

## **Pure Girl 701**

### Episode 701

"Mainly, my heart is not here. I don't like doing business at all. It's not this kind of material."

"If so what do you like?"

"Law." Her childhood dream was politics, but unfortunately it was strangled by her mother, so she could only change it into law.

"Vice Vice President, what is your dream?"

For this question, Hei Yanlong was silent for a moment, then immediately changed the topic: "Are you happy living in Yuaotian's house these two days?"

Halo, when Hei Yanlong asked this question again, why did he show a thief smile on his face?

"I moved to his other residence on Sunday, there ... without him!"

According to the agreement, on Sunday morning, Yu Aotian sent her to Nanlu and Sister Angel, and then he left.

"Huh? Isn't it safer to have Yuaotian personally protect you? Why move?"

"Because ..." The smile gradually faded, and she resigned helplessly: "You have to bear it! Very troublesome."

☐What if you meet someone who makes you feel excited?

☐Endure.'

☐Endure?

This kind of thing ... can bear it?'

☐Bearable!'

The black flame dragon suddenly remembered the conversation between them on the phone. He thought at the time that the woman had never experienced this taste, and he did not investigate it too much. Who knows?!

"Women, can you be perverted? If you like it, chant together. Chen Yi also hopes you are with Yu Aotian?" After that, his ink eyes flashed: "Oh, yes, Yu Aotian.

Kill your mother! "

"Oh. It's not just because of this thing between me and him. Anyway, it's quite complicated. So, it's best for us not to meet." Yao Yao grinned entangledly.

"His ... not right. Why did you tell me this kind of thing?" He laid his hand on the desk to support his chin, and stared at her seriously.

The look was as sharp as killing a person.

Yaoyao smiled badly: "If I said, I treat you as a girlfriend, you ... shouldn't you mind?"

The moment of 2soo', Heiyan Dragon 's face went black: "You damn woman! Do you treat me Heiyan Dragon as a woman ?!"

"Hey, hey, hey, Vice President Black, don't be angry. I really don't mean that. Girlfriends can also be male girlfriends. Mainly, you are a man, a good friend with Chenyi, and my age

It 's almost, it 's mature, and I 'm very 'safe' with you, so ... hehe. "She smiled silly.

At this moment, Hei Yanlong really didn't know what to say.

Especially the sentence ..

.

2I 'm very safe with you' really makes him very uncomfortable!

Yaoyao was aware of something, he pretended to be angry and said: "How far away I am! How far ... but ..." The expression turned: "Lao Tzu allows you to come and talk to me when you feel bad."

"Hey. By the way, Vice President Black, I won't come to work tomorrow."

"Ok?"

"I have to go to school to take the test tomorrow."

"Got it! Really troublesome! Let's go first."

"Well, hehe ..." Yao Yao smiled faintly as he looked at the back of Heiyan Dragon leaving.

In fact, she couldn't explain why she shared this private matter with Heiyan Dragon. She always felt that Chen Yi was contaminated with him.

This secret that was buried in my heart for a long time was shared with Heiyan Dragon as if it were shared with Feng Chenyi ...

'S eyes gradually glanced out of the floor-to-ceiling window, staring intently at the blue sky.

Chen Yi, how are you in heaven now?

Actually, I know that during the time when we got married, you really mind, I slowly transformed your love into a kind of affection.

But, do you know?

Under the world, not every couple can transform love into affection.

There are too many, too many couples, after a few years of love, their love gradually faded, but why are they still together, eventually Baishou not separated?

It is because they have transformed that love into affection, that they will have the ultimate difficulty.

I believe that if you are still alive, sooner or later one day will gradually turn your love for me into a kind of affection.

I believe even more, at this moment, it is the most stable time for our marriage, but unfortunately ... I did not wait, nor did you wait.

Now, I am gradually feeling the kind of heartbeat and entanglement that likes a person.

You know, this kind of taste is actually not very good.

Especially, it's my relationship with Yuaotian.

Chen Yi, I already thought about it.

After I have dealt with everything, I will leave this sky, this sky where I and Yuaotian breathe together and cut off this undesirable feeling.

Even ... maybe ... may give up revenge for my mother ...

Because ... I can't wait any longer ... I'm afraid ... I have fallen in love with my mother before I even get revenge ...

A Bentley car was slowly parked at the door of the Royal Villa.

"Miss Luo, it's here." Yu Aotian sent 24 hours to protect Yaoyao's bodyguard, and the gentleman opened the door.

"Thank you." She thanked politely and quickly walked into the villa.

"Yaoyao, you are back." Nanlu walked in front of her with a smile.

"Ok."

The sisters who haven't seen each other for a long time, chatted all night when they met yesterday, and now Nanlu still has a pair of dark circles on his eyes.

"Oh, yes, Yaoyao, there are guests at home."

"Has a guest?" Quietly walked to the door of the living room.

I saw a middle-aged man in a suit sitting on the sofa.

"Who?" Yao Yao asked in a low voice.

Nanlu resigned helplessly: "It's not yet a gift for the owner. We are all used to it."

Uh...

Think carefully, now that Aotian is the top three, there will definitely be many senior officials desperately wanting to bribe him, eager for his support.

And here is the only public residence of Aotian, those people will definitely come over from time to time to give gifts.

Khan!

"Why did you ask them to come in?"

"Oh, those people die by the door. We tell them to come in at a glance. Anyway, since you left, the master will never come here to stay, and ask them to come in. They can't wait for the master to die. "

"It's not this problem!" Yaoyao pulled Nanlu aside in embarrassment: "You hear me say Nanlu, now Yu Aotian is a political figure, and he has received much attention in every word and deed. These people came to bribe Yu

Aotian, if they ask for a face, it 's okay. If they meet those shameless people, they will bite and give the bribe to Yu Aotian, who of us can say it clearly ?! "

"They dare! The master will not rarify what they bribe!"

"Nanlu!" Seeing Nanlu still didn't quite understand his meaning, Yaoyao's eyes turned: "I'll give you an analogy. If there is a reporter at the door of the villa, they photographed someone entering Yuao.

Tian 's villa, and then they were taken out again. The title of Zhuantian was that Yu Aotian took bribes. Even if Yu Aotian said that he did not receive a bribe, who knows? Is there any evidence? You did send someone into the house, right?

"Who knows who accepts bribes?"

"Uh, yes ... yes! Yes! Yes! Why didn't we think of it!" Nanlu passed the god all at once, and also understood how their slackness might adversely affect Yuaotian: "Then these

The gift-giver is coming, so I wo n't ask them to come in. "

Episode 702

"No!" The corner of the mouth slowly provoked an evil smile. Yao Yao leaned over and looked at the man in the living room: "You still let them in."

"what?"

"Oh. But, you install an invisible monitor in the living room. One time, you can prove an innocence for Yu Aotian; the second one ... you can also get out for Yu Aotian, someone who intends to be against him. If it is

People who want to deal with Yuaotian will naturally use this opportunity to make a fuss. By then, Yuaotian will have a goal! "

Of course, the most important thing is ...

This trick can also successfully excavate Zeng Kairui's partisans.

It is the so-called fear of thieves and fear of thieves. If Zeng Kairui intends to use this trick to deal with Yuaotian, would n't he be able to call Yuaotian a rake?

Hey...

"Yaoyao, you are really too smart! I read a lot of news. It was all the wives of the officials who accidentally received their gifts, and the officials who were hurt were also affected. But if the boss is like you

People who are attentive and understand the law must be invincible forever. "Nanlu instantly admired Yaoyao's five-body cast.

But she reacted at once ...

Looks like, just now, one accidentally ... just ... helped Aotian again, right?

Oh, it seems that people ... it is difficult to control their hearts!

"Nanlu." Yaoyao smiled faintly and took Nanlu's hand begging: "Don't tell Yuaotian about this matter, okay?"

"Why?"

"No reason, please, please ..."

Looking at the embarrassed expression on Yaoyao's face, Nanlu didn't say anything, just sighed heavily ...

"Explain to you a little trouble, what are you doing so hard?" In the hotel room, Feng Chenrui yelled angrily.

