

## Pure Girl 671

### Episode 671

"Brother Longye?!" Something's wrong!

Xiaoman was so angry when he saw the news. Long Yun's brother must have been furious when he saw it. Anyone who knew the truth would think that Feng Chenyi was the ghost.

"What should I do? Is Long Long's elder brother at home now? I'll find him!" Yao Yao anxiously ran to the front of Yu Aotian, just like an ant on a hot pot, constantly stomping his feet.

Looking at her nervous little appearance, Yu Aotian smiled secretly, pretending to be serious: "You eat first, I can try to stop Long Yan."

"Go and stop Brother Longji first! What if he already finds someone good?"

"Well, Feng Chenyi has made you so much. You are really good."

Looking at the playful smile hanging on Yu Aotian's face, Yaoyao's face gradually sank: "Do you even think that this incident was caused by Feng Chenyi?"

Hearing this question, the smile on Yu Aotian's face gradually disappeared, and he stared at her silently.

"Yu Aotian, does your silence represent ... you don't believe Chen Yi is that kind of person ?!"

Yes, Yu Aotian appreciates Feng Chenyi. In addition to his style and means of doing things, he also has that bright personality.

From the moment this happened, he never thought that Feng Chenyi would do it!

So, when Long Yan was about to convene Chenma and Chenyi, Yu Aotian controlled the situation early in the morning!

"What do you want to say?"

Yaoyao pulled out the chair opposite Yu Aotian and sat down with a serious expression: "Actually, Chen Yi's purpose was nothing more than divorcing me. I have always believed that he would not do anything that would ruin my reputation.

It seems that there is no need to do this. As for Xie Yiqing ... she has acknowledged that the person who broke the news to her is her. My first reaction was that Xie Yiqing wanted to use public opinion to force me to divorce Chen Yi through publicity."

The tone paused: "I don't know Brother Long's brother told you not to say, I suspect Xie Yunqing is a person beside Zeng Kairui. Then, if you think about it further, it is possible that this news broke, she

Another purpose is to start a war ?! "

Xun Yaoyao now compares Xie Xunqing to a thoughtful puppet.

The mission she performs is ...

Provoked Feng's war with Bosen.

Suddenly her heart was trying to force herself to divorce Feng Chenyi.

The two can be combined into one, and the two can be disassembled and executed.

The white point I was talking about was that the task that Zeng Kairui had given to Xie Yiqing was to have Feng fight with Bosen, and the task Xie Yiqing had set for me was to divorce Yao Yao and Feng Chenyi!

In general, what everyone sees is the task at the surface level. As for the deep task ... it is easy to ignore it!

As for why Yaoyao suddenly thought of this ...

I am also because Yu Aotian just said that Long Yi has to deal with Feng Chenyi.

Xun Yinyin returned to the day when Xiaoman called Xie Xingqing.

Brother Xiaolong is so protective of herself, Xie Yiqing must also feel something, so she wants to use this opportunity to provoke a war between the two companies, is this so?!!

"You eat first. After dinner, I'll show you something."

Looking at Yu Aotian's bottomless eyes, she had a hunch that what he was going to show himself next ...  
What a secret!

"Huh!" Little head nodded twice, and Yao Yao quickly looked at the table.

Just discovered...

On the table, she had prepared her tableware and food.

Hehe, if it was the former Yu Aotian, it is estimated that the first time she said that she would not eat, she would have to be forced to eat?

But this time ...

Is it a temptation?

Anyway, at least she ... found a little respect in front of this man!

"I'm done!" After a lunch, not even 5 minutes, Yaoyao put down the chopsticks and waited with anticipation for what Yuao Tian showed to himself.

"Show me soon."

Wu Yu Aotian shook his head helplessly. To be honest, he had eaten almost half an hour earlier than her, and he hasn't finished eating so far. I want to know how gorging Yao Yao had to eat.

He stood up and walked into the bedroom. After a while, Yu Aotian held a folder and handed it to Yao Yao.

Open that folder ...

There is obviously a personal profile inside.

"Zeng Qing ?!" Gaze gradually turned to the photo on the folder: "Isn't this Xie Qingqing? Why is she called Zeng Qing ?!"

Bian Yuaotian took the coffee cup next to her, drew a sip, and slowly said, "This is her real name."

Is the name Xie Yanqing fake?!!

Tong Yaoyao is like discovering a new continent. She continues to look at the folder in her hands with anticipation ...

Zeng Qing.

Age 18 years old.

Adopted from East China Orphanage by Deputy Prime Minister Zeng 13 years ago.

At the age of 15 years, he obtained the qualification certificate of world intermediate lawyer.

IQ ... 200 points!

"It turns out that Xie Yiqing is also one of the special groups and has an IQ of over 200 ?!" Yao Yao looked at the information in his hands as if he saw his personal information.

"Why is that only?"

"Her data has been hidden by the National Intelligence Agency. These are the ones I found from the East China Orphanage."

"Oh, that's ... hiss, that's not right. Now that it's hidden by the National Intelligence Agency, how do you know she's from the East China Orphanage ?!"

Yu Aotian raised her eyes, glanced at Yao Yao, and slowly lowered the coffee cup in her hand: "A few days before she went to Feng's position as an assistant, I just came to Bosen to apply for a job as a lawyer, so I filled out her

Personal resume, check it down. As for the time difference between her application for these two companies, it is ... the time difference between us breaking up with you and Feng Chenyi to announce the marriage news! "

'As for the time difference between her applying for these two companies, it is ... the time difference between when we broke up and you and Feng Chenyi announced the marriage!

❓ Yao Aotian especially aggravated this sentence. What do you want to imply?

"His ... that is ... while we were still together, Xie Yiqing was going to apply for Bosen; and she learned that I was married to Feng Chenyi, and then she came to apply for Feng ?!"

"Yes! Obviously, Xie Yiqing's goal ...

" A flash of deep eyes, Yu Aotian said coldly: "It's you!"

'Xie Yiqing 's goal ... lies with you! '

It's up to you ... '

My ears constantly echoed the profound meaning of Yu Aotian, and my mind gradually reminded me of the scene a while ago ...

'you hate me? '

'Hey, huh, huh, huh, guess? '

'I want to kill you.

It's a pity that it's boring to die. It's more interesting to watch you die better, isn't it? Luo ... Yao ... Yao! '

I vaguely remember Xie Yiqing's eyes and tone when she said this sentence, as if full of hatred.

It looks right, Xie Zhiqing's goal is really me!

But what is the reason?

"Xie Yanqing is really full of too many, too many mysteries. It seems that she can only wait to solve it by herself!" Yao Yao narrowed his eyes, and suddenly raised his head to look at Yu Aotian.

: "Don't mention Xie Yunqing's purpose for me. She was adopted by Zeng Kairui at the age of 13, which proves that she is indeed Zeng Kairui's person. Wait! Is it possible that she is ... the real Landau

what?!"

.

Episode 672

Age 18 years old.

Adopted by Zeng Kairui 13 years ago.

The last family in China visited by His Highness Lan Duo 14 years ago was killed.

From the time difference and age, everything fits well, it is even better than yourself.

Yeah ...

"His ... It's not right. I always have things about Lando as a kid. It seems that I'm more like Lando, otherwise why would I think of so many things that have nothing to do with me?"

Looking at Yaoyao's self-confidence, Yu Aotian turned her face aside, and she gave a reasonable explanation, so he didn't seem to have to say anything.

However, Yu Aotian had to admire the sharpness of this little thing, even Xie Yiqing and Lan Duo were associated with it!

It can be said that the idea is ... very clear!

"Yao Aotian, how did you think about investigating Xie Zhiqing ?! Didn't you already find Xie Xunqing wrong?"

Hehe, why did he investigate Xie Yiqing?

Isn't it because Xie Yiqing is Feng Chenyi's third?

Who knows what happened by accident.

If Yao Yao hadn't already doubted Xie Yiqing, he didn't want to tell Yao Yao this information at all.

After all, he doesn't want too much involvement and connection between Yaoyao and Zeng Kairui.

But, it seems ... Zeng Kairui's tentacles are slowly reaching out to Yaoyao ... "Um. Right."

