

Pure Girl 311

Episode 311

"....."

"....."

....." being said by Yu Ao Tian, she stunned for a while and feeling as if her honor has been swept over, these two men impossible this bore, both of them are exposing her most embarrassed moment?

Yao Yao pursed tight her mouth, angrily eating her meal.

Although Yu Ao Tian shows his faint smile in his face, but his eyes are obviously have cold gleam.

Because, from this matter it can be seen, Yao Yao attitudes toward these two men are different.

Believe Feng Chen Yi also can sense it, but at same time there is no slightest happiness that he feel, on contrary, he feels such annoying. Because since the first time both of them together, Yao Yao never this obedient, never this cute. From his view, since Yao Yao together with Yu Ao Tian, obviously she is alike little bird rests upon a man (such timid and lovable little girl), she so obediently and lovely, it not only will make man to adore and cherish her but also protect her.

Two years ago when Feng Chen Yi still with Yao Yao, although sometimes she looked so cute, muddle-headed, but most of time she did it only in his in front!

"Fulled, who washing the dishes?" after eating the meal, Yao Yao had swept clean all the foods, satisfied patting her stomach. But the moment after she asked this, suddenly she feels regret and have sensed of guilty.

Because, these two men are staring at her....

"I understood..." she is so self-awareness to clean up all the dishes, while these two men are getting up and heading to living room.... Playing games!

Huh...

. She really have bitter life!

"CEO Yu, never thought that you are so good playing i-box?"

"Ha." he is smiling devilish, slowly said: "This is my first time to play this kind of game. But sometimes it isn't someone 'play first' then that someone can 'win over'!"

Feng Chen Yi knows there is another meaning in his words, coldly smiles, faster he puts down the game in from his hand.

'game over' as heard, it is a sound coming out from Television.

"There also a time, 'step backward', does not mean letting go. On contrary it perhaps can get bigger chance 'to win over'!"

"Oh ya? Then I will see it." after said, Yu Ao Tian's pair of eyes dim, turned his head to Yao Yao who is washing dishes:

"Bao Bei, are you done?"

"Done."

"Well, let's we go home." Yu Ao Tian standing up, politely he smiles: "Chen Yi, have disturbing you for whole night, really sorry."

"It's nothing, I still to thank CEO Yu you have excellent cooking skill."

They are bidding good bye, Yu Ao Tian and Yao Yao are leaving together.

Shut his door close, this luxurious and expensive apartment turned to be quiet, Feng Chen Yi is leaning his body on his wooden door, helplessly he smiled: "Sending off the girl that loved most with her boyfriend, this feeling is terrible bad."

When three of them were inside the room, he didn't feel any uncomfortable, but after Yu Ao Tian left, moreover when heard he called her such intimate, finally Feng Chen Yi really can feel the pain of, the girl that he loved most has become others man's.

But after two years when they encountered, only today he could have good meal together with her, moreover they were bid good bye calmly, weren't they?

Should he need third party in order to have peaceful interaction with her? This is so ridiculous!!! His big hands are curled tightly into fist, at sudden a strong light across his eyes.....

"How can you suddenly cook for Feng Chen Yi?" inside the sport car, sitting in passenger seat beside the driver, Yao Yao curiously asked.

"Really, after all you was at his home, but not let out any voice. You are...." she is so embarrassed, being fooled by these two men. Also didn't know whether Yu Ao Tian had listened to their conversation or not.

"Why didn't you say something?" see Yu Ao Tian not answered for such long time, Yao Yao turned aside to see him, realized, this moment his expression is so dark and his face even scarier when the lane light radiating him!

The car is slower it's speed, steadily stopped at the street side.

"You... Why do you stop?" Her voice is carrying shivering tone, she can feel bad premonition of something.

Yu Ao Tian is looking far away, silent for such long time, not long after that, he used his cold eyes to look at her: "How can you suddenly think to come to Feng Chen Yi's place?"

He.

....

Does he care about this matter?

When she stepped into Feng Chen Yi's house, when saw Yu Ao Tian, she asked, "Why are you here?" he answered "Don't you also come?" during that time she had already felt something odd from him.

But later the atmosphere was quite enjoyable, she thought he perhaps not care about it anymore. But she really forgot Yu Ao Tian is type of man who has deep thought, he could control his mood so well no matter in what kind of situation he is, until there is nobody, he is going to explode!

