Episode 91

How could she know whether the book sold in England or not, she never go to England before!

"There were, of course there were. I even bought it with my classmate."

"Hahahahaaha, aiya, I never thought to meet my hard core fans. Hahahaha." Xia Yu happily smiling while looked at Yu Ao Tian's direction.

He nodded, his black eyes gazed at Yao Yao who standing in front of them: "CEO Xia, Let we have our lunch, later my secretary will take new suit for you."

"Ok. It's Alright."

After seeing Xia Yu left, Yu Ao Tian expression changed : "Long Ye!"

"Ok, I know how to settle the matter."

Although both of those two persons are not saying much about the detail, Yao Yao has sort of premonition, when no one paid attention toward her, she hurried blocked Yu Ao Tian.

"En?"

She showed her pity eyes, begging at him, she quickly shakes her head, hoping Yu Ao Tian will change his mind.

But...

He narrowed his eyes, expressionless swayed her hands, hurried he walked to the private room.

Doom! She only able to beg Long Ye: "Long... General Manager Long."

"Xiao Meng Li, don't beg me. Whatever Yu Ao Tian has decided he never changed it. I go to work."
Unknown to hers, Long Ye didn't even mention about chance, he is simply leaving with Long Qi.

What should I do...seeing Yu Ao Tian he must.... Would he lay off Bai Ling?

"Yao Yao, was the elevator handsome man is our Berson group's CEO?" after leaving the cafeteria, the trouble maker Bai Ling just sensed. "Did you have known him before?"

"Actually...I did know him recently."

"Oh heaven, as rumor said that our CEO is someone good looking, really handsome, but I never thought he is extremely handsome. I always thought that good looking man was PR's staff. I even wanted to cry."

The person who wanted to cry must be she who worrying because Bai Ling is going to be fired soon but still she thought about good looking men.

"Bai Ling, if you are fi..."

"Oh yeah, Yao Yao, do you know that man who named Xia Yu? Moreover, it seems you ever told me that you were studying at Japan, how could it be changed to England?"

How to explain! She furrowed her brow: "Actually, I was read his information in the document. It was written about all interviewed and also articles regarding him. He likes England that place so much, so I thought to get closer the distance with him by saying that I have ever study in England."

"Oh, how could his expression changed from anger to happy after listened to you?" Bai Ling is curious asking her. She feels Yao Yao is so amazing.

"Ah, it just my luck. From his data, I tried to analyzing him, I think he must be someone who likes to hear other people compliment about himself. Moreover every time he got interviewed he liked to bring up his book, he seems to acknowledgement his writing so much. But at same time I did analyzed that his book not really welcomed by others. Thus..."

"Thus, you are only the crazy who said like his book, you even said to flatter him, aren't you?"

"En."

"Woah! Yao Yao you are super herb, you able to see and predict someone in very short time, you are so awesome." Bai Ling looked at her with worship expression.

But...

If she really that awesome how could she never able read or see through Yu Ao Tian!

"Bai Ling, I asked you, what will you do if you are stop working?"

"Resigned? Why must I resign, I came from country side, it not easy for me to come and work in Berson Group, of course I should work for the rest of my life time, even this work is such tiring I never thought to change to other job. Well, Yao Yao, I go to work. Bye bye."

"Bye..."

bye..." she helplessly waving her hand to Bai Ling, she really does not know how to help Bai Ling:

"Huh..."

"CEO Yu, hope both of us have a great collaboration."

"Great collaboration." After lunch time, Berson Group and Lan Du Group are signing work contract. Xia Yu is happily leaving Berson Group.

"Ha, Xiao Meng Li is awesome, only by her few words, Xia Yu flattered overly. Ao Tian, you must send Xiao Meng Li into PR Department."

After Long Ye done, Yu Ao Tian coldly said: "To spin a cocoon around oneself1]!"

"Ugh, there must be no big deal, mustn't it? Rumor still rumor, Xia Yu only met Xiao Meng Li one time, won't he thought much about her, right? Huh... but, he had brought up about Xiao Meng Li for the entire time when had lunch. Ah, it seems that Xiao Meng Li in danger." Long Ye is talking while walking with Yu Ao Tian, both of them are heading to CEO's room.

When he arrived at his office room, his footstep stopped, ominously said: "Xue Tong, if this afternoon Luo Yao Yao is coming to search for me, you told her today I am so busy, I don't have time for the whole afternoon."

"Yes." Mo Xue Tong nodded, mysteriously she pointed at CEO's office room: "Z is inside waiting for you."

"Z? Ao Tian, why are you asking Z to come here?"

Z is a member of international detective which is mysterious organization, each member of this organization is worked exclusively only for one employment, while Z exclusive employer is Yu Ao Tian.

At the normal situation, they would not ask Z to check on things, so that Long Ye is so curious what matter Yu Ao Tian wanted Z to check?

Yu Ao Tian said nothing; he just pushed open his office room.

"Hi, Mr. Yu, Mr. Long, long time no see.

"Sitting on sofa, Z dressed in black cloak, wearing sun glasses and mask, his voice even used voice changes, it make people cannot guess about his/her gender even the appearance, until today Yu Ao Tian also does not know Z real identity.

"The information?" cut off all the nonsenses, Yu Ao Tian dragged his chair, directly spoke to the point.

Z slowly handed over the document to Yu Ao Tian: "Her mother named Deng Hui Hong an unemployment, she doing odds job to support the living. Her grandfather is called Luo Chang, when he was young he worked in military, got injury so retire from his job, he depended on retirement fund. His father named Luo Tian Ming was... Deputy Prime Minister, Zeng Kai Rui's secretary. He also was one of his confidants."

"Ao Tian, are you checking on Xiao Meng Li?" finally Long Ye understood the important of Yao Yao for Yu Ao Tian, since he especially asked Z to check on her, the most important is...

"So Xiao Meng Li's father was Zeng Kai Rui secretary." He is murmured and Long Ye looked at Yu Ao Tian's side.

At the moment his face is showed darken expression, but suddenly it changed brighter. "Z, one year ago when I asked you to check on all the confidants of Zeng Kai Rui, why I didn't heard you reported Luo Tian Ming, this name?"

"Oh, Mr. Yu, don't be angry, you know how I am Z doing thing. A year ago when you asked me to check on all the confidants data I didn't included Luo Tian Ming because... Luo Tian Ming had already passed away 13 years ago caused by car accident, so that I didn't put his name. If not because you asked me to check on this little girl data, perhaps I never know for my whole life if 13 years ago there was other Zeng Kai Rui's confidant who named Luo Tian Ming."

Episode 92

After listened to Z explanation, Long Ye expression changed: "Ao Tian, you always persistent to check on Xiao Meng Li because you have sensed perhaps she might Luo Tian Ming's daughter?"

"Not because that." Yu Ao Tian expressionless shook his head, actually if not because the scar on Yao Yao's left shoulder, he would never wanted to ask Z to check Yao Yao, the result is far from what he

expected because her father also one of Zeng Kai Rui's confidants, is this what called as justice (when the truth is revealed)?

"This is too coincide, is this called not alone but in pairs (it's not only the case)?" Long Ye helplessly smiled.

Even Yu Ao Tian thought this is really too coincide, too coincide!

"When I was six I got car accident, there are too many things that forgotten."

He remembered what Yao Yao ever told him before, she is 19 year old, when she was six it just right was 13 years ago, did Luo Tian Ming killed in that car accident?

He back to his sensed, Yu Ao Tian deep black eyes looked at Z who in front of him: "Regarding about Luo Yao Yao information which is kept secretly by the government, is there any way to check on it?"

"HaHa, Mr. Yu, I afraid this matter I could not help, but... perhaps there is someone who able to "open"."

"En?" Yu Ao Tian coldly said.

Z stretched his/her body, slowly said: "Before talking about this person, I would like to say other thing. Currently in this world there are only five people who have IQ above 200. Luo Yao Yao who you asked me to check is included one of them. And then... I have evidence that actually they must be six!"

"Ah!" Yu Ao Tian curled up his lips: "I think, you better go on to the main point."

"Well, alright. Actually, I am quite curious with all these people who have high IQ, about 14 years ago there were six people. But 2 years ago, when I check on the data, I realized his data was deleted. Really curious, when I realized the data was deleted from Japan's IP, same year, the Japan recorded... Mr. Yu it was your data!" after said, Z used his hand to prop his chin: "I am gossiping, just wanted to know whether that "secret person" actually is same person or not."

"Well, the result?" Yu Ao Tian grinned, while Long Ye who standing beside him looked so gloomy.

Z shrugged: "The result, I was so disappointed, the Japanese recorded you are actually was born in Japan, even your IQ is an average, it seems that the person who deleted the data also hide the others six people data."

"Haha, Z, we have worked for such long time, you must know my character more or less?"

"Ok, I am sorry. Last sentences..." Z slowly stood up, gently patting Yu Ao Tian's shoulder: "perhaps I audacious make a guessing about you, your record in Japan..

. it must be fake? Since there was someone able to check it from Japan that very secret and confidential data from China Government server, moreover this person able to delete all the data. Actually, if this person really wanted to know about Luo Yao Yao it is not hard thing, regarding who is the person, Mr. Yu, you must have known better than me?"

"Z!" His eyes flashed, Yu Ao Tian grabbed his collar shirt, smiled: "I never know that you are so boring, you even dare to check on me?"

"Ha, Mr. Yu, in this world, two years ago you was the underworld Emperor in Japan, two years later you are Berson Group CEO, but actually within our detective group you are always...been mystery for us."

"Since it is mystery, it must be mystery forever. But once it known, it is not good either for me or for you, what do you...think?"

Z clearly knows the feeling being grabbed by Yu Ao Tian: "I understood, Mr. Yu. If there is nothing, I will take your leave."

Waiting until Z gone, Long Ye pissed off: "Hah, Z really quite good, since he could check on you. But, Ao Tian, why didn't you ask him to check Luo Tian Ming and that matters whether it had relation or not!"

Yu Ao Tian narrowed his eyes: "The matter about Luo Tian Ming I will go to ask his wife. About his daughter...." Stood up, slowly opened his computer, faster get online and preparing to hack into the country data

Long Ye is trying to stop Yu Ao Tian to hack China government server: "Ao Tian, are you deciding to check on Xiao Meng Li's data by yourself?" He shook his head: "This is not the time yet!"

Seeing how Long Ye begging on him, Yu Ao Tian immediately stopped his action and close his computer.

"Ao Tian, I really curious about Xiao Meng Li's identity and her secret but if you...." Long Ye stopped because it not usual to see composed and calm Yu Ao Tian acted this impulsive!

"Nothing." Yu Ao Tian avoided Long Ye question, took deep breath, he looked outside the window but his mind is floating nowhere.

While....

"Miss Mo, is CEO Yu in his office?"

"I am sorry, CEO Yu will have meeting this afternoon."

"Miss Mo, have CEO Yu done with his meeting?"

"I am sorry, CEO Yu is meeting with client."

"Miss Mo..."

For the entire afternoon, Yao Yao had visited CEO office room but she could not meet Yu Ao Tian, she really did not whether he really that busy or just avoided her. Frustrated!

"Hello Little Miss." During the got work off time, when she just stepped out from the Berson's lobby she was stopped by beautiful woman.

"You are?"

"HaHa, I am Chairman Xia's secretary. Our Chairman Xia is asking you to meet him." After said, the beautiful woman pointed at the Cadillac that parked at street side.

She followed the beautiful secretary to the car's side, Xia Yu is opened the car window: "Get into car and let's we have talk."

Ah? Get into car to have talk? Didn't this Xia Yu really thought she must his real hard core Fan?
"Xia...Chairman Xia, I am in hurry to go home, if you have an important thing to say, just say it in here."

"HaHa, if I really have an important thing to say, I wanted to talk with you while having coffee with me."
Xia Yu smiled.

Yao Yao helplessly got into the car. "Chairman Xia, why are you looking for me?"

"What is your name?"

"Luo Yao Yao."

"Oh, what a cute name, your name just as cute as your person. I called you Yao Yao, is it okay?" Xia Yu is middle age man who aged almost fifty but his appearance only looked alike someone in his thirties, as additional he has good features and has elegant aura. He has aura which make people easy to get close to him.

"En."

"Where are you living? I will send you off."

Ah, she lives in... high class estate: "No need, Chairman Xia, thank you for your kindness, I can go home by myself."

Episode 93

"Yao Yao, you don't need be that nervous, I am not bad person. To say, you are at same age with my daughter, so that I feel so familiar when I saw you from first time. If you willing, can you have dinner with me?"

"Ah?" Didn't you say that have something to talk about? How could it change to be dinner? "No, No, No...Chairman Xia, this is really cannot, cannot."

No matter how Yao Yao trying to refuse, this Xia Yu really not easy to deal with, finally he still brought her to five stars restaurant to have dinner. Moreover Xia Yu asked all the people to leave only left both of him and her, two persons.

"Yao Yao, are you single?" Xia Yu asked, one of his hands is holding wine and another hand touch Yao Yao's shoulder.

She is not comfortable with him so she stammered: "I, I have boyfriend."

"En? What is your boyfriend job?"

His job? How can she know it! It is only a lie. "Same like me, we are white collar workers."

"White collar worker, does it quite difficult? In today's society the life pressure quite pressing, does he able to support you? I starting to think, a little girl like you... must looking for man who able to protect you." Xia Yu elegantly moving his wine glass, while his other hand has moved to her waist: "Yao Yao, I really like you, do you understand?"

Not understand, also does not want to understand.

Although she has met him about two hours, even this man not give negative vibe but because of the way he spoke and gestures, how could he say something like this? Does he really expect Yao Yao to be his lover?

What is going on, why every man in this world cannot satisfy only with one woman?

"Chairman Xia, thank you for your deep affection, but currently I am so satisfied with my boyfriend, I also hope you to understand!"

"Yao Yao? Did I misunderstand something?" Xia Yu felt unhappy.

Yao Yao dumbstruck, what was called as misunderstand something?

"You..."

"Yao Yao!" another man called her.

