

Pure Girl 661

Episode 661

Xie zhi qing was obviously a bit smitten, and the hands tied behind him clenched his fists, and his bright eyes were covered with sharp luster.

"Grandma, my hand hurts!" Gong Xiaoman glanced at his red and swollen palms and stared fiercely at Xie Yunqing: "Sao * goods, I will ask you again, will I be a junior third ?!"

"Oh." Xie Yanqing snorted coldly, rolled her eyes with disdain, and twisted her face to the other side.

"Yeah? You're really boned! Okay!" Gong Xiaoman was born with a hot temper. Seeing Xie Yunqing's attitude is still so arrogant, where can I endure?

She raised her palm high, and at the moment of falling ...

"zhiqing, are you there?"

"Bitch, bitch!" There was a sound of footsteps outside the villa.

Xiao Gong Xiaoman heard that one of the voices was Feng Chenyi, and his face changed suddenly. Didn't expect them to come so soon?

!!

"Help me, Chen Yi! Help me ..." For a moment, Xie Yiqing, who had been extremely calm, had been crying with tears, and was extremely panicked.

Xiao Mang Gong in front of me looked silly. Is this woman a natural act?

Tears come here?

!!

"Smells, don't shout!" Gong Xiaoman stepped forward, just about to cover Xie Yiqing's mouth ...

Hey, just listen, the door of the villa was banged and opened from the outside.

Chen Fengchen Yi rushed in with Ouyang Zixuan and two men.

"Sobbing!!" Xie Yiqing shook her head desperately.

Seeing that the matter had been exposed, Gong Xiaoman calmly released his hand covering Xie Yiqing's mouth.

"Woo ... Chen Yi ..."

"zhiqing!" Feng Chenyi hurried to Xie Yunqing's side, and quickly untied the rope tied to her.

A few students who stood aside looked at Gong Xiaoman together.

She waved her hands blankly, motioning them not to act lightly.

"Hey, smelly woman, who are you?" At this moment, Ouyang Zixuan and the two men walked quickly to Gong Xiaoman.

She looked at Ouyang Zixuan up and down: "Who are you?"

"Special! I never hit a woman, but ...

" Sharp eyes glanced at the other men in the villa: "hit me!"

Ouyang Zixuan's two bodyguards went up to fight with those dozen people.

Professional thugs are always professional thugs, and it took only a little while. The dozen or so people were all overpowered by Ouyang Zixuan's two bodyguards.

Xiao Gong of Qiong Gong's fist clenched firmly: "Feng Chenyi!"

"Smelly woman, it turns out that you know Chen Yi, then you dare to find someone to tie Qi Qing ?! I think you are really tired of it." Ouyang Zixuan said viciously.

Xiaogong Xiaoman hated the roots of his teeth. It seems that this red-haired man is Feng Chenyi's friend, right?

He is very supportive of Xie Xunqing, a cheap man!

"Feng Chenyi, is this person your friend? You told him who I am? Or did I tell him who I am!"

"Uh ..." Ouyang Zixuan vaguely heard something from Gong Xiaoman's words, and looked curiously at Feng Chenyi: "Chen Yi, shouldn't she ... be your woman, too?"

"I like this fancy man, give me nothing, I don't want it!"

"Hey, smelly woman, what do you say?"

"I'm just telling the truth! Isn't Feng Chenyi a fancy man?"

"Woman, I tell you ..."

"Okay, stop talking!" Feng Chenyi, who had been silent, opened his mouth coldly.

He bent slowly and stroked Xie Xingqing's head: "Can you hold on for a while?"

"Hmm ..." Xie Yanqing nodded pitifully.

Feng Chenyi turned around and looked at Gong Xiaoman coldly: "Xiao Man, was Yao Yao calling you?"

"Do you manage it?" Sharp eyes glanced at Xie Yiqing sitting not far away: "Feng Chenyi, Feng Chenyi, you are really more and more bold now, if you are so disoriented

What did you do to fight with Yao Yao at the beginning? What was the purpose of your reunion with Yao Yao to brew a second betrayal? "

Silent.

Wu Fengchen Yi bowed her head expressionlessly.

"Speak? Feng Chenyi! Thanks to me, I still think you are a prodigal son, and you are trying to match you with Yaoyao, but you are not an individual anymore!" With that, Gong Xiaoman raised his hand and turned towards him.

Feng Chenyi's face hit in the past.

Seeing this, Ou Ouyang Zixuan rushed forward, and twisted Gong Xiaoman's arm with one.

"Let go!"

"Why are you stupid, so unreasonable? I think you really owe a fight!" Ouyang Zixuan is not a good man, he always pursues the things above the underworld, naturally he can't see Xiaoman's hot temper.

"Xiao Man! It's okay, I've called someone over!" At this time, Huang Hao, who was overthrown, shouted angrily.

Ouyang Zixuan heard: "Yo, my brother, it's a bit interesting, you dare to call someone over in front of me? I want to hear it, who did you call?"

"You'll know in a while!"

"Haha, hahaha ... It's so funny. It's so funny." Now all of the underworld gangs, except Yulongsha, who saw his Xuanwu gang did not go around the road, and there are people who dare to let out such cruel words ?!!

"Okay, now, I have to tell you to know, know, the cost of coming out. Get me one leg off."

"Yes, Master Ouyang." The two men heard and walked quickly to Huang Hao.

Seeing that the situation was serious, Xiaogong Xiaoman uneasily struggled twice, and quickly stared at Feng Chenyi.

"Stop!" Feng Chenyi waved his hands coldly, and the two men looked at Ouyang Zixuan in an embarrassing glance.

"Chen Yi told you to stop, just stop first."

"Yes, Master Ouyang."

Feng Youliang's eyes scanned the scene in front of her eyes. After looking at the beaten Xie Yuanqing, Feng Chenyi took a deep breath and slowly took out the phone ...

In the night, the sports car was driving at a rapid speed, and Yao Yao's face sitting in the driving position was so embarrassing.

"Xiao Man, Xiao Man, why are you still ... oh, oh!"

'Gong Xiaoman hit Zhiqing, you can come and deal with it. '

Just 20 minutes ago, Yao Yao, who was going to sleep, suddenly received a call from Feng Chenyi. She didn't expect Xiao Man's actions to be so vigorous and popular, and she really beat Xie Yiqing.

The fast-moving sports car soon drove to the address given by Feng Chenyi.

At the same time, four more luxury cars were parked in front of the single villa.

Wu Yaoyao's heart tightened. Who is the other person?

The moment the door was opened, the people sitting in those four cars also came down.

"Longyou brother?" Yaoyao saw Longyou coming down from the car at a glance.

"Yao Yao? Why are you here?"

what happened?

Why did Xiaoman shock Xie Yiqing's elder brother?

Don't ...

I could not help but say that Long Ye and Yao Yao both realized something was wrong at the same time, and the two rushed into the villa.

The door is opened ...

I saw that there were more than 10 men lying on the ground, and Gong Xiaoman was tied to a chair.

I was looking at Xie Yiqing sitting on the sofa, and Feng Chenyi and Ouyang Zixuan not far away.

How big is this Xiaoman's trouble?

Episode 662

"Vice President Long?" Ouyang Zixuan stared blankly at Long Yan who stood at the door: "Why are you here?"

Ji Longyan frowned slightly, and slowly cast his eyes on a man lying on the ground: "What's the situation?" To be honest, he didn't know anyone who was knocked down.

Only half an hour ago, he somehow received a text message for help, and he would come over.

Under normal circumstances, only the people inside Yulongsha know the mobile phone number of Longyu, so he naturally thought that the people in Yulongsha encountered some trouble.

"Long brother, we are the boss of Long. He gave us your mobile phone number. Boss Long said that if there is something he can't find him, I will call you.

Ah, you can't watch us being so bullied. "

understood!

Emotions These people are the younger brothers Long Qi collected in school!

Really terrible, this little brother just doesn't dislike him too much!

"Uh? Vice President Long, these people are from the Royal Dragon Club?" Ouyang Zixuan smiled awkwardly, this is a trouble!

Xun Longji didn't know what to say: "Oh, huh ... yes, be it ..." He could only reply with a smile.

After all, these two people are also considered to have friendships. When this kind of thing happened, in fact, both of them were very embarrassed.

While Xu Long was talking to Ouyang Zixuan, Yao Yao walked slowly to Gong Xiaoman: "Little ..."