"That's all right." Yao Yao smiled slightly and closed the file in his hand.

"Be careful yourself."

"You asked me to be more careful?" Yu Aotian didn't hear anything wrong?

Xie Yanqing is her love rival and is still entangled by Feng Chenyi. Now he is more careful with this little thing?

Shouldn't ...

Qi Shen's bottomless eyes turned: "Oh, don't you tell me, your name is Long Ye Xie Xie Qing, is it for me?"

Looking at the evil smile on Yu Aotian's mouth, Yaoyao's face turned red and red instantly.

She doesn't know why she checked Xie Qingqing's information. In short, everything related to Zeng Kairui can't help searching.

Is it all related to Royal Sky?

I cannot deny.

She was curious about Zeng Kairui because he was the enemy of Yu Aotian.

Silent lowered her head, and Yaoyao's brows frowned together. She didn't like this feeling, and even hated it!

Some things, once pierced, they look so awkward.

After all, their position ... is hostile!

She didn't forget this!

"I'm going to wash the dishes." Yu Aotian skillfully transferred Yao Yao's embarrassment, got up, and just picked up a bowl ...

"Me, let's go!" In a panic, Yaoyao's little hand subconsciously grabbed Yu Aotian's hand, her heart instantly mentioned her throat, and quickly retracted: "Also ... you go.

"

Looking at her awkward and nervous look, Yu Aotian shook her head helplessly and took the chopsticks to the open kitchen near the dining table.

His nervous eyes looked at the back of the man who was washing the dishes. She bit her lower lip corner hard. Why am I so nervous?!!

Calm down!

calm!

Exhale ...

Inhale ...

Exhale ...

Inhale ...

After Yao took several deep breaths, Yaoyao gradually relaxed ...

"Yao Aotian ..." Little head stood on the dining table, and she lowered her eyes slowly.

"Ok?"

"What do you think ..." Raised his eyes and stared at his back in confusion: "I insist ... is it right?" Yaoyao knew that Yu Aotian must understand the meaning of this sentence!

"Oh, since I chose to insist, whether it is right or wrong, as long as there is a result, it proves that ... is right!" When Yu Aotian said this sentence, he turned his back to Yao Yao.

The tone of his speech was also so gentle, as if a big brother was guiding the right path for a confused little sister, very patient and profound.

For a moment, Yaoyao seemed to have got the most energy. The whole person sat straight and straightened his body, and those dark eyes were full of vitality.

These days, there are really too many people who hit her and have raised objections to her.

She also hurt many people who care about herself because of this 'persistence'.

However ...

But Yu Aotian was the first to support her persistence.

Yes!

This is exactly what I think in my heart. This insistence on no divorce, whether it is right or wrong, as long as ... the result is right!

A faint smile hanged on the corner of Yao Yao's mouth, she really did not expect that there would be a day when she talked with Yu Aotian like Lan Yan confidant to talk about her emotional problems.

I have to say that it is more useful to consult Yu Aotian than to find anyone, because only he can see everything with extreme maturity.

"Thank you ... Royal Sky."

I listened to Yao Tian's sweet voice from behind, and Yu Aotian, who was washing the dishes, smiled bitterly.

Small thing came to ask him this question ...

I'm really cruel!

How could Wu Yuaotian not know that the insistence in her mouth refers to her marriage with Feng Chenyi?

Yeah ...

He ca n't always tell her not to persist, right?

After all, Yu Aotian can also feel faintly ... Feng Chenyi seems to be hiding something!

"What's the date today?"

Wu Yuaotian wiped his hands and glanced at his watch: "No. 30."day 30th?

What happened to Xie Fengchenyi and Xie Xingqing happened almost a month ago, and it seems ... it's really time to give results.

After thinking about it, Yaoyao smiled and looked at Yu Aotian who was standing in front of him: "Lend me your robber, can you?"

He stunned God, and slowly raised a wicked smile: "Do you want to commit suicide? Or do you want to kill?"

"Neither. I just pretend."

"Oh.

" Yu Aotian reluctantly took a gun from under the sofa and threw it to Yao Yao who was sitting at the table.

"Thanks, I'll go first."

"Bing Ye gave you to me, it should be that someone wants to hurt you, right? You go now?"

"Oh, it was Bing Ye who was too nervous to get up. Besides ..." The luster contained in his eyes gradually cooled, Yao Yao shook his hands to grab: "I believe. Except for the general marksmanship, there should be no one

It 's faster than my marksmanship ... it 's faster! "The words of self-confidence fell, and she snatched them in her pocket and left quickly.

"Oh ... it's a habitually stupid little thing." Yu Aotian looked at her leaving back and shook her head helplessly.

Obviously, from Yaoyao's words, it is not difficult to hear that she should already be quite sure that she is Landau, but many times, she chose to avoid it.

"I wish you ..." Just whispered to himself, Yu Aotian suddenly smiled helplessly, only to find that ... I don't know what the next two words are, should I wish her success?

Or ... how about failure?!!

Gorgeous villa outside.

Qi Yaoyao stood at the gate and kept echoing what Yu Aotian had said.

“Since you chose to persist, whether it 's right or wrong, as long as there is a result, it proves that... is right!"

"Yes, this way has been chosen. If there is no result, then it will be wrong to persist!" With a fist in her little hand, she took a deep breath and stepped forward, quickly pressing the doorbell..

## Episode 673

After a while, the door opened ...

"Huh? Miss Luo, are you a 'self-invited net'?" Looking at Yaoyao outside the door, Xie Xunqing didn't expect it, and only separated for a long time. The woman came to the door?

!!

"Chen Yi ... Are you here?"

Xie Zhiqing held her hands in front of her and shook her smile: "Just left."

"Very good. Miss Xie, could you please come in and sit for a while?"

"please....."

Tong Yaoyao stepped into this villa, except for the last time to find Feng Chenyi, she still stood at the door.

This is the first time she has officially entered Xie Yiqing's residence.

Simple decoration environment, quiet and elegant, bursts of Orchid incense are intoxicating.

"Oh, Miss Xie, your style here is really easy to linger."

"Really?" Xie Yunqing brought two cups of coffee from the restaurant and placed one of them in front of Yaoyao.

She looked at the coffee in front of her. Oh, you have to be careful this time. In case this coffee is filled with ㄟstuff', I 'm afraid she wo n't come back today.

"Ms. Luo came to me today, just to visit my home?"

"Of course not, since Miss Xie asked, let me tell you ..." Gaze turned to Xie Yiqing, she leaned lightly against the back of the sofa, and smiled, "Is Miss Xie willing to make a bet with me?"

"Bet?" Xie Zhiqing took up the coffee in front of her, and sipped: "What is the bet and what is the bet?"

"The bet is ... I divorced Chen Yi, and he ... will immediately break up with you!" Shui Ling's eyes scratched a provocative gloss.

The next second, Yaoyao's eyes turned, and he continued: "The bet is. He will not break up with you, I will disappear; he will break up with you, you will disappear!"

Looking at the confident smile that Yao Yao hung on his face, Xie Yanqing thought it was incredible: "Oh, huh, huh, Miss Luo ... you ... this gambling contract is too unfair to you? You divorced Chen Yi

Chen Yi broke up with me? "The more she thought about it, the more she felt that Yaoyao's self-confidence had become arrogant!

"I think it's fair! Miss Xie, dare ... come try?" Yao Yao smiled and tilted her head.

Xie Xunqing saw this, and helplessly poked his lips: "Just a little .

.."

Small face with a smile gradually sinking, she took out the phone and dialed Feng Chenyi's number.

The moment the call is connected, the hands-free is turned on, and the phone is on the coffee table ...

"What is it?" On the other side of the phone, Feng Chenyi's cold voice came.

"Where are you? Are you busy?"

"What to say first?"

"I decided ... to divorce you!"

After almost a few seconds of silence on the other side of the phone, Feng Chenyi said coldly: "After signing the divorce agreement and putting it in the single apartment, I will pick it up."

"OK." The phone hung up.

Wu Yaoyao fell into silence silently, looking intently at her eyes, she waited quietly for the 'Result' to come.

