Episode 255

When that statement of confession showed to in front of all the people, Yu Ao Tian pair of dark eyes flashed, he has guessed that this matter must be 100% filling case! Zeng Kai Rui ability hasn't changed even after few ten years!

"Ah, so this is the case." Yao Yao helplessly pouting her mouth: "There is no way."

"Haha, Miss Luo, can we take CEO Yu now?"

"En? Why you guys still want to take CEO Yu?" Yao Yao is intentionally asking pretending not understand.

Superintendent Officer Chen is obviously impatience: "Didn't you say that you want to see the evidence? Now I have shown it to you."

"That's right, nothing is wrong, you have shown the evidence, so that you must arrest the person who is needed to be arrested, but why do you still want to arrest my client?"

"Miss Luo, what do you mean?"

"What I mean? It is so simple!" Yao Yao face is darken, coldly said: "Berson Group legal representative is my client this is right, but the person who responsible for 3X group isn't him. The manager from sales division had written the state of confession very clear who is in charge of the matter!"

"That's right, if the person who in charge isn't CEO Yu then who will be the person?"

"Ha, every group has own each group process, as comparison the public security division alike you, all of you are directly work and take responsible under our Prime Minister, am I right? Should I arrest the prime minister when you guys commit wrong! Superintendent Officer Chen, you are causing disturbance without obvious reason!" This time Yao Yao is roaring, the atmosphere is sided Yu Ao Tian. At this moment her sweet side as if a powerful queen who control everything, while those of them are look like ministers who being shut by her, speechless cannot say anything.

"Luo...Miss Luo, according to you it means?"

She is coldly rolled her eyes toward Officer Chen, turned her back to Yu Ao Tian: "CEO Yu, the sales division manager is work under whom?"

At this moment Yu Ao Tian is silent, when he wanted to open his mouth, Long Ye has already move one step ahead:

"The sales division manager is work under my supervision."

"General Manager Long?" Yao Yao is opened wide her eyes, difficult she creased her forehead. Not long after, she moves one step ahead, whispered: "General Manager Long, you have faith on me, no matter this case they have evidence, I will still be able easily to bring you out."

"

"Ha, Xiao Meng Li, oh, no, I must call you as Great Lawyer Luo, today you let me to open wide my eyes, I have been surprised by you, how dare I not put faith in you?"

Seeing Long Ye charming smiles, she is shyly smiles, this kind of smile is showing how innocent, pure and sweet she is, at the moment, she changed from the domineering queen to sweet lovely little princess.

"Okay, Miss Luo, since this is the case, I will take General Manager Long go."

"Wait!" when she is turning her head that moment, her expression is change cold: "I have right to apply for General Manager Long to be taken away from the back door. Moreover this must strictly confidentiality."

"This is impossible!"

"Superintendent Officer Chen, if you are not agree with me, I will use my right as world class lawyer to sue the Chinese government with accusation by violating human rights! Once this matter getting bigger

until disturb the cooperation among countries, Superintendent Officer Chen, are you sure the consequence is something you can bear by yourself?" Yao Yao question as if a piercing sword, simply pierce into Chen Hong Sheng's heart.

This is one of the power which world class lawyer have, they have so many convenience, one of the convenience they have, is directly to apply a direct filling sue to the one country through united nations. So that, the world class Lawyer identity is being admired but also being feared by country.

"I understood, Miss Luo, I will do as you want." Unhappily Superintendent Officer Chen is clenched his hand into fist, turned his head and talked to his subordinate: "Bring General Manager Long through the back door."

"Yes, Superintendent Officer Chen."

Long Ye is brought by the ICAC officer leaving the office room, but not only this one, Yao Yao other identity is completely being exposed in front of many people..

Episode 256

As the entire process, The experienced Superintendent officer Chen could not say anything but had been led his nose by her, at last as if not arrested anyone, so they disgraceful left secretly from the back door.

☹hu...'

After sending off the ICAC officers, Yao Yao finally lets out heave sighed, this is her first time to exposed herself as world class lawyer (advance level)!

"Flat Chest! My older brother he..." Long Qi who is standing in front of the door quickly walking inside, his face is showing down expression.

