

Pure Girl 531

Episode 531

How could he tolerate, with his other child's child in his stomach, accepting this child together? "Chen Yi...you don't have to sacrifice for me...so many! No need! No need!" The little hand trembled and grabbed his sleeve. She shed her head in tears and didn't know what to use. Kinds of words can express the inner gratitude of the tolerance and tolerance of Feng Chenyi.

"Why do you want to say this? I am your husband, should you sacrifice for you?"

The plain words of Feng Chenyi are like a mountain, and the pressure is on the shoulders of Yaoyao.

“I am your husband, sacrifice for you... is it okay? ”

What... ordinary words. It seems that every couple will have such a dialogue. However, for Yaoyao, it is endless pressure. Now she doesn't know what to do... to repay everything that Feng Chenyi has given herself!

enough!

Really enough!

When he derailed, she cursed this man countless times and would be retribution. But now... I beg you, God will stop the retribution of this man quickly, and he has already redeemed all the sins.

She is relieved...

Completely relieved!

"Chen Yi, tell me... what should I do, can I pay off the debt I owe you?" The faint whistle fell.

Feng Chenyi chuckled the tears in her eyes and put her into her arms: "Re-... Love me, it will be enough."

"Re-... Fall in love... Are you?" Oh... how simple the request is, but... she can't do it late! What went wrong? Obviously... she used to be so, love him so much!

It seems that it is not enough to establish a relationship with a family member. It will be ... trying to find the feeling of the past. "Chen Yi, the only thing I can reply to you now is... This life, I am willing to live with you forever, no matter what kind of change, I will be your wife!"

"Oh.

.." A touch of laughter hangs to the corner of the mouth, and the wind swells tightly to the hand of Yaoyao's body. but.....

The pair of chilly scorpions... but a touch of haze!

Office of the Ministry of Justice.

According to Yaoyao's request, Feng Chenyi arranged her in the legal department. Her main business is only for Feng Chenyi, which is equivalent to the president's attorney.

“Qilian, Aoyun, Aoyun”

Upon hearing the knock on the door, Yaoyao closed the file in his hand: "Please come in."

The door of the office was pushed open, and Qilian Aoyun smiled and walked in: "Is it convenient?"

"Well, Qilian, you sit down."

Pulling out the swivel chair under the desk, Qilian Aoyun slowly entered the seat, but it did not open.

Under the four eyes, there is a point to see Yaoyao: "Qianlian senior, you are looking for me... Is there anything?"

"Oh, I don't know what to look for." Qilian proudly shrugged with a smile, his hands clasped in front of her, seemingly thinking about today's intentions. "Oh, yes, think about it."

"what?"

His gentle smile, one-handed support at the desk, slowly said: "The wind always ... love you very much."

"Well?" She didn't expect Qilian Aoyun to find herself to say this thing?

"Wind always, I love you more than I thought, a lot... a lot... He is more suitable for you than Yu Aotian, and it is much simpler than Yu Aotian. Your choice... really right!"

That day, in the scene that happened in the operating room, Feng Chenyi shocked everything that had been shackled on the body to the Qilian proud cloud.

He is really witnessing what kind of talent is matched as a man!

A woman who has shoulders, has responsibility, and protects her love, tells her not to get hurt.

Compared with Feng Chenyi, Qilian Aoyun suddenly felt that his feelings for Yaoyao were not worthy of love!

"Oh." In the face of Qi Lianao's appreciation of Feng Chenyi, Yaoyao can only respond to a shallow smile.

Because she doesn't know how to answer Qilian's words.

If the average woman, maybe answer... "Well, I love him too! "Unfortunately, she can't just say this kind of thing."

However, everything that Feng Chenyi did, she kept it in her heart.

"Right... the child in your stomach?"

Yaoyao subconsciously swept his stomach and smiled helplessly: "In the past two days, Chen Yi's performance seems to be really accepting this child slowly. But I understand him... he doesn't look outside. But the heart is very concerned."

"Also, no man can accept the fact that his wife is pregnant with other children."

"Oh, you even said this to the schoolmaster, so I also know that Chen Yi may only accept this child in order to accommodate me. On the contrary, I must also move to Chen Yi, so... this child... .." The little hand gently stroked his belly.

"You still decided to get rid of it?"

"Well... It's just that these two days are busy. When I solved the company's affairs, I went to the hospital." Although I have made up my mind, it's not hard to see that there is endless reluctance in Yao's eyes. After all, this should not be born. The child is also a life, the child... is actually the most innocent. "Right, Qilian, you are with you?"

"It's all right. After the wind has always come out, we are all fine."

"Qianlian senior, you are okay."

.. "I wanted to ask Qilian Aoyun what attitude he was in for the wind, but Yao Yao felt that this sentence should not be asked by himself. "Well, that's good. Because my business has brought you so much trouble with Kexin, it is... sorry." She got up and she bowed deeply.

Qilian Aoyun did not take the initiative to raise his eyebrows: "Oh, unfortunately, I did not kill the children of Yu Aotian. But..." got up: "I told me to see a more warm scene." Warm palm touched Under her head, a gentle and pure smile crossed his mouth: "Small melon... I wish you... happiness."

At this moment, she finally found the look they had met when they met in the face of Qiu Luoyun. At that time, Qilian proud cloud was like a prince standing under the cherry tree, so tender and so pure. .

However, his melancholy voice is still so turbid.

It seems that it is necessary to ring the bell to solve the bell. Is it only Yu Aotian that can completely open the heart lock of the Qilian schoolmaster?

"Thank you, Qilian senior."

"I go first."

"Hey... wait a minute!" Yao Yao blinked and smiled embarrassedly: "Qianlian senior, can you help me a favor?"

"Well, let's talk."

She took out a large stack of documents and piled them in front of Qilian's proud cloud: "Qianlian's senior, I don't know if you know, I don't know if there are people in this company who have Chenyi's, and I'm here. I don't know anyone in the Legal Department who is Chen Yi's confidant, who is Feng Chenrui's confidant, so I dare not just ask someone for help, only you! I only believe that you will not betray me, so... These days, you may have to work hard for you."

"I understand what you mean, don't worry." Qilian proudly picked up the big file and walked out of the office..

Episode 532

But the next second...

A glamorous woman looks forward and walks in: "Luo lawyer, what documents are the documents that Qilian lawyers just took are related?!"

The beautiful woman of about 30 years old this year is the head of the Ministry of Justice called Deborah.

From the first day of Yaoyao to this place, the woman's eyes were full of hostility towards her. No matter what she does, Deborah will be martyrdom, or she will not pass, or she will not be assigned a man or an assistant.

This led to Yaoyao's difficulty in the Ministry of Justice, and had to ask for help from Qilian Aoyun.

In her opinion, the reason why Deborah's supervisor first appeared hostile to himself was either... out of the enemy attitude between women and women; or... Deborah is the person of Fengchen Rui!

"Deborah is in charge, those documents are my job, and I don't seem to need to explain anything to you."

"Luo lawyer, you have to be clear, here is the Ministry of Justice, I am your boss has the right to ask you everything. Moreover, Qilian lawyer is a lawyer, not your assistant, what qualifications do you have to order him to do things? ?!"

Listening to Deborah's tit-for-tat, Yaoyao did not care to sit in the office chair: "Qianlian seniors have a private relationship with me. He helped me, has nothing to do with work, just because of my personal relationship with him. "Oh!" Raised his eyelids: "Deborah supervisor, this, you seem to have no right to ask?"

