"Woah, Chen Yi, you had broken with your girl just only by one day, but your Ex-girl friend has wore other man's suit, she really brave enough." A beautiful Japanese girl with joyful smile swept her glance to Yao Yao, eyes subconsciously looked to Feng Chen Yi.

He has beautiful flawless white angular sharp face, a pair of deep glowing black eyes with charming color, thick sharp arch eyebrows, the aquiline nose, glossy lips, a face that showed noble and elegant charm. Ugh... she could say that Feng Chen Yi is guessed right. But, that was not as heavy as **one night stand, she almost being force for** one night stand, that was the truth.

"Feng Chen Yi! You this...." Gong Xiao Man who was right beside, starting to yell at him but she is stopped by Yao Yao.

She closed her eyes, sweetly smile, said: "Ha ha, Feng Chen Yi you were guessing right. I really did it with stranger... the**one night stand." Her smiles vanished: "How? Are you jealous? Are you envy? Moreover, I will do with anyone but absolutely not with you!"

After heard Yao Yao's sharp words, that Japanese girl dumbfounded, the people who dared to speak to Feng Chen Yi with that speaking tone, perhaps there might few peoples in this world.

"Yao Yao, what you are saying, could I assume that my existence in your life is so important?" who could predicted, Feng Chen Yi was not angry but he even smiled ambiguously: "If you could accept that I have bed partner, I might welcome you once again to my embrace."

Damn cheap guy, simply said he did not ashamed, super foolish, how could she believe this playboy sweet honey talk that time? "Feng Chen Yi, have

your brain damaged? I have said that clear, didn't you understand? If you are not understood, let me tell you once again so that you can be clearer, I am Luo Yao Yao, this lifetime no matter whomever I will date later, but I won't date you, Feng Chen Yi, anymore. Have you understood?" She pulled Gong Xiao Man's hand, turned her back and heading to the girl's dormitory.

"Woah, Yao Yao, you were so cool. I afraid the only person who daring to speak with one of the chaebol (richest young master), the person might only you. If the media took the shot, I believe you would be famous."

Cool? It true... at least she could fight and bring back her face, standing up for herself.

From the beginning, if two persons are loving each other, no matter what the status, background, as long as able together it is more than enough, but who's know...even this humble and simple love are only her side's wish.

This moment, she did not know whether that Feng Chen Yi would be hurt or not, but at least, she understood, she felt hurt....

"Geezz, this time simply to say Luo Yao Yao is dead meat. Chen Yi, you broke with her is one of the best decision you have ever made." Before that Japanese girl done with her words, she curiously saw at banknotes given by Feng Chen Yi, and then she looked at his gloomy beautiful face, "Chen Yi, why do you...

give me banknotes?"

"Payment for break up, understood?"

"Break up...payment? But we are just dating now."

"Ah, Na Mei, I think you are mistaken, "break up payment" meaning. This means we are done with our relationship as bed-mate!" After he said, Feng Chen Yi coldly laughing, throwing that banknotes to that girl's face.

"Chen Yi, what do you think me as..."

"Chen Yi." At this time, another girl who has similar beautiful face, cut the conversation between them.

Feng Chen Yi embraces that girl: "Honey, you come."

"Chen Yi, I have book and made the check in for our room, let's we go."

"You really are aggressive, but I like it." turned his back, Feng Chen Yi left that place together with that girl.

While that girl who named Na Mei dumbfounded looking at their shadow faded-away.

This moment, another young sweet girl approached, she made wry face: "Idiot, do you think only by sleeping with him one time then you are his girl friend?" when she passed her, that girl smiling face disappeared: "Except, Luo Yao Yao..."..

China....

"Mr. Yu, congratulation for your achievement to get Berson (Bo Sen) group, may I ask, what do you plan and think about Berson's future?"

"Mr. Yu, now Berson is one of the strongest groups in China. Do you have confident to keep the growth pace as strong as Feng's group and any others chief monetary groups within ten years?"

"Ten years?" when he heard the question of the reporter, Yu Ao Tian exposed cold and arrogant devilish smile: "Two years more than enough!" he showed his elegant smile, arrogant and domineering aura but strangely the female reporter seemed to admire him more.

Yu Ao Tian's men were hurried and quickly alike machine to make human-fence, stopped the reporters so that he could out from the crowded.

"Yu Lao Da, please get inside the car." One of his men opened the door of car and at the moment, Yu Ao Tian showed deep ghastly expression to that person, feeling he made mistake, he hurried change the way he addressed him: "Yu, Yu CEO, please get inside the car."

"Hm." He showed his satisfaction, smile and then stepped inside to that exclusive and expensive car.

"Brother Ao Tian, congratulation, now, you are one of China businessmen." Inside the car, there was a beautiful woman said.

"Mei Nai Zi (Minako), is this the way you praise me?" He touched her neck, showing his devilish smile to the woman beside him.

"Aiyaaa, Yu Ao Tian, you are bad bad ah. Inside car, there still are Brother Li Shang and Brother Long Qi." A woman said, she showed her shy face, looking at two persons who sitting face them.

Yu Ao Tian frowned, he pulled that woman hair: "If you don't want, scat from my car!" he really not type of man who has high patience with women.

"Yu, Yu Ao Tian Ge, I'm sorry. I.

Two years later, Berson group...

"Yao Yao, this elevator is only allowed to used by the company executives, Don't be slack off, Do you understand?"

"Yes, Manager Zhang." A girl that dressed neatly in ESL (Elevator Service Lady) uniform is Yao Yao. She gotten into the elevator, smiling when she sent off her own department manager.

After she graduated from her senior high in Japan, once she returned back to China, the first thing that she did, she was applying for job that paid \$5000 as elevator service lady that she found in the newspaper. For such big company in China, Berson is one of the high ranked companies in China which afford to pay such generous amount of money.

Of course its counterpart Feng's group is still counted as good-paid, but unfortunately....

She would not go to her Ex-boyfriend's place in order to sacrifice herself!

Two years ago, after both of them broke up, Feng Chen Yi was asked by his father to come back to China, continuing the family business, since then both of them never had any contact between each other. This was best out from the worst for her because she did not need to meet this playboy anymore.

"Hu... this job really not easy." Although the job itself not that tiring, but still this job required hundred percent focus and concentration because she should take a note into her mind whomever the executives that would use the

elevator, she should be first person to press the button to which floor department they heading to. This kind of job, for someone like Yao Yao who hardly to remember and recognized people's face actually quite challenging work.

When looking at the time.... "It has been passed working time, would there be anyone come?" exhale the air, she relaxed her body and leaning at the elevator wall.

But exactly at this time... "Ding Dong" the elevator moved. "It has already 10 AM, would there anyone come to work? Who would be? This person must be so bold because come such late."

*

One Rolls Royce Phantom slowly moved towards Berson Group's doorway, at this moment there were people who made stand by position and queue in two lines to welcome the person who was coming soon.

Two years ago, he has ordered his branch subordinates in Japan to search this Little Thing, but within that two years there was no news about her, never thought, after two years this Little Thing has showed up and working in his company. Ah, this has arranged by fate.

Two years ago, she has escaped from his hands, two years later, he would not let this little sheep to escape from him again" he will eat her up until not left the bones!!!

"What do you mean by first day of working? So don't tell me and make excuse that the first day working is allowed to make mistake? Let me tell you, who is your manager, I will..."

"I will praise about you to your manager."

Seeing how Yu Ao Tian's reaction, Long Qi, the person whose words being cut seemed to be dumbfounded for moment, what was happening to Ao Tian? Due to his character, he would not allow such useless person to work at Berson, but why he reacted in... different way?!

"Mr, so do you mean that I didn't make any mistake?" Yao Yao raised her head, looked closely to Yu Ao Tian, her moist pair of eyes filled with gratitude.

He smiled warmly: "En, not wrong, please continued to work well." He stretched his hands and patting her shoulder, he turned his body and talked to Han Li Shang's direction and others: "Arrived, let's get out from elevator."