Yao Yao and Xia Yu looked at the voice direction: "Long Qi."

"Are you? Berson's manager?"

"Aiya, Chairman Xia, today this afternoon we had lunch together, he he. Oh yeah, how can you together with my girlfriend?"

After Xia Yu heard, his hand that touches Yao Yao is removed: "Is Yao Yao your girlfriend?"

"Yes."

"En, En." Yao Yao hurried nodding her head.

"Well, I won't bother both of you. I take my leave." Basically during the time he knows Yu Ao Tian he also understand that Long Qi is one of Yu Ao Tian's confidants, although he is stupid, he would not dare to touch Yu Ao Tian's men, otherwise he wants to die. After he said, he walked away with his cold face.

Yao Yao relieved: "Long Qi, how can you be here?"

"Yu Ao Tian asked me to follow you."

"Ah?" Did Yu Ao Tian have guessed this thing would be happened?"

"Well, it seems the rumor about Xiao Yu as women killer is true." Long Qi murmured.

It feels that Xia Yu is recidivist, his appearance and his person really contradictive. "Long Qi, Thank you for today, let's we go."

"En, oh yeah, if Yu Ao Tian asked you, you must say that because Xia Yu had paw you so that I show up to help you. You must say like that."

Looking at Long Qi nervous expression, she furrowed her brow: "Why? Why must say too much difference with reality?"

"Of course, Ao Tian said, you must in your lame state so that I could come to help. But... looking that old man touched you, I just feel unhappy!" Long Qi also did not know how to tell her, he just felt uncomfortable when saw it.

"En, I understood. In this way, I must thank you lot." Of course, she must thank Yu Ao Tian too, although he asked Long Qi to show up if she looked deprived, but Yao Yao understood the reason of Yu Ao Tian. He wanted her to taste the flavor from her act, makes her grow and wiser, he really strict!

"Long Qi..." suddenly her footstep stopped.

"What? Flat Chest."

"That... You... do you think that I am... really suitable to be others lover?" toward this matter she always doubt herself, why after she graduated from high school, meeting every man, one by one of them were asking her to be their lover? To hers this is kind of humiliation.

Looking at Yao Yao who looked so pity, Long Qi did not has heart to tease her as normal day he do, slowly said: "It's not about you suit or not as lover but this society is kind of like this. no matter rich men or not, every man tends to think to have lover, as additional you are... having that little bit good looks as woman, so that most of them paid more attention to you."

"So that? Based on your explanation, this is not my mistake, is it?"

"Of course not, this only because they are blind, after all how they are looking flat chest to be their lover!" He showed his devilish smiled.

Although every time she talked to Long Qi he likes to tease her but it does not matter for her, after she heard what Long Qi said, she feels much better.

"Get in car." Both of them walked to the car that parked at street side, when Long Qi opened the back seat's door...

"Yu Ao Tian?" Yao Yao shocked gazing at Long Qi, she also looked at the expressionless Yu Ao Tian who sat on car, ha, this is really called as travel far away looking for something. "Just in time I am looking for you, Yu Ao Tian, can you..."

"Get in car first." Yu Ao Tian cut off her words, his face dim.

Uh, his expression...seems not good, this kind of feeling, kind of feeling. She crept sitting beside Yu Ao Tian.

The car slowly moving, inside the car the atmosphere deathly stillness, Long Qi left after he sent them to the villa...

She followed Yu Ao Tian to the villa, she wanted to open her mouth but swallow it later. Not, not, this is my opportunity, if not now there won't be any.

"Yu Ao Tian! Regarding..."

"If you wanted to talk about that little girl, I have nothing to say!" He coldly sitting on sofa, he not even glanced at her.

"But!" powerless, Yao Yao stood in front of him, "But Bai Ling not really made big mistake!"

"And, if not because of me to solve the matter today... oh yeah, to say, you haven't reward me." Hearing what Yao Yao said, Yu Ao Tian lips curled upward, slowly his face closer to hers: "What reward do you want?"

"Reward? Uh... no need, you give me an opportunity to work, I really thank you so much."

Looking at her innocent face and sweet smile, at the moment his eyes dim: "Little Thing! Are you really pretending to be fool or you are really stupid!"

What...what? Regarding to Yu Ao Tian, his cold-hot character Yao Yao never able to read him or react toward him.

"I have warned you, don't used you smart little brain in wrong place, still not remember?" He pulled her to his embrace, "Oh yeah, you were helping that little girl to clean the mess. But, wrong still wrong, if we are not know each other, perhaps I may commend you, still she can be fired. Do you think... how this thing to be solved?"

"....."

She trembling when she looked Yu Ao Tian eyes flashed. So she just sat still in Yu Ao Tian's lap. She sat obediently while thinking Yu Ao Tian words...

Yu Ao Tian was right although the matter seems be solved, but the person who solved it was her not Bai Ling. So that no matter how she tried to help still it was still Bai Ling mistake.

"Let's talking about you." Yu Ao Tian said.

"Me?" what a hell did she do? Did having dinner with Xia Yu was her fault?

"Long, Long Qi said that was not my fault.

It was..."

"It seems Long Qi treated you not bad, he even comforting you but what he did...actually harm you." Yu Ao Tian suddenly touched her small face.

"Yao Yao, didn't you understand my intention?"

"The meat that close to mouth, but no one can eat it, alike two years ago, he able to see through her!"

"I think you are not suitable to go for working, it better you stay at home and focus yourself to be lover, at least you are only become my lover who serve me alone!" Yu Ao Tian said to Yao Yao.

"I don't want..." Yao Yao protested.

Her face hurt because pinched by Yu Ao Tian but her heart even more hurt when heard what Yu Ao Tian said. She really hates her status as lover!

"Yu Ao Tian! You think... what was happened today with Xia Yu not because me who is working at Berson, if I don't work in Berson how could he invited me for dinner?" pa! She got slapped from Yu Ao Tian.

"Little Thing, I really don't know how to say you." He cold eyes looked disappointed: "You better understand about your status! If you are only my employee, because of the company sacrifice yourself, I will reward you, if you climb into Xia Yu's bed, I would even promote you. But, you are..." he narrowed his eyes: "You are my lover, Yu Ao Tian's lover! Not mentioned if you offended him even you hit him, I not bother. It only a small business, losing that one, I don't care."

"But I do care! You can look me as your lover, everyone in this world can see me as lover but I don't want make myself to be lover, because... lover for me...." Yao Yao cannot hold her tears anymore.

"Little Thing, better you wipe your tear!" after said, he pulled her long hair.

"Ah!" she screamed because he is hurting her.

"Let me ask you, did you the one who signed the lover's contract? Answer me!"

"Yes..." she stopped crying and trembling nodded her head.

"So why are you crying? This is only the first step, you must know how the end. Your main work is focusing how to be the good lover for me, Yu Ao Tian! I see... tomorrow you do not need to go to work, and about university? You also no need to go to university." He loosened his grabbed and hugged her.

Yao Yao hurried hugged his neck: "No, I beg you, I want to study, I want to work. I begging you..." she could compromise with her status but she must stubborn and persistent for her last hope...

Having good education and working!

"Regarding about the love contract..." Yu Ao Tian glanced, "proved it to me!"

"How?"

Here another series how Yao Yao got violate again by Yu Ao Tian. She is forced to do "warming"

Every time she did it, Yu Ao Tian would comment on how she did it. This time, Yu Ao Tian is quite happy for Yao Yao improvement in doing "Warming" service.

After teasing her for long time, finally he released her and preparing to leave.

"I take my leave." He said to Yao Yao who stare blankly. He only walked two steps suddenly he turned his back: "You not sending me?"

Yao Yao obediently stood up and followed his back until the front door: "Take...take care, bye bye."

"Hah? Only like this?" he asked but his expression has changed much better.

Only like this?

So what must she do as lover? Did she progress? Did he mean she can go to work and also go to university?

She did not know, she just stupidly looking at Yu Ao Tian who leaving....

**

"Supervisor Sun, all these document, I have read it." Less than two days, Yao Yao has read all of the documents which given by Sun Li.

"Hah? So fast? Well... you can randomly to do something, now I am so busy, later still need to attend monthly meeting, this time I can't do much for you."

"Oh, you go busy, if you have something to do just call me." Sun Li is busy with her work so ignore her, so she only can sit silently in her seat.

Now, everyone in Finance Department is looking so busy, only Yao Yao who seems have nothing to do. So that no matter who asked for her help she will be so willingly to help, at least she can do something to busy herself.

"Xiao Luo, Xiao Luo, do you have thing to do?"

She turned to look the person called her name: "Nothing, what do you want me to help?" Yao Yao happily asked.

"I need your help, come, help me to photocopy all these documents."

"Alright." She followed that person to photocopy, she seriously and carefully to do her job: "I have seen that for these two days our department seems to be busy, why?"

"Oh, it because this afternoon we will have meeting, as I heard, the General Manager will also join the meeting. This is the time for everyone to show off, of course everyone work hard. The most important is, out finance department got few hundred million fund two days ago, this opportunity must be have good result, so everyone is so busy."

"Oh.." she can understand it. The basic job of Berson Finance Department is responsible to the client money, after that using the money to do investment and earn the percentage as bonus. The trust fund is large amount of investment; it could more than few billion. No wonder everyone is working so hard.

"Now are we photocopying all the fund analysis that made by the finance department regarding to the investment project?"

"Yes. This time all of us decide to do investment in stocks."

"Oh." Yao Yao understood nodding her head, while her eyes reading the main contain about the report. Stocks A is Bao Li Hua. Huh, this stock seems so familiar for her, it seems she has read somewhere?

"Ok, Thank you, Xiao Luo."

"It's okay." She back to her own seat in her office room, she still curious so Yao Yao opened her computer and browsing everything about Bao Li Hua Stock A.

While doing her browsing and analyzing, she thought it safer to invest in Bao Li Hua Stock B..

Episode 94

Without she realized, Yao Yao has took some notes about the stocks that she analyses.

"Xiao Luo, all the managers are done with their analysis, but how can you still do Bao Li Hua stocks analysis?" one of colleagues who passed Yao Yao's desk asked, continue: "Aiya, Bao Hua Li stocks B it impossible, currently it dropped significantly, it not an option to do the investment, even wanted to invest for short investment but still there must need about three months to get the result."

What?

After she heard what her colleague told her, Yao Tao face turned green: "Are you talking about short investment?"

"That's right."

Doom! Since that's the matter they must not invest on Bao Hua Li stock A, it would compensate for the loss deathly!

"Manager? Where is Wilson, the Vice Manager?"

"Didn't you hear what I said before, everyone is in meeting room."

"Well, where is Sun supervisor?" Yao Yao stood up, looking around for Sun Lin in her office room.

"Sun Supervisor also joined."

"Are all have gone? Sister Zhang (Zhang Jie), help me, can you go to the meeting room, inform either Sun supervisor or Wilson vice Manager that they must not invest on Bao Li Hua stocks A. or else you can make phone call."

"Xiao Luo, are you okay?" Sister Zhang unbelievable looking at Yao Yao: "Manager Lin has already approved Bao Li Hua stocks, you said not to buy and then they would not buy? Moreover, all of them are in meeting so no one will switch on the phone, I don't want to take the risk. If you want to go... you go by yourself."

Berson Meeting Room, C room

Regarding the company meeting room it is divided into three types, the A, B and C. The C room can accommodate hundreds of people and also have small interactive multimedia hall. In the middle of the room there is another rounded table which has sub-regional director seat, Finance Manager, the supervisor level managers and others are group leader, secretaries, assistants and others.

"CEO Yu, General Manager Long, Wang General Director, this is the report regarding to the Bao Li Hua stocks investment analysis, please take a look." The Finance Manager Lin Ya Cheng said, his personal secretary distribute the document to the three people.

Yu Ao Tian read the document contain, suddenly his face expression changed. Everyone included the Long General Manager, Wang General Director and others never thought that Yu Ao Tian, their CEO would come and join the monthly meeting.

"Bao Li Hua stocks A?" Yu Ao Tian coldly said.

Lin Ya Cheng carefully examining his expression but he cannot find any satisfaction expression from Yu Ao Tian and then he replied: "Yes. It is."

Bamn!

Yu Ao Tian expressionless slammed the document in the table.

Everyone who gathered in the meeting room shocked and all of them still waiting how their Finance Manager explained to their CEO.

"Secretary Mo." Yu Ao Tian turned his back and called Mo Xue Tong.

She nodded, she has prepared other document for Yu Ao Tian and hand it over to him.

"Hey, you guys make guess, what did secretary Mo hand over to CEO Yu?" some of the employees made circles gossiping.

At the moment Yu Ao Tian is starting to open the document that he received from secretary Mo, suddenly someone "infiltrate" the meeting room, everyone looked at the person direction even Yu Ao Tian.

"Xiao Luo, why are you here?" asked Sun Li shocked when seeing Yao Yao entering the meeting room.

"I..." everyone still looked at her included Yu Ao Tian, because of their eyesight; she almost forgot her main purpose to come. How can Yu Ao Tian also in here? Didn't they say only Long Ye who is coming?

"Supervisor Sun, doesn't she is your team member? Didn't she know that what are we doing in here? Simply to say come to make trouble! Hurried deal with her!" Lin Ya Chen angrily said to Sun Li and looked at Yu Ao Tian: "I am sorry, I am sorry, CEO Yu, General Manager Long and Wang General Director."

"Xiao Luo hurry gets out! Get out hurried!" Sun Li suddenly dragged Yao Yao to leave the room.

At this moment, Long Ye glanced at Yu Ao Tian, his lips curved upward: "Wait, Xiao Meng...hem...you dare to infiltrate the meeting room, you must have good reason to do so, mustn't you?"

Sun Li stopped, looking at Long Ye, and also looking at Yao Yao: "General Manager Long is asking you, hurried answer!"

She gained herself, Yao Yao hurried nodding.

"Well, what's matter?"

"It is...." She wanted to speak, but when her eyes met Yu Ao Tian's eyes she lower her head, her body is trembling: "No.

..Nothing. I... am sorry, disturb, disturbing all of you."

