"What are you saying, Chen Yi. Impossible for you not knowing that I was at the wedding venue for all this time?"

"That's right, you were at the wedding venue, well...." Feng Chen Yi's face is dim, coldly said: "Where is your secretary? I have asked Gong Xiao Man, she said that was a woman who screaming at the corridor before, said there was a fight at wedding venue, when came back Yao Yao has already disappeared. Such high skill of luring the tiger out of the mountain, didn't it something that thought by Chairman Yu?"

Ha, just expected he didn't underestimate Feng Chen Yi! Alike this kind of tense circumstance, Feng Chen Yi stills be able keep calm, his head such clear to find out the real culprit, speak frankly it really rare. "Chen Yi, catch handed the thief. Impossible for you to have less enemies right? Why don't you think carefully whether it done by your enemies or not? Perhaps the other woman who did it?"

"Li Ruo Ting?" an instantaneously Feng Chen Yi said this name.

Yu Ao Tian is giving a smile, conciliate by patting Feng Chen Yi's shoulder: "Hope you to find your wife faster, I take my leave first." after said, he starts the engine and left.

.

Don't... don't.... don't!

Suddenly opened eyes, in front of eyes there are vast darkness, Yao Yao can feel that there is piece of cloth that covered her eyes.

Where is it?

Didn't he just now prepare herself for the wedding ceremony? How could she....

Oh, she remembered!!

As she remembered not long after Gong Xiao Man went out, someone was coming to the makeup room, and this person was....

Mo Xue Tong!

The person who kidnapped her was Mo Xue Tong, but it's not Yu Ao Tian. Yu Ao Tian must be the person who asked her to do so!

'Thump' 'Thump' her heart skip beat. 'uh! Uh! Uh! Her mouth is trying to let out some voices but stuffed with something, her pair of hand it seems being tied on something. But she can feel clearly that she must be lying down on bed.

What does the demon Yu Ao Tian want to do?

"Bao Bei, you wake up?"

Suddenly, her ears heard Yu Ao Tian who speaking not in rush, she is moving her body, constantly to let out 'uh uh' sounds.

"Hah." sitting on the chair Yu Ao Tian is smiling coldly, before, he had pulled off the black cloth that covered her eyes.

A piercing light hit, subconsciously she narrowed her eyes, in the process with adapting to the light from surrounding, just realized this....

Yu Ao Tian's apartment!

Still thought, she would not ever to come here again; still thought, last time would be their last time. Never thought, on the wedding day, after all Yu Ao Tian is forcing to take her to here, actually what will he going to do?

Eyes which filled with hatred but at same time puzzled not understanding, looking at Yu Ao Tian's pair of bottomless eyes.

It has been sometime to have such close distant with this good looking face, especially, in the past as long as she looked at that pair of eyes she would feel afraid. But since when, she has not that feared or tried to avoid at that pair of eyes.

But this moment....

This pair of bottomless eyes for once again flashed an eyesight as if able to taking herself to hell, it gives a chill for those who sees it.

"Really beautiful. Just now when I entered the room looking at you simply to say I was not daring to believe, My Little Thing after she wearing a wedding dress she changed to be someone so mesmerizing." Yu Ao Tian is looked alike fool when smiling, that long and slender fingers exploring her body.

"Uh!" she felt disgusting, creasing her forehead, restless keep on moving her body, "stop to touch me! Stop to touch me!.."

Episode 399

"Bao Bei, what kind of eyesight that is?" Yu Ao Tian's palm is stopped in front of her chest, his mouth is slowly curved upward showing sinister smile: "It was obviously not long ago, you body was still enjoying my teasing. Why, in very short time, you body hasn't gotten used anymore toward me?"

No! No! She never enjoyed the teasing of this rotten bastard man. Doesn't want to hear it, does not want to hear him to bring up about past.

It is so disgusting! So disgusting!

The past scenery one by one flowing in front of her eyes alike film pieces, she really wanted to forget the past she ever had with this man, the teasing which able to make her to lose her control.

"It seems.... I need to help you looking back the old memories!" after said, Yu Ao Tian cold eyes flashed.

Without waiting for Yao Yao to react.....

The white wedding dress as if the holy symbol torn by him in the middle!

Rotten bastard! Yu Ao Tian simply is a rotten bastard, beast!

Since her pair of hand being tied on the bed head, the mouth is stuffed, Yao Yao pair of eyes is filled with hatred, deathly she glared at Yu Ao Tian.