"Yes."

After they left the elevator, Long Qi felt curious, looking at the 41th floor number that displayed in elevator: "Why that flat chest brought us to 41th floor, what department it is?"

Not to mention why Long Qi curious, the others also wanted to know the reason. At this time, Han Li Shang expressionless opened his mouth, said: "PR department."

"Haha?" Long Ye who was silent for this time suddenly burst into laughing.

"Long Ye, why are you laughing?"

"Aiya, aiya. Didn't you guys know, that elevator lady to be sure was that stupid girl who use to mistake Ao Tian as a male escort two years ago. Now, she was... mistakenly thought Ao Tian as Public Relationship department staff, hahaha..."

Her eyes moisten when she saw the man in front of her, once she felt there is eye contact between that man and her, she lowering her head, while her hand busying to press button no.1

When the elevator moving, Yu Ao Tian slowly raised his head, looking directly to the surveillance camera....

Control Room.

"Aiyoooo, Ao Tian seriously? You notice it? clearly I have shut the surveillance camera's light, still be found out by him, really not interesting. I'll shut it down, I'll really shut it down. Big brother, please don't glared at me? I am afraid." In front of computer screen, Long Qi was helplessly glanced Yu Ao Tian who

looked at him through the surveillance camera in his monitor screen, shut down the monitor system.

"Cih, cannot see your "show", I'll go to watch my blue-ray porn, at least the vigorous Sola Aoi will give a better show than your woman who would be **," He showed his devilish smile, he took out one DVD from his drawer and played it in his computer....

Inside the elevator.

After he ensured the surveillance camera and monitor being shut down, Yu Ao Tian warmly smile at Yao Yao's back: "What is your name?"

"Ah?" Yao Yao whom seemed lost in her thought, suddenly turned her back, rigidly: "Mr, are you talking to me?"

"Ah, is there other person than us?"

Exclude the ghosts. "My name is Luo Yao...Yao!"

"Deng" when she said one of her last name, suddenly the elevator stopped. Yao Yao panic, her eyes opened widen: "What is happened?"

"Aiya, it seemed the elevator is broken."

Looking at that man who showed helplessly expression, Yao Yao frowned, her luck could not be as bad as this, she only reported her own name why suddenly the elevator broken? Did her name make such big destruction?

"What should we do? We should immediately called people to help."

Called people to help? That would not do. How could he let this Little Thing easily to escape once again? "There's no need, perhaps there will be someone come to help, let's we have "rest" in here.

This time finally she clearly heard what he intending to, while looking at that man expression....

Deadmeat! Doomed!

He was not a nice man as she thought, he just a man who wear elegant well-tailored western suit who actually hunger wolf, in this such isolated place, finally he revealed his true nature, didn't he?

Yao Yao panic wanting to escape, but once she was trying to stand up, she is being pulled back by Yu Ao Tian: "Bao Bei (Babe), this is an isolated place, where can you escape?" he used little bit strength to push her down, she alike kite that fall down into Yu Ao Tian's embraces, face to face.

He has big strength!

When looking that flawless face closer, the masculine cologne that he used, hard for her not to fall for him, but because her fears, her petite body trembling slightly.

"If you not speak anything, may I assume that you are agreed? You really are open-minded girl."

His sinister appearance, his demonic words, at this moment this man gave Yao Yao familiar feeling and also sense as if she ever met this man before in somewhere. "No, I don't agree, you don't talk nonsense!"

"Heh? Still, you really are give positive response. Now... let me try your ~ smell".

The man has an intoxicating voice which echoing in her ear. Without waiting for her response, at the next seconds, he has pressed down his lips into her lips. "Ug..."

Her small hands was trying hard to push forward that man chest but her strength was not enough, his strong kissed penetrating into her soft lips as if able to melt her.

Sticking his lips into her as cold as ice cream lips, the man feeling unsatisfied, his tongue strongly pushed into her mouth, aggressively pry to open her white teeth.

As predicted, it so easy for the man to stop her. "Ah." His mouth curled up showed his sinister smile, he took out his phone from his suit pocket: "Hello?"

"Help me!!!"

After he heard her panic-chicken voice, Yu Ao Tian smiling devilish, helplessly shaking his head: "Bao Bei, those who call me in phone are more "beast" than me, you begging them to help you, it means you are expecting... them to play with us together, don't you understand?"

It true ah, those who called him were certainly not a good person. "Geez, shameless!!!" Yao Yao finally gave up her last hope, fiercely glaring at him.

"Ao Tian, what are you doing?" The person who called is Long Ye.

"Me, I am in the middle playing with my "kitty"." He said, Yu Ao Tian really looked alike playing with cat, teasing her by softly scratching her chin.

Yao Yao did not want to suffer losses, she pushed that man hands, shouted: "Then you are dog!"

"Ha, Ao Tian, it seems that you are playing with wild cat, just don't tell me that you are not injure while playing?" the person who was speaking in phone, Long Ye helplessly laughing.

This time, Yu Ao Tian pissed off. "Long Ye, shut your mouth!" and then he glared at Yao Yao, by adding little bit strength, her petite body has enveloped by him, while one his hand covered her mouth.

"What the matter, go straightforwardly!!"

"Well, this, the betrayer of Long Yu's group has caught."

"Understood, I will settle it in moment." After he hung up the phone, slowly he loosened his hand that covered her little mouth.

After she released, Yao Yao gotten up quickly: "What, you can't win over debating with me and then covered my mouth? Cih, I thought you are good person, but who knows that you are beast, you dare to do such thing inside Berson group, doesn't you afraid to lost your job?"

After he heard hers cursing words, Yu Ao Tian realized, this little girl have a nature to say something rational.

"Why don't you say anything? Afraid? If you know to be fear of what you did, why should you do such thing?! I told you, today this matter, I would take it as

if I was bitten by a dog, if you later on...." Her neck straggled by the man, she felt difficult to breathe,

Just to let know, she has had challenge his temper twice today, before there was no woman that able to infuriated the impatience Yu Ao Tian, "Little thing, if you are thinking to continue "the matter", you can continue to talk!!!"

At the same time he showed that deathly sight in his face, his voice somewhat giving and spreading a demonic aura, she knew this man was not joking with his words.

However.

"Yu Lao Da." Inside the dim big hall, hundreds of men in black suit were bending and bowing 90 degrees when they saw Yu Ao Tian.

This was the third floor basement in Berson group, and also the other fort of Yu Ao Tian.

In front of everyone, the two years later of him, he is an elegant, successful and domineering businessman, but once the night come, he gotten back as a man how he used to be two years ago, the underworld emperor who's life filled with winds and rains, he is that merciless underworld emperor!

"Yu Lao Da, I promised not to betray Yu Long group in the future, I begging you to let me off." That man who kneeling in front of him continuously kowtow in front of him.

Yu Ao Tian squint his eyes, from his subordinate he took a little knife, he showed scary devilish smile in front of that man: "Come, stretch out your tongue."

His deep and low devil voice was echoing inside that dim big hall, everyone face seemed to have similar expression as if they were cast and covered with black gauze. While the man that kneeling on the floor has scared until unconscious, he was wet all over his body.

Each and every people who are joining underworld know very well Yu Ao Tian character. Yu Ao Tian confront his enemies or the betrayers, it would not end

so soon. He always trying to torture them slowly by slowly until they die because of unimaginable pain, this is his greatest pleasures.

Once there are people said that Yu Ao Tian is someone merciless in handling matter, whomever he faces, either the betrayers or the enemies, all will have same ending!

"Hey, it has not started yet, why are you pee, really not interesting. Long Qi!" his cold pair of black eyes is searching for Long Qi among the crowd: "I let you to handle him, all is up to you how to "play" with him, but if he not "shout", I will punish you." after he done, he tossed aside that knife and walked away.

Long Qi took that knife, he said to himself and smiled: "Feel reassured, I won't make you disappointed!"

"Ha." There's figure who walking slowly entering the big hall.

