"But why I didn't?"

"Haha, this type of leaf, it's pus has function of diminishing inflammation, only can be used for external but could not be taken orally."

.

So it was the case, Yao Yao was chewing these green leaves and poisoned. Thinking to this point, Yu Ao Tian was carefully asking: "Then did my wife poison badly?"

"Ckck, how to say. This kind of poison would not kill, after the drug effect gone, your wife will wake up. But....

if the poison didn't antidote, your wife's skin will forever remain green."

".....

" didn't know why, after Yu Ao Tian listened to this Elder, he really wanted to laugh. That pair of bottomless eyes were staring at Yao Yao's greenly face, if this Little Thing's skin forever remain green, would Feng Chen Yi divorce her?

.

"Youngster, don't you want to know how to antidote the poison?" the Elder seen Yu Ao Tian seemed not to question her, her face filled with curiosity.

"I don't want, just let it be." he slowly walking to the bed side, warm big hands gently stroking her small face: "She is my wife, no matter what she going to be change, I would remain to like her."

Seeing the dearly expression on Yu Ao Tian's face, the Elders seemed to be deeply contagiously, friendlier smiled: "Haha, youngster, you are treating your wife very well. But... waiting when she gaining her conscious seeing her appearance, wouldn't you think she not going to care?"

Episode 462

According to the Elder, this hot spring is able to cure all diseases, naturally it also can antidote the green leaves poison in Yao Yao's body, but this magical hot spring is belonged to the local despot, someone such tyrannical and fierce. So that she kept on reminding Yu Ao Tian to avoid them, must take the advantage during night time and secretly sneaking into there.

This natural hot spring is surrounded by thin mist, ʔtik' ʔtik' the sound of the flowing water echoed in the night sky.

Yu Ao Tian standing on the hot spring side while calming down himself, and then he held Yao Yao onto his embrace and jumped inside the hot spring.

Still embracing her and then swimming close to side of rock wall, he is looking for place to sit down, while still holding on Yao Yao and let her to sit on his own arms.

He glanced at this cute Little Girl, he is smiling faintly on his face.

Speak honestly, if not because he afraid once this Little Thing wake up and then seeing herself in green color and crying, he really didn't want to cure her.

Gradually, the green color in Yao Yao's body fading, Yu Ao Tian smiling while stretching out his hand then gently pinched her nose tip.

"Uh.... hum....ng, hateful." Yao Yao who was still in unconscious state for this time, finally at this moment showed her first response, the way she hum ng hum especially lovely.

"Fiuh." as if someone who in dreamland, Yu Ao Tian smile devilishly push upward her nose tip. At sudden, a lovely little face changed to look alike little pig.

"Hng...hng... hng..." one after another hng sound for few times, the petite body also followed restlessly twisting.

Bluntly, she is sitting on Yu Ao Tian's arm, once this time moving, unintentionally rubbing onto him.

"Damn it!" afraid losing control, Yu Ao Tian didn't dare to tease her anymore.

But unpredictably Yao Yao leaning forward, her head naturally supported by his shoulder, perhaps little bit uncomfortable, once she moving, this constantly tormenting him.

"Really such tormenting little demoness, sleeping also.

... so restless!" Yu Ao Tian impatiently creasing his forehead.....

"Uh..." half dreaming and in the middle of curing, Yao Yao slightly could feel the tingling feeling in her body.

That kind of feeling bit itchy, but also comfortable.

"Hng..." the tight lips let out one moan sound, it felt getting more intense.

What feeling is this? It felt such familiar, chest felt stuffed, as if desired on something and wanted to fill it full.

Reluctantly opened her eyes.

The first thing that entered into her vision line was Yu Ao Tian good looking face which smile devilish.

"Bao Bei, you wake up?"

She opened wide her eyes and then lower her head....

"You.... you.... get rid your hand!" shuddered, she jumped out from his body.

Then followed by the tingling sensation in her ankles.

Rotten bastard! The fact she forgotten if she sprained her leg. But....

Where is this?

Confusing her eyes were wildly looking at the surrounded, as her memory remembered, didn't she at an isolated island? How could at the moment she has already inside the hot spring? Moreover.... still with this rotten bastard man.

.... together bathing?

Hah, seeing his expression could be seen this fellow come to alive? Once he back to live have done bad thing, really should not help him!

"Hey, Yu Ao Tian.... here is...."

