"What?"

So two girls are still arguing about the dresses until Li Ruo Ting called Feng Chen Yi to support her.

"Chen Yi, come here."

So finally both of them together, Yao Yao thought when she heard Li Ruo Ting called Feng Chen Yi's name.

Two years ago Feng Chen Yi hurried back to China and half year later followed by Li Ruo Ting. During that time, she resented both of them, every day and every night! Everyone who separated by third wheel might do same thing. After two years both of them still together.

"Chen Yi, you see that dress wore by Luo Yao Yao, do you think it suit her?" Li Ruo Ting asked.

He eyes cold as ice looking at the woman in front him, a woman that he loves so much...

And then when his eyes spotted at the things, carried by Yao Yao...

"General Manager Feng, Miss Luo didn't take the bank note."

"Said."

"Well, the detective who was investigated Miss Luo had said that she has associate with a man."

"

"Who's the man?"

"This... the detective said that the man is someone powerful either in status or wealth, moreover he also has his own bodyguard wherever he goes, alike his shadow following him."

Damn! Who is the man that together with Yao Yao?

"Of course you, Li Ruo Ting." Said Feng Chen Yi after he gained himself.

Suddenly Yao Yao felt her heart ached, cannot breathe. It is so normal if the boy friend praised his girl friend but how can she sad? Perhaps...

Later in order to end the conversation, Yao Yao asked the sales girl to wrapped all the stuffs and settle the bill.

"Vip gold card?"

Everyone looked at the sales girl who exclaimed the VIP Gold Card given by Yao Yao. No wonder everyone quite shocked when know she has VIP Gold Card because this kind of card is explained the power of wealth and status of the holder in society. There are only ten cards holder for this card in entire China, this card does not has limit and also it amount is countless, only the super rich people who can has this kind of card.

Episode 72

Inside the office

Yu Ao Tian mobile phone kept on sending notification about the card spending. It has reached at least 3,000,000 dollar."It seems no matter what kind of people, all of them cannot resist the temptation of money."

"CEO Yu, what did you say?"

"Oh, nothing is important. Continued." He kept his mobile phone and exposed his devilish smiled, however, behind that smiles, he is gradually disappointed with Yao Yao...

At the shopping center.

"Oh my, I had swept more than 3,000,000. I might get possessed just now." She murmured.

That when she signed the contract, she pledge to herself that whatever she did only for grandpa medical fee so that she agreed to be lover, her status might lover but she does not want to live as lover.

But now?

After a moment she came back to the boutique when certain, Feng Chen Yi and Li Ruo Ting have left. She stood at Kenzo, welcomed by the sales girl.

When she said that she wanted to return back the stuff, the sales girl even thought she was kidding but she not. She really wanted to return all those stuffs. After the sales girl done with the process they without hesitation talked bad about Yao Yao in front of her but it okay for Yao Yao as long as the money refund and back.

When Yao Yao wanted to leave the store suddenly Feng Chen Yi appeared in front of her and said, "Wrapped all the things back!"

"Hah?" The sales girl doubted.

"Do you understand? I said wrapped all the things that returned by this lady!" he gave his own card to the sales girl.

Feng Chen Yi eyes as if locked his sight deathly to that Armani held by Yao Yao, "Have good taste.

" He pointed at that brand.

Yao Yao step backward, frowned: "You, you have left, why come back?"

"I didn't leave yet."

She lifts her head up looking at him.

"Are you curious why I haven't left?"

She nodded.

"Uh, I know that dresses isn't suitable for you and you will come back to return it."

Feng Chen Yi too understood her because they had together about two years.

This is one of the most humiliate situation that she ever experienced, initially she met two rotten bastard, in order to vent her anger she insisted herself to buy the dress that she not like as the name of self-pride and then she returned back all the stuffs and caught red-handed.

It seems she always be loser in front of Feng Chen Yi!

"Yao Yao, seems that you have opened your mind not much, after all you take everything now."

"Feng Chen Yi, said clearly what you want to say?"

"Ha, that time when I gave you a card, beat you to death you would not accept it but now you are so easily take other?"

Hearing what Feng Chen Yi told her, as if there are thousand needles piercing inside her heart.

"This is for you, Yao Yao."

