

Pure Girl 741

Episode 741

"What are you doing?!" As soon as his irritable words fell, he was surprised and immediately changed his tone: "What's up? Baby..." He smiled.

"Brother, why are you different from Yaoyao?" The little head tilted, and she focused on Yu Aotian's body.

'woosh' all of a sudden, Yu Juntian's beautiful face instantly turned red.

Obviously he is not such a shy man, but somehow, when Yao Yao asked this question, he blushed?!

Now, he finally understands the embarrassment of being a parent. It seems that those parents should have encountered this kind of problem.

He hurried into the bath, barely squeezing a smile, said: "Because I am a man, Yaoyao is a girl. So, we are different."

hasn't recovered yet, damn it!

This little thing actually!

Think about it. It was obviously that Yu Yutian used to blush his heart and feel helpless.

Unexpectedly, now that Feng Shui is taking turns, Yu Yutian has even been maddened by a little girl?!

Gradually, Yu Aotian's pair of bottomless eyes were filled with a touch of flame. He frowned and grabbed Yaoyao's wrist: "Baby, stop playing."

"No, Yaoyao will play, have fun."

Yu Aotian's originally steady breathing sound gradually hurried, and the black and white eyes were slowly cast on her.

jerked her up from the water.

"Huh? Brother, don't we take a shower?"

Junmei's face crossed a wicked smile: "Baby, call me Aotian."

"Aotian?"

"Well. Be good. Now I will take you to play a more fun game." Hurrying out of the bathroom, Yuaotian took her straight to the bed.

The fiery lips pressed against her lips...

Early the next morning.

Yu Aotian slowly opened his eyes and looked at the pleasant man who was still asleep in his arms. He kissed her forehead indulgently.

All night last night, after the end, Yuao Tianxin felt abnormally guilty.

Since they used to get along with each other, he has been guilty enough, not to mention that she is like a three-year-old now.

After, he swears that there will never be another time. who knows...

This little thing seems to have tasted the beauty between men and women. Yu Aotian had to suppress her guilt with her.

I thought this was over.

When they hugged each other and sleep, the little ones knew how to eat... and asked again.

Results... All night long, it was almost happy to squeeze him clean.

Ugh...

did not expect that the change of this little thing is from the inside out, not only the character has changed, but even the desire for that is unusually strong.

Yua Tianzhen does not know whether this is good or bad?

"Mr. Yu?" At about 10 o'clock in the morning, Chiba came to the villa of Miyako.

"Mr. Chiba, the host is in the restaurant... with the children..." The maid said with a strong smile.

Chiba really stunned: "Bring the child?" quickly ran into the living room, and really saw that Yuaotian's father was feeding Yaoyao with a breath. "Uh... Yu...Mr. Yu."

"True guard, are you here?" Yu Aotian showed a kind smile.

This smile is as dazzling as the sun in the winter. Chiba Shinsoo looked dumbfounded, because he had never seen Yua Tianzhan show this... such a loving smile, it was... terrible.

"Yu, Mr. Yu, the deputy leader of the Yamaguchi group wants to meet you together."

"Huh?" Yu Aotian stopped the chopsticks in his hand.

"Ao Tian, 吃吃eat..

." Yao Yao opened her mouth immediately.

Seeing this, he hurriedly caught a piece of ham into her mouth.

"The deputy patriarch of the Yamaguchi group asked me?" The bottomless eyes flashed a gleam of light. You know, he hasn't had much contact with the Yamaguchi group since a long time ago. Now the people of the Yamaguchi group want to ask him?!

"What time?"

"12 o'clock noon."

"Okay, I know. Really keep, go to the living room and wait for me."

"Yes..." Chiba Zhenshou slowly walked towards the living room, looking back at the dining room without looking back.

Now, besides describing his full father's love to describe Yuaotian, he doesn't know what more appropriate words to use to describe this scene.

After careful calculation, Miyako left Japan for three years. How did his temperament change so much?!

"Mr. Yu has been taking care of the lady since she came back last night?" Chiba stood in the living room and chatted with the housekeeper.

The female housekeeper peeped into the living room and squinted helplessly: "Yes, Mr. Chiba. This morning, the master started washing the lady and changing clothes..."

Chiba was stunned for a moment, and the words "full-time dad" immediately floated across his mind.

When he met Yuaotian before, he still thought, would such a powerful man be like this if he had a child one day?

Now Chiba Shinshou has finally seen this scene. I didn't expect that Tianjiaozi will have a tender and loving side.

"Shen Shou, you will take care of Yaoyao for me, and I will fight to come back within 2 hours." Soon after, Aotian changed clothes and took Yaoyao to the living room.

"Ok."

"Aotian...Where are you going?" Yao Yao seemed to feel something in anticipation, frowning, his small hand tightly holding the corner of his clothes.

"Yaoyao is obedient.

I have something to go out now, and tell Brother Zhenshou to play with you first. Will I come back soon?"

Yaoyao tentatively glanced at Chiba Shinshou. As soon as he saw the gentle brother of yesterday, he immediately nodded: "Well. Okay, then proudly, you will come back soon."

"Hmm..." Yu Aotian petted the top of Xia Yaoyao's head and walked out of the villa quickly...

Arrived at the agreed Japanese restaurant. Several of the members of Yulongshe respectfully opened the Japanese sliding door of the box.

There was no one inside. He looked at the time and it was a few minutes away from the appointed time, so he entered first and found a place to sit down.

The Yamaguchi team was originally Japan's largest gang, and the principal was their team leader, but it was said that he was assassinated by the British Mafia six months ago, and everything was temporarily represented by a newly-appointed deputy team leader.

As for the status of this deputy leader, Yu Aotian has never been interested in ignoring it. After all, others in China and Japan have already become supporting things.

Nowadays, the deputy leader of this mysterious Yamaguchi team asked him, I'm afraid...it's nothing to go to the Three Treasure Hall!

“Zela...” The sliding door suddenly opened.

Yu Ao looked at the door position consciously: "You!" The expression instantly froze.

"I haven't seen you for a long time. President Yu." The talking man was about 27 or 8 years old, with a dark complexion and a silver short hair that was unusually dazzling and sexy.

The facial features on that beautiful face are as vivid as carvings, especially the eyes of a pair of shining eyes are looming with dangerous luster.

The height of the man is very high, and he needs to bend down when entering the room.

From the tight shirt wrapped around him, his muscles were strong and burly, and he was very handsome.

Episode 742

"Leo!?" Yu Aotian stood up incredible.

Leo smiled and said, "Hah, we haven't seen it in more than 10 years? Didn't expect you to recognize me?"

At the beginning, Yu Aotian was not sure whether he was Leo, but his gleaming eyes and dark eyes and his dark complexion made him unforgettable.

"Oh. You really have changed a lot."

"How much have you changed? I remember when I met you, it seems that you are not taller than me." Leiou reached out and compared with the height of Yu Aotian: "Look, they are now on the side of me."

"I came to you less. I seemed to be taller than you then?"

"Is there? I remember you were just 1.8 meters at the time, I was 1.85 meters. And, you are now much stronger than before." Then, Leo tentatively pinched Yu Aotian's

The chest muscles clearly felt his muscular body under the clothes.

However, to say that when Leo was younger, it was indeed much stronger than Yuaotian.

When they knew each other, Leo and Yuaotian were bigger, and their physical fitness and figure were much stronger than adults.

"Oh. Let's sit down and talk." Yuao Tianxie smiled and took a seat.

