

Real Daughter 141

Chapter 141 Why Are You Here?

Lin Yin simply replied to Lu Yan's message and lay back on the bed. Nothing unexpected happened, so she didn't plan to let Lu Yan call the police.

Lin Yin lay on the bed and continued to pretend to be unconscious, waiting for Yue Chi to take the initiative to come to her.

A long time passed. When Lin Yin was about to fall asleep, the door was slowly pushed open.

Lin Yin didn't move and continued to pretend to be unconscious, but her hands were already gripping the bedsheets tightly.

Sensing someone slowly approaching, Lin Yin held her breath. When that person gradually approached, she suddenly stood up and grabbed his collar. She pulled hard and pressed him heavily onto the bed.

The man's body fell heavily onto the bed. Lin Yin pressed against him. When she saw the man's face clearly, her eyes widened in disbelief.

"Why is it you?"

Lin Yin was so surprised that she couldn't close her mouth when she saw Lu Ming under her. She had thought of countless possibilities, but she didn't expect that the person who came in would be Lu Ming.

Lu Ming looked at Lin Yin, who was pressing down on him, and a smile slowly appeared in his eyes. It seemed like this little girl was quite powerful. If he didn't attack, she probably wouldn't be bullied.

"Do you want to help me up first?" Lu Ming looked at Lin Yin, whose ears were slightly red, and the smile on his lips became more obvious.

Lin Yin hurriedly got up from Lu Ming's body. She was no longer as nervous as before. Now, Lin Yin felt like she had been caught making a mistake by her teacher.

"Why don't you want to see me?"

Lu Ming sat by the bed and looked at Lin Yin's messy hair. He couldn't help but raise his hand to help her tidy it up.

Lin Yin's expression slowly returned to normal. She asked, "It's not that I don't want to, but I shouldn't. How did you know I was here?"

Lin Yin suspected that Lu Yan had told Lu Ming about her, but Lu Ming appeared too quickly. Moreover, where did Yue Chi, who should have appeared, run to now? Lin Yin was full of doubts. She looked at Lu Ming, who was inches away, but she didn't know where to ask.

"I was discussing the contract next door. When Shen Yu came out, he saw Lu Yue helping you into Room 3021. I felt that something was wrong, so I came to take a look."

Lu Ming was glad that Shen Yu had discovered Lin Yin. He did not want Lin Yin to be in any danger. No matter how useless Yue Chi was, he was still a man. It was too risky for Lin Yin for her to interact with him.

"Oh." Lin Yin lowered her head. She kept feeling that Lu Ming was not as busy as everyone said. As long as she wanted to do something, Lu Ming would always appear in time.

Lin Yin knew that her plan had been interrupted and asked helplessly, "Did you see anyone suspicious before you came in?"

Lin Yin didn't know if Lu Ming knew her plan or where Yue Chi had gone.

"Are you asking Yue Chi?" Lu Ming had long seen through Lin Yin's thoughts. When he realized that she was pretending to be unconscious, Lu Ming could already guess what had happened.

Lin Yin was probably not schemed against by Lu Yue but deliberately took the bait to lure Yue Chi out. Lu Ming could not understand why Lin Yin would put herself in danger even if it was to take revenge on Lu Yue.

“He came?” When Lin Yin heard Lu Ming’s words, she asked anxiously, “Where did you see him?”

Lu Ming thought of Yue Chi, who had already been sent away by Shen Yu, and said calmly, “I saw him at the door.”

Lu Ming noticed Lin Yin’s searching gaze and continued, “But he’s already at the hospital.”

“Hospital?” Lin Yin couldn’t understand why Yue Chi was already in the hospital before she could do anything.

Lin Yin looked at Lu Ming in confusion and asked hesitantly, “Did you hit him?”

Lin Yin said the most unbelievable possibility, so when she saw Lu Ming nod slightly, Lin Yin could no longer remain calm.

“It’s really you? Uncle, why did you hit Yue Chi?”

Lin Yin’s plan was completely disrupted by Lu Ming. If Yue Chi was beaten up and sent to the hospital because he wanted to get close to her, he would have to avoid her when he saw her in the future. How would she have the chance to find evidence of his crimes?

“He reaped what he sowed!” When Lu Ming thought of Yue Chi’s disgusting delusions about Lin Yin, he felt that he had been too gentle just now. If not for the fact that he still had a relationship with his brother, Lu Ming would definitely cripple him, regardless of whether he was from the Yue Family.

Lu Ming looked at Lin Yin, who was obviously troubled, and could not help but be curious.

Chapter 142 Police Investigation

“What the hell is in your little head?”

Lu Ming knocked Lin Yin’s forehead gently and asked gently, “Tell me what you want to do.”

Lin Yin looked at Lu Ming. The two of them sat side by side by the bed, very close. Lin Yin could smell the clear cologne on Lu Ming’s body.

Looking at the man’s cold and handsome features, Lin Yin felt a little warm. Every time Lu Ming appeared, he was helping her. Lin Yin had unknowingly developed trust in Lu Ming.

“I want to find some evidence.” Lin Yin thought for a moment and decided to tell Lu Ming her true motive. “Yue Chi is a very perverted person. He has hurt many girls. I want to find evidence and let him receive the punishment he deserves.”

Lin Yin didn’t know if Lu Ming would understand her, but she still wanted to try.

“So you’re taking the risk?” Lu Ming’s tone was a little serious. He still felt that Lin Yin’s actions were too impulsive. No matter what the reason was, she shouldn’t joke about her safety.

Lin Yin felt a little guilty under Lu Ming’s gaze. She thought of Lu Yue and Yue Ning and explained, “Not really. I was tricked by Lu Yue to come here in the first place. I had no choice.”

Lu Ming looked at the aggrieved Lin Yin and his heart raced. Of course, he wouldn’t believe Lin Yin. This little girl was very smart. As long as she didn’t want to come, who could trick her?

