Start... all over again...

Speak such simple and easy, he thought to use two years time to brush away every unhappy memories of her?

"Impossible!" when his lips less than inch from her lips, immediately Yao Yao stopped this beautiful scenery. "I have feared that I really can't play anymore. Last time wound hasn't heal and sometimes still pained me, this time if I start again with you, perhaps I will never believe any man for my entire life. I really can't... play with you anymore!"

"This is not game, Yao Yao!" Feng Chen Yi stopped her small hands; his good looking face is showing serious expression: "I never take our feeling as game!"

"If you are not taking our feeling as game, why two years ago..."

Wait! What is she doing? What is she doing?

Now she is Yu Ao Tian lover, isn't she? Why suddenly she followed her ex-boyfriend to here? Moreover why she confessing the feeling that she shouldn't have, as the results mislead the circumstances?

Woman indeed easy to get influence once being moved!

She conceals her sadness, forcing herself to control her mood, slowly said: "Forget it, thing that has passed just let it pass, I don't want to talk about it. No matter what, there is no way for us to start all over again. You must know, I have already had boyfriend."

"Boyfriend? Don't you think how ridiculous you are? Today is your birthday, where is your boyfriend, where is he?"

He is... celebrating Miss Mo's birthday. But that is not the main point, anyway between her and Yu Ao Tian, both of them don't have any feeling for each others, she really doesn't mind with whomever Yu Ao Tian and doing whatever now!

"Yao Yao, tell me, who that man is!"

Cannot say!

Because Yu Ao Tian and Feng Chen Yi are different people, as what her mom ever said, Feng Chen Yi has clear and bright pair of eyes while Yu Ao Tian is a man who has huge responsible at his back with many stories inside him.

Yu Ao Tian background is too complicated, he is not only someone who has underworld emperor nickname in mafias, others he is successful businessman and the most important he is entering the government world as politician. If really Yu Ao Tian and Feng Chen Yi facing face to face, the best result is both of them are loser sides and getting hurt!

"Thump Thump Thump" the deafening sound inside the Bar, there are five or six students who are sitting in the dark bar corner, making a group waiting for the lead showing up.

About 2.25 Yao Yao finally showing up at the Bar.

"Hey, Yao Yao, we are agreed at 2 what are you doing, all of us have waited you for half hour, let's punished one glass." Gong Xiao Man is standing up, unhappily she hands over glass of wine to Yao Yao.

"I am sorry, I am sorry, I have little bit trouble when on my way coming here, so that... I punish myself, punish." She takes the glass of wine, gulping it. When she puts down her glass, she just realized the person who sits nearest to her is.

.. "Qi Lian sunbae? You are also..."

"It is me who asked Qi Lian sunbae to come over. "Gong Xiao Man is hihihhi laughing.

Qi Lian Ao Yun is slowly stands up: "Yao Yao, Happy birthday." He raises his glass and drinks it.

"Thank You, Qi Lian sunbae." She is forcing herself to smile and for once again she uses her effort to gulp the wine.

Gong Xiao Man feels something odd with her, hurried she pulling her aside: "My beloved, what happened to you? Are you in bad mood?"

"I... I just encountered Feng Chen Yi."

"Encountering him?" Gong Xiao Man crease her eyebrow, she looking Yao Yao from head to toe, measuring her and finally her eyes spotted a necklace which is hanging on her neck: "Little Daisy necklace? Doesn't this is one set with the last time when he gave you bracelet and also earring, wo kao, no wonder you are coming late, it seems that brat was the first person who celebrating your 19th birthday, he stills has heart."

If she really has Gong Xiao Man broad heart and also open minded, thing perhaps much better. "May be he is."

"Hey, it seems he has intended to reconcile with you? You just agreed to him."

"Agreed? How is about Yu Ao Tian?"

"Love is selfish, don't you understand? CEO Yu is not suitable for you, he is also does not have any ability to give you future, or else why he is asking you to be his lover. The most important is, does he love you? But Feng Chen Yi is different perhaps in the past he had done such rotten things, but who is never being impulsive and make mistakes when young, this is so called as prodigal son. You must chose someone you love moreover he loves you."

