Impossible? In this time after all?

Hahahahahahaha, God, are You joking with me?

Facing with countless pair of eyes that looked at her, she is trying to suppress her panicking mood, quietly she sits back to her chair: "We, our Interim Prime Minister, Prime... Prime Minister has hope and also likes, he is especially, especially hope that China soccer team improving. If we make it simple, giving this 4 billion to Interim Prime Minister, give him, give him as present, he absolutely won't accept it. But if..." her lips twitched: "Our, our money being invested to thing that he like most, moreover it will give best result, this just waiting it turned to be gift in disguise, isn't it?"

"This..." to be honest, if not because Yao Yao explained it such direct, everyone would not thought of it. Now, the today's biggest leader in political, the Interim Prime Minister indeed likes soccer so much. If Yu Ao Tian takes out his money for soccer, doesn't this mean fulfill Interim Prime Minister hopes, this is also awaiting to be gift in disguise. "Say so, this is going to be big help for Yu Ao Tian political election."

"That's right. That's right."

Seeing the changes expression from oppose her to praise her, Yao Yao feels slightly relief, but the next second...

Oh, my God. She feels her mind blank, while her forehead streaming down cold beads of sweats.

"Yao Yao, are you okay?" Yu Ao Tian sensed something odd from Yao Yao expression, asking her with consideration.

Now she only has one wish, that is Yu Ao Tian can hurry dismiss the meeting. "No, nothing..." she is in difficulty while wavering her hand, expecting no one will pay attention to her.

But Yu Ao Tian is keep on asking with affection: "Stomached?"

This moment, everyone is looking at her, and also glance at Yu Ao Tian.

Just to let know, in Berson whether small or big meeting, This CEO always showing such cold expression, people won't be able to guess what his thoughts, moreover he is someone who won't give any consideration to any employees, and now from his expression it is so obvious, even the dummy can sense both of these two persons are odd.

"En...ssh..." Yao Yao cannot bear it anymore, the pain makes her twitched and spread cold breathe, her face is paler.

Just in this time, Yu Ao Tian is nervously standing up, faster he dash beside her: "Bao Bei, I take you to hospital."

"...

....." This time she absolutely sure 100% that Yu Ao Tian is doing this on purpose in front of many people, he is called her this way!!!

But this hasn't ended, when the meeting room is deathly silent suddenly Long Ye rushed: "Sister in law, are you okay?"

".....

." Yao Yao feeling as if her body being acupuncture, her eyes are wide opened staring at two persons who are standing in front of her.

She really wanted to ask something to both of them, should they act such exaggerating? Couldn't it be Long Ye come to join this meeting only to say, 'Sister in law' this word, could he be? Is it only to proof to everyone that she isn't Long Ye's mistress?

"It's okay, it's okay, no need to go to hospital." she is forcing herself to wave her hand.

Yu Ao Tian purposely to take deep sighed, helplessly said: "When at home you are still okay, why suddenly your stomach aching? Dismiss the meeting first."

"En, dismiss! Dismiss!" Long Ye waved his hand to everyone.

At this time, everyone had already dumbstruck, one by one of them are looked alike stone, stiffen when walking out from the meeting room.

When all of them have walked until the door way, everyone finally gain themselves: "So Yao Yao is..."

"CEO Yu's?"

"Girlfriend?"

"Dead meat, all of you help me to think, did I say something horrible to Luo Yao Yao?"

"How could I remember, anyway it seems I didn't." Everyone is shocked looking each others, at next second, all of them without they realized had already soak with cold sweat....

Inside the meeting room...

After those people left, at sudden Yu Ao Tian face turned to be dim, asking him to act as gentle man, he really not good at all!

"Ha, it settled." Long Ye smiled.

As Yao Yao guessed, today Long Ye joining this meeting only to call out 'Sister in law' in order to prove the innocent relationship between them.

No wonder today meeting was too sudden, this meeting just similar held to let everyone knew that Yao Yao is whose girlfriend!

"Are your stomach really hurt?" Yu Ao Tian looked at Yao Yao bend in her seat.

Nonsense! Does he think that she is schemer like him? After all she could think of to pretend stomachache to prove her innocence to everyone?

"En...." she nodding with no strength.

Yu Ao Tian is creased his forehead, without waiting for Yao Yao to react, he has extended his hand and hold her waist, pulled her into his embraces.

