

## Pure Girl 341

### Episode 341

All of them certainly not forgiving him for coming late, this mistake, after all this is parliament, not business world, and also not market place. It is a symbol of a country's highest authority, and how to understand a person who had chosen to be so careless? Even the person is successful Yu Ao Tian in business world.

Yao Yao understands, these few men won't forgive him, so that, she had made a preparation before.

"Everyone, officials, politicians, please let me to finish my words before, all of you questioning the mistake made by Mr. Yu."

"Facing this sort of important day, Mr. Yu has made preparation for everything and hurrying to come into Parliament House. But, on the way he coming here, he bumped into pregnant woman. During this time, everyone is hurrying to go to work, so that no one cares about that pregnant woman, but when Mr. Yu saw this, there was no doubt of him to stop his car, bringing that pregnant woman to the nearest hospital, so this is the reason why he is late!"

This is the thing that Yao Yao asked Long Qi to help!

☞Long Qi, if you are really wanted Yu Ao Tian's dream come true, I want you to do something, can you help?"

☞What is it?"

☞You hurry go to find a pregnant woman, and then you order Berson PR staffs exaggerating news about Yu Ao Tian who sending pregnant woman to hospital, and also talking about the late for political campaign election, this matter."

☞Okay! I understood!"

The lateness of Yu Ao Tian is something prohibited in front of the politic world, but.... If because helping other and then because of it coming late, perhaps this will be another matter?

But, Yao Yao seems to overestimate some politician humanity!

"Even so it cannot be forgiven. The election three years once, what Yu Ao Tian thinks this election as? Even the employees know that work is a priority, and how about him?" This man again, why? Why he seems trying to find Yu Ao Tian fault and won't let him go? Since the beginning he keeps on finding Yu Ao Tian mistakes.

Yao Yao really not understand, how can one person such heartless until this point, and even say, does his purpose actually for falling Yu Ao Tian and won't let him be succeed?

But, vaguely remember, Yu Ao Tian has several time brought about this Deputy Prime Minister, it not hard to know that Yu Ao Tian and Vice Prime Minister might have some grudges, moreover this man isn't vice Prime Minister's people. Furthermore today it seems that Vice Prime Minister is not coming.

Or perhaps? Does he help Vice Prime Minister.... To do something?

Thinking to this point, suddenly she helpless smile: "That's right, I did tell Mr. Yu. I really not understand, why Mr. Yu because of pregnant woman, wanted to ruin the political election which held once every three years? But...

Mr. Yu even questioning me back.... What is basic responsibility of one officials in governmental?"

She is pretending to crease her forehead: "Well, what it is? Mr. Yu also questioning me, what the most important for one country?" after said to this point, she is helplessly shaking her head: "I have thought it for long time, finally I understood what Mr. Yu meant!"

"The most important for one country is citizens (commoners), the reason why all of you can sit secure in this position, the state can operate in orderly, it is because the tax that paid by the citizen, also it makes one country able to support the military, manufacturing the weapons and then protecting and defend our country dignity."

"If we because of joining the election but ignoring the citizens safety, is it still be able to call as the successful politician, Mr. Yu also won't feel peaceful in his heart. So that, Mr. Yu better to take the risk missed the election campaign possibility, and very affirm to send the pregnant woman to the hospital, this kind of action, this kind of kindness, do all of us still hardhearted to reproach Mr. Yu for his lateness? This, is it enough to become a qualified politician? On behalf of people, for the people?"

Her words are resonance, and there's tears in her eyes, as if to be infected everyone. They could not help but muster with clapping hands.

At the moment when she sees one by one those politician stern expression changed to be understanding smiles, Yao Yao knows, she has succeed for the first step.

Raised her hand, wipe her tears, huh, even she also almost believe that Yu Ao Tian really because sending the pregnant woman to hospital and late. In order to lie with other people she must be able to lie to herself first!

Since this is the case.... She simply does not want do two endlessly, even the words for Yu Ao Tian election campaign she also done it!

Thinking to this point, Yao Yao feels her throat dry, but keeps on talking....

Outside the Parliament House.

"Ao Tian, do you really come?" the person who guarded the Parliament House inner entrance is Long Qi, seeing Yu Ao Tian and the others showing up he is so excited and happy dashing in front of them.

"How can you be here, Long Qi?" Long Ye is curiously to looked at his younger brother.

"Bro, I don't have time to explain to you.

"After said, Long Qi quickly turned his gaze to Yu Ao Tian: "Ao Tian, like this, Yao Yao said she would help you to settle all the matter, she also wanted me to tell you, takes out all the gun. Don't bring the gun inside the Parliament House."

"All has kept."

"Well, that's good. Now you hurry get inside."

"Did it already late? How could she settle it?" If not because Yu Ao Tian stubbornly still wanted to come here, Han Li Shang and others must be gone back to their home and take rest.

"The detail I am not really clear, anyway Yao Yao asked me to find a pregnant woman, and then inform the PR department, asking them to make exaggerating news about Yu Ao Tian lateness caused by he was sending a pregnant woman to hospital so that he late for his political election campaign!!"

When Long Qi said this words, Han Li Shang and others are already dumbstruck....

Actually in the end who is being thoughtful, not panicking, it seems at this moment has proven everything!

When all of them were thinking that Yao Yao because of fear was running away, actually she was the person who calmer than anyone during the chaos situation and even calmly making a decision!

She was kept on saying "Those men purpose are Yu Ao Tian, not me" also not asking Yu Ao Tian to escape, this means, since they were targeting Yu Ao Tian, so that no matter how hard they did, those people still wanted to stop Yu Ao Tian to go for the election campaign.

While she, she is an outsider so that she can completely escape from them, and also she can help him to fight for more time!

Yao Yao has already had prediction that Yu Ao Tian must be come late for the election campaign, so that she simply asking Yu Ao Tian to be a bait, draw the enemy's attention. She disappeared and left, help him to arrange everything, planning the way for him!!

Han Li Shang, Long Ye, even Mo Xue Tong, all of them in this moment have already felt guilty. Although they had helped Yu Ao Tian won over half of Jiang Shan (rivers and mountains / power), but there is no one of them that able stay beside Yu Ao Tian as Jun Shi (military adviser), this role, but Yao Yao apparently able to play this role very well, one of the most important role!

"Ha." Yu Ao Tian curved up his lips, his eyes turned and looked at Long Ye and also others: "I will go first, you guys wait for me in here." after said, he faster go to inside the Parliament House through the big door entrance.

It seems, his stubborn is right.

“Faster settle them, escaping from them and rush to the Parliament House.”

“Ao Tian, it is already late! There is no need to ashamed yourself by going there.”

“Go to the parliament!”

“Ao Tian....”

“Go.”..

Episode 342

When everyone was busying persuade him, only him alone who still stubborn, not because anyone... But because for what she told him before she left.

“Ao Tian, after you settle the problem, remember to come to Parliament House!!”

“You must come! Must come!”