Several people in black frowned in embarrassment: "Master Feng, now Luo Yaoyao is being guarded by the Chinese royal director for 24 hours.

Once we take action, it may be the crime of assassinating Chinese political dignitaries.

, This will cause war. "

Feng Chenrui also knows the seriousness of this problem, but ... "You will not challenge Aotian when he is away ?!"

"This this..."

Looking at the embarrassed appearance of those people, Feng Chenrui waved angrily: "Okay, okay, you go out first, then listen to my command."

"Yes..."

When those black people left, Feng Chenrui took a fist in dissatisfaction: "It's really useless!" Quickly took out the phone and broadcast a number ...

"What's the matter?" A cold voice came from the phone.

Feng Chenrui smiled slyly: "Deputy Prime Minister Zeng ... have you bothered you?"

"No. Just say it."

"This is the case. Before the embassy was bombed, thanks to your help, my action would be so smooth. But ... who knows but angered Yuaotian, now Yuaotian has been protecting Luo Yaoyao personally, I

I really do n't know ..

. what to do. "

Zeng Kairui, on the other side of the phone, heard this, and his subtle eyes flashed, meaning: "If the trick is cleaner, in fact, no one will know who killed Yuaotian. Isn't it?"

"

"Uh ... Deputy Prime Minister Zeng, what do you mean?"

At this time, Zeng Kairui was in a dark secret room. He didn't wait for Feng Chenrui to finish his speech, and then he smiled and said, "Oh. Just like that, I'll be busy first." The phone hung up.

Leo, who was standing in the closet, put his hands in front of him, his body half leaning on the wall:  
"Boss, Feng Chenrui's straw bag ... Did you kill Yuaotian?"

"What do you think? If Yuaotian were so dead, would I have such a headache?" Zeng Kairui said blankly.

Xie Zhiqing's voice was uploaded from the sofa: "Goddaddy means, kill if you can kill; don't kill if you can't kill. But ..." She put her feet on the handle of the sofa and slowly put it down: "Goddaddy

, You have been complaining about me lately, delaying Luo Yaoyao against Yu Aotian. You are now instigating Feng Chenrui who has been killing Luo Yaoyao and Yu Aotian, do n't you think they will delay the killing of the two?

"Qing'er, I'm so disappointed with you!" Zeng Kairui shook his head with a lost face.

At this time, another mysterious male voice came from the door: "The boss's purpose of using Feng Chenrui's gun is neither in Yu Aotian nor Luoyao Yao!"

Obviously, for the answer given by this voice, Zeng Kairui smiled with satisfaction: "Yes!"

In a flash, Leo and Xie Zhiqing met each other, and quickly looked at the location of the desk.

Zeng Kairui crossed his hands at the desk, blocking his face: "I didn't expect Fengchenrui to kill Luo Yaoyao or Yu Aotian, but ... his assassination could provoke Yass

The war between Lan and our country! "

"Boss? Are you aiming at Aslan?" Leo looked at Zeng Kairui in surprise.

"Oh, the country of Aslan has always been the territory I want. Having it there is tantamount to .

.. owning the whole world!" The ambitious words fell, undoubtedly confirming the fate of this piece of Aslan

How powerful.

Not only Zeng Kairui coveted there, in fact, many countries in the world are coveting the military resources of Aslan!

"Okay, now, I want to say something that is a headache for me." Zeng Kairui took a slight breath, and his hands slowly laid flat on the desk: "The spy repays, Yu Aotian has control over it

I have an important call record with the British Vice President. "

"Ah ?!" Xie Zhiqing's eyes widened incredulously, one turned and jumped directly to the desk: "God, are you in your office, or elsewhere? Isn't there someone to clean up the monitoring system every day?"

Why was Yuaotian eavesdropped? "

"Xiao Qing'er, I have said that for Aotian, it's simply unpredictable. With his IQ, do you think it's useful to just clean up the monitoring system?

Although Leo's words were full of chase for Yuaotian, Zeng Kairui really did not deny the ability of Yuaotian.

"Okay, who of you helped me retrieve that monitoring record?"

"I'll go." At this time, the mysterious voice at the door came again.

Zeng Kairui smiled slightly: "Lanyou, it's not yet time for you to play." The subtle glance cast in front of Xie Zhiqing: "Qing'er, you have been exposed, then ..."

"Okay, okay, okay. Leave it to me!" Xie Zhiqing's mouth couldn't help but provoke a strange smile ...

Examination day.

For each university, the upgrade exam is a very important assessment; for the first university, the entrance exam is a crucial impact on their future.

In the quiet corridor, Yaoyao curled up in the corner, holding the phone in her hand, and slowly broadcasted a number ...

After a while, the phone connected: "Sister, what's the matter?"

The moment she heard Long Ye's voice, she burst into tears with a "wow" sound: "Brother Long Ye!"

In an instant, Long Ye was scared and almost fell off his chair: "Little ancestor, don't cry, what happened?!"

"Woo ... When I was going to take the exam, I cheated on the exam and was caught. The principal wants to invite the parents, come over, okay?"

.

### Episode 703

"Isn't it?" At this moment, the expression hanging on Long Ye's face was smiling for a while, helpless for a while, and painful for a while. It was complicated: "Okay ... okay. You ... you wait. I ...

... I'll go by now. "

Hanging up the phone, Yao Yao wiped away the tears from her eyes and walked slowly into the principal's room: "School, principal, I have ... I have called my parents." The sobbing voice made her speak

intermittent.

The principal raised his eyelids and said seriously: "Well. Then you are waiting here."

"School ..... Principal, can you not punish me?" During university, if there is punishment, it means that there is a stain in life, which is extremely serious.

"This matter, I will communicate with your parents."

"Woo ... I know, I know." Standing aggrieved under the wall, Yaoyao squeezed his little hand and sobbed non-stop.

After a while, the door of the principal's office opened.

The principal's thought, he was almost scared to fall off his chair: "Yu, President Yu, how are you here?"

Breathless Yu Aotian calmed his panting breath, and his tense eyes turned to Yaoyao who was standing at the wall of the punishment station.

"How are you?" The big watery eyes glowed with innocent and wronged luster, and two lovely teardrops hung around the corners of the eyes.

It has been a long time since Yu aotian has seen such expressions on small things, and he almost laughed.

"Cough." He laughed at this time. He tightened his throat and said coldly: "Your brother is in trouble, so please come here."

"But ... but he promised that I would come over!" This is so shameful, how can I call Yu Aotian to come?

But Yaoyao did not know ...

Why would she be the only one who dislikes and humiliates?

Half an hour ago.

After Longye hung up Yaoyao's phone, he lay weakly on the table and transferred to Yu Aotian: "Busy?"

I beg you ... help me ... '

This is also the first time Aotian heard Long Ye talking to himself in this tone and asked nervously: 'What happened?'

'Ah ...' He sighed heavily: 'Yaoyao ...

I was invited by my parents and asked me to go.'

To tell the truth, at that time, Yu Aotian finished listening to Long Ye's remarks, and killed him with a gun!

'Is n't that just asking for a parent?

Then you will go by!'

'Aotian ... I 'm begging you, if you have time, just go for me.

Last time, Long Qi started a club in the school, and I was invited to call the bald headmaster a curse; who knows, now Yaoyao asks parents to call me again.

I really don't want to ... shame in the past!'

Long Ye really wants to sigh in the sky, is he a professional playing parent?

That's why after he received Yaoyao's phone call, his expression would be full of flavor.

I want to laugh because I heard Yao Yao crying and felt so cute;

Helplessly, she was caught cheating.

The pain is ... he will be counted by the bald headmaster again.

Seeing this, Yuaotian had to take this job and came over himself.

"Principal, I came here as the parent of Luo Yaoyao." Yu Aotian pulled out his chair expressionlessly and sat up.

The principal heard, "Ah?" Isn't this embarrassing?

How dare he go to count Yuaotian?!

"Luo Yaoyao's parents died, and her husband also passed away. Her father-in-law's 60s, you should know this. So, I temporarily count her half as a relative."

"Oh, this is the case. President Yu, I know that Luo Yaoyao's situation is very special. She is now the general manager of Fengshi Enterprise. But ... but, can't it lead to cheating in the whole class? You say?"