Xie Zhiqing sat there smiling, looking at the wall clock from time to time.

The villa seemed to be in a state of silence when she was in the villa. The two women sat there and said nothing.

Almost half an hour later ...

"Miss Luo, how long do you want to wait? Shouldn't you wait a few years later? Oh, I can't help but I will break up with Chen Yi."

Hearing Xie Yanqing's ridiculous voice, Yaoyao smiled slightly: "Wait."

She just said less than 5 minutes after saying this, Xie Yunqing's phone rang suddenly ...

Suddenly, Yao Yao's weird smile on her face deepened and motioned for her to answer the phone.

Xie Zhiqing closed his eyes, glanced at the caller ID, it really came from Feng Chenyi!

Hands-free open ...

"Chen ..

."

"Yi Qing, we don't need to contact again in the future." Feng Chenyi on the other side of the phone did not give her any chance to speak. He finished the conversation and hung up the phone.

At this moment, is the light that filled Xie Yiqing's eyes inexplicable?

Still ... angry, or more incredible.

She always knew that Feng Chenyi would have more or less feelings for Luo Yaoyao.

But I didn't expect that the moment Luo Yaoyao divorced him was the moment when the relationship between her and Feng Chenyi came to an end?!!

Unforgivable!

Unforgivable!

The little hand that raised his fist was full of muscles.

Qi Yaoyao stood up with a smile: "Miss Xie, I hope I will never see you again. That's it, let's go ..." Turning away with a triumphant smile.

Xie Zhiqing, who was sitting on the sofa, jumped into the blue veins of her forehead and jumped straight behind Yaoyao and attacked.

Just between the flashes of light, Yaoyao turned around and grabbed Xie Yiqing's head in an unjust way: "Ms. Xie, I'd like to know, is your kung fu fast or my ... the bullet is fast??! "

A weird smile, a spooky face, and a handsome pose with a gun handle.

Xie Zhiqing stood there stiffly, her big black and white eyes gradually drove the blood: "Luo Yaoyao, huh ... you still have feelings prepared. It really surprised me!"

How could she dare to come up empty-handed in the face of a keen opponent like Xie Yunqing?

I already expected that if Xie Yiqing lost the bet, 80% of the bets would jump over the wall.

Therefore, before going out from Yu Aotian, she deliberately borrowed it before daring to come over.

"Ms. Xie, I don't know what I look like in your heart. But .

.."

"I would like to tell you that for what you have done, I am not able to deal with you! Nor am I not without seeing through you!"

"When you repeatedly intend to stir up the relationship between me and Chen Yi, I should be watching a clown performance, because I trust Chen Yi and the marriage between us. Only unconfident women will go for no reason.

Against his husband's suitors. "

Hearing Yaoyao's provocative words, Xie Yanqing snorted coldly and hugged his hands slowly in front of him: "So after I'm with Chen Yi, aren't you powerless?"

"Wrong, I'm not powerless. What I thought at first was that in the face of a man who has betrayed himself, it would be completely meaningless to use methods to get him back to him. It would be better to discard it completely. Until ..."

Slowly evoked a radiant: "I suspect that when Chen Yi may not have any feelings for you. I will begin to sympathize with you!"

"Xie Yanqing, once again you use people's hearts and control people's personality to hypnotize me and hit me again. You want to frame me again. It's not that I'm weak, but I don't bother to fight you."

"Do you believe it? During the time you were with Chen Yi, as long as I just talk to Chen Yi, you hit me, you framed me, or played the role of a sad girl! Chen Yi will be with you early

broke up?"

"Oh, Luo Yaoyao, don't you think your words are getting more and more full? Since you can" drive me out ", why are you still leaving me?" Xie Yanqing stared at her expressionlessly.

"The reason is very simple, because ... even if you are driven away, the second Xie Xunqing! The third Xie Xunqing will still appear!"

"I know very well that the problem is not with you, Xie Yuning, but with my husband. You are just an excuse for my husband to divorce me. It might as well leave you as an opponent. In case of a second one

Xie Yanqing is more sinister than you, isn't that bad for me ...?, Huh ... "

.

#### Episode 674

The domineering words of wealthy oath of sovereignty fell, and Yaoyao exited Xie's villa with a smile ...

Chen ... yi ... you ... don't you want to divorce Miss Luo? '

Yes, I want to divorce Yao Yao, but!

The premise is without harming her! '

☹I broke up with Chen Yi, will Chen Yi break up with me?

You have to ask your husband if he wants to, not me! '

“Do you really think Chen Yi won't break up with you?”

Xi Xie Qing, who was standing in the room, kept echoing what Feng Chenyi and Luo Yaoyao had said.

Luo Fengyao's protection of Luo Yaoyao; Luo Yaoyao's confidence.

At this moment, she really felt like she was being fooled by this couple!

Clown show?!!

It turned out that in Luo Yaoyao's eyes, she played such a role?

'I'm clear, the problem is not with you, Xie Yunqing, but with my husband.

You are just an 'excuse' for my husband to divorce me.

It might as well leave you as your opponent.

In case the second Xie Yanqing is more sinister than you, wouldn't it be more unfavorable to me ...?

Hehe, hehe ... '

Hehe, hehe ...

Can she understand that she has always been the tool of their husband and wife?!!

It's funny, it's ridiculous, she has never felt so frustrated in her life!

I'm not willing, I'm still not willing!

"Damn!" An angry kick broke the coffee table.

"Oops, oops, Xiaoqinger, don't you need to be so angry?" At this time, just listening, there was a low and magnetic voice on the second floor of the villa.

Xu looked around, and a tall man turned his back on Xie Yunqing, leaning on the armrest.

Xie Zhiing closed her eyes coldly: "Leo, when did you come ?!"

"I was there when you negotiated with that girl."

Xiao Xiaolian sank in an instant: "You really have a habit of overhearing others!"

"Xiao Qing'er, don't say that, I just heard it accidentally, but ... the girl is indeed the leader, especially used to restrain Yu Aotian. Sure enough ... it is cruel

What a role! "

He said, "Stop me!" Xie Yanqing picked up a knife on the table and flew towards the man's back.

He was looking at the man leaning on the armrest ...

I have long since disappeared!

The swift supercar was on the road, and Yao Yao was driving with a thick smile on his face.

She won!

She won.

It seems that the insistence has been right!

All right!

I just said ...

A small smile on her face slowly dripped two teardrops, and now, there is still a difficulty that has not broken through.

This difficulty is also the most difficult to break through. If Feng Chenyi herself is unwilling to open her heart, then her hard work is meaningless.

"Chen Yi ..

. Chen Yi, please ... please give me ... the last chance!" A tense murmur fell, and Yao Yao's hand holding the steering wheel shook slightly.

When we arrived at the single apartment, the room was empty.

She knew that Feng Chenyi would not appear so soon.

Quietly sitting on the sofa.

Time flies by the minute and the second.

Gradually banned by darkness during the day.

Even the sound of traffic outside the window is slowly decreasing.

It's already 1am ...

Hehe, Feng Chenyi!

Really heart of stone!

Click'

When the pointer reached 2am, the door of the single apartment finally opened.

Bian Fengchen Yishun turned on the light in the living room, only to find that Yao Yao sitting on the sofa:  
"You?"

"Why don't you want to see me then?" Yao Yao stood up and turned his head to stare coldly at his face:  
"You deliberately chose to go home at this time, just guessing, I'm gone, right?"

Yes!

Wu Fengchenyi at this moment, really do not want to see Yaoyao.

He avoided the sight of her in silence.

"Chen Yi! We are all about to divorce, what do you see me ?!"

With his big hand, slowly clenching into a fist, Feng Chenyi's lonely eyes were hanging like that, as if one more glance, he did not want to see Yao Yao.

"What about the divorce agreement?"

"Here!" Yao Yao shook the agreement in his hands.

Wu Fengchenyi just came forward to fetch ...

Wu Yaoyao quickly hid the agreement behind him: "Look at me!"

Silent.

For a long while, he coldly spit out two words: "Give me!"

"Feng Chenyi, don't you even look at me more? Look at me!"