"Well, you the new comer, what you do you want to do? You just come few days or do you want to resign?"

Yao Yao clenched, stammered: "I, I..." she took deep breath, made a fist: "Cannot, cannot buy Bao Li Hua stock A."

At the moment, Yao Yao voice is soften, but the colleagues who sat not far from her: "Xiao Luo, are you crazy? Do you want to trouble us?"

"What did she said, can you say it to me once again?" Long Ye smiled.

Sun Li glared at Yao Yao, worried: "She said, she said cannot buy Bao Li Hua stocks A."

An instant everyone face expression changed, to unknown they have worked so hard in order to analysis about this stocks and got the result, even the CEO hasn't read it, but she is only small employee how dare she came and said such words?

"Well, you newbie, no need to come to work, simply go to HRD to make report!" Lin Ya Cheng disappointed.

"Manager Lin, I understand... perhaps this is not my part to speak up, but..

. this amount of money really cannot invest to Bao Li Hua stock A as short investment." Toward Yao Yao this job is not an easy job she can have but asking her do nothing in order to stay for this job, she really cannot do it.

"What do you understand? You are only a newbie, what is your right to say..."

"Why?" Long Ye cut Lin Ya Cheng's words.

For Yao Yao the warmness of Long Ye way of speaking it encourage her to stubborn: "Because, Bao Li Hua stocks A is not suitable to make short investment, the reason..." she walked to the in front of the white board, she took one of the pen marker, she wrote down all the reason and also make a circle for the important point. "This is the reason. So that..." when she spotted Yu Ao Tian eyesight, suddenly she lost her confident..

Episode 95

Will he be angry? But, she is part of this Finance Department, won't he be angry, right?

But, everything still unpredictable, perhaps he will favor Bao Li Hua Stock A more, if this the case, did I do something wrong again? Aiya, what should I do?

Heart is beating faster, all her focus goes to Yu Ao Tian, she does not care with anyone eyesight.

"So, according to your argue; which stocks investment is more suitable to be invested by this funds?" Yu Ao Tian asked coldly.

Everyone who in there, all of them dumbfounded, they wonder why their CEO really consider this newbie opinion?

"It suitable to invest...suitable to invest on..." she so anxious, raise her head, looking eyes to eyes with Yu Ao Tian, she faster said: "Chang Hong stock A!"

"Are you a blunder? That is junk stock!" Everyone is coldly humph her.

Lin Ya Cheng even pissed off, said: "Xiao Luo, according to your analysis I don't want to retort. Because I think perhaps you might have better idea, but Chang Hong stock A is junk stocks that list in market trend, how dare you put that amount of fund invest into that kind of stock?"

"It not like that, I really not speak nonsense."

"Still dare to say not nonsense? This is company, not your theme park. It cannot do based on your unconstraint bold imagination; this company really cannot undertake your risk!"

"It right, Xiao Luo, you are too childish."

"No, it's not...." Meeting with this few mouths, Yao Yao felt as if arguing with thousand mouths. But she is really not saying because her impulsiveness.

When everyone is speaking in meeting room, suddenly Yu Ao Tian stood up.

At this moment, his bossy aura shut all the mouth up, all their eyes is unable to offset from his spot.

"well, just invest on Chang Hong stocks A, dismiss..." no one even react but after Yu Ao Tian spoke everyone kept silent, while Yu Ao Tian, General Manager Long and Mo Xue Tong are already walking out from the meeting room.

For such long time, everyone comes to their senses: "Buy...Buy... Chang Hong Stocks A? Yu, did CEO Yu say?"

"It seems, yes."

"This is not the newbie like you that can take the responsible.... Aiya, just do your work." At this moment the General Director only can smile to Yao Yao.

He is man in his thirties, have good facial feature, his body well build and when he wearing his black suit he looks so mature and elegant.

Who..is he?"

After Yao Yao gained herself, the man has left.

"Good bye, General Director Wang."

"Good bye, General Director Wang."

So that he is the regional General Director.

Wait! Did Yu Ao Tian say that buying Chang Hong Stock A?

"Yu Ao Tian, it's you have good eyesight, Xiao Meng Li only in Finance Department for few days but her senses is become so sharp. It quite feared." After leaving the meeting room, Long Ye praised.

"Ah." Yu Ao Tian humph coldly, but he smiled: "It's not because I purposely sent her to Finance Department, she just wanted to work, and the Finance Department just lacking of human resources so when I saw there are emptied position, just put her to there."

"Uh...I thought it was because of you... That Xiao Meng Li really has talent in doing investment."

"It not because she is talented in investment." Suddenly Yu Ao Tian stopped.

"So?"

His good looking face smiles, his eyes flashed: "The people who have IQ above 200, no matter what they do, they have high sensitivity compare to the average people, at least ten times."

"Ah, because of this you must be understood her more but, since Xiao Meng Li really have many positive traits, why don't you make her stay beside us and used her?"

The footstep stopped, Yu Ao Tian silent for moment, smiled devilish: "Now she is really innocent and naïve, keep her at my side only asking for trouble.

"

About this... Long Ye have little bit understanding toward Yu Ao Tian who always cherish the talented people so that he will keep the talented Yao Yao at his side.

"Ao Tian, this report...do you still want?" at his back, Mo Xue Tong hand over the document that was opened by Yu Ao Tian but haven't read.

He took the document, slowly opened it...

The contains of the report is exactly similar with what Yao Yao explained before, it was about Chang Hong stocks A! "Help me to destroy it!"

For the entire afternoon the Finance Department atmosphere is terrible bad, everyone looked at Yao Yao with "demon personifying pestilence" sight.

Everyone is talking about her, either in her in front or at her back. During this time, Yao Yao decided to close her ears, pretending hear nothing.

"Xiao Luo, I am at your side, don't listen to their gibberish." Said one of her colleague, Xia Ren Liang.

Since the first day Yao Yao working other than Supervisor Sun, the first person that Yao Yao knows is Xia Ren Liang. He only at his twenties, he has bright smile that able to bring warm feeling to other. During this time he takes care Yao Yao as if big brother, "Thank You."

Finally the working time is ended; Yao Yao is prepared to go home. When she just walked out from the lobby, suddenly the car slowly stopped at her in front. Xia Ren Liang handsome face showed up from the car's window, "Xiao Luo, where are you living? Let me give you a ride."

"No need, Xia Ren Ling, thank you."

"Well, see you tomorrow." Xia Ren Liang leaving after say good bye.

"Let's the yesterday, now you are in my..." (phone ring tone)

"Hello?"

"I am in the other side of street, quickly come." It was Yu Ao Tian phone called, without waiting for her to speak, he has hung the call already.

She looked her surrounded and spotted a Bugatti parked not far. Hurried she get in to the car, "Hurry! Start the engine hurry!" Yao Yao looked panic when she has already sat down in the car.

"What happen?" Yu Ao Tian asked.

Yao Yao just scared to be spotted by her colleague if she gets into same car with Yu Ao Tian, while this man really bad. He even has time to tease her, "So this is your first words after seeing me for first time after long time?"

Aiya, what you expected? Or else you want to hear me to say, I really want to straggle you to death? Or you want me to give you welcoming kiss? Aiya... I never can do it! (this how Yao Yao think when Yu Ao Tian asked her)

Said nothing, Yao Yao just silent inside the car.

Because Yao Yao said nothing, not even showed any interesting expression. Yu Ao Tian won't stop to tease her. He wide opened the car window so that everyone who passing by can see through to his Bugatti.

He knows that Yao Yao afraid to be seen by people during with him, so that he gave her another mental shock by caressing her when people passing during the red light.

Yu Ao Tian really good in tormenting people either physically or mentally. This time he not abuse her in physically like he used to do but more to give Yao Yao mental shocking. After while, finally he stopped, "Well, let's have dinner." He said.

"Are we eating in here?" she doubted.

"Dislike?"

She really dislikes because last time when she came here to eat with Yu Ao Tian, everyone treated him as if the Emperor coming to visit. Moreover she hates the eyesight of everyone who looked at her when she walking with Yu Ao Tian.

"Can we...eat in more ordinary place?" She asked.

"En."

"If.. you are not get used, forget it." Afraid made Yu Ao Tian pissed off, she hurried said something.

To the unknown, Yu Ao Tian not angry he even riding the car to crowded night market.

What happen to him tonight, he seems little bit strange? Perhaps this afternoon matter not really pissed him off? Must be alarmed! This Yu Ao Tian looks not too normal, perhaps in others second he might....

"What do you want?" when Yu Ao Tian took off his suit and also untie his necktie, Yao Yao spontaneously asked, "This is still in street."

"Little Thing, sometimes I really wonder how your brain works?" Yu Ao Tian said.

"So, this..." Yao Yao pointed at the suit that has been took off and also the untie necktie. It so normal for her to think perhaps Yu Ao Tian is thinking to violate her because Yu Ao Tian is not human, he is beast, he even dares to violate her anywhere he likes.

"Don't you think it weird to wear suit in crowded night market?" Yu Ao Tian asked.

Finally Yao Yao who is still sitting inside car can little bit rest assured. At least, Yu Ao Tian won't do something. An instant, Yao Yao could see the elegant Yu Ao Tian as CEO turned be little street rascal after he took off his "business attire".

She followed Yu Ao Tian heading to the crowded night market, this time it seems he is trying to change the way of his walking style, every steps looked as if he walked like the hooligan, "Aren't you tired yourself by walking like this?"

"Tired? Long time ago I did walk in this way."

"Long time ago? Long time ago when you were still the underworld Emperor?" At least the first time she met Yu Ao Tian he had already become the underworld Emperor but this feeling is different because she could feel that, the today Yu Ao Tian is not different compare to the street hooligan or any normal ordinary men, his aura.

"The longer time before."

The longer time before? That's right, it impossible for him to be the underworld Emperor since he born, perhaps after he experienced many things, or perhaps, the olden Yu Ao Tian was different with Feng Chen Yi—he might born in an ordinary family or even worse?

If the case...

Yu Ao Tian must be someone who more complicated to what she able to think of, because he has experienced many things and even have attained such great strength to be the today him!

Looking at Yu Ao Tian who walking far from the eyesight, she really curious what kind of commoner Yu Ao Tian could be? She has seen him as underworld Emperor and also him as Businessman!

"You sit here, waiting for me.

I will go to buy something to eat." Picking on of the little food stall, Yu Ao Tian rushed in front to buy food.

"Hey, Little Sister, Little Sister." At this time suddenly some high schooler who sat next to her called. "Just now, the man who come with you, is he your big brother or your uncle?"

"Ah?" She quite surprised being called Little Sister by the high schoolers, she really does not know to laugh happily or smile bitterly. "He... he is my uncle."

"Woah, see just like my guessed. That mature man must be in thirty."

"But he looked so young, I even thought he perhaps this Little Sister's brother. But... Big Uncle! So adorable, I am kind of Uncles-complex, cannot resist, cannot resist!"

Oh my? What is inside today high schooler's brain, Yu Ao Tian is someone who older by few years compare to them but they are? "My uncle has already have wife."

"What? Has already had wife?"

Perhaps in this way, these Little Sisters would give up?

"Oh My God, no wonder that big uncle looked so adorable, so he has already have wife. Just like people said that, a man who has already had wife always obtained charm. Oh yeah, Little Sister, how is your uncle relationship with your aunty?"

If they are in bad term, do you guys want to get involve? Oh my actually what situation is happening here.

"Your friend?" at this moment suddenly Yu Ao Tian appeared with two set of food in his hands, seeing one of the little girl sat on his seat so he just took the seat beside Yao Yao.

"Uh, they are..."

Without waiting Yao Yao to explain, one of the little girls suddenly spoke: "Big uncle, we don't know your niece but your niece is so lovely, so all of us wanted to be friend with her."

"En?" Big uncle? Niece? Yu Ao Tian wanted to know what Little Thing said to the group of little girls! He looked at Yao Yao and then naturally he smiled: "I do think my niece is so lovely, so that, every night I will be so exhausted because of her. She is...Bao Bei." The domineering Yu Ao Tian's lips pressed on her cheek.

"Uh." And then he looked at that little girls group.

"How can you do this?" Yao Yao pushed away Yu Ao Tian.

"Ah, so why you told them that I am your big uncle?"

"That because..." she lower her head, silently took one portion of food with soft voice: "All of them are still so young, if one of them are seduced by you, their future might be so miserable."

Episode 96

After both of them done eating, they are strolling in the night market. When they are passing the cotton candy stall, suddenly Yao Yao stopped her steps.

"Want to eat?"

"En, En." She excited nodding her head.

"Boss, give me one." The pink colored cotton candy is given to Yao Yao and she looked like a little excited little girl, smiling.

Actually at home she got so many branded bags, outfits but she not even glanced at those stuffs, instead of those, only this simple cotton candy able to make her smile that happily. Perhaps this is called as the simple happiness that kid has.

"Want to eat?" Both of them walking to the side of little river not far from the night market, Yao Yao found one big rock as sitting place, she stood in front of Yu Ao Tian with alacrity, swaying her cotton candy asking him.

"Huh, you eat by yourself." If he still were little boy perhaps he would take one bite, but he has reached to this age already, it feel like silly big man if he takes one bite.

Yao Yao rolled her eyes, suddenly she took little bit of her cotton candy and put into Yu Ao Tian's mouth:
"HiHi... it is sweet right?"

"En, it's sweet." Yu Ao Tian said, looking at Yao Yao.

"Hehe.." Yao Yao showed him "stupid smile", she enjoyed her cotton candy while walking.

"Really looked like dirty little kitty." Yu Ao Tian helplessly smiling at the way Yao Yao eating her cotton candy. Not long after, he suddenly pulled her and kissed her lips.

Yao Yao acted strangely when Yu Ao Tian kissed her, so he turned his back and not far from them, he could see few men come closer toward them. Slowly he released Yao Yao.

"Yu... Yu Ao Tian, quick, faster we run!"

When Yu Ao Tian looked at them, few men have surrounded both of them. Yao Yao did not know what these men wanted to do with Yu Ao Tian.

