Staring at his handsome face, deep black eyes, also his charming smiles, actually she feels an impulsive to smile back to him, why this man can facing everything with such calm as if nothing never happened?

Oh, that's right, he always been like this, right?

When he was with Li Mei Yun that girlfriend, also when he with her, he also didn't feel sorry or guilty toward Li Mei Yun, anyway in his eyes every woman isn't something valuable, is it?

On this moment he gives you a feeling, let you to stay beside him, but once you do something he dislikes, he will immediately dump you.

Ha, he really the infamous cold-blood and also heartless man!

"It is not on purpose avoiding you, but I really feel tired!" Yao Yao gives fake smile, she really wanted flee from his embraces.

Who knows, Yu Ao Tian's hand are hugging her tighter, his fingers reach her chin slightly hard, slowly raising her chin up. The sexy lips burning hot brushing to hers.

Yu Ao Tian darken face is staring at her small face, his big hand are slowly make into fist: "Little Thing, is it because these few days I treating you too well, so that, you are trying to seek trouble for me?"

Ha, hahahahaha, she really curious, with what sort of mood Yu Ao Tian said these words? Does he think her as his pet?

Oh that's right, she is so similar with little dog who wagging her tail in front of him, as long as he called her out, she is seeking trouble for herself!!!

"Yes, it is me who seeks trouble for myself, or you are the person who don't keep your words!!!".

Episode 282

"What are you trying to say?"

"You had ever told me, you would break up with Shang Yun Yin!! But you?"

At sudden, Yu Ao Tian deep pair of eyes are gleaming brightly, finally he understood why suddenly this little thing pissed off!

"How could you know it?"

"It wasn't important how I found it out, the important thing is, why are you still together with her!! Hah?"

This is his first time to see Yao Yao showing her raged, if this is changed to be another woman, he could not guarantee himself won't give a slap, but this moment, he really wanted to know with what kind point of view Yao Yao could be this angry?

His cold evil face has a faint laughter, his body is leaning on sofa, not slow not in hurry, said: "That's my business. While you, with what kind of status questioned me?"

What... Status? Ha, earlier she knew that she shouldn't bring out this topic, after said it only to ashamed herself? He only spoke one words, she has already being speechless. After all, from the beginning her relationship with him is so unequal. Thinking to this point, Yao Yao is helplessly pressed down her anger to her heart, clenched into fist: "Using the status as your lawyer, can't I? I have told you, you together

with her there won't be any benefit for you, if you are not break up with her, just replaced me! I really can't help you anymore."

Finally the thing that never expected to be happened, it has happened.

At the beginning Yu Ao Tian still wanted to play vague expression, but after listened to Yao Yao last words, he is raging to the point he smashed all the tea cups into floor. "You are angry to me, because you think, Shang Yun Yin might affect my future career?"

"That's right!"

"Humph." Yu Ao Tian lets out cold humphed, he finds out lately he is more sentimental, he even thought little thing raged because or perhaps...

Takes deep breathe, expressionless he stood up: "Can I assume just now you are trying to threaten me with your words?"

Threaten? no, it isn't threaten.

But.... Although in order to cover up the fact, but just now her words were indeed filled with threaten. She knows very well due to Yu Ao Tian's character he won't accept himself being threaten with this, but she really hopes, this moment he could weaken little bit, step back little bit, break up with Shang Yun Yin...

That gleam eyes are facing to Yu Ao Tian gloomy eyes, she coldly said: "It up to you how to think it! Now, please you get out!!!"

"Little Thing, are you mistaken something? This is my house!" this is his first time being chased out by woman!

"But last time when you were asking me to stay here, you said in the future if both of us are quarreling, I stay and you are out!!!"

"You!!!" after he listened to this word, simply to say Yu Ao Tian is raged to the point his face turned to be green, purple, he really wanted to strangle this smooth talker little thing! But at sudden, he only can grit his teeth, laughed: "Very good." turned his back, 砰Bang' a sound, door being slammed the door, left....

Not long after Yu Ao Tian left, Yao Yao sits down in frustration. "How can thing turn to be like this?"

She had felt that herself little bit odd from the beginning, as if a wife who being cheated by her husband.