Suddenly, Feng Chenyi's fist-stretched hand was full of muscles. He rolled his throat hard and finally raised his head to face Yao Yao.

"You love Xie Yanqing?"

"Nothing to do with you."

"No, related!" The coldness hanging on Yao Yao's face gradually dissipated, and she said lightly: "If you love her, I will fulfill you. Because she is the one you love, I want to see your happiness."

Although, Yao Yao already knows the real answer to this question, but ...

This sentence is also a long time in her mind.

I have been hovering, whether Feng Chenyi really has feelings for Xie Yiqing.

She walked around, wondering what to do.

Bian Feng Chenyi is her most trusted family member, the only family member who can watch her family find a new lover, she wishes from the bottom of her heart.

Yeah ...

If it is for other reasons, Yaoyao will not accept it!

Not accepted!

She wants to be the one who has been with Feng Chenyi forever!

"Love!" A cold word, without emotion.

Qi Yaoyao smiled disdainfully: "Love? Then you love her. After I proposed a divorce with you, why did you break up with her ?!"

After a while, Feng Chenyi's eyes widened unbelievably: "At that time, you were ... Xie Yunqing ... home?"

"Yes, I am at her house! She listens, I propose a divorce with you; I listen, you break up with her! Feng Chenyi! Again, if you love Xie Yiqing, I am willing to divorce; if ...

"Go back, pull out a document from the bag, and put it heavily on the coffee table:" Because of this! Then ... you ... too selfish! "

Qi Youlian's gaze was cast on the document on the coffee table, before Feng Chenyi opened it.

Wu Yaoyao continued: "I haven't signed the divorce agreement. If you have a real answer, we don't need to meet with a phone call. I will ... sign it right away!" Then she walked out of the room.

Wu Fengchen looked at the back of her departure. The next second, he quickly picked up the file on the coffee table and opened it ...

Inside ...

Is a medical report of Feng Chenyi.

Above ...

He writes a few harsh words.

'Blood cancer ... advanced'.

"Yao ... Yao ..." The tears in the eyes of the man suddenly rained, and tears dropped on the report symbolizing death.

She already knew ...

She already knew ...

Heart 'plop, plop' is beating nervously.

Bian Fengchen Yi concealed it for so long, she didn't want Yaoyao to know it, but she still knew it, what was the damn thing he did during this time?!!

The harder the hand holding the report, the even the report was creased.

Feng Chenyi also learned about his advanced report of blood cancer more than a month ago.

I was the day I took Yaoyao to buy a car or a house ....

Episode 675

Yuntian knew, what was his mood then?

He is not afraid of death, what is death to a man who has seen everything?

But, he has a wife, and he has a woman who is most reluctant to live!

This damn woman is also very affectionate and righteous!

in case.....

Howling told her that he had blood cancer, and she would be loyal and lonely all her life.

Therefore, Feng Chenyi can only play a ruthless, fancy, derailed man in exchange for Yao Yao's hatred, in exchange for her rest in the arms of others.

For this time, Feng Chenyi is comparable to hell ...

He cried, he could only watch from a distance; she was sad, he was sadder than her; she was hurt, and his heart was in pain.

The night she left ...

The night he cried behind the trees ...

He wants to rush out and hug her several times, tell her, I love you!

I love you!

I love you!

But ...

He can only endure and endure!

Enduring his urge.

I was really scared and could not help but soften her.

Just now ...

He is not unwilling to look at her more, but he is afraid. There will be nostalgia for seeing her. Seeing her, their marriage cannot be separated.

Still patience!

Be patient.

But the torture and patience of these days; pain and pain are intertwined, what is exchanged is still ...

She knows everything!

Sui Fengchen Yi suddenly felt that he was so funny. During this time, it wasn't just himself, but Yaoyao, did he?!!

What did he do?

What did you do?!!

He threw away the death report in his hand, and Feng Chenyi ran towards the door quickly, at the moment when the door was opened ...

A woman symbolizing the sunshine, standing at the door, smiling sweetly at him ...

Her smile is so warm-hearted; her smile is so fascinating.

"Chen Yi, I know ... you will ... come to me ..." Tears, rolling down, but Yao Yao smiled so sweetly at the moment, this smile is from the bottom of my heart.

The haze for a month, finally cleared the clouds ...

"Stupid ... melon ..." Feng Chenyi was again in tears, for fear that this damn stupid woman would see her tears, he held her tightly in her arms, tightly .

.. tightly ...

... As if you didn't want to let go of your life.

Time passed, completely fixed at this moment.

The man and the woman embrace each other, and their tears intertwine with this nearly 7-year-old emotion, with sourness, pain, torture, and ... endless sweetness and memories.

Their greatness cannot be achieved by anyone.

Man, in order to love the happiness of a woman, she gave up all her reluctance and craving, willing to destroy her image, in exchange for a happy future for the woman she loves; because he knows that he can no longer give her any future ...

Alas, for this dearest man, I put aside all worldly visions, at the expense of being misunderstood by friends and abused by my loved ones, just to open the heart of a man and accompany him to the end!

Because she knew that men's time was running out ...

On the soft big bed, Feng Chenyi hugged Yaoyao in her arms tightly. They haven't been so close for a long time. This feeling is really appealing ...

"When did you know?"

Xi Yaoyao lowered her eyes and lowered her head, and her head narrowed to the man's chest: "After finishing the things authorized by the villa."

I was the day that Ao Tian met her.

She received a call from a detective, and the detective said that a secret had been found.

And that secret is ...

The fact that Chen Fengyi has advanced blood cancer.

At that moment, Yao Yao cried and laughed. She was crying because this kindest person might be far away from herself; she laughed because ... Maybe Feng Chenyi's derailment was just to hide this fact.

"Chen Yi ...

I'm sorry ..."

"why apologize?"

Tears drowned her entire face, sucked the bitter tears in the nasal cavity, and choked, "I'm your wife, the closest person around you. Maybe ... bleeding from your wound again and again, unable to

Heal; as you continue to have a high fever, I should find ... oh ... sorry! "

In my heart, I have been avoiding this topic.

This is a constant pain in Yao Yao's heart. As a wife, she didn't notice any signs of her husband's discomfort.

When Mingming Ming was in high school, she studied medicine as a minor, and she didn't even notice it.

"Yaoyao, don't do this. I didn't even notice it ... this ... maybe God's will." When Feng Chenyi first got sick, when the Yaoyao plane died, he had a high fever in Turkey.

At that time ... it had heralded this bad news.

"Chen Yi ... Chen Yi ..." Yao Yaoyi held Feng Chenyi's small hand more and more imprisoned.

"what?"

She slowly raised her head, and the misty eyes slowly looked at his lips: "I ...

want a child!" Both lips fell gently on his lips.

Xiao Xiao untied his clothes.

"woo... Yaoyao!" Feng Chenyi laboriously rejected the kiss, and her big hand firmly grasped her random hand: "Yaoyao, calm down!"

With a low roar, Yao Yao finally stopped any movement, and his tearful eyes gradually met his eyes: "Leave me a child, okay? Please ... you ... please please ..."

This is the biggest reason why Feng Chenyi refused to get along with Yao Yao during this time!

He knows her too well, she is so affectionate and righteous, and he will desperately want to leave his 'trace' at this time!

And he loved her like that, he couldn't resist the desire for his beloved wife.

However, Feng Chenyi knew that once there was a crystallization of love between them, her whole life would be completely ruined by him!

Despite that, he longed for her like that ... "Yao Yao, don't make it difficult for me, okay?"

"Feng Chenyi, you know it or not, you are really selfish!"

"What right do you have to decide my life ?!"

"I just want to be with your child and accompany me to old age!"

"I just want to accompany you to the end!"

"Why have you been deprived! Constantly deprived, of my choice of power ?! My power to accompany you ?! Why?" Sentence and low roar fell, and Yaoyao fought away Feng Chenyi and grabbed

Your own hands.

Sitting by the bed, wiping the tears in the corner of his eyes constantly.

She knows that Feng Chenyi is not selfish, but great.

But she really doesn't need the greatness of Feng Chenyi, because she is so painful!

So painful!

