

## **Pure Girl 621**

Episode 621

What a sly woman!

In this way, she will sooner or later be xie zhi fine torture crazy.

Gradually, yaoyao's eyes seem to appear a fork in the road...

One is to adhere to the trust of the wind;And another, is to take action immediately, see in the end is xie zhiqing plot means, or the wind Chen yi has betrayed...

How to choose?Where to go from here?

Located in a busy block of nai mei street townhouse, xie zhiqing wearing a silk pajamas, is sitting on the sofa watching TV.

'ding dong, ding dong' heard the door bell ring.Her eyes rolled. "ah, here he comes."Quickly turned off the TV and rushed to open the door.

"What do you want to see me about?"The sauroposaurus stood impassive in the doorway.

Xie zhiqing smiled: "black total, come in."

"Say it here."

"Here?What do you say here?" Xie zhiqing looked at the road people to vehicles: "in case the paparazzi photographed you with me, ok?"

The black dragon hesitated for a moment, then walked quickly into the living room...

"Black always, drink coffee." Xie zhiqing polite end to a cup of coffee, in front of the black dragon.

He brushed the cup of coffee of light cold, coldly way: "say business."

"Is such black total." Xie zhiqing sat beside him: "I called you today, is hope, also is a request.You can not stir up the feelings between me and Chen yi."

This sentence is from xie zhiqing's mouth, black dragon really think very funny: "miss Xie, if this is the wind Mrs. Said to me, I may accept, for you...Is a woman who is destroying other people's homes entitled to say such things to me?!"

"Black total, don't you think if I with Chen yi together, in fact very advantageous to you?"

"What's in it for me?"

"You think, if Chen yi divorce with miss luo, then miss luo is single, and is no longer the wife of your friend Chen yi. And you'll be able to pursue miss luo above board?" Xie zhiqing smile with both hands in front of the body, face to see the black dragon: "so, you should choose to stand on my side is not it?"

"Ha, ha..." Black dragon cold hum two, simply do not know to say that xie zhi qing is too shameless good, or that she is too sinister good! You want that idea?!" Miss xie, I still have business, go first..." Just as he was about to sit up..

.

Xie zhi qing a turn over, quickly blocked in front of him. "Black total, must help luo yaoyao yao?" His long arms were pressed against his head, and his long legs were bent and half kneeling beside his legs.

It was a very provocative gesture, with her slightly bent body facing the face of the dragon at the collar.

His inky eyes move down, you can faintly see her body without underwear.

Raise your eyes coldly... "Isn't miss xie only interested in married men?"

"No... The correct word is... I'm interested in all of lo's 'stuff'..." Slender fingers stroked the handsome face of the black dragon.

His dark eyes sink, a grasp of xie zhiqing is stirring the wrist: "I am not the wind Mrs. In addition... Maybe Chen yi is interested in you, but I..."

"I'm not interested in a woman like you!" He jerked her hand away.

Xie zhiqing chuckle: "ha... Ha ha. Mr. Black, can I understand that you are pretending to be serious with me?" Soft body slowly close to him, she spread legs straddle riding on the body of the black dragon, sexy small mouth slowly close to his ear: "the outside world is rumored that you never go out sociability, more do not know how romantic, also never had a girlfriend, but in my understanding..... Are you the opposite of what is said?"

Inky pupil twinkle a harsh light, he slowly on the xie zhi qing with a strange smile face: "you, what do you know?"

"I know all about your romantic history when you were studying in England."

"For example, when you were in a design institute, you slept with almost every one of your models."

"And I know about your royal circle in England, and how you used to play dirty with women with your grandsons."

"Or the secret that a princess of the British royal family was nearly expelled from the royal family because she was pregnant by you."

"Additional, you 18 years old is kidnapped, also because you went up the girl friend of a sinister gang boss abroad, so be chased by the person kill to the home?"

"I believe in your 'great deeds'...Even Chen yi and son xuan don't know?"Small hands, ambiguous holding up the black dragon's lower jaw.

He narrowed his eyes with cold, and his handsome face moved closer to hers. "where did you get all this information?!"

"Oh, ha, ha, of course I have my way.Really can't see, the good man of the high society black fire dragon, actually in the bone than who all romantic.Whether it is a wife or students, or teachers, the basic are not let go, good severe!"

He never told anyone he was a good man!He doesn't need to be told he's a good man! Xie zhiqing said above all are true!

Black smoke dragon 15 years old went to England, go there almost every day mix the party of high society, the party of that kind of level like ouyang zixuan is nothing at all in his eye, the party grade that he attends does not know compare ouyang zixuan's party grade how many times higher.

So he saw nothing behind the scenes of the debauchery that day.They only see themselves in their former selves.

Similar to the issue of sleeping with its models, those are black dragon in 16 when he did, he selected fashion design, it attracted a number of models, romantic he, almost every night with those models, not a day off time.