That firm eyesight, that pair of eyes with stubborn sights, it makes one person not to hesitate.

That moment, he was being contagious by Yao Yao, as if a part of his old memory that buried for long time dug out, it was same eyesight, it was same contagious feeling. How could he doubt about her?

So that, no matter succeed or failed, he still stubborn coming to Parliament House, even if he ashamed himself there is no regret and grievance for him!!

☞Squeaked' (the door open sound)

That heavy and thick metal door is being pushed open.

The government officials who is sitting nearest to the entrance door obviously noticed Yu Ao Tian.

"Yu...."

He faintly smiles to stop that man greeting him, quietly looking at that shinning star who is standing on the podium.....

"I believed once Mr. Yu succeed in this election campaign based on his capability he will definitely bring a development into China's political. Either in Economic or others. Please every officials have faith on Mr. Yu, Thank You!" at the end of a wonderful speech, Yao Yao from the podium rushed down and giving a deep bow.

The deafening applause flowing, seeing how wonderful Yao Yao speech just now. But unfortunate for Yu Ao Tian since he only able to see the last part.

He is slowly moving toward the position near to the podium, giving his faint smile while clapping.

Yu Ao Tian? Just at the moment when Yao Yao gets down from the podium, first person she spotted is him.

If it is not because of confined situation, he really wanted to hug this Little Thing!

"You work hard." taking a seat, Yu Ao Tian said softly.

She is smiling while waving her hand: "This is my job. I have said before, from the start to the end. Rest assured, you will success."

"Hahaha, I believe on you." Yu Ao Tian smiles gently, when there is no one pay attention, he gently kissed her forehead....

Ugh..

.. Dumbfounded she staring and then blinking her eyes at the man who smile charmingly, her heart

thump, thump' skip beat.

The feeling heart throbbing, is it because of this kind of situation or because of he kissed her forehead, so that she feels this nervousness? Or still.... There is another reason?

"After go through examination from our Prime Minister and some state council officials from every divisions, they decided....." finally the thumping moment is arrived, at the moment when the representative officer is going to make announcement for the result, Yao Yao's heart trembling.

"The congress member for this election is.... Mr. Yu Ao Tian!!!"

"Wuiz" a sound. At the time when she heard Yu Ao Tian this name, Yao Yao can feel her head is emptied. But another moment, the deafening applause is taken her back into a reality! "It's you! It's you! It's you!! You are succeed! You are succeed!!!" she is happy with her hand raised, her eyes are filled with happy tears.

Does not know why, actually there is none of her business whether Yu Ao Tian is succeed in his election or not, but this is her first time in her life that she worked so hard when doing something, the joy of being successful is self-evident.

Compare to Yao Yao excitement, Yu Ao Tian expression is looked so flat, inside his bottomless eyes are revealed his dissatisfied.

Why? Yao Yao can feel that Yu Ao Tian must be so longing for this position, but why his expression such cold, or else this position isn't something not really important for him.

It seems this position really cannot satisfy this person ambition?

Perhaps, this ambitious man purpose is.

.... Prime Minister position!

"Congratulation, CEO Yu. No! Now I must call you as Congress Yu."

"Haha, what are you saying, Officer Liu, I still haven't thanks everyone."

At this time, the Prime Minister slowly walking toward here.

From the age he must at least someone in his sixty, deep black is concealed the traces of years, his vigorous aura embodies a sense of human dignity. He smiles, slowly extend out his hand: "Congress Yu, later in Parliament still need your strength. Congratulation."

"Thank You, Prime Minister, I will do the things that I need to do."

"I have high expectation on you." Prime Minister smiles, his pair of bright piercing eyes slowly looked at Yao Yao: "Lawyer Luo, your speech are extraordinary. It seems, It not only Congress Yu has an outstanding ability but he also has good eyes in selecting talented person."

Woah (happy expression)

Prime Minister is praising her, this is simply alike dreaming, too unbelievable, too unbelievable, if can bring a camera to here, this is too good ah~, she really wanted to find someone to record this moment as keepsake (memorialized)! "Thank You, thank you to Prime Minister praising me."

"Haha. The capability of the youngsters are really unlimited. Later the country.... Is depending on you guys." When the Prime Minister said something meaningful, he gave a nice pat to Yu Ao Tian's shoulder and then left.

Aiya, aiya, if earlier she knew this when picking her major, she would not take law, tckckckc, she must go for politician path. Too cool, too majestic.

Of course, this is only Yao Yao's joking to herself, the main reason why she choosing law actually because.... Her mother had been telling her not to touch anything with politic thingy! But she wanted to hold a memorial ceremony for her father who in heaven, so that she only can choose an occupation that able to plead for old case.

"All Officials, I take my leave first."

"En, Congress Yu, take your time."

When Yu Ao Tian is going to take Yao Yao with him and leaving, a sound of footsteps coming from behind, and followed with sharp voice: "Mr. Yu, You are not allow to leave!!"

Turned his head, as seen, a middle-aged man who is wearing a gold rimmed glasses showing up in front of them, beside him standing a man who has not an ordinary aura, and there are also few of minions.

They are.... Who are they?

"Secretary Fu, what is going on?" The head of the state council and few of the officials are curiously coming over.

Secretary Fu? Faint, in this politic world, the position of secretary can't say small or big, whom secretary he is, if he is Prime Minister or Vice Prime Minister secretary this position is called as big. Yao Yao is thinking inside her heart.

That secretary Fu is tugging up his gold-rimmed glasses and smiles: "Chairman Tang, I think this time the congress election must be re-elect once again."

What does he mean? What does he mean with re-elect? This secretary Fu is dissatisfied with Yu Ao Tian in which part? Why must re-elect? Yao Yao dissatisfied creasing her forehead, glancing at Yu Ao Tian who is standing beside her.

But Yu Ao Tian is looked so calm, as if he has already predicted this thing will be going to happen.

"Secretary Fu, the congress election is once every three years, only choose one every election. If really want to re-elect, at least you must give irrefutable reason, just afraid it won't be met with the parliament's rules."

Episode 343

Listen to Director Tang explanation, Secretary Fu gives a smile, the eyes that hidden behind his glasses flashed: "This time congress election if not Mr. Yu being chosen perhaps still easy to settle, but if Mr. Yu, this election really need to re-select. Because I have received a news, two years ago before Mr. Yu coming to China, he was one of Yakuza's head in Japan! I didn't say wrong right? Mr. Yu?" After said, Secretary Fu pair of eyes are beaming directly looking at Yu Ao Tian.

☞Thump....thump.... Thump! Thump!' (heart racing)

At sudden Yao Yao heart beat is racing faster, she failed, after all she is forgot about Yu Ao Tian's background!

She thought this parliament officers only looking for selecting a new congress man, they won't want to waste many time only to dig out Yu Ao Tian's past, but....

She obviously knew that some of the government officials are seeking trouble for Yu Ao Tian, after all she didn't think everything as whole, in completely.