"Yaoyao, you have sacrificed too much, too much for me. I ... don't need your sympathy, understand? You, in the future, will find someone who loves you more than me, and you love him."

I knew it would be so, and knew that Feng Chenyi would say this!

"Chen Yi, do you know why I didn't expose you after learning that you were ill and watching you keep acting in front of me?"

Silent.

Wu Fengchen Yi looked at her tear-smeared face in puzzlement.

"I'm just afraid ... I'm just afraid, you will feel that I sympathize with you, just think, wait, look forward, you may be moved by me. Be with me again. This is not sympathy ... but ..."

.

Episode 676

"Everything you Feng Chenyi did for me Luo Yaoyao, I just follow what you did, imitated not even half! You said, I sacrificed too much for you, no

... Why did you Feng Chenyi choose me and accept me when everyone insulted me as someone else's lover ?! "

"Even if the betrayal is gone, did you Feng Chenyi regret it at the time? And I ... just like your mood at that time, there was no regret for a moment!"

I was misunderstood by my friends and abused by everyone. When Hei Yanlong pointed at her nose and scolded her for shit, Feng Chenyi went up with a punch.

She remembered!

When everyone laughed at him, Feng Chenyi married his lover, but he still acted in his own way, regardless of the eyes of the world.

This, she also remembers!

Feng Chenyi appeared when she was the most painful and helpless. He hugged her and promised her a lifetime of promises, and promised her a home.

This, she remembers!

Now, what is all this he has done for Feng Chenyi compared with what he used to do?!!

What's the matter?!!

"Chen Yi ... give me a home. Real home! At the very least ... looking at me and your children, I will feel that in this home, you have never left, okay?" Faint

The words fell, and Yaoyao slowly undressed her clothes, when she took off only one ...

Wu Fengchen Yi grabbed her hand.

"Yaoyao, even if I have no children, I will always be by your side; even if you forget me one day, I will quietly guard you in heaven and look at you ..."

"Bastard, Feng Chenyi, you are a hard-hearted bastard!" Yaoyao fell into his arms weakly, beating his chest constantly.

Bian Feng Chenyi just let her fight, she cried, motionless.

But the cold eyes were already covered with moisture.

Hit him ...

Don't you want to be a real couple with Yao Yao?

Hit him ...

Don't you want to see Yao Yao have their children?

But ...

Really everything happened smoothly, Feng Chenyi knew that what was left to Yaoyao was endless loneliness and pain. After all ... she was so small and so young!

She should go for a long-lasting happiness, a happiness that can give her white head!

Finally, Yaoyao seemed to be tired, and his excited emotions calmed down.

Tears filled her cheeks, choked and calmed her breath, and slowly said, "How long ...?"

Feng Youyi's cold eyes stared at the ceiling, Feng Chenyi said quietly: "2 months ..."

Two months ...

The life of a man is really long, and short is really short!

Huh, two months!

Enough, 2 months is enough!

Dried the tears in the nasal cavity, Yao Yao took a deep breath: "Will you give me all these two months?"

"Oh, stupid." Feng Chenyi nodded her forehead, "I should say ...

to accompany me through this last journey, okay? Yaoyao ..."

She closed her eyes silently, she really didn't like the word, the last time ... "Hmm ..."

ä, The next morning.

"Chen Yi! Chen Yi! Get up soon ..."

Hearing Yaoyao's sweet voice, Feng Chenyi slowly opened her sleepy eyes, and her big hand gently touched her little face: "Did you sleep at 4 in the morning? You are really energetic."

Because 'time' is running out, fool!

If she could, she really didn't want to sleep now, she wanted to wake up and watch him forever.

"Hey, I booked two tickets for the high-speed rail, and I have packed my luggage. It's 12 noon. There are still three hours left. You can have breakfast first."

"Buy a ticket for the high-speed rail? Where are you going?"

"Isn't that what you said, it will leave me all the time. So ... I'll take you to the old house where my mother-in-law was before. It's so beautiful and beautiful, I promise, you will fall in love when you go!"  
Yao Yao

Jumping out of bed with excitement, full of longing to portray the sacred place.

Feng Chenyi, who was lying on the bed quietly, could not help but be infected by her cute little look, and wished to fly to that place immediately to see if there was any beauty that Yao Yao said.

I had breakfast and changed my clothes.

The pointer just reached 10 o'clock.

"Go, let's go to the train station." Yaoyao couldn't wait to get out with two luggages.

Bian Feng Chenyi held her arm helplessly: "It takes at most half an hour from here to the train station, we will be there later."

I think about it too, it seems that there is really no need to worry so much.

He sat on the sofa with a smirk.

'Bell ... Bell .

..' At this time, Feng Chenyi's cell phone rang. He glanced at the caller ID, his face sank immediately, and he hung up the phone.

The next second ...

'Bell, bell ...' The phone rings again.

Feng Chenyi continued to hang up.

Seeing this scene, Yao Yao could not help but shook his head helplessly and asked tentatively, "Is Xie Yunqing calling?"

"Ok..."

"Chen Yi ... no matter what kind of person Xie Yanqing is. But ... for you and her, you ... are indeed wrong. I think ... you should meet her. At least ... you should give her an explanation."

At this time, Yaoyao wanted to let go of all his hatred and resentment, and observe the incident from the perspective of someone else alone.

No matter how deliberate Xie Yiqing is and how she wants to seduce Feng Chenyi, if Feng Chenyi is not hooked, there will not be a series of things in the future.

Although, his hook was just to use Xie Xingqing as a tool, but he did use Xie Xingqing.

"Yao ..." Feng Chenyi is a person who acts simply and decisively. He doesn't like dragging water around, but ... he also feels that it seems necessary to make a thorough conclusion with Xie Yiqing.

"Okay." Gently kissed Xia Yaoyao's forehead: "See you at the train station." "Ok."

Looking at the back of Feng Chenyi's departure, the smile on Yao's face gradually disappeared ...

"Xie Yiqing, I told Chen Yi to meet you, not because Chen Yi really owed you! It was just because of a woman's sympathy for you. Everything you do on me is equivalent to I have cleaned Chen Yi

I owe everything to you! "

This is the real reason why Yao Yao is unwilling to deal with Xie Yiqing!

She knows very well that if Feng Chenyi is going to divorce because of her illness, then Xie Yanqing is undoubtedly a tool.

If she is shooting at this 'tool', then both of them are cruel.

So, for Xie Yanqing, she would rather choose to forbear!

I just said ...

In the future, if Xie Yiqing still refuses to give up, without Feng Chenyi's existence, she will not show mercy to her.

At this moment, Yaoyao is very clear ...

Xie Yanqing will never give up, because she feels that Xie Yanqing has a deep hatred for her!

"Ding..."

As soon as the doorbell rang, the door of the villa opened.

Xie Yunqing wept with a face on her face: "Chen Yi ..." Aggrieved Xiang Feng Chen Yi fluttered in the past.

Who knows, but was pushed away by Feng Chenyi: "Qing Qing, the reason why I will come today is actually Yao Yao called me!"

.

Episode 677

Small hand, shook his fist slightly, Xie Yunqing frowned deliberately: "Miss Luo? If Miss Luo doesn't ask you to come over, will you just come?"

"Ok....."

The small hand with her fist clenched again: "Come in and say, okay?"

Wu Fengchenyi stepped into the living room, but just stood so coldly and didn't take a seat.

"Chen Yi, what the hell is going on? What happened between us?" Xie Yunqing looked at him puzzledly, and wanted to be put into his arms for a second time.

Wu Fengchenyi took a step back and completely avoided Xie Yunqing's body: "In fact ... we have always been fake. Hold ... sorry ..."

"Fake ?! You even told me that we have always been fake? Chen Yi, I don't believe you have never loved me!" Xie Yanqing was pretty sure that the feeling would not be wrong, it would not be wrong!

She could feel the love of this man!

"I don't know what to tell you, Zhiqing. I have love for you, but I ... I don't love you, but ... you play Yao Yao."

Instantly, Xie Yanqing's face froze, "What are you talking about ...?"