However, Lu Ming did not expose her. Lin Yin’s slightly coquettish tone pleased Lu Ming. This was the first time she had shown weakness in front of him. Lu Ming was pleasantly surprised.

“Do you need me to help you punish Lu Yue? She did go overboard in this matter.”

Lu Ming did not expect that seeing Lin Yin suffer, he actually wanted to stand up for her. Although Lu Yue was also his niece, Lu Ming didn’t care at all.

“There’s no need. She won’t have it easy now either.” Lin Yin couldn’t help but laugh. She had bought a powerful laxative. Lu Yue and Lu Xiao would definitely end up very miserably.

Seeing Lin Yin’s smiling face, Lu Ming relaxed a lot. Previously, when he entered, his heart had been tense. He was only completely relieved now.

Seeing the wine glass on the coffee table, Lu Ming suddenly felt thirsty. He had used a lot of strength to hit Yue Chi just now, so he got up from the bed and picked up the wine glass. Just as he was about to drink it, Lin Yin rushed over and pushed him away.

“Don’t drink it!”

Lin Yin was thinking about Lu Yue and Lu Xiao, who she had drugged. Just as she came back to her senses, she saw Lu Ming picking up a wine glass and preparing to bring it to his mouth. That was the wine she had added a large dose of laxative to. Lin Yin rushed over without hesitation.

Crack!

The wine glass shattered on the ground. Lu Ming staggered from Lin Yin’s collision, but he still hugged Lin Yin steadily.

Before the two of them could react, the door was pushed open. A few uniformed police officers rushed in and surrounded Lu Ming and Lin Yin.

Behind the police were the pale-faced Lu Yue and Yue Ning, who had been explaining.

“Uncle?”

“Brother Lu?”

When Lu Yue and Yue Ning saw Lu Ming carrying Lin Yin, their expressions were quite interesting.

Lu Yue had been running around the washroom. When she realized that a police officer had arrived at the clubhouse, she was worried that Yue Chi would be discovered by the police, so she immediately informed Yue Ning.

Yue Ning was even more afraid that her cheap brother was doing something to Lin Yin. It would be even harder to explain if the police saw it.

Yue Ning could not stop the police, and Lu Yue was also uneasy. She forced herself out of the toilet and ran to Room 3021 with Yue Ning.

However, the two of them did not expect that there was no disheveled Lin Yin and Yue Chi in Room 3021. There was only Lu Ming and Lin Yin hugging each other.

“Hello, sir. We received a report that someone here is abducting underage girls.”

The leading police officer was a little surprised to see Lu Ming. This person’s clothes and temperament did not look like a human trafficker, but since they had received a report, they had to take it seriously.

“Oh no, I forgot about Lu Yan...”

When Lin Yin heard that someone had reported the case, she suddenly remembered her agreement with Lu Yan. She was so immersed in the shock of seeing Lu Ming that she forgot that her phone had been muted.

She took out her phone from under her pillow and saw a bunch of messages from Lu Yan.

[Lin Yin, how are you now?]

[Lin Yin, reply quickly!]

[Lin Yin, I’m calling the police!!]

[The police will be here soon. Hold on, Lin Yin!]

...

Chapter 143 Hated By Him

The scene was a little awkward, but the first to break the silence was Lu Yue.

“Yue Ning, I-I can’t hold on anymore. Stay here!”

Cold sweat broke out on Lu Yue’s forehead. After saying that, she ran out of the door with all her might.

“She deserves it...” Lin Yin muttered softly before realizing that her current situation was not too optimistic.

“Officer, I’m not underage,” Lin Yin explained to the police. “My friend misunderstood and thought that I was in danger, so she called the police.”

The leading police officer looked at the two people in front of him suspiciously. Although he could confirm that it was not a case of trafficking, the relationship between the two people was still a little suspicious.

Lu Ming had a headache. He did not expect Lu Yan to call the police. He took out his phone from his pocket and dialed a number. He explained briefly to the phone and hung up.

Not long after, the leading police officer received a notice from his superiors and quickly removed Lu Ming’s suspicion. After all, the CEO of Lu Corporation would not kidnap a young lady.

Wen Ying and Wen Yu, who were in the private room, noticed Lu Yue and Yue Ning’s abnormality and followed the sound. When they saw Lu Ming in the room, they both stopped talking.

The police left the room. Yue Ning still could not react. If it was Lu Ming in the room, where was Yue Chi now?

“Hello, CEO Lu.” Wen Ying and Wen Yu did not dare to offend Lu Ming and greeted him politely.

Lu Ming nodded slightly. Wen Ying was in a few advertisements from the Lu Corporation. Wen Yu was considered half a member of the Mu family. He had seen him once or twice before.

“Where did Lu Yue go?” Lu Ming had the intention of questioning Lu Yue, not knowing where she had run off to.

Wen Ying and Yue Ning looked a little troubled, but Wen Yu said casually, “Who knows if Lu Yue and Lu Xiao ate something bad? The two of them kept running to the toilet. They haven’t stopped for half an hour.”

When Lu Ming heard Wen Yu’s words, he turned to look at Lin Yin, who was holding back her laughter, and understood.

It seemed like Lu Yue and Lu Xiao would not have a good night. Lu Ming did not say anything else. He held Lin Yin’s hand and was about to leave when he was stopped by Yue Ning, who had her head lowered.

“Brother Lu, why are you here?” Yue Ning mustered her courage. She could not understand why Lu Ming was here.

When Lu Ming heard Yue Ning address him, he couldn’t help but frown. Although he had a good relationship with Yue Han, this youngest daughter of the Yue Family was indeed a little rude.

Lu Ming’s expression was very bad. He said coldly to Yue Ning, “It’s not appropriate for Miss Yue to call me that. Who do you think should be here?”

