"Haha, because I believe the friendship between General Manager Long and Yu Ao Tian." At the beginning she is so curious why Long Ye told her these things, but after she listened to Long Ye last words, she has already made guess this necklace must be birthday present for her from Yu Ao Tian.

If... Qi Lian sunbae can have same feeling alike General Manager Long about Yu Ao Tian, thing must be best. "General Manager Long, didn't you tell me this necklace had thrown by Yu Ao Tian, did you?"

"I have used all my effort to bring it back from a pair of couple who took it before, after all... this is the first time for Yu Ao Tian bought present for girl. This has memory value things, what a pity if being lost?" after said, Long Ye expression suddenly changed to be so serious: "Xiao Meng Li, perhaps there is thing that I mustn't get involved in yours matters, but... Cherish?

Now the sceneries when she was barging inside the Villa flowing in her mind, her ears feel burning hot when listened to Yu Ao Tian and his girlfriend conversation before.

Who can tell her, what must she do in order to cherish'?

Her eyesight is glancing at that necklace inside the box, her heart is tightening, these three years she must play her role as a good lover...

She is also wanted to settle down this matter, these few days she is trying to contact Yu Ao Tian, but he seems to avoid her, she went to the company, he left; she went to his house, he wasn't there.

"Now I could not contact Yu Ao Tian, so that I am trying to change Qi Lian sunbae attention.

"

"En, this is good too. I accompany you go there." Both of them are holding hands walking to school entrance, simply to say heading to the seniors' area.

But at this time...

Her brown wavy hair is swinging follows her walking pace, she is walking alike model but with domineering aura...

Episode 202

But when Yao Yao sees that figure, her eyes are opened wide: "How can be her?"

"Ugh, Yao Yao, do you know her?"

She knew, of course she knew, this woman has an appearance which is not easy to be forgotten, moreover the place where they met before, perhaps she won't ever forget it for her entire of life.

"She is Yu Ao Tian's new girlfriend. Xiao Man, Let's move faster."

"Oh my, Yu Ao Tian has new girlfriend again? What he is thinking of?"

"Xiao Man, perhaps you are mistaken my relationship with Yu Ao Tian, there is no matter whether he has new girlfriend or not. The most important thing there is something that I hadn't told you before."

"What?"

"Yu Ao Tian saw me...with Feng Chen Yi together."

"Ah?" finally Gong Xiao Man understood why Yao Yao could be ended in this kind of circumstances. "Yao Yao you are really, although CEO Yu does not have feeling toward you but how could you expect him to

tolerant this thing happened? With your plain character, better you choose one of them, between Feng Chen Yi and Yu Ao Tian, who does make you happier."

"I have told you about my decision!"

"Ugh, you are right... well since you have chosen CEO Yu, don't with Feng Chen Yi..." after she until here, Gong Xiao Man face suddenly turned to be dark: "Forget it, it not like I never witness Feng Chen Yi stubbornness, although you don't meet him, he will still find the way to force you. Your fate is such bitter, encountering two stubborn men. Ah..

."

This is the most troublesome part which is facing by Yao Yao, she and Yu Ao Tian had made contract and she also has already made preparation to spend time with Yu Ao Tian for three years, but Feng Chen Yi at other side is nonstop coming to disturb, it makes her heart growing annoyed to Feng Chen Yi but at same time it irritates Yu Ao Tian's side.

"Let's we move faster!"

"mm."

When both of them are turning their back, Shang Yun Yin voices flowing: "You? Standstill!"

She furrowed her brows, slowly turned back, very calm she smiles: "Senior sister, Calling me, what can I do?"

"Ha, I thought my eyes got problems, so it really you. So coincidences, after all both of us are studying at same university?"

That is right, she also thought how so coincidences could it, she could study at same school with Yu Ao Tian's new girlfriend!

"Yun Yin, do you know my girlfriend?" another familiar voice is coming over.