Leo sat in front of him in an informal manner: "Brother, the development has been good recently."

"Okay." Yu Aotian picked up the jug and filled him with a glass: "You are not the same. I didn't expect to join the Yamaguchi group or the deputy leader of the Yamaguchi group?"

"Hey. I was lucky. It happened that our team leader was killed, and there was a deputy team leader, and I went up. You know, if you fight, they are not my head."

"This is... this is..." Yu Aotian nodded thoughtfully, and the memory seemed to gradually return to the past...

That year, when he first arrived in Japan for about a year, Long Qi was still a child, and the Royal Dragon Society had just been established soon.

Leo is already the leader of a middle-class gang, notoriously able to fight, and it is not a matter of being one enemy.

They met in a gang battle.

Seeing that Leo's gang was to be completely annihilated by the Royal Dragon Society, it was because Leo's manpower turned the tide and suddenly repelled thousands of opponents to protect his own help.

Suddenly, Yuaotian was full of interest in Leo. He repeatedly suggested that Leo should join Yulong, but Leo's character was more stubborn and he refused every time.

But the relationship between them is getting deeper.

"Aotian, what's the work of the Chinese political academy?" Leiou drank a glass of wine.

Yu Aotian smiled slightly: "It's okay.

" The bottomless eyes gradually met Leo's sharp eyes: "You came to me today, just to tell me the old?"

"Of course not." Leo's answer is very simple, which is his consistent style.

"Aotian, don't hide from you, I, want to go to China to develop, you are now the leader of the Chinese side, I hope you can lead me a bridge, a line, how?"

Deep eyes drooped, and Yuaotian smiled: "If it's money, no problem. If I need my power..." He shook his head silently.

"Money, I have it. What I want is your power! You can rest assured that if I go in the past, you will have your benefits. You have to know, after all, the strength of the Yamaguchi group is well-known throughout the world."

"Oh, Leo, I don't mean this..." Yuaotian took a sip of Japanese sake: "I'm not in the dark now."

"Well? This is a strange thing. As far as I know, you are still taking care of the Yulongshe? How come to me, and say you don't touch the black?"

"No." Yu Aotian put down the glass in his hand: "I have no longer managed the Yulong Society, where are you from?" The cunning smile hung on the corner of his mouth.

is not to say that Yu Aotian doesn't miss old feelings. The years of confusion have already tempered his cautious character.

In the face of this friend he hasn't seen in a decade, he can't guarantee whether Leo is still Leo before.

At least.....

"Aotian, you have changed."

Correct!

At the very least, Yu Aotian is no longer the previous Yu Aotian.

"Oh, is there? Is it just a lot older than before?"

"Oh, oh..." Leo chuckled softly and shook his head helplessly.

At this time, Yu Aotian is obviously playing with his head, can he still not see it?

"Okay. Let's go back to this matter. Let's talk about your experience in this decade."

"My ten years..." Yu Aotian spoke lightly about the ten years of ups and downs. If you really want to elaborate, how can you finish it in a few hours?

"That's it. How about you, Leo? Back then... where did you disappear?!"

Yes!

Leo suddenly disappeared. In fact, his status before disappearing was already a gang leader.

If he stays, maybe Japan will not only have the two strong gangs of Yamaguchi and Yulongsha.

"Travel around the world... Go here and there, almost three years ago, when you went to China, I returned to Japan. I joined the Yamaguchi team at the invitation of the Yamaguchi team leader. Ha ha,

Simple?"

is indeed simple!

It's as simple as that, with Leo's ambitious personality, just going out to travel the world?

Also, he knows the whereabouts of Yuaotian.

In the end, who of them has changed more?

Yuaotian smiled silently, picked up the jug and filled two glasses, and drank quietly.

After a while, his smile on his face gradually disappeared, and he slowly asked, "What about Lei Lei..

.?"

In an instant, Leo's eyes crossed a light, he picked up the entire jug and sipped directly to his mouth.

"I do not know."

"Huh? Isn't that...wasn't that Lei Lei you took away?"

This Leo's first identity is Yu Aotian's friend, and the second identity... is Lei Lei's bloodless brother, Yu Aotian's second girlfriend!

Dating back to that year, Gong Xiaoman said that the acquaintance between Yu Aotian and Lei Lei originated from a gang war, and that battle was also a battle against the Leo gang.

Yu Aotian initially had a hostile relationship with Leo, until he and Lei Lei exchanged love with each other before they became friends with Leo.

Lei Lei and Lei Ou were born in an orphanage since childhood. Their relationship can be said to be more pro-kind than siblings.

If it wasn't for loving the sister, Leo might not be friends with Aotian, or even fought alongside Aotian in gang battles many times.

The brother and sister met Yu Aotian at the age of 16, and a year later...

happened to Lei Lei was turned, and the relationship between Lei Ou and Yu Aotian was completely broken, and the two brothers and sisters also disappeared in the eyes of the public.

No matter how many people Aotian sent to find Lei Lei and Lei Ou, there was no news.

It can be said that at the age of 20, Yuao Genius completely gave up the search for Lei Lei.

Because he knew that if Lei Lei did not want to see him, how hard he tried to find it was also not found!

"No, Lei Lei hasn't been with me..." Leo lowered his head blankly: "The reason I left was just to find Lei Lei, unfortunately... I haven't found her until now!"

Episode 743

The gloss in Yu Aotian's eyes gradually darkened: "I thought... she will be with you."

"So, do you feel relieved? Is it right to live a carefree life?" Leo's words were ironic.

Faced with this, Yuaotian remained silent.

"Aotian, don't blame me for mentioning the past. But then, if it weren't for you, Lei Lei wouldn't have encountered that kind of thing. In these years, have you... ever remembered her?" Leo asked without expression.

With.

Yu Aotian raised his eyes and hung down again, still silent.

He is such a man, he doesn't like to express his emotions to anyone.

But if he hadn't remembered Lei Lei, he wouldn't have asked her for three years; nor would it be 11 years later, when Yao Yao asked which woman he liked the most, he said quietly...the second term

Girlfriend.

Lei Lei is the regret and lifelong pain in Yuaotian's heart.

He can never forget what he owed to her...

In the room, suddenly fell into a silence.

Lei Ou saw Yu Aotian silent, his big hands clenched a fist, he really cared too much about this sister, that kind of caring was like Lei Lei's life.

He also knows how and how much his sister loves Yuaotian, but unfortunately... it seems that Yuaotian did not love his sister that much!

"Woo..."

Suddenly, there was a cry of a girl crying outside the room, and Yu Aotian regained his spirits with an uneasy tension in his eyes.

At this time, listening to the sound of 'Zra', the Japanese sliding door was pulled away from the outside.

"Woo... Aotian... Aotian..."

Qianye Zhenshou was helpless and led the crying face Hua Yaoyao standing at the door: "Sorry, bother you."

"True guard, what's going on? Why did Yao Yao cry?" Yu Aotian ran nervously to the door, holding Yao Yao in his arms.

"Mr. Yu, shortly after you left, Miss Luo kept asking me when you would come back, almost every 5 minutes on average.

After that, she cried and came to see you. So I..." Qianye Zhenshou

He lowered his head in embarrassment, he believed that his ability was really not weak, but he really couldn't do anything about taking the 'child'.

"Forget it, it's okay." Yu Aotian smiled at the small thing in her arms and gently shed tears in the corner of her eyes: "Baby, stop crying."