Lu Ming’s aura was a little scary. Yue Ning lowered her head and did not dare to look into his cold eyes.

Lu Ming's voice was low, and no one in the room dared to make a sound. "Yue Chi has already been sent to the hospital. You better understand that there are some people you can't afford to offend."

With that, Lu Ming pulled Lin Yin out of the room, leaving behind Wen Yu and Wen Ying, who were confused, and Yue Ning, whose face was gradually turning pale.

"Oh my god, you scared me to death." Wen Yu looked at Yue Ning with an exaggerated expression and asked worriedly, "Sister Yue Ning, how did you offend President Lu?"

Yue Ning felt terrible. Although Lu Ming was not familiar with her in the past, he had never looked at her with such a terrifying gaze. It was all Lu Yue's fault! She was probably hated by Lu Ming now. How could she approach him in the future?

Wen Ying knew that Yue Ning had a good impression of Lu Ming, but she had seen how Lu Ming had always done things. From Lu Ming's attitude, Yue Ning should not have a chance.

"Alright, don't ask what you shouldn't ask. Let's go down and see how Lu Yue and Lu Xiao are doing?" Wen Ying saw that Yue Ning was in a low mood and pulled Wen Yu out of the room.

Lu Ming sent Lin Yin back to the Su Family. Just as she was about to get out of the car, she was suddenly stopped by Lu Ming.

"If you want to do anything, you can ask me for help."

Lu Ming could not understand the girl in front of him. She was only 17 or 18 years old, but her heart seemed to be filled with secrets.

"I don't know how many times I've thanked you since I met you." Lin Yin had a faint smile on her face. "You've already helped me a lot."

Lu Ming smiled helplessly. It was too difficult for Lin Yin to take the initiative to ask him for help.

“Don’t press yourself too hard. You can try to believe me. I’ll help you.” Lu Ming admired Lin Yin’s independence, but he also had a headache.

Lin Yin’s ability made Lu Ming feel that the distance between the two of them was getting farther and farther. It was as if if he did not pay attention, this little girl would jump out of his line of sight and disappear forever.

Chapter 144 Lu Ming’s People

Lin Yin nodded at Lu Ming and watched his car leave before walking through the door.

It was already very late, and there was only a dim night light in the hall. Su Fei and the Su Family should be resting. Lin Yin was also a little tired. She returned to the bedroom and planned to settle the score with Su Fei tomorrow.

Lin Yin thought of Lu Yan and took out her phone to call her.

“Lin Yin, are you alright? Did you catch the bad guy?”

Lu Yan’s anxious voice came from the phone. Lin Yin really wanted to tell Lu Yan that her call to the police almost captured her little uncle.

“It’s fine. Thank you for today.”

“It’s good that you’re fine.” Lu Yan heaved a sigh of relief. Her heart had been tense the entire night, afraid that Lin Yin would be in danger. “My little uncle said that he was also at the clubhouse. Did you see him?”

“Yes.” Lin Yin felt that things were really complicated and did not plan to explain it to Lu Yan over the phone. “It’s fine now. Rest early. We’ll talk tomorrow.”

After saying goodnight to Lu Yan, Lin Yin fell onto the bed. She recalled the scene of Lu Ming being pounced on and her face burned. She controlled herself not to think about what had happened today,

but she was a little frustrated. It seemed like she had to postpone Yue Chi's matter for now. After what Lu Ming had done, she didn't know what rumors would spread.

Perhaps because she was a little tired, Lin Yin slept very soundly that night. When she woke up the next day, it was already ten o'clock.

After washing up briefly, Lin Yin pushed open the bedroom door and heard Su Fei's voice in the hall. It seemed that Su Zhen and Chu Yun had already left.

"What? How is that possible?" Su Fei heard Shi Dai's words and stood up from the sofa with her phone.

Seeing that Lin Yin didn't come back the entire night, Su Fei thought that Yue Chi had already succeeded.

"It's absolutely true. The news of Yue Chi being beaten up by Lu Ming and sent to the hospital has already spread." Shi Dai heard the news early in the morning and hurriedly told Su Fei.

"Everyone said that Yue Chi was bold enough to want to touch Lu Ming's woman. That's why he was beaten into the hospital by Lu Ming in a fit of anger."

Shi Dai didn't know who the woman in the incident was, so she wanted to verify it with Su Fei.

"Someone said that that woman is the young lady of the Su Family. Feifei is it Lin Yin? If Lu Ming likes Lin Yin, your life will be difficult in the future."

Shi Dai was really worried about Su Fei. No matter what others said, in her heart, Su Fei had always been a good friend.

"I don't think so." Of course, Su Fei knew that the woman rumored to be Lu Ming's woman was Lin Yin, but she couldn't admit it. If everyone knew, no one would care about her in the future. Lin Yin would only be envied by more people because of this.

"Dai'er, I'm not feeling well. I want to sleep for a while. Let's not talk for now." Su Fei forced a smile. Her heart was in a mess.

“Why don’t I visit you?” Ever since the incident at the birthday banquet, Shi Dai’s parents had forbidden her from interacting with Su Fei, but Shi Dai still could not let go of her many years of friendship with her.

“No need. I’ll just rest for a while.”

Su Fei chatted briefly with Shi Dai for a while more. After hanging up, the smile on her face slowly disappeared.

“I didn’t expect you to be so lousy as to lie to your own friend.”

Lin Yin’s voice sounded faintly from behind her. Su Fei’s body stiffened. She didn’t expect Lin Yin to be at home.

“Why? Are you surprised to see me standing here fine?”

Although Lin Yin was smiling, Su Fei’s heart turned cold from her gaze.

“Sister, what do you mean?”

Lin Yin looked at Su Fei, who was pretending to be calm, and felt that she was a little ridiculous. “What do you mean? Where did you go last night? Why haven’t I seen you?”

