldly looking at her: "Go home!"

"Huh? The feeling being ignored by others, your heart must be feeling sour, right?"

"Doesn't this all thanks to you? But, I never like being surrounded by people."

"Oh yeah? Well, are you only like being surrounded by me, aren't you?"

Seeing her baby face smiling deviously, Han Li Shang helplessly frowned: "You say this thing, why your face is not red?"

"Your face is not red, why must mine red? Big uncle, accompany me talking."

"Don't have time!"

"Well... how about if I shouted you are harassed me, you say, will they rushing out from living room?"
Gong Xiao Man leaning her body to wall, she is laughing.

That iceberg Han Li Shang looks dimmer and keep silent: "What do you want to talk about?"

"Just talking how many girlfriend you ever had..."

"3 persons."

Geez, she even thought this big uncle perhaps never had girlfriend, seems he also normal person.

"What had you ever done with your ex-girlfriends before?"

"Little girl, you and I are talking about this topic, is this good?"

"Do you have problem?" she is slowly walking in front of Han Li Shang, she smiles deviously asking him:
"If you feel embarrassing to answer, I could tell you mine."

"No need, I don't have any interest of it."

Gong Xiao Man is gathering her courage when asking this question, actually Gong Xiao Man isn't type of girl who looked on her surface, at least she is someone knows herself well, but in front of Han Li Shang this thousand years of iceberg, if she does not take first initiatives how could she melts him?

"If don't want to know, forget it, geez... I still don't want to let you know."

At others side...

Two years ago she didn't sure whether she would fall in love with Feng Chen Yi or not when she met him in Japan, so she never had any thought about loving Feng Chen Yi but fate say different things, she was dating him even when they are not couple anymore, she thought she might love him but somewhat after time passes, she could feel that she is not really love him that much as the first time and she thought it would be good if she stops love him.

That's why I say Feng Chen Yi's position might be replaced by Yu Ao Tian gradually in Yao Yao's heart...

Episode 172

Yu Ao Tian is forcing himself to mingle with group of girls, but his eyes are looking at Yao Yao, frowned: "Well, time is getting late, don't all of you need to go home?"

Group of girls are unhappily but seeing the time, they really need to go back: "Well, Board Director Yu, Long Ye ge ge, we take our leave. Long Qi, we go home."

"En, bye bye."

The girls are leaving noisily, but one of the girls is patting Yao Yao: "Luo Yao Yao, we are going home. What are you staring blankly for?"

Oh... go home? This is place where she stays, if go, doesn't it mean that she needs to come back again?
"Oh, okay..."

"Aiyo." At this time, no one knows where she has been before but suddenly Gong Xiao Man just shows up, she touches her stomach: "My stomach is aching, I need go to toilet, all of you go back first, Yao Yao stays here to accompany me."

"Oh. Well, we won't wait for you." All the girls are leaving.

Gong Xiao Man is smiling deviously, blinking her eyes few times, she really does not know whether Gong Xiao Man is helping her or giving her another problem, actually she leaving with group of girls, strolling for while, get home little bit late perhaps good things too.

"Ao Tian, we are also leaving too." Long Ye and Long Qi are leaving too.

"Me too." Han Li Shang who keeps sticking by Gong Xiao Man, he thought this just right time to bid good bye with Yu Ao Tian so he hurries to leave.

"CEO Yu, Yao Yao, I also take my leave too.

" Gong Xiao Man as seen, she is chasing after Han Li Shang, rushing to him.

"Why Xiao Man looks so in rush?" the low EQ Yao Yao toward human feeling isn't realized actually her good sister is already... blooming, starting her first love.

The noisy villa finally quiet down, the exhausting Yu Ao Tian is taking rest by sitting and leaning himself to the sofa.

"Are you tired?"

"Of course, talking with group of girls, really to tiring."

Bullshit, if he really tired by must he act so gently? "You can choose not talking with them."

"Bao Bei, you are really heartless." Yu Ao Tian using his hand to support his head, devilish looking at Yao Yao who is standing in front of him.