She is confidently smiles: "Rest assured, the commercial (business) bribery case right, well even you are really bribed, it is only small problem. Within three days, I will bring out General Manager Long."

"Are you sure?" Long Qi is half belief and half disbelief creased his forehead, but after he recalled Yao Yao performance before, he believes she must be able to bring out his older brother: "Say something Flat Chest, what that called as World Class Lawyer license, after all it so awesome, why are you still going to study in school? Why don't you go directly to be lawyer?"

"Ugh...because I had joined the examination to get the world class lawyer license during my Senior High School, my study experience not so many. Moreover..." she is excitedly laughed, she showing up her little girl hesitation expression:

"Going to school can get many, many of scholarship."

Perhaps other people going to school because to find better job in the future, but Yao Yao is going to school... simply because... to get scholarship! [\*hit head to the wall].

"You.

.. are you actually an idiot, or genius?"

"So what? Why are you scolding me?" Yao Yao unhappy frowned.

Seeing her dummy expression, Long Qi finally believes the differences between idiot and genius only separate by one lines, more he sees Yao Yao now she more look alike an idiot.

But not to mention, perhaps he does not understand the world of Genius, and remembered, when Yu Ao Tian was rushed out from comfort zone, it was so obvious he could easily to get lot of things, but because in order pursuit the feeling of stimulation, he purposely lose that things from his hand, after that he will go to fight for it, when he almost get that thing, he lost it again, and then fight for it again, this action repeatedly, the people who witness him really wanted to curse him...

The genius is naturally born to be strange!

"MF, you go out working is earning more than your scholarship?" First time Long Qi has witnessed her ability to control the computers, later the ability to control the stock market, and many more, she is casually mentioning the other ability to ensure that she will get scholarship. Idiot, Yao Yao simply is an idiot!

"Ugh, I cannot use my Attorney license at my own will, I have my own difficulties." Yao Yao is showing her bitter face creased her forehead.

"What kind of difficult?"

"Because her teacher does not allow her to randomly uses her lawyer license before she at the age of 24!" suddenly, Yu Ao Tian voices flowing from her back.

Yao Yao expression tightened, quickly she turned her head: "You, how can you know it?"

He is smiling devilish, slowly sitting at his chair: "Three years ago, when I was in Japan I had encounters Sang De Si Xian Sheng (Mr. Sanders) he was so proud telling me he had accepted sixteen years old little girl in the Japan as his student, he was so certain that within one year his student would able to get world class Attorney license, but he was afraid his student was too young and fear to be used by bad people, hence... I gave him an idea. I told him to tell his student, when she at age 24 she could use her attorney license and exposed her identity."

This Mr. Sanders is the head of world class lawyer community, and also Yao Yao's teacher (master).

Among few coincidences of fate Yu Ao Tian and Mr. Sanders are becoming a good friend, that time three years ago when Mr. Sanders talked about his little student, Yu Ao Tian never had thought about it before. After 3 years of substance, he encountered Yao Yao again, moreover he even investigated that Yao Yao is law student, if he count back, the time of counting back, he suspects that 16 years old little student perhaps Yao Yao.

So that, when Yao Yao exposed her identity, he didn't feel any surprised.

"Woah, so that when my teacher told me that I able to use my lawyer license at age of 24 it was your idea!" Yao Yao little mouth is shaped in O, feeling all of this really so coincidence.

"Little Thing, can you not listen to your teacher's words?"

"Ugh, seriously if my teacher found out he might pissed off, but.

.." her pair of eyes are flashed, smiles devilish: "My teacher is one hundred years won't show up once, he won't be found out, hihi."

"Are you sure? Ah..." Yu Ao Tian is helplessly smiles: "Perhaps this time you might meet your teacher."

Her devilish smile in her small face at sudden changed to be stiffen: "You... impossible you... you are asking my teacher, asking my teacher to be your solicitor?"

"That's right." When Yu Ao Tian representative Lawyer had run away to South Africa, he has ordered Han Li Shang to look for lawyer, but Han Li Shang hasn't found any suitable candidate, helplessly, yesterday night, Yu Ao Tian had made a phone call to Mr. Sanders, inviting him for his help.

So that, when the commercial bribery case broke out, his first choice is to leave, because he is waiting for Mr. Sanders appearance.

