

Pure Girl 321

Episode 321

looking around at darkness of the environment, Yao Yao shivers.

Long Ye keeps silent while driving the car, his expression is so serious and stern, he never thought that

Hei Yan Long would give such desolate address.

The in front of ten meters is Hei Yan Long private club, compare to the pitch dark night, that big four storey villa is glamorously brighten with lights.

The car is slowly stopped, Long Ye and Yao Yao are getting down from the car.

When they are going to enter the villa, suddenly Long Ye stopped his footstep. "Listen to me Yao Yao." he bend down his body, keep his height at her level, seriously said: "Since this time, you are not Yu Ao Tian's lawyer, you are Yu Ao Tian's woman! Either for our Berson Group or Ao Tian, we are not giving anyone face, we are also won't afraid of others people threaten. If Hei Yan Long has something bad intention toward you, you don't need to be afraid, you also don't think to consider too much, white path, Berson will come for you; if black path, there is Yu Long's group take care for you, understand?"

He really afraid that Yao Yao will consider too much for the complete result, afraid she will endure everything say nothing. Actually due to Berson Group current position, walking in business world, there's no one who is not bend down their waist?

So what with Bao Lai's group? It can say only for this time Berson is asking favor from Hei Yan Long, if there is other person, why must consider about Bao Lai's group?

"I understood. Long Ye Ge Ge, you rest assured, I will take the opportunity to act."

"En." after said, both of them are push open the big door.

And then, seeing inside the villa scenery, both of them dumbstruck.....

As seen, the glamorous big lobby is standing countless men, women, together there is beautiful music flowing. No need to ask, in here must be held a party.

Long Ye and Yao Yao are exchanging their glances, at same time both of them are heave a sigh, after all in here is banquet, there are many people in here, why both of them are so nervous? It seems that both of them are thinking too much.

"General Manager Long!" this time, a man from group of people who wears silver-colored western suit come closer.

He has honey colored skin tone which is similar with healthy tanning by the sun, he has pair of eyebrow alike blade so sharp, a deep black eyes utterly unpredictable, long eyelashes like wings cover his sharp eyes color. High bridge nose, subdue thin lips, v-shape chin, it articulate his arrogant character, it gives pressured feeling for others.

This man is...

.

When Yao Yao is wondering, beside her Long Ye has whispered: "He is Hei Yan Long."

Ugh....

This man seems only in his twenties, he looks at same age with Feng Chen Yi, he.... After all he is Bao Lai's group Chairman CEO, moreover he is such good looking!

"CEO Hei!" Long Ye smiles charmingly, quickly he stands in front of Hei Yan Long and shakes his hand:

"Aiya, you are having party why didn't you tell me, you see, I come with my casual cloths, this is obviously impolite."

"General Manager Long, you can come here I am so happy, why must we need so much courtesy?" Hei Yan Long politely smiles, his deep black eyes are slowly looking to Yao Yao.

She is nervous gulping her saliva, she feels this man is radiating kind of haughty, violent feeling, really scary.

"Come, Luo lawyer." Long Ye can feel that Hei Yan Long eyes are focusing at Yao Yao, knowing that he called her.

Thump thump thump' although heart skip beat, but Yao Yao looks so calm from outside, her face is hanging a smile and walking there, nodding her head to Hei Yan Long: "CEO Hei, hello."

"CEO Hei, this is our representative lawyer of our CEO Yu."

"Oh?" Hei Yan Long eyes flashed, he glance Yao Yao with disdain: "I even thought that the representative lawyer of CEO Yu must be someone who has three heads and six arms, but it turned only a little girl. CEO Yu can find this little girl to be his lawyer, does he take everything too lightly?"

From the way Hei Yan Long speaking tone that such piercing to Yao Yao's ears, Long Ye finally understands Hei Yan Long does not attempt on Yao Yao but.... He taunts Yao Yao, but it also something that Long Ye dislikes. "Aiya, CEO Hei, although this little girl still so young but she has capability!"..

Episode 322

"Is it? Ha...." Hei Yan Long is mockingly laugh, his deep black eyes are looking at Long Ye: "General Manager Long, come, let me introduce you to few of friends."

"Okay." Long Ye smiles while nodding his head, taking an opportunity, hurry he whispered to Yao Yao's ear: "Wait for me in here."

"En." she smiles, she is sending off Long Ye with Hei Yan Long.

Strange, this Hei Yan Long called her to come, does he only want to see Yu Ao Tian's lawyer? If only for this, this Hei Yan Long really such dull (nothing to do)?

Yao Yao is helplessly shaking her head, she not really cares what Hei Yan Long said about her, after all capability can't be judged from appearance.

"Quickly! CEO Hei is at there. Come, let's us greet him."

"Forget it, although you go there and talk with him for the entire day, don't you still know what kind of person Hei Yan Long is? The most beautiful woman in his eyes are not more than fart. If you want to mark, better you take a look for the man who stands beside CEO Hei."

"Which one?"

"The General Manager of Berson's group, Long Ye! Worth more than money, his appearance is one two (similar) with CEO Hei."