"Although I don't know what your personality is, but your appearance and the personality you pretend are really similar to Yao Yao. I can't get it from Yao Yao, or I can't get it.

You can find everything from you. "

Cong Fengyi the first time with Xie Yiqing.

Xie Yunqing thought the prey was hooked; in fact, it was Feng Chenyi's prey that was hooked!

She really played Yao Yao too.

After Feng Chenyi learned that he had advanced blood cancer, he really wanted Yao Yao to accompany himself, but he couldn't bear to drag Yao Yao's life.

Xie Xieqing appeared at this time.

I can say that Feng Chenyi got the most satisfaction from Xie Yiqing.

I am lingering with her, listening to her calling her husband every day, going to live, travel, vacation, and live with her, watching her happy and watching her smile.

Wu Feng Chenyi kept telling herself that she was Yaoyao!

She is Yao Yao!

Only then did he seem to have no regrets for the rest of his life.

For this, Feng Chenyi knew very well that he ...

was actually ashamed of Xie Yiqing!

"Sorry, Zhiqing ..." Feng Chenyi bowed deeply to Xie Yiqing, and then took out a check from his pocket of ten million and handed it to her.

Xie Yanqing glanced coldly, took a check and shred it to pieces: "I'm not short of money! Feng Chenyi, although I don't know what your husband and wife are doing, but now I just want you to say

Do you really only take me as a shadow of Luo Yaoyao? Have you no affection for me? "

Silent.

Qi Fengchen Yi stood there quietly, took a deep breath, for a long while, shook her head coldly ...

At this moment, Xie Yiqing suddenly felt that Wulei was thundering. She had a sense of frustration that she had never experienced before.

She thought that yesterday, Luo Yaoyao just won temporarily. She believed that Feng Chenyi still had some feelings for herself.

but...

I still lost!

Completely lost!

The lost body is incomplete.

The moment she thought she took the people from Ailuo Yaoyao, she was doomed to fail today!

"Feng Chenyi, I hate you."

"You can hate me. I will also have my retribution. But ... if you dare to pass this hatred to Yaoyao, then one day, you will have the same retribution. In addition ...

After a pause, Feng Chenyi took a breathless expression: "I know who you are. But if you stay with that person, there will be no good results. That money, you may not be rare, But I will still order someone to call into your account, enough for the rest of your life.

"

After a while, Feng Chenyi left without looking back.

The last reminder was just out of debt. He hoped that his death would relieve Xie Yunqing, but ... it was just hope ...

"Feng Chenyi!" Eyes full of murderous look at Feng Chenyi's leaving figure, Xie Yiqing turned back and quickly took down a painting hanging on the wall.

I saw that after the painting was full of arms, she picked up an AK47 and rushed to the floor-to-ceiling window.

I aimed at the star and pointed at Feng Chenyi's gradual departure.

"You, go to death!" The indignant murmured, the moment she was about to pull the trigger ...

A figure quickly blocked the muzzle: "Calm down, Xiaoqinger."

The man at the muzzle has short silver hair, dark skin, and features like that. His age looks like twenty-seven or eight. He is very handsome and handsome, especially with a trace of badness

The bad smile is more vividly set off against the character of the man!

"Lei! You better not get in the way!" Xie Yunqing put down the AK47 heavy grab in his hands expressionlessly.

The man shrugged his shoulders, and his eyes couldn't help but look at Feng Chenyi in the distance: "Do you really have feelings for Feng Chenyi?"

Xie Xunqing remained silent and looked at him coldly.

"Oh, oh, but don't say it. Feng Chenyi is indeed Yu Aotian's favorite opponent. People have already discovered your true identity long ago, but they have never revealed you. Xiaoqinger, you are too careless

Here! "Leo shook his head in disappointment.

Just now, before Feng Chenyi came, Leo was already at Xie Yunqing's home. The man had heard all the conversations between them.

I think about it carefully, if Feng Chenyi and Yu Aotian team up on this day, it will be an extremely horrible thing.

"You don't talk nonsense! I don't want to mention these things now!"

"Xiao Qing'er, you don't want to mention it. It doesn't work.

Boss, because you are acting privately, it is getting angry. Now, you are going to be unlucky."

Xie Xunqing slowly sat on the sofa, frowning puzzledly: "What's going on?"

"Did you forget that the boss asked you to be a spy for Bosen? You just went to Feng's; the boss opened his eyes and closed his eyes and ignored you. But you, it's because of Chen Feng and Luo Yaoyao.

The third between them, as a result ... Luo Yaoyao's thoughts have been taken away by you, and I have never had the energy to deal with Yu Aotian. Can you say that the boss is not angry ?! "

Xie Zhiqing knew that she had violated the command of 'Boss', but she... just wanted to deal with Luo Yaoyao!

"Yes, I confess, I disobeyed the leader's instructions, but what about that?"

"What do you say? If Luo Yaoyao and Feng Chenyi work together to deal with Yu Aotian, let's not say who loses and who wins, it is just that they lose both. Both leaders have saved a lot of energy. Now they can do well.

All I have to do is to deal with you, Yu Aotian can relax there. "Leo said, sitting helplessly on the sofa.

"But I'm not idle. The people on Yu Aotian care about Luo Yaoyao so much. The matter of Feng Chenyi and I have long annoyed Long Chen. According to my plan, Long Chen should fight with Feng Chenyi.

Right! At that time, Ouyang Zixuan and they will also enter the war. Can't the boss be able to take advantage of the fisherman? Who knows ... "It was just a fight!

Xie Xingqing's words undoubtedly confirmed Yao's previous speculation.

The reason she released Yao Yaohong Xing Xing to the media is exactly that!.

Episode 678

"Xiao Qing'er, 18 years old is 18 years old, although your IQ is so high, but you are too naive? Are you a vegetarian who is a proud Aotian? His city is so deep that he may look at his own people and Fengchen

Did the Yi people fight? Well ... "Leo shook his head helplessly.

Xie Xieqing frowned slightly: "Isn't the head saying that Yu Aotian seems to care about Luo Yaoyao? Luo Yaoyao was 'bullied' by Feng Chenyi so that Yu Aotian can sit idly by?"

"Huh, you really underestimated the terribleness of that man!" Leo said, when those dark eyes gradually sink down: "If we are all ordinary people, then that man has been out of normal.

People 's minds. He can clearly distinguish everything from feelings, friendships, family relationships, careers, etc. Otherwise, the boss will not think about how to deal with Yu Aotian all day long. "

"Oh, Lei, you almost made Yu Aotian a god-like figure. You know him like you ?!"

When I heard Xie Yiqing's question, Leiou smiled thoughtfully: "I just ... know him very well!" Then the dark eyes flashed a subtle luster when he stunned ...

train station.

Wu Yaoyao sat in the waiting hall, quietly waiting for Feng Chenyi to appear, looked at the time, and was about to get to the point of the bus, why could Feng Chenyi not come?!!

There was a little anxiety in Yun's eyes, she looked around the hall and finally ...

Wu Fengchenyi's figure broke into her sight.

"Chen Yi! Here, here!" Feng Chen Yi, who smiled to Feng Chen's servant, waved his hand, and they both got on the train bound for ... happiness ...

The beautiful scenery outside the window quickly flashed in front of her. Yaoyao firmly held Feng Chenyi's arm, head, and nestled on his shoulder.

"Are you sleepy? Go to bed first?"

"No! I'm not sleepy." Yaoyao didn't dare to sleep, nor was he willing to sleep.

Similarly, Feng Chenyi is also unwilling to close his eyes. He also cares about every minute and every second of their time together.

"I'll go to the bathroom."

"Ok."

"Little girl! Little girl!" As soon as Feng Chenyi left, a big sister sitting next to them patted Yao Yao's shoulder with a smile.

"What is it, sister?"

"Is that your boyfriend? It's so handsome." The elder sister looked at Yao Yao enviously.

She shook her head with a smile: "He is my husband."

"Oh, you are already married? Really happy."

Hehe, yeah ... very happy ...

very happy ...

Smiley eyes greeted the little baby in everyone's arms.

"Sister, can you hug me with your child?"

"Of course, but this little baby, crying cute, just don't make noise to you."

