

Pure Girl 411

Episode 411

"My beloved, where are you putting my position?"

Ugh... seeing Feng Chen Yi's face is little bit gloom, Yao Yao is nervously gulping her saliva: "Don't you think, your priority is to kick out Feng Chen Rui, and then taking the CEO position of Feng Group? Without your power, how can I progress my movement?"

Speak honestly, the purpose why Feng Chen Yi is joining hand with Yu Ao Tian at the first place, simply to say he is using Yu Ao Tian's hand to kick Feng Chen Rui, and taking the CEO position! It's the case.

"Huh, it seems I must faster my pace...."

Other side.....

"Long Qi! Were you the person who free that Little Thing?" inside the apartment, Yu Ao Tian is sitting on the sofa, pointing at the big door that seems okay.

From these few of people, the person who has all the keys for the whole apartment is only Long Qi!

Long Qi who is standing in front of Yu Ao Tian nodding his head: "That's right, it is me."

"You MF!" Yu Ao Tian's face is gloom, raised, lift his hand and gave him a slap.

That five fingers imprinted on his cheek, Long Qi is raging in fume creasing her forehead: "Ao Tian! Yao Yao wanted to jump down, don't you know it or not? You prison her and forcing her to stay by your side simply to say you are forcing her to die!! I could not help myself to see her suicide, so that, I must bring her away from this place!!!"

"You.....!!"

"Ao Tian!!" suddenly Long Ye barging into inner room, he glances at Long Qi, and then faster he looked at Yu Ao Tian, with difficulty he said: "Yao Yao...."

and Feng Chen Yi had done with they marriage....."

Hah, he has predicted it before that's why.....

So that, he just could not let.....

Her to go from here!

He have known it, once she left this place, due to Feng Chen Yi's character, no matter what he would go through and done the marriage! "You guys... go out." Yu Ao Tian is suppressing his anger, expressionlessly he moving his hand.

"Ao Tian?" this moment, Long Qi really does not know whether his decision right or wrong by letting Yao Yao off? Is it wrong! But at same time he could not see Yao Yao die, and now he does not want to see this kind of Yu Ao Tian!!

"Get lost!" he roared.

The Long's brother are helplessly going out from the inner room.

Quiet room, Yu Ao Tian is silently sitting on the sofa, that pair of bottomless eyes at this moment rippling dark luster.

He stands up, take out one bottle of red wine from the wine box, 'Gu Dong' (the sound of pouring the wine) he filled the wine glass full.

On the surface of the floating red wine, it reflecting that man good looking and charming face, with single rippling, he lifts up that red wine, in the middle air raised it high..... "Little Thing, happy marriage. Hah...." a sad smiles curved upward his lips corner, he closes his eyes, he drinks that sweet-smelling red wine big mouthful.

Only by this time, this sweet-smelling of red wine is bringing along the slightly bitter taste.....

Is his taste bud got problem? Or is it because.... his moods?

Episode 412

Half month later.....

Yu Ao Tian work performance is getting more excellent and very quickly he got promoted to enter the State Council Executive Director, this position.

Just to know, the person who is able to have this position basically those who have minimum 3 years, moreover they must completely back up by family who as public figure. Someone alike Yu Ao Tian who no need to wait until 3 years, and he stills single this is really rare. It can be seen that how powerful and stronger he become within this half month.

☞Knock knock' (knocking sound)

"Director Yu, this is the document that sent by today, please take look at it."

"En, it's okay just put it here."

His today's works simply to say so similar with the ancient emperor's works, every day there are endless pile of documents, endless files need to check. And finally he realized what it mean by the higher officer position, the more scarce the hair. Hah, he really afraid himself before four years he would change to be ☞middle bald head'.

❏knock knock' (knocking sound)

"Come in."

The Financial Secretary is smiled, slowly he walking inside Yu Ao Tian's office room: "Leader, still busy?"

"Haha, officer Liu, it seen as you said."

"I am not wrong right? My official position only five stars, but now yours are three stars officer who is after General Director and Prime Minister. If I don't call you as leader, what should I call you?"

Yu Ao Tian helplessly smiles, pointing at the chair inside his office room: "Have seat, Office Liu."

"Aiya, I remembered years ago when first time I met you, I knew you are an extraordinary talent. But never thought, you just step into politician world half month, directly being promoted two stars. You are simply a legend."

Listened to the way Officer Liu praising, Yu Ao Tian who is reading his document smiling while said: "If you have words go straightly."

"Ugh....

hahaha." Officer Liu always admire Yu Ao Tian observation ability, he felt that he had covered up well enough, but never thought he could reveal it so soon. "Actually, I am coming here to make a red line (match making)."

"Which family of girl that you want to introduce to me?"

"This time coming from strong family. General Director Qi's daughter! She is so beautiful. Still young, very youth. You think it carefully, okay?"

After Yu Ao Tian heard, his head still head-down to read his document: "Officer Liu, if you are not afraid the girl will cry because of me, it seems you can introduce her to me."

"Sst....Ao Tian, see what you said, you are already 8, it's time for you to have family. Moreover...." When Officer Liu said to this point, suddenly his expression changed to be stern: "If you still want to climb to higher position, your wife must be someone who can be used. If you are married General Director Qi's daughter, that Vice General Director position that still empty until now might be yours!"

That's right!

Political circles are extremely have high expectation in marriage, most of the time family with political background will be given a priority choice to the unmarried political people, it started from choosing from their family background. Someone alike Yu Ao Tian who is still single, if wanted to be promoted up to one level, really difficult.