"The principal stood in front of Yu Aotian and smiled helplessly.

"Driving the whole class to cheat?" Yu Aotian heard this, and his eyes flicked to Yaoyao standing in the corner.

She lowered her head in shame and sobbed again.

"Oh ... yes, yes, this is Luo Yaoyao's fault." In the past, the extremely glorious Yuao Tian had a feeling of being unable to lift his head at this moment. He now finally knows why Long Ye did not die.

Coming, I knew he would not come.

"Then how do you deal with this matter?"

"According to the principle, you should be given a penalty, what do you say? President Yu ..." The principal's attitude toward Yu Aotian was extremely polite.

He frowned slightly and glanced back at Yaoyao again.

The small hand kept swinging, and his eyes were filled with pleading.

Yu Aotian saw this and took a breath of embarrassment, his expression suddenly cooled down: "No!"

"Ah? Then ... then ... then ... you have to decide the chairman."

This is a problem.

If Aotian used power to suppress this, it is not impossible, but the problem ... it will be very troublesome afterwards.

If you don't need to solve this matter with power, it seems that you can't solve it again.

Big hand, slowly took a fist.

"You are the principal, whatever you want to do. But ... I don't want to see any trace of punishment on Luo Yaoyao's file!"

"what?"

"Okay, that's it, I still have official business to do. Luo Yaoyao, I'll take it away first." After all, Yu Aotian shook his head to Yao Yao and quickly walked out of the principal's office.

The problem was directly thrown back to the principal.

"Thank you." On the campus, Yao Yao wiped her tears and thanked Yu Aotian for being wronged.

He bent slightly and scraped the tip of her nose helplessly: "Small things, just send you to places where I can't see. You still always trouble me. You say ... What should I do with you?"

Looked up at the spoiled look in Yu Aotian's eyes, and she quickly lowered her head.

Thought they could be separated for a while, who knows, they will meet again because of cheating.

It seems that God tightly tied a monkey rubber band to them. The more he tried to escape, the monkey rubber band would suddenly regroup them together.

"Me, I don't want to ..

."

"You said, what are you doing for cheating? With your IQ, it is impossible to answer those test papers? Also cheating with the whole class?"

This is where Yaoyao was wronged. She clenched her fist tightly: "Not like this!" Suddenly, she cried again.

"Baby, don't cry first. Say, what the hell is going on?"

"Woo ... Xiaoman, Xiaoman said before the exam, and told me to text her answer after answering the question. So ... So, I answered the test paper very early, thinking of sending her the answer. Who knows ...

... Who knows ... I accidentally pressed the message into a group and all the classmates received it ... received my answer. "

Looking at her crying more and more fiercely, Yu Aotian pursed her lips and smiled for a long time. After suppressing the smile on her face, she asked curiously: "Then your classmate will report you cheating?"

"No!" This is where Yaoyao's second grievances came: "Everyone has my answer, and soon finished the test paper. One of the boys may be too bored to play stealing food with his mobile phone, teacher

When I saw it, he confiscated his phone. As a result ... I found the answer I sent him. Woo ... "

"Pooh ..." Yuaotian squatted on the ground and completely laughed, ignoring the image..

Episode 704

Estimated that anyone who listened to this matter had to react to him.

Cheating for the exam was not caught, but the result was stealing vegetables and was caught. The problem is not Yaoyao cheating ...

Really, it was simply that he heard that the most absurd cheating was caught.

"You're too much ..." Yao Yao wiped tears from the corners of her eyes and stared at Yuaotian with resentment. She knew she was stupid, but who could understand her grievance?

Still laughing!

"Okay, baby, don't be angry ... you are ... puff ... you are wronged." Yu Aotian tried to pretend to be sympathetic to her, but there is no way, he really can't pretend, laugh

Tears are coming out.

Yaoyao didn't even care about him, so he turned around and left.

"Hey!" Yu Aotian saw this and hurriedly put away her smile, holding her arm for a moment.

Yaoyao turned back naturally ...

Pure face, with two lovely teardrops.

The repressive impulse jumped suddenly, Yu Aotian wanted to kiss her. At this moment, he wanted to kiss this little thing that could make him forget his troubles, make him helpless and crazy.

The charming eyes gradually cast on her lips, and the beautiful face couldn't help but leaned in to her ...

Tears, stopped abruptly.

Instead, there was a burst of heart beating.

Yaoyao already felt what was going to happen next.

But ...

She seemed to have been acupunctured. She couldn't move at all. It seemed ... welcoming the kiss ...

"Luo Yaoyao!" Suddenly, a voice interrupted this beautiful picture.

Yaoyao escaped the kiss from Yuaotian nervously and looked at the voice: "You ...

"

Is a handsome boy who walked guiltily to Yaoyao: "Are you okay?"

Yu Aotian stood up straight and squinted coldly. If he could, he really wanted to kick this troublesome boy!

"I am fine."

"Will the principal punish you?" The boy asked worriedly.

Yaoyao shook his head at a loss: "I don't know ..."

"I'm sorry. Luo Yaoyao, yes ... I hurt you. I shouldn't steal food."

In an instant, Yu Aotian's cold eyes flashed, quickly looked away, and tried his best to restrain his smile.

It turns out that this boy is the little fool who steals vegetables.

He really didn't know what to say.

"I know, you didn't mean it. Forget it, it doesn't matter."

"I'm sorry ..." the boy whispered in guilt, his eyes from time to time peeping at Yu Aotian: "Is he?

"Ah? He ... he ... is my uncle!" Fainted, Yaoyao didn't know what he was thinking, even the word uncle came up.

Look at Yu Aotian's face, it suddenly became dark. Isn't this little thing the first time that he is her uncle?

Is he so old in her heart?

!

"Uncle?" Boys always think that Yu Aotian is familiar to him: "Uncle, hello."

"Well." He nodded coldly.

"Uncle, this is not Yao Yao's fault. Don't scold him at home, will you?"

"No, uncle ..

. how could you scold her !!?" In the corner of the eyes, a sharp afterglow swept the eyes of Yaoyao.

She took a breath of air, knowing that this time ... she was going to be unlucky!

"Uncle, there is one more thing, I ... I ... like Yaoyao, can I associate with her?" The boy said very earnestly.

However, Yaoyao was petrified, and God, what's the matter?

How could he say this in front of Yu Aotian?!

Yu Aotian's hand on Yaoyao's wrist was obviously tight, but there was a very kind smile on his face: "I don't agree with our Yaoyao's early love."

"But, uncle, have Yaoyao already married?"

"That time! It was because of my uncle I was careless for a while. So ... this kind of thing will not happen ... the second time!" The smile on his face disappeared instantly, he turned his head to look at Yaoyao and smiled

The meat said without a smile: "Baby, let's go home!"

Is finished.

The boy not only stole the food and harmed her to be punished, but even confessed to her in the face of Yu Aotian. Isn't it to completely kill her?

God, where is she sorry for this boy?

It hurts her so much!?

Walking all the way out of campus, Yuaotian was silent, Yaoyao followed him like a child who did something wrong.

"Chairman Yu." The government bus parked at the door of the campus saw the Aotian appear, and the secretary in the front seat opened the door respectfully.

Can see that Yuaotian should be invited to come over while he is still dealing with government affairs, otherwise he will not come directly to the school by driving the government bus.

"You guys wait outside me for a while!"

"Yes, President Yu." The secretary glanced at the driver and walked off the car respectfully.

"Get in the car!" The cold words dropped, and Yu Aotian took the lead in the back seat of the car.

Yaoyao bit his lip in embarrassment and sat nervously beside him.

"I am very old ?!" Sure enough, when the door was closed, Yuaotian began to explode!

"No ...

" She shook her head in a panic and quickly explained: "I, I just said it casually!"

"Then who is younger than the boy I just had?"

"what?"

What kind of situation is this? Yaoyao has foreseen that Yu Aotian might get angry after getting on the bus, but he does n't want him to mind his age so much?!

How old is it compared to a 20-year-old boy?

It stands to reason that Yu Aotian is not the one who accounts for such things?