"There is none my problem?"

"Humph, if they aren't your classmates, do you think I would be this patience accompanied them?"

"Chen Yi, if you are dislike to go out and playing with my classmates, you don't need to force yourself."

"Since I have chosen you, it means I must accept all of you, your circles, no matter how I dislike it, I will always accompany you."

Long time ago there was someone telling her, if there is a man who loves you, although how dislike and hate him toward your friends, he will be patiently to endure it; because he won't let you stuck in difficulty.

Days with Feng Chen Yi, indeed he did it.

She ever thought that she might never meet any man in her life time that could make her heart touching, but this time...

Her heart is thumping crazily after she heard what Yu Ao Tian told her.

Episode 173

The luxurious sport car is starting the engine prepare leaving Yu Ao Tian's villa, but suddenly there is petite figure jump to the center of road.

A brake sound, Han Li Shang is braking immediately to stop the car, by this way, the car is not hitting the petite figure which suddenly showed up.

"Are you seeking for death?"

Needless to say, the person who dares to jump in front of Han Li Shang's car must be Gong Xiao Man, she is smiling mischievously, taking lead to herself, sitting to the front seat: "Big uncle, sent me to school, thank you."

He has been taking his lesson and gets used with Gong Xiao Man thick skin, afraid if he does not send her back to school, things will be more troublesome. Helplessly he chooses to keep silent, directly send her back to school.

The sport car is racing faster in street, from the car windows, Gong Xiao Man could not help herself to glance at that cold man.

"Why are you looking at me?" Han Li Shang is asking while keep looking at in front, he used cold tone.

"If you are not looking at me, how could you know that I am looking at you? Why are you looking at me? Perhaps... are you fallen for me?"

Just expected he must not speak.

"Hey, Big Uncle." Gong Xiao Man does not smile anymore but faintly said: "Are you also treating your ex-girlfriend this coldly?"

Quiet.

"I am asking you a question."

Still keep quiet.

Gong Xiao Man unhappily frowning: "Is it too difficult for you to talk to me? Am I so hateful for you?" Said Gong Xiao Man, turned back her head to another side.

Han Li Shang eyes swept to the mirror, he could see sadness in her face, helplessly he moving his head:
"I always am like this to anyone."

His words as if healing and bring life from the death, immediately Gong Xiao Man not angry anymore:
"That because you are not loving them! I don't believe, when you are facing the person you really are in love, you still will be acted like this." At least she had ever witness the cold Feng Chen Yi treated Yao Yao.

It is proven, no matter what kinds of man they are, as long as they are falling in love deeply with the women, they won't expose any other sides of them in front of that woman.

"Perhaps." Han Li Shang grimly replied to her.

"Big uncle, you..." the new question has been at her edge of mouth, but Gong Xiao Man gulped it back.

Actually she really wanted to ask him, what kind of woman Han Li Shang likes, but she knows, his answers will only gives her pain.

"Arrived." The car is stopped in front at school gate.

Gong Xiao Man eyes are looking at surrounded, suddenly she feels, why school must be this close from Yao Yao's house?

"Still not get down?"

"Why are you so in rush to chase me out?"

Helpless, Han Li Shang better keep silent, he turned his head to another sides.

Time is passing by one minutes, two minutes, both of them are keep silent inside the car, both of them are having their own thoughts.

When the sun sets, Gong Xiao Man takes deep breathe, sighed : "Hey, Big uncle."

Han Li Shang turns his head looking at her: "what?"

"Thank you for today, sending me back to school." After said, she smiles and slightly probe from her body, her lips is touching Han Li Shang's cold lips....

"You!"

Seeing his ugly facial expression for few seconds, Gong Xiao Man laughing: "Don't be angry, I always act like this every times I thank others." After said, she faster gets down from the car: "Big uncle, bye bye.

" But once she turned her back, at that moment...

Her smiling face is vanished, her small face is beet red but somewhat her eyes is filled with sadness.

What have I done, clearly... this is my...first kiss!

Episode 174

The quiet hospital room suddenly raises noise.

