

Pure Girl 721

Episode 721

"Nothing found?"

"Well ..." If you find it, you don't have to be so depressed.

"Brother ... I'm leaving now."

"Wait." Long Ye suddenly pulled her arm: "Is there a date tonight?"

"No."

After listening to Long Ye, those charming eyes turned, bent, and said ambiguously: "Yaoyao, accompany your brother and me tonight, how about a two-person world?"

Khan, does Long Ye's brother say so ... passionately, the whole looks just like them.

"Good!" She nodded helplessly, but she was still very happy.

After all, this is the first time she and Long Ye have come out alone.

I have been siblings for so long, and they have faced a lot of danger together.

It seems that I always feel that there is still a little bit of brother and sister love, probably because of the fact that I rarely come out to play together.

The speeding sports car ran all the way, and directly reached a high-level PUB in the city.

When the windy Koenigsegg CCXR supercar stopped at the door of the PUB, it suddenly attracted thousands of eyes.

The door opened, and Long Ye walked slowly down from the driving position, and fascinatedly patted the roof: "Huh, Koenigsegg's driving feeling is really cool."

"Dragon brother!" A man standing at the door of the bar found that Long Ye was driving this sports car and walked over quickly: "Newly bought?"

"My sister's." Long Ye reached out and pointed at Yao Yao who had stepped down from the co-pilot position.

The man looked at him: "Yeah." He whistled and whispered, "Brother Long, have you changed to the little loli taste recently?"

"What do you say?" Long Ye frowned uncomfortably, and took Yao Yao into his arms: "This is really my sister!"

"Huh?" The man glanced at Yaoyao with a smirk: "OK, OK, OK. Sister ... Sister ... I will be Sister Love in a few days." As you can see, the man still doesn't quite believe Long Ye and

The relationship between Yaoyao.

"Ah." Long Ye did not explain much.

Mainly, everyone is a wine and meat friend, and they can't explain it.

"Brother, did you bring a lot of women to this kind of place, and tell everyone about your sister?" Yao Yao asked tentatively.

Long Ye glanced at her helplessly: "What do you think of your brother? Do you really think I like to recognize my sister everywhere?"

"Hey, kidding." She knows that although the character of Long Ye's brother looks fancy and casual, often this kind of man likes to stick to principles.

It's much better than those men who look serious and have full stomachs.

And Long Ye entered the bar.

Deafening music came from all directions.

But as Long Ye sat on the premium VIP card, the music suddenly stopped.

"Everyone, everybody. I want to introduce to you today, my elder brother! Mr. Long Ye sitting in the VIP position and ... his love sister!" DJ's position just chatted with Long Ye at the bar entrance

Man holding a microphone and opened his mouth with a smile.

All the audience cast their eyes on it.

Yaoyao bowed his head in embarrassment: "Brother? What is he doing?"

"Sister, don't be shy, everyone in the audience today is basically their own. This bar is also opened by the talking boy."

Khan, even if this is the case, don't you introduce her as "love sister"?

So embarrassing!

"Today. My elder brother said, I want to give an important person a birthday. So ... do you know what to do?"

"Know!" Everyone responded enthusiastically.

Yao Yao gave Long Ye a subconscious look. It turns out that Long Ye's brother is going to give someone a birthday today?

Who is the one?

At this time, the man who was still speaking quickly ran beside Long Ye: "Brother Long, Shou Xinglao, are you here? We are all ready!"

"Here it is." Long Ye smiled slightly and started to hug Yaoyao's shoulder: "It's my sister."

"Ah?" What happened?

Isn't it her birthday today?

"Yaoyao, help my brother to save the field." Long Ye whispered in her ear, the charming eyes with a touch of begging luster.

It turned out that the real protagonist did not come?

"It turned out to be your birthday?" The man pointed at Yao Yao inconceivably and then pursed his lips with a smile: "Cut, I knew that the two of you are not in a normal relationship. Sure enough, there was adultery!"

"Your" brother ".

.. really love you. I have prepared all this as early as a week ago, are you impressed?"

"Ferdinand, why are you so crap ?!" Long Ye, who has always used her smile on her face, suddenly stretched her face.

"Hee hee, it turns out that Dragon Brother will also be shy? Okay, okay, I will start the warm-up immediately, and the birthday party will start!" Ferdinand ran away excitedly to do everything.

Yaoyao peeked at Long Ye beside his eyes, and still couldn't find the tender smile on his face.

Perhaps, Ferdinand thought that Long Ye's brother was shy before he suddenly got angry.

However, she feels ... Brother Long Ye's mood should be clear at the moment.

"Brother."

"What's the matter, sister?" Long Ye looked at Yaoyao with a smile.

She looked carefully at Long Ye's eyes. Although he recovered his smile, the gloss in the eyes was cold.

"Today ... actually ... Miss Mo's birthday?"

Long Ye's smile on his face stiffened: "You, how do you know?"

"Hehe, can you be so attentive, only Miss Mo?" She had known that Long Ye liked Mo Xuetong before.

Although the woman around Long Ye has been changing, but his eyes on Mo Xuetong have never changed.

Eager, longing, tenderness like water.

Such eyes can only be shown to the person he likes.

Yaoyao believes that he is not a person who has a thorough understanding of feelings.

However, she could distinguish that Long Ye's eyes were different from those of Mo Xuetong.

"Hmm." Long Ye barely squeezed out a smile, and subconsciously avoided the sight of Yao Yao.

But she still stared at Long Ye's passionate eyes.

Said that when looking at people, one should look at the heart, not just the surface.

If you only look at the surface, you will be cheated.

Is like Feng Chenyi, it feels cold, in fact, he has a fiery heart inside.

And brother Long Ye, it feels gentle and smooth. It seems that everything can be solved with a smile. Actually, his heart should be very fragile?

Is like now, although he smiles, there is a deep sorrow in the depths of his eyes.

"Brother. Do you want me to call Miss Mo and call her over? Although ... Miss Mo doesn't seem to like me very much."

"Oh. Xue Tong has rejected me clearly. Unless, today, there is Ao Tian, 阿天 otherwise, it is useless to call her by her character." Long Ye smiled helplessly, took a deep breath, sadly embraced

He lived on Yaoyao's shoulder, staring thoughtfully at a place.

"Yu Yaotian will come over when Miss Mo?" Yao Yao seems to have reacted: "Miss Mo likes ?!"

"Hmm ..." Long Ye looked at Yaoyao beside her eyes and smiled: "Sister, don't think too much, Aotian doesn't mean that to Xue Tong."

Episode 722

"Brother ... Actually, between me and Yuaotian ..." Forget it, it is estimated that this time I explained to Brother Long Ye that he would not believe it either.

"Does Yuaotian know that Miss Mo likes him?"

"Know!"

"What's the attitude of Yuaotian?"

"You should know, Aotian does not like to be muddy. And Xuetong is like a relationship between you and Aotian. Aotian has clearly expressed impossible with Xuetong. But ...

"Long Ye smiled sadly:" Xue Tong has always been stubborn. No matter what Ao Tian said, she neither let go nor attacked. She likes Ao Tian for ten years. No matter how many people chase Xue Tong during this decade, Xue Tong

Do n't even look at it. "

Miss Mo is really infatuated with Yuaotian.

The most important thing is that Yu Aotian should have changed women countless times in the past ten years, right?

Miss Mo looked like that, how uncomfortable did she feel?

But ...

Also has to say that Yu Aotian's attitude towards Miss Mo is really very mature!

Not every man can do like him.

You must know that Yu Aotian is not a clean man. The number of playmates and a * night * love object should be unclear.

And the appearance of Miss Mo is really the kind of woman who makes a man feel excited at first sight.

Ming Ming Yu Ao Tian can take advantage of Miss Mo's love for him and take advantage of it to have a relationship with it.

But he didn't do it.

It can be seen from this that Miyao is really a man who is very serious and righteous!

Because he knows clearly that once their relationship is out of balance, it means that he has lost the family of Miss Mo!

Ah.....

How to do?

Yaoyao found that he seemed to worship Yuaotian more and more!

"Brother. Do you like Miss Mo, how many years have you liked it?"

Hearing Yaoyao 's question, Long Ye thought carefully: "It 's also ten years."