"Ugh..."

Listen to these two women who chit chat beside her, Yao Yao who is alone doing nothing pouting her mouth.

Actually this kind of party or any formal banquet from the high social class, most of the women are from one or two stars wealth family who are looking for prospect future husband (marriage partner) or having connection, while in their eyes they are looking for few men that are as expensive as diamond bachelor.

"Miss, are you Mr. Zhang's daughter the king of Logistics business?" suddenly, a man who well-dress standing beside Yao Yao.

Suddenly she remembered, this kind of party, banquet, there are few successful men who are looking for 'partner' for this kind of occasions.

Although it says, man with lots of money won't lack of women, but they won't spend much money to look for prostitutes, because no self-pleasure. While this kind of occasions, this is the best place to hunt, looking for the suitable 'partner' and when telling outsider quite give face.

This is the rule in this elite circles. This knowledge that Yao Yao has, all because she ever followed Feng Chen Yi to attend this kind of banquet and also he was the person told her.

"Haha, Mr. It seems you are mistaken."

"Oh, this is, don't know whether I have honor to be friend with Miss?"

Cold sweat... Here comes again, in this elite circle the way to strike up a conversation really such old-fashioned. Secretly Yao Yao in her heart ROFL him, she also think how to reject him.

Just at this time, one of Hei Yan Long's hand is holding red wine, slowly walking to their side: "Am I disturb you guys?"

"CEO Hei! Not disturb, not disturb." the man with respect bend his head down.

Hei Yan Long takes a sip from his red wine glass, smiles: "Now, I want to have privately talk with this Miss."

Episode 323

"Oh... I understand. I understand. Well I won't disturb CEO Hei."

"Wait." When the man is going to leave, Hei Yan Long calling to stop him, he hand over the red wine glass to that man's hand: "Help me to put the glass to there, thank you."

"Ugh, this is my honor." the man is awkwardly smile and then turned to leave.

Yao Yao who is standing beside keeps quite for this time, she can feel something....

Hei Yan Long this person character is more than an arrogant! She really never seen, the person who host the party asking his guest to help him put down the wine glass, as if a servant.

"Miss Luo" at sudden Hei Yan Long's face changed to be cold, his pair of black eyes flashed as if wild beast looking at her: "Since CEO Yu is value you so highly, I really want to know, knowing Miss Luo capability. Now I have case related to legal matter I want you to help me to take a look for moment, can you?"

Hehe, does Hei Yan Long test her? It is so clearly he is looking down her, why must he need to test her?

"CEO Hei, just now General Manager Long was praising me little bit, as lawyer, I am only a newbie. I believe your company must have lawyer that better than me to help you share burden?"

"Ha, Can I assume by saying these thing Miss Luo, you are rejecting me?" After said, Hei Yan Long eyes flashed.

Yao Yao curled her hand into fist, she is forcing herself to give a faint smiles, she afraid if she keeps shirking, this Hei Yan Long perhaps would not give her chance backed off completely? He is really an aggressive man! "CEO Hei, I don't mean that way, since CEO Hei valued me, I will happy to share the burden.

"

"Follow me!" After said, Hei Yan Long is walking faster to the elevator direction.

Yao Yao in difficulty frowning, she is constantly looking for Long Ye in big hall, but it crowded with people,

she really cannot find Long Ye, finally she only can follow Hei Yan Long entering the elevator.

The elevator is stopped at third floor, Hei Yan Long is taking her to the most far of room.

Open the door room, inside it is only a simple decoration bedroom suite.

Hei Yan Long is taking her to this kind of place, this isn't look alike people want to talk about business?

"CEO Hei, you this?"

"Miss Luo, I am type of person who does not like to speak bunch of nonsense with woman." Hei Yan Long tugging his necktie, turn his back and then sitting in long single sofa: "Say, how much money that CEO gives you every month, I will double it! Perhaps, we make it simpler, how much money you are per night, as long as you say the price, I pay it!"

Does this Hei Yan Long have sickness? How can he speak this calmly when he said such indecent stuffs?

☒Forget it, although you go there and talk with him for the entire day, don't you still know what kind of person Hei Yan Long is? The most beautiful woman in his eyes are not more than fart'.

Something odd, something odd, just now that two women had said Hei Yan Long isn't someone lewd, while Long Ye Ge Ge also said, Hei Yan Long isn't a playboy, so there is no reason for him to do transaction with her?

Actually what is his purpose?

Yao Yao rolled her eyes, at sudden her face changed dim: "CEO Hei, it seems that the person you looking to ☒exclude the difficulty and anxiety' isn't me. I see.... You better find other people, I think, there must be many people who still wanted to do this kind of transaction with you!" After said, she is turned her back and wanted to leave.

Suddenly Hei Yan Long rushed in front of her, he hold the door firmly. "Isn't Miss Luo coming to help CEO Yu to do some business? If I don't give my signature to that document, perhaps Miss Luo might get in trouble right?"

"Haha, CEO Hei you might misunderstand something. Our CEO Yu indeed need supporter to support his political election. But, it doesn't have to be you!!!"