Things must not go to be this point, mustn't it? With what kind point of view she angered at him? Is it because she as Yu Ao Tian's lawyer, this status?

No!

This time, Yao Yao knows very well her feeling that unwillingly to see Yu Ao Tian together with Shang Yun Yin, it isn't because...

Shang Yun Yin could affect Yu Ao Tian's future career, but simply it because her personal mixed feeling.

叩knock knock knock' (knocking sound)

Yu Ao Tian left and went to Long's brother home.

Long Ye is opened the door, his face is exposing devilish expression: "Being chased out?"

"ahem..." his face is tighten, pretending to be calm, pulling the necktie which in his neck: "I just forgot to bring my key."

"Oh... So you mean, you wanted to stay with us?"

Episode 283

"En."

"Welcomed." Long Ye is giving a way by moved aside, let Yu Ao Tian to get in, he is slowly locked the room, smiled: "Oh yeah, Ao Tian, you must know, our apartment soundproof... Never been good."

"....." Yu Ao Tian can feel that as if a sword stabbed on his back, he is gritting his teeth, hurried changed the topic: "I am tired, I go to have rest first."

"Oh, go. Actually Ao Tian..

. Little Girl is simply jealous, can't you feel it?"

"....." it seems this apartment soundproof really such bad, even Long Ye who stayed at the second room could hear their arguing. "How can I feel her wings are already firm?"

"Little girl, when there is no feeling naturally she will consider many things, but once she has already had a bit of feeling, she won't think too much."

Regarding to Long Ye, Yu Ao Tian really to ignorant, because both of them were quarreling not loudly, so that he thought Long Ye didn't know the reason Yao Yao pissed off.

But....

There is a saying said that those who are closely cannot see clearly, the close distant between Yu Ao Tian and Yao Yao are seem not aware by both of them, the subtle changes in their relationship, while the spectator (outsider) who stayed close with them could see it so clearly...

Berson Group, Legal Division.

"Supervisor Xu, thank your help."

"Xiao Luo, if later on there is thing you are not understand you can come to find me and ask, it is okay."

"En." This is the first time for Yao Yao to take an initiative to discuss something with Supervisor Xu, since she was hastily becoming Yu Ao Tian's lawyer, basically everyday she is badly busy, so she didn't have time to say hello to her colleagues. If this time she didn't encounter difficult case, perhaps she won't have any chance to talk with this experienced supervisor Xu.

"Supervisor Xu, I take my leave first."

"En."

Walking out from Supervisor Xu's office room, Yao Yao lightly sigh a sigh of relief, after went through quiet night, she has understood.

Not long ago she was Yu Ao Tian's lover, although now she stills his lover, but now she is slowly looking for herself value. There is completely no need because of hot-headed for a while and also her sadness she lost this kind of best opportunity.

Moreover, although Yu Ao Tian is reconciled with Shang Yun Yin, it really can affect his career future but that's his decision. This is proven that he likes Shang Yun Yin so that he still has something with her\*.

If now she is blindly separating both of them, she might look as someone so despicable.

Moreover, if Yu Ao Tian is really broke up with Shang Yun Yin, what advantage she will get? After all, she clearly understood, between she and Yu Ao Tian there is no good ending, also she knows that he is someone who won't belong to any woman!

If she thinks by this way, suddenly she realized although Yu Ao Tian reconciled with Shang Yun Yin, actually this isn't bad thing too.

"Are you who named Luo Yao Yao?" suddenly a voice cut off her flowing mind.

Episode 284

Quickly Yao Yao turned and took a look, she realized in front of her are two women and one man. "Yes. Hello."

"Haha, we are yours colleagues. Since your coming, you keep staying on your office room, we are also feel not good if going to disturb you. Actually we are always thinking to throw you welcoming party."

Cold sweat.

She really never thought that the colleagues in legal division are such passionate. "I am sorry, really sorry, I have so many cases in my hands, so that I..."

"En, we knew it. Oh yeah, how old are you?" One of the female lawyer is looking her with measuring glance.

Today, Yao Yao is wearing casual clothes, moreover she does not put any makeup, so that her face is completely looked alike baby face. In order to avoid others suspicion, hurried she said, "I, I am 24 years old."