"That's good. The work between the lawyers and the lawyers is to be reported to the supervisor. Now you must report the contents of those documents to me and tell me immediately what you are doing for the past three days!" 'One sound, Deborah took out a chair and sat in front of Yaoyao. The chair made a harsh sound.

Yaoyao subconsciously frowned. "Oh, according to the regulations of the Ministry of Justice, my current position is really necessary to report to you. However, you forgot, I am a non-staff of the Legal Department, only ordered by President. If Deborah Supervisor really wants to know what I have done in these two days, then you will call the wind and ask me directly!"

'Snapped'

Deborah took a lot of pictures on the table: "Luo lawyer, are you taking the wind and pressing me?! Do you think that you have the wind to support you, I will be afraid of you?! You have to remember... the Ministry of Justice is divided into Within the jurisdiction of the wind deputy general!"

what.....

Deborah is now interested in proposing Feng Chen Rui, that is to say... is she really a person of Feng Chen Rui? Watery big eyes turned, Yaoyao supported on the desk with one hand, helplessly lifted the chin: "Sorry, Deborah supervisor, even if you call the wind deputy, I still only listen to the wind alone. Command. So..."

"Okay, very good! Lawyer Luo, let's walk!" After that, Deborah slammed the door.

Yaoyao basically guessed what his end would be like.

Colleagues in the office took her as transparent; even at noon, when drinking afternoon tea, no one would take care of her. Needless to say, Deborah has completely lifted her up.

"The devil seems to want to force you away." When he arrived at work, the only one who was willing to go with Yaoyao was Qilian.

The two men walked into the elevator together, and Yao Yao shrugged his shoulders helplessly: "It is estimated that you will be quarantined soon."

"It doesn't matter, anyway, I used to be alone." The melancholy scorpion voted for Yaoyao beside him: "I have a stalk, do you have a lot of work to continue?"

"Oh... okay. I have already had a 'goal' and I don't need to review any documents through her. But it will be less trouble for you later, and I will continue to be a senior."

"To each other, each other. After all, our true 'goal' is actually the same, and there will be more opportunities for 'cooperation' in the future."

For the metaphor of Qilian Aoyun, Yaoyao has heard one or two.

Nothing is about dealing with Bossen, they will definitely join forces in the future.

It seems that ... the spirit of the school's seniors has been decided, and it's inevitable to stand with Yu's Tianyi.

'Ding'

In the elevator, a large number of colleagues coming off work were poured into the elevator. It's just a strange phenomenon.

When the elevator door opens, some colleagues will take a look at who is in the elevator and find that those who are not in the right place will take an elevator.

Similarly, if the person inside the elevator finds that the person outside the elevator is not in line with himself, he will not press the close button to call them up.

"Hey..." Yao Yao sighed helplessly.

Standing next to her, Qilian Aoyun stared at the front, whispering: "The division of the wind's party is becoming more and more obvious."

"

Yes!

Since Feng Chenyi took over as the acting president, the company has been divided into three parties, one party is to support Feng Chenyi; one party is to support Fengchen Rui; and there is a neutral party.

As for the phenomenon of taking the elevator, it is nothing more than the people of the Fengchen Rui party who don't go to the elevator after seeing the people of the Fengchenyi party; or the people of the Fengchenyi party find that the people of the Fengchen Rui party are starting to wait for the elevator. Close the elevator.

"It seems that it is necessary to speed up the call for Chen Yi to get the position of the official president. Otherwise, the wind will split in this way, let alone compete with Bosen. It is good to be able to squeeze into the top five in the business rankings." After Yaoyao's secret smashing, he couldn't help but look at Qilian's proud cloud.

He nodded by default: "The punishment can be safe. Only after solving the war inside the wind can you deal with Bossen."

"Ok....."

Going out of the elevator.

"Where am I going to send you?"

"Thank you, Qilian senior, Chen Yi should wait for me in the underground garage."

"That's okay. Let's go first."

"By the way." Seeing the back of Qilian Aoyun, Yaoyao walked quickly toward the underground garage of Fengshi.

bell...bell...'

The ringtone of the mobile phone stopped the pace of the trip, and looked at the caller ID.

She smiled helplessly and slowly picked up the phone: "I have entertainment, right?!"

Feng Chenyi saw his own line being robbed, grinning, just saying the next line, who knows...

"I go home myself!"

Yaoyao took his line again.

"Oh... then I hang?"

"Oh..." She frowned slightly. "How come you hurry to hang up?"

"I should have said what you said, what else can I do besides hanging up the phone?"

"Oh, don't tease. Go to work."

"Yeah. I don't know when I want to come back today. You don't have to wait for me, go to sleep first."

"Oh, okay." Yao Yao smiled and hung up.

I have to say that since the rise of Feng Chenyi as the acting president, I have been busy a lot. There is no way, if a man takes care of his family, he will not be able to take care of his career; if he has a career, he will not be able to take care of his family. Yaoyao is still very supportive of Fengchen's career!

Look up and look for the exit of the underground parking garage.

Just then... a deafening sports car came..

Episode 533

Yaoyao subconsciously gave way to the road of the vehicle.

I saw that a black Ferrari was coming to her not far away.

This is not the car of Chen Yi, it turns out that he is just out of the company? !

Yaoyao's eyes turned and he just wanted to make a bad beckoning to the car.

What you can see is the Xie Yuqing who is sitting in the driving position!

Wrong? This is the car of Xie Yuqing?

No, the license plate number is Chen Yi.

The footsteps are moving backwards.

When the speeding sports car passed the moment in front of her eyes, she clearly saw that the person sitting in the co-pilot position was Feng Chenyi!

“Yao Yao, let me teach you to drive. ”

“Okay. But... I am only 15 years old and I am still not driving. ”

☞It's okay, we don't go on the road. Just open in safety. come on. '

When Feng Chenyi first drove her to drive, they had not officially become a couple. She was driving a sports car of the same model as the Ferrari.

At that time, Yaoyao did not know that Feng Chenyi was a man who hated other people's personal belongings, including mobile phones, including cars, including clothes, etc. He was very annoying as long as it was a personal belonging.

Therefore, every time Feng Chenyi goes out to socialize and do business, he will drive the Rolls Royce or the company bus.

It is also late, Yao Yao knows that Feng Chenyi does not like outsiders to touch their personal belongings.

☞If you don't like people touching your personal belongings, why did you call me to touch your car at that time? '

☞At that time, I couldn't find an excuse to get along with you alone, and I could only ask you to touch my car. '

'You're so naughty! '

This is the dialogue after their formal interaction.

Although, Feng Chenyi was not very frank at that time, but Yao Yao can still feel the feelings of Feng Chenyi.

But now...

Chen Yi, you should have a reason, will you call Xie Yuqing to open your car?

But since you are going out to socialize, why should you drive this car?

Although there is a little bit of loss and confusion in my heart, Yao Yao still believes that Feng Chenyi has his own reasons...

"Wind always, my home is nearby, is it better to go to my house to rest?" In the fast-moving car, Xie Yuqing looked worried and looked pale and windy.

He waved his hand coldly: "No need. I am in a hurry, I can't wait for the driver. You can open it according to your original destination."

"Oh....."

Feng Chenyi and the customer agreed to meet at 6 o'clock, but his body was uncomfortable. Xie Yuqing, who accompanied him to meet with the customer, saw this and asked for his own driving.

Although, Feng Chenyi does not like other people to touch their own things, but because of the time, it seems that the driver and the taxi are too late. Therefore, I can only call Xie Yuqing to drive my own private car to see the customer...

The winter night came very early, only 5:30, the sky was already dark.

