"Yu Lao Da, where are we going to?"

"Yu Lao Da, why are you ignore me? oh.... I know. You want to kill me, is it right?"

Even he is Yu Ao Tian, is he really someone that likes to kill other people, talking about "kill" her? hah, he's thinking about "to fuck". She really is something! It's just that, for this moment, he does not have any interest with little sister who drunk.

Yu Ao Tian not really in good mood, he lets Yao Yao to speak by herself, until at one point finally he realized how irritating and annoying Yao Yao is, when she is drunk.

Just at this moment... "Yu Lao Da, did you ever told me, as long as I able to kiss you and you got the feeling, will you really let me go?"

"Heh?" Yu Ao Tian dumbfounded, but before he able to response her, suddenly she looked alike the hunger "wolf" who is spotted the food, she is forcing to kiss him....

Damn! How could he being forced-kissed by little girl? This simply is something humiliating for him!

At the super speed driving along the highway, while Yu Ao Tian is driving he also need to focus dealing with Yao Yao who turned be wild because alcohol. He really busy to the point he can't driving the car anymore.

He just simply parked his car slowly in the side of road and slowly enjoying this young inexperienced and also clumsy kiss.

Hah... she clearly has very bad technique of kissing, but he really does not know why, he even expected to have more from her, even breathing this simple things become so heavy. His pair of hands enveloped her little waist, this forcing kissed suddenly provoke him.

His tongue is prying to her teeth, and now both of their tongue intertwined like dancing tongues.

For long time, the atmosphere inside the car getting hotter, both of their lips slowly separated, their lips connected as if there is an ambiguous thread...

"Little thing, I never have slightly interest with drunken woman before but...

." Now he is unable to suppress the flames and desire of normal men.

He pushed the button to make the seat lay down, he also closed the convertible car.

He turned over (lying position) his body, with his domineering-self pressed under her body, while his hand moving inside her dresses....

The sun gradually rises, the sun shines brightly piercing through the curtain, illuminate the surface of splendid king size bed. The silk quilt is covering the naked body, both of man and woman which creating an ambiguous atmosphere.

Yao Yao is gritting her teeth even in her dream, she makes sound of "creak" "creak", kind sharp voice that pierce into ears, when she turned over her body, her small hands cycling at the man's body, cuddling the man but also her hand randomly groping the man's body.

Uh...

Her sleepiness suddenly gone, she hurried to take a look what kind of thing she cuddling.... Is there something strange?

Hurried opened her eyes, the first things that caught her eyes is Yu Ao Tian gloomy expression with his pair deep black eyes. "Arghhhh!" a high pitch piercing sound, she faster rise herself to sit position, what happen? How can she sleep with Yu Ao Tian at same bed?

Still lost in her thought, the quilts that cover her body gradually slipping down, finally she realized her naked body. "Arghhhh!" another piercing voice, she grabbed the guilt and wrapped herself. What happen? How can she wear nothing?

She looked Yu Ao Tian with fear eyes sight.

Since the quilt is wrapping her body, naturally, the naked body of Yu Ao Tian caught her eyes. What? Why he does not wear anything? Ha Ha Ha, hahahaha, if... this just a dream... it must be a dream.

.... "Arghhh!"

"Bao Bei, do you always being so this energetic every time you wake up in the morning?"

How can it be? Who will be shouting as if seeing ghost every morning when wake up? But the problems...

"You, you wear some clothes first!" she closed her eyes, sitting at the bed without slightest move. After that she peeks to see the situation, ensuring that Yu Ao Tian has wore his clothes, she crazily mad yelled: "Are you still human? You even dare to do such thing?"

Her eyesight looked to down side, the bead of hot tears streaming, she used her fingers to wipe her corner eyes that wet with tears. Then she realized the pain of her swollen face. "You... yesterday, did you also hit me? I didn't agree to sleep with you and then you just hit me? I want to fight you at any cost!" after she said, she made fist from her hand, she punching towards Yu Ao Tian...

Now he really is admiring the ability of this little thing to associate the situation. He quickly dodged her, smile deviously: "Bao Bei, was I really hit you?"

"You didn't hit me, but how could my face such in pain? Won't you admit it? I never thought you are such scoundrel, I just 19 years old, how could you do this to me? I hate you to death."

After he heard all the cursing and angry words that said by Yao Yao, Yu Ao Tian really does not have heart to pay attention of it, the most important... the entire night he was deathly exhausting. "Sst, Bao Bei, you should pay attention to your move, perhaps there is already have my baby inside your stomach, it will be bad if influence the Baby." after he done, he left the room without any expression in his face.

While Yao Yao who sat in bed has been dumbfounded because of shocked....

"Baby? Baby? I am only 19 years old, I don't.... I don't want to have baby! huhuhuhu...." She crying out-loud inside the room.

The time has passed for quite long, gradually her mind clear from all the confusion thoughts. "Something wrong, yesterday I met few of scoundrels in night club, but how could once I open my eyes, suddenly I have together with Yu Ao Tian? Would it..." her small hands stroking her little face.

Suddenly the memories from yesterday flowing in her mind. "Cih, that scoundrel said to strip me, but what was happen after that?"

"Yu Lao Da, did you ever told me that, as long as I able to kiss you and you got the feeling, will you really let me go?" after that matter, Yao Yao just recalled one things that was when she became wild.

"Ah~ so frustrating, how can I do such thing. Moreover, today I have wronged Yu Ao Tian. Grrrr... but I feel something is missing, if I really wronged Yu Ao Tian, how can I not wear anything and also slept together with him at one bed?" she believed the real answered only knew by Yu Ao Tian!

She tip toe opened the room's door, peeking at the living room, hurry she closed the door.

At this moment, Yu Ao Tian who is sitting in living room has realized her who silently peeking him, coldly said: "Have you calm down?"

She lower her head looked at floor, as if a little kid who caught doing wrong, she showed her innocent face: "I am sorry, Yu Lao Da. I knew you didn't hit me."

"Humph! Do you think this matter will settle only by saying sorry?"

"So what do you want?" Yao Yao pissed off stood in front the room's door: "You didn't hit me, but you undressed me, this is the fact!"

Aiyo, this little girl is not only simple wild cat. Yu Ao Tian stretching his legs, smile deviously: "To do such things, undressing is necessary and a must."

Episode 42

Do such thing? Do such thing? What were they done?

The nervous plus panicking expression looking at Yu Ao Tian, damn, she could not guess whether he just joking or he is serious. "Yu, Yu Lao Da, I knew yesterday you was the person who helped me. If there weren't you, perhaps I might being that by those rotten bastard... but, can you tell me, what was happen yesterday between you and I, did we really.... Did that?" she didn't have any memory, no memory about what happen yesterday.

"This matter." Yu Ao Tian smiled deviously, pointing at her stomach: "After one month, you will know it."

Oh my... so did it really happen or not, she will be going crazy soon. But, the only thing that she very clear is, this black-hearted man is purposely torturing her. "Yu Lao Da, where is my clothes?"