“I went to help you find Yang Xue, but Dai’er might have seen wrongly. Yang Xie doesn’t seem to be around. I went home before I could find you...”

Su Fei’s voice became softer and softer. She did not expect Lu Ming to help Lin Yin, and she was not prepared at all.

“Is that so?” Lin Yin sneered and approached Su Fei. The pressure she exuded made Su Fei retreat.

Su Fei fell onto the sofa and was about to get up when Lin Yin grabbed her collar.

"I'm warning you, Su Fei. If you try anything funny again, I'll make you disappear from my sight forever!"

Su Fei looked at Lin Yin's beautiful face as if she had seen a demon. She struggled back with all her might and cried out, "Can you even kill me? Lin Yin, you don't dare to do anything to me!"

Lin Yin let go of Su Fei's collar and pinched her chin hard. Her red lips parted slightly. "Of course I won't kill you. I'll make you wish you were dead."

Chapter 145 Together

Looking at the dazed Su Fei, Lin Yin patted her cheek in satisfaction. "Su Fei, you'd better behave yourself and be glad that I'm merciful. Otherwise, you'll only end up worse than Yue Chi."

Lin Yin left the Su Family without looking back, leaving Su Fei screaming in the room.

Lin Yin knew that it was impossible for Su Fei to give up on dealing with her, but she was not worried at all. Lin Yin was confident that she could resolve everything and was prepared to deal with all the enemies.

Lin Yin called Lu Yan in advance and went straight to the Lu Family.

As soon as she entered, Lin Yin saw Lu Yan's mother, Ren Xue.

"Xiao Yin is here." Ren Xue's eyes were a little excited. She hurriedly walked to Lin Yin's side and pulled her arm mysteriously. She asked, "Are you with Lu Ming?"

Lin Yin was a little embarrassed by Ren Xue's question. She shook her head at a loss and explained, "Auntie, you must have misunderstood."

"Don't worry, I'm very open-minded. Although Lu Ming looks a little cold, he's actually a good candidate. His character, ability, and appearance are all good. Auntie supports you two being together."

Ren Xue blinked at Lin Yin and continued, "It's been spreading like wildfire in my friend group. It's said that Lu Ming beat up that kid from the Yue Family and sent him to the hospital for a woman. You don't know, but Lu Ming is very old-fashioned. This is the first time there's a scandal. Everyone is very curious."

"Mom, I told you not to talk nonsense. You scared Lin Yin." Lu Yan heard the sound and walked down from upstairs.

"Didn't you tell me that Lu Ming and Little Yin were together yesterday?" Ren Xue still refused to give up. She wanted to ask Lin Yin again, but Lu Yan stopped her.

"Mom, aren't you going to the fashion show? Go quickly. You won't be able to make it in time."

Ren Xue glanced at her phone and said to Lin Yin as she walked out of the door, "Little Yin, stay for dinner tonight. I'll call Lu Ming along. Let's have a good chat as a family."

Seeing Ren Xue walk away, Lin Yin finally heaved a sigh of relief. Looking at Lu Yan, who had the same expression, she smiled and asked, "What exactly is going on? It's only been one night. Why are there so many ridiculous rumors?"

Lu Yan sat on the sofa and handed Lin Yin a box of milk. She said helplessly, "It can't be helped. You went to the largest entertainment club in Xin City. That place is filled with people from the upper-class society. The waiters are also very smart. It's normal for there to be rumors."

Lu Yan took a sip of milk and asked Lin Yin, "But what happened yesterday? Why did my little uncle beat Yue Chi up so badly he had to go to the hospital? Did he want to harm you?"

Lin Yin sat beside Lu Yan. She didn't expect the news to spread so quickly. No wonder Su Fei looked so panicked in the morning. It seemed like she had already heard the rumors.

"It's Lu Yue and Su Fei. They tricked me into going to the clubhouse and wanted to give me to Yue Chi."

“What!” Lu Yan was so angry that she hammered the coffee table. “They’re too sinister. You weren’t bullied, right?”

“No, with your uncle around, who can bully me?” Lin Yin didn’t know if Lu Ming’s appearance was a good thing or a bad thing, but there would probably be fewer and fewer people who dared to target her in the future.

“Sigh, seriously, we can’t just let it go. We can’t let Lu Yue and Su Fei off. They might do something in the future.”

Lu Yan was a little worried about Lin Yin. She knew Lu Yue’s methods. As long as Lin Yin was not careful, she might be schemed against by Lu Yue.

“Of course. I’ll think of a way to deal with them.” Lin Yin thought of the rumors and asked Lu Yan worriedly, “But will your uncle become enemies with the Yue Family because of this?”

“It’s fine. The Yue Family won’t be stupid enough to offend my uncle for a good-for-nothing youngest son.” Lu Yan smiled and explained to Lin Yin, “Don’t worry, almost everyone now thinks that Yue Chi deserved it. My uncle’s popularity even increased a lot because of this. It’s just that not many people know that you’re the female lead of the incident.”

“It’s better not to let anyone know.” Lin Yin was afraid that being related to Lu Ming would affect her future actions.

“Lin Yin, actually, my uncle is indeed quite good. Do you want to consider it?” Lu Yan leaned closer to Lin Yin. She still hoped that Lin Yin could be with her uncle.

“Do you want to consider revising the lessons you missed?” Lin Yin looked at Lu Yan’s aggrieved expression and couldn’t help but tease her. “If I get together with your uncle, I’ll watch you study every day!”

“Ah?” Lu Yan pouted and thought about it for a long time. “Then you should be with my idol. Your age is more suitable.”

“Alright, you should care more about your results. Take out your book and revise it. Accompany me to Jiang Chen’s company in the afternoon to take a look.”

Lin Yin heard from Jiang Chen that a big boss wanted to invest in their company and was prepared to meet him. After all, if Jiang Cheng asked her for money again, she probably wouldn’t be able to take out more.