"Aotian...You don't want to leave me in the future, okay?" The big watery eyes contained a pitiful luster, and it looked really distressing.

"Oh, okay. I won't leave you anymore in the future." Yuaotian smiled helplessly, what should I do?

The little thing is so sticky, alas!

"Aotian, huh... your daughter?" Leo stood up and walked beside Yu Aotian with a sneer.

"Leo!" Yu Aotian said helplessly.

"Joking, joking. But..." Leo rolled his eyes: "It can't always be your sister? I know, you only have one younger brother, no younger sister!"

Yuaotian was silent.

Lei Ou twisted his face, Chong Yaoyao smiled: "Little fellow. How old are you?"

"Huh?" Yaoyao stopped choking and scratched her head in doubt: "Aotian, how old am I?"

"19 years old."

"Hmm..." Bai Jing's small face looked at Leo again, and she grinned: "Brother, I am 19 years old."

"Oh, it's so cute." Then, Lei Ou pampered and pinched Yaoyao's cheek.

She blinked her big watery eyes and stared at Leo firmly: "Brother, are you poisoned?"

"Well? Why do you ask?"

"Hello, it's like chocolate..." Yao Yao couldn't help swallowing when she said this.

teased Leo and Yu Aotian smiled.

"Aotian, this little guy is really interesting. But now you are more patient than before?"

"I have always been patient, okay?" Yu Aotian pretended to be angry and struck Leo.

He patted Yu Aotian's shoulder: "Let's come, then Lei Lei told me that she doesn't want children in the future. I asked her why, she said, you don't like it! Now it seems that you don't like it

'Children'?"

These words, Yu Aotian did tell Lei Lei.

Although Yu Aotian was only 16 years old and Lei Lei was only 15 years old, the legal age for marriage in Japan was 18 years old, and early marriage and early pregnancy were also highly advocated.

Lei Lei very, very much loves Yuaotian, so he wants to get married as soon as possible. Every time he talks about this problem and talks about the future, Yuaotian's attitude is to avoid it because he hates mentioning marriage

Things.

Finally annoyed Yu Aotian, he directly said that he hates children, and will not be born in this life. As for marriage, he said after 30 years old.

So, Lei Lei secretly told Leo...

"Oh." Yu Aotian obviously didn't like Leo's mention of the past, and the pair of bottomless eyes also shone with evasive gloss.

"Okay, okay. It seems that we have nothing to talk about today. Hurry up and go ！take your kids! Go super dad!"

"Well, I'll go first, and I'll be together next time."

Watching the back of Yu Aotian and the others leaving, Leo's smile on his face gradually disappeared:
"Oh, sure enough, Lei Lei did everything for you that shouldn't be. The men who love me are always men who love me.

"" The angry murmur fell, he sat down, leaned on the wall, and slowly pulled out the phone: "Boss!"

"How is it? Leo?" Zeng Kairui's voice came over the phone!

Yes, this Leo is the man who appeared twice in Xie Zhiqing's house.

"I have already met with Yu Aotian."

"How are you talking?"

"Why don't you ask, with his cunning personality, how could you believe me just once? After all, we haven't seen it in ten years." Leo said while playing with the glass in his hand.

"Oh, then you cheer up a lot. Qing'er has failed, and I don't want you to fail too.

This time, I finally took him to Japan. You'd better delay him for a while."

"Relax, boss. Oh, yes..." Leiou lowered the glass in his hand: "Luo Yaoyao is now by Yuaotian."

"Huh?" Zeng Kairui was stunned for a moment, but unexpectedly Luo Yaoyao would also go to Japan.

"It doesn't matter, Qing'er said that she was injected with a rejuvenation needle. It should not be long before Luo Yaoyao will die."

"OK. I know." Leo hung up the phone, picked up the jug next to his hand and drank himself up...

the other side...

"Mr. Yu, the deputy leader of the Yamaguchi group looks familiar?" Chiba felt a bit familiar when he entered the room and saw Leo.

"He is Leo."

"Leo?!" Chiba thought thoughtfully.

"Ah, is that Leo rumored to be Japan's first hitter?" When he joined the Royal Dragon Club, Leo had disappeared for more than two years, but Leo's legend did not disappear.

Therefore, he is still familiar with the name.

"Ok."

"Ha, when I joined the Royal Dragon Club, I heard from my brothers that Leo was your good friend. Now that he is the deputy leader of the Yamaguchi group, can we not cooperate with him?

Ability is extraordinary, and has always had an unusual relationship with the Japanese government and the British government." Chiba finished looking forward with a look.

Episode 744

Yuaotian just smiled lightly.

Indeed, now he is wholeheartedly trying to deal with Zeng Kairui. The Yamaguchi team has close ties with the governments of many countries. If they can form an alliance with the British officials through the Yamaguchi team, it is actually very simple to dismantle Zeng Kairui.

After all, Zeng Kairui's only partner and the most powerful backer is the British Deputy Prime Minister.

It is still the same sentence. Ten-year variables can change many people and many things.

Leo is obviously not the same as Leo, especially...

is Leo's reaction after seeing Yaoyao!

Yu Yaotian's character does not particularly introduce Yao Yao to anyone. He just stayed in the room for a while and reported Yao Yao's age, just want to see Leo's reaction.

You know, Yaoyao's performance is only 3 or 4 years old, but she is 19 years old, and Yu Yaotian is so spoiled by her. Leiou should have seen what they are related to, but he has not shown a little curiosity.

Why did Yu Yaotian find a mentally handicapped girlfriend?

It can be seen that Leiou should not be strange to Yaoyao.

In addition to their conversation, Leo mentioned the subtle changes of Yuatian several times over the past ten years. It is obvious that Leo has been paying attention to him.

Ming said that to travel around the world, he still has the mood to pay attention to him?!

Yu Aotian would like to know if he is too cautious, or Leo's appearance this time is not so simple?!

"True guard. I will take Yaoyao to buy some food. You go back first."

"Ok."

Yu Aotian took Yao Yao to Chiba's car, and he drove directly to the supermarket.

The moment when his car stopped, suddenly attracted thousands of eyes.

This car is a Chrysler beast PROWLER, although the price is not particularly expensive, but the appearance is too rare, like a triangular car, driving on the road can be described as striking.

Passers took out their phones and took photos.

But when Yuaotian took Yao Yao and walked out of the car, the little girls holding the camera suddenly peachy eyes.

"So handsome..."

"So handsome..." There was a scream around.

After all, a man holding a child out is a fascinating symbol. In addition to his driving in a car that is so windy and the appearance of a handsome near-caricature character, it is bound to cause a wave of popularity in a city where comics are popular in Japan.

entered the supermarket, and kept eyes on Yuaotian. He pushed a car, put Yaoyao into the baby chair, and ran straight to the snack shelf.

"Aotian, a lot of people look at you..." Yaoyao kicked a pair of little feet and smiled sweetly.

"Hehe. Baby, come and see what you like to eat, I'll get it for you."

"Um. Aotian, you are generous.

Yaoyao likes you so much!" Her eyes shined when she looked at the dazzling snacks.

Yuaotian sighed slightly. The reason why he brought Yaoyao to the supermarket to buy snacks was mainly because he saw that the little thing was swallowing saliva after saying that Leo's skin color was like chocolate.

Presumably, the little thing is to eat snacks.

After a while, the snacks in their carts were piled up like mountains, and there were a lot of toys.