As someone lawyer the most basic responsible is helping the client to think every possibilities and things in many aspects, no matter how big the matter is, how the details, must be prudent and cautious.

Such a big loophole, how could she not pay any attention? Just not paying attention!

There is faint trace of warmth in her moist eyes, she is biting hard her lips, she isn't blaming Secretary Fu disclosure, but she is blaming herself, hate herself, first time accepting a case she has made huge mistake by leaving such big loophole! Such a failure!!

"Secretary Fu, I don't know what are you talking about?" Yu Ao Tian confused shrugging his shoulders, helplessly looking at everyone.

"Secretary Fu, does this matter have absolute evidence?" Director Tang attitude is clearly a turning point, if Yu Ao Tian really have background as mafia, it means that against the Parliament rules, this time of election must be held for once again.

"Of course. If there is no absolute evidence, I would not dare to ask to re-do the selection this request." Said Secretary Fu confidently, his hand is pointing at the man who has owned not an ordinary aura, that person is standing beside him: "This man is head of police officer in Japan, Mr. Hattori (Fu Bu), he could give an evidence about Mr. Yu past!"

Hah, this Secretary Fu after all went to Japan and brought the human evidence? While other people can do anything without single loopholes why she couldn't? For once again Yao Yao bit harder her lips, with guilty eyesight looking at Yu Ao Tian, lowers her head down. This time is dead meat. Sorry, Yu Ao Tian....

"Hello to every Chinese Officials. I am head of police officer in Japan, my name is Hattori Jiro (Fu Bu Chi Lang). I ever met Mr. Yu in Japan before, moreover I could take responsible by giving an evidence that Mr. Yu was head of number one Yakuza group in Japan." Hattori Jiro is using Japanese when talking with everyone by pointing at Yu Ao Tian, he also using translator helps to translate it into Chinese.

All of the officers who are listened to this, all of them at loggerheads: "Mr. Yu, if what Mr. Hattori said is right, really sorry, you must be disqualified from the congress!"

"Fuh..." Yu Ao Tian is taking deep breath, one of his hand is inserted into his pocket, slowly said:  
"Director Tang, this matter I really don't know how to explain it to you. How about.... I ask Mr. Yamagucchi (San Kou) to give an explanation to you, can he?"

"Mr. Yamagucchi?" all of the people are exchanging their looks: "The Japanese Secretary of State, Mr. Yamagucchi Taizo (Shan Kou Tai San)?"

"Yes! I see, only him who can help me to prove everything." After said, Yu Ao Tian is taking out his mobile phone, directly dialing the number of Mr. Yamagucchi Taizo, it is using video call so both sides of official can connect visually.

"Hello to every Chinese officials. I am Yamagucchi Taizo. I heard the news of Mr. Yu being elected as Chinese Congress member and I am so happy for that. Actually the Japanese side has been inviting Mr. Yu for few times, expecting he will be coming to help Japanese government, but Mr. Yu has refused, actually quite regretful...." Yamagucchi Taizo and the Chinese official are doing an interaction, in order to proof that Yu Ao Tian isn't the head Yakuza in Japan, he even ensured that there was mistaken between Hattori and Yu Ao Tian.

"Two days ago you went to Japan, were you trying to find Mr. Yamagucchi? ½ When everyone is having an interaction with Mr. Yamagucchi, Yao Yao is whispering with very low voice to Yu Ao Tian who is beside her.

He is nodding, and even showing his cunning smile.

At this moment, Yao Yao heart can be at ease, but still she really cannot forgive herself with the reality of the loophole.

Yu Ao Tian is completely settled everything, she believes if there is no requirement to have representative lawyer during the election process, based on his capability he can do everything perfectly by himself!

Ha, she has pleaded to herself that she would do some make up for the debt she owed him. But now it seems that, everything that she made obviously useless.

"Mr. Yu, Mr. Yamaguchi has been confirmed everything for you, apologizing, just now was doubting about you.

"The director of Parliament Tang Ying Jie smiles while hand over back the mobile phone to Yu Ao Tian.

"Haha, Director Tang, something important like Parliament congress member this position, it is good to be extra careful when you are doing screening (choosing)."

"Mr. Yu, it is so good if you can think this way. Really happy, you can join us in Parliament."

"Me too." Yu Ao Tian smiles elegantly, he also waiting for Director Tang to leave.

When he sure there is no 'fears' anymore, his deep black eyes flashed, faster he looked at Secretary who standing not far: "Really worrying you how you give an explanation to Zheng Kai Rui later?"

Listened to Zheng Kai Rui, this three words, secretly Yao Yao creasing her forehead, this name again! Vice Prime Minister! So that this person is Vice Prime Minister's secretary. She has lost her count every times Yu Ao Tian mentioned about Zeng Kai Rui, this name, actually what kind of hatred between Yu Ao Tian and Vice Prime Minister?

"Mr. Yu, you are thinking too much, this time only heard from others report, this is completely nothing related to Vice Prime Minister, after all the Japan and the China sides have already proven your Innocent, well it seems this really only a misunderstanding."

"Aiya." Yu Ao Tian is pretending surprised and open wide his mouth, but his face is showing his devilish smiles walking slowly in front of Secretary Fu, spoke softly: "Well, just didn't know, whether today, the matter that I got attempting to be killed, did it also not related to him?"

"What? Mr. Yu did you almost get killed before? Didn't you come late because of helping pregnant woman?" Secretary Fu is pretending to be stupid and dumbfounded spoke in high tone.

Yu Ao Tian showed confusing expression, frowned: "When did I say I was being hunted down? You must heard mistaken, Secretary Fu."

"En? What? Well, I heard mistaken, hahahahaha."

"Haha."

Two people are laughing at each other, but inside their heart both of them knew what the real thing happened, only because walked for quite long in political path, both of them must be so careful with their words and deeds.

"Yu Ao Tian, you are awesome, after all you are being able to invite Mr. Yamagucchi to help you out!" Hattori Jiro is gritting his teeth..

#### Episode 344

He really know Yu Ao Tian very well, and he also met him for couple times. One who walks in black path, one who walks in white path, as head of police officer Hattori Jiro, impossible for him not understand Yu Ao Tian?

Speak little bit blunt, when he was in Japan, Yu Ao Tian was almost being caught by Hattori Jiro. So that there still a revenge between them.

"Mr. Hattori, this time you suddenly visiting China, moreover you were secretively meeting China Government officer. You think after you go back to your country, could it be Mr. Yamagucchi thought you.... Selling out your country?"

Just as information, today the relationship between China and Japan are quite tensed, this time Hattori Jiro coming to China might absolutely telling the Japanese side, he as someone who has high position but coming to China secretly, although he could go back, but he won't have any good ending!

"Yu Ao Tian, thank you for your consideration. I have my own way to explain the matter!" after said, Hattori Jiro and Secretary Fu leaving the Parliament with darken face.

"Ha."