"I begging you... you, you tell my teacher to go back." Yao Yao with her small begging face walking to the in front of chair, with pity eyes looked at him.

"I knew your lawyer had run away to South Africa, I can completely to replace his position, help you to settle everything, all just give me to do, okay?"..

Episode 257

"That's right, Ao Tian Ge (Brother Ao Tian), just give the case to Yao Yao." at beside Long Qi is encouraging.

He is silent for moment, his good looking face is slowly curved upward: "Little Thing, if you are really still wanted to help me, perhaps you may use your license many times? When the time arrived, though I don't invite your teacher come here, don't your teacher will still find it out, right?"

"Aiya, this is not the problem! Actually, teacher indeed told me that I can use my Attorney license when I at 24 years, but he also ever said if I have real client, I can use my Attorney License earlier. I asked you not to invite my teacher to come here because my teacher, him...tck!" such frustrating, if Yu Ao Tian really inviting teacher to appear here, she really does not need to show up today!

"Okay, I won't tease you anymore, Little Thing." Yu Ao Tian showed her a wry smile, he clearly knows the reason why Yao Yao dislikes her teacher coming over, the main point because Mr. Sanders is someone odd, simply to say he is very similar with crazy person, even when he gets in touch with Mr. Sanders most of time silent. "Later I will make a phone call to your teacher, asking him no need to come here anymore."

"Thank you!"

"Hence as you said about client and solicitor, later will find one."

"Why?" Yao Yao not understand creased her forehead.

"That's right, Ao Tian, why, we have Flat Chest, isn't it better?"

"Ah, the reason is so easy, I am must be the client that you don't want to have!" there is slightest meaning inside Yu Ao Tian's words, he is exchanging sights with Han Li Shang.

They are standing in muddy water, this is something not suitable to let Yao Yao to joining them! At least, the current her is 'clean', there is no way for her to join into their group as one of them.

"Are you pointed at the commercial bribery case? According to my bottom line, this is not something unfair practice, as long as there is not death people, or fraud, all aren't included my bottom line."

After hearing Yao Yao begging tone, helplessly Yu Ao Tian gives a wry smile, he knows very well and obviously his dark world, that world isn't something that Yao Yao can bear. "Little Thing, are you really want to be my solicitor?"

If, she isn't Yu Ao Tian's lover, or doesn't have 'insulting poster' blow out, this matter, she really wanted to wait until her age reached 24 and starting her Attorney career.

But now...

She really wanted to prove herself to everyone, she isn't a lover who is being supported by Yu Ao Tian, she is someone who has career, someone has dream, though she indeed accepted Yu Ao Tian's money! "Yes, let me to become your representative lawyer, even to help you to survive until the election for politician, it's okay."

"Okay."

"Ao Tian!" Han Li Shang unsatisfied frowning.

Yu Ao Tian is signaling it's okay to Han Li Shang by waving his hand: "Wait after the election then we have further talk."

"Thank you." she is smiling sweetly, when afternoon her dim eyes are casting gloomy but at this moment her eyes are beaming, finally the time comes for she to prove herself 'value'!

Episode 258

"Ugh, that's right, how about the business bribery case?" at sudden Long Qi brings back the main topic.

Yao Yao frowned: "Oh yeah, I almost forget about it." she uses little bit strength to hit her head: "This case indeed has very simple solution, but I had investigated Berson in US listed market, The US government is very sensitive with Commercial (Business) bribery case, so that once some media have

made disadvantage reports, the US government is likely to suspend the activity, it can take one month at least or could be to one year, so this..."

"It will be affecting Berson stocks in China?" Said Yu Ao Tian.

Yao Yao is certain about it and nodding her head: "That it! So that, Ao Tian, you have few things to do now."

"Said."

"First, you must seek for dependable media to make the surface report about this case; the second, since I had told Officer Chen to strictly keep this matter, so the news General Manager Long being taken won't be exposed. But in order to prevent unwanted thing, this few days you must go high profile, higher it be better it will be. Including Vice CEO Han, you also must do it, going to the banquet or any invitation, in order to rout media suspicion. Until I solve everything."