In the end, the supermarket had to use the delivery method to deliver their goods to the home...

"Alas..." It was already 12 o'clock.

Yu Aotian finished coaxing 'children' and sat on the sofa tiredly.

Chiba Shinshou hasn't left yet. He saw Yu Aotian's hard work, he couldn't help but smiled: "Mr. Yu, I really admire your perseverance. Seriously, I brought Miss Luo 1

I was caught off guard by the hour. I did not expect that you could take her for two days without stopping, and still be so patient."

Can he say that he has always been patient?

God knows how hard that little thing is.

Oh, if there is anything that does not follow her intention, Yu Aotian either loses her temper or cries, and he can only whisper with a smiley face.

If you want to work with peace of mind for a while, the little things don't follow, you have to accompany her to play and coax her to be happy.

To tell the truth, it is estimated that if he goes on like this for more than 3 days, he will definitely be unable to bear it and kill this little thing directly!

"Now, I finally understand how difficult it is to be a parent." Chiba sighed with emotion.

Yuaotian sneered: "I'm harder than normal parents... even harder..."

"Well? What do you mean?" Chiba Shinsho didn't quite understand what the intriguing words of Yuaotian meant.

Kei Aotian knows himself!

Normal parents just do it by coaxing their children to sleep, right?

But what about him?!

He still has to be responsible for 'sleeping with me...'

1 hour ago...

'Baby, go to bed soon.

good or not?'Ou Tian, 'who is tired for a day, can be regarded as coaxing this little thing into bed.

Unfortunately, the little thing refuses to sleep: 'No, Yaoyao doesn't want to sleep, doesn't want to sleep.'

“How can Yaoyao sleep?”

“Can I tell you a story?”

“No!”

“Yaoyao doesn't listen to stories!”

At that time, Yu aotian was approaching the edge of collapse, but he still forced a smile: “How can Yaoyao sleep?”

“Hee hee...” She flipped over and hugged him with her small hands at once: “Yaoyao wanted to play yesterday's game with Aotian!”

“Yesterday's... game?” Yu Aotian immediately reflected what this game was referring to.

He has been working hard for a day, basically he is almost tired and lying down, where will there be energy to “play” with her?

is really strange. When he is energetic, when this little thing is normal, why doesn't she run over and find him 'playing games' every day?

No matter how Yuaotian refused, Yaoyao refused.

In the end he had to bite the bullet and obey her.

The little thing fell asleep sweetly.

Ah...

She has the behaviors that children 3 and 4 years old should have, but she also does behaviors that children 3 and 4 years old do not.

Other children can sleep after listening to the story. She has to use 'that way' to fall asleep.

Is this a joke?!

"Nothing..."

"Yuaotian evaded the question of Chiba Shinshou. He was embarrassed to tell others that he was doing that kind of thing with a 3 or 4 child every day."

"Oh, Mr. Yu, why don't we hire a nanny to bring Miss Luo."

Chiba's proposal was very good, and Yu Aotian also thought about it, but... "When Mingming Yaoyao came out of the suitcase, you treated her so well, she didn't play with you. I'm not good to her."

She sticks to me instead. Do you think she will agree to ask a babysitter to come over?"

"Uh... this is also..." Qianye Zhenshou nodded in agreement: "It seems that Miss Luo has lost the memory of the past, but some things can not be forgotten. It can be seen that you were in Luo before"

The status of the young lady must be very high."

"Oh..." Yuaotian smiled lightly.

Although these two days came down, he was almost exhausted, and he was almost tortured to death by Yaoyao.

But there is indeed a happy heart.

When Yaoyao is normal, she is always far away from him, he wants to go closer, she will be afraid, will avoid.

But she has this disease.

Inexplicably sticking to him without saying anything, it's better to be abnormal with him.

This is a kind of comfort that cannot be banned.

Episode 745

Perhaps, as Chiba said, although Yaoyao lost his memory, some things are still memorable.

Her current behavior is exposed, and she deeply cherishes her love for Yuaotian...

"Yes!" Suddenly, Yu Aotian said excitedly.

"Well? Mr. Yu, what is there?"

"Oh...I know who I am looking for as a babysitter!" The strange words fell, and Yu Aotian's mouth suddenly fluttered a subtle smile...

Early the next morning.

"Ding Dong, Ding Dong" was only 9 in the morning, and the doorbell of the villa rang.

The maid quickly opened the door. At this point... "Mr. Dalong? Hello..." Smiling bowed deeply to Long Ye.

Long Ye quickly walked in with his luggage: "What about Aotian?"

"Living room."

"Well." He walked into the living room in a few steps.

The charming eyes swept Yu Aotian, and then Yaoyao, who was eating snacks in his arms.

"Long Ye, are you here?" Yu Aotian put Yaoyao beside him.

Hidden behind Yu Aotian, she stared at Long Ye standing not far away.

"Well." Long Ye nodded smilingly at Yu Aotian, and those charming eyes gradually cast over to Yaoyao:
"Sister. Brother just learned that you are because of Gong Xiaoman's business... I'm sorry, brother
blamed you

Now."

The truth of this matter was also told by Han Lishi.

Immediately his reaction was to seek Yaoyao to apologize, only to realize that Yaoyao was next to Yu Aotian, he thought, waiting for Yaoyao to come back and say.

"Okay, don't apologize to Yaoyao, she doesn't understand."

"What's going on? Why don't you understand?!" Long Ye was stupid and walked to Yaoyao excitedly, looking at her small face with an uneasy eye.

"Ah..." Yu Aotian breathed out: "Xie Zhiqing should have given her what medicine she took. Now she is only about 3 or 4 years old. I don't remember the previous things."

"This?" Long Ye frowned in shock: "Li Shi... Shouldn't you know this?"

"I didn't tell him."

Han Lisi and Long Ye and others are so loyal to Yu Aotian only because he treats his good friends with his heart.

He knew that once Hanli was told that Yao Yao had been killed, I was afraid that Hanli would definitely blame himself.

"Hey. Really. Is there a way to cure it?" Long Ye sat beside Yaoyao, warmly petting her small face with a big palm.

"Yaoyao is so smart, now it has become like this, alas..."

"I will find a way."

"Brother. Eat..." Suddenly, Yaoyao picked up a shrimp stick and put it into Long Ye's mouth.

"Oh, Yaoyao is really a good boy. Brother doesn't eat, you eat." He rubbed her head with her chin.

Seeing this scene, Yuaotian's eyes could not help flashing a hint of cunning gloss, his first reaction was...

The thing called Long Ye's current nanny... there is a play!

You must know that Yaoyao will not give snacks to others casually, at least when Chiba Shinsho finds her to eat, she will not give it.

"Aotian, you are so anxious to call me over, what the hell happened?!" Long Ye looked anxiously at Yuaotian. He received his phone in the middle of the night yesterday, and Yuaotian did not explain anything, so he said

There was an accident here in Japan, and he was called to come over immediately. He bought a ticket early in the morning and flew in.

"Ah, something very serious happened." Yu Aotian shook his head as a difficulty.

"What the hell is going on?"

"Specifically, I don't know how to describe it to you. I call you the purpose of coming over..." The bottomless eyes rolled back: "You also saw that the little thing is like this now, I can't walk away. And she does

No one else is allowed to bring it. Just thinking, she is as good as you are in normal times, will you be allowed to bring it. But now it seems.

.. there should be no problem. I am also good at handling my affairs here."

