Knock knock knock' (knocking sound)

When the atmosphere kind of frozen, suddenly the knocking sound of the door has broken the silent between them,

Long Ye pushed open the door: "Ao Tian, how long will you keep punish me to stand in front of the door?"

Yu Ao Tian is glancing at Yao Yao who beside him, with devilish smiles: "You ask her."

With her moisten eyes she stared at Yu Ao Tian, it seems what he said before only a joke, there is no such meaning behind it, perhaps?

Luckily General Manager Long is knocking the door and broke this tensed atmosphere, or else she really doesn't know what to do.

"My little ancestor, during the lunch time... I am so sorry." Long Ye felt guilty, bend down his body, bend toward the bedside, looking at her.

"General Manager Long, you don't need to say sorry to me, I know the commotion during the lunch time actually nothing to do with you."

"That's right! Still you are more sensible!" Long Ye let heave sighed of relief as if heavy burden has taken out, stood straight, clapping his hands...

Another second, two men in black suit show up, pressing down a woman whom body is stained with blood, walking inside. "Kneel down."

Although, the woman has been hit until her face swollen, but from the clothes she wears, Yao Yao at one glances still can recognize that woman as Long Ye's girl friend. "General Manager Long, you, this?"

"Still not hurry apologized!" this time there is not many pairs of eyes see, Long Ye does not care about his image, he shouted fiercely toward the woman who is kneeling in the floor.

"I am so sorry, I am so sorry, Miss Luo, I just know that you are CEO Yu's girlfriend, it was my fault to mistaken you, I am really sorry."

This woman is girlfriend that Long Ye dated not long ago, she simply thought that Long Ye is only General Manager of Berson Group, but now she has found out the bad sided of Long Ye!

"Forget it, it's okay." Yao Yao is forced to smile.

But Yu Ao Tian who is beside her can feel and see her sadness expression.

"Asked her to get lost!" Yu Ao Tian spoke coldly.

Two men in black suit give respect-bend and then take the woman to leave the place.

"Yao Yao, I had broken up with this woman, if you are still not comfortable, just tell Long Ye Ge Ge (Brother Long Ye),

Long Ye Ge Ge will help you to vent it out." Said Long Ye with gentle tone.

Yu Ao Tian who is sitting beside looking him with dagger eyesight: "Sweet-talk?"

"Look what are you saying Ao Tian, I have seen Xiao Meng Li as my little sister since the beginning. Am I right? Yao Yao."

"Haha." Yao Yao smiles sweetly, actually except the first time when they met, that first time when General Manager Long teasing (make fun of her) her, other than that time he always treating her well, furthermore judging from his age, becoming her older brother indeed quite well-to-do. "General Manager Long..."

"Still call me General Maanger Long?" Long Ye is pretending to show his unhappy expression.

Yu Ao Tian rolled his eyes, extending his hand to touch her shoulder, sneered: "Just called him Long Ye."

"Ao Tian! You this brat!!!"

Seeing both of them bantering, once again she can feel there are sort of warm and harmony atmosphere between them. And also who will know, normally both of these men are looked so aloof, actually in privately they also have an ordinary people's side? This side of them are able to give fascinating and also charming more people and also give more human's touch..

Episode 292

"Long Ye Ge Ge."

"En?"

"Don't you like Miss Mo? Why are you still dating with another woman?"

"....." Long Ye never thought Yao Yao would suddenly ask this question, he turned his gaze to look at Yu Ao Tian.

Yu Ao Tian also never thought Yao Yao would ask this question, hurried avoid Long Ye's gaze, turned away his head, his expression as if said... This matter is none of my business.

"Hehehehehe..

. Yao Yao, likes is likes, but both of us never dating, while I am a normal man, you, understand right?"

Although... Understood....

It means that Long Ye loves Miss Mo (one-sided love), and then because of 'the necessity', so that he would date any woman?

Ha, she recalled not long ago when Li Ruo Ting blamed her, she was vaguely revealed this signal, so that was the reason why Feng Chen Yi overstepped the bounds, because she could not satisfy him.

Do all the men type of creature who are thinking more with their lower part?

How about Yu Ao Tian? No Li Mei Yun and now also no Shang Yun Yin, while she also cannot give him anything regarding 'that thing', will he have another woman later?