Yao Yao is dumbfounded at her standing place, turned her head, as seen that is a pair of hand is hugging her.

"Ao Yun? She is your... girlfriend?" Shang Yun Yin smiling eyes, as if she is waiting for one big show, she really does not know, the person who had mentioned by this little girl as Yu Ao Tian's younger brother actually is Qi Lian Ao Yun? She seems as if knowing what a big secret.

"Mm, yes."

"Not bad, your girlfriend is so cute. I and her... not long time ago, I accidentally met. Is it, Junior sister." Shang Yun Yin is smiling and stroking Yao Yao's head.

She is creased her forehead, this woman is growing up so beautiful, good fighter, in her eyes, Shang Yun Yin is especially smart!

"Ao Yun, I go to the classroom first. Later we have talked."

"En."

"

Shang Yun Yin is leaving still surrounded by countless men, Yao Yao is coldly swaying away Qi Lian Ao Yun's hand which is hugging her: "Qi Lian sunbae, I advise you better to stop. Be careful to be laughing stock, this you still don't know!"

"Being laughing stock? I don't mind! If really get embarrass, anyway I and Yu Ao Tian will be embarrassed together!"

Actually how much Qi Lian sunbae hates Yu Ao Tian? After all he could do this kind of scarification? "Qi Lian sunbae, this is the last time I warn you. I hope you know that I am only Yu Ao Tian's lover. If three of us relationship being found out by others, the person who most embarrassed still is me. You did so many things; I could feel you are simply to outrage of me!"

Never thought, she really never thought Qi Lian sunbae who she respects so much finally get into conflict with her, but... all of this because Qi Lian sunbae who forced her to do, she really does not have any choice!

"Who ask you to be Yu Ao Tian's girlfriend..."

When Qi Lian Ao Yun is passing her that moment, he is whispered this words to her.

Dumbfounded for the moment when she is moving.

At sudden Qi Lian Ao Yun is grabbed her wrist: "Why must you! Why must you!" she can see his melancholy eyes filled with question that he does not understand.

Listened to his hoarse voice, Yao Yao could feel, Qi Lian Ao Yun ways of speaking is not for Yu Ao Tian, but for hers. Why...Qi Lian Ao Yun can say so?..

Episode 203

"Boring? Geez... why don't you say that your relationship diagram simply to say is more complicated than novel stories whom married into billionaire family, simply to say yours is too terrifying. Yao Yao I am watching you, if you fight and killed one, I will change red line in this diagram relationship into black line. At last, I hope in this relationship diagram will only last you with your future husband, Jia You (adding oil)!"

Killed one? Her current goal is, peacefully spending her three years with Yu Ao Tian, anyone she does not want to provoke. But.

"Junior sister. You guys also have sport class?"

When both of them are chattering suddenly there is voice come to interrupt, when turned back, this senior is?

Ah! He is Lu Chuan! That school scoundrel, who came to harass Yao Yao on the first day, came to school!

Gong Xiao Man and Luo Yao Yao are looking each other, moving one step backward: "Senior Lu Chuan, what do you want from us?"

"Oh, nothing, I just heard the rumour said that Junior sister Luo Yao Yao is dating with president council Qi Lian Ao Yun, so that I coming here to congratulate. I have felt heartache for sometimes."

He is pretended to cry sorrowful! Gong Xiao Man narrowed her eyes: "Well, thank to Lu Chuan Senior, I and Yao Yao are going to group with other classmates, we take our leave."

"Huh!" Lu Chuan is smiled, one of his hand is grabbing Yao Yao's wrist: "Junior sister you can leave. But junior sister Yao Yao must stay. I have so many things wanted to talk with junior sister Yao Yao." He is smiling sinister while touching her small face.

"Senior Lu Chuan! What do you want to do? Now I am student council committee, if you are forcing me, I will make report to the teacher!" Yao Yao does not feel afraid of him and she even roared at him.

But the current Lu Chuan is also not showing his fear expression: "Go and make report. My backing is coming already, what I scared of?"