"There is a sound, faster take a look!" suddenly, a large number of footsteps sound heard and was coming to their direction.

"Yu Ao Tian's bottomless eyes rolled, quickly he covered Yao Yao little mouth, forcing and pressing down her to inside the hot spring, together he followed to go in.

What? What is happening? Actually where they are? Why Yu Ao Tian looked so nervous?

Yao Yao who was hiding inside the hot spring confused staring at Yu Ao Tian.

At this time, one devilish smile faintly shown by him, Yu Ao Tian loosened his hand that covered Yao Yao's mouth, but replaced it by sticking his lips to hers.

Uh....

Facing with this sudden forced kiss, Yao Yao who still in the water helplessly begging, her petite body is tightly being hugged, so she only acted alike fish that being caught, constantly floundering inside the water..

Episode 463

"It was obviously, I heard there was a sound."

"Just check it carefully, perhaps it was those worthless people who entering."

"Understood." at side, there was fierce sound.

While the people who hiding inside the water.....

In the dream it lingered the numbing sensation, in her train of thought she wanted to escape, but pair of her hand wasn't this man opponent, moreover now it was only one of her hand able to move?

Numbing kiss....

Uh..... ng....

A strong sense of electric stroke, she dived into the water and then release a faint sound, followed by few of bubble water came out.

No....

Stop! She resisted and pushed the man away.

Who knew...

Uh en!

After some time.....

Enough! Enough!

Facing this man who displaying provocative smile, she felt abashed turned her head, a drop of tear fell, slowly fused along the water.

...

"Perhaps misheard, it seem no one here. Let's us go."

"En!" the footsteps gradually getting further.

Yao Yao wanted to take this opportunity to escape, who knew the man pair of hand hugged onto her waist....

Heart, at this moment as if jumped out; blood, as if streaming down.

For once again she and Yu Ao Tian....

Why? Why this man such rude and unreasonable, he seemed wanted to see her drawn into guilty feeling toward Feng Chen Yi again and again then would he feel happy?

"Plop plop"

With a dive, Yu Ao Tian held Yao Yao out from the water.

"Uh.... Bao Bei!" pair of bottomless eyes flared up, he seemed to be exhausted.

"Damn it! Little Thing!" the man still enduring....

The color of her little face just back but for once again it turned pale, she expressionless staring at the rock in front of her.....

Gradually, her frozen heart could not control the crazy and flaring passion, the pale little face infused with little bit pinkish color. "Don't! stop it!" silent for quite long time, finally Yao Yao opened her mouth to beg.

"Bao Bei, let's us together!"

"No... No..." didn't want! Didn't want to experience that crazy feeling anymore, didn't want to feel that guilty feeling anymore, didn't want....

Even still endurance, she could not win over. "Oh... ah...

" a sound which could not be controlled burst out.

Followed by the man's low voice.....

Yao Yao didn't have strength to climb up from to the rock.

Turned her head, she throwing a dagger stare to Yu Ao Tian devilish face, coldly said: "You are absolutely rotten bastard!"

"Oh? Bao Bei, you better don't say that you didn't feel anything, impossible for you not felt anything?"

Rotten bastard! Beast!

But when she swearing him as bastard, at the same time she was not good to any point?

At least he wasn't wrong, she really did response toward him. Hah, since she met him that moment, her body is controlled by him.

He is a beast, then how about hers... is....

Yao Yao kept silent, turned her head, jumped to the rock.

Seeing the way she walking, the devilish smile which hung in Yu Ao Tian's face disappeared: "What happened to your leg?"

Still kept silent, she used one hand to climb the rock trying hard to find her own clothes.

Clothes? Where the clothes? Her hand covered, she coldly looked at Yu Ao Tian who was still inside the water: "Where's my clothes?"

"Just now I was asking you, what happened to your leg? Answered me!" Yu Ao Tian good temperament changed, coldly asked.

She closed tight her mouth, stood up, leaped and moved forward.

No clothes, she just naked walking out, anyway thing has become like this, what she afraid of?

"Little Thing, you stop!"

No response, Yao Yao not even feared with this.

Yu Ao Tian angrily curled his hand into fist: "MF!" now how could he not being able to do anything toward this Little Thing's attitude!

She simply is fated to be his ill matched!.

Episode 464

Faster he chased her, Yu Ao Tian grabbed one of her arm.

"Ah!" a scream because of pain, could not stop her tears flown, 'thud' there was pain in her eyes.

