

Pure Girl 751

Episode 751

has been thinking, will the little thing still cry?

Will he really ignore him in the future?

can think about it again, he told himself not to be soft-hearted.

got up, walked out of the room, and slowly came to Yaoyao's room, lying at the door and listening to the movement inside, it seems that the little guy is still sleeping.

"the host."

"Ok....."

As soon as Yuao Tian entered the restaurant, Long Ye walked in behind him: "What happened yesterday? I heard Yaoyao was crying all the time?"

"Don't take care of her!" Yu Ao looked at the maid beside her with a dark face slowly: "Go, take these food to the small room."

"Yes. Master." The maid left with a small portion of food.

Long Ye, who was eating, looked at this and smiled helplessly: "Oh. You two are really good. When Yao Yao is normal, you quarrel. Now that she has become like this, can you still quarrel?"

That is natural.

Although Yao Yao of this look is more frank and sticky than normal, it is more disobedient and rebellious than normal, which is simply love and hate.

"Not good! Not good! Master!" Just then, the maid in charge of food delivery hurried back to the living room anxiously: "Miss Luo is gone!"

"what?!"

"What?!" Long Ye met Yu Aotian, and hurried to Yaoyao's room on the second floor.

They inspected the doors and windows, and there was no trace of people being intruded from outside, which ruled out the suspect of Yaoyao being kidnapped.

Checking the lock of the window is still tightly locked.

"Aotian, look at this..." At this time, Long Ye picked up a piece of cardboard from the ground.

He closed the door and drew the door lock with a piece of hard paper. The door opened naturally... "It seems that Yaoyao left by himself."

"Damn! She actually forgot that her behavior was 3 or 4 years old, but her IQ hasn't changed." Yu Aotian was very puzzled. When she clearly left the door locked, why did Yao Yao disappear?!

"Aotian, what did you do to Yaoyao last night?" Long Ye asked incredulously, if it was not a big event, Yaoyao would not be able to leave without saying goodbye.

"I yesterday... beat her..." Yuaotian sullenly sat on the head of the bed with a sullen face.

"What? Why are you okay to beat her?!"

Regarding this matter, Yuaotian also regretted it abnormally. He lowered his head and bit his lips bitterly: "Huh, I thought that the little things might be spoiled, so I wanted to teach her a little and tell her to reflect on herself.

,who knows....."

If this is said, Long Ye understands Yuaotian's behavior very well, and even he thinks that Yaoyao is indeed spoiled.

"Aotian, don't worry. We will send the people of Yulongshe to find it. Yaoyao shouldn't have anything wrong.

"

"Hmm..." Yu Aotian nodded ugly, and the deep worry appeared on his face...

Roadside.

Yaoyao dragged his head and walked listlessly.

Hum, don't want to be proud of the sky in the future, call him to fight Yaoyao.

Villain!

The little feet kicked the small stones down the road.

"Wang...Wang...Wang..." Suddenly, a dog barking came.

I saw, not far away, an Akita dog ran to her quickly.

Yaoyao was scared and fell to the ground directly: "No, no! No!"

"Miss, I'm sorry, sorry. It's because I didn't optimistic about my dog. It scared you." A Japanese man quickly grabbed his pet and kept bowing to Yaoyao.

She looked at the man pitifully, climbed hard from the ground, and continued on.

seemed to be a little tired, and the little guy was sitting on a bench in the nearby park.

"Hahaha... Come and catch me... Come and catch me..

."

In the park, several children are playing hide and seek under the leadership of their parents.

Yaoyao blinked his big eyes, happy to join the children.

But when she remembered the last time she was scolded by a fool and beaten, she reluctantly sat back in her chair.

"Ueno. Stop playing, drink some juice first." A parent of a child kindly took a bottle of juice to feed his child.

Yao Yao swallowed drunkenly, and tentatively approached the mother.

The woman seemed to find Yaoyao, and gave her a puzzled look.

She grinned and showed a sweet smile: "Auntie, Yaoyao also wants to drink..."

Seeing her speaking tone and silly expression, the woman reacted at once: "Ueno, let's go home quickly." It was like avoiding the god of plague and taking his children away from Yaoyao.

"Hum... they don't like Yao Yao..." She sat down in a chair with her head downcast, and she kicked her feet upsetly: "So hungry... so thirsty... I knew I wouldn't run away from home..."

"

"Little fellow. Why are you here?"

Suddenly, a magnetic voice came, Yao Yao suddenly raised his head, staring at the man standing in front of his eyes: "Brother Chocolate!"

Faced with this title, Leo smiled helplessly: "Haha, you little guy is quite nicknamed. Well, chocolate is chocolate. Why? Are you alone?"

"Ok..

...."

"What about Aotian?"

Hearing this name, Yaoyao's expression sank immediately, and she pouted: "Aotian does not want Yaoyao."

"Yeah, you were abandoned?"

"Abandoned?" Raised his eyes and looked at Leo in front of him: "Brother Chocolate, being abandoned means like throwing away garbage. Is Yaoyao also being thrown away now?"

"Yes. It seems that Aotian doesn't need you anymore." Leo crouched blankly in front of her, slowly holding her small hand with her big hand: "Will Yao Yao come to my house? I don't?"

Will abandon Yaoyao."

"Go to Brother Chocolate's house?" Yao Yao seemed to be thinking seriously.

"Really? Brother Chocolate doesn't really abandon Yaoyao?"

"Well. Certainly... I won't abandon you!" When Leo said this, the pair of sharp eyes flashed a sly luster.

"Okay! Then Yaoyao will be a kid in the chocolate brother's family. Yaoyao will never be proud again."
She clapped her hands happily and jumped up, falling down from the chair happily: "Brother Chocolate,

Take Yaoyao to buy juice and drink, will you? Yaoyao is thirsty."

"Well, okay." Leola pulled Yaoyao's hand and walked slowly towards his car.

She seemed to be a little dissatisfied. She jumped and said: "Yaoyao also wants to eat hamburgers, steaks, and chicken wings. Will Brother Chocolate also buy Yaoyao?"

"Will do."

"Wow! Chocolate brother is so generous. Yaoyao likes chocolate brother the most." The brain seemed to have spread away from Yaoyao's heart. She was happy to hold Leo's big hand full of anticipation for her food and drinks.

However, compared to Yaoyao's happiness, Leiou gazed blankly at the front, without any kindness, and even can be described as cold.

He coldly glanced at the little elf who was jumping beside him: "Hum..." A cold hum erupted from his nose: "It turned out to be a little idiot."

.

Episode 752

"Brother Chocolate, what are you talking about?"

"No... I didn't say anything. Come on. Brother takes you to buy food now." As he said, Leo picked up Yaoyao and got on the car parked by the road...

Luxury limousine arrived in Leo's residence within a short time. This pure European-style building is like a dreamy princess castle.

The courtyard at the door is full of roses, and the water from the fountain at the gate is clean and refreshing.

"Wow... Brother Chocolate, your home is so beautiful." As soon as he got off the car, Yaoyao ran to the fountain pool and fiddled with the cool spring water.

"Hehe..."

"Little guy, don't play anymore. Are you hungry? I've asked someone to buy you juice and food." Leo quickly walked to the door and waved to Yaoyao.

She blinked her big eyes: "Well, that's good." With a leap, she took Leo's hand and entered the dream-like villa.

"Lord, you are back..." The two girls dressed in hot cheongsam embraced warmly when they saw Leo.

Yaoyao, who was standing aside, opened his eyes and looked up and down the clothes of the two beauties, immediately shyly covering his small face: "It's so shameful, shameful to wear so little..."

Ironically, the two women frowned unhappily: "Lord, is this lady?"

"Oh, I invited a guest to be a guest. Just asked you to prepare the food?"

"Already prepared."

"Well." Leola pulled Yao Yao away and walked towards the living room.

Two beautiful women stared at their backs and looked at each other one after another: "The Lord obviously seldom brings a woman into the house. Who is that damn girl?"