Looking at the proud look of Yuatian, Long Ye always felt something was wrong, but still nodded understandingly: "OK, you can rest assured. Give Yaoyao to me."

"Hmm... Then I will go to work." Then, Yu Aotian smiled gratefully, but the moment he turned around, the grateful smile was immediately banned by a bad smile...

"Yaoyao, what do you want to play? Brother came to play with you, okay?" Sitting on the sofa, Long Ye patiently asked the little guy beside him.

She 2hey' smiled.

"Brother, I want to ride a horse."

"Ah? Ride a horse?" Long Ye knows what game this is, the question... Although she is 3, 4 years old now, she can weigh a girl of 19 years old, can he stand it?

"Okay, brother..." Yaoyao's coquettishness wrapped around Long Ye's arm.

This way, he nodded heartily: "Well. Okay."

"Oh..." Yaoyao immediately threw away the snack in his hand and jumped off the sofa.

Long Ye looked at the maid around her eyes awkwardly, and slowly knelt on the ground.

Yaoyao struggled to climb down.

The voice of the "drive..."

"command fell.

Long Ye walked slowly.

Her unhappy rising mouth: "It's so slow..." Big eyes glanced at a belt on the coffee table and quickly picked it up. With a bang, he pumped heavily on Long Ye's butt.

"Hmm..." Long Ye's pain suddenly turned pale.

"I said, little ancestor, can't you beat my brother to know? Otherwise, my brother won't play with you."

"No, no. My brother wants to accompany Yaoyao, then Yaoyao will not beat his brother." Then, she honestly threw away the belt in her hand.

Long Ye facelessly crawled Yao Yao in the living room circle by circle. The maids who stood by had already laughed so much that their stomachs hurt.

After a long time...

He fell to the ground weakly.

"Brother? Brother, what's wrong with you?" Yaoyao shook his arm constantly.

"Brother is going to be exhausted. Little ancestor, will it be alright? You've been riding for half an hour."

"Hmm!" She raised her mouth, thumping Long Ye's chest with displeasure: "Obviously Aotian didn't say so, that's not the way!"

"Hmm?" Long Ye seemed to notice something was wrong, and quickly sat up and grabbed Yao Yao's wrist: "What did that proud sky say?"

"Aotian said that as long as Yaoyao is good, Longye brother will play with Yaoyao. If Yaoyao is not good, he will run away with Longye brother. Aotian doesn't want Yaoyao anymore.

Brother stayed."

Long Ye immediately thought how strange the performance of Yuaotian was. How could he talk to him so sadly with Yuaotian's simple personality?!

got up, Long Ye rushed to the study on the second floor, and kicked the door of the study with a "bang" kick: "Grass, Yuaotian, you, what a real belly!"

"What's the matter?" Yu Aotian pretended to look silly at Long Ye standing at the door.

He held his fist in resentment: "You just said something so embarrassing. After all, it's the one who called me to bring you a child?! Feelings, you just tricked me into Japan to be your free nanny?"

Episode 746

"It can't be said completely either. Long Ye, you get rid of it." Yu Aotian comfortably patted him on the shoulder.

"I really have a job on my side. The little things are particularly sticky. Now only you can help me."

"It doesn't matter if you ask me to help, is it necessary to play tricks? Fool me to Japan first and call me to be your nanny in a polite way. Can you just say it on the phone?"

"Straight?" Yu Aotian embraced his hands in front of him and said coldly: "I said straight, will you come?"

"Uh..." This time, he asked Long Ye about the words.

Because, like Yuao Tian, he hates children abnormally.

"Aren't you shouting away from the death? He likes children so much!"

"Li Shi? Yao Yao was so afraid of divorce when she was normal. Now it's all the same. Do you think she will call Li Si Dai?"

Long Ye thought for a long time: "Okay, I know. Yao Yao is my sister, just bring it."

"Well. You have worked hard. I will go to the embassy to do something later. I might be back later."

"OK..." Helpless, although Long Ye was still very reluctant to be deceived by Yuao Tian, but since he came, he could only bear everything.

Throughout the afternoon, Yaoyao was very peaceful, this time finally no longer noisy to find Yu Aotian.

But Long Ye was forced.

The vitality of children is unimaginable for ordinary people. They can play without stopping when they are awake without feeling tired.

But Long Ye is not a child, he will be tired.

After playing with the little guy for an afternoon, he ran like a tens of thousands of meters, almost collapsed.

"Brother, Yao Yao wants to boo..."

"Ah?" This question is embarrassing. The relationship between Yuatian and Yaoyao is easy to say, but what is he?

"Yao...Yaoyao, my brother took you to the bathroom door. Would you hush yourself?"

"it is good."

Long Ye breathed a sigh of relief and took Yao Yao to the door of the bathroom.

After a while, she walked out of the bathroom.

Long Ye's opinion, Yaoyao's pants were put in half, and most of his body was still exposed.

"Depressed!" He frowned helplessly and squatted down to quickly lift her pants up.

"Brother, play with Yaoyao..."

"Still playing?" Long Ye was about to die.

"Yaoyao, why don't you chat with your brother?"

"It is good!"

Great...

Long Ye was relieved, and led her to the living room: "Does Yaoyao like Aotian?"

"Yes, I like it."

"Does Yaoyao like me?"

"Like." The little head sighed, Yao Yao smiled sweetly.

Seeing this, Long Ye's eyes rolled back: "Yaoyao likes Aotian more? Or does he like his brother?"

"Like Aotian!" Without any hesitation, Yaoyao directly gave the answer.

"Why does Yaoyao like Aotian more?"

"Hee hee, because... he is very comfortable to call Yaoyao." The cute little mouth slightly lifted, just like a ripe apple.

"Comfortable? What is comfortable?" Long Ye crooked his head puzzled.

She lay down on the sofa strenuously, kneeled on top of her knees, opened her small hands and hooked Long Ye's neck, small mouth, and immediately joined her...

"Hello!" Long Ye hurriedly stopped Yao Yao's next behavior.

"Yaoyao, what are you doing?"

"Yaoyao likes her brother, and wants to make her comfortable, so Yaoyao will be comfortable too. Okay?" Then she clumsily wanted to take off her clothes.

"Wait! Wait a minute!" Long Ye saw that the situation was getting worse and worse, and she took her little hand that she was undressing...

Looking at Yaoyao's naive appearance, Long Ye basically already knew what the words she used represented.

It seems that it is no longer enough to play with this little guy. He needs to call Yu Aotian to give her a special education.

gradually approaching the evening time, Yuaotian finally returned home.

But he obviously felt something wrong with Long Ye's eyes.

"What happened?"

"Aotian, you are back!" Yaoyao hugged his waist happily, his small head kept rubbing around, don't mention how cute it is.

"Yaoyao, hurry up and quickly tell Aotian to take you'comfortable'." Long Ye grinned badly, with an ironic charm in his tone.

Yu Aotian heard this, and immediately looked at Yao Yao in his arms, his face turned black instantly.

"She...what did you say to you?"

"I should have said everything. I should not have said it.

I really didn't expect you to be such a beast. My sister is now 3 or 4 years old, and you can do it?"

Yu Aotian knew that once this matter was known to others, he would definitely lose face, and he also felt very disgusted with the question, OK?

But this little thing is asking for nothing, he doesn't want to come, it won't work.

"However, forget it. Yaoyao has a 19-year-old body after all, I can understand you. But..." Long Ye reluctantly picked up a box of 'balloons' from the table... and stuffed it into Yu Aotian's hands: "

Are you wearing this anyway?"

