Returned to the banquet hall, the venue has turned music for dancing.

"General Manager Feng, I am Berson Group Marketing Manager, I have heard you big name, doesn't know whether I have honour to dance with you?" one beautiful woman is standing in front of Feng Chen Yi with smiles.

He politely smiles, coldly said: "I am sorry, I have dance partner already."

"Oh, it is so regretful."

"General Manager Feng, I want to have dance with you, can I..."

"I am sorry, I have dance partner already."

Facing with one by one the beautiful women in front of him, there is daughter of the politician, famous star, well-know business woman, he answered coldly toward them one by one, while Ou Yang Zi Xuan who is standing beside him, little bit envious, jealous and hatred.

Actually, Ou Yang Zi Xuan is quite handsome man, but unfortunately he and Feng Chen Yi are best friends, naturally he will let his best brother to get the limelight!

Feng Chen Yi frozen eyes are looking coldly at the big hall entrance. When he spotted Yu Ao Tian and Yao Yao return, his mouth twitched, hurried he faster his footsteps into the entrance: "CEO Yu."

"En? Chen Yi, what's matter?" Yu Ao Tian stopped his footstep.

Yao Yao is lowering her head, purposely avoiding Feng Chen Yi who keeps moving forward.

At sudden he stretch out his hand, hold to Yao Yao's arms, with smiling face looking at Yu Ao Tian: "Does not know whether I can dance with your girlfriend?"

"Haha, this you must ask my girlfriend, and not...asking me!"

⑦thump' (nervous)

One huge problem is thrown in front of Yao Yao, must she refuse, but her in front is bossy Feng Chen Yi, if today she refuses him, she does not know what trouble will she arouse in the future, she really does not dare to think about it; but facing the strong Yu Ao Tian, how must she give an answer, what big problem is waiting for her when she goes home, she does not dare to think of it. What to do?

When Yao Yao is in dilemma, suddenly Feng Chen Yi solved her problem: "Haha, As long as CEO Yu, you not mind, it is okay!" After said, he is forcibly bringing Yao Yao to the dance floor.

Being surrounded by beautiful music, Feng Chen Yi is elegantly grabbing Yao Yao's waist, coldly said: "Didn't I have teach you how to dance? Have you forgotten?"

How could she forget, long time ago, when she stills together with Feng Chen Yi, both of them were participating many venues, for convenience, Feng Chen Yi was teaching Yao Yao lots of high society etiquette as well dancing in the ballroom.

She in difficulty glancing at Yu Ao Tian who is not far away, slowly puts her hands in Feng Chen Yi's shoulders, expressionless dancing according to the music.

Under the spotlight, Feng Chen Yi can see her charming face: "Yao Yao, today you are especially beautiful, I almost can't recognise you." He shows his charming smiles, he speaks vaguely, whispering in her ears.

"My Beloved, 2 years you with me, you never put makeup, how? After follows Yu Ao Tian, are you understand to beautify yourself and make him happy?"

His intoxicating voice somewhat is piercing into Yao Yao's ear, she bites her lips, many times she tries to avoid his whisper.

"Now in front of your current boyfriend and your Ex-boyfriend dancing together how is your feeling? Does it exhilarate for you, en?"

"Feng Chen Yi!"

"Sst. My beloved, your current boyfriend is watching at us, you guess, will he think us \*\* in here? Or are we talking about our past?" Feng Chen Yi expression is so ambiguous; it is so rare to see Feng Chen Yi smiles so charming in public.

Yao Yao understands, he is intentionally to provoke Yu Ao Tian, but... at last the person who will be suffer will be her!

"Feng Chen Yi, you enough, what will you gets by doing this?"

"Of Course I have. As your Ex-boyfriend, of course I want to see how deep your feeling with your current boyfriend." After said, he is intentionally hugging Yao Yao's waist tightly, that cold eyes are spotting the red mark in her neck...

Episode 232

"Hey, who is the girl that dance with General Maanger Feng, does she his girlfriend?" outside the dance floor, everyone is shocked looking at Feng Chen Yi and Yao Yao dancing along the music.

"Absolutely is, General Manager Feng is well-known for his cold character, but you guys see when he is dancing with that little girl, he is smiling so charming."

"No matter what to say, that little girl is looked perfectly match with General Manager Feng. She is so beautiful."

"That's right."