Of course, this is also the reason why Luo Tian Ming didn't divorce Sang Rou and then married Deng Hui Hong. Without doubt it because the political position, one he divorced, and remarriage an ordinary woman, his colleagues would secretly make thing difficult for him. Even though they didn't make thing difficult for him, his divorce status would decline his political position.

"Officer Liu, thank you for your good intention. But currently I have my girlfriend."

"You have?? Why I never heard you mentioned about her?"

Because the reality he does not have any, how could he talk about her?

If this is not inside governmental environment, he really wanted to tell this Officer Liu, he Yu Ao Tian absolutely does not need woman to help him to climb up! "Ha ha, later I will introduce her to you."

☎Ring, ring ring..

..'

Just at this time suddenly his mobile phone is ringing, Yu Ao Tian smiles: "Let me pick the phone call."

"Well, I take my leave first."

"En." when he sees Officer Liu left, his expression changed to be cold at sudden: "What's matter?"

"Ao Tian, initially regarding this matter I don't want to disturb you, but now I really don't have way anymore." it is Han Li Shang's voice flowing from the mobile phone.

He is creasing his forehead: "What is happening?"

"It's about few projects that handled by our company, as long as we compete to Feng Group, our projects absolutely being taken by them. As if they had stolen our plan ahead in some span time."

Yu Ao Tian rolled his eyes: "Have you asked the I department to check all the company's computer if there any hacker attacking it?"

"Had checked on it, but there is no viruses or hacker trace. But impossible for Feng Group to have infinitely resourceful alike magic always beat us one step ahead, taking our proposal, right?"

That's right!

There is no such coincidence to have same proposal, moreover every time it taken by Feng Group one step ahead, and the only logically reason is someone has been attacking Berson group intranet computer.

But Han Li Shang even said with such affirm, there's no any trace of viruses or even being attacked by hacker.

It seems, the person who can freely attacking Berson Group's computers intranet without any trace would be that person.....

Thinking to this point, Yu Ao Tian's mouth is curved upward and making sinister expression, this is the first smile that shown by him within his half month. "Li Shang, how long this thing has happened?"

"Since half month ago it happened."

"Alright, I understand. Now I am at Government Bureau Office, it is not convenient to use the computer in here, you prepare everything in remote area, I want to use your computer to do something."

"Alright."

Episode 413

Speak frankly I almost speechless about this chapter because Yu Ao Tian really cracking Yao Yao's nerve.

Feng Group, I Department.

When she entered the I department, she is looked alike mysterious person, she always sitting on the corner, everyday staring her computer.

While the I department colleagues, basically are tech-nerd, all of them have thought that they are enough boring, enough quirky, but they never thought that the newbie little girl is even more boring than them, even more odd than them! And strange. First time when they saw Yao Yao simply to say they looked her as someone strange.

This point, Yao Yao more or less also could feel it, perhaps they thought her as idiot? But there's cannot help, now she her mission is staring at her computer.

pip pip' the notification message light is flashing on her computer, pop out from the left corner of the monitor.

Yao Yao is creasing her forehead, she does not seem to be on any chat system, but what is happening now?

At the moment she opened the chat message....

"Bao Bei, do you think that I am not enough tired, so that you must find something to busy me?"

Yu.....

Yu Ao Tian!!!! it's him!!! this person must be him!!

But Feng Group has so many computers, how can he know she is using this computer?

"How can you hacking into my computer?"

"Hah, it is how you hacking into Berson's computers, then this is how I can hack into yours computers."

"....."

....." Yu Ao Tian this rotten rascal!!!

It's no mistaken! The person who keeps on taking Berson Group proposal without any trace' for this half month, the person is her!

Every time she got any wind blowing the grasses, she will be the first person who barging into Berson Group's computer to steal the proposal, moreover will be moved one step ahead to sent it into the Feng Group department.

By this way, first no need to waste brain energy, second it is guarantee to be succeed. And the most important is..... she definitely know that Yu Ao Tian this big fish will get hook!

“Just expected your IQ must be above 200, right?” she clearly remembered, the last level of Ka Luo Men's game that high end game which she could not pass, while Yu Ao Tian could easily passed that level.

During that time she had doubted this rotten rascal IQ must be not simple.

And now he without any trace hacking into her computer, and now he even can accurately lock on her IP, but how high Yu Ao Tian's IQ actually.

'Similar with an ordinary people!'

“Do ordinary people can easily hacking into my computer?”

“Even you little dummy able to hacking into my Berson's computers, why I can't hacking into your computer?”

This rotten bastard!!! “You are that....” at the moment when Yao Yao want to type that three words, but suddenly she realized that she is falling into Yu Ao Tian's chat rhythm, immediately she deleted it.

“Bao Bei, why don't you say anything? Is it fun to be thief?”

Yao Yao who is sitting right in front of the computer's monitor is showing her disdain smiles, answered him: “In order to fight against someone like you, I don't need to do something like grace and perfectly open for all my actions, okay?”

☞Not bad, finally you are growing up. You are also realized that being innocent could not have food to eat (means useless being naive). but don't you afraid..

... I will use your method to fight against Feng Group?'

That's right!!!!

Yu Ao Tian can this easily hacking into her computer, at the same time he also can use her method to hack into all the computer in Feng Group!!!

Drawn in train of her thoughts, suddenly the notification message led flashing again.

☞Rest assured Bao Bei, I am not that leisure and have time to manage Berson's things.'

Damn it!

Yu Ao Tian this time means, he won't fight back?