Thinking to this point, there is slightly feared flashing in Yao Yao's eyes. Because what Long Ye's girlfriend did just now, really affected her, she really afraid if one day Yu Ao Tian's woman would come to find her, and then the result perhaps worst than now.

"Alright, I won't disturb both of you, I leave first." after said, Long Ye has gone and left them.

But his words was something irresponsible, it completely make the atmosphere between Yao Yao and Yu Ao Tian turned to be so awkward. Provoking her little heart, 'thump thump thump' beat so fast.

"You must be still so angry with that woman who hit you, right?"

Ah? This word said by Yu Ao Tian gives her head feeling numb, lifts her head up, she looked at his bottomless eyes, it gives her cold-shivering feeling.

That is such scary eyesight, if now she replied him 'yes', this word, and then would he...

Yao Yao knows more or less regarding to Yu Ao Tian's character, she afraid if she nodded her head, the next morning that woman's body might being in street!

"That, why are you asking?"

"Just now when that woman apologized, your eyes expression was kind of odd."

Haha, Yu Ao Tian indeed has great observation skill, if her heart just little bit has a wave, he might be able to detect it (feel it)? But...

Although he guessed it right but this time he is mistaken about the reason!

"I really didn't anger her anymore, but... It is more... Problem of myself."

"En?"

"Actually..." she gulped her saliva, taking deep breathe, trying to recall all the scenery which happened in company and also her feeling. "You think carefully, if that woman wasn't Long Ye Ge Ge's girlfriend, but... She was yours, today she dashed to company hit me, the ending would not this easy, coming in front me and apologized?"

Talking to this point, slowly Yao Yao's eyes gazing down, her eyes cannot restrain her emotion, the layer of mist in her eyes: "When first time she showed up in front of me, moreover when she hit me, I was extremely angry, so pissed off, the woman was giving me a feeling as if she was crazy bitch. But at the moment she yelled me as Third wheel, I really thought she as your girl friend. An instantaneous I felt I was such in wrong, furthermore so afraid, scared..."

Isn't the person who experienced this kind of thing would not know how her feeling, her helplessness, those surrounded eyes that see her with disdainful eyesight, women were hubbub, simply to say she hated herself and wanted to find a pillar<sup>2</sup>-smashed her head and go die, really too embarrassed, so embarrassed, after all today society isn't that open-minded which able to give Lover and third wheel a little space.

Episode 293

Yu Ao Tian who is sitting at bed side staring at her dim eyes, he wasn't there when that thing happened, also he could not feel her mood, but this moment, from her eyesight he could see the fear and helplessness which she experienced.

That deep pair and bottomless eyes measuring by seeing her face, the wounds in her body, slowly Yu Ao Tian is extending his hands, touch her bruise eyes corner with affection....

"sssh..." (sound of enduring pain)

Yao Yao cannot help herself to inhale one cold air.

Seeing from her bitter expression, these wounds aren't only left in her face but also inside her heart. "You, are you such caring with your status?"

"Haha." she helplessly smiles, curled up his pair of leg, her hands are tightly hugged it, prop her chin, slowly said: "If I don't care of it impossible for me not dared to go to school, moreover after I experienced such thing, I was running away and hiding in here."

Since gone out from Berson, until in the street, she felt as if everyone eyesight filled with disdain glance, as if everyone could see her status as Lover, despised her, looking down at her, the kind feeling of guilty conscience, she really felt it for such long time, too long...

"Huh." Yu Ao Tian sees her difficulty expression, sighed, and then takes out his mobile phone, dialed a phone number:

"Xue Tong, go to my safety box and then take the third document send it to Rui Sen Hotel which is next door of the company, room number 403."

Yao Yao absent-minded looked at him, Yu Ao Tian.

.. What is he doing?

\*\*

Rui Sen Hotel Entrance.

After Mo Xue Tong takes the document she walks faster, constantly moving forward to the hotel room which Yu Ao Tian told her, but when she just entered the big entrance, just in time Long Ye is walking out.

Both of them are exchanging their eyesight, Mo Xue Tong is hugging tightly the document she held, hurried avoided his eyesight and passed him.

But at the moment both of them passing each other, suddenly Long Ye grabbed her wrist: "Are you planning to use this kind of attitude to face me for your entire life?"