"Who knows. Anyway, if she doesn't offend us, we won't offend her. If she provokes me, I don't care if she is a VIP! Be sure to give her some color to see!" One of the women finished with hate, slender

The arm jumped sturdily and raised a muscle.

"Are these foods still satisfactory?"

"Hmm! Hmm!" Sitting on the sofa, Yaoyao kicked her feet, sipped the juice and slurped the burger, which was not funny.

Leo, who was sitting on the side, looked at her so coldly, silently.

"Chocolate brother, you are really generous. I bought so many delicious foods for Yaoyao." In a blink of an eye, her small white face ate like a little cat.

Leiou smiled perfunctorily: "Don't be polite, just eat it."

"Hmm. I won't be polite. If you can buy cakes for Yaoyao at night, Yaoyao will like him more."

is really not at all polite.

Leo twitched the corner of his mouth: "Okay. I'll buy you a cake at night." Before I finished this meal, I thought about the next meal. The little idiot is the little idiot.

"Yeah. You're so nice, brother.

" There was a mouthful of food, and after adding this, she sprayed food residue everywhere.

Standing behind them, the two hot women who just came out to greet frowned when they saw this scene.

After a while, a sumptuous lunch was finally over. Yaoyao stretched like a little lazy cat.

"Brother, Yaoyao is sleepy."

"Oh, then go to bed."

"Brother, can Yaoyao lie on his brother's lap, Aotian and Longye brother both coax Yaoyao to take a nap." The big watery eyes radiated a pleading light.

Before waiting for Leo's answer, Yaoyao couldn't wait to lie on his thigh.

"Oh my god....." The two hot beauties frowned in disgust.

You know, Yaoyao had just eaten the greasy dirt on his face. When he lay down, all the greasy dirt contaminated Leo's body.

He froze his face, tensing his nerves motionlessly.

Similar to Yuaotian, Leo is also an extremely clean person.

Smelling the smell of burgers and fried chicken coming out of her, he suddenly felt nausea.

Seeing Yao Yao seemed to be asleep, Leo quickly waved his hand.

"Master!"

"Remove this dirty thing for me!" Leo frowned.

The two women looked at each other and carefully took Yaoyao away from Leo's leg. Of course, their cautiousness was only afraid of touching the oil on Yaoyao's face.

"Oh, Yuaotian, where did your persistence and dominance go? Can you endure this little idiot?" Leo bit his teeth and ran to the bedroom to replace the one that was soiled by Yaoyao

clothes.

"Lord, who is that little girl?" The two hot women who served Leo changed their clothes asked curiously.

"It's just a little idiot. But..." His eyes rolled: "It's a very useful little idiot."

"Oh? It turns out... this is the case..

." The two women smiled at each other, no wonder they felt that the girl seemed a little wrong, and the relationship was a little idiot!

?

the other side.....

The evening came, and the villa of Yuaotian fell into a cold.

Long Ye, who was about to leave, did not leave, and Qianye Zhenshou dared to come over when he heard that Yao Yao was missing.

Along with Reiko Mizuno.

"Mr. Yu. The brothers of Yulong Society have launched a rigorous search. You don't need to worry. I believe they will find Miss Luo." Chiba said confidently.

After all, this Japan can be described as the Royal Dragon Club covering the world with one hand, it seems not difficult to find a missing person.

"I asked you to find her back then, didn't you also find it?"

"At that time..." Listening to Yu Aotian's words, Chiba Shinshou immediately woke up and found out that Yu Aotian did ask them to find a girl three years ago.

It turned out that the girl was...now Luo Yaoyao?

!

"Oh, Yu...Mr. Yu, last time because we didn't have Miss Luo's picture or her name. But now it's different."

"Yeah, yeah. Aotian, you can rest assured. As long as there is no one to do anything, I still believe in the ability of our Yulong Society." Long Ye played a round field for Qianye Zhenshou, on the other hand

He also wanted to comfort Yuaotian.

"Aotian. I have asked my father to help the lady.

I'm sorry... I think it must be because of me, that lady..." Reiko Mizuno bowed his head in guilt.

Yuaotian breathed a sigh of relief: "This is my responsibility. You all go back. I'm tired, I want to go to bed..."

"Ah... Aotian! You haven't eaten all day, eat...a little bit..." After Long Ye finished speaking, Yu Aotian had already walked to the second floor.

The three people stranded in the living room looked at each other one after another.

They couldn't understand how Yuaotian was feeling at the moment, but from his expression of always sadness, they knew that Yao Yao's disappearance must make him worry about it...

In the dark room.

Yao Tian lay quietly on the bed where Yao Yao slept yesterday, and his mind kept remembering how Yao Yao became a little idiot during this time.

She loves to lose her temper; she is capricious; she loves to cry; she is sticky; she is full of various problems.

It can be said that after the change, she is the type of woman most hated by Aotian.

He admitted that during this time, he was enduring various behaviors of this little thing.

Because he knew that sooner or later she would return to her original state.

But....

Episode 753

It was not until Yaoyao left home that Yuao Tian realized that she needed her like that.

Even if she is self-willed, temper tantrum, sticky, and full of problems, he can accept it all.

As long as she can return without incident.

God knows how cold and boring it is when this naughty little figure is not in this family.

This was only the first day Yaoyao left, and his sense of lack was so obvious.

The next day, the third day... I really don't know how to get through it.

Perhaps, Yu Ao has been lonely for too long, and has been out of ordinary life for too long.

After the normal Yaoyao appeared in his world, he gradually warmed his heart unconsciously, and told him to slowly find that once a person was tired, he could stop and take a rest occasionally to appreciate

A real beauty.

And the so-called truth is Yaoyao...

When the abnormal Yaoyao appeared, he was unprecedentedly feeling powerless and crazy.

Yu Aotian, who has always tasted the fruits of victory, has never had such helplessness. He can get from a street to the status of a politician; he can also change many and many impossible endings.

But in the face of a 'little kid', he really has no solution.

At that moment, he realized that even a successful man actually needs a home.

If the family can't manage well, how to really understand what is responsibility, patience, and tolerance?

It seems that the country will vigorously promote politicians with families based on certain grounds.

"Alas... I always thought it was right to start a business and then start a family, it seems..." The opposite is true.

Yu Aotian smiled helplessly, and the bottomless eyes stared straight at the ceiling: "Baby, are you sent by heaven to specifically change my life? 13 years ago, you changed my life; 1 year

You reversed Qiankun and sent me to politics. Now...you told me to understand thoroughly that I still lack a home, a hostess, and children..."

And Yaoyao...

The role played earlier was a mistress; now the role played is a child.

Yu Aotian has experienced two different charms on her body, he suddenly wanted to thank, Xie Zhiqing turned Yaoyao into what he is now...

Leo residence.

On the dining table, there are all kinds of cakes, and they are all dazzling.

After Yao Yao wakes up in the afternoon, she just sits in the dining room and looks at these cakes without moving, and there is no previous excitement.

"Little guy, haven't you kept asking me to buy cakes? I bought you so many cakes now, why don't you eat them?" Leo sat in front of her and asked with a smile.

Yaoyao raised his eyes blankly, and hung down again... "I want to be proud..." The big watery eyes overflowed with two lovely tears.

After hearing this, the dark, handsome face immediately sank: "Yu Aotian no longer wants you."

"I know..

." Yaoyao lay on the table with a blank look: "Because I am not good, Aotian hates me; because of my willfulness, Aotian hates me. But... even if I am not good, even if I am

Capricious, Aotian did not really abandon me. As long as... I get rid of those bad problems, Aotian will not want me."

Leo did not expect that from a little idiot's mouth would say such a thing?!

At this moment, Yaoyao didn't seem as silly as before.

This shouldn't be...

Rejuvenation is the more childish the age and behavior of the person who gets injected over time.

Counting now, Luo Yaoyao has been injected for nearly a cycle, she should be right in a stage of degradation.

hiss.....How about instead?

Thinking, Leo narrowed his eyes coldly: "Yaoyao, even if you become well-behaved, Aotian will not want you. Because, you are superfluous for Yu Aotian."

"extra?"