That's right, perhaps love must be like this, since the day she had promised Yu Ao Tian to be his lover she had understood very well there is no future neither for her nor Yu Ao Tian. But... she cannot betray him. She really cannot betray Yu Ao Tian! "My choice is still Yu Ao Tian."

"Yao Yao!"

"Xiao Man, you don't speak anymore. Although Yu Ao Tian does not love me, I do not love him too, my choice still.

.. at least within these three years Yu Ao Tian still will be my choice! Apart from he is the person who terminating the contract."

"Yao Yao, you are really too stubborn!" from Gong Xiao Man point of view, Yao Yao is an upright girl, but in her heart, only asking her to choose Yu Ao Tian and then her heart must be in peace.

"Hey, Xiao Man, what are you talking with Yao Yao? Today is Yao Yao birthday, don't make the atmosphere feels so frustrating ah."

"That's right." The fellow classmates are impatiently urging them.

Helpless, both good sisters conversation stopped: "We are coming."

Sitting among the group of people, everyone is playing games, drinking and eating, the atmosphere is live up. But it is so obvious Yao Yao mind is wondering, at the time she drinks an alcohol, she is drinking more than anyone.

"You less drink." Qi Lian Ao Yun really can't watch her, simply grab the glass from her hands.

"I... I do fine.. Qi Lian sunbae, hihihih." Her white smooth face turned little bit red, that pair of moisten eyes are so intoxicating.

"Qi Lian sunbae, you are too played a favour, you just know how to protect Yao Yao, why aren't you... asking us, stopping ask drinking too much?" that words really turned the atmosphere to be awkward.

Qi Lian Ao Yun furrows his brows, pulling Yao Yao up: "let's we go dancing." He is heading to the dance floor.

The flowing mind feeling, the piercing music, normally Yao Yao does not like this kind of extravagant life but today Yao Yao is so in addicting, perhaps by this way she might forget on few things, things which already become her past.

"Miss, my big brother wanted to invite you to have drink." This time, a man with hedgehog hair cut is coming closer to Yao Yao by holding a glass of wine in his hand.

She stops dancing, swept him a glance: "hihih, thank you.

" When she wants to drink the wine, Qi Lian Ao Yun has already taken that glass of wine from her.

"Thanks to your big brother good intention, but my girlfriend is little bit drunk, let me help her to drink this wine." Said Qi Lian Ao Yun takes at one shot.

Going to Bar, encountering this kind of person, if the person does have background, directly reject other party "good intention" the last result absolutely is one battlefield.

"Oh." That hedgehog hair cut man shrugged his shoulders: "Ha, your girl friend is so cute, I hope both of you play happily."

"Thank you so much." Qi Lian Ao Yun understands very well the danger which lurking them.

YaoYao who is still in her high mode does not realize anything, she pulling Qi Lian Ao Yun's arm: "Qi...Qi Lian sunbae, I...I am not drunk yet. I, I still can drink."

"Stupid! That drink had added something!"

Seeing Qi Lian Ao Yun dark expression, she is blinking her eyes: "Things? What kind of thing? Is it taste good?"

"Come with me!" Qi Lian Ao Yun is dragging her to men's toilet: "You stand in here, you are not allowed to make moves, don't eat anything whoever gives you, don't drink anything whoever gives you. Understood? Simply to say you wait me in here until I come out."

"I got your order, Qi Lian sunbae." She is stupidly hihihihhi laughing, she stands straight waiting in front of men's toilet.

At this time, Qi Lian Ao Yun finally loosens up his hand. Faster he gets inside the toilet and nonstop vomiting, he hopes to throw up the things that he drank before.

Since he was young he has understood very well about "dark" lifestyle, toward drugs he is really sensitive, just now before he drank that wine he has smelled something being added inside the wine as "additional" ingredient.

"Qi... Qi Lian sunbae. Are you alright?".

