

Pure Girl 221

Episode 221

"Cut it off, you don't understand, all of them are mesmerizing. Is it? Long Qi." Gong Xiao Man is smiling, move one step forward in front of Long Qi: "Today, is Yao Yao beautiful or not!"

For long time, finally Long Qi is regaining himself, pretending to be calm by inserting his hands in his pocket, while his head is at other side: "Uglier than before."

"Ugly? Why your face is red?" Gong Xiao Man is grinning all over her face, she is using mocking tone asking him.

Long Qi suddenly feels losing face, one of his hand is touching his red face.

"Hehe." Gong Xiao Man is laughing satisfied, seeing the stunning expression from all the men who are in the room, it seems her effort to choose the new style for Yao Yao is paid off. "Hey, big uncle, you are also here. Does our Yao Yao look especially beauty?"

Han Li Shang is swept his glance at Gong Xiao Man, coldly he stands up: "Ao Tian, the annual meeting is going to start, I take my leave first to check it."

"En, you go."

"Damn, he is really a man who does not have any beauty sense at all!" Gong Xiao Man is glared at Han Li Shang who is going away, she resented looking at him!

"Xiao Meng Li, no need to pay attention to them, after all Han Li Shang and Long Qi are known as senseless. I think today you are...really beautiful." More or less Long Ye could see that Yao Yao feels awkward, hurried console her.

"Hi, General Manager Long, I think from all of them still you are good talker. I like to hear you."Gong Xiao Man is happily patting at Long Ye's shoulder.

He is furrowed while smiles: "Oh yeah? I always know that I have good taste. Are you who named Gong Xiao Man? Do you have time now? I want to chat with you about the newest fashion."

"I have time."

"Well, you follow me to go at other room to talk about fashion." Long Ye is smiling, while his eyes are looking at Long Qi who does nothing: "Long Qi, you also follow me!" after said, he is forcibly dragging Long Qi and leaving the room with Gong Xiao Man.

"Ao Tian, I also going out." Mo Xue Tong is coldly spoke, slowly walking out.

Yu Ao Tian in this time he really wants to say, these fellow brothers indeed know him very well, this time he indeed need to have 'privacy' with Yao Yao now. "Bao Bei, come." He is smiling deviously using his hooked finger calling her.

She is lowers her head, when she is walking...

That 8 cm high heels slant.

"Aiya!" she is almost felt in front.

Fortunately Yu Ao Tian saw it and his hand is faster enough, he rushed as an arrow, embraces her.

"Thank you."

"Humph? Bao Bei, are you on purposed falling in order to seduce me?"

Seeing his face is masking with fake smile, Yao Yao is awkwardly furrowing her eye brows: "I, I don't really like to use high heels, so that..."

"Oh? So that. If you are falling into my embrace still okay, but if I see you fall in other men embrace... I will break your leg!"

Is this something she can control? This Yu Ao Tian simply to say not reasonable?

"Bao Bei, what to do, suddenly I feel, I want... with you to do something in here. I want to do something I like!" he is bending down his body, spreading warm breathe to her nose.

An instantly Yao Yao glared: "No, don't."

"Ha, I am joking. Now you are looked so beautiful, if I messed up..

. too bad." His slender finger is stroking her nose tip.

Seeing his deep bottomless black eyes, she always felt Yu Ao Tian seems have other meaning in his words, this feeling can cause people to be wary.

His slender finger already slides down to her neck, his deep black eyes looking at the necklace in her neck: "Really so obedience, after all you are wearing this necklace when coming here."

How would she not? Didn't he ask her to do so, later in the future if he does not ask her to do, she won't take off the necklace because she does not want to cause any trouble!

"give you rewards." His mouth is upwards smiling deviously, without waiting for Yao Yao to react, he has bent down, suddenly kissed somewhere in her neck.

"Uh..." hurt! "What are you..."

"tok tok tok"

"Chairman Yu, the annual meeting is going to start, Vice CEO Han is inviting you to come."

Yao Yao question is cut off half because interrupt by the knocking sound.

Yu Ao Tian smiles, standing up: "Bao Bei, you should take a rest in here first, later when the bouquet start, I will ask people to come pick you."

"Oh..."

"My beloved!" Yu Ao Tian has left; Gong Xiao Man is coming back to the VIP rest room: "Did CEO Yu praise how beautiful you are?"

