Yao Yao silent, she pulled the quilt closed all her face, not dare to see him but nodded.

"I still remembered I ever told you, if you do not want to do it then I will not force you."

He really ever said that before, perhaps when they were in elevator.

"You really say for real?" Yao Yao pulled down the quilt little bit, exposed her pair bright eyes.

"Of course! But..." he curl upward his lips, smiled: "Except I lost control!" but he believe this little thing will not make him lost control at least this time.

Actually the happy Yao Yao suddenly feel frustrated after she heard: "What do you mean by losing control?"

Yu Ao Tian takes long breath, silently shook his head, this naïve little thing used her innocent eyesight to ask him, he afraid tonight he won't be able to have good rest: "Do you want me to demonstrate it?"

"No, no need." She shook her head, faster she covered her head.

She believes she won't beg him to do it for her, so perhaps she might be able to pass three years in peace. This is really good...

But Yao Yao does not know that type of person Yu Ao Tian is. He is types of man that have many tricks and schemes to achieve his goal.

As long as he wants, it will be so easy for him to get this little thing but why he does not make his moves yet? He just wants to wait until she ripe little bit, just ripe little bit, after he gets her body and her heart, then...

He will dump her!

In the earlier of midnight, Yao Yao really cautious, she afraid to touch Yu Ao Tian's body but at the next hours...

She sleeps freely!

Gritting teeth, cuddle Yu Ao Tian, pulling his hair, he doubted whether this little thing really fell asleep or not, but the answer really disappointed.

Finally when he could endure until morning, Yu Ao Tian really feel like "you damn fuck" this kind of feeling because long time ago he ever promised himself not to sleep with this kind of girl but still he renounced his promise by sleeping with her.

Could he say that he really cannot sleep after the midnight? "Today I don't want to go to work, you also don't need to go!"

"How can it be alright? Yesterday I saw there were many people busy to make report to you, you must go to work every day to finish your work? Moreover, the top management elevator only has me as the elevator lady, if I don't go to work, who will keep the elevator."

"Well, you go by yourself first."

"Cannot! You, this is not responsible, the ancient wise Emperor, every day they go to court to settle the matters, it's only the incapable ruler that said they won't go!".

Episode 62

"Ao Tian...can you stay for a while more. is it okay?"

"Cannot, there are lot of things that should be settle in the office." He was recalling his old memories, usually all the women that ever spent night with him always begging him to stay, and then... this Luo Yao Yao is the first little girl that beg him to go to work!

"I don't say that I won't go for work? I just told you that you go first, you working time is starting from 8 o'clock, while mine is 10."

Uh... that's right, she almost forget. Yao Yao just wanted to rise but hurried lying down again, she feels embarrassed stood in front his without wearing anything: "Can you... turned over your body, please?"

Yu Ao Tian helplessly shook his head, slowly turned over his body, if not because he is in good mood, he won't care her begging!

Not long after that, Yu Ao Tian also moves and goes to office.

"Ao Tian, your face look not too good, didn't you sleep?" inside the security manager office, Long Qi crossed his legs, while watching at the surveillance camera's monitor screen, asking Yu Ao Tian who sat listlessly on sofa.

"Hah, yesterday you didn't go to sister in law place, also not visited hotel, so where did you sleep?"

"How could you know that I wasn't in Mei Yun place?"

"Uh... yesterday she called me, asking me whereabouts you. I said I didn't know. Eh, Ao Tian, actually where were you? Did you go to your new girl friend's place?" After he said, Long Qi smiled deviously.

But that fat manager is panicking when he heard his words: "CEO Yu, this, what do you mean?"

At that moment, suddenly the smile is disappeared from Yu Ao Tian face, he raised his hand and suddenly put his golf stick to that fat manager's mouth.

"Ah!" few of the yellow teeth mixed with blood flow out from that manager thick lips, he showed painful expression.

"I hate to repeat my words." Very obvious, Yu Ao Tian has lost his temper, even his voice sounded as cold as the gloomy hell.

After that fat manager heard it, he opened his mouth wide.

When he saw Yu Ao Tian was waving his golf stick, that white ball fall directly hit into that fat manager eyes. "Argh!!"

Seeing this tragic scene, Yu Ao Tian pretending to be shocked, said: "Oh my, I hit it." after he said, once again he waves his stick and hit it hardly.

