Staring at that handsome face and yet so domineering, her eyes are showing not understanding eyesight: "Why?" She agreed to marry him the reason because revenge, but now she does not want to revenge anymore, why must she marry him?

"Luo Yao Yao, why I want to marry you, don't you know the reason? En!" at sudden that big hand lifts her chin up. Who knows, the kiss marked that kissed by Yu Ao Tian exposed, Feng Chen Yi pair of eyes are gleaming with cold eyesight. That icy-cold lips sticking on her mouth that not yet finished her words, he does not want to hear it, he does not want to hear the continuation. Now Feng Chen Yi is afraid to recall his memory regarding two things.

The first thing was the matter regarding his cheating with Li Ruo Ting; the other matter it was, that time when Yao Yao came to look for him wanted to borrow sum of money, he said that words, you came to be my lover!

"These three days, I was with Yu Ao Tian! Regarding what we did, you make your own guess? We..... how can we still get married? How can we still marry?"

Why, why Feng Chen Yi wanted to force her to tell what was happened within these three days, she really wanted to forget it, really wanted to forget everything.....

If she keeps on refuse him, she afraid Feng Chen Yi would kidnap her and force her to marry him? This domineering man.... she must....

In what way she has to make up for the debt that coming from deep her heart?

Trying hard to love him? Trying hard to find back that feeling which ever loved him?

No.... still better to accompany him for the rest of live.

.... until he left. Of course, there is also a possibility that she will be the first person who left him?

"Feng Chen Yi, how could I never realized..... actually you are an idiot?" she murmured, Yao Yao is hugging Feng Chen Yi tightly.

Finally that cold good looking face finally has slightly smiles from bottom of his heart. But the next moment.....

She really does not know how to deal with Feng Ke Xin, she is too arrogant! But, she also does not want to have any scandal at this home.

"Rest assure, I understood."

"Good. And about that, Old man (refer to Feng Xiao) not really likes you."

"This, I can feel it."

It can be felt....

Alike Feng Ke Xin who has this ordinary arrogance, she must be being spoiled too much at home. But as seen, Old Master Feng is indeed like Feng Ke Xin so much. Either Feng Chen Rui or Feng Chen Yi, all of them are calling Old Master Feng as Father, it's only Feng Ke Xin who dares to call him as Old Man, no need to question because everyone knows what the reason is.

"Alright, you don't bother me, I want to make phone call to Qi Lian sunbae, you go back to your bridal chamber with my second brother."

Hah.

Feng Ke Xi really one interesting person. But..

..

Does she really success to stay together with Qi Lian sunbae?

Back to the room that belong to hers and Feng Chen Yi. This room compare to Feng Ke Xin's room is much bigger and splendid, more gorgeous. Simply to say compare to place where Yao Yao lived before, this is bigger by four times, and so similar alike small villa.

Really not understand, Feng family only few persons, don't they afraid to live in such big room?

"You are back?" Lying on the bed reading news paper Feng Chen Yi is smiling when asked her.

"En."

"What did my little sister say to you?"

"....."

..."

Feng Chen Yi glancing at her with unbelievable eyesight, this little rascal, now she is getting fiercer? Even though.... when both of them were dating before, she indeed also little bit fierce!

Put down his newspaper, he curved up his mouth: "I see, you want to recollect something, taste something, should I do it?"

"Ugh.... don't! don't!" when Yao Yao wanted to runaway.

Feng Chen Yi has grabbed her wrist, his pair of hand continuously tickling her.

Long time ago, as long as she frustrated Feng Chen Yi, he would come up with this type of punishment for her, until she laughed with tears. "I am wronged.... I wronged..

.. begging you, let me off, let me off."

"Tell me, do you still dare to speak like that to me again?"

"Not dare, not dare...."

"En, so obedient." Feng Chen Yi drawn back his pair of hand.