Episode 192

Suddenly the toilet's door is opened; Qi Lian Ao Yun suddenly lifts up his head, seeing from the mirror, Yao Yao who is nervously walking to and fro in front of the men's toilet.

Damn!

"Woah, Qi Lian sunbae, you vomit at me. You are drinking too much, am I right? Hihihhi."

"YOU!" just now he wants to flame at her, but seeing how cute and dummy Yao Yao how could he flames at her? At last he is just feeling helplessly. "Forget it, let's we get out." He wiped his mouth, keeping guard Yao Yao to back at the dance floor.

The music is going out-loud Yao Yao is following the music and dance crazier, moving her body.

Qi Lian Ao Yu besides her, he is watching and taking care of her but slowly he loosens his guard and followed her to dance.

"Woah! That handsome man is great dancer."

Women are gathering and surrounding Qi Lian Ao Yun side: "Handsome man, are you alone? Do you want to have drink in our table?"

"Hehehe, Qi Lian sunbae, these women are accosting you." Yao Yao is tugging Qi Lian Ao Yun's arm, as if she is watching good show, smiles happily.

Qi Lian Ao Yun furrowed his brows: "Get lost!" he shouted, not only scared the females who accosted him but also surprised Yao Yao.

"Geez. Doesn't drink just not drink, what you are fierce for?" few of women are lost their interest and leaving.

Qi Lian Ao Yun is turned his attention to Yao Yao, his pair of hand is in Yao Yao's waist, charmingly smiles: "Come, let's we continuing." He takes the lead and leading her to dance.

"Qi... Qi Lian sunbae?" seeing how unsteady Qi Lian sunbae, she feels her alcohol tolerant is getting much better.

"Yao Yao." His big hand is gently stroking her white small face. Qi Lian Ao Yun good looking face is slowly getting closer toward her: "I really want to kiss you, Yao Yao...Yao Yao..."

His breathing is unsteady, gently spreads to her face.

Yao Yao is restless moving her head right and left: "Qi Lian sunbae, you... are you okay?"

"Yao Yao..

. Yao Yao..."

"Qi Lian sunbae, you calm down!"

Did it because the additional thing? What was adding into that wine just now?

Yao Yao is shocked to see Qi Lian Ao Yun alcohol tolerance, she is stunned and sober immediately, she panic seeing Qi Lian Ao Yun facial expression.

His white snow skin is suffused with reddish, a pair of his melancholy and charming eyes as his burned in fire. Impossible the wine is added with aphrodisiac, right?

"Yao Yao, you are so beautiful."

"Don't ah, Qi Lian sunbae!" her pair of hand is pushing away Qi Lian Ao Yun's chest with all her strength.

Just at this time...

"Police inspection, all of you take out your ID card." The music has stopped; the dim bar has turned on all the light and becoming so bright.

Qi Lian Ao Yun is glancing at the police officers over his shoulders, pair of his hand is gripping Yao Yao's waist tightly and won't let her go.

Thing goes bad, no one know what kind of thing was adding inside the wine which he drank before, if it was really aphoristic still better, but if it was drugs this would be troublesome.

"Qi Lian sunbae, hurry! Leave with me!" after she said, she still in his embrace and using all her strength to take Qi Lian Ao Yun out, pulling his hand wanting to leave.

"Stay still! Where are you both going?" two police officers are blocking in front of them. "Takes out the ID card."

"Police officer uncle, my friend is sick he wants to go to toilet."

"Feeling unwell?" that police officer is swept his glance at Qi Lian Ao Yun eyesight: "Hahaha, I sure he had consumed drug, right? Take away!"

"Yes!"

Drug? Get into trouble, this time really gets into trouble, if police officer really finds something alike drug in Qi Lian Ao Yun's body, this will affect Qi Lian sunbae entire life!

\*\*

Police Station, investigation room.

Inside the room with white paint, Yao Yao is sitting on a bench. While Qi Lian Ao Yun is lying beside her and resting his head on her.