"Hum!" Gong Xiaoman turned his head angrily.

Wu Yaoyao knows that it seems Xiao Man is still angry with himself.

She pouted her mouth in embarrassment, and patted Xiaoman's shoulder: "Thank you, Xiaoman." Then, came to Feng Chenyi and Xie Yunqing: "How do you want to solve this?"

"Did you call Gong Xiaoman?" Feng Chenyi said coldly.

She choked, and lowered her head slowly: "Yes."

"Luo Yaoyao, don't need you to stand for me, Feng Chenyi, this thing is ..."

"Xiaoman!" Yaoyao quickly interrupted Gong Xiaoman's words, and looked at Xie Yunqing with no expression: "Ms. Xie, tell me, how do you solve this ?!"

"I want to call the police."

As soon as Xie Yiqing said these four words, Yaoyao's heart sank heavily. This was the answer she was most afraid to hear.

Once Xie Yanqing reports to the police, Xiaoman will be sentenced to at least one year and three years in prison for intentional injury.

"Apart from the alarm?"

"That ..." Xie Yanqing bit the corner of his mouth hesitantly: "Miss Naluo, what do you say?" A sly smile crossed.

She Yaoyao has got a real 'answer' on Xie Yanqing's face!

"Huh ..

." She took a deep breath and spit it out gently: "Let 's do this. I asked my friend to hit you. Then, I should also take care of this! Miss Xie, the pain you have suffered

, I'm willing to pay back twice as much as I can! "Then, Yaoyao's eyebrows frowned slightly, raised his hand and slammed, and gave himself a slap!

Waiting for everyone to react, a slap, another slapping slap ...

For a moment, the room became extremely quiet.

Feng Chenyi, who was sitting on the sofa, was still cold, and instantly, that cold and sober face suddenly turned white and white, until he was about to get up and hold Yaoyao ...

Nine Dragons took the lead in the first step and steadily grasped Yaoyao's hand.

"Wait a minute! Wait a minute ..." His tender complexion gradually became gloomy, and those glamorous eyes were filled with dangerous colors: "Zixuan, now you explain to me, your people, why

Who got me ?! "

From the moment he entered, Long Ye only talked with Ouyang Zixuan, and completely forgot to ask what the two groups of people were fighting.

Wu Ouyang Zixuan walked to Long Yan's side helplessly: "Hey ... Vice President Long, it's not because Yao Yao's friend hit Chen Yi's girlfriend."

"Hit ... Chen Yi's ...

Girlfriend ?!" Long Yan's dim eyes gradually glanced at Xie Yiqing sitting on the sofa, and he recognized at a glance that the woman had passed the bed photos with Feng Chen Yi

That heroine!

Feelings, their photos are not PS, but real?!!

Suddenly, Long Yan's whole body exuded an intimidating sigh. He shook off Yao Yao's hand and stepped forward. He lifted up Feng Chenyi, who was sitting on the sofa: "Feng Chenyi

You really have a seed, even my sister-in-law of Dragon Ball dares to bully ?! Then he raised his fist and went up with a severe punch.

"Brother!" When Long Yan was about to throw a second punch, Yaoyao quickly grabbed Long Yan's arm: "Brother, calm down, things are not what you think!"

"What's that like ?! Yaoyao, I asked you if the previous press conference of Feng's was held in order to wipe Feng Chenyi's ass, and the content mentioned above was all made up by you!"

?! "

"Longlong brother ... it's not like this, you and me, Chen Yi, don't care about it, will you ?!"

"Oh, again, Luo Yaoyao, I tell you, sooner or later, you have to lose all your friends who care about you for a man like Feng Chenyi!"

Gong Xiaoman watched all this sarcastically and Gong Xiaoman opened his mouth ironically. The luster in her eyes was full of loss. She was really disappointed with Yao Yao.

"Sister, this matter is no longer between you and Feng Chenyi, it is now their basalt help ..."

Sui Yaoyao suddenly guessed what Long Yan would say next.

In fact, this incident simply did not rise to the grievance between the two gangs. It was simply because of the incident between her and Feng Chenyi that caused Brother Long Mao to vent his anger to the grievance between the two gangs.

"Brother!" Yaoyao stopped the words of Long Yan, and she grabbed Long Yan's arm tightly, pulled him aside, and whispered, "Listen to me, Brother Long Yan, I know

You are doing it for me, but you have to believe me! I am not a fool, and I will not be the kind of person who swallows my voice. Everything I do now has my reasons, and ... "

The expression suddenly became extremely tense: "You must not mention Yulongshe here. The woman named Xie Yunqing ..." Glancing at Xie Yunqing sitting quietly there: "She seems to be .

.. Zeng Kairui

people!"

Chen Long widened his eyes sharply: "You said ... that woman is ..."

"Well, I was just skeptical. Didn't I ask you to check this woman for me? The reason I asked you to check her was to verify if she was Zeng Kairui's person!"

Regarding this matter, Long Chen has been sending people to investigate, but it has not come to fruition.

No doubt ...

Once this incident involves Zeng Kairui, it will be serious!

"Well!" Long Yan seemed to remember something suddenly.

"What's wrong? Brother Longyou."

His cold eyes quickly turned to the people standing at the gate of more than twenty Yulong Clubs:
"Those people ... are people in the gang."

"Hurry! Brother, take them quickly ..." Yaoyao just said half. .

Episode 663

I saw, a dozen men in plain clothes quickly walked into the villa, but the leader ... is Zeng Kairui's secretary!

"I received a neighbor's alarm. It seems to be doing wrong. Who can explain to me, what happened?" Secretary Fu Pi pushed the glasses on the bridge of his nose with a smile.

Wu Ouyang Zixuan frowned unhappily: "Who are you?"

"Oh, are you the young master of the Ouyang Group? The secretary of the Deputy Prime Minister Zeng is next." Secretary Fu looked around the whole villa: "Oh, I did not expect the vice president of the Bosen Group and the Fengs Group

Mrs. Feng and Mrs. Feng are all here, so many big people. "

I'm the pay secretary again!

It seems that even without checking Xie Yiqing's information, Yaoyao can be sure that she is from Zeng Kairui.

Is this a mistake?

If nothing unexpected happens, Xie Tingqing just wants to take advantage of this opportunity to deal with Xiaoman, but he did not expect to bring in Long Yong brother.

Yao Yao, who was standing there quietly, looked at Long Yan and looked at Secretary Fu not far away.

"Feng, I think there seems to be injuries on your face. I don't know, who shot you? It doesn't matter, as long as you point out, we will definitely act according to law!"

Wu Fengchenyi wiped the blood on the corner of her mouth, her cold eyes glanced and stood not far from Yaoyao and Long Yan, coldly: "It has nothing to do with you!"

"Oh." Yao Yao almost laughed when he saw the dark face of Secretary Fu, Shui Lingling's eyes looked at Feng Chenyi gratefully.

When the two eyes were opposite, Feng Chenyi quickly staggered his sight.

"Well. Then who is this lady who hit you?" Secretary Fu locked his eyes on Xie Yiqing.

Yaoyao's face suddenly changed. In any case, Chen Yi's free and generous style of work would definitely not care about Brother Long's fist, but Xie Yunqing was different. She couldn't take this opportunity well.

Give a play to the problem?

"Oh, the woman over there hit me."

"Oh? This way, take away!" Secretary Fu ordered, and several of his men quickly walked to the side of Gong Xiaoman. n"and many more!"

"Oh, Mrs. Feng, what do you want this time?" Secretary Fu guessed that Yaoyao had to speak at this time.

"Secretary Fu, you are optimistic. The lady is now tied with a rope. If this lady hits Miss Xie as a criminal offense, then the other way ... Ms. Xie tied that lady is a crime of imprisonment, right? In law

on....."

"In law, the sentence of imprisonment is about one year longer than the criminal offence." Xie Yiqing cut off Yao Yao's words in an orderly manner. She stood up and walked to Yao Yao's expressionless face: "According to Article 48 of the Criminal Law, intentional harm

Sentences range from 1 to 3 years. According to Article 168 of the Criminal Code, illegal imprisonment will be sentenced to more than 4 years. However, Miss Luo, what if I am fighting in self-defense ?! "

Looking at the weird smile on Xie's face, Yao Yao's eyes widened in surprise: "You, too, a lawyer?"

"Compared to Miss Luo, I'm far worse, I'm just ... a world-class intermediate lawyer!"