☞Let me tell you, Yu Ao Tian, if you are not fight back, I will keep on using this method to drag down your Berson Group.'

☞It is nothing for Berson to lose that few projects, okay? As long as you are happily playing this game.' at the other side, Yu Ao Tian is faintly smiling after he types this few words. Indeed, it's only a few projects, she can be this happy, then that projects not so important.

But at the other side Yao Yao is already raging in fume: ☞Yu Ao Tian, are you looking down at me?'

☞I just want you to be happy, that's all!'

Enough! Enough! Don't act to be merciful and soften one's heart! Yao Yao is typing fiercely her keyboard:

☞Now the only thing that can make me happy is your death.'

☞But that won't do, if I am really die, what if you are sad to heart-broken?' after Yu Ao Tian done typing these words, he is smiling naughtily, before he typed on his keyboard.

☞You are sick!!!!' at this side Yao Yao is almost going crazy and losing self control, and now if she has knife she really wanted directly barging into Government Bureau office to chop Yu Ao Tian!

☞Bao Bei, how's the marriage life?'

She is gritting her teeth, quickly she replied him: ☞Thank you for your consideration, I really have great life!'

☞Well how about that thing of Feng Chen Yi? Can he satisfy you? If say he could not, I can help him out by replaced his position, until you satisfied, anyway I am the first man in your life, doing that with you must have good tacit together.'

"You MF rotten bastard!!!!!" speak frankly Yao Yao cannot control herself anymore so she hisses, pair of her hand slap on the table, directly overturned.

But....

She is completely forgotten currently she is inside the office room!

Looking at pairs of eyes that looking at her with scary look, she knows, this group of people might think her as Idiot, in the future they may think her as crazy person?

"Ha...hahahaha. I am sorry, everyone I am sorry, sorry, sorry." constantly she is apologizing toward her colleagues, and then she sitting back to her seat.

Yu Ao Tian this rotten bastard! How could there is no car that crash him to death? No! If sport car bumped to him, the owner of car still need to pay money.

Forget it, still better to let train to bump and hit him till death. Government would settle the pay!

Gradually the time is arrived to get off from work, even though Yu Ao Tian didn't find her anymore to have chat. But she still staring on her monitor with anger and frustration.

Until the time to leave the office.....

In order not to attract others colleagues attention, Yao Yao and Feng Chen Yi are especially agreed, in the company both of them are not knowing each other. As after get off from work two of them are agreed to meet at two next alley near their company.

Actually Feng Chen Yi feels no need to do so, because company intern had made the announcement regarding both of their relationship, but Yao Yao still persistence to do so, after all not all people know it.

"Let's go." getting into car, she is tied her safety belt.

Car is slowly starting the engine and moving. Feng Chen Yi from time to time is glancing through reflector mirror looking at her facial expression: "How can today you are so quiet?"

"Ugh? Am I?"

"Hah, normally, once you getting into car you must be so noisy and tell me what have you done for the whole day, but why suddenly today you changed alike mute person?"

Yao Yao helplessly shrugging her shoulders: "Today nothing is happened."

"Really?" Feng Chen Yi pair of eyes flashed, at sudden brake the car, coldly looked at her and asked:

"Really nothing happened?"

That pair of sharp eyes are flashed looking at her pair of eyes, kind of insecurity feeling, with difficulty she creased her forehead: "Not....."

"Hah." Feng Chen Yi is giving cold smile, his eyes looked at in front, takes out his mobile phone, dialing and then directly touch speaker button, "Hello."

Episode 414

"Chen Yi? It has been long time you not phoned me."

From the other side, it flowing a voice that Yao Yao extremely familiar with. That voice belongs to Yu Ao Tian.....

Why Feng Chen Yi phoning Yu Ao Tian, moreover he even speaker it!

"En, isn't this because recently still having 'husband-wife life', so that forget to contact Chairman Yu. Oh, almost forget, that part of mine still works well, so I don't need you to worry much."

The other side of the phone Yu Ao Tian who have heard this words, immediately his expression changed dim, but his speaking voice still steady and not in rush: "Well then it alright, it's alright. As you know, I don't want my Yao Yao cannot be satisfied."

"You rest assured, Chairman Yu, she is my wife, how could I make her alike in waiting lady. Alright just this all, I hung up." at the moment when Feng Chen Yi hung up the phone called, suddenly all his expression disappeared.

Yao Yao who is sitting beside him in the passenger seat looking at him by using stranger eyesight: "Chen Yi, you....."

"What's matter?" Feng Chen Yi coldly smiles, the expression showed in his face is something not readable.

What's matter? What is going on now? Why today suddenly Feng Chen Yi looked alike stranger to her?

"You are..... asking someone to spy me?"

"Are you speak honest to me?"

"That because I afraid you will going to be worried, so that I didn't tell you. I just really never thought, after all you are phoning Yu Ao Tian directly, do you ever think or not, at the moment when you are speaking that way to Yu Ao Tian, how my heart would feel it???"

Still that same words, once these two men are engaging fight each other, the most unfortunate person always be Yao Yao. But toward them if seems she has no reason to get angry, because the reason of their fight is always her.

Suddenly Feng Chen Yi silent, for sometime, he smiles and said: "Today we are having meal at outside."

Oh my gosh, the old Feng Chen Yi isn't someone alike this.

Whenever she is angry, he would even angrier. Simply to say whenever both of them are arguing they will keep continuing until both of them laugh together.