To unknown how long time has been passing, Qi Lian Ao Yun who sleeps soundly finally opened his eyes: "Where are we?" he changes his position into sitting and then he looks at the surrounding.

"Qi Lian sunbae, you awake? This is... here is police station."

"En?" Qi Lian Ao Yun is frowning, his melancholy eyes is looking at Yao Yao who is lowering her head:  
"What happened to you?"

"I am sorry, Qi Lian sunbae. Just now the police officer had checked there was drug in your body through your urine, all because of me who dragging you to this trouble!" if Qi Lian sunbae didn't help her to drink that glass of wine, Qi Lian sunbae would not being taken to police station. She feels so guilty so that she lowers her head, tears flowing down from her eyes.

"If I didn't drink that wine, the result must be more severe. Alright, little dummy, this matter is easy to deal."

"If the police station really wants to sue you, then you will have criminal record by the time it will affect your entire life. I am sorry Qi Lian sunbae, I am sorry. I am sorry. I am sorry!" Yao Yao keeps bowing and apologizing.

She really makes Qi Lian Ao Yun helpless toward her, he is stroking his black hair, and then one of his hands pulling Yao Yao to get closer to his side: "I tell you nothing will happen, really nothing will happen!" stands up, he is slowly walking toward the room glass door, knocking the glass door.

Qi Lian Ao Yun is having short conversation and then he sitting back to his seat.

"Qi Lian sunbae, what did you tell the police officer?"

"Of course I asked them to call the person who can guarantee we get out from here."

Uh, that's right, now both of them are in custody circumstances; they need the guarantor to take them out.

"Oh yeah, little dummy, I was the person who got drug, why are you getting in here with me too?"

"Uh, Qi Lian sunbae, did you really not have any memory about what happened inside the bar?"

Qi Lian Ao Yun twitches his mouth, helplessly he shrugging his shoulder.

It seems that Qi Lian sunbae really forgot what happened before? This is good too... "Haha, when I heard the police were going to have inspection, I really wanted to take you run away, but the result police officer were also suspicious I did consume drug too so that they took me together with you in here.

"

"You little dummy are also have quick-witted too. You still remembered to slip away." Said Qi Lian Ao Yun is dearly stroking her hair.

"Qi Lian Ao Yun, Luo Yao Yao, the person who guarantee both of you is coming, both of you can leave." The police officer is opened the door which is close shut before.

Yao Yao and Qi Lian Ao Yun are get out together, is his family member who guarantee me out too? Or Gong Xiao Man was noticed Yu Ao Tian, so that he also coming here to guarantee her?

Feeling so curious, Yao Yao who is walking out from the investigation room, not far from there she is spotted Han Li Shang.

"Really troublesome you, Officer Li." Han Li Shan is shaking hand with that police officer.

"Vice CEO Han, take care."

"En." He is nodding his head; coldly his eyes sweeping at Yao Yao and Qi Lian Ao Yun, faster he is walking out from police station.

It seems that Yu Ao Tian is the person who guarantees them gets out? Weird, how could he know that Qi Lian sunbae is her friend? Did Gong Xiao Man tell him? So where is Qi Lian Ao Yun sunbae's family?

When walking out from the police station, not far from there are luxurious cars parked, at one glance Yao Yao has recognized one of the car is Yu Ao Tian's car.

When Han Li Shang is walking away from Yu Ao Tian's car, his footstep is stopping. His expressionless face looking at Qi Lian Ao Yun: "Get in."

Huh... doesn't Vice CEO Han make mistake? Doesn't this word for her?

"Send my classmate goes home." The usual warm of Qi Lian Ao Yun suddenly is talking in cold tone with Han Li Shang.

"Rest assured, I know what to do."

Episode 193

"So you have hid her in here."

A familiar voices flowing from the living room, Yao Yao is nervous, walking to take a peek, the person is Qi Lian sunbae.

He...why is he coming?

"Why are you here? Ao Yun."

"Suddenly I remember, long time ago you ever told me, no matter what I want from you, you will always give it to me, am I right, older brother?" Said Qi Lian Ao Yun he is smiling while his body is leaning at the door.