Backing? What did Lu Chuan mean?

At the time when Lu Chuan harassed Yao Yao, Gong Xiao Man has felt something bad is coming, secretly she is leaving. "Xiao Li, Do you see Long Qi?"

"No."

"Anyone of you see Long Qi?" She is panicky looking for Long Qi asking group of fellow classmates.

"Before the sport class was starting, I seem to spot him sleeping at the backyard of sport field."

"Thank You." What teacher? What Discipline committee? Gong Xiao Man never believes in those people, when she was in Japan only money speaks up! And today in this school too, looking for teacher better for her to look for Long Qi.

Panicky she is running to the backyard of the sport field, just as expectedly Long Qi is laying under one big tree.

"Long Qi! Long Qi!"

Feeling there is someone who moving his body, at sudden Lon Qi wakes up: "MF, looking for death!"

"What are you screaming for? Every day you just knowing to sleep, Yao Yao gets in trouble! Faster go to help."

"Flat chest gets into trouble? What's trouble?"

"Aiya, we talked while walking." Gong Xiao Man is pulling Long Qi's arm and faster rushing to the place where Yao Yao is harassed..

Episode 204

Luckily they are arrived in time, that brat Lu Chuan's men are surrounding Yao Yao. "Long Qi, those men, they are keeping on harassing Yao Yao not let her go."

"MF!" pair of Long Qi's hand inserted at his pocket and walking shabbily toward there: "Hey, what are you doing?"

"Who is this man?" Lu Chuan sees Long Qi killing aura quite strong, asking to someone beside him in low voice.

"Lu Chuan, he is first year student, this few days he is quite famous, as rumours said he won when fought with 20 men during the open study session. Now most of the first semester students are admire him.

"Is he that awesome?" Lu Chuan isn't Long Qi par, courtesy he smiles: "Junior brother, now I am talking with Junior sister, we are discussing about our feeling, this such thing you better don't get involved?"

"You discuss with whomever, I won't get involved and none of my business. But, you are not allowing discussing your feeling with Yao Yao!" Long Qi is moving step forward, one of his hands is pulling Yao Yao to his embraces.

"Junior Brother, Senior really admires you. I advice you one thing, this girl I have decided I want her!"

"MF, don't you understand human language? I have told you, you are not allowed to touch Yao Yao, understood?"

"Do I need to hear you?"

"Why must you so protected to her?"

"Geez... what is going with you? Don't you understand? Although she has already had husband, I will still same protect her, there! Is! None! Of! Your! Business!" Said Long Qi, he brings Yao Yao and Gong Xiao Man to stand aside, while he moves one step to face Lu Chuan.

"Long Qi is so handsome, so Man, just as expected he really can depend on!" hide behind Long Qi, Gong Xiao Man is secretly supporting Long Qi.

"Xiao Man, you mustn't call Long Qi, based on Long Qi character small thing will get bigger later on." Now Yao Yao really does not know what to do.

"So what should do? Person alike Lu Chuan that forceful, if not giving him little bit color (lesson), he will come harass you till death and won't give up on you."

This...

indeed so true! "Geez..."

"Junior brother, since you are so arrogant, Very well. Zhu Que group, do you ever heard?" after said, Lu Chuan is rolling up his sleeves, showing his member' tattoos as one of Zhu Que group's men.

"Haaahahahaha."

"What are you laughing of?"

"I laughed at you MF idiot!" at sudden Long Qi curved his hand into fist and give Lu Chun a punch right in his nose.

"Lu Chuan?"

"Lu Chuan?"

"Lu Chuan, are you okay?"

"Damn!" perhaps Long Qi is one of the hardest obstacle in Lu Chuan's life who he ever met, using soft way is useless, using hard way also useless, simply to say he is hard to deal. "Faster, calling Big Sister comes."

"No need, I have seen." One cold voice is flowing over Shang Yun Yin is taking four men with her who are faster walking in front of them...

