

## **Pure Girl 571**

### Episode 571

"I ate, what about you?"

"I have eaten it. Yaoyao, I'm a bit tired. I'll go to rest first."

"It's only 7 o'clock? Did you fall asleep?" Yaoyao followed him with a smile.

Wu Fengchenyi suddenly stood still and turned her head with a smile: "Why? Do you want to do something with me?"

"Tsz! Then you sleep."

The light and humorous conversation seems so ordinary, but how heavy the boulder buried in the hearts of these two people is, everything is silent.

Two of them, one went to the bedroom; one went back to the living room.

The moment she walked in the opposite direction, the smile hanging on Yao Yao's face disappeared instantly.

The smell of the perfume on Chen Chenyi ... so strong ...

She doesn't spray perfume, and the smell of that perfume ... seems to be familiar.

Ah...

The big watery eyes gradually dimmed, and she smiled foolishly, and a layer of water mist gradually forced her eyes ...

On the day of the General Chamber of Commerce.

The political circle has an annual wrap-up meeting; the business world also has an annual wrap-up meeting.

However, the Business League conferences are quite stringent and are rated according to the performance and size of each company each year.

It can be said that the conclusion of each business federation meeting will directly affect the share prices of all participating companies.

Generally, the companies that have been ranked in the top three will have their stock prices soar, while the original top three companies will fall sharply if they fall outside the top three.

At present, the company tied for the first place is Royal Aobo's Bosen Group and Feng Chenyi's Fengshi Group; the third place is Hei Yanlong's Baolai Group; the fourth place is Xia Renliang's blue

Degree International; the fifth place is the Ouyang Group.

If you say that the current rating is over, the top three companies will drop their stock prices as soon as they fall into the rankings; once anyone enters the top three, their stock prices will rise sharply. This is the power of the Business League!

This time, the venue of the Confederation of Business Conference was selected in Japan, which lasted for ten days, with a total of 50 companies and more than 100 people participating.

Needless to say, this is not only an evaluation meeting for the business community, but also a play meeting for the big brothers to connect with their feelings and vacation ...

Inside the airport's super VIP channel.

Tong Yaoyao pulled a small suitcase and walked quickly.

"Mrs. Feng, will you be represented by the Feng Group this time?"

"It's really rare, does Feng always give you such an important task?" The chief executives of several other companies who also came to the Confederation of Business Association came forward enthusiastically to chat with Yao Yao.

She smiled gracefully and nodded politely to those people: "You have misunderstood. I am attending as Feng's attorney this time, not as Mrs.

Feng."

"Oh? That's it. If Mrs. Feng has any help, let us speak, we will definitely help."

"Oh, thank you." While chatting, walking into the cabin.

This medium-sized passenger plane has six seats in a row, three on the left and three on the right. According to the position of the ticket, Yaoyao is seated in row A on the left hand side, next to the window.

When she stood in the aisle, she realized that the black hand dragon was sitting on the aisle on the left hand side and the Xia Renliang was sitting on the aisle on the right hand side.

"Mrs. Wind."

"Mrs. Feng." Hei Yanlong stood up with Xia Renliang and greeted her.

"Mr. Hei, Mr. Xia." They shook hands politely.

"Oh, remember that when you last met, you were the acting lawyer of President Yu, and now you are Mrs. Feng." Xia Renliang couldn't help sighing about the rapid change in the world.

But in the months before and after, it seems that Yaoyao has become an elegant lady instantly from an immature clerk.

"Yes. President Xia should also be married to Xiao Qiao, right?"

"Well. The marriage that was done two months ago is always a few days before you follow suit."

"Oh, congratulations, congratulations."

"Let's consider them as happy."

After a brief greeting between Xun and Xia Renliang, Hei Yanlong put away luggage for Yao Yao, and she sat in her own place.

"How did Chen Yi send you here?" Hei Yanlong whispered.

Wu Yaoyao smiled helplessly: "I was supposed to come with him, but he seemed to be in a temporary situation, so he asked me to come alone."

"Oh." This time the Confederation of Commerce is very important. It can be said that all the 50 companies who come to participate are the largest leaders to attend in person. It is rare to assign an attorney to Fengshi to attend.

Hei Yanlong pondered for a moment, his dark eyes glanced around, then lowered his voice and asked, "Are you ... convenient?"

What should Hei Yanyan refer to?

She lowered her head and forced a smile, she stroked her lower abdomen subconsciously: "It's ... gone."

No matter how general Yao Yao's answer is, Hei Yanlong, who has a delicate mind, guessed one or two at once, or that he had guessed the ending when he knew that Yao Yao was pregnant, otherwise he would not be so excited.

Called Feng Chenyi!

"Yes, Mr. Hei. Do you know who this middle position is reserved for?" Yao Yao took the opportunity to shift the topic.

Hei Yanlong shrugged helplessly: "You see, you know. You sit in the first position, I sit in the third position, President Xia sits in the fourth position, Uncle Ouyang takes the fifth position, and so on,

You say who else is there between us? "

This time, whether it 's an airplane seat or a hotel room, it 's all set by the Business League, and they 're set according to the group 's ranking.

It follows that ...

Jain's central position is ...

"General Manager. It's been a long time.

"

"Mr. Yu, at this business conference of the Federation of Trade Unions, I must talk to you about how to manage the enterprise. Your Bosen management system is really good."

At the entrance of the aircraft, many corporate executives followed Yu Aotian and walked in.

He responded to everyone with an elegant smile, and slowly walked towards his position.

When Dang Yaoyao saw him appear, he quickly took out his blindfold and put it on his eyes.

Seeing and not bothering, sleep!

"Mr. Yu." Xia Renliang, who was sitting in the aisle on the right, stood up politely. Although he may not be able to forget the 'memory' brought to him by Yu Aotian, but out of politeness, he and Yu Aut

Say hello.

"Hehe, President Xia." Yu Aotian also shook his hand politely, his bottomless eyes squinted at the black dragon, the two nodded slightly to each other, and then the evil look

Slowly, I went to Yao Yao who was sleeping by the window ...

The bosses of all the companies arrived, and the plane slowly flew to an altitude of tens of thousands of feet.

Ji Yaoyao fell asleep motionlessly, while Yu Aotian whispered the business management experience with Hei Yanlong.

"Mr. Yu, I have to say that we are really a lot worse than Bolson and Boson."

"Oh, in terms of your age, Bolly's achievements have been daunting. If you push back a few years, the future of Bolly is incalculable."

In the business world, Yu Aotian's most important opponent is Feng Chenyi, only 22 years old, but this does not mean that others are incompetent in his eyes.

Just like the strength of Hei Yanlong, naturally cannot be underestimated.

At the age of 18, he took over the position of chairman and CEO of the Bolly Group. Only 2 years ago, he has firmly consolidated the top three in the overall ranking of the group, and his ability can be imagined.

.

Episode 572

'Squeak, squeak' a discordant voice suddenly inserted into the conversation between Yu Aotian and Hei Yanlong.

The dark-colored eyes of the dark black dragon flickered, and was planning to find the source of this unpleasant sound.

But Yu Aotian suddenly laughed: "Shh!" Fingers were placed on his lips, and he pointed mysteriously at the little things beside him.

"It seems that she really fell asleep this time."

The sound of grinding teeth, the sound of mouth pouting, the restless movement.

Wu Yuaotian smiled helplessly, took off his suit jacket, and carefully covered her.

Hei Yanlong, who was watching this scene, clearly saw the spoiled expression hanging on Yu Aotian's face: "I never thought that you would be such a thoughtful man.

"Oh, taking care of her ... has become my ... a habit." The tender eyes focused on Yaoyao's sleeping face, Yu Aotian smiled charmingly.

Yeah, all this has become a habit.

When they lived together before, this little guy slept abnormally at night, either kicking the quilt or tossing blindly, and whenever he woke up in the middle of the night to see that there was no cover on her, he would involuntarily cover her.

Taking care of her over time has become a habit in his life.

I just ... Yaoyao, who is always immersed in sleep, may never know in this life, in a lonely night, a man will be so considerate and take good care of her ...