As for getting the royal princess pregnant, he did it when he was 17. The influence of the royal princess was very great. They meet in the bar, two people developed a \* night \* love, who knows, the princess's belly to big. That thing, make extremely sensational, fortunately by the royal family down, just not to make the world known.

Up to this point, black inflammation dragon and did not have any convergence, still be happy to die not to approve of walk in desire \* hope, still give the girlfriend of a British Mafia boss to go up even. The eldest chased him for a long time. Even after he returned to China, the eldest son would not let him go.

It can be said that in the circles of English high society, the black dragon is a very famous figure.

However, he has never had a girlfriend, and has never loved a woman. Many women have been made to cry by him. His attitude is always a pair of arrogance and contempt, leading to the woman died in front of him on the spot.

He was crazy, ruthless, irresponsible...

In his time to see the body of yaoyao and calm reaction, is not to pretend calm, is not no feeling, but...He had seen so many women's bodies that he was numb.

## Episode 622

When he saw the scenes of debauchery, he was dismissive, not because he was too good, too single-minded, but...He was tired of playing.

In his time to curse Ouyang Zixuan romantic, not he looked down upon Ouyang Zixuan, but...He in ouyang zixuan's body, saw his past shadow, and feel shameful.

Really called the black dragon wake up, make him change, or the death of his parents brought him a heavy blow, he thoroughly put on the body rich second generation of all bad label tore up.

These past, these British unbearable memories, is not he wanted to hide with ouyang zixuan and wind Chen yi, just feel nothing to share.

The simplicity and monotony of everyday life seems boring now, but for the black dragon, it really feels good.He was really fed up with all those flashy people!

"Miss xie, you now speak of my past, have any purpose?"Black inflammation dragon cold staring at straddle riding on their body xie zhiqing.

She smiled and shrugged her shoulders. "there are so many women who have been driven crazy by the black boss. They can't be themselves.I'd like to...Try it..."Small hands, along his chest, slowly to his hot belly sliding.

The black dragon seized her wrist and shoved her off his body. "it's late. Don't bother!"

"Ah..."The corners of the mouth pick up a strange smile, xie zhiqing eyes flash, hand.....'tear, tear, tear, tear, tear, tear!

"You!"Black dragon has a moment of panic, but on the xie zhi fine gradually gloomy down the look, he immediately reflected what came over, turn around to leave.

"Don't..."Xie zhiqing from behind tightly embraced his waist: "black total, you don't so, don't...Don't..."

Damn woman!What on earth does she want?!The face of the sauroposaurus was tight. The next second...

'ding dong, ding dong,' the door bell of the villa rings.

He...

It was certain that the wicked woman was going to give him a feast at hongmen!

"Help! Xie zhiqing released his arms around the hands of the black dragon, staggered to the gate to run.

"Zhi qing?What happened?Zhi qing?"At the door came the sound of the wind.

Black inflammation dragon eyes a hard, a grabbed xie zhiqing's arm, suddenly covered her mouth, whispered: "you this cheap woman!Trying to set me up?"

"Well..."Xie zhiqing opened the small mouth to bite the palm of the black dragon.

He groaned painfully and unconsciously took it away.

Xie zhiqing see this continue to shout loudly: "don't so...Don't!Don't tear my clothes, help me..."The corner of the mouth, faint raised a touch of provocative smile.

The black dragon knew, this time is a hundred mouths to argue, silent clenched a fist.

Just then...

'bang', the door was kicked open from the outside, the wind with ouyang zixuan rushed in...

Suddenly, standing in the villa hall of the body of the three men covered with a strange atmosphere...

"Blare.....Chen escape..." Xie zhiqing wrapped in torn clothes, crying rushed to the wind Chen yi's arms.

Ouyang zixuan opened his eyes angrily and rushed to the face of the black dragon with a lunge.!"

Black inflammation dragon stroked the corners of the mouth, face expressionless stand in situ, inky eyes slowly on the wind Chen yi that gloomy face.

"Happened... What's the matter?"The wind Chen yi cold open mouth.

Xie zhiqing sobbed, intermittent way: "I, I know, black always... It's for your wife... Take it out on me...Oooo...No, don't blame the black master..."

This is to belong to the black dragon character, xie zhiqing master is very consistent.

In collocation, before xie zhiqing for his past grasp.A man who habitually dissolute, a man who made many people's wives and other people's girlfriends, he..

....

Black dragon, identify!

Without any words, without any explanation, he gave a cold smile and shrugged his shoulders.

"Inflammation of the dragon! You fucking stop!" Ouyang zixuan grabbed the black dragon by the collar. "are you just going?! Don't you think you should give Chen an explanation?!"

"Anything to say?" Black inflammation dragon fakely did not understand of smile bottom, look slowly toward the wind Chen yi: "do you need me to explain what?"

Silence.

Wind Chen yi looked at him coldly; He also looked at the wind Chen yi coldly.

Next second, the black dragon to ouyang zixuan picked the next brow: "see, Chen yi does not need my account." With these words he walked quickly towards the door of the villa.

Ouyang zixuan saw this, will go after...