"I sent something to him."

"What kind of thing?"

Actually these things aren't something need to hide, but she does not want to say it too clearly. "The oldies."

"What kind of oldies things?" he used forcing tone to ask.

Yao Yao is feeling in difficult, creased her forehead: "Yu Ao Tian! Did you forget what you ever told me? Now you are asking me this way, aren't you believe me?"

Of course he remembered, he also not disbelieve her, perhaps he is too care regarding Yao Yao coming to Feng Chen Yi's place alone. But this reason isn't enough to flare him up.

But the real reason why Yu Ao Tian pissed off was the interaction between Yao Yao and Feng Chen Yi, the atmosphere, that sort of atmosphere that he could not get into, feeling that cannot barge into their world! Perhaps it was a world only for hers and Feng Chen Yi!

At sudden, Yu Ao Tian is pulled her body closer, one of his hand is pressed her head, with his domineering lips he kissed her lips.

"Uh." this kiss similar with crazy kiss, it makes her lips feel hurt. Her pair of hand is hit his chest, she feels uncomfortable, restless.

Under the pain feeling, she uses her teeth to bite his lips.

Yu Ao Tian feels pain and then humphed one time, and then ended his kiss, while his face is showing such cold and scary expression.

"Get lost!" his mouth throw out this word coldly.

Yao Yao glared, she thought this man won't be alike he used to be, but she is mistaken, it's easy to change rivers and mountains but hard to change a person's nature. Staying beside this man forever will be similar with pet, when he likes he will call you, when he dislikes he will shoo you.

ꠄssss' sound, immediately she gets down from the car, as fast as arrow with winds speed the car has disappeared in the dark of night....

"Ha, Yu Ao Tian you are rotten bastard!" she is laughing while mocking herself, gritting her teeth.

Really regret, early she must tell him, ꠄif you are venting your anger to me, our relationship is ended'. After all, the percentage Yu Ao Tian angry is bigger than he looking for women.

"Ugh, would he this time looking for another woman?" this... Can she really leave him and cut all ties with him?

Ha! This is also not bad..

Episode 312

"Bastard, why didn't you find a place there are many people and then leave me?" standing in the little bit isolated street, Yao Yao has been walking for sometime but hasn't seen any car.

This time, there is light flashing, she stopped with hope, constantly she waving her hand to that car.

A type of modification sport car is slowing down, but when the window down, she really regret why must she wave her hand to stop this lame car?

"His, little chick, do you want to hitch a ride?" inside the car is few men with blonde hair, at one glance they are seemed not a good people.

"No, not, I... I am waiting for someone, haha."

"Little chick, don't lie. We have seen you from far away that you are waving to our car, moreover, is this a place to wait someone, only ghost believe on you!" said this few scoundrels, a man who sat on driver seat is trying to reach her:

"Come in, we can send you to your home, if you missed it, you perhaps need to walk home."

She would rather to walk until her home than get into car with this few men, her six sense told her, getting into their car is more dangerous than walking home!

"Thanks for you guys kindness, I really am waiting for someone. I take my leave first." After said, Yao Yao hurried walking away.

The man who sits on the driver seat hurried open the car door and chasing her: "You little chick, how can you such ungrateful, since few of good brother begging you to send you go home, you even dare not giving a face?"

Yao Yao creased her forehead, ignoring them and keeps her head lower.

The man sees her, pissed off: "Mother Fucker! He pulled her wrist.

"What are you doing?"

"You say, of course sending you to home." the man smudged.

Yao Yao is restless swaying her had to break free herself from that man: "Let me go! Let me go!"

Just in this time....

It heard, 'Bang' sound, something big crashed. Yao Yao with that man looked at the....

As seen, a Bugatti Veyron hit the rear bumper of that car.

Yu Ao Tian? But as she remembered the car that drove by Yu Ao Tian today was Lamborghini, right?

"Damn!" few men are getting down from the car, checking on the crushed.

This time, the owner of Bugatti Veyron is getting down. "Sorry, I am careless hit the rear."

Heard the familiar voice, Yao Yao takes a glance.... "Qi Lian Sunbae?" how can he.....

"Hey, little brat, is this called as careless? Street is such wide open, there is no one, how could you hit the rear? Are you thinking because you have more money, is trying to test the strength of your Bugatti Veyron?"