"It's okay, it's okay." Yaoyao hugged the elder sister's child in excitement, and there was a baby shaking her arms in the same way.

At this moment, Feng Chenyi just hurried back. He glanced at the child in Yaoyao's arms: "Where did it come from?"

"Where did you come from? Do you think it's an item?" Yaoya said fiercely, grinning badly, and whispering, "I'm looking for that big sister over there."

"Well, I just looked pretty straightforward. Now I use the word" borrow "again, isn't it?"

"Hey." Yaoyao took the baby in her arms and sent it to Feng Chenyi: "Look at it, look at it, how cute it is."

Looking at the twinkle big eyes of the baby and the milky look in the milk, Feng Chenyi smiled obsessively.

Seizing this opportunity, Yao Yao's eyes flashed: "Do you want to ... also want one?"

He knew this guy had to 'slap him' at this time.

"I don't want to!" Decidedly collapsed Yaoyao's proposal.

Wu Yaoyao's face turned black instantly: "Don't you find it cute? Look, I have him, how happy I am. Don't you want me to be happy?"

"Oh, you hug him, just like your sister hugs your brother, you are not yet suitable to be a mother. If you want to be a mother ... wait for a few years."

"!" Waiting for a few years!

After waiting for a few years, after that, will her child be a child of Feng Chenyi?!!

Holding on to the sadness in her heart, Yao Yao poked her pitifully: "I really like it."

"If you really like it ... just adopt one."

"!" Seeing that no matter how hard she tried, Feng Chenyi refused to let go, and Yaoyao simply gave up all expectations.

"Sister, thank you.

Your child is really cute."

"Hehe, you and your husband are beautiful; one is handsome, and your children must be cute too."

Hearing the elder sister's blessing, Yaoyao's heart seemed to be pierced by something. He glanced at Chenyi fiercely, and whispered: "Then he must be willing to live with me!"

"Oh, you're still so young, you definitely don't need to worry about the children. You can talk about it later."

I'll say it later ... Oh ... "Uh-huh." Yaoyao barely squeezed a smile and sat back slowly to Feng Chenyi's side.

"Have you heard? We're still so young, let's talk about it later." Feng Chenyi borrowed a question to play it out.

Qi Yaoyao bulged his mouth and looked out of the window unhappy. Forget it, still hold it well ... now ...

"Chen Yi, Chen Yi! Here, here!" On the special car sent by the villa, Yao Yao excitedly pointed out the window.

She looked in the direction of her fingers, and a villa in a paradise outside the world reflected in Feng Chenyi's eyes.

"Oh, my mother's home is really beautiful ..."

"Right? I'll just say it."

The car finally reached the villa area of 22the villa.

Here, the residential area is being built into a family model according to Yaoyao's conception.

The vacant grassland has been turned into farmland, which can be cultivated by each family.

No one is officially open here yet. It can be said that Yaoyao and Feng Chenyi are the first families to settle here.

"Chen Yi, Chen Yi, you are waiting for me at the door. After 3 minutes, you are knocking on the door. Will you?"

Looking at Yaoyao's mysterious appearance, Feng Chenyi smiled helplessly: "Um." Standing outside, waiting for about three minutes, he knocked gently on the door ...

The door opens, Yao Yao with his hands behind his back, and smiles sweetly, "Her husband, welcome home."

Only this sentence ...

☞ Husband, welcome home.

☞ It 's the best interpretation of home!

The grandmother does not need to be big; the grandmother does not need to be luxurious.

As long as there is a family in this family who is waiting for them, and a person who welcomes them, this is the home!

Wu Fengchenyi's cold eyes gradually melted, and he smiled wisely: "Well, I'm back, wife." He embraced his wife tightly.

This undoubtedly heralds that the real life belonging to their husband and wife has officially started ...

After three months ...

On the azure lake, the ferry floated in the water, drawing waves of ripples.

The men and women who shined on the boat with the afterglow of the setting sun seemed so pleasant.

The man was wearing a woolen hat, lying quietly in the woman's arms. His bloodless face looked so energetic, but the happy smile hanging on his face was so infectious.

Episode 679

The woman holding his arms tightly, smiling lightly, rubbing gently and stroking the back of his hands.

"Chen Yi, your hands are a bit cold, should we go back?"

"Don't want to go back, don't you think the sunset is beautiful?" Feng Chenyi stared at the sun, his eyes looked lonely.

For the past three months, they have lived in this mountain village that has not yet been officially opened to the public and live a happy little day.

In the empty countryside, the seeds they have sown have gradually grown into new shoots.

Now, Yaoyao also makes a few or two side dishes, but Feng Chenyi is doing more.

Until his body was unable to bear the load, he did everything in Yao Yao's hands.

She really enjoys the days of washing and cooking every day, so she seems to be at home.

I can say that in these three months, Yao Yao truly felt all the obligations that a wife should fulfill.

The only regret is ...

No matter how she seduces this 'iron heart' man, he has never been hooked. As a result, so far, Yao Yao is not the true wife of Feng Chenyi, let alone the child!

Ugh.....

"I don't like the setting sun. I like the sunrise, which represents a new life."

"Fool ..." Feng Chenyi turned back, patted Yaoyao's head, and smiled helplessly: "There is ups and downs, it is human, isn't it?"

"But ... I just ... don't like it ..." The small hand holding the big hand tightened tightly, and an inexplicable sadness came to mind.

Although the doctor has issued a two-month life-threatening notice to Feng Chenyi, he just broke the doctor's prediction and maintained his life to the third month.

I do n't know why, but Yao Yao has a feeling of uneasiness today ...

I sucked the tears that rushed into the nasal cavity, and she barely squeezed out a smile: "Chen Yi, have you ever done anything regretful in your life?"

"of course."

"What regrets?"

He Youliang's eyes looked at the sunset falling, he smiled sadly: "One is my betrayal to you 3 years ago; the other is ... I married you ..."

She knows what Feng Chenyi is saying, but she ca n't accept it; she ca n't understand: "Chen Yi! I have never regretted marrying you, so ... I wo n't let you regret marrying me!"

Listening to Yaoyao's domineering tone, Feng Chenyi pampered her nose droolingly: "Who did you learn from, so domineering?"

"Tell you, didn't you say that, even if I die, you will keep me by your side? Now you want to abandon me, no way!"

"Oh. You idiot!" Feng Chenyi turned her head and looked at her little white face reluctantly: "Yao Yao, there is something ... I want to tell you."

Looking at Feng Chenyi's serious look, Yaoyao pretended to be nervous: "What about it? So mysterious? Wouldn't ... you have done a lot of things that were sorry to me before?"

"Oh, it's about .

.." You Leng's eyes flashed, he said lightly: "Yao Aotian!"

Suddenly, Yaoyao's face suddenly cooled down, and her small hand quickly covered his lips: "Chen Yi, I am now ... very happy. I will be happy in the future!"

She has a hunch. What Feng Chenyi wants to say is nothing more than hope that she and Yuaotian can ...

But at this moment, she didn't want to hear Feng Chenyi's request.

But Yaoyao didn't know. What Feng Chenyi wanted to say was just to tell her ...

Wu Yuaotian did not kill her mother!

"Oh ..." Feng Chenyi smiled helplessly.

Forget it, in fact, if you think about it, since Yu Aotian is willing to bear such a large crime, he did not hesitate to be misunderstood by Yao Yao, and he never explained it, which should have important reasons.

Perhaps, he shouldn't be troubled at this time, which ruined Yu Aotian's good intentions!

Godless eyes continued to cast into the last rays of light, Feng Chenyi said lightly: "Yao Yao, next life, whether you are a cat, a dog, a machine, a flower, a grass

It does n't matter who you are, I will find you no matter what you are, and fall in love with you ... please keep telling me to love you, okay? "

An inexplicable sense of tension struck, Yaoyao clenched his arms and held Feng Chenyi tightly: "At this time ... mention, what next life? We haven't finished this life yet, have we? We talk about this

Things in life, the little tomatoes we plant will grow out in a few days, let's do it together ... "

"Yaoyao ..." Feng Chenyi suddenly cut off her words and smiled sadly: "I have lived for one more month, I have a hunch ... Today ...