"Hey, woman! Wake up!" The plane landed, and many people in the cabin had already left, leaving only Yao Yao and Hei Yanlong who were sleeping like dead pigs. He impatiently shoved.

Holding her.

"Hum!" Yaoya twisted his body unhappily, and his little hand also subconsciously beat it up, almost hitting Hei Yanlong's face.

"Damn woman, it is really serious to get up!" Hei Yanlong said with his teeth gritted, can't help but think of Yu Aotian's explanation before leaving ...

"Hey, Mr. Hei, if you're tired, wake up this little thing and see what it means. She should sleep very dead. "

"Mr. Yu, can you finish her? "

"Hey, huh, if the first thing she sees is me, I'm afraid that all her 'dreams' will be broken. "

"Yao Aotian showed loneliness in his eyes when he said this sentence. Oh, by the way, Mr. Hei, she gets up badly, so be careful.

I'm leaving....."

"Oh, I didn't expect that this woman got married, but Yu Aotian hurt her more and more? Hey ..." Hei Yanlong said to himself, and his dark eyes sank and pinched firmly.

Got her little nose.

"Get out!" Opening his eyes suddenly, Yao Yao stared at Hei Yanlong full of anger, but the next second, the gods pulled back ... "Yes, I'm sorry, Hei. I ..."

"Give you two choices. One is to redeem my luggage for me; the other is that we both don't move and return home immediately on this flight."

"I choose the first ..." Otherwise, this time for nothing.

Wu Yaoyao was about to get up to pick up his luggage, but found the suit jacket that was covering his body, and he stunned for a moment ... "Hei, please help me return this dress to Yu Aotian for a while."

"Huh? Oh, how did you know it was his clothes? He didn't write a name."

She stood up expressionlessly, pulled up the two luggages left and right, and whispered: "On his clothes ... there is his unique fragrance ..." Stepping forward.

But he did not return to God for a long time in the same place, only to find that ... the two of them actually knew each other so much ...

At the large airport lobby, Hei Yanlong's eye-catching appearance attracted the attention of many passengers.

The tortured Yao Yao followed him like a little slave carrying two luggage.

"Hey, you wait for me, wait for me."

"We have left the airport at the latest. If we slow down, we will be despised by all bosses!"

"I have two bags for the problem. I can't walk fast."

"It's really troublesome!" Hei Yanlong saw this and grabbed the two luggages in her hand, speeding forward.

After a while, I finally arrived at the VIP bus dedicated to receiving the boss. According to the ranking, this time Yaoyao and Yu Aotian were another seat.

In desperation, she had to change positions with Hei Yanlong and sit with Xia Renliang.

About two hours later, the bus arrived at a six-star hotel in downtown Tokyo.

Responsible for receiving members of the Japan Chamber of Commerce Federation.

"Sorry, sorry, because Feng didn't give notice in advance, I thought it would be Mr. Feng coming in person. I didn't expect to send a young lady to come, so I can only temporarily allocate housing according to the original." Reception, Japan

The staff of the Chamber of Commerce Union kept apologizing to Yaoyao: "But Miss, rest assured, the rooms are all suites, and there will be no inconvenience."

Even if she is an apartment, isn't she living with Yu Aotian?

Isn't this kidding?

"So, can I open a room at my own expense?"

"Miss, if there is room in this hotel, I will definitely open a separate one for you."

No way?

Do you really want her to live with Yu Aotian?

I took the room card and Yaoya went upstairs full of anger.

Standing at the door of the room, she quickly inserted the card into the door.

The door opened with a click.

Pushing stubbornly, a living room came into view, and there was a bedroom on the left and right.

If you live here with Yu Aotian and don't go to the living room, it seems like nothing is going on?

"Squeak" The bathroom door in the living room suddenly opened.

I saw, Aotian wrapped in a bath towel and walked out slowly.

When the two of them faced each other with four eyes, Yaoyao's eyes subconsciously turned to him, and with a click, the house card in his hand fell to the ground.

Don't tell her that their toilets are shared?

!!

That would be even more dangerous!

The atmosphere in the living room was stalemate, and Yao Yao sat expressionlessly at the end of the sofa; Yu Aotian seemed to have never happened.

Now, how to solve it?

It doesn't matter if you live in an apartment. If the bathroom is shared, it will inevitably lead to an 'accident'.

"I was thinking of a way."

"Who knows", Yu Aotian suddenly stood up.

Wu Yaoyao exclaimed instinctively, "What are you doing ?!"

"What do you want me to do?"

It took them more than 4 hours from boarding the plane to entering the hotel. This was their first conversation.

Wu Yutian went into his room expressionlessly, and left in a short while carrying a suitcase.

"He's gone ?! Ha!" Jumped happily to the sofa, Yao Yao jumped up like a child.

It's been a few minutes, but the sound of the door opening sounded at the door.

Isn't Royal Sky back again?

She sat back nervously on the sofa, staring at the door.

At this moment, I saw that Hei Yanlong slowly walked in with his suitcase: "hello."

"Mr. Yu changed rooms with me. We live together. He lives with Xia Renliang."

"Hah! Great." Yao Yao slaps in excitement, but instantly ... "But ... Yu Aotian lives with Xia Renliang, will he bully him?"

"Women? You have too much control, right? Are you always a fool when you are Xia? Will you let Mr. Yu bully him ?!"

Alas ... Where would Hei Yanlong know that Yu Aotian lives with Xia Renliang? It's not that Xia Renliang is a fool, but ... Yao Aotian is really different from ordinary people!

"Women, in my opinion, you still think about it, think about it, will I" bully "you." After that, Hei Yanlong smirked at her and blinked, and returned to himself carrying the suitcase.

Bedroom.

Organized everything, Hei Yanlong sat quietly on the bed.

I can't help but replay what happened between Yuaotian and Yaoyao from the airport to Japan ...

"Well, what plane does Chen Yi have this time ?!" He grimaced and took out the phone.

"Yan Long, what's the matter?" Feng Chenyi's voice came from the other side of the phone.

Episode 573

"I said, Chen Yi, why didn't you come this time?"

"I have something else to deal with. I can't get away."

Hei Yanyan really wanted to ask him, what would be more important than the meeting of the Chamber of Commerce?

Besides, does Feng Chenyi know that Yuao Tian will also attend this meeting?

He was really relieved.

"Where are you now?"

"In Phuket."

"Phuket ?!" Hei Yanlong stood up suddenly from the bed: "Oh buddy, is Phuket a vacation place?" Wait for his ironic words to fall, and only listen to the other side of the phone

An extremely dissonant voice ...

"Chen Yi, don't you call me, come and swim with us."

"Hush! Don't make a noise!" Feng Chenyi said in a low voice, hurried to the phone, naturally said: "Yan Long, I'm a bit busy here, hang up first."

"Wait!" Hei Yanlong is not deaf. He won't hear that the discordant voice is a woman's voice, and it is still a very familiar voice!

His face became extremely gloomy instantly: "Chen Yi, who are you with now?"

"Yan ..."

"That woman named Xie Yanqing, right ?!" Mo's pupil crossed an irritated sheen: "Oh, huh, Feng Chenyi, you said, why didn't I find that you are still a dog who can't change the shit?"

? "

"In the beginning, when I scolded Luo Yaoyao for being a bad product, you hit me. It's all right, buddy knows you like her, it's all buddy's fault."

"Later, I heard that you broke up because you got caught by your wife after going to bed with another woman. It turned out that I really blame Luo Yaoyao."

"But I really didn't expect it now, you Fengchenyi couldn't bear to chase your wife back, and dare to go outside to attract bees and butterflies?"

"Seriously, Chen Yi, you are so far away from Yu Aotian of others!" Hei Yanlong rebuked Feng Chen Yi for not.

If he had not witnessed Yu Aotian's consideration for Yao Yao today, perhaps he would not have the chill at this moment.

I have to say that if he sees Yao Yao back to Yu Aotian someday, he will definitely tell his good friend Feng Chenyi that it deserves it!

Facing the accusations of Hei Yanlong, Feng Chenyi on the other side of the phone remained silent all the way.