"See, faster take a look, it seems Long Qi will have fight with others."

"With whom?"

"I don't know."

"Sst... doesn't all of you see that woman in front of her is so familiar?"

"Ah! She seems..

. she is our school person of the year, Senior sister Shang?"

"Impossible? Long Qi is fighting with her? For sure he will lose. Just to know she is from mafia background. Go, faster we take a look." Those students who followed the sport class, all of them are paying attention to them, seeing weird atmosphere, surrounding and watch for the crowded.

"Yao Yao, just now Lu Chuan mentioned about his backing, does the backing his mean... is that Shang Yun Yin?" Gong Xiao Man is whispering.

She is creased her forehead, seeing women are fighting to gain favour because of jealousy she had seen so many before, moreover things regarding between Yu Ao Tian relationship, she really afraid someone like Shang Yun Yin won't stop easily.

Must be there a conflict occurred? Or must let someone get killed then satisfied?

This is Yao Yao's reason why she wanted Yu Ao Tian to dump her when he is intending to find new girlfriend, she really does not want to fight over some strange jealousy.

"Junior brother, I never liked to waste my saliva talking to others. Just now you are hitting my man who is Zhu Que Group's men, should I asked him to fight you back or should..." Shang Yun Yin pair of hand is enveloped her in front, coldly she pointed at the outside school.

Episode 205

As seen, outside the sport field there is open construction ground which parked dozen of black sedan cars neatly.

"Oh, such rush? There are such many cars; at least there must be more than fifty men inside."

"As what I said, Senior Sister Shang has mafia background, although Long Qi is good fighter how could he win over that many of men, after all he is alone. Really must not provoke her." Said one of the fellow student as if pouring cold water.

Few men who have good relation with Long Qi coming nearer, whispering: "Long Qi, you faster apologized to Senior Sister Shang. Her background is too complicated and she isn't someone we can provoke."

Perhaps, for this few men's eyes, Long Qi is a brat who is not more than a good fighter. But his real background only Yao Yao who clears of it.

"Ha." Long Qi is laughing coldly, he is spreading arrogant aura, standing with straight position he is slowly taking out his mobile phone: "Give all of you three minutes, must arrived at First University south gate! Others tell Nan Lu to come along."

"Long Qi!" Yao Yao has suspicious this phone call, whom he is calling for, but the problem is Long Qi does not Shang Yun Yin is Yu Ao Tian's new girlfriend?

"Forget it. She is..."

"Sst, flat chest, you follow me." Without waiting for Yao Yao to finish her words, Long Qi has been dragging her hand, walking heading to the south gate.

"Hey, little brat, where are you going?" suddenly Shang Yun Yi is asking at back.

Long Qi is curved up his mouth, grinning, slowly turned his back: "Woman, doesn't you want to play? How can we have good game inside the school?"

Seeing they are going to the south gate, Lu Chuan does not understand asked: "Big sister, what to do?"

"Tag along them, together go out."

The battle field is changing from the school sport field to outside; those fellow students are following by climbing to the school gate to watch the crowded. Because this place is the safest place and they won't get splash of blood.

Time is ticking away.

"Little brat, three minutes is almost ended, your men, aren't they come?"

Listened to Shang Yun Yin provoking voice, Long Qi is smiling deviously.

And at the next second...

As heard, there are countless engines sounded from all corners.

"This is, what sound it is?" those fellow students who are watching at the crowded, all of them are looking each other. One of them is screaming and pointed not far from there: "Hurry takes a look, there are many cars coming over here!" carefully counting at least there are more than twenty cars.

When the cars are parking aside, when the men out, there are about 100 people.

Shang Yun Yin is little bit panic.

"Xiao Long Xian Sheng (Mr. Long Junior / little)!" those men are standing in front of Long Qi, bowing with respect.

At moment, the domineering and also arrogant aura spread out from Long Qi.

When all those men lift their head, there are 'Yu' words embroidered in their shirt which reflect on everyone's eyes who sees it.