Lin Yin suddenly thought of Lu Ming. If she asked him for an investment, Lu Ming would definitely agree without hesitation, right? A smile appeared on Lin Yin’s lips. She didn’t know when it started, but Lin Yin felt that Lu Ming was already completely standing beside her.

However, the more this was the case, the less Lin Yin wanted to trouble Lu Ming. She was confident that she could do everything by herself. The more Lu Ming cared about her, the less she wanted to trouble him because of her.

On the other hand, Lu Ming, who was in the CEO’s office of the Lu Corporation, did not think so. The matter of him hitting Yue Chi had caused a commotion, but not only did the Yue Family not ask Lu Ming for an explanation, Yue Chi’s elder brother, Yue Han, even called Lu Ming personally to apologize.

Yue Han knew his brother’s character very well, but Yue Chi had never caused any big trouble in the past, so Yue Han could not be bothered with him. He did not expect to provoke Lu Ming this time.

Yue Han knew Lu Ming’s character. The responsibility must be the same as the rumors. It was all on his bastard brother.

Yue Han and Lu Ming scolded Yue Chi for being blind and kept saying that he deserved to be taught this lesson by Lu Ming before this matter was completely settled.

“CEO Lu, many people are deliberately asking about Miss Lin Yin. Do you need to deal with them?”

As a qualified senior assistant, Shen Yu had already settled everything about Lu Ming at the club, but he still had to report Miss Lin Yin’s problem to CEO Lu personally.

“Let me warn you. Don’t let anyone spread what happened last night, especially don’t publicize Lin Yin’s identity. After all, she’s still in school. It won’t be good for her.”

Lu Ming did want to tell everyone that he was protecting Lin Yin so that no one would dare to provoke her in the future. However, because Lin Yin had yet to graduate, Lu Ming still respected her thoughts.

“Okay, CEO Lu.” Shen Yu nodded slightly and walked out of the CEO’s office. He could tell that Lin Yin was very special to Lu Ming. He remembered in his heart that he should never offend Lin Yin in the future.

Lin Yin and Lu Yan had already arrived at the company at the time they had agreed with Jiang Chen.

“Boss!” Jiang Chen greeted Lin Yin warmly.

“You’ve worked hard. How has it been?”

Lin Yin was very assured and satisfied with Jiang Chen. She was very relaxed as the boss. Jiang Cheng had managed the company well alone. There were only some major matters that she had to decide for herself. Lin Yin did not have to worry about anything else.

“They’re all quite good. It’s just that the funds...” Jiang Chen found it difficult to speak. After all, Lin Yin had already forked out a lot of money. As a man, he felt a little uncomfortable asking a young lady for money.

“I’ll think of a way to solve the money problem. Just do it.”

Lin Yin did her best to support Jiang Chen. It was not only because she knew that Jiang Cheng had been very successful in her previous life, but also because after she really got to know him, she realized that he was indeed an outstanding person in all aspects and trustworthy.

Jiang Chen was very touched. Lin Yin was the best boss he had ever seen. He thought for a moment and said to her, "I've arranged for someone to discuss investments today. If it succeeds, it can reduce our financial burden."

"Which company's boss?" Lin Yin remembered that in her previous life, Jiang Chen had also met someone who was willing to help him. She wondered if it was the boss she was meeting today.

"They didn't say anything on the phone. They just agreed to come and take a look at our project. They should be here soon." Jiang Chen glanced at his watch. As soon as he finished speaking, the landline in the studio rang.

"Hello." Jiang Chen picked up the call and sounded a little excited. "Okay, I'll pick you up downstairs."

After putting down the phone, Jiang Chen went downstairs to pick them up.

Lu Yan, who was standing beside Lin Yin, asked worriedly, "Lin Yin, aren't you nervous? Are you really planning to talk about cooperation? Will it be risky?"

It wasn't that Lin Yin wasn't nervous, but she clearly understood that the risk was proportional to the gain. "It's fine, Lu Yan. Help me make a pot of tea later."

Lu Yan nodded and walked towards the pantry. Lin Yin tidied her clothes a little and stood up to welcome the guests, but she saw that the man walking over with Jiang Chen looked familiar.

"Brother Mu Heng?"

When Mu Heng saw Lin Yin, he was also shocked. He did not expect to see Lin Yin here.

"Little Yin, why are you here?"

Chapter 147 Regarded

When Jiang Chen heard Lin Yin call the man's name, he was already shocked.

Could this handsome man in front of her be the business magnate, Mu Heng, who was always on the front page of the financial news? The business genius who took over the Mu family's business at the age of 21?

"Is Brother Mu Heng the big boss who wants to talk about cooperation?"

For some reason, Lin Yin suddenly relaxed when she saw that it was Mu Heng. This man she had only seen once made Lin Yin feel a little warm.

Lin Yin felt that there seemed to be a magic about the Mu family that could always make her lower her guard. She felt that the Mu family did not seem to hurt her, and Lin Yin did not know why.

"You..." Mu Heng could not believe his guess.

Seeing that Mu Heng and Lin Yin knew each other, Jiang Chen quickly explained to Mu Heng, "President Mu, this is the boss of our studio, Miss Lin Yin."

Mu Heng had already guessed Lin Yin's identity, but he couldn't believe that Lin Yin had the foresight to develop such a bold industry plan at her age.

"Little Yin, it seems like I should call you President Lin." The corners of Mu Heng's slightly raised eyes were filled with warmth. He admired the young lady in front of him more and more.

"Brother Mu Heng, don't tease me. This is just a small studio. It's far inferior to you." Lin Yin felt that the person who had helped Jiang Chen in her previous life should be Mu Heng. She had snatched away Mu Heng and Jiang Cheng's first cooperation.

"It won't be long before your company expands."