But now, she can clearly feel that Feng Chen Yi is suppressing his anger, but why doesn't he vent out his anger? The current him, she is little bit afraid.....

"En. You make a phone call to Father in Law, I just afraid Father in Law will angry."

"Alright. You think where should we going to dine out."

"En...

." the atmosphere is changed to be bit relax, but Yao Yao knows, this is only on surface. She hopes later, Feng Chen Yi can change back to the usual him.....

The sport car is parked at the entrance of one exclusive Japanese Restaurant.

"Hah, it looks like you haven't had enough during staying at Japan."

Yao Yao has been quite long time felt dilemma when decided what to eat. Listen to Feng Chen Yi provoking voices, she doubted creased her forehead: "Do you dislike it? As I remembered when we were at Japan during that time you seemed to be so enjoying your meal, right?"

"Weren't you the person who such enjoying when ate it?" Feng Chen Yi would never forget, the first time when he brought Yao Yao along to eat at Japanese restaurant, Yao Yao was so enjoying her meal even swept all the food, since that time he understood, this little girl has such big appetite alike adult man! "Get down from the car."

He holding Yao Yao's hand and then slowly walking inside the Japanese restaurant.

The waiters inside the Japanese restaurant are passionately greeting them: "Mr. Feng, Mrs. Feng, please go inside."

Arrived at one of Japanese style private room, two of them are sitting facing each other.

The waiters are smiling sweetly looking at Yao Yao, it even makes Yao Yao embarrassed.

"Mr. Feng, Mrs. Feng really so beautiful."

"Hahahha." Feng Chen Yi is smiling elegantly, open the menu book: "Order these things."

"Alright. Mr. Feng, Mrs. Feng please wait for moment." The waiter kneels leaving the private room, and then pulled the big door.

At this moment Yao Yao finally asked due to her curiosity: "How could they know that I am Mrs.

Feng?" although the first news about their marriage was bit high profile, but later on at their second marriage ceremony it was perfectly very low profile, how could there's people still recognized her?

"Are you dummy? Not long ago there was news about my marriage, today I am dining out and holding a woman's hand, the normal people would know who you are, okay?"

"Uh.... that's right."

"Hah." seeing Yao Yao who is looked as if wakening from a dream, Feng Chen Yi cold-shoulder shook his head when looked at her, this his little wife, she can be smarter than anyone, but when she at her foolish state she could be so dummy to the point alike idiot.

"Have all you seen Mrs. Feng? She is so beautiful. Simply to say she alike Crystal doll." in the entrance hall the waiters in shift are gossiping among colleagues.

"Have seen her. Indeed so beautiful, or else how could she married into wealthy family with her an ordinary family background."

"This indeed true. Aiya, Mr. Feng is such young, how can he get married so quickly?"

"Didn't you guys read the news before, his wife was his high school classmate, both of them have known each other for six years, marry is something so normal okay?"

"Stop chit chat, stop chit chat, there's guest coming!" at this time, the supervisor is pointing at the entrance.

Few of the waiters in shift are hurry to welcome, but once they see, few of them immediately open wide their eyes, you see me, I see You, they looked with bizarre eyesight. "Director Yu, CEO Han, welcomed."

As seen, Yu Ao Tian and Han Li Shang are walking one at in front and one at back with big strides entered inside.

Few of the waiters that lead the way showed helpless expression: "What to do? Arrange to which private room?"

"Don't we still have one empty private room? Just arrange at there, won't it solve?"

"Are you stupid, didn't you know about news, not long ago there was news that reported about Second Young Master Feng's wife was Director Yu's supported lover, you want to arrange them to seat next to each others, don't you think both of them going to fight?"

"....."

.didn't say that, the Second Young Master's wife was his high school classmate? How could now it changed to be Director Yu's lover? How this matter happened?"

"How can I know." these two of waiters are showing difficulties expression on their faces while whispering each other, so that with difficulties they take Yu Ao Tian and Han Li Shang to the private room which is next to Feng Chen Yi's private room.

Actually, if this restaurant only an ordinary restaurant thing won't be this complicated, but the problem is this Japanese restaurant private room only separate with sliding door which can easily open to see each other, as long as one of the next room door being opened, two private rooms of people can easily to have conversation because this is Japanese style of door, the privacy is extremely poor!

"Please."

Yu Ao Tian and Han Li Shang are sitting on their seat, order some simple dishes, and then that waiters left.

"Ao Tian...."

"Tck tck tck..... when you were still at school you always have this poker face, wouldn't you feel tired?"

Han Li Shang just wanted to say something, but he is stopped by Yu Ao Tian. From the next private room it's flowing Yao Yao hihihi laughing voice, and then her speaking voice.

Han Li Shang creasing his forehead: "Change to other restaurant!"

"No need." Yu Ao Tian is expressionless waving his hand, silently sitting there without said anything more.

At same time Han Li Shang also keep silent.

And then, because both of them are keep silent, the conversation from next door private room automatically heard clearly to their ears.

It can be said, Yu Ao Tian and Han Li Shang are eating while listening to Feng Chen Yi and Yao Yao conversation.

Just at this moment....

zhī la' (sound of sliding door being opened).

"Make a move!" there are about 7 or 8 people who wearing black suit holding knives barging into Yu Ao Tian's private room..

Episode 415

But after looked at Yu Ao Tian and Han Li Shang expression, the person who seems to be the leader suddenly reach out his hand: "Wait!" nervously he gulping his saliva, hurried showing his smiling face: "Aiya, how... how can two of you?"

"Big Boss? What's going on?" Little Scoundrel not understand asked.