"24 years old?" few of the lawyers are exchanging their glances: "Haha, when you were just arrived we thought you are at your twenty, but now compare with first time, never thought you are 24 years, you really good in taking care your skin."

"Hahahahaha." Yao Yao is awkwardly laughing.

Few of the lawyer that exchanged their glances, one of the female lawyer turned her eyes, trying to dig something, asked: "Oh yeah, which university did you graduate from? What type of lawyer license do you have?"

"Ah? She stills a student, moreover regarding to her lawyer license, it is something that she could not mention..." "I, I had graduated from First University. I only have beginner lawyer license from Government."

"Only beginner lawyer license?" when Yao Yao told them, few of lawyers at the moment they seem to lose interest of her: "Ha, I thought you have at least Senior Lawyer License from Government. So you just have beginner license!!"

Every profession there will be comparison among them, even for the lawyer there is no exceptional. Under the normal circumstances the national lawyer's license and world class lawyer license qualification are equally divided at same level. It also divided into beginner, intermediate and Senior, those who has Senior (advance / high) license is considered as someone awesome. While for the beginner license it is completely newbie.

So that few of them are looking down at Yao Yao.

"Haha, Later if there is something that I don't understand, I still need to learn from you guys."

"Geez, I don't have time to take student, I am so busy." that woman talked with cold-shoulder tone, while her eyes are glancing at the woman beside her: "You can ask Miss Song to help you, she is nation intermediate lawyer."

"Forget it, are you trying to mock at me? In our company most of the lawyer are those who hold nation advance license?"

Still ask me to teach? I really afraid to be laughing stock."

"Who will laugh at you? Ah Song, as Junior Lawyer (beginner license holder), she even entered our company, your position has upgraded to one level."

"Heh, speak frankly it such weird, this is the first time our company accepting junior lawyer, this newbie."

"That's right." both of the women are having chit chat, as if both of them are purposely wanted to let Yao Yao heard it, act as if completely forgetting her presence.

An instantaneous Yao Yao can feel that they are not welcomed her, so that she only can secretly left.

There is no way, it seems something called as self-interest this thing really available, someone who have status will be respected, someone who does not have any will be despised.

Huh....

"Aiya, aiya, I even thought that little girl perhaps has advance license so that being valued-highly by CEO Yu, you guys say, she is Junior lawyer, how can she being accepted by CEO Yu?" seeing Yao Yao had already left, two women and one men, three of them are starting to gossip.

"Who knows, I also curious. Does she come from big background?"

"You may know that our CEO Yu, so far he never used people based on their background, he only valued their capability."

"Cut it off, but if that little girl is someone who related to CEO Yu, 'have special relation'?"

"En? Will she possible...." thinking to this point, few of them are laughing with mocking....

Episode 285

When it is lunch time, Yao Yao is stretching her body, tidying up her working desk and preparing herself to go to have lunch.

"Aish, wait wait..." when she is arrived in elevator, the elevator is slowly closed the door, she is quickly trying to enter it.

Actually her colleagues have obviously seen Yao Yao who was dashing to enter the elevator but they decided to ignore her and let the elevator to close the door, not waiting for her.

Did they do it... On purpose? Yao Yao is standing in front the elevator dumbstruck.

But at this time, suddenly the elevator door is opened.

It seems she has thought too much, perhaps her colleagues hadn't reacted, she smiles intending to thank them but her eyes spotted someone, that person is... Wang Han.

"Little girl, we meet again."

"Regional Director Wang?" she takes big step getting into the elevator, politely she smiles: "Actually not long ago I joined the company, I have intention to come to your room greeted you, but recently I was so busy, hence..."

"It's okay." Wang Han smiles elegantly, but his eyes are looked at few lawyer from legal division: "just now, didn't few of you hear Yao Yao asked for the elevator, waited her for moment?"

Few of the lawyer are exchanging their glances, they are tightlipped: Regional Director Wang, we really didn't hear it, we weren't doing it on purpose not give her an elevator."

"Well, why I could hear her although I also stood inside the elevator?" this year Wang Han is almost in his forty, he types of men who won't seek for problem but he also a man with temperament. Yao Yao is growing up with face that easy to be bullied, if no one stand for her, afraid later she will have difficulties mingle in legal division.