This is described as temporary pervert but get into huge disaster ah. "Yu, CEO Yu... I am begging you, begging you to forgive me this time, later I won't dare anymore."

At this moment, Yu Ao Tian with pity tone, took a breath: "Well fine then, I will forgive you."

"Really? Thank you! Thank you, CEO Yu." That fat manager kowtow him.

But everyone who ever know or have relation with Yu Ao Tian, they know that what kind of person he is! If Yu Ao Tian really has sympathy heart it means he is not Yu Ao Tian anymore!

.

Episode 63

He curl upwards his mouth, his eyes looked at the other side: "Well, Xue Tong, did you forgive him?"

"Uh?"The fat manager nervously, hurried looking at Mo Xue Tong who is standing not far from him.

As seen, her pair of hands are enveloped her chest, with her cold aura, she slowly walking toward him. When she stopped at that fat manager in front, she raise her middle finger.

Two men that hold down that fat manager's body lift him up.

Finally, this thousand year cold mountain exposed her charming smile, her slender fingers caress that fat manager chest and moving to his trousers. Slowly he unzip his trouser, she pulled out that ugly thing.

Confronting with this kind of provocative, the fat manager still in composed. But at the next seconds....

As seen! Mo Xue Tong left index finger which wearing beautiful ring is holding small knife.

Not to wait the fat manager to response...

"Argh....!" One of the most hysterical screaming, constantly echoing from inside that splendid CEO's office room.

The men in that situation suddenly dumbstruck for moment because felt numb in their head, the life also follow engrave, she really fucking damn cruel.

Only Yu Ao Tian that looked happily and excited, smiled: "Hah, Xue Tong performance always make me happy, I extremely satisfied!" because he really likes to hear that man's painful scream because being****.

As for Mo Xue Tong, she usually speaks less, cold appearances, but once she really get her hand down she is merciless. This is perfectly matched to Yu Ao Tian's "Taste".

If for him women just toy in bed, but only Mo Xue Tong is different, his attitude towards her just not same as other toys women he had before..

.

"Ao Tian." Just in this moment, Han Shang Li entered the office room, the tragic scene caught his eyes but he acted as if seen nothing, hurried walking in front of Yu Ao Tian, coldly said: "Something happen!"

There still two hours to go before the working time ended, Yao Yao is in her post to waiting and greet during the rush hour of get work off time. At this time, the elevator move to higher floor, Yu Ao Tian suddenly enters the elevator.

Although she has tried her best to accept their kind of relationship, but still every time she meets him she feels awkward: "Go, Go where, Yu...CEO Yu."

"I come to find you." Yu Ao Tian face looked stern.

"Why?"

"Later you prepare to go off work."

"Hah? But, but my work time ended at 6." The normal office employee is ended at 5, while the service employee always late one hour.

"I asked you to leave; I have already told Long Qi."

"Cannot! I don't want to have special treatment!" Yao Yao affirmed herself.

He never thought that little thing really that stubborn, his black eyes rolled, once again, he forced to shut down the elevator.

"Hey, what are you doing, faster turned on, in the moment everyone is get off working."

"Little thing, you seem to be so respect with your job. But when you are as my lover, why don't you act professional?"

After she heard what Yu Ao Tian said as if it pierce into her, she really does not want to be reminded their status so clearly, she better to chose become unconscious or hazy perhaps this is called as run away from reality. "You turned on the power of elevator, it is okay?"

"Hah, Bao Bei, with what status does you asking me to do?"

When Yao Yao asked with that kind of question, it chills her. inside the company he is the boss while she only a small employee, in life, Yao Yao is pet by him while she is his pet, no matter from what kind of status still she is the person who should listen to him.

"Go or not go?"

But this time... at least she should be persistent with her point of view! "Not going!"

"Very good." His black eyes flashed, he enveloped Yao Yao to the elevator corner and forcing her to sit down.

"Humph..." the intolerable seductive voice wrapped inside the elevator. A pair of hand slowly groping into her undergarment, touching her. "You, why do like to act this way...this, huh...this is inside the company!"

"You know this is company, you being molested by other but still could show such happy face." Yu Ao Tian who sat behind her showed bitter smile, but his pair of hand kept moving.

"Uh...I, when did I molested and welcomed it happily?"

"Are you sure? It was today afternoon, did that person not touched you..."He said, Yu Ao Tian moved his hand to her lower body: "Your butt?"

