Chapter 15: Deeply pampered by the emperor (Part 14)

Luo Qing Chen was not weak. Tao Hua was instantly forced back several steps and her brain was buzzing.

Yan Wu Se shuddered and her face turned pale. She said through gritted teeth, “Why is big sister doing this, I saw big sister coming....”

“Coming what? First time here?” Luo Qing Chen gave two cold laughs, “Yan Wu Se, am I not clear on what kind of person you are?”

This girl really didn’t want any face. The tragic end of the previous host was caused by her and she could still smile while calling her big sister. Wasn’t she disgusting?

“I’m afraid big sister is mistaken, back then....”

“Big sister?” Luo Qing Chen’s slender finger slid over her cheek and her eyes were filled with ridicule. Her lips raised as she said, “You look like this and you’re not embarrassed to call me big sister?”

“Puchi——” Xiao Qiu behind her couldn’t help breaking out in laughter.

She never knew her master was this eloquent. She didn’t use a single curse word and she really hurt the other person.

[System Notification: Supporting female lead has turned dark!]

Damn, turned dark already? The people here all have glass hearts! Yan Wu Se’s heart can only take this much, how could she still live in the royal harem???

[There is no one else in the royal harem other than the supporting female lead.]

Oh! You seemed to have raised a good point!

Yan Wu Se’s face was pale and her eyes gradually turned ominous. She said through gritted teeth, “Luo Qing Chen, don’t go too far. Right now, I am only the consort in the royal palace. You? You are a person who can’t even compare to a maid.”

After saying this, she waved her sleeve and said, “Someone, beat this Xiao Qiu a hundred times and lock her in the dungeon.”

As her voice fell, two eunuchs behind Yan Wu Se charged forward to grab Xiao Qiu.

Damn, system, system, she wants to hit people. The mace! The mace! I have already finished the mission, give me the mace you promised!

[System notification: Mace has been redeemed!]

Damn, you do have a conscience!

“My Luo Family will never fall down. Yan Wu Se, you are just a servant and you want to fight me?” After saying this, Luo Qing Chen’s eyes turned sharp as she pulled out the mace the system gave her from her pocket. She swung out as soon as it appeared, landing it on Yan Wu Se’s face.

The fangs of the mace instantly pierced her stiff skin and drew blood.

“Ah——” There was a pitiful scream that came out. The surrounding people were not prepared, they never thought that this woman in front of them would take out this strange and fierce looking weapon.

Luo Qing Chen instantly grabbed Xiao Qiu’s hand and ran in another direction.

Turning around, she saw that no one was chasing her.

Before she even thought about where to go, she slammed into a warm chest.

She was almost sent flying, but a pair of warm and powerful hands came around her waist, suspending her entire body against the hands.

“What is it, why are you in a panic?” Zhao An Yang looked at her with knitted brows.

If it hit another place on him, wouldn’t he have been hurt? If it was someone else’s chest.

Thinking of this, there was an unexpected jealous feeling that filled his heart.

He looked at the girl softly panting in front of him, releasing a faint fragrance. Just by gently holding her like this, he could feel the fragrance flowing over him.

That warmth, it was addicting.

This feeling of being able to take her into his embrace just by reaching it, it was truly good.

[Ding, affection has increased by five. Mission completion rate is now 65%.]

Ha, ha, ha, ha, it actually increased affection. Hugging is great, hugging can increase affection!

“Emperor, emperor.” Yan Wu Se was holding her face not far off, crying as she ran over.

Damn, this little white flower is here to ruin this for her. Just wait, big sister will ruin your affection and ruin you.

Zhao An Yang knit his brows. Such a good atmosphere, but he actually heard the voice he didn't want to hear the most.

Luo Qing Chen: Finally got a mace! One hit and run away!