"Yeah, just like a kitten or a puppy. Yu Aotian bored you and will abandon you. Even if you perform well, he won't want you."

Suddenly, after hearing Leo's words, Yao Yao's mind flashed inexplicably through the pictures.

Although those pictures are vague, for her, now only 3 years old, she is constantly repeating a sentence in her heart.

That's...Luo Yaoyao is Yuaotian's pet.

Because, once, when they were together, Yaoyao doubted several times whether Yuaotian was taking himself as a pet.

Although I don't remember the past things now, it is still that sentence, but some things are always forever in my mind...

"It turns out...I'm just a proud...pet." Tears rolled down from my eyes, and Yaoyao grabbed the cake on the table and stuffed it into his mouth.

Cake, it is sweet to eat on the mouth.

But entering the heart is bitter.

Although, she is only three years old now.

But for emotion, it is not completely ignorant.

She needs Yuaotian, and she has an inexplicable affection for Yuaotian.

Whether she is normal or abnormal, this feeling has never changed...

"Xiao Qing'er, what's the matter?" In the study, Leo sat in front of the computer and opened video contact with Zeng Qing.

"I heard...Luo Yaoyao is in your hands now?" Zeng Qing put her feet on the table and asked with a smile.

"Yes."

"How is it? How is it? What does she look like now?" Zeng Qing was inexplicably excited when she mentioned Yaoyao.

"What do you say it can look like? Little idiot chants."

"Ha! I want to see her." Zeng Qing excitedly put her feet down on the table and quickly approached the position of the camera.

Leo thought about it... 'slap, slap,' patted twice.

"Lord, what did you tell me?" A woman pushed through the door.

"Go, bring me that little idiot."

"Yes..." The woman nodded respectfully, turned and closed the door, and walked straight to Yaoyao's room.

Push the door open...

Yaoyao was lying on the bed playing with her fingers. When she saw someone enter, she blinked her eyes doubtfully and quietly looked at the woman leaning on the door.

"Sister, what's the matter?"

"Hey, little idiot. The Lord is looking for you..."

The sweet little face gradually sank, and I could see that I didn't like this name Yaoyao, but still nodded reluctantly: "Oh..." I followed the woman to the study.

"Brother." As soon as he arrived at the door, Yaoyao nodded politely.

There is no longer the stubbornness and princess.

"Come, come." Leo waved to her.

Yaoyao walked slowly and stood at the desk.

Leiou stretched out her hand and took her by the arm, hugged her and sat on her legs: "Come, Yaoyao, say hello to my sister."

The godless eyes gradually turned to the computer screen. When Yao Yao saw Zeng Qing in the screen, her eyes flashed a flash of Ruiguang, but... just a moment.

"Sister...sister, hello."

"Huh, huh... Little idiot, make a face to your sister?" Zeng Qing laughed wildly.

.

Episode 754

Yaoyao lightly looked at Leiou behind him.

"Come on, your sister told you to make faces, you just do it!" Leo finished speaking with command.

Yaoyao turned his head and squeezed his small face with both hands, spitting his tongue at Zeng Qing in the computer.

"Hahaha, there are enough idiots. Then, little idiot, learning two dog barks for my sister, my sister really wants to hear..."

"I...I..." Yaoyao squeezed his hands nervously and asked tentatively, "Can I not learn dog barking?"

"Of course not!" Zeng Qing shot the desktop with a loud bang.

Yaoyao was frightened and hit a jerking spirit, and immediately 'Wang...Wang...Wang...' cried out.

Leo and Zeng Qing heard this, and they immediately laughed back and forth.

But it's not over yet, Zeng Qing's eyes rolled and she grinned viciously: "Luo Yaoyao, kneel down for me now!"

She lowered her eyes expressionlessly, and looked tentatively at Leo behind her. She knew that Leo would not help herself...

jumped from Leo's body, Yao Yao was silent for a long while, and slowly knelt on the ground slowly, but the tears contained in his eyes could not help dripping down.

"Okay, okay, Xiaoqing'er, in case this little idiot cries, I have to coax. You don't want to tease her." Leiou resigned helplessly and patted his hands: "Go

, Took her back to the room."

"Yes, Lord." The beautiful woman walked to Yaoyao's side and kicked her knees on the ground with her feet: "Go, little idiot."

stood up strenuously, Yaoyao bowed his head and walked towards his room behind the woman.

As soon as she arrived at the door, the woman in front of her returned her hand and gave her a heavy slap...

This slap came down, Yaoyao's long-suffering grievance finally broke out... "Wow...", he burst into tears.

"Cry what cry?! Dead idiot!" The woman stepped forward and grabbed her long hair fiercely: "I told you to be ashamed when you came up, hum..."

"Different..."

Not the same..." Her hand covered her small face, and she looked at the woman pitifully.

The frown of the unknown woman frowned: "What are you talking about, you idiot?" She pushed her into the room.

"Different... Not the same..." Arriving in the room, Yaoyao leaned on the cold door and sat down slowly, still repeating this sentence in his mouth.

thought that if you were a good boy, then everyone would not hate themselves.

But...Even if you become obedient and obedient, in Leo, everyone still doesn't like her.

But...

In Yuao Tian, no matter how naughty and mischievous she is, she is not called her an idiot, nor will she be called to learn to bark or kneel, nor will she be beaten for no reason.

This may be the gap.

Even a three-year-old child knows who really loves himself.

"Aotian... I'm sorry..." whispered softly, and she bowed her head in guilt...

☐Aotian...

Aotian... Save me!'

☹Aotian, don't leave me... I'm so scared...'

"Yaoyao!" exclaimed, Yu Aotian slammed up from the bed and looked at everything around him, only to realize that it was just a nightmare.

Wiping the cold sweat from his forehead, he sullenly rushed into the room with a sullen face: "Did you not find Yao Yao?!" Standing in front of the handrail on the second floor, he overlooked everyone on the first floor.

Chiba Shinshou, Long Ye and several young brothers of Yulongsha shook their heads in embarrassment.

has been three days. Yaoyao has been missing for almost three days. In her current state, if she is found by passers-by, she will have been sent to the police station.

Even if passers-by did not find her in a wrong state, the ability of the Yulong Society should have found her long ago.

But now there is no audio, only a little proof...

"Zhenshou, Long Ye, call on Master, accompany me to the Yamaguchi group!" Yaoyao must be in the Yamaguchi group now.

Chiba Shinshou looked at Long Ye and looked at each other: "How come I didn't expect that Miss Luo might be in the Yamaguchi group?" With the power of Yulong Society, it is not difficult to find someone; but if there is a Yu Yu

The gang on the shoulder of the Dragon Society hid the person, so they couldn't find it.

Chiba looked at Yu Aotian who walked down from the second floor quickly, he knew... the state of Yu Bo was restored!

These days, Aotian has been indulging in negative emotions almost every day. Regardless of the government's work and ignoring the company's business, it's hard to think about it, and I can't see a bit of energy.

But...

The expression on Yu Aotian's face is quite different now, and the domineering monarchy, which can control everything, is revealed again.

"Yu Boss, please..." Chiba Shinshou bent down respectfully and gave Yu Aotian a way.

He took Long Ye with a blank expression on the head car.

Afterwards, Chiba Shinshou and others took a few cars behind and headed for the Yamaguchi Group headquarters on the outskirts of the city.

"Aotian, I heard Reiko said that the Japanese government has been monitoring your contact with the Yamaguchi team? You will go directly like this, will you?" Long Ye asked worriedly in the back row.

"It doesn't matter..." The cold words dropped, and Yu Aotian looked gloomy out of the car window.

Will he really be afraid of the Japanese government's trouble?!

Oh, if Yuaotian is afraid, it was impossible to cooperate with the Japanese Prime Minister to deal with other political ministers.

He just doesn't want to participate in Japanese politics now, but if the Japanese side really troubles him, then he will have a lot of effort to play with them...

"Who are you?" At the door of the Yamaguchi group, two men dressed as Japanese samurai guarded the door firmly.

Chiba Shinshou stepped forward and said expressionlessly: "Yulongshe!"