Is also ten years ...

According to the time they met, it should be when Miss Mo and Yu Aotian met, they fell in love with Yu Aotian, and at the same time, Long Ye fell in love with Miss Mo?

Sure enough, people really can't just look at their appearance.

It seems that Long Ye's brother seems to be a thin-hearted man. Actually ... the opposite is true.

"You and Miss Mo ... are amazing."

"Come on. I don't know how many girlfriends I have changed in these ten years. Anyway, I haven't been idle." Long Ye laughed mockingly.

Yaoyao shook his head: "That brother, you are better than Miss Mo."

"Well? Why am I even better?"

"You keep changing girlfriends, you just want to let go of your relationship with Miss Mo. But one rotation after another only proves that you still can't let go of Miss Mo. This is actually a show of affection." Of course,

Yaoyao also felt that Long Ye must have suffered a lot from this.

"Ah, in short, you and Ms. Mo are so hard, why is destiny so strange?"

Looking at Yaoyao's sighing look, Long Ye squeezed her nose: "You little girl, sometimes it's quite accurate to see things. It's not as good as you talk about, how you feel about Aotian

Right? "

"Hehe ... Yuao Tian ... is the only man I can't see through." She can see Feng Chenyi clearly; Heiyan Dragon clearly; Brother Longye clearly; Long Qi clearly.

but.....

It has been so long since Yuaotianzhaoxi, how much she can understand the character of Yuaotian on the surface, but inside, she really can't see through, a little!

Can't see through at all!

"Haha, indeed .

.. this man, Aotian, is really hard to be seen through. We also got along with him for more than ten years before we slowly understand him. Sister, you worked hard!" Long Ye patted heavily

Yaoyao's shoulder exhaled meaningfully.

In fact, Long Ye is very clear that it is really not easy to be a woman of Yuaotian.

After all, no woman is willing to live with a man who can't understand and understand.

However, the reason why he supported Yaoyao and Yuaotian together was that he really saw Yuaotian's selflessness and care for Yaoyao ...

Suddenly, the atmosphere between Long Ye and Yao Yao became low.

The two thoughtfully fell into their thoughts and started stupefied.

Gradually, Yaoyao realized that this kind of negative emotions could not breed, otherwise Long Ye's brother would become more and more unhappy.

Shui Ling's eyes turned, and she pretended to whine: "Brother, in fact, you are too much today."

Looking back to God, Long Ye smiled blankly: "What's wrong?"

"You said you would come with me to the" two-person world ", and the result was that I was temporarily pulled to save the scene. Is this you using me?"

"Uh ..." Long Ye really didn't wake up for a while, now think about it, he seems, looks, is indeed using Yao Yao.

"Aren't you really angry?"

how can that be possible?

If it is not today's date, how could she see through Long Ye's brother's heart thoroughly?

How can you fully feel the meaning of 'sister'?

It turns out ...

Heart-to-heart communication will shorten the distance between each other.

It also turns people who are not related by blood into a family.

Suddenly, a trace of warmth crossed Yao Yao's heart, but she still pretended to be an angry look: "Of course angry!"

"Dear little ancestor, did that brother recognize you as wrong?"

"If you really want to atone ..." Flashing big eyes turned, Yao Yao stood up with a smirk: "Today, you will drink him without drunk!"

Long Ye only found out that he was deceived by this seemingly honest girl?!

"Yaoyao, I really didn't find that you had so many thoughts?"

Yao Yao in his eyes is a stupid and cute little girl.

Now I know that this cute girl is actually very rich inside.

No wonder Aotian didn't feel bored with her for so long.

"Dragon brother, the cake is here." At this time, Ferdinand pushed a three-layer cake and walked in front of them.

Others in the bar also held champagne and glasses around.

"Little birthday star, happy birthday."

Little birthday star?

Okay, then she will be the little birthday star today.

Yaoyao took the wine glass and held it high: "Thank you." A sweet smile crossed, and she happily drank the wine from the glass.

"Oh" Everyone clapped their hands together, and the atmosphere in the whole bar became very active.

"Ye." Two beautiful women dressed in hot service sat next to Long Ye: "Long time no see."

"You guys?" Long Ye didn't seem to know these two beauties, but who would pursue anything in such a place?

Everyone just wants to have fun.

"Oh, long time no see."

"Come on, drink two glasses." The two women poured attentively to Longye, ignoring Yaoyao not far away.

Ferdinand, who was in charge of organizing this party, quickly squeezed his eyes to the two younger brothers beside him: "Where did these two women come from? Didn't you see Long Ge's little girl friend here? Dare you be so provocative?"

"Brother Ferdinand, these two girls have backgrounds."

"Uh ..." Ferdinand glanced at the two beauties who kept making ambiguous moves with Long Ye, and then looked at Yaoyao who was drinking with a few girls who were not far away. Suddenly felt that this scene was ironic?

Or, is Long Ye sitting and enjoying the blessings of all?

Episode 723

"Little Shou Xing, isn't it?" One of the women beside Long Ye walked provocatively to Yaoyao.

She smiled at the woman and said, "Well? Is there anything wrong?"

"Oh ... nothing, I just want to honor you with a cup." Then, the woman "Gudong, Gudong" poured a glass of pure foreign wine to Yaoyao.

"Sorry, I ... I can't drink so much."

"If you can't drink, just don't give face?" The woman seemed a little unhappy.

Yao Yao looked at Long Ye not far away and found that he was drinking and punching with a girl.

I wanted to ask for his assistance.

But think about it, if you really ask Long Ye brother to help, the atmosphere is estimated to be stiff.

Forget it now, brother Long Ye must be uncomfortable in his heart, let this cheerful atmosphere continue.

Yaoyao endured the pungent alcohol and boldly drank a full glass of wine: "Thank you."

"Wow, the little beauty is really amazing. Here's a cup! Come! Drink it." The woman's charm is more and more obvious.

The Ferdinand next to him couldn't stand it anymore: "Hey, girl. Are you jealous of this little girl?"

"Jealous? Is there any jealousy?" The woman sat next to Long Ye, twisted and twisted, and grabbed his arm ambiguously: "Do you mean this?"

All of a sudden, the atmosphere in the high-end card slot was somewhat solidified, and everyone looked at Yaoyao in unison.

Long Ye also looked at everyone in confusion: "What happened?"

"Poof." At this time, Yao Yao couldn't help but smiled while covering her stomach.

"Sister, what's the situation?" Long Ye had just been drinking with the woman, not paying attention to other details.

"Brother, you are killing my rhythm."

Long Ye seemed to have reacted to it. Those charming eyes swept the woman beside her and looked at the others: "I will tell you again, she is really my sister!"

"Ah? Really?" Everyone gave a questioning tone again.

"Ah ..." Long Ye sighed helplessly and got up to sit beside Yaoyao: "Do you think it is necessary for me to bring a woman out of Long Ye and conceal from you that she is my sister ?!"

"Uh ... Dragon brother! Dragon brother! You have such a cute sister, why didn't you bring it out to play early?"

"Yes. Recently, there are always mature women in the bar, we are all tired of crooked." Several men cheered excitedly.

Long Ye narrowed her eyes with a smile: "You think my sister is cute, right?"

"Yeah! Yeah!" The men swallowed in excitement.

"Then you want to play with my sister. Isn't it?"

"Yeah! Yeah!" These long-time pub buddies have long been numb to beautiful and glamorous women. Pure and lovely loli like Yaoyao, they will definitely have a sense of freshness.

"Listen. You guys, you can play with my sister. But ..." "Ye", Long Ye's face sank: "Don't blame me for not reminding you, if anyone dares to hit her, wait

Let your family come to collect the corpse tomorrow! "

"Dragon brother, why didn't we find that you are still a sister control? Is it necessary to protect the sister so strictly?" Several men expressed their strong protests.

This is finally a fresh blood, only to see, not to eat, how painful?

"That's right. Brother Dragon.

You can trust your sister to us. We will treat her well!" Ferdinand patted his chest with a chest.

"You group of cubs!" Long Ye pointed helplessly to everyone.

Raised his hand and hugged Yaoyao's shoulder: "Dare to rob women with Aotian, I think you are tired of living!"