She shocked, "That, that person was not careful!"

"Not careful?" Yu Ao Tian really does not know how to say her, perhaps only this little thing naively thought that everyone in this world is good people.

Before Yu Ao Tian stop teasing her, he asked her once again, "Are you going to leave or not?"

Again, stubbornly Yao Yao replied him "I am not going anywhere."

"Fine, just don't regret with your decision!" He left her..

Episode 64

Yao Yao looked at his back that slowly go further, Yao Yao just not understand why she will get regret if she does not leaving her work early.

"Dong" The elevator is moved to first floor. "The working time has already ended but why there is anyone come?"

Usually before five o'clock, the elevator has packed with people, even some might go for overwork."

The elevator door, slowly open, the floor corridor dark, in front the door is no one.

How can there is no anyone? Don't... don't say it ghost?

At the moment her heart thumping crazily, Yao Yao who is in panic mode crazily push the button, closed the elevator door: "Faster close ah! Faster ah! Faster ah" just when the elevator door is going to close suddenly there is one big hand block the way.

"Argh!" she shouting and squatted down to floor covered her head.

Directly the elevator door opened, seven to eight people with black suit get into the elevator.

Huh... what is happen, so that there are people! Yao Yao relaxed little bit, but she does not pay attention to that group of men in black suit who are looking at her."

"Mr..."when Yao Yao wanted to ask them which floor they heading, suddenly one of the man directly push the button.

Oh, they are going into CEO's room? This late of night why are they going to do? Do they want to steal things?

Impossible...

One would like to ask, is there any thief that come to steal but still using elevator, moreover they are coming in group, together get inside the elevator to steal things, impossible they have guts to do.

The elevator move to upstairs, those men in black are looking each other, one of the men is coming closer to Yao Yao's back, just in moment he want to take out something from his pocket...

When the elevator is reached 28th floor, suddenly it stopped. So that those men who originally got into the elevator actually for that "man", he took out the pistol that hidden inside his bosom.

Yao Yao suddenly dumbstruck!

"Don't blame me that I don't tell you. Tonight you will regret it!"

"You will really regret for it!"

Hahahaha now, she has regretted.

When the elevator isn't completely open, outside the door there is no one, but afraid once this elevator door is closed, there must be big turned over? This time, deadmeat...

"Aiya, where is my contact lens?" when the elevator door closed, Yao Yao squatted down as if searching for her contact lens in the floor. "Oh my, how can I see if there is no my contact lens."

Those men are looking each other with suspicious glanced, one of the man shook his head, he is implying better to kill wrongly rather than to let off!

Just in this moment suddenly the light inside the elevator is off, all the people inside the elevator are trapped in darkness.

Elevator stop?

Trapping in darkness, all of them only able to hear each breathing sounds, both Yao Yao and those men in black, all of them are not recklessly make a move.

Perhaps it has passed couple minutes, suddenly she felt that was something touched her shoulder, she stretch out her hand to touched it...

A string?

She rolled her eyes, she does not have any doubt, she deathly grabbed that string as if her life is depended on that things.

Yao Yao is taken by using that string out from the elevator while those men in black suit didn't know that she has already left the elevator.

Standing above the elevator, there is wind that blowing into her small face, when eyes are adapting with darkness, one big figure standing in front of her.

This black figure, basically Yao Yao has made guess already.

Later on, pair of hands closed her ears. It feels alike chilling sound from hell shouted: "Killed all!"

Later on inside the elevator there only sound of clashing and peng peng sounds.

When the ears not hear any clashing or peng sound anymore, her nose able to smell thick blood smell spread and piercing into her nose. She not daring to ask, not daring to move, she just stupidly standing there while her head is empty.

Suddenly one soft lips touched her lips, there also the smell of Yu Ao Tian cologne, this cologne is perfectly cover that blood smell, her rigid body suddenly melt down.

Inside the darkness, she cannot see anything but she used her feeling, she able to feel his domineering presence, feeling his soft lips, and also that intoxicated feeling. She entirely has fallen into it.

And then...

When her rationality comes, at the moment she pushed away Yu Ao Tian who kissed her.

"You are heartless little thing, is this the way you thank me?" that cold voice said inside the darkness which sent the deathly vibe,

Regarding with what is happening, this afternoon Han Li Shang had made report, he also had made the comprehensive prevention as long as those men dare to rush to the top floor all of them would be minced meat.