World .

.. class ... intermediate lawyer?!!

Instantly, Yao Yao's whole body's blood seemed to be flowing backwards. You must know that senior lawyers enjoy a lot of privileges, and intermediate lawyers are actually OK.

The main thing is ...

She had heard a rumor before when considering the senior lawyer qualification certificate, that is ... a 15-year-old genius girl obtained the world-class intermediate lawyer qualification certificate with the highest grade. It turned out that the legendary character is

Thanks ...

I breathed and suddenly became a bit difficult.

In the face of this opponent who is also a lawyer and a genius girl, Yao Yao seems to be in the dark.

No wonder Xie Zhiqing can adjust his emotions so well; no wonder Xie Zhiqing is always so clever to face one problem after another.

In addition, if the big man behind her is really Zeng Kairui ...

What a powerful opponent Fa Yutian will face! ?

After all, there was no one around him who knew how to use the law to call the wind and rain, but ...

Zeng Kairui has a counselor like Xie Zhiqing!

Maybe there are many, many talented people around Zeng Kairui, Xie Yunqing is just one of his Majesty!

Yu Aotian's opponent is really terrible!

"Secretary Fu, Deputy Prime Minister Zeng's busy side should be so anxious? You really have the time to run here to worry about yourself!" Suddenly, a familiar voice came from behind everyone.

Everyone looked at the door.

I saw, Yu Aotian with one hand in his pocket, came in with a smile ...

"Chairman Yu!" Everyone bowed respectfully to Yu Aotian.

He waved his hands gracefully and said hello to those who greeted him.

"Isn't you too leisurely, Chairman of the Council? You even ran over to do your business?" Secretary Fu said provocatively.

Yu Aotian sneered coldly: "Secretary Fu, the chairman's job is to manage civil affairs every day. It is your secretary who runs to participate in the police's case, doesn't it make sense?"

Those plain clothes: "Where's your superintendent?"

"The words of Chairman Hui Yu, Superintendent Liu is handling other cases."

"Oh, so, okay, I'll call Lao Liu now and tell him to organize a few of you into an independent organization, specifically ... with the secretary to handle the case."

"Ah ... Yu, Chairman Yu, don't ... don't ... we ... we ..." A few young puppets looked at Yu Aotian begging, they knew clearly that the status of Yu Aotian is just one

On the phone, their work is all gone, but the problem, they do n't dare to offend the pay secretary, which is hard for them.

"Chairman, although I personally lead a team to handle the case, it is a bit irrational, but ... I can't always watch these people for trouble."

"Seeking trouble?" Yu Aotian pretended to look around.

"Oh, Chairman Yu, those people over there ... should be the Yulong Club ?!" Then, the secretary Fu pointedly provocatively pointed at some of the Yulong Club's men.

"Hmm? Seems like, then what ?!"

"Chairman, you can't possibly wonder what Yulongsha does?"

"Oh ..." Yu Aotian smiled condensedly: "I really don't know. It's better to pay the secretary, tell me, what does Yulong Society do?"

"Since you must pretend to be stupid, Chairman Yu, then I will say, Yulong ... is a triad!"

"Underworld? Heh ... hah ..." Yu Aotian smiled helplessly, his deep eyes flashed, and his fingers tickled.

One of the younger brothers of the Royal Dragon Club saw this, and quickly walked to the side of Royal Aotian: "Chairman Royal."

"I heard that Yulong is ... a triad?"

"It's nothing, Director-General, you have to decide for us, we are just an ordinary community." The younger brother intentionally looked innocent.

"So ... Secretary Fu, have you heard what others said?"

Episode 664

"Well, they certainly can't admit that they are triads, but that's the case." Secretary Fu still insisted that the person was a triad member.

Wu Yuaotian smiled amusedly: "Either it is a triad or just an ordinary society. Fu Secretary, do you have any evidence to correct them as a triad?"

"This ..." Secretary Fu was suddenly asked by words, but the next second, he hurriedly said, "They are trying to cause trouble, aren't they underworld?"

"Oh? Secretary Fu, you always talk about provoking troubles. OK, I will ask you who is provoking troubles ..." The bottomless eyes cast on the younger brother: "Did you just hit someone?"

"

"No. Chairman, everyone here can testify. We stand there honestly since we entered."

"Okay." He patted the man's shoulder and pointed to the secretary Fu in front of him: "Look, this guy says you are a triad, come back and find a lawyer, just sue him for slander!"

"This must be told! It's so stigmatizing!"

Wu Yuaotian sang a match with that little brother, and almost made everyone on the scene laugh.

I was looking at Secretary Fu's face, which was already dark and blue, "What about others? Is there no doubt about others?"

"Others?" Yu Aotian's sly eyes quickly flew to Ouyang Zixuan, who was standing aside: "Have you just started?"

"I didn't do it."

Xu eyes again on Long Yu: "What about you?"

"No....."

"Chen Yi?"

"I didn't do it either."

"Did Secretary Fu say that these people lying on the ground are suspected of causing trouble?" Yu Aotian smiled evilly and glanced down at the people lying on the ground.

Suddenly, when those people saw the radiance in Yu Aotian's eyes, they couldn't help turning their faces pale and quickly shaking their heads: "We, we fell by ourselves!"

"Huh ..." Yu Aotian shrugged with a wicked smile: "Here's obviously a party here, where's the trouble ?!"

"The chairman, these two girls ... how do you explain ?!" Secretary Fu pointed out Xie Yiqing and Gong Xiaoman unwillingly.

"I'm new here, how do I know what's going on, why don't you explain it to me, Secretary General?" Yu Aotian smiled pretentiously.

Secretary Fu paid a quick report to Yu Aotian about Xie Yiqing and Gong Xiaoman.

"That's ... that's simple." His bottomless eyes glanced coldly at Xie Yunqing: "Go to the court to sue you for being beaten." Look at Gong Xiaoman: "Go to the court to sue you

Imprisoned. Okay, it's resolved. Secretary Fu, the two little girls are just fighting, don't you both care? "

"Chairman!"

"Enough!" A low roar fell, Yu Aotian's inherent domineering moment instantly covered his playful appearance.

Suddenly, the uncles who were brought by the secretary Fu nodded respectfully: "Yu, Chairman Yu, it seems to be a misunderstanding, we ... we will go first."

"Are you still not willing to give up, Secretary Fu?" Yu Aotian narrowed her eyes coldly.

With a serious look, the secretary Fu could not help but take a breath.

"Yu, director .

.."

"Mrs. Feng, what's the crime of breaking into the house?" Yu Aotian opened his mouth coldly, facing Yao Yao.

"It is a crime of breaking in illegally. In principle, it will be sentenced to one year in prison."

"Very good." Yu Aotian smiled evilly, and patted the secretary's shoulder gently, rudely, "I recently did not know which subordinate of Zeng Kairui had the operation. Just so, Fu secretary, you are hit

At gunpoint! "

When the secretary Fu heard this, his face was pale. He knew clearly that Yu Aotian's current ability, and it was not easy to get him down?

"Chairman ... you ..."

"Wait for the internal public trial." The eerie words fell, and Yu Aotian's mouth slowly raised a strange smile.

Secretary Fu Fu knew that he was running away this time, and had to leave unwillingly ...

Yao Jingyao stood there watching the drama and shook her head helplessly.

Hehe, I have to say that Yu Aotian's ability to turn decay into magic is really ... terrible!

Wu Mingming originally paid the secretary the upper hand, but as soon as Yu Aotian appeared, he reversed the whole situation.

His leadership aura has driven everyone here to voluntarily stand on his side;

His flexible mind easily turned an extremely complicated criminal case into two little girls fighting;

He was playing with fun and evil charm at that time; sometimes the domineering and cold character drove everyone's thinking here, and he unknowingly pulled everyone into the rhythm he set and was under his control.

His style of catching a gap and letting people die freely kicked the secretary completely out of the battle ...

I can say that at the moment Yu Aotian appeared, his dominance was quietly in his hands.

Wu Yu'ao is really an incredible wife. It seems that he should have improved a lot of strength during the official period!

A farce is over.

Chen Fengchen Yi and Ouyang Zixuan took Xie Yunqing to leave first.

Qi Yaoyao looked at Feng Chenyi's departure, and her expression was full of taste.

I can't say what it feels like ... it's weird, huh ...