"Gold card? What do you mean?"

"Take it."

"No, I don't want. It not like I don't have my own money, I don't need it!" because of that matter, both of them were in cold-war until Feng Chen Yi made compromised.

Now, when this matter brought up, it felt as if she got a slap on her face. Hurt, it is absolutely hurt.

"Luo Yao Yao, with whom are you now?" Feng Chen Yi asked.

When she is being asked by him, she nervous and doubt, she lower her head. She does not want to say anything! Not want to think about it, although she tell everyone in this world that she is Yu Ao Tian's lover, she just does not want to let Feng Chen Yi know about her status.

Why? It not like she the person who made mistake, why should she afraid to let Feng Chen Yi know?

Yao Yao intending to leave the store but Feng Chen Yi stopped her: "Give you."

Ignored Feng Chen Yi she left. His expression terrible bad, took out his mobile phone: "Lisa, I want you to check one thing!"

"General Manager Feng, please say."

"You give a check about the names of VIP Gold Card holder!"

"Hah? General Manager Feng, that card is related to ten people who information well-protected."

"If you want to check it, it might take longer time."

"Rice tub (good for nothing)!" He, Feng Chen Yi, is all of his subordinate useless? "You just need to check seven others!"

"Why just seven?"

"....." pissed off, "my family has three, so that you just need to check others seven, if you cannot perform the simple mathematics, Lisa tomorrow you don't need to come for work anymore!"

"I am sorry General Manager Feng. I will check it immediately."..

Episode 73

At Berson Group.

After Yao Yao sent the necktie, she went to Yu Ao Tian's office room directly, but just when she entered the door...

"Babe, how's the shopping spree today?"

It seemed that Yu Ao Tian had already found out.

"Actually, my purpose coming here today...is to return your card." She put the bank card on Yu Ao Tian's desk.

He gazed at her with his deep eyes, and smiled: "It's okay Babe, you don't need to worry. This card belongs to you now, which means you can buy whatever you want. I have no objection to that."

But she objected!

"Thank you, but I really have no need for that." With that said, she strode out the CEO's room.

Not long after she left, Yu Ao Tian's mobile phone suddenly began ringing, he took out his phone and saw all the notifications which stated that all his money had been refunded. "So she was just putting on an act." It seemed he had once again underestimated this little thing's self-control, but...

"What made her suddenly want to spend money so lavishly?"

After leaving Berson Group, Yao Yao wandered aimlessly down the road.

It was her first day without the job, and yet she already felt empty inside her. How was she supposed to spend her days in future? She hoped school would start soon.

Without even realizing it, Yao Yao arrived at the night club that she had worked before: "This is?"

Since the day she was beaten by that mafia guy, she had never come here again, if she came back to work now, would they still hire her, "Just forget it... this place is not suitable for me."

She kept walking aimlessly. But she knew she couldn't go on like this. Today she could just return the bank card to Yu Ao Tian, but what about tomorrow? And the day after tomorrow? Sooner or later she might give in. "No, I must find another job, even a part-time one!"

"I must be searching for job."

Two days later...

"Welcome, what would you like to order?" In the fast food restaurant, Yao Yao was greeting every customer warmly in her uniform.

She has been working in this fast food restaurant for two days, the salary is not much but at least enough for her.

"Give me one super set!"

"Please wait for a moment." After preparing the super set meal efficiently, she nodded with a smile:
"Thank you."

Have a nice day. The next one, what do you, uh.... What do you want to order?" the next customer who stood in front of her was a man in a black suit, wearing a pair of sunglasses, looking rather scary.

"Give me one ordinary set."

"Okay, okay, please wait a moment." she packed a set of food, and just when she wanted to hand it over to that man...

"Miss, if you do not wish to attract others' attention, better follow us silently." The black suit man held the tray on one hand, and stuck the gun against her belly with the right hand.

"What do you want?" her forehead sweating, Yao Yao looked around at the surrounding customers and asked with a hushed voice.

"Please follow me."

Who was this man? He didn't seem to be a robber. Yao Yao rolled her eyes, and then walked towards the door around the counter.

"Luo Yao Yao, where are you going, not serving the customer?" Just when they were about to leave the restaurant, the manager suddenly ran towards them angrily.