After Yaoyao walked out of the underground parking garage, he walked to the bus station.

"What to eat tonight. Pizza? McDonald's? Cut..

. If I could cook myself, it would be fine!"

When she mentioned cooking, she would despise herself incomparably. If Chen Yi's girlfriend is gone, she is now a wife. She can't even make a dish. As a result, they don't eat outside every day, they just eat fast food, and occasionally they come to cook by Feng Chenyi.

However, Chen Yi's cooking... really... very bad!

Forget it, she is not qualified to dislike the wind and the wind, she is not as good as a man!

After waiting for a long time, the bus did not wait, Yaoyao had to take out his mobile phone and bow his head.

at this time.....

A van suddenly stopped in front of her.

The watery eyes turned, the moment I looked up...

“Zela’

The door of the van opened, and the two men pulled her into the car with lightning speed...

"Well!"

The mouth was sealed with tape and the head was covered with a black cloth bag, swaying and swaying along the van.

Who are these people?

For what purpose kidnapped her?

Yaoyao is uneasy waiting for the arrival of the results.

Finally, the van was parked.

She felt that two people had left themselves in the car.

Subsequently, the black cloth bag that was covered on the head was removed.

I was greeted by more than a dozen men in suits, and the dawn of fear swept the surrounding environment. It should be an abandoned building.

"Hey! Hey! Hey!" She was eager for those who took the seal attached to her mouth.

But the men just looked at her with no expression, without any action.

What are these people doing? !

The eyes were deadlocked, and suddenly... the font embroidered on one of the men's suits slammed into her eyes.

Royal? !

They are... the people of the Royal Dragon Club? !

Is Yu Aotian sending them to kidnap themselves? What does Yu Aotian want to do?

☹Do check! '

The mind recalls the scene when Yu Aotian took her to check at school. It wouldn't be... Yu Aotian forced himself to test pregnancy? !

no no.....

"Get it done." A dozen men looked at each other.

Looking at the man approaching himself, Yao Yao shook his head in fear. "Hey!"

Who knows...

One of the men slammed her long hair. A slap in the ㄣǎǎ' fell heavily on her face.

The pupils are expanding suddenly, not... they are not the ones sent by Yu Aotian! Yu Aotian is not so despicable to find someone to fight himself. So who are they sent to? !

ㄣǎǎ' is another slap in the face.

Yaoyao's head is a bit worried.

"Little girl, don't blame us, we are also suffering from people's money and disasters."

Received money? Disaster relief? "Hey!" That would have to tell her, who did they send it?

"I hope that this lesson will make you safer later." After that, the two men raised their feet.

Yao Yao fell to the ground and shook his head excitedly...

"Senge, this little girl's expression is not quite right." When the man just wanted to go down, the person standing next to him suddenly opened his mouth.

The man seemed to have found something wrong, and pulled off the tape that was sealed on her mouth.

When the bondage was opened, Yaoyao anxiously shouted: "I am pregnant! Don't hit my stomach! Don't hit my stomach!"

Although she has made up her mind that she will not give birth to this child, at the most dangerous moment, she can't help but play the role of a mother.

"Oh..." A few men looked at each other with a strange look. They are gangsters, not good people, and they will pay attention to Yaoyao's request. "No way, little girl, we can't manage you so much."

"That is, pregnancy is still causing trouble, it is really a matter of life. It is a lesson to give you a break when you kill your child."

Seeing that the man did not stop at all, Yao Yao clenched his fist: "Is it for you?!"

"You don't need to know. We won't tell you." After all, one of the men slammed into the past...

Yaoyao subconsciously twisted and protected his stomach. But the man's foot just fell on her back.

"Oh..." The painful squatting on the ground, Yaoyao bitten his teeth with difficulty: "I want to see the dragon...".

Episode 534

"what?"

Struggling to climb from the ground, she looked at the angry people with anger, whispered: "I want to see the team leader of your Royal Dragon Club, Long Yao! Call me immediately!"

When a few men heard the name, they all stunned. "you....."

"Maybe she just heard the name of Mr. Dalong, and he screamed." One of the men whispered.

Another man frowned and frowned: "Isn't it possible to make Mr. Dalong's details so clear? Even a group leader knows?"

"Oh..." The man's eyes turned: "Little girl, what is your relationship with Mr. Dalong?!"

After hearing a few people's questions, Yao Yao was afraid that after saying everything, those people would have to sell a lawsuit because they were afraid of not contacting the dragon. "You will know when you call him!"

Several men once again looked at each other: "We don't have a call from Mr. Dalong."

"1351111111, hit it!"

The man took out the phone and was skeptical about the phone number that Yao Yao said.

Beep...beep...beep' for a long time, the phone is finally connected: "Hey?"

"Oh..." The man's eyes turned: "Excuse me, is Mr. Long Hao?"

"looking for me?!"

"Ah? Really you, Mr. Dalong." Suddenly, all the men in the abandoned house were shocked. It can be seen that this little girl is really known to Mr. Long Hao. "Big...Dragon...Mr., I, I am three groups, Komori. That's it... We made a 'business' and now 'goods' think... want to see you."

Each gang has its own whisper, similar to 'business' is to tie people; 'goods' is the kidnapped; 'goods' is the one who pays.

The dragon on the other side of the phone listened: "The other party wants to see me. You really contact me according to the meaning of 'goods.' You have no brains?!"

"But... she can not only tell you the details, but also your phone number."

"Well?" Long Hao finally noticed something wrong this time.

The nervous question: "The name of the 'goods'... What is it?!"

"Call Luo Yao Yao!"

"Damn!" In an instant, Long Yin's attitude changed 360 degrees, shouting loudly to the big words: "I will send your address to me immediately, no one will give me a touch, let me know?!"

"Understand... understand." The man was white when he hanged up.

You know, Long Hao is a well-known gentleman in the Royal Dragon Club. Very few people will be angry because of anything. It seems that this time... they are really getting into trouble.

"What is the situation?" The people around me asked for a mist.

The man waved his hand nervously: "Hurry... hurry and loosen, please say hello!"

Three times and five divided by two, the rope tied to Yao Yao opened, and several of them were respectfully wiping a chair for her to sit down...

About half an hour later.

The sound of the car engine came from the abandoned small building. The people in the small building suddenly took a cold breath: "Miss Luo, after a while, our life and death will see you, you must say something for us." Sentence."

Yaoyao was silent and slowly lowered his head.

As the footsteps approached, those of us couldn't even breathe a breath.

When the dragons and the dragon's two men appeared in front of them, we bent down nervously: "Mr. Dalong..."

Longyan's charming eyes were thrown at the Yaoyao sitting in the first place. "Yao Yao!" Walked to her in a hurry. The warm big palm touched her little face and slowly lifted her low head.

In an instant, the bruises on the corners of Yaoyao's mouth and the corners of his eyes suddenly caught his eye.

The fascinating eyelids sank, and he turned around in anger, looking at the dozens of small shackles: "Give me a fight!" The words fell, and the two men brought by Long Yao were a punch and kick.

"Mr. Dalong, we are wrong, we don't know Miss Luo is yours.

"

"Mr. Dalong, spare us."

"Long Yao brother..." Yaoyao, who had been silent, opened her mouth softly. She licked the dragon's clothes and shook her head slightly: "Forget it..."

"Don't worry about it. I will take you away first." Long Hao smiled softly, pulling Yaoyao and walking quickly out of this abandoned small building.

The dozens of beggars who were beaten still pleaded for nothing but did not help.

In a short while, more than a dozen men were lying on the ground with a swollen face.