"What happened with your hand?"

Yao Yao with laborious wiping her tears, with hatred she gritted her teeth: "You MF did it? Didn't you see that I break my arm, my leg sprain!"

Did he heard mistaken? After all this Little Thing dare to speak up with this attitude with him?

"Since I woke up, you were losing your conscious, how could I know you broke your arm and sprained you ankle?"

"Get lost!"

For once again Yu Ao Tian dumbfounded, his bottomless eyes are gradually flared up, he hatred really wanted to poke her small face: "Once again if you dare to speak dirty words, give it try!"

"Get lost! Idiot!" perhaps, because she has suppressed her anger in her heart, this maybe the first time in Yao Yao life to speak this much of dirty words.

Yu Ao Tian as if being his meridian gotten acupuncture stayed-still in his place, that good looking face shown such confound expression.

For quite long time, he gently exhale, forget it, since earlier, he has had nothing to do with this Little Thing regarding her speaking dirty words, and now, this Little Thing is speaking dirty words getting fluent, while he could not do much, so that he only bearing himself to get scolded!

Huh....

Seeing pair of Yao Yao's eyes which filled with anger.

Without waiting Yao Yao to react, Yu Ao Tian has been carrying her in princess style in his arms.

"You, what do you want to do?"

"Now you know how to be feared? It is too late!" returning to the shore, Yu Ao Tian put her sitting into rock.

When Yao Yao wanted to stand up.

"Stop moved! You better sit down obediently!"

Once she heard his roared sound, she could only obediently sitting down.

Not long after that, Yu Ao Tian who has done wearing his clothes, he also handing over Yao Yao's clothes.

"You...." she dumbfounded raised her head, stared at Yu Ao Tian, and then looked at the clothes in his hand.

"You what you? Both of us are still not wearing anything but has recriminated facing the shore, do you think this good to see? At least we must wear clothes first.

"

Geez, this shameless man still remembered this not good to see?

Just now what he did, was that good to see?

Yao Yao fiercely in her heart swearing, stretching out her hand to reach the clothes.

Who knew, Yu Ao Tian not let go.

"Give my clothes!"

"Bao Bei, your arm is broke, then one of your leg is sprained, giving you the clothes, can you wear it by yourself?" suddenly Yu Ao Tian speaking tone changed to be so composed, but it also brought along slightly provoking tone.

"How couldn't I?" She grabbed the clothes, fiercely glared at him, and then moved her body back and forth.

Yu Ao Tian as if waiting to watch good show standing at there.

She was taking quick glance at that man expression, today no matter what she must wear it to show him!

But....

After five minutes....

Only a simple two pieces of clothes, she dumbstruck could not wear it.

"Humphed!" Yao Yao angered tossing the clothes on the ground, lowering her head gritting her teeth, guesstimate if one of her ankle not sprained she would have certainly had to step on the clothes mercilessly.

"Fiuh...." seeing Little Thing who seemed to be so impatience, Yu Ao Tian alike elder heave a sighed, picking up the clothes, patiently said: "One of the hand put on my shoulder, and raise your sprained leg."

Actually Yao Yao was such unwillingly to do as what Yu Ao Tian ordered.

Other than felt losing face, she has not been feeling anything. She isn't kid, why should she need person to help her out? Really losing face!

The lower part of clothes have done, Yu Ao Tian stood up, patiently he helped her to wear the top clothes.

But that clothes have buttons, his bottomless eyes flashed, his mouth faintly curved upward evoked devilish smile.

When buttoning, whether it intentionally or unintentionally he touched it.

Yao Yao turned her head to other side, her little hand made a fist, she knew, Yu Ao Tian must be intentionally buttoning slowly, simply to say he indeed a rotten bastard! But....

Now she only could depend on this damn rotten bastard!

"Okay, let's go."

Gained herself, she puzzled cast a glance at the clothes on her body: "Is it done?"

"What do you expect?"

"But.... but..." she murmured lowering her head, her attention drift suddenly...

Episode 465

At one glance Yu Ao Tian understood what she was thinking, smile devilish: "Bao Bei, the clothes that you wear is given by the Elder. It is owned by the Elder's granddaughter."

Heaven knows, how petite Yao Yao's body posture?

With height 150 cm something, 70 pounds body weight, afraid embarrassed the Elder's family. Helplessly, the Elder only could take out the new dress which bigger by one number which actually prepared for her granddaughter before.