"Think as you please." Qi Lian Ao Yu does not care laughs, he takes out his wallet from his pocket, put few wad of bank notes: "Does this money enough for paying your loses?"

Using her corner of eyes, that wad of bank notes at least thousand of dollar, Yao Yao hurries walking to his side, whispered: "Qi Lian sunbae, no need to pay that much."

"That is no matter? Anyway it isn't my money." Qi Lian Ao Yun face is showing mocking expression.

An instantaneous Yao Yao understood the behind meaning of his words, it because is Yu Ao Tian's money, so he is such audacious?

"That's right, that's right, in this days Fu Er Dai (second wealthy generation) is someone really impressive' (negative meaning: Bad-ass). If it can, I also want to be bristle-tail." the man smiles, taking the bank notes from his car while talking to himself.

At sudden, Qi Lian Ao Yu melancholy eyes flashed, very fast he has dashed in front of that man, pulled his collar shirt:

"Who is bristle-tail that you mentioned?"

"Little brat, do you want to fight? Just to remind you, we are five in here."

Seeing the situation is kinda not right, Yao Yao wants to go in front and become a peace marker..

Episode 313

As heard, Qi Lian Ao Yun humphed once, raised his hand and beat that little scoundrel, hit on his face.

"MF! You are simply seeking for death, let's we go together (fight together)." after said, those few scoundrels are surrounding him.

Although Yao Yao wants to be peace marker but it is impossible, the other party is five people, Qi Lian sunbae only one person, better.... Make report to police! She quickly takes out her mobile phone from her pocket, call police.

But without waiting the phone connected, three from the five little scoundrels have already knocked down on ground.

Left two who running away because scared, they even don't want the car anymore.

Woah, after all Qi Lian sunbae can fight? This is her first time to see Qi Lian Ao Yun fighting, she thought a gentle and warm person like Qi Lian Ao Yun is belong to intellectual types, never though he also a good fighter? "Qi Lian sunbae, you are so awesome."

"Ha, following that man, at least I must learn this kind of thing, if not would he let me off?"

Ugh....

When Qi Lian Ao Yun said this, obviously Yao Yao can see his hatred, did Qi Lian Ao Yun not want to learn martial art but he was forcing by Yu Ao Tian?

No matter what, that is these brothers matter, now she only.... "Qi Lian sunbae, thank you." She thanked Qi Lian Ao Yun.

"What are you thanked for?" Qi Lian Ao Yun tidied up his shirt, coldly walked in front of her.

"Hehe, you know." in this wide street, even if the driver is dummy would not crash the car. If not because Qi Lian Ao Yun, she really didn't know how she going to be ended.

"You stop think too much, I just sleepy, and resulting I hit my car, who knows such coincident, you are being disturb by few scoundrels."

".

.....

."

Didn't Qi Lian sunbae sleepy? How could he see her being disturbed by few scoundrels? Yao Yao's mouth curved upward, and also not exposed Qi Lian Ao Yun, if really want to say, dealing with both of them are really difficult.

"How about you, why are you walking alone in here, would it...." Qi Lian Ao Yun melancholic eyes flashed, inserted his hand into his pocket, slowly bent down his body, so his height at hers level, sneered: "Are you dumped by Yu Ao Tian?"

Ugh....

Can she assume he was right?

This is really, why every time she being chased away by Yu Ao Tian, getting down from the car, she always meets Qi Lian Ao Yun? Such coincidentally? "Qi Lian sunbae, don't talked that harsh, why must Yu Ao Tian dump me, could not I be the person who dumped him?"

"Oh? Are both of you broke up? That's right, that kind of man indeed not reliable, he can be so nice with you in moment but the next moment he can... Ruin you by his hands! He is kind of cold blood heartless man rotten bastard!"

As for what Qi Lian Ao Yun said, she really agreed, Yu Ao Tian really types of moody man, but does he really cold blooded? Actually it is not completely right.

And then, since Qi Lian Ao Yun badmouthing his own older brother, Yao Yao really feels little bit awkward. "Qi Lian sunbae, if I was the person saying him it okay, but you are his.... Biological brother, right?"

"Didn't I say all the truth, not believe me? Let me prove it to you!" after said, Qi Lian Ao Yun is taking out his mobile phone, slowly dialing Yu Ao Tian number.....