From far far away looking at Yu Ao Tian who face is hanging with subtle smile, Yao Yao who keeps on silent for this time, slowly walking in front of him: "Why Mr. Yamagucchi wanted to help you?"

"No matter in which country's the person who hold high position must be built their own party (group) in private. Hattori Jiro is confidant of Japan Deputy Vice Minister, while me during in Japan, just by coincided, I was confidant of Mr. Yamagucchi Taizo. Very early he really wanted to get rid this Hattori. Hence, I just told him, once Hattori pointed his finger on me, going to reveal my past, then once he came back to Japan, Yamagucchi Taizo could excuse to the Japanese Government to catch Hattori because sold out country secret. So that, based on my relationship with Yamagucchi, in order to gain advantage, he helped me, this is something sensible."

This matter sound such simple, doesn't it all about the internal government fight, Yamagucchi Taizo must protect his own confidant, and on other side he also wanted to get rid rival's confidant too.

But.... The reality actually are far complicated! Now Yao Yao is quite happy, that time she listened to her mother's words once she choosing to get involved into politic this path, or else because of the internal fight, she perhaps has beaten till her bones are broken.

Important to say, based on Yu Ao Tian complexity, walking in politic and government path must be as smooth and flat alike white clouds!

"Oh yeah, since you are Mr. Yamagucchi's confidant, why didn't you choose Japanese government, isn't it more handy to be there?" by this way, Yu Ao Tian does not need to come to China with Businessman status, and at same time no need to waste much time, doesn't this is much better?

"I don't like Japan, this is my reason, can it be?" after said, Yu Ao Tian is holding her hand and walking out from the Parliament House.

But she clearly can feel it, this is only an excuse that given by Yu Ao Tian to stop her from keep asking.

Hence the reason why he must come to China and join the political, this is not really the point she wanted to ask, because she just randomly gives him question when asked him.

"Ao Tian, how's things?" walking out from the Parliament House, Long Qi and others who are guarding the door hurried dashed in front.

He silent for moment, faintly smile.

Paused, Long Qi and the others are showing their excitement smiles: "So Good! Too great! Very good!"

"Ao Tian, Congratulation!" Han Li Shang is tightly hugging Yu Ao Tian, that cold eyes is clearly have tears.

It can be felt that, all of them are so touched, so happy.

But.... From the moment the election result was announced, Yao Yao is so obvious can feel Yu Ao Tian flat emotion, even until now he stills so.

Compare to Long Ye excitement, Han Li Shang tearing eyes, he as if an outsider, only giving a faint smile, there is no such happiness expression!

"Xiao Meng Li, this time you are contributing much, come, let me give you a hug!" after said, Long Ye without waiting for Yao Yao to react, pair of his hand hugging onto her waist, and then raises her up.

Ugh.... This is such? She paused, this gesture gives a feeling she is so embarrassed, after all she isn't a little girl, being hugged like this actually too embarrassed. The most important is..... "Haha, Long Ye Ge Ge, actually this time Yu Ao Tian succeed, this is really nothing related to me, still because of my appeared careless mistake, which resulted... Yu Ao Tian election almost failed....

" talked to this point, Yao Yao is feeling guilty lowering her head.

Long Ye at moment dumbfounded, slowly put Yao Yao back to the ground, his face curiously looked at Yu Ao Tian: "What is going on?"

"Get into car later we will have talked about it."

"En."

In front of the metal fence, there are many reporters awaiting. Waiting Yu Ao Tian and others walking out from the inner metal fence, the reporters are surrounded as if bees....

"Mr. Yu, how's the election result? If it failed, will Berson Group stocks keep on going down?"

"Mr. Yu, are you ever thinking to take over the CEO position in Berson again?"

Facing with the reporters who are continuing give questions, Long Ye who knows well about this and can manage with ease, talking on behalf of Yu Ao Tian: "Haha, Media fellows, if you guys want to know the result of the election, still better to check out the news that Parliament House going to announce. Thus, for now our Chairman really can't say anything so far."

Taking a chance when Long Ye drawing the media attention, Yu Ao Tian movement is so fast he pulled Yao Yao quickly to get into car which parked on road side.

Not long after that, Long Ye also free himself and gets into the car.

"Ao Tian, where are we going to celebrate?" Han Li Shang has epoch-making idea to go for Happy moment, it hard to see but today he just too happy, so happy!

"Rest assured, the celebration place, Ao Tian has given an order to me." Said Long Ye, he smiles secretive toward Yu Ao Tian.

"Bao Bei, tonight you..."

"I want to go to my home."

"Humph." Yu Ao Tian gives cold humphed, but this is also good, tonight he and those few government officials will 'drink to the fullest'.

Not long after that, the car is taking lead to send Yao Yao home, "I take my leave first. Good bye everyone." she waving her hands and then get down from the car.

Suddenly Yu Ao Tian grabbed her wrist: "Tomorrow at 7 morning, I will going to pick you up, remember, take swimming suit."

"Ah?" Going to swim? "I cannot swim, I won't go."

"You must come!"

"That's right, Xiao Meng Li, I have prepared this especially to celebrate Ao Tian succeed in election, in advance there is swimsuit party."

So this is a party for celebrating Yu Ao Tian? But swimsuit party? When heard it feels alike porno. "I, can I call Xiao Man to join?"

"Cannot!!!" without waiting Yu Ao Tian replied, Han Li Shang who is sitting inside the car is impulsively spoke.

"Ugh...." Yao Yao dumbfounded, why the reaction of Vice CEO Han such strong?

"Can, you can call anyone to come."

"Ao...."

Yu Ao Tian is stopped Han Li Shang to speak, smile devilishly: "You go home."

"Oh, Good bye." Yao Yao is happily waving her hand, turned her body and walking toward her own house.

It can be felt, Han Li Shang's face showing such annoyance, he really is, so afraid to meet Gong Xiao Man that little girl!.

Episode 345

"Ao Tian, just now Xiao Meng Li said that your election almost failed, what did she mean?" the car is slowly moving, the joyful atmosphere inside the car suddenly change into tensed atmosphere, everyone is showing up gloomy expression.

"Just as what I predicted, Zeng Kai Rui really planned to expose my mafia background when I was still in Japan in order to stop me from election."

"Fortunately you had made the preparation. But from this case, Zeng Kai Rui must be guessed about who you are, right?" Said Han Li Shang codly.

As seen, Yu Ao Tian handsome face showing cunning smiles: "I have entered political circle, certainly going to confront him head to head, this time he wanted to stop me, everything... Just too late!"

If Yu Ao Tian does not enter political circle, perhaps Zeng Kai Rui can incite the entire politician to be his enemy. But once he entered the political circle, once he is being selected into a position as one of the 'Party' which able to go against Zeng Kai Rui, so do not need to stick with Deputy of Prime Minister?

"Oh yeah, how about Xiao Meng Li's mother?"

After heard Long Ye, Long Qi who is silent for this time creased his forehead, clenching his hand into fist.