At this moment ... "Hey? Yan Long, are you mentally ill? Chen Yi is our friend. Did you say that to him? Which man is clean now?"

At the first hearing, it was Ouyang Zixuan's voice. Hei Yanlong's anger was even greater: "Emotions are you on vacation with those dogs and men ?! Zi Xuan, I really don't say, Chen Yi has you as a figurine beside him, he

It 's not much better. You are even more asshole! "Then he hung up the phone ...

Phuket, Thailand.

"Yan Long is sick? Just like he is your wife's family, and even helped your wife scold you? Nervous!"  
Ouyang Zixuan, who was blamed for abusing her, still left her mobile phone full of anger.

Wu Fengchenyi smiled helplessly: "Yan Long is such a person. He doesn't allow sand in his eyes."

"I'm so mad that I even scolded me, did I recruit him?" Ouyang Zixuan held her hands in front of her with an angry expression.

At this time, Xie Yunqing, who stood watching all this, laughed mischievously: "Maybe it is Mr. Hei who likes Chen Yi's wife, so he can't stand up for Chen Yi's wife?"

As she said, Ouyang Zixuan seemed to remember something, and vaguely remembered that when he was killed in the Luo Yaoyao plane at that time, in order to protect Yao Yao, Hei Yanlong was very angry and quarreled with Feng Chenyi's father, should he not

Really .

..

"Zhiqing. Don't talk nonsense!" Feng Chenyi's face became extremely gloomy instantly.

Xie Zhiqing looked at it, and guiltily stuck out her tongue: "Sorry, sorry, Chen Yi, I know you care about the friend Hei, it's not good for me to say him. Let's play, shall we?"

After all, her little bird crossed Feng Chenyi's arm, and pulled him to run towards the beach quickly.

Seeing this, Ouyang Zixuan couldn't wait to take off his beach pants, and quickly chased up: "Hey, wait for me, wait for me!"

Japan.

The sky gradually darkened, and Yaoyao walked slowly to the door of Hei Yanlong.

Mr. Hei, just called the front desk and told us to go to dinner."

"Mr. He?" Standing at the door, seeing Hei Yanlong refuse to reply to herself for a long time, she knocked on the door again: "Mr. He? Have you fallen asleep?" He tentatively twisted the doorknob.

The room was dark, and there was a figure standing at the window, and the moonlight was shining on the shadow, somehow it seemed like some sadness and loneliness.

"Mr. Black?" Walked slowly to his side and patted him on the back.

"Huh?" Hei Yanlong measured his face expressionlessly.

"I just knocked on the door for a long time and no one ignored me. I thought you were asleep."

"Really? Sorry, I didn't hear ..."

Sweating, Hei Yanlong is not behind the ears, how can she not hear when she knocks so loudly?

Does he have any thoughts?

"What's wrong with me?"

"Oh, the front desk called us for dinner."

"Um.

Let's go." Nodded in gratification, seeing Yao Yao turned around, just about to turn around and leave, Hei Yanlong's dark eyes flashed, holding her little hand ...

The body was frozen in the air, she turned back in wonder, looked at Hei Yanlong holding her little hand, and then slowly looked at his face.

Under the reflection of the faint moonlight, there was no expression on his handsome face, but the dark eyes were dotted with a trace of sorrow, so that one could see at a glance what he should have in mind.

"Black ..." The words haven't come out yet.

Black Hei Yanlong tugged her little hand, and his petite body flew into his arms.

The healthy body wrapped her tightly around her, exerting force!

Try harder!

She was strangled and even breathless.

What happened to Mr. Hei?

Obviously the journey to Japan was okay, but it was only 2 hours. How could he do that? "Black, Mr. Black ... I'm a bit out of breath."

"Sorry." Hei Yanlong slowly released her body and sighed heavily: "Let's go ...

"

"Wait ..." Little pulls his sleeve around: "Mr. He, has something happened?"

"No ..." He shook his head, he barely squeezed a smile, owed his body, maintaining the same height as her: "Nothing happened."

Impossible, the sharp eyes of Hei Yanlong looked so godless at this moment.

"You, have you fallen in love?"

"Broken ?!" Oh, huh, huh, he never fell in love with his girlfriend?

"Yeah, broken."

"I knew it would be like this. Mr. Hei, it's really not a big deal to lose love, as long as you have been in love. It's enough. Although, I don't know much about your feelings in the circle."

"Emotions in our circle? Woman, I ask you, which circle are you referring to our circle ?!"

"Of course ..." At the end of this, Yaoyao smiled a little crookedly: "You know."

He knows a fart.

Is it a blame for him in the gay circle?

"I think it's necessary for me to prove to you my orientation." After that, his dark-colored eyes sank, and his hands were violently placed on the back of Yaoyao.

Episode 574

I was too late to respond, and saw that the handsome face of Hei Yanlong slowly moved towards her small face.

The moment I saw it, the moment his sexy lips were about to be overlaid, Yaoyao's small heart instantly mentioned his throat, Hei Yanlong ... What was this about?

!!

At the moment when their lips were still a few centimeters close together, the movement of Hei Yanlong suddenly stopped!

"Yes, I'm a comrade!" He took away the hand on her back of the head, and he straightened up without expression.

She Yaoyao almost spread out on the ground. She saw it long ago and said she wanted to prove it?

How can it prove that they are the same.

"I know."

"Well, you know just fine. I just got dumped by my girlfriend. This is a secret, okay?"

"Relax, Mr. Hei, I promise not to tell anyone, not even Chen Yi. Go, let's go to eat." Yao Yao smiled slightly and walked out of Hei Yanlong's room.

"Hoo ..." Looking at the back of Yaoyao, Hei Yanlong exhaled heavily, gritted his teeth, and muttered to himself, "What am I doing ?!"

Inside the hotel, the large western-style buffet restaurant is full of business elites.

Almost everyone is a business giant with a hot hand today.

Everyone exchanged management experience and shared success.

They are competitors in the business world, but now they are chatting like friends.

Qiu Yaoyao stood in front of the food of her choice, holding a tray and holding the food constantly.

The black Yanlong who followed her frowned disappointedly: "What a food! For a while, don't say you know me!"

Looking at the back of Hei Yanlong's gradual departure, Yao Yao unhappily rolled his eyes, don't eat if you have the ability!

Keep pinching food.

At the moment she turned around, Xun happened to hit one of the three people who came forward.

The spiky food was spilled on the man.

Wu Yaoyao hurriedly compensated not: "Sorry! Sorry! Sorry!"

"It seems Chinese?" The hit man spoke Japanese with two people beside him.

"Well, it seems so."

"The Chinese are just stupid! Isn't this a business alliance here, why are there any girls there?"

"It may be the child brought by the head of a Chinese company."

"Shame!" The man grinds the soiled clothes in disdain, glances at Yao Yao with contempt, and turns around to leave.

"Wait a minute!" Yaoyao shouted at the three men in Japanese, and Bai Jing's small face sank. She walked quickly to the three men: "Sir, if it's stupid to stain your clothes, then

I am stupid and have nothing to do with Chinese people. Besides, do n't think that you do n't understand the Japanese you speak. When you say something that insults me, you have already proven to be very low-grade! "

"Little girl, do you know who I am?" The man's face suddenly became extremely gloomy.

She smiled dismissively: "Your identity is not my concern."

"Who brought you to this business alliance ?!"

Three Japanese silly, who do you think she brought the child to?

They asked what it meant?

Do you know who brought you here?

Cut ... ridiculous!

Wu Yaoyao was silent, but he glared coldly. The three of them looked at the empty table with food and sat down ...

"President Toriyama, do you want to ..

." The two Japanese men just asked half of the words.

The man named Tiaoshan stared at Yao Yao who was not far away, and narrowed his eyes coldly: "No need, just a little girl without a tutor, don't bother!"

"understood."

After eating and drinking enough, Yaoyao, like a little pregnant woman, held her belly and went back to the room with Hei Yanlong.

They sat on the sofa in the living room and watched TV, not far apart.

Slightly is probably really eating too much, and Yaoyao keeps satiating.

Hei Yanyan glanced at her dismissively: "Woman, can you pay attention to the image?"