"You hurry go, I don't know anything!" Mother Luo who always appears gently, at sudden she is showing her stubborn nature.

A man who is standing in front of her with difficult expression, said: "Sis..."

"Let me tell you once again, I don't know anything, later Yao Yao will come, I don't wish her to meet you!" after Mother Luo spoke, suddenly the door is pushed open.

Yao Yao is blinking her eyes few times she clearly can feel the strange atmosphere inside the room: "Uncle, you are coming back from Australia." Facing with uncle who she never seen since ten years ago, feels little bit stranger, but she stills politely calling him.

"Yao Yao is already this big." Uncle expression little bit awkward, he looks difficult and frowned: "I still have things to do, I take my leave. Sis, if you know something you must say, if not... you will put us to death!"

Listened to uncle words before he left, the atmosphere inside the room is getting out of the ordinary for Yao Yao: "Mom, actually... what is happening?"

"Nothing, your uncle if he isn't showing up, once he showed up things goes wrong!" Every times talking about this little brother, mother Luo really pissed off.

When Father Luo was alive, this little brother was getting in trouble everyday and all were depending to Father Luo solved problems made by him. At least after father Luo passed away, she could feel her little brother is mature little bit. Who knows, when family Luo was in the most difficult times he did racket to left, he also cheated their house and also money, running away to Australia.

"Yao Yao, quickly see your grandpa. He is missed you so much." Mother Luo is changing the topic.

"Mom.

.. does grandpa still angry because of last time matter?" Yao Yao asked her mother with lower voice. This is her first time coming to hospital after Li Mei Yun came to make commotion last time, first time seeing her grandpa, she really worries of him.

"As you know your grandpa is someone stubborn, he must... but, you are still your grandpa precious little beloved, even though he is sad, but he stills love you, Yao Yao."

That is right, Grand pa is always this types of person, no matter how what mistakes she did, grandpa is angry in his mouth but in his heart he cares her. While mother is someone always spoil her.

Becoming Luo's daughter, this is the happiest thing...

"Sis, if you know something you must say, if not... you will put us to death!"

"You will put us to death!"

In point of fact what matter did uncle say to Mother? Moreover he was speaking with heavy and serious tone, he was mentioning something related to die!

Yesterday after she visited her grandpa, Yao Yao wanted to ask regarding about uncle but she knows too well her mother character, if her mother does not want to say there is useless to force her. Seems, she must come to find her uncle and ask him.

"Luo Yao Yao, do you want to practice or not, you hurry go to aula."

Today is weekend, and also the day for practicing in school. Every group is gathering in aula practicing and waiting for their turn, now it is the time for Amaenaideyo group to use the aula.

"Oh, I know, I will immediately go there." She puts behind the bad moods, she hurries running to aula.

Push open the door, everyone is gathering and making circle.

Yao Yao is curiously taking a look...

As seen, the person who surrounding by crowd is Feng Ke Xin.

"Ke Xin, are you telling truth, your older brother will coming?"

"Of course, I have begged him for long time. This time all of you will have good sight."

"So expecting."

Needless to say, until today, in the class Feng Ke Xin position as Princess won't be shaken. She uses her self-importance and also her Queen Syndrome nature as pressure; moreover there are no less people in the class who do not know about her background, so that everyone who is talking with her must use respectful tone.

"Well, start the practice." Feng Ke Xin acts as "Big Sister", clapping her hands, everyone walking toward the stage, practicing according to script.

"Hey, I heard you are Qing Niao Bang's big sister, aren't you?" one of the students is playing her role, practicing with Yao Yao.

"That's right, so what?" Yao Yao is focusing to practice, sloppily she replied.

At this time, that big sister is grabbing Yao Yao's collar shirt: "You are so arrogant, aren't you?"

"Heh, I have been always acting like this. So what? Is it matter for you?"

"Well, very well today, I want to see how awesome big sister from Qing Niao group!" after said that student who is acting, lift up her hand highly, she gives a slap to Yao Yao's face.

But this slap is so light so it won't hurt Yao Yao.