"Yu... Long.. Shi!"

(Yu Long Group)

"Faster see, all of those men are from Yu Long group!"

"Long Qi, don't say you are big boss of Yu Long's group, right?" this question is asked, those fellow students are dumbstruck.

"Yao Yao." Nan Lu is smiling while walking heading to Yao Yao's side.

"Yao Yao, who is she?" Gong Xiao Man is curiously pointed at Nan Lu.

"Later I will introduce both of you." Thing in urgent she needs to settle is.

.. finding a chance to talk with Long Qi, Shang Yun Yin is Yu Ao Tian's current girlfriend! This is getting complicated!

"Xiao Long Xian Sheng?" Shang Yun Yin carefully looking at those black shirt which embroidered with Yu, rolled her eyes: "You tell me, your older brother is Long Ye!"

"So what?"

"Hahahaha. I am your older brother's friend." Shang Yun Yin helplessly sighed, she really never thought this 19 years old Junior brother is Long Ye's younger brother, she thought Long Qi is Yao Yao's 'guardian', a body guard.

"Ya! Worst. I just remembered Shang Yun Yin is Yu Ao Tian's girlfriend, Yu Long group is Yu Ao Tian's group, does this mean?" Gong Xiao Man as if awaken from her dream.

Yao Yao is helplessly shrugging her shoulders: "So that, I have stopped Long Qi before, but before I done, he has..."

"Long Qi Junior brother, on this way looking at you indeed you are having few similarity with your handsome older brother." Shang Yun Yin is smiling and walking in front of Long Qi.

But Long Qi is acting on contrary; he lowers his head, coldly said: "Get rid this woman and also her men!"

"Yes! Xiao Long Xian Sheng!"

"Long Qi, what are you saying?" Shang Yun Yin shocked and also dumbfounded on her spot.

Yao Yao and Gong Xiao Man who are standing behind of him also dumbstruck: "Long Qi?"

As seen all the Yu Long men are surrounding Zhu Que Group's men.

"Long Qi, didn't you hear what I said before? I am your older brother's friend!" Shang Yun Yin panicking makes an explanation.

"You have said it. You are my older brother's friend. But... you are not my friend, I am Long Qi since the beginning never paid anyone debt!" at sudden he lifts his head, his deep eyes gleaming, one of his hands is waving: "Move!"

Episode 206

His way of speaking really awesome, Yu Long's men are fighting with Zhu Que's men.

"Wo Kao. Long Qi... really... Man." Gong Xiao Man is looked at Long Qi's handsome face.

He has very serious and mature looked, this expression is extremely difference compare to his daily carefree expression. He is so charming, really cool and awesome; she really not dares to believe, after few years how good looking Long Qi will be in the future?

"Hehe, Xiao Long Xian Sheng when he really serious, he is very similar with Big Boss. Even Big Boss Yu ever said, Xiao Long Xian Sheng is born naturally to be the Master of Underworld, later or sooner he will expand to the bigger world. But Big Boss Yu does not agree to let Xiao Long Xian Sheng to take mafias' path, so that he always had objection. Unfortunately...

"Unfortunately, Long Qi only has interested in Underworld." Yao Yao is continuing what Nan Lu wanted to say.

Since the day she knows Long Qi, she had found out this man doesn't have any interested with working, studying, but solely he only interesting with mafias' world.

Of course, she also understood the reason and objection of Yu Ao Tian to not let him get into underworld, after all the future of the mafias and politician really had so much differences. She finally realized, Yu Ao Tian actually is someone who has consideration toward every friend in his side. No wonder whether Manager Long or Vice CEO Han or others are willing to entrust their life to him.

"Long Qi! Must you really make Yu Long group to fight with My Zhu Que group?"

"Nan Lu, do you know why I called you here?" After all Long Qi is ignoring Shang Yun Yin questionable eyesight, coldly he looked at Nan Lu and asked her.