"Bao Bei, during this time with Feng Chen Yi, did he ever played this place?" after said that man pair of cold bottomless eyes glancing at the white flawless neck....

Uuh...' feeling that big hand touching, her small hands are curled to make fist.

"Huh? Today reaction is really disappointed." Yu Ao Tian looks unhappily heave a sigh: "Just as expected, still need to hear your voices it will rise my excitement!!" pair of dim eyes, he takes off the handkerchief that covered Yao Yao's mouth.

"Yu Ao Tian, you are rotten bastard! Faster let me go!!!"

"En humph, this is much familiar." he is smiling devilish, gently he lifts up her chin, slowly said: "Bao Bei, when you are swearing me, shouldn't you think carefully of something, what things do you owe me?"

"Owed? Yu Ao Tian, the money that I owed you I had asked Long Qi to give it to you! What other thing that I have owed you?" Yao Yao fiercely gritting her teeth, that few words are almost out from her teeth.

"The thing that I mean isn't money, but...." suddenly his hand that hold her chin put little bit strength, he gloomy said: "Your promise!!!"

Promise????

What kind of promise she owed Yu Ao Tian?

☒ 'I will not betray on you, at least within these three years I won't betray on you.....' is this promise?

Indeed, her marriage with Feng Chen Yi is betraying her initial promise with Yu Ao Tian before. But..

...

"Have you remembered?" Yu Ao Tian is showing is devilish smile when asked, for once again he grabbed her chin tightly.

She can feel her chin is hurt, but Yao Yao is enduring the pain, gritting her teeth, growled softly: "Since the day you killed my mother, I don't have any promise toward you anymore!!!"

"Hah, since this the case...." loosen his hand, Yu Ao Tian is standing up and walked to the bed end: "Bao Bei, have you done it with Feng Chen Yi?"

Why does he ask me this thing?

Her heart is uneasy and restless, nervously she swallowing her saliva, open her eyes staring at him but does not answer anything.

"In my heart you are the fruit that I have nurtured for such long time, if there is someone who tasted you earlier, my heart is really bitter." Yu Ao Tian is pretending hopeless by shaking his head, that pair of bottomless eyes have power to send a cold chill to everyone who sees it.

Thinking to this point, this man was purposely faster his pace.

"Uh...." the body has already felt numb but still could not hold Yu Ao Tian crazy thrusting, for once again she could feel the pain as if her body being torn.

Gradually when facing with that man's pair of eyes, it showed eyes filled with hatred.

Yao Yao really wanted to ask herself whether she saw mistaken?

**

In Feng Chen Yi's place.....

"Chen Yi, Chen Yi, what happened to you?" After got the news about Feng Chen Yi's sickness, soon Feng Xiao rushing to come to his place.

Feng Chen Yi is pretending to sick by lying down on his bed, shaking his head hinting that he is okay to his father.

"Doctor Li, what disease my son gotten?"

This Doctor Li is Feng Chen Yi's personal doctor, naturally he would say according what Feng Chen Yi asked for: "Master Feng, Second Young Master is just having stomach cramps, take a rest, taking a rest it will be okay."

"So this the case...." Feng Xiao relief, heave a sigh, his eyes are sweeping this not too big single room apartment: "Where is Luo Yao Yao?"

"That..

. uncle. Chen Yi is suddenly sick, as Zi Xuan seen, just sent off the bride first to her house." Hei Yan Long feared that Old Master Feng would find out if Yao Yao is being kidnapped, so that he is looking an excuse, explained.

"humph, really, hasn't passed the door (become part of family) she has become bad luck for Feng Chen Yi's health, really bad luck star!!!! she really is Shang Men Xing (woman who brings ill luck to her husband's family)!!!" Feng Xiao is curled his hand into tight fist, normally elders are more superstitious, but this is much better rather than let him to find out if Yao Yao suddenly being kidnapped.

"Uncle, let me take care of Chen Yi, you go back first to have rest."

"En, this is good too, so trouble you Yan Long."

"This what I should do, I should do." Hei Yan Long personally sending off Old Master Feng left the room.

Feng Chen Yi also asked Doctor Li to leave.

He takes off the quilt, faster get down from the bed: "Yan Long, has Zi Xuan made any phone call yet?"

"Not yet...."

‘ding dong’ ‘ding dong’

"Perhaps that Zi Xuan is coming back." Hei Yan Long rushed to the front of door, opened the door, just expected the person is Ou Yang Zi Xuan: "Zi Xuan, how's thing?"