Mo Xue Tong expressionless looking to far away, after sometime, that cold eyes are slowly looking at him: "This is what you seek for!"

"That's right, this is what I seek for, I seek for..." Long Ye laughed mocking himself, but next second, his good looking face dimmer, whispering: "But whom changed me to this point?!!!"

Regarding to what he said, It is so obviously Mo Xue Tong doesn't think so: "This is your problem!"

"My problem? Mo Xue Tong, are you really wanted to force me to go crazy?" since Long Ye was in his tenth he has already mingled in this society, there was no matter that he could not solve. His character is such smooth, meeting human talk in human way, meeting ghost talk in ghost way, so that in Yu Long group, his nickname is 'diplomat'.

But Mo Xue Tong, only her, a person he cannot deal with, no matter with what kind of attitude he used to deal with her, she always answer him with her coldness!

"Long Ye, you must really to take a look your current self now, how failure you as person! You even couldn't watch your woman, even let her came to company to make commotion and done such embarrassed things. I see, your craziness is none of my business."

Staring at that pair of eyes which filled with disdain eyesight, since the day he met this woman who seems could not be burn with passionate, the way she looks at him always this kind of eyesight.

That's right, compare to Yu Ao Tian who has the ability to control the result, very obvious he is such lacking; compare to Han Li Shang who has high education background, he only someone who learnt everything by himself. And also compare to the family background of them, he is only a little scoundrel who roaming in the streets..

Episode 294

Regarding of Mo Xue Tong, she is princess from Japanese Royal Family, although her family was in straitened circumstances, stranding in ordinary people's place, but she always been in that high, aloof and splendid. In front of her, who is he? Although now he has everything, but in her eyes, forever he is always that lowly scoundrel, little scoundrel, that's all.

"Hahahahaha." Long Ye is laughing mocked at himself, slowly he loosen up her hand: "Since the day you know me, didn't I kind of failure person? Anyway, no matter how I work hard, in your eyes Mo Xue Tong... I just this kind of person!" after said, he turned and left.

Mo Xue Tong is coldly stared at his back and left, without any emotion turned back while he had left...

The distant between her face with this good looking face are close, she narrowed her eyes little bit, this is her first time to spot gentle and warmth in his face.

While he when applying the potion on her face, every fingers of his are gently touch her face, as if he is afraid will hurt her if he put little bit strength.

So that, someone alike Yu Ao Tian who does not have patience toward woman, there is also the time he could act this patience too, but perhaps at this moment, the today him perhaps is having good mood.

At this moment, Yao Yao really wanted to keep this scenery inside her heart, after all the moody Yu Ao Tian rare to show this kind side of him.

"Is there any wound in your body?"

Body? Yao Yao is nervously blinking her eyes, and then she moves her body: "my, my body didn't hurt."

"En? Bao Bei, if I found out there is wound, what kind of punishment should I give to you?" so that the gentle and warm expression in his face actually conceal his sinister intention.

She has guessed that the warmness side of Yu Ao Tian won't last long, but never thought it disappeared such quickly.

"I... My.

.. My body I do by myself."

"Take off!"

Cold sweat.... She isn't dummy, if she undress there won't any good ending. "I can do it by myself."

"Undress!" Yu Ao Tian is speaking with strong tone.

Yao Yao is in difficulty creased her forehead, dumbfounded not moving, inside her eyes as if a little sheep that going to slaughter doing for the final struggle.

And then at this moment...

Yu Ao Tian face is dimmer and glared at her, put down the medicine in his hand. Slowly walked toward the door. "Sorry bother you Xue Tong."

"It is my job, I leave first."

"Give." one cold word, Yu Ao Tian tossed the document to Yao Yao's.

"Ugh..." Yao Yao takes look at the document, flip and read it... So that the document is their lover contract agreement.

"Why are you... Giving me this?"

Yu Ao Tian stands silently while staring at her, after sometimes, he takes deep breathe: "Fiuh," quickly he takes the document from her hands and then...

❧ssst...' (tearing paper sound)

The legal contract which is not too thick has already turned to be pulped in his hand.

This time, she used 'I', and not 'you', remembered in the past when she asked this questioned to Yu Ao Tian, more or less the meaning, 'If you have another woman, can you dump me?' and now she has changed it into 'our relationship can be terminated right the way.'