"Ah, what? Which of us is young!"

"He ..."

"Huh ?!" His face sank instantly.

Yaoyao quickly shook his head: "You ..."

"Hmm ..." Here, Yuao Genius smiled with satisfaction.

But anyone can hear that this is a lie, OK?

That boy was under 20 years old, and Yu Aotian was under 29 years old. The two were clearly so different.

Even if Yu Aotian wears casual clothes, he looks only in his early twenties, but how can his inherent maturity and stable temperament be so easily covered up?

"Small thing, if you dare to tell others that I am your uncle next time, I will strangle you!"

"You ... do you mind?"

After Yao Yao's tentative words were asked, Yu Aotian quickly turned his face to the position of the window.

After a while, coldly said: "I mind!"

Ah.....

It turns out that there will be things that Aotian will care about in this world, and is it still his age?

Does this look like the image when I also care about him?

When everyone said she was like a child, like his lover, she also minded that way, and even inferiority.

However, Yu Aotian did not know that his maturity and stability were exactly the places that fascinated women.

There are so many 28- and 9-year-old men who behave like children, immature and unable to give women a sense of dependence.

But he was just the opposite.

There are so many young girls who like uncles in their thirties or even forties. What they are looking for is the sense of dependence and protection that Yu aotian has.

It's a pity that he doesn't have anything in him, and what he may not have in his life is a sense of security that can reassure a woman.

Episode 705

Has been with Yuaotian for so long, Yaoyao's impression of him has been changing, the only thing that can't be changed is ...

The moment of possessing Yuaotian is equivalent to losing all of him; the moment of falling in love with him is destined to be abandoned ...

He ... does not belong to any woman!

He ... is a man who cannot be bound by anything!

Of course, maybe in the future, when he is in his 30s and 40s, he may settle down.

Unfortunately, it must not be now ...

"Return to the company?"

"Today I took a day off."

"Well, then I'll take you home." Yu Aotian said, beckoning the secretary who was standing outside the car and the driver got into the car.

"No need, no need. I can go back on my own. There should be a lot of things waiting for you at the State Council?"

"It doesn't matter, anyway, it's also the way." Yu Aotian ordered the driver to start the car.

Yaoyao didn't even push away, looked quietly out of the car window ...

"Chairman Yu." After the car drove for about 5 minutes, the driver in the front seat suddenly opened his mouth: "There are a few cars behind that seem to have been following us."

Yaoyao's heart shook, and he turned back subconsciously to the rear windshield.

The cars on both sides of the road saw the government cars passing by and evaded them one after another. Only three black SUVs still followed closely behind the car.

"Temporarily stop the car." Aotian said quietly.

The driver parked the car steadily on the roadside according to his instructions. Yaoyao paid special attention to the three SUVs. One of them drove away, and the other two also stopped not far away.

"Yu Director?" The driver was waiting for his next command.

"You and Secretary Wu leave first."

"Chairman Yu? How can this be done, in case those people intend to misbehave you, what should I do?" Secretary Wu finished nervously.

Yu Aotian smiled and waved his hand: "You are more concerned, I don't think they are following me. You go back to the State Council and wait for me. I have something to talk about with Luo."

"Oh ..

." Seeing this, Secretary Wu and the driver had to intercept a taxi and left first.

"Come with me to sit in the front." The two changed from the back seat to the front row.

Yaoyao frowned in confusion, did Yuao Tian really have something to talk with himself?

"you....."

Didn't wait to ask the exit, Yuaotian stooped and took out a body armor under her seat: "Put on!"

It seems that Yuaotian also knew that the cars were intending to stab them, so they tracked them.

But why did he leave Secretary Wu and the driver?

Isn't it possible to have a care if they are there?

Looked at the body armor with embarrassment: "So what do you do?"

"Leave me alone. Put on!"

Yaoyao had to take over the body armor and put it on his body.

At this time, Yuao Tian launched the car and pulled out his mobile phone: "Leave the martyr, let's act. I will lead them to the destination first."

Lead them to their destination?

It seems that Yuao Tian has already deployed all this?

Seeing that he hung up the phone, Yaoyao hurriedly asked: "You don't want to resolve this matter through the government?"

"Solved by the government is a political issue. Do you want to fight?"

Yes!

Feng Chenrui mobilized people from Aslan, and once caught, it was a political issue between the two countries.

No wonder Yu Aotian will take Secretary Wu away from them. Feelings, he is afraid of disturbing the government.

"I didn't expect that Feng Chenrui even wanted to kill you!" It has always been thought that there is Yu Aotian, and Feng Chenrui dare not wantonly, did not expect ...

"It's normal. It seems that there is one more person supporting him."

"One more?" She tasted Yu Aotian's words carefully, and she reacted violently ... "Do you mean Zeng Kairui?"

Yuaotian smiled and said nothing.

Question ..

. "It seems normal that Zeng Kairui used Fengchenrui to kill you. But ... didn't he know that this would cause political problems in both countries?"

"Oh, baby, you first associate with Lenovo, 13 years ago, you will understand it now when you associate with Lenovo."

What happened 13 years ago was that Zeng Kairui planned to seize the position of Prime Minister Qilian, didn't he?

He has now completely removed Prime Minister Qi Lian from the leading position in politics.

Is it ... "If your father didn't pay for this assassination incident, then it was the political issue between China and Aslan. That means ... Zeng Kairui wanted to start a war !?"

"Yes!" Yu Aotian's eyes gradually moved to Yaoyao, the eyes that could understand everything, at this moment it looked so unfathomable.

Yu Aotian is such a man, always likes to turn everything into a game, he is the controller.

Let those pieces move in accordance with all the marches he controls. When it is time for him to move, he starts to control each piece and walk every step.

I'm really afraid to get along with this man, because I do n't know when, I will unconsciously become a pawn in his hand, maybe already a pawn in his hand, but I do n't know yet..

But anyway ...

"You will definitely be a good political leader in the future." Yao Yao said with a smile.

Yu Aotian glanced coldly at her: "Why do you say that?"

"Because, you don't like to fight."

"Oh ...

" Yu Aotian smiled helplessly, and the bottomless eyes slowly looked forward: "You ... wrong."

"Ok?"

"I really want the country of Aslan. But, in my current capacity, even if I want to come to Aslan, it belongs to Zeng Kairui's group, so ..."

So, he can't make it cheap Zeng Kairui, right?

!

Looking at the thick ambition surging in the eyes of Yuaotian, Yaoyao almost forgot, in fact, Yuaotian is a real ambitionist!

Otherwise, how could he have the status of the present from a person who has nothing?

Just said, the moment Ou Aotian's 'separating himself and defending himself' has n't arrived yet, right?

He is really a very cunning man. Now that he can't control Aslan, can't Zeng Kairui have it?

Domineering!

treacherous!

I ca n't imagine how unexpected things will happen if Ms. Aotian gets the position of prime minister!?

The car gradually moved towards the suburbs.

There were a few more cars that followed their car.

Yu Aotian looked at the mirror from time to time, judging from his years of experience, these people were afraid that they would start soon, but Han Li's side had not yet given a reply.

"Hold." He took out the pocket and handed it to Yaoyao.

Her first reaction was ... "No! Don't, don't leave me behind!"

"Huh?" Looking at Yao Yao's panic, it was inevitable that Yu Aotian was a little curious.

"Last time, Brother Long Ye also threw the gun to me and left. You, can't you do this?" You will never forget the scene when you left from the villa of Heiyan Dragon and were besieged by the Shang Yunyin gang.

Long Ye threw the snatch to her, one-to-many.

She stayed in the car like that, and dared not look at the situation outside, not because of fear, but because she did n't want to see Long Ye's brother hurt.

However, this time ...

Yaoyao knew that it should be more dangerous than the last siege.

The last time those enemies were only sticks, this time, should it be cold guns and ammunition?.

Episode 706

Yu Aotian exhaled in embarrassment, then gently touched the top of her head: "Remember, follow me closely."

"Hmm!" She nodded obediently.

Next second ...

☞ Boom, bang, bang!

"Several gunshots cut through this peaceful country.