"Elder? What an Elder?"

"The Elder who saved ours life." After said, Yu Ao Tian carried her.

"Hey, get me down! I can walk by myself!"

"Can you walk? Are you sure?"

Yao Yao firmly nodding her head, she didn't want this man give her a favor.

"Alright. You are really strong good baby." Yu Ao Tian put her down, strangely stroking her head.

Yao Yao sensed something off, pushed away his hand. "Lead the way!"

Bumpy mountain road, Yu Ao Tian who walking in front still smiling devilish, few times he cast a glance at Yao Yao who walked behind him.

Hardly she force herself to walk away with a single leg, the bumpy mountain road seemed to be endless. It was only 10 minutes, she has been exhausting.

"Why are you stopped? Strong baby." During this time Yu Ao Tian still not forgetting to irk at her. "If you are begging me, I can carry you, what do you think?"

She didn't want to beg this rotten bastard! Closed tight her teeth, fiercely glared at him, mustering one breath, she kept on moving forward.

Just like this, along the way she took a rest and then moving, it was only one forth way of mountain road, but it has been taking nearly half an hour's of time.

Perhaps, Yu Ao Tian was bit soft-hearted still took an initiative to carry her.

This time, Yao Yao didn't refuse, she understood what called as 'take note of the situation'

About 20 minutes later, they finally walked out from mountain, the light from small village caught by their vision line.

Yao Yao looked at the terrain area, this small village area seemed to be surrounded by the sea, as seen the back area seemed as endless mountain, actually what place here?

How could Yu Ao Tian know this place?

Thinking wanted to ask him, but at the moment Yao Yao saw that man's face she gave up this idea. Still better no need to ask this rotten bastard!

"Aiya, have your wife gotten better?"

Yao Yao is bit confused when seeing the Elder who welcoming them, blinking her eyes, was this a person that Yu Ao Tian said before, the Elder who saving their life? But... wife? What did she mean?

"En, thank you, Elder.

"

"Haha, it's okay. But, your wife really is so beautiful, if her face really turned green, really too regretful."

Elder and Yu Ao Tian were having conversation, eighty percent she didn't understand (not completely understand). She only smiling and silent staying at beside.

"Youngster, I have prepared room for both of you husband-wife, both of you just heal, hurry go and have a rest."

"Thank you, Elder."

"Aiya, see, you are so courteous. Our village has been more than ten years no one ever coming to visit. Perhaps tomorrow early in the morning everyone might be known, they must be so passionate welcoming both of you."

Seeing the smile in the Elder's face, as if Yao Yao also being contagious.

The frustrated and irritated feeling suddenly calm down, self that filled with hatred it seemed gradually fading away.

Here, is this place a Shangri-la*?

How could at here there is a friendly Elder?

Such simple, it is really hard to meet in the hustle and bustle of city, perhaps, she really shouldn't put the 'dirt' in herself and bringing it into this simple village. At least..... at this moment she should not release the 'darkness dirt'

Arrived at the room which prepared carefully and detail by the Elder, this place was so small, the bed is made of straw.

The Elder afraid two of them dislike it, with guilty smiled: "Really sorry, initially this place was a warehouse, both of you were suddenly coming, so for the moment using this room. If both of you are not mind, it okay to stay in my room."

Haha, Yao Yao really felt helplessly.

Episode 466

"Understood ah, when I was still freshman in my Junior High, I had been reading at the military books, there are many countries have built their secret military bases to study nuclear weapon or other unknown secret weapon, you said that rough mark is the military vehicles, as our finding, it can be seen this place perhaps a military secret base."

Hah, he really never thought this Little Thing after all she read about military books! "Bao Bei, don't tell me if most of your school time you were using it to read books."

"Not only during my Junior High, even when I was still in Senior High, I did read book."

Hahahahaha, an instantaneous, Yu Ao Tian suddenly could feel pity toward Feng Chen Yi, having Genius student as his girlfriend must be so tormented? No wonder he went cheating! "Since you had read these types of book, you must understand, the military secret base should not being found out by other, right?"

Ugh.... This indeed true. Once the secret military base being exposed it could lead to world war, often those military secret bases are not visible, it means that.... "You tell them, you are the Director of State Council, perhaps they might help you to leave this place, right?"

"Huh..." Yu Ao Tian helplessly stood up, he really speechless with this Little Thing's brain, at one moment is smartest but at same time foolish.

"What? Can't we?"