The opportunity came! She turned her head indifferently, and then cast significant glances at the manager, "Manager, I, I have things to do."

"Now is working time, what things do you want to do, beside why are you blinking eyes at me?"

".....

....."For heaven's sake~ This manager was really stupid, couldn't he feel something's happening right now?

At this time, the black suit man stared at the manager, and then wielded the gun towards him.

That manager finally understood☹-"Luo, Luo Yao Yao, if, if you have things to settle, then just go."

Why not just ask her to go to the hell. Although she had only worked for two days here, the manager was really too heartless? Hopefully...he would call the police...

Inside the mansion, Yu Ao Tian was sipping the red wine while reading the documents in the living room. suddenly his phone began ringing and disrupted the whole atmosphere. As he listened to the report from the other side, Yu Aotian's eyes sparkled and his corners of mouth curved upwards quite wryly. "I see, well done."

After he hung up the phone, he changed into a suit and rode the elevator downstairs to long brothers' home. "

"Ao Tian, it has been late night, why are you coming?" asked Long Ye who opened the door.

"Where is your brother?"

"Wait a moment." Not long after that, Long Ye woke up his younger brother Long Qi who was sleeping soundly.

The drowsy Long Qi yawned: "Ao Tian, what happened?"

"Now you muster some people and go to the Red Dragon gang immediately (another mafia group)."

"Hah?" Long Qi was now wide awake, and asked excitedly, "Ao Tian, Finally you want to start the war? You say how many people should we bring? 500, is it enough or not? Or just 300? Hahahahaha."

Seeing how excited Long Qi was, Yu Ao Tian frowned and added anxiously: "Luo Yao Yao is kidnapped, you take five or six people to help her out!"

"Ah? I, I see. I'll immediately go."

"Wait." Yu Ao Tian approached Long Qi and whispered something into his ears. Long Qi nodded and then changed his clothes briskly and then left in a hurry.

But not long after Long Qi left, that anxious look on Yu Ao Tian's face suddenly vanished, instead, an ominously cold smile took its place. Long Ye who was standing silently by the side observed this sudden change, suddenly cracked into a smile: "Ao Tian, do you need me to do something too?"

"Of course." He turned around, with his eyes darkened furthermore, and slowly said, "Inform Xue Tong, Han Li Shang, the plan can be carried out now!"

"OK!"

In a hall which was quite imposingly decorated, an elderly man probably in his sixties was sitting in a chair at the center, while some twenty men in black suits were standing by his side, all of them looked sturdy and powerful.

"Boss Zong, the girl you asked for is here." One underling made a report. Yao Yao was led into the hall slowly by a black suit man.

"Are you sure it's this girl?" Boss Zong sized up Yao Yao with incredulous eyes.

"Yes. I have asked the Tian Shang Ren Jian's manager, it's her."

"But.... This little girl looks only 14 or 15 years old, is Yu Ao Tian into teens?" Boss Zong mused to himself and in order to avoid mistakes: "call my son here to confirm again."

"Yes."

Episode 74

Not long after that, a man with one hand came toward Yao Yao.

More she looked more she felt familiar with that man, didn't he....

Damn! It seems really him! Deadmeat! Did he come to take revenge?

"Dad, this is the girl. It was her." Young Master Cong said.

Yao Yao trembling because fear: "That, that time I had smashed your head with bottle because...because... because you... you..."

"Haha, little girl, don't be nervous." Cong Big Boss stopped Yao Yao, slowly he walked in front of her: "I invite you come here, it's not to make things difficult for you. I just want you to speak honestly, are you Yu Ao Tian's woman or not."

Heh? How can this relate to Yu Ao Tian? She glanced at Cong Young Master, his hand... did Yu Ao Tian cut it? "Yu? Ao Tian, who?"

"You little bitch, don't act fool, if not because of you, Yu Ao Tian would not cut off my hand."

Oh! So his hand was really cut off by Yu Ao Tian? If there's the matter, she must even not admit that she knows Yu Ao Tian: "I really don't know the person named Yu Ao Tian, you guys not make thing difficult for me."

"Little girl, have you ever heard his name?" compare to his rough son, Cong Big Boss has better manner.

"I don't know!" Yao Yao shook her head certainly.