"Xiaoman, are you okay?" Untied the rope tied to Gong Xiaoman.

Xiao Gong Xiaoman looked at her so quietly, but her eyes were full of contempt.

She knows that at the moment ...

Xiao Xiaoman's heart should be cold.

"Little Man!" At this time, Han Liyu, who received the news, rushed into the villa.

"Mr. Han." The members of Yulongsha greeted him respectfully.

I screamed at the Long Yu he called, and squeezed him with a smirk: "Do you really engage with that girl?"

"Cough!" Han Liyu has always been the most serious one in this group of people. He was ridiculed by Longye, and his cold face was obviously red.

"Uncle, why are you here?" Gong Xiaoman completely ignored Yaoyao beside him and ran quickly to Han Liyu.

"How dare you ask me?"

"Uh ..." Seeing Han Li's unhappy attitude, Xiaoman knew that this time ... he was going to be out of luck.

"Hey ... hey, let's ..

. let's go." He grimaced in his arms.

The two of them walked out of the villa together.

Chen Longyu and Yu Aotian also walked outside the villa.

She originally had only Yaoyao in the room full of people, and she watched each other in a row. Only she was alone.

It doesn't matter. Perhaps, when choosing this way, it is doomed to such a result.

He dropped his head and walked out of the villa ...

"Yao Yao." Long Yan outside the door stood quietly with Yu Aotian.

She thought that Long Yao's elder brother and ... Yu Aotian had left, but did not expect them to leave.

"Brother Long Long." He walked in front of Long Yong with a smile, his eyes slowly turned to Yu Aotian.

She didn't say anything, neither did he say anything. The two nodded to each other like a pair of friends they just met and not too familiar with.

"Dragon, I am waiting for you in the car."

"Awe? Good." Yu Aotian's departure was a bit of a surprise to Long Yu, and Yao Yao's feelings with Yu Aotian were also very uncomfortable.

But he ... can't do anything now.

"Sister, your face, are you okay?".

Episode 665

"it's okay no problem."

"Inside ... I know, you may find Brother annoying, but ... do it for yourself!" Long Lingyu patted Yaoyao's shoulders carefully and turned away.

Looking at the night, the figure of Long Ling gradually disappearing, Yao Yao smiled helplessly, how could she feel annoyed by Long Ling's brother?

It's too late to have a brother who cares about her so much.

Tong Mingming, brother Long may be two parallel lines that will never intersect, and he has forgotten when their brotherhood and sisterhood became deeper and deeper.

However ...

The one who connected this sibling love, the one who gave her this good brother ...

Blurred eyes pulled away.

The figure standing next to Rolls-Royce's car is so eye-catching and dazzling, as if the sight can't be removed once he casts his attention on him.

Hehe, it can be said that Yu Ao is the most mature and mature she has ever seen.

Because ...

He chose to let go when it was time to let go. This is a great help to Yaoyao who is indulging in pain now ...

Turned around, the little figure got into the world-class supercar, and disappeared into the night like a gust of wind ...

"Autumn, you follow ..." Long Yan walked to the car and pointed at the distant sports car helplessly: "Is it really over?"

"Huh? What do you want to say?" Yu Aotian shrugged his head in puzzlement.

"Yao Yao, now you are in the midst of hot water, haven't you seen it?"

"Oh, Long Yun, are you really a little girl? Rest assured ... she ..." The bottomless eyes stared into the distance, Yu Aotian exhaled lightly, and said lightly: "I have my own

thought!"

"Forget it, since you said so ...alas" Long Yan pulled the door helplessly.

"Hi."

Suddenly found that Gong Xiaoman and Han Lili were still sitting in the car: "Aren't you gone?"

"This girl said that she had never sat on a government bus before trying it."

"Uh ... to say so ... I haven't even sat before!" Long Yan sneered into the car with a smirk.

Yu Aotian, who was standing outside the car, looked at the smiling faces of the thieves inside the car, and reluctantly exhaled: "You just wait for my internal audit to be happy!"

Now it 's so good to catch buses for private use. Now there are so many non-government personnel sitting in Yu Aotian 's car. What is waiting for internal audit?

The car carrying a voter started slowly.

Xiao Gong Gong Gong looked at other vehicles that had given way through the window. I was so excited: "It's cool. Uncle, why don't you run for the government legislator someday?"

"Not interested!" Han Li Shang sullenly rushed his head out the window.

"Little girl, Lili has the mission of Lili, and his interests are all in business." Long Li is very clear about the mission of everyone in this group of friends. Yu Aotian is the political splendor of the Qilian family.

Han Liyu is undoubtedly the business empire of the Guanghan Han family.

"Oh, this is it." Gong Xiaoman seemed to scratch his cheek.

Ji Longying's charming eyes hit the ring worn by her middle finger at a glance: "Little girl, you ring?"

Hearing Long Que's question, Yu Aotian quickly focused his eyes on Gong Xiaoman's finger.

At first glance, he recognized the ring as the one he still dropped!

"I picked it up, is it pretty? Chairman Yu, are you interested in this kind of thing?" Gong Xiaoman asked curiously.

Wu Yuaotian smiled gracefully, slowly waved his hands, turned his head to the side, and continued to look out the window ...

After a short while, the car first arrived at Han Liyu's residence.

"Xiao Man, go ahead first."

"Oh."

After Han Liyun took Gong Xiaoman away, he looked coldly at Long Yan and looked at Yu Aotian: "Jiao Man's ring was just picked up at our door. I have always wanted to ask who is still you

Yes, she likes it. I'll give you the money. "

"Li Li, if your girlfriend likes it, I can order one for you, but that ring ..." Long Yan said just half.

Yu Aotian, who had been silent, opened her mouth with a smile and said, "Just as a meeting gift, give it to your girlfriend."

"Autumn ?! The ring is still yours?" Han Liying's eyes widened unbelievably.

"Ok."

"Okay, I know. Thank you so much." Then, Han Liyu quickly walked out of the car.

The car started again, and Long Yao looked at Yu Aotian with a sad look in his face: "Don't you always cherish the things you have recovered?"

"Oh, but Long Yun, have you forgotten? I have always been nostalgic for meaningless 'things.'"

"Proud .

.." Long Mao could hear, and Yu Aotian's ability to say such words meant that ... he completely let go.

"Yes, Aotian, why did you come to that villa suddenly ?!"

"Want to know?" Yu Aotian smiled strangely, quickly took out his mobile phone from his pocket, and handed it to Long Yan.

Long Ye looks at the text message on the mobile phone ... ②General Manager, Yao Yao is in trouble.

address is.....'

"This message?"

"It should be from Feng Chenyi."

"Feng Chenyi sent it ?!" Long Yan looked at the text message inconceivably, earlier than the distress message he received, that is to say ...

Aotian sent a message that Yaoyao is in trouble, right?

"Aotian, where's the trouble with Feng Chenyi? In fact, he can solve it immediately if he wants to solve it, why call you to save Yao Yao?"

"If nothing happens ..." The bottomless eyes slowly cast out of the car window, he said quietly: "Feng Chenyi is intentionally matching me and Yaoyao!"

"Miss Luo, bye."

"Bye."

After the last incident, Feng Chenyi hasn't been home for a week and hasn't been to the company. This is something that Yao Yao expected.

Xie ZhiQing was beaten like that, seizing such a 'good time' Feng Chenyi would definitely 'learn to play'.

That's why she didn't want Gong Xiaoman to trouble them.

Ugh....

..

Quickly walked out of the door of Feng's Group.

A mini cooper parked slowly in front of her eyes, and the window shook: "Miss Luo, do you have time? I want to talk to you."

"Oh." Yao Yao snorted coldly, opened the copilot's door and sat up: "His ...". There was a sting in his butt.

"Miss Luo?" Xie Yunqing looked curiously at Yao Yao with a painful face.

She arched her body, groped, and removed a bloodstained pin from the co-pilot's position.

"Uh ... sorry, sorry, Miss Luo, I just bought clothes. It should have fallen off the clothes. I'm sorry."

Tong Yaoyao kept the pin in the small box containing the garbage: "Oh, Miss Xie, you are too careless. I don't know what you thought ... you did it on purpose."

"Khan, even if I did it on purpose, I wouldn't hurt you with a pin, this trick ... is too pediatric, isn't it?"
After that, Xie Yunqing's eyes couldn't help but have a strange sheen.

"Ms. Xie, why don't you go straight to the subject? What's wrong with me?"