"Just wait, wait for little bit." This is not for first time Yu Ao Tian delaying this matter, Long Ye and Han Li Shang had said about this matter few times before, but he kept on saying to wait this matter and delayed it until now.

"Ao Tian, if.... You have considered something, just let me to go for it." within this few days, everyone has witnessed something between Yu Ao Tian and Yao Yao, although they are believing that Yu Ao Tian isn't type of person who can be controlled by feeling, but they are also afraid this time he would change the past ruthless.

"Haha, Li Shang, you must be mistaken on something, I don't have anything to consider. It only this few days there was lot of things happened and need to be settled so that it delayed. My problem, I must settle it by myself!" after said, inside the deep pair bottomless Yu Ao Tian's eyes, his eyes gleaming with dangerous flash....

That same afternoon, the Parliament House had announced the election result, when the news about Yu Ao Tian being selected as the congress member broadcast to the entire city, the stocks of Berson Group has increased for hundred points. It seems this time election, not only let Yu Ao Tian to gain this share as congress member, but it even to bring back all the Berson loses. This, perhaps, is called as the benefit by engage into political.

The next day.

"Woah.... This is my first time.... To see such luxurious private yacht!!" at seaside, Gong Xiao Man is opened wide her mouth, pointed at the Yacht that parked in seashore.

This luxurious private yacht can fit at least 300 people, inside, there is swimming pool, ball room, and also room to take a rest, it is akin to small luxury cruise.

She and Yao Yao are exciting looked at the yacht, looking to the vast blue sea, infatuated and take deep breathe: "Comfortable! This time really sprinkle by your fortune, Yao Yao.

"

"Haha, it should be me who thank you because accompanying me come here." she just does not know this time celebration will be at yacht, it seems there won't be any swimsuit party? It was Long Ye who scared her.

"Every beautiful women, there is a place to change the clothes, you guys hurry changed into swimsuit."  
Long Ye who is arranging this celebration commanding everyone.

All of them are heading to the changing place.

"Hey, Yao Yao, other than Mo Xue Tong, who are the rest?" at one corner, Gong Xiao Man is pointing at few women who are at same changing room, titled her head.

"Ugh... That one is the head housekeeper at Yu Ao Tian's villa, her name is Angel."

"Woah, even the head of housekeeper is really beautiful."

"Hahaha...." actually sister Angel is only using the status as head of housekeeper to conceal her real identity as killer. Yao Yao awkwardly smiles, while her eyes looked at the other person who is stranger to her: "And about that woman, I also don't know."

"Ssst.... Counting at us, the total women are five, they are four men, you say how come there left one? Oh there also some staffs."

"....

....." cold sweat, what does Gong Xiao Man think of? "Xiao Man, this is only ordinary gathering, you don't think too much, okay?"

"Hihihihi. Do you know, my beloved, this is one of my likeness." Gong Xiao Man is smiling devilish, she really can't wait to hurry change her clothes with swimsuit.....

Luxury yacht, at the bow of yacht, four beach chairs are arranged side by side, four men are lying on the top leisurely, and leisurely looking at the vast sea.

The sun is shining on their body, the formation is more charming scenery than the sea, moreover the four men appearances are too brightly for eyes.

"Ah, it really has been long time.

" Long Ye pair of hand put at back to support his head, his head facing to the blue bright sky.

"Thinking carefully, this yacht since we bought it, this is still our first time to use it, isn't it?" This private yacht priced about 9 billions, it was bought by them after they acquired Berson and generate first revenue. But because all of them are too busy with working, this yacht has been idled for long time.

"Oh yeah, Li Shang, why are you bringing Angel to come here?" Long Ye changed his position into sitting, curiously looking at Han Li Shang.

"Nothing. Just want to call her coming here." said Han Li Shang coldly, he takes a sip of beverage that put beside him.

"Older brother, you still say Li Shang, the woman that you call here, who is she?"

"You say whom?"

No need to ask, it must be Long Ye new girlfriend.

Long Ye once again changed his position into lying position, his eyes staring at Yu Ao Tian who keeps silent for this time.

He is using sunglasses, not moving lying there.

Long Ye curiously frowning: "Ao Tian? Ao Tian?"

"En?" Yu Ao Tian moved his head looked at him.

"Oh, nothing, I thought you are sleeping."

"I am sleeping." Yu Ao Tian is taking off his sunglasses, bitterly rubbing his temples: "Last night I had drinking until 3, now being shaken by the yacht, I almost want to throw out." After said, he takes cold beverage, gulping mouthful, and finished it with two times big gulps.

"Cold sweat, those group of politician old men really awesome, everyday they don't have thing to do so go to drink, fortunately you have good tolerance with liquor, or else you must be drunken to death by them."

"Ye!" suddenly, there is a woman voice.

Long Ye takes a look, as seen, this woman has sexy body shape, her body is wearing plain blue bikini and slowly walking toward them.

She is appearing in front of them taking off her outer, her action almost choking Long Qi: "ke ke (cough voice). Fuck, her boobs!"

"Long Qi, you are really useless!" coldly Yu Ao Tian glance at him.

As his biological brother he also despised him with smile: "Having you as my younger brother is such embarrassing, your older brother if want to have girlfriend must be this type." after said, his use pair of his hand to shape the body, this gesture.

Long Qi is fiercely gritting his teeth, these two of men are bullying him because he does not have any girlfriend? Not to mention Long Ye's girlfriend must have be someone who has sexy body, Yu Ao Tian's girlfriend also those who have good body too? It seems that later on he must find the S shape girl to be his girlfriend?.

Episode 346

"Ye, what are you guys talking?" the sexy woman completely ignored and bend down her body to Long Ye, and at same time smile politely to Yu Ao Tian.

"Nothing, where's other?" Long Ye vaguely hugging on the woman's waist, smile when asking.

"Soon they will come out."

When she just spoke, Angel and Mo Xue Tong are coming out together. These two women although their body aren't as exaggerated as Long Ye's girlfriend but still their body are A body where protrude should be its present, the place where there's lift it's elevated, still hot in eyes.

"switttt...." Long Qi is making blowing sound, whispered: "Still sister Xue Tong is more beautiful."

Although, what that Long Qi said is a fact, if gather face with body together, believe all the women in this yacht must be shown the white feather (candidly admit defeat), but older brother's girlfriend is still dare, he even dares to say such thing, it will definitively anger some people.

"Long Qi!!" Long Ye is fiercely glaring at his younger brother, but that pair of charming eyes can't help to look at Mo Xue Tong's back.

She is coldly lying down at an empty beach chair, wearing her sunglasses and alone drinking her beverage.

Angel is giving deep bow to Yu Ao Tian before she sits down beside Han Li Shang.

"Why flat chest and Gong Xiao Man haven't show up?" Long Qi is impatiently waiting for them, all the people are gathered to open the champagne.

"Oh ya, talking about Xiao Meng Li, Ao Tian you make a guess what kind of bikini she is wearing? Or high fork swimsuit?" Long Ye is so expecting what kind of bikini will be wore by this Xiao Meng Li who has 14 or 15 years old face.