"Ha!" unknown to her, Cong Big Boss waved his hand: "Lock her up!"

"Wait! Why are you locking me up? I have told you that I don't know the person who named Yu Ao Tian, why are you locking me?"

"Little girl, you don't need to lie, Yu Ao Tian is very famous, although you never seen the person at least you might hear his name?"

So that this old grandpa is an old vixen, no wonder he asked whether I ever heard Yu Ao Tian's name or not. Yao Yao pouted: "I just back from..

. the south, absolutely I don't know the person you people said, beside that, if really as you said, if I really have relation with him how could I working in night club, trying to earn money to the point be such bitter?"

"Heh? It's sensible." Cong Big Boss rolled his eyes: "Release her."

"Big Boss, what should we do now?" one of the Xiao Di who stood beside him asked.

"Don't bother this little girl, I will make phone call to Yu Ao Tian."

"Yes."

One of the Xiao Di dialed the number directly to Yu Ao Tian's phone. Not long after that, "Hello?"

"Ao Tian, it's me Cong Qing Rui."

"Are you Cong Big Boss, what's matter?"

"HaHa, it not really a matter, but... your girlfriend came to my place as guest."

Damn! Yao Yao nervously, gulping her saliva.

"My girlfriend? Who do you mean?"

"Luo Yao Yao."

"Luo Yao Yao? I don't know." Yu Ao Tian spoke coldly.

Yao Yao felt so much relieved when she heard it, it seems that she and Yu Ao Tian had same way of thinking. But...

"Don't know? How can? But Luo Yao Yao said that she is your girlfriend. If both of you don't have any relation, I will.

..immediately kill her!"

Bastard! This old vixen how could he lie, she clearly said that she didn't know Yu Ao Tian, just hope that Yu Ao Tian smart enough to avoid his trap.

"Huh, that Luo Yao Yao really have gut she even dared to fake as my girlfriend, well, Cong Big Boss, I bother you to finish her, that person." After said, Yu Ao Tian hung the phone call.

Otherside...

Seeing Yu Ao Tian hung the phone, Long Ye felt something amiss: "Ao Tian, you are denied but Xiao Meng Li has admitted, due to that old man character, he won't let her go."

Yu Ao Tian eyes flashed, he smiled: "Rest assure, according to that little thing IQ, she would never admit it."

Based on his intuition and the time together with her, Yu Ao Tian had known her reaction earlier, the way she thinking and analyzing on something, although sometime she can be so muddle headed, looked stupid but when she facing with big problem, this little thing really smart enough to handle, she won't lose.

Chi Long Bang...

"I have told you, I really don't know the person called Yu Ao Tian. Can you let me go?" Yao Yao innocently looked at Cong Big Boss, to "Proof" herself innocent.

Cong Qing Rui took deep breath, glanced at Yao Yao, confidently said: "It seems that, this little girl has no relation with Yu Ao Tian, so that..."

"Dad, no matter whether she has relation or no with Yu Ao Tian, the fact she smashed bottle to my head, so that..

." after he said, Cong Young Master smiled. It seems that he has special attention toward Yao Yao since the beginning.

"Do whatever you like. She is useless."

"HaHa, little bitch, no matter how, you are still falling into my hand." Cong Young Master walked toward Yao Yao.

But at this moment...

"Big Boss, there is one of Yu Ao Tian's man looking of you."

"Heh? Yu Ao Tian's man? Let him in!"

"Dad, how is about me?" Cong Young Master stopped his step, unhappy looking at his own father.

"You wait aside. Don't do anything, just see what Yu Ao Tian's man want."

"Oh." Cong Young Master stood aside.

Yao Yao can take little break, does not know who Yu Ao Tian asked to come.

"Cong Big Boss."

The person is Long Qi and other five men.

"You?" Said Cong Big Boss.

"Dad, it was him! It was him who cut my hand off! His name is Long Qi!"

"Long Qi?" Cong Qing Rui ever heard this name before, paused: "Ha, I have ever heard the rumor there is one of Yu Ao Tian's men who name Long Qi, but never thought the real person such young? Very talented person!.

Episode 75

"Oh, am I really that famous? Even you, Big Boss Cong knew me?"