At this moment, everyone's eyes are focused on Feng Chen Yi and Yao Yao, a pair of prince and princess. Perhaps if replaced by Yu Ao Tian, those people might think her as his little sister, or perhaps someone who is being supported, that kind of relationship.

Actually these two men if compared from their outlook, must be an equal (no distinction), no matter their height and their appearance, both of them are dominating, mature and also steady temperament.

The important point, Yu Ao Tian and Yao Yao have 9 years age gap, his height is 192 cm; Feng Chen Yi and Yao Yao have 3 years age gap, his height is 187 cm.

Although aside the main factors, forget the age, height, everyone will still think Feng Chen Yi and Yao Yao as couple.

There is no reason, only a feeling.

Perhaps, this should be same as what Yao Yao's mother said, Feng Chen Yi has bright pair of eyes while Yu Ao Tian has pair of deep eyes which are bottomless, at one glance could guess that he is someone who has many stories with him, he is so complicated, he is really someone that could not stay side by side with Yao Yao, moreover he is not suitable for Yao Yao. Although both of them are publicity their relationship as lover (couple, lover, boyfriend and girlfriend), naturally, people will think she is a girl who is supported by Yu Ao Tian.

"What circumstance is it, Ao Tian. As what I know, Feng Chen Yi is rare to dance in public, what is going on today?" One of Long Ye's hands is holding a glass of red wine, his head is tilted at Yu Ao Tian's side.

He is coldly looking at Long Ye, while his eyes are slowly looking at two figures that are dancing in the dance floor: "That little thing is Feng Chen Yi's ex-girlfriend!"

"Huh" subconsciously Long Ye's mouth spitting out the wine, afraid of his gaffe being seen by others, he quickly takes his handkerchief and wipes dry his mouth: "Are... are you sure? Xiao Meng Li..

. Xiao Meng Li is...." this is big trouble! This time really troublesome!

Last time when meeting Feng Chen Yi, Long Ye would not sense anything, Feng Chen Yi cares so much with his Ex-girlfriend; while in Yu Ao Tian's side it seems he and Xiao Meng Li has tied. No need to ask, these two men no one of them will give up, this is really interesting.

Just at this time, the dance hasn't ended, as seen Feng Chen Yi's face darken, pulling Yao Yao's hand inside the venue.

Yu Ao Tian sees, frowned; he also wanted to rush there.

Long Ye pulled Yu Ao Tian's arm: "Ao Tian, you calm down. Just to know, you and Feng Chen Yi relationship are business partner, don't because this simple matter ruins the overall plan."

"Rest assured, I know what to do." After said, he quickens his pace out from the venue.

Long Ye still can't be rest assured, helplessly he puts down his glass of red wine and following at Yu Ao Tian back; at other side, Ou Yang Zi Xuan could see Feng Chen Yi almost lost control, hurried go there.

At the beginning the banquet is lively, after Feng Chen Yi, Yu Ao Tian also left the venue, unintentional it puzzled the guests with undoubtedly eyesight. But none of them could able to guess, today these two businessmen who are most anticipated and as pride by people because of one woman both of them are losing control of themselves....

Episode 233

Other side...

Inside the hotel room, Gong Xiao Man is smiling sweetly when lying on the bed, she is recalled the scenery when Han Li Shang brought her to the hotel room.

☞Vice CEO Han, Hello.'

☹Immediately give me one room.'

☹Ugh... sorry, Vice CEO Han, all VIP rooms of our hotel had already booked, now we only left an ordinary room.'

☹Whatever, quickly!'

☹Yes.'

☹Other, hurry ask someone to bring ice water.'

☹Yes, Vice CEO Han.'

Inside Gong Xiao Man's heart, Han Li Shang is someone who cold and almighty, but just now when he talked with the hotel's staff, his speaking tone was sounding in such panic, she could assume Han Li Shang acting that way because of her wounds, so that he could show that kind of nervous?

Of course, when Han Li Shang hugged her along the way to the hotel room, she is actually enjoying the experienced being envy, jealous and hatred by others, this feeling.

Aiya, Aiya, now the person she wanted to meet actually Li Ruo Ting, she wanted to thank that cheap\* person because splashing warm water to her body.

\* (è'± Jian can mean cheap, lowly, despicable or even slut)

"Come, this towel I have soaked in ice water."

Seeing Han Li Shang out from the bathroom by bringing the cold towel, immediately Gong Xiao Man showing her painful expression: "Aiyo, so hurt, really hurt, Big Uncle, you say will it leave a scar? Hu, how will I face other people in the future later?"

