"Ha, well uncle." Yao Yao touched her face which being slapped, coldly she sneered: "You can try to continue looking for my mother, but if I see my mom have bad mood after seeing you, I guarantee, everything that you took from my family 13 years ago, I will take all back from you!"

"Hahahahaha, little wild child, who you think you are? 13 years ago, your mother could not take anything from me, you think after 13 years passed, do you have way to take everything back?"

That's right, that time she was still so small, so that she only could open her eyes widely seeing this rotten bastard uncle took everything from Luo's family; seeing how hard her mother to earn money every day even her aging old grandpa also working to make living. But... after 13 years she has confident that she really has capability to take back everything belongs to Luo's family. Or else why must she learn about law? "Well, let's we wait and see, uncle. Be careful, you will sleep and stray in street at your current age!" she curved up her lips very despicable and with big strides she left the villa.

If she isn't forced to corner, if her uncle didn't step to her bottom line, she really unwillingly to deal things with her uncle.

"Damn little girl!" uncle is seeing Yao Yao who is far leaving, he gritting his teeth.

"You done well." Suddenly there is gentle voice from the living room.

Uncle is turned his back, hurries he bowing and nodding his head: "Long...Mr. Long, Yu, Mr. Yu."

As seen, Yu Ao Tian and Long Ye are slowly walking out from the bathroom to living room. They are arrived one step before Yao Yao, stopping Yao Yao's uncle not to disclosure any information to her, no matter how she asked.

To be honest if not because Yu Ao Tian reaction fast, they might bump into Yao Yao who is suddenly rushing in living room, If they not take precaution moves to hide in bathroom, perhaps they would being found out by Yao Yao in here.

"Come here." Take a seat, Yu Ao Tian expressionless pointed at him.

Yao Yao's uncle is nervously walking in front of him: "Yu... Mr. Yu, are, are you still have other orders?"

His pair of eyes flashing, with his devious eyes looking at Long Ye who sits beside him.

As seen, Long Ye replied him by shrugging his shoulders, at one second, his eyesight turned to be cold, stands up and with one hand he grabbed uncle's arm, with strength he kicked his legs.

Yao Yao's uncle suddenly being pressed down, he knees fell in front of Yu Ao Tian, "Mr Yu, Mr. Long, what are you doing?"

"I forget to tell you, your mouth keeps on saying wild child, that person you called wild child, that little girl, now she is... Mr. Yu's woman!" said Long Ye.

Pair of Yu Ao Tian eyes dim, raises his hand, "pa" "pa" "pa" once he is starting to hit, he slapped him ten times.

Yao Yao's uncle is being slapped until bleeding, his teeth even lose one. Once Long Ye loosens up his hand, he already felt to floor.

"Yu, Mr. Yu..

.I am sorry, I don't know...my niece is...your girlfriend. That things still keep to ask or not?"

Long Ye looking at Yu Ao Tian expression, bend down his body, warmly said: "of course you still need to ask, if you can't get the answer, you know the consequences. Aiya, still, before Yao Yao leaving she even said that if you keep on looking for her mother, she will make you stray in the street, what to do?"

That's right, what to do. Now the one who is most in difficulties perhaps Yao Yao's uncle.

"Ao Tian, let's go."

"Wait." Yu Ao Tian who keeps silent this time suddenly speaks, he stands up, slowly he is walking toward the window, his body hides, glancing at outside the window, extended his hand.....

Episode 182

Long Ye takes peek, "Xiao Meng Li? Why she hasn't left?"

"That little thing has good observation ability, believes if she does not see what kind of guest his uncle "has", she won't leave."

"What should we do now?"

"Sst" Yu Ao Tian is smiling, he takes out his mobile phone from his pocket, clear his throat: "Where are you?"

"I still at my uncle's place."

"Little thing, didn't you tell me you only go there for half hour? Now you have spent more than half hour, why are you not coming home yet, do you want to get punishment from me?"

"But...I..."

"Don't but with me! Now immediately come back! If you haven't come back for half hour, be careful with the consequences!" after said, Yu Ao Tian hung up the phone called.