"Laundry. Later they will bring here."

"Why are my clothes being laundry?"

She just didn't know... it was covered with her vomiting. Yu Ao Tian really does not want to bring up the topic: "Because its' dirty, so that i send them to laundry."

"Oh, where is the bathroom?"

After he heard Yao Yao questions that being asked one by one, Yu Ao Tian who is never tolerant with woman, impatiently he stands up: "This is single apartment, you are standing in living room, just now you went out from bed room so the other of the room should be bathroom! Do you really have low IQ?"

Being insulted, Yao Yao really pissed off walking toward the bath room, but before she entered the bathroom, she hurried turned to have looked at him, screaming loudly: "You are the one with low IQ!"

"....."

.." He? Did he hear something that he should not hear? "Little thing, you, what did you say?" after he realized, Yu Ao Tian face changed darken, faster he rushing to the bathroom.

"Bamn!" a sound, when he arrived, Yao Yao firmly locked the bathroom's door as if even death she won't open it. But another second...

"Hah." Suddenly Yu Ao Tian who stands up in front of the door smiled.

Indeed, facing with his naughty little girl, even he really wants to angry, he not really able to anger towards her.

After he walking back to the living room, he heading to the kitchen, when he wanted to switch on the stove (electric stove), he heard the creak sound of the bathroom door being opened. Silently her head pop out to peep at him.

Yu Ao Tian impatiently frowned: "What do you want again?"

"Yu... Yu Lao Da, there is only one tooth brush in the bathroom, I... what should I use?"

"Boom" at the moment, the fire has strike to his head, the sleeping scenes from last night suddenly appeared in his mind.

Heaven knows, Yao Yao really have bad sleeping pattern, she not only sleep-talking but she also gritting her teeth, and also she likes to turned her body right and left, so that, this morning when he woke up there are big dark circle under his eyes. It not easy for him to go through until morning, but why should he keep on serving this little thing?

With faster speed he rushing to take the new tooth brush, he is angrily giving it to Yao Yao, crazily talking to himself: "Damn fucking annoying!"

Uh? When Yao Yao heard it, she flames up and provoking her: "If you dislike me that much why you bring me to your home, you damn fucking irritating!"

"Hah?" He thought that he was missed heard, this little thing seems...

was she cursed him with dirty words? He was irritating at the moment his face turned dark with dangerous aura: "If you dare you said it once again?"

"I dare, there none your business. Moreover, it was you who said it first!"

"Little thing, am I too good to you since this morning so that your guts getting bigger and bigger!"

Looking at the dangerous expression of Yu Ao Tian, finally she realized the person she offended.

"Yu...Yu Lao Da. I take a bath first. Hehehe." She stopped with dried-laugh, when she turned to the bathroom, in that time... "Huh... it scared me to death! Really is, scared me to death. Yao Yao, are you crazy, he is the person who able to kill people without blinking eyes, that person is Yu Ao Tian, what have you done?" in brief, she really cannot describe what was happen this morning with words, but somewhat... this Yu Ao Tian isn't someone she really afraid of, at least this moment.

After she took a bath, her clean clothes has prepared, after Yao Yao changed into her clothes, she stupidly sitting in dining room, in front of table, looking at the food that already prepared in table: "Yu Lao Da, are these made by you?"

"So, where do you think all this food comes from?"

"Is it really made by you?" awesome, until today she still cannot cooking, the first time she cooked was for Feng Chen Yi, but she was criticized by him, she thought that the Yakuza Boss could not be this awesome, he cooked by himself, this is too unimaginable. "Really taste good."

Little girl really is little girl, no matter what unhappy things she encounters, but still she able to forget everything very fast, he really envy her.

"Why you went and worked as employee in night club?"

"Because I am lacking of money and furthermore the payment and settlement are much easy." This is the best job that she could get for her grandpa medical fee.

"Hm." Yu Ao Tian puts down his chopsticks, one of his hand prop his chin, smiled: "How about you become my lover, the settlement of the payment also easy?"

She lifts her head up, looked at that man who half joking but also half serious, Yao Yao silent for moment: "I don't want!" she does not want to be lover, she just wants to experience a simple and

normal love, the simple marriage life. "Furthermore, you are "pet (support)" by other, how can you have money to "pet (support)" me as your lover? Cih."

"You, how can you say that I "pet (support)" by someone?" Yu Ao Tian really does not know how to express his mood, whether to laugh or cry, how can this little thing comes with this thought?

"Ah, this is so easy. You see, you lived in very small apartment, but all the stuffs that you used are branded which can cost more than hundred and thousand dollars, if all be combined, it must be more than million dollars? Even the tableware are made from Croatia crystal, this must be cost about 20,000 dollars? And also your car, that must be given by the wealthy madam."

After he heard Yao Yao explanation, Yu Ao Tian really suspicious himself whether he really the "pet" of wealthy woman or not. "Little brat, you really have sharp eyes, for girl in your age you seem to know many branded things? Especially, this tableware."

This is because she was dating that Feng Chen Yi before, when they were in Japan, his villa has various branded stuffs, no matter how rotten Feng Chen Yi as bastard, at least what he said to that Li Wen Feng was true... "Me, Feng Chen Yi, there was nothing that my Ex-girlfriend never seen before."

The reason why that Li Wen Feng took her to the boutique and pretending to buy the things with discounted price, it was not really shocked her. "I knew from television."

"Oh, that's it." with one glanced Yu Ao Tian could sense that Yao Yao is lying, but why should she lied to him, whatever he not interested to know.

Not long after that, after they finished the breakfast, Yao Yao silently comes closer to Yu Ao Tian's back when he is cleaning, nervously she asked : "Yu, Yu Lao Da, I want to ask you, yesterday kissed.... Did you feel it?"

Episode 43

If she does not stand at Yu Ao Tian's back, perhaps she would be shocked to see his deathly expression, simply to say, his face has black alike ink: "Yesterday matter, don't bring it anymore!"

"Why can't I say about it?" she curious, it not like every day she have guts to forcedly kiss a man, it was not easy for her to take an initiative to kiss him since she drunk so that her guts get bigger than normal days, of course she wanted to know the result: "Yu Lao Da, you tell me, if you feel something when I kissed you, you should fulfill your promised to let me go, isn't it?"

As for yesterday matter, he really does not want to talk about it anymore, not to mention about the kissed whether there was feeling or not, but once he thought about the half-way of kissed...

She suddenly vomited! If not because Yu Ao Tian avoid aside, perhaps she has vomiting inside his mouth, whenever he thought about it he feels so disgusting, simply to say it worst than nightmare. "I said don't ask then don't ask. We should go to work now!"

"Working?" oh yeah, today is Wednesday! "What time is it?"

"Nine o'clock."

"What, nine o'clock.... Dome!"

"Why are you such rushing, it hasn't working time." Yu Ao Tian is leisurely tidy up his clothes.

Yao Yao almost panicking to crazy: "You guys in PR department working time is ten o'clock, but me who work in service department, I work at eight o'clock, this time I really dome! I go first."