"You dare to slap me?"

According to the script, the next scene, two scoundrel groups must fight. But...

"Wait, stop for moment!" Feng Ke Xin suddenly speaks up...

Episode 175

"Ke Xin, what's the matter?" The Director who is sitting in the audience seat asked.

Feng Ke Xin envelop her hands, unsatisfied and pouted her mouth. "Director, do you think this kind of acting could attract audience?"

"What do you mean?" Everyone is looking at Feng Ke Xin and same with the Director, all of them don't really understand what this Princess wants.

"Zhang Li Li, you act once more that slapping scene with Yao Yao."

"Undestood." That Zhang Li Li who plays as one of the big sisters, raises her hand and slaps Yao Yao's face.

"See Director, if you think this scene is OK, I think we do not need to act according to the script. When the open study starts, we continue to act; don't you think this is much better?" Feng Ke Xin curves her lips upward, jumps down from the stage, her pair of eyes arrogantly looking at everyone as if she is a queen.

Seeing her attitude, everyone finally understood.

Since school started, Feng Ke Xin and Yao Yao are the center of everyone's attention but somewhat her popularity was only limited to female students mostly. but in men's eyes secretly all of them agreed Luo Yao Yao is the most beautiful girl, an innocent flower for their school, the center of attention. Furthermore Feng Ke Xin likes to be the center of attention, that's why Feng Ke Xin dislikes Luo Yao Yao so much and finally the opportunity has come, so why does she not take it?

"Ke Xin, don't be angry. After thinking it more carefully, I also feel that scene is lacking on something." Said the Director who clearly doesn't dare to offend Feng Ke Xin, so the attitude changed 360 degrees. "This time hit her for real!"

After listening to the Director, finally Feng Ke Xin smiles sweetly. she goes back to the stage and when she passed Yao Yao, she curved her lips up, hinting she is provoking her...

Must Feng Ke Xin need to do so? Last time during the student council event, she had left her without any consideration; no wonder she does not care for her this time?

"Still not acting?" Feng Ke Xin impatiently urges and gives Zhang Li Li a hint with her eyesight.

Zhang Li Li smiles deviously, nodding her head. without waiting for Yao Yao to react, she raised her hand and slapped Yao Yao hard.

"No good! the actin skill not good. Luo Yao Yao, can you use your feeling? Now you are being slapped by the sister, you must show your emotions at least.

" Feng Ke Xin said directly, taking the role as the Director. "Start it all over again!"

"Okay, Ke Xin." Zhang Li Li is nodding her head. "Today, I want to see what Big Sister of Qing Niao Group can do." After saying this, she lifts her hands up and gives a hard slap.

Even the stupidest could see, Feng Ke Xin and Zhang Li Li are joining forces to mistreat Yao Yao. Of course, Yao Yao herself could feel it too. But if she stops playing the role in open study, she will definitely get a punishment from school. Not to mention for her to be elected as the most outstanding student, it will still be hard for her to get scholarship. She bites her lips hard. "You dare to slap me?" She puts her utmost to play the role.

"Still won't do! Zhang Li Li, this time your slapping is quite good but not your expression. Continue to act!" Two times of slapping still could not make Feng Ke Xin satisfied and get rid of her anger from Yao Yao. Once again, she makes things difficult for her.

Zhang Li Li look like a loyal dog, nodding her head. "OK, Ke Xin." She curves her lips up and whispered, "Luo Yao Yao, don't blame me. Who asked you to offend Ke Xin?" After saying so, she raises her hand up and slaps Yao Yao hard.

But before her hand lands....

Episode 176

"Cut!, wait. Now the script is changed.... Luo Yao Yao... you...slap...Zhang Li Li."

"What? Who let you to change the script?" Feng Ke Xin is angrily looking at the Director.

"It is me, asking the script to change!" It is cold voice which is speaking.

Yao Yao turned her head nervously, this voice is belongs to? Faster she looked at the Director...

as seen, that person is Feng Chen Yi who is sitting coldly besides the Director, he uses the coldest and also scariest eyesight to see everyone. People could feel the chilly atmosphere on the stage.