Long Ye who is hearing beside him, let out "ckckckc" sound and laughed deviously: "Ao Tian, you are... you are... really hahahahaha, you are really despicable person."

"

His deep dark eyes sweeping outside the window, as seen, Yao Yao is leaving from the villa. "She really clever, if not using little bit scheme, afraid we cannot hide anything from her."

This is indeed true. Long Ye always thinks if Yu Ao Tian little bit stupider than Yao Yao, perhaps they will fail in her hands and becoming her puppet. Taking an example from just now, after he gave Yao Yao's uncle punishment, he naively wanted to go out. If not because Yu Ao Tian has good observation and sensitiveness perhaps both of them already being exposed.

Perhaps this is called as fate, Yao Yao who has higher IQ compare from an average peopleso she meets a man who also has different intelligent with the average men. If both of these two really get into confrontation, Long Ye really not dares to think what kind of scary result will be!

But...

Does Yu Ao Tian pay attention with Yao Yao's uncle words who keeps calling Yao Yao, "Little wild child, little wild child" this means?

Thinking about this, Long Ye can't help not looking at Yu Ao Tian....

Episode 183

Walking in the street, YaoYao's head is filled with everything that happened in her uncle's villa.

Actually what kind of people that hiding inside her uncle's villa? Why when she showing up, they are hiding? If nothing to be hidden why they must avoid her? As seen, that two persons must be not willing to meet her, could they be people she knew?

"Humph, all blame Yu Ao Tian, urged! Urged! Urged! What he urging for! Perhaps if she stays little bit longer in front of the villa she might know who are that two people." Yao Yao is gritting her teeth together.

"Let's forget about yesterday, now I am in front of you, I want to love you, please..."

She is taking out her mobile phone, seeing the phone screen displayed: "Hello, Xiao Man, what's happened?"

"My beloved, after the open study session finished, it will be your birthday, we are agreed to throw you birthday party. You see whether you have time in middle night or not."

"Ah? That day when we have last session of open study, it is not my birthday, mine is the next day."

"You MF dummy, the open study session will be finished at 11 o'clock. Adding one hour, doesn't it become another new day?"

Oh yeah... that's right. "Okay."

"Good. We book to gather in 2 o'clock dawn at Barbie Bar. Oh yeah, you go to ask whether CEO Yu has time or not."

"Ah?" still she almost forgot about Yu Ao Tian. "Let's not talk whether he has time or not, I afraid whether he will call me out or not still is another problem." Seeing she went to her uncle's place, he is darned stubborn and dangerous.

"So that I asked you to come with him together, on this way he won't have excuse to stop you.

Moreover, this time whoever will participate on your birthday party are those we know, they won't sell you out, rest assured."

Still Xiao Man is clever. "Okay, I know." After she hung up the phone call, she is happily pushing open the villa door.

Yu Ao Tian sees her come back, frostily looked at her...

"I am sorry, I come back late." Yao Yao who has self-conscious, guilty smiles.

But she does not know, Yu Ao Tian won't blame her because this matter (coming home late), after all, he is... also "not clean".

"This time I forgive you, if there is next time, I will give you punishment!"

"I understand. That, Ao Tian..." put down her things, she is carefully sitting beside him.

This time when Yu Ao Tian sees her smiling face which implicated as not really a good thing, moreover calling him "Ao Tian" he knows this little thing must... "Don't say to me you have thing to beg from me?"

"Hehehehe.

"

"Bao Bei, do you think by smiling stupidly will help? Next time, before you want to beg me, at least you must..." pair of his hands enveloped her waist, pulling her into his embraces, she is facing him: "coaxing me happily first? You say?"

Seeing this man shown his devilish smiles, a shiver ran up Yao Yao spine, moving her body: "Actually, it is not big deal. I just want to... ask you, Wednesday night... do you have time?"

"Oh?" Yu Ao Tian ponder, his sexy lips is brushing against Yao Yao's ear: "Wednesday night, isn't day of your open study session?"

The warm breathe spreading in her ears, his intoxicating voice when whispering in her ear, it makes Yao Yao small face beet red, embarrassed: "I mean, after the end of the open study session, do have time or no."

"Let me think." His lips are sucking her earlobe.