"You leave first." Yu Ao Tian looked so composed.

"Cannot! Want to leave then we must leave together!" She not even bothers to throw her favorite cotton candy to the ground, hurried she held Yu Ao Tian's hand: "Run!"

Her expression is so nervous while her small hand is shaking as cold as ice, Yao Yao tried to suppress her fear. On this circumstance, she is not left Yu Ao Tian alone but even held his hand and asked to run together. Uh...after experienced many things, This little thing really not learn anything about facing and life-survival in this mundane world, but this still it gives him a warm feeling.

When all the men are too close with them, Yu Ao Tian held her as if embrace little kid.

"Yu Ao Tian, you?"

"Little Thing, close your eyes and then hugged me tightly."

She closed her eyes and hugged him tightly as what he said, not dare to refuse. The fight is started and Yu Ao Tian still in his composed self, he even said: "Aiya, Zhao Zhi Chen's son really too stingy too sent these men to kill me?" Yu Ao Tian even laughing while fighting.

"Yu Big Boss, we all know that you are "eat" both of White and Black, but since you know that we are sent and paid by other people, only to help. Sorry to offend!" after said, that group of people keep on attacking.

"Oh?" Yu Ao Tian even showed his devilish smile, some of the men fight with bare hand, and some are using knives! But Yu Ao Tian's expression is still the same, he enjoyed playing with them.

"Big Boss, what to do? Yu Ao Tian seems too awesome compared to rumors." Said one of the men that got hit by Yu Ao Tian.

"We keep attacking him and focus on that little girl, you guys must use every opportunity!" Someone gave the command and hinted someone to use a knife on Yao Yao.

When Yu Ao Tian saw that man, he really was unhappy so he kicked him and took the knife and then cut his hand off. There are a lot of men who came to fight with Yu Ao Tian but on the other side perhaps the losing party because one by one the Xiao Di asked their Big Boss, "Big Boss, what should we do?"

The ground is covered by fresh blood, Yu Ao Tian knew that Yao Yao must be scared, so when Yao Yao raised her head to see, at sudden Yu Ao Tian said, "Bao Bei, keep on closing your eyes, not allowed to open!"

The fight still continued until...

"Yu, Big Boss Yu, be able to see you... really..really...honor for me." Finally that man died while the others men that left all run after they saw the scenes.

"Hu..."

When Yu Ao Tian wanted to finish the man that left, suddenly he heard Yao Yao sobbing sound. He turned around and looked at that small face. At that moment... he saw an expression like-death on Yao Yao, gently touched: "Didn't I tell you to close your eyes?"

"You, your neck is bleeding. I am sorry. It all my faults to be a burden for you." Yao Yao tried to wipe her tears and see him with guilty eyesight to his wound.

The snow white color shirt is contaminated with fresh blood while there is some wound in his body which shocked her.

"Ah, Bao Bei, this time is called as unexpected incident, I thought you are cursing me this time by pointing at my nose." Looking at that anxious face, Yu Ao Tian even has mood to joke.

"That time was different with this time." She raised her head, trying to control herself and stop crying, slowly said: "The underworld is solved by the underworld rules, while the business world must be solved with the business rules. That time when you used that underworld rules to solve the business, so that I...."

He is so happy this little thing able to accept that happened today, but..

.

"Little thing, remember!" his big hand caressed her small face: "There is still another color, it is called grey!"

No! In her world there is no such color called grey, for her white is white and black is black. She has accepted Yu Ao Tian as the underworld Emperor and also the Yu Ao Tian who is CEO in business world but when this two are mixed, she really cannot accept it.

Death silent...

Yu Ao Tian knew that Little Thing cannot accept this kind of reality, but he is a man with grey color so that he must teach Little Thing to learn and accept it slowly, all of him.

Not long after that suddenly Yao Yao heard cars engine sound. It is Yu Ao Tian's men who come. Everyone looked nervous and anxious when get down from the car.

"Ao Tian!" Han Li Shang even rushed toward Yu Ao Tian with anxious expression.

"We are always watch Zhao Zhi Chen's son attentively, but still they able to make way to loopholes. I am sorry." Han Li Shang felt guilty.

"It is okay, Li Shang." Yu Ao Tian laughed.

"You have injured?"

"What? Yu Ao Tian got injured?" Long Ye showed unbelievable expression.

"I still thought all the blood in Yu Ao Tian's body was those men's, Ao Tian, based on your strength, how could you be injured?" Long Qi did not understand asked.

"It must be you!" Han Li Shang angrily pointed at Yao Yao.

She has met Han Li Shang few times but this is first time for her to see the anger Han Li Shang. If she looked him closely, Han Li Shang seems to have same age with Yu Ao Tian or even older but his aura is filled with coldness. His good looking face seems not to have other expression other than coldness. He is so scary. "You, what are you saying?"

Han Li Shang continued, "Yu Ao Tian injured because of you, right?"

She just silent, not dares to see that cold face. She knew the injured in Yu Ao Tian's body was because of her so she cannot do anything.

"Li Shang, you are scared Yao Yao." Long Qi said.

"Li Shang, stopped it." Yu Ao Tian said.

Han Li Shang is angry but because Yu Ao Tian has gave his commend he better to obey and left.

"Flat Chest, are you okay?" Long Qi asked her.

"I am okay." She swaying her head and tried to smile. She spotted Mo Xue Tong who also showed same eyesight toward her.

"Flat chest, you don't need to think too much about Han Li Shang and Mo Xue Tong, both of them not have bad intention, they just care about Yu Ao Tian, so that they acted that way."

Mo Xue Tong and Long Ye accompanied Yu Ao Tian in one car while Long Qi with Yao Yao in another car.

After sometime the frustrated Yao Yao who intimidated by Han Li Shang eyesight, she finally gained herself back asked: "Secretary Mo and that..."

"He is Han Li Shang, the vice CEO of Berson Group."

Ah? So he is the Vice CEO of Berson Group? For these few days Yao Yao had heard about Vice CEO Han, everyone said he is the demon Vice CEO. The rumor said even Yu Ao Tian has give him face. Today met him, the Vice CEO Han is more dangerous and scarier compare to the rumor. "Oh, so that Vice CEO Han and Secretary Mo, both of them are the good friend of Yu Ao Tian?"

"En, not only them but also me and my older brother. Han Li Shang is the first person who knew Yu Ao Tian, my older brother and I were the second who knew Yu Ao Tian. All of us went to Japan and at there we met Mo Xue Tong. Since then all of us are family."

A family? No wonder Secretary Mo and Vice CEO Han could look her with that eyesight, if the one who injured was Mom, perhaps she could act more than that. But...

"Did Yu Ao Tian come to Japan from China?"

"Yes. 12 years ago, Yu Ao Tian came to Japan with us."

"It not right..."

as what I heard, Yu Ao Tian is an orphan in Japan?" whatever, everyone said it, Yu Ao Tian's mom wandered to Japan and she was single parent. She died after gave birth.

"Cih, all of that was Yu Ao Tian... ugh." Long Qi suddenly stopped and hurried said: "You, you better ask Yu Ao Tian by yourself if you want to know. But, I still need to remind you that Yu Ao Tian hates to be asked about his past."

This things she perfectly understood, because not everyone willing to talk about their past but the nervous expression of Long Qi, did all of it has relation to Yu Ao Tian's secrets? Anyway who would purposely to compile his own background and also fabric himself as an orphan?

Actually what secret and also reason for Yu Ao Tian to purposely doing it?

"Flat Chest, to be honest since Yu Ao Tian have controlled the Japanese Underworld, he never got injured anymore, today he got injured because of protecting you actually quite surprising."

She shocked: "Ah, no wonder Vice CEO Han could act like that. What to do? All was my faults. It was me who burden Yu Ao Tian."

"It's okay, by seeing Yu Ao Tian expression just now, as long as he is not angry, everything is okay. But, I still curious, what both of you doing before got attacked? Moreover he is protecting you."

"En? What was so strange of it?"

"Ha Ha, perhaps you are not know Yu Ao Tian, he is someone who see his brothers more than anything while women are lighter than anything. It could be said that brothers are as important as his hand while women is similar to shirt for him. I never seen Yu Ao Tian protected girl until got injured before."

Long Qi words made Yao Yao confused, she really did not know with kind of mood she must understood his words. Whatever, the today Yu Ao Tian indeed different with the olden Yu Ao Tian, but...

The wound that Yu Ao Tian got today because of her so he could not fight them to the utmost, perhaps because of this matter Yu Ao Tian might be furious. When that time comes, she maybe does not know the reason why she cries. It is still better to act carefully when facing him!

The car moving to the top hills in a remote area, on the top hill there is a four-storey villa which is comparable to the palace. From far away it looked like a castle, when get closer few steps there are so many men who are guarded with guns.

"Long Qi. Where is it?" Yao Yao nervously asks.

"The other place of Yu Ao Tian's."

"Ah? This, does all of these belong to him?"

"That's right, it's so normal. Yu Ao Tian gave... Ao Tian still has so many other villas like this." Long Qi almost told her that Yu Ao Tian also gave a villa to Li Mei Yun.

The car moving to the in front of the villa main gate, there are countless Yu Long's men who are standing. Especially when Long Qi got out from the car, "Xiao Long Xian Sheng (younger Mr. Long)." All of them are lined up and bowing to him.

Don't underestimate Long Qi who is the youngest in Yu Ao Tian's side, his position in Yu Long is one of the highest.

Faster walking into the villa, inside also has many men. It is not hard to realize their shocking expression when they knew Yu Ao Tian got injured from the Yu Long's men.

When Yao Yao arrived, she spotted Mo Xue Tong is applying medicine to Yu Ao Tian.

"What are you crying for?" Yu Ao Tian asked Yao Yao after he asked all the men to leave the room.

"It must... it must be so hurt, right? I am sorry. I must listen to you since the beginning, so that..."

"humph? If that time you are run, indeed I won't get injured." But... she might same as all the women in his eyes, no difference.

"come." He called her.

He stopped Mo Xue Tong who is still applying medicine and replaced her with Yao Yao, asking this little thing to continue what Mo Xue Tong did.

Not long after that, suddenly Li Mei Yun is coming in rush. When one of Yu Ao Tian's men is informed Yu Ao Tian and he is really unhappy because Li Mei Yun came without notice. She came because she was worrying him after knew he got injured.

The reason why he unhappy because there was Yao Yao with him now, moreover he didn't have mood to meet Li Mei Yun. Others than that, Yao Yao focus easily got distract when seeing Li Mei Yun and he hates it so much.

When Li Mei Yun arrived, she spotted Yao Yao who is applying medicine to Yu Ao Tian and asked who she is. Yao Yao excitement suddenly dim because she remembered she is Yu Ao Tian's lover furthermore she is hard core fan for Li Mei Yun and at same time she also third party in Li Mei Yun " Yu Ao Tian relationship. This reality makes her so sad.

Yu Ao Tian realized the changes of Yao Yao. Moreover when she being asked by Li Mei Yun about herself, she stammered, "I am Long Qi's girl friend." This answered is more than enough for Yu Ao Tian to piss off with Yao Yao but he is even angrier to Li Mei Yun so that he asked Li Mei Yun to leave. He asked Yao Yao to go home first and then he deal with Li Mei Yun.

Yu Ao Tian anger to Li Mei Yun besides her unnoticed coming, make Yao Yao sad but the strongest reason is she asking people to stalk on him. After get warned, Li Mei Yun finally left the place.

Mean while...

Yao Yao is still crying when she arrived at home. But when her villa bell ringing, she suddenly stopped crying and hurried to open the door. The person who rang the bell is Yu Ao Tian, Yao Yao quite surprised when she saw him standing in front the door.

"Why are you here?" She asked.

"Of course I come to see you and also to give Li Mei Yun's concert ticket." He smiled deviously.

"Little thing are crying again?"

Yao Yao not answered him immediately.

"You little thing, since the day I looked for Lover, you must understand very well that I perhaps have girlfriend."

That's right Yao Yao must be prepared this kind of situation but she never know that she is the third wheel on Li Mei Yun's relationship. Yao Yao protested to Yu Ao Tian: "I never thought that you are also this kind of man!"

"Also?" Yu Ao Tian eyes looked at her, "Is the any others? Your Ex?"

Every time she got reminded about Feng Chen Yi she would feel something weird. She little bit scared, trembling and also feel guilty to Yu Ao Tian moreover when she remembered about the restaurant incident.

Of course he knew, this is unforgettable thing in his life. Two years ago she called him Big Brother, she also told him about his Ex-boyfriend who cheated on her. "Little thing you must adapt faster to your status, don't you think so? Every man is like this."

Rotten bastard! In this world there must be a man that loyal!

"Yu Ao Tian, if one day... I able to pay back your money, can you rescind and free me as your lover?"

"Cannot!" His eyes gleaming coldly, "Little Thing, other than I get bored with you, or else you don't ever think to leave me forever!"

She knew that Yu Ao Tian won't easily compromise her so she... "Can, can you promise me... you accompany Li Me Yin often? You shall not say anything about our relationship in front of her, please? I beg you."

Irritated! Irritated!

Yu Ao Tian really wanted to strangle this little thing to death because this is the first time he meets someone like her who considers other than herself. There is no woman who tries to put herself in others' shoes (especially Yu Ao Tian's harem). She even pushed him to Li Mei Yun.

"Fine, I promise you. But, you keep in mind! This is your begging, don't regret later on!" he left the villa.

"I won't regret!" she murmured. Actually three years... how long it would be?.

Episode 97

The next day early in the morning.

Everyone in Finance Department is gossiping: "Doom, this afternoon it's time to suspend the trading on the stock market, since the sum of funds that invest into Chang Hong stock A does not have any improvement after all, what to do?"

"Everyone does not have to be anxious, after all we had decided to invest in Bao Li Hua stock A, if something happened, I believe CEO won't blame us." Sun Li encouraged her team.

But she has two meaningful words which pointed to Yao Yao.

"Since I entered Berson, working in Finance Department there's no time we fail in investment, if now we really failed, this is simply shame for our Finance Department!"