"Feng, General Manager Feng, why are you here?"

Seeing from his sitting position, he should be arrived for a while.

"Still not acting!" Feng Chen Yi impatiently urged them.

Everyone quickly looked at Feng Ke Xin, her small hands make fist, silent.

"Start, Luo Yao Yao, now you slap Zhang Li Li."

The Director is already giving his command, Yao Yao face isn't showing any wicked expression or happiness but more showing getting pressured expression.

Since the time she was studying in Japan thing always like this, as long as there was someone daring to bully Yao Yao, Feng Chen Yi would pay that person in double. As time goes, those students changed whenever seen Yao Yao.

Believes this time, Feng Chen Yi is using his power to change the script, right? Dealing with this, she really thankful, but...

Both of them aren't same as before, not as boy and girl friend, Feng Chen Yi is not necessary to protect her that way anymore.

It isn't easy for her to suppressed her feeling, she afraid because of this man her feeling will slowly wavering again. Actually, she has calmed herself and she feels it quite good, at least every times she meets Yu Ao Tian she won't feel any guilty inside her heart.

Still flowing in her thought... by this way she can keep continuing her peaceful days, at least during the time until she ended her contract with Yu Ao Tian. But now it seems, things not as easy as she thought.

She is trying her utmost to avoid Feng Chen Yi's eyes, she lowers her head and lets out heavy sighs, lifts highly her hands...

Seeing the situation Zhang Li Li, hurried she showed her shocking expression. When Yao Yao's hand landed on her face, it is only a lightly slap, very light ones...

An instant, the way of Zhang Li Li looked at Yao Yao changed, there is not only touching her feeling but also she felt a gratitude toward Yao Yao, after all...

she has shown not good attitude to Yao Yao before, actually Yao Yao could use this opportunity to pay her back.

"Not good! Luo Yao Yao, you act without an emotion, continue! Use your strength." The Director give an command.

Yao Yao knows very well the way Feng Chen Yi does thing, if today she does not slap Zhang Li Li until she bleeding, perhaps that bossy Feng Chen Yi won't let her to stop slapping her?

"Feng Chen Yi!" helplessly, Yao Yao hurries get down from the stage, she rushing in front of Feng Chen Yi.

"You get lost, how dare you called my second brother name?" out from nowhere suddenly Feng Ke Xin grabbed Yao Yao's wrist, she used her strength to push down Yao Yao falls to ground.

Second brother? Feng Chen Yi is... Feng Ke Xin's second brother?

Sitting on the ground, her mouth is opened wide. How could she not realized that arrogant queen syndrome Feng Ke Xin and Bossy domineering Feng Chen Yi are sibling? It is so clearly both of this brother and sister are look so alike.

"Second brother, what are you planning?" Feng Ke Xin looking at Feng Chen Yi, she is difficulty to plan this kind of scene, who knows, the second brother who she begged for such long time destroy her plan?

"Ke Xin, it is you, what are you planning? If I not thinking you as my younger sister, I will ask Yao Yao to give you a slap at your face!" Feng Chen Yi coldly stands up from his seat, he pushes her younger sister away and hurries walking in front of Yao Yao, helps her to stand up.

Feng Ke Xin takes peek...

"Second brother, do you.... Do You know Luo Yao Yao?"

Feng Chen Yi silent saying nothing, as he glancing at his younger sister with cold eyesight, one of his hand helps Yao Yao to stand up and then both of them are faster vanish from the aula.....

Episode 177

"Damn! Damn! Damn!" Feng Ke Xin is angrily kicking the stuffs in the shooting place, and the last she is targeting the Director: "Why did you do according to my second brother?"

"Ke Xin, don't you know General Manager Feng character? If today I offended him, how you expect me to mingle in showbiz?" This Director is supervisor who welcomed by school to do supervision. This is

temporary supervisor for this session. But he is employed by Feng Entertainment company which is also Branch Company of Feng Group. How dare he come to offend Feng's?