"Of course I know it, Xiao Long Xian Sheng if not at last resort, he won't fight with women."

"Mm, well Nan Lu you take care her.

"

"Yes, Xiao Long Xian Sheng." Nan Lu is smiling alluring; slowly she is standing to Shang Yun Yin in front.

"I am your Big Boss Yu Ao Tian's girlfriend! I don't believe all of you dare to touch me!" Shang Yun Yin is coldly said; suddenly Nan Lu footstep is stopped.

She is doubt and takes a glance at Long Qi.

"Ao Tian's woman, I am recognized Yao Yao only. Others, I don't care! Nan Lu, what are you hesitate for, you go ahead!"

"Yes!" after said, Nan Lu kicks Shang Yun Yin and goes ahead.

"Long Qi really gives enough face for you, Yao Yao. You are too X awesome." Gong Xiao Man is envy, jealous, so hateful she must give thumps up.

She helplessly creased her forehead, slowly walking to Long Qi beside: "Is this good? Long Qi, she really is Yu Ao Tian's new girlfriend."

"Yao Yao, didn't you hear what I am saying before? I don't want to speak for second times!" Long Qi's face is showed expressionless in front of her.

At this moment, she feels little bit stranger with this Long Qi, after all he used to call her 'flat chest', 'flat chest' normally with that carefree and shabby attitude. Now when seeing him serious, moreover he is called her 'Yao Yao', still not used to with it. But.

.. this feeling, no words can describe it.

"This Shang Yun Yin is really good fighter but Nan Lu also not bad. Really cool ah!" Gong Xiao Man is watching two women fighting without even blinking her eyes, their skill are almost at same level.

Long Qi who watching from far away impatiently furrowed his brows, taking an opportunity and chance to give her one hit, finally Shang Yun Yi being cornered!

This is the difference between man and woman, no matter how good one woman can fight but encountering man who also good fighter, moreover Long Qi is one of the best fighter in Yu Long's group.

"Damn!" Shang Yun Yi is felt in ground, one of her hand is pressing down by Long Qi. She hatred gritting her teeth, her other hand is secretly takes out her mobile phone and sending short message to.....

Episode 207

"I am sorry, Xiao Long Xian Sheng, still needs you to take care." Nan Lu is feeling guilty, lowering her head.

"It is okay." He is coldly shaking his head, ordering his men to replace him pressing down Shang Yun Yin.

"Nan Lu, you go ahead. If I don't call you to stop, don't stop."

"Yes!" Nan Lu is slowly walking in front of Shang Yun Yin in front, gives her slap by slap.

"Long Qi, are you..."

"Are you sure to do so?"

"Just now I have..."

"I had told Yu Ao Tian to come here!" Shang Yun Yin is talking while slapping by Nan Lu.

Long Qi seems as if not heard anything, coldly stand there, seeing everything.

"Long Qi, I think this is more than enough. If Yu Ao Tian comes, perhaps thing will be more troublesome?"

"Based on Ao Tian nature he won't come to meddle with this kind of matter. Moreover, if today I don't give this woman lesson, later in the future you will be more troublesome!" Long Qi words at moment shut up Yao Yao's mouth.

That's right, if not standing steadily, if not do the thing to the utmost, this indeed only gives herself more trouble!

But...

Still one thing, she is so certain, Yu Ao Tian will come today. She can't say out the reason, but simply she could feel it. As long as Shang Yun Yi secretly texted Yu Ao Tian about this matter, informed him that she also get involved, then... Yu Ao Tian must be come!

After half day passed, all of the Zhu Que's men had defeated by Yu Long's men while Shang Yun Yin face is swelling alike pig, but it seems Long Qi does not has any intention to stop.

Whoasah.

...

One massive car engine sounds, can feel this time car is more than those cars which Long Qi's called before!

"Long Qi, this..." Yao Yao heart is tightened, curiously looking at him.

Long Qi pair of hand slowly curls into fist, his handsome face changes little bit: "Ao Tian really coming!"