At this moment, a beautiful woman who has been standing there for while: "Ao Tian Ge (Bro Ao Tian)"

"Why are you coming?" Yu Ao Tian who was expressionless sitting in sofa, he watching attentively the scene in hall through the frosted glass, showing how Long Qi torturing that betrayer.

"Of course I have missed you, Ao Tian Ge." That coquettish woman was leaning at Ao Tian's side then fall to his embraces.

His deep black eyes looked at that woman: "Just in time, I want to vent "Fire", you know how to do it!"

"Ng, this, this is the first time for me."

After heard that woman coquettish voice, Yu Ao Tian expression darken, fiercely he pulled that woman hair and whispered at her ear with demonic voice: "Do you think if you are not virgin, will I have to consider about you?"

This woman knew very well his preference, just to know, those women that followed Yu Ao Tian there were none of them who were not virgin for first time. "I, I am sorry Ao Tian Ge, I... I know what should I do." The woman was enduring the pain because of her hair being pulled, trembling, she unzip Yu Ao Tian's pant.

"Oh, Oh..." the woman was using more strength to move at his body, but Yu Ao Tian did not even feel for it.

It seemed that he has lost his interest with this kind of women who are likely to bring themselves to him: "Little Thing, what should I do? Now I am feeling want to eat you up."

At this moment, Luo Yao Yao's face that has similar looked alike Rinka, her small face kept on appearing at his head. Yu Ao Tian lifting up his lips little bit and feeling little bit excited, the rushing breath slowly stabilized, his pair of hand moved to hug that woman's waist. While hurried to faster the...

"Ugh," deep low voice, but the excitement, not all getting inside that woman...

Not long after that, those passions inside the room gone, Yu Ao Tian tied up his cloths, throwing a banknote to that woman's body.

That woman takes that banknotes and see: "20 thousand?"

"Hm, this 20 thousand is to let you know whether you have my "seed" or not and, you know how to solve it."

Of course she understood very well. So, she nodded her head.

"And, don't ever show up in front of me again!"

"What? Ao Tian Ge, No! No! I begging you not to abandon me, Ao Tian Ge."

His coldness words, woman begging words, but he not even soften his heart moreover he even opened the door and walked out from that room.

He saw that betrayer, he has covered with blood, but Yu Ao Tian as if not seen that man conditions, heartless stepped at that betrayer corpse that already covered with blood, an extravagant and bloody, this is his underground slaughter house....

*

"Luo Yao Yao, at the first day you working, I had told you before, don't ever think that because you are groom quite good then you are able to attract those high executives. Relying on your look, you are still not qualified,

understood?" inside the service department, Manager Zhang yelling and insulted.

"Manager Zhang, I don't understand why you should speak this way?" Early in the morning she has yelled and insulted of course she felt uncomfortable, furthermore because of yesterday matter, she even felt uneasy.

"Not understand? Which part didn't you understand?" (Sound of paper fall down) a document has thrown to her face: "Yesterday you got two complaints, I had told you, what I wanted..

Service Department? Isn't it is my department?

Why are females staffs should serve the PR department staffs, what the relationship and manger would do with them? Yao Yao confused with that two people conversation.

"Service Department, aiyaa, all the female staffs in that department at least in thirties, as you know my preference is those who are in twenties, where should I get my fun, you say?" Long Ye pretended to angry.

Yu Ao Tian pretending as if he apologized: "I am sorry, I am sorry Manager Long, I will help you to find the twenties service department staff."

Girls at their twenties? Special Service? Did they talk about...

Her heart thumping, Yao Yao little face suddenly turned white pale.

"I have found it Manager Long, there is female staff from service department working as elevator lady. Her name is...Luo Yao Yao."

Oh My? She would not be that unfortunate person, right? On the second day she has faced this kind of thing. At the moment she turned her head...

Inside the elevator both of the men were showing their "wolf hunger" appearances, both of them had dangerous hot gleam in their eyes.

Scar...so scary...

Walking inside the office room, Yu Ao Tian swept all the stuff in his table, he made Yao Yao to sit there.

She just trying to escape, but her body got pressed immediately. "Let me go! Is PR department hiring crazy people to work in here? They are asking the female staff to make "services"? Don't they afraid to be found out by the CEO and get fired?"

"Bao Bei, you should know what kind of workers, the male staffs in PR, all of us need to have "practice" so that we able to serve the client better."

What did he mean?

"Does the CEO agree with this kind of behavior? Geez! It shameless to know that Berson group as one of well-known and big company in China, this company not better that Host/brothel, your CEO even worse, he might not better than Gigolo, a bastard! Host!"

As information, the person she kept on saying "lewder", a bastard CEO actually is the person in front of her. Being vituperated by this little brat, Yu Ao Tian expressions suddenly changed darken. "You Little Thing, I think it better for us to get straight forwardly into the main topic."

"No, wait. You let me go, please. I know, you, you also have your own difficulty, how about we think another way to solve this problem?"

Looking at her tearing eyes which filled with hope, she hooked Yu Ao Tian's interest which made him even wanted to... "ruin" her more!!

"Oh, what kind of solution?"

She took her time to think of it, Yao Yao stayed quiet for moment and then she smiled: "I have an idea! How about we stay here for a while, then you get out and meet your manager, said that we have done "that", in this way, you do not need to be afraid got punish, it's also good for me, don't you think this is the most perfect solution?"

Ha, this Little Thing really have her own way, but there was no such thing in this world as naïve as she thought, wasn't it?

"En, so that, are you agreed?"

"I am agreed but...."

"But what?"

Yu Ao Tian showed his devilish smile, he took an initiative to come closer to her ear and....

After he done with his words, Yao Yao's face and her ears turned to be so red:
"No, you can't, I can't do it."

"Aiya, that is not solution. So I just can.

"Wait!" fortunately Yao Yao reaction was fast enough, she stopped his hands:
"Aren't we just acting but why...."

"It right, we are acting now, but... the acting should be little bit real." His devil sight flashing in his eyes, his big hands were directly to her, embraced her body firmly.

"Ugh..." her stupid white face suddenly turned red, her small hands that wrapped by his big hands also get weaken.

Taking this opportunity, a man's hand slipped into her undergarment.

"HEY!" suddenly fears surrounded her, she realized that man's hand has bad intentional, being sensitive XXXXX suddenly arouse, she freaking out, moving and wriggling her petite body: "Get... get your hand out!!!"

"Sst. Bao Bei, have you forgotten your job? It seems, I the only person who is work harder." He showed sinister expression, he was pulling her bra tie, so that two plump of little white rabbit breast will have exposed.

Without any obstacle, he was with audacity touching hers, big hands slowly made movement, his slender finger were playing with her sensitive "area" :
"uh..." Yao Yao felt her body weaken as if getting high voltage electricity, she felt numb, her mouth even made unclearly moan voices.

This bastard, it was so obvious that she has found out his bad intention, but he kept on continuing "to act" as the reason. Her pairs of hand protecting in front of her chest side, she pissed off, glared at him: "Will you stop?"

"Stop? Didn't anyone ever told you about once man is provoked to** it hard and difficult to end it?" Furthermore if facing something refresh alike this Little Thing.

She is being pressed in the office desk, while his hands forcing to break apart her hands that protecting her in front.

She could feel that man burning eyes that kept on looking at her, she could not say out, what kind of embarrassment she felt: "Don't look! Stop to look!"

"Eh? Little Thing, you don't tell me that, you might get arouse even being looked by me, do you?"

"Not, not like that!" carried away, she tried her best to avoid him.

But at this moment, she felt a strong torrent in her body, responded to the man tongue which making her beet red, he kept on playing with his tongues in her "sensitive areas".

"Uh.. Ah...No, Stopped..." Yao Yao almost lost her control, she moving her body a lot, the deep nightmare of two years ago slowly opened up.

She did not want to recall, she really did not want to recall those two years ago bad memories!

"Are you sure that you want to continue?"

"Heh? Bao Bei, can I assume that you are challenging me?" He stopped for while and looked vicious.