For moment Yu Ao Tian is silent, expressionless he said: "What you want?"

"It is nothing. I just want your lover Luo Yao Yao, older brother, can you give her to me?"

What did Qi Lian sunbae say? What did he mean with his words?

Yao Yao who is eavesdropping from the inner living room suddenly feels her head numb and going to be exploded; things are already complicated, why Qi Lian sunbae also coming to make things more complicated?

"Do as you wish." He said that simple, Yu Ao Tian leaving the villa.

No, how could Yu Ao Tian acts this way? How can he decide herself to whomever? Although he is angry, at least he must respect herself!

"Have you heard?" Qi Lian Ao Yun who was standing in front of the door before now is standing in front of her, he smiles sinister.

Yao Yao is lowering her head, silent, as if her soul has been taken, she is not even moving.

"Now you are my woman! I really want to know how usually you served my older brother, perform it now. I want to see it!" Said Qi Lian Ao Yun who is dragging her into the master room...

The luxurious sport car is speeding up in the street, finally it stopped in high class pub's entrance.

Yu Ao Tian is faster opened his car door and walking inside.

Normally this pub is extremely noise but today suddenly it is so quiet, there are only Long Ye and few men in one table.

Seeing Yu Ao Tian suddenly comes out, Long Qi is curiously creased his brows: "Ao Tian, why are you coming here?"

"Can't I come here?"

Hearing the way he answered, Long Ye and Mo Xue Tong are glancing at him, and also look at Han Li Shang, they could feel...

this time Yu Ao Tian is little bit odd!

"How can today the Pub is so quiet?" from the bar entrance, a woman with 170s cm height is walking inside.

Her skin is white as snow, she has long hair until her waist, she has clear pair of eyes which is intoxicating beautiful, and man might get trap at one glance. Her high nose and her small mouth, this woman really types of woman who can prison anyone at one glance, she is really beautiful.

"Big Miss, today the Pub is booked by Berson Group CEO, it seems he is celebrating his girlfriend birthday, so that..."

"Oh?" the woman furrows her eyebrows, her eyes looking at the dim and quiet bar, finally her eyes spotted at one corner of private room which not far from her place. "Enough, I know it. I want to go there to greet my friend."

Walking with 8 cm heels, the woman legs are looked so slender and long, her hand is carrying her bag, slowly walking to Yu Ao Tian in front. "General Manager Long."

Hearing someone is calling his name, Long Ye is dumbfounded for moment, he lifts his head up to see: "Yun Yin? Don't get hospitalize?"

"Ah oh..." Shang Yun Yin is helplessly shrugging her shoulders, she smiles: "I almost stay one year in hospital, if I am not get better, I must be crippled."

"Come, let me introduce."

"No need to introduce. Though, I don't really pay attention to the news. But I know beside you must be the Vice CEO Han, Mr. Han Li Shang, am I right?"

Han Li Shang is politely nodding his head toward her.

"This..."

"Shang Yun Yin eyes glancing at Yu Ao Tian... "Berson Group CEO! I have heard his big name before, CEO Yu!"

"Ha." Yu Ao Tian smiles gentlemanly.

When Shang Yun Yin eyes spotted Mo Xue Tong, her eyes not as shine as before: "This beautiful lady perhaps is CEO Yu's girlfriend right?"

"Hm, She is Xue Tong, CEO Yu's secretary." Long Ye hurried gives an explanation.

Shang Yun Yin is frowning: "I heard from the door men of outside, they said CEO Yu is booked this place in order to celebrate his girlfriend birthday, isn't she coming?"

"Uh..." Long Ye is looking at Yu Ao Tian who is sitting not far from him, very obvious his expression is turned to be dimmer and gloomier, hurried he change the topic: "Yun Yin, you are heard wrong, today we are coming only to play. No one is celebrating birthday. Come... let me introduce you with everyone. This is my friend, her name is Shang Yun Yin, we knew each other a year and half ago, this little girl is smart and cunning, all of you must be careful when encounter her later."