The two men who were brought by Long Yao looked at their painful look and said helplessly: "You can live a real life and you are really a big bargain."

"Hey... Hey. Is this still cheap? What's special, 'goods' is so clever, it's bad luck to know Mr. Dalong."

The two men looked at each other and gave a sigh of relief. They said in unison: "She is only knowing Mr. Dalong. You should thank God, the little girl called you today is Mr. Dalong, if she calls you Contact 4jè2āx\$, you are not just as simple as beating."

"Ah? The little girl knows the boss?!" One of the lightly injured men sat up from the ground in an incredible way.

"She, it is the dry sister of Mr. Dalong; or the boss...the woman!"

After the words were finished, everyone had pinched their cold sweats, and now they finally understand that it was indeed a big bargain.

If you really shouted Yu Aotian, and with the means of Yu Aotian, their lives will all be delayed today...

Sitting in the dragon's car, Yaoyao kept his head down and kept silent.

The dragon in the driving position looked softly at her side: "Yao Yao, where are you injured in addition to your face?"

"Nothing.

.." The stiff shakes his head.

Long Hao saw this, took a heavy breath, and the big hand gently turned her head to herself: "You should not because of the arrogance, even my brother is not going to be? This way... I will be good Sad, oh..."

When I saw the dragon scorpion, I was upset, and Yao Yao's eyes hanged.

Yes, it is true that because of the arrogance of the gods, she did not know how to face the brother of Long Hao.

If it is not for today's Yulongshe who refuses to let her go, she may not contact Long Hao to help her. "I'm sorry... Long Yao brother. But..." Raised his eyes: "One day, one day, I will pull out the arrow with Yu Aotian, and at that time... you..."

Alienation of the dragon, not because he is a proud person, because she does not want to see the dragon and the dilemma one day, will choose to alienate him.

"Oh, stupid girl! That day will never come, I will not call that day."

"But, that day will come!" The fact that Yu Ao killed her mother can not be changed, she will not stop.

"No, it won't come..." Long Hao gently put her in her arms, and the charming eyes were filled with a difficult look. Yes, he won't call that day.

Yaoyao does not understand the meaning of Long Yao's discourse now, but maybe she will understand it later....

Episode 535

"Yao Yao, Long Yao brother has something to ask you."

Looking sideways, looking at the dragon beside him: "What?"

"Well... how do you say that a few days ago, was your school not a sports meeting? Aotian told me that he saw Long Qi take you out of the playground, but Long Qi never appeared again..."

In an instant, Yaoyao's little face was white, and he waited for Long Hao to finish his words and quickly asked: "Now? Is Long Qi back now?"

"Oh, if he comes back, I won't ask you. We sent people to look for him. He can't find him where he often goes. I want to ask you, where is Long Qi doing very well? Strange, or...has he told you something?"

The  thumping plop' heart twitched a few times, and Yao's dark pupils expanded instantly.

Long Qi is missing... is missing...

It must be because of that! It must be!

How to do? She didn't even think about it at the time and would cause Long Qi to leave home!

"Yao Yao?" found that Yao Yao's face was very wrong, and Long Yao vaguely noticed something. "Yao Yao? Yao Yao?"

"Ah?!" slammed back to God, and she quickly shook her head: "No! Long Qi did not tell me anything; nothing has been done. Maybe... Maybe... He has a heart to go out Let's go to the heart." Is that the case? Long Qi will come back, right?

"Well... maybe." Long Hao retracted his gaze, and his mouth faintly hangs a slap in the face. Oh, maybe? Haha... "Yao Yao, you have to call the wind, I will send you home, and I will always follow the instructions."

"No, no need, Long Yao brother. I will go back on my own."

"Oh, this is called a human being, and the wind always sees that you will be investigated for injury.

At the very least, I have to give him an account on behalf of Yulong."

It is no wonder that Long Yao's brother will be called a ' diplomat'. Everything is considered so thoughtful, everything is done to perfection, and people can't grasp the words. "But Chen Yi has something tonight."

"Well? Then you have a better relationship with Ouyang Zixuan and Black Yanlong?"

"Black, always. I am familiar with him."

When I heard that Yaoyao gave such an answer, Long Hao had some surprises: "Oh, it was obvious that Black Yanlong had 'tossed' you, I didn't expect you to be better with him now?"

This is also a kind of fate in the dark.

First of all, I don't mention how to ease the relationship with the Black Yanlong. I said that before and after the encounter with the Black Yanlong, Yaoyao really witnessed the goodness of Long Yao's brother.

The most obvious thing was that they were besieged after leaving the villa of Black Yanlong.

She will never forget, Long Yao throws the only self-defense gun to himself, and one person has dealt with so many people alone; of course, he can't forget that he still owes a long life to his brother.

"When I meet you, you also 'toss' me, now you are not my brother?"

Long Hao's pondering is also. "Oh, oh, it's a lawyer, eloquence is good, I said but you, OK? Let's go, I will send you to Black Yanlong, and tell him about it."

After meeting with Heiyan Long, Long Hao gave a simple explanation and gave Yao Yao to him.

Driving the car, driving aimlessly, there was a sad look on the face of Long Yin. "Aotian, busy?"

"Alright. What happened?"

"I don't feel well, come out and have a drink with me."

"Well, see you in the old place."

In the elegant environment of the environment, the dragon is filled with a cup and a glass of himself. Yu Aotian, who was shouted out by him, just looked around, didn't talk, didn't drink.

Until half a bottle of wine went down, Long Hao took a deep breath, rubbed his hands on his cheeks, lowered his head, and sobbed in a low voice.

"Dragon, what happened?"

"I don't know what to say, I don't even know how to tell you..." Long Yu painfully clenched his fists, and the charming peach eyes were completely lost at the moment.

Yu Aotian was silent for a long while, patted his back: "Is it related to Long Qi?"

"Well..."

"The hand slammed the arm of Yu Aotian. He licked his mouth, half-squatting, and choked a few words: "I suspect that Longqi disappeared because... on the day of the Games, He may be strong... Yao Yao..."

In an instant, Yu Aotian's deep bottomless scorpion sank, and the breath spitting out of the nose was obviously a bit confusing: "Yao Yao, what did you say?!"

Long Hao shook his head: "It is estimated that Yaoyao did not say anything to defend Long Qi's face, but you should know Yaoya more than I did, no matter what happened, it was written on her face."

God knows how painful Long Hao is when driving, he wants to confirm with Yaoyao but has no face to confirm; want to ask everything, but dare not ask!

"It should be fine."

When he heard the words of Yu Aotian, Long Yu's doubts were on his eyes.

"After Long Qi took Yaoyao away, Yaoyao could return to the sports venue to prove that things should not be as bad as we think."

On the day of the Games, it can be said that Yu Aotian's eyes never left Yaoyao, her every move; he smiled very clearly!

"Oh, maybe things are not as bad as we think. But... Long Qi is walking, I am afraid..."

Silence.

Yu Aotian and Long Hao were simultaneously in silence.

In their 'home', Long Qi is a pistachio-like existence, no matter how they 'bullying' the 'counting' bad guys, they will never leave them.

but...

...

They understand Long Qi's character, and he can walk without hesitation, which proves that he is ready to never come back!

This is the dark side of Long Qi's heart.

"If Long Qi does not come back, it is my responsibility." Yu Aotian, who has never been drinking, said, pick up the glass on the table and drink it.

"No, Aotian, this matter has nothing to do with you, it is my responsibility!"