Due to Yu Ao Tian today's position, as additional the others nine supporters, actually there is no need the support from Chairman CEO of Bao Lai's group as supporter. Of course, with him, it similar with cream on the top of cotton cake.

"Ha, it seems that all the people who stay beside of CEO Yu more or less must be contagious with his domineering aura! But, Miss Luo, don't your reason to stay beside CEO Yu because of money? So why are you still pretending to be such proud?"

Geez, if comparing pretending arrogance, how can she win over this Hei Yan Long?.

Episode 324

"CEO Hei, I see, both of us don't need to continue this conversation, please give way!"

Seen Yao Yao is stubborn wanting to leave, Hei Yan Long pair of black eyes dim: "This is what you force me!!!"

☞papapa' clapping hand sound.

As seen, from the inner room there are two men who are walking out: "CEO Hei!"

"One recording her, one do it with her!"

"Yes!"

"Hei Yan Long, what do you want?" Yao Yao is surprised and shocked when asking him.

Hei Yan Long narrowed his sharp and cold eyes, pulling her long hair: "Don't understand? But very soon, you will remember of it!" after said, he used strength to push her.

Yao Yao is falling down to the floor, what happened? What is called as soon she is going to remember? Is this the planned of Hei Yan Long (Murder of invited guest)? She does not have rancor against him but why he does this evil plan?

"Really dirty...." Hei Yan Long is taking out his handkerchief, can't stand and wipe his hand that touch Yao Yao's hair before.

This time, those two men are picking her up left and right and directly taking her to go into the inner room.

Hei Yan Long is following at back, leisurely, leisurely he sitting in a small sofa.

"Let me go!" if you two touched me, I will let all of you pay in double!!!" Yao Yao who is pressed down on the bed moving restlessly.

Hei Yan Long looked her with disdain: "Pay in double? Do you think that CEO Yu will because of you this kind of cheap thing going to fight with me life and death? You are over-looked at yourself? Or do you think that you have capability to fight with me? Ha, I really don't know what to say about you, whether you are too naive or you are too over-estimated about yourself! Do it!"

"Yes, CEO Hei." accepted the order, one of the men is pressing down Yao Yao's body, while the other men is taking out the recording tool.

She constantly moving restless, she also can feel that no matter what today this Hei Yan Long does, he won't be stopped until he reached what he wants. Actually what is the reason? What the reason why Hei Yan Long hates her this much? Obviously this is the first time both of them meet, isn't it?

The second floor of Hei Yan Long's room.

"Chen Yi! Chen Yi!" Ou Yang Zi Xuan panicking pushed open the second floor most far room.

Feng Chen Yi is slowly sitting down from the bed, gently rubbing his temple: "What?"

"You guess who I saw just now?"

"Who?"

"You make a guess!" Ou Yang Zi Xuan is smile mysteriously.

Feng Chen Yi face is darken: "Now my head is hurt to death, I don't have any strength to play with you."

"Ha, perhaps after I said who the person is, you won't feel your head hurt anymore."

"En?"

"I, have seen, yours, Ex-girlfriend!"

Episode 325

"Yao Yao?" just predictable, once he heard Ou Yang Zi Xuan said, Feng Chen Yi impatience expression is replaced with cold expression: "How can she come to join Yan Long's party?"

"How can I know, but she seems to follow Yan Long to third floor's room."

"Third floor's room? Isn't there is bed room?"

Seeing Feng Chen Yi keeps silent, Ou Yang Zi Xuan smiles while clapping his hands: "Rest assured, rest assured, don't you know Yan Long that brat, although he took your ex-girlfriend to his room, nothing will happen. Although your ex-girlfriend is naked in front of him, he won't take even a glance."

"Zi Xuan!!!"

"Ugh..." realized his words are already too rash, quickly Ou Yang Zi Xuan covered his mouth.

"When Yan Long took Yao Yao, how his expression?"

"En.... Quite serious to stern, it seems anger face."

"Damn!" once he heard, Feng Chen Yi hurried wearing his shoes and get down from bed.

"What happened, Chen Yi?"

"Yan Long will do something to Yao Yao!" no other people who know Hei Yan Long more than Feng Chen Yi, it can be said that both of them are plus one Ou Yang Zi Xuan are growing up together, so close as if a side of pant. Just after that, Feng Chen Yi was studying in Japan while Hei Yan Long was going to England so for few years they were not contacting each other.

But since little boy, Hei Yan Long has bad temperament, once he wanted to fight / deal with someone, all are written over his face very clearly.

☒knock knock knock' (knocking door sound)

Feng Chen Yi is panic knocking the door.

"Who?" from inside, it is Hei Yan Long impatience voice.

"Me!"

☒Creak' (sound of door being opened)

The door room is opened, Hei Yan Long with curious face looking at him: "Don't your head hurt? How...."

Without waiting for Hei Yan Long to finish his words, Feng Chen Yi has already pushed him away, directly he dashed inside the room. Just as expected, inside the inner room bed he has found Yao Yao.