When the two people listened to these three words, they couldn't help looking at Yuaotian not far away.

"Yulongshe? Wait a minute, I will report to our deputy leader."

Chiba really looked at Yu Aotian subconsciously.

I saw that his deep eyes flashed a bit of coldness.

Next second...

"No need to report!" Chiba really kicked one of the people guarding the door to the ground with a round kick.

When another person intended to step forward, the younger brother of Yulongsha had already drawn a gun and pointed at their head.

"Oh..." Yu Aotian sneered, pulled the tie between the necks, inserted it into the pocket with one hand, and walked in with a big swing.

This is the style of Yulongsha, and it is also the style of Yuaotian. When he was in Japan, he wanted to see whom and where to give them the opportunity to inform them. He had already directly killed him.

A crowd of black crushers ran straight to the lobby of the Yamaguchi group.

Others guarding in the courtyard saw the figures of Yuaotian and others, and they froze at the gods: "You?" They could not help but say, they attacked Yuaotian and others with their wooden swords in their hands: "Come,

Someone broke into the Yamaguchi group!" The roar fell.

'Wo, wo, wo', people dressed in Bushido costumes came from all directions.

Seeing such a familiar scene, Yu Aotian's blood suddenly boiled, and he hadn't been involved in the underworld for too long.

It has been a long time since I have been exposed to such scenes.

Episode 755

The corner of his mouth provoked a smile almost like death, and he just waved his hand slightly.

The men of the Yulongsha quickly clashed with the Yamaguchi team.

"Oh..." Miyao looked at the magnificent scene from afar, and he couldn't help recalling the pictures of the past. This kind of life is almost touching every day for him who is still in Japan.

thought that after going on the path of politics, he would never feel the excitement of the year. Unexpectedly, Leo could also be regarded as a 'dream' for him.

All the young brothers of Yulongsha are fighting the people of Yamaguchi group.

Long Ye and Qianye Zhenshou followed him on the left and right, and continued to move forward.

From time to time, people from the Yamaguchi group will come to stop.

Faced with this, there was no need for Yu Aotian to shoot, Long Ye and Qianye Zhenshou had already settled.

is unobstructed all the way to the Japanese-style hall of Yamaguchi group.

Leo, dressed in a blue dojo, sat quietly on the ground, welcoming the visit of Yuaoitian.

"Yo, who should I be so brave enough to dare to break into my Yamaguchi group directly. But think about it and know that this is your style of Yuaotian."

"Leo?!" So far, Long Ye has not known that the leader of the Yamaguchi group will be their former friend Leo.

"why you?!"

"Hi, Long Ye, I haven't seen you for a long time." Leiou smiled slightly and waved to Long Ye kindly.

He looked at Miaotian's expression, it seems that Miaotian already knew that the leader of the Yamaguchi group was Leo.

"Leo, don't talk too much nonsense. Give Luo Yaoyao to me!" Yu Aotian said coldly. There was no temptation, no discussion in the tone, it was a pair, Yao Yao was yours.

Ou hands, and give it to me!

If you don't give it, you have to give it to me.

"Huh?" Leiou pretended to be silly and tilted his head: "Aotian, I really want to know, are you talking to me as a friend? Or is it the same as we used to, as a gang

Come negotiate?"

"What do you think?" Yu Aotian narrowed his eyes coldly.

Leo stared at his face, recalling the meeting with him a few days ago, Leo's only feeling was that... Yu Aotian was completely judged by two days ago.

The current Aotian is the previous Aotian!

It turned out that this beast did not fall asleep just because he was on the political stage!

"If I tell you, the little girl is not in my hand."

"Not here? That's easy..." Yuao Tianxie smiled with one hand into his pocket: "Old rules, gang war!" The cold words fell, and he turned and left.

"Yu Aotian, what do you mean?"

Behind him, Leo slightly questioned with anger, and Yuaotian looked back expressionlessly, and the pair of bottomless eyes could not hide the domineering luster: "It means, no matter whether Yaoyao is in

I'm not in your hands, I have to fight with your Yamaguchi team! Leo...you should always know, I...will not allow other gangs to stand side by side with my Royal Dragon Club!"

As early as a few years ago, the limelight of the Yulong Society had already overshadowed the Yamaguchi group.

It was only when he went to China three years ago that the Yamaguchi group gradually died and resumed burning.

Such a domineering character as Yuaotian, he could not tolerate this happening at all, only to say... his mind was partly taken away by Zeng Kairui, and he just ignored it.

It seems that after he arrived in China, he killed the top three gangs in China, leaving only the Xuanwu Gang of Ouyang Zixuan's mother. Does Yuaotian want to annex the Xuanwu Gang?

not really.

It was also at that juncture that he had just stepped onto the political stage before he temporarily stopped!

"Oh, you are still so overbearing. They all went to China to develop, and Japanese things are still domineering..." As you can see, Leo knew him.

“slap, slap” Leo clapped both hands.

I saw that a woman led Yaoyao out of the screen.

When Yao Yao saw Yu Aotian and others standing at the door, she immediately showed an unexplained excited expression: "Ao..."

" However, she found that the expression on Yu Aotian's face was so indifferent.

It seems that Aotian is still angry?

lost her little head, and she really wanted to run over and hug him and tell him that she was wrong.

But... she was more afraid that Yuaotian would push herself away.

"Come here." Leo ticked his finger.

Yaoyao dropped his head and walked obediently to him.

Suddenly, Leo reached out and took her by the arm, dragging her into his arms.

The eyes of Jiong Shen looked provocatively at Yu Aotian.

He was standing like that, without any traces on his face, and it was hard to guess. How much did he care about Yaoyao?!

For a time, Leo was a little dazed, he was the most annoying!

The most annoying thing is that Yu Aotian can put on an unscathed look in the face of everything.

Of course, this is also the terrible place of Yuatian.

Often the opponent will always respond in silence when he wants to use the people around him to threaten him.

It is impossible for those who are deliberately thinking and trying to control Aotian to death.

"Did you see it, Aotian. She wants to follow me now!" Leiou clasped Yaoyao's hand tightly and smiled provocatively.

"How about that?" The understatement fell.

Leo narrowed his eyes: "That is to say, she is my person now! You come to the Yamaguchi group and grab my person. Seems out of compliance?"

State-owned laws, family rules, and gangster rules.

If Yaoyao is a member of Yulong Society, it is normal for Yuaotian to initiate a gang war to grab people; if Yaoyao is a member of the Yamaguchi group and Yuaotian also initiates a gang war to grab people, then it is against the rules to act.

Besieged by all the underworld!

"Rules? Then I will act against the rules today!"

"Yu Aotian! Are you crazy?!" Leiou pushed Yaoyao to the woman beside him, got up, and walked angrily in front of him: "After mixing for so many years, I don't know what will happen.

Is it the end?"

"Oh. I came here, I didn't think about anything else!" The unhurried words fell, and Yuaotian grinned visibly.

The moment he arrived at the Yamaguchi team, he was already challenging the Japanese government; what was the crime of running counter to it?!

Leiyou can see that Yu Aotian is holding a broken mind today, he smiled slightly: "Let's single out."

"Aotian?!" Long Ye stepped forward and quickly pulled Yu Aotian's arm.

Leo was already a hitter in the popular side. Now that ten years have passed, Leo's ability has definitely improved a lot.

Although Yu Aotian's kung fu is not weak, but... after all, he hasn't used his kung fu for a long time, and it will definitely decline.

Yu Aotian patted Long Ye's arm, indicating that he was fine.

He turned to Xiexiao and looked at Leo: "I won, what will I get?"

"She... to you!" Leiyou pointed to Yaoyao not far away.

"However, if you lose..."

"Don't worry, I won't lose!" Yu Aotian did not give Leo any chance to speak. He took off his suit jacket and took off his tie and threw it aside..

Episode 756

"You are still so confident. Oh... I remember when we were heads-up... Have you never won? Now, do you really have a chance to win?" Leo and Yuaotian more than ten years ago

A total of 3 games were played, almost every time Leo won.