"Oh, if it wasn't for me that I suddenly broke into your brother's world, maybe all of your thoughts are now on Long Qi. Because of my appearance, you will ignore his feelings. From going to Japan, from our days. A little bit better, I always said that I would send Long Qi to go to school and go to school, but every time I was busy because I forgot about it, it would lead him to find a partner of the same age to talk to him when his mind was the most immature. , always mixed with us, and we are..."

"We just took him... as a child!" Long sighed with a deep sigh.

In the eyes of this group of brothers and sisters, they always think that Long Qi is very pitiful. Without a small partner of the same age, my brother and sister will not pay attention to him. He can only play with himself, or try to cater to them.

These, they all look in the eyes, but no one really did anything for Long Qi.

It can be said that today's Long Qi's departure is actually a kind of catharsis and outbreak of the pressure of long-standing pressure, and he will do that kind of thing for Yaoyao, precisely because these brothers have not paid attention to the physiology of this boy. The problem is caused....

Episode 536

"Yao Yao, Long Yao brother has something to ask you."

Looking sideways, looking at the dragon beside him: "What?"

"Well... how do you say that a few days ago, was your school not a sports meeting? Aotian told me that he saw Long Qi take you out of the playground, but Long Qi never appeared again..."

In an instant, Yaoyao's little face was white, and he waited for Long Hao to finish his words and quickly asked: "Now? Is Long Qi back now?"

"Oh, if he comes back, I won't ask you. We sent people to look for him. He can't find him where he often goes. I want to ask you, where is Long Qi doing very well? Strange, or...has he told you something?"

The  thumping plop' heart twitched a few times, and Yao's dark pupils expanded instantly.

Long Qi is missing... is missing...

It must be because of that! It must be!

How to do? She didn't even think about it at the time and would cause Long Qi to leave home!

"Yao Yao?" found that Yao Yao's face was very wrong, and Long Yao vaguely noticed something. "Yao Yao? Yao Yao?"

"Ah?!" slammed back to God, and she quickly shook her head: "No! Long Qi did not tell me anything; nothing has been done. Maybe... Maybe... He has a heart to go out Let's go to the heart." Is that the case? Long Qi will come back, right?

"Well... maybe." Long Hao retracted his gaze, and his mouth faintly hangs a slap in the face. Oh, maybe? Haha... "Yao Yao, you have to call the wind, I will send you home, and I will always follow the instructions."

"No, no need, Long Yao brother. I will go back on my own."

"Oh, this is called a human being, and the wind always sees that you will be investigated for injury. copy right hot novel pub

At the very least, I have to give him an account on behalf of Yulong."

It is no wonder that Long Yao's brother will be called a ' diplomat'. Everything is considered so thoughtful, everything is done to perfection, and people can't grasp the words. "But Chen Yi has something tonight."

"Well? Then you have a better relationship with Ouyang Zixuan and Black Yanlong?"

"Black, always. I am familiar with him."

When I heard that Yaoyao gave such an answer, Long Hao had some surprises: "Oh, it was obvious that Black Yanlong had 'tossed' you, I didn't expect you to be better with him now?"

This is also a kind of fate in the dark.

First of all, I don't mention how to ease the relationship with the Black Yanlong. I said that before and after the encounter with the Black Yanlong, Yaoyao really witnessed the goodness of Long Yao's brother.

The most obvious thing was that they were besieged after leaving the villa of Black Yanlong.

She will never forget, Long Yao throws the only self-defense gun to himself, and one person has dealt with so many people alone; of course, he can't forget that he still owes a long life to his brother.

"When I meet you, you also 'toss' me, now you are not my brother?"

Long Hao's pondering is also. "Oh, oh, it's a lawyer, eloquence is good, I said but you, OK? Let's go, I will send you to Black Yanlong, and tell him about it."

After meeting with Heiyan Long, Long Hao gave a simple explanation and gave Yao Yao to him.

Driving the car, driving aimlessly, there was a sad look on the face of Long Yin. "Aotian, busy?"

"Alright. What happened?"

"I don't feel well, come out and have a drink with me."

"Well, see you in the old place."

In the elegant environment of the environment, the dragon is filled with a cup and a glass of himself. Yu Aotian, who was shouted out by him, just looked around, didn't talk, didn't drink.

Episode 537

Yu Aotian and Long Yao have fallen into silence and self-blame. If time can go back, they will choose to send Long Qi, who is only 7 or 8 years old, to school at that time.

But now it's too late, they are all very clear about the character of Long Qi... I'm afraid that this is going, I really won't be back...

In the quiet western restaurant, Black Yanlong and Yaoyao chose to sit down by the window.

He gracefully cut the steak in his hand, and occasionally lifted his eyelids and swept the stagnation of Yaoyao's face on his face: "Is it played by Chen Yi's pursuer?"

Shaking his head: "It shouldn't be. I suspect that the people of Fengchenrui are doing it. Come back and go to Longxi's brother to confirm it." As for who it is, she has a certain goal.

"I have heard it. Now the wind is playing inside the hot pot. Your current status is undoubtedly the target of the public. Call Chen Yi to ask you two bodyguards."

"No need." Yaoyao picked up the drink next to his hand and sipped a bite: "In any case, I will soon get rid of Fengchen Rui!" A faint smile spread to the corner of his mouth.

The opposite side of the black Yanlong shook his head helplessly, how did he not find out, this woman is still a strong woman? The first feeling that is clearly given is that it is sweet and cute, and the bird is dependent on people. Sure enough, people can't be seen.

"Miss Luo, really clever." Suddenly, a familiar voice came, Yao Yao looked down at the side of the subconscious, only to see Xie Yuqing smile and walked to her. "Are you eating here too?"

"Oh." Out of courtesy, Yao Yao smiled and stood up: "Miss Xie, are you eating here too?"

"No, I came with Chen Yi." Waiting for Xie Yuqing, this seems to have no words.

The black ink dragon's eyes flashed a slap in the face!

"Oh. This way. Miss Xie, trouble you to take care of Chen Yi, he has had too many socializing these two days."

A touch of sweet smile crossed the corner of Xie Yuqing's mouth: "Well, you can rest assured, I will look at Chen Yi!"

Yaoyao subconsciously grabbed his fist, but his face still filled with a ceremonial smile: "That troubles you, Miss Xie."

"Should, should, oh, right..." Xie Yuqing slammed her arm, mysteriously sweeping the black-eyed dragon who was eating: "Who is he? Your boyfriend?"

Ah.....

Yaoyao does not believe, Xie Yuqing will not know who his wife is! Also deliberately asked this kind of words?

When Xie Yuqing first called 'Chen Yi', she vaguely felt that Xie Yuqing should have guessed the relationship between herself and Feng Chenyi!

"Oh, come, let me introduce. He is a good friend of Chen Yi.

"

"Hey!" Xie Yuqing rounded her eyes and revealed a cute 'O'-shaped mouth: "Hello."

Black Yanlong put down the knife and fork in his hand, and coldly swept his eyes. Xie Yuqing reached out to the hand in front of him. When he was fine, he continued to pick up the knife and fork.

Xie Yuqing's face suddenly fell down: "Inside, Miss Luo, I will go back to accompany Chen Yi. Don't bother you."

"Ok."

Seeing Xie Yuqing leaving, Black Yanlong finally raised his eyelids: "Hey... the war between women is really hypocritical!"

Upon hearing this, Yao Yao sat down inconspicuously. Black Yanlong was really powerful. I suddenly saw that I was competing with Xie Yuqing.

This man is really a thoughtful master, looking at it with a cold eye, but can see it very thoroughly.

Unfortunately.....

He is too loyal, and sometimes he will be lost by loyalty.