Feng Chen Yi face is darkening, a punch flew to the man's face who is pressed Yao Yao's body.

"Feng Chen Yi..." Yao Yao is dumbstruck to see at Feng Chen Yi's rough breathe, how can he be here?

"Chen Yi, what are you doing?" Hei Yan Long chasing inside, amused!

He steady his breathe, coldly asked: "It is me who asked what are you doing!"

"It's nothing, I just punish a lowly cheap slut, that's all."

"Hey!!!" the person who stand beside is Ou Yang Zi Xuan who just want to warn Hei Yan Long when used his words, but who knows that Feng Chen Yi has already rushed and sending his punch to Hei Yan Long's face.

"Damn! Are you sick Chen Yi, why you MF hit me?" Hei Yan Long fume in rage asked him.

"Yan Long, don't say anything more, that girl is Chen Yi's Ex-girlfriend." Ou Yang Zi Xuan afraid thing going to be complicated, explaining by whispering.

After Hei Yan Long heard it, his face showing disbelief expression: "Is it really?"

"Why must I lie to you!" Ou Yang Zi Xuan nodding his head affirmatively.

"Impossible, Chen Yi..." Hei Yan Long's eyebrows gather into one line, he is pointing his finger to Yao Yao who is sitting on the bed with disgusting expression, disbelief asked: "After all you even dated this cheap slut? You even hit me because of this cheap slut???"

At sudden, Feng Chen Yi pair of eyes are gleaming dangerously.

Ou Yang Zi Xuan shivers with cold atmosphere, hurried he standing in between of these two persons:

"Can both of you calm down for moment, OK? Yan Long, why are you keep on saying Chen Yi's ex-girlfriend as....cheap slut?"

"Ha, you can ask that woman what kind of disregard thing that she did."

"Ugh...." Ou Yang Zi Xuan turned his head, smiles tilted his head...

Episode 326

Yao Yao coldly creased her forehead: "CEO Hei, since you were asking me to come here, you have been blabbering so many strange things, I think it is better for you to explain everything clearly!"

"Ah. You really a good actress, don't you think today scenery is so familiar? Or until now you are still not remembered anything?"

He keeps on asking her to remember, remember, actually what should she remember? Others than her memory before she was six forgotten, everything still in her memory. Did she ever meet Hei Yan Long and offended him when she was at 6?

Wait...wait!

Her face long, Yao Yao is looking at the man who standing beside holding recording, and then looking at the man who hit by Feng Chen Yi that rolled on the floor. Does this.... "Do you know Shang Yun Yin?"

"Ha, finally you are not pretending?"

When Hei Yan Long said this, all pairs of eyes are looking at her, did she really do something that degrading.

"CEO Hei, I really want to know what's your relationship with Miss Shang?"

"Actually I don't need to say so much thing with you, since you are Chen Yi's ex-girlfriend, and he also such protective to you, because of Chen Yi, I must say what that 'good' thing you have done!!" Hei Yan Long sneered, tidying his necktie, slowly said: "Chen Yi ah, your ex-girlfriend is CEO Yu's lover (person who being supported), do you know it?"

No!!!!!!!!!!

All the blood in her body as if bleeding out, she does not afraid Feng Chen Yi to know this matter, but Hei Yan Long said out loud this matter in front of many people, moreover the person who stand inside this room also has Feng Chen Yi's best friend, furthermore Feng Chen Yi is so protective toward her, what kind of eyes his friend must see him?

Yao Yao is using strength to bite her lips, slowly she lowers her head, tears filling her eyes. She not dares to look at Ou Yang Zi Xuan's expression, she also not dares to look at Feng Chen Yi's expression, at this moment she only wants to find deep hole and jump in.

"And so what?"

'Thump' amused, quickly she lifts up her head and looked at Feng Chen Yi what kind of expression in his face, his expression is such calm, the way of he speaking is such calm, as if he had known this matter for long time ago, but she never told him the matter she becomes Yu Ao Tian's lover?

"Ah, Chen Yi, you are really so open-minded.

I am telling you, this woman because of envy and jealous, she made Yu Ao Tian's ex-girlfriend lost her baby, and also made both of them broke up. And then, CEO Yu and my god-sister (younger sister / gan mei mei), who is also called as Shang Yun Yin together, the result this cheap slut..." after said, Hei Yan Long wanted to hit Yao Yao. But seeing Feng Chen Yi pair of eyes gleaming dangerously, he really not willing and only make fist his hand: "After all asking people to rape my god-sister and also recorded it and sent it to media!!!"

Hahahahahahaha.... So that, did it how Shang Yun Yin tell Hei Yan Long? No wonder Hei Yan Long looked her with disgusting expression, he even asked her whether she remember or not.

"Woman, all these things are done by you, right?"

She did it, no she didn't do it, those things was none of her business. Li Mei Yun lost her child; Shang Yun Yi being raped, she actually the victim, didn't she?

"Chen Yi, these things do you know?" Hei Yan Long laughed, turned his face and looked toward Feng Chen Yi..