"Poo ..." After hearing the name of Yuaotian, several men who were drinking were spitting out the wine in their mouths.

Even more exaggerated, the two of them shivered and dropped the bottle directly on the ground.

"Dragon brother, you said ... she is ..." Everyone pointed at Yaoyao in unison.

"Brother!" Yaoyao didn't expect Long Ye to mention Yuaotian's name at this time.

"It's okay, girl, there are several of them in the Yulong Society." Long Ye thought Yao Yao didn't want to expose her relationship with Yu Aotian, and she expressed dissatisfaction. Actually ...

She and Yu Aotian are true ... nothing counts.

"You just know. If you don't want to die, the cover will give me a bright spot! Do you understand?" Long Ye's pretended serious words fell.

Everyone nodded tremblingly: "Understood ... Understood ...

" This time, everyone dare to be arrogant about Yaoyao, they still want to see the sun tomorrow!

All evening, after Long Ye announced his true relationship with Yaoyao, the atmosphere was very harmonious.

The woman who had just provoked Yaoyao was even more enthusiastic about her.

Long Ye is drinking a glass of wine and a beer, and Yaoyao, who is today's "Shouxing", is also being drunk.

Perhaps this is an emotional catharsis, but also an indulgence.

Because this week, Long Ye's mood is not very good; Yao Yao's mood is extremely irritable.

Soon, the brother and sister were drunk and walked out of the bar crookedly with the help of everyone.

"Brother Long, Miss Luo, please be careful."

"I'm okay, I can still drive." Said that Long Ye was about to start the car.

Yaoyao drew his arm staggeringly: "Brother, no drunk driving. Will be caught. Let's ... let's walk back." The tongue and knotted words were not clear.

"Okay, girl, me, I ... listen to you!" Long Ye took her hand and walked across the road.

Those who stood at the door of the bar, you look at me, I look at you looking at each other: "Brother Dragon should be all right?"

"It seems okay. Let's continue to drink." Ferdinand waved, and everyone returned to the bar as if lost.

It can be seen that this group also drank too much ...

Early the next morning.

In the hotel room, a ray of sunlight directly shines through the window on the men and women sleeping on the bed.

The girl ʔdah, ah' chuckled her mouth and turned to hug the handsome man beside her.

Eyelashes flickered, frowning slightly.

Roudu's little hands tentatively explored the man beside him ..

.

what happened?

what's the situation?

In an instant, Yaoyao's breathing almost stopped, and he dared not open his eyes to see who the man sleeping beside him was, and he dared not face it all, only wishing it was a dream.

Who knows ...

"What is it ?! Are you bothered?" Long Ye, who was sleeping, yelled angrily.

But in a flash, he reacted violently.

Quickly opened his eyes.

at the same time.....

Yaoyao also opened his eyes ...

The moment the two eyes meet, the sound of their brains almost exploded.

"Brother ..." Watery eyes overflowed with tears.

Long Ye saw Yao Yao about to cry, and took a nervous breath: "Wait! Wait! Wait! Young ancestors, don't cry first. Maybe ... we ... nothing happened?"

Correct!

Episode 724

Sleeping together, not necessarily doing that kind of thing, right?

Yaoyao wiped the tears from the corners of her eyes: "Brother, do you remember if we have any?"

This is what makes Long Ye irritable!

Sat up, and he scratched his hair in pain: "Yaoyao, I drank a piece yesterday. I don't remember how I came here. Do you remember? What are we doing?"

Yaoyao aggrievedly covered her face with a quilt, slowly shook her head, her memory only stayed in the bar.

"Fuck! What is this called !?" Long Ye held his fist resentfully. He could not accept such a thing, and he could not tolerate it.

"Brother! You ... you ..." Yaoyao sat up nervously and knelt beside Long Ye: "You ... look, look, did you wear pants?"

He heard this and gave Yao Yao a subconscious look.

In addition to the absence of her coat, she was neatly dressed.

Seeing this, Long Ye hurriedly lifted the quilt, this look ...

"Brother, did you wear it?"

"Only ... underwear ..."

This time, the two fell into confusion again.

Yaoyao wears neatly, but Long Ye only has underwear, what's the matter?!

"Brother, is it possible ... because the weather is too hot, you take off your clothes? Actually, nothing happened to us ?!"

If this is the case?!

Long Ye nodded quickly: "Yes, yes, yes, there is ... maybe ... maybe ..."

"No. It seems ... impossible ..." Yaoyao stared blankly at Long Ye's back, his small hand trembling and pulled his arm ...

Following her eyes, Long Ye looked back nervously ...

Safety ... set ...

Still ...

used ...

"I'm going!" Long Ye's whole person cooled directly from the bottom of his feet to the top of his head.

"Woo ..." Yaoyao covered her mouth, and the big teardrops of the fight fell off.

"You hear me say Yaoyao! What's inside ..." Long Ye took a deep breath and tried to keep herself calm:
"If you need Brother to be responsible, Brother ... Brother will be responsible to you."

"Brother, this is not a question of being irresponsible ... woo ..." If she could, she really wanted to die now.

"I know, I understand. In this way, Aotian's side ... Aotian's side ... I'll explain." Long Ye gasped continuously, he hadn't done such a stupid thing in his life, he even drank

So drunk, and brother woman?

Has that woman or her sister had a relationship?!

"What are you going to tell me?" Suddenly ... Yu Aotian's voice suddenly came.

Longye and Yaoyao shuddered, looking at the terrace directly opposite the bed ...

I saw ...

On the sun-filled terrace, Yuaotian and Hei Yanlong sat face to face at a table, and there was a teapot and two teacups in front of them.

The teacup was still faintly hot.

Yu Aotian picked up the teacup in front of her elegantly, and he respected each other with the black flame dragon on the opposite side, and then swallowed it.

Dazzling!

It must be dazzling!

Yaoyao rubbed his eyes hard, how could Yuaotian and Heiyanlong be here!?

He looked at Long Ye beside him suspiciously.

Long Ye also glanced at her, and raised her eyebrows in confusion.

After almost a few seconds, Long Ye and Yao Yao rushed directly from the bed to the terrace at the same time.

"Good morning." Black Flame Dragon greeted the two elegantly.

"You?" Long Ye almost frowned.

For a while, he slammed into a fist and stared at Yu Aotian angrily: "Aotian, your uncle's! That ... you throw it ?!"

This kind of thing is not the first time Aotian has done it. Remember when they were still in Japan, who had not been corrected by Han Lisi, Long Qi, and Mo Xuetong?!

Yu Aotian smiled without a word, and continued to taste tea elegantly.

"Brother ?!" Yaoyao blinked blankly, as if she hadn't reacted yet.

"Grandson! Aotian, you are your grandson! What about my clothes? Where did you take my clothes off?" Long Ye was angry like a ant on a hot pot whirling around.

At this time, Heiyan Long said coldly: "Mr. Long, I took off your clothes. It hung on the hanger."

"Black President, you !?" Long Ye's lungs were almost exploded with air. I really didn't expect that Black Flame Dragon would also participate in it?!

After getting the clothes and putting them on, Long Ye rushed to the terrace again: "Does your two eggs hurt? Is it fun to engage in this kind of prank?"

Yao Yao, who was already stupid, heard this ... "Prank? Brother, both of us?"

"Neither of us farts!"

"Ha! Ha! Ha ..." Yaoyao suddenly felt a cry of joy, but the next second ... "Yes! You guys have a painful egg, are you scared of fun ?!"

"Yao Yao, Vice President Long, you two calm down a little bit first." Hei Yanlong smiled at Yu Aotian in front of him: "Yu Director, are you telling them the process, or am I?"

Yu Aotian smiled gracefully: "Let's say it."

"Ok....."

Early in the morning.

Yao Yao and Long Ye walked out of the bar by more than 2am.

After that, Yaoyao kept vomiting on the road.

Long Ye saw a hotel not far away, so he opened a room with Yaoyao behind his back.

“Brother!

I don't need your back, hurry!

Let me down!

'Yaoyao jumped off Long Ye's back like a little monkey.

“Grandma, can you still stand?’

☞Relax ... feel better!

There must be no problem!

☞Yaoyao 's unstable footsteps took Long Ye 's hand, and the two took the elevator and walked hand in hand towards the room.

coincidentally.....