I believe that with the super-strong insight of Black Yanlong, I shouldn't have been deceived by Shang Yunyin at the beginning. Just because of a word of 'righteousness', will he do it for himself?

"Yeah. Women and women are like intrigue. Black is always happy, like the same kind...

"

“Zla...”

Suddenly, the black and white dragon's knife and fork crossed the plate and made a harsh sound. His mouth twitched dryly twice: "Oh, oh, yes... fortunately..."

"Waiter, Checkout."

"Wait! Black, this is called me to ask you." Yao Yao smiled strangely, took out 500 yuan and quickly handed it to the waiter.

Black Yanlong did not grab her, and put away the wallet, cold and cold: "Is there something for me?"

Suddenly, Yaoyao's eyes were all light, and he nodded his head: "Well! Well! Ah!"

On the other side, the restaurant is inside the box.

Many officials are there, and Feng Chenyi talks about business with them.

Xie Yuqing, who just went to the bathroom, sat by his side with a smile and whispered: "The wind is always, the wind is always, I just saw that Miss Luo is eating with Boss's royal family. Are they in contact?"

"Miss Luo?" Feng Chenyi's eyes sank: "Which Miss Luo?"

"It's your current attorney. Are they in contact with each other?"

In an instant, Feng Chenyi's hand grasped a fist and just got up and left...

"Hey, the wind is always, now your company's real estate project is being approved?" An official at the dinner table suddenly opened his mouth.

Feng Chenyi had to sit back in the chair and patiently talk to the official.

At this time, sitting on the side of Xie Yuqing looked at the hand of Feng Chenyi's fist, the corner of his mouth could not help but provoke a strange smile...

Time has arrived at 9 o'clock in the evening, Yaoyao lying in the bed of a private hospital, holding a mirror, according to his own horrible face, admired to the black Yanlong next to his thumb: "Black In general, the technique of your makeup is really amazing.

"

"Oh. What kind of trick do you want to play this time?"

"Secret!" Yao Yao smiled mysteriously and put down the mirror in his hand: "Black, it's embarrassing to delay you for so long. Go back first."

"Don't contact the next Chen Yi to accompany you?"

"No, he hasn't called me until now, and he is still busy. Don't bother him."

This is the first time that Black Yanlong saw such a sensible wife, was beaten, and did not scream with her husband? ! "Oh, then I will go first." Shakelessly shook his head, he turned and walked out of the ward.

But he could stop at the door of the ward.

Even if Yaoyao does not bother to disturb the wind and the atmosphere, but the husband of the wind Chenyi should not really do nothing happens.

Therefore, Heiyan Long felt that it was necessary to inform Feng Chenyi.

Just got out of the phone.

The footsteps that came not far away attracted his attention.

The ink-colored pupil stared at the figure that was approaching not far away. He put away the phone and smiled and said: "Yu, is it so clever?"

"It's not a coincidence, I was deliberately visiting...the wind lady."

Black Yanlong holds his hands in front of his body: "Oh, you are really a supernatural master, but the wind is just coming to the hospital, you will be there for the first time?"

There is no irony in these words.

The hospitalization of Yaoyao, Yu Aotian, and Feng Chenyi are all without knowing. Can be proud of the first appearance, black Yanlong now... I really don't know what to say.

"Oh, this hospital happens to have my shares. When you sign up for the wind lady, the office director called me.".

Episode 538

It is a coincidence that the other director of this office is the person of the Royal Dragon Club. He also knows the relationship between Yu Aotian and Luo Yaoyao.

"Yu, the wind is in the air."

"Well, then I am advanced." Yu Aotian politely nodded to the black Yanlong, and walked into the ward with the fruit basket.

Yaoyao, who is lying in bed and admiring his 'face', heard the doorway as soon as he heard the door opening...

When the four eyes were opposite, Yao Yao stunned and Yu Aotian also stunned.

"Dragon tells me that you are very hurt, how can it be so serious?!" A rushed to the bed, he frowned, his eyes were unclear or worried.

Yaoyao frowned slightly, and it seemed that Yu Aotian did not find that the wound on her face was fake. Since this injury has been deceived by Yu Aotian, it is not a piece of cake, black. Yan Long is really amazing, just a genius in the fashion world!

"The injury on my face is fake."

"Fake?!" No wonder, he said that Long Hao could not lie to himself. A long sigh of relief, the bottomless scorpion turned: "Do you want to "blackmail" Feng Chen Rui?"

In an instant, Yaoyao's little face was tight. She really didn't think that Yu Aotian suddenly saw her own thoughts. ! How can I fight with him later? The man's mind... is too deep!

"In any case, your injury is indeed played by the people of Yulongshe. In order to make up for your loss..." said, Yu Ao Tian Xie smiled and took a folder from the top of the fruit basket and handed it to her. Hands: "This, you see, you should be very happy!"

What is it?

Can't wait to open the folder...

Inside is a photo of Deborah and Feng Chen Rui, of course, there are still bed photos!

The tight little face suddenly showed an excited smile: "Hah, hahaha, I know...the relationship between them is not normal!" The eyes turned slightly: "Yu, this information should not be Have you just investigated it?!"

"Well. I also have a lot of photos of Feng Chenyi and other women here, are you either?"

Looking at the handsome face of Yu Ao Tian Xie, her face sank instantly: "Yu, you send people to track Chen Yi?!"

"I am not afraid that he is carrying you again, of course, looking for someone to stare at him, it will be better."

For Yu Aotian, this seems to be fake, like a joke and serious, she does not want to think too much. "My own marriage, I can guard myself!"

"You really can guard, how happened to the event two years ago?"

"No, I believe him! He has been wrong once, can't be wrong for the second time." Moreover, now she is better than the wind and the wind two years ago? Even in the belly... with other men's children, where can she ask too much?

The little hand can't help but just climbed to his lower abdomen, but she was afraid that Yu Aotian would notice what she was, and she immediately stopped the action. At the same time, the sight of Yu Aotian was taken back. "Yu, I have to rest, thank you for your 'gift'."

"It should be." Yu Aotian stepped back two steps. He just left, but he stopped again.

He squinted his lower lip and looked at Yaoyao as if he had something to say, and swallowed back, standing there and motionless.

Yaoyao seems to have noticed something wrong. According to the decisive character of Aotian, it will not reveal such a dilemma. Does he have anything to say? "Yu total?"

Yu Aotian took a deep breath and held a fist slightly, muttering... "Long Qi's thing... sorry..."

Outside the ward, Black Yanlong relied on the cold wall and slowly took out the phone.

☎Beep...beep...'

The call was made to the wind, but the phone rang for a long time. When Black Yanlong just gave up...

"Hey?"

There was a woman's voice in the phone of Feng Chenyi. His brow is tight: "Chen Yi?!"

"Sorry, Chen Yi is sleeping. You are calling him tomorrow, okay?"

Suddenly, the black ink dragon's scorpion flashed a smear of light, and the next second, he quickly hang up the phone...

When I saw the girl named Xie in the restaurant, I felt that the girl was not simple. I thought that no matter how busy the wind is, I must call him to accompany Yaoyao.

But.

..

It's ridiculous, the wife of Feng Chenyi is now in the ward, but the woman who answered the phone used her wife's tone to talk to him. ! "Interesting... huh..."

“Oh,”

The door of the ward opened, and when Yu Aotian came out, Black Yanlong quickly put away all the anger on his face: "Yu, have you left?"

"Well, Chen Yi?"

"On the way."

"Oh, then I will not wait for him, go first."