Now, Yao Yao little face turned cold, very fiercely she said three words: "Yu Ao Tian!"

In this moment, Yu Ao Tian is stared blankly looking at her, he never expected this little girl would call his name, didn't she not recognized him? Or this Little Thing just act stupid before, was she trying to play pig eat tiger? He doubted for while.

Yao Yao pretended to be calmed and laughed: "How's? Are you afraid? It seems that you are also knowing about Yu Ao Tian, this name before? Let me tell you, he... he is my big brother, if you are keep on doing this, be careful he will kill all your family member!!!"

"....

Being leave alone half-naked inside the office room, Yao Yao did not understand why the man suddenly left, but grasped the opportunity, she hurried to escape from there.

She accidentally bumped to lady who dressed an elevator lady uniform, she hastened to apologize: "I am sorry, I am sorry."

"No, No, I should be the person who says sorry." This young lady seems in her twenties, she smiled and also looked friendly. She quickly picked the letter that felt to floor: "Aiya, resignation letter? Xiao Luo, do you want to resign?"

Xiao Luo?

"Do you know me?" she taken back her resignation letter, curious asked her.

"hahaha, my name is Bai Ling, I am at same department with you. You are so cute, since you come to our department to make report, everyone has paid special attention to you, especially the males." Bai Ling spoke, she made a wry face. "Oh yeah, You just working in here, why do you want to resign?"

That's because....

What's matter, Yao Yao, have you being bullied by bad people? If I was not mistaken, you are exchanged student in Japan, was you? Perhaps you are not really understood about Berson group. Two years ago, Berson group was acquired by our new CEO, since then Berson grows very well. The new CEO has great leadership and policy, it has self-evident. So, how could be he let his subordinates to do "Physical trading" such things, you must be tricked!!!

After she met friendly girl named Bai Ling, Yao Yao listened to her heart, to expose the matter about PR department "trading" matter. After Bai Ling listened, she gave denial reaction. Suddenly Yao Yao realized that bastard and manager Long was accomplice for tricking her!

"Damn Bastard, because of them I almost lost my \$5000 job-paid, bastard! Rotten egg bastard!"

Inside the elevator, Yao Yao who pissed off make fist with her hand, but also looking at her watch: "Is it the time for get off work? Very good! That damn bastard better not to meet me...."

"Ding"

When that "you" word has not said, the elevator has already stopped at 41th floor.

"Humph. You Little Thing, I have coaxed with you so long, but you daring to defame me." he said, Yu Ao Tian slowly moving to her waist and got her mobile phone which is still recording, her eyes showed fear.

Doomed, how could this man have such strong and good sight?

"Coax? Who needing you coaxed with me! Give back my mobile phone." Yao Yao jumping trying to take her mobile phone back, but because the man is taller than her, no matter how tall she jumping and bouncing, she couldn't reach his hand.

"Little Thing, no, now I should call you Little Vixen, it seems I have underestimated on you."

"This is what you forcing me to do."

"Oh? So let me ask you, whom would you going to give this recording to? Would it be manager Long?"

"I won't give the recording to him, both of you are allies." To be true, she still didn't not know to whom that recording she would have given to, she hasn't thought about it. She rolled her eyes: "I will give it to the Berson's CEO, I just not believe he won't do anything regarding what you do!"

Ugh, from the start to the end, this recording would still fall to his hand, then why bother? But, Yu Ao Tian really hate being scheme by others!!!

At this moment, Yao Yao coldly, opened her mouth and bites his arm!

"Huh? You Little Vixen still dares to bite." After he said, his cold eyes flashed, suddenly grabbed her long hair.

"Ah!!" Yao Yao who felt in pain, shouting.

"You Little Thing, this is what you seek for!!"

Glancing at that man cold and merciless eye, she understood that she would get in trouble.

One big hand...

"Dong" bumping sound, Yao Yao whole body is hitting to the elevator wall. "Bastard, bastard..." suddenly tears are streaming down from her pair of eyes, she hurried standing up: "You are simply rude rotten egg super bastard." Once again Yu Ao Tian tears apart to get up.

Just in this time, suddenly the elevator door opened at 46th floor. Yu Ao Tian eyes swept, suddenly in order to stop her, his next..

Her begging could not cold down the fire and anger which had flamed Yu Ao Tian, just alike two years ago when she challenged him.

Yu Ao Tian caressed her long hair, while the other hand is unzipped his pant, he seemed to release his ~ sleeping dragon'.

He, what he wanted to do? Yao Yao afraid so she closed her eyes, this was her first time to see man's....

"Ha, you think by close your eyes nothing will happen?" Yu Ao Tian cold eyes looked at her, cruel pinched her to open her little mouth.

Ugh

At the next second, that unclean thing of men's suddenly getting into her mouth. Slowly get in...

"Vomit..." a kind of nausea feeling hit her badly, she obviously able to feel that man's thing in her mouth, occasionally she swallowing her own saliva.

This man how could he... how could he act so tyrannical? Without doubted, slowly, her tears were streaming down from her eyes.

On contrary, it cleared that Yu Ao Tian's face showed satisfaction.

Although this Little Thing technique was poor but weirdly he felt satisfaction-pleasure. Moreover her tears, Yu Ao Tian indeed likes this types of native youth Little Thing to cry.

"Oh..." Gradually, her beautiful cheek pinkish, while the thing was moving faster inside her mouth.

In this time, he saw the surveillance camera's red light is turned on...

Damn! Suddenly silent and his face changed gloomy. Hurried he push away Yao Yao's head, zipped his pant, faster he got out from the elevator...

**

Inside the control room...

Seeing the unusual Yu Ao Tian, Long Qi just...

Yu Ao Tian is someone who never wanted to get involved with others department simple matters, but now, he is opened his mouth and asked him to meet that little girl, must he do it? "Fine, My lord." And then he turned to say: "You tell others colleagues to get off working. I will meet that little girl."

"Yes."

Not waiting too long, all the staff were getting off, Yao Yao who was standing in front of the door way suddenly pulled that male staff: "What are you doing?"

"Oh, Manager asked us to get off earlier, but you rest assured, he will meet you immediately."

After he done, Yao Yao feel relieved: "Okay, thank you."

Waiting for one by one the staff gone, there was a man who worn suit walked out from the manager's room.

His height about 170cm something, he seemed at the twenties, he has pair of bright eyes, high nose that perfectly matched with his healthy wheat-color complexion which give brilliant atmosphere surrounded him.

But Yao Yao felt she was so familiar with this man: "You... You are..."

"Hello, I am the security manager." He walked to her in front, Long Qi seemed to behave polite, but that pair of his eyes are showed another way...

Ha, so she is that elevator lady, the flat chest. Even he not really remembered her looks but he would not ever forget how flat her chest that similar to airfield, interesting.

"Security manager? You, you... didn't you are the PR department staff?" after a while she recalled her memory, he was that person who yelled at her at the first day she worked.

"Hey, flat chest, which part you saw me as someone eat soft rice? Those people were the PR department staffs while I am the security department's people."

So he came from the security department, that's why he was so angry when she stopped the elevator at PR department: "I am sorry. I thought you and they were same, those coming from PR department."

"Well, last time matter, don't talk about it anymore. So this time, what bring you here?" he said, Long Qi pulled a chair for Yao Yao so that they could seat face to face.

"I..." this manager and that bastard were coming together, they could be friend. No, if they are really friend, it would be so troublesome.

"Manager, yesterday the person who came with you, was he your friend?"

"Them? They could say as my colleagues, I am not types of person who relying on my appearance to live."

After she heard, her heart is soften: "Manager, this time I have something that... you can help me!"

Her moist eyes were slowly streaming tears and wet her face, that appearance obviously similar like the little rabbit that awaiting to slaughter.

Long Qi heart, ~ thump' the sudden unusual beat vibrate on him. He helplessly asked: "How old are you?"

"Ah? Me, I am nineteen years old."

"Doesn't it mean you are same age with me?" Why this girl, more he saw her more he felt XXXXX, has Yu Ao Tian changed his taste?