"That's right! Every time in Berson, during the annual meeting, our Financial Department performance always is the best. But because someone acted smart perhaps this may stop and become a burden."

Everyone is gossiping about the investment stock that they made and at the same time they are harass Yao Yao verbally. But only one person who stood at Yao Yao side in Finance Department, the person is Xia Ren Liang.

Since Xia Ren Liang is the only one who support and comfort Yao Yao when others colleague talk bad about her, Xia Ren Liang automatically becomes the foe for others.

During lunch break...

"Yao Yao, Yao Yao."

Someone is calling Yao Yao and that person is Bai Ling. Yao Yao quite surprised to meet Bai Ling because she thought Bai Ling may get fired after last time incident. When Yao Yao asked Bai Ling what she did for past days since she didn't spot her in elevator (her post). Bai Ling replied Yao Yao that she was having holiday because Long Qi gave her few days off.

It good to know that Yu Ao Tian not fire Bai Ling but even curious about Yu Ao Tian reason, whatever, Yao Yao does not want to think too much about that person since he is someone so moody and cannot be read.

Yao Yao introduced Xia Ren Liang to Bai Ling and then three of them having lunch together in cafeteria.

After lunch break, Bai Ling back to her post while Yao Yao and Xia Ren Liang back to Finance Department.

"It's doom! Doom! There is another hour before the stock market close. Chang Hong stock A has not improving at all." All of colleague in Finance Department looked so frustrated.

Yao Yao who also sitting in her room has cold sweat, she talking by herself: "Three minutes more! Only three minutes more and then it would change! Surely!"

"Yao Yao, what are you saying?" Xia Ren Liang asked curiously.

"Sstt." And then Yao Yao continue to count, 3 2 1!

"Oh my!"

"What is happened?"

"Hey everyone looked at the market trend! Chang Hong stock A... Chang Hong stock A... it raised to 100 point!" at the moment everyone who is in the room quickly go to check on their computer, while Yao Yao is crying happily.

"Ah, it seems this time I really no need to resign." Xia Ren Liang is joking.

"Thank you for believing me." Yao Yao smiled looked at him.

At the moment he sees her smiling face, Xia Ren Ling heart is beating faster and quickly he avert his eyes sight from Yao Yao to others place, "It... of course, hehehe."

"Awesome! It's really miraculous. It was poor stock before but at the moment it turned be the awesome stock. When the stock market trend stopped, Chang Hong stock A has raised to 1000 point, it is one of the miraculous things that happen in stock market."

"Xiao Luo, Xiao Luo, do you think that next week the Chang Hong A stock will drop?" two or three colleagues came and asked Yao Yao.

She smiled and shook her head: "Chang Hong A Stock is raising too fast, there will many people who won't think it as poor stock anymore so most of the traders would keep or buy it. If there is no mishap, next week in the market, it will also raise to 1000 point."

"Still can be raised? How much it would be?"

"3000 points! It could reach to 3000 point."

"3000 points?" all the colleagues showed surprising expression: "Little Queen, Little Queen (awesome), you even able to count the numbers. If Chang Hong A stock really can reach 3000 points, how much Berson could earn?"

"Uh, at least will earn 2000 million."

"Aiya! 2000 million, it has reached more than our annual performance. It seems our department will surely get annual bonuses. Thank you Yao Yao. You are really God of Stock."

From the pestilence God to the God of Stock, everyone is thanking Yao Yao in Finance Department, but at the same time others sub group also watched her attentively. After all, she is newbie and the most important she is an outstanding newbie.

When everyone is enjoying the happy atmosphere, suddenly there is phone called from General Manager Long that informed everyone to join the celebration party held by Yu Ao Tian because of the gained in stock market.

The happy moment continued to discussing what kind of dresses they will wear when coming to the celebration party. They are not talking about the stock anymore because they are busy to discussing the dresses since there will be many important people coming to the celebration party such as Vice CEO Han Li Shang, General Manager Long Ye, Manager Long Qi, sub Regional General Director Wang, and of course the CEO Yu Ao Tian who are big catch for the ladies. Besides that, they also curious about their CEO girlfriend and guessing who will be the person?

"Yao Yao what will you wear when attending the celebration party?" Xia Ren Liang asked.

"I am not coming."

"Why? You are the one who takes biggest part."

If she can choose to be rewarded she would rather to wish Yu Ao Tian never come to her place for one year.

This is the best reward for her.

Actually the main reason because tomorrow is weekend, the only day she can be free from Yu Ao Tian, free to be his lover.

"Saturday I have thing to do."

"Luo Yao Yao." Suddenly Manger Lin looked at Yao Yao.

"Manager Lin, what can I do for you?"

"This... the General Manager is especially said... you must come. He even asked me to tell you..."
Manager Lin doubted and frowned, whispered to her: "If you are not coming you know the consequences later on!"

"Little Thing, if you are not coming, you know the consequences!" Although Manager Lin said it was said by the General Manager Long, actually she knew this was the message from Yu Ao Tian to her.

It not easy for her to have the only off day during Saturday! Whatever, at least the celebration party will be on evening so she may come to visit her grandpa during the afternoon.

"I understood Manager Lin. I will come." She helplessly said, very frustrated sitting on her seat.

"Yao Yao, do you want me to pick you up on Saturday?"

"Ah? Thank you Xia Ren Liang... I can go by myself."

"Oh."

**

"Mom! Grandpa! "On Saturday Yao Yao is coming to the hospital. This is the first day off given by Yu Ao Tian for her as Lover, no matter what she feels, still this is one of her free day today.

"My Treasure Beloved, Yao Yao. It is true that you looked so different after dating."

"Mom, why are suddenly you bring up this topic?"

"Ha Ha, see my beloved granddaughter her face already turned red."

"Grandpa, Mom, what happen to both of you?"

"We are so satisfied with your boyfriend."

Did Yu Ao Tian come?

"Yao Yao, initially mom, thought you are... ah you scared me for such long time. This time when met your boyfriend, mom really rest assured. But still mom will pay back this amount of money to your boyfriend." After said both her mom and grandpa showed guilty expression.

"Oh yeah, Yao Yao, although you are quite busy with your work in office but still you need to spend time with your boyfriend."

"That right. He is really one of good man.

You cannot always focus on your works, right?"

Listened to what her mom and grandpa said she almost faint.

But something is incorrect, she is surely said to her mom that she stayed on company dorm but actually she is staying with Yu Ao Tian, how could she not spending enough time with him? Something is strange here...

"Mom, Grandpa, could you tell me... what were my boyfriend said to both of you?"

"HeHe, Chen Yi said..."

Chen...Yi! Feng ... Chen Yi came here?

Teng! As if one big stone is pressed on her heart. How could her family meet Feng Chen Yi and why he came to meet her family?

From her mom and Grandpa, she knew that Feng Chen Yi has coming few times and fakes to be her boyfriend. Actually since her mom accepted the money given by Yao Yao, she always afraid Yao Yao perhaps became other people mistress or lover so when Feng Chen Yi came to visit, admitted as Yao Yao boyfriend, her mom and grandpa finally rest assured. Every time Feng Chen Yi came he would sit for 1-2 hours, chatting with her mom or her grandpa. That's why both of her mom and Grandpa has very positive impression of Feng Chen Yi. So that's how thing happen, perhaps....in her life only Feng Chen Yi the man that set in her family mind. But, mom is wrong about one things, Feng Chen Yi is not as good as she thought.

This is so bad since thing turned be so complicated, he told her that he wanted to be her nemesis but why must he came to visit her grandpa and her mom? Now her mom and grandpa thought that Feng Chen Yi would be their future son in law/ future grandson in law. What should she do to clear all this mess?

"Yao Yao! Yao Yao! Yao Yao!"

She heard someone called her name when walking out, she gained herself back, searching: "Xia, Xia Ren Liang? Why are you in hospital?"

"My mother is sick, so I come here to visit her, and you?"

"He He, I come to see my grandpa."

"What a coincidence?" Xia Ren Liang smiled: "Just good, now are five past few minutes, I am going to CEO Yu celebration party, how about we go together?"

"Well, then I trouble you." Yao Yao go with Xia Ren Liang.

She tied the seat belt, she looked at Xia Ren Liang who wear leisure navy blue suit that fit his body perfectly...

If she did not mistaken, he is wearing the newest design of Armani for this season, at least it priced thousand dollar. She also spotted his shoes which is Bottega Veneta.

She counted from head to toe at least priced about 25 thousand dollar, he is clearly only Finance Department employees but how could he effort so many branded stuffs? "You..."

"Yes, Yao Yao?"

Ah~

Whatever, that is his business, I should not ask.

"Nothing, let's go."

Meanwhile...

"Ao Tian?" In front of the hospital, Mo Xue Tong puzzled when Yu Ao Tian suddenly stopped his footsteps. She followed his eyesight, seeing Yao Yao get into other man's car.

"Xue Tong, that man is..."

"Xia Ren Liang!" Mo Xue Tong coldly answered.

Yu Ao Tian feels familiar with this name: "Hm, it seems I ever heard somewhere."

"He is..." Mo Xue Tong whispered to Yu Ao Tian's ear.

After he heard, his lips curled upward: "So he is! Interesting." Turned his back, Yu Ao Tian and Mo Xue Tong heading into Yao Yao's grandpa patient room.

"Aunty Luo, Grandpa Luo, Hello." Mo Xue Tong entered the room.

Mother Luo and Grandpa Luo quite surprising when seeing her: "You are?"

"HeHe, Aunty Luo, I am Yao Yao's friend. This is my boyfriend, Yu Ao Tian."

"Aunty Luo, Grandpa Luo, hello." Yu Ao Tian elegantly greets the elders.

When mother Luo meet Yu Ao Tian, her heart shaking, this man... really scary!

He looked at least twenty seven or eight, he having deep pitch black eyes that hard to read. Lucky he is not Yao Yao's boyfriend, or else... she as mother must be lived in worries and fears! "Hello, how are you?"

After, all of them are exchanging the courtesy (Yu Ao Tian + Mo Xue Tong with Mother Luo + Grandpa Luo). Mo Xue Tong immediately goes to the depth conversation to Mother Luo about fourteen years ago car accident that involved Luo Tian Ming, Luo Yao Yao's father who also died in that car accident.

Both Mother and Grandpa Luo facial expression changed when they were asking about that car accident. Although Mo Xue Tong and Yu Ao Tian were not clearly stated their purposed instead they are made up the story by saying Luo Tian Ming was Mo Xue Tong savior in fourteen years ago car accident.

Mother Luo excused herself and stopped the conversation by excused that she is sick so not really comfortable to continue the conversation. Finally Yu Ao Tian and Mo Xue Tong left the hospital. Even mother Luo did not want to tell detailed about fourteen years car accident but Yu Ao Tian has able to make guess. The answer that he searched for fourteen years will be known soon or later. It does not matter what the way he will used, the soft or hard, only time matter..

Episode 98

The car that takes Yao Yao to Yu Ao Tian celebration party is moving fast. While the person who is driving the car is Xia Ren Liang who glanced at Yao Yao, his lips curled up and make faint smiled.

"You, what are you laughing for?"

"HeHe, I think, today must be so many ladies who put heavy makeup and also wearing splendid gown, but you?" when he said this, Xia Ren Liang looked at ordinary Yao Yao.

"So what's?"

"Yao Yao, this time is one of good opportunity to get closer to the top management, why didn't you dressing more beautiful little bit?"

Huh...

She really does not know how to tell Xia Ren Liang, there are not many top management people that she knows, moreover, even she does know them, she also not necessary to makeup so beautifully, right?

"There is no necessary for?"

"HaHa, you are indeed different." Xia Ren Liang is laughing.

"What do you say?"

"Nothing, we are arrived." The car stopped, it has beautiful scene of seashore along the way to the villa.

Not far from there is Yu Ao Tian private villa which as splendid as palace.

When they entered Yu Ao Tian's palace, it just as Xia Ren Liang described, all the ladies are using thick makeup and also wearing glamour gown and also branded stuffs.

"Xiao Luo, how can you come with Xiao Xia? Are both of you..." Sun Li said to them when she spotted both of them and walked toward Yao Yao and Xia Ren Liang, smiled.

Yao Yao hurried to explain: "No, no, we just coming by coincidence."

"Oh, so that it, I thought both of you are dating." After Sun Li said, she left both of them, after looking at Yao Yao's face who turned as red as tomatoes.

"Quickly see, quickly see. CEO Yu, General Manager Long, all of them is coming." Said someone and all the crowded go out to see.

Yu Ao Tian is wearing silver ash color suit, walking with Mo Xue Tong who wears white long gown, slowly walking inside.

"Does CEO Yu dating with Secretary Mo?" one of the female colleagues asked with despair mood, although Secretary Mo and CEO Yu is one of the best looking couple in the company but still woman is difficult to accept the reality of the man they adore?

"You speak nonsense? This only etiquette, if they really have something, both of them won't be so blatant holding hand to hand appeared in front of everyone."

"Oh... It's surprised me."

Behind them, they are Long Ye and Wang. Seeing these two first class men, the Financial Department ladies can be considered as lucky for this rare chance.

"Why Vice CEO Han does not come?" The group of Han Li Shang "Fans" seems to be so disappointed because not seeing their idol coming.

"Vice CEO Han is seldom coming to this kind of occasion."

"Oh, that's right. He is such cold person."

"Hello CEO Yu, General Manager Long, General Director Wang." Everyone is greeting these men.

Yu Ao Tian smiled elegantly: "This is personal gathering, everyone relaxes don't to be so formal like in office, just having your fun."

"Yao Yao, do you like domineering man like CEO Yu?" Xia Ren Liang who is standing next to Yao Yao suddenly asked.

"Dislike." Yao Yao answered him immediately since she understands Yu Ao Tian's moody characters.

"Why? He is mature man and also able to give sense of security, does girl like this types of man, handsome and rich?"

"No...he, he is someone too deep, cannot be read. I can feel afraid if with him."

"How is about the General Manager Long Ye? He is type warm and gentle man?"

"Gentle man indeed good man, but...." Long Ye gentleness is only his appearance because inside him, he is cold man. "He also not the types I like."