"It just sprinkled by warm water won't leave any scar." Said Han Li Shang sitting at the bed side, one of his hand is covered the ice towel to her wounds.

Geez! Damn big uncle just expectedly really good in ruining atmosphere, she thought, he would act like Feng Chen Yi when Yao Yao being paw by kitten saying... 'Rest assured, if there left scar, if no one wants you, I will marry you.'

That time when Gong Xiao Man listened to Yao Yao narrated, actually she was so envious her for long time.

It is so obviously Feng Chen Yi is cold person, while this big uncle also someone who is cold person, but how could both of them have such big differences?

Perhaps...

During that time, did Feng Chen Yi have fallen for Yao Yao?

If it was the case, it seems Feng Chen Yi has loved Yao Yao for such long time, after all that time when Yao Yao got paw by kitten she was only 13 years old.

"Well, big uncle, if I really have scar, no one wants me, will you want me?" Gong Xiao Man is seriously looked at Han Li Shang, her eyes are filled with expectation.

He is coldly lifting his head: "If really there is no one wants you, I will responsible to look boyfriend for you."

"Cut it off, you are so bad at coaxing girl? You even can't speak lie?" Gong Xiao Man feels lost and furrowed, not happy tsk her mouth.

Does she really need Han Li Shang to introduce her a boyfriend? Though her arm will leave scar, there still a person wants her. She is Gong Xiao Man who won't go to that stage which no one wants her."

"Little girl, I never said something sweet like honey before, moreover, inside my heart I always thought you as my little sister, so that there is no need to coax you."

After listened to Han Li Shang spoke without any emotion, Gong Xiao Man creased her forehead, quickly she glared at him: "What do you mean by saying this? Do you want to tell me, there is no possibility between us? Or what?"

"You know by yourself is more than enough!"

"Ha, my heart knows very well is enough? Big uncle, you don't tell me, you especially brought me to here only to tell me this thing!"

After heard the question from Gong Xiao Man, Han Li Shang sink into silent.

At that time, Gong Xiao Man feels her heart as if pierce by something, it pains, she thought, perhaps this big uncle might have feeling toward her even little bit, at least he still showing panic expression when seeing her gets hurt, but now it seems, he just looking for right opportunity to let her know, between them are impossible?.

Episode 234

"Han Li Shang! If you thought I am too young and bring off age as reason, well, I can prove to you, I am not little girl anymore, I am woman!" said Gong Xiao Man stands up; she doesn't care about her wounds, immediately she undressed herself.

When she is half undressing herself, at sudden Han Li Shang stands up... "Enough!" his face is freezes pair of his hand is stopped her and pressed her down to bed. "There is no use to prove something like this toward me? Are you such cheap?"

Cheap?

He MF thought that she really acts like this to every man? He MF really thought that Gong Xiao Man such slutty?

Most of people said, woman pursuing man is alike layer of yarn (easy), but now for Gong Xiao Man female pursuing male isn't such easy? Perhaps, because facing this big uncle, facing this person who won't burn with passion flame of human world, this man will be this difficult?

There is losing in her eyes when looking at Han Li Shang pair of cold eyes, ha, lot of people say men are kind of creature who think with their lower part? How could when she is approaching Han Li Shang in half naked, but she doesn't see anything except cold pair of his eyes? Why doesn't she see that \*\* in his eyes, does she not have any charm? Or this man's heart doesn't even moved by her, tempted by her?

"Hey, Big Uncle, you really think I like you? I just want to prove to you that I am not a little girl, that's all. Remember, don't be so easy to take age as excuse, in my eyes you are a man. I hope you to see me in your eyes as a woman because I am a woman and not so whatever little girl!" Gong Xiao Man spoke coldly, her eyes sweeping and measure him: "Do you think this position pressing me is okay? People who don't know will think you want to rape me!"

Han Li Shang also realized pressing her in this way quite odd, hurried he takes away his hand that pressed Gong Xiao Man's hand, slowly he sits in the bedside.

"Dressed yourself first."

"S...." suddenly Gong Xiao Man gasped.

Han Li Shang turned his back: "Are you okay?"

"What okay, just now you are pressing at my wounds."

He is helplessly frowning, slowly raises her wrist looked at the wounds in her arm. Suddenly he feels something off, his eyes are glancing at her body which only wear bra: "Dressed first." His speaking tone is gradually softer.