"Sorry, I can't control it."

'Ding Dong.' At this time, the doorbell of the room rang, and Hei Yanlong walked quickly to the door.

"Mr. Black, everyone has an appointment to go to Kabukicho, shall we?"

"I'm a bit tired, I need to rest, you go."

"All right, I'm sorry."

I closed the door, and Hei Yanlong walked slowly back to the living room.

"Alas..." Yao Yao sighed and shook his head helplessly.

"Woman, what sigh?"

"Kabukicho said it was the red light district in Japan, and I knew that the bosses had to go to that kind of place tonight. Helpless ... this is the man." It seems that this sentence is not a lie.

Especially those successful men on business trips are even more dangerous!

"Not every man is like this."

"Yes, I believe Chen Yi may choose to refuse. Of course ... hey, you have refused.

"

"Heh ... heh ..." Hei Yanlong's smile on his face was obviously a little unnatural.

Wu Yaoyao thought that his unnaturalness was a matter of orientation.

"Oh, I forgot, Mr. Hei, you are not interested in women, so you will definitely reject this temptation. No wonder many people say that you never go to a place where the lights are green. It turns out that is the reason."

One turn: "By the way, Mr. Hei, I used to go to school in Japan before. If you are lonely, I can ... introduce you a good Niu Lang shop."

"Really? How good, have you been?"

"Of course!" Yaoyao patted his chest boldly: "This is still 2 years ago, and also in that club, I mistaken Yu Aotian as a male waiter, only to mess with him."

"You went to the club because ... Chen Yi was derailed?"

She smiled slightly: "Hmm ..." Her watery eyes glowed a thoughtful sheen.

Hei Yanlong, who was beside him, could not help but fall into a silence.

For a long while, he broke the silence first: "Go.

Take me to the clubhouse."

"Ah? Mr. Hei, do you really want to go? Actually, I was kidding. Come on, I will go to bed while watching TV."

"It's boring, I thought you really wanted to take me." Hei Yanlong pretended to be a lost face and pouted.

"Mr. Hei, if you really want to go, I can give you the address."

"I am joking too." After speaking, the two looked at each other and continued to watch TV.

'Bell ... bell bell ...'

The phone rang suddenly, Yao Yao glanced at the caller ID, and couldn't help but hang a sweet smile.

"what's up?"

"Are you asleep?" Feng Chenyi's deep voice came from the phone.

"not yet."

"Are you still used to it in Japan?"

"Of course, have you forgotten, we all went to school in Japan. How about you? How did things go?"

"Well, okay ..."

Hei Yanlong, who was sitting on the sofa, stared blankly at the TV screen, but all his attention was focused on Yaoyao's phone.

I do n't need to ask, it 's Feng Chenyi who made the call. He really wanted to laugh. When did Feng Chenyi become such a man who would lie?

Episode 575

He Mingming ran to Phuket with his lover for a vacation, but told his wife that he was busy working.

Oh ... "Chen Yi ..." Hei Yanlong grabbed the phone in Yaoyao's hand: "How would I sleep with your wife tonight?"

"Yan Long? Are you in Yao Yao's room?"

"Yeah, don't you know, this time the business alliance is based on the business ranking of the rooms? Yaoyao and Yuao talents are in the same room. Chen Yi, do you think I accompany Yaoyao to sleep well, or Yu?"

Aotian sleeps well with Yaoyao? Or maybe we two sleep with her ?! "

"Mr. Hei?" Yao Yaoquan, when Hei Yanlong was joking with Feng Chenyi, didn't say anything, but Hei Yanlong's joke seemed a bit too big, right?

She quickly wanted to grab the phone.

Hei Yanlong dodged: "Chen Yi, are you talking? Why are you silent ?!"

"Hey!"

Seeing Yao Yao's face grew more gloomy, Hei Yanlong shrugged sneerly: "Your husband is not in a hurry, what are you in a hurry?"

"It's not the problem. I have to stay in Japan for more than ten days before I can go back. I don't want Chen Yi to worry!"

"Worried?" Oh, would Feng Chenyi be worried?

Hei Yanlong narrowed his eyes coldly and drew the phone into Yaoyao's hand.

She hurried back to the room as if holding a phone like a baby: "Chen Yi, are you still there?" Yao Yao closed the bedroom door.

Hei Yanlong, who was sitting in the living room, stared at the door of her room, his face gradually sinking ...

'Bell Bell ...' About half an hour or so, Feng Chenyi called Hei Yanlong directly after hanging up Yaoyao's phone.

He quickly returned to his bedroom.

"what's up?"

"Yanlong ..."

"Wait! Feng Chenyi, before you talk, you give me a good word, will you come to Japan now? If you don't come, we don't say anything!" Hei Yanlong's tone was very strong, also

It's cold, this is the first time he has used this attitude towards Feng Chenyi.

"Yan Long, listen to me first. I know what your purpose is. But ..."

"Is that so rare that little assistant ?! Would rather stay with her than with your wife? You have to know that Feng's is yours! Everything your wife is doing is working for you, you still

Not a man anymore ?! "

"I don't go to Japan, it has nothing to do with Xie Yiqing."

"Heh ... hehe ... whatever .

.." Hei Yanlong shook his head in disappointment, thinking that he had just mentioned how much Ao Tian would stimulate Feng Chenyi, and he might fly to Japan immediately, but now it seems

He did look down on a man who had changed his heart.

"Yan Long, calm down first. Below me, I want to tell you a very important thing!" On the other side of the phone, Feng Chenyi's tone suddenly became extremely serious.

Even though the black dragon is still upset, he understands that Feng Chenyi is his best friend.

"Say it."

"I have received news that this time the Chamber of Commerce will add a personal ranking match. In any case, you must keep Yaoyao in first place!"

He frowned, "If you don't come, it doesn't seem to matter if your wife wins the first place, right?" The ranking of the chamber of commerce alliance is very important. If the individual competition is really added, then the CEOs of various companies show their strength

It 's time, Yaoyao is not the CEO of the company, even if he got the first place, it does n't make any sense.

"Useful. Very important. Yaoyao must get the first job this time!" Feng Chen Yi paused: "I just called the president, and he has promised me that he will keep Yao

Yao took the first place. Now it's up to you. "

What the hell happened?

The dark black dragon seemed to perceive something wrong, and those dark eyes flashed coldly, "Chen Yi, what are you ... brewing ?!"

"Oh, in the future ... you will understand."

The phone hung up, Hei Yanlong opened his eyes blankly, looking at the phone that had been interrupted, his heart inexplicably agitated ...

ä, The next morning.

All the corporate executives in China are gathered in the hotel lobby.

At the same time, dozens of corporate executives in Japan's top 50 are not far away.

"Leaders of enterprises. This time the Chamber of Commerce specially invited the top 50 companies in Japan to negotiate together. To put it bluntly, it is a competition between Chinese and Japanese companies. In addition, this time the company ranking also added individuals

Ranking competition. In order to show the ability of the bosses to fight independently. Today, calling everyone to come is to inform everyone that we are about to conduct a personal ranking competition. "

"Ah?" Several bosses in the crowd changed their faces when they heard this.

You know, they did not receive the event that there will be a personal ranking match today, so many corporate executives played all night in Kabukicho last night, and they are still groggy.

"Okay, now everyone is getting on the bus. We'll send everyone to the competition place right away."

More than 90% of the 50 corporate executives in China have dark circles.

As soon as I got to the bus, I started to feel sleepy.

Even Xia Renliang, who was sitting next to Yaoyao, was listless. He knew at a glance that he went to Kabukicho yesterday.

Hehe, in fact, Xia Renliang's impression of Yaoyao has always been the feeling of a good man. I didn't expect that ... even the best man will be bad in this seductive and tempting circle.

Instead ...

Yu Yuguang glanced at Yu Aotian sitting not far away.

He was energetic, and at a glance, he knew that he should not have gone out last night.

I may be because there is too much temptation around Yu Aotian, he already has immunity.

To put it plainly, I'm tired of playing, so I don't want to play.

Two luxury buses, after more than 3 hours of travel, arrived in the defensive suburbs of Osaka Prefecture.