"Then how's about Vice CEO Han?"

Sweating, the more Xia Ren Liang said more she feared. If he keeps on comparing this type with that types, Long Qi sunshine boy character is better than, at least he is someone simpler than them.

"Xiao Luo, Xiao Xia, two of you stopped chatting there, comes here and let's joining the game." Not far from Yao Yao and Xia Ren Liang, one of the colleagues called them.

"Yao Yao, are you come?" Xia Ren Liang asked.

"You go. I just... let it pass."

"If you don't go then I also not go."

"Don't be like this, whatever, better we go together." Smiled, she and Xia Ren Liang walking to the group of those people...

..

"CEO Yu, don't you think that little girl eyes kind of scary (refer to Yao Yao investment decision)? I think to nurture (educated) her." Said Wang Han who eyesight locked and following on Yao Yao and Xia Ren Liang direction.

"General Director Wang, when I was acquiring Berson, your decision was taking big part, I always believe on your eyesight. But...that little girl, just let her pass."

"Oh? Honestly, it quite rare for me to bump into someone talented who have good instinct and sensitive, if really let it pass, what such pity?"

"Ha Ha, General Director Wang, I think it much better for you not to waste your time." Long Ye has quick respond, and continued: "As I know Yao Yao still in school, soon she will go to school."

"Ah? So that's it. Really such pity." Wang Han little bit sad, shook his head. "CEO Yu, General Manager Long, both of you continue yours chat, Manager Lin and I are going to find somewhere to sit."

"En."

When Wang Han left, Long Ye takes a good look to preoccupied Yu Ao Tian, followed his eyesight, Long Ye smiled mischievously: "Aiya, Aiya, Xiao Meng Li really popular, she just came to office for two days, she has already had suitor."

"Ah." Yu Ao Tian sneered, his eyesight flashed: "If she knows that man real status, perhaps she may cry."

"En?" at the sudden, Long Ye narrowed his eyes, looked further and feel something interesting might happen to Yao Yao and that man.

"OOOO, This time Xiao Luo lose, Xiao Luo you choose, truth or dare?" Few of the colleagues are playing truth or dare game.

Yao Yao awkwardly smiled: "I choose saying the truth."

"Well." One the people asked: "Xiao Luo, you are 19 year old, if I asked you about your first night with whom, it little bit early for you so; who is your first person kissed you?"

Sweat... she can't say Yu Ao Tian, can she? It better for them to ask her whom will she give her first night. "I... better I choose dare."

"Oh? It seems that you won't say that person's name. Alright, since it is your wish to have the dare...."
After they discussed: "Yao Yao, you must get CEO Yu's necktie."

Yao Yao dumbfounded when they asked her to ask necktie from Yu Ao Tian. The person who besides her, Xia Ren Liang sensed something is fishy for their request, hurried say: "You guys asking Yao Yao to get CEO Yu's necktie, don't all of you wish her to get scold?"

"Xiao Xia, you are too protective to Xiao Luo. This is Xiao Luo decision to choose dare, moreover this is only a game, CEO Yu won't get angry, okay?"

"That's right. She can choose to say the truth."

"All of you are seniors, didn't you guys remember last time when playing this game, and one of the employees was scolded by CEO Yu?" Xia Ren Liang sternly said.

Yao Yao afraid there would be clash among the seniors with Xia Ren Liang. "It's okay, it's okay, I will accomplish the mission.

,

"Yao Yao!"

"It is okay, Xia Ren Liang. Don't be worry." After said, she hurried walking to Yu Ao Tian.

Paused for moment, everyone eyes is locked on Yao Yao, some of them also impatience, they are waiting her to get scolded.

When her footsteps getting closer to him, her heart beat, dong dong dong. She looked surrounded and with soft voice: "Yu, Yu Ao Tian, Yu Ao Tian."

"En?" Yu Ao Tian slowly turned and looked at her mysterious act, impatiently frowned: "Come here to speak."

Her anxious eyesight looked at Long Ye, she standing in front of Yu Ao Tian: "Please...give me your necktie."

"Qie." Long Ye who standing beside almost spitted his wine when he heard her request: "Xiao Meng Li, are you playing truth and dare?"

"Yes."

"Why didn't you choose saying the truth?"

"It because... because they are asking me, who is first person I kissed." After said, she showed difficulty expression.

"Aiya, aiya, Ao Tian, you see how pity our Xiao Meng Li, you help her."

At the moment Long Ye said, Yu Ao Tian grinned at her: "Little Thing, if you wanted the necktie, you untie it by yourself."

"Hah?"

"Xiao Meng Li, what you Hah for? Yu Ao Tian has compromised you, faster untie it. To let you knows if there is other person who came and asked him, perhaps already got slapped from Yu Ao Tian."

Seeing the Long Ye excited expression and the devilish Yu Ao Tian, Yao Yao only can glare two of them.

Both of them are always working together to bully her. She would never forget the first time both of them bullied her in elevator. Rotten bastard!

Helplessly she twitching her mouth, gathering her courage, her shaking hand is untied Yu Ao Tian's necktie....

At sudden, all of the colleagues who are taking part on this game dumbstruck. "What is going on? Yu, CEO Yu after all he does not angry? This is too miraculous."

"The most important is... it is Xiao Luo who untied the necktie by herself. I really curious what Xiao Luo said to the CEO Yu so that he not angry."

"I do also want to know." Most of the ladies are guessing.

Xiao Ren Liang who is silent during this time puzzled, although he has worked in Berson for some times, more or less he had ever heard about Yu Ao Tian personality, Luo Yao Yao isn't someone of his types, moreover Yu Ao Tian never had scandal dating with females employees in office. But why...

Xiao Ren Liang not understood.

Soon, Yao Yao brought the necktie: "Mission accomplish."

"Ah? Ha, Xiao Luo, you... you are awesome. What did you say to CEO Yu so that he gave you his necktie?"

"Ugh, I told him that we are playing truth or dare game, I hope he could help me, so that he asked me to get it by myself."

"Is it such easy?"

"En, just that easy..." of course, the actually matter isn't as simple as you guys thought.

After played some rounds, this time Xia Ren Liang got punished. "Ha, no need to ask, seeing Xiao Xia, this time he must choose saying the truth."

"Sister Li, still you are the one who knows me better."

"Of course." Sister Li rolled her eyes: "Faster we ask whether Xiao Xia likes Xiao Luo or not?"

"Good! Good question." Everyone said in union.

They made both Yao Yao and Xia Ren Liang face as red as tomatoes.

"Answer! Answer! Answer!"

"You guys are so high, may I join?" suddenly a deep heavy voice asked.

Everyone looked at the person who spoke: "Yu, CEO Yu. General Manager Long?" after seeing Yu Ao Tian and Long Ye came.

"No need to be nervous, we just little bit boring, can we join you guys play together?"

"Of course... of course can." But they are stammered, they know that rare for Yu Ao Tian to join with the "ordinary" employees. This might their honor but also can be their misfortune.

Yu Ao Tian and Long Ye joined them while Yao Yao face showed as if she wailing at funeral. Frustrating! Why both of them must come and join this game.

"Alright, continue to the question, Xiao Xia, hurry say, do you like Yao Yao or not?" everyone asked.

Dealing with this kind of question, Yao Yao face blushed moreover Yu Ao Tian also at there it makes her more uncomfortable, she glanced Yu Ao Tian few times.

"I pass, I decide to take dare." Xia Ren Liang is trying to control himself from the pressure given by everyone. So that he choose to take another mission. When he accomplished the mission, the game is starting again.

"Ha! CEO Yu, you lose." Everyone is so excited. At the same time, other colleagues got attracted with the crowd surrounded Yu Ao Tian.

"CEO Yu, what is your choice, truth or dare?"

He acted as if have deep thought, elegantly smiled: "Saying truth."

Everyone eyes flashing, the female colleagues gathered and asked: "CEO Yu, do you have girlfriend?"

"Have." Yu Ao Tian answered it without hesitation.

Most of the people are showed despair expression, as expected, the talented and outstanding man like Yu Ao Tian indeed already have girlfriend, although it must be normal matter.

But Yao Yao face is extremely worst, she clearly knows that Yu Ao Tian has already have girlfriend but facing with this reality she quite awkward, feel little bit uncomfortable.

The next round, "CEO Yu, you are lose again, still choose saying truth?".

Episode 99

Ah~ CEO Yu, you lost again. Another truth?

"Yes."

"Well... what the thing you wanted to do*] now?"

He curled up his lips, elegantly stroking his hair, his black deep eyes looked toward Yao Yao who is not far from him: "Currently what I wanted to "do*]" is.... Yao Yao..."

"Uh." Everyone who heard it, their face turned be green.

But Yao Yao has already get used with this rotten bastard, Yu Ao Tian. The way of his vague speaking, she really wanted to tell everyone, please don't be trick by this elegant Yu Ao Tian, he is actually bad person, very dangerous man. She even knew, the word that he said not as simple as joking!

She expertly tied back Yu Ao Tian's necktie.

"En? Luo Yao Yao, you looked so young but very expertly tying the necktie." Yu Ao Tian not bothered to say few words, so that everyone gets back to their senses.

Indeed, based on Luo Yao Yao age, she must not that expert to tie the necktie like man.

"Ha Ha, CEO Yu, it is because of my uncle. I have uncle who said girl must be learnt something like this, although I really and... extremely that my uncle... way of speaking, yet I don't have any option, whatever he is elder." Yao Yao used this way of speaking to provoke Yu Ao Tian.

Again he showed up his devilish smiled: "What? But why I feel you love him so much? Or else, why you learn what he told you?"

Rotten bastard! How could Yu Ao Tian have good response? Why every time Yao Yao argue with him, she always turned be the loser?"

Pissed off!

But again it is true that, since the day Yu Ao Tian asked her to learn how tying necktie, she really seriously learn it.

"Luo Yao Yao, you sit beside me."

"Ah?" She hasn't agreed but he has pulled her to sit with him.

Yao Yao must be more alarmed when Yu Ao Tian is asking her to sit beside him because...

He even dares to violate and teasing her body during the party. Yao Yao feel uncomfortable so she whispered: "Today is my day off."

Yu Ao Tian really a man with thousand ways to make her cannot say anything, "Well, just thought that your boss is harassed you." He spoke such easy

"....."

When Yao Yao is focusing with Yu Ao Tian, suddenly...

"Xiao Luo, this time you lose!"

"Hah?" Hurried she gain herself.

"What Ah, you are losing Xiao Luo, what do you want choose, dare or truth?"

She hesitated, smiled: "Truth."

"Ok, you tell us who the man that you ever loved most, it could be the current one or the past. The important, it must be "love between man and woman" that kind of relationship, just don't tell us like father or uncle, these things."

What happen to these people? Why they are asking the question that she does not want to answer? The name that she can't mention, it's only Feng Chen Yi, no matter in the past, or... currently.

"Ah, still... dare." She really admitted defeat!

"Bao Bei, you can say your Ex-boyfriend, if not because of him, I really cannot meet you. I really want to know him, really want to thank him, thank him for leaving you." Yu Ao Tian whispered to her.

She furrowed her brow, if Feng Chen Yi really someone who is not has anything (status, position) but he is someone. Although she tells these people, no one will believe her, right?

"I have forgotten his name."

"En? You still someone fickle." Yu Ao Tian eyes flashed " gleamed coldly, at one glance he knew that Yao Yao lied.

"Well, if you are really choosing dare, now you must pick one person to kiss."

What bloody hell they are playing? If she picked Yu Ao Tian, it must be much convenient but everyone must know her relationship with him; if she chooses another person, Yu Ao Tian might killed her later moreover she embarrassed.

Oh Heaven! This is only game but why these people play such big?

"Faster Xiao Luo, you can choose Xiao Xia, he is someone who always protect you." Everyone encouraged Yao Yao to choose Xia Ren Liang. She really wanted to go die immediately!

At this moment, she looked at Yu Ao Tian who sitting beside her with plead eyesight, and then glanced at Long Ye.

Long Ye smiled: "Everyone, today CEO Yu has prepared fireworks for you guys, perhaps it would be start, so let we stop here."

"Really? Let's we wait for the fireworks." Everyone attention had sent away, finally Yao Yao can relieve....

The fireworks are lighted, peng peng peng.

It is really one beautiful firework. When everyone looked at the fireworks suddenly Long Ye stood up in the stage and said: "Thank you for everyone hard work, so that Berson Group has succeeded working with Feng Group."

"Feng Group?" Yao Yao confused when she heard about Long Ye speech.

At her besides, Xia Ren Liang is laughing: "Yao Yao, don't tell me that you did not know if this investment actually funded by Feng Group's General Manager, Feng Chen Yi to our Berson Group."

"Hah?" She really did not know, if the investment fund was actually Feng Chen Yi's. Actually, what's other coincidence that could be happen in this world?

At this moment there are many females colleagues who looked at Yao Yao when Long Ye mentioned about the one who has huge distribution.

"The person who had huge distribute must be Yao Yao, right?"

"Yes, Yes."

"So what should we do to thank her?"

Everyone looked each other and suddenly lift her up...

"You guys?" Yao Yao who is standing beside Xia Ren Liang suddenly being lift up by some female colleagues to the edge of swimming pool.

Spontaneously, at the other second, they have already thrown her to swimming pool. Everyone still laughing but when some saw something odd with Yao Yao, her expression is panic..

.

"Does she cannot swim?"

"My God, this time they play such big (get trouble)!"

"Ao Tian, Xiao Meng Li, she seems cannot swimming." Long Ye said to Yu Ao Tian who is not far from him.

He said nothing, rushing go to the swimming pool.

But when he prepared to jump, Xia Ren Liang has gone faster one step before him.

"Hah, that little brat looked panic too." Long Ye laughed patting at Yu Ao Tian's shoulder.

He coldly looking at the edge of the swimming pool, his eyesight locked on the man and woman who has already go up.

"Yao Yao? Yao Yao, are you alright?" Xia Ren Liang panic, he patted on her back.