"At that time, my attitude towards you was different from my attitude towards you now. So, I will definitely win!"

"Okay! Very good!" Leo Li flashed his eyes, and after taking three, five, and two, he took off his jacket and left it on the ground.

The moment when the two stood in the middle of the dojo, they attacked each other by accident...

Fighting with bare hands compared to speed and power. Obviously Leo's strong physique made him gain the upper hand in power, but Yuaotian's speed was better than Leo.

However, the picture of the two fighting is so wonderful, just like in the show, every move, every style, brings out the chic and handsome of the two men.

Long Ye and Chiba Shinshou stood nervously watching the battle.

"What's going on?!" Suddenly, Long Ye frowned.

"What's wrong? Mr. Dalong?"

"His..." He sullenly stared at the two people who were fighting. The charming eyes watched the movements of Yuaotian almost all the time: "I haven't seen Leo for ten years."

, Many of his abilities are more powerful than before. In the past three years, Aotian rarely had the opportunity to show his skills. It stands to reason that Leo should be better. But now it seems..."

"But now it seems that the eldest boss is very easy to play, Leo's physical fitness is gradually declining."
Chiba Zhenshou took Long Ye's unfinished words.

"You see it too?!"

"Hmm..." Chiba Shinshou nodded slightly.

"In this kind of melee combat, at first it was speed and strength, but in the end, it was endurance.

I believe Leo also felt his physical fitness decreased, and the physical strength of the eldest boss was still maintained. I am afraid that he should immediately launch the strongest.

Offensive!"

Without first mentioning whether Leo will take the strongest offensive, Long Ye just wants to know why the two had singled out and Yuaotian would lose in more than 100 rounds; now, Yuaotian has been neglected to practice

Is it still tied with Leo?

"You... got stronger?" Before turning, Leo's face was already invaded by sweat, and the breath was even more breathless.

But Yu Aotian's breath is very stable, almost no sweat on his face.

"No, I think...I'm weaker than before." His eyes flashed, and a beautiful round kick kicked towards Leo.

"Are you insulting me?!" Leo blocked the Aotian attack with his arm firmly, and his face was full of unwilling anger.

is not Leo bragging. In the past few years he disappeared, he has been to Vietnam, Thailand, and many countries in Europe. He usually makes money by fighting hard.

In the face of the tall Westerners, he can easily destroy them; in the face of the flexibility of Asians, he will not defeat.

It can be said that in the black market, anyone who mentions Leo's name will be frightened because he is really too good to fight.

When he proposed that Yuaotian singled out, he thought that Yuaotian was not his opponent before; after so many years, he is still exercising, and Yuaotian has already retreated into business and politics, and his effort should be reduced.

a lot of.

didn't expect that they could not only win or lose the game until now. When Leo thought that Yuaotian's skill had become stronger, Yuaotian even said that he was weaker than before.

How can Leo be reconciled!?

'S sturdy arm suddenly took a fist. He sighed with a breath, and opened the bow to the right and left to attack Aotian.

Yu Aotian frowned slightly, constantly avoiding Leo's attack.

But when Leo's last attack...

The fist that was as big as a sandbag hit the face of Yuaotian.

At the same time, Aotian Tianyi kicked his leg and directly hit Leo's chin.

this round is undoubtedly a tie.

"Don't fight...Don't fight..." Yaoyao standing quietly watching the war shook her body inexplicably, her small face became white and white due to tension, and her mouth murmured one by one 'Don't fight

No more, don't fight anymore'

When she saw that Yuaotian was hit by Leo, her big watery eyes were filled with tears, and the punch was as painful as if it hit her.

The war in the dojo continues.

Leo stroked his chin and spit out blood from his mouth.

On the contrary, Yu Aotian easily crossed the cheek that he was hit, and the corner of his mouth could not help but provoke a wicked smile.

In a blink of an eye, after a few seconds of their break, a new round of war began in an instant.

Leo has a beautiful round kick, plus a lower leg...

Aotian's sensitive turn, the next second, his eyes dimmed, kicked and kicked Leo's outstretched leg.

"Hmm...

" Leo groaned painfully, without any parking, and took this opportunity to grab Yuaotian's collar.

Oops!

Yu Aotian clearly knows that a brute force like Leo cannot take a close-up.

said that it would be too late, Leo waved his fist and attacked Yu Aotian's face.

First he evaded Leo's first attack, squatted slightly, grasped the belt on Leo's pants with both hands, and pulled a beautiful willow upside down.

Suddenly, he threw out the strong Leo.

"It's so beautiful!" Chiba Shinshou couldn't help but sigh in admiration.

Without a moment of rest, Leo got up and entangled with Yuaotian again...

"Oh, Aotian won!" Long Ye, who was watching this battle, smiled charmingly.

Chiba Shinshou seems to have not seen the final outcome.

The two men sawed for about 5 minutes again. When they were in a stalemate, Yuaotian got his feet and directly struck Leo's stomach.

The next second, Leo knocked Yuaotian to the ground with a punch, but this punch was obviously...not at all powerful.

"Don't fight Aotian!" At this time, Yaoyao, who was still unknown, rushed to the battle platform and hugged Leo's waist.

Yuaotian could not stand up while crying and laughing. He really wanted to ask, who is this little thing for?

Can't you see that he has won?

"Go away!" Leo gasped continuously, staring at Yaoyao fiercely.

She held her small fist and kept pounding Leo's strong body: "You are bullying Aotian, I will fight with you! I will fight with you!"

Leo grabbed her wrist without hitting, "Did you not see it, he also hit me!?"

"That's what you deserve!"

Leo's eyes widened incredulously: "I've been pretty good to you these days? Are you eating me, drinking me, living me? Say something like this now?! Did you forget it?"

"Who picked you up from the park?"

"I didn't ask you to pick me up again! It's all badass!" Yao Yao's "Ang" bit Leo's arm.

"Damn!" Leo's eyes widened angrily, and he forced Yaoyao away.

.

Episode 757

With a bang, the small body fell heavily on the tatami.

"Leo!" Yu Aotian glared at Leo angrily, and quickly pulled Yaoyao who fell to the ground and asked nervously, "Baby, does it hurt?"

"No..." She shook her head and dropped her head blankly.

Yu Aotian's eyes flickered and looked coldly at Leo who was not far away.

"Hey, Aotian, you also saw that she bit me first!" Leo rolled his eyes in dissatisfaction.

"Will you continue to compare?!" Yu Aotian asked blankly.

Leo picked up the clothes on the ground and put them on his body: "You win, what is better?"

"Then I will go first." Then, he took Yao Yao to the side and walked out of the dojo.

"Hello, Aotian!" At this moment, Leo asked unwillingly: "What the hell is going on?" It can be seen that he still can't accept the result of such a game.

Yu Aotian stood still, and Xiexiao turned his head back: "This is... a secret!" So the mysterious words fell, and he quickly walked away with Long Ye and others.

As soon as he got on the bus, Long Ye could not wait to ask: "Aotian, tell me, how did you win Leo?"

"Oh..." He smiled weirdly and raised his hand, pointing to his temple: "It's because of this...won!"

Leo's kung fu is truly one of the best in the world.

From the past, Yu Aotian saw that his physique was amazing, so he always wanted to pull him into the interior of Yulongshe.

However, this does not mean that Yuao can't really beat Leo.

Because of a fight...

is not just a symbol of force, you can also use your mind!

He knew that his power would not be Leo's opponent, so he deliberately launched the sawing station. Leo's every move was serious and beautiful, and every action of Yuaotian was perfunctory, which was invisible.

It took a lot of Leo's physical fitness.

Gradually, Leo's physical fitness is decreasing faster and faster, but Yuaotian still maintains the original level.

It was from this time that he exerted his true strength to compete with Leo.

However, Yuaotian knows that Leo belongs to the kind of person with strong self-esteem. He cannot accept the fact that Yuaotian has even tied him up to now.

Therefore, the more anxious and the more urgent, the easier it will be to chaos.

But Yu Aotian kept his rhythm throughout, without a trace of disorder.