Mu Heng's judgment had never been wrong. Lin Yin's project would definitely develop greatly in the future, and the benefits it could reap in the future were immeasurable.

“After hearing Brother Mu Heng’s words, I’m even more confident. It’s my luck to be able to work with Brother Mu Heng.”

Of course, Lin Yin hoped that Mu Heng could join the project together. As long as Mu Heng was around, there would no longer be any problems with the funds in the future.

The two of them chatted very happily. Jiang Chen drafted the contract and Mu Heng and Lin Yin’s partnership was established.

“Happy cooperation!”

The two completely different-sized hands held each other. Lin Yin was completely relieved about her company.

“Little Yin, let’s have dinner together tonight. I’ll see if Mu Ran is free and call him along.”

Mu Heng wanted Lin Yin and Mu Ran to interact more. After all, a girl like Lin Yin was really rare.

“Next time, Brother Mu Heng. I’ve agreed with Lu Yan’s mother to go to her house for dinner tonight.” Lin Yin glanced at Lu Yan beside her and rejected Mu Heng tactfully.

“The Lu Family?” Mu Heng had an impression of Lu Yan and knew that she was Lu Ming’s niece.

“Alright, let’s meet again next time.” Mu Heng smiled and said goodbye to Lin Yin before walking out of the studio.

After leaving the office building, Mu Heng got into the car. Thinking of what Lin Yin had just said, he called Mu Ran.

“Brother, I’m on set. What’s the matter?”

The voices around Mu Ran were a little noisy and tired.

"I saw Lin Yin today." Mu Heng's voice was very calm, but the corners of his lips curled up slightly.

"Really? I haven't contacted Little Yin in a long time. How is she now? Is school on vacation?"

When Mu Heng heard his brother's words, he smiled helplessly. Lu Ming was about to bring her home, but his silly brother was not even sure if Lin Yin was on vacation.

"It's the holidays, and she still has to go to the Lu Family tonight." Mu Heng deliberately emphasized the word 'Lu Family'. As expected, he heard Mu Ran scolding.

"Damn it! What does that old hooligan Lu Ming want?" Mu Ran noticed that he was still on the set and coughed awkwardly. He found a place with fewer people and continued to ask, "Could it be that Lin Yin has been staying with Lu Ming during the holidays?"

"Are you asking me? How can I know?" Mu Heng felt that his brother was really disappointing. He had been an A-list celebrity for so many years and had never had a girlfriend. It was not easy for him to meet Lin Yin, but before he could fight for her, she was about to be snatched away by Lu Ming.

"No, Brother, I'm hanging up first. I have to ask Lu Ming. He's already so old, but he's still thinking about an 18-year-old girl."

The corners of Mu Heng's eyes twitched. He was the same age as Lu Ming and felt that Mu Ran's words were a little harsh. "Watch your attitude. Our Mu family and the Lu family have always had a good relationship. Don't go overboard."

"Don't worry, Brother. I've always been clear about public and private matters. I acknowledge Lu Ming's ability at work and I'm willing to call him Brother Lu. But I have to ask him about Little Yin. I can't let Little Yin be bullied."

Chapter 148 Must Meet

Hearing that Mu Ran was about to quarrel with someone, Mu Heng did not stop her. Mu Heng knew Lu Ming's character very well. He could not affect the relationship between the two families because of these small matters, so he did not intend to stop Mu Ran.

Mu Ran had just hung up when she was called away by the production crew. She had no choice but to give up for the time being. However, he had already convicted Lu Ming of several crimes in his heart. When he finished filming, he had to talk to Lu Ming.

After Lin Yin and Lu Yan left the company, they returned to the Lu Family together.

Ren Xue had already returned home. When she saw Lin Yin and Lu Yan return, she happily went to the kitchen to prepare food.

!!

"Lin Yin, I have to consider whether I can bring you home in the future." Lu Yan looked at Ren Xue, who had entered the kitchen, and an ugly smile appeared on her face. "My mother really likes you. She's happy when you come. When she's happy, she goes to bomb the kitchen again..."

Lin Yin couldn't help but laugh. She pulled Lu Yan towards the kitchen. "Forget it. Let's go and see if we can help."

The three of them worked for a long time before they finally handed the kitchen back to the chef at home.

"Forget it. When your father and Little Uncle come home, we'll eat." Ren Xue changed out her dirty clothes and said to the exhausted Lu Yan.

"Alright, as long as you don't enter the kitchen again, we can still eat this meal."

Lin Yin looked at the mother and daughter in front of her and smiled. Ever since Lu Yan returned to her normal attire, her relationship with her mother had become much closer. Although Ren Xue was not a very attentive person, it could not be said that she did not love Lu Yan.

Her phone suddenly rang. When Lin Yin saw that the caller ID was Mu Ran, she answered the call.

“Brother Mu Ran.”

When Ren Xue heard Lin Yin say Mu Ran’s name, she looked surprised and asked Lu Yan softly, “Is it the Mu Ran I know?”

Lu Yan nodded. She and her mother had the same idol, Mu Ran.

“Lin Yin, where are you now?” Mu Ran sounded a little unhappy, and Lin Yin noticed his emotions.

“What’s wrong, Brother Mu Ran? I’m at Lu Yan’s house.”

“Will Lu Ming be there later?”

Mu Ran was very angry. She had just finished filming when she called Lu Ming. She had only questioned him a few times when Lu Ming hung up on her. He did not answer her calls after that. Now, Mu Ran wanted to see Lu Ming in person immediately.

“Probably.” Lin Yin didn’t know why Mu Ran sounded so angry, but she felt that it seemed to be related to Lu Ming. The two of them didn’t seem to have any grudges.

“Call me when you see him. I have to have a good chat with him.” Mu Ran was furious, but she could not really do anything to Lu Ming.