Yu Aotian increased his throttle without expression, and ran straight to a manor not far away.

"Get off." With an order, he led Yao Yao and ran off the car, running straight to the jungle of the manor.

boom!

Two more shots came from behind.

At the same time, the cars that followed immediately stopped.

Yuaotian dragged Yaoyao to the bottomless corn field. It is convenient for hiding and it is easier to fight guerrilla warfare.

"Here." Yaoyao hurriedly handed the rush to Yu Aotian.

He smiled and shook his head, took out a Bluetooth headset and hung it on his ear: "Where?"

"You are holding on for 10 minutes."

"Brother, do you know how many people there are now?" Yu Aotian half-jokingly glanced at the man in black through the bellflower.

Han Lihan on the other side of the phone asked coldly, "How much?"

"Look at it visually, how can you get 180 people."

"Come on, Aotian, if you have time to joke with me, you know you have dealt with it. It's okay, I can't do it. I'll take you to collect the dead body."

However, he often jokes with Yu aotian, especially at the most critical juncture.

Because only in this way can they face everything in a relaxed state.

"Han Li Sha, your uncle!" Yu Aotian pretended to be angry.

The bottomless eyes flashed, grabbed the man in black who was approaching him, and with a sharp hand twisted the man's neck and grabbed a gun from the man's hand.

So handsome!

Yaoyao, who was quietly watching this scene, could not help but shouted excitedly in his heart.

She really rarely sees that when Yu Aotian has shot, under normal circumstances, he is in charge of everything in his peaceful life, and the men have settled everything for him.

Perhaps this is the gap between the emperor and the courtier.

It is enough to fight the world without having to shoot in person.

And now, he is clearly devoted to joking and talking on the phone with Han Lizhi, but he still knows that someone is approaching them and he is fighting the enemy with one blow.

It is a man who is both unfathomable and highly alert.

Of course, every time he hears the fight between Yuatian and Longye, Yaoyao enjoys it exceptionally.

In this way, he looks very ordinary, and the distance from her seems to have been pulled into a lot, a lot ...

Suddenly, Yu Aotian's eyebrows tightened slightly: "Leave me, I will hang up first." At the moment when he hung up the phone, he hugged Yaoyao and hurried towards the heel of the bellflower.

"A lot of people ..

." Although the dense bellflowers blocked Yao Yao's sight, from the sound of the mass footsteps, a large number of people really approached them in the back and on the right.

boom!

Bang ... 'Several consecutive shots, the enemy seemed to find the target.

Yu Aotian sensitively avoided the bullet behind him, and he didn't have the relaxed and playful expression just now.

"Boom" two consecutive shots, Yu Aotian finally opened fire.

It's just that these two sounds no doubt attracted the enemy's war.

He picked up Yaoyao again and converted a 'base area'.

"There are many enemies, right?" Yao Yao finished his tentative inquiry.

He showed a soothing smile and touched her head indulgently: "Don't be afraid, it's okay."

This smile is so contagious. The hands touching her head are also full of warmth.

However, she could see that the gloss of Yu Aotian's eyes was filled with coldness at this moment, and the seriousness of the situation was visible!

“Oh, uh’, the mass footsteps are approaching them more and more.

Is the end of the cornfield in front. If you are running, it will be exposed, but the rear is undoubtedly more dangerous.

Only by killing a piece of pure land can there be a place to rest temporarily.

Yu Aotian's eyes sank, and he just raised his gun and shot to the right.

Who knows ...

“Boom, bang!

Three shots in a row, he clearly saw the three people approaching them falling down.

Is arriving?

Looked at the time, and it was less than 5 minutes before they hung up the phone. It should n't be cold, why would it be?!

Turned his eyes down, he hugged Yaoyao and leaned towards the mysterious man who seemed to be his own.

Until there is still a distance of 5 meters, he finally saw the true face of the mysterious man Lushan ..

.

"Bing Ye ..." Yao Yao looked at the man hiding in the bellflower in surprise.

Bingye squinted coldly, one rolled, and leaned beside them.

"When did you come?" Yu Aotian couldn't tell whether he was surprised or helpless.

Bingye is just like a ghost. It is very helpless to say that it appears when it appears and disappears when it disappears.

"Come with the group of people." Bing Ye said with a blank expression.

Yu Aotian breathed a sigh of relief and had to admire Bing Ye's detection and anti-detection capabilities, because he discovered the group's tracking, but never found ... Bing Ye's tracking.

"How many people are there?"

"Unclear, it should be quite a lot. I only know they have bombs in their hands. It is not a matter of us hiding here, when will your people arrive?" Bing Ye asked coldly.

Yuaotian looked at the time again: "About 4 minutes."

"4 minutes ..."

"Well. In these 4 minutes, we just have to delay them and don't use the bomb."

Bing Ye also agrees with the arrangement of Yuaotian, but ..

.

Amber eyes glanced at Yao Yao who was held in the arms by Yuaotian: "Aren't you going to shoot? Are you just thinking about being protected?"

Following behind them, I always thought that it was not a big problem to deal with this group of people with Yuaotian's ability.

But he waited for a long time, only to hear that Yu Aotian only fired two shots, and it was estimated that Yao Yao was also by his side.

This undoubtedly involves Yu Aotian's mind. He has to deal with the enemy while protecting Yao Yao, which is actually quite difficult.

"Bing Ye!" Yu Aotian frowned slightly angrily at Bing Ye's two questions.

Bingye ignored him and continued to look at Yaoyao coldly: "Do you need someone to protect? Are you someone who is protected by someone else? It really becomes useless as you grow up!"

"Bing Ye!" Yu Aotian's face sank in an instant, he held Yao Yao and left.

"Let me come down ..." Small face, without any expression, she motioned to Yu Aotian to let go of her.

Helpless, he had to put Yaoyao down.

'Hoo ...' Standing in this endless field of corn, Yaoyao took a deep breath and clenched the grab in his hand. Those big twinkling eyes slowly looked at the ice night diagonally opposite ...

...

☹Landuo, only useless talents need the protection of others! '

☞Lando, prove your ability, you will be the most powerful king of Aslan in the future! '

'S mind, the uncontrollable floating sound of the sound from the distant hell, this sound comes from the ice night.

Episode 707

Although she forgot what kind of man Bing Ye was before, but at this moment ... he should be very mindful of being protected by Yuaotian, right?

Presumably, the previous Rando must not need to be protected by others.

Really don't want to prove that he is Rando in front of Bingye, but the fact is not allowed, if there are still reservations, it will definitely become a burden for Yuaotian!

Shui Ling's eyes gradually cooled down ...

☞Boo' when the sound of small footsteps approached them.

Yaoyao bit his lips tightly and raised his hands to grab ...

The bullet blew out!

Ruthlessly penetrated the eyebrows of the enemy, blood splashed.

She closed her eyes subconsciously and stopped looking.

However, the feeling of rippling in my heart was not the guilt of fear and murder, but ...

An inexplicable sense of excitement and fragmented pictures are slowly being pieced together and emerge ...

“His Highness Lando, this is the geographical map of the country of Aslan. In the future, you will be under your rule! ”

“Oh, night ... It turns out that the country of Aslan is so small?

What does it mean to inherit?

Why do n't you kill the current queen and grandmother for me now? I 'm going to inherit the throne now!'

“Landuo, I can kill the Queen for you.

But what can you do even if you want to come to the throne?'

“It 's very simple.

First swallowed several neighboring countries and expanded the territory of Aslan a little bit.

When I am 18 years old, at least Aslan will not look so small and boring!

In this way, I have the motivation to work hard.'

The little girl's seemingly naive words reveal a cold-blooded, ruthless ambition.

The looming vague memories are like movies, flashing like real and unreal.

Suddenly, the memory was suddenly interrupted.

A little grin gradually forced Yao Yao's mouth, when she opened her eyes again, the body exuded endless dad and the king's breath overlooking all things!

boom!

'The gun in his hand was continuously firing like magic, and Yaoyao became passive and provoked a new round of war.

Looked at this completely strange little guy in front of him, Yu Aotian breathed out expressionlessly, and looked at Bing Ye with blame.