Episode 327

"I know it!" He coldly said this words, quickly he walking to the bed side and hold Yao Yao's hands: "Yan Long, Others than Friend relation, I can tell you earlier. These few days I will acquire your company's stock in large-scale."

Feng Chen Yi.... What does he mean? Yao Yao is open her eyes wide, with disbelief expression looked at him.

Without waiting for her reaction, Feng Chen Yi has already pulled her hand and walking toward door way.

"Feng Chen Yi, you MF after all you even sending out an invitation to fight because this cheap slut?" Hei Yan Long does not understand roaring, but Feng Chen Yi without any expression walking toward doorway.

But when he has already walked until the door, suddenly Yao Yao stopped her footstep.

Don't be like this.... You cannot be like this.... This is her matters, this matter shouldn't let Feng Chen Yi get involved, he shouldn't!

"What?" Feng Chen Yi turned his head, smiling at her.

At this moment, a sour feeling wrapped her heart, if she does not try to hold her breathe, afraid she will cry like-river to vent her ache.

Why must treat her such good? Now both of them aren't boy and girl friend anymore, why must he treated her this good. Reminiscence past time, no matter who bullied her, he would directly fight with that party to the point live and death, although that moment he was so angry, but he still would give her a gentle smile.

Now this kind of feeling as if she turned back to that time, it also give a feeling as if both of them never separate; as if never passed that two years separation.

Don't be like this! Don't be such nice to her! If in the past this kind of feeling is called as touched, now this kind of feeling is called as burdensome!

Chen Yi.....

Thank you for trusting me; thank you to treat me so good. But.... Sorry, yours love, I have no right to hold on it anymore!

The heart feels down, she gives faint smile, suddenly she sway away Feng Chen Yi's hand, turned back to Hei Yan Long....

☑Since this time, you are not Yu Ao Tian's lawyer, you are Yu Ao Tian's woman! Either for our Berson Group or Ao Tian, we are not giving anyone face, we are also won't afraid of others people threaten. If Hei Yan Long has something bad intention toward you, you don't need to be afraid, you also don't think to consider too much, white path, Berson will come for you; if black path, there is Yu Long's group take care for you, understand?'

So far, the thing that she hate most is using connection, she also dislikes to be said by people, who is her boyfriend; who she knows. But for this time, she has forgotten one thing, now she is Berson Group's person, she must not embarrassed Berson! Regarding as Yu Ao Tian's woman....

. Ha, she really does not how to say out their relationship!

"CEO Hei, I am so envy with Shang Yun Yin because she has God-brother like you who such loyal. But, yours cute little God-sister seems not to take you as her older God-brother!" she is not in hurry when speaking, her lips curved up and then give him a mocking smile.

"What, you this woman is trying to devastate my relationship with Yun Yin?"

"Ha, if both of your relationship such good, no matter how I try to devastate it stills useless? But you CEO Hei, if you have Yu Ao Tian's phone number, you can directly call him, asking him what his relationship with your little God-sister! And also, the cheap article that made by your little God-sister in order to put me ashamed, today result is something must be done by her. And the last...." Yao Yao's eyes close and silent for moment, and at the moment she lifts her eyes, the unimaginable domineering aura has wrapped her surrounding: "Now I am Yu Ao Tian's lawyer, waiting until you done with your investigation, if you are still seeking trouble for me, I dare to bet with you, CEO Yu won't let you go easily!!!"

Battle start....

Better put all the matters to hers.

Feng Chen Yi and Hei Yan Long are best friend, he isn't the person who related to this battle, so that must not dragging him into this matter.

"CEO Hei, you think carefully because of lies that your little God-sister said, you are marking Berson as foe, is it worth?" After said, she sneered, turned her body and walking toward the doorway.

Feng Chen Yi is coldly standing there, when their eyes met, she saw blame in his eyes.

Feng Chen Yi, are you blaming me, why must I do something like that, or because I depended on Yu Ao Tian?

Feng Chen Yi, are you complaining me, why I never depended on you?

No, I had depended on you....

When both of us were together, I always depend on you. But now.... I really cannot depend on you anymore.

"Hei Yan Long is quite good friend, since he found out about our relationship, I could feel that, I can see the hatred in his eyes, he is protecting you as his best friend, this is something rare, you must cherish his...

." as regarding about me.... I am not worth to be protected by you!

Whispering, she is giving faint smile to Feng Chen Yi, slowly she walking away from his side.

"Yao Yao!!!" at this time, Long Ye with his rough breathe running, he is panicking glancing at expressionless Feng Chen Yi who stand in front of the doorway, and take a look to Yao Yao: "Are you okay?"

"I...."

"General Manager Long!" without waiting for Yao Yao to finish her words, Feng Chen Yi has curled his hand into tight fist, quickly walking in front of him: "Trouble you to help me passing my words to CEO Yu, if he cannot protect his woman, please asked him to move aside!!!"

After heard Feng Chen Yi's words, Long Ye creased her forehead, but after that, he laughed: "General Manager Feng, there is one thing that you mistaken, this matter is none of CEO Yu business, CEO Yu also does not know anything, it is me who not protect Yao Yao well!"