"Manager? Manager?"

He gained his mind after being called by Yao Yao, suddenly Long Qi expression changed to be so serious: "Where we are."

"O? so he was the man, well, this much easier. The evidence, was it inside the mobile phone?" Long Qi was pretending to secure the evidence.

"En, en." Yao Yao nodded.

"Well, you wait for me." After he said, he walked faster to Yu Ao Tian in front, snatched the mobile phone from his hand. Hurried he gave it to Yao Yao: "Come, show me the evidence."

"En." Her eyes that wet with tears were glaring at Yu Ao Tian who still standing and leaning in door frame.

Bastard man, you kept on continuing showed that arrogant face ah, you would be dead meat later! But as long as she searching....

"He has deleted it!" she didn't find the evidence.

"Geez, there is no way, Yao Yao. I think..."

"It's okay manager. Humph. He thought that by deleting it, I would not able to recover it?" Yao Yao little face coldly emitting anger, glaring at Yu Ao Tian, she walked to one of the computer, looked so skilled in operating it.

Well” Long Qi who standing beside suddenly felt this girl was not as naïve as he thought.

"Ok, it has recovered!" in very short two minutes, Yao Yao smiled confidently, she clicked the play button.

The evidence that has already been deleted, it really recovered just like before, showed up in front of them.

"You, you... how can you do it?" Long Qi dumbstruck, hinting towards Yu Ao Tian who was also amazed with her skill.

His devilish smiles even deeper, he never thought this Little Thing always bringing so many surprises every time they met.

"I have studied repairing computer during my high school. Well, It is so easy to recover anything."

Even the elite IT staff of Berson need about five minutes to recover things but this Little Girl only spent two minutes, Long Qi was feeling alike ~ really F**k', this girl worked as elevator lady just too waste, is she a genius or retarded?

"Humph, bastard, now the stolen good has recovered what you wanted to say then?" Yao Yao is held the mobile phone which still playing into Yu Ao Tian in front.

"heh?" He straighten his posture, his pair of hand inserted into his pocket, he just squinted his eyes, Yao Yao loftiness attitude suddenly weaken.

This man have dominating aura in his surrounded, really scary.

"Man...Manager." It was still better for her to seek help from others.

"No matter, don't be afraid. Now the evidence is in our hand, he won't win over us." Long Qi encouraged Yao Yao in front. Fiercely said: "Humph, at least you are twenty five or six, aren't you? But you have done that to 19 years old little girl, are you still human?"

"Yeah, you are not human!" since she has backed up, Yao Yao excited to shout and yell, hiding at Long Qi back. But once Yu Ao Tian glared, she backed down.

"Let me go, It hurts..." her chin got pinched almost felt as if out of it shape, the pain made her tears flowing and wet her face.

"Oops, did it hurt you? But by this way you might get into the situation so that, the evidence that you have would be more convincing others?"

Did he really concern about this? But... "If not because you repeatedly did that to me, I would not make any report to anyone about your "habit". All are because forced by you."

"So, all are my fault. What should I do? What should I do to make up for your loss? So that you can happily smiling?" His lips curled up to make devious smile, slowly he loosened up his hand that pressed onto Yao Yao's, gently he...

One of her uniform button's opened. The next, one by one her uniform buttons are opened by Yu Ao Tian's. Since her hands are tied, helplessly, she could only see herself being "exposed" through the lens to monitor without able to do anything.

Very fast, her pastel color bra untied by the man, her white milky and smooth body suddenly uncovered. She tensed, not daring to breathe loudly, her head kept on shaking: "Stop, don't continue!!!"

"Sst, Bao Bei, don't move. You see, if you move, this will also follow to shake, it looks flirtatious." Yu Ao Tian pointing at the monitor screen.

Yao Yao ashamed glanced at herself, her milky white and smooth body indeed tempting.

That man pair of hands suddenly moves to her S waist, slowly sliding forward....

"No, uh...." Afraid, she closed her eyes, in intimidating atmosphere, his pair of strong hand keep on touching her.

"En, uh..."He has not had enough, she shamefully trembling and biting her lips, but her mouth betraying herself by released seducing moans.

"Bao Bei, looked, you are looked so flirtatious now." Yu Ao Tian forcedly to make her to see herself at the monitor screen, while his "naughty" hand kept on touching.

Again and again, she could not control herself, unpredictable something flowing out. She felt shameless with wide-open eyes, seeing herself from the monitor screen.

In the cold and quiet street, a Bugatti Veyron sport car with loud harsh sound passed. The good looking man is seating in the driver seat, while beside him seating is the currently, one of most beautiful goddess, Li Mei Yun.

"Ao Tian, I miss you, tonight I stay at your place, can I?"

"Whatsoever."

"Thank you, Ao Tian." Li Mei Yun smiles elegantly, gently peck his face.

Deep black eyes rolled, he smiled: "Such brazenly, don't you afraid being photo by the paparazzi?"

"You don't afraid, and then I am also not afraid."

"Heh." Few meters away in front of the red traffic light, Yu Ao Tian suddenly stepped on brake.

"Help! Help!" a little girl is shouting and crying for help. Inside the car Yu Ao Tian frowned, looking through the car mirror...

Looking not far from the side street, Luo Yao Yao is plastered by few scoundrels.

"Ao Tian, the traffic light is green. Ao Tian..."

"Hah?"

Li Mei Yun helplessly shaking her head, pointed at the direction: "The light already green, Ao Tian, you are rare to be..." not waiting until she finished her word, Yu Ao Tian once again looked at the position of rear mirror reflector.

This time Li Mei Yun also looked at the direction, she paused helplessly and smile: "What? Does the CEO of Berson group has moved and grow compassion, want to be the hero that rescues the beauty? I will be jealous lo."

"Mei Yun."

"What?"

"Get down from car."

Her expression showed as if she heard mistaken: "Ao Tian, I just finished shooting my movie scenes and came to look for you right after I done, are you really want to leave me alone and go to help that person? The most important is..." she is helplessly looking out from the car window: "If now I get down from the car, the paparazzi will take my photos."

"Heh, didn't you say that you was not afraid being caught? Get down from car! I don't want to repeat for the three times." After said, Yu Ao Tian eyes gleam a dangerous sight.

Li Mei Yun knew very well Yu Ao Tian's temperamental, the current him, it better for her to leave.

After Yao Yao heard, she paused and her face white pale: "What...what should we do? They..."

They are Yu Ao Tian's people...."

"Why are you afraid? aren't you Yu Ao Tian's little sister? Just tell them."

She was bragging last time, even two years ago she was really met the real Yu Ao Tian, but now she really does not remember how that person looks like.

Should she tell this man? No, cannot, later on in the future he will bully me.

"I, I am Yu Ao Tian's little sister, but...but my big brother is still in Japan, he has many subordinates, so that not all his subordinates are know me. Moreover I just back from Japan, in China I don't have any friend. As you can see, one group is six persons, how about you call some of your friends to scare them?"

"Ah? Me? But those people that I know, all of them are nancy boys."

"I knew. But it won't matter. We should seize the opportunity, faster! Quickly call them." After said, Yao Yao turned from Ao Tian and glared to the scoundrels. She gathers her courage, fiercely piercing her sharp eyes to those scoundrels that holding knife: "Let me tell you guys, this man also who mingle in underworld, don't you people underestimated and fool by his appearance that groom very handsome and then thought he is someone eat soft rice, but actually he has nickname as Reaper! Reaper, do you know? He is merciless!"

Not far from where Yao Yao stands, Yu Ao Tian helplessly shook his head after heard her bragging to scare the scoundrels, this little thing, does she need to add that words, "eat soft rice"? He really wanted to punish her later!

"See, you guys looked! Now he is calling his men, he randomly can call two hundred people, if you want to live longer, better run faster now!"

"Bao Bei, there are only six persons, why change the couple peoples to call two hundred peoples?"

At her back, Yu Ao Tian pretending to be confused asked. She paused for moment: "Ah?"