"Wait. You go with me, I ensure nothing will happen to you."

"Ah, forget it. Last time you said I won't be fired but at last, I also fired. If not because General Manager Long, perhaps I have fired!" but now, to bring up this topic...

"General Manager Long is your best friend, does because of you, and then General Manager Long help me to secure this job?"

When Yu Ao Tian done with all his stuffs, he opened the main door, exposure his evil smile: "Whose knows, come on. I drive you to office. Hurry up."

"Ao Tian." When the door is opened, she saw four people have stood in front the door. Others than Long Qi and Long Ye, there still two others people, a pair of woman and man who always go working together with Yu Ao Tian.

Do all of them live together?

Four of them looked each others, the atmosphere turned be uncomfortable. Especially Han Li Shang and Mo Xue Tong who are directly looked at Yao Yao.

"Ao Tian, why are you bringing her here?" Han Li Shang coldly asked, he swept glanced to Yao Yao who stare blankly.

As information, Yu Ao Tian have houses that even the tens fingers cannot count it, but the only this one is belong to five of them, no other people except five of them that ever stepped feet inside this house. Han Li Shang and Mo Xue Tong are not understood Yu Ao Tian's act represent what, but one thing that both of them know, they hates stranger stepped in their "territory"!

"Let's go to work, later we will talk about it." hurried they leave the house that live by these five persons, Yao Yao sits in Yu Ao Tian's car.

At the moment they arrived in front of the main door of Berson group, Yao Yao got down from the ride first and followed by Long Qi entered the office. But when she walked few steps, suddenly she stopped.

"Flat chest, hurried up!"

"No, we are coming together like this, it is not too good, it better you go first, wait, I go up first!"

After Long Qi heard, he is laughing so loud: "HAHAHAHa, you rest assured, those people know my status. I just afraid they might think us as father and daughter."

"What do you mean by this? Even the idiot knows very well that we are at same age? Why don't you say that I am your mother then?"

"Ye? You flat chest really have sharp tongue, but..." he is enduring! He endured.

"Come, get into the elevator." He smiled sweetly asking Yao Yao to get inside the elevator.

She has bad premonition with Long Qi who showed such sweet smile. "You... do you plan something bad to me?"

"How can I dare? Am I that kind of person?"

How could not him that kind of person? Being suspicious for the entire time until she arrived at 40th floor which is the service department. She thought that Long Qi might goes up stair to 42th floor but he just followed her at 40th floor. "You do not need to escort me. Hurry up go to your office."

"Geezz, who is escorting you, flat chest. You really are over-confident of yourself."

"So why are you..

."

"Yao Yao, finally you come, have you received the information? Manager Zhang has been rotate to sanitation department as cleaning service staff, while our new manager is..." Bai Ling just done with half of her sentences, she finally realized Long Qi is the person who stands beside Yao Yao: "Ah? Manager Long."

"Bai Ling, you continue ah, who is our new manager?"

Bai Ling furrowed her brow, pulled Yao Yao closer to her, whispered: "He is the one who stands beside you, Manager Long."

"Luo Yao Yao, you just newbie but have already late for two hours. Moreover this morning you even dared to talk back to your department manager, aiya, you say, how should I punish you?" inside the manager room, Long Qi sat at his chair while he puts his feet in table, he laughed with evil intention toward Yao Yao who stands right in front of him.

No wonder when just now Yao Yao said Long Qi, that person not even angry, so that the reason. She really can't understand how the top management way of thinking to put such evil person like him to this service department as manager? "I am so sorry, Manager Long."

"Sorry? Do you think this just settle with a single word of sorry?" Long Qi moved forward to in front of her, his finger poke her head: "I kind-hearted to piggy back you, but you throwing up all over my body, you make me become the laughing stock, do you think only by single word of sorry you can heal my trauma?"

"Uh... you piggy back me? I was throwing up all over your body?"

"That's right, it was yesterday night!"

Yesterday night... "Was you the person who helped me?"

Long Qi thought carefully: "So that Yu Ao Tian didn't tell you, both of us were helped you."

So that's how the things, could it be... "So, what was happen after that? After both of you helped me?"

"And then? And then I sent you to Ao Tian.

" After he said, suddenly Long Qi looked excited, smiled: "Oh yeah, did you and Yu Ao Tian doing that... that, yesterday?"

This is her purpose to ask Long Qi! "I, I didn't have any memory about it. That... according to your understanding about Yu Ao Tian, his character, would he doing that to the drunk little girl?"

Of course he won't, not to mention the drunk woman, even the woman who is not willing to do, he never forced them. But... Long Qi does not want to tell her! "Of course. No matter who the person as long as they trapped in Yu Ao Tian's hand, there is no woman able to escape, moreover, 100% he never missed, there are countless women who pregnant because of him. Perhaps, currently you have already had his baby." Long Qi said with cheerful tone.

But Yao Yao face is white pale, did she really do that with Yu Ao Tian? Rotten bastard, how could he do this to her! After all it still her fault, who asked her to drink so that being *** by others people, this is her retribution! Karma! She asked for it!

"But to be honest, flat chest, if being touched by hand perhaps not that flat as seen. Are you using the chest pad?"

After she gained herself, she realized that Long Qi has poked her chest, she frowned: "scoundrel!" she lift her hand up and give him a fresh five fingers stamp (slap)....

Episode 44

Finally Saturday comes, Yao Yao woke up at afternoon, she opened her eyes, stretching her waist, she randomly grabbed one of her dress and wore it.

"Pat" an invitation card fall down to the floor: "This..." she took a look: "This is Xia Ru's birthday invitation card." The time is 6 tonight. Today I don't need to go for work, while the night club still having the break time, but shall I come?

"But there is possibility that Gong Xiao Man will come from Japan, don't you want to meet your best friend?"

Xiao Man, Xiao Man...ah whatsoever, I should go to hospital to take care of grandpa.

"My treasure baby Yao Yao, it is not easy for you to get one day off, why don't you stay at home and having a rest? I heard from your mom, this week you was going home late, actually what is your job?"

Grand Pa Luo is lying at patient bed asked his precious granddaughter. These days her grandpa not really well, even his condition is stabilized.

"Grandpa, our company staffs have been working overtime lately, so that we also worked until late of night."

"Work overtime? Although it was work overtime but why it late till 2 am? Every day you go at seven in the morning, it must be tiring you to death?"

"Grandpa, it okay, every one also did the same thing. None of them complaining being tired, so how could I feel tired?" Yao Yao didn't tell her family about her second job. Based on her grandpa temperamental, even he beat till death he won't ever let her to work in such place like night club.

"You little smart girl, grandpa never won over you, it is the time for you go home and rest, go."

"Aiya, grandpa, if I stay at home I will be bored to death, it still better if I stay here, is it okay?" Yao Yao pouted her little mouth to showed her protest, for this entire week, only her mom who taking care her grandpa, so she knows that her mom really is exhausting, so that not easy for her to get one day off in Saturday, of course she will help to decreased her mom burden.