"Long...."

When Yao Yao is going to say something, Long Ye stretch out his hand to stop her: "I am sorry, Yao Yao."

Not like this! Not like this! Both of them are mistaken! No one is sorry her, while she does not need anyone protection. Why all of them are....

It seems, this mean she is not strong enough! It's okay, she can slowly work hard, she will prove to all of people, she really does not need anyone protection!

On other side....

"Damn!!" when everyone is leaving, Hei Yan Long is raging in fume, smashing the vase beside him.

"CEO Hei?"

"All get lost!"

"Yes.."

.yes." those two men are panicking leaving the room.

Hei Yan Long takes out his mobile phone from his pocket: "Yun Yin."

"God-brother, what happened?"

"I asked you! Actually what is your relationship with Yu Ao Tian."

"He is my boyfriend. But now he wasn't."

Hei Yan Long black eyes flashed, coldly said: "Are you sure? But just now when I called CEO Yu, he didn't say so!"

"Ugh...." it is obvious Shang Yun Yin speechless: "That, That, is that he said?"

His big hand made into fist, no matter what Hei Yan Long stills a CEO who owning company that is third rank in China, as soon as at once he heard, he can tell that Shang Yun Yin is panicking. "Just don't think what Yu Ao Tian said, now I still want to know one thing!"

"What, what things?"

"You, in Luo Yao Yao's school, did you confront her first?"

"She... She is seducing Ao Tian, so that I...."

☞creek' (cracking sound) without waiting for Shang Yun Yin to finish her words, Hei Yan Long has already hung up the phone call. "MF!!!" after all he is being used by Shang Yun Yin!!!

My Personal Comment:

So far, I haven't find any picture that fit Hei Yan Long description. I know, some of you might wonder why I rooting on him so much, why I ship him to Yao Yao. On the first meeting Hei Yan Long is already so

hateful perhaps compare to all the males, Hei Yan Long meeting with Yao Yao is the worst. He almost made Yao Yao raped. But again, Hei Yan Long also has his adorable side (just say I am so biased LOL)..

Episode 328

Although this Hei Yan Long has arrogant character, temperamental, but he can differ black and white clearly, who is wrong then it is wrong, even the person is his little God-sister he won't slide it go.

This time if not because Shang Yun Yin's father begging him to help, he won't get involved into woman's affair. The result after he get involved, he is not more than laughing stock.

☞creak creak' (creaking sound)

This creaking sound is coming from bone movement, Hei Yan Long dialing another number: "Zi Xuan, where Chen Yi?"

"He has back to his house."

"I asked you, what is that Luo Yao Yao relationship with Feng Chen Yi?"

"Aiya, to be blunt, she is the girl that until today loved by Chen Yi."

"But...." Hei Yan Long simply disbelief: "That woman is Yu Ao Tian's lover (girl that being supported by Yu Ao Tian, mistress) that kind of woman, how can Chen Yi still love her?"

"You are wrong, Yan Long." from other side of phone call Ou Yang Zi Xuan is taking deep breath: "Since the day we know Chen Yi until now, how many girls that Chen Yi introduce to us?"

Thinking carefully.... "It seems, none."

"But, Chen Yi always loves this woman, just as I know, both of them had been knowing each other when they were still in school, when knew each other, this little girl only 13 years old. Although you think that girl not good, but at least you must believe on Chen Yi's eyes! After all, that woman is the only woman that Chen Yi ever admitted as his girlfriend."

Being said by Ou Yang Zi Xuan, Hei Yan Long is speechless, that's right, if he suspicious about Yao Yao this is so normal, because he does not know her; but it will be different case with Feng Chen Yi, all of them are growing up together, Feng Chen Yi isn't type of man that easily being seduced by woman and lost of himself, he can love Yao Yao that deep, that girl must be someone special and different compare to others women!

Since she also able to walk beside Yu Ao Tian, furthermore she can be chosen as Yu Ao Tian's lawyer; Feng Chen Yi can love her deeply. If one man is blind, impossible two of these superior men are also blind too!

"That, Zi Xuan...."

Listened to Hei Yan Long puffed voice, Ou Yang Zi Xuan directly cut him off by saying: "Actually before that little girl left she had helped you to say few good words to Chen Yi. Here I am also going to calm his mood down, it will be okay. All are good brothers, impossible because of this matter turned to be enemy."

"En....." Hei Yan Long expressionless hung up the phone call, he knows that he won't change to be Feng Chen Yi's enemy, but the things that he cares....

☑Actually before that little girl left she had helped you to say few good words to Chen Yi' it is so obvious that woman was so angry, but how could she help him spoke?

Heh....

.

Hei Yan Long still feeling disbelief!

Other side.....

Long Ye is slowly driving the car leaving from Hei Yan Long's villa, the light from his car headlamp is shining lightening the rough road, inside the car is deathly silent.

"Yao Yao, just now..." Long Ye is breaking the silent as first person.

She gives him faint smiles: "I am okay."

"That.... Fine. Hahahahaha." Long Ye let out dried laugh, his charming eyes are gradually dimming.