"That's right, I never dated Shang Yun Yin, how could I break up with her? So that I only can replace you."

"You!!" Yu Ao Tian is really.... Smooth-talker (cunning)!!

"Alright Bao Bei." His expression changed to be serious: "Something comes up in the company, I must go there, you taking rest in here, I will pick you up later." after said, he bend his body little bit and gently kissed her forehead and then turned and left.

But Yao Yao face is blushing red, her heart skip beat, 'Thump' 'Thump' beat so fast.

"Really, is it really? What situation are we in?"

"Hahahahaha, it was him who taking an initiative to tear the lover contract agreement, moreover he said to me that I am not his lover anymore."

"En? Is it something good really happened?" Gong Xiao Man who is in the other side phone call rolled her eyes, she also cannot hear something alike unhappy from Yao Yao speaking tone, but she really wanted to know what make Yu Ao Tian finally let go of Yao Yao? "Beloved, what scheme are you used?"

"I didn't! It was him who took the initiative. Of course, perhaps because..." speaking to this point, Yao Yao excited expression gradually turned to be grateful..

Episode 299

"Because of what?"

"Anyway something exaggerating thing was happened, I told him, becomes his lover, I have such heavy burden, and then he torn the lover contract agreement."

"Ugh... It also cannot count as not having any relation." talking about this point, Yao Yao really have something that needed Gong Xiao Man guidance to teach her.

"What do you mean by this?"

"Ckckck, how to say. Yu Ao Tian said that, I don't need to be his lover, but within these three years I must not leave him. As you know, although there is no love contract anymore, he indeed had given me money." The paper contract is tied Yao Yao's hands and feet, although the contract agreement had gone, but she won't be forgotten the fact that she had sold herself to Yu Ao Tian.

"Ugh...isn't that... Also still called as Lover? It only changed from contract agreement to verbal agreement."

That's right, she also thought this way, but.... "But he also told me that, I am the only woman who beside him now, and then, I said, if he has another woman, both of us will terminate our relationship, and he said okay."

"....."

"What wrong, Gong Xiao Man, why you are not saying anything?"

"Wait, wait, give me a time to tidy up your relationship diagram. Now Yu Ao Tian does not have any girl friend, you are not having any boyfriend too, both of you are together, once he has girlfriend, both of you terminated the relationship.

So now both of you... Aren't both of you boy and girl friend?"

"Ah??"

".....Yao Yao impossible you are not realized it? Normal boy and girlfriend, if one of the party has other person, both of you are break up, what is the different between your current relationship with it? This is no particular difference with normal lovers?"

"....."

....." this time Yao Yao dumbstruck, she really dumbfounded.

Perhaps, dealing with other people she can clearly feel this kind of vague relationship, but once she dealing with Yu Ao Tian, she really never thought she and Yu Ao Tian can be....

Ugh, once she thought about the words she feels it so exaggerating, think it carefully, both of them are not coming from same place, impossible they turned be?

Perhaps Gong Xiao Man has misunderstood on something.

The next day early in the morning, Yao Yao is going to company with extremely happy mood, she has sweet smiles in her face. Perhaps this day is one of the happiest day in her last two years!

To say, Yao Yao has overawe aura, she is giving kind of aura alike, if all of you still dare to continue, I will make all of you live as if dying, this kind of feeling, who dares to gossip her?

This actually Yao Yao real character!

Before she broke up with Feng Chen Yi, she always live in confident, pride, facing with all things, although she is at losing side she will put out king's attitude toward herself, perhaps this is also the reason why Feng Chen Yi interested in her.

But when she broke up with Feng Chen Yi, her pride and confident are gradually weaken, until she becomes Yu Ao Tian's lover, she is living in humiliation and also darkness.

But now everything is different, she can be such audacious to say out loud, she also can fight back to those who bully her.

"Ha, so without that status, although I was being badmouthing by others, I don't care about it little bit, really such strange feeling!" standing in front of the elevator, Yao Yao is excitement made a gesture with open arms. She makes small jump and go to legal division.

"Xiao Luo."

When she entered the lounge, she meets Supervisor Xu : "what happen Supervisor Xu?"

"Later at eight we will go to have small meeting, CEO Yu will coming here by himself, he wanted you to make the report about the election process and arrangement."