"You hold my hand, how can I dress."

Helplessly, Han Li Shang loosens up her hand, looking at the time...

Episode 235

"It has already be so late, If you want to back to school then back to school, if you want stay here, just stay here, I take my leave first."

Han Li Shang is going to leave, Gong Xiao Man unhappily rolled her eyes: "Big Uncle, can you have a common sense, do you know if burning wounds can cause fever at night, so you want to leave me without anyone to take care of me?"

"Later I will call Yao Yao to accompany you."

"Yao Yao has Yao Yao own matter, since you are responsible about me, you must responsible to the end, how can you not have any responsible sense?"

Facing with this smooth-talker little girl, Han Li Shang really does not want to waste his saliva to argue with her, hurried he takes a chair and sits down: "You sleep, I accompany you in here! Can it?"

"Hihihi." Gong Xiao Man is secretly laughing, people said that older man will be able to give sense of security, from Han Li Shang's she could perfectly feel secure feeling. If the man is someone in tenth or early in twenties, little brat, they won't care too much, perhaps has already left very early.

"Big Uncle, are sure to spend the night sitting in chair?"

"Do you think?" Han Li Shang impatiently spoke.

"The bed is such big, you can sleep at the other side. If you are afraid I will act unruly toward you, well, there is no big deal you just put few of pillows in our middle."

"No need!"

"Hey, what do you mean, actually you want to come here or not, I am a woman does not fear to sleep with you, a man, what are you afraid of?" Gong Xiao Man hasn't stopped to provoking.

What to say, Han Li Shang is a man in his thirties, how could he does not see the scheme that Gong Xiao Man sets? But man needs to have face, a little girl could say something out of limit, if he is declining her, it seems that he is like what she said.

Expressionless he lays down at the bed side, backing Gong Xiao Man.

Seeing his back, Gong Xiao Man stunned for moment and shows her satisfied expression, huh, what a pity little girl, she feels very happy only by the man gives her little bit taste of sweetness, it able to satisfy her, really poor.

Time, @ticking ticking! passing by, Han Li Shang breathing is heavier, he could feel that he really felt asleep. Beautiful man is sleeping in her front but how could Gong Xiao Man not be able to sleep.

Damn, is this big uncle really a monk? Only little bit, how could he not have any thought even for a little bit? Although she does not own an empress beauty but she is also not ugly? How could he sleep this soundly?

Gong Xiao Man hates gritting her teeth, gently she sat up, arched, and carefully she stares at Han Li Shang sleeping face.

His curling eyelashes, his white skin, his strong neck, not too thick and thin lips, how can this big uncle such handsome?

It is not she never seen any handsome man before, Qi Lian Ao Yun, Feng Chen Yi, Long Qi and others, but only in Han Li Shang and Yu Ao Tian she could feel the masculine of maturity man which have strong charming aura.

Now days, there are many handsome men, but handsome men with masculine maturity charm are really rare to meet. It is kind of charming aura which not able to resist by little girl.

When she thought about it, Gong Xiao Man is gulping her saliva, gently she brushes her lips to his lips.

Hihi....

A faint smile of satisfaction, she is happily comes closer to Han Li Shang's back, close pair of eyes, feeling not really satisfied, she opened wide her hand and hugging Han Li Shang's waist, happily sleep and go to her dream world.

While at this moment...

At sudden Han Li Shang wide open his pair of eyes, his frozen eyes are gleaming slightly. He is slowly raises his hand and stroking his lips, "Tck" heave a sighed, he is helplessly stroking his head, just expected he really could not do anything toward this little girl!.

Episode 236

Feng Chen Yi with his expressionless face is dragging Yao Yao to the quiet sidelines.

When his footstep stopped, Yao Yao is pissed off swaying his hand to let her hand off: "Feng Chen Yi, what do you want?"

"It not like you never stayed at Japan, don't you know Yu Ao Tian's background?" obviously, Feng Chen Yi is provoked by the kiss mark in Yao Yao's neck, finally he vent out his emotion.

"I know!"

"Well, do you know or not how many women Yu Ao Tian have?"

"I also know it!"

"Ha, didn't you say, you want to find a man who only sincere to love you solely; does Yu Ao Tian is someone who can be yours only? Is he really loves you?"