Maybe ... it is the deadline ..."

His voice gradually weakened.

"I don't allow you to say that! The doctor said that you can only live for 2 months, and you are now living for the third month, so ... so possible! It is possible that you are gradually recovering!" She said excitedly,

The teardrops that endured in the eyes constantly dripped on Feng Chenyi's face.

"Oh, fool, what are you crying for? I have been very satisfied for these three months."

He is actually satisfied with Feng Chenyi?

She is also very satisfied.

"I ... I didn't cry!" Don't overdo it, the tears still ②pop, pop'.

Feng Chenyi twisted her effortlessly, and gently shed the tears in her eyes: "Yao Yao, I don't want to see your tears. If you are distressed and tears are about to fall because of my departure, raise your head quickly

Take a look at the sky that once belonged to us. The day is still so blue, the white clouds are still so smart, you should not cry. Because my departure ... did not take away your world ... know ...? "

"Woo ....." Tears of tears, still crying, she held Feng Chenyi tightly, tears, like a broken bead, kept falling ..

.

Confession of Feng Chenyi ...

Since he was born, he has never seen his mother, and his concept of family is vague.

He has no love, no courtship, no love.

He just carried this hate and walked all the way.

Until she met, she ...

Luo Luo Yao Yao.

It was Yao Yao who taught him what love was, and it was she who made him gradually become clear about the concept of family.

But despite this ...

He still did something extremely stupid.

That's ... betrayed the trust that was given to this girl.

As for the cause of betrayal?

Wu Fengchenyi didn't want to make excuses, but in fact, he just wanted to give up ...

Because love is concerned, if he does not go away, he will not be able to concentrate on revenge for his mother if he returns to China!

Alas, he didn't expect that this cut-off would make him so painful!

I watched her cry and watched her cry, he would be so sad.

He thought that when he returned to China, he would let go, but still couldn't stop running to Japan, silently nostalgic her, all her ...

This is Feng Chenyi's first regret!

And the second one is from this marriage ...

For the original promise, he was confident that he could fulfill it; that he could give her a permanent home, but ...

He never felt so helpless and helpless the moment he learned that death had disappeared.

.

Episode 680

I put her overbearing imprisonment beside her, but could not give her eternal eternity, which is equivalent to ruining her life!

He loved her so much, and wanted to protect her, but God never wanted it. He was so powerless ...

If time can go backwards, when he meets 2 years later, he will choose to stand quietly in the distance and guard her silently, this is the greatest happiness.

I can say that in the past three months, one of Feng Chenyi's worst fears was that she could no longer open her eyes when she closed her eyes, and never saw her smile, her figure, everything she had.

I often waited until Yaoyao fell asleep before he was willing to sleep.

However, when he opened his eyes to see the next morning, he knew that he could see her for another day.

A lot of people ask, what is happiness?

At this moment, for Feng Chenyi, happiness is watching the beloved woman fall asleep every day; the first glance after waking up is watching her lying in her arms.

That's it ...

No one will know what they are most looking forward to, and what they are most afraid of for a person who is about to enter the death line.

Bian Feng Chenyi now fully appreciates all of this ...

It's a good thing for him to live an extra minute; it's a good thing for him to see her more ...

It is a pity that such happiness is leaving him.

The scenes of the past constantly appear in front of Feng Chenyi.

The encounter with her; the relationship with her; the relationship with her; the love with her; and so on and so forth, like the movie again appeared to the eyes.

It's just that the floating picture is gradually getting dark ... becomes blurred ...

It seemed to him that he could no longer see her smiling face at the first sight of getting up every morning.

Never again ... Watching her fall asleep peacefully, staying quietly with her ...

Covering the painful expression on his face, Feng Chenyi smiled lightly: "Yaoyao, live for me ... happily. Even if we are separated from each other, we will be in heaven ... I will be still

Watching you happy silently. I ... love you ...

"

He whispered softly, Feng Chenyi ... closed his eyes forever, and lay quietly in Yaoyao's arms.

I lay in the arms of the woman he loved all his life, and fell asleep forever ...

People, at least once in this life, for the sake of someone, forget yourself, do not seek results, do not go together, do not want to have, do not even want you to love me, only to meet you in my most beautiful years

.

At the very least, Feng Chenyi has already met, and has received the greatest satisfaction ...

"Chen ... Yi!" The cry of heartbreak was drowned completely by the sunset.

At this moment, this beautiful paradise is shrouded in thick sadness ...

Chen Feng's funeral was set up in a small church.

Although he was born with a golden key in his life, he was not as prosperous as those who were rich in the second generation. He used to be low-key in his life.

Yaoyao hopes that Feng Chenyi's departure is as low-key and simple as his life.

I can't ...

Many people who received the news of Feng Chenyi's death still came to the church to send Feng Chenyi's last trip.

Tong Yaoyao stepped on the priest's podium as the first relative of Feng Chenyi and looked at the crowd of people attending the funeral. She really wanted to tell Feng Chenyi ...

Look, it's because of your personality in weekdays that so many people come to see you.

There are a lot of people, she didn't notice, but they still came, enough to see how high the status of Feng Chenyi in everyone's heart!

At this moment, Chen Yi in heaven should not be alone?

"Everyone ..

. First of all, I want to thank you for your coming. I believe that when you see Chen Yi in heaven, you will be pleased." Yao Yao bowed deeply to everyone with a smile.

The moment she looked up, she still had a faint smile on her face: "Second, I just received a lot of comfort words from everyone. But ... I want to tell everyone aloud, I'm not sad. At this moment ...

I am very, very happy! "

"In your life, you will meet a partner who has been with you for the rest of your life. Some couples may spend their entire lives together, and they may not even know what a family is and what is the other half. Some partners may only be together for a few moments.

God, you can understand what the other half means. "

"I and Chen Yi have known each other for almost 7 years. In these 7 years, during the first half of the period, I was indulged in my studies and did not treat our feelings wholeheartedly; until we got married, Chen Yi was busy working again.

... even we didn't even have a honeymoon. It can be said that we gather less and leave more, but ... "

"In the three months before his departure, we faced each other day and night, living in harmony, grasping every minute and every second. It can be said that in these three months, I really realized the warmth of the home and the true meaning of the other half."

If you say, it may be an exaggeration to compare the three months to a lifetime.

But the fact is that if Feng Chenyi is not terminally ill, maybe their husbands and wives will still have their own lives, and there will be no free time in their lives to appreciate what life is; to appreciate what is a real home.

Until I felt these three months of life, Yaoyao found that the seven years of Feng Chenyi's life were not as satisfying as those three months.

It's sad ..

.

"Everyone, at this moment, I am very satisfied. I believe ... Chen Yi in heaven must be the same as my current mood. After experiencing this incident, I would like to tell everyone, please cherish the places around you

The person you love, and the one who loves you, grasp every minute and every second with him. Because the life of a person ... is really short! "

No matter how happy and contented Yao Yao is in front of the crowd, her heart will still have sadness and perseverance; but these three months really left her indelible memories in her life ...

☹Chen Yi, you 've worked hard.

,

From time to time, Feng Chenyi would go to farmland to farm, return with sweaty heads, and Yaoyao would wipe the sweat from his forehead sweetly.

“Yao Yao, did you make something delicious today?”

,

From time to time, Yaoyao will try to make a few side dishes, waiting for Feng Chenyi to taste. Although there are many failures, the process is so beautiful.

“Little pig, good morning.”

,

I opened my eyes every day, just watching the closest person in the world smile at herself, the feeling of happiness was beyond words.

Just as Feng Chenyi expected, Yao Yao is also looking forward to it. When the sun rises the next day, he will see his husband and ask himself good morning ...

During the period of the last two months of their lives, the first thing that Yaoyao got up every day was changed to call Feng Chenyi to get up.

A few times, she almost didn't wake him up.

At that moment, she was terrified!

Really terrified!

Fearful, he left so silently, leaving nothing to her.

Fortunately, he finally opened his eyes.

Until that extra month, for them, it was the happiness that God gave them.

Every day is an extra day for them..