Episode 314

"Ao Yun, what's matter?" voice from the phone is Yu Ao Tian's.

His melancholy eyes flashed, directly pressed speaker button: "Where?"

"At home."

Ugh.... So Yu Ao Tian is not looking for woman? Really disappointed. After she heard that loud speaker voice, she feeling lost pouted her mouth.

"Your house are so many, which one?"

Listened to the way Qi Lian Ao Yun question, Yu Ao Tian who is at another side of phone call frowned, he can sense something odd. Because Qi Lian Ao Yun others than money won't call him, moreover he won't speak this much of nonsense. "In ours father and mother's house."

Ours father, our mother's house? This is the first time for Yao Yao to hear Yu Ao Tian mentioned about father and mother.

Thus the way of Qi Lian Ao Yun asked, impossible trying to know, trying to know whether Yu Ao Tian is with another woman or not right?

"Ao Yun, why are you calling me? Say it directly."

"Oh, nothing, I just hit my car."

"What? Are you okay?" it is Yu Ao Tian nervous speaking tone from the phone, Yao Yao is obviously understand him who cares his younger brother so much, only Qi Lian Ao Yun not really cares Yu Ao Tian.

"Rest assured, I won't die. But your little lover...."

" talked to this point, Qi Lian Ao Yun gazed at Yao Yao who beside him.

"Yao Yao? Is she with you?" immediately Yu Ao Tian speaking tone turned to be cold.

Geez, how can he change this fast? When he heard his younger brother got into problem he sound in rush, panic, but once he heard about her he turned to be so calm, does he really wish she gets hit to death?

"That's right."

"Oh, is there any thing more?"

"En? Brother, why don't you ask me, how's hers? Why she together with me?"

"That little thing matter none of my business."

Once she heard his words, Qi Lian Ao Yun is smiling provoking her, as if he said to Yao Yao, see, your man not care whether you live or die.

Yao Yao is biting hard her lips, another moment, quickly she took the mobile phone, she shouting out loud on the phone: "You this old thing, why don't you go die?"

"What did you call me?" very obvious, Yu Ao Tian didn't expect Yao Yao would call him that way.

"Called you old thing, so what? In my eyes you are old thing!!"

".....I am only 28."

"So what? I just 19 years old, you called me Little Thing, but not allowed me to call you old thing? Old thing! Old thing! Old thing! Cih, MF!" Yao Yao really not give any chance for Yu Ao Tian to talk back, quickly she hung up. So good!!

Qi Lian Ao Yun who is beside her already dumbstruck, since he lived with his brother in Japan, he had seen countless women who sticking with his older brother, but none of those women dared to talk that way to his older brother, although there was perhaps would not have any good ending.

But just now, he is clearly heard that although Yu Ao Tian is angry but he is showing more helpless feeling and dearing her.

Just in this moment, Qi Lian Ao Yun can feel that Yu Ao Tian is treating Yao Yao differently compare to those women who ever with him.

"Give you back your mobile phone, Qi Lian sunbae."

Taking his mobile phone, he rolled his eyes: "Yu Ao Tian does not care with you, while aren't you sad?".

Episode 315

"Haha, he knew that I am okay. He also knew that you lied to him."

Indeed, due to Yu Ao Tian observation skill, when Qi Lian Ao Yun said that he was with Yao Yao, he had guessed that Yao Yao must be okay, after all, Qi Lian Ao Yun has deep feeling toward her, if something bad really happened to Yao Yao, he would not call him with that calm speaking tone!

"You seem to understand him well. Since that the case, why you still scolded him?"

"I scolded him because fun, anyway it is boring." the most important is, when he asked her to get down from car, that anger she really can't keep it. "Qi Lian sunbae, I take my leave first."

"Leave? This place is hard to find ride, if you want to walk to down town it needs about one hour, don't you afraid to encounter scoundrels?"

"Ugh...." she really does not want to encounter any of scoundrels.

"Come on, I drive you." after said, Qi Lian Ao Yun seat in driver seat.

Yao Yao feels in dilemma frowned, can she? Can she take the ride? But.... She still remembered what Yu Ao Tian did, 'one step back today for two steps forward tomorrow' (retreat in order to advance), Qi Lian sunbae won't harm her right?

Thinking to this point, Yao Yao slowly take her seat....

Ring.