But the plan changed because of one person and she is Yao Yao!

"Ao Tian, do you really not care to that flat chest?" when they were inside the security office, Long Qi helplessly not bother himself asking, looked at him.

He has already told her to leave, but she didn't want to leave. For Yu Ao Tian who never been so patience with any other woman, he never paid attention for their life.

"Ao Tian, didn't you tell that flat chest clearly?"

When Long Qi asked that question, suddenly Yu Ao Tian recalled...that scar: "Quickly change the plan!"

Within 3 minutes, Yu Ao Tian re-plan his plan, when one of the men inside the elevator wanted to kill Yao Yao after the elevator stopped at floor 28th, before they able to do it, the elevator has stopped.

Compared to previous plan, the new plan could be say as something extremely exhausting the brain, not only to prepare from start and also the time quite short. Still he also needed to figure out precisely and make correct prediction about other party thought.

Perhaps this is something easy for Yu Ao Tian who has 210 IQ so that he did not need to waste much time, also the questionable thing is, why must be him come save this little girl by himself.

To his unknown, this cruel and unscrupulous little thing did this thing to repay him?

"I..." Yao Yao bit her lips. It is so obviously that she has already became his lover, although he was not coming to save her, actually there is no reason for her to reject him. But...

Dislike! Just dislike this way! She hates kissed by person that she dislike! She still not able to be...

Deathly silence.

At other second, she could feel that her body merciless pushed by Yu Ao Tian.

"Thumping" the persons above the elevator is going down inside the elevator..

Episode 65

There is strong smell of blood, she difficult to stand up from the floor, her small hand accidentally touching on something. This.. hand? Is it hand?

At this moment, Yu Ao Tian who is standing on the top of elevator shook off his night vision glasses, facing the surveillance camera, coldly said: "turn on the light."

The darkness disappeared replace with the light, there are about seven or eight corpses filled inside the elevator, at that moment Yao Yao is sitting above one corpse, she shocked almost faint, "Woahhhh" that loud voice followed with crying sound.

"What to afraid?"

Yu Ao Tian who still standing from the top elevator asked, she looked pity and stammered lift up her head, hurried nodding, but in front of him her crying face quite cute.

"Do you want to get up to here?"

"En, en, huhhuhuhu..." she really does not want to stay any longer in this kind of place, this just such scary, so scary!

"Later when I kissed you, will you refuse?"

Her body stiff, she just never thought that Yu Ao Tian would ask such question; she only can use her puppy eyes to move him, hoping that he takes her up from here quickly.

But Yu Ao Tian isn't someone easy to please with this? He directly closed the only small window of the elevator.

With this answered, Yao Yao must be stayed together with seven or eight corpses, "Alone with corpses."...

"Ao Tian, you become more vicious each days, you even in dire strait got refused by little girl to kiss you?"

Yu Ao Tian left the top elevator's roof and went to the front door of elevator in 28th floor. At this moment, Long Ye, Long Qi and Han Li Shang have waited to congratulate him.

Regarding to his conversation with Yao Yao, they have heard it before when they were in security office room, this time he could say has lost his face already. After all, He either as the outstanding and talented CEO or the underworld emperor, he never refused by any woman when he wanted to kiss them, besides there are still many women who make line waiting for him to kiss them.

"Long Qi, will you death if you are not speaking?"

"Cih!" Long who is standing beside him sneered.

They looked Yao Yao who crying until wet all her face through the surveillance camera, rotten bastard! Yu Ao Tian simply is rotten bastard. One moment he saved me, another moment he left me in here.

Indeed, indeed it all was my fault not listened to him, but how could he torture me like this? "Yu Ao Tian! Yu Ao Tian! Take me out! Take me out!"

"Well, what is your decision?"

"Promise! Promise! I promise you whatever you want, faster take me out!" she simply forced to be crazy.

The elevator door opened, when the pity Yao Yao but also cute appearance caught into everyone eyes, Long Qi laughing straight forwardly, Long Ye is curled lift his mouth while Han Li Shang just cool as usual.

Yu Ao Tian stepped on the corpses and walking toward Yao Yao who looked so weak, without waiting him to stretch out his hand, she has already took an initiative to fall into Yu Ao Tian embrace. Pair of her hands hugged him tightly, while pair of her leg clamp onto his waist, she completely looked alike Koala.