☹️Long Ye, you should see your current self now, such loser you are!' in his brain flowing the words that Mo Xue Tong ever said.

Before he brought Yao Yao to Hei Yan Long in front, he had thought no matter what happened he would protect her well during Yu Ao Tian absence, the result, he still being taken advantage by Hei Yan Long.

Such failure!

Damn!

Long Ye is gritting his teeth, he holding tight the steer wheeling.

Just at this moment, seeing from the vast darkness, there are few lights that caught by their eyes.

Followed by few lights that are few cars that approaching them, it seems a dozen of sport car from it vague sounds.

"Long Ye Ge Ge..

"It's okay. No need to be fear." Long Ye face is darkening, suddenly he stepped on the gas, eagerly to break through the 'barricades' and looking for another way.

But this rough road left side is sea, the right is mountains and rocks, while those dozen cars are firmly locking at them, so there is no way to hide.

Subconsciously Long Ye glanced at the rear mirror, he is thinking to turn back but since when the way has already being locked by few cars.

"Zhu Que Group! They are Zhu Que's men!!" on the moment when Long Ye want to turn and deal with the situation, suddenly Yao Yao opened her mouth.

"How can you know it?"

"I....." Yao Yao is nervously trying to gather herself, faster said: "Just now when Hei Yan Long was looking trouble to me because he is Shang Yun Yin's older God-brother. Moreover Shang Yun Yin must be known about our schedule. Furthermore in this kind of place must be the best place to set an ambush." She also could not completely sure these people are Zhu Que's men, but her six sense has told her, others than Shang Yun Yin there won't be any person would do something like this.

"So we are get trapped in trapped (double scheme), since when this Hei Yan Long also playing in mafias world?"

"No! I doubt.... Hei Yan Long perhaps also being used." from just now conversation, Hei Yan Long was not really understanding her relationship with Shang Yun Yin, he only believed on Shang Yun Yin's words. If he really wanted to deal with her seriously, he also won't make a move in this such place.

"Ha, damn it either Zhu Que's group or Hei Yan Long, anyway they all are coming to send their lives. Yao Yao, have proper seat!" after said, pair of Long Ye's eyes are flashed, he speed up the car once again, alike an arrow he moving forward to break few of the cars.

Few meters before the crashing, Yao Yao is nervously covering her face with her pair of hand.

Quickly Long Ye stretch out his hand to block Yao Yao's in front.

☞Bang' a sound, the crash give huge impact, it bounced out the airbags, luckily there is Long Ye protection, so that Yao Yao not because the car crash her face get hit.

"Long Ye Ge Ge!!"

"Sst...." But Long Ye is not that fortunate, although there is the protection of the airbag, but his forehead still dripping little bit fresh blood.

"Rest assure, it only small injury."

But this time, there few men who are getting down from the dozen car, armed themselves with gun, walking toward Long Ye's car.

Yao Yao is nervous open wide her eyes, simply to say she loses count of those enemies, what to do? What to do? There are so many people, even today if they are having wings it still hard for them to escape.

"Yao Yao, locked the car's door, don't get down!"

"How about you?"

"I have my own mission, while your mission is... Immediately make a phone call to Li Shang. If there is person dare to come closer to you, use this to attack them!" after said, Long Ye is taking out a gun from his pocket and give it into Yao Yao's hand.

"Long Ye Ge Ge, you give this to me, what about you?"

"Me? I have my own way." Long Ye gives a charming smiles, he turned his head to see who keeps on knocking the car door, at the moment he is going to open his car door, slowly said: "Yao Yao, this time... I won't let you get harmed, believe on me!" he has failed one time, this time, it the best opportunity to fix everything!!!!.

She really useless, she even does not have any courage even to see the battle field. Or perhaps, she is feared, feared to see Long Ye getting hurt....

☎bam, bam, bam' there are sound from car being attacked, Yao Yao face is dropped, seeing those who standing outside the car from the window are still fighting.

Not long after that, those fighting sound gradually disappeared.

Perhaps Long Ye Ge Ge had fought them until they left? Is this an evidence that Long Ye Ge Ge is alright?
Is it?

She could feel cold air wrapped her, pair of her hand is holding the gun, it pointed at the person who is standing outside....

"Didn't anyone teach you, not to point the gun in front your own men?"

This voice is....

Without waiting for Yao Yao to react, one big hand as if catching little bird taking her out from the car.

She is dumbstruck staring at that cold expression face, there is no warmness in his eyes, she is paused and exhale and then crying out loud: "Vice CEO Han..." so that the number of people is getting many because they are Yu Long's men, this is too good, really good!

It seems that Long Ye Ge Ge's car has GPS tracking, so that Vice CEO Han can find them so quickly?

Yao Yao is touched and wiped her tears on her eyes corner: "Long, where is Long Ye Ge Ge?"

Han Li Shang is pointing at not far place, slowly put her back to ground.

Yao Yao takes a look, as seen not far from there, there are many blood stain in Long Ye's body who is leaning on Long Qi's.