Cold sweat, this is not Yu Ao Tian character, bigger problem he will able to face with calm expression, moreover this is small matter. The most important is, she does not feel her makeup beautiful today: "Yu Ao Tian has met many beautiful women, didn't you ever meet Li Mei Yun, Shang Yun Yin. There still one who named Xu Qing. Others there also Zhao Qing Kong, but she seemed not Yu Ao Tian's girlfriend."

Episode 222

"Woah, CEO Yu really have so many beauty women, one to another is indeed beautiful women. But it is normal thing, his own appearance could be said as extremely rare good looking, of course always being surrounded by beautiful women."

"Have you reconciled with CEO Yu? And Feng Chen Yi..."

"Hey! Sst! Don't mention him!"

"See how nervous you are, CEO Yu isn't here."

"This is not the problem, Xiao Man. Sometimes in order to learn forgetting one person, the best thing is starting from the most surface aspect such as not mention that person name anymore, stop to think about the past, throwing the things he ever gave and so on. By this way, can really forget that one person."

"Why must forget Feng Chen Yi? Since you love him, why don't you keep him inside your heart, just wait until three years passes and then think of it again."

Ha, Gong Xiao Man speaks so easy, hiding someone we like inside our heart, and then facing the other person, it is really tired, so tired, she really cannot do it.

"Yao Yao, your neck?"

"What wrong with my neck?" seeing at Gong Xiao Man surprised expression, she is curiously touching her neck.

"Hahahahaha, wasn't this strawberry planting by CEO Yu just now?* did he want to announce to world this person has already had the owner? Just expected he is such domineering man."

*Gong Xiao Man referred to the hickey in Yao Yao's neck.

Planting a strawberry? Did, before Yu Ao Tian was leaving he left this hickey? What did he do? Did he let her to meet other people or not?

"Knock knock knock"

"Miss Luo, hello. The annual meeting is done now the bouquet is going to start, CEO Yu is asking me to take you to go to lobby bouquet."

What to do? What to do? Should she go to the banquet hall with hickey in her neck? But, if this time she looking for something to cover, it is too late? Yu Ao Tian is too much!

Helplessly, Yao Yao bringing along Gong Xiao Man followed Yu Ao Tian's men heading to the bouquet hall...

Berson Group bouquet is held on the seventh star hotel rooftop, it is divided into two sections the indoor and outdoor, indoor is for the honour guests and high level management of Berson Group while the outdoor is for the ordinary employees of the company.

Both the indoor and outdoor, times to times there will be ordinary employees who want to climb to higher level come in and out, strolling around the hall.

When arrived at the VIP bouquet entrance, from inside there is music flowing out, when pushed open that big door, first thing that catch eyes are those men wearing western style suit and women wearing beautiful formal clothes with radiating elegant and noble auras, as seen this bouquet indeed glamour.

"Woah, Berson Group annual meeting isn't ordinary, after all they even invited the international stars.

" Gong Xiao Man is exhilarating over; her eyes are looked at the surrounding.

Such glamour and grand high society dinner party, although she is regarded as Miss from wealthy family but still this is first time for Gong Xiao Man to join.

If today Yao Yao is not dressed up, perhaps she has drowned to this grand bouquet. There are too many beautiful women, too many.

But now is different, the shows up of Yao Yao in this bouquet has attracted many eyesight's.

"Does that little girl Berson Group employee? Or who's companion she is? Her aura really is different."

"Yes. At least compare to those who use makeup she can be considered as refined and elegant, indeed eye-catching." All the people is discussing about her. Compare to those beautiful women, Yao Yao innocent appearance is elegant and charming in which attracted many eyes.

"Hey, Hey, Yao Yao, you see everyone is looking at you." Gong Xiao Man is smile proudly.

Seeing at Yao Yao, her forehead corned is forming sweat bead, just as expectedly she still dislike this kind of bouquet, that time when she was still with Feng Chen Yi, she must join this kind of bouquet, for such long time, she still cannot get used with this moreover she really cannot get used with those hot eyesight.

"Miss Luo, you wait at here little while, I will be going to look for CEO Yu." Because there are many guests coming to this evening, that man who leading the way is difficult to find Yu Ao Tian so that he asked Yao Yao to wait in somewhere inside the hall.

"En. Okay." She and Gong Xiao Man are standing at one corner of the VIP bouquet patiently waiting.

This time, few girls are coming to her: "Luo Yao Yao?"

Following with the voice....