"Of course. There is no one in underworld who doesn't know the four great men under Yu Ao Tian. The first one is the talented war strategist the cold Han Li Shang, as rumor spread, he is taking care half of the underworld Emperor's business. The second is your big brother, the man with big smile, Long Ye. The third is the cold and icy queen who beauty equal to fairy, Mo Xue Tong and the fourth... is you, the person who able to fight ten people at one time and also the makne (youngest) in Yu Long group. The best fighter and also the stronger warrior, it's you, Long Qi!"

This is not the courtesy conversation by Cong Qing Rui, in the mafia's world, the infamous Yu Ao Tian is legend, but his four men are also awesome and skilled people, if not because of their hard work, helping Yu Ao Tian, they won't be as famous as Yu Ao Tian like today.

"Ha, thank you for Cong Big Boss praising." After said, Long Qi laughed.

"Well, let we go to the point, why Yu Ao Tian asked you to come here?"

"It was not my Big Boss asked me to come here."

"Oh? So..."

"You will know just by seeing." Long Qi rolled his eyes and looked at Yao Yao who stood beside him.

"You strangely caught my girl of course I must come here!"

Yao Yao understood after she listened to their short conversation, there is no way for her to reject or deny Long Qi said.

"Oh, so is she your girl?"

"That's right. To recall, before your son even dare to dally my girl, I even cut his hand off. Did I? Cong Young Master." Long Qi is laughing while looking at Cong Young Master.

"So, that how thing went on." Finally Cong Qing Rui understood, seeing the age between Yao Yao and Long Qi, both of them are look more compatible so that he believe that both of them really couple.

"If it was true, so my son was doing wrong."

"Dad!"

"Xiao Cong (little Cong), you shut up! Long Qi ah, I think there is misunderstanding in here, since everything is cleared, you may take your girl friend."

"Well, good bye Cong Big Boss." After said, Long Qi held Yao Yao's hand and took big stride leaving Chi Long Bang.

"Dad, are you really let them off?" Young Master Cong unhappily asked.

Cong Qing Rui stood up from his seat: "I can't do anything about this. First, that girl isn't Yu Ao Tian's woman so we cannot threaten him. Second, Long Qi isn't easy to handle even we force to make him stay here; it will only create an opportunity for Yu Ao Tian to get rid of us. Why should we make ourselves such bitter? Just wait another time!" continued: "when the time comes, we will able to hold his weakness and control even kill him!"

After heard what his father said, Cong Young Master who stood beside his father talking to himself: "In order to have someone weakness we need to get it from his woman or his family, but Yu Ao Tian simply to say too perfect, it was not easy to catch the girl which we thought as his woman, but never thought we would wrong caught. What can control him, actually?"

"Big Boss! Big Boss! Yu...Yu Ao Tian coming." Suddenly one of Xiao Di is rushing inside, informing Cong Qing Rui.

Cong Qing Rui and his son looked at the Xiao Di: "Are you sure that person the real Yu Ao Tian?"

"Certainly, absolutely!"

"Wait, how could after Long Qi left and then Yu Ao Tian comes? How many people he brings?"

"About ten!"

"Only ten, Dad, you don't need to be such tense?" Young Master Cong laughed at his father who looked so tense after hearing the Xiao Di report.

"Shut up, faster ask him to get in."

"Yes, Big Boss."

Yu Ao Tian brought Long Ye and Mo Xue Tong and also ten of his men inside Chi Long Bang.

Cong Qing Rui hurried welcoming him: "Yu Big Boss, what bring you to visit my place? Long Qi just left, and why are you coming here personally?"

Yu Ao Tian spoke with his lower voice which makes Cong Qing Rui dumbstruck: "En, I knew that Long Qi just left so I came here to find you."

"What Yu Big Boss means?"

"Aiya, actually my coming today is only to ask little favor from Cong Big Boss." He purposely said to bring up the topic.

"What favor?"

"Well, this, few days ago there were some cockroaches that got into my office, I want Cong Big Boss... help me to check whose cockroaches they were belong to, can I?" after said, he put pressure on Cong Qing Rui's shoulder.