"Regional Director Wang..." at beside Yao Yao showed her difficulty expression while shaking her head toward Wang Han, she understood Wang Han intention, but really the result won't give any benefit to anyone.

Moreover, this isn't something big matter.

"Fiuh." Wang Han takes deep breathe, helplessly he shook his head.

By this time, the elevator stop at cafeteria. "Little Girl, I go to have my lunch."

"En, Regional Director Wang, see you again." Yao Yao is getting out from elevator after Wang Han.

Left few of the colleagues from legal division who looks each other. "Did you guys hear their conversation? That girl seems ever worked in Berson before?"

"It seems so. Sst... She knows Regional Director Wang, moreover his position isn't low, but inside the high management there aren't many youngsters."

"That's don't know.

Perhaps she is someone's relatives. It seems this little girl indeed has big background."

"Let her be, as long as not interfere each other, she doesn't provoke me, once she provoke me, I don't care whoever she is." few of colleagues are talking while get inside the cafeteria. They are choosing place near to the window. And then, by coincidence Yao Yao is sitting in pair table.

Not long after that, Long Ye hurried sat down in front of her.

"Hey, Hey, see, General Manager Long." few of the lawyer are pointing at Yao Yao secretly, while some of the lower management employees also glanced over and focus on Yao Yao.

After all, someone alike Long Ye who is coming from top management usually eat in private room or eating out, it so rare to spot them in cafeteria, naturally it's drawing out attention...

Episode 286

"Xiao Meng Li, last night when you were quarreling with Ao Tian, did you say something too over?" Long Ye asked with stern face.

She dumbfounded, how could General Manager Long know both of them were quarreling yesterday? "It seems I did..."

"What did you tell Ao Tian?"

"What happened? General Manager Long." seeing Long Ye worried face, she can feel some bad premonition.

"Today after we done with the meeting, Ao Tian was asking me to meet him personally, asked me to tell you, all the cases that handle by you must be given to Supervisor Xu."

"What?" does this mean Yu Ao Tian is going to replace her?

☑If you aren't breaking up with her, just replace me!

Ha, that's right, it seems yesterday she told him so, actually when she said this word, she had already guessed the result.

Really regret, it clear enough that Yu Ao Tian isn't afraid of any threatening, she really does not know how high sky is and how thick land is, she even dared to say such thing, is it comfortable now? She just found out her value but immediately it gone.

But....

This is also clearly proven the decision already decided by Yu Ao Tian, isn't it?

"Okay, I understood, later I will going to do the handover process." Yao Yao is forcing herself to give a smile.

But Long Ye sees her eyes are little bit moist: "Xiao Meng Li, you don't need in hurry to do handover process, let me have my lunch first and then I will going to check once again with Ao Tian."

"There is no need to check, General Manager Long, it not like you don't know Yu Ao Tian character who never said two after he said one. He said that he wanted to replace me, he must be replaced me, hahahaha."

"But it also not certain yet. You wait for me, I am going to take some food, I haven't had any since morning."

"Okay." her eyes are looking at Long Ye back who is leaving, the smile in her face gradually disappeared.

Actually during this time when she becoming Yu Ao Tian's lawyer, it can be said as one of the most wonderful time she ever had with Yu Ao Tian, she didn't need to think about herself status as Yu Ao Tian's lover, also she could show her strength proven that she came to help Yu Ao Tian.

But now...

Ha, even if Cinderella will have been hit back to the original shape after some of time, and so what with her? What kind of status is that kind of status, there is no way to change of it.

"Are you who called as Luo Yao Yao?" suddenly, in front of dine table two beautiful women are showing up.

Yao Yao lifts up her head, she is measuring both of the women, they don't have work permit card, they aren't company's employees. "Who are you?"

"I asked you, are you Luo Yao Yao or not?" one of the women are talking so fiercely.

She nodding her head: "En. Yes. You guys looking me for..."

Without waiting Yao Yao to finish her words, one of the women has already slapped her.

Five finger print in Yao Yao's face, she is dumbstruck. While that scenery is shocked people who having lunch inside the cafeteria, all the focus goes there.

Few of the security men who have seen, hurried to stop them.