"Zi xuan! Has been silent wind Chen yi finally opened the mouth: "forget..."

"Never mind?" Ouyang zixuan stupidly leng in place.

Lie in his arms crying xie zhiqing also incredible eyes.

Forget it?

What an understatement. At the moment, no one knows... What wind Chen yi thinks in the brain after all is what...

Slowly moving in the limousine, the black dragon quietly sat in the back seat.

The driver nervously asked, "less, less cars, where to?"

"Home."

"Is..." The car turned around.

Slowly, the black dragon dashed his head out of the window...

F...Your opponent...That's a great character. I'm afraid after this time, I can't help you in the future, you..

. Take good care...

More than ten years of friendship, as if in slowly broken...

Can not say is sad, or depressed, may be more to feel ridiculous.

Because of a woman's trick! A woman's trick! The friend he cared about most was gone.

Worth it? Or not worth it? Or maybe it's because he's owed so much to women. So, this life he is doomed to be planted in the hands of a woman...

Three days later.

A: yaoyao, I may be late tonight.'

'yaoyao, I'm sorry, I may not be back tonight...'

These days, yaoyao heard the wind Chen yi said to himself most of the words is 'come back later', 'don't come back'. This time it was more dramatic, disappearing for three days in a row. Said to be on a business trip, but just so coincidence, xie zhiqing also asked for three days of leave.

Ha ha, coincidence...

Maybe it was all a coincidence.

Yeah, it's a coincidence, but it's a coincidence!

Walking along the edge of the river at night, the wind is biting. Yaoyao stands still and leans against the fence, looking at the stars and moon reflected on the clear stream.

"Call..." Gently breathed a breath, she slowly took out the phone from the pocket, to the phone on the other side of the people quietly way: "money tomorrow into your account, you can move..." Hang up the phone: "Chen yi, in fact, I really don't want to be like this; Can't help it... I have no choice..."

Turn around and walk on.

Riverside side of the square is very lively, many uncle, aunt are happy to dance square. Yaoyao has an urge to join them..

Episode 623

But if she does join in at this age, she'll be laughed at, won't she?

Sitting on a bench beside the square, she looked at the flowing crowd and pairs of white-haired old people hand in hand, she was very envious.

In fact, yaoyao thinks her vision is very short, is to have a home, an ordinary, ordinary home.

Healthy parents, loving husbands, obedient children, that's all.

It's a pity that...

This is a very simple thing for many people, for her, how difficult!?

Holding hands with the child, it seems to be just a legend?

But..."Or maybe, I really am Randall, so, too much killing in the past. Now the heavens are beginning to reward me..."Holding his arms on a chair, he raised his head and stared at the dark sky.

'now intersperse a piece of entertainment news, today, each big media received paparazzi to send a set of photos, the people shown on the photo, is the wind group President wind Chen yi and a pure woman's bed photo.'

According to a source, the woman works as an assistant to the President of fengshi group. She is only 18 years old and has never graduated from school. It seems that this time just sitting President position and just married the President of the wind group will face a very serious image problem...'

Empty eyes slowly turned to the flashing screen.

One by one, the harsh pictures reflected in yaoyao's eyes look so ironic...

On the photo, there is the wind Chen yi and xie zhiqing bed photo; There are pictures of them at home; And intimate photos from a holiday together in phuket. The most ironic one is... Photos of them kissing while they were in the haunted house.

The tears ran down yaoyao's cheeks; Today seems to be the coldest day of the winter. It seems that this night... Doomed to be a lonely sleepless night...

A room in a five-star hotel.

A man in black mysteriously opened the door of room 904: "Mr. Royal."

Huang Yaotian face expressionless sitting on the sofa, see the man appeared, cold looked at him, then slowly stretched out his hand.

Seeing this, the man quickly took out an envelope from his pocket and put it in his palm.

Open the envelope, inside is a piece of wind Chen yi with xie zhiqing cheating photos, he took out one by one, picked up a cigarette lighter on the coffee table, lit."Sure...Is there no outflow?!"Slow not urgent gloomy words fell.

The man nodded respectfully: "sure.It's an exclusive. It hasn't been published yet.

"

Royal proud day condensation in his hands gradually into ashes of the photo, then took out a check from the check folder, handsome bounced out.

The man is like to see what baby, immediately embrace in the bosom, 5 million!Ha! Ha!"Thank you, thank you for the tip.But small have a thing very don't understand, why do you want to wipe the bottom for your competitor?If these photos are published, the general image of the wind will go down a cliff, right?"

Oh, for the wind Chen yi wipe bottom?If his wind Chen yi's wife is not luo yaoyao, the royal proud genius will not care about this matter, can not be prepared will also be down a well some time!

'it's none of your business!Cold spit out four words, royal proud day picked up the hand next to the clothes, just stood up.....

This time, the wind group's share price is very likely to be the wind general derailment door drag.After all, the general image of the wind has been very good, in addition to just recently came with his first

girlfriend married, is for his image added a lot of points. However, the bed photo incident broke out, the wind general created a good man image is equal to collapse, so the wind group's good image will be more or less involved.'