"Slow down." Seeing the back of Yu Aotian's gradual departure, the face of Black Yanlong's Zhang Junmei sank again.

Turned back and turned back into the ward.

Yaoyao looked at the door subconsciously: "Black total? Are you not leaving?"

"I thought about it. Anyway, it would be boring to go home alone. I decided to stay with you tonight." Black Yanlong said, sitting on the sofa with his ass.

Yaoyao smiled and said: "Is it going to be too troublesome for you?"

"No trouble. If I am sleepy, I will sleep on the sofa. You don't care about me, sleep with you."

Sweat...

Where will the black Yanlong say so simple, after all, non-intimate, let people accompany themselves for one night, it seems really...

Forget it! Since it is the decision of Black Yanlong, it should be difficult to change it?

The mind is inadvertently floating when the words of Yu Aotian are leaving..

.

Long Qi's thing... sorry...' His voice was hoarse, and the atmosphere that gave people a sense of oppression at that time also exudes a touch of sadness.

She can feel that Yu Aotian is very sad and very sad. It is like the helplessness and self-blame of his brother when he hurts his family.

It seems that the relationship between Yu Aotian and the Dragon Brothers, Han Lie, and Mo Xueyan is far less than she thought. The relationship between them has already surpassed the friendship and even the family.

Oh, I did not expect that the ruthless Yu Aotian is actually a person who pays attention to emotions.

But also true, after the fire, his heart and soul may have been buried in the sea of fire, is it cold, they accompany him around, only slowly evoke his desire for love?

Long Qi...

Come back soon.

I decided that nothing has happened in that matter, and we can continue to be friends.

Come back soon, don't ask your brother or sister to worry, okay?

Early the next morning.

Not waiting for Yaoyao to wake up, Black Yanlong bought the breakfast and left the hospital quietly.

In fact, the hospital is providing patients with breakfast, but he feels that the hospital provides unsanitary, will personally buy it.

You should know that this time, the young master who is paying attention to the show can bend to give a woman a breakfast.

Of course, his carefulness is not comparable to that of a normal man.

Perhaps, he is out of loyalty, doing things that Feng Chenyi should do in helping the wind and Chen Yi; or maybe... he wants to do this for Yaoyao..

Episode 539

"Black total? How come you?" At the door of the president's office, Lisa saw the black dragon and asked.

"Chen Yi came to work?"

"Well, it's already here."

Upon hearing this, his ink-colored scorpion flashed and pushed the door of the president's office and rushed in.

"Yanlong, how are you..."

Still waiting for the wind and the end of the story, the black Yanlong stepped forward, picking up his collar is a heavy punch!

The windy hand that was beaten squinted at the corner of his mouth, and the cold scorpion instantly expanded: "Yanlong, are you crazy?!"

"I ask you, where did you sleep last night?!"

The mood of the mood swing seems to wake up, cold and cold: "I was not feeling well yesterday, has been in the hospital."

What is this couple doing? ! One is beaten, one is uncomfortable, and all live in the hospital, but who does not inform each other? This is strange.

But for their husband and wife, Black Yanlong has no interest in managing too much. The reason why he is so arrogant to kill the office of Feng Chenyi today is another purpose! "Your woman is not saying this to me!"

"Yao Yao? What did she say?"

"Not this woman, it is another!"

"Another?!" Feng Chenyi disdainfully smiled, his hands could not help but hug in front of him: "What do you mean, I am carrying a woman with Yaoyao?!"

"Don't it? Who was the woman who picked up the phone last night? She said...you slept at her house and told me to call you tomorrow. Hey, that tone is like your wife than Yaoyao!"

In an instant, Feng Chenyi's face sank, and he quickly pressed the page call button: "Lisa, immediately give me the Xie assistant to call!"

"Yes! Wind always."

In a short while, the door of the president's office was pushed open. Black Yanlong walked slowly to the position of the floor-to-ceiling windows, and his hands clasped in front of him and smiled on the wall.

When Xie Yuqing walked in, he saw the black dragon and shook his fist in uneasiness. "Wind, wind, what are you looking for?"

"Xie assistant, I remember I told you already, I hate people touching my personal belongings. Also! You told my friend yesterday, I am sleeping in your home?!"

Xie Yuqing's face was tight, and the subconsciously cast a black-eyed dragon that relied on the window.

His sexy lips slightly smacked a touch of curvature.

She understood herself at once... It was calculated by Black Dragon! "Wind always, I didn't say that you were sleeping in my house. I just said that you are asleep. At that time... I think you really feel bad, so I said this." Saying, saying, Xie Yuqing left. The grievances of tears.

Her tears didn't touch the wind, and he blinked coldly: "Xie assistant, I will call Lisa to transfer other departments for a while, just like this. You can go out."

"Wind always! I really didn't say that! Wind always..." Xie Yuqing is still eager to use his innocent to impress the wind and the atmosphere, but compared to the black Yanlong's understanding of Feng Chenyi, what is her point of carving? Seeing nothing to do, she had to withdraw from the office.

Feng Chenyi put away the coldness on his face, and looked helplessly at the black Yanlong: "Is it satisfied?"

Shrugged his shoulders: "Alright.

"

"If you hate her, just tell me that you are not finished, why bother to give me a punch?!" Feng Chenyi touched the corner of his mouth. I have to say that he has seen through the minds of Black Yanlong.

However, for friends and Xie Yuqing, he will of course choose friends. Moreover... he had already intended to get away from Xie Yuqing.

"Who told you to hit me last time? Don't worry about your punch at this time, how can I feel comfortable in my heart?"

"Last?" Feng Chenyi thought, should he give him a punch when he rescued Yao Yao at the club of Heilongjiang last time? Cold and cold eyes, Wind Chen Yi directly erected a middle finger: "Your sister!"

"Cut..." Black Yanlong did not bother to show his middle finger.

This is the friendship between men, there is no kind of concern and sweet talk between little girls and little girls. Some of them met each other, unloaded all the disguise, and began to insult the other party.

"Oh, yes, Chen Yi." Black Yanlong put down his hands in front of him: "Your wife was beaten yesterday and rescued for one night."

Feng Chenyi 风晨艺 suddenly stood up from the position: "How do you tell me now?!"

"I called you last night, that is the woman who picked it up!"

"Damn!" Feng Chenyi hated and clenched his fists. It seems that it is cheaper to transfer away Xie Yuqing.

Unable to say that he asked the hospital where Yaoyao lived and quickly rushed over.

"Oh..." Black Yanlong was done in the president's office, waiting for the elevator...

Xie Yuqing went to his side with a grievance: "Why are you lying?!"

The ink-colored scorpion stared at the number of the elevator beating.

He said coldly: "Why do I lie, do you not understand?"

风晨艺 was at this moment, the elevator door opened, and Black Yanlong walked in without expression: "Go and find new prey."

Upon hearing this, Xie Yuqing, standing in front of the elevator door, finally unloaded all the disguise on his face: "I only like successful men with wives!"

"Oh! Is it? There are so many successful men with a wife, is it a Chen Yi?"

"How can I get him first, looking for the next... goal?!"

The elevator door slowly closed, but Xie Yuqing's face with a strange smile was deeply reflected in the pupil of the black dragon...

This woman... I'm afraid it's really bad!

"Yao Yao!" Feng Chenyi panted and pushed the door of the ward.

Yaoyao, who is having breakfast, is scared of a spirit: "Chen Yi? I want to call you, how come you suddenly..."

A step, rushed to her face, Feng Chenyi held her in her arms: "Who did it?!"

Facing the sudden embrace of Feng Chenyi, Yao Yao smiled helplessly: "Chen Yi..."