At this moment some of the female colleagues surrounded her: "quickly, quickly, Xiao Xia you do CPR. This is the rare opportunity."

"That's right. That's right!"

Everyone is trying to persuade him, he clenched and angrily: "You guys shut up!"

"Qie, what are you angry for, we are trying to help you!"

"Do I need you guys to help me? If not because of you guys, Yao Yao would not drown in swimming pool. I can understand how you these people are actually jealous on her!" The gentle Xia Ren Liang obviously pissed off.

These females glared on him.

"Huk, huk, Xia Ren Liang, I, I am okay." Yao Yao said weakly.

At this moment, hurried he put on his suit to Yao Yao: "Yao Yao, I send you off."

"It is okay, I can go home by myself."

"I send you off!" Xia Ren Liang stubbornly said.

But... she really does not want to let Xia Ren Liang to know where she stays, whatever, just go to Mom's place. "En, sorry to trouble you!"

Xia Ren Liang smiled warmly and then he helped Yao Yao to stand up....

"Hem, Hem, Hem, did you guys see that suit which Xia Ren Liang used?" one of the colleagues pointed at Xia Ren Liang when he has heading to exit way.

"What brand?"

"I spotted the Armani's sew."

"Impossible..." said the other colleagues, "I do also spotted that his car actually one of the luxurious ones."

"Hm, it seems so."

"Huh, whatsoever, I could say that car must be rented while the suit must be the fake one." Said one of the female colleagues who unhappy.

"Ah, no matter real or fake, don't you guys actually think that he is actually Gao Shuai (高帅)?

"What is so good to be Gao shuai? There are lots Gao Shuai. But in today's world only another Fu words that attract."

"Xiao Qiao, you are so materialistic."

"Of course, only being realistic then life can go on." This girl who called Xiao Qiao smiled...

"Heh, Ao Tian, it seems that little brat loves Xiao Meng Li." Seeing how Xia Ren Liang anger toward those females, Long Ye had seen it. The important part is, Xia Ren Liang is showed it too obvious, as a man he clearly understood it.

Yu Ao Tian narrowed his eyes, he left the place....

"ring" ring" suddenly his phone ringing: "Hello?" he accepted the phone call when he is standing at exit way, where Yao Yao and Xia Ren Liang had passed before.

"CEO Yu, do you have time? Let's we chat." It is phone called by Feng Chen Yi.

Yu Ao Tian eyes flashed, devilish answered: "Half hour later meet."

"Ao Tian? Who is calling?" Long Ye who is standing beside him, curiously asked.

"Feng Chen Yi, he seems to have urgency to meet me, you go with me."

"How is about Xiao Meng Li?"

His eyes gleaming coldly: "She has her own way of thinking." After said he and Long Ye left...

**

The thick tea fragrances spreading inside the private room of Tea House, Feng Chen Yi wears suit in navy-colored.

Besides him there is Ou Yang Zi Xuan who keeps on looking his watch: "Chen Yi, it almost the time." At the moment he said, Yu Ao Tian and Long Ye are already walking inside.

"Yu Big Boss!"

"En? Zi Xuan, do you also here?" Yu Ao Tian smiled to Ou Yang Zi Xuan.

"Today I am especially coming here to meet you. Hehe." Ou Yang Zi Xuan is the hard core fan of Yu Ao Tian, even his family is one of the richest family, list in top ten, but since he was kid he has been admiring the underworld life, so that he is so idolized Yu Ao Tian.

"CEO Yu, please have seat." Feng Chen Yi coldly said.

Yu Ao Tian and Long Ye are sitting face to face with Feng Chen Yi. "General Manager Feng, why are you looking for me?"

"First, I represent Feng Group to thank you for earning sum amount of money.

After this, I believed my elder brother will not have any way to stop our work collaboration." After said, Feng Chen Yi poured hot tea for Yu Ao Tian and Long Ye.

"The most important is, your elder brother must be felt the "danger"?"

Feng Chen Yi eyes flashed, slowly he lift his head up, looking Yu Ao Tian, eye to eye: "Didn't this the result CEO Yu want?"

He smiled say nothing, lift up the tea cup, sipped it: "General Manager Feng, today you looking for me is not to thank me, this simple right?"

"Hah." Feng Chen Yi cold smiled, he put down his cup, coldly said: "Recently I heard that CEO Yu has signed work collaboration with Lan Du Group. If it can..." pair of his eyes gleaming cold: "I hope you can let me to have that contract. As the exchange...I will give you the Feng's piece of land which won in Ao Ma, how's about it?"

"Ha ha." Yu Ao Tian smiled: "My work collaboration with Lan Du only price about 8 Billion, while your piece of land at least worth 15 billion, I really wanted to know, what makes General Manager Feng... wanted to do this deficit business?" after said he looked directly into Feng Chen Yi's eyes.

Before Feng Chen Yi says something, Ou Yang Zi Xuan who sat beside him said: "Big Boss Yu, Feng Chen Yi doing this all because that Xia Yu touched his Ex-Chick3], so that..."

"Zi Xuan!" Feng Chen Yi roared, Ou Yang Zi Xuan immediately shut his mouth up.

But, Ou Yang Zi Xuan really said the truth.

It was because yesterday...

"General Manager Feng, you have asked me to check about those five people, the private detective has done with it. One of them was the chairman of Lan Du Group who also have contacted with Miss Yao Yao." Lisa handed over the report.

Feng Chen Yi saw the photo that attached on the report document where Xia Yu and Yao Yao had dinner and also the photo Yao Yao hugged by him. Moreover the rumor that spread on their circle. Paused, suddenly he pissed off: "Lisa, hurried to check on what business/work contract that Xia Yu have recently."

"Uh..." Lisa has followed Feng Chen Yi for almost two years, at least she knows more or less about her boss temperament: "Actually, General Manager Feng, I don't think this photo explain anything. Moreover, it only once, you just..."

Cut Lisa words, or perhaps the photo really didn't mean anything but the current Feng Chen Yi had already lost his control and showed as if wanted to kill immediately rather than make another check!

"Lisa, I asked you to check then go to do what I asked you!"

"Understood, General Manager Feng, I immediately checked it."

So here the result....

"CEO Yu, since you can make good calculating about this business, I think, you must be not refused my offer, right?" Feng Chen Yi stubbornly, it obviously that Feng Chen Yi really wanted this work collaboration between Yu Ao Tian with Xia Yu.

:Ha." Yu Ao Tian humph, sneered: "Indeed, I cannot to refuse this offer, what such good offer. And about yours piece of land... I think you don't need to give me anymore." After said, Yu Ao Tian and Long Ye left the Tea House.

"Ha, really never thought that Feng Chen Yi really has lovesickness. Just because of her Ex-girlfriend he even dared to bleed (take high risk).

Not long before, Yu Ao Tian ever heard from Li Mei Yun about Feng Chen Yi's lovesickness, that time he still doubted about the information but now, after he witness by himself, indeed Feng Chen Yi has lovesickness.

"Oh yeah, Ao Tian, as I could recall, that piece of land mentioned by Feng Chen Yi is the land that you always wanted? Why didn't you do the exchange, why are you doing this disadvantageous business?"

Long Ye curiously asked but Yu Ao Tian suddenly stopped his footstep: "I don't think it disadvantageous."

"Hah?" Long Ye still not understood.

"This time just take it as favor to have good turn. Although Feng Chen Yi not showed up, I still would do it. Just borrow his strength to cut that Xia Yu into pieces, it has saved my time up. Furthermore, I still "earn"!"

Finally this time Long Ye understood how much Yu Ao Tian "use his heart" but...

"Ao Tian, I really not understand, after all are you really cares about Xiao Meng Li become Xia Yu's Lover?"

"I have care about it so much!" He coldly said but his eyes flared...

While another hand....

After Yu Ao Tian left, Ou Yang Zi Xuan sat face to face with Feng Chen Yi: "Big Boss Yu really interesting. But, I think it not worth for you to fight with the Xia's because of a girl, moreover she is your Ex. If you really like the innocent and naïve ones, I could introduce many for you.

"

Once Feng Chen Yi lifted up his head, Ou Yang Zi Xuan saw how dissatisfaction his face, he even coldly said: "There is thing that cannot be removed, the inside won't be identical."

"Ugh..." whatever Ou Yang Zi Xuan really cannot understand how Feng Chen Yi viewed this world.

Ring Ring Ring

The phone suddenly ringing, Ou Yang Zi Xuan picked the phone call. After he heard the report from that side, suddenly he smiled happily: "Not bad, have done well, so just let it."

Hung the phone call, he rushed saying to Feng Chen Yi: "Chen Yi, I have important present for you."

"Hah?"

"You hurry back to yours apartment, I have put your present in your home. When you home you will know it."

Although he did not know what Ou Yang Zi Xuan done, Feng Chen Yi still goes to his own apartment. The apartment that is only has single bed room and bathroom.

Opened his apartment room, he walks inside the room helplessly. Suddenly his pair of eyes gleaming when he spotted something in his bed, he is walking toward it. He saw something moves, he even spotted that is girl.

Furrowed his brows, he loosen the quilt that wrapped the girl. At instant, his face shocked: "Yao Yao!"

When he saw Yao Yao tied and also her mouth stuffed with white cloth. Feng Chen Yi hurried to help her loosen the rope and also unstuffed her mouth.

"Woah..." at that moment Yao Yao is looked alike little rabbit that got shock, she tightly hugged Feng Chen Yi's neck.

Frown he felt there something strange, when she hugged him, he smelled faint drug fragrance from her body, touching her wet dress: "Yao Yao, why your clothe wet..."

He suddenly saw Yao Yao has kneeled and forced her lips to Feng Chen Yi's lips, she even pressed hard and tried to intertwined her tongue with his, while her hands are busying to hug and caress Feng Chen Yi and even trying to put off his clothes.

Feng Chen Yi pushed her.

He looked at her closely, her white eyes little bit red, her tears streaming down as if expecting something, not need to guess, she has been drugged! "Damn, Zi Xuan that rotten bastard!"

"Chen Yi, I feel so bad." She begged him, suddenly she pulled him to the bed, his body fall on hers, fasted she stripped herself.

The current Yao Yao cannot see the disgusted Feng Chen Yi that she hates so much, she even not realized her brazen attitude.

After she stripped her outer clothes, she pulled Feng Chen Yi's hand to touch her, "Ah." She moaned from her beautiful lips.

"Damn." Because of Yao Yao provocation, his body is reacting. Because she takes the initiative, his hands also caress her body.

"En..." she enjoying it, she closed her eyes and her body also moves, still caressing...

Feng Chen Yi breath become not stable, he almost lost his control because he has already on her top, pressing her body, excited to help her to "antidote" her...

"Chen Yi, it is bad... Chen Yi..." She still moves, she longing him to dim and put out the flame in hers body.

This scene has pierce deep onto Feng Chen Yi, he made fist and finally he let off beast in himself.

Her memory about yesterday is blurred, Xia Ren Liang sent her off to in front of the door and then left, but at the time she wanted to open the door using key, suddenly there was something hit at her back and made her faint, after that... in her memory then left this current moment!

Did Xia Ren Liang hit her until unconscious yesterday? No, Xia Ren Liang isn't someone like that, impossible! Her body stiffens when raised her head, a diamond earring shines brilliantly, piercing into her eyesight.

Feng...Chen Yi?" hurried she pushed away that man who embraces her, she even jumped on the bed. How could be... Feng Chen Yi?

At this moment, Feng Chen Yi wake up because her dreadful scream, slowly he opens his eyes, when he sees Yao Yao at the floor, he smiled coldly: "You wake quite early."

At this world, other than her family members, it only left Feng Chen Yi that she trust, both of them are together for almost three years, he does not have any "responsible" to be always respected her, but now...

"Feng Chen Yi... you are too over, I never thought that you able to do such dirty thing. Now you are simply not more than rotten bastard!"

"Deep inside your heart, didn't I have been that rotten bastard?" He smiled and then sat on the bed, waved his hand toward hers: "Yesterday feel not bad, I still wanted to feel it once more time."

Rotten bastard! Rotten bastard! Rotten bastard! Yao Yao rushed to the other bed side, raised her hand and directly hit into Feng Chen Yi's face.

But at that moment, Feng Chen Yi has already blocked her hand, using his strength to sway it away, she felt into the bed.

"Ha, my beloved Yao Yao, you are looking so devastating to climb up into men's bed but why not mine?"

Seeing at his piercing smiling face, Yao Yao dumbfounded, listened to what Feng Chen Yi said, she really did not know... did something had happened between both of them last night?

"How much that man gives you? Well, I paid you double, you come here to be my bed-mate. How is about it?"

What is Feng Chen Yi talking about? Didn't he think too much with his words? "Feng Chen Yi, you are so strange. When you were still with me, you did with Li Ruo Ting. When you are now with Li Ruo Ting, again you come to find me as your bed-mate, do you really enjoy your life as Casanova?"

"I slept with Li Ruo Ting because...."Angrily he roared, his deep eyes gleaming coldly: "Do you love that man?"

Not love! For her the relationship between her and Yu Ao Tian is not more than contract but...

"Yes." She can't say the truth in front of Feng Chen Yi, she prefers to make him believe that she really loves that man, but she would never want to tell him that she did everything because of money, so they together.

"Yao Yao, I asked you one more time, do you love him?" His cold hand grabbed her neck.

Yao Yao can feel this moment Feng Chen Yi has changed to be dangerous, his cold eyesight: "Yes, I love him, no matter how many times you asked me the answer still same!"

Did he misunderstand something?

"Chen Yi...I love you, Chen Yi, I really love you..."

She was influenced by the drug but yesterday he could feel the sincerity on her eyes when she said she loved him, that eyesight so real.

Because of that, when the arrow almost shot, he chose to rein the horse at the edge of precipice (immediately stop), it was because the feeling he had for her, two years ago with her still same, he really cannot ruin the beauty.

But at this moment...

"Since you are loves him that much..." One of Feng Chen Yi's hand still in her neck, and the other hand takes the mobile phone in bedside, lying down on her side and take their photo using mobile phone camera.