The organizer issued a race procedure to everyone before getting off the bus.

This individual match lasted three days, and there were three rounds in total.

The first round is an individual competition system, which mainly compares the resilience and memory. Those who first reach the finish line will be anonymous and will continue to reincarnate.

The second round is a team match. The test is physical fitness. The three are a group. The division is based on the first round.

For example: if the first, second and third place in the first round reach the finish line, then the three of them will form a team for the next round of competition.

The 4th, 5th, and 6th place finishers will form the team for the next round of competition.

And so on ...

The third round is the final individual match, and it is time to win and lose, compared to the IQ of the business managers.

"Well, if you corporate managers see the process clearly, go to the assembly point to draw lots with Japanese business leaders. The order of the first round of competition is based on the number drawn."

The organizer led the Chinese business leaders to the assembly area and formed a big confluence with the Japanese business leaders.

After the lottery was completed, more than a hundred people came to a huge house. The house was at least 20 meters high from the outside and had ten doors. As far as it seemed, it couldn't be guessed.

What will be waiting for you in this.

Episode 576

"Well, the ten people who have drawn the third lot please gather here."The staff waved their hands.

Yaoyao walked slowly past, looking at the other nine Chinese and Japanese managers who had also received the no.3 contract. She did not know them at all.But one of them seemed...Something familiar?

"Huh?Are minors allowed in these competitions?"Yaoyao thought some familiar men asked the organizers.

That person polite smile: "the President of bird hill, this young lady is China's first enterprise, the representative of the wind group."

"Wow..." bird mountain sigh, but the next second, he looked down on the yao yao smiled: "the original you are the representative of the wind group, I have always heard that China's wind group is quite strong, but did not expect to send a minor to participate in the business alliance. Is there no talent in the feng group?"

To tell you the truth, she almost forgot who the man was without that look in his eyes. Really call a person to see forever will not forget to hate look in the eyes. "President bird hill? We are not without talented people, just because we are all talented people, so we will send me as an ordinary employee as the representative, you can beat me first, in comparison with other people of us. Ah."

"Hehe hehe." bird mountain smiled with indifference, the eyes are all contempt. "Is exaggerating what the Chinese are good at?"

"Are you exaggerating? You'll know when the game is over.!"

"All right, members with number three please enter at any door they choose. In a minute, please gather at the door with the members signed number five." The purpose of the organizers of the lottery, is to avoid a swarm of people to enter, asked everyone to open the entrance distance.

Yaoyao pushed open a door at random and went in.

Some of the circumstances in the room were unexpected and others were not.

It was decorated like an old castle full of mysteries, but she couldn't see the other contestants who entered with her. This is probably Yin and Yang, right?

It seems to be one space, but actually it is ten different Spaces.

After a few steps, two alternative doors appeared. At random, yaoyao chose the one on the left and pushed it open. The environment inside changed in an instant.

"Amazing! Ahead is the dark cave, as if the bottom can not be seen, yaoyao along a straight road.

Soon a branch road appeared. Continue to choose the left side of the fork road, the environment changed again, reflected in front of is a Japanese room, the space is very small, did not take a few steps to a new choice.

It's still left handed.

So the cycle of walking, choosing, changing.

She vaguely remembered that she had walked through nearly ten scenes, none of which had been repeated. What was the purpose of the organizers?

Isn't this a test of resilience and memory? Is it the decoration to memorize every scene?

That's impossible!It's not that easy!

Standing still, yaoyao chose not to go any further.If the competitors in each group entered the competition field one minute apart, she would walk so slowly that she would meet the competitors in the rear. Why?

Haven't met anyone yet?!

"Got it!This house should be a maze designed according to the sense of space prism.In other words, the house could have been organized into thousands of small rooms, so the chances of hundreds of competitors meeting each other were almost nil.

So, if it's really my guess, the designer is following the spatial prism to build this maze, that is...

The corners of the mouth turn up a shallow smile.Yaoyao suddenly started running and pushed open door after door.In about five minutes or so, she's gone through about 50 scenes, and again...The exit of the maze also occurred in her mind.

"Ah, this turn is really a test of memory and strain ability.But should it be more of a test of the contestants' ability to think logically?"She said to herself, according to the mental outline of the drawings to find the exit.

Just then...

The radio on the maze suddenly blared: "the first runner reached the finish line in 5 minutes and 20 seconds!"

Almost everyone who heard the broadcast froze.

You know, 60 percent of them still haven't figured out the rules of the game, and 30 of them are still figuring out how to do it.

Only 1 adult is looking for an exit, unexpectedly...

Somebody's at the finish line?!

Suddenly, yaoyao went crazy and changed from walking to running. All the way unimpeded pushed open one door after another door. When the last door opened...

"The second runner reached the finish line in 15 minutes and 30 seconds!"

Standing at the not too big exit, yaoyao scanned the ranking screen hanging on the roof of her eyes. She was 10 minutes slower than the first one. Depressing!

The watery eyes slowly turned toward the distance...

See, royal proud day hands embrace in front of the body, the body relies on on the wall, that expression don't mention much leisurely zai.

Well, I knew it would be him!

Really want to know, how high is the intelligence quotient of royal proud day after all?!

A face is not happy of stand in a corner, she cold glance not far from the royal proud day turned his head to the other side...

About half an hour later...

"The third runner reached the finish line in 37 minutes and 45 seconds."

When the radio went off, yaoyao looked anxiously toward the exit.

Who came in third was crucial, because it indicated that they would form a team for the second round of the competition.

The closed door opened, and yaoyao held her breath, stared, full of expectation...

When the figure of the black dragon gradually entered her sight of that moment, she can not help but happy smile, big beautiful!It's the black dragon!

"Ah, IQ is not the same, I knew you would be the first to arrive at the end of the line."The sauroposaurus walked up to her without expression.

Yaoyao's small face, which was still smiling, fell down. "I am not the first, just the second.There's another one over there with a higher IQ."She glanced coldly at the direction of royal pride.

The black dragon this look, that black pupil instant dilate, yaoyao 205 IQ he is know, also thought that the first to arrive at the end point will be her.Really did not expect to be royal proud day, from this can be seen, royal proud day is also one of the special crowd?!

"General manager, general manager, and miss law, now you three will naturally form a team for the second round.This is your communication equipment.Please leave by that exit."In the first round of reception, the staff presented each of the three with a communicator.

Then the three of them, as instructed, went out by the door on the right-hand side.

The moment they pushed open the closed door at the exit, they saw a large, manmade forest...

Episode 577

This magnificent forest was made to look very real. All the plants and trees were real. There was also the howling of wild animals and the babbling of streams.

Set a direction and walk on. As if on a visit, yaoyao would stop to check out some exotic trees. "wow, this kind of tree is so rare.

"Wow! And that rare plant flower."

"Look! Look! Those are green pebbles." She excitedly poked the black dragon beside her.

The black fire dragon is a face, coldly looked at her one eye, this woman is born lovely not to be? Why can't you tell the difference between the present and the present?

At this time, has been walking in front of the royal proud day suddenly turned around, his handsome face suddenly raised a trace of evil four smile.

Yaoyao stopped dead in her tracks. Her first reaction was... This guy's gonna screw up!

"Baby, next time 'dad' is taking you to the picnic, now, find a way out important!"

Sure enough, she knew it would be so, malevolently rolled a white eye: "hum, brandish generation, I or your mother."

Remember, when they were drifting on the island, yaoyao almost married the bully, and the royal proud day almost married the bully's daughter, if it is really up, they are really 'related' relationship.

In the listening to the dialogue between the two people of the black inflammation of the dragon a face of vacant, which with which ah?One moment he is her father, the next she is her mother.What fun.

As they went on for some time, the temperature of the great artificial forest increased, and their strength grew stronger and stronger.

"Call.....Is the producer sick?Even if test each old total's physical ability, also not descend so big blood cost really, this forest still can be in big point yao?"Yaoyao poured out her anger and cursed fiercely.

"Come on, have a rest."royal proud day with black dragon looked at the eyes, black dragon agreed to the point.The three sat down by a big tree.