He knew that Bingye was just ... wanting to use this opportunity to test whether Yaoyao is a Rando or not. Who knows, Yaoyao really got the chance!

Next.

With the joining of Yaoyao, the two men were able to handle a lot, and they blew out a bloody road unimpeded all the way.

Yaoyao's marksmanship is even more astounding.

She holds a gun in each of her left and right hands, as if she was very addicted to this killing.

"Oh, I haven't lied to you before? Isn't Lando very powerful?" Bing Ye's face was hard to see with an excited smile.

Yu Aotian glanced coldly at him: "So what? She won't go with you!"

"Yes! When she finds her previous feelings, she will leave with me automatically." Bing Ye was very confident when she said something.

Yu Aotian clenched his fist, and subconsciously looked at Yaoyao, who was indulging in fighting pleasure. At this moment, he really couldn't refute Bingye's confidence!

☞ Boom ...' Suddenly, a loud explosion came.

What followed was a lot of footsteps.

Undoubtedly, it should be Han Li's arrival at the destination.

"Aotian!" Han Lizhuo holding a heavy machine gun met Yu Aotian and others.

"The people of Yulongshe have surrounded this place, let's go forward."

"Hmm!" Several of them kept firing at the enemies chasing behind them, and reached the end of the cornfield safely along the way.

All of a sudden, the sound of gunfire seems to be gradually decreasing, and the enemies trailing are gradually decreasing.

at this time.....

Yaoyao standing behind Yuaotian slowly raised a strange smile ...

Next second!

Quickly raised the grab in his hand and aimed it at the back of Miaotian!

Almost at the same time, Han Li's eyes flashed, and he rushed to the Yaoyao: "What are you doing ?!"

"Put down the gun!" Bing Ye pointed at the cold and cold temple with a muzzle.

In an instant, the empty wheat field formed an unexpected 'food chain'.

Yaoyao's grab pointed to Yu Aotian, Han Lisha's grab pointed to Yao Yao, and Bing Ye's grab was pointed to Han Lisha.

At this time, the atmosphere was so intimidating, and the breeze blew the hair of several people, seemingly proclaiming that a new fight was gradually beginning.

Yu Aotian slowly turned around and looked at Yaoyao expressionlessly.

He knew that once Yaoyao merged with Lando's soul, he would concentrate on how to kill him.

This is not the first time after all ...

"Oh." The cold face lifted a sarcastic smile, and her murderous eyes gradually turned to Han Lisha:  
"General Han, I heard that your marksmanship is ranked in the top ten in the world, it is better to ...

Let's compare, you killed me first; or did I kill Yuaotian first ?! "

"Do you know what you are talking about ?!" Han Lisi hasn't liked Yao Yao very much all the time, but she is slowly accepting her.

But now, in the face of this provocative woman, he felt very strange and even more disgusted!

"3 ..." didn't answer Han Li's question, Yao Yao started the countdown ... "2 ..." The corner of her mouth, with a strange smile, her bottomless eyes gradually turned to Yuaotian!

Before we can count to 1!

'boom!

"A gunshot.

A bullet flew towards Yu Aotian ...

"Aotian!" Han Li's pupils dilated, just about to pull the trigger.

"Leave the war, stop!" Yu Aotian said coldly.

The bullet swiftly ran across his ears, only interrupting a few of his hair.

"Hoo ..." Han Lisha subconsciously breathed a sigh of relief, and the cold cold eyes cast angrily towards Yaoyao not far away.

"You this! Damn woman!" His anger was self-evident, and suddenly he felt trampled by Yaoyao's self-esteem.

Faced with this, she didn't take it seriously, instead she smiled with a little contempt and contempt.

Han Lisha still rushed to the ground and rushed towards Yaoyao, but was stopped by Yu aotian.

"Calm down and leave."

"This damn woman, it's ... shameless! Aotian, if it's not looking at your face, me!" Black and white eyes were full of bloodshot eyes.

Yu Aotian knows how scorching the cold is now.

He frowned and walked to Yaoyao's face somberly: "Is it fun?"

"Your people, it's useless. If it wasn't for the mercy of your lord, you would have died!" Yaoyao smiled and grabbed her on the ground, and she didn't forget to raise her eyebrows at Hanli, not far away.

The son is full of provocation.

"Do you think that if you change someone else, will the death give you time to count?"

"What do you mean?" Yao Yao rolled his eyes in dissatisfaction: "If you lose, you lose, useless or useless. Why are there so many reasons? Obviously he is not smart enough ..."

"Luo Yaoyao!" Yu Aotian groaned down angrily.

Episode 708

The arrogant gloss covering Yaoyao's eyes disappeared instantly.

Little mouth opened slightly, staring blankly at Yuaotian in front of him.

One second ...

Two seconds ...

After three seconds, Yaoyao took a deep breath, and a nauseous feeling struck her. She quickly covered her mouth.

what are you doing?!

What did she do just now?

I just think ...

so excited.

It is an extremely exciting thing to trample on Han Li's self-esteem!

Yes.

Yao Yao just wanted to kill him when he pointed his gun at Yuaotian.

But when Han Lizhi pointed her towards her, her goal was changed to Han Lizhi.

Yao Yao fired when he counted to 2, he just wanted to insult Han Lixi and prove to Han Lisi how stupid he was, and actually believed that his opponent would count the number to 1 and shoot.

Is this the character of Landuo?!

Good ... shameless!

Yao Yao lowered her eyes in self-blame, she couldn't forget the pleasure she had just trampled upon the self-esteem of others.

Won the victory, and could no longer satisfy Randolph's ambitions. Her greatest joy was to win the opponent and completely knock her opponent into hell.

What a perverted heart this is!

No wonder ... No wonder so many people hate Rando; no wonder, Lan Nipei said that all the people of Aslan hope that Rando will die early.

What a terrible thing if such a person really becomes a queen?!

The eyes were gradually covered with a layer of water mist, Yaoyao stumbled towards Han Lili and ran over.

"Don't come! Otherwise, I'm afraid I can't help but kill you!" For the strong character of Han Lishu, being insulted by Yaoyao like this really made him very angry.

"Sorry ... Sorry, Han. I ..." I don't know how to explain it. Isn't that what I meant just now?

But, that kind of pleasure, and excitement, she really felt it.

And ... very satisfied.

Eyes full of guilt cast on the ice night standing beside Han Lishu ...

His handsome expressionless face gradually evoked a strange smile.

It is estimated that at this moment, only Bing Ye can laugh out?!

"Bingye, I ... hate you!" Spit out a few words coldly, Yaoyao turned away and ran away.

"Landuo!" When Bing Ye was about to step forward.

Yu Aotian intercepted an arrow in front of him: "See, how much does she hate herself? Only you will like Rando that way!"

"Yu Aotian! Don't treat what you said as great, dare you say that you haven't done what Lando is doing now ?!"

He dared not deny it, and he could not deny it.

In a certain environment, sometimes it is necessary to use some means, but also need to use some insidious tricks.

Because you do n't use it for others, then others will use it for you.

Kindness to others is the greatest cruelty to yourself.

Once, Aotian tried to ask Yaoyao to face this complex society head-on, and to learn how to protect herself.

But gradually ...

He found that simplicity is not a bad thing.

Because she is only 19 years old after all, too complicated to suit her.

As of just now, Yaoyao's methods fully reflect the side of being rich.

But ...

"She is not happy! We do everything we choose. Yaoyao is completely ... forced by you!"

Once, Bingye kept talking to Yuaotian to describe what kind of person Rando was.

How much he maintains a skeptical attitude. After all, for a girl who is only a few years old, how could she understand so much of the scheming?

So many conspiracies?

Unless ... someone handed her over to her and told her to understand the conspiracy and cruelty!

This person is undoubtedly Bingye!

Guardian, some of the general said is the bodyguard of the heir; more detailed, actually is the godfather of the heir!

It can be said that Rando has never met him since he was born and his own biological parents, almost every day beside Bingye. Bingye turned Lando into that look with one hand!

"I don't think she was unhappy!" The words fell, Bing Ye coldly pushed away the Aotian that was in front of her, and quickly chased away Yao Yao.