Yao Yao moves her head, she is avoiding his lips: "Have you done thinking?"

"I am still thinking." His good looking face is grinning mischievous; his big hands are restless...

This rotten man, he is not thinking but he is just intending to tease me! "No!" restless she moving her body...

Episode 184

Suddenly Yu Ao Tian's mobile phone is ringing; it helps Yao Yao to free from Yu Ao Tian, while Yu Ao Tian is clearly not happy with that phone call.

"Hello?"

Taking the opportunity when Yu Ao Tian receives the phone call, Yao Yao frees herself from him.

"Bao Bei, something comes out at company, I need to go there."

"You go." Her eyes looking at Yu Ao Tian's back, suddenly Yao Yao remembered... "Oh yeah, just now..."

His footstep stopped, his face shows little bit regret expression with faint smiles, turned his head: "On Wednesday night I want to celebrate Xue Tong's birthday, so that... if Wednesday night you have appointment, you go by yourself."

Wednesday also is Mo Xue Tong's birthday. Really coincides. "En, I know." Yao Yao smiles while nodding her head, this is quite good too, Yu Ao Tian helps Mo Xue Tong to celebrate her birthday, she is free, very good, so good.

No matter how hard she acts as if she doesn't mind but her eyes can't lie, she stills dwindling with hope...

\*\*

The day of open study session.

China's first class university Aula can be said to be Asia's most luxurious decoration, this is not only a symbol of China as powerful country but also as symbol for the university prestige as the best university.

The aula which accommodated people are already packed, bustling from the senior students to the student parents has occupied it.

Countless of the reporters are also coming. Needless to say, their main attraction is not only the open study session but also the honourable guests.

"CEO Yu, comes! CEO Yu is coming! Faster!" someone said and all the reporters lens are heading towards the entrance.

As seen, Yu Ao Tian is wearing western-style suit with gray color, tag along, Han Li Shang is slowly walking in, that aura really similar with big star that is walking in red carpet.

"All reporters, all media fellows, all of you must know CEO Yu habit, please step backward." Yu Ao Tian's men are blocking all the reporters from getting closer.

Most of the reporters more or less know that Yu Ao Tian dislike his appearance being publicity, so that most of time they are only taking his back or side photos.

"Board Director Yu, please sit here." The Dean of the university stands up from the first row, welcoming Yu Ao Tian and let him to sit at the first row.

"Ao Tian, does Xiao Meng Li know you will come today?" takes his seat, Long Ye curiously asked.

"I didn't tell her that I will come here."

"So later when Xiao Meng Li sees you, she perhaps..."

"Woah! General Manager Feng! Unexpectedly General Manager Feng is also coming." Suddenly someone exclaimed surprisingly.

Yu Ao Tian rolled his eye to see...

As seen, Feng Chen Yi is walking in slowly, compare to Yu Ao Tian, the today's Feng Chen Yi seems little bit low-profile, he only takes Lisa with him.

"General Manager Feng, why do you have interested to join today open study session?" no reporters who will let this good opportunity to have little interaction with Feng Chen Yi, they are surrounding him.

He is smiling coldly, glancing at Lisa who is beside him, Lisa understood: "Everyone, our General Manager Feng's little sister is study in this university, so that General Manager Feng is purely coming here only to watch the performances, hoping all the media fellows won't ask any question related to the working matters."

In business world, Yu Ao Tian is counted as someone low profile but Feng Chen Yi are even more low profile thousand hundred times, basically he won't answer any question and rarely exposed his face in front of the camera or smiles.

"Say, we have been partnership with Feng Chen Yi for sometimes, right? But this kid seems not putting down his guard toward us." Long Ye who is sitting at the first row turned his head back, and then talking to Yu Ao Tian who is sitting beside him.

"Ha, Feng Chen Yi not really like "publicity" don't you guys feel that his character is little bit similar with Li Shang?"

Being said by Yu Ao Tian, they seem to feel Han Li Shang and Feng Chen Yi are somewhat similar. But compare to Han Li Shang he is smooth little bit. At least, Han Li Shang from time to time will only show his stern facial expression while Feng Chen Yi is still able occasionally gives a smile although everyone knows that is only "courtesy" smiles.