Cong Qing Rui is trembling, his face white pale, after long time he gained himself: " Ha Ha Ha, Yu Big Boss. Impossible you didn't know, before you were such famous in Japan even the China mafia, all of us know about you. But two years ago you came to China and entered the business world while your underworld activity seems be lessen, everyone thought you might retire but there was rumor spreading saying that you wanted to conquer China's mafia, afterall...." His eyes rolled: "Even I help you to check why those people came to attack your company, you didn't have any evidence how could you revenge?"

Cong Qing Rui way of speaking has threatened meaning; he also knew that Yu Ao Tian had already known that he was the person who sent those men to his company.

Even the commoner moreover the mafias knew that Yu Ao Tian is someone holds grudge and vicious, since he knew the person who attacked his company, Yu Ao Tian has not made his movement because he did not want to act recklessly by offending others Mafia's groups. It seems the rumor about Yu Ao Tian is real.

"Well, it seems the information is quite fast come to Cong Big Boss, but you have mistaken about one thing."

"What?"

He free his hand that touched on Cong Qing Rui's shoulder and then elegantly he sat down and makeup his neck tie: "Now, my status is businessman, indeed I could not take any revenge without evidence, but..." a pair of his black eyes sharply looked: "My situation, I have evidence, if there is someone dare to kidnap my woman, I don't even say something, I might be an useless man, do I right?"

At this moment suddenly one of the Xiao Di is rushing inside.

"Cong, Cong Big Boss!"

Cong Qing Rui looked at Yu Ao Tian, "Yu..."

"Oh, don't be such rushed Cong Big Boss, there still something."

Cong Qing Rui face stiffens after he saw another Xiao Di rushing inside the living room... "Yu...You?" suddenly he felt his body numb.

"So that little girl really your girlfriend?" his put all his attention to Yu Ao Tian, "Yu Ao Tian, you... after all... you are taking your woman as bait?"..

Episode 76

"If I don't make her as bait, how could you take the bait?" At that time when Yu Ao Tian cut off Young Master Cong's hand, he had predicted this thing, so that, he asked someone to follow Yao Yao for this entire time.

Finally through this situation, Cong Qing Rui understood the rumor spreading in Jiang Hu (refer to underworld) about Yu Ao Tian's characters. Now, he must be believed after experienced by himself.

He made Yao Yao as bait so that Cong Qing Rui would take the bait and then he asked Long Qi to pretend as Yao Yao's boyfriend and take her leaving this place. He had known earlier who had attacked his company but he could not make a move since there was no solid evidence to take revenge.

But today his appearance is more than enough to make people understood his temperament!

Chi Long Bang banished, it just time matter since Cong Qing Rui knew that as long as Yu Ao Tian determined then he would able to do it but he just not believed on himself who fail because Yao Yao.

When he asked that little girl, she showed her innocent expression as if she told him the truth. She told him that she didn't have any relation with Yu Ao Tian. So that he let her go. Unknown, after she left with Long Qi, Yu Ao Tian came to collect the debt with him.

In the blinked of eyes, Long Ye gun has shot Cong Qing Rui and that old man died instantly leaving his coward son who begged for mercy from Yu Ao Tian.

"Yu... Yu..

.Big Boss Yu, please let me go, I beg you. I promised to leave and won't ever come to seek revenge."
Young Master Cong begged on Yu Ao Tian's feet.

"Are you sure?" asked Yu Ao Tian.

"I swear. I won't ever come back. I won't..." before the finished, the gun has shot his head.

"I never believe living people, only the dead worth to trust!" Yu Ao Tian left Chi Long Bang.

That night Chi Long Bang vanish without trace, all the men swept by Yu Ao Tian's men..

Episode 77

"Drink the tea."

"Thank You." Long Qi poured the tea to Yao Yao and she took a sip. Suddenly Long Qi's phone rang, it was short message notification.

He took out his phone, read the message... "Damn!" he pissed off.

"Long Qi, what happen?"

"It pissed me off, my brother just messaged me they are on the way home from Chi Long Bang!"

"So what?"

"So what! Tonight Yu Ao Tian suddenly called me that he planned to banish Chi Long Bang, so that he asked me to take you out from there, the result after I took you out, all of them had already wiped them

out, did he thought me as fool, cannot forgive!" after said, Long Qi tossed his phone aside because angry.