The breeze hit, with fresh, yaoyao kept pulling his clothes eager to dispel the hot.

"Mr.

Black, I guess we'll sleep here tonight."

Upon hearing this, yaoyao's heart was in her throat. She was already irritable enough to form a team with the royal pride. If she stayed overnight, she would rather die!

The eyes quickly turned to the black dragon.

He embarrassed with f, then just got up and looked around with his vision: "the organizers to give the entry time for three days, the first round of time even when the slowest five hours, the last round of intelligence should not take long before the game, so, estimated the forest conservative, at least in 2 days time to go out?"

She didn't hear anything, did she?"Two days?Don't we...Wouldn't it be..."Dumb look at the black fire dragon, she kept to his messenger wink.

"I'm still alive!"He knew yaoyao was afraid to be alone with the royal proud day, the problem he also in, he can also see the royal proud day 'bully' her not?Of course, there is also the possibility that...He will 'bully' her with royal pride!

"It is true that we should hurry on our way, which may shorten the time of departure."Yaoyao puffed up a small mouth, took a look at the tree trunk to close their eyes to rest the royal proud day: "do you think?"

"Talking to me?"Royal proud day opened his eyes, face expressionless looking at her.

Nonsense!He's the only one sitting here, and everyone is standing up, not talking to you. Who are you talking to?

She stared at the royal proud day, also do not speak, do not respond.

Royal proud day also straight looking at her, the same is not action, also do not speak.

This guy!

Yaoyao made a small fist and darted up to him, growling, "yes!Talk to you royal proud day, ok? Shall we go?!"

Damn it, why are you always being ruled by god?It's like he's 100 percent into it.

Is yaoyao wonder, I saw, relying on the tree sitting in the royal proud day deep see the bottom of the eye a sink.

The next second, he grabbed her arm.

"Are you?!"Words just out of the mouth, yaoyao seems to be from the royal proud day on the look detected what.

Do not wait for the complete reaction, royal proud day suddenly a force, pull her whole person into the arms.

'now, you!Yaoyao was struggling.

Royal proud day tight tight embrace her body hand: "SHH....."Deep do not see the bottom of the mouth light on the black inflammation of the dragon black eyes."Black total, you also, hear?"

"Well.There seemed to be a lot of running footsteps approaching in our direction..."

Black dragon said so, yaoyao seemed to hear something wrong, can it be the beast?Or other group members?

"Go!" royal proud day a command, like a child, a will be carried in the arms of yao yao.Running in the opposite direction to the sound.

The black dragon was running close behind.

Because yaoyao is held by the royal proud day, so you can clearly see the position of their back.

One by one, the shadow gradually came into yaoyao's sight.

The men were all served in ninja suits.

"Did the organizers send Japanese ninjas to test us?" Yaoyao looked at the crowd in confusion, counting at least a dozen.

At this time, royal proud day and black dragon almost at the same time stopped.

Why not? Yaoyao looked back and saw that the road ahead of them also stood a dozen ninjas dressed in Japanese ninjas.

"Put me down." At this critical juncture, yaoyao patted the royal proud day's shoulder like nothing happened.

His face remained dull and he made no reply.

"It doesn't matter, you don't have to be so nervous, they are the organizers sent to the staff just, probably want to test your ability, put me down!"

"What if there are others?" Suddenly, one of the ninjas spoke in Japanese.

Looks like a lead ninja coldly way: "kill all!"

The moment their brief conversation reached yaoyao's ears, she frowned in bewilder: "they..."

"This time, do you still think they were sent by the organizers?" Royal proud day helpless to see the eye of yaoyao.

She leng down, but a second, smile of place wave hand: "you rest assured, estimate they be to achieve the effect of lifelike just, won't have a thing."

At this point, one of the ninjas yanked out the samurai sword from his waist, waved his hand and slashed in the direction of the black dragon and the royal pride.

The two men ducked nimbly, and the man's sword struck the tree trunk firmly, leaving a deep trace!

"Honey, do you still think they're fakes this time?"

"Oh, it's just a joke. The props may be real, but they're meant to scare you." So far, yaoyao thinks it's all fake.

The black phrynxus, who had been silent, could not bear it any longer: "general royal, if you are troubled, throw this woman out to me, and let her see whether these people really want to kill us or not!"

"Eh?" yao yao at a loss to see the eyes of the black dragon, and looked at the ninja encircled them, although this group of people are wearing a mask, but the mask outside the eyes are covered with murderous."Really?Are they trying to kill us?"

Episode 578

"Oh, I'm afraid ... they're not the people sent by the organizer at all!" Then Yu Aotian's eyes sank, and a flying kick struck the person who had just intended to attack them.

At the same time that the man fell out, Yu Aotian took the Japanese katana in his hand.

"Hey, will you work hard?"

"know a bit."

"Well, then I don't care about you." Yu Aotian slowly released Yao Yao from her arms: "Baby, no matter what happens, you can remember to hide behind me, understand?"

I nodded.

Keep nodding.

Although this is not the first time she has encountered an attack, but this time it is inexplicable. Obviously, she came to a business alliance meeting. Why did she suddenly encounter a killer attack?

Wu Yuaotian exchanged a look with Hei Yanlong. The two had a tacit understanding of the division of labor between the left and right, and they fought against the Japanese ninjas ...

Trowel light sword shadow, blood splatter.

This scene is indeed proof that this group of people really want their lives.

Yao Yao, who was hiding behind Yu Aotian, looked like a little tail and kept sticking to him.

Where he went, where did she follow.

Xi Yuaotian waved the katana with one hand, and the black hair fluttered as the body swayed. Each of his attacks looked so graceful and masculine.

Suddenly, Yao Yao was obsessed and almost forgot that they were being hunted down.

Suddenly, 3 or 4 Japanese ninjas launched a siege to Yu Aotian together.

Qi Yaoyao was isolated after not keeping up.

At this time, the other two ninjas locked their targets into Yaoyao.

Blinking big eyes looked at Yu Aotian, who was entangled with four ninjas, and Hei Yanlong who was not far away and six ninjas were fighting.

No one can come to save her life unless they have a special function to solve the enemy at one go.

Swallowing nervously, swallowing foam, she turned around and ran away.

The two ninjas quickly followed after seeing this.

"Baby, run around!" Yu Aotian said.

Run in a circle, so that she will not be isolated, and after Yu Aotian or Hei Yanlong solves the enemy, she will be able to save herself.

According to Yu Aotian's instructions, Yaoyao started running around in a circle outside the battlefield.

But she is so petite. Where can I run past two men?

It took just under half a minute for the two men to see her approaching her.

She looked back in horror at the two ninjas behind her, and the next second ... the whole person tripped over by the protruding trunk

Falling on the ground with heavy body, she didn't care about the pain from her body, she turned over subconsciously, facing the two Japanese ninjas with katana, moving her body in panic.

"Oh, little girl, you can't run!" One of the ninjas raised the machete in his hand high.

"Don't .

.. don't ... don't kill me." Her little face became a little twisted with fear, and her watery eyes gradually forced a hint of warmth and humidity.

"Yao Yao!"

"Yaoyao!" When Hei Yanlong and Yu Aotian discovered this scene not far away, it seemed too late.

The samurai sword raised by the Japanese ninja dropped quickly.

Xi Yaoyao held her head subconsciously: "Help!"

"Landor, only incompetent people will call for help!"

"Have you learned swordsmanship today?"

"

"Bing Ye, I 'm so tired, can I stop learning?"

"

"No! Unless you beat me, you can stop.

Come! '

'it is good! '

The inexplicable reflection in his mind was an unfamiliar scene, and the ray of fear in his eyes suddenly disappeared, leaving behind a murderous full of anger.

When the samurai sword of the Japanese ninja was a few centimeters away and chopped the sword on Yaoyao's head ...

She took the hand that held her head, and one hand caught the falling blade of the man steadily.

"His ..." He took a painful cold blood, and the dazzling blood flowed down her palm.

But the terrible murderousness in her eyes shocked the ninja deeply.

The next second, Yaoyao raised his leg high and kicked off the man's life.

The man covered his vital points in pain.