"No need to guess." Han Li Shang is expressionless pointing at two persons who are slowly walking closer, subconsciously wearing his sunglasses to cover his helpless expression.

"Ye!"

"Sorry, sorry." Long Ye is enduring his laugh, turned his head to other side, patting at Yu Ao Tian's shoulder: "Xiao Meng Li.... Really different with everyone, hahahahaha."

He can clearly see that Long Ye smiles is little bit strained.

The most important, Yao Yao who has 14 or 15 years old face, now she is wearing such childish swimming suit (little girl swimsuit), and even braid her hair in two section, her looks simply alike primary student!

She is absolutely different compare to these beautiful women who 2a body where protrude should be its present, the place where there's lift it's elevated'.

Even Gong Xiao Man today is wearing bikini, standing side by side with Yao Yao, she looks alike big sister who is bringing her little sister, Yao Yao is looked so naive, too naive.

"Damn!how can flat chest flat to this point? Impossible she does not know how lacking she is? At least she must use something alike bra swim suit."

"Long Qi, you hold your tongue! This is quite good, really good, hahahahaha." Long Ye afraid Yu Ao Tian lost face, quickly alleviate the awkward atmosphere.

Just to know, all Yu Ao Tian's girlfriend, none of them who are not beauties. Although Yao Yao is so beautiful, but her beauty.... Really types of lolly-girl.

"What good that's! Ao Tian standing side by side with flat chest, I can feel older brother with little sister or father with his daughter?"

"Long!!!" this time, Long Ye really doesn't know how to alleviate the situation, because he also feel....

These two persons standing side by side, actually really not match. "Ao Tian, speak honestly, when you are with Xiao Meng Li.... Don't you feel sense of guilty (doing crime)?"

Hahahaha.....

If say not, it really impossible! Yu Ao Tian in this side really speechless, that Little Thing not only her appearance that looked alike 12 or 13 years old, even her 'inner' simple to say really a little girl! Impossible he does not have sense of guilty?

But.... Because of that, he is simply loves her, spoil her. Perhaps this is a common thing for an ordinary big man, facing with this little girl, no matter how heartless and cold-blood a man there will still endurance!

"Yao Yao, you are really, everyone is wearing bikini, it only you who is wearing childish swimsuit, really embarrassing!" Gong Xiao Man is pulling her hand, softly complaining.

"You, you know that I just back to China, I hasn't had chance to go swimming, so that in my home there is only this swimming suit that bought when I was 12 years old."

"Ah??? Aren't you growing since you were 12 until now???"

" .....

....." cold sweat, it seems, thing really like this!

Finally everyone is gathered, everyone is surrounded a long table that has put at there beforehand, Han Li Shang and the Long's brothers everyone of them is holding one bottle of champagne, using strength to shake it, "1! 2! 3!"

"Since you are good to be target, of course targeting you." after said, he for once again using his strength shaking the champagne, and using his strength to spray it to her face.

At this time, Yu Ao Tian is walking over, alike kid being hugged, he hugging Yao Yao into his embrace, glared at Long Qi, his expression as if telling, spray if you dare.

Who knows....

Today Long Qi not even giving Yu Ao Tian face, directly he spraying the champagne to Yu Ao Tian's face.

“Huh.” sound, has already sprayed into his face.

"Hahahahahaha." Yao Yao is laughing crazily by covering her mouth.

Yu Ao Tian really wants to know, whether this Little Thing is dumb or not? Because of whom he makes himself got sprayed? "Long Qi, I see you this little brat today seem you bore to live!!" he puts down Yao Yao on the surface, quickly he dash to Long Qi.

"Ao Tian, Ao Tian, be careful with your image, now you are congressman." Long Qi is catching Yu Ao Tian.

He immediately changed his playful expression, it is not because he care too much about his congressman image, but the important there are Long Ye's girlfriend and Gong Xiao Man, these outsiders, he indeed does not want to reveal too much his personal thingy.

There is no way, for while he better enduring Long Qi.

"Come, let's we together celebrate Ao Tian political path ‘won't be back’."

Yu Ao Tian's eyes are looking her from head to toe, really more he sees her more he feels she is so much looking alike primary school student, he even not really know with kind of attitude he must deal with her.

"Huh." he is taking deep breathe, pretending to be bitter said: "You say, if there is media that photo us together, the headline will be the Parliament congress member without consider about morality act indecently toward little girl, what it will do?"

Speak honestly, this is such serious problem for politician, maybe one day this topic will ruin Yu Ao Tian politic career.

"Aiya, doesn't this is so simple? You can find a girlfriend." once Yao Yao spoke, suddenly the atmosphere change to be dimmed.

Since the day Yu Ao Tian being elected, she isn't his representative lawyer anymore; if he really looking for girlfriend, they will be more stranger than now, they will not have any relation.

This, it seems something that Yao Yao has been looking forward for such long time, but when she said it out, she can feel her heart is such uncomfortable.

"Ha." Yu Ao Tian is smiling devilish, it seems that she not really clearly about the relationship between both of them! Thinking carefully, he takes the opportunity when no one focus on them, he takes Yao Yao quickly inside the yacht cabin.

"Hey, Yu Ao Tian, why you take me here?" the second floor of cabin, the rest area. Inside not only has comfortable sofa, and also soft bed, there is also transparent glass at the below which able to see the fish diving in water.

"Humph, you are such heartless Little Thing, I want you to know, knowing the words just now spoken by you actually provoking me!" after said, he pushing down Yao Yao on the bed, his sexy lips are brushing on her lips.

"En uh..." her eyes opened widen, she is little bit not understanding what Yu Ao Tian mean by saying this such thing, her words provoking him? Asking him to find girlfriend, how could that provoking him?

That skillful tongue is entering her little mouth, strongly intertwined with her tongue.

"Huhuhuhu..." Yao Yao is constantly letting out rough breathes, she even thought she going to die, her moist eyes are glaring fiercely toward him.

Damn! Yu Ao Tian eyes sharply looked at her: "Don't look at me with that kind of eyesight!" or else he really would have sense of guilty, Heaven knows that the appearance of Yao Yao now, she is really looks alike little girl that being bullied? How can he keep on continuing?

"I don't like to be like this!" she dislikes, she dislikes it not even a bit, staying beside Yu Ao Tian there is no special feeling, but once there is something intimate interaction, she really feels uncomfortable.

"Dislike?" Yu Ao Tian is smiling devilish, his bottomless eyes are slowly glance over: "Bao Bei, you dislike it but why this place 'stand up'?"

Yao Yao is looking at her chest area, vaguely there are two small things obviously bulge. How, how can this happen? Hurried she cover her chest area with pair of her hand: "I, I...." huhuhuhu...

. This is so embarrassing to death, it even bulge out!

"You are really, the swimsuit not even have bra pad?" luckily her situation only happened inside the cabin. If her situation being seen by many men, Yu Ao Tian's face might be deathly lost because of her.