Seeing Long Qi, Yao Yao helplessly said: "I think, Yu Ao Tian because he trust you so much that's why he asked you to take me out."

"Humph, if he trusts me, he should bring me along to wipe out Chi Long Bang!"

"No, not like that Long Qi. I don't really understand how you guys work but at least I know, wipe out Chi Long Bang must be easy for anyone but not everyone can take me out from that place except you, Long Qi."

"Huh? What do you mean?" Long Qi curiously asked.

"I asked you, did Yu Ao Tian ask you to say that you are my boyfriend?"

"En."

"You think, when that scoundrel told I was your girlfriend they were believe rather than when saying that I was Yu Ao Tian's girlfriend. Telling them, me as your girlfriend is safer, As long as you able to bring me out from that place and then, Yu Ao Tian can be freely to attack that place. So that, although you are not joining them, your contribution is the biggest one."

After he heard Yao Yao explanation suddenly his heart lighter even he not fully understand what she meant.

"Ha, you flat chest, you are really good in "catch" other heart, after I heard what you said, my mood better. Come, let me kiss you."

"No!"

When he wanted to kiss her suddenly Yu Ao Tian has already back and looked at him: "Ao Tian, you back?"

"This is my room, can't I come?"

"Oh yeah.

" But Long Qi felt something wrong with Yu Ao Tian.

"Long Qi, you go home."

"Hah?"

"Go home, understand?" Yu Ao Tian raised his voice.

"Good, Good bye." Yao Yao said looking at Long Ye and then glanced at Yu Ao Tian.

After Long Qi left, Yu Ao Tian rushed and sat beside Yao Yao, while she lower her head as if a student who caught do something wrong, silent.

"Do you understand your status now?"

He spoke coldly to Yao Yao and she just bit her lips.

"Do you like Long Qi?"

Before Yao Yao answered him, Yu Ao Tian has grabbed her hand and his action hurt her so she scream, "Aw, hurt!"

"Did he kiss you?"

"No, he not kissed me. Long Qi, he just..."

She felt so sad, her pair of eyes moistens. Her expression is similar to little white rabbit which provoke Yu Ao Tian even more.

He dragged her to second floor and tossed her to his bed. "Hurt, let me go!" she screaming and then she crying. Seeing her crying such miserable, Yu Ao Tian soften.

"Later you cannot bring other man to home other than me, understand?"

"Hu Hu... that because Long..

." suddenly Yu Ao Tian yelled at her: "Not allowed to call his name."

"I won't call."

At this moment suddenly Yu Ao Tian laughing, "Alright, stop crying." He wiped her tears with his fingers, and then his eyes looked at her left should that has scar.

"I only want her data before she went to Japan!"

"Actually, this is the second thing that I wanted to tell you. This Xiao Meng Li data before 12 years old is... kept secretly by the government, no matter how it cannot be tracked"

"No matter whom, it hard to track down..."

His mind recalled his conversation with Long Ye, while his finger pointed at the scar... "This..."

Yu Ao Tian hasn't finished but Yao Yao reacted: "This, This so ugly, right?"

"Why are you saying so?"..

Episode 78

"Because... every time I had sport lesson, everyone would looked at me weirdly or they were laughing at me."

"How this scar..."

Being asked, Yao Yao hesitated for while, "Actually, I also, I don't have memory about it."

"Forget?"

"Hm, when I was 6 years old, I got car accident, so I forgot everything."

Damn!

Yu Ao Tian believed that Yao Yao did not lie to him, because he able to see her longing in her eyes for her memory. But he wanted the memory before she was six years!

"Is there anything?"

"Nothing." He pressed his anger in heart, Yu Ao Tian eyes is looking at somewhere...

Yao Yao sensed Yu Ao Tian eyes flames, she used the quilt to cover her body: "You, can you leave now?"

"Ha, Bao Bei, I have just arrived, why you drive me out?"

"No, I don't mean. Just...just..." if keep in this situation, she afraid something might "Happen"

"Do you afraid I will touch you?" Yu Ao Tian looked at her as if seeing through her heart.

Yao Yao silent as if that is her answered.

"Hah, Bao Bei, why I feel as if you are longing... me?" after he said, Yu Ao Tian smiled deviously.