"Hey! Hey! General Manager Long, is there anyone who giving introduction like you? What is being careful little bit? Are you afraid I eat them up?" Shang Yun Yin rolled her eyes.

Long Ye who is usually so sleek and smooth (cunning) is not par for Shang Yun Yin, but her appearance is lit up the atmosphere to be lively...

Episode 194

"En?" Yu Ao Tian is looking at her with his deep cold eyes.

"How about we have drink battle, if CEO Yu lose, just running for three laps, how's?"

This is first time for Yu Ao Tian meeting a little girl who dares to provoke him: "What if you lose?"

"I lose?" Shang Yun Yin rolled her eyes, she smiles faintly and hooks her finger, she gets closer to Yu Ao Tian's ear, whispered: "Tonight we have one night sex..."

"You don't regret."

"I am Shang Yun Yin doing thing never regret before, because..." her lips curved upwards, smiles and with domineering way of speaking: "I still don't know how to write lose, this word!"

The cold and dim room, Yao Yao isn't moving and still lying at the bed, her eyes looking at Qi Lian Ao Yun who is undressing himself.

That gentle image, the warm heart image of him at this moment just disappeared. His eyes scarier compare to Yu Ao Tian's eyes!

"Doesn't fight back?" unbuttoned two buttons Qi Lian Ao Yun is smiling deviously asking her.

"You won't. Qi Lian sunbae you won't do anything to me!" both of them ever being stayed alone together before, after that night, Yao Yao is absolutely having faith with Qi Lian Ao Yun personality.

But...

That time, Qi Lian Ao Yun didn't know she is Yu Ao Tian's woman. But this time... thing is different.

"Are you sure? Do you really have faith with me? But tonight it seems I will make you disappointed!" after said, he lowers his head.

He forcibly kisses Yao Yao's lips.

She can feel his sudden frenzy kissing, Yao Yao does not have thought of Qi Lian Ao Yun will do such thing, her lips are little numb because kissed by him.

"How many times you did with my older brother in this bed?"

"How did he do you?"

"What types of position you like to do?"

His pair of eyes is looking disgusting at Yao Yao, every word that he said to Yao Yao as if a sword that thrust to her heart. "Enough, Qi Lian sunbae! Though both of us not knowing each other, but doesn't Yu Ao Tian still your older brother? How can you say him in this way?"

Disgusting, this is really disgusting; she really can't endure these brothers' vague relationships. If from the beginning she knew Qi Lian Ao Yun is Yu Ao Tian's younger brother she would avoid and go far away from him.

"mm, that is right, he is my older brother, the closest one in this world, but... you have heard, he had already given you to me!" after said, Qi Lian Ao Yun expression is dark, rude and rough he tears her clothes.

"No! Don't!"

The entrance of Pub...

More than two hours finally everyone is dismissed.

Yu Ao Tian footstep is steadily walking to his car, when he is starting the engine. Shang Yun Yin beautiful body is jump in to his sport car.

"Miss Shang, anything else?"

"I dare to play dare to admit my lost. Let's we move." Just now when having drinking battle, Shang Yun Yin wasn't Yu Ao Tian par. Just afraid ten of hers won't be able to win over Yu Ao Tian.

"I don't even care of that gambling deal.

Miss Shang, I see you are drunk, let me find someone to send you off." Said Yu Ao Tian, takes out his mobile phone.

An instantly Shang Yun Yin takes Yu Ao Tian's mobile phone from his hand: "CEO Yu, you don't tell me that you never have one night sex before. This way, I really will laugh at you."

"Ha." Yu Ao Tian is helplessly shaking his head, his good looking face is dim, his big hand is slowly grabbing her chin: "Even one night sex, it doesn't mean all women can do it!"

"Oh, that's right. I always heard that CEO Yu likes the "clean" women; it seems the rumour is indeed right. But..." Shang Yun Yin pair of hand is circling at Yu Ao Tian's neck, she smiles flirtatiously: "Very coincidence, this is my first time losing and also my first time..." Her lips are already pout simply kissed Yu Ao Tian's lips.....