Ou Yang Zi Xuan is steady his rough breathing, helplessly he shaking his head: "It was not done by the Li's family!"

At the time when Yao Yao had disappeared, Feng Chen Yi has been arranging Ou Yang Zi Xuan to go to Li's household to look for Yao Yao, while he and Hei Yan Long were responsible to taking care of Old Master Feng's mood.

And now it seems, if this was not done by Li Ruo Ting, so this must absolutely done by.....

Feng Chen Yi's face is dimming when he taking out his mobile phone from his pocket.

‘Hello, the phone that you dial is out of reach.’

"Damn it! The person really is Yu Ao Tian!!!!" ‘Bam’ a sound, at sudden he tossing away the mobile phone from his hand, faster he walked toward the door.

Ou Yang Zi Xuan and Hei Yan Long as they see, hurried they stopped him at the front door: "Chen Yi, where are you going?"

"Go to Berson!!"

"you see, now is already 7 at night, Berson has already closed! Moreover, we don't have evidence, how can we say Yu Ao Tian done it? If this matter you make bigger, it will only draw Media attention. When that time comes, everyone will know the matter about Yao Yao being kidnapped, there won't be any benefit either for you or Yao Yao in the future!"

The words that said by Hei Yan Long is so logical, not long ago there was news about Yao Yao as Yu Ao Tian's lover, supported by him, the result at the wedding day, bride is being kidnapped, and the person who doing the kidnapped was Yu Ao Tian, this would only become a laughing stock for this dark marriage!

"So what to do? Do we only sit here and wait until Yu Ao Tian sendig off Yao Yao back?" Feng Chen Yi could not wait, now he really could not accept the reality Yao Yao is with that dangerous man!

"How about this, Chen Yi, you wait the news at home. I will go together with Hei Yan Long to Yu Ao Tian's place. Search whether we can find any trace or clue about Yao Yao."

"I want to go too!"

"You can't, your current state now is so impulsive, if you go, it only make thing more chaotic, when it happen, it gonna attract Media, and whatever we had done before would be fruitless." Ou Yang Zi Xuan is thought much completely, Feng Chen Yi when he is facing with big problems, indeed he could still maintain calm attitude, but when he facing with his beloved woman who fell into other man's hands, he could not give any guarantee if Feng Chen Yi still be able to maintain his calm attitude.

"That's right, Chen Yi, this mater better let us settle it. You rest assured, you wait at home for our call." After Hei Yan Long said, he followed Ou Yang Zi Xuan left his house.

Once these two persons are arrived at the apartment entrance, at sudden Hei Yan Long's face is dimmed: "If Yu Ao Tian does not want to let off the person, actually, actually no matter how both of us coming over here to ask person, it is useless."

Ou Yang Zi Xuan also knows this principle, the world is boundless, let say that Yu Ao Tian randomly taking and hiding Yao Yao at one place, they also cannot do anything. Moreover Yu Ao Tian initial background is from underworld, his reaction and his observation ability is higher than few times compare to the ordinary people. Although they able to investigate actually it also useless.

"But if we didn't say that, how could we calm down Feng Chen Yi's mood?"

"That's right, Zi Xuan, don't you know Berson Group's Vice CEO Long Ye? Can you go and ask him?"

"Hah, Long Ye is Yu Ao Tian's confidant, You think would Yu Ao Tian or he would help us?"

"Huh.... forget it, well it stills better we trying to search by ourselves then."

"En, only can give a try.

" These two persons sighed, separately both of them drive their own cars and then heading to different house of Yu Ao Tian.

But.....

Yu Ao Tian's small apartment actually placed little too desolate, not to mention whether they can find it or not, as afraid even if the government asked police to go searching perhaps won't be able to find that place.....

For the full three days time, Yao Yao has been kidnapped inside that little apartment, when she wakes up there is endless making love, when she is sleeping there is endless nightmare.

Her inside, her body, every inches of her body is covered with that man's body fluid, even though having a clean wash it only wash the surface, but the deep 'kind' which humiliating her heart is something could not be washed out.

"Little Thing, time to have meal!"

From her back, the man cold voice is flowing. She is so weak lying on the bed, slowly she opens her eyes, her eyes are looking at deep mark on her wrist.

She didn't know since when Yu Ao Tian had untied her hands, the only thing that she knows, although her hands are already untied, she also does not have any energy to escape, moreover she does not have any strength to resist the endless demand of this man.

Close her eyes, as if she does not hear his voice..