Deep eyes staring at the living room flashing TV picture, royal proud day suddenly stretched out his hand, a grabbed the collar of the man, the dark way: "don't say these photos have no outflow? Why was it exposed?!"

"Royal, royal Sir... Really..... No, really. I... I'm a firsthand source. You see... The pictures you see on the TV are different from the ones I gave you. I'm afraid... There are also other media with the general wind with it.

"The man finished with a shiver of explanation.

Royal proud day double eye flash, a loose the collar of the man, walked out of the room.

The racing car headed toward nai mei street until it came to a halt at a townhouse.

Royal proud day to go to the villa door, the face of the dark rang the doorbell.

Not in a short while, the door opened, xie zhiqing a face at a loss looking at the royal proud day: "you find Chen yi?"

"Well, is he so in you?"

"In. Wait a moment..." Xie zhiqing turned back: "husband, husband! You're wanted!"

See, wind Chen yi wears a suit of pajamas, walk slowly to the door: "who seek..." You cold eyes on the royal proud day that deep eyes, his elegant smile, patted xie zhi fine back: "zhi qing, I am a little hungry, help me go out to buy some food, ok?"

"Well, all right." Xie zhi qing sweet smile, quickly nodded. Step out of the room...

Huge sitting room, royal proud day and wind Chen yi face and sit. The atmosphere in the room was so gloomy that it could be described as extremely cold.

"I thought you were just having fun with that woman, and now it seems... Ha..." Royal proud day took the lead to break the silence, one hand on the back of the sofa, legs slowly folded together.

"I really started out as a lark." Wind Chen yi that deep and cold eyes gradually dark down, the second half of the words, even said did not say swallow back.

"Play, play, play out feelings, don't you?!"

Silence. Feng Chen yi just cold smile, did not answer his question.

"Chen yi, or that sentence..

.We're both men. I understand. At least, when I wipe your ass again and again, I still think you can give yaoyao the future. But now..." Deep eyes flash a cold light: "you do not deserve me to have any expectations of you, more do not deserve to be yao yao's husband!"

"Is that all you want to say when you come here today, master royal?" Feng Chen yi's face gradually sank.

Royal proud day evil cold smile: "of course not. I just wanted to tell you... My previous promise... Take back! Los f... In the future!! give it myself!" The words fell, his evil and handsome face suddenly raised a look of chilling.

'I'm sorry, just for yaoyao.'

'I admit that it was selfish of me not to think about any of yaoyao's feelings or whether it would cause her pain.'

'but... From today on... I quit!'

Symbolizing the man of the contract gradually broken, royal proud day with the attitude of the emperor to the wind Chen escape under a threatening war book.

Looking at the royal proud day gradually left the figure, the Feng Chen yi hands into the pocket, cold way: "royal total.How do you give yaoyao the future? Have you forgotten that you killed her mother?".

Episode 624

Forward steps, suddenly static, royal proud day of lips slowly provoke a wipe of evil cold smile: "who said to you...I killed yaoyao's mother!?" Looking back, the deep eyes look like a sharp sword, point-blank in the chest of the wind Chen yi.....

Royal proud day in brewing what?

What does it portend?

This is the moment to deny...He killed yaoyao's mother?!

Cold villa, two men four eyes and right.

Royal proud day hang on the face of the smile is so people can not guess.

But gradually...

Feng Chen yi's mouth also raised a touch of subtle smile.....

This moment, as if to suggest that...Two men emotion and mental contest of the era officially began!

On the other side...

The cold huts, long uninhabited, have been deprived of heat and electricity.

Yaoyao had to rummage around for a few candles to light.

This is her home, her home with her mother.It's the first time I've been back since I got married.

The warm memories of the past are not frozen because of the failure of the house. Every bit of it seems to fill the cold inside gradually.Of course, those memories of the picture, together with the wind Chen yi.....

This is the room!

When she learned of her mother's death, she was broken-hearted;He was the man who came to her for the first time, accompanying her and taking care of her.

The same room!

She was royal proud day strong, like no soul. When I got home, I saw him first!

She said...

'there's no way we're getting married.'

He asked...

'don't you want to avenge your mother?'

At that moment, she really did not want to avenge her mother, but...He was so determined!

'even if you don't get revenge, you will marry me!'

She can not understand the wind Chen yi overbearing.

But gradually, she was moved by his bullying...

'why did I marry you, don't you understand, luo yaoyao?!Huh?!'

"You remember, luo yaoyao, this life, you live, is my wind Chen yi's wife;Even if you are dead, I will not let go of you!"

Ha, ha...It's ok to live, but he won't let go even if he dies?

Look, look, what a bully this man is!

'do you know where I've been these three days?These three days, I have been with the royal proud day together!You can guess what to do, can you?We...How can you get married?How can you get married?'

No matter what she said or refused, his answer was always three words: 'no!'

And of course what really touched her in the end was...