Episode 223

Aren't they fellow colleagues from the financial department?

Yao Yao remembered these people, all of them are Sun Li's confidant, Sun Li is the person who cooperating together with France's branch CEO Mu Yue who caused her trouble before, later because of Yu Ao Tian showing up, Sun Li got demotion to be an ordinary employee while she was strangely being promoted as Finance Department Manager, although she only worked for three days.

"You guys see, as what I said she is Luo Yao Yao, you guys said she isn't. 你们说不是吧"

"I fainting I thought my eyes are wrong. Never thought..." these few female colleagues are standing in front of her, using kind of disdain eyesight measuring her. "Luo Yao Yao, didn't you resign? Why are you coming here joining the company annual meeting?"

"Yes ah!"

"Haha, long time no see. I am coming to accompany friend. Well, she is Gong Xiao Man from the sales department. I am coming here to accompany her." Yao Yao is introducing Gong Xiao Man while pulling Gong Xiao Man's arm.

Gong Xiao Man is replying at her ex-colleagues by nodding her head: "Hello everyone." Actually, Gong Xiao Man thought it is okay to tell them she is invited by Yu Ao Tian, what's the matter? She has that 'queen' position why doesn't she take it out and show off to those ex-colleagues? Gong Xiao Man really not understood.

"Oh that's the case, why aren't both of you in ordinary employee banquet hall? Why coming to the VIP bouquet hall? Or else, Luo Yao Yao you still haven't given up, thinking to bait golden turtle?"

"That's right, Luo Yao Yao, before you resigned from the financial department you were promote as Vice Manager, you still kick out Sun Li, weren't it because you and Regional Director Wang...?"

Gong Xiao Man who is standing beside although she not really understands what they are talking, but from the way this few girls expression, she knows they aren't say what good thing. When she wanted to speak on behalf of Yao Yao, but Yao Yao faster ahead...

"My coming to this VIP bouquet there is no other purpose, if all of you think my coming to here because I have purposed, it prove that all of you showing up in here also have some purpose.

Bluntly to say, all of you must go to the ordinary employees banquet but why all of you are showing up in VIP banquet?" she does not want to quarrel with her ex-colleagues but she never thought they are gossiping her with Regional Director Wang, just to let them know that inside her heart Regional Director Wang is one of the best teacher she has.

"That's right. We are showing up in here to catch golden turtle, we dare to admit. Are you daring to admit if you have something with Regional Director Wang?"

"There is nothing between me and Regional Director Wang!" It is so obvious Yao Yao flared up little bit.

These few girls seem not getting enough: "Bullshit, if there is nothing between you and Regional Director Wang, how could Sun Li demoted, while you were getting promoted? Geez, the most hatred person is someone like you who acted as chastity girl but actually a bitch."

"You guys!"

"What are you talking?" a gentle and soft voice interrupted.

This few girls are lifting their head up, stunned with beaming eyes: "Long...General Manager Long." All of them are expecting to catch golden turtle, golden turtle, but they really never expected today they are encountering one of the highest rank golden turtle who is General Manager Long, this golden turtle, after all in this company, there is a possible all of them will never to speak with Long Ye this top management person.

"Aiya, General Manager Long, there is someone who isn't company's employee anymore, but shocking shamelessly still coming to participate our annual meeting." Said this few female colleagues, who are talking sarcasm about Yao Yao.

While Gong Xiao Man who is standing beside, she is waiting for good show, she is absolutely sure that Long Ye will take action?

Long Ye is pretending not understand anything, creased his forehead: "Who? Is there really still has kind of person?"

"See, the person is her. But, General Manager Long, you don't need to take notice with this kind of person. Do you have time, if possible..."

"Yao Yao?" Long Ye is interrupted few female colleagues who trying to flatter him, he showing strange smiles: "So all of you are talking about Yao Yao?"

"What's matter? General Manager Long." This few female colleagues are looking each others.

"Hahahaha, Yao Yao, you are really, you have resigned, but still keep your relationship with CEO Yu in secret?" Long Ye is smiling while glancing at Yao Yao.

While those few female colleagues seem haven't regained themselves: "Keep her relationship with CEO Yu in secret?"

"That's right.

Since Yao Yao is being humble and low-profile, does not want to say anything. Well let me tell you guys. Yao Yao is CEO Yu's girlfriend, since she last time when she had summer break and staying at home quite boring, CEO Yu was arranging her to come at office to have play, today is CEO Yu who inviting her to come and join the banquet, she isn't someone outsider or so whoever. Even I still need to give this future boss's wife a face."