She is narrowing her eyes, fiercely gritting her teeth, obedient your little sister (swearing word), every times he always use this kind of method to deal with her, simply to say shameless!

But....

Every times she always fall at the same trick.

Lying on the bed, after she free herself from that tickling 'pain', who knows....

Feng Chen Yi suddenly turn over his body and press on her body.

Episode 406

"What do you want to do?"

"you say what I wanted to do?" Feng Chen Yi is curved upward his mouth, slightly smiles, and at sudden his lips landed on her lips.

That petite body as if being acupuncture and immediately stiffen, she thought both of them would stay alike they used to do, lying together on the bed doing nothing.

But she has forgotten something, now both of them are husband and wife!

No.... no....

Wait! Wait!

But Yao Yao's eyes are showing fear eyesight, her body is trembling, as if a little white rabbit which get shocked.

Perhaps because Feng Chen Yi feels something strange, suddenly he opens his eyes, looking at her pair of eyes that filled with feared. He knows....

She must be.... remembered about Yu Ao Tian!

Pair of lips, leaving her lips, his hand also drawn out from her clothes. "Let's sleep."

"Huh...." Yao Yao feels relief, no one knows just now at that moment, who's face was saw by her!

"That's right, let you to see something.

" Feng Chen Yi smiling mysteriously, pick up the newspaper from the bed head, turn to one of the page, he pointing at the diamond ring: "Like it?"

Eye-measurement, that diamond ring perhaps have few carats. In order to loosen up just now awkward atmosphere, Yao Yao is pretending act doubt, said: "What? Do you want to send me?"

"Do you want?"

"If you are giving me now, then I want it."

"Sttt..... Do you want to difficult me?" Feng Chen Yi is creasing his forehead as if in difficulty, but the next moment, he is smiling mischievously, quickly he spreads open his right hand: "But, this won't give me any trouble!"

Ugh.....

As seen, there is a diamond ring that similar with the one on the newspaper at his palm, this brat, has he planed for long before? She lifts up her head, blinking her eyes with looking down eyesight: "You are really a schemer."

"Of course, otherwise will you ask?" Feng Chen Yi understands Yao Yao, both of them have known each others for many years, this woman really not dares to take present from anyone. "Stretch out your hand."

She is helplessly sighed, slowly stretch out her right hand.

Episode 407

Feng Chen Yi smiles when put that diamond ring onto her ring finger. "Listen carefully, this ring has great meaning (very important), absolutely should not lose it!!"

Very important? "How important...." without her realized she looked at Feng Chen Yi's left ear, she surprised asked: "Where your diamond earring?"

Still remembered when they were at school, everyday she was laughing at Feng Chen Yi's diamond earring, 'why do you wear this, you are alike woman.'

But every times she brought up this topic, Feng Chen Yi would show her cold expression, giving her such simple answered 'because this diamond earring has very important meaning!'

"It's has run to your hand."

"Hah?" so this ring is coming from Feng Chen Yi's diamond earring? "How can finally you willing to take it off?"

"Of course. My mother ever said, as long as I have found my wife, she asked me to give it to my wife, don't you think that I have found her."

So that's why Feng Chen Yi always say that the meaning is importance, is it because the diamond gave by his mother to him?

"So this is given by Mother in law to you."

"Mother in law?" Feng Chen Yi is leaning on the bed head, an arm around her shoulders, coldly said: "Who you called as mother in law?"

"Is she that one? Of course the person that I offered her tea before."

"Yao Yao, I will only tell you one time. You listen carefully!" an immediately, Feng Chen Yi expression turned to be iced-cold: "My mother name is Fang Ya Shi, while just now that lowly slut named is Lan Ni Pei!!! I don't wish you later call her as mother in law or mother. Understand?"

The current Madam Feng is..... Feng Chen Yi's step mother?

While he, called.... Madam Feng as lowly slut?

Her doubt eyesight looked at his face.