"Why are you..." He wanted to ask why Yaoyao didn't call himself, but... even if he was beaten, it was also picked up by Xie Yuqing.

It is better not to fight. "Sorry, Yaoyao, not with you to accompany you." Unlocking the arms of this imprisoned, he looked at the scar on her face.

Yaoyao is helpless smile: "Chen Yi, you calm down first, listen to me, finish the words, can't you?"

"Ok....."

"The wound on my face...is fake."

"Fake?!" Feng Chen Yi brow tight, hateful fists: "Zhen Long grandson!"

"What are you doing all black?"

"That guy, tell me, you have been rescued last night!"

"Oh..." When Yao Yao was just about to blame the black dragon's mischief, he immediately reacted to his good intentions.

Eighty percent, Black Yanlong wants to tell her to see how nervous Chenye is.

She saw it, huh, huh.

"Chen Yi, but I was beaten really."

Feng Chenyi just calmed down and immediately sank.

"Don't be nervous, I'm fine. It's all that Long Yao brother came over to solve."

Episode 540

"long ye?!"

☞The wind is always, the wind is always, I just saw that Miss Luo is eating with Boss's royal family. Are they in contact? ☞Thickly remembered the words of Xie Yuqing, Feng Chenyi blinked and smiled and said: "What is going on?"

After Yaoyao described the cause and effect with the wind and Chen Yi, Feng Chenyi was put down, but the next second... "You last night with Yu Aotian, eating at the Lande Western Restaurant?"

"No. I have dinner with Black always there." Her eyes turned: "Xie assistant told you?"

"Oh..." Feng Chenyi reacted at once, and smiled at the same time with Yao Yao.

"But... Yesterday evening, Yu Ao came to the hospital to visit me. But..."

Feng Chenyi slammed her mouth with her fingers. He didn't want to listen to it now. After all, he had promised that no matter what difficulties Yaoyao encountered, he would be the first man to appear beside her. But this moment... he didn't do it. "Needless to say, I believe in you."

Believe?

Hehe, in fact, when Feng Chenyi asked if she had distrusted with Yu Aotian at the western restaurant. but.....

She understands the 'no trust' of Feng Chenyi!

It's Xie Yuqing...

The watery eyes gradually darkened, and the relationship between them and Yu Aotian actually did not know much. It is reasonable to say that Xie Yuqing has no reason to use Yu Aotian to provoke the relationship between himself and Chen Yi. of. Visible.

.. Xie Yuqing should be very good about the things between the three of them! Very understanding!

Xie Yuqing... What is the character? Shouldn't it be just a little assistant? !

Seeing that the ward was gradually quiet, Yao Yao looked curiously at Feng Chenyi: "What are we doing next?"

"What do you say? Of course, it is to find the medical expenses of Feng Chen Rui with my wife!"

Seeing the treacherous look on the face of Feng Chenyi, Yao Yao slammed and laughed: "Hurry up! Call him quickly, remember... more 'blackmailing'!"

"Do not worry."

Almost half an hour later, after Feng Chenrui received a call from his younger brother, he rushed to the hospital.

As soon as the door of the ward was opened, the atmosphere inside was extremely dignified. Feng Chenrui stunned Yaoyao on the bed of the eye: "Well, how did the younger brothers hurt like this?"

"Big brother, how is Yaoyao injured, you will not know?" Feng Chenyi faceless expression.

Feng Chenrui shrugged his shoulders with incomprehensible thoughts: "What do I know? Chen Yi, what do you mean by this?"

"Oh, if there is no accident, it should be the case that Deborah, the head of the Legal Department, is looking for someone to do."

"Really fake?" Feng Chenrui frowned at the surprise, the next second, the corner of his mouth slightly provoked a difficult smile: "Chen Yi, you can rest assured, if you have evidence that it is her, I She must be severely punished."

"Big Brother, are you really willing to punish Deborah?"

"What are you talking about? Deborah is just an employee of our Feng family. What are you willing to give up?!"

Cut...

Yaoyao, who was lying on the bed with his eyes closed, almost laughed when he heard this. It is obviously a mistress, and it is okay to pretend.

"That's good. I have peace of mind when I have a big brother with you." Feng Chenyi's cold scorpion sank, 200, 200 took two shots.

I saw two men in suits walking in quickly.

"Who are they?" Feng Chenrui's confused question, when he saw the words of the two embroidered men's suits, his face suddenly changed.

"I believe that Big Brother, you should already know their identity.

Trouble you to talk to the Vice President, who is going to buy you to beat my wife!"

"It's Deborah, the head of the legal department of Feng's." The two men finished speaking in unison.

Feng Chenrui was still proud of the original appearance and disappeared immediately: "You better not to talk nonsense, this is to pay legal responsibility!"

"The wind deputy general said that you are nonsense, trouble you to come up with evidence."

"Yes...the wind is always." The two men took out their mobile phones and brought up a recorded document...

"Is it Sengo? I am Deborah, I want to ask you to teach you a lesson."

"who?"

"Oh, an employee of Fengshi, called Luo Yaoyao. It is a girl."

"How much do you want to learn?"

"It's okay to abolish one of her hands."

"understood."

Inside the phone, there is a constant dialogue between Deborah and Senge. Undoubtedly, this evidence can be compared to Deborah's voice as long as it is technically authenticated.

Feng Chen Rui hated and shook his fist: "I did not expect that we have such a person in the wind. Chen Yi, you can rest assured, I will definitely vent my brother and sister!"

"Hey... Big Brother." Feng Chenyi waved his hand and the two witnesses left the room. "You have to tell me how you want to deal with this?"

"That, then..

. deduct Deborah's performance bonus for a month!"

"Ha! My wife's hand is worth a month's performance bonus?!" Feng Chenyi's face suddenly sinks: "I have carefully considered it, this matter is still going to the legal process."

"Wait! Wait, I thought about it. It seems that the punishment for Deborah is really a bit lighter..." Feng Chenrui wrinkled and said with a sigh of relief: "Cancel the identity of her supervisor, how do you see it?" kind?"

"That can't be done, what if Yaoyao is being beaten in the future?"

"You can rest assured that Big Brother promises to you, and this will never happen in the future!"

This is the very serious purpose of Yaoyao to pretend to be beaten!

Although she didn't really have anything, Deborah saw her intact and she had to pick up her hand in the future. Today, Deborah can look for Yulongshe. Maybe you will find other gangs tomorrow. What should I do then?

Therefore, Yaoyao simply used this opportunity to give Deborah a refreshing, and she later played the game.

"No, no! I thought about it. The punishment for Deborah seems to be too light. It is better to go through the legal process." Yao Yao's purpose is to achieve, but the 'purpose' of Feng Chenyi does not seem to have been reached.

Seeing that his younger brother is not arrogant, Feng Chenru suddenly sees through his mind and slightly holds a fist: "Chen Yi! The Ministry of Justice plans to manage it for you in the future. Is this always possible?!"

Feng Chenyi's pretending to keep silent, but his hand but back to the back of Yao Yao Yao stroked a scissors hand.

Hey!

She can only bear her own laughter. Feng Chenyi, this bastard, is really a master of rip-off!

The purpose is reached, and Feng Chen Rui is leaving.

Yaoyao finally couldn't help himself, and laughed loudly: "Ha ha ha..."

"You are pretty? Is this satisfied?"

Looking at the expression of Feng Chenyi's helpless face, she frowned at the incomprehensible: "I just wanted to use this thing to tell them not to use the means of making the next three abuses. You now even have the law department extorted. Still can't you?".