After Long Ye spoke, this few female colleagues are dumbstruck. They never thought that... Luo Yao Yao... could be... Yu Ao Tian's girl friend!

"Hahahahaha, this thing those people might understand, not everyone you guys can provoke?" Finally Gong Xiao Man who is standing beside spoke with sarcasm.

Yao Yao who is keeping on silent for this time, quickly pulling Gong Xiao Man's hand, awkwardly smiling at Long Ye...

Episode 224

She really wants to ask, why must General Manager Long acts such exaggerating?

Still dare to say because boring so that she came to company for playing, it was clearly she was working at Berson first and then she encountered Yu Ao Tian, she really be in awe of Long Ye this black belly man in doing thing.

She sure enough, because General Manager Long heard their conversation so that he pretended to say this thing, only to give them little bit lesson, right?

Although Yao Yao dislikes letting people know she has relationship with Yu Ao Tian, but this time she must thank General Manager Long to help her out.

"Yao Yao, CEO Yu is waiting you at there, please follow me."

"Oh." After said, she and Gong Xiao Man are following Long Ye.

Looking at Yao Yao back is getting far away, those few female colleagues are 'chirping' noisily said:
"You...you guys... had all of you heard what General Manager Long said... before?"

"Dead meat, this time we really should not provoke the person we must not provoke, no wonder Sun Li who has CEO Mu's backing suddenly being knock down, I even thought she is having an affair with Regional Director Wang but who knows the person who backing her is hundred time more powerful than Regional Director Wang!"

"What to do? Should we go to apologize to her? Didn't you guys listen to what General Manager Long said before, he even needs to give face to Luo Yao Yao, now we are provoking her, if CEO Yu knows, don't you think step us death alike ant, won't it be any different?"

"Apologized? Should we got to ask Xiao Qiao, asking her what to do, she perhaps can give us an idea."

"En, that's good too.

" This few female colleagues who are scared to be almost soulless, faster they rush to an ordinary banquet hall, looking for Xiao Qiao. "Xiao Qiao, Xiao Qiao, this time we have caused big trouble."

"En? What happened?" This person who named Xiao Qiao is the person who helped Yao Yao to send document for Xia Ren Liang before.

"We just found out that, Luo Yao Yao... she after all is CEO Yu's girlfriend, this time we are doomed!"

"So that she is CEO Yu's girlfriend." Xiao Qiao does not surprised and nodding her head.

"Ugh, Xiao Qiao, did you know it?"

"Hahaha." She just laugh but say nothing, actually she did only guess not much but could feel it.

Her first impression when seeing Luo Yao Yao was type of little girl who seems so innocent and not yet growing up, but after she has interaction with her, she had seen many upper-class people their lifestyle and also Yao Yao, everything is much sharp from her compare to those ordinary women who have not seen the world.

As additional Xia Ren Liang this type of second generation golden turtle who chased her, she ignored him, during that time Xiao Qiao had made guessing, perhaps Luo Yao Yao is supported by stronger man, so that she not really mind with money and others.

But never thought, Luo Yao Yao's back is supported by a man like Yu Ao Tian, God's favour person (great person).

"You guys rest assured, Luo Yao Yao is type of good little girl, she won't pay attention to all of you."

Xiao Qiao is believing with her own eyes, further more she is believing on Yao Yao's IQ, if Yao Yao really does not have schemer heart, does not have high IQ she won't be able standing side by side with Yu Ao Tian, perhaps her scheming for the outsiders might see it as dummy, stupid but actually it is a camouflage of girl who good schemer!

Perhaps, even Luo Yao Yao herself does not know whatever she did today actually alike playing 'Pig eating tiger' this scheming!.

Episode 225

Inside VIP Banquet Hall

"CEO Yu, congratulation, thinking carefully until today you have acquisition Berson Group for 2 years, you have obtained great achievement, your future is limitless ah!"

"That's right, during that time when you just acquisition Berson group, you had said to expand Berson Group as first rank group in China within two years, there were many business men thought you were boasting, but now? You have done it, even we as the seniors are really admiring you."

"Haha, all just because Chairman Fang, Chairman Yang, all of you the seniors are taking care so that I have today achievement."

"Aiya, CEO Yu, you are really humble. You are too flattering us these old things."