"Nothing special, I just hope ... you and Chen Yi divorce."

.

Episode 666

Huh, this is nothing special?

Xiao Xiaosan came to the door to force his wife to divorce her husband.

"Ms. Xie, am I right?"

"I'm doing this for you! Do you think it's so interesting for you and Chen Yi?"

He turned and stared at Xie Yanqing's face in puzzlement: "Then you think that you and Chen Yi are so interesting?"

"If it 's boring, Chen Yi is back to you, not staying with me everyday. I know that as your world-class senior lawyer, marriage is protected by law, so Chen Yi cannot divorce you unilaterally,

If I were you, I wouldn't wait for Chen Yi to file a divorce, and I would take the initiative to file a divorce!
"

"It would be better if we changed our thinking. Miss Xie, how about breaking up with Chen Yi?"

"Oh ..." Xie Yiqing smiled disdainfully: "I broke up with Chen Yi, will Chen Yi break up with me? You have to ask your husband if you want to, not me!"

Alas, lawyers are lawyers, Xie Yiqing's eloquence is really sharp!

Su Dan's small face gradually sank: "Do you really think Chen Yi will not break up with you?" Then Yao Yao opened the door of the co-pilot: "Ms. Xie, I see, we can't talk about the results today,

I'm leaving."

Yao Yao 's today 's Yaowu Yangwei is like looking at a joke. Although there may be some confusion in her heart, but more, she just feels funny ...

After two days ...

"General Feng, you finally came to work today. Great." Lisa put a large pile of documents on Feng Chenyi's desk: "This is the document that requires your signature in these two days."

"Huh?" Feng Chenyi looked at the number of documents: "Don't my wife always sign documents on my behalf during this time? How come there are so many?"

"Oh, this is the case. Mrs. Feng called me yesterday to take sick leave, and she hasn't come to work to this day."

"Yao Yao is sick ?!"

"Hmm ..." Lisa sighed softly and slumped her lips in distress: "Feng Feng, although your housework, I should not be a secretary, but your wife is ill, you don't know too much?"

The main thing is that you probably haven't managed the company for nearly a month. During this time, Mrs. Feng has been handling big and small matters, and you will definitely get sick. "

Although Lisa's words were very gentle, Feng Chenyi heard the accusations in these words.

He admits that he is an irresponsible husband.

Since marrying Yao Yao, a series of things have happened basically within two days.

How hard and tired Yao Yao has been during this time, he knows.

can.....

He can do nothing but wait and see.

"Lisa, you go out first." Feng Chenyi waved his hands weakly.

"Yes." Lisa turned and walked out of the office.

His cold eyes looked at the mountain of documents, and he read them carefully.

Holding the signature pen in his hand, he was shaking slightly.

Although Feng Chenyi had been trying to restrain his undulating heart, he finally couldn't restrain the worry, and went to Yaoyao's mother.

Pushed this slap home.

Bian Feng Chenyi remembers the last time she came here, when Yaoyao just fled from Yu Aotian.

No matter how she refused this marriage, he just insisted on his own opinion and desperately forced her to marry her home.

At that time, he told himself that after marriage, she would give her the greatest happiness and the greatest warmth, so that she would live in sweetness all the time.

He can destroy this promise with his own hands; it is himself who destroys this promise with his own hands!

He is the one who completely pulls Yao Yao into hell. If time can go backwards, he will never marry her as a wife, and it is enough to protect her silently.

Footsteps rested next to the small bed in the bedroom.

Li Yaoyao was lying there with a pale face. There was a mess in the bedroom. You can see from the leftover lunch boxes what kind of life she had in these times!

There was a gleam of tears in her cold eyes, Feng Chenyi choked down the sourness of her heart, and gently pushed her body: "Yaoyao? Yaoyao?" Some chilling big hands brushed her.

Forehead, it's hot, I don't know how to go to the hospital with such a high fever, it's a fool.

"Chen ... Yi? How did you ... come here?" Yaoyao opened his eyes weakly and licked some dry lips.

"Are you uncomfortable besides having a fever?"

"On my body ... on my body ... a lot of red ... a little bit."

"Red dots?" Feng Chenyi frowned, and was about to go to quilt her body.

He was immediately pressed by Yaoyao: "It may be a rash and it will be contagious. You should go first ..."

"It's okay, I had a rash when I was young, and it won't be contagious." Said, Feng Chenyi lifted the quilt and untiedly undressed the pajamas she wore on her body.

I saw, she really had dense red dots on her white belly.

But the strange thing is ... the location of this red dot is basically distributed around her abdomen, but not elsewhere.

If there is a rash, it should reasonably be present throughout the body.

Wu Fengchenyi put the quilt back on her body: "You take a break first, and I call the doctor."

Within a short while, Feng's private doctors and nurses all rushed to Yaoyao's home.

At this point, Yaoyao is already in a semi-fainted state, and the doctors are busy doing diagnosis and treatment for her.

After about three hours ...

"Doctor Liu, how is my wife?"

"Ah? This ... Master Feng, hiss ... Grandma Feng Shao ..." The expression on the doctor's face was very embarrassing, and he didn't say why, because of it.

Wu Fengchenyi was obviously impatient, and the somber face sank: "What is wrong with my wife?"

"Grandma Fengshao got .

.." The doctor still seemed a little inexplicable, and simply handed the inspection report to Feng Chenyi's hands: "Master Feng, you can see for yourself!"

Looking at the embarrassing look of the doctor, Feng Chenyi quickly opened the report to see ...

The cold and grim face became extremely gloomy!

The solemn entrance of the State Council Office Hall ...

Wu Fengchenyi's car was parked slowly. After a while, Yu Aotian stepped out of the hall of the State Council and sat in Fengchenyi's car.

"Chen Yi, what's the matter with me? So urgent?"

"Mr. Yu, do you remember what you said when you went to Xi Qing's house to find me?"

Listening to Feng Chenyi's questioning tone, Yu Aotian shrugged his shoulders deliberately: "I said a lot, what do you mean?"

"Well, let me remind you. You said ... 'Luo Yaoyao's future, you give it yourself!'"

"This sentence ..." Yu Aotian turned to her side and smiled at Feng Chenyi, "What's wrong?"

Wu Fengchenyi turned around and took an inspection report in the back seat, still fiercely on Yu Aotian:
"Is this your promise ?!"

Deep bottomless cold eyes glanced at the report on the body and opened ...

Looking at the contents of the report, Yu Aotian's pupils dilated instantly, but the next second ... "Oh, ha ha ha ..." He laughed suddenly..

Episode 667

"Mr. Yu, do you want to say that this has nothing to do with you?"

"It's not what I want to say, but it's ... it really has nothing to do with me!" He closed the report and was still in the back seat of the car.

I just had a physical examination a week ago, and I showed that I was completely healthy and free of any infectious diseases. Finally ... "Xie Jun's face gradually became gloomy:" Yao Yao already told me very well, no matter what, she also

I won't divorce you, so I haven't contacted her for a long time! In addition, Yao Yao is your wife, why don't you find the reason from you? "

Bian Feng Chenyi knows what the last sentence of Yu Aotian wants to imply, but the question ... "Yao Yao and I have never been married to each other!"

"This way ... that's interesting, it seems that Yaoyao can get this disease only for two reasons." Yu Aotian smiled strangely, and put one hand on the back of Feng Chenyi.

"Which two reasons?"

"One is ... Yaoyao is carrying you and me besides, there are other men. But ... you should know, she doesn't have the courage. Then the other ... someone ... intentionally framed her. Who is this person?"

... you, I should be clearer than I am. "With that said, Yu Aotian patted Feng Chenyi's shoulders meaningfully, and turned around and got out of the car.

"General Manager!"

I heard Feng Chenyi shouting at herself, Yu Aotian turned back with a smile: "Is there anything else?"

"I ..." There was a dim light in the cold eyes, and he said profoundly: "I ... and Yaoyao have no result!"

Yu Aotian knew exactly what Feng Chenyi's words implied.

"Chen Yi, although I don't know what you are planning on, but ... Yaoyao's affairs ... have nothing to do with me." Then he closed the door and left without looking back.

Wu Fengchenyi's hands on the steering wheel became more and more imprisoned, and the cold eyes filled with puzzlement.

Isn't it more important for him and Xie Yiqing to promote the relationship between Yaoyao and Yu Aotian?