Yao Yao finally can see, the strong hatred eyesight from Feng Chen Yi's eyes. "Feng Chen..

.. Yi, where's your biological mother?"

She does not know whether she allowed to ask or not, but she really wants to know his past.

"Has passed away."

Just knew it would be so.... or else, why he is showing deep hatred when talked about Madam Feng.
"Madam Feng.... Did she the person who do it?"

"Yes." Feng Chen Yi with sad expression nodding, that bottomless eyes are suddenly turned to be dim:
"My mother was growing up at wealthy family, even though she married with my father because join marriage-business. But.... after they married, my mother had fallen for my father. It's only because they married for many years but still didn't have any child...."

This is kind of the taboo matter within the wealthy family!

Not long after that, a woman who brought child came to Feng Family.

That woman was Lan Ni Pei!

She said that child was Feng Xiao's son, she was begging that Feng Xiao and Fang Ya Shi must be divorced. And Feng Xiao as husband he also wanted to admit the child's existence. Fang Ya Shi just knew, before she married with Feng Xiao, he has already had other woman at outside, or else how could the child already five years old?

During that time, Fang Ya Shi always crying. An initially, she wanted to use her family influence to get rid Lan Ni Pei. But who knows that Lan Ni Pei has strong support at her back!

It is Ya Si Lan (Aslan) country! She is relative to the royalty. Fang Ya Shi really cannot win over her!

Just like that, both of the women were sharing one husband for many years. Within five years, Lan Ni Pei was using many kind of tricks in order to chase out Fang Ya Shi.

While she only could endure everything. And the most miserable, because his mother family business was failed, it leads her family in straitened circumstances. This made Fang Ya Shi position in Feng family getting worse.

Just at this time, the miracle happened, Fang Ya Shi pregnant! And she pregnant baby boy. By that time Feng Xiao was so happy.

Lan Ni Pei saw thing going to change, secretly schemed her, falsely accused Fang Ya Shi's son as other person's son, she even took out an evidence.

Feng Xiao who was raging in fume asked Fang Ya Shi to get out from Feng Mansion. Luckily, at this time The Old Master Feng (Feng Chen Yi's grandpa) showed up, and then the situation stabilized back.

After few months, Fang Ya Shi was giving birth Feng Chen Yi.

Lan Ni Pei still felt indignant, spreading the rumors to the outside, saying that Fang Ya Shi's son not Feng Xiao's son. "At the cornered situation, my mother was using death in order to prove her innocent, choosing to ended her life. After that, my father brought me to make DNA test, and this finally proven that I am his son."

At the moment when the truth come to light, Feng Xiao was so guilty, while Feng Old Master in order to makeup for the debt owed by the Feng's toward Fang Ya Shi death, immediately he transferred hers' percent share to Feng Chen Yi.

"Lan Ni Pei ever came to look for me, moreover she even talked so affectionately asked me to marry with you.

During that time I thought she was..... now after thinking of it carefully....." Yao Yao is nervously grabbed Feng Chen Yi's hand: "Promise me, no matter what going to happen you must not go against your father because of me. I believe that Old lowly cheap slut so kindness asking me to marry you, because she wanted to see you go against your father because of me!"

"Hah, You are so quick getting into your role. You are so fast changing the way of addressing from mother in law to lowly cheap slut?"

"She made your mother suicide, so that she is my enemy too! Later, just let me to go against that lowly slut!" Yao Yao has no doubt for this matter, she also does not consider what kind of misunderstand about this matter.

Because, in this world, other than her grand pa, the person she trusts most is Feng Chen Yi!

"You, it alright if you can protect yourself well."

"You don't believe on me?" Yao Yao dissatisfied pouted her mouth.

Hah, how can he underestimate and not believe on Yao Yao capability, but he really does not want the pure and innocent Yao Yao changes to be complicated, and schemer. "Let's sleep." the light inside the room is dimmer.

Yao Yao is lying on the bed but she cannot fall sleep.