"Aotian? Just now ..." Han Lishu, who was listening to all this, seemed to react to it.

Yu Aotian's helpless smile: "Li Li, I don't know how to explain it to you. But ... Yaoyao just didn't want that."

"Forget it.

Maybe ... I'm really useless." It can be seen that Yaoyao was very hard hit by Hanli.

"Li Shi, if the person who pointed the gun at me was not Yaoyao, but someone else, would you shoot immediately?"

"Ok....."

"Isn't it over? How can you wait until she counts and falls into her trap?" Yu Aotian smiled and patted Han Li's shoulder.

He has always been very appreciative of Han Li's ability.

If the person who raised the gun was not Yaoyao, it is estimated that Bing Ye could not point the gun at Han Lisha, Han Lisha had already fired.

Where will it fall to the end of being insulted by Yao Yao?

"Go, let the person called Yulongshe evacuate the scene quickly."

"I see ... In addition, Feng Chenrui has been won."

After listening to this, Yu Aotian's eyes flashed: "Take me to see him!"

"Yes!"

☎Ring ... Ring Bell ...' The rapid phone ringing came and Yu Aotian quickly picked it up.

"Yu, Yuatian, Zeng ... Zeng Kairui is here!" On the other side of the phone, Yao Yao's nervous voice came.

It seems that what he thinks is right, Zeng Kairui really wants to use this incident to provoke the war between the two countries!

"You try to delay Zeng Kairui!"

"Oh....

.."

hang up the phone.

"Li Chen, where is Feng Chenrui now?"

"Just near the wheat field."

"Move him to a safe place for now!"

"understood!"

Yu Aotian's face was clenched and his fist was somber, he really didn't expect Zeng Kairui to come so well!

Give him no rest time at all!

Outside the wheat field.

Yaoyao stood on the bumpy road, watching the government buses driving towards her from afar.

Although she didn't really see Zeng Kairui's figure, but the head car of the Audi A8, only the government's super official can sit.

Followed by Audi A4s, this battle was not driven by the deputy prime minister, who else could?

"Landuo ..." Bing Ye's voice came from behind her.

Yaoyao quickly turned her head back and looked at the ice night in the wheat field: "Hush ..." blinked nervously.

Bingye stood in place intentionally.

Yao Yao just blurted out about the phrase "I hate you" just now.

Actually, did she think that it was really Bingye?

It is indeed that he evokes the character belonging to Rando, but ... that character is also her own, what qualification is to blame Bingye?

"The Chinese are here. You can't tell if you stay here. Let's go first. I ... I don't hate you anymore." His eyes drooped.

Bingye stared at her quietly for a few seconds before turning around and disappearing into the wheat field.

At the same time, the government buses were also neatly arranged beside her.

Vehicles, one after another, agents and politicians in suits, the scene is not spectacular.

Everyone gathered around the position of the head car, and one of them opened the door of the head car..

Episode 709

Zeng Kairui walked down with dignity.

To tell the truth, Yaoya became inexplicably nervous.

Perhaps because he is the second leader from the top.

Zeng Kairui's bright eyes gradually turned to Yaoyao standing by the road, his serious expression turned, and he walked with a smile on her face: "Miss Luo, Director Yu, may be with you

? "

The wheat field lay so many dead people, Zeng Kairui appeared at this time, even if she said that Yu Aotian was not with herself, but she felt a little unwilling.

"Ok."

"Is Chairman Yu injured?"

"do not know."

"Don't know?" Zeng Kairui narrowed his eyes with a sneer.

She took a cold nervously, and always felt that apart from Yu Aotian, Zeng Kairui's eyes were the second pair that scared her.

"Yes ... someone chased me and Chairman Yu, and then, I, I and Chairman Yu separated." Who knows if Yu Aotian will suddenly hurt himself, so, this time still say no

I know well.

"Oh. I got it. Come, take Miss Luo ..."

"Wait a minute." Yaoyao interrupted Zeng Kairui and asked nervously: "Zeng, Deputy Prime Minister Zeng, you know, who attacked me and the President Yu?"

"It is a group of people who should be bombing the embassy, and they are being traced."

"This is so ..." Yaoyao pursed her lips in embarrassment, pretending to be angry, "They are so brave that even the embassy dares to blow up!"

"Oh." Zeng Kairui picked the corner of her lips with a smile, just about to move forward.

"Deputy Prime Minister Zeng!" Yao Yao quickly intercepted in front of him: "Is the embassy's casualties serious? After all, they were injured because of protection for me. I really want to visit them, can I?"

"You only need to contact Chairman Yu about this matter."

"Ah, yes. By the way, Deputy Prime Minister Zeng ..."

There is!

"You, you invited me to the government last time. I thought about it. I seem to be very interested in this matter. I don't know when we can talk alone?"

Zeng Kairui's eyes gradually darkened, he had vaguely noticed that Yao Yao was deliberately delaying time.

"Deputy Prime Minister Zeng?" Yao Yao saw Zeng Kairui didn't reply for a long time, and blinked his big watery eyes curiously.

He smiled slightly, just about to speak ...

Only listen, a sound of footsteps came from not far away.

The agents standing there all took out their guns and rushed to the source of the footsteps.

Until ...

Yu Aotian's figure appeared before them!

"Chairman Yu!" Everyone put down the grab in unison, and Bi Gong bowed down with respect.

He covered his arm with one hand, nodded to the crowd, and walked slowly to Zeng Kairui: "Deputy Prime Minister Zeng, why are you here?"

"Assaulted, why not contact the headquarters?"

"I can't hydrolyze my thirst. I think I should be able to cope with it alone, so I didn't report it up.

"

Zeng Kairui smiled with his lips, his hands slowly behind his back: "Then there is Kung Fu telling Secretary Wu to get off, do you retreat first?"

"Oh. I want to ask Secretary Wu to distract them. Who knows, the goal of those people is me and Miss Luo?"

"Oh ... like this ..." Zeng Kairui nodded deliberately, and the pair of bright eyes glanced at Yu Aotian's arm: "Injured?"

Yao Yao, who was standing by, looked relieved. Fortunately, she already had a hunch that Yu Aotian would hurt herself.

"It's okay, just a minor injury."

"Small injury ... Oh ... Small injury." Zeng Kairui looked at the whole wheat field: "Oh, so many killers, our director-in-chief suffered a little injury, what a powerful skill? It is estimated ... Yu

Chairman, you also have a livelihood ... didn't you stay? "

Maybe someone ca n't hear what Zeng Kairui implied, but Yu Aotian still ca n't hear it?

Of course he didn't leave a living, otherwise Zeng Kairui could not take the opportunity to provoke war between the two countries?!

How can he call Zeng Kairui happy?!

Yuaotian smiled and said nothing, just looked at Zeng Kairui in front of him.

"Miss Luo." Suddenly, Zeng Kairui's words turned and looked at Yaoyao with a smile.

"Ah? What is it, Deputy Prime Minister Zeng."

"Don't you want to talk to me? Let's go, I have time now." Then, Zeng Kairui turned and returned to the Audi A8 government bus.

Khan, really want to talk?

What are you talking about?

Yaoyao nervously glanced at Yuaotian beside him.

At this moment, the wicked smile on his face disappeared, replaced by a cold and reproachful look.

But ...

She wanted to chat with Zeng Kairui for the purpose of delaying time, not ... really wanted to chat with him.

Helpless, Yao Yao had to obey Zeng Kairui's car.

The remaining people helped Yu Aotian to the car behind.

The rest of the people visited the scene ...

Inside the driving car.

Yaoyao sat nervously beside Zeng Kairui, she could even hear how strong her heartbeat was.

Are you afraid of Zeng Kairui?

Feeling like the fear of Yuao Tian?

it seems to be like this.

Only said that because she became more familiar with Yuao Tian, she was not so afraid of him.

But she knew nothing about this rival of Yuaotian.

"Miss Luo."

"Ah?" She reacted strongly to Zeng Kairui beside her.

"Oh, you don't have to be so nervous, I won't eat you again." Zeng Kairui patted Yaoyao's small hand on his lap with a smile.