"This swimsuit bought when I was 12 years old, it absolutely does not have any bra pad!!"

"....."

"

Does this little brat stop growing since she was at 12 years old? Yu Ao Tian feels this little thing perhaps wrongly when reported her age! "Come, Bao Bei, let me check on it, okay."

"I don't want!!"

"You not let me to check on it, if you going out like this you will going to be laughed by them."

This right too, Yao Yao loosen her hands that protecting her chest area.

Yu Ao Tian is pretending to seriously checking, but the other moment, his mouth is curved upward, smiles alike sinister....

"Uh ng..." something alike electric-current flowing to her body, her soft body is shaking from time to time and it comes to series of thriller (feel excited at sudden).

Now she really regretful to scold this rotten bastard man, but if she does not scold and curse him, will he stop?

"Bao Bei, take look at yourself, you are really hot." Yu Ao Tian really satisfied with her reaction.

Yao Yao quickly lowering her head, immediately her little face is showing embarrassed expression: "You are too much! Yu Ao Tian!!!"

She is someone who having 14 or 15 years baby face, moreover today she is wearing childish swimsuit, obviously so child-alike.

But the bulge thing in her chest really flirting, and with her child-like look like the scenery of doing crime pop out.

Even Yu Ao Tian, a man who does not have any likeness for \*\* but after seeing this kind of scenes he impulsively wants to make his move, if this being seen by such fervent\*\* big uncle, perhaps today she won't be easy to escape.

It seems Long Ye has mistaken one thing, even getting along with Yao Yao this type of Lolly there will give some guilty feeling but, if really will get stuck with it, although there will give some guilty feeling at same time it also provoking!

Gradually, Yu Ao Tian bottomless eyesight suddenly flashed that kind of\*\* beam, his sinister smiles, suddenly he takes off Yao Yao's swim suit.

"Hey! You!!!"

If, just now whatever Yu Ao Tian did actually a kind of teasing her, but this moment....

Seeing a glimpse of hope, quickly she nodding her head.

"Well, did you remember two year ago when you were begging me?"

Two year ago? How begging him? Didn't that time also like now, the way of begging?

"Bao Bei, if you call right, I will let you dress yourself."

Addressing him a right way....

How she called him two years ago? Big Boss Yu? No, not right, it seemed not this kind of addressing, so how to call him?

Yao Yao is trying her utmost to recall, in her mind it seems has so many things, she feels in difficulty bites her lips: "2... Two years ago, I was 17 years old! But, but now I am 19 years old." after she remembered the way she addressed him two years ago, she feels so embarrassing.

"Bao Bei, but you don't forget, I am also older by two years too."

That's right! She is 19 years old, Yu Ao Tian also 28 years old, it seems both of them still have that difference age gap. After she thought about this, she is embarrassed pouted her mouth, murmured: "Big... Big brother, begging you to let me off."

Damn!!!

Two years ago he felt this kind of addressing was sweet to death, but now seeing her like this calling him, simple to say it gives a heavier the sense guilty of him (as if doing crime to little girl)!

"Can I dressed?"

"Do as you please." Yu Ao Tian is restraining himself to press down the lower abdomen.

Yao Yao gets up, Yu Ao Tian is slowly moving down.

When she had just sorted out her swimsuit, feeling the lower part of the swimsuit is picked up to side.

"What are you doing?" Yao Yao is tensed open wide her eyes.

Yu Ao Tian is smiling alike sinister, slowly lower down his head....

"En ng...." a strong sense of excitement, compare to just now temptation is so difference, it feels as if there's something in the body keeps moving, and the body lower part has sensed stronger limp and numb feeling.

The feeling that felt by the body cannot lie, she really afraid to show her uncontrolled self.

"Bao Bei, only by this short time, your lower is already wet. No matter how, it stills cannot suck-dry, what should to do?" Yu Ao Tian is pretending to sigh, his tip of tongue is brushing that attractive slit, one of his fingers is slowly getting inside: "Come, let me check it, check on it, does inside really that wet!"

"Ah ng... Don't, too deep, finger stops moving. Don't!" She really going to lost herself. That sensitive body keeps on teasing by this rotten man, how can she hold it?

"Bao Bei, come, continue calling me."

"Uh!!! Ng ng... You.... Big, Big Brother." The naive Yao Yao, she thought by compromised with Yu Ao Tian this man can stop his hand.

But who knows, this is not more alike playing with\*\* fire.

Today, this man has been addicted to the excitement of this kind of teasing-crime. His bottomless eyes are sweeping at the swimsuit which she wore, the picture of the crime scene for once again showing up in front of his eyes.

Just as expected, she wearing this childish swimming suit, moreover keeps calling him big brother, resulting all the things that he's doing right now, simply to say this is provoking his masculine\*\* nature.

"Bao Bei, why are you calling me?" after said, for once again he moving his finger.

"Uh." Yao Yao covered her mouth, so that she won't let out any embarrassed voice, "Big, Big brother, you, you, let me off, okay?"

"How you want me to let you off? Bao Bei, if you are not said it clearer, I don't know what to do."

Does this rotten bastard pretending to be dummy? is he really not understand what she is talking? Yao Yao suspicious at this moment thinking, murmured: "Please take out your hand, fingers take... It out."

"Oh." Yu Ao Tian is leisurely raised one of his hand, slowly moving his finger.

At one glance, simply to say she wanted to cry: "You! You are rotten bastard!"

"Bao Bei, you are not saying it clearer." Yu Ao Tian curved upward, slowly said: "You must say, Big Brother, begging you, please take out your hand's fingers from my inside."

This kind of words once it heard.... Such fervent! She can't say it, really cannot say it out!

"Not say?" seeing Yao Yao not open her mouth for some time, Yu Ao Tian deep eyes flashed, raise her pair of leg up, his tongue tip is teasing hers\*\*.

"Ah en...." Strong sense of electrical across her lower body, her small hands are grabbing quilt.

But this hasn't ended, that bad tongue is moving and teasing, it stimulate the most sensitive areas of her body.

"Don't!!! Don't be like this!!" Yao Yao is shaking her head crazily: I said, I said...." step by step she is getting into the trap of the devil: "Big, Big brother, begging you, please... The finger that trust into my inside.

.. Please let it out..."

Does not know whether because of this type of dirty words provocation or because the man has very good skill. Without waiting for Yao Yao to finish her words, she can feel her lower abdomen tensed, a heat suddenly spewing out. "Ah...." her whole body as if floating clouds, her body fell on the bed.

"Bao Bei, today your reaction is so fierce, see, you made the quilt wet." Yu Ao Tian raised and changed into sitting position, seeing inhale mouthful of air, Yao Yao who let out rough breathe, he smiles.

"You, you are rotten bastard!!" she hates, she embarrassed glared at him, her eyes is filled with averse feeling.

Every time he always teased her to the lame condition; every time she feels embarrassed because of him.

