

Pure Girl 765

Episode 765

These ten years ago, although it was impossible to say that Yuaotian lived in pain and guilt every day.

But when Yaoyao asked him, did you ever have someone you liked?

His answer is Lei Lei, and it can be seen that Lei Lei did not make any mistakes; Yu Aotian did indeed pay.

Sometimes, love...

may not always last forever.

Just ask, at the moment I met you, you liked me; I also liked you, this is love!

"Okay. All I want is your sentence! Just remember what you owe Lei Lei and owe her a lifetime! Now..."
Leo suddenly pulled a gun from his pocket and pointed it to be hung from

Yaoyao on the roof: "I finally asked you a question. If you answered me with satisfaction, I let her go. If not satisfied, I would kill her!"

"Just ask."

"If now Lei Lei and Luo Yaoyao are hanging on the roof together. You can only save one person. You... save who?!" This hypothetical question is actually very cruel, just like asking directly about Aotian.

Who is the same!

However, without any hesitation, he directly replied: "I save Lei Lei."

The moment he heard the answer, Leo smiled with satisfaction.

But...

On the roof, Yaoyao's expression gradually became more and more lost.

"Aotian..." whispered softly, and a tear ran across the corner of her eyes.

Even if they say a lot of things, she doesn't understand now.

However, it does not mean that she has completely lost all her thinking ability.

At the very least, she knew that at this moment...heart, it hurts, it hurts.

Although she didn't know what caused the pain...

"Lei Lei! Lei Lei! You come out soon!!!" Suddenly, Leo looked back excitedly at a small door behind him.

Yu Aotian's eyes drooped, and a slight smile rose from the corner of his mouth.

Undoubtedly, his guess is right. Lei Lei has really been with Leo for the past 11 years, so he can rest assured.

squeak.

The door opened.

A woman who appeared to be twenty-seven or eight years old came out of it.

Her height is not very high, her skin is white as snow, not to mention the beauty of the country, but she has her own uniqueness.

she was.....

Exactly, Lei Lei has disappeared for 11 years!

years ago, left many marks on her face.

Those eyes that were once full of aura also became extremely gray.

Yuaotian looked at her with a smile, without any surprise on her face, but more like a reunion with her old friend: "I haven't seen you for a long time."

"Hehe." Lei Lei just smiled lightly.

looked at all of them, Leo frowned, puzzled, he thought that Yuaotian would be extremely excited to see Lei Lei, did not expect to react so dull?

"Aotian, your reaction...?"

"Brother. Do you think you've cheated on Aotian? I'm afraid, he has long known that I have been with you all the time." Lei Lei smiled helplessly and slowly walked in front of them.

She knew Yuaotian.

For this hidden man and the man with a keen sense, he must have known everything before suddenly abandoning the search for her a few years ago.

"I didn't find that our tracks have been exposed?" Leo still didn't seem to believe it all, and turned to look at Yuaotian: "How can you be so sure, I have been together with Lei Lei?!"

"Obviously, he has denied it before."

"Hehe." Yu Aotian put his hands in his pockets and shook his head helplessly: "I'm just guessing. With your character, if you don't find Lei Lei, you might have come over to kill me. How could you be safe?"

The points have disappeared for so many years?"

However, when they met a few days ago and Leo said that he was not with Lei Lei, Yuaotian's psychology was still worried.

but..

....

When he stepped into this manor that Lei Lei had been dreaming about today, he was sure that Lei Lei must have lived here.

Otherwise, where is the beautiful rose, where will Leo's character live?

!

"I'll tell you, brother, we can't cheat Aotian!" Lei Lei smiled and peeped at Yu Aotian with Yu Guang. Then he bowed his head nervously.

Leo saw the reaction of her sister and knew that it was the expression of her sister's shyness.

At the same time, I also believed what Yuao Tiangang said. He let go, just because he had a hunch that his sister had always been by his side.

"Lei Lei, anyway, what did Aotian say just now, did you hear that? He said he would save you, and he proved..."

"Brother!" Just now, Lei Lei heard all the conversations in the church, and she really felt the passion of Yuao Tian.

It's a pity..." Aotian said that saving me doesn't mean he still likes me! It doesn't mean that he likes me more than Miss Luo." Eyes gradually turned to Yu Aotian: "You saved me, Luo

The lady is dead. What should you do?"

"Hehe..." Yuao Tian smiled gracefully and looked up at the lost Yaoyao: "I will die with her."

This.....

.

is the real answer to the Royal Prophet!

!

!

At that time, he had owed Lei Lei once, so if he was given a chance, he would pay back all Lei Lei.

As for Yaoyao, he hopes that he can go to the world with her hand in hand!

!

Love.

does not necessarily mean eternity.

Love.

does not necessarily mean that two people have to live together happily and feel good.

Sometimes, it may have been the most beautiful, just like between Yuaotian and Lei Lei. At the moment when they love each other, he paid his true feelings; she also gave everything.

Sometimes, death together is also a proof of beauty, like the answer given by Yu Aotian.

Undoubtedly proves the belonging of his emotion at the moment.

"Aotian....." Yaoyao with a lost expression laughed insincerely.

Although she still didn't understand the meaning of these words, she knew that even if she died, Aotian would be with her.

The answer is so simple!

Unfortunately, Leo did not understand, nor did he understand!

!

"Yu Aotian!!!!!! Although I have been with Lei Lei for the past ten years, Lei Lei has always loved you. Now you have given such an answer?!!!" The emotion he just calmed down once again became

excitement.

"Brother!!!" Lei Lei frowned anxiously.

"Okay. Don't you just have Luo Yaoyao in your heart now? Then I will kill her now. I think you committed suicide, or did you choose to be with my sister!" As he said, Leo quickly raised his hand.

Lei Lei and Yu Aotian glanced at each other, and they ran forward to grab Leo's hand.

"Brother!!! Calm down, I like Aotian is my business. Why do you have to force Aotian to like me??"