She subconsciously pulled away and smiled awkwardly: "Heh ... hehe, this is the first time I have sat with such a big leader, sure ... it will be nervous."

"Huh? Chairman Yu is also one of the important leaders."

"Why don't you get nervous when you are with him?"

When she was afraid of Yuaotian, Yuaotian was not yet a leader, but Zeng Kairui did not see it.

"I'm also nervous."

"Oh? Are you familiar with Chairman Yu? Are you nervous?"

"Familiar ... learned? It's not counted ..." Yao Yao knew that it was completely unnecessary to lie in front of Zeng Kairui. I'm afraid he already knew very well.

However, she just didn't want to admit it in front of Zeng Kairui.

"Oh. The Politburo doesn't know how many people Zhang Luo is going to introduce to the President Yu's girlfriend. There are even a lot of people asking me if there is a suitable candidate. I'm a little annoyed. I guess the Director Yu will be more painful.

"Zeng Kairui said, smiling helplessly.

At first glance, at this moment, he was so kind and approachable, just like a kind elder caring about his juniors.

I can't feel any hostility towards Yuaotian at all.

I don't feel that he can do all those bad things.

"Oh, this is normal. After all, Director Yu has not gotten married at this age, and he is so good. Certainly many people will care about his private life."

"Yes. This is true. It is really rare to reach this position in terms of his age. Chairman Yu is also a rare talent. Premier Qi do n't value him much, and he has to treat his baby daughter several times.

Introduced to President Yu. Do n't know if they have become? "

.

Episode 710

correct!

Yeah, she never asked what happened between Yu Aotian and Xiner sister. Are they together?

"Oh, I want to say that Xiner's girl really matches the director Yu. No matter the age or identity, they match. But ..." Zeng Kairui turned around and smiled at Yao Yao: "I can

I feel that Chairman Yu seems to miss you more. Why do n't you think about trying to get along with Chairman Yu? "

Hiss ...

what happened?

She thought that Zeng Kairui unintentionally raised Yuaotian's personal problems, but the more she said, the more she said that Xiner sister and Yuaotian were very suitable.

test?

It's not right, a high deputy prime minister is estimated to have unsolvable state affairs.

How can there be a thought about who Yuaotian is involved with?!

Is it?!

what!

Is this Zeng Kairui really powerful?!

He deliberately matched what Xin'er sister said to Yuaotian, and inspired himself to be with Yuaotian.

Bacheng wanted to inspire his vinegar, and asked him to break up Yuaotian and Xiner, and to be with Yuaotian, right?

Everyone who believes in the Politburo should know that as long as Yu Aotian marries her sister Xin, she will definitely be promoted to the position of prime minister.

On the contrary, Yuaotian must be with himself, not only unable to rise step by step, but also handled internally.

Zeng Kairui was playing with this little abacus. Did she take her as a little girl who knows nothing?!

"Oh, Deputy Prime Minister Zeng, you should know ... my husband just passed away. So ... I don't want to think about personal issues." Otherwise, I secretly love Yuaotian, and I don't admit it, Zeng Kairui, you are entangled.

Right.

Hey!

"Oh, yes. It's also ... also ... hehe. However, things like emotions, waiting, waiting, may be missed."

"Thank you, Deputy Prime Minister Zeng for your concern, but ... Chairman Yu will not be interested in me. You know how much he likes the type of sister Xiner."

Hum, he didn't call Yu Aotian to be with Xiner's sister, she just said so, even if it scared or scared Zeng Kairui!

"I don't quite understand this kind of love and love of your young people. However, after all, the feelings are won by people. However ... If the Chairman Yu is really with Xiner, it is estimated that he will be promoted to one or two levels,

Not bad."

Uh.....

Zeng Kairui does n't have to understand what he said, right?

Does he need to use such a name to say that Yu Aotian will be promoted?

Wait!

and many more!

Assuming that Zeng Kairui already knew that Yu Aotian had killed his mother, then he specially named the relationship between Sister Xin'er and Yu Aotian at this time.

Halo, do you count?!

Deliberately implied that after sister Xin and Yu Aotian were together, Yu Aotian would rise step by step.

So in order to get revenge, will you do everything possible to dismantle him and Xiner sister?

It turns out that this is the purpose of Zeng Kairui talking about these things!?

Terrible!

This Zeng Kairui spoke so amiably, so I didn't expect every word to hide the mystery.

I can't take it lightly.

"He ... hehe ..." Yao Yaosheng was afraid that he would say something wrong, and simply responded with a smile.

Unconsciously, the car gradually parked in front of a simple villa.

"Senior Deputy Prime Minister, here we are."

Yaoyao surprisedly looked out of the car window: "This is?"

"My family. Come, Miss Luo, let's go in and talk."

Isn't it?

Why did she follow Zeng Kairui to his house?!

Originally wanted to refuse, but Zeng Kairui had already got off the car, Yaoyao had to nervously follow in.

This villa looks much smaller than the house of Yuatian.

However, this is normal. Yu Aotian has his own business after all; and Zeng Kairui is a thorough politician who lives too large and will be investigated by the government.

The villa is surrounded by bodyguards.

I'm afraid that a fly can be shot to death.

There is also a metal detector when entering the door, it is estimated to prevent the intentional person from sneaking into the gun.

It must be said that the protection of leaders is really too cautious.

Sitting in the living room.

The maid brought two cups of tea and placed them in front of them.

"Miss Luo, are you really interested in joining our government department?" Zeng Kairui took a cup of tea and took an elegant sip.

"I, I ... have this intention, just think ... it seems to be insufficiently qualified."

"Oh, Miss Luo, your status in the legal profession has been spread in the State Council. How come you are not qualified to enter the government department? You know, the government department is still very eager for the elites in the legal profession."

"This kind of ..." fainted, how to get rid of it, she didn't want to make the mother of heaven angry!

"His, but I still have to manage Feng Shi, can I do both?"

"Of course you can. Have you forgotten, the Chairman Yu is also managing Bosen, and is dealing with the affairs of the State Council. It may be that the relative work intensity is stronger." Zeng Kairui's charming smile slowly let go.

Tea cup in hand.

"Oh. Then I ..."

"Well, Miss Luo." Before Yaoyao finished talking, Zeng Kairui immediately intercepted her words: "The day after tomorrow is my birthday, there will be many government officials attending.

Consider slowly whether to join the government department, how? "

not very good.....

Yuaotian hated Zeng Kairui so much, if he knew that he had participated in Zeng Kairui's birthday feast, he had to cause chaos!

"His ... the day after tomorrow, I ... I have arranged."

"Oh, that's a pity." Zeng Kairui's lost sigh.

"But it doesn't matter. If Miss Luo changes your mind, call me and I will send a car to pick you up."

"Well, okay, okay." Looking at the wall clock on the wall: "Deputy Prime Minister Zeng, who has delayed you for so long, it's 6 o'clock now, and I have to go home to eat."

"Yeah, it's 6 o'clock, time is running fast." Zeng Kairui got up and looked at the housekeeper beside him: "Is dinner ready?"

"Sir deputy prime minister, ready."

"Hmm." Zeng Kairui nodded and walked elegantly to Yaoyao: "Come together."

Isn't it?

Have to eat together?

"Oh, now that Miss Luo has arrived here, dinner is ready, and it 's okay to go after eating, right?"

Khan ...

It's okay but it doesn't matter, but ...

Forget it!

Never mind!

Anyway, it's already here, eat it.

If you leave too panic, Zeng Kairui will be suspicious.

"Well, okay, then thank you Vice Premier Zeng for entertaining ..."

the other side.....

After the agents of the Politburo treated Yu Aotian's wounds, he returned to the State Council to deal with unfinished business.

From time to time ...

4 o'clock.....

5 o'clock.....

6 o'clock.....

As time went on, Yu Aotian became more and more irritable, and he snapped the documents in his hand with a loud bang.

Don't you know that Yaoyao is home?

At this time, he couldn't call to ask because she couldn't help her still at Zeng Kairui!

"Ah!" Sighed resentfully, Yu Aotian picked up the clothes on the back of the chair and walked out of the office.

"Li, where is it?"