Therefore, this battle of Yuaotian is a victory from the inside out!

"Why did you lose to him before?" After listening to Yu Aotian's explanation, Long Ye frowned doubtfully.

"Because I didn't have to win him before, did I?"

Rely!

Long Ye's first reaction was to scold the street!

He finally understood that the phrase from the beginning of Yu Aotian..

. ②At that time, my attitude towards you was different from my present attitude towards you.

So, I will definitely win!

The true meaning of

Seriously, he always knows that this guy, Yuaotian, is hidden, no matter who he is with, for things that have no interest, if he can show his sharp edge, he will not show it.

Once you touch any interest issue, the victory will always be Yuaotian.

Therefore, many people will be afraid of Yuaotian, because they cannot understand Yuaotian's character.

Even Long Ye, who had followed him for ten years, had known Yuaotian 7 and 8 points so far.

For this battle, Long Ye just wanted to say a word...

That is, no one can stop the hooligan who can martial arts.

Skill is not terrible, what is terrible is that it has both skill and mind!

Today, Yuaotian has undoubtedly proved to everyone that it is not power nor status, not even money, that can step on everything.

But...

Mind!

Having a mind means having everything.

Money, status, power.

Yuaotian's current status is what he exchanged with his mind!

"Baby, miss me?" Suddenly, Yu Aotian gradually turned his eyes to Yaoyao in his arms.

Seeing this, Long Ye on the other side pretended to have a disgusting expression and immediately turned his head to the other side...

Yaoyao blinked his eyes wide and looked at him silently.

"What's the matter? Baby, are you still angry?" Yu Aotian squeezed her little face, but didn't expect this little guy to be vengeful?

However, when she is normal, she seems to be very vengeful!

is still silent.

Yaoyao looked at him like that, without a word.

Yu Aotian frowned slightly, and looked at Long Ye beside him.

When he wants to speak again..

.

The car has arrived at the villa.

"Boss, here..." The driver opened the door respectfully.

Yuaotian took Yaoyao and Longye into the villa together, while others left under the leadership of Chiba Shinshou.

As she entered the villa, she twisted her body restlessly: "Let me down! Let me down."

Yuaotian had to put her on the ground.

Seeing this, Yao Yao quickly unbuttoned her clothes...

Long Ye and Yu Aotian glanced at each other, and the two of them quickly grabbed her little hand that was undressing.

"Sister-in-law, I am still here. Doesn't Aotian educate you, can't..."

Don't wait for Long Ye's words to finish, Yaoyao reached out his hand and sealed his mouth violently, shaking his head nervously.

In an instant, Yu Aotian seemed to feel something: "Come on, baby." Holding Yaoyao, she ran towards the second floor.

After a while, he walked down with Yao Yao who had changed his clothes again.

"What's going on?" Long Ye asked, sitting in the living room.

Yuaotianxie Rin smiled, petting her little head indulgently: "Our baby, it's just too smart."

By saying this, Long Ye was even more curious: "What's wrong?"

"Oh..

. " Yuao Tian held Yaoyao on the sofa: "She was fitted with a bug!"

"Ah?" No need to ask, this must have been done by Leo, question... How is she doing with Yaoyao's current behavior?

"Yaoyao, how did you know about this?" Long Ye asked curiously.

She puffed up her mouth and said angrily: "When Aotian came, there was a bad sister who installed this bug on me. I didn't want that sister to scold me. So, I know that this thing will definitely

Not good for Aotian!"

listening to Yaoyao's description, Yu Aotian and Long Ye looked at each other.

Does Leiou bring Yaoyao out so happily?

"Bad sister? Why is she broken?" Long Ye smiled kindly.

She held her fist angrily: "Anyway, it's bad. And, that chocolate brother is also bad, everyone there is bad!"

Yu Aotian, who kept silent, narrowed his eyes.

"Baby... is it... they bullied you?!" The cold words fell.

Yaoyao's angry face immediately became aggrieved: "Well. They said I was an idiot and told me to learn dog barking, told me to kneel again, and beat me..."

It's dripping.

These days, Yaoyao spent almost all of her insults, and all the servants at Leiou Villa called her idiots.

Yaoyao is patient even if she is not happy, because she knows that resistance will only get stronger insults!

.

Episode 758

Suddenly, Yuaotian's embrace of Yaoyao couldn't help but became tight, his handsome face became more and more gloomy because of her words, just like the storm is coming.

However, under this angry face is a sour heart, how can he allow these people to bully the little guy who treats him like a treasure?!

'S side, Long Ye, also fell into silence. For them, Yaoyao is now a child, and he does not understand how those people can insult her so much?!

"Yaoyao, it's my fault. In the future, I won't be hitting you again, and I won't tell you to run away from me." Yu Aotian's eyes could not tell whether it was guilt, or pain, he

Squeezing his mouth tightly, he rubbed Yao Yao's head with his head.

Sucking the tears in his nasal cavity, Yaoyao shook his head quickly: "No, it's not Aotian's fault, it's my waywardness, you will hit me ass. I will be obedient in the future, and I won't make you angry."

She used to call herself "Yaoyao", but now she changed to "I". Obviously this little guy has grown a lot after running away from home.

"Oh, baby doesn't need to be changed. In the future, the baby will be as self-willed as he wants. I won't be angry." It's not good to spoil the child, but for Yaoyao, she is not a real child, isn't she?

Therefore, Yu Aotian has figured it out, even if she is spoiled and accustomed to her, if she is always like this, then he will spoil her like this forever...

"Aotian, you are so kind to me." Yaoyao touched Yu Aotian's cheek with emotion, and his big eyes flashed unspeakable sadness.

She regretted running away from home these past few days.

"Yaoyao, see me at Leo, why don't you bother me?" Yu Aotian was very curious. Since the little thing couldn't accept Leo to hurt him, she just met, but she didn't show a little excitement.

"Because I didn't seem happy to see you seeing me, I thought...you don't want me anymore..." Yaoyao said aggrievedly.

There was a burst of laughter from the proud Aotian: "Why don't I want you? I'm just afraid of Leo hurting you, that's how it looks like."

"Oh, I knew that Aotian wouldn't abandon me!" Yao Yao smiled happily, "Tui" suddenly kissed Yu Aotian's lips.

Long Ye frowned awkwardly, suddenly felt like a large 8000-watt light bulb, and had to leave quietly.

But he just walked a short distance...

"Oh, Aotian! The inner... The inner..."

The chocolate brother is good or bad! Good or bad! You must not play with him, you know?"

Suddenly, Long Ye's footsteps suddenly stopped and quickly fell back on the sofa: "Yao Yao, did Leo do anything else that hurts you?" Otherwise, why did Yao Yao suddenly increase this tone?

"No... Brother Chocolate didn't bully me, just called me an idiot."

Long Ye and Yu Aotian glanced at each other. They vaguely felt that Yao Yao must have known something before saying so, but how should they communicate with Yao Yao and tell her what was going on?

Yu Aotian's eyes rolled a little, and with a coquettish tone, he asked puzzled: "How bad is that chocolate brother?"

"Very bad! Very bad!"

hiss..... It seems that this is not enough.

Yu Aotian frowned, embarrassed, and continued: "What a bad way? Can you tell me? Tell me to see if he is really bad! Very bad!"

"Because he is a friend with a very bad, very bad woman!"

"Very bad, very bad woman?" Yu Aotian thought about it for a moment: "Is that the woman who installed "bug" on you?"

"No! I remember, the very bad, very bad woman's name has a clear word!" Yao Yao's expression obviously darkened when she said this.

Longye's first reaction with Yuaotian is... Xie Zhiqing!

"Leo turned out to be..." Long Ye said halfway.

Yu Aotian immediately took over: "He really is Zeng Kairui's person!"

Although there are too many women with the word "clear" in their names under the sky.

But it was Xie Zhiqing who could make Yaoyao, who is now only 3 years old, show such a hateful expression.

estimated that they did not expect Yaoyao to have some profound memories or not erased, so they became unscrupulous, but did not expect that the little things would remember their things so unforgettable.