At the next minutes, the impulsive Yu Ao Tian slowly talked in the phone: "Call two hundred people to here, within three minutes all should gather here!" he used commanded voice. Yao Yao dumbfounded.

"Hey, little brat, you are too good bragging, aren't you? Two hundred people? In this present, others than our big boss, Yu Ao Tian no one can make this kind of order in Asia, ordered more than ten of groups people. Not to mention three minutes, hah, I will give you ten minutes, if you can't ask your people come, you should crawl between our legs."

After he listened to these few scoundrels, Yu Ao Tian elegantly laughed.

Yao Yao who stands beside him, pinched his arm, helplessly asked: "Are you crazy? Are you really called two hundred people?"

"Didn't you say so?"

"....." Usually he is quite smart, but how can he turn be so stupid now? Didn't he know that she just bragging to scare the scoundrels? How could he hook to the bait, this is really troublesome.

"Oh my, what to do, it has been passed two minutes, whatever, if there an opportunity you should run."

"How are about you?"

"Does not matter, no matter how to say, everything is because of me, there is none of your business. I can't make you get involve with this matter. You run first.

"Bao Bei, those people are extras that I called to act before, aren't you Yu Ao Tian's little sister, how can you forget your big brother's look?"

Ha! Ha! It true, she, herself also pretending to be Yu Ao Tian's little sister, those scoundrels who are pretending to be his subordinate have beleaguered, so how about her who feigned to be his younger sister...how would be she ended?

"Yu Big Boss!" her rigid body suddenly become lively person, she hurried knelt on the ground: "You don't toying with me, two years ago it was my fault, It really was my mistake. It was me who could not see the big mountain in front of me so that I thought you were host, I beg you, You are wise man that forgive little me, please spare me. And then, I am not really had bad intention to pretend as your younger sister. Please spare my... my life!"

Finally two years ago incident sealed open, countless nightmare in front of her, at the moment, everything came up and it was showed from starting she encountered with this beautiful good looking man who coincided as the underworld emperor, she really dislike herself that has weak memory, how could she forget this dangerous man's look?

"En?" Yu Ao Tian squatted, he smiles deviously: "Bao Bei, finally you recognized me?" he really wants to tell this little thing, not only she thought him as Host two years ago, but after two years, she even thought him as PR staff!

"Yu, Big Boss Yu, what do you mean?" Yao Yao feels as if awake from her dream, she finally understood that Yu Ao Tian has recognized her before: "Big boss Yu, you knew me, why don't you tell me?"

"Hah? I was afraid to recall your bad memory."

"But now you are even added my bad memory."

After he heard Yao Yao truth feeling, Yu Ao Tian squinted his cold eyes, he really wants to straggle this little thing who is talking honestly, "Oh, so that because of me, your bad memory even added more, then I apologized. I will make you to forget it immediately." After he said, only with his one hand, he has locked both of her wrists.

Yao Yao panic: "Yu Lao Da, what are you?" her feet off from ground, while her wrists are grasped by Yu Ao Tian, slowly walked to outside of the hilltop fence.

"Ah!!!!" under her feet that is cliff. If Yu Ao Tian does not grasp her tightly, she will fall down immediately: "Yu Lao Da, I beg you to let me off, please let me off."

"Sst, Bao Bei, don't move, if you randomly move, if I don't hold you steadily, you will..."

"Fine, fine. I... I won't move.

When Yu Ao Tian wanted to get into car, suddenly he turned his head looking at her.

At the moment, the fierce expression in Yao Yao's face immediately changed to warm and docile: "He He, Yu Lao Da, do you have anything to command me?"

"That money...it is for you to call a taxi and go home."

"thump" her heart inexplicable shocked, she never thought this evil who is the underworld emperor actually... she rolled her eyes

"Yu Lao Da, so that the debt between us, does it mean... all is settled?"

"Ha ha." His alluring smile, his expression suddenly cold: "You dream on. wait until you're able to give me the feeling of being kissed, when that day comes, then our debt will be settled." After he said, Yu Ao Tian gets into his car.

After seeing he has gone far, finally Yao Yao realized her frustration: "You bastard, son of bitch, demon, reaper!" but after she thought his last sentence, at the moment she felt as if she were deflated rubber ball: "A kiss with feeling? What kind of kiss that have feeling, if he said that is kiss with feeling then it is but how about if there is no feeling. What should I do...."

**

Early in the morning, Yao Yao dispirited and downcast gets into the elevator. She looked at the time, it is the time for those PR staffs to get work. Although

she has used to escort Yu Ao Tian to elevator, but today still her first day know that his real status.

"What to do, later when he gets into the elevator, should I call him like how his subordinate addressed him? Aiyoo, so troublesome.

"Dong" at ten sharp, the elevator move, Yu Ao Tian expressionless gets into the elevator.

"Good morning, Flat chest." Long Qi greeted her.

When she heard Long Qi greeted her in that way, she pretending not sees him, or else she afraid to occur trouble.

And then followed by Long Ye gets inside the elevator, she lowered her head, she afraid Long Qi would tell him that Yao Yao yesterday called Long Ye as lecher, in order to avoid troublesome and even greater revenge, she silent.

Long Ye keeps quiet inside the elevator, Yao Yao even feels more relaxed as for the last person who are getting into the elevator, one woman and one man, finally she closed the elevator door.

The elevator slowly moved up stairs, inside the elevator is so quiet, when the last people are them who stand at Yao Yao's back, she feels restless again. Long Ye, Long Qi and Yu Ao Tian, aren't they at same boat? Now if they are team up, how to expect she becomes calmer? Or because there are a pair man and woman inside the elevator, then they won't do anything?

Yes, this is too good!

The elevator stopped ad 41th floor, this is the first time for her to feel how her day such bright in Berson group, when everyone left the elevator, she seizes the opportunity...

"Yu... Yu..."

It's right. She is too shallow, but she clearly knows her position and status. Yao Yao makes a fist with her hands, forced to smile: "Thank you so much for Manager Zhang reminder. I take...my leave first."

She did not want to deny about her irresponsible, but that manager Zhang was too much to insult and humiliate her which obviously nothing to do with her works.

Being famous among the males colleagues are good, want to fool around with others are okay, not to mention if she really has this intention, if she really has, there is nothing to do with manager Zhang? Why should she again and again bring up this topic?

Days and nights she hoped to enter the society after she graduated from her high school so she able to see how world it is, she just simply want to use her summer holiday to earn some extra money so that she can faster reached her goal.

Facing to her very first time working in her life, she really wants to work well, for the short time she wants to keep good memory of it, but who knows....

"This won't do! Yao Yao, you should not lose because of this small obstacle, or else when you graduated from the university you won't be able to cope with and stand in society!!"

She backs to herself and immediately heading to her post, the elevator moved, there is someone walk inside, she does not pay attention,

"Ring..."

When the notice bell of the elevator rang, she backs to herself conscious, lift her head: "Why the elevator stopped at 41th floor?" she looked outside the elevator: "No one. Didn't I mistakenly push the button to 41th floor?Cih... why should I push the button to 41th floor?"

Puzzled, suddenly there is a voice at her back: "Perhaps, you are missing me?"

At the moment she turned back....

"Ah!" the devilish but also good looking face is coming closer to her face, when she step backward, she sees the other party face: "Yu... Big Boss Yu, You... how can you be here?"

(Yao Yao called Yu Ao Tian as Big Boss because she just found out his status as underworld boss not as Berson CEO)

"I have been here for long time."

So that.... He has been there since she lost in her thought.

"I am so sorry, so sorry, Big Boss Yu, we have arrived at 41th floor, please you go out from the elevator.

Oh so was that! It seems he has underestimated this little thing that looked clueless white rabbit from her appearance, but actually she... really is one of the smartest!

"Hm." His lips curl up, Yu Ao Tian turn on the elevator power.

At the time he gets out from the elevator, he heard...

"Yu Ao Tian! Yesterday Taxi money... Thank you." the elevator door closed.