At that time, Ouyang Zixuan happened to walk out of the room with a woman.

☞Master Ouyang, what do you think?'

At the end of the corridor, Ouyang Zixuan looked at Yao Yao and Long Ye's back from afar: ☞Hi ... It seems that I saw an acquaintance.'

Once the two entered the room, Ouyang Zixuan left with his female partner.

But the more he thought, the more wrong ...

Ouyang Zixuan can be sure that the man is Long Ye; the woman is Yaoyao.

But the two of them came to open the house, don't you think it's a bit too?!

In desperation, he quickly dialed the phone to Hei Yanlong.

Black Yanlong, who is used to sleeping early, received a call from Ouyang Zixuan and was impatient:
"Zixuan, it 's only 4 a.m., what's your nerve?!"

"Fire Dragon, Fire Dragon!"

You ... you know ... did I just see who was opening the room with whom?"

"It 's my business?!"

“Eh!

The heroine is Chen Yi's wife!

Suddenly, the sleep of Heiyan Dragon was awakened: “Who is the hero?

Is it Aotian?’

‘Do not!

It's someone you can't think of in your life!’

‘who is it?’

“Brother Dragon!

Long Ye, vice president of Bosen Group.’

This person really cannot be guessed by Hei Yanlong in his life. After he heard it, his face was scared green: 'location, house number!'

For a long time, he found it according to Ouyang Zixuan's hotel location and house number.

It was already more than 5 in the morning, and it was dawn.

Who knew that when he first entered the elevator, Yuao weather also ran into the elevator panting.

Looked at each other blankly, with an awkward smile on their faces. .

Episode 725

"Chairman Yu, you ... wouldn't it be ... come here ... catch ..." Hei Yanlong was also embarrassed to continue.

Yu Aotian smiled sullenly: 'Mr. Hei, how do you know? '

'Zixuan saw it with your own eyes, how about you? '

“My reporter, just seeing this scene, called me ... called ...” At about 2am, Yuaotian received a call from the company 's chief reporter.

The reporter 's true identity was also from the Yulong Society, and he also knew his relationship with Yaoyao, so he quickly reported the incident, and Yuaotian hurried over.

“Ding” when the elevator reaches the corresponding floor.

The two rushed straight into the rooms of Long Ye and Yao Yao like an arrow away from the string.

Yu Aotian asked the front desk in advance for a room card and opened the door directly.

As soon as they arrived at the door, they smelled the overwhelming alcohol and walked in ...

I saw that Long Ye was lying asleep on the ground like mud.

Yaoyao slept on the bed and slept like a pig.

"Hoo ..." Black Flame Dragon and Yu Aotian saw this, and were relieved at once.

These two people are both coming here, knowing how much things alcohol can change.

Fortunately, the two were so drunk that they both fell asleep.

Yu aotian looked gloomy at the two stalls of 'mud'. Without doing anything, he opened a safe directly ... and threw it on the bed.

"Chairman Yu, you? "

"This little thing almost lost money three years ago because of drinking; Long Ye, too, came back drunk in three days.

The two are 28 years old and 19 years old. The big one is not big; the small one is not small.

If you do n't ask them to remember for a long time, you 'll have to suffer later! "

“Uh ...” Heiyan Dragon suddenly felt that Yuaotian 's trick was really amazing!

In this case ..

.

He lifted Long Ye to the bed and unfastened his clothes.

“Mr. Hei, what are you? ”

“Oh, President Yu, it 's already this way, it 's better to be more realistic.

"He said, he took off Long Ye's clothes after three times, five divisions and two divisions.

Then they sat on the terrace and drank morning tea, waiting to watch the big show.

Tian knew that when Yaoyao and Longye woke up, the two had a conversation in bed, and they almost made Yuaotian and Heiyanlong crazy on the terrace.

Finally, Yu Aotian was more or less unbearable, and then opened his mouth ...

After listening to Heiyan Long narrate all this, Long Ye, despite knowing Yu Aotian's good intentions and hardships, was still very angry: "Aotian! Really, don't say anything, I quit drinking, OK? Quit drinking! Mom

Yes, I think Long Ye thinks of this in my life and it must be a shadow. "

Yao Yao heard Long Ye's non-stop swearing, she knew how scared he had just been, the problem, she was not much better just now, and all cried.

Yu Aotian stood up expressionlessly and said with a smile, "Huh. Actually, you can still drink alcohol, don't drink too much."

"Forget it! This time it will take me half a life!"

"Oh." Yu Aotian pressed his smile, and Yu Guang at the bottom of his eyes glanced at Yao Yao, who was standing quietly beside him.

However, it was immediately received back: "Long Ye, I am going to the State Council, do you want to send you to the company?"

"Well, exactly, I didn't drive." Long Ye walked in front of Yaoyao, and the atmosphere was still full of face, and immediately became a smile: "Sister, I'm going first. Remember, we will stop drinking together in the future."

"

Quit drinking?

Question ...

She does n't drink much at all, okay?

I only drink a little bit occasionally, who knows I drank too much yesterday.

"Hmm ..." Subconsciously glanced at Yuaotian, who was not far away, and hung down again.

"Mr. Hei, I'm going first."

"Director Yu, walk slowly."

Said goodbye to Heiyan Dragon, and Yu Aotian took Long Ye away.

From the beginning to the end, he never said a word to Yaoyao, as if there was no such person as Yaoyao in this room, and he didn't even communicate with his eyes.

In the room, only Heiyan Dragon and Yaoyao were left.

He glanced coldly at Yaoyao beside his eyes: "Is there any quarrel with Chairman Yu again?"

"Ah ..." With a heavy sigh, she slowly returned to the bedroom and fell to the bed helplessly: "More serious than quarreling ..."

"Oh, if it's so serious. President Yu knows that you open a room with Vice President Long, you won't be so anxiously rushed in. You won't even come up with such a bad move to stop you drinking."

Yaoyao's expressionless support body: "Does he want to call my brother to quit the bar?"

"Yes. But if you think about it, Vice President Long is a man after all, even if you drink too much, what can you lose? But what about you?"

Right.

Between men and women, women are often in a disadvantaged position. When they speak of the sky, no matter how big the scandal is, women are always more embarrassed than men.

Oh, this is not the first time Aotian has taught her; remember that a long time ago, he also taught himself things with Xia Renliang's father.

Of course, there are many other things.

Yu Aotian is such a man, there are reasons for doing everything.

However, for her, at some point, Yuaotian is like a parent ...

"I will pay attention in the future. As for the matter between me and Yuaotian ..." Yaoyao smiled helplessly: "It's serious anyway."

She knew that Yu Aotian was angry that she was together with Zeng Kairui. Maybe she only had to promise Yu Aotian to stay away from Zeng Kairui, he would not be angry.

but.....

Then?

What about the chip?

Therefore, the relationship between them is destined to only look far, not close.

Hei Yanlong took Yaoyao out of the hotel and went straight to Fengjia. After sending her to him, he returned to the company.

"Second grandma." The maids greeted her respectfully.

Since Feng Chenyi passed away, Yaoyao has lived with Feng Xiao accompanied by Feng Xiao.

Walked slowly to the living room: "Dad, I ... came back. Sorry, last night ... a friend had a birthday, so ..."

"Oh, it doesn't matter. You are so old, you don't have to report anything to me." Feng Xiao smiled kindly.

It can be seen that he really treats Yaoyao as a daughter now, and his temperament has also softened a lot.

"Second sister-in-law, good morning." At this time, Feng Kexin was wearing a pajamas, and he walked down from the second floor in a disheveled hair.

"Ke Xin, are you on holiday?"

"Well, it's holiday." Picking up an apple on the fruit tray, Feng Kexin ate in a big mouth.

Is looking at the newspaper, Xiao Xiao coldly glanced at her: "Hurry and change back your pajamas!"

"No! I want to sleep for a while."

"It's getting better now, are you still sleeping?"

"What's the matter?" Feng Kexin sat down beside his father: "Don't treat everyone like you, OK? We are so young, of course, who likes to be lazy."

Seeing this, Feng shook his head helplessly. He always had no way to take this little daughter.