"To be honest, I always thought that Feng Chen Yi is more difficult to deal compare Feng Chen Rui. Ao Tian, if I were you, I prefer to choose Feng Chen Rui as my partner to deal with Feng Chen Yi." This is Long Ye personal thought, but he understands very well why Yu Ao Tian choosing Feng Chen Yi.

It is so easy to see, Yu Ao Tian admires and also certain toward Feng Chen Yi attitudes. To say, for the new generation in Business world, Feng Chen Yi is counted as bright star.

"Sst, Long Ye, Feng Chen Yi is coming." Han Li Shang hit Long Ye's arm, hinting him to shut up.

"CEO Yu, Vice CEO Han, General Manager Long." Feng Chen Yi is walking slowly in front of them, that cold good looking face is politely giving him courtesy smiles.

Yu Ao Tian stands up, shaking hand with him: "Chen Yi, are you coming to see your little sister?"

"En, CEO Yu, the performance is going to start, I won't disturb you." Said Feng Chen Yi and then he brings Lisa to sit at the second row...

"Every honor guests, every student parents, now the performance is officially to start, the first performance is (Snow white)."

At sudden the room lights are dim, a girl with music narrated the story development with narrative voice. This time, the person who acting takes the role as snow white, Gong Xiao Man suddenly walking to the in front of stage.....

Episode 185

"This little girl seems to be Xiao Meng Li's best friend, right? Said Long Ye, his smiling eyes is glancing at Han Li Shang who sits beside him.

His eyesight looks at in front, coldly said: "Long Ye, what do you mean to look at me by this time?"

"Oh. It is nothing. Just that time when we were leaving from Ao Tian's house, I had seen that little girl seem got to your car, right?"

"Ahem!"

"Li Shang, what are you nervous for? Did you do something that you mustn't do?"

After listened to Long Ye's sarcasm words, he furrowed his brows: "What could I do toward little girl? Do you think I was Ao Tian?"

Yu Ao Tian who is silently watching the performance, leaning at his chair suddenly got shoot ah, "Li Shang, if we count at least you are older by two years than me, this year you are 30, right? Hm, indeed you must have big gap with the 19 years old little girl."

"Ao Tian, do you mean that you not have any age gap with those girls?"

"Of course." Yu Ao Tian smiles shrugged his shoulders: "At least people will say me still in my twenties something, but if the person is you, people might say you are in your thirties something, am I wrong? Long Ye, later we go further from Li Shang, we are not same generation with him."

"Hihi, this cannot blame on me, Li Shang. It is you who provoke Ao Tian." besides Long Ye is watching good show he also keeps on fanning the flames.

"Are all of you done?" at this time, Mo Tong Xue who keeps quite suddenly speaks up because she can't endure anymore. Finally everyone is behaved, especially Long Ye.

"Snow white, do you have someone you like?" in the stage, those who taking role as seven dwarfs curiously asked.

Gong Xiao Man who is sitting on the floor and pondering for moment, she blinking her eyes and subconsciously her eyes looking at the first row, Han Li Shang: "I have someone I like, unfortunately, he dislikes me. He is even not willing to see me, he is not even glance at me."

"Huh..."

" it is so obviously, Gong Xiao Man isn't acting based on the script. It isn't totally from what the script supposed to be and her dialogue affects to the little dwarf's acting.

This time, Gong Xiao Man changes her dialogue: "Haha, but I willing to wait. Perhaps one year, two years, I believe later or sooner there will a day, his eyes will have me. But there is also possibility, that day never comes."

"So snow white, when the times arrive what will you do?"

Gong Xiao Man changes her bitter smiles expression with laughing euphoric, stands up: "When the time arrives, I will randomly married someone, but I still want to thank him because he let me to experience my heart racing, let me know what is...love!"

"The dialogue all isn't right, but it really gives difficulty to the little dwarfs who acting with her. Li Shang, that little girl is said for you, right?" It is not only Long Ye who can feel it, but others people also can feel same way, after all when Gong Xiao Man said her dialogue, her eyes keeps looking at Han Li Shang, her eyes looks so sincere.