"Let her be, Dad, just let Yao Yao stayed. You are know, she just back from Japan, she must be missed us lot so that she hope to stay longer with us."

"That's right. Just like mom said."

"Well, just in time, you better tell your grandpa everything happen during your staying in Japan."

Things that happen when stayed in Japan? Others than her good memories with Feng Chen Yi, the rest was about she almost being "that" by Big Boss Yu, and also about her friendship with Gong Xiao Man, others than that, she didn't have anything that worth to tell. But, the mature Yao Yao still makeup the beautiful and memorable story for her grandpa.

Time flies, it has been afternoon, the hospital is asking the family member to leave.

"Yao Yao, if you still have things to do, you go. I can go home by myself."

"Nothing mom, I want to go home with you."

"Haha, you still say nothing? Mom has seen the invitation card, go, my precious daughter, go to have fun. You are already growing up, don't always stick with mom."

"Mom, I loved to stick with you."

"

Facing this mature and considerate daughter, Mother Luo helplessly shook her head: "You have grow up this big but still loves to act like kid. Later on when you have a boyfriend, will you still stick with mom?"

"Humph, if that so, I won't find any boyfriend."

"Nonsense! If you not find any boyfriend, are you thinking to stay forever with mom? Yao Yao, I am your mother, your consideration, mom knows it. Mom also knows how mature you are, but still...forget it, I don't want to talk about it. Hurry up go." Mother Luo took long breath.

Yao Yao understands very well what her mom wanted to say, but there is a wound that both of this mother and daughter never wanted to talk about. "En, Mom, I take my leave."

"Wait, bring this with you." after said, Mother Luo took out something from her bag, it is one of beautiful cross-stitch.

"Mom, this is?"

"It is your friend birthday party, you can't go with empty hand. Mom knows that in order to save money you won't buy any expensive present, but we cannot lack in manner, just to let other party to understand our sincerity, so that, you give this to your friend."

"Mom...thank you." when she received that present from her mom, Yao Yao eyes reddened.

These past years, when she was in Japan, her mom was depending on this cross-stitch, handmade craft to support the family, since grandpa sick, her mom always go home late at night, working. During the day time, she will go to hospital to take care grandpa.

Her mom burden, she knows very well, or else, she won't take the job working in night club as second job."

Then, her mom even worried about the present, this cross stitch handmade at least need three days and nights to finish, her mom really loves Yao Yao so much.

Uh!

That stone in her heart feel heavier now, she really doesn't know what to do in order to decrease her mom burden. She wants to grow up faster, faster... grow up...little bit, on this way, she could use all her entire life to take good care of her mom...

When she arrived at the address which stated in the invitation card, it located in Xiu Shan waterfall three storey villa. Inside there are many lights shining brightly, lighting the courtyard while the music keep on playing.

"Xia Ru, happy birthday, this is your present." Everyone is gathered in the courtyard for the party, Yao Yao has searched Xia Ru for the moment, finally she found her.

"Luo Yao Yao?" Everyone who is surrounded Xia Ru whether men or women are looking at Yao Yao. "Xia Ru, how can you invite her to come here?"

"I met her inside elevator, so that I just gave her the invitation card."

"Oh, you met her in elevator, which elevator?" All the people seem to be curious.

"I met her in Berson group's elevator."

"Hah? Yao Yao, are you working in Berson? What is your job?" there was someone asked after they heard from Xia Ru, immediately they changed the way they are speaking with her.

Should be noted, Berson Group isn't common big company, even those with "wealth" background is not guarantee to enter that place, they only use and employed those who are really have skill.

"I work as elevator lady in Berson."

"WHAT? As elevator lady? OH, My God, how can you take that low job." One of the guests showed disgusting expression.

Facing this kind of person, she has used to, they were acting this way too during the school time. She lower her head, she intended to keep the present that she prepared for Xia Ru, but when she silently wanted to leave. Just this time...

"Yao Yao, is this your present for me? What it is."

"This is the cross stitch handmade craft that made by my mother, I hope you like it." when she said it was present that made by her mom, she happily to hand over it to Xia Ru.

Everyone who is surrounded them looked so excited with Yao Yao's present, all of them really want to know what kind of present Yao Yao gave to Xia Ru?

That cross-stitch really wide-open their eyes when the present unwrapped... "Oh, My GOD... cross-stitch? Is it the little kid thingy?"

"Oh My? There still a person who give such thing as birthday present these days?"

"Yeah, it is not even worthwhile to keep as rug to wipe table, Xia Ru, hurry throw it."

Episode 45

"Aiya, this is Yao Yao sincerity, thank you, Yao Yao." After Xia Ru said, her face turned cold, she on purpose tossed aside that cross stitch that made by Yao Yao's mom in one of the table. "I still need to greet other guests, you play by yourself, Yao Yao. You eat whatever you want, just doesn't be shy."

With her dim eyesight she glanced at that exquisite cross stitch which has stained, slowly she walked to pick up that cross stitch, suddenly she felt her heart in pain.

Indeed, this cross stitch not worth much money, but it is filled with her mom sincerity, so what with the branded stuff? So what with the luxurious stuffs? As for her, there is nothing worth than her mom handmade stuff to be replaced.

Confronting all these chaebol (Rich generation) kids, she has used to but she never blamed them about their characters, after all, they are living in different world, and then...

She can't forgive them! She could not forgive her for not appreciating the thing that her mom made!
"Xia Ru! You stay still!"

"What's matter, Yao Yao?"

She moved, rushing in front of Xia Ru, she pissed off, picking up that cross stitch: "Even the present not expensive, but it was made by mom with sincerity, if you not really like it, why was you tossed aside like that?"

"Yao Yao, you are thinking too much. I don't say that I dislike it. But... it just really not suitable to put inside my house."

"That's right Yao Yao, it's okay if you poor, but how can you give such disgusting stuff? You see those presents that Xia Ru received, all of them are more than thousand dollars, how can you dare to give such stuff to her?"

"There is no way, who asked her to break with young master Feng? At last she was dumped by him and now she even worked as elevator lady. I remembered during that time, everything that she wore, all were the best in our school, but now you guys see, hahahahaha." That taunting voices, the sneering, one comes by one.

She knew, she understood, today birthday party she is afraid Gong Xiao Man won't be attended, she was stupidly being fool by Xia Ru to come, so everyone can taunt her. "Let me tell you guys, those days the dresses which I wore just similar with today I wore!"

That's right, she is not lying, Feng Chen Yi has bought her many things, but she seldom to wear them, she liked to wear her dresses that bought in supermarket which cost less than ten dollars, but because of that, everyone made it as trend, they kept on asking her what kind of brand she used. But now, after she broke with Feng Chen Yi, everything that she wears seem be trash? This is really laughable.

"Enough, Luo Yao Yao, you don't need to explain. Actually you are really wanted to reconcile with Feng Chen Yi? It's fine, last few days ago I have met Young master Feng, or shall I call him immediately, asking him whether he wants to reconcile or not?" Said one of the woman in that group, bring out her phone.