That Big Boss in bad mood hit his head: "Hurry apologizing toward Director Yu and CEO Han, still daring to ask?"

Few of the little scoundrels who heard it, immediately they understood who are these two men in front of their eyes, no need to said about their on surface status. All are mingling in underworld, there's no one who does not know who is big boss of Yu Long group Yu Ao Tian and also the second big boss Han Li Shang. "Yu, Director Yu, you...."

Yu Ao Tian is coldly stretch out his hand and stopped the little scoundrels who bowing apologized toward him, expressionless cast a glance to their Big Boss, without saying anything. As if he is waiting their Big Boss to give an explanation.

"Yu, Director Yu, really sorry. We are carrying an order come here to find Feng Group's Feng Chen Yi, but as result who knows that.... we are.... coming to wrong room."

So this the case! Walking on two paths the white and black paths, Yu Ao Tian is clearly understand there's some of business men who would come to look for mafia help to do something, it seems that Feng Chen Yi has offended those rotten people.

Yu Ao Tian is silent for moment, slowly his corner of mouth lift up smiles sinister, raised his hand and pointing at the next room.

An immediately that Big Boss understood what Yu Ao Tian meant: "Thank you, thank you." politely they closed the sliding door, turned their back and then opened the next room door!

At one glance Yao Yao and Feng Chen Yi who are chatting happily, immediately both of them already can feel the strange!

"Make moves!" Followed by the command, suddenly few of the scoundrels who are holding knives rushing into the room.

Feng Chen Yi's face dim, faster he flipping over the table: "You go first!" as fast as an arrow he has been in front of Yao Yao protecting her, he got up and fight with that scoundrels.

Whose men are this group of people belong to? Report to the police? Or better to contact Ou Yang Zi Xuan?

Very obvious, this group of men are targeting Feng Chen Yi, but because the door is blocked, Yao Yao only can climb to the next room.

While waiting for a chance when everyone not pay attention, quickly Yao Yao pulling the sliding door that connect to next door, ②sneak off", at the moment she has been hiding inside. Close the sliding door: "Report to police!! report to police!" she is nervously taking out her mobile phone, she is completely not pay attention toward two persons inside the room.

"Bao Bei, if you are making a report to the police, you are really caused Chen Yi to die.

"

That's right! If this time making a report to police, Media must be hurried coming here, perhaps there would be news about Feng Group's General Manager being attacked, when time arrives it would affect Feng Group's stocks. "That's right, what you said not wrong!" Yao Yao is talking so affirm by nodding her head to the voice.

But at the moment when that devilish good looking face caught by her eyes.....

②Bam' a sound, mobile phone that on her hand before, it is falling down to the floor, Yao Yao shocked her mouth wide opened: "Yu! Ao! Tian!!"

Yu Ao Tian smiles devilish tilted his head aside, stretch out his hand pointing at the food which served on the table: "Leave it for you as your share, do you want to eat together?"

How could he be at here?

Yao Yao is sitting on the tatami, her body is leaning on the sliding door, her pair of dark eyes are looking at her back.

Only one door, impossible if Yu Ao Tian does not hear any ruckus happened at the next door. Moreover, how can thing such coincidence, he is sitting in here while that group of men are attacking Feng Chen Yi!

Thinking to this point, Yao Yao is raging in fume frowned: "Do that group of men are people you called to come here?" after said, Yao Yao is picking up her mobile phone and then throwing her mobile phone to Yu Ao Tian.

Han Li Shang who is sitting beside seen the situation, his skillful hand quickly stopped the mobile phone, gloomy said: "Woman! You don't act way too much. Do you think Yu Ao Tian such leisure, calling people to come and chop your husband?"

"That's right. Bao Bei, if those men are called by me, I would call the sniper, it won't waste my time and no troublesome." After said, Yu Ao Tian still with his devilish smile took her mobile phone from Han Li Shang's hand and played it on his hand.

It seems that these people aren't called by Yu Ao Tian? Lost in train of thoughts.....

bam, bam' Yao Yao clearly heard the hard sound from the next door.

She lowers her head, her eyes rolled, she is kneeling to Yu Ao Tian in front, begging and said: "You quickly go and help Chen Yi, okay?"

"En?" Yu Ao Tian is holding the tea cup, takes a sip, and smile devilish: "Why must I go to save your husband?"

"You are such good fighter, it is easy thing for you to deal with those minions (little scoundrels) right, you go to help okay? Can you?"

"Hah.

...." Yu Ao Tian's lips curved upward, his hand is stopped playing with the mobile on his hand, that pair of bottomless eyes suddenly are looked eyes to eyes with that pair of big eyes which showed begging eyesight: "Bao Bei, you are learned to be naughty. After all your face is not even blushing now when acting like this."

Yao Yao is dumbfounded, pretending not understanding by creasing her forehead: "What are you saying?"

"Humph? The other party only about 7 or 8 persons, impossible for Chen Yi not able to fight them, if that is the case, how could he pass his childhood safe and soundly. On contrary if it's me...." Yu Ao Tian is reached out his finger, slowly lifts up her chin: "If at this time I showed up, it afraid that tomorrow headline will be Government Officer is getting involved with fighting?"

Geez....

Very quick her lies being revealed, immediately Yao Yao reversed back to her cold expression.

That's right, she just wanted to give a try seeing his attitude, try to see whether Yu Ao Tian is going to help or not, if Yu Ao Tian wants to help, due to his current status as Government officer he would be kicked out from governmental.