Seizing this opportunity, Yaoyao grabbed the katana in his hand, stood up with the speed of speeding up, and stabbed the katana into the heart of the man in one shot!

Unemotional eyes looked at the corpse that was gradually falling to the ground. Yaoyao raised his palm and looked at the scar that was bleeding out of his palm ...

The bright red blood reflected on her black eyes, as if a strange layer of color was diffused.

Her cold pupils gradually dilated!

Expansion!

"Dare you want my Highness to shed precious Aslan blood! It's almost death!" Domineering words fell, and she took out the machete that pierced the man's heart.

Quickly looked at another person!

The man blinked his eyes, and stabbed at Yaoyao with his handle in both hands.

But the speed of the sword is not as fast as Yaoyao, and before his sword hurts Yaoyao, Yaoyao's sword has penetrated into his heart.

"Oh ..." Condensed her lips, she turned her head and looked at the home field.

He witnessed that the Hei Yanlong in the scene just now was a little dazzling, and Yu Aotian frowned slightly.

But at this time it is not worth them to think more about other things. It is important to defeat the immediate enemy.

"A group of pariahs!" Yaoya coldly spit out a few words, clenched the katana in the handshake, and came to Heyan Yanlong at a rapid speed.

between swords and swords, the blood flies, and the enemies fall down one by one.

God knows how fast Yaoyao's swords are out!

After a while, the enemies on Hei Yanlong's side had been dealt with; on that side, all the people who besieged Yu Aotian had fallen ...

"Yao ..." Hei Yanlong was about to speak.

I saw that Yaoyao's cold eyes stared at Yuaotian not far away: "Mr. Yu, would you like to compare swordsmanship ?!"

"Anywhere."

The corner of her mouth provoked a smirk, and she clenched the sword in her hand, hurried towards Yu Aotian, and chopped down with the speed of speeding up.

Wu Yutian was swiftly blocked by the sword in his hand.

"Mr. Yu, you are going to die at this time, I said ..

. it was you who were killed by those pariahs, can I ?!"

Her purpose of killing Ao Tian is very obvious!

"Oh ..." Yu Aotian only smiled lightly, and used one hand to arbitrarily.

Jian Yaoyao's sword was released in an instant.

'Pattern' Katana fell on the ground and made a crisp sound ...

"What's going on ?! Impossible! Impossible! How could my Highness be defeated by you at once. I'm going to kill you! Put you to death!" Yaoyao shouted, her face full of anger, and her body kept on

Walking backwards.

"Oh, baby, watch out ..." Before Ao Tian reached out to grab her.

He just listened and 'plopped'. Yaoyao fell into the stream behind him.

The icy cruel water seemed to call back her intellect, and fell into the stream, staring at Yu Aotian and Hei Yanlong standing on the shore: "What happened ..." clear

Eyes, innocent eyes, the next second, she just felt a sting coming from her brain, and then the whole person passed out ...

## Episode 579

Wu Yuaotian helplessly fished her out of the stream.

"What's going on?" Hei Yanlong had no idea what was happening in front of him. The only thing he knew was that the woman who had just been full of gloomy eyes seemed to be two people like Yao Yao.

"Hehe, it is estimated that she has not trained in physical fitness for too long, so she has only speed and no power." Yu Aotian gently wiped the water stains on her face.

At first glance, almost all the swordsmanship that Yaoyao just used was to hit the enemy with one hit, fast, accurate, and fierce.

But when she tried against Yu Aotian, she was not a one-stop enemy, so she suddenly revealed that she had no strength.

"Mr. Yu, I'm not curious about how she suddenly lost to you. I'm curious ... she was just in that state? What happened?"

"I'll explain to you in a while, look at this weather, we have to find a place to rest first."

"Ok."

After several rounds of turnover, they found a cave. In the package prepared by the organizer in advance for the contestants, they found a lighter and firewood.

The sky was getting darker and darker, and Yaoyao was lying naked on a pile of haystacks, and his body was covered with only a black Yanlong coat.

The two men leaned on the stone wall side by side, staring at Yao Yao who was still in a faint.

"General Manager, can you give me an answer now?"

"Hehe." Yu Aotian glanced at Hei Yanlong with a smile and said slowly: "Her real identity is probably the successor of Asland, Lando. It's just memory loss."

When Hei Yanlong heard this, the ink-colored eyes suddenly filled with incredible: "She will be ... Lando ?!" No wonder, when Yaoyao committed suicide last time, the doctor identified her blood as special blood, only Yass

Lan Guo people own.

At that time, he wondered, would Yaoyao be a member of the Aslan kingdom?

"Hmm? Mr. Hei, do you know Landau?"

"Knowledge is not counted. But ... very familiar ..."

"What do you say?"

Hei Yanlong shrugged helplessly: "In the year that His Royal Highness visited China, he stayed in Chen Yi's house for three days. When I went to play with Chen Yi, I had a chance with His Highness.

...

but ... the girl ... "She shook her head in disgust.

This aroused Yu Aotian's curiosity. He only heard of Bing Ye countless times when he was a child, but he never saw it with his own eyes: "What? Is Lan Duo annoying?"

"Not only hate it? It's proud! It's vicious! It's also a little demon to fight for strength and victory." Hei Yanlong thought of that side of his life and thought it would be unforgettable.

But ... from the proud and vicious appearance that Yao Yao just showed, and the unwillingness to win after losing to Yu Aotian, it is quite in line with the character of Landuo that year.

"I remember very clearly, Chen Yi told me fiercely at that time, whoever marries such a girl in the future, I don't think I'll have a good time in this life."

Upon hearing this, Yu Aotian couldn't help but smile: "I guess Chen Yi wouldn't have thought that he was the unlucky person to marry this kind of girl, right?"

"Well ... Chen Yi is talking and beating." Hei Yanlong shook his head coldly and continued: "As far as I would say that I am very familiar with Lando because I have a small hair, it is Lan

His Highness Duo's guard, as soon as he returned to China, told me the story of Landau, and it was annoying to hear. "

"Is it ice night?"

"Um. Last time you returned home in distress, I saw Bing Ye in your car. It 's Mr. Yu, how did you get to know Bing Ye? That guy should not like contacting strangers, right?"

"Oh, we both met when Lando visited China, and Bing Ye was living in my house at that time."

"Living in your house?" Hei Yanlong's ink-colored pupils dilated, slowly looking at Ao Tian in front of her:  
"Your true identity was the eldest son of Prime Minister Qilian?"

"Hmm? Mr.

Hei, why do you ask that?"

Can Yu Aotian be the son of Prime Minister Qilian?!!

No wonder Yu Aotian will get out of the maze at such a fast speed when participating in the first round of competition.

It is no wonder that he will develop Boson so powerfully after acquiring Boson 2 years ago!

Thinking of this, Hei Yanlong slowly said, "At that time, Bing Ye told me that he temporarily lived in the house of Prime Minister Qilian ... and said that the eldest son of Prime Minister Qilian was a talented boy with a super high IQ.

Do you, anyone else? "

"Hehe ..." Yu Aotian smiled and said nothing.

I just think that all this seems to be too coincidental!

14 years ago, Landau came to China, and the fate of everyone seemed to be changing and chained a little by her arrival.

It can be said that some people have undergone tremendous changes.

She lived in Feng Chenyi's house and met Hei Yanlong; Bing Ye lived in Yuao Tian's house, contacted Qilian Aoyun, and kept mentioning Landuo.

Until Landau's disappearance, everyone's delicate connection seemed to be interrupted for a moment.

But in these 14 years, Feng Chenyi first came to her side, followed by Yu Aotian, Qi Lian Aoyun, and Hei Yanlong.

Everyone seemed to be reunited and connected again as promised.

Maybe this is God's will to get people; Maybe it's God's will.

Wu Yuaotian is a man who doesn't believe in God, but at this moment, he has to sigh fate.

Since such a coincidence can happen, everyone has gathered together, and the sixth sense tells him that it seems ...

Shouldn't it be far from the final 'trial' day?!!

"Seriously, President Yu ..." Hei Yanlong took a deep breath, and those black eyes gazed at Yao Yao's pale face: "Just now, Yao Yao made what should be a British fencing trick.