'marry me, yaoyao.Tell me to be your only family, to protect you, to love you, okay?'

The only family...

Yes!She needs family!Longing for family!Now feng Chen yi is her only family, but she...Was no longer his only...

Act after act, act after act, as over the general reverberation in front of the eyes.

Yaoyao took out the beer she had bought in the supermarket in advance and drank it bottle after bottle...

They say only stupid women drink after men cheat, but...Who can understand that heartache, who can understand the pain of the moment?

What kind of anesthesia can she use other than alcohol?

Still like 2 years ago, go to niulang shop to find a man to amuse yourself?

Oh, she didn't dare. She didn't want to stir up the wrong crowd.Simply, a person back home, secretly crying, anesthetize themselves, to much more happy.

But...

It's strange!

Two years ago, she was so love wind Chen yi, for his betrayal, her pain, she was heartbroken.

Two years later, she was his wife, but the love was gone. The pain in your heart is worse than it was two years ago?

Why is that?

Because...Is he the only man who's committed to her family?

Because...Did she really trust, trust him too much?

Originally, the betrayal of the family is the most torture; Originally by the most trusted betrayal is the most painful!

Ha ha ha...

In the hands of the cans from full to empty, one after another. The mess on the ground.

Mobile phone ring rings again and again, there are gong xiaoman, long ye brother. She wanted to take it, but she didn't know how to take it. She really didn't know how to tell them.

My most trusted man betrayed me, my family...Not again!

And, of course, among the missed calls was..

.Royal proud day!

The telephone number she least wanted to see was also the one she was most afraid to see at the moment!

During her trip to Japan, she has managed to keep things under control. She can cry on the back of the dragon, but she can't cry in front of the royal proud day.

Good afraid of...Good afraid of...

Not afraid of his ridicule, but afraid, in the most vulnerable time, unable to control the rush into his arms to enjoy the wanton, thus...Destruction...

The body fell lightly on the sofa, tears have filled yaoyao's cheeks. The candlelit hut looked very different at the moment. Hahaha, I should have enjoyed a candlelight dinner with my mother before.

Hold up the beer..."Cheers! She drank a cup into the air and let it wobble to her mouth.

Unfortunately, one of them didn't hold, the beer all spilled in the face...

It doesn't feel cold or uncomfortable. The original drunk state is so good, the whole body is light and don't say, any trouble seems to have gone. Even tears, but also unconscious.

This is...

How many times did she get drunk for the wind?!

In the dim, I heard the sound of a few knocks on the door. Yaoyao lying on the sofa is too lazy to pay attention to, this point in time, who will come to her? Anyway...

She's lost all her family, isn't she?!

There was a loud bang and the gate opened from the outside.

Yaoyao turned her head slightly and saw a figure coming toward her.

The figure reached her and crouched.

Yaoyao settled down and looked at the man who gradually became clear in her sight. She smiled helplessly and said, "you have come...Ha.

....."How can you come at this hour?Why are you here in front of me?!Royal...The proud day...

Yes!

He is royal proud day!

This squatted beside her, is looking at her with loving eyes of the man, is royal proud day.

He dialed her phone again and again, one place after another to find her patiently.Finally, he came to this.He knows...Little things might come back here in their worst moments.

Sure enough, he found her.

Royal proud day of silence squatted in her side, fingers gently rubbed her hanging in the corner of the tears."I was wrong...I shouldn't have let you go..."

"I thought you'd be happier if I let go, and I'd be happier if I let go;But.....You're not happy, and I'm not easy..."

Low twittering down, the royal proud day that suffused with the pain and cherish the luster of the double eye flash, get up, tightly hold her into the bosom.....

.

Episode 625

At this moment...

She felt that she needed the warm arms and the firm embrace.

She just said...

Royal proud day should not.....The emergence of!

"Ah..."The tears poured out like a flood. Yaoyao put out her little hands and hugged him tightly around the waist, wailing.

This cry, sound is so grievance, so heartbreaking.

The royal pride holding her in her arms looked so painful and so regretful at the moment.

He was wrong!

How wrong!

He thought that by taking on the fact that yaoyao's mother had been killed, he could protect her.

He thought, the wind Chen yi may really be able to give her happiness, give her the future.

But...

Clearly 2 years ago, the wind Chen yi has betrayed her once, make her sad. How did he believe that the man with a romantic nature could give this little thing a future?!

How can you be relieved?! How to really give her to the wind Chen yi?!

Slowly, slowly, he released his arms around yaoyao, lowered his head and stared at her tearful face...

Fingers, again and again, gently wipe her eyes can not stop the tears.

The woman's tears, is unable to move this heartless man, but now, her tears is to make him so heartache!

The slender fingers moved slowly to her lips, touching her slightly open lips.

Yaoyao slowly raised her eyes, is on the man's eyes covered with love.

For an instant, his lips pressed against hers. The kiss was so sudden, or so foreboding.