Why now instead ... cause their relationship to go further and further?

!!

After lasting half a coma for about 2 days, Yaoyao finally gradually woke up, and the red rash on her body almost disappeared.

I opened my blurred eyes and looked at the hanging bottle hanging on the bed, faintly remembering it seems ..

. Feng Chenyi has been here, right?

"Grandma Feng, you finally woke up. Is there anything uncomfortable?" Dr. Liu, who had been treating Yao Yao for a while, asked curiously.

"You ... are you?" Looking around a doctor and two nurses in the room, plus a man in a suit, Yao Yao felt strange.

"Grandma Feng, I'm a private doctor of Feng's family, and my surname is Liu. This is a new lawyer invited by Master Feng."

The man in the suit sitting aside nodded politely to Yao Yao.

"Where is my husband?" Yao Yao stared blankly at the crowd.

Dr. Liu smiled awkwardly and hurriedly avoided the topic: "Grandma Fengshao, see what else is uncomfortable for you, if it's okay, I'll go first."

"I'm ... okay."

"That's good, then I'll leave." Dr. Liu looked at the male lawyer and looked away, then took two nurses away from Yaoyao's home.

It's not that she can't feel it. These people's expressions are weird, as if they are hiding something.

Is it ... Chen Yi has something wrong?

!!

Heartily, he suddenly mentioned his throat, and Yaoyao sat up excitedly: "Where is my husband now ?!"

The male lawyer shook his head seriously: "Sorry, please forgive me for not telling. If Grandma Feng Shao is healthy, please sign this divorce agreement."

At this time, Feng Chenyi still remembers divorce?!!

She was just curious, why is there a lawyer here besides a doctor? Emotional style is waiting for herself to wake up at any time and sign a divorce agreement at any time?

!!

In my heart, I can't tell whether it is sad or lonely. After all, it is only after the illness is healed, does Feng Chenyi have to handle the divorce nonstop?

Now Yaoyao is really skeptical, what is his persistence ... right?

Still wrong ...

"Mr. Feng didn't tell you what kind of profession I was before I handed you this divorce agreement?"

"Hehe, grandma Feng, now almost no one in the legal profession knows your name. I naturally know that. In your capacity, Mr.

Feng has no right to file a divorce with you. But ... you should also know that

A protected marriage is one in which one party is protected without fault. "

"You don't need to say this." Yao Yao still aside the contract: "I have no fault now, so my marriage is still protected by law. Feng Chenyi has no right to divorce me."

"No ... Mrs. Feng, just 2 days ago, your body was checked out ... X disease; and Mr. Feng did not carry any germs in his body, which proves that ... you are holding Mr. Feng with other men ...

... an improper relationship between men and women. With that in mind, your marriage is outside the scope of protection. "

X disease?

X disease?!!

Ji Yaoyao really wondered if she had heard something wrong, but she got it?!!

The moment she was humming, her brain suddenly fell into a blank space, and her body collapsed weakly on the bed ...

"Mrs. Feng? Mrs. Feng?" The lawyer shouted Yaoyao nervously.

"Go out!" Spit out two words weakly, seeing the lawyer still standing there, Yaoyao clenched his fists, picked up the thing next to his hand and threw it out forcefully: "I told you to go out! Get out!"

"Mrs. Feng, that divorce agreement?"

Xiao Xiao clutched the horns with her hands, Yaoyao forbearing tears in her eyes, and yelled, "I will sign, you go out! Get out!"

"I know ...

I know, then I'll go." Seeing Yao Yao's emotions getting more out of control, the lawyer left nervously with a handbag.

Suddenly the room fell into silence.

Wu Yaoyao finally understood why those doctors and nurses showed such awkward expressions. This is a kind of ridiculous disease.

"Heh ... heh ... X disease?" The grieving tears in the eye socket slowly dripped.

"It's a reasonable excuse for divorce."

She hasn't been in touch with Yu Aotian for a long time. Besides, how can Yu Aotian's 'special' choice of a woman,... get this kind of disease?!!

Yun Chenyi, did you plan all this?

Or ... Xie Yanqing planned?!!

Thanks to Xie's understanding of the profession of lawyers, she can casually use a conspiracy to crack the iron walls of world-class senior lawyers' marriages protected by law.

Just ...

Wu Yaoyao was eager to know at this moment. In the end, did Feng Chenyi know, or ... didn't know?!!

'Bell ... Bell Bell ...' Suddenly, the ringing of the phone interrupted Yao Yao's thoughts.

She glanced at the caller ID and quickly suppressed the feeling of grievance in her heart, pretending to be okay: "Oh, Xiaoman, is there anything wrong?"

"Yao Yao, where are you now?" On the phone, Gong Xiaoman's extremely cold voice came.

This is different from the past.

.

Episode 668

Every time Gong Xiaoman called her, the tone was always lively and energetic. It was the first time that I had heard such a strange tone.

It seems that Xiaoman still did not forgive her.

"At home." Yaoyao tried to keep his previous tone.

"Yes. Just at home, you turn on the TV and dial the entertainment channel."

What happened?

Yaoyao got up, ran into the living room, and turned on the TV ...

'Dear viewers, I do n't know if you still remember the derailment of the President of the Wind 's Group that broke out a few days ago.

However, yesterday, many media received information from insiders that the president of the Wind Group and his wife, Luo Yaoyao, were dealing with divorce in a low-key manner. '

'According to the source, the reason for the divorce was not because the president of Feng's group was derailed. In fact, his wife and other men maintained an improper relationship. It was discovered by Feng 's president, Feng Chenyi.

Feng always wanted to deal with this matter in a low-key manner, and then avoided living in the United States for more than half a month. However, his wife never knew how to converge. In the end, Feng always had no choice but to take divorce measures.'

'Suddenly, the president of the Wind Group and his wife were invisible and fell into a Rashomon. I do n't know if it was Feng Chenyi's fault or if it was the evidence provided by the leaker that it was his wife, Luo Yaoyao.

Unclean?'

Looking at the TV screen, the line of sight gradually blurred, and Yao Yao's complexion became pale and pale.

Change ... Oh my god!

I was unconscious for two days, and the world seemed to have changed dramatically.

In just a blink of an eye, she went from being an innocent victim to being a mean bitch?!!

"Luo Yaoyao, should you see the report?"

"Oh, you keep up the marriage and protect Feng Chenyi, but can you end up?"

"In the end, you are derailed! It is you who have done something sorry to others Chen Yi!"

"Now everyone in the city thinks you are an unclean woman! But Feng Chenyi can take Xiaosan happy and enjoy the reputation of an innocent person."

"The insider broke the news? Oh ... how do I think that the insider is Feng Chenyi himself ?! His special self-directed act of a wife derailment, just to divorce you."

"Luo Yaoyao, wake up. The purpose of Chen Fengyi is to divorce you. You have to hang on to others, so they have to use this method. Now you are finally satisfied. Yet?!"

Xiong Gong Xiaoman said more and more excited, more and more angry. Although she scolded her mouth, she was in pain.

The first time I saw this report, God knew how miserable she was crying.

I thought about it from the ground. If it was Han Liyu's derailment, she kept on maintaining and maintaining, but she was framed and infidelity in the end, and it felt as if she was bitter and uncomfortable eating Huanglian.

She can't comfort Yaoyao, she just wants to scold Yaoyao, only hope that after passing this incident, Yaoyao can wake up by herself!

"Xiao Man ..." Yao Yao wiped the tears in the corner of his eyes with a choked throat: "I know how much and how much you care about me. But ..

. this thing ... I still want to deal with it myself ... I can

'Kacha', before Yaoyao finished speaking, Gong Xiaoman hung up the phone in disappointment.

Hehe, hehehe ...

Wu Yaoyao knew that this time he completely hurt Xiaoman's heart.

The bitterness of embarrassment hangs on his face: "Huh ..." Raising his head, all the tears flowing back into his eyes.

By this time, crying can no longer solve any problems; tears are not the source of the problem.

Things have come to this point, or that sentence, she ... has no regrets.

Even if he finally proves that all this is what Feng Chenyi did, he really wanted to divorce because he fell in love with Xie Yiqing.

She ..

. didn't have any resentment, just as ... repay the debt ...

In the quiet and quiet villa, a door opened with a sound.

Xie Yanqing, who was sitting on the sofa and watching TV, ran to the door happily: "Chen Yi! I know it is you." Watery eyes stared at Feng Chenyi's almost somber face, and she wrinkled inexplicably.