...

The next thing!

"Don't ah!" Yao Yao with hoarse voice screaming out, her eyes are nervous looking at Yu Ao Tian, Kao! Why suddenly he held her in his arm?

"What is going on?" Standing at twos of them back, Long Ye sees stiffen body of both of them, he even can sense something odd with them, when he wanted to walk and take a look.

Yu Ao Tian and Yao Yao are almost in unison shouted: "Don't come here!!!" after said, both of them are exchanging their eyes sights.

It seems that Yu Ao Tian has already found out, really such embarrassing. Yao Yao with complicated mood snugged on his embraces.

"Ugh?" standing behind both of them, Long Ye is creasing his forehead, his footstep stopped at the original place.

At sudden, the atmosphere in meeting room changed to be strange. For very long, Yu Ao Tian who backed Long Ye coldly spoke: "Long Ye, you go out first."

"Okay."

☒Bang' after heard the sound of the door being shut, Yu Ao Tian calm face immediately change into anger face, lower his head with blaming expression he looked at Yao Yao who is still in his arms: "Are you dummy? How could you don't know when your period come?"

If not because when he held her at that moment in his arm, looking at the chair that has blood stain, perhaps when Long Ye was walking closer to them, he would find it out what was going on.

"I.... I.... I was so busy these few days, so that I forgot. The result when she was doing her report half way..." she snuggled her head into Yu Ao Tian embraces, shrink herself, looking at her way she is looked alike as if little girl who had done wrong, not too mentioned her cuteness.

"How many times this thing happened?"

Listened the way he questioned her, she with her complicated mood, showing her fingers: "It is only twice."

"Only? Twice? So how many times more do you think of? Huh!!!!" Yu Ao Tian heave sighed, helplessly said: "I will going to buy it for you!!!" after said, he put Yao Yao down back to her chair.

"Are you going to buy it by yourself?"

"So whom must I ask to? Should I say to them to buy a sanitary napkin for you, or should I ask them to buy the sanitary napkin for me?"

Staring at Yu Ao Tian anger face, Yao Yao unhappily frowned: "What are you angry for? I, I just want to ask you, if, if you are going to buy yourself, your, how about your clothes?".

Episode 302

"Clothes?" Yu Ao Tian lowers his head looking at his own western suit, he finally realized when he put Yao Yao onto his arms, his sleeves is stained with blood. "MF!" he felt disgusting immediately take off his suit, pissed off he tossed it in meeting room table.

Yao Yao takes a glance, an instantaneously she flared up: "For whom are you showing up your temper to? I had said to you not to hold me, but you were stubborn wanted to do it!!"

Due to her way of thinking, his consideration toward her was wrong? "Good, very good!" Yu Ao Tian is letting out mocking laugh, giving her thumbs up in front of her face, and then he turned his back walking to the door way.

"Hey!! Will you go to buy for me or not?"

Suddenly he stopped, his forehead veins ②chug', gritting his teeth he said: "Buy!!!!"

When he opens the door, who knows that from behind Yao Yao's voice flows: "This time don't buy diapers!"

"....."

." Why now he really wanted to strangle this Little Thing?

Turned his head, he gives her cold glared, and Yu Ao Tian also showed her, his darken face, and then slammed the door left.

This is his first time feeling himself such pity to mess (feeling in difficult, in tight corner), when caring about that damn Little Thing, the result he even got criticized? The thing that makes him most pissed off is, MF at last he still....

He stills need to lower his head to go and help that Little Thing to buy.... Sanitary Napkins!!

"Hihihihhi..... Just now can it be counted as Yu Ao Tian disaster? Really feel happy (satisfied happiness)!" Yao Yao has done changing new pant and walking out from the toilet, every times she thought about Yu Ao Tian expression that going to be crazy during inside the meeting room, she feels it such funny, although the most aloof man also can get crazy, this sort of side. "Interesting. Aiyo... " as she has pleased with herself, she has forgotten the matter about her aches.

Washing her hands, she is so lame when getting out from toilet. But when she opened the door...

"Yao Yao, just now your report was so great.

"

"That's right, I admired those four points that you said. Later if there have any chances I want to learn from you, asking you about the legal matters." in front of the toilet door, there are two legal division colleagues who standing there.