"Flat Chest, you are terrible ugly when crying." Long Qi spoke with mockery face.

"You are still daring to say Xiao Meng Li?"

"So what?"

"I am your older brother who has injured to this point, Xiao Meng Li who isn't my biological younger sister can cry for me, you MF still dare to loquacious?"

"Cut it off, you still dare to pretend, it was clearly because you are too tired so that you lying on the ground. The blood stain in your body isn't yours but others people." Long Qi is unhappily rolled his eyes, supporting his body to get up from the ground.

"Fih." Long Ye is taking deep breath, lack of strength he is patting his waist: "It really has been long time for me not making moves, only in this short time, it feels as if going to collapse."

"Huh. I want to move, but there is no opportunity!" Long Qi is copycat his older brother helplessly shaking his head.

"Long Qi, You rest assured, this is only a start. This is not the first time people are taking an initiative to seek trouble to ours Yu Long." Said Han Li Shang coldly, while he is supported another shoulder of Long Ye, slowly walking toward the car that parked not far.

Hahaha, this good fellow sworn brother of Yu Ao Tian, their world are really difficult to barge into by the outsider, Yao Yao only can quietly standing beside them, watching them bickering, but somewhat the atmosphere among them are so wonderful.

Following their footsteps, when Yao Yao just walked two steps suddenly she stopped, slowly turned her head....

The ground is messed with death body, is this the world that Yu Ao Tian ever told her? Slaughters, bloody, perhaps for Yu Ao Tian and those groups of people this is such normal scenery alike having meal?

Just expected as what Yu Ao Tian ever told her, she really isn't someone who come from same world with them!

Yao Yao is helplessly laughing, at then she is glancing to the gun that she hold tight for this time, this is her first time touched gun.

"Yao Yao, get into car." Three men who are standing beside the car looking to her.

"Oh." when she just wants to move.

As seen, suddenly that three men face are changed. Long Qi is nervously shouted: "Yao Yao! Be careful...."

Episode 330

Long Ye and Han Li Shang both of them are exchanging glances, faster both of them are looking at the man who being shot by Yao Yao.

Both of them are expressionless when seeing that man who has already pool of blood, in their eyes there are flashed same strange shine.

"Killed at one attack!"

"So clean and flawless!" simply to say both of them are not daring to believe, the beautiful shot just now was shot by Yao Yao, no matter the skill or angle, or the target hit, it really similar to professional killer!

"Just now I have thought...." Long Qi who is holding the unconscious Yao Yao is walking in front, he has only talked in half but forgotten the last half what he going to say.

"I also thought that Xiao Meng Li can shoot, but the pace she shoot is faster than the man too much!"

Long Ye is narrowing his eyes, glancing at unconscious Yao Yao, he also looked at the man's body that had attacked. "Fortune?" his eyes are looking at Han Li Shang.

Han Li Shang is killer's head of killer group in Yu Long's, he is also the person who has high technique in weapon especially gun. He silent for moment, coldly shaking his head: "Absolutely had been trained by the professional!"

In the silent night, because of Yao Yao shooting technique has aroused many strange speculations.

Three men are wrapped by suspicious atmosphere, three of them are drown in their own thoughts.

At the time they are arrived, they are directly heading to Long's brother's house.

"Assumption, this woman real identity perhaps is killer, while her purpose, what is it?" the living room isn't big, there is cold voice of Han Li Shang echoing.

"Hah, how could flat chest be a killer?" Long Qi scorned and even rolled his eyes: "Even a chicken she not dares to kill!"

"Well, just now that shoot, how it happened?"

That's right! The shooting technique was fast, accurate, fierce, this too confused!

"Li Shang, I don't repudiate your assumption, don't you forget that, I had made Xiao Meng Li background investigation before!"

"But you must know, her identity before she was 12 years old has protected by the government!" That time Han Li Shang Ever said that, there are only two types of people who identity would be protected by government, one is type of dangerous person. The second is..

.. Someone who come from powerful background!

"No, I can't imaging Xiao Meng Li as killer." Long Ye really cannot imaging Yao Yao as someone titled as killer: "Li Shang, other than killer, what type of person who able to have this kind of shooting technique?"

"All the people who come from royal family! As what I know, in Europe there is a strict royal family, since the day their successors able to speak, they must accept education as strict as adult; since able to take things must be learn taking gun; when able to walk must learn self-defense, all because afraid espionage or other countries killer or assassination, kidnapping."

This, undoubtedly linked into the two possibilities from Han Li Shang, one is type of dangerous person;

The second is someone who come from powerful background!

While Yao Yao perhaps....

"But do all of you forget? Flat chest is genius, perhaps she has ever seen our gun technique, so she able to do?"

"Ugh...." the words that Long Qi said has taken others to different direction, for once again they have forgotten that Yao Yao is genius young girl, this reality.

"Li Shang, is there any possibility alike what Long Qi said?"

"Ha, this you guys must ask Ao Tian, I am not a genius!"

"Argh!!!!!" at sudden, from inside the room flowing shocking screaming, three men who are sitting in the living faster rushing inside..