Yao Yao isn't seen Yu Ao Tian's expression at the moment elevator stopped, but expectedly she....

"Fiuh... although to say thank you to Yu Ao Tian in this way is impolite but I don't have other way." Actually she does not want to have any relation with that underworld emperor....

Finally the lunch time, can't help not to mention, Berson group lunch simply to say equal to the five stars hotel, splendid and luxurious. Even the canteen is decorated as beautiful as high class restaurant.

"Geez, first class business is really first class business, even the lunch menu they have abalone, simply to say, this company is rich." Putting the food at plate, Yao Yao is praising every available dish, while she is choosing her favorite foods.

"Yao Yao! Yao Yao!"

She turned her back when she heard Bai Ling called her, politely she smiles at her.

"Yao Yao, a matter that happen in the morning, you don't need to think about it."

The matter that happen this morning? What Bai Ling meant... "Oh, nothing."

"Still say nothing? That witch has scolded you that loud, even the employees who were outside her office room could hear her."

Just don't know why, every time she meet Bai Ling she always remember her high school best friend, Xiao Man, perhaps because of their friendly nature so that people like to get closer with them.

"I really feel okay. Bai Ling, thank you for your concern."

"Really okay? You just don't knew, that witch..

"Yao Yao, do you and that Manager Long...."

"No!" no matter what Bai Ling intending to say, she hurried cut her: "I just ever met him one time."

"Ah? Are you sure you only met him oneonce? But he obviously showed that he really cared about Li Wen Feng and others who stroke up the conversation with you. Ha, from my point of view, I can say that manager Long may interested with you."

Oh My Heaven! Does Bai Ling really loves to dream? "Nothing like that, I really meet him once, that's all."

"Oh, so that's all. Fine, Yao Yao, his surname Long, and also manager... isn't he someone who named as Long Qi?"

"Yes. Why?"

"Oh my goodness, really was he? Yao Yao, you really lucky, he is the youngest manager in our company, he also one of the most promising manager, moreover he also included as the most handsome men in our company list, seeing from both of your age and appearance, both of you are match each other. You should consider about him."

Whatever, she surrendered, no matter how she explained to Bai Ling, thing would be blacken....

"I go to my post."

"En, Bye Bye, Yao Yao."

**

A luxurious limousine stopped at the Berson group's entrance, outside this car there are four or five people standing and waiting in front the door, waiting for the important person appeared.

When the car's door opened, a slender man with good looking charm and wearing grey suit gets down from the car, in his left ear there is diamond earring shine brightly because illuminating by the sun light.

"General Manager Feng, please." one of the employee is greeting him with alluring smile.

That man pulled his suit, bring his own subordinate to walk inside Berson Group's lobby...

"Eh... who is that... man?" The on duty receptionist asked in reception table, she looked at that good looking man at glanced, stare blankly: "Vey elegant, so handsome! Simply to say he just as good looking as our Berson's CEO. Actually who is he, this important person? Since our PR department manager is privately welcoming him?"

"As what I know, he should be the second young master from Feng group, he is the General Manager of the Feng Group and also one of the heirs of Feng group."

"Fucking Damn , the generation of rich and handsome."

"That's right, he is someone who well-born rich young master, so that, you don't need to think about him."

Being poured cold water by her own colleagues, the unsatisfied receptionist said: "Why?"

"It seems you are lacking with the newest news, all the women beside him are equally fine women with our CEO Yu, furthermore his style and our CEO Yu almost similar, all the women are sexy and extraordinary beautiful, if you can get him so that it easy for you to settle our CEO."

After the on duty receptionist heard it, she suddenly felt hopeless: "just let it go... just seeing him as eye-candy ah.

"sure General Manager Feng, i'll change it next time!"

"Ha ha, Lisa, do you have time tonight? How about if we have dinner tonight."

"Ah? I have! I have time." Lisa has waited this moment for such long time, she has expected to have further relationship with Chen Feng Yi other than the working-relationship.

Who knows...

"Childish!" Yao Yao who stands backed them cannot stay still anymore, she has witness one by one the women that being dumped by Feng Chen Yi after he bored playing with them, she thought to meet the two years later of him, who has mature but who knows that his character hasn't changed much. This is called it is easier to change mountains and rivers than alter one's character (Idiom: The leopard cannot change its spot).

"Uh, what...she said?" Lisa face sterner, later she looked at Feng Chen Yi who smiles satisfied.

Yao Yao frowned and turned to look: "Of course I talked about the rotten egg rotten bastard who is standing beside you!"

"Hey, how can you say our General Manager such thing?"

"The service department staff, do you know who is he? Do you want to be fired?" only by Yao Yao single word everyone is pointing finger to her.

During the normal time, she won't say much thing, but because she sees Feng Chen Yi, she cannot control herself and also her mood.

If she being fired then it fine, even she gets another scold from manager Zhang it also well-do. Feng Chen Yi who is maintaining his calmness and also his cold eyes with his devious smile, no wonder Yao Yao pissed off by clenched her hands that exposed her veins.

This moment, finally Feng Chen Yi responded: "Miss, are we know each other?"

Her face rigid, the oxygen suddenly empty in her heart, Feng...Feng Chen Yi this rotten bastard, what he intended to say? Just now, she thought because of Feng Chen Yi was busy to talk with others so that he was forgot to greet her, so that he unwilling to acknowledge her? Does he feel such shame to acknowledge her as his Ex-girl friend?

Her heart is pain so much, this kind of situation just brought back the two years ago pain, she never knew how their relationship broke up affecting Feng Chen Yu but she certainly knew how hurt and ache her during that time.

Later after two years, she never knew how bad would be her emotion get influence after meeting him again, but now... she surely knows her emotion stirred up.

"The elevator girl, hurried apologize to General Manager Feng, or else I will inform your manager and ask the manager to fire you!" the PR department manager step forward in front, shouting at Yao Yao.

But she does not show the intention to do so, Feng Chen Yi is the rotten bastard that likes to play with women, so that, why should she apologize him, she won't!

"Apologize! Understood?"

"Let it off, I don't need apologized, but... the staffs in Berson group really have such "high" inner-self.

Yao Yao peeks outside the elevator, that rotten bastard, Feng Chen Yi really standing there. Her face darken, straightforwardly she push button number 1...

"Miss, have I said that I want to go to 1st floor?"

"....." be patient, hold on...Yao Yao inhale deep, sweetly smile at Feng Chen Yi that entered the elevator: "Mr, which floor do you want to go?"

"51st floor."

"Ding" "Mr. we arrived."

"Ah, I remember wrong. It should be 50th floor."

"Mr, we arrived."

"I think I remember wrong again, it seems 49th floor."

Damn!!! Endure! Endure! "Mr, we arrived at 49th floor."

"Uh... it not 49th floor. Perhaps 48th floor."

"Mr, are you sure 48th floor? Will it be you wrongly remember again? Just to let you know, the electricity for elevator quite expensive." Yao Yao looked him with big sweet smile, but actually she is gritting her teeth and issued out "creak" voice.

"I am also not too sure which floor I heading to, you pushed the button first. Moreover, your Berson Group that so rich still afraid not effort to pay electricity bill?"

"Ha Ha, our Berson Group of course affordable to pay the electricity bill, just... I just afraid you won't get out alive from this elevator!!!" Yao Yao face gloomy, she pushed the button with her strength, turned back facing him, she pulled his necktie: "Feng Chen Yi, what kind of scheme do you plan to do?"

"Oh, so this is how the employee of Berson Group acted toward their client?"

Pretend to be stupid! Just keep on pretending to be stupid! You are rotten bastard Feng Chen Yi. Bear! Endure...endured... slowly she let go her hand from his necktie, gently she stroke him: "Ha ha, General Manager Feng, because I don't have good quality, because I don't have good quality, so that years could like such rotten bastard like you!!!"

"Dome!" Feng Chen Yi finally lost his own control, pair of his hand enveloped her little waist, with his devious smile: "My beloved Yao Yao, I just played little joke with you, please don't be angry."