Yao Yao remembers, one of this colleagues has Song as surname, she is nation middle license lawyer, while the other one is holding advanced license, she was so obviously telling them that she is Junior (beginner) lawyer, why suddenly they are asking herself to 'give a teaching' about legal matter?

Is it... Because of Yu Ao Tian?

Yao Yao dislikes this kind of feeling, although the only way to prove her relationship with Long Ye are innocent only by Yu Ao Tian, moreover, regarding the legal matter she is so confident with herself, although these people are butting up with her because of Yu Ao Tian, she also not have any objection.

"You guys are too polite, later in the future if there something I don't know, I still need you guys assistance."

"You are too polite. Both of us still need you to take care of us." Those two persons are clamped at Yao Yao's right and left while walking out from toilet.

The passion that they showed her, it really gives her kind of feeling as if living in palace filled with many harem in ancient time, realizing this concubine has been losing affection, they are stepped on her; when realizing this concubine has been gaining affection, hurry they butter her up. Geez, actually this kind of thing is something so common this day, isn't it? Or else, why there are so many people who expecting and pursuit the feeling being superior?

"Xiao Luo, CEO Yu said that if now you have time, he asked you to go to CEO's room." When she is going to enter her office room, Supervisor Xu coming over.

She dumbstruck, did it because of report matter or else why he wanted her to come to his office room? Impossible.... He wanted to take revenge to her because just now matter? Cold sweat.... "I, I understood Supervisor Xu, thank you."

Although afraid, she stills gathering her courage to go to Yu Ao Tian's office room, because due to this man character, as long as she escape (avoiding) the last result always be most severe...

Episode 303

"Why are you looking at me?" Standing inside the office room, she is curiously asking.

Yu Ao Tian is looking at her who wears new clothes with measuring eyesight, his fingers are pointing at few bags on sofa: "Later you bring all those things."

Prada, Chanel, Burberry... All are well-know world brands. She is surprised gulped her saliva lower her head: "Are you buying these?"

"I asked Mo Tong Xue to buy it." he bought her sanitary napkin has already been something that shocking heaven, and then went to buy her woman's clothes? He perhaps he would not be Yu Ao Tian anymore.

"Oh. But, these clothes, I don't want."

"All these clothes are formal dresses, just think it as benefit from company, so that you don't need to wear Tong Xue's clothes anymore."

Huh, that's right. Now she is really lacking of mature and formal clothes. "Well, thank you." when she takes the thing and going to leave, suddenly Yu Ao Tian spoke.

"This few days I am going to Japan. I have told Long Ye to help you, you remember! At these time when I am not in here, if you have something to do, MUST! Let Long Ye know, understood?"

Yu Ao Tian used speaking tone that she cannot refuse, she looks at his serious expression, she vaguely can feel.... This few days with his absent, it seems going to be dangerous for her? "Oh, I understood."

"Still.

.."

"What?" Yao Yao curiously blinking her eyes.

Yu Ao Tian silent for moment, his deep bottomless eyes flashed, coldly said: "The matter about Feng Group, I will settle it, you don't need to stick your nose in."

Actually due to the normal process, normally everything regarding to Yu Ao Tian politic election must be settled by her.

And now, Yu Ao Tian is especially mention the matter of Feng Group, he will settle it by himself, but now...

"En, I understood." walking out from Yu Ao Tian's office room, her white skin face is gradually cover with dull atmosphere.

Two years later after encountering Feng Chen Yi, both of them have dragging their feeling, hang in doubt, she clearly knows that she is avoiding and escaping from her unforgettable feeling, after all she

still has feeling toward him. But, since when she gradually wanted to forget all her feeling toward Feng Chen Yi, she really cannot think of it.

At this moment, whenever mention about Feng Chen Yi's name, her heart not only not beating fast, also not has that faint hurt and not escaping, on contrary she wanted to face it, face that feeling that she not dare to face before, furthermore, she completely wanted to cut off all the sweet moment she ever had! Perhaps by doing so, she can feel more relief....

A sport car with high speed makes a beautiful arch, stopped in front of luxurious apartment.

One of Yu Ao Tian's hand is holding a document walking out from his car, he entered the elevator.