..ring...." not long after the car starting the engine, Qi Lian Ao Yun's mobile phone is ringing, he sees the display screen, looked at Yao Yao.

"Yu Ao Tian?"

"En."

"Don't pick it! Don't pick it!!" Yao Yao waving her hands.

But seeing her this way, Qi Lian Ao Yun is smiling devilish, on contrary he picked the call: "Hello?"

"Bring Little Thing to my house."

Qi Lian Ao Yun staring at Yao Yao.

Although the phone isn't speaker but she heard what Yu Ao Tian said: "Not going!!!" he was the person who asked her to get down from the car, and now he is the person who asked he to go back, why must her? Does he think she as his pet?

"She is not going to."

"You directly drive her to here!"

"Yu Ao Tian, why based on what must I listen your command?"

Heard the way Qi Lian Ao Yun spoke, Yao Yao is secretly clapping her hands, that's right! Should not listen to Yu Ao Tian, anger him to death! Just anger him to death!!

"Ao Yun!!!"

"I have decided to take her to my home. I hung the phone."

"Hey? Ao Yun! Ao....." without waiting for Yu Ao Tian to finish his words, Qi Lian Ao Yun has hung up the phone call.

"Damn!" looking at Yu Ao Tian, he is angered by his own younger brother and also that Little Thing, his face already blue and then purple.

Those two person must be Yu Ao Tian ☹️unlucky stars'! If later in the future both of them are joining hand and working together, perhaps he won't live until forty, he has already angered to death by both of them!!!

"So irritating!" he spoke it angrily, Yu Ao Tian wears his clothes, he opened the door and rushed out.

...

About ten minutes later, he has driven his car to Qi Lian Ao Yun's house.

But when he arrived in front of the Villa's door, as he heard, there is faintly moaning voices of woman.

Yu Ao Tian's heart is tightening, 'thump' 'thump' hurried he press the door bell.

Very long time, Qi Lian Ao Yun is wearing his pajamas opened the door, but he hasn't spoken anything. Yu Ao Tian has already pushed him away, directly dashing inside.

"Ah!!!" inside the living room, a woman with her messy shirt lying on sofa, seeing Yu Ao Tian coming, she is panicking covering her private area.

Realized this woman isn't Yao Yao, Yu Ao Tian is secretly heave a sigh of relief, finally he able to let out his tension.

"Ha, so strange, last time you were not tricked but why this time you are tricked?" Qi Lian Ao Yun laughed at him, slowly he sitting on the sofa, pulling that nervous woman into his embraces.

"Ao Yun, she is...." the woman is peeping Yu Ao Tian expressionless face.

"She? She is only a stranger, you not need to pay attention to her!" Qi Lian Ao Yun is glanced Yu Ao Tian with his disdainful eyesight.

He showing him a cold expression...

Episode 316

Dealing with his younger brother attitude, Yu Ao Tian is already used to it. "Where's Yao Yao?"

"She is not at my place, I drove her to her own house."

He had predicted!

But as he heard the way Qi Lian Ao Yun spoke, he still little bit worry. The main point is his younger brother is someone shady, there is time he also cannot guess what Qi Lian Ao Yun going to do.

"I leave." expressionless Yu Ao Tian turned his back and left.

"Hey, Big brother!" Qi Lian Ao Yun is chasing him until the in front door, his body is leaning at the door side, coldly said: "Both of us as brothers, since we were kids we didn't have any same interest. But this time, it seems both of us brothers, finally has shared one 'interest'."

Listened to his words, Yu Ao Tian chooses to keep silent, coldly he back to his car, the ride isn't stop moving forward to the place where Yao Yao's house....

"Ring, ring..." just arrived at Yao Yao's house downstairs, Yu Ao Tian's mobile phone is ringing: "Xue Tong, what's matter?"

"Ao Tian, the airplane ticket is changed to next two hours, you hurry prepare your stuffs for going to Japan."

"Why suddenly changed?"

"The person that you wanted to meet, suddenly phoned that tomorrow will be going to England. Hope to meet you tonight."

Yu Ao Tian is silent, his pair of deep eyes flashed looking at the fourth floor of the apartment.

From the little window, it shows the light still on, it seems that little thing hasn't slept? "Okay, I understood. I am going to airport." hung up the phone call, he turned his sight into other way, and then slowly his car disappearing into the darkness of night.....