Standing side by side, Yaoyao quietly looked at the scene of the father's filial piety, and suddenly felt that the Feng family seemed to be warming up, even though Chen Yi was no longer there.

However, he who believes in heaven will also feel relieved.

"Ke Xin, you'll stay at home with your dad on holidays."

Episode 726

"No problem." Feng Kexin made an OK gesture.

"I decided to go home after the semester."

"Really?" Feng Xiao looked at her daughter incredulously.

She nodded affirmatively: "Hmm! I will accompany you with Yaoyao in the future, will you not be alone? Hey."

"You girl." Feng Xiao Chong pinched his daughter's nose.

Indeed, without a son, in exchange for two daughters, he is also satisfied.

"Dad, Kexin, I'll go back to the room first."

"Ok."

Yaoyao went back to the bedroom feebly, without even taking off his clothes, and he lay on the bed with his brain.

"I still have a day ... I don't know ... how has Yang Zhaoxi progressed !?" The worried murmur fell, and she closed her eyes tightly ...

Noon the next day ...

The speeding sports car Mercedes-Benz drew a sparkle of sparkle on the road. Yaoyao sitting in the driving position ran through four red lights in a row, reaching the villa where she used to live as a lover.

The moment the car stopped at the roadside, Yaoyao rushed down like a string.

'knock!

knock!

knock!

'Quickly knocking on the door.

After a while, the door opened.

"Quick! Come in." Yang Zhaoxi mysteriously drew Yaoyao into the house.

She calmed her breath, and asked anxiously, "How is it?"

"Yesterday, President Yu was drunk, and I have set the whereabouts of the chip out of his mouth." Early this morning, after Yu Aotian left, Yang Zhaoxi immediately sent a message to Yaoyao.

"Very good! Where is the chip?" Yao Yao's face was hard to conceal. He was just a few hours away from Xie Zhiqing's stipulated time. Who knew Yang Zhaoxi had succeeded, could she not be excited!

"In the safe in the study on the second floor. The password is 1225."

Yes!

"When will Aotian come back ?!"

"He seems to have gone to the State Council. It should be a long time before he comes back."

Great!

Great!

It 's just heaven helping me too!

"Money, I will immediately hit your account, you leave quickly."

"Got it." Yang Zhaoxi nodded quickly, grabbed something and ran towards the gate.

At the same time, Yaoyao ran nonstop to the study on the second floor.

Opened the door and ran straight to the safe in the study.

I didn't expect that Aotian would put such important things in this villa.

"1225 ...

1225 ..." According to the code that Yang Zhaoxi said, Yao Yao tremblingly pressed the number keys of the safe, her palms were already full of sweat.

"Squeak", when the last digit is pressed, the safe opens.

"Yeah!" Yao Yao shook his fist excitedly and quickly opened the drawer of the safe.

But ...

Was the first to see the wedding gift of the little daisy series that Feng Chenyi gave her.

"Why ... will it be in Yuaotian ... here?" The excitement gradually faded away.

Vaguely remembered that the last time she wore this set of jewelry was on the day of the wedding.

However, that day she was directly taken away by Yu Aotian, and then ... when Long Qi let her go, she walked too hurriedly and forgot to take away this set of jewelry. It turned out that Yu Aotian saved it.

Looking deep into the drawer ...

Is a watch. Yaoyao remembers that this watch was given to Yuaotian when she first paid her salary.

Didn't expect him to keep it?

Of course, this watch is not only kept by Yuaotian intact.

Even the Tiffany key necklace that Yuaotian once gave her was stored in this safe.

Slowly picked up the necklace ..

.

In memory, this is the birthday gift that Yuaotian gave her, but unfortunately, she did not receive the gift on her birthday, or she received it through Long Ye's brother.

This is the case with this man.

I have n't said anything I 've done or discovered.

If it were n't for Long Ye 's brother, she probably would n't have known it in her life. It turned out ... Yu Ao Tian Ji hung her birthday.

Hiss ...

But how could this necklace get to the hands of Yuaotian?!

Yao Yao thought thoughtfully, and suddenly remembered ... It seems that on the day of the Bosen annual meeting, Feng Chenyi pulled the necklace off and was still on the ground.

Oh, the original Aotian was picked up and repaired?

Had to say that these two men were really in sync at some point.

In the last second, Feng Chenyi gave her a necklace of small daisies as her birthday gift, and was broken by Yuaotian on the same day; the next second, Long Ye brother brought her birthday gift from Yuaotian.

It was broken by Feng Chenyi.

I really don't know what to say.

The memories of the past are uncontrollably floating in front of my eyes.

With Yuaotian, with Fengchenyi, with the two of them ...

Of course, the villa where Yaoyao is now is a place full of memories.

Add these few representative things, even if you don't want to remember the past.

Ugh!

I always thought that the memories in this villa were actually painful, but as of today, Yaoyao suddenly felt that the memories of the past are nothing compared to the present.

Because what you experienced in the past may only be pain but not entangled at all.

And now ...

Can be said to be both painful and tangled.

Probably ... has a direct relationship with feelings for Yuaotian?!

Forcibly cut off the memories of the past, Yaoyao continually rummaging through the chips stored in the safe.

"With it!" I saw a metal chip placed in the middle of a rectangular plastic box.

Should be this?!

Without much thought, Yaoyao hurriedly closed the safe and ran out of the study.

But the moment she opened the door ...

☞Yesterday, President Yu got drunk, and I 've got the whereabouts of the chip from his mouth.

☞Yang Zhaoxi 's words rushed to Yaoyao 's ear.

Do not!

She has witnessed the wine power of Yuaotian, the most important thing is that with his character, it is absolutely impossible to make himself drunk!

It is even more impossible to do things that make others easily secret.

Oops!

Hongmen banquet?!

Did Yang Zhaoxi betray her?

Or did Yuaotian even cheat Yang Zhaoxi?!

"Ah!" Suddenly, a woman screamed in the hall.

Yaoyao's scalp tingled for a while, and quickly rushed out.

Standing on the handrail of the stairs on the second floor, overlooking the first floor ...

I saw that in the lobby on the first floor, a dozen black men stood there.

One of them grabbed Yang Zhaoxi's hair, she was struggling painfully.

And Aotian sat on the sofa with a blank expression, and the eyes covered with coldness slowly and slowly cast towards the second floor.

The moment Yao Yao crossed his eyes, he couldn't help shivering.

Good ... What a terrible look!

It has been a long time, and a long time since I have seen Yu Aotian showing such a look that symbolizes the general destruction!

On the occasion of stunned god, four or five people in black had arrived on the second floor.

Yaoyao's eyes widened nervously, and he would run when he turned around, but he was still firmly controlled by the black men and escorted back to the first floor directly.

Stood trembling in front of Yu Aotian, her face gradually turned white.

Yu Aotian looked at her so coldly without saying a word.

Episode 727

Yaoyao couldn't feel what the man was thinking at the moment.

Are you angry?

Disappointed?

Or ... to kill her?!

do not know!

do not know!

She really can't see Yu Aotian at all!

not at all!

"Mr. Yu, how to deal with this woman?" A man in black walked respectfully to him.

Yu Aotian withdrew his gaze to Yaoyao, and looked at Yang Zhaoxi with an evil smile.

"Yu ... Yu President! Please, please forgive me, I was also instructed. It was her! It was the one she instructed me to call me to play Lei Lei!" Yang Zhaoxi pointed to Yaoyao, while

Can't stop asking.

"Oh." Yu Aotian snorted coldly: "You pretend to be Lei Lei ... It's disgusting!" He shook his head helplessly, slightly shaking his lower arm.

Next second!

A bang sounded, and a black man shot Yang Zhaoxi's head with one shot!

"Hmm!" Yaoyao's face paled and covered her mouth, and the heart's "Boom, Boom, Boom" accelerated beating.

Yang Zhaoxi fell slowly and slowly from her line of sight, and finally ... fell into the pool of blood and didn't move anymore, but the open eyes looked like that.

Yaoyao did not expect ...

Yang Zhaoxi was killed because of his own arrangement, but I didn't expect ... Yuaotian, who has today's status, is still so hot!

"Let's go out!" Yu Aotian said coldly.

Those in black bowed respectfully and slowly exited the villa.