Yu Ao Tian showed his flat expression, pulled her into his embrace, helplessly said: "Bao Bei, are you such expecting me to die sooner? If you are not telling them my real identity perhaps both of us still can live little bit longer, if you tell them.... Ha, immediately both of us going to die with one shoot!"

Cold sweat, that's right. How could she not think to this point, the secret military base could not being exposed, once she telling them that Yu Ao Tian is Chinese's Director State of Council, high official, come on, they must immediately fire the gun in order to prevent divulgence the secret!

"Then what to do? When will we going to leave?"

"I am going to ask the Elder again in order to understand about the island."

"Yes, yes, then you hurry go and ask, faster."

Seeing Yao Yao panicking expression, Yu Ao Tian faintly smiled, but there is slightest gloomy luster in his pair of eyes.

To be honest, he indeed wanted to leave, after all he still have things that need to be completed, but after he heard Yao Yao decisive rejection regarding his intention to stay at this place in long term. His heart....

Strangely felt bit ached!

Episode 467

"Shameless, such big, still need people to carry!" Along the way walking down from the mountain path, Xiao Li saw Yu Ao Tian carrying Yao Yao constantly she rolling her eyes.

She showed her difficulty expression and then patting Yu Ao Tian's arm, hinting him to let her down.

"Ha." Yu Ao Tian hinting that he didn't mind by smiling, stopped his footstep, gently said: "Xiao Li, do you also want to be carry by Uncle?"

"Yes!" at sudden, Xiao Li alike blooming little flower smiling happily.

At moment Yu Ao Tian put down Yao Yao at beside, crouched, he carrying Xiao Li on his shoulder. "Xiao Li, hold onto Uncle's hair."

"Yes!"

After he settled the Little girl, Yu Ao Tian smiled and walking to this Big Little Girl in front. "Come, Bao Bei, Uncle carrying you."

Yao Yao small face at sudden burned hot 2embarrassed': "It is..... clearly only different 9.... 9 years only. Called oneself as Uncle, shameless!"

"Huh? Who is the person keep on calling me Old Thing every day? How can today suddenly say the nine years old gap is not a problem?" After said, Yu Ao Tian held her in his arm again. "Walk, we go home."

Along the way going home he is sweating alot, the little girl who sitting on Yu Ao Tian's shoulder showed innocent happy face, Yao Yao is captivated by the scenery, looking at the man who is full of love and patience, and then looked at Little Girl happy face.

Really unbelievable, how could Yu Ao Tian such understand someone's heard? Only in short time he is able to coax Xiao Li happily.

Also she able to feel, at this moment the smile hanging on Yu Ao Tian's face was the purest and simply only to coax this little girl, he really took a great effort for it.

It seems that, this matter indeed could not only see from a surface.

She thought a man like Yu Ao Tian only could be a perfect lover, he would not be able to be good husband or gentle father. But, now, he is able to prove himself that he is someone going to be good husband and also perfect father.

She also thought a man like Hei Yan Long who is such violent must be not a good man, but after she has an interaction with him slowly he proved to her that he is someone detail-oriented, very considerate person.

Man.

... Is really weird human being. They are constantly changing.

Really don't know, what kind of father Feng Chen Yi going to be in the future?

"Aiya, finally all of you are coming home, everyone has been waiting for long time."

Returned to the village, in front of the Elder's house was standing about twenty something people, alike what Yu Ao Tian said before, there were many people with different colors and races. There were black people, yellow and even white people.

Their ancestors were facing disaster before (air crash, missing), and in the returned they found out a piece of Shangri-la this treasure land, this is also called as gaining from lost condition?

"Woah, this youngster is so good looking, the little girl is also beautiful, simple to say both of them are match perfectly." One of the black people said with not really fluent Chinese, praising them.

"Bao Bei, have you seen, everyone is telling that both of us are perfectly match." Yu Ao Tian whispered in her ears while his face showed devilish smile.

Yao Yao cold shoulder him, coldly said: "Nonsense, you have told all these people we are husband and wife, what can they say then? Should they say both of us absolutely not a couple?"

"Geez, you are really Little Thing that smooth talker!" Yu Ao Tian put her down to ground, fiercely he flickered her forehead.

It is the truth ah, it was not a like both of them never been together before, but who ever said both of them are matched? Even she by herself can feel that she does not match with Yu Ao Tian, the women that being able to stand beside Yu Ao Tian were those like Li Mei Yun, type of goddess women!