She really could not understand why everyone is weighted money and wealth more, while the poor always in bottom?

Since two years ago when she broke with Feng Chen Yi, she clearly knew very well that Feng Chen Yi was asked by his dad to back to China in order to help in their family business, but the rumor that spreading in her school was she deathly forcing herself to reconcile with Feng Chen Yi, so that in order to avoid her, he backed to China.

It seems in their eyes, she is someone who cannot live without Feng Chen Yi or else she might die. "It does not need to trouble you call for Feng Chen Yi, I already have new boyfriend!"

"Hah? Impossible? Yao Yao, I never heard you say about it? What's your new boyfriend job? Is he security?" Xia Ru who silent for this time suddenly opened her mouth with sharp question: "This won't do ah! Yao Yao, your Ex-boyfriend was the second Young Master of Feng group, how can you find a security to be your current boyfriend? You really have bad taste."

"Hahahahaha."

"My beloved Yao Yao, don't tell me if he is your fiancÃ©, in this way I might feel your taste has degraded, even this kind of man you want."

"Don't tell me that your fiancÃ© does not want you anymore? But it's okay, Yao Yao, no matter what you are my Ex-girl friend, I will always welcome you".

Being laughed by all the people, suddenly Yao Yao recalled her meeting with Feng Chen Yi, she can't deny, her Ex-boyfriend indeed someone extraordinary, but he also that rotten man who likes to toy with woman feeling, no matter how extraordinary he is, he is still trash and then, if she really dating with the security officer, so what? If that man really can treat her whole-hearted, even he does not have money and then so what? At least in her eyes, that man is more valuable compare to money. But...

Yao Yao understands, in front of these people, this group of rich generation, they won't never understand because they are weighted money more, weighted status more, wealth, having all of these are best for them!

"He, Feng Chen Yi no matter his status as the second young master from Feng group as high his position only the general manager. But my current boyfriend is CEO! CEO!" every time when people bring up the topic about Feng Chen Yi, she never calmed down, even for this time, after she said, she paused for moment and felt regret. But she has said already, she couldn't cancel it.

"C...EO..." suddenly all people laughing at her, sneered toward her, everyone looked at her and she looked at them.

Xia Ru who stood in the middle rolled her eyes: "Which CEO? Does the start up entrepreneur, the person who sell fish also can call as Boss, at least you must be mentioned the name? Perhaps I know the person, but if the CEO who sells fish I definitely don't know."

"That's true! I almost deceived by you. To think carefully, how can you work as elevator lady when your boyfriend is CEO? Luo Yao Yao, you don't need to pretend anymore, hurry to make phone call for Feng Chen Yi, begging him to reconcile with you."

Tell lie one time then the next need cover with another lies, since she has walked to this path which no turning back, it better...

keep on continuing walk in this path! "My boyfriend is Berson Group CEO!"

"Berson... Group...CEO?" at the moment, all the noise in the party gone, everyone showed white pale face expression, if she really Berson Group CEO girl friend, nine from ten persons in this party should kneel down to her, begging for her forgiveness, because it is important for their parent business who haven't have chance to partnership with Berson Group?

"Are you really serious that your boyfriend is Berson Group CEO?" Xia Ru narrowed her eyes.

"That's right! He is! I still have thing to do, I take my leave." At the moment she turned her body, Yao Yao really wants to cry, she just came back to China other than Feng Group she just know Berson Group, so that...

Calm and collected! Unperturbed! During in this atmosphere should stay strong, let make the lie to be seen as if it is truth, even those people found out she is lied.

"Stay still!" Xia Ru suddenly shouted at her. "Yao Yao, since your boyfriend is Berson Group CEO, how can you not come with him today?"

"Oh yeah... during this time, why didn't he come to accompany her?"

"It because... he is low-profile! Didn't all of you know that I just come back from Japan, so that most of you not really know about Berson Group CEO compare to me who join Berson Group, he seldom takes picture, he even does not really care simple matters in the company, most of the matter are giving to General manager Long Ye to do. So that, similar with this, of course he will not appear.".

Episode 46

"Xia Ru, Luo Yao Yao is right, there was one time when my father having business with Berson Group but that time it was General Manager Long Ye who dealed with the business."

Fiuh... it good that Bai Ling ever said about this matter with her, luckily she knows long Ye this name, or else she might look fool.

"Humph? This, aiya, there is a good saying about nothing curious coincidence. Yao Yao, did you not hear from your boyfriend, today he is... here talking business with my father. Just inside the villa! Come, I lead the way for all of you to greet him!"

Oh no, is it true? How can be so coincidence? Dome! Yao Yao, you should not have to lie, see this your end? It's dome! Once the lie being exposed, you might never able to raise your head up in front of Xia Ru. "Wait...Wait, I don't want to interrupt his work."

"Hah, it's okay, I just tell that I look for my father." Xia Ru brought some people with her, forcing to bring along Yao Yao to go inside the villa: "Aiya, Yao Yao, why are you trembling? Don't say... that you are afraid?"

All of the people looked at Yao Yao expression which as white as paper: "That's true, you looked sick? Don't say... damn! Luo Yao Yao, just as Xia Ru said, I almost deceived by you too."

"It's truth, how can you do such things? Bragging yourself, at least you should find someone that status reasonable. Now, more I think about it more impossible it is. The CEO of Berson group at least he is 27 or 28, how can he likes little brat like you?"

"That's right, Berson Group CEO is not lacking of women, cih, I almost believe on you."

"Aiya, you guys don't act like this, perhaps the Berson Group CEO really likes our Yao Yao, this types of cute girl? Is it? Yao Yao." Xia Ru acted as good person, but sneered in front of Yao Yao.

Seeing how this few people taunting her, she feels little bit guilty and then she keeps silent, because at that moment she really cannot fight back.

"Yao Yao, better you tell us honestly, your boyfriend is not the CEO of Berson Group, if not, rest assured, we won't laugh at you."

"I..

"Ru Ru! What are you doing at downstairs? How could there are lot of noise, you have disturb me and my client to talk about business." There is someone from second floor who suddenly cut Yao Yao words.

"Will Berson Group CEO come down with uncle Xia?"

"Aiya, perhaps not, just as rumor said, Berson Group CEO is someone extremely handsome, I really want to see him."

"Come, we also go there." Everyone chase after Xia Ru who is heading to second floor, leaving Yao Yao alone in the living room.

Is this the time to escape? This must be perfect time, but even she run, so what? She is still being laughed by them? Uh, lies still lies, the Cinderella will turn back to her ordinary self at 12 o'clock but she weren't Cinderella.

"Dad, this is..." Xia Ru has arrived at second floor, she looked by herself the person who sit beside her father, suddenly her eyes shone brightly.

"HeHe, Ru Ru, this is Berson Group CEO, Yu Ao Tian beside him is vice CEO, Han Li Shang. And this is..."