Except the power too

Weakness, the strength is really not to be underestimated. "He has been studying in the UK and knows British fencing well. Every move of Yaoyao has just hit the enemy's heart. That speed is not that anyone can reach it.

"Oh, it seems that Bing Ye didn't lie when he introduced me to the strength of Landow." Yu Aotian also had to admire Yao Yao's ability.

At that time, Bing Yelao said, "How strong, how powerful, how talented, and how talented is Lan Duo?" He also thought, how powerful is a 4-year-old girl?

See you now ...

What a difference!

Wu Mingming was so strong just to stay in Aslan until she was 4 years old. If she hadn't lived in China and stayed in Aslan, how terrible is she now?

!!

But I also have to mention what kind of devil-like training Lando received before he was 4 years old.

!!

"By the way, Mr. Hei, if you see Bing Ye, don't tell Bing Ye that Yaoyao may be Landuo."

"Well, I won't say."

Hei Yanyan agreed quickly, saying that Yu Aotian couldn't help but be surprised: "It seems that you really know a lot of things between Bing Ye and Lan Duo?"

"Eh ... uh." Hei Yanlong shrugged. "At that time, Bing Ye told me about the growth process of Lan Duo. My first reaction was that Lang Duo was conditioned by the demon of Bing Ye, it was a nightmare, Bing Ye.

It 's really too strict. Moreover, if Bing Ye is obsessed with Lando, if he knows Yao Yao is Lando, he will desperately take her back to Asland to inherit the throne. "

Episode 580

This is why when Yu Aotian knew in advance that Yaoyao might be Lando, he deliberately shifted the sight of Bingye and said that he would look for Bingye's whereabouts.

Anyone who participated in the incident 14 years ago can see how much Bing Ye cares about Landau, the reason for adding Bing Ye's personal character, and the relationship between the successor and the guard of Asland.

Regulations.

Therefore, they must not ask Bing Ye to take Yao Yao away!

But ... the piece of Luo Tianming's information has been stolen by Bing Ye, and Bing Ye's IQ is afraid that he has already guessed Yao Yao's identity.

What will happen to her final fate?

As night fell, the five fingers were out of the cave, and the wind was cold; the cave was warm under the faint light of fire.

Xu Sheng was afraid that the killer would strike again, Yu Aotian and Hei Yanlong took turns watching the night.

'Pala, pala' The burning firewood burst into countless Mars, relying on the black Yanlong resting on the stone wall staring at the bonfire, from time to time to fill some firewood.

"I'm not Lando, I'm not, I'm not ... no ..." Yaoyao sat up sharply, whispering dreams, and then lay back.

"Alas ..." It is not difficult to hear from her dreams, and Yaoyao also foresaw the fact that she was Lando.

Hei Yanlong sighed slightly, squatting slowly beside her, and just wanted to cover her slipped jacket back, who knows ...

Tong Yaoyao's cold little hand grabbed his hand: "Don't go! Don't go! Wait for me ..."

I was so stalemated that she was exposed in front of him, although this was not the first time I had seen it.

I don't know why, but at the moment it's a bit tormenting ...

I may be the reflection of this situation, or the faint flare.

Every inch of her skin seemed to seduce to Hei Yanlong.

Frowning slightly, he was about to lift her little hand clenching his hand...

"Bear, hey ..." I saw that Yaoyao's mouth provoked a drunk smile.

The next second, the small hand pulled Hei Yanlong down.

Damn it!

Why is this woman asleep so hard?

He looked helplessly at Yaoyao's sleeping face.

Followed by most of her: "Hee hee, play with me ..." Little head rubbed at him.

He really wanted to know, what dream did this woman have?!!

Baixi Junmei's face glowed slightly red, and Hei Yanlong was lying there, letting this little thing.

His breathing began to get sharper.

With her head tilted, her dark pupil reflected her angelic sleeping face ..

.

He breathed on her small white face, and his handsome face gradually approached her small face.

The dark black dragon can clearly feel how excited he is at this moment...

I didn't notice that Yu Aotian, who had returned from the night watching, stood outside the cave entrance, staring at them coldly!

I was just about to cover her lips ...

"What am I doing!" Mo Yan's eyes instantly regained their senses. He reached out and pushed the sleeping Yao Yao far away.

When she touched the stone wall, she could not help but whispered painfully, and slowly opened her eyes ...

Xie Sheng was afraid of what Yaoyao noticed, and Hei Yanlong stood up quickly, but his ever-rising heart couldn't calm down.

"Mr. Hei?" Yao Yao looked at Hei Yanlong with a flustered expression in surprise, and looked around the cave of the eyes: "Where is this?" It seemed that the clothes had not been removed.

Hei Yanyan looked at her coldly, expecting to speak, but his mind echoed the scene just now, his expression looked so painful.

At this moment ... Yu Aotian walked in like nothing was happening: "We were fainted when we were hunted down. This is where we rest temporarily."

The eyes of the two men subconsciously looked at Yu Aotian who came in slowly.

The dark black dragon's eyes flashed: "Yu, Yu ... you are back?"

"Hmm ... Already, coming back ... It's been a long time!" At the moment when he passed by Hei Yanlong, Yu Aotian patted his shoulder as if he was hinting something.

He shook his fist violently, and Hei Yanlong bowed his head silently. He knew that Yu Aotian should have seen everything just now!

"Ah!" Yao Yao suddenly gave an exclamation. Only then did she realize that her clothes were missing and quickly wrapped herself in a suit jacket: "I, my clothes ?!"

Looking at two men.

"Baby, have you forgotten what happened when you fell into the stream? Your clothes are wet and are drying over there."

Panic eyes looked at the direction of the fire, and fell into the stream?

!!

Did she fall into the stream?

As if there was no impression at all.

The only thing I remember was that there were two ninjas hunting themselves, and the next memory ... was blank!

"Who, who undressed me ?!"

"Of course it was me and Mr. He together."

No way?!!

Not enough?

Still use two people together?!!

Weeping in tears ... too shameful!

"Mr. Yu, I went to the vigil outside." Hei Yanlong, who had been silent, finally opened his mouth.

"Well, trouble you, Mr. Hei."

"Wait! I, I will go too! Take me with you." Yaoyao yelled at Hei Yanlong anxiously, and now she doesn't want to be alone with Yu Aotian.

Who knows ...

"Don't go!"

"Don't follow me!" Yu Aotian and Hei Yanlong said these words at the same time.

Their response ... Could it be too drastic?

Isn't she just going out to watch the night with Hei Yanlong, are they so nervous?

Yao Yao stared blankly at the two men with a doubt in his face.

"Inside, Mrs. Wind ...

" Hei Yanlong pressed his inner nervousness and walked in front of her with a smile: "I'm near the cave. If anything, you can yell, I can hear you."

"But ... but ..." alone with Yu Aotian, she would still be afraid.

"Okay, don't do it. I'll go out!" Hei Yanlong dropped this sentence impatiently and walked out of the cave.

How could he not know how afraid Yaoyao was with Yuao Tian alone; how could he not know how dangerous Man Yuyao was.

but...

He knows clearly that it is far more dangerous to ask Yao Yao to be alone with himself at this time than to be with Yu Aotian ...

Today, only Yao Yao and Yu Aotian are left in the cave.

She looked like a thief and looked at Yu Aotian who was sitting opposite. As long as he moved, even if he raised his hand, her reaction would be exaggerated.

After a minute, two minutes, half an hour passed, she still looked at him without blinking.

"Aren't you tired?" Yuao Tianyou and Youyou waved the firewood stick in their hands, and the corners of their mouths could not help but provoke a wicked smile.

"Not tired!"

"Well then, I'll sleep first. But ... I may wake up at any time, you must stare at me!" Then he closed his eyes with a wicked smile.

The anger Teng contained in Yaoyao's heart suddenly lifted his head.

This bastard man, as long as he speaks, how can it be so hot?

Unconsciously, Yaoyao had been holding one posture for almost an hour, and his limbs were paralyzed.

But every movement will be exposed under the blazer.