"Come come come, they said wanted to have welcoming party for you. Both of you don't need to restrain, just eat and drink.

" The Elder passionately spoke up.

Everyone who living in the Village also like that, their expression are showed friendly expression.

It made Yao Yao awkward, since she would not going to stay in long-term, they were so friendly, would they hurt when the time to separate?

But Yu Ao Tian seemed to be mingled very well, so quickly he enjoying the passionate and friendly atmosphere and even singing together with them, as well dancing.

Haha, for once again she seen new side of Yu Ao Tian, that is a side of an ordinary people!

"Little Girl, your husband is really love you." The Elder smiled while sitting beside of Yao Yao: "Ah, since yesterday when he brought you here, he didn't care of his wounds, resolved hugging you to here, to there, but I didn't saw him complained tired. Also didn't see him unhappy. Such patient man good man indeed not many seen."

Geez, not many seen. She really wanted to tell this Elder, Yu Ao Tian was acting now, if the elder seen the other face of Yu Ao Tian, absolutely she would not going to say so.

"Well, it still, you this little girl who have good eyes!" The elder patting Yao Yao's hand: "Looking for husband that older than your age, everyday being pampered, being loved."

"En?" Yao Yao little bit not understanding what the Elder meant by her words.

"You like this youngster didn't because he older than you?"..

Episode 468

Too Fake

"Hah? No... it is not like that. Elder."

"Hahahaha, then your luck just too good. Little Girl, let me tell you, the older man is reliable more, understand to tolerate, being able to endure yours everything, moreover understanding how to love and dote, so that, this man, you are right to find him!"

Was it?

It seemed.... Thing is really right.

That time when she fought with Feng Chen Yi, every time she fought to the point red face and ears (extremely angry), but the result was not reconciliation, while when she fought with Yu Ao Tian, other than extremely serious matter, under an ordinary situation, he would always choose to step back.

If not because the Elder reminded her, she really didn't pay any attention to the detail, moreover not understanding, this is what-so-called as Yu Ao Tian's toleration....

Now it was too late to understand it, there was a kind of ending that not being able to be changed forever.

ʔpa' ʔpa' ʔpa' (clapping hand sounds)

"Aiya, I heard that our village is coming two newbie, never thought it is real!" at the time when everyone is still happily playing and entertaining, discordant voices suddenly heard.

Quickly everyone who heard it, they are looked to the voice source.

As seen, the person is fatty who in his fifty bringing some of his men slowly walking toward them.

At sudden the atmosphere changed to be in frozen state, everyone smiling face gradually disappeared.

Who is this man? Why everyone seems to be afraid of him?

"Come, come, come, let me see the newbie?" Said the fatty man who hands in his back, but his eyes are searched in the crowd, finally he spotted at Yu Ao Tian. "Hey, youngster, are you the newbie? You are really good looking."

That fatty is walking in front of Yu Ao Tian, measuring him: "Really tall.

" The man stood in front of Yu Ao Tian who have about 190cm height which made that man looked alike dwarf with him.

"Hello." Yu Ao Tian smiled elegantly, his attitude is very humble.

"Good. Very good. Hahaha, really such polite." That dreadful man's eyes looked around....

At this time, the Elder walked forward by one step, intentionally to cover at front of Yao Yao.

"Hey, you old lady, who is at your back?" But that man still found out Yao Yao.

The Elder's body shivered, quickly she showed her dry smile: "Aiya, Master (ââ), this little girl is also a newbie, that youngster's daughter, she is only 14 years old."

"Heh? How old are you now since you are already having this daughter?" The man unbelievable looked at Yu Ao Tian.

"Haha, 32." Yu Ao Tian followed the Elder lies and continued it.

After the man heard it, he even looked more unbelievable, this youngster not looked alike someone in his 32. "Come, let me take a look, is your daughter also as good looking as you, beautiful." That old man faster his footstep and then standing in front of the Elder.

The Elder unwillingly to move aside, then the old man just pushed away the Elder: "You are so disturbance old woman." But at the moment when his eyes looked at Yao Yao's face, so obvious he gulped his saliva: "This little girl, really look so beautiful. Aiya, how can this as smooth as water? As if her face made from water." Old man pinched Yao Yao's face.

She expressionless sitting at there, unhappily creasing her forehead.

As seen, the villagers who are surrounded, their eyes showed restless.