Brow: "What's wrong ... you?"

At this moment, when Feng Chenyi rushed forward, a heavy slap with his hand slammed on Xie Yiqing's face.

This sudden slap slaps Xie Yanqing, she covers her cheek with her hand, and stares at the cold face of Feng Chenyi in wonder: "Chen Yi! What are you doing ?!"

"It's your news to the media, right ?!"

Xie ZhiQing suddenly understood, feelings ... Feng Chenyi slapped herself because of ... this matter?!!

"Yes, so what?"

"So what ?!" Feng Chenyi grabbed her by the neck: "You have caused Yao Yao to have X disease, and I have not pursued it with you! You dare to hurt her in the back

Thing ?! "

Xiao Chen's face was paled by Feng Chenyi. Xie Yunqing slowly raised her fist.

This is the first time he has been angry since she is with Feng Chenyi.

I thought that this man had completely wiped out Yao Yao from his heart, but it turned out that ...

Is he still in love with Luo Yaoyao?

!!

"Chen ...

Yi ... You, don't you ... want to divorce Miss Luo?"

"Yes, I want to divorce Yaoyao, but only if it doesn't hurt her!" Feng Chenyi hurled Xie Yiqing out.

She gasped heavily, turned her head, and glared angrily at Feng Chenyi: "No divorce will not hurt people, Feng Chenyi, do you think what you said makes sense? You can't wonder about Elo

As Yao Yao, you cannot divorce her! "

"Xie Yanqing, according to what you mean, everyone in the world accuses Yaoyao of not being able to divorce? Oh ... don't you think I don't know what you think in my heart, and I kept opening my eyes and closing my eyes during this time

I do n't know anything. You better not have to go in. If you dare to hurt Yaoyao, I will kill you! "Then, Feng Chenyi left without looking back.

Xun stared at the back of his departure, Xie Xingqing clenched his fist.

She is not willing!

Unwilling this man still remembers Luo Yaoyao!

She must tell them to divorce!

I must tell them to divorce!

"Knocking door" Gong Xiaoman just hung up the phone and knocked on the door.

Qi Yaoyao precipitated her sadness, took a deep breath, and slowly opened the door ...

"Miss Luo."

Looking at Xie é" qing standing outside the door, Yao Yao's eyes gradually cooled down. She resisted the pain in her heart and slowly evoked a smile: "Ms. Xie appeared at this time, is there anything wrong?"

"Oh, nothing, just for Chen Yi to get a divorce agreement."

"Oh, divorce agreement?" Yaoyao turned back to the living room and sat on the sofa with a big swing: "Where's the divorce agreement ?!"

"Miss Luo, things have happened like this. Now everyone knows that you are out of the wall. Is this marriage going to continue? Is it still interesting?"

"Did I come out of the wall, Miss Xie, don't you know ...?" Strange eyes shot at Xie Yunqing in front of her.

.

Episode 669

"Miss Luo, what are you talking about?"

"That day ... that pin ..."

"His ..."

Sorry, sorry, Miss Luo, I just bought clothes. It should have fallen off.

I am so sorry.

,

'Oh, Miss Xie, you 're too careless, and you do n't know what you thought ... you did it on purpose. '

'Khan, even if I did it on purpose, I would n't hurt you with a pin. This is a trick ... too pediatric, is n't it? '

I saw that night after seeing Xie Yiqing, Yao Yao had rash and high fever.

Want to know, what's going on?!!

I have to say that Xie Yiqing's move is completely a hole in the law!

She had this disease, and Feng Chenyi had no germs on her body. Anyone would think that she had made a thing out of the wall!

"Ms. Xie, it's really very small pediatrics to use the pin to retaliate. If you apply X bacteria on the pin, it seems ... it's different!" A faint grin smiled from the corner of her mouth, and Yao Yao stood up and walked in front of Xie Yiqing.

.

"Well, Miss Luo's acuity is really high, but ... what if you know it? Do you have any evidence to prove that I did it?"

Looking at the provocative smile on Xie Yanqing's face, Yaoya shrugged slightly: "I didn't intend to find evidence to prove that you framed me. It's just ..." Shui Ling's eyes turned: "I don't know

Does Ms. Xie know that there was a medicine in my minor course when I was in high school. In addition to the transmission of X bacteria, the other means of transmission is blood transmission. As long as I prove that I am not transmitting in that area, I can eliminate it.

Carrying Xingxing on his back, that is to say ... "

"Chen Yi still can't divorce you, right?" Xie Yiqing sneered and looked at Yao Yao in front of her.

She nodded silently.

"Ha, ha ha ha." Suddenly, Xie Yiqing gave a scornful laugh: "Miss Luo, I don't understand. What's the point of your stubbornly insisting on this marriage? Tell me the truth, Xiang

It was me who broke the news! "

I knew it would be Xie Yanqing!

Is she just trying to destroy the marriage with Chen Yi by the pressure of public opinion? !!

Let yourself be ruined together? !!

Oh, the little hand slowly fists into a fist.

Xie Yanqing stepped forward, Qingxiu's small face gradually forced towards her: "Luo Yaoyao, the reason I told you this is because ... Have you ever thought about what I did, Chen Yi ... Maybe

You know ?! But he still acquiesces in all my actions, doesn't he? What does this mean, you should know in your heart ?! "

Suddenly, Yao Yao's face tightened.

Yes, Xie Yanqing broke the news to the media, including the case that she had X disease. If Feng Chenyi wanted to find out what was going on, she could still find it out.

But he didn't stop this from happening. Instead, he used it to bring up ... a divorce?

☞Informed person broke the news?

Huh ... why do I think that insider is Feng Chenyi himself? !!

He fucked and directed a drama where his wife derailed, just to divorce you.

,

Luo Yaoyao, wake up. The purpose of Chen Fengyi is to divorce you. You have to hang on to yourself, so that people have to use this method.

Are you finally satisfied now?

No, no, she didn't mean to want to continue this marriage.

If Feng Chenyi really loves Xie Yunqing, she will quit, she will quit.

But didn't he divorce himself because of ...? !!

Oh no!

wrong!

The reason for the 'that' divorce is just speculation. What did Feng Chenyi think about it? He did n't know it at all, did he?

Maybe ... he ... was he trying to divorce from the bottom of his heart?

Xie Yiqing, who stood aside, clearly saw that Yaoyao's will was shaken. She took out the divorce agreement and put it in front of Yaoyao: "Sign it. This is good for everyone ..."

I signed ...

Is it good for everyone?

I signed ...

Is it good for everyone?

!!

Yes, I signed, so everyone seemed to be relieved.

She picked up her pen and Yaoyao quickly signed her name on that divorce agreement.

Seeing this, Xie Yiqing, aside, slowly evoked a triumphant smile.

But ...

Next second!

"No!"

When Xie Yanqing was about to take away the divorce agreement, Yaoyao firmly pressed his hand!

Persisted for so long, persisted for so long, always only Xie Yeqing was talking to himself, so far he has not communicated with Chen Yi.

It was Chen Yi who fell in love with Xie Yiqing and wanted to divorce; it was because of other reasons. He wanted to divorce, no matter what, he has been insisting for so long, he must find a real answer, so even if let go, it is worth it

!!

"Miss Luo?"

Raising her head sharply, facing Xie Yunqing's doubtful eyes, she said coldly: "The divorce ... I decided to talk to Feng Chenyi in person!"

Suddenly, Xie Yanqing's face sank: "You want to talk to Chen Yi, that's your business, divorce agreement, give it to me!" Then, she was going to snatch the divorce agreement that had signed Yaoyao's name.

Qi Yaoyao held it in his hand.

Seeing this, Xie Yanqing narrowed her eyes coldly, a counter-tack, and keenly pressed her on the coffee table.

"You?" Yaoyao took hold of God, and seemed to notice something faintly.

Xie Xunqing smiled slightly, and easily took the divorce agreement in his hands: "Miss Luo, leave first."

"You can't go!" Yao Yao still refused to give up, and quickly stepped forward and wanted to snatch back again.

"Oh ..." Xie Yunqing smiled with a lip on his lips, a beautiful round kick, and kicked Yaoyao's belly.

Xiao Xiao fell heavily on the ground, her eyes widened unbelievably: "You ... would you work hard?" From the moment Xie Yunqing used the counter-tack to get that move, she noticed something was wrong.