"En." Yu Ao Tian smiles nodding his head: "So this few days, Long Qi, you need to accompany Yao Yao. Whatever she needs you must help her."

"Ok."

☒Knock' (Knocking sound)

Just at this time, Mo Xue Tong is slowly walking inside: "Ao Tian, the media which waiting in front of the entrance door had left. Others..." her pair of eyes gleaming cold, her eyes glancing at Yao Yao.

"It is okay, Xue Tong, just say it."

Yao Yao can sense, they are still on guard toward herself, but this is so normal, after all they have followed Yu Ao Tian many years, while she is only new lawyer who joined them.

"Others, I have investigated, the person who is in charged for 3X Group indeed has relationship with Zeng Kai Rui."

Zeng Kai Rui this name is brought up again, isn't he prime minister? Yao Yao can't help herself not to wonder and frowned, she can feel that Yu Ao Tian and the current Prime Minister Zeng have deep grudged for each other?

"Okay, I understood, Xue Tong, is there anything else?"

"No." When Mo Xue Tong wanted to leave, but her footsteps suddenly stopped, her cold eyes are sweeping at Yao Yao with measuring eyesight.

"Ugh?" seeing at Mo Xue Tong eyes look toward herself, she pursed her lips, but at other second... "Ah! I am so sorry, Miss Mo, this dress which I wore... It is yours..."

No wonder Mo Xue Tong especially feels this dress such familiar! She is creasing her forehead, glaring deathly to Long Qi.

"Sister Xue Tong, you don't blame me, it is Yao Yao who was asking me to help her to find mature outfit, so that I went to your home to take your dresses and also your makeup kit."

Mo Xue Tong does not say anything, but turned her body and left.

At this time, at sudden Yu Ao Tian good looking face is smiling devilish.

"En?" everyone is curious looked at him.

He hinting nothing wavering his hand: "All of you can leave."

"Oh." when Yao Yao is following Han Li Shang and also Long Qi going out, Yu Ao Tian opened his mouth and said:

"Little Thing, you stay."

"Heh?" she stopped her footstep, sending off Han Li Shang and Long Qi to leave.

Inside the office room is quiet, thinking carefully, the matter of yesterday hasn't settled, does Yu Ao Tian? He wants to bring up that topic? This time she must explain clearly to him?.

Episode 259

But, Yu Ao Tian isn't a person who likes to bring up old matter, this isn't his character, but will he revenges for himself from others matters to herself? Ah complicated!

Yao Yao worries still stood at her place.

Yu Ao Tian smiles devilish, with his fingers he pointed at her: "Come here."

"Huh..." she is nervous walking in front of the office desk.

He is hinting her to come in front his chair.

Yao Yao's heart is shivering when walking.

"Is it really Xue Tong's dress?"

"En."

Yu Ao Tian is staring at her with measuring eyes, that good looking face for once again is hinting slightly laughing expression: "You really have such huge 'difference' with Xue Tong, how can you wear her dress?"

Mo Xue Tong has height about 170 cm something, her body is perfect with appropriate balance, while Yao Yao only has height about 150 cm something, her body not too mention, it belongs to the 'wash board' type.

But this is really something unchangeable, since she is a type of baby face, if she does not wear mature clothes, how could she acts domineering.

"What do you mean?" at moment Yao Yao understood the meaning behind Yu Ao Tian's words, unhappily she is pulling her chest: "Though I have pinned brooch, but it also looks suitable ah."

"Really?" He is purposely showing unbelievable expression: "I don't believe you. You take off the brooch I want to see it."

"Take off then take off!" when she is going to insert her hand inside, she gained herself, turned at sudden: "You think I am foolish, if I take it off, you can see everything." really this person, Yu Ao Tian is rotten bastard! "I need to prepare all the data regarding the case, I take my leave first."

She is talking while walking, turning her body to leave, but Yu Ao Tian is grabbing her wrist at sudden, using strength to pull...

His deep voice flowing into her ears as if a magic charm, without waiting for Yao Yao response, at sudden he has already forced into her...

One of Yu Ao Tian's hand already moved her into his pair of leg, while one of his hand in his pant.