"Ugh?" Did Yu Ao Tian arrange this meeting? This is too sudden, luckily she had made preparation earlier. "Okay, supervisor Xu, I understood."

"Xiao Luo."

When she is going to enter her office room to tidy up (collect) her data, those colleagues who love to gossip crowded her.

Seeing each of them who used that lowly expression, she knows no good thing will be happen. "What's matter?"

"Later, when meeting, General Manager Long will also join."

He,heheheheh, see there is no good thing? What did they intend to by telling her later General Manager Long will also join the meeting?

"Oh, that, thank you everyone. If there is nothing else, I want go inside to tidy the data."

"Hey, wait Xiao Luo, you don't say that we are gossiping, we want to ask you, after yesterday matter, how is your relationship with General Manager Long now?"

"That's right, that's right, does General Manager Long break up with his girl friend? Aiya, yesterday it was really tough for you, moreover your face injured."

Seeing their exaggerating compassion smiles, it can be said that Yao Yao finally sees something that called as the sided of higher level of hypocritical people.

She still remembered yesterday when she being hit, this colleagues were those who was nearest, they are giving what sort of expression toward her, now when she turned her head all of them are pretending to show their consideration expression, don't they feel a sense of guilty? "I also not really clear about General Manager Long's privacy, thus, the matter being hit was due to misunderstanding, it all alright."

Yao Yao reaction is so calm, this few of gossipers colleagues don't get what they want, they are certainly unhappy.

"You guys say what did she mean?" seeing Yao Yao entered her office room, all of them are make a circle and continuing to gossip.

"It seems she is acting tough, this kind of matter who will admit."

"But, if General Manager Long is choosing his girlfriend is okay, but if General Manager chooses her, with what kind of attitude should we face her?"

"Just think it as something never happened."

Episode 300

During the Meeting

Eight sharp, the meeting room in legal division is filled with people, ten lawyers are sitting in chair with rounded table, while all of their assistants and secretaries are sitting at the seat behind them.

"CEO Yu, General Manager Long." seeing Yu Ao Tian appearance, all the people are welcoming him.

"ahem, hem." (cough voice)

Three, two females colleague are sending out signal, those small eyes are looking at General Manager Long and Yao Yao, they are also curved up their mouth, giving mocking smile.

"Sit down." Yu Ao Tian sits down and then everyone dares to take a seat. "Today the reason I convene this meeting, I want to hear everyone thought about Yao Yao's campaign proposal."

Yao Yao? Does Yu Ao Tian intentionally called her name? Yao Yao dumbfounded, suspicious taking a glance to Yu Ao Tian.

Inside the meeting room, everyone also can feel odd atmosphere.

"It likes this, the election is getting near and the time is less than two weeks, in this short time, I hope CEO Yu can fulfill four things."

"First, The 5 billion current asset, four days ago I had personally donated one billion to Hope Primary School on behalf of CEO Yu's name. By estimated the money had transferred today, until the time please CEO Yu going to notice the PR department, planning to make the announcement. Does anyone agree?"

When Yao Yao said her first point, everyone is hesitated for moment, because Supervisor Xu had decided the resolution before: "The positive publicity campaign for CEO Yu Ao Tian image will be very helpful and feasible."

"Thank You Supervisor Xu. The second, I have listed down few of influential businessmen who are having good relationship with CEO Yu and also powerful in business world, I hope all of them can cooperate to support CEO Yu in this time election. This is the name list, please take a look." Yao Yao distributing the copies to everyone.

Everyone is taking look, they are faintly express approval. "This is so important to get the support from these business men, this point really good. But..." after Supervisor Xu praised, he turned the topic, doubt taking look at Yao Yao: "Why in this name list there is no Feng's group? As you know, Feng Group has very good relation with the government, moreover as I know, The Premier of the State Council likes Feng's group General Manager, Feng Chen Yi so much, if he can give support, won't it much better?"

"....." Sweat

She had predicted being questioned why not put Feng's name in list.

"I see how about this." Supervisor Xu is thinking on some ideas, said: "Regarding to the political election, the government has been signaling although not very clear, but the government implied, that is during the election there must be at least two or more enterprises must have 2 billions current assets as campaign funds.

Our Berson can go with this path, can directly supporting CEO Yu's back, and about Feng's group, how about to make it as CEO Yu.... Campaign fund supporter?"