Facing Long Ye's irony, Yu Aotian's face instantly became extremely dull. This time, Long Ye could be caught by his handle, right?!

"Oh, Aotian, I want to remind you that you have nothing to do with Yaoyao, but you have to educate her anyway, 'This kind of thing' can't come with anyone. Today, she urged me to give her...

"Comfortable"!" With Long Ye's words falling.

Yu Aotian's entire face became iron-green and iron-green. He glanced coldly at Yaoyao, who was still unknown, and hurried to her bedroom on the second floor.

"Who told you to tell Long Ye about our two things?!" As soon as he arrived in the bedroom, Yuaotian almost used it and threw her on the bed.

Yaoyao thought it was playing, and giggled, and his big eyes also flashed virginity: "You didn't tell me, don't tell me."

This little thing has become a little idiot, do not forget to be clever?

"Give me back?"

"What's the matter... Aotian..." She got up and climbed to the edge of the bed strenuously, her small hands tentatively pulling his clothes corner.

"Let go!" Yu Aotian opened her hand coldly.

The little guy finally knew that Yu Aotian was getting angry.

"Aotian..."

"I won't tell Long Ye the next time, OK? Don't be angry...Don't ignore Yaoyao..." She grieyed her head down, tears of tears dripping down the corners of her eyes.

Falling.

Seeing her pitiful look, Yu Aotian's anger dissipated a lot at once. Think about it now. After all, she is only 3 or 4 years old. It really happened that he didn't have a good education.

of.

"Baby, stop crying." Crouching beside the bed, he gently rubbed the tears in Yaoyao's eyes.

"I will not ignore Yaoyao."

"Then... Isn't that brother kissing Yao Yao?" she asked chokingly.

Yu Aotian smiled helplessly and gently kissed her lips.

It seemed that Yaoyao was not satisfied with this dragonfly kiss, but instead caught Yu Aotian's shoulder and kissed hard.

he knows.....

It seems that this little thing...I want it again!

Episode 747

"Yaoyao!" Yuao Weather pushed away the little guy's entanglement: "Not now."

"Why?!" She twisted unhappy.

Yuao naive a little do not know what to do with her.

"Oh, it's really an obsessive little thing." She tapped the tip of her nose.

"Listen to Yaoyao, do you like to do this kind of thing?"

"Yaoyao likes it."

"Then... you can only do this with me, you know?"

"Why?"

Asked why it was a common problem for children, Yu Aotian frowned, "If there is no reason, if Yaoyao did it with others. Then I will not Yaoyao, I will ignore Yaoyao in the future!"

"No. Yaoyao likes Aotian, then Yaoyao will only do it with Aotian, okay?" His innocent eyes blinked twice.

Looking at the Aotian is that helpless, if such words are said when she is normal, it is estimated that he will be very happy.

But now..."Okay. And...Yaoyao can only show me in the future, can't others see it, understand?"

"Then... what to do when Yao Yao booed?"

This is really a headache. Yaoyao will take off his clothes, but he is not very likely to wear clothes.

Yu Aotian frowned slightly: "Now I teach Yao Yao to dress. Later Yao Yao will learn to dress, so he can boo by himself. Okay?"

"It is good....."

Seeing Yaoyao's attention shifted from 'that aspect' to getting dressed, Yu Aotian don't be too happy anymore.

That's good for kids. If something more interesting to them happens, they can stop worrying about what is happening now...

A few days later.

In the Chinese embassy in Japan, Yu Aotian has continuously received important positions such as Japanese prime ministers and prime ministers in one day, mainly discussing the issues of friendly cooperation between China and Japan.

"Chairman Yu, there is your emergency number." Secretary Wu entered the meeting room.

Yu Aotian smiled apologetically to the Japanese leaders and quickly returned to his office: "Hello?"

"it's me."

"Bing Ye?" Yu Aotian finally waited for Bing Ye's call.

"Why are you calling now?!"

"I'm sorry. It's not convenient for me to return to Aslan from China, so I delayed a little time. This is the case. Before Rando fainted, I had taken her blood and brought Aslan.

She is studying the toxin components in her blood. Besides, is there any adverse reaction to Rando now?"

Aslan has always been known as a high-intelligence businessman, so it is much better to let Bingye deal with the antidote than it is to China and Japan.

"She is basically like a 3 or 4 year old child."

"OK. I know. I will develop an antidote as soon as possible!" Bing Ye hangs up the phone after coldly speaking.

When Yuao Tian was about to return to the conference room, his cell phone rang suddenly.

"Lie, what's the matter?"

"Aotian. In the past few days, the Feng Family, Luo Yaoyao's private villa, and Luo Yaoyao's mother's residence have all been stolen."

"Stolen?" Yu Aotian frowned slightly, no need to ask the purpose of the "thief" is definitely for Yaoyao.

But what are they trying to steal?

What secrets did Yaoyao hold them in their hands, so that they carried out a rug-like search, even the Feng family did not let it go?

"Okay, I know this."

"In addition..." Han Li's Yu Feng turned: "Aotian, since you went to Japan, Zeng Kairui has secretly met with the British Deputy Prime Minister many times and contacted many ministers of the State Council.

I suspect his purpose is you!"

After receiving the mission to go to Japan from Yu Aotian, he already had a hunch that Zeng Kairui had deliberately taken him away this time.

"It's okay, let him do it slowly. I will go back in two days. I want to see what he wants to do!" When the words fell, he hung up coldly...

"the host....."

"the host....."

The one-day talk was finally over, and when Yu Aotian arrived home, it was already dark.

The maids stood at the door and greeted respectfully.

He quickly walked towards the living room.

frowned when he saw toys and snacks scattered all over the living room.

He has always been a person who loves cleanliness, and it is certainly unacceptable to see such a scene.

"Why don't you tidy up?"

"Master..." The maids cry with a sad face: "We have been cleaning, but Miss Luo will be messed up as soon as it is cleaned; Miss Luo will be messed up as soon as it is cleaned. We have done our best..

.

"

There is a child at home like this, no matter how you clean it, you can never clean it.

Yu Aotian took a deep breath: "What about Long Ye?"

"Mr. Dalong is in the living room..."

in the living room?

Yu Aotian looked around the entire living room, but there was no Long Ye figure. He took two steps forward.

He accidentally kicked something. Looking down at it, it was found that Long Ye was sleeping in the toy pile.

"Long Ye, wake up! Wake up!"

"Huh?" Long Ye opened his sleepy eyes dimly, holding a teddy bear in his hand, and sat up quickly: "Ah... Aotian... You are back."

"How did you fall asleep?! What do you do when Yao fell asleep?" Yu Aotian's tone was slightly complaining.

Long Ye waved weakly: "I'm really exhausted these days. I'm really exhausted..."

These days, Aotian has been busy contacting senior Japanese officials. The task of bringing children undoubtedly falls on Long Ye's shoulders. God knows how tired he is these days?

The whole person lost a lot of weight.

"Alas..." Yu Aotian sighed hard. He could understand some of Long Ye's fatigue, but shook his head helplessly.

When the room was quiet, a burst of crying came to Yu Aotian's ears.

"Yaoyao? Crying?"

"Well. It has been crying for 2 hours..." Long Ye dropped his head listlessly.

Yu Aotian heard this, his brows suddenly twisted into a ball: "Long Ye! I know you are tired these days. But Yao Yao cry, how can you coax somehow, let her cry?"