The words floating in her mind, this is her first time to hear his begging, more she could sense the today Yu Ao Tian is little bit uncontrolled, if not quickly to stop him, perhaps... "No, don't. Let me go."

"Give me!" the order which is not easy to refuse.

He quickly wants to release his fiery dragon, at this moment, his dragon has stood straight, this is enough to show his\*\* strong.

Yao Yao is scared wanted to escape from him, but this man has strongly gripped onto her waist, while his other hand take off her skirt, tossing aside.

When he is lifting up her body that moment, at sudden Yu Ao Tian stopped, that pair of eyes burn with\*\* immediately dimming: "What happened yesterday?"

"Isn't it because yesterday matter. But you are not acting like this before, at least you never forced me..." her body is in alarmed state and also shivering, Yu Ao Tian must because yesterday matter so that he wanted to punish her? Just as expected he is still angry, isn't he?

His face dim and silent, he takes her skirt, let her down from his leg and faster he zipped his pants.

His cold eyes are sweeping her nervous face, the wound in her forehead caught by his eyes...

He is creasing his forehead, he quickly withdrew his eyesight from her forehead, coldly said: "This morning Feng Chen Yi came to look for me, whatever he told me he had completely done it! No need to give any explanation."

Just a moment, Yu Ao Tian has gained himself back, between the glowing eyes is impenetrable gloss, his expression is only cold.

"Feng Chen Yi, why did he come to find you?" this morning? Didn't this morning...

☒you don't forget, Luo Yao Yao, I had said before, later I will let you live in miserable, but...both of you feeling really cannot stand with a little test!

☒Feng Chen Yi, you are really rotten bastard!

☒Anyway my image in your heart has turned to be like this. You remember, Luo Yao Yao, later this kind of thing will often happen, you better to prepare wet your face with yours tears!

Why Feng Chen Yi likes to act something like this? Every time when he meets her he will hurt her as if the wounds never healed, and then after he turned he would change to be someone who has warm heart.

She almost going to be crazy and torment because of Feng Chen Yi's attitude, this is also one of the reason why Yao Yao hates and also loves him!

Once time like this, second times like this, what does he want? Since he had said wanted to be rotten bastard, just keep on being one why must he do something like this?

Her eyes are showing complicated, looking at Yu Ao Tian's pair of eyes, but quickly she suppress that kind of eyesight which shouldn't show up.

Perhaps Feng Chen Yi has completely explained to Yu Ao Tian, so this matter must be settled, she does not want anything happen between her and Yu Ao Tian because of Feng Chen Yi.

"You go busy with your things."

"En?" is this mean done? If Yu Ao Tian not because yesterday matter punish her, so what did he do just now? "Oh.

.."

Yao Yao is hurried going out from office room with questioned expression.

After she left, Yu Ao Tian let out his tensed feeling at sudden: "Damn!" he clenched his hand into fist, hit on his table.

He really does not want to believe just now he was losing control of himself!

It has been so long, there is no woman could make him this crazy, losing control of himself and also his rational, just now that moment, he was simply wanted that little thing.

He still remembers, when he signed the lover contract with her, he thought this little thing would not give any\*\* to him, at least time could give a prove, he could control himself very well before.

Until, just now, Yao Yao has exposed her sexiness as woman, that side of her feminism, the vibration in her words, her confident look, it was not only astonishing Long Ye but also Yu Ao Tian.

That moment, he really could not wait wanting this little thing.

Speak honestly, the woman who able to thump and flattering Yu Ao Tian's heart is woman with charm.

"Ah." He lets out self-mocking laughed, deep inside his pair of eyes flashed lusting gleam: "Just wish this little thing won't too often to show this side of hers." or else sooner or later, there will a day he won't be able to suppress his desire for this beautiful growing fruit.

No matter what is going on, today he has done something meaningful, and that is...

The debt that owed by Feng Chen Yi today, he had paid it.

He has especially told Yao Yao, today matter when Feng Chen Yi looking for him, it because he does not want make himself owed anything toward his rival.

No matter Yu Ao Tian or Feng Chen Yi, though both of them are having different character but actually both of them are type of domineering men and like to feel the adrenaline stimulus, so that both of them like to 'several hundred' steps before attacks, this because they wanted to stimulate themselves to be more interested in....