"I know, he is Long Qi." That time when she went to Berson, she came to meet Long Qi : "Long Qi, didn't you say that you can't come to my birthday party? Aren't you thinking to give me surprised?"

"Indeed, I don't have time, today I come to accompany CEO Yu."

"Uh." Xia Ru unhappy pouted her mouth, she lift up her head looked at Yu Ao Tian, politely smiled: "CEO Yu."

"That's right, CEO Yu. Today is my 20th birthday, if you are joining, this will be the most memorable 20th year birthday."

"Miss Xia Ru, happy birthday. But I am sorry, I still have thing to do." Yu Ao Tian coldly said, elegantly he shakes hand with Xia Ru's father: "Mr. Xia, your proposal, I will consider about it. I take my leave."

"Woah. Have you guys heard? He has very nice voice. I even can't reject to enjoy the pleasure by only listened to his voice."

"Stopped enjoying, there still urgent matter to solve." One of her friend has rushed to Xia Ru beside, she pointed down stare: "Xia Ru, hurry up asked that question! Asked!"

"Ugh?" Xia Ru react faster, she rolled her eyes: "Wait! CEO Yu, your girl friend is here, in downstairs, do you want to meet her?"

"My girlfriend?" Yu Ao Tian stopped for moment, he frowned, then he looked at Long Qi and Han Li Shang, they are really curious, whom... girl friend is?

"Aiya, is it real? Ru Ru, you know CEO Yu's girlfriend? Then you must welcome and take good care of her." Xia Ru's father is trying to butter with Yu Ao Tian hurried reminding his daughter.

"Dad, you see CEO Yu expression, at one glanced I have knew that my classmate was lying." Xia Ru purposely took long breath: "CEO Yu, please don't feel bad, my classmate that person really likes to look for connection, she even dares to lie. Now, the person is in first floor, please you take a glance, as long as you said she isn't your girl friend, the rest I will settle it.

"

Who is Yu Ao Tian? At one glance he has known the evil thought of this girl who standing in front of him, but he really does not want to play with this little girl, moreover to make used by her!

"I am sorry, I don't have time." He coldy said, and then he faster his step to go down stairs.

Hurried Xia Ru is signaling her friend to move faster step to first floor, stopped Yao Yao and bring her to the corridor. "Luo Yao Yao, this time you dead meat. We want to see how tragic your death!"

When Yu Ao Tian is getting closer, that person is showed her excited expression, but Yao Yao who stopped looked alike rock, she unable to sit or stands still, her head keep lowering.

"CEO Yu, that is her! that is the person who said you are her boyfriend."

CEO Yu? How coincident? Or still?

"Faster, lift your head up. Your boyfriend is here." said one of the persons from that group who laughed with bad intention, Yao Yao forced herself to lift her head up.

At the moment, the familiar silhouette is caught by her eyes which make her face even paler, Yu... Yu... Yu Ao Tian? How... he is Berson Group CEO?.

Episode 47

All people looked at one same direction, Yu Ao Tian almost burst out laughing, he really never thought that person who pretended to be his girlfriend actually is this little thing. His black eyes rolled, he smile devilish and said: "Bao Bei, how can you be here?"

"Hah? Did I ever say it?"

"But your expression was...."

"HaHa, I just feel little bit strange, how can my, Yu Ao Tian's girl friend come to this kind of.....party!" that good looking face suddenly emitting dangerous aura. His evil aura really frightened all the people at there. Their legs are trembling continuously.

He slowly walking closer to Yao Yao in front, he took a short glance to look at her: "Bao Bei, you really are, how can you wear this kind of dress to this place, but you are also not wrong, this kind of low-grade party, you do not need to have any special makeup." A pair of Yao Yao's hand is clenched her cross stitch: "This is?"

"My mom made it." Yao Yao lower her head, automatically she answered.

"Oh? Does this is one of my favorite thing? Hm, how could be so dirty?" When Yu Ao Tian said that last sentence, suddenly pairs of eyes looked at Xia Ru direction which almost made that girl kneeling in the floor.

"Yu... Yu... CEO Yu, I am sorry, that was my fault to dirty it. I don't know if that "treasure" is one of your favorite things, so that I carelessly... actually I like that cross stitch. Is it, Yao Yao?" Xia Ru walked faster to Yao Yao's side, seeing her with begging eyes sight, whispered: "I beg you, Yao Yao, help me to say few good words, I know that was my fault, begging you, help me to say few good words?"

Hah... who should she help to put good words? It so clearly that she is the person who telling lie, a lie that she said in right moment.

"Pardon me, I feel unwell so I take my leave first." After she said, Yao Yao turned her back and run, leaving that place.

"Hey, flat... Luo Yao Yao!"

"Long Qi, faster chase her!" Yu Ao Tian glanced at Long Qi.

He suddenly remember something, when he just started running to catch up with Yao Yao, he said: "Oh Yeah, Xia Ru, later in the future... don't come to find me!" after he said, his expression changed darken, glaring at Xia Ru and then he disappeared from Xia's house.

"Mr. Xia, regarding to the proposal..."

"CEO Yu, I am sorry, it was my fault, it me who not mature enough, it me."

He raised his hand, it stopped whatever they said. Yu Ao Tian smiled, coldly said: "Mr. Xia, before you get contact with my Berson Group, you should know that what kind of person I am, Yu Ao Tian, I dislike people to cut my word. Well, today just end like this. I take my leave." After he said, he and Han Li Shang left.

Xia Ru's father can only see his big business leaving him far away, he even not dared to ask for forgiveness or begging for further, because... he understands Yu Ao Tian's character that never took back whatever he said, he just afraid more he beg more he lost!

"Flat Chest! You fuck damn! Stop!" Long Qi yelling.

Suddenly Yao Yao stopped and turned: "Why are you yelling? I don't say that I won't stop!"

"Uh..

"Xia Ru is my classmate."

"Impossible, is she really your classmate? But both of you if compared..." his expression kind strange.

Yao Yao cover her chest area: "Why are you looking at me that way?"

"Hey, Flat chest, it not I want to say, but the different between you two are too much."

Damn Long Qi, what he means. Yao Yao glared at him: "Any problem? If not I take my leave."

"Don't be so fierce, I know your mood not really good, come, kissed me, how about give me one sweet smile?"

"....." To be honest, Yao Yao really in super bad mood, but after she heard what Long Qi said, she said: "You, you are sick." Finally she smiled.

"Tick" "Tick" not far from them, the headlamp of car lighted both of them. Long Qi took a looked, he saw Yu Ao Tian's car is slowly closer to them.

Yao Yao intended to leave, but being stopped by Long Qi: "Ao Tian is coming, why are you leaving?"

Just now she has done such shameful things, how could she look at Yu Ao Tian? That time she was pretending as his little sister and now she pretending as his girl friend, really shame to death. "You let me go. Long Qi."

When she is nagging, suddenly Yu Ao Tian's car has stopped beside them: "Get into car!"

Han Shang Li who sits at the passenger seat get out from the car. But Yao Yao still stands there not moving.

"Long Qi! Force her to get into car."