In an instant, the atmosphere in the villa fell into a very quiet, as if it could be heard even if the needle fell on the ground, so quiet.

Yaoyao slowly put down the hand that covered her mouth, and the eyes flashing with fear and gloss gradually turned to Yu Aotian: "When did you ... when did you find out?"

"Oh, I knew it from the beginning."

From the beginning ... Is it known?!

That is to say ...

from the beginning, it wasn't Yuaotian that fell into her trap?

But she ... fell into the trap of Yuaotian?

What a terrible man!

What an unfathomable man!

He is always so quiet, letting all conspiracies strike, so he can watch the change and kill his opponent by surprise!

"How did you find out?" Yaoyao confessed that he had done a good job of dripping water. He couldn't figure out how to think about it. How did Yuaotian discover all this from the beginning.

"A woman with a smoky smell and rude manners can actually attend such a party? Don't you think it's funny?" Yuao Tianxie smiled slowly with one hand on the back of the sofa.

When Yang Zhaoxi appeared in front of him, he felt that there was a problem with this woman.

When she broke out her name, Yuaotian knew that it seemed that the woman was coming at him!

"Baby, Lei Lei was born in a humble place, and her behavior must be more or less rude; but you changed this woman's profile to a famous lady, her behavior ... is there something like a famous lady?"

Correct!

Yes!

She was thinking of Lei Lei as a cold boy; Yang Zhaoxi was also a cold boy, and she should behave similarly.

And to be able to participate in such a birthday party, the identity is certainly not bad.

Just thinking about changing Yang Zhaoxi's profile to everyone.

But I completely forgot that this ... is actually a huge loophole!

"When the woman put on and told me that she was Lei Lei, I still thought ... Who is so powerful? Even the things between me and Lei Lei know? Thinking, it is better to deliberately, look at that '

Who's the Gaoren? I didn't expect ... "The expression of evil smile rippling around the corner of the mouth disappeared instantly, and Yu Aotian stretched out his hand, pulling Yaoyao into his arms:" The master behind the scenes is you! "

Yuaotian can guess that this woman has a purpose to get close to herself;

Can even guess what the purpose of this woman is!

But ... he didn't guess who would instruct this woman .

.. Luo Yaoyao!

When he stood in the lobby on the first floor and saw Yaoyao appearing on the second floor, he was inexplicably cut by something.

'S big hands pinched her jaw mercilessly, and Yuaotian's inexplicable eyes were filled with unmaskable murderous intent.

"Hmm." The jaw was squeezed, Yaoyao groaned painfully, slowly staggered his gaze to look at Yuaotian, and said nothing.

"Zeng Kairui sent you ?!"

Is still silent.

Because she didn't know how to tell Yuaotian all this.

"I'll ask you again!" A low roar echoed in the cold villa.

Yaoyao shivered with a trembling voice, and slowly clenched his fists with his small hands: "Yes! He sent me!" The bow did not turn back, and he had already reached this step, it would be better to go to the end in black.!

"Why ..."

Unexpectedly, Yu Aotian slowly released the hand holding her chin, and the tone became extremely calm.

He is a man who rarely asks why.

This is a symbol of Yu Aotian's overbearingness and a symbol of his confidence.

But at this moment, when he asked why, his murderous eyes were gradually banned by sadness.

Yao Yao's heart was inexplicably painful. She didn't like to see Yu Aotian showing such a look.

Rather, he treats himself like he just killed Yang Zhaoxi, and he doesn't want to ... he is like he is now ...

"Because you killed my mother! Because I want to take revenge! It's that simple!"

"You can avenge your revenge without cooperating with Zeng Kairui.

" Yu Aotian said quietly, and his body slowly leaned on the back of the sofa: "Say, you want me to die; or Bosen bankruptcy,

Or tell me to quit politics. "

"I think you are dead, is that okay ?!" The black and white eyes gradually forced out several bloodshot lines. When Yao Yao said this sentence, her nails clasped her palm deeply.

"Oh." Yu Aotian smiled blankly, his deep eyes gradually became gray.

For a long while, he looked cold and took Yaoyao's arm violently. He quickly took a gun from his pocket and choked into her hand. He took her small hand hard and pointed the gun at his head.

Faced with such behaviors as Yuaotian, Yaoyao was scared: "You, what are you doing, what are you doing?"

"Don't you want me to die? Shoot." Junmei's face, without any traces, he just looked at her so coldly, as if death had become nothing to the man who had experienced the frost.

What's more, died in Yaoyao's hands?

"Yu Aotian, are you crazy? Let me go! Let go!" Yaoyao panicked and wanted to withdraw the hand firmly grasped by Yu Aotian, but was afraid that he would accidentally pull the trigger, which was really wrong.

Got him.

"How? If you want to kill me, I'm not afraid! What are you afraid of?" Yu Aotian laughed sarcastically.

Correct!

She admits that she is weaker than an ant than Yuaotian.

The murderer who killed her mother clearly grabbed her hand and called her to take revenge, but she didn't dare to shoot.

This hatred ... how weak it is to repay.

Ah...

Yaoyao mocked himself secretly, trying to suppress the perplexity that spread between his eyes, and said coldly: "I'm not afraid, Yuaotian! I don't want to use this method to take revenge! I want to watch you die in Zeng

In the hands of the deputy prime minister, this ... is equivalent to my revenge! "

.

Episode 728

Only this sentence ...

Yaoyao completely shattered Yuaotian's heart!

For this man, for this man who went to hell and went to heaven, his heart has already been ravaged to numbness.

However, it was this little guy who reawakened the dead heart again, but at this moment, it was her who made this heart die again.

Let go of Yaoyao's hand, and Yuaotian took out a box from his pocket without expression, still on the coffee table: "Take it away."

"This is?" Yaoyao looked at him doubtfully.

"True chip." The cold words fell.

Yaoyao found out that he lost so much in front of this man.

Not only lost; Lianxin ... also lost together ...

Tremblingly picked up the chip on the table. She looked at the expressionless Yuaotian again, and a sourness suddenly rushed into her heart. She would shed tears, and she ran away without looking back ...

"Oh, huh ..." In the cold villa, Yuaotian's laughter echoed.

The smile on that beautiful face looked so sad and distressing at the moment.

He always thought that after witnessing the death of his parents 13 years ago, he would not feel the taste of heartache.

But this moment ...

When Yaoyao took the chip head and left without going back, this determined man once again experienced the feeling of sadness ...

Finally ran out of the sad villa, and Yao Yao's tears in his eyes could no longer hold back.

She knows how hurt her sentence "watching you die in Zeng Kairui's hand".

He clearly hated Zeng Kairui, the enemy who killed his parents.

But why did he deliberately say that to hurt him?

Why?!

why?!

why?!

No reason!

She thought that it hurt Yuaotian, at least she could breathe a breath for her mother's death.

However, while hurting him, he also hurt himself;

She thought that if she avenged her mother, she would be happy.

However, when he took her hand and shot, her heart hurt like that;

She thought that there would be no guilt for getting chips from Yuaotian.

However, when she really got it, she felt like owing him that.

There are too many thoughts; there are too many assumptions.

When the result comes, it will only be one after another pain.

People can deceive everyone, even deceive themselves.

What can't be deceived is ... the true feeling inside.

Yaoyao suddenly felt that he seemed unable to avenge his mother.

However, if she did not avenge her, she felt that she was so sorry for her mother who had nourishing grace.

"Oh, I'm really ... useless. It's not as good as ..

. forget it." The self-deprecating murmur fell, Yaoyao took a painful breath, just about to leave the villa ...

"Sister? Why are you here?" Long Ye's voice came head-on.

She twitched nervously, and the chip in her hand fell to the ground with a pop.

Oops!

"Oh, brother. I ... I came here to get something." The small body approached the chip falling on the ground slowly.

Long Ye looked at her face in doubt: "Cry? Hasn't that guy from Aotian bullied you ?! Let's go, let me be angry for you!"

"No ... no no, no, brother ... oh, oh, hurry up to find Yuaotian. I hurry up and hurried away ..." Yao Yao finished nervously, bent quickly and picked up quickly

Things on the ground will leave.

But ...

Long Ye pulled her arm!