"Come, bring this little girl. Other, also with this youngster."

"Master! Master!" The Elder panic hurried she run over to the man beside: "You see, this little girl is only 14 years old, just let her be."

"What to let it be? Our village, who are not married and giving birth at 16? So what with 14 years old? Bring along!"

"Yes. Master." Few of the minions left and right held Yu Ao Tian and Yao Yao.

Until to this point her face is still shown confusing expression, who is this man? Why all the villagers showed such tensed expression? And then why the Elder said that she was Yu Ao Tian's daughter? Lying when reporting her age!

But once she seen Yu Ao Tian composed expression, she only could play along said nothing when the old man's men brought her away.

"Master, my daughter cripple, let me hold her, can I?"

"Do as you wish." The fatty man nonchalantly waved his hand.

Yu Ao Tian held Yao Yao into his arm, devilish smiled: "Bao Bei, does father treat you well? Faster thanks Father."

She coldly rolled her eyes, did Yu Ao Tian by intentionally to eat her tofu? Still father? Didn't he feel disgusting? "Hey, who is that person?"

"He perhaps this Village villain? Last night hot spring maybe it belongs to him."

"Village villain?" she should be able to guess it earlier, the response of the villagers were so obvious, at one glance should have known the man in front is the village villain. "Then why do you still want to go with him?" Yao Yao lowered her head whispered.

As seen Yu Ao Tian nonchalantly shrugged his shoulder: "They are villain, so fierce. If not followed them, must be gotten a hit right?"

"What marriage?" he smiled when asked.

"Youngster, you see your daughter is so mature."

"That's right, she is always this... 'mature'!" The moment when Yu Ao Tian wanted to say the last words, he was gritting his teeth when said it.

"Then, is this mean, you are agreeing to marry my daughter?"

"En. Agree."

"Good, good. In the future we are family. Then.... Youngster." Talked to this point, the villain was showing his wretched smiling expression, slowly walking to Yu Ao Tian in front: "Since we are family now, would you like to get closer as family?"

"Bao Bei, didn't you also agree to let me marry a widower?"

"How could it be same? That woman at least in her twenties, but me must marry to that man who at least fifty something. It has cheap you, didn't you know?"

This Little Thing really knew how to find an excuse for herself, Yu Ao Tian secretly smiled: "Bao Bei, I was helping you, don't you now the age older, he can love you and also very experienced, don't you think so?"

"But you must know that I have already had a husband!"

"En?" Yu Ao Tian bottomless pair of eyes dimmed, sneering: "Then what this to do with me? Anyway, you are not my wife."

Once Yao Yao heard this, she even became more furious, according to what Yu Ao Tian said, it meant, since she isn't his wife then he could casually to marry her off to anyone? This was really the way of rotten bastard could think!

She furious to the point dumbstruck, just at this time.

Episode 470

His handsome face is covered with shady expression. "Game.... It's over now!" Mouth curved upward showed alike death god smile.

Without waiting for those two minions to response, he has already grabbed their head one in left and in right then knocked their head together.

At the moment that two minions are faint.

His bottomless pair of eyes beamed with murderous aura that fearing.

At the moment when the minions met Yu Ao Tian's eyes, they could not hide their fear to the point their feet feeble, stopped their footstep.

This, this is an aura that belonged to Yu Ao Tian!

This kind of eyesight more than enough to fear the other party to the point they pee on their pants.

"You, you, stop....."

Yu Ao Tian moved one step, those minions' back one step, fear to the point they could not let out their voice and their body trembling.

"Ha." His mouth curved upward, that pair of eyes dimmed: "Get lost!"

Only by one command, the minions as if got into cursed and then panic to escape....

Inside the partial room.

Yao Yao expressionless sitting on the chair, toward Yu Ao Tian's thought, it still a same word.... Forever she would not able to guess it!

If she and Feng Chen Yi encountered this matter, due to his character impossible to act to this point, When the villain brought them, Feng Chen Yi must be fought with them. But Yu Ao Tian....

Huh!

How long he wanted to play? Could it be he really want to play until she marry to that old man?

pa' it was a sound door being opened.

Faster Yao Yao looked to the doorway.

"Little Girl, I am coming." As seen, that ugly and sly-looking villain slipped into the room.

"You, what do you want to do?"

"Little Girl, don't be afraid. I know your age still so young, perhaps you are still don't know about this thing, but you believe me, I will treat you well. Come..