Now Aotian only wants to say...

When they were called Yaoyao idiots, they didn't know that they were real idiots!

"Aotian, have you foreseen that Leo will have contact with Zeng Kairui?"

"It's just intuition.

.." It must be said that Yu Aotian and Leiou met for the first time. At that time, he felt that Lei's reaction to Yaoyao was not normal.

Plus they have not been in contact for many years, Leo suddenly appeared in front of him.

And, it happened that Zeng Kairui assigned him to Japan.

"Hi... With the character like Leo, how could you run to Zeng Kairui?!" Long Ye really can't understand Leo's behavior. They used to think Leo when they were teenagers.

It's a real tough guy. He doesn't like being restrained, he doesn't like to listen to anyone's command, he just does things arbitrarily.

Otherwise, Yu Aotian invited him to join the Yulong Club so many times, how could he decisively refuse?

"Probably... It's about Lei Lei..." When Yu Aotian said this, he couldn't help laughing at himself.

Long Ye glanced at him embarrassedly, and sighed deeply: "No wonder... Then, I can understand."

Back then, after Lei Lei was turned, Leo had to fight desperately with Yu Ao Tian many times. In his heart, he always believed that it was Yu Ao genius who made Lei Lei like this.

In addition, Lei Lei is a symbol of life for Leo.

He must have hated Yu Aotian for his bones.

I just didn't expect that after more than ten years, Leo still didn't let go of this hatred, and ran to the opponent of Yuaotian to do things.

"Aotian, what are you going to do about this?"

"The person who first called Yulong she went directly to attack the Yamaguchi team. As for Leo, come slowly..."

After Yuyaotian's unhurried words came down, Long Ye frowned, puzzled: "Attack Yamaguchi group?!"

"Yeah, they bully Yao Yao so much, I certainly! I have to give them a lesson!" Yu Aotian smiled and pinched Yao Yao's cheek with a smile: "Baby? Let's take a nap, OK??"

"Hmm..." She nodded, like a koala, her hands clasped Yu Aotian's neck tightly.

Yu Aotian took it directly to the second floor.

"Huh." Looking at their leaving back, Long Ye smiled helplessly: "I know this guy can't swallow this breath!" Such an ending, when Yao Yao finished talking about what happened at Leo,

He had a hunch.

same.....

Long Ye also wanted to give some lessons to this group of people!

In the bedroom.

Yaoyao was lying in Yuaotian's arms, staring straight at his face with his big eyes.

"Baby, how do you sleep with your eyes open all the time?" He asked her gently as he patted her.

Episode 759

"I don't want to sleep, I'm afraid... After closing my eyes, I won't see you anymore."

"Oh, stupid girl." Yuao Tianzhong scraped her nose drowning: "I will not leave you. I will never leave you."

"Really?" Yaoyao blinked slightly suspiciously.

"Really..." Yuao Tian hugged her tightly, a soft smile on the corner of her mouth.

Perhaps, one day after the little thing really woke up, he would no longer need him.

However, no matter what, this time he will not let her go!

"Aotian....."

"Ok?"

slowly lifted his small head, looked at his chin, and hung down again: "Do you love me?"

In a flash, Yu Aotian's bottomless eyes flashed, quickly let go of Yaoyao's arm, and stared firmly at her eyes.

'S big flashing eyes still glowed with virginity.

But... this sentence, the tone of the question is completely Yao Yao's normal tone.

"Oh, when you wake up, I'm telling you." With a faint smile, he held Yaoyao in his arms again.

"No. I'm going to..." She wanted to seek this answer persistently, but think about it, she has promised to be a good boy, and she can't be willful.

"Well, then I woke up, you must tell me..."

Ah.

Where Aotian refers to is awake, where is she alone awake?

Even if he gave this little thing an answer now, what could she understand?

A bitter smile crossed the corner of his mouth, he nodded slightly: "Well..."

"Aotian....."

"Ok?"

"Will you marry me as your bride?"

"Oh." Yuao Tianqiang endured the smile, really wondering, how did the little things stay at Leo for so many days, how could he learn so many things?

"Do Yaoyao really want to be my bride?"

"Hmm!" She pushed Yu Aotian's arms away, and an excited spirit sat up: "I like Aotian the most, and I want to live with Aotian all my life."

"Okay... wait for me!" As he said, Yu Aotian rolled over and got out of the bedroom.

About five minutes later, he came in with a piece of paper.

"Don't Yaoyao want to be my bride? Come, press a fingerprint on it."

"According to the fingerprint?" Yao Yao tilted her head in doubt, took the piece of paper and looked at it in front of her eyes.

Yuao Tianxie Xiexie smiled, thinking, the little things could not understand what was written on it, do you have to take a look at it yourself?

As soon as this doubt about him fell, who knows...

"Party A: Yu Aotian.

Party B: Luo Yaoyao. Today, Luo Yaoyao promises to be the bride of Yu Aotian. When Luo Yaoyao returns to normal, he will marry Yu Aotian as his wife, and he must not repent."

Yaoyao said one by one, Yu Ao naive did not expect that this little thing actually knows the word?

Oh, it's incredible.

Now Yaoyao is exactly the same as before when she was normal, she was silly when she was stupid; she was smarter than anyone when she was normal!

"Aotian, give me a pen." She opened her hand.

Yu Aotian put the pen in her palm.

Yaoyao is lying on the bed, saying, "If Party A repents, it will not be legal to marry someone else as a wife; if Party B repents, he will not marry another person as wife.

"Ha, that's fine. If Aotian doesn't marry me, then he can't marry someone else!"

Hehehe... Yuaotian took two corners of his mouth and stared carefully at Yaoyao's eyes: "Are you really stupid or pretend to be stupid?"

"Ah?" She lifted her eyes and blinked her eyes in doubt.

"It's okay. It's okay, just press the handprint." Yu Aotian waved helplessly and put the ink on the bed.

The little guy pressed the ink pad hard, and then pressed the fingerprint on the paper.

"Aotian, you have to press it."

This is not bad, the legal process is the same, with both commitment and protection, and not forgetting that both parties A and B must press the fingerprint.

This little thing is too difficult to deal with!

Yuaotian had no choice but to press the fingerprint.

"Yeah!" Yaoyao clapped happily: "I will be Aotian's wife in the future."

"Oh..." Yuao naively didn't know, would she be so happy after waking up?

but.....

looked at the contract, and he quickly put it away.

With this paper contract in place, he wouldn't believe the little thing and dare to repent!?

"Hip..." At this moment, Yaoyao naughtily applied the ink from his finger to Yu Aotian's nose: "Oh, oh, Aotian turned into a red nose."

"You little villain!" Yu Aotian put one hand on his waist, seized the opportunity, and also smeared the ink from his fingers on Yaoyao's face: "This time you become a little cat."

"Well...

Aotian is bad..." Yaoyao reluctantly counterattacked.

The two who were going to take a nap had a lot of fun at once.

"Aotian...I'm so tired..." Originally still a very naughty little naughty, suddenly he broke up.

Yuaotian petted her head indulgently: "Tired, just go to bed."

"Oh...sleep..." She closed her eyes as she said, and she collapsed on the bed like that.

This look doesn't look like it is going to sleep at all, but like...

"Yao Yao?! Yao Yao?!" Shaking her nervously.

Ke Yaoyao did not respond.

Yu Aotian's face sank, and he quickly rushed out of the room.....

After half an hour.

"Doctor Inoue, how is she?"

Yu Aotian called on Dr. Inoue to diagnose and treat Yaoyao. After half an hour of treatment, Dr. Inoue once again showed his embarrassed expression: "Mr. Yu, it's strange..

. Miss Luo has all physical functions

She kept fading. She fainted this time, just because she only has the behavior of a 2-year-old child, but is doing the thing of a 3-year-old child, so it causes an overloaded operation."

In other words, is Yaoyao getting smaller?!

"Is it dangerous?!"

"This, I'm sorry. I can't draw a conclusion..."