"Well..."Yaoyao put her hands on his chest and tried to push him away, but her limbs were so weak. The man's kiss was too overbearing and strong. I don't want to stop it!

His hands slowly droop against his chest, allowing the man to kiss him.

Eyes full of tears long long open, don't so...Her...At this time can not afford to royal proud day to give any love.

Her eyes gradually closed, two lines of tears ran down her cheeks, and her hands snapped around his neck. Some numb lips were kissed gradually moved. Over and over and over again.

Seems to be infected by her response, royal proud day opened his eyes, and immediately closed, holding her arms on the waist gradually forced.

Until the air in the room becomes thin, until they both feel a little suffocated, this endless romantic kiss only gradually stopped.

Call... Call...

Their eager and warm breath blew in each other's face, with a provocative and ambiguous atmosphere.

When each other's eyes meet that moment, they once again kiss together, this kiss than just kiss to even fierce and lingering, as if for a long time.....

I don't know how long it took them to separate their lips.

It took her a long time to subside her eager breathing.

Small body quietly lying on the sofa, head pillow in the royal proud day on the legs.

"You, can you give me a...Home?"Eyes, looking into his deep eyes;Hands...Gradually stroked his perfect handsome face, her eyes at the moment is so obsessed, fall.

Long Aotian know, this is just her drunkenness and wine just, wake up, now all she will forget, but...

"If you want.I will!"He still wanted to tell her how he felt!Because when she woke up, he...I wouldn't say anything like that.

"Oh.Gave me...Are you destroying it yourself?"Like the wind Chen yi, like he personally destroyed her original home as cruel.

No need...

She doesn't need a home anymore!

For...

No need.

Everything was just a fantastic lie...

Slowly closed her eyes, she lay there quietly, tears rolling down her cheeks.....

And what he could do...Just this kind of holding her, quietly watching her gradually fall asleep sleep face...

On the other side.

On the soft big bed, the woman lie on the bed with nothing on, she ogle eyes close, both hands tightly clings to the man's neck, mouth faint sending out the attractive voice: "Chen yi...You're good..."

The man seems not to know exhaustion, dou big sweat bead drops ceaselessly, the man deep deep and cold eye son is showing the expression that does not satisfy however: "call my husband!Don't call my name!"A low roar fell.

The woman opens an eye, two pairs of small hands touch the handsome face of the man: "husband!The husband!I love you so much, husband!"Soft jelly lips kiss the man...

With the sound of a long low down, the woman as if in the cloud general.

Meanwhile, men...

For a long time, constantly breathing men and women gradually calm. Xie zhiqing putty lie in front of him: "husband, our things were exposed by the media... What are you going to do about it?"

"Leave it alone. I'll fix it." He deadpanned.

Xie zhiqing raised his head, on his cold eyes, small hands gently caressing the fold between his eyebrows: "that...What about miss law?"

"What do you say?"

"How do I know what miss law is thinking? But a normal woman would choose to divorce.

What about you? Would you agree to divorce her?"

Feng Chen yi stared at a place silently, a long time, he nodded affirmatively: "can..."

"Really? Xie zhiqing heard his answer, excited to sit up, a turn over: "you really will divorce miss lu?"

The tears...

One by one, yaoyao do not go too far, try not to call the royal proud day to see his tears.

But how could he not know she was sobbing in the quiet of the room?

The body, moved to her side. Royal proud day put her body facing himself.

But her head was still pointing in the other direction.

Seeing this, he could only turn her little face to himself and gently wipe the tears from her eyes: "honey, if you have enough to play outside..." Dabbing at the rest of the teardrop's finger, the royal proud day slowly raised his eyes and whispered: "just go home..."

Looking at his tender smile and eyes full of love, this moment, yaoyao's tears like a burst of water poured out.....

At that time, I really wondered, what is the meaning of the word 'feeling'?

Until.....

When I really appreciate the taste of this "had a feeling", just understand, the original feeling, is a kind of love is not to like, more is not a state of love.

Just saying...See you are good to me, I will move;When I see your charm, I cannot help myself;When I'm with you, I'm always flustered.However.....Do not meet, do not go to contact, that kind of panic feeling, the feeling that cannot from already, that kind of heartbeat feeling also disappeared naturally..

"Master!Yaoyao looked at the door and said, "I'll buy it myself. You can go back to work."

"You buy it yourself?" Royal proud day pulled up her small hand, took her to the balcony position: "you see yourself, your door guard how many media."

Through the window, looking out, the building hole is really dark stationed a vote of people. She don't understand to looked to the side of the royal proud day: "that you go out from my house, is not more trouble?"

He forced her into his arms, the next second, the overbearing kiss was pressed over...

"Oh!" Pupil dilates, looking at this close distance in kissing his handsome face, her full of confused eyes can not help slowly glance to the position of the window.....

Downstairs stationed media, as long as who looked up, must be able to see the scene on the balcony.

Royal proud day crazy?!

Why can always keep rational he, this moment is so irrational?!

"Oh! Well..

. "Small hands pushed him back.