"He..." Yu Ao Tian absolutely could not have her only, after her interaction with him for this time, she really witness Yu Ao Tian charm, he is destined not to be a man who belongs only to one woman. She more willingly to believe, Feng Chen Yi perhaps will only love one woman. "There is none of your business."

"That's right, none of my business. He is your boyfriend, either you are happy or hurt, only you who know it!"

Seeing how unstable Feng Chen Yi's mood, actually Yao Yao is helpless, this stupid, he thought that she will be so hurt if Yu Ao Tian have many women? Why must she hurt? Anyway she does not have feeling for him. But this is also good too, as long as Feng Chen Yi thought she really loves Yu Ao Tian, everything is good.

But Yao Yao does not know, more she showing her loving expression toward Yu Ao Tian, more Feng Chen Yi won't give up.

Love, this thing is such strange.

There is time, seeing the person we ever loved is happy, though we are hurt but still we will give up and giving them blessing; but there also a time when seeing the person we ever love sad, forever we won't ever to give up, forever hatred want to snatch that person back to our side. Perhaps, this is called as love; always hate to admit to let the person we loved get the greatest happiness.

All are mingling in high society circle, Yu Ao Tian rumour isn't something that Feng Chen Yi never heard before, so that, he never suspected Yao Yao's boyfriend would be Yu Ao Tian; he also never suspicious, Yu Ao Tian would say Yao Yao as his girlfriend. After all, these two men are too out of place.

Now when the truth revealed, no matter the reason because they ever had relationship or not in the past, he won't ever feel peace to hand over Yao Yao to man like Yu Ao Tian!

His cold eyes are looked at her neck; that kiss mark as if a knife which piercing into his eye balls. "Where is the necklace?"

"What necklace?"

"The necklace which I gave you!"

Yao Yao is dumfounded, her eyes are avoiding to left and right: "Throw, have thrown it!"

"Say it one more time!"

"Have thrown it!"

An instant Fen Chen Yi is fuming in rage, at sudden he grabbed Yao Yao's neck for the necklace, using forced to take it off...

They knew each other when Yao Yao was 13 years old, every times she was lying at one glance Feng Chen Yi always found out, included this time! But damn it! He knew that she was lying, but when he heard she said "Thrown" this word, his heart still ache!

Episode 237

The key shape necklace is fallen on the ground, the crisp sound of the fallen necklace followed by a deep voice...

"Chen Yi, suddenly you bring out my girlfriend don't you think this little bit impolite?" Yu Ao Tian is slowly walking in front of them, bend half his body to pick up the necklace, ambiguously smile.

Yao Yao heart is tightened, at sudden turned back, seeing Yu Ao Tian is playing with that necklace in his big hand, slowly she walked to his side.

At this moment, Long Ye and Ou Yan Zi Xuan are hurried come nearer.

"Haha, I apologized CEO Yu, I just want to have 'private' talked with Yao Yao regarding our past, reminisce the old days." Feng Chen Yi facial expression changed, his solemn face has slightly provocative.

"Reminisce?" Yu Ao Tian quietly glances at Yao Yao and once again looks at Feng Chen Yi.

"Yes. Reminisce. I have forgotten to tell CEO Yu, actually Yao Yao is my Ex-girlfriend, old friends meet, and it is unavoidable looking for quiet place to reminisce." Said Feng Chen Yi is smiling coldly, pulled Yao Yao into his embraces. Since Yu Ao Tian likes to play in dark, well he simply bring out three of them relationship in order to challenge him directly (announcing the war).

When Yu Ao Tian introduced Yao Yao, he had guessed Yu Ao Tian must know their relationship!

Episode 238

"Oh? That is." Yu Ao Tian is smiling deviously, his deep eyes are suddenly showed gloomy gleam, one of his hand is pulling back Yao Yao from Feng Chen Yi's to his embrace: "So you are the person from 2 years ago, when Yao Yao slept with me, said that you was the boyfriend who cheating."

Yao Yao heart is tightened, her moist eyes cast with gloom, yes...two years ago! The matter about two years ago, no one really knew it well other then Yu Ao Tian, right?

"You! You slept with him two years ago?" Feng Chen Yi recalled the scenery when he met Yao Yao with man's suit in school garden, that time she told him that she was looking for one night stand sex, he thought she was speaking because of anger, did... it real?

But another moment, his unstable mood calm down! "My beloved, not long time ago when you were sleeping with me you had said that nothing was happened between you and your boyfriend? Actually were you lying or CEO Yu is lying?"