Yu Aotian clenched his fists tightly: "Okay, I know, hard work for you, Doctor Inoue." After ordering the maid to send away Inoue Doctor, he sat expressionlessly on the bed and looked at Yao Yao's sleeping face.

"Aotian, Yaoyao has been getting smaller and smaller, you said it is possible, it will be directly..." Long Ye's words stopped here.

This is what Yuaotian is worried about.

After experiencing Yao Yao running away from home, he can already face this 'children', even if she is so called all her life.

It's just... he was afraid that Yaoyao would leave.

"Help me take care of Xia Yaoyao, let me make a phone call." Yu Aotian got up and took out the phone and walked out of the room.

☎beep...beep...beep...'

"Hey?"

"Bing Ye! What's the situation on your side?" Knowing that Bing Ye had returned to Aslan, so Yuao Tian could easily reach him.

"Still studying the ingredients in Rando's blood. It's you... suddenly called me, is it Rando?"

"Now Yaoyao's behavior has become a 2-year-old child, I am afraid that if this continues, she will die a little bit, a little bit!"

On the other side of the phone, Bing Ye became very tense: "Okay, I know, I will develop an antidote as soon as possible. I can't do it, I will use the strength of the country of Aslan, directly

Go to Zeng Kairui for antidote!"

Episode 760

Of course, this is just the last trick.

I believe that less than a last resort, none of them are willing to wage war.

But...

Yuaotian is afraid... this poison has no antidote!

A few days later.

"What happened to the Yamaguchi team's affairs?" In the living room, Miyao asked expressionlessly Chiba, who was sitting opposite.

He smiled slightly: "Your boss, everything went very well. And, Miss Reiko said, the Japanese government seemed to be very satisfied with our internal fighting."

He knew it would be so!

The Japanese government must be very afraid of the Yamaguchi team joining forces with the Yulongsha; however, once the Yulongsha has a conflict with the Yamaguchi team, then the Japanese government will definitely sit on the mountain and watch the tigers.

Presumably, Leo's purpose was to provoke surveillance by the Japanese government, right?!

No need to ask, this is Zeng Kairui's idea again!

"Leo? Has his whereabouts?" At the moment when Yu Aotian announced that he would start a war with the Yamaguchi team, Leo disappeared as if it had disappeared.

"Not yet..." Chiba shook his head helplessly and shook his head: "Is it possible that Leo escaped to China?"

He had ordered Long Ye to return to China to find Leo's whereabouts a few days ago, but there has been no news so far.

"It doesn't matter, you can't find him if you can't find him."

"Yes, Yu Bo, when will you return to your country?"

"Now the "war situation" is so chaotic, of course..." Yu Aotian's eyes flashed: "Go back immediately."

"Okay, that subordinate will book you a ticket for tomorrow morning and leave!"

"Well, I'm in trouble, really keep..." He smiled slightly, and his bottomless eyes glanced subconsciously at the bug-like bug placed on the coffee table.

Chiba Shinshou quickly picked up a cover and covered it on this listener.

This monitor is what Leo once sent to put on Yaoyao. Yuao Tian has never discarded it, thinking that it might be useful one day.

Unexpectedly, it came in handy so quickly.

"Boss, are you sure you can lead Leo to appear?"

Yuao Tianxian Rin smiled and slowly raised her legs: "Must... yes!"

"Aotian...Aotian..." Suddenly, Yaoyao's naive voice came from behind.

These days, Yaoyao's life has basically been unable to take care of himself. It is necessary to rely on diapers to stop urination every day.

At the same time, Yu Aotian also asked the State Council for leave, almost inseparable with this 2-year-old 'little baby'.

"What's the matter? Baby?"

The little guy ran awkwardly in front of him, and took his hand: "I have prepared a meal for you. Come and eat quickly..."

"Cooking? Oh, my baby will cook now?" Yu Aotian coaxed her cheek and walked slowly behind her to the restaurant.

Chiba Shinshou also followed with curiosity, what can a 2-year-old kid do?

Waiting for Aotian to be seated.

Yaoyao put a toy plate in front of him in a decent way.

"Aotian, eat..."

I saw that there were small balls made of sand on the toy plate.

Chiba Shinsho knew that the meal made by this 'children' would look like this.

"Yaoyao, Mr. Yu can't eat these things." Chiba squatted down patiently and explained the truth to her.

Yao Yao puzzled his lips and said: "Why? Is it because I didn't make it delicious?" The big eyes contained a lost luster, and she bowed her head aggrieved: "This is the first time someone has been cooking,

I want to make Aotian happy..."

"Who said you can't eat it?" Yu Aotian, who had been silent, suddenly opened her mouth.

Chiba looked at him suspiciously.

I saw that Aotian took a pill made of sand and put it in his mouth.

"Well, it's delicious."

"Really? Really? Really? Great?" Yao Yao burst into tears and smiled happily.

"Yu Boss..." Suddenly, everyone in the room was shocked.

Chiba was stunned, and the maids were also stunned. They had an incredible look on their faces, and there was an indescribable pain in their hearts.

Perhaps, at this moment, only Yaoyao who is addicted to the world of children will be happy?

"I want to try it too!" As he said, Yaoyao had to reach for the "food" on the plate.

"Don't give it to you." Yu Aotian smiled slightly, picked up the plate and turned around, and continued to eat the second, third, and fourth, and all the sand balls made into the mouth.

in.

"Humph! Aotian is good or bad." Yao Yao hid her feet in displeasure.

Chiba Shinshou saw this and quickly winked at a maid.

The maid hurriedly grabbed Yaoyao's arm: "Miss Luo, it's time to go to bed, shall we go and go to bed?"

"Ah, that's right. I'm going to sleep. Aotian, I'm going to coax asleep first." Yaoyao smiled and waved at Yu Aotian, and walked towards the doll house with the maid.

When she left, the smile on the face of Yu Aotian disappeared instantly, and she turned and ran into the bathroom...

"vomit....." The bathroom, the voice of Yuaotian vomiting kept coming.

You know, the sand he eats is naturally self-evident.

But they really admire Yuaotian who can eat that kind of thing with a smile.

Standing at the door of the bathroom, Qianye Zhenshou and the female housekeeper gradually emerged a layer of mist.

They have never seen such a proud day.

In their hearts, Yuaotian is ruthless, irrespective and overbearing.

They really adore such a man.

But at this moment, he became affectionate, patient, and gentle, but it made them more admired.

Because this is the symbol of men!

A man can be outside for the rich and indifferent, the wind and the rain, the overbearing and the numb...

But when treating family members, treat their loved ones with blood and flesh!

"Mr. Yu, why are you doing this? Obviously you can lie to make up a lie and you can deceive Miss Luo."

Yu Aotian wiped the corners of her mouth and smiled faintly: "Did she say that? This is her first time cooking, I should encourage her. Moreover...I really rarely...will eat

What she does."

The memory of Yu aotian may be only once.

is a breakfast. At that time, when Feng Chenyi just passed away, when Yao Yao was chased by Feng Chenrui, he made a breakfast at his house.

"But those... are all sand! Why are you accompanying Miss Luo..." Silly.

The last two Chiba Shinshou did not say it.

But Yuaotian already knew what he wanted to say.

He didn't mind shaking his hand: "It doesn't matter. She's stupid, I can be with her. I'll be with her all my life, I'll be with her all my life, it's fine..." As long as she lives forever

in this world!

As long as she can give him the opportunity to accompany her and be stupid!

Is there a saying...

Hold the hand of the child, and grow old with the child;

The former Yuaotian would never believe this or ignore it. For him, he just lived in the moment, and I left you when I felt about you; now, I abandon you without feeling for you.

There is no such thing as a lifetime.

But now, he has gradually understood the meaning of these words...

is located in a private manor in Hokkaido.

Leo was holding the shower and was pouring the endless blue roses in the manor.

"The Lord." At this time, his two beautiful women walked behind him with solemn faces.

"We overheard Yuaotian intending to return to China tomorrow."

"Oh?" Leo stopped watering the flowers and stared at the sea of 22 flowers: "Go check the plane at what time."

"Lord, even if found, we can only intercept for a while.".