"Huh? If I didn't want to count it, do you think ... your friend ... hurt me? But ... hum, I don't know who called Yu Aotian! It's a hindrance!"

Looking at the treacherous smile that Xie Yunqing hung on her face, at this moment, Yao Yao felt that she was unfathomable.

It turned out that she intentionally asked Xiaoman to kidnap her?

The purpose is to get rid of all the friends around you?

The first one to be killed was Hei Yanlong, and Xiaoman was almost killed by a poisoned hand.

Maybe .

..

The first true 'victim' was ... Feng Chenyi!

Xie Yunqing's 'real' goal ... "You, hate me?"

"Oh, huh, huh? Guess?" Xie Xingqing walked slowly to Yao Yao's face, her face cold, lifting her from the ground by slamming her collar.

Shui Ling's eyes crossed with a flash of light, and a fist was a heavy punch.

"Wooo..." Yao Yao spit out blood in pain.

But it's not over yet, Xie Zhiqing hits again ...

She has no ability to fight back at all!

"Luo Yaoyao, I really want to kill you right away. Unfortunately, it's boring to die. It's more fun to watch you die, isn't it ?!" The little hand waved hard.

Wu Yaoyao hit the wall inertially, this breath has not eased.

Xie Xunqing's footsteps pressed forward, and she kicked her feet ...

Xi Yaoyao subconsciously covered his head with both hands, but for a long time ... Xie Yanqing didn't seem to do anything.

He tentatively dropped his hands on his head ...

See you!

A bright dagger was placed around Xie Yiqing's neck, and the person holding the dagger

Episode 670

"Bing Ye !?" Why does Bing Ye appear here suddenly?!!

Yao Yao looked silly at Bing Ye.

Xie Yanqing snorted coldly, and Shui Ling's eyes slowly turned to Bing Ye next to him: "I did not expect General Bing Ye of Aslan, now he has returned to the job of guarding? Just ..."

With a sensitive turn, she made a beautiful manoeuvre kick and went straight to Bingye's head, then she passed: "Are you sure, this useless woman is Landau you want to protect ?!"

Bing Ye did not dodge or dodge, the moment he saw Xie Yunqing was about to attack him, he reached out his hand calmly, and grasped Xie Yunqing's ankle steadily: "It has nothing to do with you!" Like a bead, he spat out four

Words.

Xie Zhiqing angrily raised his fist.

Yao Yao, who was lying on the ground, widened her eyes inconceivably. Did she hear something wrong?

Xie Yanqing said ... "Are you sure, this useless woman is Landau you want to protect?"

,

Why does Xie Zhiqing know everything?

She knows Bing Ye, and Lan Duo, and knows that Bing Ye was once the guard of Lan Duo.

No wonder Zeng Kairui told her?!!

If this is the case ... no doubt, has Zeng Kairui vaguely guessed my true identity?!!

"That's it for today, let's go now." Xie Xingqing shook off Bing Ye's hand grabbing his ankle, and turned to leave.

"Bing Ye! Get the document in her hand!" Yao Yao ordered.

Bing Bingye was like the same gust of wind. In just one second, he quickly seized the document from Xie Yiqing.

I can say that Xie Yanqing didn't even have a chance to respond.

"Oh, ha, ha, okay. It doesn't matter, Luo Yaoyao, do you think it would be useful to snatch the divorce agreement? Anyway, Chen Yi will definitely divorce you!" Then she left without looking back.

Yan Bingye handed the documents to Yao Yao.

She sat up, opened the file, and quickly smashed the agreement inside ... "Hoo ..." A long sigh of relief.

Although, this is a self-deception, but even if divorce is between her and Feng Chenyi, there is no need for Xie Yiqing to intervene.

Having settled down, Yao Yao slowly raised his eyes and looked at the expressionless Bing Ye: "How are you here?"

"Where you go, I'm there. I know everything about what you're doing at this time." His tone was so gentle, as if it were spoken by a robot.

Hehe, it seems that Bing Ye has not given up, and it is not difficult to hear from his words. During this time, he should have been ... in secret...

How about surveillance?

Or is it better protected?

Just leave him alone.

"Let's go." Bing Ye suddenly raised her hand and stepped towards the door.

"Go? Where are you going ?!"

"safe place."

"A safe place?" The tight little face sank, and she desperately wanted to shake off Bing Ye's hand: "I'm not Lando, I won't return to Asland! I'm not Lando, I won't go back!"

Bian Qian's footsteps ended, Bing Ye turned back coldly, and started to stun the noisy Yaoyao ...

Xi Yu Aotian Residence ...

Hearing the knock on the door, Yu Aotian, who was still sleeping, got up impatiently.

For the post of Chairman of the State Council, the days of rest are basically few in number. Today, he managed to catch up with a weekend today. He also finished his work in advance and was able to take a day off.

Who knows ...

Pick up the alarm clock at the bed.

Only 10 o'clock!

"Damn!" Whether the knock on the door was Long Ling or Han Liying, he would never let them go.

With a somber face, Xu opened the door of the room. Yu Aotian was about to yell, but when he saw the person standing outside the door, he froze ...

I saw, Bing Ye stood faintly outside the door holding Yao syncopated.

The next second ...

He did not wait for Yu Aotian to fully react, and Bing Ye handed Yaoyao in his arms into his hands.

"I'm leaving."

Qi Shen's bottomless eyes scanned Yaoyao in her arms, and looked at the back of Bing Ye gradually leaving.

Wu Yuao was naive to wonder if he was dreaming?

The inexplicable Bing Ye suddenly appeared without saying, but also sent Yao Yao ... his home?!!

"Bing Ye! Should you give me an explanation before leaving? Or ..." A sly eye blinked, and he smiled evilly: "I'll just leave her out the window."

"You are safer here. I have more work to do. You can help me take care of her for a long time." After that, Bing Ye stepped into the elevator.

Looking at the slowly closing elevator door, there are only six points left in front of Yu Aotian ...

Damn Bing Ye, really an irresponsible person, take him here as a refuge?

Helpless eyes scanned the hurt on Yao Yao's face ...

"Oh." Yu Aotian snorted coldly, holding Yao Yao slowly back into the house ...

"Don't take me back, I won't go back to Aslan, I won't go back!" I don't know how long, Yao Yao wakes up in a nightmare.

Opening her eyes, looking at the familiar environment in front of her, she recognized ...

Yu Aotian's home!

Beware ...

'Thump, thump', beating wildly, the memories that have been working hard to seal are slowly opening.

This home, in this small and warm room, is filled with too many, too many memories between her and Royal Sky.

If you don't touch the memory box, you won't remember it; but once you open it, there will be an endless stream of pictures.

You Bingye, why did you send yourself here?

Xu rolled over and got out of bed. Yaoyao opened the bedroom door, and at a glance he saw Yuaotian who was eating at the table.

Exhale ...

Inhale ...

Exhale ...

Inhale ...

The body trembled inexplicably, and the beating heart was beating constantly and constantly.

"Want to have lunch?" Yu Aotian turned his eyes, staring blankly at Yao Yao.

Calm down!

calm!

She shook her fist nervously and shook her head with a smile.

"Ice, what about ice night?"

"Oh ... I don't know. He threw you to me, and people ... were gone." Yu Aotian retracted his gaze at Yao Yao and continued to eat.

"Thank you. Then ... I'll go first."

"Bing Ye told me to take care of you for a long time. You ... or stay here for a long time." Then, Yu Aotian turned on the TV and watched it intently.

Howling Yuatian takes care of herself for a long time?

In other words, is it necessary to deal with a more important thing in the half-day of ice night?

Will it be related to Zeng Kairui?

Xiao Xiao stiffly moved to the sofa, sitting there, she always felt like sitting on a needle felt, and from time to time, she turned her back to her own proud back.

However, Yu Aotian's attention is all on TV, as if there is no Yaoyao in this room.

"Wound on the face ... who hit it?" I don't know how long, Yu Aotian broke the silence first.

Yao Yao, who was watching TV, stared blankly at Yu Aotian, who was sitting at the dining table. Is he ... talking?

When confused, Yu Aotian turned her head and looked at her blankly.

Wu Yaoyao was affirmed that he really was talking to himself.

"Ha ha ... no one is worse than anyone."

"Your brother said, Feng Chenyi must be killed this time, and he is convening people ..." When Yu Aotian said this, his body carried his back again ...

.