"Huh, it has been so long not sleeping in this bed, it really gives good feeling." dawn, that small palm-sized room is only enough to accommodate her small single bed. Yao Yao is rubbing her sleepy eyes, stretching her body.

Staring at familiar environment, every thing is so familiar. Since she was 13 years old until today, although she gathered all her footsteps that printed in this house the accumulation won't be more than a month, but there is no slightest unfamiliar feeling in this house, on contrary she feels as if she always staying at this home.

Is the reason because she staying at Yu Ao Tian's place? She carefully compares, although her home is smaller by one size number of Yu Ao Tian's apartment, but all are so cozy, so comfortable.

"Dear, come having your breakfast."

"Thanks Mom." Yao Yao is mouthful eating the food that cooked by her mom, she feels touched and almost shed tears, this familiar taste, mother's smell. Hu...

. "Mom, I am going to office."

"En? Yao Yao, recently what are you busying? At one moment you are going to school, another moment you are going to office."

Staring her mother face that filled with suspicious expression, Yao Yao remembered, for all these time she was busying Yu Ao Tian's matter, she also forgot to contact her mom, she also forgot to pay visit to hospital looking her grandfather.

"Mom, anyway recently there were many things happened, I can't tell you all at once, but wait until I done with my things, I will come to accompany Grandfather, okay?"

"He he, you silly little girl, mom does not need you companion, as long as you contacting mom, then mom will have peace in heart, satisfied."

When children travel far from home, mother never stop worrying. Since Yao Yao graduated from Senior High in Japan and back to China, she is lessen showing up in home. Long Ye frowned, she is still calling him General Manager Long, but she keeps on giving him order, actually between both of them who has the bigger authority?

Hehehehe.... "Say, CEO Luo, what do you want me to do?"

"Ugh.... Long Ye Ge Ge." Yao Yao is helplessly pouted her mouth, hoping he will stop to tease her.

"Hehe, I still prefer to hear you addressing me this way. Say, sister, what help do you need?"

"Secretary General Qiao." the in front desk receptionist is politely bending respectfully toward Xiao Qiao.

She is surprised pointed at Xiao Qiao who smiled: "You?"

"Haha, after one month coming to Lan Du's group. Now I have promoted to General secretary position."

General secretary position? Does it mean her work is similar with Miss Mo? Haha, Xiao Qiao is awesome.

"Xiao Luo, why are you coming here?"

"I.... I am coming for yours CEO Xia. But, I don't have appointment." she smiled awkwardly.

Once Xiao Qiao heard: "Come on, I will bring you to meet Ren Liang."

Xiao Qiao is taking lead and directly bring her to CEO's room.

Xiao Qiao who seems so familiar with all the way, pushing open the office room: "Ren Liang, see who is coming."

Inside the office room, Xia Ren Liang is lifting his head up, but at the moment he sees Yao Yao showing up in front of his eyes, his eyesight obviously changes bright, but very quickly it turned dimmer and expressionless. "Yao Yao, why are you coming?"

"Haha, I come to ask for your help."

Episode 319

She does not like to explain so much with others, moreover telling others, especially when dealing with man who has feeling toward her, she will stubbornly say that she has already had someone she love.

If she does not say she loves Yu Ao Tian, and then telling blablablabal about her bitterness, there is no point to do so? And at last it means to signal others, telling them, 'I am not like anyone, please come to pursue me; I become Yu Ao Tian's lover because I have my own difficulties, please don't give up on me.'

There is no point to do so, by doing that way she only degrading herself!

"Bring it here!" Xia Ren Liang expressionless stretching out his hand.

She dumbfounded for moment: "What?"

"Don't you want me to be Yu Ao Tian's supporters? Hand over the document to me?"

Ha! Does this mean Xia Ren Liang agree? Quickly she takes out the document from her bag and hand it over to Xia Ren Liang, Xia Ren Liang looks so cooperative signing it.

"Thank you. CEO Xia."

"Ha, CEO Xia, this kind of addressing is sound alike stranger." Xia Ren Liang mocking by laughing himself, hand back the document to Yao Yao: "I signed my name only because of you. I know, if I don't put my signature, you won't be happy. So that, although this matter really makes me unhappy, but since it will make you happy, I willing to do it!"

At beginning she actually so happy but because Xia Ren Liang spoke this way, she feels gloomy.