Episode 195

"No! Don't!" The villa which is quiet before suddenly filled with Yao Yao screaming sound.

Qi Lian Ao Yun as if not listening and keep on tearing her clothes: "What? You can do it with Yu Ao Tian but why not with me?"

"Qi Lian sunbae, you calm down for moment, this isn't the matter with whomever! I am Yu Ao Tian's lover, so that..." her mouth suddenly gulping back her words because no matter what she will say, whether because of 'money' for saving her family or simply because of money matter, she has become Yu Ao Tian's lover already, telling too much to Qi Lian Ao Yun won't stop him neither.

"Because what?"

"Because..." she calms down herself and shouted: "I like Yu Ao Tian, I only love him, only can do it with him! Understood? Qi Lian sunbae, please don't make me to hate you!" she hopes her excuses could stop Qi Lian Ao Yun.

"Ha, you love him?" Qi Lian Ao Yun disbelieves laughing; his fist is punching at the pillow beside her: "What is good about that man? Do you know his background?"

"Of course I know about his mafia background. But I don't mind it. I don't even mind it at all, even for little bit. And about what good of him, Qi Lian sunbae... don't can you feel it?" Yao Yao on contrary grabbing Qi Lian Ao Yun's collar shirt, her eyes not even blinking and she is so certain with her words.

"Qi Lian sunbae, do you ever see how Yu Ao Tian treating anyone else? I have seen before! And then, the incident in the teacher's room before, I have seen his attitude toward you, I was so curious, why Yu Ao Tian could stand with your attitude toward him?"

"Just now, when Vice CEO Han guaranteed us out from the police station, Yu Ao Tian was dragging you down from the car, his words that he said to you, it was so obvious the way of loving older brother who talking with his younger brother, I never! I never had seen that kind of Yu Ao Tian before."

These words, it is really honest words from her heart, her interaction with him these days, she has met that heartless cold-hearted Yu Ao Tian, the vicious and also no merciful of him, but now she also can see he as someone who has feeling and emotion too.

"Yao Yao, he had given you to me, after all you still put good words for him?"

Not like this, she really does not know with what kind of ways to deal with Qi Lian Ao Yun who is still in unstable emotions.

To her utmost, now she really hates Yu Ao Tian, she detests him because he made her as if she is stuff not as human-being which he could freely gave to anyone. She really hates him to the point she wanted to bite him to death.

But seeing Qi Lian Ao Yun who is pissed off, she better solve the in front problem faster.

"Whatever I said is true. I thought his world only between live and death, but after I witness he together with you, I can see and sense Yu Ao Tian's love. You know how many people jealous; you have someone who cares you so much, patience with you, your older brother!"

"Jealous with me? Ha, you really stand in his sides doesn't it make your waist tired?"

Seeing the hatred in Qi Lian Ao Yun's eyes, Yao Yao heart is shivering.

Both of them brothers are having deep hatred, very complicated, perhaps Qi Lian Ao Yun is viewing Yu Ao Tian as his enemy!

Actually what kind of love-hate can turn out these two brothers? It seems as if Qi Lian Ao Yun not knowing to be grateful of Yu Ao Tian's love?

Just gamble one more time...

Since both of them are brothers, but why Qi Lian sunbae surname is Qi Lian? And Yu Ao Tian surname is Yu? She recalling her memory, when Yu Ao Tian faking to be teacher, he also use Qi as his surname?

Actually what stories hide behind both of these brothers?

"Yao Yao, why must you are Yu Ao Tian's lover? Why? I really don't want to hurt you! But..." he is standing up, suddenly he gets crazy, frenzy smashing all the things inside the room.

"Qi Lian sunbae!" Yao Yao faster tidying her clothes, she wants to calm down Qi Lian Ao Yun who is going crazy.

"Don't touch me! You are cheap slut!" after said, he raises his hand and landed a slap to Yao Yao's face.