"Oh."

"Wait! I get to car by myself!" after she said, Yao Yao expressionless sitting at the passenger seat. The sport car "vromm" one time suddenly disappeared from the silent night.

Does not know how time pass, finally Yao Yao who kept silent for this time spoke: "You, why are you lying to me?"

"I lied to you? Hah, Bao Bei, you say, which part I lied to you?"

Still pretending! "Why you never told me if you are the CEO of Berson Group? You even pretending as PR department staff who is being pet?"

"Have you ever asked me? The most important point, you are the person who thought that I am working as PR staff?"

Seeing Yu Ao Tian lift up his lips with his devious smile, Yao Yao understood, she would never won over him because he never told her that he works as PR staff, all was her guessing!

"Fine, whatever, I don't care."

"You don't care? But... I care!" Zi, the sound, the car stopped at one side of street, Yu Ao Tian grabbed her neck fiercely.

Without any preparation, she faces to face with Yu Ao Tian, sitting in his lap: "You, what do you want to do?"

"Two years ago you took me as Host, two years later you take me as PR staff that pet by wealthy woman, You guess, how I punish you?" his slender fingers slowly moves and touch her skin.

An intolerable ticklish feeling, suddenly she moves her waist: "Sorry, I am sorry, Yu Lao Da, but really you have that looking as someone....eat..."

"What?"

Looking at pair of Yu Ao Tian eyes, she really wants to give herself two slaps to her face, she really bad in saying thing. "I am sorry."

"Little Thing, you really become brazen each day."

Episode 48

So again, Yao Yao gets her punishment from Yu Ao Tian. It isn't the first time Yao Yao molested, harass or even being violated by Yu Ao Tian. So this time, again she got that kind of punishment.

Yu Ao Tian simply to say is beast, the King of beast. He even dared to violate Yao Yao inside the car in the crowded street where people passing by.

Yao Yao begging him to stop just as usually she does, begging with moisten puppy eyes, begging for his mercy but he is Yu Ao Tian, person who infamous with his rudeness and who can stop him when he has decided to start.

After crying and begging for while

, she backs to usual self, be strong, she wiped dry her tears and stop to "resist". Just in this time, Yu Ao Tian stopped to tease her, he sees the cross stitch: "Hm, this cross stitch is really beautiful, your mom made it?"

Yao Yao who has almost stopped crying suddenly cried louder which confused expression Yu Ao Tian who thought after he praising her mom, she might feel little bit comfort with his words but who knows Yao Yao even sadden than before.

"You don't know anything! Give it back to me!" She said while crying.

"Why are you crying again?" Yu Ao Tian asked, he furrowed his brow, just cannot understand the way of this little girl thoughts.

"What do you know?" she angrily snatched back the cross stitch from him, continued: "This is made by my mom which spent much time to make it but people like Xia Ru treated this like trash, but again when you said that you like it, suddenly people like her changed. I just not understand, what kind of people they are?"

When she said this to Yu Ao Tian she recalled her old memory about Feng Chen Yi.

"Feng Chen Yi, they said you are rich. Is it true?"

"You see, am I really looked alike they said? They just talked nonsense."

Again when finally she knew the truth she ever asked Feng Chen Yi why he lied to her. He gave her very simple answered that was, "I just want to get closer to you."

Actually she never thought that status and money would make distance for people, but after she knew Feng Chen Yi later, she learnt that others than expensive things, world stance (status), the system of value, all are trash. It was not money or wealth that separated her and Feng Chen Yi just after she broke with him everyone turned their back...

Perhaps after she experienced this, hearing how Yu Ao Tian talked with those people, she felt so disgusting with them. Suddenly she feels everything just like a joke for her.

Episode 49

"Why were you saying that you are Berson Group CEO's girl friend?" Yu Ao Tian asked.

"That because...." Because they brought up about Feng Chen Yi! She knew that lying isn't good moreover boasting, but when they brought up, talking about Feng Chen Yi, she really angry. Whatever, there is no used to say this anymore, Yu Ao Tian would never understand. Perhaps, in his heart he might think her as similar as to those people. "After all nothing is more important other than money and status?"

"You are right, money and status are important. Bao Bei, do you know why I came back to China and acquired Berson Group?"

This... "Why? Don't tell me it because money and status? Aren't you already has status in Japan as the underworld emperor?"

"No, I am indeed aiming money and status. I need much money, the higher position. The Yakuza big boss is not more than short-lived status, but the businessman is everlasting, longer than. Of course... the one I aiming is political and government circles!"

The Yakuza big boss is short-lived? Indeed true, no matter how awesome the Yakuza big boss, actually they need more money to support them, while the businessman can be more relax by "buy" this Yakuza.

And how about the politics and government? Of course they can "eat up" the yakuza and also toying with businessman, it can be said that the most powerful people in this world are those who in politics and government circles.

She never thought that Yu Ao Tian is someone with long vision, if this to exchange with anybody, there won't be person who want to leave two years ago success as Yakuza big boss and choosing to enter new world? But he did it!

Everyone said, to give up on something to get another thing, Yu Ao Tian gave up his position as Yakuza big boss in Japan in order to get the world in China.

It seems the rumors are right, he is not only vicious and merciless person but he also someone who has brain, very smart person. He is able to see very clearly the opportunities in front of him.

At this time, seeing through Yu Ao Tian's eyes, she could see his ambition, she feels as if seeing the ancient Emperor who was able to commanding thousands deportment, strangely, she admiring this scary man in front of her and also understandable that he really someone talented.

Just like just now when they were at Xia's household, looking at him who was not panic or surprised as if seeing her as his real girlfriend. Included the way of his speaking as if the wind piercing into Xia Ru, as well with the way he evaluating the cross stitches, everyone could see his strong insight. When will she be able become a person like him, who able to have strong insight and also big ambition?

"Even you did that to me (refer to his "violation"). But again, I really thank you because you didn't expose me."

"Yao Yao." Yu Ao Tian turned his head, looked into her direction, his eyes looked her so seriously: "How about to consider what I told you that time in my home?"

That thing that he asked her?

"How about you consider to be...my lover."

I don't want! I don't want! I don't want!

"Remember, the successful men like someone like me who has inner beauty, lady.

Not like you, little slut vixen. You groom not bad so that you have ability to seduce men, but at last... you only can be lover!"

Ha, seems that what manager Zhang told her come to reality, her ending perhaps really become...
"Perhaps long time ago I thought money and status aren't important. But after today, those people wake me up, I understood. But...no matter how I thirst for money and status, I still don't want to be other people lover." After she said, she opened the car's door.

Seeing Yu Ao Tian expression...

"Humph? Interesting, I really want to "dirty" you!" after he said, his pair of eyes showed devilish gleam...

**

"Mom, this afternoon I will go visit grandpa, you go first."

"It's okay Yao Yao, it not easy for you to have one off day, you better go tomorrow."

"Mom, you not need to worry, let me sleep for while.

"

"Well."