"Huhu huh u...Woah...." She not cares with her image, she is crying loudly.

"Enough, stop crying, your tear wet my clothes." This moment, the expression of loving Yu Ao Tian is looked so loathing.

But on all his people eyes, this Yu Ao Tian who is heartless and merciless suddenly changed to be someone with love...

Leaving Berson Group, everyone has gone to clear up the mess, only leaving Long Qi who stayed with them.

From Berson until the parking lot, Yao Yao keeps crying, crying, no matter how to coax her, even Yu Ao Tian who silent to conscience, did his joke out the limit, thinking even man who staying with bunches of corpse perhaps, they might half-deathly moreover if the person was a girl?

But this little thing was not listening to him, so that he only has this way to give her lesson. Seems that he really is a man who not able to coax a girl.

"Long Qi, drive the car."

"Oh." Long Qi sat on the driver seat.

Yu Ao Tian hugged Luo Yao Yao and sat on the behind seat, the car is slowly leaving Berson Group.

Seeing how this little girl crying such miserable, Yu Ao Tian hugged her and made her seat on his lap: "Don't cry. Okay?" he took the tissue and wiped her tears, very patient sweet talking with her. But, this was not effective.

The Long Qi who sat in front seat wondering, his role model, Yu Ao Tian how he would coaxing Luo Yao Yao since he looked so helplessly?

Bao Bei, stop crying...

"Stop crying..." the initially who spoke with faint smile expression suddenly changed to be slow and prudent, could see that Yu Ao Tian is trying to overcome his temper, but finally... "You Mother fuck stopped crying, annoying!" he exploded.

Long Qi who sat in front seat suddenly stop smiling, the angry Yu Ao Tian is more than terrifying, if not...Ao Tian Ge is types that not able to sweet-talking to the girl, moreover the little girl!

Perhaps she shocked with Yu Ao Tian and then silent, Yao Yao stopped crying, stare blankly looking at Yu Ao Tian.

Another moment... there will be drama to see!

"You mother fucker if not because you left me inside the elevator, why would I cry?! You yelled? What you yelled? Your mother fucker yelling a fart!"

"....."

" Silent.....inside the car silent for ten seconds.

Suddenly Long Qi laughing so hard, finally the silent was broke.

"ha ha ha...." Heaven knows, this is the first time since he followed Yu Ao Tian and heard this kind of thing, moreover Yao Yao's baby voice with dolly face scolded him, this was especially interesting.

"I have told you before, you are not allowed to say dirty words!" Yu Ao Tian coldly said.

To the unknown, not just Yao Yao not afraid of him, on contrary she even explained to him her mean: "I my mother fucker willing, I mother fucker like to curse, there is none of your mother fucker!"

"....."

After hearing how smoothly Yao Yao said one by one her dirty words, Long Qi even hurried to stop the car: "ha haha.

" He could not stop from laughing, if the car still being driving under this circumstance, there absolutely would be car accident....

"You!" Yu Ao Tian was extremely angry, he just not understanding how could he meet this kind of little thing? He swear to himself that he does not want to have kid in his entire life, or else if he has kid like this Luo Yao Yao, perhaps his age would shorten for ten years!

"....." He has compromised, compromised, fine!

"Later in the future I will not scare you anymore."

After he said, Yao Yao did not react, even Long Qi who sat in front seat dumbfounded.

What kind of person Yu Ao Tian? He better to die rather than compromise other, moreover he was compromised little girl? Today must be joking, if looked back to the usual Yu Ao Tian, perhaps the next thing must be a slap.

He had ever said before, between the man and woman there are no differences, the thing that man can do, the woman also can do it, if because the opposite is woman and then become soft-hearted, on that way would be trapped into woman's scheme. So that, he would not give any lenient and preferential treatment in gender.

But today he was...

Long Qi not understood, perhaps because Yu Ao Tian has good mood.

.

Episode 66

"You, you must swear, you will never bully me again!" Yao Yao stopped crying and seriously looking at him.

"You don't be repellent!"

But she, Luo Yao Yao avowed herself to "eat" him today! "Humph, huh u....woah!!!" Luo Yao Yao closed her small face, crying louder.

Yu Ao Tian made fist on his hand, taking deep breath, suddenly he smiled: "Alright, I swear to you, I will never bully you anymore in the future."