No wonder, that Feng Chen Rui could act such against toward Feng Chen Yi, and how about Feng Ke Xin whose daughter she is? From the way Feng Chen Yi said, after her mother gave birth him she had suicide, could it be Feng Ke Xin.... that lowly slut's daughter?

Sst.....

It can be seen that Feng Chen Yi quite spoiled Feng Ke Xin, perhaps, because Feng Ke Xin is innocent.

Just unexpectedly Feng Chen Yi isn't kind of person who would kill an innocent one. At least.

... he different with Yu Ao Tian!!!

Lan Ni Pei.....

Not to mention about university graduation, even for PhD she could smoothly graduate. If

not because she wanted to 'earn' that huge amount of scholarship money, and to study at the best school.

"Alright. You faster."

"Hihi, thank you." Yao Yao jumped, like little monkey directly into Feng Chen Yi's embrace, and suddenly she kissed his cheek.

Once Feng Xiao heard this, it hard for him not to recall few days ago when his wife told him about this little girl who asked for 4 billion. Hah, could not get the money and now she is targeting Feng Group?

"You are not allowed! The daughter in law of Feng family must be stayed at home. Without my words, you are not allowed to step your feet outside this house, not even one step!!"

Cold sweat, Father in Law seems such bossy, simply to say he is so similar with Feng Chen Yi!

"Father...."

At the moment when Feng Chen Yi wanted to say something, quickly Yao Yao pulled his sleeves, faster hint him with her eyesight, which means.... you don't forget the thing that you promised me last night.

"Father in Law, you say...."

compare to big sister in law who have more value, I am who born from lowly family background, so that I can't help Feng Family, if you are not asking me to working outside to earn my own money, how can I still have face to stay at Feng family, this really no any difference between me with woodworm (parasite)."

Should you this exaggerating? Feng Chen Yi is looking with kind of contemptuously eyesight toward Yao Yao exaggerating expression, endure himself not to laugh.

"Just like this, Father in Law. I don't need salary, also no need any important position. Just doing odd or not so important works it's okay in Feng Group, how is it?"

"En?" Whatever Yao Yao said before without doubt, it has hit on Feng Xiao true heart, he is afraid that this little girl is aiming on his Feng's asset (money), and now after all she has touched him with this words?

"Do you really go working for doing not so important works?"

"Really! Really! As long as I can do even little bit for Feng family, I really more than satisfied."

At the moment when Feng Xiao hesitated, suddenly Lan Ni Pei is coming over: "Old Master, you just agreed at what daughter in law idea."

"Do as you wish." Feng Xiao is helplessly waving his hand, turned his back and left.

Humph, this lowly old woman, during this time said something like this does she want to see something bad happen to her at company? She would not grant what Lan Ni Pei wish for! "Mother in Law, thank you. Now I go for working." although Yao Yao is very clear with Lan Ni Pei motive, but she really acting as good daughter in law on the surface, or else how can later she handle this old lowly woman without her knowing?

"Go to Feng Group to do odd and so not import works perhaps it will be hard to satisfied your heart?" getting inside to the car, Feng Chen Yi is coldly asked.

She is smiling mysteriously, confidently shaking her head: "This is not so, this is not so, I have told your father that doing odd and not so important works, but odd and not so important works also divided into many types. Cleaner, pouring tea all are odd and not so important. But.... go and get involved in every department are also considered as doing odd and not so important things!"

"Hah." Feng Chen Yi helplessly give a smile, one of his hand on the steer wheel, and the other hand is put on her shoulder: "What's your plan?"

She is smiling naughtily but gradually her face is dimmed: "Which department of Feng Group that compete business with Berson Group then, I will go to that department, I wish to go and compete with Berson Group, get all the projects by myself!"

The target is clear! Concise and comprehensive. Feng Chen Yi can feel this time Yao Yao is going to be fierce, "And then?"