"Yaoyao ... you ..." The smile on his face gradually disappeared, and his eyes slowly cast on the thing she held in her hand: "This is?"

Tightened, Yao Yao unconsciously flicked Long Ye's hand and ran towards the car parked across the road.

Seeing this, Long Ye quickly caught up: "Yaoyao! I heard Aotian said that a woman deliberately approached him a few days ago, and he suspected that the woman was running on the chip. Now the chip is in your hand,

In other words ..

. that woman you sent ?! "

"Brother, I ..."

"Yaoyao, do you know what you are doing ?!" Long Yao grabbed her wrist angrily when Yaoyao stopped Yaoyao's words.

Can see, how angry Long Ye is at the moment and how disappointed she is.

Dropped his head in guilt: "Sorry ... Brother Long Ye ..."

"You are helping Zeng Kairui?" Long Ye asked coldly.

"I ..." looked up, looking at Long Ye's disappointed face, Yao Yao wanted to tell him that he was also forced to help.

but...

Can't say, you can't tell Long Ye brother to know, otherwise Yu Aotian will also know, then Xiaoman ...
"Uh ..."

The moment Yao Yao gave the affirmative answer, Long Ye's big hand on her wrist became harder.

"Luo Yaoyao! Do you know how proud Aotian hates Zeng Kairui? Do you know how many years it took him to achieve today's achievement? This chip, although not to Zeng Kairui's death, is also our royal

Longshe sacrificed 3 lives to get it back! And you ... "

Disappointed.

At this moment, Long Ye is no less disappointed with Yaoyao than Yuatian. He really likes and likes this sister, but he cannot tolerate the fact that she is doing things for Zeng Kairui!

Long Ye witnessed the hardship of Yu Aotian on this journey!

This small chip may not be enough to pull Zeng Kairui from politics, but everyone knows the truth.

Yu Aotian is constantly collecting Zeng Kairui's evidence of trafficking in foreign countries.

People who are as careful as Zeng Kairui just got the chip of this recording, it really took a lot of effort and effort.

If Yaoyao really gave it to Zeng Kairui, then .

.. Yu Aotian's efforts and the sacrifice of Yu Longshe were equivalent to being killed by her all!

"Brother. I know Zeng Kairui killed Yuaotian's parents, but! But don't forget, Yuaotian also killed my mother. Everything I do now is due to him!

"Yao Yao roared from the quiet streets.

This is a kind of emotional catharsis. She really has accumulated too much and too much pressure on this path of wandering back to revenge and feelings for Yuaotian.

Long Ye remembered this moment ... In Yaoyao's heart, it was Yuaotian who killed her mother.

"Yaoyao, proud of him ... he didn't kill your mother!"

There was a buzzing sound from the ear of ʘOm', and Yaoyao 's small face with a painful expression completely froze.

What Brother Long Ye is saying?

What are you talking about?!

The brain fell into a blank, she looked at Long Ye in a daze, but her thin lips lightly opened but could not make any sound, even forgotten, what did she want to ask?

what you want to say?

Until a long time later, Yaoyao asked hoarsely, "Brother? You ... you are lying to me ... right?"

"Brother didn't lie to you. Aotian really didn't kill your mother! The real murderer was ... Zeng Kairui!"

Once ... Kairui ...

In the moment when Long Ye said the name, Yaoyao's slightly opened mouth opened and closed, and closed and opened again.

The breath of breath spit out from her nose constantly, inhale; spit out, inhale.

Episode 729

After a few rounds, her dry lips made a hard laugh.

Ha, haha, ha!

Didn't Yuao Tiangan do?!

It's not Yuao Tiangan!

It 's not that Yuaotian killed his mother!

no no...

In my heart, I can't tell if I'm happy or sad.

But Yaoyao clearly knew that the big stone that had been crushing on his heart finally broke apart; finally he lifted the clouds away.

During this time, she was really too tired, really too hard.

Couldn't accept the fact that Yuaotian killed her mother; she wanted to avenge her but did not know how to start again and again.

Hovering ... crazy ...

She knew that if she went on like this, the final result would either be crazy, or she would die with Yuaotian!

But when Long Ye said, it was not the moment when Yuaotian killed her mother, her world really became clearer all at once.

I also believe that Long Ye brother will not deceive himself!

Oh, god, you really ... you really treated me once!

"Yaoyao?" Looking at her sad and happy face, Long Ye was afraid that she was too stimulated and asked nervously.

Returned to God, Yao Yao put away the expression of sadness and joy on his face.

"Brother! You tell me, what the hell is going on? What is going on?" The little bloodless face showed an expression of longing for the truth.

In fact, Long Ye always wanted to tell Yaoyao the truth.

Because he couldn't see his favorite sister fighting with his best friend in this life.

but...

Yao Tian Qian Dingwan Wan told him that this matter does not allow him to intervene, let alone tell him the truth.

If it wasn't for this stern eye, maybe he would conceal the truth as Yu Aotian ordered ...

"Only I know the truth about this matter. Because the day your mother was captured by Aotian, I was beside Aotian." Long Ye slowly lowered her head, and the charming eyes raised right.

Memories of the past: "It was not only your father, but also your mother who participated in the killing of Qilian's wife and wife."

Deng Huihong also worked in the Politburo compound, and her position before resignation was the assistant secretary of Prime Minister Qilian.

Therefore, she knows about the extremely private things such as Prime Minister Qilian 's travel time, specific address, and rest time.

Later, Deng Huihong and Luo Tianming combined and applied for resignation.

It didn't take long for Zeng Kairui to plot to murder Prime Minister Qi Lian's family. So, the first thing he thought of was to find Deng Huihong to explore the time of Prime Minister Qi Lian's family.

Deng Huihong knew clearly how deeply this matter spread, and, before she resigned, Qi Lian was very good with her.

But ..

. out of love for Luo Tianming, she still betrayed the family of Prime Minister Qilian!

It can be said that without Deng Huihong's information, Zeng Kairui would not pinpoint the exact time and burned the family of Prime Minister Qilian.

The unstoppable Yu Aotian has been continually pursuing the fire in the Huamei villa. He has found Zeng Kairui, all the party leaders, and Deng Huihong.

However, Deng Huihong disappeared shortly after the Huamei villa case 13 years ago.

If Yuaotian and Yaoyao met, neither would find Deng Huihong, nor would they find the fish that was missing in the net and Luo Tianming...

"Yu Aotian should have known who my mother was very early? But why did he delay doing it?" After listening to Long Ye's story about many years ago, Yao Yao couldn't help but express her doubts.

"Because Aotian is eager to ask about your things from your mother, I haven't done anything ..."

"My thing?" I can't help but echo some scattered pictures.

'Yu Aotian, we knew each other very early, didn't we?

who am I?

When did we meet?

Why do I say that?

answer me!

Answer me, Yu aotian!

☹ Since you really can't remember it at all, forget it forever.

Now, isn't your purpose to avenge?'

☹ Yu Aotian ... We in the past, are ... enemies?

Or ... friend?'

The sixth sense tells Yaoyao that the reason why Yu Aotian has been slow to deal with her mother is that she wants to ask from her mother's mouth, he ... the source of the scar on the shoulder, right?!

Between them, what happened in the past?

What is it?!

Yaoyao is really a bit!

She couldn't remember at all. She could even recall the pictures of Landuo when she was a child, but she still couldn't recall the scattered pictures with Yu Aotian's presence!

"Brother, do you know what happened to me and Yu Aotian before?"

Long Ye shook his head: "We know all the things about Aotian in the past.

He only said nothing to you except for you. Just remember that 3 years ago, after you escaped from the Niulang shop, Aotian was very!

, And mobilize all the people of Yulong Society to find your whereabouts. From that time, we have foreseen that you should be very important to Aotian. "

Yaoyao didn't know how important he was for Yuaotian, but the only thing I remembered was that 3 years ago, Yuaotian did pay special attention to the scars on her shoulder.

"Brother. Then my mother told Yu Aotian, how did the scar on my shoulder come from?"

Long Ye shook her head again: "Your mother's mouth is very strict, and finally wiped out all the patience of Aotian. So, someone was sent to catch your mother. It was also after your mother was caught that she said that she did not know your shoulders.