She knew it...

As long as Yu Ao Tian knows this thing involving her, he must be coming!

Those cars are parked at that construction empty field.

Everyone who is surrounded, each of them showing questionable expression: "Who is coming this time?" all of them are staring with wide eyes wanted to know which 'great' person is coming.

Unfortunately when the leader is getting down all the men in black clothes are holding black cloth and also covered the 'battle field' tightly around so the outside people won't see anything that happens inside.

"What situation are we? How can it feel as if the Emperor is touring?" Gong Xiao Man is looking her surrounded men who holding black cloth; her face is showing suspicious expression.

Yao Yao rolled her eyes...

Perhaps Yu Ao Tian does not want people to know he also get involved in underworld, so that he is asking his men to cover the 'battle field' from outsiders? It seems he really wanted to wash-clean!

"Xiao Long Xian Sheng?" Nan Lu could sense Yu Ao Tian coming so she hesitate asking Long Qi.

"Let's stop first. Nan Lu." When Long Qi said...

As seen, Yu Ao Tian is wearing black suit and expressionless, he brings Mo Xue Tong to the 'battle field'.

An instantly, all the focus and attention which belong to Long Qi at sudden goes to Yu Ao Tian, with his appearance everyone can see who is the Emperor and who is the Great General, this what is called as the Emperor Aura...

Episode 208

"Big Boss Yu!" all the Yu Long's men are bowing 90 degree with respect to Yu Ao Tian.

"Ao Tian! Ao Tian!" Shang Yun Yin even rolling and climbing, rushing to Yu Ao Tian's feet.

He is glanced coldly to Shang Yun Yin who is in front of him, his eyes looking at Long Qi, Yao Yao... "Yun Yin, who hits you!"

"It's, it is the girl who named Nan Lu, standing beside of Long Qi."

"Xue Tong, Nan Lu is your men. You know what to do?" Yu Ao Tian is staring coldly when speaking.

"Understood."

"Wait! It was me who hit Shang Yun Yin, there none of Nan Lu business." Yao Yao is stepped forward, block at Nan Lu in front.

Mo Xue Tong is simply passing her and directly give Nan Lu a slap.

Yao Yao can see clearly Shang Yun Yin happy grin in her face, she, Shang Yun Yin is too smart, perhaps she knows very well Yu Ao Tian won't do anything to Long Qi, so that she directly pointed at Nan Lu, on this way she could position herself and second she wanted to scare Long Qi, really cunning!

"Miss Mo..." Actually she wanted to stop by begging to Mo Xue Tong, but Yu Long's men who does not dare to listen to Yu Ao Tian? Panicking glanced at Yu Ao Tian: "I said, it was me who hit her, do you understood?"

Yu Ao Tian acts as if he does not see anything, his eyes are looking at other way.

What does he want? Does he know that she not scared being hit or does he want her to feel pain by seeing Nan Lu gets hit? Yu Ao Tian is really vicious, every times he will do everything in extreme way, and it always hurts other!

Every slaps which slapped by Mo Xue Tong to Nan Lu, Yao Yao can feel her heart in aching.

She bites her lips, Yu Ao Tian this is because you force me! She is curling her hands into fist: "CEO Yu. Are you sure keeps on hitting?" the naive small face is smiling sweetly.

Yu Ao Tian narrowed his cold eyes, but not take a look at her.

"Whomever you guys, the Yu Long's men do, there is none of my business, and I also not comprehensible with the you guys matters. I just know the today's Yu Ao Tian currently he is Berson Group CEO and also the biggest shareholder moreover he also candidate for election." She tilted her head, pair of her hand are enveloped her in front: "But CEO Yu, you have girlfriend who has mafias' background, are you sure you can do the political campaign? And now you are using the mafias' way to settle the problem? Ckckckck, don't you afraid it will spread and affect your future?"

All the Xiao Di of Yu Long are shivering because fear.

"Yao Yao.