... give me a kiss." After said, the villain quickly dashed at Yao Yao in front, pulled her with one hand. That fat face was insisting to get closer to hers.

"No, I don't want!" she moving her head, when the villain getting closer she even could smell a disgusting odor from him.

"Don't be shy, we immediately going to be husband and wife." The villain showed his cunning expression, the oily mouth simply wanted to kiss Yao Yao small mouth.

It scared Yao Yao to the point she closed her eyes.

Just at this moment, she suddenly could feel that villain loosen his grab on her arms, and then a thump' sound.

Just at the time when she opened her eyes, that villain has fallen onto her feet. Lifted her head....

It was Yu Ao Tian good looking face caught by her eyes, hah, finally this person wanted to help her out? She fiercely gritting her teeth, pretending to be angered said: "Why do you hit my husband until he lost his consciousness?"

"Hah? Bao Bei, you are getting into the role too fast. Come, we can leave now." Yu Ao Tian smiled when he stretching out his hand.

Leave? Where are they going to leave? Hah, now he has thought to leave? No way! She coldly breaks-opened his hand, Yao Yao narrowed her eyes, slowly said: "Now I change my thought, I have decided to marry this old man. According the to the seniority level, since this time I am your Mother in Law, of course, you can call me as Mother. And you, you are my son in law, which also can be called as half son. Faster! Offer your respect to me!"

"Hahahaha." Yu Ao Tian sneered: "Bao Bei, do you understand what the result by trying to retaliate me?"

"Didn't you also revenge on me just now? Moreover, you also asked me to call you Father just now."

"Good! Very good. Then, I take my leave first." Turned his back, he slowly walked to the doorway, but when he just moved two steps suddenly he stopped.

Humph, she knew it, this man no matter how heartless he could be but he would not ever leave her. Pair of hand envelope in front, she arrogantly tilted her head.

But at the moment when Yao Yao thought Yu Ao Tian was going to take her, who knew....

"Bao Bei, you rest assured, after I leave this island I would have informed Feng Chen Yi, you are remarried in this island, has already become villain's wife. At Chen Yi side, I will help you talk with him." After said, he left not even turned back his head.

"Hey! Hey! Wait for me, wait for me ah!" Yao Yao only head down and gulped her anger, with one foot she jumped and chasing him. Huhu.... She really could not win over Yu Ao Tian! This man.... He is too cunning!

"Yu Ao Tian, where are the minions inside the Mountain stronghold?" since she left the mountain stronghold, Yao Yao had sensed something strange, it was clearly there were about tenth's of minions inside the mountain stronghold, how could at sudden they were disappearing?

"Perhaps after they seen your appearance, they decided to disband for a sake of goodness."

"I can understand your meaning, you are saying I am so beautiful, so that my beauty is too shocking for them, isn't it?"

"Bao Bei, now you are getting more shameless by the days."

"Stay with you what face should I need?"

"Hah." Yu Ao Tian helplessly smile, this little thing's mouth is getting poisonous.

"Speak seriously, Yu Ao Tian." Yao Yao expression suddenly became serious: "The reason why you were following that villain coming to this mountain stronghold, just wanted to see, whether the villain's place has a way to help us leave this island or not?" At that time she had not sure the status of the villain, she didn't really understand Yu Ao Tian intention, but after knew this villain, she had sensed Yu Ao Tian purposed.

"En."

"Then why didn't you make a move when in village?" Why was you casually stopping your actions, due to Yu Ao Tian skill that group of people really not his opponent?

"Didn't want at that 'clean' place, done a the dirty matter.

"

At the moment when Yu Ao Tian said it, Yao Yao heart shivering.

Clean living place....

He didn't want to make any movement in front of those naive people, didn't want to tarnish this Shang-ri la land. Could it be for these two days he looked so friendly, approachable. Ah.....

There was a blithe flash from her eyes secretly glance at his good looking face.

Just this moment, as if she was seeing his goodness inside his devil side. But at same time she also understood....

Once leaving this island, this goodness of this man would have gone, while her attitude not would be going like this anymore when facing him!

They used half hour to return to the village, it was so clearly when they left the village it was still a prosperity scene, this just few hours passed, the entire village has been changed as if to be a piece of death place.

Yao Yao and Yu Ao Tian were looking each other.

This island was not that Shang-ri la island, was it? Those villagers were they soul that died in here? This was too.... Scary! Thinking of it her hair is stranded up.