She really cannot bear this kind of shame, but at same time it gives a feeling hard to forget.

"Little Thing, if you are keeping on scolding me, it won't be that easy to stop!"

Ugh.... She covered her mouth, her eyes are gradually looking at the man's lower part. That beach pant is slightly elevated. It is proven the man is \*\*.

It has been long time, she does not being forced by him to do that, does she?

Can this being said he is taking a step back?

Toward men, Yao Yao really does not have so many understanding, and also she really does not know how strong this kind of desire for men. But, due to Feng Chen Yi cheating, Yu Ao Tian who keeps on changing girl friends, without realized it, this is a prove men also have longing for this kind of thing.

"What?"

"Don't you find both of them little bit odd?"

"What is odd from both of them? Both of them are best friend." Yao Yao does not think so she only gives her smiles, she also raised her hand to climb up from pool.

"So they are best friend..." That's right! Gong Xiao Man is turned her head to look inside the pool, it seems not long ago Han Li Shang and Angel still inside the pool but at sudden both of them are disappearing together. Hurried she chasing: " Yao Yao, Yao Yao."

"What's matter Xiao Man?"

"Come." she pulled Yao Yao to sit, curiously asked: "Do you know what is the relationship between Big uncle with the woman who called Angel?"

"Ugh." their relationship? "Speak frankly both of them are... Boss and subordinate relationship?" in Yu Long group Han Li Shang is the leader of killer group, while Angel is killer, perhaps this kind of relationship can be called as boss and subordinate, right?

"Oh, so that the case."

"So what, Xiao Man?"

"No, nothing...." Gong Xiao Man without she realized are looking at the other side of the yacht.

As seen, Han Li Shang is leaning on the yacht, Angel is slowly walking in his front.

And then, Han Li Shang pair of hand is enveloped onto Angel's waist, his lips slowly....

"Xiao Man? Xiao Man, what are you seeing?" Yao Yao is following Gong Xiao Man vision line, at same time she sees: "Oh." when she saw that scenery, she cannot help to spread cold air: "So CEO Han is dating with Sister Angel."

Gong Xiao Man eyes brows at sudden wrinkle to make one line, without waiting for Yao Yao to react, she dashed in front of them. "Since when both of you start it?"

Heard this kind of questioning intonation, Han Li Shang stopped to kiss, Angel is curiously looked at Gong Xiao Man, and then looked at Han Li Shang: "Why she asked this way?"

"Haha, I also don't know." Han Li Shang changed his coldness to warm gentle when talking to Angel with smile.

"I ask you, since when both of you starting?" once again Gong Xiao Man asked with high tone, all the people who are not far from pool looked at them.

"Xiao Man?" Yao Yao never seen the bolt (extremely furious raging to the extreme) Gong Xiao Man, in her eyes, Gong Xiao Man is someone who has so many mischievous ideas and sometimes can be little bit muddle-head big sister, but why now?"

"Say!" Gong Xiao Man is curled her hand into tight fist, angrily roared.

Han Li Shang gloomy frowned, coldly said: "What do you want me to say? There is nothing that I should report to you?"

"Right! That's right, you are indeed no need to report anything to me, it just me who is acting alike lowly slut! All are my own wishful thinking. But since you have already had girlfriend why didn't you tell me?"

Yao Yao who is standing beside can feel something from her words, does Gong Xiao Man and Vice CEO Han?

"Haven't you known it now?"

Yes, she knew it, but if from beginning she knew it, she didn't need to use so many feeling toward this cold man, her feeling won't fall deep!

"Late!! Now it is too late!" Gong Xiao Man curled tight her hand into fist, fiercely glared at Angel: "I tell you, since this time, I want to fight with you for this man!" after she said, she dashed as if an arrow, gently kissed on Han Li Shang's lips.

The cold pair of eyes immediately changed into blank, believe that Han Li Shang also by himself won't ever expected this little girl after all can say something alike this?

"Oh." Yao Yao who standing not far let out cold breathe, she, she is too admire Gong Xiao Man.

The sudden kiss ended, Gong Xiao Man coldly looked at Han Li Shang, and also Angel, turned back, there is no turning back.

Fight for a man? Ah, with what she will fight?

After all she does not have good body shape alike Angel, she also not as beauty as hers, the most important thing is, that Big Uncle is always acting cold when facing her, this, she has already lost. Thinking to this point, her tears flowing down wet Gong Xiao Man's cheek....

"Xiao Man! Xiao Man...." Yao Yao hurried chasing behind of Gong Xiao Man to accompany her.

Angel heave a sigh: "Mr. Han?"

Han Li Shang using his hand to stop her, forcing to give a smile: "Angel, today really thank you."

"No, it seems that I am not help much."

"Haha, you have helped me."

"Li Shang, you brat is quite heartless too." at beside who keeps to be observant, Long Ye is slowly walking closer to his side, touched his shoulder.

"Mr. Long (older), Mr. Han, I take my leave."

"En." Long Ye sees Angel who is disappearing, smiles devilishly: "I have thought, why today you are suddenly asking Angel to come with you, it seems that you are asking her to shoo away your admires, actually that little girl is not bad, her looks also not bad, her body also not bad, the most important she is serious about you. Why don't you consider her for a bit?"

Ha, but with Gong Xiao Man's age she is enough to stop Han Li Shang footstep. After all, both of them have 11 years age gap! He is enough to be called as her uncle. "Long Ye, it you have time to say me, don't you also do something so similar like I do?"

"What do you want to say?" suddenly Long Ye changed to be cold.

"What I am going to say? Ha, you are constantly in front of Xue Tong keeps on changing girlfriend, for what, you know by yourself.

"

"I take my leave first." Long Ye changed his expression to little bit tender, stand and disappearing in front of Han Li Shang....

The whole afternoon, the atmosphere on the yacht is quite strange from that morning, it filled with heavy atmosphere.

Until the yacht docked, everyone seems to have carry their own feeling.

The way Long Qi looked at Yao Yao is different; Long Ye attitude toward Mo Xue Tong also weird; between Mo Xue Tong and Yu Ao Tian; Han Li Shang and Gong Xiao Man.

Perhaps the only person who is still normal might be Yao Yao? But seeing her best friend hurt, her mood also ruin bad.

"Bao Bei, I drive you home." when get down from yacht, Yu Ao Tian is taking his sport car near the seaboard.

"No." she waving her hands, she looked at Gong Xiao Man who beside her: "Today I want to go back to school accompany Xiao Man."

"No need, Yao Yao. I want to be alone by myself."

"Xiao Man?"

"I really want to be alone." Gong Xiao Man lowers her head speaking with sad tone.

She really very rare to spot Xiao Man to be this dispirited, it seems that Gong Xiao Man really likes, she might like Vice CEO Han right? But, does Xiao Man know Vice CEO background?

Actually, said that she and Yu Ao Tian are two people who come from different world; while Gong Xiao Man and Vice CEO Han don't they are two different people too?

"Well, Xiao Man, I send you to school."