"Such disgusting, the most hatred third wheel."

"Ha, just as I had said before, this Luo Yao Yao isn't what kind of good thing, being mistress, really want to know whose mistress she is, even being hunted to here, such embarrassing."

Those employees who see the commotion, at the beginning was quite surprised when found out the reason but then they were happily looked at her, those ridicules voices piercing into Yao Yao's ear.

This kind of feeling, it so resemble with the feeling when she was ridicule by students during at school, this kind of ashamed, no self-respect feeling.

Ah, she has already could not mingle in school, it seems she also cannot stay at Berson anymore, right?

Shouldn't, she shouldn't being Yu Ao Tian's lover, when she took this step, she had thought about this kind of ending before.

But...

Although she had thought about this kind of ending, in order for her Grandpa medication fee, was there any turning back for her?

"What are you doing?" suddenly Long Ye shouted at that group of people.

That woman who is constantly kicking Yao Yao immediately stopped: "Ye!! Is she the person? Currently you always have phone call with?" the woman is pulled Yao Yao's hair, with hatred she pointed at her face.

"Company's matter? Ha, talking about company matter, could it spend for entire night? You think that I didn't know that both of you are living together, this matter!!!"

"Uh...." when this woman said, inside the cafeteria indistinct noises coming from.

"What do you mean by?" she doubted blinking her eyes.

Yu Ao Tian's face is darkening, suddenly he pressed her down to bed: "It seems that I need to recall your memory about my body posture!"

"Don't... No!! Wait!!" wait wait... Nervously Yao Yao trying to calm down her mess up moods, perhaps this thing is coming too sudden, so that she does not prepare herself to examine it.

But at this moment it seems she gained herself: "You wanted to say, this man wasn't you, but other man? Shang Yun Yin was doing it with another man..

.. Being recorded and then the recording...sent to... TV station?" this mean, that day nothing was happened between Shang Yun Yin and Yu Ao Tian? "Why you did it?"

"You say?"

Staring at Yu Ao Tian pair of deep eyes, she dumbfounded blinking her eyes, but the next seconds....  
"The person who made me not able to lift up my head at school was...Shang Yun Yin?"

This speculation appear as if she too narcissist toward herself?

But... It just happened Yu Ao Tian asked why she didn't go to school yesterday, after that she received Shang Yun Yin short message, and today Shang Yun Yin's pornographic video being viral by helped of media

Did Yu Ao Tian do all these things only to help her to vent out her frustration and also give Shang Yun Yin a lesson?

Yao Yao is impatiently waiting for his answer.

Not long after that, Yu Ao Tian heave a sigh, slowly he stand up from her body, facing with her and nodded: "That's right."

"So why yesterday you didn't..

." her words hanging half, Yao Yao gulped it back, suddenly she remembered, this damn man is born naturally dislike to speak much nonsense with woman, furthermore giving an explanation!

But the problem is, he didn't explain, but how can other know the truth? At last, the thing had gone to such mess!

"Little Thing, you must believe in me!" at sudden, Yu Ao Tian expression changed to be so serious, staring at her pair of eyes.

This is the first time, first time for her to see a gleam of light in Yu Ao Tian's pair of eyes, does her eyes have problem?

This man no matter what he done his pair of eyes always deep pitch dark without bottom, no one can guess what his thought. But now, this pair of eyes actually shines a faint sheen sincere.

"It's not I don't believe in you, but since the beginning...You never gave me a chance to believe in you! While you...

Never believe on me too, am I right?"

Between both of them, everything is started from misunderstanding, together without any feeling, so it is so impossible to have faith and believe in each others!

"Alright. Since this day, let we start all over!"

Start... All over? What this... Mean?

Strangely, suddenly Yao Yao feels her heart having faint excitement, but at same time she is afraid to know the meaning behind Yu Ao Tian's words, but also she is expecting the true behind these words, such complicated.

Don't try to find it! Don't try to find the meaning behind the words, Yu Ao Tian isn't a man that she afford to have relationship with, he isn't! No! No!, her six sense tells Yao Yao, once thing happened, the ending and result isn't something she can bear, she really afraid, so scared to have man and woman relationship with Yu Ao Tian..