Feng...

What does Feng Chen Yi say? How could he say something mislead?

Yes! She had ever said to Feng Chen Yi that she and Yu Ao Tian never happened anything, but it has reason!

Her stiff body slowly shivering, she is nervously slowly glancing at Yu Ao Tian...

He is curled his hand into fist until showing his vein, his forehead veins also clearly seen, when Yu Ao Tian cold expression caught by Yao Yao's eyes, she is helplessly inhale cold air.

This time Feng Chen Yi is too much, really too much!

When everyone has not 'digest' Feng Chen Yi's word, something surprising is happened, his mouth is curved upward, his sexy lips suddenly kiss on Yao Yao's lips.

This kiss, so superficial, but it enough to push a war to become white-hot.

"Hm, really give a familiar taste." Feng Chen Yi sneered lick his lips, provocative, his eyes looking at Yu Ao Tian: "CEO Yu, you won't be minding right? This is only etiquette kiss.

"

Ou Yang Zi Xuan who is standing beside has already looked with dumbfounded expression, Feng Chen Yi really does mean to fight with Yu Ao tian, although... if these two persons really wants to start a war, who will win and lose it still hard to say.

"Don't mind. Is it only etiquette kissed, right?" If not because Long Ye, perhaps the suffocating atmosphere might keep on continuing, these two men if they really want to make moves perhaps they are able to ruin half of China, he is faintly smiles, alike an arrow dash in front of Feng Chen Yi.

Without wait to his response, Long Ye has landed his lips to Feng Chen Yi's lips.

"Ugh..." the atmosphere which looks alike battlefield filled with fire and smoke at sudden turned to be funny scenery because of Long Ye sudden movement.

Feng Chen Yi's face is darkening: "General Manager Long, what are you doing?"

"Haha, General Manager Feng, I just want to give you an etiquette kiss, that's all." Said Long Ye is gently smiling.

Though, he really does not willing to kiss a man, but only by this way it could postponed the war....

Episode 239

Standing and keep on silent, Yao Yao has been staring blank from the beginning, she does not understand anything? How thing turn to be this way? Why Feng Chen Yi kissed her in front of Yu Ao Tian?

She is pissed off biting hard her lips, tighten her fists, swaying away Yu Ao Tian's hand which in her shoulder, she is quickly running away without looking back.

“So you were the man from 2 years ago, letting Yao Yao to sleep with me, as heard that boyfriend was cheating.”

“My Beloved, not long ago when you were sleeping with me you had told me that nothing was happened between you and your boyfriend? Actually who is lying, you or CEO Yu who is lying?”

How could they act this way? How could they speak without any consideration? How to make General Manager Long and Ou Yang Zi Xuan who are standing beside to look at her?

Is she one hundred percent slut? Or a slut who will sleep with anyone?

Both of them are selfish men, really and really selfish.

Tears are flowing wetting Yao Yao's face, under the dark night sky, the petite figure seems to be weak.

Perhaps, in people eyes, they thought she might have happiness; there are two extra ordinary men who fight for her. But, whether the today Yu Ao Tian or Feng Chen Yi, both of them are only leave Yao Yao pain, unlimited pain.

Both of them are indeed never thought and try to put on her shoes, on contrary both of them are scarifying her in this kind of situation and dumped her.

She is so clearly, in that situation they are used her to be a bullet to shot each others. But, she is human, not a bullet, and also not a thing, there is no one who put themselves on her shoes, thinking about her even for moment!

Ha, hovering around in between two strong men, the feel really bad.

Facing with the heartless Yu Ao Tian, Yao Yao really does not have any expectation, anyway both of them don't have any feeling for each other; while facing with Feng Chen Yi who she ever loved, she really wanted to know, both of them had already broke up, he also doesn't have any responsible to think about her.

Only by this, it feels better. Anyone doesn't need to owe at anyone, no need to considering for feeling and getting along. And then, persevere for three years, after three years; she could free herself from this heartless game. Doing whatever she likes...

Inside the apartment.

(key, opening door sound)

The door is opened, when Yao Yao arrived half hour later, Yu Ao Tian has back.

Her eyes are staring, coldly swept at him, bitterly gritting her teeth: "Today result, are you satisfied?"

"En?" Yu Ao Tian face is darkened; didn't he hear mistaken? After all this little thing is asking him with this kind of tone?