“Since he’s Xiao Yin’s friend, let’s ask him to come along. There are a lot of dishes prepared at home. It’s lively with more people.” Ren Xue looked forward to meeting Mu Ran.

Ren Xue had not designed many clothes after returning to the country, but Mu Ran could give her a lot of inspiration.

Lu Yan also looked at Lin Yin expectantly.

Lin Yin thought for a moment and asked tentatively, "Brother Mu Ran, Lu Yan and Auntie are inviting you over. Do you want..."

"Thank you. Send me the address later. I'll be there soon."

Lin Yin did not expect Mu Ran to agree so readily.

After hanging up, Lu Yan and Ren Xue could not calm down. The two of them stood up excitedly.

"I'll get the kitchen to prepare more!"

"I'll go tidy up my album posters and get another signature!"

Looking at the mother and daughter who left in a hurry, Lin Yin smiled helplessly. There had never been such a warm scene in the Su Family. Lin Yin was very glad to have met Lu Yan and cherished being friends with her.

In less than half an hour, Mu Ran arrived at the Lu Family in the nanny van.

Lin Yin did not expect Mu Ran to arrive earlier than Lu Ming.

"Little Yin!" Mu Ran smiled when he saw Lin Yin.

"Little Yan, Auntie, hello. I came in a hurry. Sorry to disturb you."

Mu Ran gave the snacks and cosmetics he had endorsed to Lu Yan and Ren Xue. His astonishing affinity made him get along naturally with Lu Yan and Ren Xue very quickly.

Lu Yan was very excited to see Mu Ran. She had never imagined that her idol would come to her house one day.

Ren Xue was also very happy. Mu Ran was handsome and had a sweet tongue. He kept saying that she was young and beautiful, praising her until she couldn't close her mouth.

Lin Yin looked at the extremely socially capable Mu Ran with envy. Compared to Mu Ran, she was really a little introverted.

"Lin Yin, did Lu Ming often meet you during the holidays?" Mu Ran was depressed. Lu Ming actually refused to answer his call.

Chapter 149 Enemies Meeting

"It's alright." Lin Yin thought for a moment. Lu Ming had seen her quite a few times recently, but she kept feeling that Mu Ran was a little hostile to Lu Ming. She did not know what grudges the two of them had.

Mu Ran glanced at Lu Yan and Ren Xue. It was not appropriate for her to badmouth Lu Ming directly. The few of them chatted for a while before the sound of a car finally came from outside.

"Let's go. They should be back. Let's prepare to eat." Ren Xue enthusiastically brought Mu Ran to the dining room.

Lin Yin looked at the sumptuous and exquisite food on the long dining table in shock and couldn't help but exclaim that Lu Yan and Aunt Ren Xue were really very happy Mu Ran could come.

!!

Mu Ran sat beside Lin Yin naturally. When Ren Xue saw this scene, she glanced at Lu Yan in confusion, as if she wanted to ask about the relationship between Lin Yin and Mu Ran.

Lu Yan pursed her lips. She was only interested in the food in front of her now and had no mood to care about anything else.

Lu Ming and Lu Jin entered the dining room together and quickly noticed Mu Ran, who was out of place in the entire environment.

“Why are you here?” Seeing Mu Ran sitting beside Lin Yin, Lu Ming frowned unhappily.

Lu Ming did not know what Mu Ran wanted to do. First, he made an inexplicable call and questioned his relationship with Lin Yin. Lu Ming could not be bothered with him and hung up. He did not expect Mu Ran to chase him to his home.

“Brother Lu, you’re too busy with work and don’t have time to answer my call, so I had to come and see you personally.”

Mu Ran’s tone was a little provocative. As he naturally helped Lin Yin deal with the steak on her plate, he looked up at Lu Ming.

“Come and sit down. I invited Mu Ran.”

Ren Xue noticed the strange atmosphere between the two of them and quickly gestured for Lu Ming to sit down.

She sized up Lu Ming and Mu Ran curiously and then looked at Lin Yin, who looked a little embarrassed. Ren Xue seemed to smell gossip.

Lu Ming sat on the other side of Lin Yin and Lu Jin sat at the head of the table. Under a subtle atmosphere, everyone began to eat.

Ren Xue kept stealing glances at Lin Yin. She realized that Mu Ran had been carefully putting food into Lin Yin’s bowl. The atmosphere between the two of them was warm and harmonious, but she had to ignore Lu Ming’s increasingly gloomy face.

Ren Xue finally understood that Lu Ming and Mu Ran were rivals in love. She couldn't help but be a little worried about Lu Ming. Mu Ran was considered perfect in the eyes of a young girl like Lin Yin.

One was a gentle prince, and the other was a cold-faced ice cube. The outcome was obvious.

Ren Xue shook her head. Lu Ming really had a long way to go. She liked Lin Yin too. There would probably be more and more suitors in the future.

The meal was a little depressing. Lin Yin also noticed Lu Ming's low pressure. She wished she could make way for Lu Ming and Mu Ran to sit together.

After Lu Ming finished eating, he took the initiative to send Lin Yin home. Mu Ran hurriedly interrupted, "Brother Lu, bring me along too. I want to talk to you."

Lu Ming looked at Mu Ran's smiling face and said coldly, "Can't your manager send you home?"

"Brother Lu, my manager needs to rest too. It's been a busy day. Give me a ride."

Mu Ran did not want Lin Yin and Lu Ming to be alone. With him around, he would never give Lu Ming a chance.

Lu Jin also noticed that his brother clearly did not like the third son of the Mu Family. He wanted to step forward to smooth things over, but Ren Xue stopped him.

"Lu Ming, send Mu Ran back. You guys can talk too. Haven't you not seen each other for a long time?"

When Lu Ming heard Ren Xue's words, he nodded helplessly. Lin Yin bade farewell to Lu Yan and the Lu couple and followed behind Lu Ming and Mu Ran without a word. If she had a choice, she would want to take a taxi back herself.