🔔Ding Dong' (Door Bell)

Pressing the door bell. Not long after that the big door is opened, Feng Chen Yi is dumbfounded when spotted Yu Ao Tian standing at his in front door, and then with courtesy he smiled: "CEO Yu, why are you coming?"

"I went to your company, your secretary said that you had taken sick-leave for few days, hence I directly come to your place, am I disturbed you?".

Episode 304

"Not disturbing, please get in." pair of Feng Chen Yi's hand are inserted inside his pocket, turned his back and walked to living room. "Do you want a glass?" he pointed at red wine that has already opened in the table, smile when asking.

"En? Are you sure you can drink?"

"Haha, it's okay, it is only fever." Feng Chen Yi is taking tall glass, pouring the red wine until half.

Yu Ao Tian takes up the red wine glass elegantly, his eyes are looking around at this luxurious apartment which is not big, it reminded him about his apartment that currently he stayed in.

It seems no matter how much money one person have, home is always a place warm and nice, it more than enough.

"Don't you live with your father?"

"I had moved, after think carefully it stills better to live alone." when Feng Chen Yi speaking till here, sipping little bit the red wine, his cold eyes are suffused with luster.

"It so true."

Suddenly the atmosphere little bit awkward. Both of them are silent.

Feng Chen Yi puts down his red wine glass, coldly looking at Yu Ao Tian who sits facing him on sofa: "CEO Yu, are you coming here today, not only looking for me to have chat?"

"Hahahaha, Chen Yi it is impossible you not guessing my coming purpose right?" he curved his lips up, elegantly sipping his red wine.

"Can vaguely guess it. If it was in the past, this little matter I would still help you, but now..." Feng Chen Yi rolled his eyes, both of his hand enveloped his front, expressionless he asked: "CEO Yu, can you give me a reason why must I help you?"

"Heh, if you want a reason.... It only my eyesight! I believe on you Chen Yi, You are mature to make difference between personal and work matter!"

As if there is smoke that spreading inside the apartment which is not too big and also too small, Yu Ao Tian and Feng Chen Yi are exchanging their glance that is deep and cold, but at same time there sparks.

After sometime, Feng Chen Yi is standing up, dragging his tired body to his bed room, from his desk taking one document and then came back to living room.

He takes the document and tossing it in front of Yu Ao Tian.

Opened, his deep black pair of eyes are reading carefully the contain of the document, 唸pa' a sound of closed the document. "Chen Yi, this time really thank for your hard work."

"Only help you this small case. I wish you success in your campaign." after said, Feng Chen Yi sits back to sofa, raise his red wine high.

Yu Ao Tian is replied him politely: "Take your fortune words." two of them are raise their wine glass as if best buddy.

Regarding to the document that Feng Chen Yi hand over to Yu Ao Tian, it was thing that he had prepared before, the plan of Feng Group current asset will support Yu Ao Tian politic election, this case.

It seems that Yu Ao Tian has good eyes, due to Feng Chen Yi mature and also his leader demeanor style, it enough to have him manage Feng Group. He indeed can difference personal matter with business clearly, at the present still don't know who is friend and who is foe!

"Thinking carefully later when you become my rival it's really.... Gives me goosebumps, excited!"

One mountain cannot have two tigers, soon or later Berson and Feng's group must fight, but before that thing happen, both of them must get rid the in front enemy, by that way, both of them won't think too much for the game.

"CEO Yu, you must remember the words that you say today, don't too focus with your new status when you already enter political world, it's okay if you have forgotten your own company, but I am not a man who easy to take advantage of."

"Rest assured, although I will going to take backstage role, but as long as you sent me 唸duel invitation', I will use all my strength to win over the duel!"

From the way Yu Ao Tian words it can be seen, his respect toward Feng Chen Yi as rival and also as friend.

Once he resigned from his post, all the company authority will be given to Han Li Shang, he acknowledge Han Li Shang capability, but Feng Chen Yi capability, he also perfectly know who is stronger than.

Episode 305

"Well, I first..."

"CEO Yu, have you eaten?"

"En?" he hesitated for moment, smiles and said: "Not yet."

"Just in time, let's we have meal together." Feng Chen Yi slowly walking from living room toward kitchen, he hold a big bag of food on the shelf: "I bought so many things, but there is no one I can share. Ke... Ke..., ke (coughing sound)."