She stands unsteady and then sat down to the floor, silent and dumbfounded touching her face which is being slapped by Qi Lian Ao Yun.

"It is you who force me!" He said before leaving, when he was walking without he realized he stepped on a suit. "This suit?" suddenly he turned to look at Yao Yao, he glared: "You were two years ago..."

"You were two years ago?" when heard Qi Lian Ao Yun's word, Yao Yao slowly looks at suit which is holding by Qi Lian Ao Yun, doesn't this suit is belong to that kind man who gave it to her two years ago?

"Perhaps you may meet that person!" not long time ago Yu Ao Tian took this suit and said, that time she not paid attention, now after she thinks it carefully....

"Qi Lian sunbae, the person who gave me this suit two years ago.

.. was the person is you?"

"Hahahahaahha. You were going out from the host bar with that kind of appearance, seeing you two years ago had already known what things Yu Ao Tian done, no wonder you still can accept everything about him. Just as expectedly you are really loves him!" Qi Lian Ao Yun swept his glance at that suit held by him, his pair of eyes dim, at moment he tears the suit...

"later in the future ,what we have is playing!" He waved his hand, and quickly disappeared from the messy bedroom.

In front of Yao Yao is being torn suit, she has waited for two years for meeting that kind person and she even had thought how to repay that person.

Finally she met him but why she must encounter him in this way, too ironic.

It is so clearly in her eyes, Qi Lian sunbae is alike sun, but this time... he is so similar with an iceberg, it makes one heart shuddering.

"What we have is playing!" this words what did it mean?

Eyes is wetting by tears, seeing at the floor which the suit has been torn into pieces. Qi Lian Ao Yun not only tearing this suit but he also broke Yao Yao respect toward him.....

Episode 196

Three days later.

"Yao Yao, why are you come back staying at dormitory? Impossible it is because of CEO Yu, right?" At morning, Gong Xiao Man was curiously asking.

"Thing is getting complicated, we will talk it when we back."

"Ugh... thing with CEO Yu how can it not complicated, he is naturally born with complicated, just as expected, I said accurately about him, he with you who is simple really not suit each others." Since that time when Gong Xiao Man saw Yu Ao Tian for the first time, she has known that both of them aren't suit. Of course, the other person who is not agreed with them was Yao Yao's mother too.

"Every fellow student, I am president council Qi Lian Ao Yun, before the morning study ended, I would like to make an announcement to all of you." From the school broadcast, it is Qi Lian Ao Yun's voice, everyone is looking each others with curious expression, what's matter will being announced by Qi Lian president council?

"Since today onwards, Class A first semester Luo Yao Yao student is my girlfriend, I hope all of you....taking good care of her!"

"What!" inside the A class, all the female students are glaring with unbelievable eyesight.

Gong Xiao Man who is sitting beside Yao Yao also surprised: "What is happened? Yao Yao, you and Qi Lian sunbae?"

Since that day happened, she had moved from Yu Ao Tian's villa secretly, and also she never meets him. And about Qi Lian Ao Yun, she also never meet him too, still thought this matter would back to normal, she didn't go to find Yu Ao Tian to "settle the debt". "That's right, really shameless. I even thought that President Qi Lian will be together with Vice President Gu, geez, this generation the vixen indeed awesome."

Inside the teaching room, the female students are gossiping, while Yao Yao only can bite hard her lips.

"She is my girlfriend. Not believe..."

you can ask her by yourself." After said, Qi Lian Ao Yun is pointing at the Yao Yao who is grasping her breath standing in front of the door.

"What?" Long Ye is dumbstruck, he is trying to recall: "This thing I don't know too, but it does seems that you don't know both of them two brothers matters, moreover Ao Yun who has such shady character, Yu

Ao Tian did must have his own reason. You don't get involved! I will go to find Yu Ao Tian and asked him later, I hung the phone."

"Hey, brother! Brother! MF!"

"How, Long Qi?"

"My older brother asking me not to get involved!" but the problem, how asking him not to get involved? Both of Yao Yao and Qi Lian Ao Yun must be hurt!.