"Brother...I really did my best..."

Helpless, Yuao Tian quickly ran towards the second floor.

As soon as he opened the door, he saw Yao Yao lying on the bed and crying.

"Baby...Baby... what's wrong?" He walked to the bed with pity.

The little guy saw Yu Aotian, and immediately fell into his arms: "Aotian... Aotian... They called Yaoyao a fool, and they also beat... Yaoyao..."

"Huh? Someone beat you?!" The bottomless eyes crossed a cold cold, he stared at Yaoyao's small face, and sure enough, there were looming bruises on her forehead and chin.

.

"Long Ye!" Can't help but say, Yu Aotian held Yao Yao and ran to the living room: "Do you know if someone beats or scolds Yao Yao?"

"I know..." Long Ye replied calmly, got up, and sat on the sofa with a teddy bear.

"Do you know it doesn't matter?"

"How to manage?" The godless eyes glanced at the angry Aotian.

"Don't you forget what you were born from? They bullied Yao Yao so much and called Yao Yao a fool, so let them go?".

Episode 748

"I don't have to let them go!" Long Ye rolled his eyes helplessly. In fact, he was also very depressed about this matter.

Yuaotian gasped angrily, thinking about who in Japan would dare to move their Yulongshe?

Why, when he left Japan for almost three years, did anyone want to shit on his head?!

"Tell me who they are!"

"How?" Long Ye let go of the teddy bear in his hand, embracing his hands in front of him, and said with a playful smile: "Are you going to kill them?!"

"What do you say?! Dare to bully my woman like this?!" Yu Aotian was more and more angry, more and more angry, the blue tendons of the forehead were suddenly jumping.

"That's good..." Long Ye stood up weakly and turned to face Yuaotian: "They are a few 3 or 4 years old children from the neighbor's house next door. Go and kill them."

After hearing this, it was as if it was topped by a pot of cold water, and it was silly...

"I thought today, take Yaoyao to play in the park. As a result, I met a group of children who were several years old, and Yaoyao ran to play with them. You also know that although Yaoyao is now 3 or 4 years old, he can be external

After all, it's an adult. Those kids called her a fool and beat her. I wanted to stop it, I didn't know how to stop it!"

Thinking of this matter, Long Ye felt pain. At that time, his first reaction was to help Yao Yao to teach the children, but those children were not as high as his waist. If he really hit the children, he would have been beaten.

People laugh at death. and so.....

No way, he had to endure this tone and had to smile with the group of children.

Tell them not to bully Yaoyao and play with Yaoyao.

But the kids didn't play with Yaoyao at all.

In the end, Long Ye had no choice but to bring Yao Yao back home.

This way, Yaoyao cried, tears and snot together, and persuasion is not good.

"Woo... Aotian. Yaoyao is not a fool, right?" Yaoyao wiped the tears in the corner of his eyes pitifully.

Yuaotian nodded helplessly, barely squeezing a smiley face: "Yes, we Yaoyao are not stupid, Yaoyao will not play with them in the future. Don't cry, baby."

"Well. They are fools, Yaoyao will not play with them in the future!" The small head cleverly leaned on the neck foss of Yuaotian, and she pitifully ate her thumb.

"Ah..." The little guy finally stopped crying.

Yu Aotian hugged her on the sofa with a helpless body.

"Aotian, I want to tell you something." Long Ye's expression suddenly became extremely serious, and he slowly sat in front of Yu Aotian.

"what's up?"

"I... decided to 'resign'."

Yu Aotian looked at Yaoyao in his arms, and then looked at the expressionless Long Ye: "Are you going at this time?"

"Ok....

.."

"Long Ye, I know you have worked very hard these days. Are you helping me for a few days, okay?" At this moment, the expression on Yu Aotian's face was so helpless, he rarely showed such an expression.

It seems that even a good man can become helpless in the face of children.

"Aotian. I'm not a brother. I just ignored it. It's just that I have really...really...enough of it!" Long Ye couldn't describe his inner feelings. When he took Yaoyao on the first day, he felt himself

He could bear it, but the next day and the third day, he felt that the future was slim.

"If you go on like this. I may have shadows on my children in my life, just let me go!"

As long as Yu Aotian can let him go, he can be kneeled or folded for 10 years.

It can be seen how painful it is for a man to bring a child.

"Well....."

"Brother Long Ye doesn't want Yao Yao anymore?" When Yu Aotian just asked, Yao Yao looked pitifully at Long Ye.

"Sister, it's not the brother who doesn't want you anymore. It's a brother...it's really helpless. You're a brother and I'm sorry for you..." Long Ye bowed his head in guilt. He had an unprecedented frustration.

In a short time, he will feel that he is useless for anything he does.

"Will Yaoyao be a good child after that? Brother Longye don't leave Yaoyao..." The little guy pleaded and opened his mouth, quietly waiting for Longye's answer.

Yu Aotian sees that the situation seems to be reversed. He hurries to ignite the wind by the side: "Yeah. Long Ye, you see how Yao Yao can't bear you. She will be a little better in the future, you are helping me take her."

"Huh..." Long Ye sneered and looked up blankly: "She said she would be a good baby in the future, would you believe it? She didn't know how many times I promised to be a good baby, but not really good

"When it comes to this, he does not care about any brotherhood, and directly tears his face: "Aotian, as far as I know, your official affairs have been dealt with almost. You still leave me... would it be

...Do you want to escape from taking Yaoyao?"

The heart in the middle!

Yes!

Yu Aotian's work has actually been carried out by 80% and 90%. He has been pretending to return early in the past few days every day, just to escape the fact of bringing children.

Because...

During the days when Long Ye didn't come, Yaoyao really tossed him.

"Then, you are going tomorrow, can you always?" Yu Aotian sees the ruins and does not leave Long Ye forcibly anymore.

He immediately photographed his thigh: "No problem!"

Looking at Long Ye's gleeful look, Yu Aotian's first reaction was...this guy was completely out of it, but afterwards... he was about to enter hell.

Inside the room.

Yu Aotian deeply frowned, and absently coaxed Yaoyao to sleep.

She was eating her thumb with relish, looking at Yu Aotian's face with curiosity: "Aotian, you are not happy, are you?"

"No. Ha ha..."

"Aotian..." The little guy sat up and rolled over and mounted on Yu Aotian: "I know. You and Longye don't want Yaoyao anymore, do you? Because Yaoyao is not good, because Yaoyao

disobedient."

"No. Ha ha... Brother Long Ye left because of something. In the future, I will take good care of Yao Yao."

"Deceived people..." lowered her head, she pouted her mouth unhappy: "I know. You don't like Yaoyao anymore."

"No! Yaoyao, I like you very much. Be good, go to bed, okay?" Yu Aotian gently stroked her small face.

Yao Yao still mumbled a small face.

Seeing this, Yu Aotian turned his eyes and quickly shifted the topic: "Yeah. Yaoyao, what is this? How about giving it to my brother?" His eyes turned to a shell necklace that she wore around her neck.

When he just reached out to touch...

Suddenly, Yaoyao opened his hand violently, and climbed nervously from him, nervously protecting the necklace with small hands: "You can't touch it! You can't touch it! No

Yes!" Sha Bai's small face, no blood.

Obviously, Yaoyao at this moment is different from the past.

Yu Aotian narrowed his eyes in confusion and smiled before her: "Show me, is it okay?"

"No! No one can!" Her tone was firm, and her small body shook slightly.