If he is not helping, due to Feng Chen Yi ability impossible for him not be able to fight those few little minions!

But, very quick her lies being revealed, there is slightest unhappy in her heart!

Han Li Shang who is sitting beside after listened to these two conversation, and then looked at these two expressions, suddenly he creased his forehead, and still this is his first time to see Yu Ao Tian and Yao Yao are trying to trick each other, speak frankly, if not because Yu Ao Tian revealed Yao Yao lies, he really does not know how to react, this is perhaps what called as Woman's scheming!!

Yao Yao is biting hard her lips, she breaks away Yu Ao Tian's hand that hold her chin, coldly raised her body: "Director Yu, I take my leave first!!"

"Aiya, Bao Bei, suddenly you are barging into my place, you think when you say you are leaving...

. then you can really leave?"

Seeing Yu Ao Tian sinister expression: "Well what you...." without waiting for her to finish her words.

As seen, Yu Ao Tian quickly extended out his hand, pulled Yao Yao to sit down in his embrace.

Her petite body which tightly being hugged by pair of this man hand, she restless makes moving: "Yu Ao Tian, you let me go!!!"

At the next door, Feng Chen Yi is fighting against few people; only separated by a thin wall, now she is entangling with devil, if she knows the person who sits beside is Yu Ao Tian, she would rather to face those group of scoundrels!

Letting Yao Yao to keep on struggling, that man is smiling devilish, without saying anything, but at same time he also not let her go.

She is so worried and also angry!

Just at this time....

Suddenly the slid door is sliding open.

"Director Yu, CEO Han, next door...." few of the waiters are panicking standing outside the door, but seeing Yao Yao who is in Yu Ao Tian's embrace, suddenly they shut their mouth..

Episode 416

An instantaneously, Yu Ao Tian's face is blacken: "Who ask all of you coming inside without knocking the door?"

With panicking looked at the people who are standing outside, damn it! It seems that Media also here! What to do?

Yao Yao who shocked her expression changed to pale creased her forehead, in order to avoid Media to shoot her face, she only can stay at Yu Ao Tian embrace!

"Get out!!" shouted Yu Ao Tian, tightly his hand hold on Yao Yao's body.

This few waiters, quickly shut the door tightly while the outside Media keep on taking his photo.

Few of the waiters are standing outside the door, with an expression you looked at me, I looked at you, they are looking each other, they are guessing that the woman who being embraced perhaps Second Young Master Feng's wife, but they are also not so sure.

While those reporters are constantly checking on their camera: "Aiya, after all the state council officer Director Yu has already had girlfriend? This time really got headline!"

"Are you happy with these?" inside the room, Yao Yao takes all her utmost to free herself, she really does not know whether the reporters have photo her face or not, but once this news exposed, it must be extremely troublesome!

Simply to say Yu Ao Tian he MF is scumbag!! Yao Yao is fiercely curled his hand into fist, turned her body and then walking toward the door.

"Bao Bei, the reporters are still guarding at outside, if you are walking out from here, it will really get exposed soon."

At her back, there is Yu Ao Tian provocation sounds. Yao Yao is really tagging in fume to the point she feels dizzy, actually what big sin she had done in her past life, the person who killed her mother could be this devil?

For once again she make fist, she only can choose to turn back at the room where Feng Chen Yi stayed now.

"Ao Tian, should we do something to the media?" waiting until Yao Yao left, Han Li Shang coldly asked, honestly once the news are exposed, actually it will really give bad impact toward Yu Ao Tian's image.

He smiles, pulled his necktie, and slowly said: "No need. I don't mind it."

After went through such fierce fighting, the next room is absolutely in mess, some of the scoundrels are lying on the floor, while the rest might escape.

"Chen Yi." quickly Yao Yao hugging onto Feng Chen Yi who is sitting at one corner of the room, she looked at him from head to toe: "Are you okay?"

She had made her prediction those scoundrels impossible to fight Feng Chen Yi, after all they have known each other for years, Feng Chen Yi martial art is excellent, more or less she knew these things.

"The Media are guarding at outside, what should we do?"

"We leave from next door room." Said Feng Chen Yi, stand up and walking heading to the next room door.

When she is at the blank-state, suddenly she can feel as if something get into her body.

Yao Yao who has been through this kind of experience shortly could make guess what kind of thing that is. "Chen Yi, you calm down!! don't be like this, okay? I..

.. I am so scare...."

Even though it has been passed for half month, but Yao Yao stills cannot move on from the nightmare when she was ** by Yu Ao Tian.

There's time she even dream about that scenery when she was ** by him.

Today, she able to respond toward Feng Chen Yi's kiss actually she has made big progressing. So that if asking her to do thing completely, it is impossible!

"I am sorry." at sudden, Feng Chen Yi's pair of eyes which filled with lust turned into icy-cold eyes, he faster gets up and then tidy his own clothes.

As seen Yao Yao also quickly dress her clothes back. "Sorry... really sorry."

"It's not your matter, it not your mistake...." so whose mistake it is? Feng Chen Yi mocking himself, raised, expressionless he walking toward bathroom..

He unscrew the faucet, he looked at the clear water which filled the sink. He suddenly plunged into the wash basin, constantly using the cold clear water washing his face.

☹Chen Yi, you calm down!! don't be like this, okay? I.... I am so scare....'

Other than him, impossible for other to understand the feared that showed in Yao Yao's eyes.

Episode 419

Early in the morning, Yao Yao is not even going to company, she is directly heading to Bao Lai Group.