But the man's arm is so firm, tightly hold her in the arms, motionless.

Aggressive kiss...

Don't...

Stop it, royal pride!

She tried with all her might to stop him, but the man succeeded...

A shiver ran through her, and she resisted uneasily...

"Don't...Royal proud day!Must be photographed by the reporters downstairs!"

"I just want them to photograph.I want everyone to know whose woman you are!"The word that symbolizes' oath of sovereignty 'falls, royal proud day suddenly pressed her to face the windowsill edge, cling to her, she can't move, more can't escape.

Yoyao stared at the media downstairs, afraid that their voice will attract their attention, can only be a twisting to get rid of the royal proud day offensive.

His pale little face pressed against the glass, staring down at the reporter.

No...No...

"Royal proud day, you know now you are what identity?!" She asked, trying to keep her voice down.

The man released himself and slowly moved closer to her. "of course I know." His voice was cold and he was sensible.

"Since know, our affair once by the media exposure, your future is ruined, you difficult way forgot yao, I am now the wife of the wind Chen yi!"

"So what?I don't mind."

The voice came from behind, yaoyao feel royal proud day is really crazy, he worked so hard to now, how can it be so easy to destroy once?!"You don't mind!What about the qilian family?What about your father?Are you going to ask Carrie for everything that belongs to your family?!"

All the movements, after her words were still...

Royal proud day slowly released her, back steps.

Call.....

With a long sigh of relief, yaoyao quickly arranged her clothes and sat down on the ground along the balcony. She looked at him helplessly.I know what your intentions are, but you really don't have to risk all your political life by taking it out on me."

She knew, she knew...

.

## Episode 628

At some point, she began to understand the man's words and deeds.

If he just wanted to have sex with her, then yesterday, when she was drunk, he could do whatever he wanted, and this man didn't. Or, in the room, he could have done whatever he wanted, and he didn't.

Just said, just chose on the balcony, he just want to call the wind Chen yi know, she.....Not in a passive position; Not a weak person in a relationship.

"Ha ha, actually think carefully, everything is really coincidence. Wind Chen yi two years ago, I went to the club to vent, provoked you; He cheated on me two years later, and you're with me again..." Yaoyao bitter smile, this may be fate lane people. "But, royal proud day, two years time ah... My mind is already changing. What is the difference between my revenge on a man who has betrayed me and my revenge on myself?"

He couldn't let Carrie know how much he cared. Otherwise, yaoyao will become the target of the attack!

That's why he's hiding her deep, that's why he's letting her go...

In a room the size of a hand.

Royal proud day here just received a phone call, the second phone immediately into;The second call was still on, and the third came.

"Well, I see. I'll take care of it."

"The day after tomorrow's poll, you send it to my office."

"The contract with Luo Mei company, you send cold always."

"Well, I see."

Almost from 9 o'clock to work time, the royal proud day of the phone has not stopped the strings. Sitting beside him yaoyao from the beginning of the helpless, to a little bit of trouble, now has become a habit.

O...She now knew exactly how busy the man was. However, dealing with official affairs of the royal proud day, the show of domineering and mature, is really very fascinating.

See the royal proud day finally have a chance to breathe, yaoyao curiously asked: "before we are still together when did not see you so busy now?"

"That's because I put the phone on silent."

It's just a natural answer, but yaoyao ducked her head.

With royal proud day at that time of status, both President, but also the chairman of the board, plus political lawmakers, he did not say busy day, may have to answer the phone at night.

But whenever they were together, he rarely answered the phone.

Now I know he's on silent. Is that a kind of respect?

"Honey, what do you want? I'll get takeout."

"No...I can't eat." She waved her hand feebly, raised her eyelids, and looked at him. You have your job. Don't drag it out with me. I'll get the press out of the way, and you can leave now. "Get up and leave.

The royal pride day hang on the face of the expression all disappeared, a, took her small hand: "if I want to leave, there are a thousand ways to lead those media..." The rest of it, he didn't want to say, she would understand.

"Oh, but...I don't want to keep running." Shaking off his hand, she dashed for the door.

Sorry, god.

Again, in my current state, I really don't want to face you too much...

"Hurry up, Mrs. Wind is out!" Waiting in the building of the media, see yaoyao out, swarmed to.

"Mrs. Wind, about yesterday's media exposure of the total wind derailment photos, did you see?"

"Mrs. Wind, not long ago it was revealed that the wind always a mysterious woman to open a room, you also vigorously maintain, at that time, because you really do not know the wind always derailed or already know, in order to maintain his image, just to deny all that?"

"How are you going to settle this now? Will there be a divorce? What about the division of property?"

Faced with one sharp question after another, yaoyao kept her head expressionless. "I'm sorry, I have something urgent to deal with, so I can't answer your questions now," she said. Out of the reporters quickly surrounded, she reached to intercept a taxi and sat up.

"Where to, miss?"

"Just walk around and come back."

"Got it." The driver started the car, and the media kept taking pictures.