"How can I know? That is her problem. Anyway I won't get interested with this moody little girl!" when Han Li Shang said his words he is so certain, perhaps, since the day when Gong Xiao Man kissed him, he thought Gong Xiao Man as frivolous and fickle little girl.

After this short dialogue, this (snow white) performance finally back to the original story track.

"Alright, after the snow white and seven dwarfs, performance will move to (sleeping beauty)".

Episode 186

"En? Why hasn't seen Xiao Men Li performance in (Ci Dao Tian Shi), I almost fall asleep." Long Ye is impatiently yawning.

The stage once again in total darkness and suddenly there is new narration playing and the spotlight...

"Long time, long time ago, a beautiful queen was giving birth very cute and also beautiful princess, she invited many people and also fairies to join the celebration. But she didn't invite the evil witch, Ka La Bo Si (Kara Persia). This evil wicked bad and filled with jealousy witch, without invitation was coming...

"pa" the light moves, Feng Ke Xin played as the evil witches showing up: "I cursed you, princess when you at 18 years old you will die because of your finger punctured by needle!"

"Whosh..." those who plays as the fairies on the stage gasped, then the lilac (Ding Xiang) fairy offered her blessing: "That will not happen, princess won't die if her finger punctured by needle, but she will only silently sleeping. Until someone who loves princess (the true love of princess) coming and kiss her, princess will wake up!"

"Now, as a queen I give an edict, all the sewing machines must be burned until princess at 19 years old!"

When the queen done with her edict, the stage dim again, and then the light is spotted to the narrator...

"Year by year passing by, the princess is getting beautiful, cute until that year when she almost 19 years old...

"What is that?" the light is spotting at little girl who wearing princess costume. Her moisten eyes blinking, slowly she is sitting in front of sewing machine.

The audience who watching the performance stunned for while, when they see the person who is played as the princess.

"That little girl who is playing as princess, she's so beautiful.

"

"That's right, that's right, so cute, she looked alike western doll. Who knows her name?"

"Don't you know she is? She is chosen as flower school, first year student from A class, Luo Yao Yao. She is not only beautiful, she also has top student predicate, as folks said she is one of the best student who scores highest during the university entrance examination so that she enrolled into our school." Because of Yao Yao appearance, it becomes magnet for everyone and caused little bit commotion. The audience's concentration shifting from the sleeping beauty performance to Yao Yao, herself. They are admiring appearance.

"Doesn't Xiao Meng Li act in (Ci Dao Tian Shi)? Why it changed to sleeping beauty? But this role indeed more suitable for her." Long Ye looks attentively.

But all those audience comments are flowing to Yu Ao Tian's ears, he really does not want to let that naive and innocent little thing shows up in front of public, but who knows that she even plays as the main role.

"Oh yeah, according to sleeping beauty story, later must be someone who kiss Yao Yao to wake her up, right?" Long Ye said.

At sudden Yu Ao Tian's face is turned dim and he keeps silent.

Long Ye is grinning happily, nudging Han Li Shang who is sitting beside him: "Hihihihhi... I really want to know... who is the misfortune person that taking a role to kiss Yao Yao, you make a guess later what will Yu Ao Tian do to that person..."

"Ah, beautiful princess!"

There is familiar voice from the stage, at sudden Long Ye's face is turned to be dark, silently he looked at the spotlight...

"Am I your true love?" as seen, Long Qi is wearing prince costume, he is acting in front of the audience.

"It seems that misfortune person is your younger brother.

" Han Li Shang expressionless scoffed.

"cough" Long Ye is almost being choked by his own saliva, how can so coincide the person who acting to kiss Yao Yao is his younger brother?

He frowned, take a glance to Yu Ao Tian who sits beside him, his face is still dim there is no changes yet.

"Prince, hurry go awake your princess by kissing her." Said the Lilac fairy who is leading Long Qi to glass box where Yao Yao slept.

He stunned when seeing Yao Yao who is lying inside the box.

Yao Yao takes a peek to see Long Qi one glance and then she spits out her tongue and then grin at him.