This is her first time she stepped her feet into Hei Yan Long's company, although the place isn't as big as Berson Group or Feng Group, but the interior and style are sophisticated and splendid.

"Miss, may I know do you have appointment?"

When passing the receptionist, Yao Yao is directly heading to elevator to CEO's room.

"Hello, I am a person who asked by Feng Group's General Manager Feng to meet CEO Hei for something. So that.... I don't have any appointment."

"Ah, you are the person who is asking by General Manager Feng, faster get inside." once the secretary heard Yao Yao as the Feng Group's people hurried she gives her green light.

She has known, once she mentioned Feng Chen Yi she really no need to have any appointment, she believes this is also applied to Ou Yang Group, right? These three best buddy, really so 'closely united'.

'Knock knock knock' the secretary is pushed open the CEO's room: "CEO Hei, General Manager Feng's employee is coming to meet you."

Inside the splendid and gorgeous CEO's room, Hei Yan Long is holding a black golf club backing the door playing golf inside his room.

"En, ask the person to come in."

"Yes." The secretary is smiling to Yao Yao, and then politely she close the CEO's room door.

She looked around the office room that super shinning, suddenly she feels there's a flash blind feeling. She really wanted to ask Hei Yan Long this kind of 'over splendid' office room does not he afraid to get blind of it?

"What's matter Chen Yi looking for me?" Hei Yan Long still backing the door, coldly asked.

Yao Yao is giving faint smile, said: "It's not Chen Yi who asked me to come here, but I have matter to look for you."

Once Hei Yan Long heard this speaking voice, immediately he stopped his golf, turned his head: "Sister in law (younger)? what's matter you looking for me?"

If others who do not know Hei Yan Long real age, he speaks this way is something so common. But she has already known this brat is only older by one year than her, compare to Feng Chen Yi, he is younger by two years after all he is so thick skin to call her as Sister in law (younger)! really..... huh..

..

"CEO Hei, is today you have join a Blind Auction?"

"En."

"Toward this time 'Auction and Bidding' how strong your will? How much money your company willing to pay?"

Listen to Yao Yao question, Hei Yan Long puts his golf club beside, slowly walking and sitting down at his office chair: "Sister in law, don't you know this is my company secret, right? What's? don't say that your husband also interested with this time 'Blind Auction'? so that he asked you to come here for digging some information, are you?"

"You are misunderstood me, CEO Hei." looked at Hei Yan Long stern facial expression, Yao Yao is helplessly pouted her mouth: "You know, Feng Group property is always responsible by Feng Chen Rui. So that Feng Chen Yi won't have interested with this time 'Auction and Bidding'."

"So why are you asking me?"

"Regarding this, actually I have little bit attention toward this time 'Blind Auction', so that I wonder whether I can help you out or not, that's all." Yao Yao is smiling sweetly sitting on the chair facing Hei Yan Long.

His pair of black eyes are dim, raised his hand and take one of the document tossing in front of her.

"What is this?"

"Our company proposal for the bid price."

Cold sweat....

Just now Hei Yan Long is protecting as if jade vase, never thought he could be so fast to show his bid price proposal to her? Yao Yao is flipping the bid document, carefully read it.

Facing with Hei Yan Long who by this time slowly opened his mouth: "You must know that, our Bao Lai toward this piece of property is priority for our progressing. It can be said this time piece of land is so important for our Bao Lai Group. But, this piece of land is government's, moreover it is 'Blind Auction', and also this time competitive bidding still has Berson. So that...."

Hah, if not because Berson she also lazy to follow up this kind of matter.

pa' a sound of document being closed: "It's okay CEO Hei, I understand what you mean. You just want the piece of land, but the 8% of the land, the government has decided to give it to Berson?"

This what so-called as dark mark of Blind Auction, in which a piece of land hasn't had price tag but the 8% of the land has already given to Berson, asking each of the real estate companies are asked to give their own price.

Perhaps the government had decided the price to be 100 million Yuan, if there is someone who closer to this million yuan, then this piece of land belongs to that person. If there is someone who tag the price more, then this piece of land belongs to that person.

But, if this piece of land only worth one billion of dollars, and there is someone given 600 million, even though able to get this piece of land, but without realized lose millions.

Therefore, there are many of developers (real estate companies) will be underpriced the default bid price, so there, price won't be higher than the default price.

"Humph, they Berson have Director Yu at their back, Director Yu must be known in advance the fixed price given by the government." So that, Impossible for Hei Yan Long to estimate the quasi valuation alike Berson Group!

"How about this, CEO Hei. If you believe on me, how about you take me along to the Auction Venue, can you?"

"Do you want to come too?" Hei Yan Long doubted creasing his forehead.

"En. Perhaps I could not help much, just thought as you give me a chance and taking me to see the world."

Anyway bringing anyone just same, Hei Yan Long nodding his head: "Alright."

"Other, I still have small requirement...." Yao Yao is smiling naughtily tilted her head.

Hei Yan Long's face dimmed: "Still have a requirement?"

"It's so small, very small requirement. Can you... change your bid price to.... 13 Billion?"

Once Hei Yan Long heard it, his face changed to green, is this so-called as small requirement? He put 16 billion in his bidding document, Yao Yao directly wanted to change it to 13 billion. Hah, can this be called as small requirement? "Sister in law, next time, when you are thinking to tell me your little requirement, can you give me time to make preparation for my heart. Or else, I afraid I could not suppress my rage!!!"