The source of the scar. After that, Aotian decided ... to execute your mother. But at the last moment ... he stopped ... "

That day.

The moment when Yuaotian made up his mind to kill Deng Huihong, the key shot was actually empty ...

Red Sister, let 's go.'

'Xiao Tian? '

"Let's go ...

" When Yu Aotian said this, the green bar of the hand holding the gun was exposed, which undoubtedly showed his inner struggle.

Deng Huihong saw this and hurriedly fled the scene.

Yu Aotian said nothing.

But Long Ye, who was watching it all, knew ...

80% of him changed his mind to kill Deng Huihong because of Yaoyao!

Do n't know, Deng Huihong was in trouble just after fleeing ...

"How could it be so coincident? Yuao Tian just let my mother go, and my mother was killed ?!" Yao Yao asked incredulously.

"Actually, we were also very puzzled at the beginning. We didn't even blame Zeng Kairui, but ..." Long Ye's words turned: "Yaoyao, do you remember your mother's funeral?"

"Remember!" At that time, she tried every means to lead her uncle to appear, and when the uncle appeared, the shootout began.

At that time, Feng Chenyi and Ouyang Zixuan were responsible for personally protecting the uncle, and there were inexplicable people secretly protecting the uncle, but the uncle was still killed.

"Mr. Han should kill my uncle, right?"

"Yes. It is indeed a mourning. However ... In addition to Feng Chenyi and their passerby protecting your uncle, there is another passerby on the scene. We just followed the passerby and found a little clue. Of course, the intention is to kill you.

Grandpa's passers-by are also the group of people who protect your uncle! "

Episode 730

Correct!

At that time, someone chased down Grandpa!

Yaoyao's complexion fell into contemplation.

If, according to Long Ye's brother, the group of people protects the uncle on the one hand, and kills the grandfather on the other?

Is their purpose?!

"Brother, that group of people protect my uncle. I hope my uncle told me that it was Yuaotian who killed my mother. And if they killed my grandfather, it should be suspected that my grandfather knew the truth 13 years ago ?!"

"Yes! We have the same idea as you. We found out that the group of people belonged to the private armed forces. The commander is Zeng Kairui. As for why your mother was just kidnapped by Aotian and then shot by chance, probably ..."

"Probably ..." Yaoyao continued Long Ye's unfinished words, and his small hand clenched into a fist:
"Zeng Kairui has been waiting for this opportunity, waiting for the crime of killing my mother, to blame Yu Aotian,

Really? But ... why, why did Zeng Kairui blame Yu Aotian? "

Long Ye took a deep breath and slowly raised her little hand: "If you don't believe my brother, then the text message your mother sent to Feng Chenyi is the best evidence. When he was a man of Yulongshe

When you took your mother away, she did n't have time to send a message. That is to say, the message she sent when Aotian released her. Perhaps, as soon as the message was sent, she was killed.

... "

Remember!

Yaoyao remembers that message, the general content is to want Chenyi to take care of herself, and do not want to be with Yu aotian.

Perhaps, at that time, my mother had a hunch?

"Brother! I ... I don't doubt you. I just ... I just don't understand why Zeng Kairui did this !?"

At the beginning, Yuaotian was also curious about this matter, because Yi Yaoyao's strength was not enough to compete with him.

Zeng Kairui did not need to use her to deal with him.

Until later ...

Yaoyao is the heir to the country of Aslan, and his identity gradually emerged ...

"First, your mother is the only one who knows the truth 13 years ago, so Zeng Kairui must kill her and kill her; second, Zeng Kairui should already know that you are the heir of the country of Aslan, so she wants to use

You go to contain Aotian! "

Listening to Long Ye's explanation, Yao Yao seemed to think of something.

Since her official contact with Zeng Kairui, Zeng Kairui's words have always wanted to provoke her relationship with Yuaotian.

Whether it's a conversation that day, or a birthday party.

All prove that Zeng Kairui wants to watch the fight between her and Yuaotian!

However, Zeng Kairui's actions are common sense. For a man who is rich and insidious, the viciousness he does today is not surprising.

Is just .

..

Yao Yao could not understand the behavior of Yuaotian!

Shui Ling's eyes gradually forced a layer of water mist, and she looked at Long Ye puzzledly: "Why? Why doesn't Yuao Tian tell me directly ... he ... didn't kill my mother ?!"

In this way, she will not indulge in entanglement;

In this way, she would not do so much to hurt Yuaotian;

In this way, she would not ... betray him;

Is just a sentence, just a sentence, she can take revenge with him to deal with Zeng Kairui!

In this way, it is far stronger than his enemies in the back, and the independent army is fighting, isn't it?!

"Oh, stupid girl." Long Ye slowly crouched down, a smile of helplessness and sadness on her face: "Don't you understand? Aotian just doesn't want you to provoke Zeng Kairui, so I would rather kill him on the back

Your mother's conviction will not tell you the truth! "

Perhaps, Yuaotian had already seen Yaoyao. He knew clearly that once she was told that the real murderer was Zeng Kairui, then she would run away and take revenge.

However, Zeng Kairui wouldn't tease her by coaxing her children like Yuaotian did.

It's like, one day, a little tiger deliberately snatches food from the mouth of a big tiger.

However, this big tiger is very fond of the little tiger, while playing with it, while asking him to feel the joy of fighting for food.

So, the naive little tiger thought that all the big tigers were like this. When he met another big tiger, he also wanted to snatch the food in his mouth according to the calabash.

Who knows, this big tiger bit the little tiger to death!

This is the relationship between Yuaotian, Yaoyao and Zeng Kairui.

Yaoyao finds Yuaotian to take revenge. He can tell her to feel the thrill of revenge without hurting her.

However, once Yaoyao really revenge Zeng Kairui, then ... Zeng Kairui will not coax her to play with patience.

This is the protection of Yuaotian, a kind of protection that can be described as spoiled and selfless!

and so...

...

Dang Yaoyao no matter how to attack Bosen, no matter how to attack Yu Aotian, he is all a game, let her play around, let her wayward, as long as she does not provoke Zeng Kairui ...

'S tears slammed down Yaoyao's eyes.

Long Ye knows how kind his sister is and how painful she will be after learning the truth.

However, he still wants Yaoyao to know more!

More facts she can't see!

"Yaoyao, I know you are sad this time. You hate Aotian for killing your mother, hate Aotian forcing you when you get married, hate Aotian for killing your children, but ... you carefully

Think about it ... "

"If it weren't for Aotian's resolutely carrying all this, would you leave him? Will you marry Feng Chenyi?"
Faint language fell, and Long Ye slowly lowered her eyes: "When the news is overwhelmingly reporting

When you were married to Feng Chenyi, Aotian said nothing. But I know that he must be very uncomfortable. "

"He must want to run to tell you that he didn't kill your mother, but what about after you?"

"Yes! Perhaps, you will not marry Feng Chenyi! Then, you will definitely go to Zeng Kairui to take revenge. Aotian knows that at that time, there may be some situations that he can't control, so he can only swallow all the truth.

.but....."

"But Aotian is a mortal after all, he is not a real god, he will be reluctant when he will have seven emotions and six desires. So, he chose to do that to you when you are married

Because he knows you, he knows that maybe only in this way will you not marry Feng Chenyi.

But ... "

Longye Yufeng turned and smiled helplessly: "Perhaps, Feng Chenyi and Aotian are the natural opposites. He is still determined to marry you. As for Aotian ..."

"He tried to accept all this, trying to face this reality a little bit, he is more comforting himself. Perhaps it is not bad to marry Feng Chenyi, at least ... Zeng Kairui will not notice you; at least

, There is Feng Chenyi to protect you, he can also put a light snack. "

Because Yu Aotian has always believed that Feng Chenyi loves Yao Yao very much, he will not let Yao Yao suffer any harm.

But ... things are still changing!

"I thought that things would proceed step by step in this way. Who knows, the news of your pregnancy is called Aotian know! At that moment, I know that the unwillingness in Aotian's heart will surely ignite again. Sure enough ..." Long

Ye shrugged expressionlessly: "He really broke out. It can be said that Aotian's decision to kill your child was the most irrational decision I've ever seen. Perhaps because in his heart, he has always been

I think you have been so angry before you left ... "