Seeing his pale expression, helplessly Yu Ao Tian takes off his suit, rolled up his sleeves: "I see you are missing a chief?"

Well, I will do it."

"Heh? CEO Yu, can you cook?"

"Is it strange? When I was in Japan, I was living alone, moreover I still need to take care my younger brother, of course I able to cook little bit."

Regarding to Yu Ao Tian personal life, Feng Chen Yi not really know, the only thing that he knew about him, before he was underworld big boss in Japan, but today, he even seen another side of Yu Ao Tian.

☑He treats me very well. He is so considerate. I like him!"

Suddenly Yao Yao's words are echoing in his ears, during that time he even hesitated perhaps she talked that way only to drive him off. But now it seems..

..

Forget it, no matter what Yao Yao said was true or lie, Yu Ao Tian had hit her before, it was real! "CEO Yu, do you have younger brother?"

"En. He same age with you. But not as mature as you." if Qi Lian Ao Yun is half mature from Feng Chen Yi, perhaps there are not much tangled between these brothers relationship.

"Ha, I never mentioned him to anyone before."

"Others than Han Li Shang them, there are not many people know about my younger brother." this is first time for Yu Ao Tian taking an initiative to mention himself having younger brother this matter.
"Where is the restroom? I want to wash my hands."

"There."

Seeing Yu Ao Tian going inside the bathroom, Feng Chen Yi tidies up all the food that he bought, just in this time....

☞Ding dong' (bell ring)

Suddenly the door bell is ringing, hurried he walking and open the door. But when he sees....

At sudden his pale face changed to be energized: "Why are you coming?"

The person who is coming not other person but Yao Yao! She lowers her head, pursed tight her lips, faintly smiled:

"This.

.. For you." after said, she takes out a box from her pocket.

Feng Chen Yi is so curious so directly he opens the box, once he opened it.... His cold eyes suddenly gleaming with rage.

The things inside the box are those half set of Daisy jewelry that he gave Yao Yao before, and also the perfume bottles which he specially made for her, the daisy fragrant.

After both of them broke up, she had thrown all the things that he ever gave her, but there are few that she could not throw away, because the meaning is too deep, too deep.

But, every time Yao Yao sees these things she would remember all the warmness when they were still together, the sweet scenery, although at last her face wet by tears, pain. She hides all these things, hide all of it to the place she won't be able to see it.

Until today, since she left from Yu Ao Tian's office room and went back to her houses, rummage through her cabinet and closet, found out all these things. And for once again she took a look these thing and recalled the memories, she didn't cry anymore, only her heart... Still little bit hurt.

Episode 306

Perhaps, this represents her feeling is already been slowly forgetting about Feng Chen Yi. As to say, asking her to let it go completely, perhaps she still could not do it, she won't be able for the rest of her life! She only be able to keep and hide this feeling deep inside in her heart, turned it to be pieces of good memories.

One woman in her life perhaps she will be able to love few of men, just as man who also able to love few of women.

But as time flies, perhaps the feeling change to be faint, that love feeling slowly will going to be lessen, until there will be one day you encounter the he or she the person you ever love deeply, the word that

leave 'lately are you okay' there won't be any thing that bounded your heart, perhaps you will smile asking yourself 'did I ever date him before?'

But, woman in her life there must be one or two men that makes her won't ever forgotten, although they already broke up, or never get in touch until old to die, but every time mention his / hers name will make heart pain.

While one from these two men perhaps was your first love or your first man (having intercourse for the first time)

First love is someone first time when knowing loving feeling, moreover the love that has deep imprinted and engraved on someone heart, it won't be easily to be forgotten.

Just as Yao Yao and Feng Chen Yi, wanted to forget the past is something difficult, only bit by little bit, bit little bit to make it into beautiful memories and hide it deep inside the heart.

Every time she opened it up, things that across her mind is slightest tears and also faint smiles....

"What do you want?" coldly Feng Chen Yi covered the box, with lower voice he asked.

"I just feel it... Perhaps there is someone need it more than me." such important stuffs, she really not dares to keep it, she really hopes that these things can enchant the last person that Feng Chen Yi hold.

"You...."

Episode 307

'creak' (door open sound)

From inside the living from there is door open sound, Feng Chen Yi's face darken.