"So you mean, you dare to offend me? That's right, my second brother is awesome, he has capability and power. I am only a student, so why would you give me a face?"

"Aiyo, Oh my Ke Xin, I don't have any mean. I beg both of you, you twos brother and sister let me go off. I am also not easy."

"That's right, Ke Xin." Few of fellow classmates also come: "You don't difficult Director. It was your brother fault, why didn't he side you as his younger sister but instead he sided to that cheap Yao Yao?"

"How hell I know? Today my biggest mistake, I must not satisfy your wish, I coaxed my second brother to come here! The result, things went wrong!" More Feng Ke Xin thought of it, more she gets angrier, her second brother who loves and dears her, today suddenly angered her because of Luo Yao Yao? Moreover he even scolded her in front of many people, now she really feels she doesn't have any face...

"Feng Chen Yi, you let go my hand! Please let go, let free my hand go! This is school!" in front of the Aula entrance, Yao Yao is swinging hard Feng Chen Yi's hand.

He frowned: "So what if in school? Do you afraid of people see I pull your hand?"

Feng Chen Yi does not know, this school also has Yu Ao Tian's shares, no one can say when will suddenly he comes here. As additional, Long Qi also at school, once things heard by Yu Ao Tian, the last result isn't something she never wants to see. "I don't mean this." The most troublesome is, Yao Yao just knows Feng Chen Yi's character too well, what she does not expect he to do, at last he still will do the things even go crazier, so that most of time their interaction is shouting and anger.

Stuck between these two domineering men she really feels bitter. "Just now... thank you, Chen Yi."

"En?" Feng Chen Yi eyes glistening and rolled: "Your attitude today is quite surprising me."

Nonsense, now she only wants Feng Chen Yi left faster, whatever is good, just say it, her eyes flashed looking her surrounded. "If there is nothing to say, then I will be back to have my practice again."

"Wait." Feng Chen Yi paused for moment, he takes out white handkerchief from his pocket, when he wants to extend his hands and rub Yao Yao's face.

She is backward few steps.

This movement is flared up him!

At sudden his big hand grabbed her wrist, he uses forced to drag her toward him... "Your face is swollen." The white handkerchief gently touching her small face, so gentle and soft; that pair of eyes filled with warmness.

See carefully his handsome face, it recalled her old memories, heart beating faster and memories are flowing in her mind.

Just expected she still cannot forget how she hates and loves this man, if she does not cut off all ties with this feeling to the root, she won't ever to give up or put down this feeling.

Her eyes flashing right and left time to time, looking around and thinking whether Long Qi is joining today rehearsal or not, it is also ascertain whether he is coming to school or not?

Oh my! How could she think this way? If Long Qi really not coming, does she can act this vague with Feng Chen Yi?

Bastard, this kind of thought really despicable, and also too apologetic to Yu Ao Tian, doesn't it?

"Ao Tian, what are you looking at?"

Hallway, Yu Ao Tian is in standing position looking outside from window from far away he looked two figures in the field. "Is that... Feng Chen Yi, right?"

Long Ye followed his finger to take look at the direction pointed by Yu Ao Tian: "En, he is Feng Chen Yi. Why is he coming here? And also, who is the girl that facing him? Impossible he is also coming to seduce little female student? Hahahaha.

"

That little girl is backing at them so that they cannot see the girl appearance.

"If you are envy, you also can come and find one, so that you do not need everyday come to disturb Mo Xue Tong."

"Ugh... I am loyal person." This time Long Ye hurries changing the topic: "Say, Ao Tian, this few days you are wearing this broken watch, are you going crazy, you have so many beautiful watch but why not use it?"

Yu Ao Tian curved his lips up, his pair of eyes swept the watch in his wrist, this watch is the first present from Yao Yao when she got her first paid check, given to him.

That time, because he was extremely anger to Yao Yao, he threw the watch, later accidentally when he parked his car, he picked the watch up.

Towards thing that he ever lost and then found it again, Yu Ao Tian always cherish it more than before, same does with this thing, he found the best craftsman to repair this watch and he wears the watch again. "Well, you are free to think me as crazy person."..