This script changed one day before their open study session, she really fortunates to get this princess's role, but Long Qi was really misfortune to get this princes role. They only practice one time, but the practice session was done before Long Qi practiced well and he also practise faking to kiss Yao Yao.

"Hey, flat chest, do you really hope that I kiss you for real? Or fake kiss?" Long Qi grinning when speaking in her ear, he is acting to help her up from that glasses box.

"Of course according to the pratice session, don't you see Yu Ao Tian is sitting there as the audience."

"Oh, that's right. If I really kiss you, you guess will Yu Ao Tian goes crazy and rush to here?" thinking this scenery, Long Qi really feels so excited because he never seen Yu Ao Tian goes crazy expression before.

"Long Qi, you behave!" Yao Yao creased her forehead, her small hands grabbing Long Qi's wrist.

"Kao! Flat chest, you dare to threaten me?" Long Qi biting hard his lips hard, because of the audiences he can only continuing his play as Prince, his handsome face is slowly getting closer to Yao Yao's face, closer and closer...

The audiences at sudden keep quiet, all the males are glaring at him if he really dares to kiss

Yao Yao, all the men perhaps will rush to the stage and give him punches.

At this time, Yao Yao half open her eyes, Long Qi won't play real, right? Don't ah! "Long Qi, you don't act crazy, take side! Taking the side is okay!"

"Today I won't to take side way, hurry shut your eyes, wait for me to kiss you!" after said, his lips have already gotten half closer to her lips.

Yao Yao heart is tightened; she even could feel Long Qi's nose spreading warmth breath...

And then just in this moment!

"Peng!Peng!"..

Episode 187

From the audience's side, from two different directions, two mobile phones are thrown to Long Qi's back head.

"MF, who threw it?" he loosens his hand which embraces Yao Yao's body, raging in fume looked at the audiences.

Yu Ao Tian pair of hands are enveloped his chest, his face is dim and glaring at Long Qi who is in stage. Long Ye who is sitting beside him helplessly sighed: "My mobile phone..."

From the other sides...

"General Manager Feng..." Lisa grimaced expression looking at Feng Chen Yi who is sitting beside her.

He coldly said: "Rest assured, I will pay you new mobile phone when we get back!"

"Hey, the person who playing the role as prince, your thought, your thought ended, you still dare to kiss Luo Yao Yao?"

"That's right!" from the audience's sites there are few males' unhappy voices.

Long Qi torn his costume, without any consideration he rushing to the audience: "My intention MF is whatever I want there is nothing to do with all of you!"

"Do you want to have fight?"

"Come over here!"

Her eyes is spotting at the mobile phone which got inside her glass box, did this mobile phone throw by Yu Ao Tian? And the others one..

.

Her suspicious eyes are looking to the audiences, finally her eyes spotted at Feng Chen Yi's seat. Did the others mobile phone belong to Feng Chen Yi?

"Vixen is vixen, actually the performance is going smoothly, because of her, the performance is turned out to be battle field caused of envy and jealousy." Sleeping beauty performance is ended, at the backstage everyone is gossiping and feel dissatisfaction toward Yao Yao.

"That's right, you guys see, the Dean must question about this matter. At last we must being troubled by this vixen. What innocent school flower, simply to say she only a seducers.

Listened to all those piercing and scolding, Yao Yao is feeling unhappily, but she also could not do anything, after all she does not have strength anymore to deal so that she won't speak anything, only to worsen the situation.

"Luo Yao Yao, don't keep it inside your heart, all of them are only jealous toward you." Said Zhang Li Li to her after she handed over the towel, faintly smiled, and then left.

Doesn't Zhang Li Li also Feng Ke Xin's people? Why she acts?

Perhaps this is called as you not difficult others so in the future they might help you, if last time she really viciously hit Zhang Li Li, perhaps from the surface seems she was venting out her anger, but on this way actually she only adding her enemies list.

Changing her costume dress, Yao Yao is leaving the backstage which filled with many bad words about her. She is walking slowly to the school garden; she could feel this is first time for her to feel university atmosphere at night actually so peaceful.

"It is eleven past few minutes, perhaps the open study session is ended just now." She has set the time to meet Xiao Man at 2, it seems she still needs to think how to kill the time..