Yao Yao is curiously creasing her forehead, she wanted to take a look to inside, but her vision line is blocked by Feng Chen Yi. "Is there anyone in your home?"

"Oh. That's right. Just now your CEO Yu was coming." Feng Chen Yi cleverly changed the topic.

Yao Yao dumbfounded for moment, Did Yu Ao Tian come here? He must be coming here to talk about election matter?

"Did he come to ask you to be his supporter?"

"That's right."

"So how about you? Did you promise him?"

Seeing Yao Yao nervous expression, Feng Chen Yi cold eyes rolled: "Why must I agreed with him? Does he has any relationship with me, so that I must support him? Or because he is my ex-girlfriend's boyfriend?"

"....."

....." This ? Feng Chen Yi why must he talked this rash! "You agreed to him there is no bad result for you. You must know once Yu Ao Tian is successful in election, he could be your back up supporter, you must be get many advantages from the government sides. No matter about the real estate (property), or other matters."

"Heh? Yu Ao Tian also said so. But those things I don't have any interest on, Prime Minister Qi naturally will give me that much advantages."

That's right, at Feng Chen Yi back there is premier of the state council as his supporter, he must not afraid of anything.

But..... "You just think it as helping Yu Ao Tian, isn't it easy matter?"

"Although it is easy matter, I also won't help! Or else..."

"Or else what?"

"Or else you break up with him!!"

Break up....

Before she didn't have any choices because of that piece of paper, but now.... That piece of lover contract had disappeared. Although she has owed Yu Ao Tian money, but as long as she works hard, saving money she still be able to pay him, isn't it?

But why? Why since that piece of lover contract agreement disappeared, she does not have any thought to betray Yu Ao Tian?

☑That's right! You are not my lover anymore, but it does not mean... These three years you can leave from my side! Little Thing, don't think to escape from my side, or else I will let you live as death!!!

Is it because those words? No, there is no relation with those words, because after she listened to that words, she indeed felt afraid, but not that sort of a sense of disgust.

So what the reason? It feels after some time and recently when staying beside of Yu Ao Tian she does not feel any fear like before, feeling force. Moreover since she becoming his lawyer, she still be able such happy.

It seems, staying beside him to do something for him, accomplish his wishes, perhaps in order to really pay off her debt to him slowly from her heart. "No, I won't break up with him. If you don't want to be his supporter, I can find another people."

"Is Xia Ren Liang from Lan Du's group? My beloved, as long as you dare to find him, I will use all my strength to dissipate his company!!!"

Staring at Feng Chen Yi cold eyes, Yao Yao unhappily frowned: "You are crazy, Feng Chen Yi! You don't want to be Yu Ao Tian's supporter, but does not allow other to do?"

"If Yu Ao Tian kneels down begging me, I can consider about it." after said, Feng Chen Yi laughing with mocking and enveloped hand in front of the body.

Yao Yao knows very well Yu Ao Tian character, not to mention this little thing, although his entire company is getting in danger because of Feng's group, he won't kneel down begging Feng Chen Yi!

What to do? If Feng Chen Yi agreed to support Yu Ao Tian, this is as if tiger with wings; since he doesn't want to support, there is no way, only can think to choose other to do?

When she is drowning in her thought, a familiar voice flow from inside the living room: "Can I cook for you, you still want me to kneel down and begging on you?"

This voice?

Yao Yao is open wide her eyes, suddenly she lifts up her head looking at Feng Chen Yi naughty smiles, push him away, rushing into living room.

As seen, Yu Ao Tian is starting to cook, he is wearing an apron in his body. "You... You.

... Why are you here?"

"Aren't you also in here?"

Glared at Yu Ao Tian pair of bottomless eyes, Yao Yao can feel her heart shivering, she gloomy can see a vague smile in his eyes.

But at another second, hurry Yu Ao Tian changed the topic: "This, I have thing that needed Chen Yi's help, in order to show my sincerity, especially coming here to cook a meal for him!"

Is it true? This is perfectly not match on Yu Ao Tian character. In order to identify the truth, hurry Yao Yao looked at Feng Chen Yi, hoping to get an answer from his expression.

Who knows, Feng Chen Yi showed gloomy expression, coldly gave an order: "Hey! You hurry cook. I am starving to death!"

"I know...."