Although she really slow for everything regarding to feeling matter, but she also understood what Xia Ren Liang mean by his words. She is shivering when taking back the document, she silent for moment, take deep breathe, slowly said: "You and Xiao Qiao are dating, right?"

"That's right! We are going to marry soon."

Just as expected! Her guessing isn't wrong, due to Xiao Qiao capability impossible for her to be general secretary for Lan Du's group, except she is CEO's future wife.

"Congratulation. After all you find a right person, just having good life with her." Xia Ren Liang, you must be able to grasp the meaning behind my words, right?

Since you have choose to holding hand until old, must be respecting each other, or else not only Xia Ren Liang will be bitter alone but there still Xiao Qiao too.

"I take my leave first." when Yao Yao is turned her back to leave.

Suddenly Xia Ren Liang rushed in front her, give her back hug, hugging her tightly.....

Xia Ren Liang.... What does he do? Heart, 'thump' 'thump' skip beat nervously, she is dumbstruck with her wide open eyes, turned back, she can see from her eyes-corner that good looking face leaning on her shoulder.

At sudden the atmosphere changed to be such ambiguous.

When Xia Ren Liang sees pair of Yao Yao's eyes are filled with complain and also surprised, he realized he had done something foolish!! "I am... Sorry." faster he free his hand that hugging Yao Yao, his eyes avoiding her.

Gee.....

Damn! She must not choose Xia Ren Liang to be Yu Ao Tian's supporters, furthermore she must not meet Xia Ren Liang. It seems she has underestimated this man feeling toward her.

"Yao Yao. There is something that I always want to ask you." Xia Ren Liang heave a sigh, his black pair of eyes are filled with her reflection: " That time, when Lan Du's group facing a crisis, Xiao Qiao sent me PR planning, was it yours".

Episode 320

'Bang'

After Xia Ren Liang said this, suddenly the CEO's office room door is opened, with panic expression Xiao Qiao coming.

For once again the atmosphere turned to be awkward.

Xia Ren Liang frowning, there is no anger in his speaking tone: "Xiao Qiao, what are you doing here?"

"I... I, I just want to know whether Yao Yao has left or not."

Haha, Xiao Qiao perhaps not really coming to check whether she has left or not, but she afraid Yao Yao would tell Xia Ren Liang about the truth? Yao Yao is helplessly smile, her eyes are gleaming slowly looking at Xia Ren Liang: "The question just now you asked...what do you mean?"

Looking at Yao Yao pair of eyes which showing suspicious sight, Xia Ren Liang despaired, sighed: "No, nothing."

"En, well I take my leave first." Yao Yao nodding her head to both of them and then she left the CEO's room.

"Xiao Luo! Xiao Luo..." not long after that, Xiao Qiao chased at her back.

She has known that Xiao Qiao might come to chase after her: "What?"

"It is regarding to that matter."

"Alright, Xiao Qiao, you don't need to say anything, since I let that matter being taking care by you, it means that the matter would be forever kept inside my heart as secret. Rest assured, I will never tell anyone for this life time."

"Haha, thank to you, Xiao Luo. I don't know whether Ren Liang have told you or not, we are going to marry soon?"

"En, he had told me, congratulation."

"What to congrats. He married me, actually because of your....."

Xia Ren Liang is type of man who value feeling more, when Xiao Qiao gave the plan solution to him, he really didn't know how to thank her.

While Xiao Qiao is cunning woman who has more schemer thought than any average women, she knows if she asked 100 million to Xia Ren Liang, he would give her. But after all 100 million amount of money still has it limitation, but married to this man it mean to have unlimited bank notes.

That time she showed an attitude, as if she didn't need any repay. It makes Xia Ren Liang has different opinion about this woman.

For such long time, both of them often to go out and having meal together. There was one time both of them were drunk, things happened.

Xiao Qiao was crying and asking him to take a responsibility, since he is someone who value feeling more so that he fulfilled what Xiao Qiao wanted.

"You said these to me, don't you feel afraid that I will make report to Xia Ren Liang?" after heard what Xiao Qiao said, Yao Yao is jesting with her.

Xiao Qiao does not have any objection shook her head: "I have been so stress about this matter for long time, there is no one to share, I afraid I might go crazy soon."