"Feng Chen Yi, what are you doing?" Yao Yao refused and trying to grab the mobile phone from him.

Feng Chen Yi sat down, but his hand pressed on her, control her: "You guess, if I take this photo to media, which man will still want you?"

Cannot...cannot, Feng Chen Yi did not know that she is with one of the most dangerous man. Once the photo spread, she really does not know what can be done by Yu Ao Tian.

"Feng Chen Yi, you enough, what do you want?"

"Yao Yao, I have said before, I will be worst man in your life. I want to see you crying, I want to witness you get the bad treatment from others man."

Really? Did Feng Chen Yi really turned be that wicked man? No.. she is not believe it.

"You won't, you will not do it."

"Hah, why won't I? This is the best chance to torture you."

"If you are really wanted to torture me, why did you come to visit my family for few times? If you really want to torture me, why you waste your time to accompany them? Chen Yi... please don't be like this?" she will never forget her mom expression when talking about Feng Chen Yi that day, mom is experienced person, what she saw must be right, if Feng ChenYi not that good, how could be mom moved?

Seeing Yao Yao tears, Feng Chen Yi dumbfounded, but the other second, he curled his lips: "Do you want to know why? Because, I understand you very well, you are care your family the most, if I don't act nice to your family how can I make you remember about me forever? Thus I want to torture you in day and night, make you can't feel peace with your current man. The most important is... you know how your mom grateful to me because I paid your grandpa medical fee. Although the money was his, why don't I become that good man?"

The grateful heart is torn into pieces, does Feng Chen Yi really such man? He changed, he really changed. Hah, but this not bad also, at least she does not need to hold that heavy and guilty feeling anymore. "If this is the real causes, thank you to tell me everything. You are indeed made me to hate you already!"

Just this moment!

Feng Chen Yi suddenly feels does he go crazy, since he tell her these things? But actually when he knew Yao Yao's grandpa needed money for the medical fee, he remembered the day when Yao Yao came to find him to borrow money.

He is someone who never regrets with everything that he done, but now, this matter has turned be one of the most regretful things in his life, he unwillingly to face his regret. So that, he hopes Yao Yao can hate him, at least in this way he would not feel so painful!

"Click" the sound of door is opened using the key. Feng Chen Yi looked at Yao Yao's eyes: "Don't go out!" hurried he covered her head with quilt.

"Chen Yi." At this time, a middle age man about fifty years something come in, while at his back there still someone followed him who also has same aura with him. This man looks about thirties something.

Both of them are sitting on sofa elegantly while both of them spread the aura alike the aristocrat, bright and brilliant.

The two visitors are Feng Chen Yi's father and also his older brother. Their purposed to come and visit Feng Chen Yi are because they wanted to talk about Feng Chen Yi collaboration with Yu Ao Tian. Actually this collaboration got huge objection from his older brother while his father only wanted to see the result from these two big groups collaboration.

Of course, when come to visit Feng Chen Yi, his father, Feng Xiao reasoned that he missed his son who has been long time staying outside. He wishes Feng Chen Yi to come home often, if could he want Feng Chen Yi to live at their main mansion, together with them.

While his older brother, Feng Chen Rui has another intention to follow Feng Xiao come to visit Feng Chen Yi. He just wanted to know the hell his younger brother intending to do with him after he found out the collaboration between Berson Group with Feng Group.

After the Fengs done with their conversation, before leaving Feng Chen Rui spotted Yao Yao at Feng Chen Yi's bed. Feng Chen Rui commented about Feng Chen Yi's habit and also his taste of woman while Feng Xiao who also looked at Yao Yao because of Feng Chen Rui said nothing except to warn his youngest son to be careful when playing. Feng Xiao never cares about his sons women outside Feng's mansion as long as those are not influence the business of Feng Group and also the harmony at Feng's mansion.

**

Get insulted and caught red-handed by the Feng Xiao and Feng Chen Rui in very shameful situation, awkwardly Yao Yao leaving Feng Chen Yi's apartment. She back to Yu Ao Tian's place.

"Yu... Ao Tian..

."

When she seeing Yu Ao Tian who is sitting on sofa with cold expression. Luo Yao Yao can't stop to trembling and also she avoided Yu Ao Tian's eyes.

He... when did he come? What should I tell him about yesterday and my absence at home? Her heart is pounding, dong dong dong. In order to suppress her fear, she forced herself to smile: "You, come?"

"En? Bao Bei, seeing I am in here why do you look so anxious?" Yu Ao Tian stood up, slowly he walking toward her, bending little bit when he has already in front of her, taking the key that fell down: "See, you even not pick up the key which falling in the floor, and still want me to pick it up for you?"

"Trou...trouble you." Hurried she took the key from Yu Ao Tian's hand, anxiously she biting her lips: "You, when do you come?"

"Yesterday night." He smiled devilishly.

Yao Yao feared: "You have seat..... all night?"

"Yes, I have waited for you since last night. Oh yeah, you not back for the entire night... where were you?"

"I, I, last night I was at my mom's house. I am sorry, make you waited me for the entire night."

"Ha ha, you must accompany your mom often, Bao Bei, you really no need to apology to me."

Raised head, he smiled, at this moment, she really feel sorry for him, she feels sorry for Yu Ao Tian. It was because she slept with Feng Chen Yi one night and now she lied to Yu Ao Tian. But she... really did not know how to explain herself about last night.

"Bao Bei, come." Yu Ao Tian held her hand and brings her to the garden which also has swimming pool, still holding her and softly whispered to her ear: "I remember, you cannot swim, right?"

"En."

"Heh..." his dark black eyes gleaming coldly, narrowed his eyes, said: "I really hope in the next life you can swim!" after said, he did not wait for Yao Yao to react but Yu Ao Tian immediately lift her up and throw her into the swimming pool.

"Help... help me...Yu... uh... help me." She relentless moved in the middle of swimming pool, she begging him, looking at the man who standing near the swimming pool until her eyed feel not seeing anything.

Yu Ao Tian untied his necktie from his neck, one of his hand put into his pocket, sneered: "Bao Bei, I forgot to tell you that, last night... I have ordered man to check you in your mom's house, but your mom said... you did not come!"

The smile of Lucifer, his eyes has intention to kill, again she taste the danger of this man.

She thought that he believed on her, she thought she could lie to this man. Wrong... wrong... the one who lied is the stupid.

At that moment when she entered the house, that man has already had intention to kill her. But he just too good in hide it.

Actually how deep is this man? How danger he is? Why she still so patient to find little bit light on this man? Or just that light is hiding too deep...

"Bao Bei, you rest assured, at the moment your Grandpa and your Mom will come to accompany you." After said, he turned his back and walking to leave.

Yao Yao still struggling in the middle of swimming pool, he..

. what did he say? Grand pa, Mom? No! No!

"Don't, uh..." looking at the figure that walked further, her body is slowly become heavier and heavier, slowly she is drowning.

Her tears mixed with the swimming pool water, tears by tears dropping as if bubbles.

You cannot, cannot, Yu Ao Tian, don't kill my grandpa and mother, I can't let my problem to drag my grandpa and mom to hell with me!

She struggling very hard, trying to make her head stay up: "Yu, Yu Ao Tian! I am still... hu... I am still virgin. I didn't... I didn't do....hu. Anything that sorry toward you. I am not...."

"Yao Yao...Yao Yao..." in the darkness, she heard a familiar voice calling her name.

Opened her eyes, she sees her grandpa and mom. "Grandpa, Mom, where are we?"

"Hm, did all of us killed by Yu Ao Tian, and now... we are in heaven."

"No! Grandpa, Mom!" she conscious, she raised and sat, Yao Yao feared when she saw unfamiliar place, the light that illuminate her body.

She saw middle age woman is doing something like body check at her body lower part: "what are you doing?"

"Miss, please don't move, Mr. Yu is asking us to have proper check for your body."

Mr. Yu... Yu Ao Tian? It means that she hasn't died?

"What are you checking on?"

"Mr. Yu has made an order to check whether you are still virgin or not. Besides you were drowning before and got safe, so you shall have proper care."

"Ba Dump" she did not have strength to move, she opened her eyes to see the ceiling, her tears are just smoothly drops down.

It feels s good to live, so that, the scare of passing that death gate, kind of terrifying feeling.

Yu Ao Tian is really someone who too dangerous, very dangerous. The daily him is so different, did he pretending?

No, ugh, thinking carefully about the death of Ao Mei Chairman, thinking about the murders, the person who easily takes other lives must someone who has demon heart.

The daily him is actually also the real him, the murder of him also the real of him. But, she has thought this man too simple, the real person of him must be deeper compare to the normal people that she meets in her daily life, he even more complicated. Even Feng Chen Yi is cannot be compare to him, not even 10% of Yu Ao Tian, the complicated.

" He, Yu Ao Tian, impossible you do not know about his background , you are currently have work collaboration with him, it same as lead the wolf into the house!" Even Feng Chen Yi's father who has experienced so many things fear Yu Ao Tian and give three back steps, it can clearly be seen that he is extremely scaring.

Wait!

Didn't Feng Chen Yi and Yu Ao Tian have work collaboration? Although he said that he not fear of Yu Ao Tian, but... did he really ever seen Yu Ao Tian real self?

"Well, Little Miss, the check up already done. I have prepared to give the result report to Mr. Yu." Said that middle aged woman who is dressed Yao Yao new clothes. Turned and left.

"Wait, Auntie, Yu... does Yu Ao Tian at outside?"

"En, Mr. Yu is there."

After the middle age woman said, Yao Yao quickly get down from the bed: "Auntie, can you bring me with you to see Yu Ao Tian?"

"Alright." After said, she and the auntie are walking out together from the room.

Quietly she sitting down at the stairs in living room, her eyes looking at the familiar surrounding but her eyes even locked on Yu Ao Tian, that man. Even the outside is covered by forest, but the top of hill is where the villa built.

"Mr. Yu, the check up result has done.

"

Yu Ao Tian who sat on the sofa, swept his eyesight to the middle aged woman, coldly said: "How's?"

"That little girl is virgin, there is no signed for violating or abrasion."

"Fiuh..." Yao Yao who is not far from there finally can feel relieved, it seem that her last words during her struggling in pool that changed the last decision of Yu Ao Tian.

If during that time she did not believe on herself and not said that words perhaps she has already in heaven, and also Grandpa and mom... uh!

"En, understood, you can leave."

"Yes." The middle aged woman has sent off by the maid.

Yu Ao Tian glanced: "Bao Bei, you don't need to hide at my back, if there is something you want to tell me, come here."

She still afraid, her body is trembling in front of Yu Ao Tian: "Yu, Mr. Yu, I..."

"En? Usually you call me Yu Ao Tian, am I right? Why today you change the way you addressing me?" he used very soft, gentle and slowly way of tone spoke with her.

Yao Yao even felt the way of his speaking is more terrifying, it brings any danger in each word. "Yu, Mr. Yu, I, I understood that I was lack of understanding, I beg you, a great people forget small offenses, and still you..." Ba Dump! Suddenly Yao Yao kneeling on the floor: "But, but please let go my family."

"Oh, ya, I almost forget." He waved his fingers.

The men who are standing outside the living room, hurried come to his side: "Big Boss Yu."

"Tell those men who are in hospital that waited for command to dismiss and leave."

"Yes."

After she heard the conversation between Yu Ao Tian and his Xiao Di, Yao Yao really cannot imagine what she would be if the result of her body checking isn't virgin, what would be her grand pa and mother.

"Thank you, thank you, Mr. Yu to be generous."

"Come, Bao Bei, faster come here, don't kneel anymore."

She bowed down her head to the lowest and she stood up with her trembling body.

"Come here."

Chicken gut...

She lift up her head and sees Yu Ao Tian devilish smiles, hurry she bows down her head again while her body stiffen, walking toward him.

"Sit down."

She sat down right beside Yu Ao Tian as commanded.

One of his hands pulled her into his embrace and makes her sit on his lap, smiled: "Where did you go spending the night with Xia Ren Liang?"

"No!" Yao Yao answered him firmly, she indistinct feeling say that if she told him that she was with Xia Ren Liang yesterday it would harm Xia Ren Liang.

"Well, you? where and with whom were you for the entire night?" his eyesight as if able to pierce.

At the moment Yao Yao not dares to look at his eyes, she cannot tell him that she was with Feng Chen Yi for the entire night, this could harm him, now no matter what she said with whom she was, it meant she is harming that person, Yu Ao Tian is demon, she is also demoness!

"I am sorry. This morning... I had lied to you. But...I really did not know what happened to me last night." Deathly silent! Deathly silent! This man knew the loopholes, Yao Yao trying to act calmly and be composed because this is the only way for her to escape.

"Last night, I was afraid you misunderstood my relationship between Xia Ren Liang, I asked him to drive me to my mom's place but when I was taking my keys to open the door, suddenly I hit by someone. When I was awake, I realized I have been already in small street side."

No wonder, as Yao Yao who has 205 IQ. If she really telling lie to an ordinary person that person won't find out any loopholes. But unfortunately... Yu Ao Tian IQ is higher by 5 point compare to hers, so that, he knew there was a loophole on her statement. Either the real or the fake!

"Bao Bei, since there was someone hit you, why didn't you say the truth, otherwise, how this morning incident would be happened, you say... right?"

"I am sorry. I, I afraid you worried about me, so I lied to you. I am sorry." After Yao Yao said, her head bowed down even lower again.

"Ckckckckck" Yu Ao Tian helplessly patting Yao Yao's head, suddenly his big hand grabbed her head.

"Argh!"

"Bao Bei, it seems that you are not learn to be obediently, you know that I hate people lied to me the most."

Yao Yao once again saw the demon side of Yu Ao Tian, she also knew that he found out loopholes in her statement: "During the time when I arrived at home, knowing that you had waited for me for the entire night, I tried to explain to you but I afraid you not believe on me after I said I really did not know what was happened to me last night. So that, I lied to you. This time, I really am telling you the truth."

He released her, Yu Ao Tian smiling while caressing that face which filled with fright: "Good, good girl should not telling lie, understand?"

"Under, understand."