Episode 178

"Aiya, Do we need to call Feng Chen Yi or not?"

Yu Ao Tian for once again swept his glance to the field... "Just in right time, I also want to see little thing in Aula, let's go!"

"En."

"Thanks...thank you. Let me do it by myself." Yao Yao hurriedly extended her free hand, grabbed that white handkerchief and using it rubbing her face, her eyes from time to time staring at Feng Chen Yi who keeps holding at her waist, she just hopes he will quickly let her go.

"My little sister is being spoiled at home. I hope you don't mind her." Said Feng Chen Yi, finally he loosened up his hand which holding Yao Yao's wrist, pair of his hand is inserted in his pocket.

Hu.....

Yao Yao lets out heavy sighed, in order to show she does not mind, she shaking her head: "I am okay."

"Believes me, after passes this time, she won't dare to make thing difficult for you anymore."

It seems that Feng Chen Yi does not really understand his younger sister, and also he does not understand himself. Both of these brother and sister are having an arrogant and also domineering aura, she is not believed if the person changed to be Feng Chen Yi, Feng Chen Yi will let off thing easily? Similar, Feng Ke Xi also this type of person. She afraid after this, others beginning is starting?

"So that time when you were showing up in airport, it was because to find your younger sister?"

"En, I had received the phone called from your school, said my younger sister suddenly disappeared when joining the student council event, thus I went there."

No wonder she would meet Feng Chen Yi at there? Sometimes fate works really strange...

Her idol and most adore is Li Mei Yun, but Li Mei Yun was Yu Ao Tian girlfriend's.

Her deep in love Ex-boyfriend is Feng Chen Yi, but Feng Chen Yi is Yu Ao Tian's business partner.

Now who knows, Feng Chen Yi's younger sister is her classmate, she afraid in the future she will face kinds of confrontation.

Suddenly two people conversation turned be rigid, Yao Yao smiled awkwardly: "That, I go inside first."

"Yao...en, go."

Until seeing Yao Yao gets inside the aula, Feng Chen Yi handsome face is shown warm smile.

Actually, he still wants to say many things to Yao Yao, actually, when she was trying to avoid his enthusiasm, he really wanted to avenge to her.

But...

Time flies for such long, he slowly by slowly can accept the reality about he is only Yao Yao's ex-boyfriend, he also clearly can feel that, she must be scared, she scared with that man.

Think carefully, his extreme attitude won't hurt that man but only would hurt Yao Yao. He also knows that Yao Yao is very stubborn girl.

So that, Feng Chen Yi is not thinking too much and already slowly by slowly behave.

Who is the man that hides behind Yao Yao? Why he could not find out that man, but he has one goal, he could come up an idea to bring back Yao Yao to his side from that man! Damn!

"Chen Yi."

At sudden his head raises, Feng Chen Yi sees Yu Ao Tian who is slowly walking toward himself, hurries he changed his expression: "CEO Yu, what are you doing here?"

"The board director of the university is called me to attend the open study session. And how is about you? Why are you in here?"

"I come to see my younger sister. If there is nothing to say, CEO Yu, I take my leave first."

"En, be careful."

Seeing Feng Chen Yi is slowly by slowly leaving, Long Ye is helplessly shrugged his shoulder: "Oh that was his younger sister, not interesting. Say, did his younger sister also in this Aula?"

Just now they were from hallway seeing to field, they spotted Feng Chen Yi has an intimacy gesture with little girl who walking inside the Aula, no need to ask...

"It seems that Feng Chen Yi's little sister is Yao Yao's classmates? What such coincidences." After said both of them are walking inside the Aula...

Because of unpleasant incident, the atmosphere in Aula little bit odd. When Yao Yao comes back, Feng Ke Xin eyes filled with dissatisfaction.

"Forget it, let's called off the practice, director, I think must change players role." Said Feng Ke Xin. Bringing few of her fellow classmates going out to the Aula door.

But just at this time, Yu Ao Tian and Long Ye are coming.

..

"Board Director Yu."