Hei Yan Long is someone rude and belongs to violent character. But he is also someone who keeps his face well, very loyal person. Even though he dislikes Feng Chen Yi's wife mingle on his business, but because seeing Feng Chen Yi's face, he stills changed the bid price in his proposal to 13 billion...

Episode 420

"You go to the parking lot first waiting for me. Later I will come to find you."

"Alright, CEO Hei." Since Yao Yao left Hei Yan Long's office room, she is obediently and directly heading to the elevator and then stopped at parking lot.

Yao Yao's heart tightened, she steps backward step by step: "Li Ruo Ting! Have you done yet with all these! That time, when you slept with Feng Chen Yi, I didn't come to find you for revenge, but you are keep coming to disturb my life as if everything not enough yet?"

"It's served your right! It was you who could not grab your man, so that you gave me a chance!!"

"That's right! Very well, like what you said. So what yours right to scold and even condemned me regarding snatched away your big sister's man as third wheel?"

Listened to Yao Yao questioned her, Li Ruo Ting scorned and laughed: "You don't compare yourself with me! I am not as schemer as you!!!"

"Schemer? I really have enough!!!! you can go and asked your big sister, actually who is schemer between both of us!" Yao Yao angrily curled her hands into fists, shouted: "That time, when I had known that Yu Ao Tian was your big sister boyfriend, I had constantly stepped back. But she still coming to find fault to me and even harmed my family, she even made my grandpa almost jumped from building!!"

"You keep saying that, I was the person who caused your sister miscarriage. I can swear to heaven, I never even once harmed your big sister, it was your big sister who abort her baby by herself, by blaming to myself, and even asked Yu Ao Tian to break with me!!!!"

"Hah, Luo Yao Yao, do you think I am dummy? There is no woman who would use baby in her stomach to frame other?" Li Rui Ting scorned.

Yao Yao creased her forehead, continuously said: "There is! Your big sister is that type of person, because she knew that Yu Ao Tian absolutely would not want to let your big sister to have that baby, she by herself also knew this matter, so that she intended to abort the child by put a blame onto me!"

"Other, you are keep on saying I was the person who caused your big sister being raped. If not because of your big sister, I would not being kidnapped by the Mafia. That time, I had said to your big sister, I could bring her out safe and sound left that place, but how's about she? She because of wanted my death, she even sold me out to the mafia boss."

"It's true! I admitted, your big sister being rape and even rounded it had my responsible. But human could not do as much as heaven! If she didn't force me to no way, I would not do something like that in order to safe myself!" regarding this matter, actually Yao Yao was doubting, during that time with that kind of situation was she really no way to choose.

"Luo Yao Yao, even though all of these are true. I won't ever forgive you. If not because of you, Chen Yi would not make my family went bankrupt, you go die! Luo Yao Yao!!" after said, Li Ruo Ting with hatred tossed the lighter from her hand.

Just at this time....

A shadow flashed, slowly to the lighter which fly to Yao Yao's stopped in the air! Hei Yan Long is catching that Lighter with his hand.

"CEO Hei?"

"CEO Hei!!" the bodyguard who are followed at Hei Yan Long's back rushed to the in front, checking on Hei Yan Long's hand.

He coldly looked at Li Ruo Ting who is standing not far from there.

She seems knowing had gotten herself into big trouble, Li Ruo Ting turned her head and run away: "Luo Yao Yao, Let's us wait and see, I am absolutely won't let you off."

Hei Yan Long takes back his disdain glared toward Li Ruo Ting, his black eyes gradually looked to Yao Yao whose body smells gasoline,

There is indescribable expression which shown by Hei Yan Long at this moment.

But, just now conversation between these two women, once Hei Yan Long heard it he understood clearly!!

So that the thing was.....

Now finally he understood, the word that Yao Yao said before "Things were happened because of me, and it also had relation with me, from the beginning to the ending, it was still due to my prediction, but there was no way for me to change it.

' this such vague words are represented what.

It seems.... Feng Chen Yi really is not mistaken seeing person, it's only he does not really understand this woman, that's all.

Just in short time suddenly, Hei Yan Long seems to have interested toward Yao Yao, actually last time she could explain clearly these things, but she decided to keep silent, she really different with others women.

"CEO Hei, are you okay?" Yao Yao fasten her steps walked at his in front, looking at Hei Yan Long's palm.

He drawn back his hand. Shook his head: "It's nothing." his eyes are looking at her with measuring eyesight.

Yao Yao helplessly smiles: "It seems, today there is no way for me to come along to Bid meeting."

"It's okay. There still have time before the bid, I will take you to change your clothes first."

"It's no need, CEO Hei."

Hei Yan Long simply to say ignore whatever Yao Yao said, his pair of black eyes flashed. Two of his bodyguards are taking Yao Yao to sit down inside his gorgeous splendid cars.

"Ou...." (almost vomit sound) along the way, Hei Yan Long is wrinkle his face, covering his nose, "Open the window!"

"CEO Hei, the windows are opened."

"Then accelerate the car faster!"

"CEO Hei, we are at the fastest!"

"Damn it!" Hei Yan Long is pulled his head out to the window, the thick gasoline smells simply to say stimulate his brain and stomach almost throwing out.

"CEO Hei, how about..

... I get down from the car?" Sitting facing him Yao Yao is showing guilty expression when said it.

He powerless moving his hands: "Get down? Don't know who will light the fire beside you? Don't you want to live anymore, but at least you must consider other people, okay?"

Hei Yan Long lifts his head, looking at the new clothes which wear by Yao Yao, coldly shook his head: "Cannot! Go and change to other!!"