"Kidding? Little jokes? Feng Chen Yi, where have I ever sorry for you? Two years we never met, once we meet, should you act like this toward me? Do you.

She is not used to be alone with Li Wen Feng, moreover this Li Wen Feng is trying to waste and dragging the time by walking such slowly. With this kind of

speed, perhaps both of them won't ever can catch up with Bai Ling cs, really make people panic to death.

"Yao Yao, is it hard to be an elevator lady?"

"not bad, not bad." She gave him a forceful smile.

"Yao Yao ah, you looked so young, also very beautiful, actually you don't need to push yourself so hard. Young ladies, as long as they are learning to... have sweet talk, able to please man, they can just sit back and count money at home."

Ugh... what kind of words this supervisor Li said to her, no matter how she heard it, it sounded abnormal? She thought there is must be hidden intention, but now her heart is thinking about Bai Ling, so she forced herself to give him faint smile.

This time, suddenly Li Wen Feng stood in front of her.

"Supervisor Li, what's wrong?"

"Come, Yao Yao, come with me." Yao Yao hasn't agreed, but Li Wen Feng has pushed her into one of expensive boutique inside the mall.

"Supervisor Li, don't we still need to find Bai Ling? Why we come here?"

"Ha ha." Li Wen Feng just laughed, saying nothing but get inside to the Prada boutique, Yao Yao is forced to follow him to get inside too.

"miss, how much is this dress?"

"sir, it has a reduced price, \$2600."

"Oh it's only \$2600?" After he heard the price, Li Wen Feng showed a rather exaggerated expression: "Aiya, how can a Prada outfit be so cheap. although as cheap as it is, please take this Miss to try on."

Ah?

"Supervisor Li, you...?" Yao Yao suddenly looked at him.

"Ha Ha, Yao Yao, don't worry, this dress is so cheap, just take it as gift from me. You hurry and go to try it on."

"But... Supervisor Li this is not a matter of money. But...."

"Yao Yao, I know you might think this dress is so expensive so that you want to help me to save some amount, but don't worry, this amount just small money for me."

This supervisor Li, every time he talked he always bring about money, what does he mean?

"Wait...

Yao Yao has got used to Toward Feng Chen Yi's domineering acting. Two years ago he was also this arrogant, as long there is person who comes and provokes him, he would make that person end pathetically. Of course, she sometimes could not withstand Feng Chen Yi brassy attitude, but today....

Still need to say that, Feng Chen Yi has won beautifully. She does not want to know his purpose of doing this kind of thing, but one thing she believes that Li Wen Feng will never dare to come near her anymore. "Feng..."

"My beloved Yao Yao, don't say to me that man was your fiancÃ©, I would pity your degrading taste. do you really want that kind of man?"

Her gratitude smile gradually disappears when Feng Chen Yi said this: "Yes, I admitted that my taste is poor, or else why could I fall for you two years ago?"

He smiled coldly : "Are you comparing that man with me?"

"So what? Is it strange? Do you think there will be another cheap and low man that can be comparing with you?"

"Luo Yao Yao!" Feng Chen Yi raised his hand and shook her shoulder, deathly grabbed her.

"Hah, General Manager Feng, don't be angry. I just told you the truth. But I am not intended to lie to you, just now, that person was not my fiancÃ©."

Of course he knew it that man was not her fiancÃ©, but the problem is.... "So he was not your fiancÃ©, so why are you coming with him alone?" he rolled his eyes, but at same time there is no smile in his face: "Don't tell me that your

fiancÃ© has left you? It doesn't matter, Yao Yao, no matter what, you are still my Ex-girlfriend, you're always welcome."

What does this Feng Chen Yi mean? Is he thinking that she is trash?

"Ha! Ha! Ha! Sorry to let you know, I have super good relationship with my fiancÃ©. And the most important thing is, I'd like to go out with anyone I like because it is my freedom. you are merely my past! My Ex-boyfriend! That's all, none your business!"

"Luo Yao Yao, you!"

"General Manager Feng, congratulations to you that you've purchased another company, but,, believe me that I won't ever come to step my feet to this place for the rest of my life because it makes disgusted! Good bye!"
Turning her back to him, Yao Yao is leaving.

Feng Chen Yi is pissed off to the extend that his expression changed to grey...

"Damn!" he got out from that place.

Some of his assistants hurried to follow his step: "Feng..

"Ha, the stronger is the business partner later on they will be the stronger enemy in the future, but it will be more interesting." It so obvious, during the negotiation between Long Ye and Feng Chen Yi, Yu Ao Tian is the person who has the most expectation for this "business agreement".

"Hah, Ao Tian, I really lose to you. you always possess such a unique taste!" he has tendency to "raised" his strong enemy to be stronger, and then he will "settle" them. Facing such person, all of them really lost to do with Yu Ao Tian.

When the elevator door opened, Yu Ao Tian just wants to enter... "Where is Luo Yao Yao?"

"Ah?" at this moment, the substitute elevator lady, Bai Ling paused for moment, who is this person? Well...he is so handsome.

"Yao Yao... Yao Yao... she just fired by our manager, is, is there any problems?"

Long Ye who stands beside Yu Ao Tian sensed something wrong with his expression, hurried he mediate the situation: "Oh, nothing. Sorry to disturb your job. We seem to use wrong elevator."

Woah, who is that man, he is so gentle and also handsome. "Thump" "Thump" "Thump", at this moment, Bai Ling heart beat more than 180. "It does not matter."

When the elevator door closed, Yu Ao Tian with his anger face looked at Long Ye: "Didn't you have a good chat with her department manager?"

"I did."

"So, her department manager still dared to fire her?"

How could he, Long Ye know the reason? "Alright, I will go and kick her department manager out from here."

"Long Ye." His cold gazed swept, suddenly his dangerous and killing smile exposed, he curled up his lips: "Since when...you become so lenient?"

Huh, he really does not know how to deal with him, no matter what the problem is, as long as he unhappy, he will always showed this kind of scary smile.

"Huh..." Long Ye silently gulping his saliva, he really cannot understand Yu Ao Tian, why he seems not tired to play with this little girl? "Xiao Meng Li, come here."

Long Ye suddenly gently patting Yao Yao who shocked: "You, what do you want?"

"Ha ha, reassured, this time I don't need your "special treatment"."

Did he say the truth? But, now she isn't Berson Group's employee anymore, he does not have any reason to bully her? Yao Yao slowly walking in front of his the desk.

Long Ye make a contemplation heh, she really more look alike Xiao Meng Li. "I heard you were fired?"

"En."

"Well, would you like to join my department?"

Puff, without waiting for Yao Yao to open her mouth, Long Qi who sat on sofa silently laughed.

"Why? Not because...." He just said half, Long Ye slowly stands up, moves closer to her in front, gently said: "Are you afraid with me, this lewd manager?"

"Uh?" Long Qi has told his brother already, Yao Yao puts a deathly glared to Long Qi.

"No, manager Long, the past shouldn't bring up again. The most important is I don't have any interest with PR department.'

"Oh, I just am joking with you." Long Ye backs to his seat, smiles and then he clasped his hand: "Coming."

"Manager Zhang?" When Yao Yao sees the person who enters the room, suddenly she stares blankly.

"Manager Zhang, the thing that you should say, I think I don't need to teach you anymore?" Long Ye eyes coldly looked at that person.

Manager Zhang hurried nodding her head, forcing herself to make smiles: "I am so sorry, Luo Yao Yao. I....I knew in the past was my fault, please you forgive me. I promise you later in the future I won't say anything unreasonable to you. I am bad! I am slut, all is my bad, please forgive me."

What is going on? She could feel that Manager Zhang seems to be scared Manager Long, but how can, aren't they managers that have same level?

"Alright, Manager Zhang you can take your leave."

"Yes... General Manager Long."

"General Manager Long?" did she hear wrong? What was manager Zhang address this Long Ye?

"Are you the General Manager of Berson Group? Aren't you the PR department manager?"