"Little Xue, I think Ah Ming's relationship with the third son of the Mu family is average. Isn't it inappropriate for you to let him send him off?"

Lu Jin understood his brother's personality. Looking at his expression just now, Lu Jin was afraid that the two of them would fight halfway.

"Aiya, what do you know? It's good for there to be some twists and turns between young people." Ren Xue's eyes lit up. She usually liked this kind of drama when she watched television dramas.

"Mom, how do you think my little uncle fares compared to Mu Ran?"

Lu Yan was also curious about who was more suitable for Lin Yin between her little uncle and Mu Ran.

"Of course it's Mu Ran. He's gentle and warm, an absolute male idol." Although Ren Xue was Lu Ming's sister-in-law, in her heart, when Mu Ran and Lin Yin stood together, the scene was even more pleasing to the eye. It was simply a youth idol drama.

"I think so too. My idol looks better." Lu Yan stood on her idol's side without any standing.

Chapter 150 You Admitted

"Your uncle dotes on you for nothing." Lu Jin looked at his daughter and wife and shook his head helplessly.

Lu Jin said indignantly, "Actually, other than Ah Ming's cold personality, he doesn't have any other shortcomings. His work ability and looks are one in a hundred. How can a small celebrity compare to your uncle?"

"Yes, he likes to keep a cold face, is obsessed with cleanliness, and has a bad temper. Actually, these aren't any shortcomings."

Lu Yan pursed her lips. In the eyes of her competitors, her uncle was simply a demon. Even she was afraid that he would be angry.

!!

“Alright, it’s useless no matter what we say. It still depends on who Little Yin chooses.” Ren Xue looked at the father and daughter arguing and smiled helplessly.

“You mean, Ah Ming and the Third Young Master of the Mu Family like Little Yin? Why didn’t I know?!” Lu Jin widened his eyes in disbelief. Why couldn’t he tell at all?

Ren Xue and Lu Jin had been together for twenty years, so how could she not understand his slowness? She gently pushed his shoulder and smiled. “Alright, you don’t have to care so much. Just know that I like you.”

Lu Jin was a little embarrassed. He adjusted his glasses and coughed lightly. He said dotingly to Ren Xue, “Stop fooling around. Yan Yan is still here.”

Lu Yan shrugged her shoulders nonchalantly. She had grown up with the PDA her parents showed her. She was already used to their love.

Lu Yan was a little worried about Lin Yin’s current situation. The atmosphere between Lu Ming and Mu Ran was simply suffocating. She wondered how Lin Yin was doing.

Lin Yin was fine, but Mu Ran, who was sitting in the front passenger seat, was very unhappy.

Along the way, whenever he spoke to Lin Yin, he would be interrupted by Lu Ming. Didn’t everyone say that Lu Ming was a taciturn person? Who was the person who was so eloquent now that he could even participate in a debate?

When they finally arrived at the Su Family, Lin Yin quickly got out of the car and said goodbye to Lu Ming and Muran. She entered the house without looking back.

After Lin Yin left, the atmosphere in the car worsened.

Mu Ran was the first to break the silence. “Lu Ming, why didn’t you answer my call?”

Lu Ming did not even turn around and said calmly, "I don't want to hear useless questions. Also, I'm the same age as your brother. Watch your attitude."

"You still know that you're the same age as my brother. Then why are you still pestering Little Yin every day?" Mu Ran stared at Lu Ming intently, his eyes seeming to want to stare a hole into him.

"I didn't." Lu Ming's tone was a little impatient. In his eyes, Mu Ran was just a mischievous child.

"So you don't like Little Yin anymore?"

The car happened to pass by a signal light. Mu Ran turned his head slightly and waited for Lu Ming to answer.

"I never said that." Lu Ming's voice did not change. Mu Ran, who was beside him, suddenly became agitated.

"You admit it, right? You have ulterior motives towards Little Yin, right?"

Lu Ming drove without saying anything, tacitly agreeing to Mu Ran's question.

"I don't agree. You and Little Yin are not compatible!" Mu Ran didn't know why, but knowing that Lu Ming liked Lin Yin, he felt like his cabbage was being targeted. He felt uncomfortable no matter how he thought about it.

"Why should I ask for your permission?" Lu Ming's tone was calm, but Mu Ran did not know how to answer.

"You two aren't compatible anyway." Mu Ran scratched her head in frustration. He couldn't win against Lu Ming, so he sighed and said, "Forget it, I can't explain it to you."

Mu Ran had a plan in her heart. If Lu Ming couldn't be reasoned with, he would look for Lin Yin. She didn't believe that he couldn't stop Lu Ming.

"You don't have to waste your effort. I don't plan to disturb Little Yin now. She's still in school. We'll talk about everything after she graduates."

It was rare for Lu Ming to explain to Mu Ran. He knew that Mu Ran treated Lin Yin well and did not want to argue with him.

Mu Ran still felt uncomfortable, but looking at Lu Ming's attitude, he could not hold on to it.

When they reached home, Mu Ran called Lin Yin as soon as she went upstairs.

"Brother Mu Ran, are you home?"

Lin Yin's voice was very pleasant, and Mu Ran calmed down a lot.

"Little Yin, you're on vacation now. Are you interested in coming to the set to film?"

Lin Yin was a little surprised to hear Mu Ran's words. Although she did not dislike acting, she did not have any intention of entering the entertainment industry.

"Think about it carefully. You can bring your friends along. Act as a few small roles and treat it as coming out to play. How about that?" Mu Ran was afraid that Lin Yin would reject him, so he hurriedly added.

Lin Yin was not interested herself, but when she thought of Lu Yan and Yang Xue, she did not reject Mu Ran immediately.

"Then I'll ask Lu Yan and Yang Xue tomorrow. If they're interested, we'll go together."