Finally Yu Ao Tian understood that, this little thing was faking, pretending crying! Very good, today he even toyed by this little girl. He squint his cold eyes, shaking his head looking at Long Qi.

Long Qi got down from the car so that he able to give a private time for both of them.

"Did you remember how I taught you about kissing before?"

"Ugh." She understood what would happen next, immediately she closed her mouth.

"Just now when you were inside the elevator you had promise, did you remember?"

Oh my, she seems....

There is slightly unwilling of her to put down her hand that closed her mouth, she pursed up her lips nervously.

Yu Ao Tian and Yao Yao are kissing inside the car. This is not the first time Yao Yao kissed by Yu Ao Tian because he has violated her many times before.

But, this time the kissed different with the before they ever had.

He kissed her softly and gentle, so this still the first time for Yao Yao to experience this type of kiss from Yu Ao Tian. Under the bright moonlight, inside the car, Yao Yao actually quite enjoy this kind of atmosphere. She could feel her body weaken but has very positive reaction.

"Huh, when your kissing technique will progress?" Yu Ao Tian teased Yao Yao, he smiled looking at Yao Yao who embarrassed and head down.

Yu Ao Tian moved to the driver seat and hurried he locked the car's door before Long Qi came closer.

"Hey, Ao Tian! Let me in."

"Don't you like to smile? Well, you just smile along the way to go home." After he said, Yu Ao Tian started the engine and leaving Long Qi alone.

"Isn't...this car belong to Manager Long?" Yao Yao asked.

"So what? You feel awful because he should go home by walking?"

Huh! Big rotten bastard, as long as not bully her, Yao Yao shut up and keep silent along the way home.

When she arrived at the big villa where she stays...

"You? Aren't you leaving?" standing in front the door, Yao Yao probing him.

"Not going."

Hah? Oh my... does this mean.

..

"Why don't you leave?"

"Heh? Bao Bei, don't you wish me to stay?"

"When you saw those people brought gun why did not you run away?"

"Run away? If I run away... there one way to chose, death! Much better for me to pretend not see anything, perhaps it could make me live little longer."

This little thing looked alike the idiot and fool but when comes to live and death matter (the most important) she is cleverer and smarter than normal people, not to mention... she really the little girl who has IQ 205. "Why are you secretly crying?" Yu Ao Tian frowned.

"All is because of you! All is because of you! You make me become weirdos!"

"...

Before she ever directly talked bad about Mo Xue Tong, but at last she was got the coldness of Yu Ao Tian for three months, so that she always keep in her mind that she should not talk bad about Mo Xue Tong.

When Li Mei Yun left, Yu Ao Tian still angry but dial the phone: "Xue Tong, ask Yao Yao to come inside!"

Not long, Yao Yao felt guilty, pushed the door opened: "I am sorry, really sorry, CEO Yu. Because I really like that Li Mei Yun, so that.

.. I am really sorry, so sorry." She kept on saying sorry, sometimes she really hate her impulsive self.

"Why are you looking for me?" he coldly asked.

Uh, her first purpose coming to look at him was.... Stopped to asking forgiveness. Her little face gloomy: "Yu Ao Tian! Why are you fired me?" just now she was called to Long Qi's office in order to inform her that she is fired, once she heard it, she gone crazy, straightly coming here.

"Do you think that I need have reason to fire you?"

"How can you not need the reason?" Yao Yao moved one step in front, both of her hand slammed the desk: "First, I don't make a mistake, second I am so discipline, if there is evidence of you violate the work contract, I can sue you to employee bureau!"

As if the bolt hit her head: "Sorry, I am so sorry. I was so impulsive just now, so that... I am sorry. I am willing to resign in order to compensate."

"Hah, resign as compensation? Bao Bei, you are really naïve." After he said, Yu Ao Tian pulled her into his embrace: "5 million dollar business contract, do you think by resigned you solve the matter?"

That man was silent.

Yao Yao who hurt because betrayed and also pissed off gave him a slap: "Feng Chen Yi, you are rotten bastard!" she turned her back and left.

Although things had passed for two years, she work hard to forget everything but when the moment that woman showed up in front of her, all those rotten bad memories filled her head.

"Luo Yao Yao! I speak honestly; this cloth isn't suiting you just alike Feng Chen Yi who not suit you. Or else why two years ago he chooses me over you. I really think that you not need to act like this because you still mad about two years ago."