Since Yao Yao is standing beside of Yu Ao Tian, she not even saying any word when the old senior chairmen are congratulated him, she is standing there quietly listening.

She always thought, Yu Ao Tian is someone bossy no matter who he is facing with, very arrogant and at same time cold man, but today this is her first time to see Yu Ao Tian's side as businessman.

Facing with those old seniors, Yu Ao Tian does not show his aloof but humble, it is noble humble aura.

It can be said that due to the today Yu Ao Tian, reaching to this position, he really can ignore everything, but he is understanding the word 'Attitude is determining everything', so that he is cherishing more those seniors, cherish their experiences.

No wonder Yu Ao Tian can be so successful, able to make Berson group to be strong and expanding it within 2 years. He really not looked alike man in his twenties because of success and then losing himself, that kind of youngster, he also unlike those men who were poor before to rich and forgetting his upstart, furthermore, there nothing can be seen in him, his unruly and disdained attitudes.

He gives the feeling, as if he is born from wealthy family, who has aristocratic lineage, even he is wealthy, and his status does not give the arrogant feeling. His attitudes are such unwavering.

Perhaps...

Yu Ao Tian background isn't alike what the rumours spreading, an ordinary scoundrel? After all, few days ago Vice CEO Han would not say his other 'real status' this matter.

No matter what, this evening banquet, it lets Yao Yao to see another charming Yu Ao Tian's side, moreover it let one's heart to thump, no wonder lot of women tempting by him. Someone low-key and also have inner beauty how could one's not be fascinated by him?

Episode 226

"CEO Yu." This time, one of middle age man who about fifty something is coming near.

"Chairman Li."

"Hahaha, today the annual meeting is so successful, congratulation to you."

"Don't be so courtesy, Chairman Li."

That fifty something middle age man is smiling awkwardly, while his eyes are looking at Yao Yao from time to time: "Actually I always want to find a time to have talked with you, regarding your matter with Li Mei Yun. I just found out not long ago you and Li Mei Yun had broken up, about the reason she didn't tell me. But now it seems..."

Mei Yun? So this old man is Li Mei Yun's father?

Perhaps feeling guilty because of doing wrong or perhaps because too awkward, Yao Yao is nervously gulped her saliva: "That, CEO Yu, I feel not really well, I want to take my leave to go to toilet." After said, she didn't wait for Yu Ao Tian answer. Pulling Gong Xiao Man dashing to the toilet, "Hu..."

"Yao Yao, why are you so nervous?"

"Didn't you hear, that old man is Li Mei Yun's father?"

"And so what? Didn't Li Mei Yun and CEO Yu have already broken up, what are you nervous for?"

"But..."

"Is this need to ask? Of course because of the guilt feeling to be thief!" at sudden, an anger voice flowing over.

Quickly both of them are looking at the toilet door way, as seen, Li Ruo Ting gloomy face is coming nearer.

Gong Xiao Man and Yao Yao are looking at the in front, surprising in unison: "Li Ruo Ting?"

"What? Seeing me both of you are so surprised? Ha, I just found out..

. so you are the third wheel who broke my big sister and CEO Yu relationship!"

"Your big sister?" Gong Xiao Man and Yao Yao are looking each other, and then in unison they said:
"Your big sister is Li Mei Yun?"

Heaven, how can there are so many coincides in this world? It seems that Gong Xiao Man relationship diagram must be added one line.

Li Ruo Ting is the person who broke Yao Yao and Feng Chen Yi relationship, while Yao Yao is the third wheel in her big sister and Yu Ao Tian relationship.

"Ha, Luo Yao Yao, you are really cheap, after all you dare to be third wheel!"

"Let me tell you, Li Ruo Ting, anyone can scold Yao Yao, but exception for you, you are not deserved to scold Yao Yao. 2 years ago, not to mention which cheap slut who slept with Yao Yao's boyfriend, humph, after all now even dare to scold other person as third wheel!"

"That's right. I admitted that time it was me who took the initiative to climb at Feng Chen Yi's bed, had initiative to seduce him, but Luo Yao Yao, did you really think yourself not have fault in here?" Li Ruo Ting is confidently pointing at Yao Yao's nose.

Gong Xiao Man who is standing beside frowned: "Do you mean, you had seduced other person's boyfriend, the victim must self-introspection to bear the consequences?"