Impossible? Yao Yao used her hand to cover her mouth, pitying Yu Ao Tian pathetic expression, he.... Is he really Yu Ao Tian? After all, after all he can be enslaved by other?

Does her eyes have problem? Her eyes must be have problem with her vision! Must be! "I, I am going to help you."

"Don't!!!!" Feng Chen Yi is nervous pulled Yao Yao back. "You, better have a rest in living room, I come to help CEO Yu." he had experienced Yao Yao cooking skill, if asking her to cook, although next year is coming perhaps they still won't be able to have meal..

Episode 308

Seeing Feng Chen Yi is moving and go to help Yu Ao Tian, Yao Yao still in doubt when walking to living room.

Didn't Feng Chen Yi such fierce before? Why at sudden he moves and helping Yu Ao Tian?

With her suspicion eyesight, suddenly she spotted two document on the table in living room, curiously she flipping the document, at one glance....

One of the document is Berson plan supporter, while another one is the Feng's group supporter plan, that supporting plan from Feng Group has been signing with Feng Chen Yi's name.

Moreover she sees there are two glasses of red wine left over, no need to ask... Both of them have already come into conclusion!

Damn! She....

Is being fooled by these two domineering men and also black bellied!!!

Rage in fume! Pissed off! It reminded her long time ago when Yu Ao Tian and Long Ye fooled her, she never thought that now Feng Chen Yi and Yu Ao Tian are working together to fool her?

Feng Chen Yi really, in the past every time she begged at him, he always refuse her, and then that brat at one blink will immediately fulfill all her begging.

It seems that she still not really understand about these two men, also at same time she seems to be little their rival-friend relationship!

"CEO Yu, it is not enough." seen Yu Ao Tian has prepared five portion of steak, Feng Chen Yi confidently shaking his head.

"Is it still not enough giving her three portion?"

"She at least must eat six portions! At normal circumstance having she to eat five portions, it is still normal. You prepared five portions, it mean both of us don't have any portion to eat."

"...

.....

.." Yu Ao Tian just found out, he feels since this Little Thing staying with him perhaps she never ate to her fullest? "Chen Yi, you were so worked up before."

"Later the person who will be worked up must be you, CEO Yu."

These two persons are comforting each other, while there is unspoken words.... This little thing although she looked delicate and weak, how can she MF has ability to eat more than both of them who are men?

"You guys need..." Yao Yao who is taking a rest actually feel little bit cannot tolerance, thinking whether she needs to go to help or not, but as she turned her head to kitchen seeing the view, immediately she gulping her saliva speechless.

The most important scenery in kitchen is looked so harmonious, ,both of the men are working so compatible, clear division of labor, moreover the faint laughing sound, it is completely no room for her to barge in, they are really looked alike sweet 'couple'.

'gulp' Yao Yao is gulping her saliva, suddenly she feels as if she is bulb lamp, disturbing both of them?

But....this scenery is filled with love! Brokeback??..

Episode 309

Oh.... These two men are so handsome, so good looking, if both of them are together they must be fulfilled and satisfied many Fu Nv* expectation. So, which one of them act as [æ] Gong (masculine) and who will be [â] Shou (female)? From both of their characters, they are so manly, but from body posture, both of them are looked so feminist, but from height and age, Yu Ao Tian is looked alike Gong (masculine). Whatsoever with both of them!

Yao Yao is absent minded staring at both of them, her mind is filled with her imagination thoughts.

'Aiya, I have cut my finger.'

'Chen Yi, are you okay? Come let me take a look.' Yu Ao Tian raised Feng Chen Yi's finger and put it into his mouth. Feng Chen Yi little bit embarrassed, blushed turned his head at other side.

☞Ao Tian, are you tired? Come, let me wipe your sweat.' Feng Chen Yi is gently wipes Yu Ao Tian's forehead that wet with sweat, while the men face shone with sweet smile.

Thinking, thinking, Yao Yao's eyes are shone brightly, while she is constantly gulping her saliva, her face is blushing pinkish.

Two men who are cooking suddenly feel kind of hot eyesight from living room, both of them are turned their head, at

unison they shouted: "Don't think nonsense! Hurriy wash your hand, eat!"

"Ugh...." So that all was her illusions, such no interesting!

In dining table, three of them are drinking red wine, while eating beef steak. The atmosphere seems enjoyable.