Huh....

She almost vomit blood.

Regarding to Supervisor Xu suggestion, she had thought about it before, actually if she doesn't know Feng Chen Yi, one hundred percent she will recommend Feng's group to support Yu Ao Tian, but...

Their past relationship. So that, she always doubt whether she wanted to put Feng's group as Yu Ao Tian supporters or not as, 'Money Funder', if Feng's group agreed, the successful of Yu Ao Tian campaign can reach 90%, after all the government financial is depending on Berson and Feng Group support, the government of course not dare to act reckless.

This is also not bad, Supervisor Xu suggestion actually help her to voice out her idea, this is also avoiding her awkwardness.

"CEO Yu, what do you think about this suggestion?" Supervisor Xu is waiting for Yu Ao Tian's decision.

He silent for moment, that deep and bottomless eyes are glancing at Yao Yao.

When she has realized the observance eyesight, she lowers her head, 'thump thump thump' her heart is beating alike drum.

"Yao Yao, what do you think?"

".....

"it feels as if one cold arrow shot directly into her heart, awkwardly she is facing and see Yu Ao Tian's eyes, this brat must be on purpose, right? He must be on purpose!! This rotten bastard!!

"I think it quite good idea, but... Whether Feng's group agree or not it still depend on them, it will be another case!"

Humph, he has thrown this difficult thing to her? So that she also can throw back the matter to him.

"Ha, he will agree with it." Yu Ao Tian is ambiguously smiles, looking at Yao Yao with playful eyesight.

"Continue."

"The third, few days before the election, I will arrange charity auction for CEO Yu by gathering all the influential business men."

"This point is good. I remembered last year there were two persons who joined the congress member, one of them few days before the election were meeting businessmen and also politician, while the other one was ignoring this point so he failed." Supervisor Xu is repeatedly praised.

From these three points, Yao Yao must have done not less homework, so she able to suggest this kind of etiquette and Public Communication means things like interpersonal relationship should not be ignore.

"And the last point." when Yao Yao wanted to talk about this, compare to the above three points, she paused for moment, because she has premonition the following words that she going to say may let doubt sound from everyone: "Ugh... CEO Yu had given me 5 billions current assets, now it left 4 billions, I will... Invested all this 4 billions to support the soccer team. Within this 2 weeks there will be international soccer match!"

"What?"

"What situation it is?"

Just as expected, after Yao Yao has done with her words, inside the meeting room an instantaneously it caused a stir, everyone is discussing, whispering. Supervisor Xu is frowning: "Xiao Luo, it seems international soccer match does not have any relation with CEO Yu election?"

"No, it has relation! Supervisor Xu..."

"Xiao Luo, three points before I am so agreed, thus about this soccer match, it must be entertainment division which must deal with it, it seems none of legal division business, right? Moreover the 4 billions funds in football, won't it be loss outweighs the gain..."

."

"Not like that..."

"That's right, Xiao Luo, now the most important thing is to settle CEO Yu election matter."

"You guys listen..."

"I do also think we need to settle the election campaign first."

Everyone is talking, they are not even give Yao Yao a chance to have words, giving an explanation, she one person to argue with ten persons, one by one of them are able to drown her death.

"The forth point I accept it." Yu Ao Tian who is silent for this time suddenly spoke, his speaking tone is so calm, but it enough to stuff everyone's mouth.

Everyone is silent, all eyes are looked at him, perhaps this is what called as the power of CEO. Does not need to shout, what yelling, only by one simple word it enough to draw everyone attention!

"CEO Yu..."

When supervisor Xu opened his mouth, Yu Ao Tian has stretched his hand to stop him. "Regarding to soccer this matter, I had thought about it half years ago, moreover I have found entertainment division to make the blueprint, only waiting to start."

Really? It seems Yu Ao Tian also takes attention to this matter? Yao Yao is little bit surprised with bull eyes, she even thought Yu Ao Tian said such thing only play her up, but after she sees serious expression from him, it seems he really thought about this matter before.

"As for reason, Yao Yao, you explain to everyone." Yu Ao Tian stills giving the best chance to her.

She smiles, when she wants to stand up and give explanation to everyone, but her face suddenly pale, there are cold bead in her forehead.....