"Gong Xiao Man, you don't always protect and sided at Luo Yao Yao this slut, there is a matter, heaven know earth know, me and you know it." Li Ruo Ting step forward in front of Gong Xiao Man pushed her away: "What kind of man Chen Yi is, you are know better than me, but how many scarification he did because of you, you know better in your heart. How much he loves you, Luo Yao Yao, you must know better by yourself. But how is about you?"

"Everyday other than study, it only study, you put Feng Chen Yi at side while you were becoming your good student. You even not let him to touch your hands. Did you think you boyfriend is saint, or a man who does not want him anymore?"

"It was you who had treasure, but not understood to cherish, so that you gave me an opportunity to break in, this isn't anyone mistake but it's you, understood?" More Li Ruo Ting speaking more she tensed, her fingers are pointing at Yao Yao's chest: "As long as you cherish Feng Chen Yi little bit, that time, Chen Yi would impossible to sleep with me, understood? Don't act to be pathetic victim who blamed anyone, thinking as if this world is owed you!"

Facing with Li Ruo Ting accusations, Yao Yao really cannot argue back, because whatever Li Ruo Ting said indeed true.

That year Yao Yao was 15 years old she was officially dating with Feng Chen Yi, that days everyday she was seriously study, perhaps only once a week she would meet up with Feng Chen Yi, and it was because Feng Chen Yi who took initiative to go dating with her, so that she agreed with him. Or else she would not meet him once at one month.

It can be said, in their relationship, it was Feng Chen Yi who sacrificed more times compare to her. So that... after they had separated for these 2 years, she never let go or forgetting those feeling, because Feng Chen Yi indeed treated her so well..

Episode 227

Reality is reality, she dares to face it. But listened to what Li Ruo Ting said, because she ignored Feng Chen Yi, so that Feng Chen Yi was overstepping to the bounds, this point she could not agree with her.

"Li Ruo Ting, according to your logic, woman must give up everything because of the man she loves, should everyday goes according to them? You had slept with Feng Chen Yi, right? How's the result? Have you gotten him?" at sudden she is swaying away Li Ruo Ting's fingers who pointed at her: "If one woman must lose herself because of the man she loves, it is fated there won't be any happiness in this life time!"

For Yao Yao, Feeling is supplement in her life, while man for Yao Yao is only a part of happiness in her life, but not as whole,

Perhaps many of women mistaken about this, by giving own body to one's man, means holding onto that man's heart forever.

Actually the truth is on contrary.

A man who is really in love with you won't because of your body and then stay together with you forever, because if it so, soon or later he will go boring with it, he will stay together with you simply to say because he loves you this person, that's all. On contrary, if a man does not love you, although you give him your body, waiting him played and get bored with you, naturally he will dump you.

So that... love is nothing to do with virginity. On contrary if giving own body sooner, perhaps the possibilities to lose man's heart is even sooner.

In everyone eyes, Yao Yao who has petite posture, an innocent girl image, someone who really need to depend on man for her entire lifetime. But this petite posture which has innocent look actually has one strong heart; her ultimate purpose isn't looking for a man and then gets married, that's simple!

"Xiao Man, let's we go!" Yao Yao is expressionless pulling Gong Xiao Man's hand; walk faster to go out from toilet.

Li Ruo Ting isn't happy with Yao Yao who pointed her weakness: "Luo Yao Yao, no matter how things went before, the current you are ugly shameless third wheel, a slut, you don't have right to revile me! Furthermore you don't have right to blame anyone!" after said, she picks up a bottle of warm water which put outside the toilet and splashed it.

"Yao Yao! Be careful!" Gong Xiao Man who sees it pushes away Yao Yao.

That bottle which fully filled is almost splashed into Gong Xiao Man's body, the splashing out water sprinkled on her bare arm which is not covered by her clothes. At moment, her white skin becomes bright red.

"Xiao Man!" Yao Yao pulled Gong Xiao Man's hand; angrily she glared at Li Ruo Ting.

Knowing she has caused trouble, Li Ruo Ting is hurrying run away.

"I am okay, I am okay."

"What is okay, your skin is swollen, I...

I call someone." Yao Yao is panic when running at corridor, but when she just running a step, that 8 cm heels stumbled her feet.

When she is about to fall down to the ground, a cold figure showing up, firmly hold on her. Before Yao Yao sees who the person is, that cold figure has already dashing to Gong Xiao Man in front. "Are you okay?" said that cold voice which as cold as ice.

Gong Xiao Man lifts her head, glanced, as she sees... uh... still this iceberg uncle?