After she sees her mom leaving, Yao Yao "secretly goes out" changed her dress and running to down stairs.

"Little girl, what do you want to buy?"

The pharmacies who wear uniform come towards her, Yao Yao pointed at the pregnancy section, whispered: "can you give me... pregnancy test."

"What?"

"That... test... pregnancy test!"

After she paid, Yao Yao could feel her face flustered, that damn Yu Ao Tian, if she really "have", she will bring him to jump into sea and together meet the death God.

Every month she always "in time" but this time Yao Yao has been already late for three days, she just thought would she really... after that.

Carefully she went out from the pharmacy, just walking two steps, she sensed there a man who looks so suspicious, is he a thief?

At this time, one expensive splendid car slowly comes closer, but that middle age man suddenly jump in front of the car and shouted: "Aiyo!"

The car hurried stopped, the driver hurried up get down from the car: "Mr, are you okay?"

"Aiyo, Aiyo, it hurt me to death, my hand seems to be broken." That middle age man keeps on shouting, while sitting in the street, he moving his hand.

No need to mention, this is scamming! She clearly saw that man jumped in front of the car, angrily she rushed into in front, but when she gets closer, suddenly she read the car plate number...

1024? This is... Feng Chen Yi birth day?

Seeing the car, she able to see the man who sit inside the car, not mistaken, the person is Feng Chen Yi. Her pair of moisten eyes rolled, she smiled devious and walking toward that man side...

"Lisa, give him money, make him leave."

"Yes, General Manager Feng."

Inside the car Feng Chen Yi coldly giving money to his secretary, but when he looked outside the window, he spotted Yao Yao figure: "Wait, Lisa, think how to expose that person lie. Said to him he won't get any single penny!"

"Ah?" Lisa paused, even she knows that person might scammer, but Feng Chen Yi never wanted to spend time to play with this kind of people but why today? "I understood how to settle."

Lisa faster gets down from the car, she walked in front of the man: "Mr, let we go to hospital."

"Hospital? I don't have time to hospital! I still need to pick up my wife and kid."

"Well, there is no way, I should leave." Lisa stubbornly said.

At this moment, Yao Yao walked one step to in front: "Not going to hospital? This is hit and run, a crime."

"En? You?" Lisa felt she is so familiar with this little girl, but she just forget where she saw her. "What do you mean?"

"HaHa, simple, seeing your car is going against one way traffic regulation. According to (the traffic law) article 59 and article 145, if the car against one way traffic regulation and not to stop it could deducted

to 12 points which penalty to revoked the driver's license and also get detention for three days. If you escape then your detention could be more than three days!".

Episode 50

After heard what Yao Yao said, the driver suddenly turned white pale: "Miss Lisa, what should we do?"

"It's okay, Lao Zhang, how much your lost, our General Manager Feng will double to pay you. Drive the car!"

"But, Miss Lisa?"

"Lao Zhang, I asked you to drive the car!" Lisa attitude is so firmed.

At this moment, Yao Yao as outsider helplessly shook his shoulder: "You Go, Go lah. Seeing there is car incident but does not make report is considering as offended to law, to incite from the car incident is a crime, it's okay whether you believe or not and also that important man who sitting inside the car also worth to mention, perhaps all of you can be detained."

"You!" Very obvious that Lisa could not win over Yao Yao.

The man who sit inside the car simply laughing: "I just know that you little stupid will go against me! but, this is part of you that attracting me most." He opened the door...

"General Manager Feng." Lisa hurried bow.

All the people that surrounded the place, paused for moment: "That man... he really good looking. He looked alike... the... second young master of Feng group?"

"It seems so?"

"This Miss, I really agreed with your point a view." Feng Chen Yi smiles, walking in front of Yao Yao, and then he frowned: "But, I remembered there was someone ever told me that something like law cannot be toyed in this way, it is the weapon for justice."

"Uh..." Yao Yao who thinks above wind suddenly paused, this words was said by her to Feng Chen Yi.

Damn rotten bastard he hit her weakness. She makes fist with her hands, lower her head and walking to that middle age man who sitting on the ground: "Mr, it better you leave."

"Hah?"

"What happen? Which party did this little girl help?" all the people who are seeing the incident gradually questioned, just now that little girl seems above wind? But how at sudden...

"You, what are you talking?"

"Mr, there is something that I don't want to say so obvious, I advising you hurry to leave better."

"So, how about my hand? You see, my hand is broken!"

Yao Yao looked that man's baby finger (pinky finger), coldly said: "Are you sure that your hand really broke because hit by the car?"

"Nonsense, everyone saw it. Didn't it?" this man spoke, looking surrounded everyone seems agreed and nodded.

"Well, do you have witness? Well, very good I have evidence!" Yao Yao pointed at the car and the man who is lying on the ground: "The car was coming from left to right, and then it hit your left side of body, and normally your waypoints should be your right side but you are sitting in the ground facing toward (as if welcoming the car)."

"Second, you injured your left hand, but looking at the car height it is possible to hit where your hand injured, so that the only possibility, it was you who purposely lying on the ground and made yourself hit by the car, this is the point, your left hand was not possible support your weight on the ground, furthermore to cause you broke your bone."

"The last point, seeing from the speed of the car, the speed was not more than 40km/hour, but after you appeared slowly in front of the car you were shouting, seeing from 10 stride of the average speed. On this way could see the brake marks. And of course, at least you should at least fell 20 steps from the car because the speed was about 20 strides as result."

"As for the human evidence, I believe, most of the people in here paid to the attention after you shouted, seeing the car incident, and then, it would not count as evidence in law, so it is invalid!"

"Pa" "Pa" Claps hands sound.

Yao Yao showed her confident face when she elaborating about law, make all the people claps hand for her, at the moment, the place of car incident suddenly turned to be court (law), Yao Yao who looks so young is actually the eloquent super lawyer!

"This little girl is awesome, how can she understand that much?"

"That's right, who is she?"

Everyone is praising her, Feng Chen Yi gives faint smile, from long time ago he has known and believe that Yao Yao has miracle ability.

As long as she stands in any side, no matter the other side has strong point of view, still her is much stronger, only by using her head, at the end result is always victory! How strong her capability, perhaps Yao Yao herself not really know! this case is the perfect example...

"You damn little girl, here is none of your business!" that scammer failed, angry scold her with cursing words.

Yao Yao helplessly shook her head, crouch down her body: "You better take back your words, or else I have capability to make this car owner to sue you until you go bankrupt, do you believe?"

"What do you mean? You just have said that he was the criminal!"

"That's right. From the law point of view he could be criminal, but did not completely wrong, and then... you are scammer. You will be one who completely being responsible for this incident as scammer!"

"You..."

based on what evidence you said that I am scammer?"

"Uh, Mr, would you like make a check up in hospital? If it was fresh wound because of the accident, then it should still red, but your finger was old wound which at one glanced everyone know that has been heal for half month already. As additional this Rolls Royce was bumped by you, the repairing fee could exceed 300,000 dollar. Won't it make you to go bankrupt?"