Can feel the importance of that necklace to Yaoyao, but... what secrets exist in such an ordinary necklace?

.

disobedient."

"No. Ha ha... Brother Long Ye left because of something. In the future, I will take good care of Yao Yao."

"Deceived people..." lowered her head, she pouted her mouth unhappy: "I know. You don't like Yaoyao anymore."

"No! Yaoyao, I like you very much. Be good, go to bed, okay?" Yu Aotian gently stroked her small face.

Yao Yao still mumbled a small face.

Seeing this, Yu Aotian turned his eyes and quickly shifted the topic: "Yeah. Yaoyao, what is this? How about giving it to my brother?" His eyes turned to a shell necklace that she wore around her neck.

When he just reached out to touch...

Suddenly, Yaoyao opened his hand violently, and climbed nervously from him, nervously protecting the necklace with small hands: "You can't touch it! You can't touch it! No

Yes!" Sha Bai's small face, no blood.

Obviously, Yaoyao at this moment is different from the past.

Yu Aotian narrowed his eyes in confusion and smiled before her: "Show me, is it okay?"

"No! No one can!" Her tone was firm, and her small body shook slightly.

Can feel the importance of that necklace to Yaoyao, but... what secrets exist in such an ordinary necklace?.

Episode 750

"Why? Don't you think that since we broke up, you have become more aware of each other?" Reiko Mizuno's eyes burst into tears in Yuaotian's arms: "Let's start again."

At that time, they broke up because they didn't understand each other enough; after breaking up, they slowly understood each other and became good friends.

But...

is still different between friends and couples.

Yu Aotian clearly knew that he could not be with Reiko Mizuno, not to mention, now he already has someone else in his heart...

"Reiko, you..."

"Aotian! You liar. You are a bad guy. Yaoyao will never play with you again!" Yaoyao roared from the stairs on the second floor.

When Yu Aotian turned to look at the past...

The little guy has rushed to their front.

Before waiting for Mizuno Reiko to react, she pushed the Mizuno Reiko out of Yu Aotian's arms.

"You promised Yaoyao, you won't be nice to other sisters, but you even hugged other sisters. Yaoyao will not care about you anymore!" The little thing stomped while pointing at Yu Aotian's nose while stomping

Get on foot.

It's cute and ridiculous.

"Yaoyao, listen to me..."

"Yaoyao, don't listen! You didn't want me anymore, right?"

At this time, Yu Aotian only felt a little crying and laughing, how should he communicate with a 3 or 4 year old little vinegar jar?

Even if the explanation is clear, does she understand?

"Why don't I want Yaoyao?"

"I just don't want it anymore! Humph! Yaoyao hates you!" She glared fiercely at Yu Aotian and again at the misty Reiko Mizuno, and turned to run quickly to the room on the second floor.

"Ling Zi, you also saw...I only have her in my heart now." Yu Aotian smiled helplessly.

Reiko Mizuno still seems to have tasted: "She? Does she... does she fit you?"

"She became like this because of me... Do you understand? But, I was not with her because of guilt.

"

understood!

Reiko Mizuno seems to have understood everything, that is to say, they have been together very early, right?

It's just... "Aotian, you... changed." She smiled and tilted her head: "However, it gets better and better. I always think that the lady is not the type you like. But you accept

Her. You can see that her character attracts you."

What kind of girls did Miyako meet in Japan these years, Reiko Mizuno has also seen them one by one.

Except for his second girlfriend, Lei Lei, which she had never seen before, it was basically the tall, temperamental type.

However, Reiko Mizuno knew clearly that Leo Lei's favorite is Lei Lei. Many people have said that Lei Lei is not particularly beautiful, and it is her character that attracts Leo Lei.

Then...

Although this little girl is very beautiful, she is not the appearance of Yu Aotian.

It can be seen that the girl's character is also attracted to Yuaotian!

"Inside, Aotian, I'm going first. Hope, today's things will not destroy your relationship with the lady, nor harm the friendship between us." Reiko Mizuno smiled gracefully, politely

Bowed and hurried out of the villa.

Seeing this, Yuaotian hurried towards the second floor and Yaoyao's room ran away.

Is the little guy sleeping?

Why did you wake up suddenly?

Did he come out to the bathroom?

It was too coincidental to happen to tell her to see the scene.

"Yaoyao! Yaoyao!" Yu Aotian patted the door anxiously.

She silently hid in the bed without making a sound.

For a long time, Yu Aotian kicked the door with a bang, "Yaoyao, don't be angry. I will not talk to other girls in the future, shall I?"

"Aotian is a big liar! Aotian doesn't mean anything! Aotian is a big badass." She cursed like she was talking about the Aotian standing on the side.

"Okay, I'm a liar. I don't mean anything. I'm a big bad guy. Forgive me. Okay?" Yu Aotian has never whispered like a woman in his life, facing this only 3 or 4 years old

Child, in addition to this method, he has no other way.

"Humph! Yaoyao don't forgive you, Yaoyao has a relationship with you. Yaoyao will run away from home!"

"Is your IQ still running away from home?" Yu Aotian smirked and asked tentatively, "Where would Yaoyao run away from home?"

"Go...go..." The little guy couldn't think of a place for a long time. Finally, he rolled his eyes fiercely: "Don't you care. Yaoyao has to learn badly, and Yaoyao will be a bastard baby in the future. Give yourself every day

Look at other boys. Also be comfortable with other boys!"

"You dare!" Yu Aotian's face sank all at once, and he grabbed Yaoyao's ankle and dragged her out of the bed: "Will you say what you just tried again?!"

"Yaoyao will be a bastard baby in the future. Show yourself to other boys every day. You must also be comfortable with other boys. Huh!" Yaoyao repeated the previous words without any fear, and deliberately put out one at the end of his life.

Provocative expression, there is a look like 'I said, what can you do to me'?

Yu Aotian was completely understood this time. He and Long Ye really loved the girl this time, causing the girl to lose her temper if she was not happy, and fell when she was unhappy, and she was not afraid of it.

Imagine that other parents educating their children are not likely to be spoiled all the time?

Otherwise, the child had to be turned upside down.

"Okay! Very good!" Yu Aotian narrowed his eyes coldly, pulled Yao Yao's pants with one hand, and pressed her on the bed.

"What are you doing?! Let go of others!" A pair of little feet kicked randomly.

Yu Aotian slaps her hand, and slaps on her butt: "Isn't it good to learn in the future?"

"Woo... Aotian is a big bastard, he beats people!"

"Still curse?! Okay!" He said, he repeated it again and again.

"Wow..." Yaoyao cried louder, but her mouth was still unwilling to show her weakness: "Yaoyao will never be better with Aotian again. Woo..."

"I tell you, Luo Yaoyao, you are not allowed to play with toys, snacks, or step out of this room until you have not reflected, do you know?!" The cold words fell, and Yu aotian got up and walked out of the room.

The door was closed with a bang.

"I'm so mad! It's crazy!" Yu Aotian gritted his back badly with his fists and clenched his fists.

With a black face, he returned to his room.

Can't fall asleep tossing and turning, said Yao Yao, did not his heart hurt?

This is impossible.

Like all parents, they beat their children in one breath and regretted it after the fight.

But Yuaotian knows that this little thing has been spoiled by the sky now, and if she doesn't teach her well, she may still be in trouble.

Gradually, the night was banned by dawn.

Yu Aotian can be said to have never slept all night.