About half an hour or so, when yaoyao retraced her steps, the media had disappeared, and at the same time... Royal proud day also left.

The narrow cabin suddenly recovered the cold and quiet, yaoyao slowly walked into the bedroom, the weakness of the spread on the bed, casually lifted the quilt, covered the head.....

Low voice of crying, stuffy from the quilt wanton...

For the next three days in a row, yaoyao will spend most of her time in bed, neither eating nor drinking, just lying in bed, waking up and sleeping and waking up.

In a vague and latent consciousness, she vaguely felt that the royal proud day seemed to come every day, but they never communicated, he would just stay for a few hours and then leave...

Until the night of the fourth day, the royal proud day reappeared.

He looked at the food and water that had piled up on the bed, but it remained untouched.

His big hand clenched its fist and he rushed to the bed. "wake up, baby!Wake up!"Hands, flapping her gently in the face.

Yaoyao's eyes opened a little and then closed again.

"Get up!She was yanked out of bed with a jerk.

She sat there, raised her heavy eyelids, and fell limp again.

Suddenly, the royal proud day's face became very dark, a roll on the pressure, kiss, fell on her some of the small mouth.

Gradually, the kisses spread.

She remained impassive, like a corpse, lying there with her eyes closed, as if she had no sense of the man's claim to herself.

"Damn it!Royal proud day hate hate bite teeth, without preparation...

"Well..."At this moment, yaoyao finally had a weak response, but also just a dull hum.

"Baby, if you don't get into it soon, it'll only hurt more!"

A long time, do not wait to her any reaction, royal proud day eyes flash.....

.

Episode 629

The tearing feeling seemed to call back yaoyao's consciousness. Suddenly she opened her eyes and looked at the man in front of her. "you...What are you doing?!"Oh, my god. what are they doing?!

He is like an ancient emperor, in order to avoid the concubines of the plot, he wants to who will be born;He will take the children of whoever he wants, even though they are his.

It's a pity that...

She's not his concubine!

'you wouldn't ask me to carry your child!Also do not know why, she has this kind of presentiment, royal proud day is not really call her to have a child.

"Hello." Take off the sunglasses on the face, she haggard said hello to the people then slowly sat on the main seat.

"Wind madam, this wind total disappearance is too irresponsible!"

"Yes, Mrs. Wind, the wind's infidelity has had a very bad effect on the company, and now he has disappeared for no reason. Should you go to the chairman and suggest that you either get the wind back or have a new President?"

Around the ears, as if there were a fly buzzing, everyone sentence after sentence of criticism came. Yaoyao can only hang his head to listen to the questions.

But.....

The people here never thought, the wind Chen yi derailment, the biggest victim is they keep scolding yaoyao!

"I'm sorry, everybody. I apologize for my husband's behavior.

"Will you wait, wait, please?" She can only bow and apologize to everyone, but other than that, she really does not know what to do.

"Well, is it useful to apologize? At present, the cooperation with United States group is in the period of development, the wind always said disappear disappeared, how should we take over?"

"Be true, I here also have a big case to need wind general to give a decision, total cannot so shelved?" Everyone you a I a roar of yaoyao.

Her head drooped, her little hands clutched together, and her little face, which had no color, grew paler and paler.

Head.....Good dizzy, good dizzy.

What to do? What are we going to do with all this mountain stuff?!

Brain "buzz" sound, in front of the figure seems to become gradually blurred, she shook his head, rubbing his eyes. But those people are still vague, as if... More and more... More and more... It's not clear...

At this time, just listen to the 'plop' sound, yaoyao faint on the conference table.....

In the doctor's office of the wind, yaoyao just because of poor diet and mental exhaustion caused by syncope, as long as pay attention to diet and keep a good mood will be all right.

A lot of colleagues came to visit yaoyao in the hospital room, but the most they said was...

"Mrs. Wind, be strong.

"

"Wind wife, never mind, small three won't have a good end. You must hold on."

Just like ordinary people would sympathize with the original wife and despise the small three, many people spontaneously took the side of yaoyao and supported her.

However, at this time, in fact, the parties want more be quiet, want to be quiet, escape the reality of all this.

Gradually, everyone left.

Lisa, who has been accompanying yaoyao to take care of her, sighed helplessly: "Mrs. Wind, please drink some water."

"Thank you, miss Lisa. Please bring me all the things accumulated these days, let me have a look, if I can deal with it, I will deal with it temporarily; if you can't handle it, bring it to your father-in-law. Just wait for the wind to come back and deal with it."

"Mrs. Wind, your body..."

"It's all right, Lisa. Leave it to me. You can't have a company without someone in charge."

"Alas....." Lisa sighed heavily and had to do as yaoyao asked.

Just, after this thing Lisa really dare not believe in love, can be said that she is two years after the wind Chen yi to yao yao bit by bit witness.

At that time, she is how envy wind Mrs., can have a so outstanding man so love a first love girl friend, became a couple finally. It's a pity that... Fairy tales are always fairy tales there will be a dream that day....