"Ha, little thing, do you know what are you talking?" the key in his hand is thrown to the floor, the sound is piercing ears.

Yao Yao is angry, stand up: "Yu Ao Tian, you dare to say, these days you are treating me very well, aren't you waiting for today? this scenery? Since you had known my relationship with Feng Chen Yi, why did you arrange this kind of coincides of meeting, do you want me to look bad?" she said coldly: "Ha, now finally I understood what did Qi Lian sunbae meant, unexpectedly whatever he said wasn't wrong, you, Yu Ao Tian whenever you are you will always scheming, you have your own goal!"

She really admires Yu Ao Tian (in negative way), how could he control everything very well, able to make everything as if a chess game, while others people are his chess pieces, being controlled by him, this kind of man really so scary, right?

"Little thing, before you said all things, have you thought about your status?" Yu Ao Tian sneered, slowly walking in front of her, his good looking face has a trace of chilling expression.

"I know about my status, no need you to..." at sudden, Yao Yao seems to react, her anger emotion an instantaneous changes at sudden.

"Finally you are reacting?" He is stretching his body, his face does not have any expression, sitting on the sofa, chastise looking at Yao Yao who is in his in front.

Under...

Understood!

Regarding the meeting with Feng Chen Yi was Yu Ao Tian plan, it is better to say at this moment is the starting game by Yu Ao Tian!

If she really does not have any feeling toward Feng Chen Yi, she would not be so afraid to meet her ex-boyfriend, so that the trap which set up by Yu Ao Tian would be zero; if... she still have feeling for Feng Chen Yi, she would be very angry when facing, or feeling afraid, without she realized she had fallen into Yu Ao Tian's trap.

So that, Yu Ao Tian didn't intent to make her looked bad or Feng Chen Yi, but he just wanted to test water... regarding her feeling toward Feng Chen Yi...

Episode 240

Should say Yu Ao Tian has very careful thought, also deep? Or must say this time Yao Yao is the one who too stupid?

"Little thing, have done to question me, now... it is my turn to ask you!" said Yu Ao Tian who face is still darken, he pulled Yao Yao into his embraces, his cold big hand is pinching her chin, slowly showing his sinister face: "Actually, what kind of reason, you could tell your ex-boyfriend, we, never happened anything!"

Her heart feels as if being suppressed by stone, strangely chills are covered her whole body.

This word said by Feng Chen Yi was so sharp; it makes her totally in cornered.

The important is not about whether she slept with whom and in whose bed, because until today Yu Ao Tian knows very well she is still virgin. But the main matter is why must she say that to Feng Chen Yi, there is nothing ever happened between her and Yu Ao Tian.

Cannot give an explanation, acting might turn to be reality, she has released signal to Feng Chen Yi, as if telling him... 'I am still virgin, I still pure, you wait for me.'

But the fact isn't it, that time when she told Feng Chen Yi those words, she didn't mean to prove whatever but simply hope him to let her go, that's all.

But would Yu Ao Tian believe?

Both of them are not having any feeling, also do not have any trust, by that way although she trying to give an explanation it would feel too much, moreover the person is Yu Ao Tian? After all, Yu Ao Tian does not understand Feng Chen Yi's characters.

Her lips are trembling, but she not utters any sound, she really afraid speaks wrong in front of Yu Ao Tian which will anger him.

Long time, Yu Ao Tian does not wait until she regained herself. "Ha." His face is showing gloom smile, his deep black eyes flashed, at sudden he pushes her.

..

ꣳPeng' her forehead hit table corner, the blood dripping down blurry her eyes.

"Yu..." when Yao Yao lifts her head up, she is looking for Yu Ao Tian's shadow, the iron gate closed sound is echoing in her ears, he has left...

The next morning.

Yao Yao has sat down in the living room for the entire night, as long as she heard the any movement or any sound, she would think whether Yu Ao Tian coming back or not?

But this apartment which is living by Long Ye or Mo Xue Tong who are returning back at home.

Based on Yu Ao Tian character, Yao Yao knows it very well he won't show up in front of her in this short time.

If in the past, she really wished Yu Ao Tian went missing for more few days, but this time, she really hopes he could show up immediately in front of her, even only few minutes, as long as giving her an opportunity to explain.

Although he not believes on her, although he will be angry, it is nothing matter. Because, she feels little bit regret, about yesterday night hesitation, she even let her chance to give explanation slip away..