"Hahaha, Xiao Qiao, it isn't something that you does not have anyone to share (talk about), but your heart just not at ease, so that you want to say it out."

"Heart not at ease?" Xiao Qiao dumbfounded, after sometime she smiles helplessly: "No wonder when the things just happened, I didn't feel any bitter, but for such long time I feel so bitter."

"Yes. That is because you are more loving Xia Ren Liang, more caring about him. If from beginning, you are using a trick (scheme) in order together with Xia Ren Liang, now you are sacrificing your true feeling.

Since this is the case, all the trick and the scheme that you done, on contrary all of them are evidence you really love him, am I right?"

"Yao Yao!" the guilty feeling that followed Xiao Qiao for such long time, because of Yao Yao words suddenly enlighten her. "Do you think I am such despicable?"

"I don't think so. Still a same word, this only an evidence that you love Xia Ren Liang, that's all."

These words, all are them really a sincere words from Yao Yao, at the beginning Xiao Qiao perhaps targeting Xia Ren Liang's money, but when her heart is not at peace, without she realized it is an evidence that she has already fallen for Xia Ren Liang.

There are few women who will use any scheme in order to get the man that they love, this isn't called as despicable, on contrary this is type of cherishing expression.

On other side....

Xia Ren Liang is obviously some who despicable more!

Perhaps some of people might say, Xia Ren Liang is a man who value feeling more how can he is more despicable?

That's right! Although he is a man who value feeling more, but using this kind of attitude to settle feeling matter is sort of despicable.

The case is because of, he had slept with Xiao Qiao, he even decided to marry this woman. But does he love her? Has he ever thought that the important of marriage, if only to take a responsible and then he married her, this is something too foolish.

Actually Yao Yao really wanted to tell Xiao Qiao, regarding to this marriage matter better she consider it for once again. But looking at her back, actually she really have many matters of her own.

One blessing word, once sincere praying, it is more than enough.

Just hoping there is one day, Xiao Qiao can cherish these 'scheme' let Xia Ren Liang really loves her. By this way, both of them perhaps will have happy.....

Leaving Lan Du's group, when she is going to take bus back to office, her phone suddenly is ringing,

"Hello?"

"Yao Yao..." the person who calling is Long Ye. But from his speaking tone, does Long Ye face with problem?

"What happen? Long Ye Ge Ge?"

"Hm.... Like this. Everything is going so smooth. But.... Hei Yan Long, if you want him to sign, you must come by yourself!"

Hei Yan Long? The chairman CEO of Bao Lai's group, the business is rank third in China. How can he suddenly asking something like this? Her position is such lower few levels than Long Ye, if he wanted to meet someone, Yu Ao Tian is more suitable, right? "Long Ye Ge Ge, what is going on actually?"

"This matter I do feel little bit odd.

I have met Hei Yan Long few times, this person does not have any scandals, in this circle he is so low profile, he isn't a man who meet one woman and than do something, type of playboy. He suddenly asked for this, I also don't know what his reason."

"Since this is the case, I go to meet him must no problem, right?"

"I also don't know what to do. Now Ao Tian is in Japan, I can't contact him, ckckck!" From the way of Long speaking tone, she can feel he is in such helpless situation, the most important thing actually he cannot guess actually what Hei Yan Long wants. If this Hei Yan Long doing something not good to Yao Yao, doesn't this mean he is sending Yao Yao into tiger's mouth?

"Long Ye Ge Ge, you don't need to be panic. A person like Hei Yan Long who has position, has status, he wanted to meet me, this is also my honor. If I refused him, this obviously I am such childish, don't you think so? It is okay, I am going to meet him, it must be okay."

After listened to Yao Yao comforting words, Long Ye who is on other side phone helplessly smiles, really such obedience little girl, she even comforting him? No wonder Yu Ao Tian is such thoughtful for this little girl. She is so obedient and also mature, he even does not know how to use his heart to love her (dear her, sort of feeling for family member)!

"Fiuh...." silent for moment, Long Ye is taking deep breathe. It seems there is no such good way, if Hei Yan Long has bad record, he won't be such hesitated to refuse him, but that brat has very good track record, this is so frustrated! "I will going to accompany you!"

"En.... Okay."

The place that Hei Yan Long asked to meet is in private club. This area is little bit isolated. When Long Ye picked Yao Yao, it is almost evening.

"How can this place is such in isolated area?".