"Aiyo, it so hurt." She is feeling a pain to the point she creased her forehead.

"Didn't you tell Yao Yao you are okay before?"

Listen to Han Li Shang questioned, Gong Xiao Man in her heart she really wants to roll her eyes, geez...so this damn big uncle had heard her before. He really ruined the atmosphere, it is so obvious she is acting spoil, still dares to expose her.

"It is so pain! You try yourself being splashing with hot water, will it pain or not?"

"Cut it off." This time Han Li Shang is letting out heave sighed, at sudden one of his hand is pulled and hold close Gong Xiao Man.

This thing is out from Gong Xiao Man prediction, she really never thought this big uncle who always ignore and cold toward her could act this way!.

Episode 228

"Vice CEO Han, Xiao Man she..." Yao Yao is worrying walking in front of Han Li Shang.

"Let me take care of her, you go back to the banquet first, Ao Tian is looking for you."

"But..."

Gong Xiao Man really can stand anymore, at this moment she really does not need Yao Yao's loyalty as friend, if she can say, she really want to say... "Yao Yao, you hurry go, leaves me with big uncle to have privacy.'

"Aiya, Yao Yao, you are wearing high heels, walking isn't convenient for you, having this big uncle to take care of me, I am okay."

"Oh, well." Perhaps until this moment, the dummy Yao Yao still hasn't sensed Gong Xiao Man intention, with worried facial expression looking at Han Li Shang who is leaving.

With super worried heart, Yao Yao is heading back to the banquet hall.

Looking from far away, Yu Ao Tian is talking with whom-so-person, but that person who is talking with Yu Ao Tian isn't Li Mei Yun's father anymore.

Slowly getting close, no matter what she could feel from back the person who is talking with Yu Ao Tian is someone familiar?

"Bao Bei, where are you going?" when Yu Ao Tian spotting Yao Yao coming near to him, his face is masking with devilish smile.

Her heart is tightened, is Yu Ao Tian going crazy? Why must he call her so loud? Nervous looking at her surrounding, fortunately everyone is immersed in chatting and also music so that his voice isn't attracted.

But, those people who are talking with Yu Ao Tian more or less must able to guess her relationship with Yu Ao Tian?

Only left two steps before she arrived in front of Yu Ao Tian, her remaining light flashes, vaguely when she is looking at the person's face who chatting with Yu Ao Tian, at that moment...

A diamond earring shine!

At this moment, that face is not more than any familiar turned to look at her...

Feng...Chen...Yi!

At this moment it feels the air freeze, two of them are looking eyes to eyes, at sudden Yao Yao's feet stopped, as if her feet is nailed to the ground cannot move and staring in front of Feng Chen Yi!

Long time before she ever thought, there would be a day Feng Chen Yi will find out with whom she is; she also ever doubted before, when he sees who is the man standing beside her how would he reacted, while what kind of feeling she would have?

After all, Yu Ao Tian and Feng Chen Yi is business partner, meeting is something avoidable. This lies only can keep at least for moment.

Although, she is naively hoping Feng Chen Yi will never found out. But this is too unrealistic, isn't it?

But today, the premonition scenery has broken out, and the outbreak is too fast, so sudden, she really does not know how to face and withstand.

No....

.

Perhaps, this scenery... is... Yu Ao Tian has arranged it before, hasn't him?

☞This Sunday will be company Annual meeting, you go with me!'

☞Ah? I, I won't go.'

☞Must go!'

☞Now you are so beautiful, if I mess up... it would be too pity.'

☞Hahahahaha, wasn't this strawberry planting by CEO Yu just now? did he want to announce to world this person has already had the owner? Just expected he is such domineering man.'

At sudden her mind is flown those sceneries regarding to Yu Ao Tian who was inviting her to join this year annual meeting.

She really not understood, Berson group is having annual meeting why must call her coming, she isn't his girlfriend, she also does not have any right to show up even as couple.

But now, at least she understood the purpose Yu Ao Tian!

Actually when did he plan to scheme her? Since the moment both of them reconciled so he is starting to plan everything?

If suddenly calling her to participate in the annual meeting, wouldn't it be too obvious? So that, he must foreshadowing one week before, making as if she doesn't mind at all, creating false impression about him, when the time is arrived, killing her by borrowing a knife, it won't be too late? Right?

How can Yu Ao Tian like this? His shrewdness how could be so deep?
